5747.73 of the Revised Code be enacted to read as follows: 392

Sec. 9.242. (A) As used in this section: 393

(1) "State agency" has the meaning defined in section 1.60 of 394
the Revised Code. 395

(2) "State contract" means any contract for goods, services, 396
or construction that is paid for in whole or in part with state 397
funds. A state contract is considered to be awarded when it is 398
entered into or executed, regardless of whether the parties to the 399
contract have exchanged any money. 400

(3) "Participate" means to respond to any solicitation or 401
procurement issued by a state agency or be the recipient of an 402
award of a state contract, or to provide any goods or services to 403
any state agency. 404

(B) No vendor who has been debarred by any state agency shall 405
participate in any state contract during the period of debarment. 406
After the debarment period expires, the vendor may be eligible to 407
respond to any solicitation or procurement, provide goods or 408
services to, and be awarded contracts by state agencies if the 409

vendor is not otherwise listed on a list of debarred vendors 410
applicable to state contracts. 411

(C) State agencies shall exclude any vendor debarred under 412
sections 125.25, 153.02, or 5513.06 of the Revised Code, or any 413
other section of the Revised Code from participating in state 414
contracts. 415

Sec. 101.15. (A) As used in this section: 416

(1) "Caucus" means all of the members of either house of the 417
general assembly who are members of the same political party. 418

(2) "Committee" means any committee of either house of the 419
general assembly, a joint committee of both houses of the general 420
assembly, including a committee of conference, or a subcommittee 421
of any committee listed in division (A)(2) of this section. 422

(3) "Meeting" means any prearranged discussion of the public 423
business of a committee by a majority of its members. 424

(4) "Standing committee caucus" means all of the members of a 425
standing committee of either house of the general assembly who are 426
members of the same political party. 427

(B) Except as otherwise provided in division (F) of this 428
section, all meetings of any committee are declared to be public 429
meetings open to the public at all times. The secretary assigned 430
to the chairperson of the committee shall prepare, file, and 431
maintain the minutes of every regular or special meeting of a 432
committee. The committee, at its next regular or special meeting, 433
shall approve the minutes prepared, filed, and maintained by the 434
secretary, or, if the minutes prepared, filed, and maintained by 435
the secretary require correction before their approval, the 436
committee shall correct and approve the minutes at the next 437
following regular or special meeting. The committee shall make the 438
minutes available for public inspection not later than seven days 439

after the meeting the minutes reflect or not later than the 440
committee's next regular or special meeting, whichever occurs 441
first. 442

(C) Each committee shall establish a reasonable method 443
whereby any person may determine the time and place of all 444
regularly scheduled meetings and the time, place, and purpose of 445
all special meetings. No committee shall hold a regular or special 446
meeting unless it gives at least twenty-four hours' advance notice 447
to the news media that have requested notification. 448

The method established by each committee shall provide that, 449
upon request and payment of a reasonable fee, any person may 450
obtain reasonable advance notification of all meetings at which 451
any specific type of public business will be discussed. Provisions 452
for advance notification may include, but are not limited to, 453
mailing the agenda of meetings to all subscribers on a mailing 454
list or mailing notices in self-addressed stamped envelopes 455
provided by the person who desires advance notification. 456

(D) Any action of a committee relating to a bill or 457
resolution, or any other formal action of a committee, is invalid 458
unless taken in an open meeting of the committee. Any action of a 459
committee relating to a bill or resolution, or any other formal 460
action of a committee, taken in an open meeting is invalid if it 461
results from deliberations in a meeting not open to the public. 462

(E)(1) Any person may bring an action to enforce this 463
section. An action under this division shall be brought within two 464
years after the date of the alleged violation or threatened 465
violation. Upon proof of a violation or threatened violation of 466
this section in an action brought by any person, the court of 467
common pleas shall issue an injunction to compel the members of 468
the committee to comply with its provisions. 469

(2)(a) If the court of common pleas issues an injunction 470

under division (E)(1) of this section, the court shall order the committee that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in this division, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the violation or threatened violation that was the basis of the injunction, a well-informed committee reasonably would believe that the committee was not violating or threatening to violate this section;

(ii) That a well-informed committee reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction under division (E)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the committee all court costs and reasonable attorney's fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a committee who knowingly violates an injunction issued under division (E)(1) of this section may be removed from office by an action brought in the court of common

pleas for that purpose by the prosecuting attorney of Franklin 502
county or by the attorney general. 503

(5) The remedies described in divisions (E)(1) to (4) of this 504
section shall be the exclusive remedies for a violation of this 505
section. 506

(F) This section does not apply to or affect either of the 507
following: 508

(1) All meetings of the joint legislative ethics committee 509
created under section 101.34 of the Revised Code other than a 510
meeting that is held for any of the following purposes: 511

(a) To consider the adoption, amendment, or rescission of any 512
rule that the joint legislative ethics committee is authorized to 513
adopt pursuant to division (B)(11) of section 101.34, division (E) 514
of section 101.78, division (B) of section 102.02, or division (E) 515
of section 121.68 of the Revised Code; 516

(b) To discuss and consider changes to any administrative 517
operation of the joint legislative ethics committee other than any 518
matter described in division (G) of section 121.22 of the Revised 519
Code; 520

(c) To discuss pending or proposed legislation. 521

(2) Meetings of a caucus; 522

(3) Meetings of a standing committee caucus. 523

(G) For purposes of division (F)(1)(a) of this section, an 524
advisory opinion, written opinion, or decision relative to a 525
complaint is not a rule. 526

Sec. 101.38. (A) As used in this section, "relative" means a 527
spouse, parent, parent-in-law, sibling, sibling-in-law, child, 528
child-in-law, grandparent, aunt, or uncle. 529

(B) There is hereby created the Ohio cystic fibrosis 530

legislative task force to study and make recommendations on issues 531
pertaining to the care and treatment of individuals with cystic 532
fibrosis. The task force shall study and make recommendations on 533
the following issues: 534

(1) Use of prescription drug and innovative therapies under 535
the program for medically handicapped children established under 536
section 3701.023 of the Revised Code and the program for adults 537
with cystic fibrosis administered by the department of health 538
under division (G) of that section; 539

(2) Screening of newborn children for the presence of genetic 540
disorders, as required under section 3701.501 of the Revised Code; 541

(3) Any other issues the task force considers appropriate. 542

with malicious purpose, in bad faith, or in a wanton or reckless 2656
manner. If the state public defender elects not to contract 2657

division (E)(1) of this section shall be accomplished only through 2670
the following procedure: 2671

(i) The private legal counsel shall file with the attorney 2672

fees, court costs, and expenses earned or incurred in connection 2674
with the defense of the Ohio public defender commission, the state 2675
public defender, an assistant state public defender, an employee, 2676
or an attorney in a specified civil action or proceeding; a 2677
written itemization of those fees, costs, and expenses, including 2678
the signature of the state public defender and the state public 2679
defender's attestation that the fees, costs, and expenses were 2680
earned or incurred pursuant to division (E)(1) of this section to 2681
the best of the state public defender's knowledge and information; 2682
a written statement whether the fees, costs, and expenses are for 2683
all legal services to be rendered in connection with that defense, 2684

are only for legal services rendered to the date of the request 2685
and additional legal services likely will have to be provided in 2686
connection with that defense, or are for the final legal services 2687
rendered in connection with that defense; a written statement 2688
indicating whether the private legal counsel previously submitted 2689
a request for an award under division (E)(2) of this section in 2690
connection with that defense and, if so, the date and the amount 2691
of each award granted; and, if the fees, costs, and expenses are 2692
for all legal services to be rendered in connection with that 2693
defense or are for the final legal services rendered in connection 2694
with that defense, a certified copy of any judgment entry in the 2695
civil action or proceeding or a signed copy of any settlement 2696
agreement entered into between the parties to the civil action or 2697
proceeding. 2698

(ii) Upon receipt of a request for an award of legal fees, 2699
court costs, and expenses and the requisite supportive 2700
documentation described in division (E)(2)(a)(i) of this section, 2701
the attorney general shall review the request and documentation; 2702
determine whether any of the limitations specified in division 2703
(E)(2)(b) of this section apply to the request; and, if an award 2704
of legal fees, court costs, or expenses is permissible after 2705
applying the limitations, prepare a document awarding legal fees, 2706
court costs, or expenses to the private legal counsel. The 2707
document shall name the private legal counsel as the recipient of 2708
the award; specify the total amount of the award as determined by 2709
the attorney general; itemize the portions of the award that 2710
represent legal fees, court costs, and expenses; specify any 2711
limitation applied pursuant to division (E)(2)(b) of this section 2712
to reduce the amount of the award sought by the private legal 2713
counsel; state that the award is payable from the state treasury 2714
pursuant to division (E)(2)(a)(iii) of this section; and be 2715
approved by the inclusion of the signatures of the attorney 2716
general, the state public defender, and the private legal counsel. 2717

(iii) The attorney general shall forward a copy of the document prepared pursuant to division (E)(2)(a)(ii) of this section to the director of budget and management. The award of legal fees, court costs, or expenses shall be paid out of the state public defender's appropriations, to the extent there is a sufficient available balance in those appropriations. If the state public defender does not have a sufficient available balance in the state public defender's appropriations to pay the entire award of legal fees, court costs, or expenses, the director shall make application for a transfer of appropriations out of the emergency purposes account or any other appropriation for emergencies or contingencies in an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations. A transfer of appropriations out of the emergency purposes account or any other appropriation for emergencies or contingencies shall be authorized if there are sufficient moneys greater than the sum total of then pending emergency purposes account requests, or requests for releases from the other appropriation. If a transfer of appropriations out of the emergency purposes account or other appropriation for emergencies or contingencies is made to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, the director shall cause the payment to be made to the private legal counsel. If sufficient moneys do not exist in the emergency purposes account or other appropriation for emergencies or contingencies to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, the private legal counsel shall request the general assembly to make an appropriation sufficient to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, and no payment in that amount shall be made until

the appropriation has been made. The private legal counsel shall 2751
make the request during the current biennium and during each 2752
succeeding biennium until a sufficient appropriation is made. 2753

(b) An award of legal fees, court costs, and expenses 2754
pursuant to division (E) of this section is subject to the 2755
following limitations: 2756

(i) The maximum award or maximum aggregate of a series of 2757

legal counsel in connection with the defense of the Ohio public 2759
defender commission, the state public defender, an assistant state 2760
public defender, an employee, or an attorney in a specified civil 2761
action or proceeding shall not exceed fifty thousand dollars. 2762

(ii) The private legal counsel shall not be awarded legal 2763
fees, court costs, or expenses to the extent the fees, costs, or 2764
expenses are covered by a policy of malpractice or other 2765
insurance. 2766

(iii) The private legal counsel shall be awarded legal fees 2767
and expenses only to the extent that the fees and expenses are 2768
reasonable in light of the legal services rendered by the private 2769
legal counsel in connection with the defense of the Ohio public 2770
defender commission, the state public defender, an assistant state 2771
public defender, an employee, or an attorney in a specified civil 2772
action or proceeding. 2773

(c) If, pursuant to division (E)(2)(a) of this section, the 2774
attorney general denies a request for an award of legal fees, 2775
court costs, or expenses to private legal counsel because of the 2776
application of a limitation specified in division (E)(2)(b) of 2777
this section, the attorney general shall notify the private legal 2778
counsel in writing of the denial and of the limitation applied. 2779

(d) If, pursuant to division (E)(2)(c) of this section, a 2780
private legal counsel receives a denial of an award notification 2781

or if a private legal counsel refuses to approve a document under 2782
division (E)(2)(a)(ii) of this section because of the proposed 2783
application of a limitation specified in division (E)(2)(b) of 2784
this section, the private legal counsel may commence a civil 2785
action against the attorney general in the court of claims to 2786
prove the private legal counsel's entitlement to the award sought, 2787
to prove that division (E)(2)(b) of this section does not prohibit 2788
or otherwise limit the award sought, and to recover a judgment for 2789
the amount of the award sought. A civil action under division 2790
(E)(2)(d) of this section shall be commenced no later than two 2791
years after receipt of a denial of award notification or, if the 2792
private legal counsel refused to approve a document under division 2793
(E)(2)(a)(ii) of this section because of the proposed application 2794
of a limitation specified in division (E)(2)(b) of this section, 2795
no later than two years after the refusal. Any judgment of the 2796
court of claims in favor of the private legal counsel shall be 2797
paid from the state treasury in accordance with division (E)(2)(a) 2798
of this section. 2799

(F) If a court appoints the office of the state public 2800
defender to represent a petitioner in a postconviction relief 2801
proceeding under section 2953.21 of the Revised Code, the 2802
petitioner has received a sentence of death, and the proceeding 2803
relates to that sentence, all of the attorneys who represent the 2804
petitioner in the proceeding pursuant to the appointment, whether 2805

another attorney, shall be certified under Rule 20 of the Rules of 2807
Superintendence for the Courts of Ohio to represent indigent 2808
defendants charged with or convicted of an offense for which the 2809
death penalty can be or has been imposed. 2810

(G)(1) The state public defender may conduct a legal 2811
assistance referral service for children committed to the 2812
department of youth services relative to conditions of confinement 2813

claims. If the legal assistance referral service receives a 2814
request for assistance from a child confined in a facility 2815
operated, or contracted for, by the department of youth services 2816
and the state public defender determines that the child has a 2817
conditions of confinement claim that has merit, the state public 2818
defender may refer the child to a private attorney. If no private 2819
attorney who the child has been referred to by the state public 2820
defender accepts the case within a reasonable time, the state 2821
public defender may prepare, as appropriate, pro se pleadings in 2822
the form of a complaint regarding the conditions of confinement at 2823
the facility where the child is confined with a motion for 2824
appointment of counsel and other applicable pleadings necessary 2825
for sufficient pro se representation. 2826

(2) Division (G)(1) of this section does not authorize the 2827
state public defender to represent a child committed to the 2828
department of youth services in general civil matters arising 2829
solely out of state law. 2830

(3) The state public defender shall not undertake the 2831
representation of a child in court based on a conditions of 2832
confinement claim arising under this division. 2833

(H) A child's right to representation or services under this 2834
section is not affected by the child, or another person on behalf 2835
of the child, previously having paid for similar representation or 2836
services or having waived legal representation. 2837

(I) The state public defender shall have reasonable access to 2838
any child committed to the department of youth services, 2839
department of youth services institution, and department of youth 2840
services record as needed to implement this section. 2841

If a request for the reimbursement of any operating expenditure incurred by a county public defender office is not received by the state public defender within sixty days after the end of the calendar month in which the expenditure is incurred, the state public defender shall not pay the requested reimbursement, unless the county has requested, and the state public defender has granted, an extension of the sixty-day time limit. Each request for reimbursement shall include a certification by the county public defender that the persons provided representation by the county public defender's office during the period covered by the report were indigent and, for each person provided representation during that period, a financial disclosure form completed by the person on a form prescribed by the state public defender. ~~defender offices, and county appointed counsel systems is not~~ 2879
~~sufficient to pay fifty per cent of the total cost of all of the~~ 2880
~~offices and systems, for the lesser amount required by section~~ 2881
~~120.34 of the Revised Code. For the purposes of this section,~~ 2882
"total cost" means total expenses minus costs and expenses 2883
reimbursable under section 120.35 of the Revised Code and any 2884
funds received by the county public defender commission pursuant 2885
to a contract, except a contract entered into with a municipal 2886
corporation pursuant to division (E) of section 120.14 of the 2887
Revised Code, gift, or grant. 2888

(B) If the county public defender fails to maintain the 2889
standards for the conduct of the office established by rules of 2890
the Ohio public defender commission pursuant to divisions (B) and 2891
(C) of section 120.03 or the standards established by the state 2892
public defender pursuant to division (B)(7) of section 120.04 of 2893
the Revised Code, the Ohio public defender commission shall notify 2894
the county public defender commission and the board of county 2895
commissioners of the county that the county public defender has 2896
failed to comply with its rules or the standards of the state 2897
public defender. Unless the county public defender commission or 2898
the county public defender corrects the conduct of the county 2899
public defender's office to comply with the rules and standards 2900
within ninety days after the date of the notice, the state public 2901
defender may deny payment of all or part of the county's 2902
reimbursement from the state provided for in division (A) of this 2903
section. 2904

Sec. 120.28. (A) The joint county public defender 2905
commission's report to the joint board of county commissioners 2906
shall be audited by the fiscal officer of the district. The joint 2907
board of county commissioners, after review and approval of the 2908

audited report, may then certify it to the state public defender 2909
for reimbursement. If a request for the reimbursement of any 2910
operating expenditure incurred by a joint county public defender 2911
office is not received by the state public defender within sixty 2912
days after the end of the calendar month in which the expenditure 2913
is incurred, the state public defender shall not pay the requested 2914
reimbursement, unless the joint board of county commissioners has 2915
requested, and the state public defender has granted, an extension 2916
of the sixty-day time limit. Each request for reimbursement shall 2917
include a certification by the joint county public defender that 2918
all persons provided representation by the joint county public 2919
defender's office during the period covered by the request were 2920
indigent and, for each person provided representation during that 2921
period, a financial disclosure form completed by the person on a 2922
form prescribed by the state public defender. The state public 2923
defender shall also review the report and, in accordance with the 2924
standards, guidelines, and maximums established pursuant to 2925
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 2926
prepare a voucher for ~~fifty per cent of~~ up to the total cost of 2927
each joint county public defender's office for the period of time 2928
covered by the certified report and a voucher for ~~fifty per cent~~ 2929
~~of~~ the costs and expenses that are reimbursable under section 2930
120.35 of the Revised Code, ~~if any, or, if the amount of money~~ 2931
~~appropriated by the general assembly to reimburse counties for the~~ 2932
~~operation of county public defender offices, joint county public~~ 2933
~~defender offices, and county appointed counsel systems is not~~ 2934
~~sufficient to pay fifty per cent of the total cost of all of the~~ 2935
~~offices and systems, for the lesser amount required by section~~ 2936
~~120.34 of the Revised Code.~~ For purposes of this section, "total 2937
cost" means total expenses minus costs and expenses reimbursable 2938
under section 120.35 of the Revised Code and any funds received by 2939
the joint county public defender commission pursuant to a 2940
contract, except a contract entered into with a municipal 2941

corporation pursuant to division (E) of section 120.24 of the Revised Code, gift, or grant. Each county in the district shall be entitled to a share of such state reimbursement in proportion to the percentage of the total cost it has agreed to pay.

the person in any proceeding included within the provisions of the 2980
resolution; 2981

person in such a proceeding. 2983

(2) The court having jurisdiction over the proceeding in a 2984

(3) The board of county commissioners shall establish a 2995
schedule of fees by case or on an hourly basis to be paid to 2996

adopted under this section. Prior to establishing the schedule, 2998
the board of county commissioners shall request the bar 2999
association or associations of the county to submit a proposed 3000
schedule for cases other than capital cases. The schedule 3001
submitted shall be subject to the review, amendment, and approval 3002
of the board of county commissioners, except with respect to 3003
capital cases. With respect to capital cases, the schedule shall 3004

provide for fees by case or on an hourly basis to be paid to 3005
counsel in the amount or at the rate set by the capital case 3006
attorney fee council pursuant to division (D) of this section, and 3007
the board of county commissioners shall approve that amount or 3008
rate. 3009

(4) Counsel selected by the indigent person or appointed by 3010
the court at the request of an indigent person in a county that 3011

of a municipal corporation that has not contracted with the county 3014
commissioners for the payment of appointed counsel, shall be paid 3015

the board of county commissioners in the schedule adopted pursuant 3024
to division (A)(3) of this section. No court shall approve 3025

division (A)(3) of this section. 3027

The fees and expenses approved by the court shall not be 3028

However, if the person represented has, or may reasonably be 3030
expected to have, the means to meet some part of the cost of the 3031
services rendered to the person, the person shall pay the county 3032
an amount that the person reasonably can be expected to pay. 3033
Pursuant to section 120.04 of the Revised Code, the county shall 3034
pay to the state public defender a percentage of the payment 3035
received from the person in an amount proportionate to the 3036

percentage of the costs of the person's case that were paid to the 3037
county by the state public defender pursuant to this section. The 3038

court, plus the expenses the court fixes and certifies to the 3044
auditor. The county auditor shall report periodically, but not 3045
less than annually, to the board of county commissioners and to 3046
the state public defender the amounts paid out pursuant to the 3047

review and approval of the auditor's report, or the county 3049
auditor, with permission from and notice to the board of county 3050
commissioners, may then certify it to the state public defender 3051
for reimbursement. The state public defender may pay a requested 3052
reimbursement only if the request for reimbursement includes a 3053
financial disclosure form completed by the indigent person on a 3054
form prescribed by the state public defender or if the court 3055
certifies by electronic signature as prescribed by the state 3056
public defender that a financial disclosure form has been 3057
completed by the indigent person and is available for inspection. 3058

case is not received by the state public defender within ninety 3060
days after the end of the calendar month in which the case is 3061
finally disposed of by the court, unless the county has requested 3062
and the state public defender has granted an extension of the 3063
ninety-day limit, the state public defender shall not pay the 3064
requested reimbursement. The state public defender shall also 3065
review the report and, in accordance with the standards, 3066

and (8) of section 120.04 of the Revised Code, prepare a voucher 3068
for ~~fifty per cent of~~ up to the total cost of each county 3069

~~public defender offices, joint county public defender offices, and~~ 3075
~~county appointed counsel systems is not sufficient to pay fifty~~ 3076

rules or the standards of the state public defender. Unless the 3089
board of county commissioners corrects the conduct of its 3090
appointed counsel system to comply with the rules and standards 3091
within ninety days after the date of the notice, the state public 3092
defender may deny all or part of the county's reimbursement from 3093
the state provided for in division (A)(4) of this section. 3094

(B) In lieu of using a county public defender or joint county 3095
public defender to represent indigent persons in the proceedings 3096
set forth in division (A) of section 120.16 of the Revised Code, 3097
and in lieu of adopting the resolution and following the procedure 3098
described in division (A) of this section, the board of county 3099
commissioners of any county may contract with the state public 3100
defender for the state public defender's legal representation of 3101

indigent persons. A contract entered into pursuant to this 3102
division may provide for payment for the services provided on a 3103
per case, hourly, or fixed contract basis. 3104

(C) If a court appoints an attorney pursuant to this section 3105
to represent a petitioner in a postconviction relief proceeding 3106
under section 2953.21 of the Revised Code, the petitioner has 3107

council, appointed as described in division (D)(2) of this 3115
section. The council shall set an amount by case, or a rate on an 3116
hourly basis, to be paid under this section to counsel in a 3117
capital case. 3118

(2) The capital case attorney fee council shall consist of 3119
five members, all of whom shall be active judges serving on one of 3120

public defender. The council shall specify that effective date in 3146
the written notice provided to the state public defender. All 3147
amounts or rates set by the council shall be final, subject to 3148

(5) The capital case attorney fee council may modify an 3151
amount or rate set as described in division (D)(4) of this 3152
section. The provisions of that division apply with respect to any 3153
such modification of an amount or rate. 3154

money paid in that fiscal year pursuant to section 120.35 of the 3185
Revised Code to each county for the fiscal year shall be reduced 3186

prior calendar year for legal services in that county as compared 3420
to the total amount expended in the prior calendar year for legal 3421

directly related to an economic development project. 3727

(b) A unanimous quorum of the public body determines, by a 3728
roll call vote, that the executive session is necessary to protect 3729
the interests of the applicant or the possible investment or 3730
expenditure of public funds to be made in connection with the 3731
economic development project. 3732

If a public body holds an executive session to consider any 3733
of the matters listed in divisions (G)(2) to (8) of this section, 3734

invalid unless adopted in an open meeting of the public body. A 3742
resolution, rule, or formal action adopted in an open meeting that 3743
results from deliberations in a meeting not open to the public is 3744
invalid unless the deliberations were for a purpose specifically 3745
authorized in division (G) or (J) of this section and conducted at 3746
an executive session held in compliance with this section. A 3747
resolution, rule, or formal action adopted in an open meeting is 3748
invalid if the public body that adopted the resolution, rule, or 3749
formal action violated division (F) of this section. 3750

(I)(1) Any person may bring an action to enforce this 3751

section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2)(a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the

court. 3784

(3) Irreparable harm and prejudice to the party that sought 3785
the injunction shall be conclusively and irrebuttably presumed 3786
upon proof of a violation or threatened violation of this section. 3787

(4) A member of a public body who knowingly violates an 3788
injunction issued pursuant to division (I)(1) of this section may 3789
be removed from office by an action brought in the court of common 3790
pleas for that purpose by the prosecuting attorney or the attorney 3791
general. 3792

(J)(1) Pursuant to division (C) of section 5901.09 of the 3793

implemented pursuant to division (C) of this section. 3968

The cabinet council shall establish a state appeals process 3969
to resolve disputes among the members of a county council 3970
concerning whether reasonable responsibilities as members are 3971
being shared. The appeals process may be accessed only by a 3972
majority vote of the council members who are required to serve on 3973

Service of a judge as a judicial advisor pursuant to this section 3986
is a judicial function. 3987

(2) The purpose of the county council is to streamline and 3988

within the county system. 4010

(3) A county council shall develop and implement the 4011

the indicators established by the cabinet council under division 4022
(A)(4)(a) of this section. 4023

(c) An annual plan that identifies the county's interagency 4024
efforts to increase child well-being in the county. 4025

On an annual basis, the county council shall submit a report 4026
on the status of efforts by the county to increase child 4027
well-being in the county to the county's board of county 4028
commissioners and the cabinet council. This report shall be made 4029
available to any other person on request. 4030

(4)(a) Except as provided in division (B)(4)(b) of this 4031
section, a county council shall comply with the policies, 4032
procedures, and activities prescribed by the rules or interagency 4033
agreements of a state department participating on the cabinet 4034
council whenever the county council performs a function subject to 4035
those rules or agreements. 4036

(b) On application of a county council, the cabinet council 4037
may grant an exemption from any rules or interagency agreements of 4038
a state department participating on the council if an exemption is 4039
necessary for the council to implement an alternative program or 4040
approach for service delivery to families and children. The 4041
application shall describe the proposed program or approach and 4042
specify the rules or interagency agreements from which an 4043
exemption is necessary. The cabinet council shall approve or 4044
disapprove the application in accordance with standards and 4045
procedures it shall adopt. If an application is approved, the 4046
exemption is effective only while the program or approach is being 4047
implemented, including a reasonable period during which the 4048
program or approach is being evaluated for effectiveness. 4049

(5)(a) Each county council shall designate an administrative 4050
agent for the council from among the following public entities: 4051
the board of alcohol, drug addiction, and mental health services, 4052
including a board of alcohol and drug addiction or a community 4053
mental health board if the county is served by separate boards; 4054
the board of county commissioners; any board of health of the 4055
county's city and general health districts; the county department 4056
of job and family services; the county agency responsible for the 4057

administration of children services pursuant to section 5153.15 of 4058
the Revised Code; the county board of developmental disabilities; 4059
any of the county's boards of education or governing boards of 4060
educational service centers; or the county's juvenile court. Any 4061
of the foregoing public entities, other than the board of county 4062
commissioners, may decline to serve as the council's 4063
administrative agent. 4064

A county council's administrative agent shall serve as the 4065
council's appointing authority for any employees of the council. 4066
The council shall file an annual budget with its administrative 4067
agent, with copies filed with the county auditor and with the 4068
board of county commissioners, unless the board is serving as the 4069
council's administrative agent. The council's administrative agent 4070
shall ensure that all expenditures are handled in accordance with 4071
policies, procedures, and activities prescribed by state 4072
departments in rules or interagency agreements that are applicable 4073
to the council's functions. 4074

The administrative agent of a county council shall send 4075
notice of a member's absence if a member listed in division (B)(1) 4076
of this section has been absent from either three consecutive 4077
meetings of the county council or a county council subcommittee, 4078
or from one-quarter of such meetings in a calendar year, whichever 4079
is less. The notice shall be sent to the board of county 4080
commissioners that establishes the county council and, for the 4081
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 4082
section, to the governing board overseeing the respective entity; 4083
for the member listed in division (B)(1)(f) of this section, to 4084
the county board of developmental disabilities that employs the 4085
superintendent; for a member listed in division (B)(1)(g) or (h) 4086
of this section, to the school board that employs the 4087
superintendent; for the member listed in division (B)(1)(i) of 4088
this section, to the mayor of the municipal corporation; for the 4089

member listed in division (B)(1)(k) of this section, to the 4090
director of youth services; and for the member listed in division 4091
(B)(1)(n) of this section, to that member's board of trustees. 4092

The administrative agent for a county council may do any of 4093
the following on behalf of the council: 4094

(i) Enter into agreements or administer contracts with public 4095
or private entities to fulfill specific council business. Such 4096
agreements and contracts are exempt from the competitive bidding 4097
requirements of section 307.86 of the Revised Code if they have 4098
been approved by the county council and they are for the purchase 4099
of family and child welfare or child protection services or other 4100
social or job and family services for families and children. The 4101
approval of the county council is not required to exempt 4102
agreements or contracts entered into under section 5139.34, 4103
5139.41, or 5139.43 of the Revised Code from the competitive 4104
bidding requirements of section 307.86 of the Revised Code. 4105

(ii) As determined by the council, provide financial 4106
stipends, reimbursements, or both, to family representatives for 4107
expenses related to council activity; 4108

(iii) Receive by gift, grant, devise, or bequest any moneys, 4109
lands, or other property for the purposes for which the council is 4110
established. The agent shall hold, apply, and dispose of the 4111
moneys, lands, or other property according to the terms of the 4112
gift, grant, devise, or bequest. Any interest or earnings shall be 4113
treated in the same manner and are subject to the same terms as 4114
the gift, grant, devise, or bequest from which it accrues. 4115

(b)(i) If the county council designates the board of county 4116
commissioners as its administrative agent, the board may, by 4117
resolution, delegate any of its powers and duties as 4118
administrative agent to an executive committee the board 4119
establishes from the membership of the county council. The board 4120

shall name to the executive committee at least the individuals 4121
described in divisions (B)(1)(b) to (h) of this section and may 4122
appoint the president of the board or another individual as the 4123
chair of the executive committee. The executive committee must 4124
include at least one family county council representative who does 4125
not have a family member employed by an agency represented on the 4126
council. 4127

(ii) The executive committee may, with the approval of the 4128
board, hire an executive director to assist the county council in 4129
administering its powers and duties. The executive director shall 4130
serve in the unclassified civil service at the pleasure of the 4131
executive committee. The executive director may, with the approval 4132
of the executive committee, hire other employees as necessary to 4133
properly conduct the county council's business. 4134

(iii) The board may require the executive committee to submit 4135
an annual budget to the board for approval and may amend or repeal 4136
the resolution that delegated to the executive committee its 4137
authority as the county council's administrative agent. 4138

(6) Two or more county councils may enter into an agreement 4139
to administer their county councils jointly by creating a regional 4140
family and children first council. A regional council possesses 4141
the same duties and authority possessed by a county council, 4142
except that the duties and authority apply regionally rather than 4143
to individual counties. Prior to entering into an agreement to 4144
create a regional council, the members of each county council to 4145
be part of the regional council shall meet to determine whether 4146
all or part of the members of each county council will serve as 4147
members of the regional council. 4148

(7) A board of county commissioners may approve a resolution 4149
by a majority vote of the board's members that requires the county 4150
council to submit a statement to the board each time the council 4151
proposes to enter into an agreement, adopt a plan, or make a 4152

decision, other than a decision pursuant to section 121.38 of the Revised Code, that requires the expenditure of funds for two or more families. The statement shall describe the proposed agreement, plan, or decision.

Not later than fifteen days after the board receives the statement, it shall, by resolution approved by a majority of its members, approve or disapprove the agreement, plan, or decision. Failure of the board to pass a resolution during that time period shall be considered approval of the agreement, plan, or decision.

An agreement, plan, or decision for which a statement is required to be submitted to the board shall be implemented only if it is approved by the board.

(C) Each county shall develop a county service coordination mechanism. The county service coordination mechanism shall serve as the guiding document for coordination of services in the county. For children who also receive services under the help me grow program, the service coordination mechanism shall be consistent with rules adopted by the department of health under section 3701.61 of the Revised Code. All family service coordination plans shall be developed in accordance with the county service coordination mechanism. The mechanism shall be developed and approved with the participation of the county entities representing child welfare; developmental disabilities; alcohol, drug addiction, and mental health services; health; juvenile judges; education; the county family and children first council; and the county early intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004." The county shall establish an implementation schedule for the mechanism. The cabinet council may monitor the implementation and administration of each county's service coordination mechanism.

Each mechanism shall include all of the following: 4185

(1) A procedure for an agency, including a juvenile court, or 4186
a family voluntarily seeking service coordination, to refer the 4187
child and family to the county council for service coordination in 4188
accordance with the mechanism; 4189

(2) A procedure ensuring that a family and all appropriate 4190
staff from involved agencies, including a representative from the 4191
appropriate school district, are notified of and invited to 4192
participate in all family service coordination plan meetings; 4193

(3) A procedure that permits a family to initiate a meeting 4194
to develop or review the family's service coordination plan and 4195
allows the family to invite a family advocate, mentor, or support 4196
person of the family's choice to participate in any such meeting; 4197

(4) A procedure for ensuring that a family service 4198
coordination plan meeting is conducted for each child who receives 4199
service coordination under the mechanism and for whom an emergency 4200
out-of-home placement has been made or for whom a nonemergency 4201
out-of-home placement is being considered. The meeting shall be 4202
conducted within ten days of an emergency out-of-home placement. 4203
The meeting shall be conducted before a nonemergency out-of-home 4204
placement. The family service coordination plan shall outline how 4205
the county council members will jointly pay for services, where 4206
applicable, and provide services in the least restrictive 4207
environment. 4208

(5) A procedure for monitoring the progress and tracking the 4209
outcomes of each service coordination plan requested in the county 4210
including monitoring and tracking children in out-of-home 4211
placements to assure continued progress, appropriateness of 4212
placement, and continuity of care after discharge from placement 4213
with appropriate arrangements for housing, treatment, and 4214
education; 4215

(6) A procedure for protecting the confidentiality of all 4216
personal family information disclosed during service coordination 4217
meetings or contained in the comprehensive family service 4218
coordination plan; 4219

(7) A procedure for assessing the needs and strengths of any 4220
child or family that has been referred to the council for service 4221
coordination, including a child whose parent or custodian is 4222
voluntarily seeking services, and for ensuring that parents and 4223
custodians are afforded the opportunity to participate; 4224

(8) A procedure for development of a family service 4225
coordination plan described in division (D) of this section; 4226

(9) A local dispute resolution process to serve as the 4227
process that must be used first to resolve disputes among the 4228
agencies represented on the county council concerning the 4229
provision of services to children, including children who are 4230
abused, neglected, dependent, unruly, alleged unruly, or 4231
delinquent children and under the jurisdiction of the juvenile 4232
court and children whose parents or custodians are voluntarily 4233
seeking services. The local dispute resolution process shall 4234
comply with sections 121.38, 121.381, and 121.382 of the Revised 4235
Code. The local dispute resolution process shall be used to 4236
resolve disputes between a child's parents or custodians and the 4237
county council regarding service coordination. The county council 4238
shall inform the parents or custodians of their right to use the 4239
dispute resolution process. Parents or custodians shall use 4240
existing local agency grievance procedures to address disputes not 4241
involving service coordination. The dispute resolution process is 4242
in addition to and does not replace other rights or procedures 4243
that parents or custodians may have under other sections of the 4244
Revised Code. 4245

The cabinet council shall adopt rules in accordance with 4246
Chapter 119. of the Revised Code establishing an administrative 4247

review process to address problems that arise concerning the 4248
operation of a local dispute resolution process. 4249

Nothing in division (C)(4) of this section shall be 4250
interpreted as overriding or affecting decisions of a juvenile 4251
court regarding an out-of-home placement, long-term placement, or 4252
emergency out-of-home placement. 4253

(D) Each county shall develop a family service coordination 4254
plan that does all of the following: 4255

(1) Designates service responsibilities among the various 4256
state and local agencies that provide services to children and 4257
their families, including children who are abused, neglected, 4258
dependent, unruly, or delinquent children and under the 4259
jurisdiction of the juvenile court and children whose parents or 4260
custodians are voluntarily seeking services; 4261

(2) Designates an individual, approved by the family, to 4262
track the progress of the family service coordination plan, 4263
schedule reviews as necessary, and facilitate the family service 4264
coordination plan meeting process; 4265

(3) Ensures that assistance and services to be provided are 4266
responsive to the strengths and needs of the family, as well as 4267
the family's culture, race, and ethnic group, by allowing the 4268
family to offer information and suggestions and participate in 4269
decisions. Identified assistance and services shall be provided in 4270
the least restrictive environment possible. 4271

(4) Includes a process for dealing with a child who is 4272
alleged to be an unruly child. The process shall include methods 4273
to divert the child from the juvenile court system; 4274

(5) Includes timelines for completion of goals specified in 4275
the plan with regular reviews scheduled to monitor progress toward 4276
those goals; 4277

(6) Includes a plan for dealing with short-term crisis situations and safety concerns.	4278 4279
(E)(1) The process provided for under division (D)(4) of this section may include, but is not limited to, the following:	4280 4281

(b) An emphasis on the personal responsibilities of the child and the parental responsibilities of the parents, guardian, or custodian of the child;	4286 4287 4288
(c) Involvement of local law enforcement agencies and officials.	4289 4290
(2) The method to divert a child from the juvenile court system that must be included in the service coordination process may include, but is not limited to, the following:	4291 4292 4293

(E) An agreement entered into under this section shall 4556
include all of the following: 4557

(3) A requirement that the computer data center remain an 4572
eligible computer data center during the term of the agreement and 4573
that the applicant maintain operations at the eligible computer 4574
data center during that term. An applicant does not violate the 4575
requirement described in division (E)(3) of this section if the 4576
applicant ceases operations at the eligible computer data center 4577
during the term of the agreement but resumes those operations 4578
within eighteen months after the date of cessation. The agreement 4579
shall provide that, in such a case, the applicant and any other 4580
taxpayer that operates a computer data center business at the 4581
project site shall not claim the tax exemption authorized in the 4582

5747.06 of the Revised Code of at least one million five hundred 4592
thousand dollars to employees at the eligible computer data 4593
center. 4594

(5) A requirement that each taxpayer subject to the agreement 4595
annually report to the director of development services 4596
employment, tax withholding, capital investment, and other 4597
information required by the director to perform the director's 4598
duties under this section. 4599

(6) A requirement that the director of development services 4600
annually review the annual reports of each taxpayer subject to the 4601
agreement to verify the information reported under division (E)(5) 4602
of this section and compliance with the agreement. Upon 4603
verification, the director shall issue a certificate to each such 4604
taxpayer stating that the information has been verified and that 4605
the taxpayer remains eligible for the exemption specified in the 4606
agreement. 4607

(7) A provision providing that the taxpayers subject to the 4608
agreement may not relocate a substantial number of employment 4609
positions from elsewhere in this state to the project site unless 4610
the director of development services determines that the 4611
appropriate taxpayer notified the legislative authority of the 4612
county, township, or municipal corporation from which the 4613
employment positions would be relocated. For purposes of this 4614

paragraph, the movement of an employment position from one 4615
political subdivision to another political subdivision shall be 4616
considered a relocation of an employment position unless the 4617
movement is confined to the project site. The transfer of an 4618
employment position from one political subdivision to another 4619
political subdivision shall not be considered a relocation of an 4620
employment position if the employment position in the first 4621
political subdivision is replaced by another employment position. 4622

(8) A waiver by each taxpayer subject to the agreement of any 4623
limitations periods relating to assessments or adjustments 4624
resulting from the taxpayer's failure to comply with the 4625
agreement. 4626

(F) The term of an agreement under this section shall be 4627
determined by the tax credit authority, and the amount of the 4628
exemption shall not exceed one hundred per cent of such taxes that 4629
would otherwise be owed in respect to the exempted computer data 4630
center equipment. 4631

(G) If any taxpayer subject to an agreement under this 4632
section fails to meet or comply with any condition or requirement 4633
set forth in the agreement, the tax credit authority may amend the 4634
agreement to reduce the percentage of the exemption or term during 4635
which the exemption applies to the computer data center equipment 4636
used or to be used by the noncompliant taxpayer at an eligible 4637
computer data center. The reduction of the percentage or term may 4638
take effect in the current calendar year. 4639

(H) Financial statements and other information submitted to 4640
the department of development services or the tax credit authority 4641
by an applicant for or recipient of an exemption under this 4642
section, and any information taken for any purpose from such 4643
statements or information, are not public records subject to 4644
section 149.43 of the Revised Code. However, the chairperson of 4645
the authority may make use of the statements and other information 4646

for purposes of issuing public reports or in connection with court 4647
proceedings concerning tax exemption agreements under this 4648
section. Upon the request of the tax commissioner, the chairperson 4649
of the authority shall provide to the tax commissioner any 4650
statement or other information submitted by an applicant for or 4651
recipient of an exemption under this section. The tax commissioner 4652
shall preserve the confidentiality of the statement or other 4653
information. 4654

(I) The tax commissioner shall issue a direct payment permit 4655
under section 5739.031 of the Revised Code to each taxpayer 4656
subject to an agreement under this section. Such direct payment 4657
permit shall authorize the taxpayer to pay any sales and use taxes 4658
due on purchases of computer data center equipment used or to be 4659
used in an eligible computer data center and to pay any sales and 4660
use taxes due on purchases of tangible personal property or 4661
taxable services other than computer data center equipment used or 4662
to be used in an eligible computer data center directly to the tax 4663
commissioner. Each such taxpayer shall pay pursuant to such direct 4664
payment permit all sales tax levied on such purchases under 4665
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 4666
Code and all use tax levied on such purchases under sections 4667
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 4668
consistent with the terms of the agreement entered into under this 4669
section. 4670

During the term of an agreement under this section each 4671
taxpayer subject to the agreement shall submit to the tax 4672
commissioner a return that shows the amount of computer data 4673
center equipment purchased for use at the eligible computer data 4674
center, the amount of tangible personal property and taxable 4675
services other than computer data center equipment purchased for 4676
use at the eligible computer data center, the amount of tax under 4677
Chapter 5739. or 5741. of the Revised Code that would be due in 4678

the absence of the agreement under this section, the exemption 4679
percentage for computer data center equipment specified in the 4680
agreement, and the amount of tax due under Chapter 5739. or 5741. 4681
of the Revised Code as a result of the agreement under this 4682
section. Each such taxpayer shall pay the tax shown on the return 4683
to be due in the manner and at the times as may be further 4684
prescribed by the tax commissioner. Each such taxpayer shall 4685
include a copy of the director of development services' 4686
certificate of verification issued under division (E)(6) of this 4687
section. Failure to submit a copy of the certificate with the 4688
return does not invalidate the claim for exemption if the taxpayer 4689
submits a copy of the certificate to the tax commissioner within 4690
the time prescribed by section 5703.0510 of the Revised Code. 4691

(J) If the director of development services determines that 4692
one or more taxpayers received an exemption from taxes due on the 4693
purchase of computer data center equipment purchased for use at a 4694
computer data center that no longer complies with the requirement 4695
under division (E)(3) of this section, the director shall notify 4696
the tax credit authority and, if applicable, the taxpayer that 4697
applied to enter the agreement for the exemption under division 4698
(C) of this section of the noncompliance. After receiving such a 4699
notice, and after giving each taxpayer subject to the agreement an 4700
opportunity to explain the noncompliance, the authority may 4701
terminate the agreement and require each such taxpayer to pay to 4702
the state all or a portion of the taxes that would have been owed 4703
in regards to the exempt equipment in previous years, all as 4704
determined under rules adopted pursuant to division (K) of this 4705
section. In determining the portion of the taxes that would have 4706
been owed on the previously exempted equipment to be paid to this 4707
state by a taxpayer, the authority shall consider the effect of 4708
market conditions on the eligible computer data center, whether 4709
the taxpayer continues to maintain other operations in this state, 4710
and, with respect to agreements involving multiple taxpayers, the 4711

taxpayer's level of responsibility for the noncompliance. After 4712
making the determination, the authority shall certify to the tax 4713
commissioner the amount to be paid by each taxpayer subject to the 4714
agreement. The tax commissioner shall make an assessment for that 4715
amount against each such taxpayer under Chapter 5739. or 5741. of 4716
the Revised Code. The time limitations on assessments under those 4717
chapters do not apply to an assessment under this division, but 4718
the tax commissioner shall make the assessment within one year 4719
after the date the authority certifies to the tax commissioner the 4720
amount to be paid by the taxpayer. 4721

(K) The director of development services, after consultation 4722
with the tax commissioner and in accordance with Chapter 119. of 4723
the Revised Code, shall adopt rules necessary to implement this 4724
section. The rules may provide for recipients of tax exemptions 4725
under this section to be charged fees to cover administrative 4726
costs incurred in the administration of this section. The fees 4727
collected shall be credited to the tax incentives operating fund 4728
created in section 122.174 of the Revised Code. At the time the 4729
director gives public notice under division (A) of section 119.03 4730
of the Revised Code of the adoption of the rules, the director 4731
shall submit copies of the proposed rules to the chairpersons of 4732
the standing committees on economic development in the senate and 4733
the house of representatives. 4734

(L) On or before the first day of August of each year, the 4735
director of development services shall submit a report to the 4736
governor, the president of the senate, and the speaker of the 4737

(b) The projection of the potential average growth of tax valuation during the next five years, according to the information certified to the superintendent and any other information the superintendent obtains, indicates a likelihood of potential average growth of tax valuation of the district during the next five years of an average of not less than one and one-half per cent per year. The findings and certification of the superintendent shall be conclusive.	6538 6539 6540 6541 6542 6543 6544 6545

during the next ten years. 6560

(F) A school district may issue securities for emergency 6561
purposes, in a principal amount that does not exceed an amount 6562

the district have been wholly or partially destroyed, or condemned 6568
by a constituted public authority, or that such buildings or 6569
facilities are partially constructed, or so constructed or planned 6570
as to require additions and improvements to them before the 6571
buildings or facilities are usable for their intended purpose, or 6572
that corrections to permanent improvements are necessary to remove 6573
or prevent health or safety hazards. 6574

(b) Existing fiscal and net indebtedness limitations make 6575
adequate replacement, additions, or improvements impossible. 6576

(2) Upon the declaration of an emergency, the board of 6577
education may, by resolution, submit to the electors of the 6578
district pursuant to section 133.18 of the Revised Code the 6579
question of issuing securities for the purpose of paying the cost, 6580
in excess of any insurance or condemnation proceeds received by 6581
the district, of permanent improvements to respond to the 6582
emergency need. 6583

(3) The procedures for the election shall be as provided in 6584
section 133.18 of the Revised Code, except that: 6585

(a) The form of the ballot shall describe the emergency 6586
existing, refer to this division as the authority under which the 6587

this section; 6590

(b) The resolution required by division (B) of section 133.18 of the Revised Code shall be certified to the county auditor and the board of elections at least one hundred days prior to the election;

(G)(1) The board of education may contract with an architect, professional engineer, or other person experienced in the design and implementation of energy conservation measures for an analysis and recommendations pertaining to installations, modifications of installations, or remodeling that would significantly reduce energy consumption in buildings owned by the district. The report shall include estimates of all costs of such installations, modifications, or remodeling, including costs of design, engineering, installation, maintenance, repairs, measurement and verification of energy savings, and debt service, forgone residual value of materials or equipment replaced by the energy conservation measure, as defined by the Ohio facilities construction commission, a baseline analysis of actual energy consumption data for the preceding three years with the utility baseline based on only the actual energy consumption data for the

preceding twelve months, and estimates of the amounts by which 6623
energy consumption and resultant operational and maintenance 6624
costs, as defined by the commission, would be reduced. 6625

If the board finds after receiving the report that the amount 6626
of money the district would spend on such installations, 6627
modifications, or remodeling is not likely to exceed the amount of 6628
money it would save in energy and resultant operational and 6629
maintenance costs over the ensuing fifteen years, the board may 6630
submit to the commission a copy of its findings and a request for 6631
approval to incur indebtedness to finance the making or 6632
modification of installations or the remodeling of buildings for 6633
the purpose of significantly reducing energy consumption. 6634

The facilities construction commission, in consultation with 6635
the auditor of state, may deny a request under division (G)(1) of 6636
this section by the board of education of any school district that 6637
is in a state of fiscal watch pursuant to division (A) of section 6638
3316.03 of the Revised Code, if it determines that the expenditure 6639
of funds is not in the best interest of the school district. 6640

No district board of education of a school district that is 6641
in a state of fiscal emergency pursuant to division (B) of section 6642
3316.03 of the Revised Code shall submit a request without 6643
submitting evidence that the installations, modifications, or 6644
remodeling have been approved by the district's financial planning 6645
and supervision commission established under section 3316.05 of 6646
the Revised Code. 6647

~~No board of education of a school district for which an 6648
academic distress commission has been established under section 6649
3302.10 of the Revised Code shall submit a request without first 6650
receiving approval to incur indebtedness from the district's 6651
academic distress commission established under that section, for 6652
so long as such commission continues to be required for the 6653
district. 6654~~

(2) The board of education may contract with a person 6655
experienced in the implementation of student transportation to 6656
produce a report that includes an analysis of and recommendations 6657
for the use of alternative fuel vehicles by school districts. The 6658
report shall include cost estimates detailing the return on 6659
investment over the life of the alternative fuel vehicles and 6660
environmental impact of alternative fuel vehicles. The report also 6661
shall include estimates of all costs associated with alternative 6662
fuel transportation, including facility modifications and vehicle 6663
purchase costs or conversion costs. 6664

If the board finds after receiving the report that the amount 6665
of money the district would spend on purchasing alternative fuel 6666
vehicles or vehicle conversion is not likely to exceed the amount 6667
of money it would save in fuel and resultant operational and 6668
maintenance costs over the ensuing five years, the board may 6669
submit to the commission a copy of its findings and a request for 6670
approval to incur indebtedness to finance the purchase of new 6671
alternative fuel vehicles or vehicle conversions for the purpose 6672
of reducing fuel costs. 6673

The facilities construction commission, in consultation with 6674
the auditor of state, may deny a request under division (G)(2) of 6675
this section by the board of education of any school district that 6676
is in a state of fiscal watch pursuant to division (A) of section 6677
3316.03 of the Revised Code, if it determines that the expenditure 6678
of funds is not in the best interest of the school district. 6679

No district board of education of a school district that is 6680
in a state of fiscal emergency pursuant to division (B) of section 6681
3316.03 of the Revised Code shall submit a request without 6682
submitting evidence that the purchase or conversion of alternative 6683
fuel vehicles has been approved by the district's financial 6684
planning and supervision commission established under section 6685
3316.05 of the Revised Code. 6686

~~No board of education of a school district for which an
academic distress commission has been established under section
3302.10 of the Revised Code shall submit a request without first
receiving approval to incur indebtedness from the district's
academic distress commission established under that section, for
so long as such commission continues to be required for the
district.~~

(3) The facilities construction commission shall approve the
board's request provided that the following conditions are
satisfied:

(a) The commission determines that the board's findings are
reasonable.

(b) The request for approval is complete.

(c) If the request was submitted under division (G)(1) of
this section, the installations, modifications, or remodeling are
consistent with any project to construct or acquire classroom
facilities, or to reconstruct or make additions to existing
classroom facilities under sections 3318.01 to 3318.20 or sections
3318.40 to 3318.45 of the Revised Code.

Upon receipt of the commission's approval, the district may
issue securities without a vote of the electors in a principal
amount not to exceed nine-tenths of one per cent of its tax
valuation for the purpose specified in division (G)(1) or (2) of
this section, but the total net indebtedness of the district
without a vote of the electors incurred under this and all other
sections of the Revised Code, except section 3318.052 of the
Revised Code, shall not exceed one per cent of the district's tax
valuation.

(4)(a) So long as any securities issued under division (G)(1)
of this section remain outstanding, the board of education shall
monitor the energy consumption and resultant operational and

maintenance costs of buildings in which installations or 6718
modifications have been made or remodeling has been done pursuant 6719
to that division. Except as provided in division (G)(4)(b) of this 6720
section, the board shall maintain and annually update a report in 6721
a form and manner prescribed by the facilities construction 6722
commission documenting the reductions in energy consumption and 6723
resultant operational and maintenance cost savings attributable to 6724
such installations, modifications, or remodeling. The resultant 6725
operational and maintenance cost savings shall be certified by the 6726
school district treasurer. The report shall be submitted annually 6727
to the commission. 6728

(b) If the facilities construction commission verifies that 6729
the certified annual reports submitted to the commission by a 6730
board of education under division (G)(4)(a) of this section 6731
fulfill the guarantee required under division (B) of section 6732
3313.372 of the Revised Code for three consecutive years, the 6733
board of education shall no longer be subject to the annual 6734
reporting requirements of division (G)(4)(a) of this section. 6735

(5) So long as any securities issued under division (G)(2) of 6736
this section remain outstanding, the board of education shall 6737
monitor the purchase of new alternative fuel vehicles or vehicle 6738
conversions pursuant to that division. The board shall maintain 6739
and annually update a report in a form and manner prescribed by 6740
the facilities construction commission documenting the purchase of 6741
new alternative fuel vehicles or vehicle conversions, the 6742
associated environmental impact, and return on investment. The 6743
resultant fuel and operational and maintenance cost savings shall 6744
be certified by the school district treasurer. The report shall be 6745
submitted annually to the commission. 6746

(H) With the consent of the superintendent of public 6747
instruction, a school district may incur without a vote of the 6748
electors net indebtedness that exceeds the amounts stated in 6749

divisions (A) and (G) of this section for the purpose of paying 6750
costs of permanent improvements, if and to the extent that both of 6751
the following conditions are satisfied: 6752

(1) The fiscal officer of the school district estimates that 6753
receipts of the school district from payments made under or 6754
pursuant to agreements entered into pursuant to section 725.02, 6755
1728.10, 3735.671, 5709.081, 5709.082, 5709.40, 5709.41, 5709.45, 6756

appropriate coverage requirements, sufficient in time and amount, 6761
and are committed by the proceedings, to pay the debt charges on 6762
the securities issued to evidence that indebtedness and payable 6763
from those receipts, and the taxing authority of the district 6764
confirms the fiscal officer's estimate, which confirmation is 6765
approved by the superintendent of public instruction; 6766

(2) The fiscal officer of the school district certifies, and 6767
the taxing authority of the district confirms, that the district, 6768
at the time of the certification and confirmation, reasonably 6769
expects to have sufficient revenue available for the purpose of 6770
operating such permanent improvements for their intended purpose 6771
upon acquisition or completion thereof, and the superintendent of 6772
public instruction approves the taxing authority's confirmation. 6773

The maximum maturity of securities issued under division (H) 6774
of this section shall be the lesser of twenty years or the maximum 6775

(I) A school district may incur net indebtedness by the 6777
issuance of securities in accordance with the provisions of this 6778
chapter in excess of the limit specified in division (B) or (C) of 6779

of the basic project cost and any additional funds necessary to 6781

participate in a project under Chapter 3318. of the Revised Code, 6782
including the cost of items designated by the facilities 6783
construction commission as required locally funded initiatives, 6784
the cost of other locally funded initiatives in an amount that 6785
does not exceed fifty per cent of the district's portion of the 6786
basic project cost, and the cost for site acquisition. The 6787
commission shall notify the superintendent of public instruction 6788
whenever a school district will exceed either limit pursuant to 6789
this division. 6790

(J) A school district whose portion of the basic project cost 6791
of its classroom facilities project under sections 3318.01 to 6792
3318.20 of the Revised Code is greater than or equal to one 6793

net indebtedness in an amount up to two per cent of its tax 6795
valuation through the issuance of general obligation securities in 6796

basic project cost if the controlling board has approved the 6798
facilities construction commission's conditional approval of the 6799

school district's project construction fund. 6808

consent of the injured person or the injured person's guardian has 7499
been obtained; 7500

(e) An act of severe violence against a person that results 7501
in serious physical harm to the person, unless the act and injury 7502

(f) Grievous bodily harm to a peace officer, firefighter, 7506

(B)(1) Upon request and subject to division (B)(8) of this section, all public records responsive to the request shall be promptly prepared and made available for inspection to any person at all reasonable times during regular business hours. Subject to division (B)(8) of this section, upon request by any person, a public office or person responsible for public records shall make copies of the requested public record available to the requester at cost and within a reasonable period of time. If a public record

contains information that is exempt from the duty to permit public 7573
inspection or to copy the public record, the public office or the 7574
person responsible for the public record shall make available all 7575
of the information within the public record that is not exempt. 7576
When making that public record available for public inspection or 7577
copying that public record, the public office or the person 7578
responsible for the public record shall notify the requester of 7579
any redaction or make the redaction plainly visible. A redaction 7580
shall be deemed a denial of a request to inspect or copy the 7581
redacted information, except if federal or state law authorizes or 7582
requires a public office to make the redaction. 7583

(2) To facilitate broader access to public records, a public 7584
office or the person responsible for public records shall organize 7585
and maintain public records in a manner that they can be made 7586
available for inspection or copying in accordance with division 7587
(B) of this section. A public office also shall have available a 7588
copy of its current records retention schedule at a location 7589
readily available to the public. If a requester makes an ambiguous 7590
or overly broad request or has difficulty in making a request for 7591
copies or inspection of public records under this section such 7592
that the public office or the person responsible for the requested 7593
public record cannot reasonably identify what public records are 7594
being requested, the public office or the person responsible for 7595
the requested public record may deny the request but shall provide 7596
the requester with an opportunity to revise the request by 7597
informing the requester of the manner in which records are 7598
maintained by the public office and accessed in the ordinary 7599
course of the public office's or person's duties. 7600

(3) If a request is ultimately denied, in part or in whole, 7601
the public office or the person responsible for the requested 7602
public record shall provide the requester with an explanation, 7603
including legal authority, setting forth why the request was 7604

denied. If the initial request was provided in writing, the 7605
explanation also shall be provided to the requester in writing. 7606
The explanation shall not preclude the public office or the person 7607
responsible for the requested public record from relying upon 7608
additional reasons or legal authority in defending an action 7609
commenced under division (C) of this section. 7610

(4) Unless specifically required or authorized by state or 7611
federal law or in accordance with division (B) of this section, no 7612
public office or person responsible for public records may limit 7613
or condition the availability of public records by requiring 7614
disclosure of the requester's identity or the intended use of the 7615
requested public record. Any requirement that the requester 7616
disclose the requester's identity or the intended use of the 7617
requested public record constitutes a denial of the request. 7618

(5) A public office or person responsible for public records 7619
may ask a requester to make the request in writing, may ask for 7620
the requester's identity, and may inquire about the intended use 7621
of the information requested, but may do so only after disclosing 7622
to the requester that a written request is not mandatory, that the 7623
requester may decline to reveal the requester's identity or the 7624
intended use, and when a written request or disclosure of the 7625
identity or intended use would benefit the requester by enhancing 7626
the ability of the public office or person responsible for public 7627
records to identify, locate, or deliver the public records sought 7628
by the requester. 7629

(6) If any person requests a copy of a public record in 7630
accordance with division (B) of this section, the public office or 7631
person responsible for the public record may require that person 7632
to pay in advance the cost involved in providing the copy of the 7633
public record in accordance with the choice made by the person 7634
requesting the copy under this division. The public office or the 7635
person responsible for the public record shall permit that person 7636

to choose to have the public record duplicated upon paper, upon 7637
the same medium upon which the public office or person responsible 7638
for the public record keeps it, or upon any other medium upon 7639
which the public office or person responsible for the public 7640
record determines that it reasonably can be duplicated as an 7641
integral part of the normal operations of the public office or 7642
person responsible for the public record. When the person 7643
requesting the copy makes a choice under this division, the public 7644
office or person responsible for the public record shall provide a 7645
copy of it in accordance with the choice made by that person. 7646
Nothing in this section requires a public office or person 7647
responsible for the public record to allow the person requesting a 7648
copy of the public record to make the copies of the public record. 7649

(7)(a) Upon a request made in accordance with division (B) of 7650
this section and subject to division (B)(6) of this section, a 7651
public office or person responsible for public records shall 7652
transmit a copy of a public record to any person by United States 7653
mail or by any other means of delivery or transmission within a 7654
reasonable period of time after receiving the request for the 7655
copy. The public office or person responsible for the public 7656
record may require the person making the request to pay in advance 7657
the cost of postage if the copy is transmitted by United States 7658
mail or the cost of delivery if the copy is transmitted other than 7659
by United States mail, and to pay in advance the costs incurred 7660
for other supplies used in the mailing, delivery, or transmission. 7661

(b) Any public office may adopt a policy and procedures that 7662
it will follow in transmitting, within a reasonable period of time 7663
after receiving a request, copies of public records by United 7664
States mail or by any other means of delivery or transmission 7665
pursuant to division (B)(7) of this section. A public office that 7666
adopts a policy and procedures under division (B)(7) of this 7667
section shall comply with them in performing its duties under that 7668

division. 7669

(c) In any policy and procedures adopted under division 7670
(B)(7) of this section: 7671

(i) A public office may limit the number of records requested 7672
by a person that the office will physically deliver by United 7673
States mail or by another delivery service to ten per month, 7674
unless the person certifies to the office in writing that the 7675
person does not intend to use or forward the requested records, or 7676
the information contained in them, for commercial purposes; 7677

(ii) A public office that chooses to provide some or all of 7678
its public records on a web site that is fully accessible to and 7679
searchable by members of the public at all times, other than 7680
during acts of God outside the public office's control or 7681
maintenance, and that charges no fee to search, access, download, 7682
or otherwise receive records provided on the web site, may limit 7683
to ten per month the number of records requested by a person that 7684
the office will deliver in a digital format, unless the requested 7685
records are not provided on the web site and unless the person 7686
certifies to the office in writing that the person does not intend 7687
to use or forward the requested records, or the information 7688
contained in them, for commercial purposes. 7689

(iii) For purposes of division (B)(7) of this section, 7690
"commercial" shall be narrowly construed and does not include 7691
reporting or gathering news, reporting or gathering information to 7692
assist citizen oversight or understanding of the operation or 7693
activities of government, or nonprofit educational research. 7694

(8)(a) A public office or person responsible for public 7695
records is not required to permit a person who is incarcerated 7696
pursuant to a criminal conviction or a juvenile adjudication to 7697
inspect or to obtain a copy of any public record concerning a 7698
criminal investigation or prosecution or concerning what would be 7699

a criminal investigation or prosecution if the subject of the 7700
investigation or prosecution were an adult, unless the request to 7701
inspect or to obtain a copy of the record is for the purpose of 7702
acquiring information that is subject to release as a public 7703
record under this section and the judge who imposed the sentence 7704
or made the adjudication with respect to the person, or the 7705
judge's successor in office, finds that the information sought in 7706
the public record is necessary to support what appears to be a 7707
justiciable claim of the person. 7708

(b) A public office or person responsible for public records 7709
is not required to permit a person who is subject to an order 7710
finding the person to be a vexatious litigator under section 7711
2323.52 of the Revised Code to inspect or to obtain a copy of any 7712
public record, except pursuant to a court order issued under 7713
division (J) of that section. 7714

(9)(a) Upon written request made and signed by a journalist, 7715
a public office, or person responsible for public records, having 7716
custody of the records of the agency employing a specified 7717
designated public service worker shall disclose to the journalist 7718
the address of the actual personal residence of the designated 7719
public service worker and, if the designated public service 7720
worker's spouse, former spouse, or child is employed by a public 7721
office, the name and address of the employer of the designated 7722
public service worker's spouse, former spouse, or child. The 7723
request shall include the journalist's name and title and the name 7724
and address of the journalist's employer and shall state that 7725
disclosure of the information sought would be in the public 7726
interest. 7727

(b) Division (B)(9)(a) of this section also applies to 7728
journalist requests for: 7729

(i) Customer information maintained by a municipally owned or 7730
operated public utility, other than social security numbers and 7731

any private financial information such as credit reports, payment 7732
methods, credit card numbers, and bank account information; 7733

(ii) Information about minors involved in a school vehicle 7734
accident as provided in division (A)(1)(gg) of this section, other 7735
than personal information as defined in section 149.45 of the 7736
Revised Code. 7737

(c) As used in division (B)(9) of this section, "journalist" 7738
means a person engaged in, connected with, or employed by any news 7739
medium, including a newspaper, magazine, press association, news 7740
agency, or wire service, a radio or television station, or a 7741
similar medium, for the purpose of gathering, processing, 7742
transmitting, compiling, editing, or disseminating information for 7743
the general public. 7744

(10) Upon a request made by a victim, victim's attorney, or 7745
victim's representative, as that term is used in section 2930.02 7746
of the Revised Code, a public office or person responsible for 7747
public records shall transmit a copy of a depiction of the victim 7748
as described in division (A)(1)(gg) of this section to the victim, 7749
victim's attorney, or victim's representative. 7750

(C)(1) If a person allegedly is aggrieved by the failure of a 7751
public office or the person responsible for public records to 7752
promptly prepare a public record and to make it available to the 7753
person for inspection in accordance with division (B) of this 7754
section or by any other failure of a public office or the person 7755
responsible for public records to comply with an obligation in 7756
accordance with division (B) of this section, the person allegedly 7757
aggrieved may do only one of the following, and not both: 7758

(a) File a complaint with the clerk of the court of claims or 7759
the clerk of the court of common pleas under section 2743.75 of 7760
the Revised Code; 7761

(b) Commence a mandamus action to obtain a judgment that 7762

orders the public office or the person responsible for the public 7763
record to comply with division (B) of this section, that awards 7764
court costs and reasonable attorney's fees to the person that 7765
instituted the mandamus action, and, if applicable, that includes 7766
an order fixing statutory damages under division (C)(2) of this 7767
section. The mandamus action may be commenced in the court of 7768
common pleas of the county in which division (B) of this section 7769
allegedly was not complied with, in the supreme court pursuant to 7770
its original jurisdiction under Section 2 of Article IV, Ohio 7771
Constitution, or in the court of appeals for the appellate 7772
district in which division (B) of this section allegedly was not 7773
complied with pursuant to its original jurisdiction under Section 7774
3 of Article IV, Ohio Constitution. 7775

(2) If a requester transmits a written request by hand 7776
delivery, electronic submission, or certified mail to inspect or 7777
receive copies of any public record in a manner that fairly 7778
describes the public record or class of public records to the 7779
public office or person responsible for the requested public 7780
records, except as otherwise provided in this section, the 7781
requester shall be entitled to recover the amount of statutory 7782
damages set forth in this division if a court determines that the 7783
public office or the person responsible for public records failed 7784
to comply with an obligation in accordance with division (B) of 7785
this section. 7786

The amount of statutory damages shall be fixed at one hundred 7787
dollars for each business day during which the public office or 7788
person responsible for the requested public records failed to 7789
comply with an obligation in accordance with division (B) of this 7790
section, beginning with the day on which the requester files a 7791
mandamus action to recover statutory damages, up to a maximum of 7792
one thousand dollars. The award of statutory damages shall not be 7793
construed as a penalty, but as compensation for injury arising 7794

from lost use of the requested information. The existence of this 7795
injury shall be conclusively presumed. The award of statutory 7796
damages shall be in addition to all other remedies authorized by 7797
this section. 7798

The court may reduce an award of statutory damages or not 7799
award statutory damages if the court determines both of the 7800
following: 7801

(a) That, based on the ordinary application of statutory law 7802
and case law as it existed at the time of the conduct or 7803
threatened conduct of the public office or person responsible for 7804
the requested public records that allegedly constitutes a failure 7805
to comply with an obligation in accordance with division (B) of 7806
this section and that was the basis of the mandamus action, a 7807
well-informed public office or person responsible for the 7808
requested public records reasonably would believe that the conduct 7809
or threatened conduct of the public office or person responsible 7810
for the requested public records did not constitute a failure to 7811
comply with an obligation in accordance with division (B) of this 7812
section; 7813

(b) That a well-informed public office or person responsible 7814
for the requested public records reasonably would believe that the 7815
conduct or threatened conduct of the public office or person 7816
responsible for the requested public records would serve the 7817
public policy that underlies the authority that is asserted as 7818
permitting that conduct or threatened conduct. 7819

(3) In a mandamus action filed under division (C)(1) of this 7820
section, the following apply: 7821

(a)(i) If the court orders the public office or the person 7822
responsible for the public record to comply with division (B) of 7823
this section, the court shall determine and award to the relator 7824
all court costs, which shall be construed as remedial and not 7825

punitive. 7826

(ii) If the court makes a determination described in division 7827
(C)(3)(b)(iii) of this section, the court shall determine and 7828
award to the relator all court costs, which shall be construed as 7829
remedial and not punitive. 7830

(b) If the court renders a judgment that orders the public 7831
office or the person responsible for the public record to comply 7832
with division (B) of this section or if the court determines any 7833
of the following, the court may award reasonable attorney's fees 7834
to the relator, subject to division (C)(4) of this section: 7835

(i) The public office or the person responsible for the 7836
public records failed to respond affirmatively or negatively to 7837
the public records request in accordance with the time allowed 7838
under division (B) of this section. 7839

(ii) The public office or the person responsible for the 7840
public records promised to permit the relator to inspect or 7841
receive copies of the public records requested within a specified 7842
period of time but failed to fulfill that promise within that 7843
specified period of time. 7844

(iii) The public office or the person responsible for the 7845
public records acted in bad faith when the office or person 7846
voluntarily made the public records available to the relator for 7847
the first time after the relator commenced the mandamus action, 7848
but before the court issued any order concluding whether or not 7849
the public office or person was required to comply with division 7850
(B) of this section. No discovery may be conducted on the issue of 7851
the alleged bad faith of the public office or person responsible 7852
for the public records. This division shall not be construed as 7853
creating a presumption that the public office or the person 7854
responsible for the public records acted in bad faith when the 7855
office or person voluntarily made the public records available to 7856

the relator for the first time after the relator commenced the 7857
mandamus action, but before the court issued any order described 7858
in this division. 7859

(c) The court shall not award attorney's fees to the relator 7860
if the court determines both of the following: 7861

(i) That, based on the ordinary application of statutory law 7862
and case law as it existed at the time of the conduct or 7863
threatened conduct of the public office or person responsible for 7864
the requested public records that allegedly constitutes a failure 7865
to comply with an obligation in accordance with division (B) of 7866
this section and that was the basis of the mandamus action, a 7867
well-informed public office or person responsible for the 7868
requested public records reasonably would believe that the conduct 7869
or threatened conduct of the public office or person responsible 7870
for the requested public records did not constitute a failure to 7871
comply with an obligation in accordance with division (B) of this 7872
section; 7873

(ii) That a well-informed public office or person responsible 7874
for the requested public records reasonably would believe that the 7875
conduct or threatened conduct of the public office or person 7876
responsible for the requested public records would serve the 7877
public policy that underlies the authority that is asserted as 7878
permitting that conduct or threatened conduct. 7879

(4) All of the following apply to any award of reasonable 7880
attorney's fees awarded under division (C)(3)(b) of this section: 7881

(a) The fees shall be construed as remedial and not punitive. 7882

(b) The fees awarded shall not exceed the total of the 7883
reasonable attorney's fees incurred before the public record was 7884
made available to the relator and the fees described in division 7885
(C)(4)(c) of this section. 7886

(c) Reasonable attorney's fees shall include reasonable fees 7887

incurred to produce proof of the reasonableness and amount of the 7888
fees and to otherwise litigate entitlement to the fees. 7889

(d) The court may reduce the amount of fees awarded if the 7890
court determines that, given the factual circumstances involved 7891
with the specific public records request, an alternative means 7892
should have been pursued to more effectively and efficiently 7893
resolve the dispute that was subject to the mandamus action filed 7894
under division (C)(1) of this section. 7895

(5) If the court does not issue a writ of mandamus under 7896
division (C) of this section and the court determines at that time 7897
that the bringing of the mandamus action was frivolous conduct as 7898
defined in division (A) of section 2323.51 of the Revised Code, 7899
the court may award to the public office all court costs, 7900
expenses, and reasonable attorney's fees, as determined by the 7901
court. 7902

(D) Chapter 1347. of the Revised Code does not limit the 7903
provisions of this section. 7904

(E)(1) To ensure that all employees of public offices are 7905
appropriately educated about a public office's obligations under 7906
division (B) of this section, all elected officials or their 7907
appropriate designees shall attend training approved by the 7908
attorney general as provided in section 109.43 of the Revised 7909
Code. A future official may satisfy the requirements of this 7910
division by attending the training before taking office, provided 7911
that the future official may not send a designee in the future 7912
official's place. 7913

(2) All public offices shall adopt a public records policy in 7914
compliance with this section for responding to public records 7915
requests. In adopting a public records policy under this division, 7916
a public office may obtain guidance from the model public records 7917
policy developed and provided to the public office by the attorney 7918

general under section 109.43 of the Revised Code. Except as 7919
otherwise provided in this section, the policy may not limit the 7920
number of public records that the public office will make 7921
available to a single person, may not limit the number of public 7922
records that it will make available during a fixed period of time, 7923
and may not establish a fixed period of time before it will 7924
respond to a request for inspection or copying of public records, 7925
unless that period is less than eight hours. 7926

The public office shall distribute the public records policy 7927
adopted by the public office under this division to the employee 7928
of the public office who is the records custodian or records 7929
manager or otherwise has custody of the records of that office. 7930
The public office shall require that employee to acknowledge 7931
receipt of the copy of the public records policy. The public 7932
office shall create a poster that describes its public records 7933
policy and shall post the poster in a conspicuous place in the 7934
public office and in all locations where the public office has 7935

section; 8877

of such a resident; 8883

(c) That the applicant or employee is included in one or more 8884
of the databases, if any, specified in rules adopted under this 8885
section and the rules prohibit the responsible party from 8886

included in such a database in a direct-care position. 8888

(2) After the applicant or employee is provided, pursuant to 8889

(2) That, unless the database review reveals that the 8911
applicant may not be employed in the direct-care position, a 8912
criminal records check of the applicant will be conducted and the 8913
applicant is required to provide a set of the applicant's 8914

(E) As a condition of employing any applicant in a 8916
direct-care position, the chief administrator of a responsible 8917

under this section so require, the chief administrator of a 8920
responsible party shall conduct a database review of an employee 8921
in accordance with the rules as a condition of continuing to 8922
employ the employee in a direct-care position. However, a chief 8923

(b) The medicaid program does not pay the responsible party 8997
for the fee it pays to the bureau under this section. 8998

(G) Divisions (D) to (F) of this section do not apply with regard to an applicant or employee if the applicant or employee is referred to a responsible party by an employment service that supplies full-time, part-time, or temporary staff for direct-care positions and both of the following apply:

considered just cause for discharge for purposes of division 9071

makes any attempt to deceive the responsible party about the 9073
applicant's criminal record. 9074

(B) An entity that provides home-delivered meals under the 9321
PASSPORT program shall not offer snacks in addition to the 9322

Sec. 177.02. (A) Any person may file with the organized crime 9333
investigations commission a complaint that alleges that organized 9334
criminal activity has occurred in a county. A person who files a 9335
complaint under this division also may file with the commission 9336
information relative to the complaint. 9337

(B) Upon the filing of a complaint under division (A) of this 9338
section or upon its own initiative, the commission may establish 9339
an organized crime task force to investigate organized criminal 9340
activity in a single county or in two or more counties if it 9341
determines, based upon the complaint filed and the information 9342
relative to it or based upon any information that it may have 9343
received, that there is reason to believe that organized criminal 9344
activity has occurred and continues to occur in that county or in 9345
each of those counties. The commission shall not establish an 9346
organized crime task force to investigate organized criminal 9347
activity in any single county unless it makes the determination 9348
required under this division relative to that county and shall not 9349
establish an organized crime task force to investigate organized 9350
criminal activity in two or more counties unless it makes the 9351
determination required under this division relative to each of 9352
those counties. The commission, at any time, may terminate an 9353
organized crime task force it has established under this section. 9354

(C)(1) If the commission establishes an organized crime task 9355
force to investigate organized criminal activity in a single 9356
county or in two or more counties pursuant to division (B) of this 9357
section, the commission initially shall appoint a task force 9358
director to directly supervise the investigation. The task force 9359
director shall be either the sheriff or a deputy sheriff of any 9360
county in the state, the chief law enforcement officer or a member 9361
of a law enforcement agency of any municipal corporation or 9362
township in the state, or an agent of the bureau of criminal 9363
identification and investigation. No person shall be appointed as 9364

task force director without the person's consent and, if 9365
applicable, the consent of the person's employing sheriff or law 9366
enforcement agency or of the superintendent of the bureau of 9367
criminal identification and investigation if the person is an 9368
employee of the bureau. Upon appointment of a task force director, 9369
the commission shall meet with the director and establish the 9370
scope and limits of the investigation to be conducted by the task 9371
force and the size of the task force investigatory staff to be 9372
appointed by the task force director. The commission, at any time, 9373
may remove a task force director appointed under this division and 9374
may replace any director so removed according to the guidelines 9375
for the initial appointment of a director. 9376

(2) A task force director appointed under this section shall 9377
assemble a task force investigatory staff, of a size determined by 9378
the commission and the director, to conduct the investigation. 9379
Unless it appears to the commission and the director, based upon 9380
the complaint filed and any information relative to it or based 9381
upon any information that the commission may have received, that 9382
there is reason to believe that the office of the prosecuting 9383
attorney of the county or one of the counties served by the task 9384
force is implicated in the organized criminal activity to be 9385
investigated, one member of the investigatory staff shall be the 9386
prosecuting attorney or an assistant prosecuting attorney of the 9387
county or one of the counties served by the task force. If a 9388
prosecuting attorney or assistant prosecuting attorney is not a 9389
participating member of the task force, the office of the attorney 9390
general shall provide legal assistance to the task force upon 9391
request. Each of the other members of the investigatory staff 9392
shall be either the sheriff or a deputy sheriff of any county in 9393
the state, the chief law enforcement officer or a member of a law 9394
enforcement agency of any municipal corporation or township in the 9395
state, or an agent of the bureau of criminal identification and 9396
investigation. No person shall be appointed to the investigatory 9397

staff without the person's consent and, if applicable, the consent 9398
of the person's employing sheriff or law enforcement agency or the 9399
superintendent of the bureau of criminal identification and 9400
investigation if the person is an employee of the bureau. To the 9401
extent possible, the investigatory staff shall be composed of 9402
persons familiar with investigatory techniques that generally 9403
would be utilized in an investigation of organized criminal 9404
activity. To the extent practicable, the investigatory staff shall 9405
be assembled in such a manner that numerous law enforcement 9406
agencies within the county or the counties served by the task 9407
force are represented on the investigatory staff. The 9408
investigatory staff shall be assembled in such a manner that at 9409
least one sheriff, deputy sheriff, municipal corporation law 9410
enforcement officer, or township law enforcement officer from each 9411
of the counties served by the task force is represented on the 9412
investigatory staff. A task force director, at any time, may 9413
remove any member of the investigatory staff the task force 9414
director has assembled under this division and may replace any 9415
member so removed according to the guidelines for the initial 9416
assembly of the investigatory staff. 9417

(3) The commission may provide an organized crime task force 9418
established under this section with technical and clerical 9419
employees and with equipment necessary to efficiently conduct its 9420
investigation into organized criminal activity. 9421

(4) Upon the establishment of a task force, the commission 9422
shall issue to the task force director and each member of the task 9423
force investigatory staff appropriate credentials stating the 9424
person's identity, position, and authority. 9425

(D)(1) A task force investigatory staff, during the period of 9426
the investigation for which it is assembled, is responsible only 9427
to the task force director and shall operate under the direction 9428
and control of the task force director. Any necessary and actual 9429

expenses incurred by a task force director or investigatory staff, 9430
including any such expenses incurred for food, lodging, or travel, 9431
and any other necessary and actual expenses of an investigation 9432
into organized criminal activity conducted by a task force, shall 9433
be paid by the commission. ~~For~~ 9434

(2) For purposes of workers' compensation and the allocation 9435
of liability for any death, injury, or damage they may cause in 9436
the performance of their duties, a task force director and 9437
investigatory staff, during the period of the investigation for 9438
which the task force is assembled, shall be considered to be 9439
employees of the commission and of the state. ~~However, for~~ 9440

(3) For purposes of compensation, pension or indemnity fund 9441
rights, and other rights and benefits to which they may be 9442
entitled, a task force director and investigatory staff, during 9443
the period of the performance of their duties as director and 9444
investigatory staff, shall be considered to be performing their 9445
duties in their normal capacity as prosecuting attorney, assistant 9446
prosecuting attorney, sheriff, deputy sheriff, chief law 9447
enforcement officer or member of a law enforcement agency of a 9448
municipal corporation or township, or agent of the bureau of 9449
criminal identification and investigation. 9450

The commission may reimburse a political subdivision for any 9451
costs incurred under division (D)(3) of this section resulting 9452
from the payment of any compensation, rights, or benefits as 9453
described in that division from the organized crime commission 9454
fund created in section 177.011 of the Revised Code. 9455

(E) Except as provided in this division, upon the 9456
establishment of a task force, the commission shall provide the 9457
prosecuting attorney of each of the counties served by the task 9458
force with written notice that the task force has been established 9459
to investigate organized criminal activity in that county. Such 9460
notice shall not be provided to a prosecuting attorney if it 9461

appears to the commission, based upon the complaint filed and any 9462
information relative to it or based upon any information that the 9463
commission may have received, that there is reason to believe that 9464
the office of that prosecuting attorney is implicated in the 9465
organized criminal activity to be investigated. 9466

(F) The filing of a complaint alleging organized criminal 9467
activity, the establishment of an organized crime task force, the 9468
appointment of a task force director and the identity of the task 9469
force director, the assembly of an investigatory staff and the 9470
identity of its members, the conduct of an investigation into 9471
organized criminal activity, and the identity of any person who is 9472
being or is expected to be investigated by the task force shall be 9473
kept confidential by the commission and its director and 9474
employees, and by the task force and its director, investigatory 9475
staff, and employees until an indictment is returned or a criminal 9476
action or proceeding is initiated in a court of proper 9477
jurisdiction. 9478

(G) For purposes of divisions (C) and (E) of this section, 9479
the office of a prosecuting attorney shall be considered as being 9480
implicated in organized criminal activity only if the prosecuting 9481
attorney, one or more of the prosecuting attorney's assistants, or 9482
one or more of the prosecuting attorney's employees has committed 9483
or attempted or conspired to commit, is committing or attempting 9484
or conspiring to commit, or has engaged in or is engaging in 9485
complicity in the commission of, organized criminal activity. 9486

However, if federal funding becomes available for this purpose, the department shall utilize the federal funding and the appropriations from the trust fund shall be used for the other purposes authorized by this section. Sec. 319.16. The county auditor shall issue warrants, including electronic warrants authorizing direct deposit for payment of county obligations in accordance with division (F) of 9580
9581
9582

section 9.37 of the Revised Code, on the county treasurer for all 9583
moneys payable from the county treasury, upon presentation of 9584
either of the ~~proper~~ following: 9585

(A) The proper court order asserting the expenditure is a 9586
proper public purpose, redacted as required by law or to maintain 9587
attorney-client confidentiality. When such a court order is 9588
presented, the auditor shall have no liability for that 9589

The county auditor shall keep a record of all such warrants 9593

whose favor, for what purpose, and on what fund. The auditor shall 9595
not issue a warrant for the payment of any claim against the 9596

voucher and evidentiary matter is presented, the auditor shall 9603
notify the board, officer, or tribunal who presented the voucher. 9604
If the board, officer, or tribunal determines that the expenditure 9605

be sought. The court shall issue a writ of mandamus for issuance 9608
of the warrant if the court determines that the claim is valid. 9609

Evidentiary matter includes original invoices, receipts, 9610
bills and checks, and legible copies of contracts. 9611

Sec. 319.302. (A)(1) Real property that is not intended 9612
primarily for use in a business activity shall qualify for a 9613

partial exemption from real property taxation. For purposes of 9614
this partial exemption, "business activity" includes all uses of 9615
real property, except farming; leasing property for farming; 9616
occupying or holding property improved with single-family, 9617
two-family, or three-family dwellings; leasing property improved 9618
with single-family, two-family, or three-family dwellings; or 9619
holding vacant land that the county auditor determines will be 9620
used for farming or to develop single-family, two-family, or 9621
three-family dwellings. For purposes of this partial exemption, 9622
"farming" does not include land used for the commercial production 9623
of timber that is receiving the tax benefit under section 5713.23 9624
or 5713.31 of the Revised Code and all improvements connected with 9625
such commercial production of timber. 9626

(2) Each year, the county auditor shall review each parcel of 9627
real property to determine whether it qualifies for the partial 9628
exemption provided for by this section as of the first day of 9629
January of the current tax year. 9630

(B) After complying with section 319.301 of the Revised Code, 9631
the county auditor shall reduce the remaining sums to be levied by 9632
qualifying levies against each parcel of real property that is 9633
listed on the general tax list and duplicate of real and public 9634
utility property for the current tax year and that qualifies for 9635
partial exemption under division (A) of this section, and against 9636
each manufactured and mobile home that is taxed pursuant to 9637
division (D)(2) of section 4503.06 of the Revised Code and that is 9638
on the manufactured home tax list for the current tax year, by ten 9639
per cent, to provide a partial exemption for that parcel or home. 9640
For the purposes of this division: 9641

(1) "Qualifying levy" means a levy approved at an election 9642
held before September 29, 2013; a levy within the ten-mill 9643
limitation; a levy provided for by the charter of a municipal 9644
corporation that was levied on the tax list for tax year 2013; a 9645

subsequent renewal of any such levy; or a subsequent substitute 9646
for such a levy under section 5705.199 of the Revised Code. 9647

(2) "Qualifying levy" does not include any replacement 9648
imposed under section 5705.192 of the Revised Code of any levy 9649
described in division (B)(1) of this section. 9650

(C) Except as otherwise provided in sections 323.152, 9651
323.158, 323.16, 505.06, and 715.263 of the Revised Code, the 9652
amount of the taxes remaining after any such reduction shall be 9653
the real and public utility property taxes charged and payable on 9654
each parcel of real property, including property that does not 9655
qualify for partial exemption under division (A) of this section, 9656
and the manufactured home tax charged and payable on each 9657
manufactured or mobile home, and shall be the amounts certified to 9658
the county treasurer for collection. Upon receipt of the real and 9659
public utility property tax duplicate, the treasurer shall certify 9660
to the tax commissioner the total amount by which the real 9661
property taxes were reduced under this section, as shown on the 9662
duplicate. Such reduction shall not directly or indirectly affect 9663
the determination of the principal amount of notes that may be 9664
issued in anticipation of any tax levies or the amount of bonds or 9665
notes for any planned improvements. If after application of 9666
sections 5705.31 and 5705.32 of the Revised Code and other 9667
applicable provisions of law, including divisions (F) and (I) of 9668
section 321.24 of the Revised Code, there would be insufficient 9669
funds for payment of debt charges on bonds or notes payable from 9670
taxes reduced by this section, the reduction of taxes provided for 9671
in this section shall be adjusted to the extent necessary to 9672
provide funds from such taxes. 9673

(D) The tax commissioner may adopt rules governing the 9674
administration of the partial exemption provided for by this 9675
section. 9676

(E) The determination of whether property qualifies for 9677

partial exemption under division (A) of this section is solely for 9678
the purpose of allowing the partial exemption under division (B) 9679
of this section. 9680

Sec. 321.24. (A) On or before the fifteenth day of February, 9681
in each year, the county treasurer shall settle with the county 9682
auditor for all taxes and assessments that the treasurer has 9683
collected on the general duplicate of real and public utility 9684
property at the time of making the settlement. If the county 9685
treasurer has made or will make advance payments to the several 9686
taxing districts of current year unpaid taxes under section 9687
321.341 of the Revised Code before collecting them, the county 9688
treasurer shall take the advance payments into account for 9689
purposes of the settlement with the county auditor under this 9690
division. 9691

(B) On or before the thirtieth day of June, in each year, the 9692
treasurer shall settle with the auditor for all advance payments 9693
of general personal and classified property taxes that the 9694
treasurer has received at the time of making the settlement. 9695

(C) On or before the tenth day of August, in each year, the 9696
treasurer shall settle with the auditor for all taxes and 9697
assessments that the treasurer has collected on the general 9698
duplicates of real and public utility property at the time of 9699
making such settlement, not included in the preceding February 9700
settlement. If the county treasurer has made or will make advance 9701
payments to the several taxing districts of the current year 9702
delinquent taxes under section 321.341 of the Revised Code before 9703
collecting them, the county treasurer shall take the advance 9704
payments into account for purposes of the settlement with the 9705
county auditor under this division. 9706

(D) On or before the thirty-first day of October, in each 9707
year, the treasurer shall settle with the auditor for all taxes 9708

that the treasurer has collected on the general personal and 9709
classified property duplicates, and for all advance payments of 9710
general personal and classified property taxes, not included in 9711
the preceding June settlement, that the treasurer has received at 9712
the time of making such settlement. 9713

(E) In the event the time for the payment of taxes is 9714
extended, pursuant to section 323.17 of the Revised Code, the date 9715
on or before which settlement for the taxes so extended must be 9716
made, as herein prescribed, shall be deemed to be extended for a 9717
like period of time. At each such settlement, the auditor shall 9718
allow to the treasurer, on the moneys received or collected and 9719
accounted for by the treasurer, the treasurer's fees, at the rate 9720
or percentage allowed by law, at a full settlement of the 9721
treasurer. 9722

(F) Within thirty days after the day of each settlement of 9723
taxes required under divisions (A) and (C) of this section, the 9724
treasurer shall certify to the tax commissioner any adjustments 9725
that have been made to the amount certified previously pursuant to 9726
section 319.302 of the Revised Code and that the settlement has 9727
been completed. Upon receipt of such certification, the 9728
commissioner shall provide for payment to the county treasurer 9729
from the general revenue fund of an amount equal to one-half of 9730
the amount certified by the treasurer in the preceding tax year 9731
under section 319.302 of the Revised Code, less the sum of (1) 9732
one-half of the amount computed for all taxing districts in that 9733
county for the current fiscal year under section 5703.80 of the 9734
Revised Code for crediting to the property tax administration fund 9735
and (2) any reduction required by the commissioner under division 9736
(D) of section 718.83 of the Revised Code. Such payment shall be 9737
credited upon receipt to the county's undivided income tax fund, 9738
and the county auditor shall transfer to the county general fund 9739
from the amount thereof the total amount of all fees and charges 9740

which the auditor and treasurer would have been authorized to 9741
receive had such section not been in effect and that amount had 9742
been levied and collected as taxes. The county auditor shall 9743
distribute the amount remaining among the various taxing districts 9744
in the county as if it had been levied, collected, and settled as 9745
real property taxes. The amount distributed to each taxing 9746
district shall be reduced by the total of the amounts computed for 9747
the district under section 5703.80 of the Revised Code, but the 9748
reduction shall not exceed the amount that otherwise would be 9749

required by the commissioner under division (D) of section 718.83 9752
of the Revised Code. The tax commissioner shall make available to 9753
taxing districts such information as is sufficient for a taxing 9754
district to be able to determine the amount of the reduction in 9755
its distribution under this section. 9756

(G)(1) Within thirty days after the day of the settlement 9757
required in division (D) of this section, the county treasurer 9758
shall notify the tax commissioner that the settlement has been 9759
completed. Upon receipt of that notification, the commissioner 9760

revenue fund of an amount equal to the amount certified under 9762
former section 319.311 of the Revised Code and paid in the state's 9763
fiscal year 2003 multiplied by the percentage specified in 9764
division (G)(2) of this section. The payment shall be credited 9765
upon receipt to the county's undivided income tax fund, and the 9766
county auditor shall distribute the amount thereof among the 9767
various taxing districts of the county as if it had been levied, 9768
collected, and settled as personal property taxes. The amount 9769
received by a taxing district under this division shall be 9770
apportioned among its funds in the same proportion as the current 9771
year's personal property taxes are apportioned. 9772

(2) Payments required under division (G)(1) of this section shall be made at the following percentages of the amount certified under former section 319.311 of the Revised Code and paid under division (G)(1) of this section in the state's fiscal year 2003:

- (a) In fiscal year 2004, ninety per cent;
- (b) In fiscal year 2005, eighty per cent;
- (c) In fiscal year 2006, sixty-four per cent;
- (d) In fiscal year 2007, forty per cent;
- (e) In fiscal year 2008, thirty-two per cent;
- (f) In fiscal year 2009, sixteen per cent.

After fiscal year 2009, no payments shall be made under division (G)(1) of this section.

(H)(1) On or before the fifteenth day of April each year, the county treasurer shall settle with the county auditor for all manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(2) On or before the fifteenth day of September each year, the county treasurer shall settle with the county auditor for all remaining manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(3) If the time for payment of such taxes is extended under section 4503.06 of the Revised Code, the time for making the settlement as prescribed by divisions (H)(1) and (2) of this section is extended for a like period of time.

(I) On or before the second Monday in September of each year, the county treasurer shall certify to the tax commissioner the total amount by which the manufactured home taxes levied in that year were reduced pursuant to section 319.302 of the Revised Code.

Within ninety days after the receipt of such certification, the 9803
commissioner shall provide for payment to the county treasurer 9804
from the general revenue fund of an amount equal to the amount 9805
certified by the treasurer. Such payment shall be credited upon 9806
receipt to the county's undivided income tax fund, and the county 9807
auditor shall transfer to the county general fund from the amount 9808
thereof the total amount of all fees and charges that the auditor 9809
and treasurer would have been authorized to receive had such 9810
section not been in effect and that amount had been levied and 9811
collected as manufactured home taxes. The county auditor shall 9812
distribute the amount remaining among the various taxing districts 9813
in the county as if it had been levied, collected, and settled as 9814
manufactured home taxes. 9815

owned by the county that has not been dedicated to or is not then 9961
in use for any county or other public purpose, or any building or 9962
structure rented or leased by the county. The board of county 9963
commissioners of any county, by resolution, also may dedicate and 9964
permit the use, as a minimum security jail, of any building or 9965
structure purchased by or constructed by or for the county. 9966
Subject to divisions (B)(3) and (C) of this section, upon the 9967
effective date of such a resolution, the specified building or 9968
structure shall be used, in accordance with this section, for the 9969
confinement of persons who meet one of the following conditions: 9970

escape risk and propensity for assaultive or violent behavior, 9980
based upon the person's prior and current behavior. 9981

(b) The person is charged with a traffic violation, a 9982
misdemeanor, or a felony of the fourth or fifth degree and has had 9983

or the jail administrator's designee has classified the person as 9986
a minimal security risk. In determining the person's 9987

classification under this division, the administrator or designee 9988
shall consider all relevant factors, including, but not limited 9989
to, the person's escape risk and propensity for assaultive or 9990
violent behavior, based upon the person's prior and current 9991
behavior. Nothing in this division authorizes the operation or 9992
management of a minimum security jail by a private entity. 9993

(c) The person is an inmate transferred by order of a judge 9994
of the sentencing court upon the request of the sheriff, 9995
administrator, jailer, or other person responsible for operating 9996

confinement in a minimum security facility. 9999

(2) The board of county commissioners of any county, by 10000
resolution, may affiliate with one or more adjacent counties, or 10001
with one or more municipal corporations located within the county 10002
or within an adjacent county, and dedicate and permit the use, as 10003
a minimum security jail, of any vacant or abandoned public 10004
building or structure owned by any of the affiliating counties or 10005
municipal corporations that has not been dedicated to or is not 10006
then in use for any public purpose, or any building or structure 10007
rented or leased by any of the affiliating counties or municipal 10008
corporations. The board of county commissioners of any county, by 10009
resolution, also may affiliate with one or more adjacent counties 10010
or with one or more municipal corporations located within the 10011
county or within an adjacent county and dedicate and permit the 10012
use, as a minimum security jail, of any building or structure 10013
purchased by or constructed by or for any of the affiliating 10014
counties or municipal corporations. Any counties and municipal 10015
corporations that affiliate for purposes of this division shall 10016
enter into an agreement that establishes the responsibilities for 10017
the operation and for the cost of operation of the minimum 10018
security jail. Subject to divisions (B)(3) and (C) of this 10019

section, upon the effective date of a resolution adopted under 10020
this division, the specified building or structure shall be used, 10021
in accordance with this section, for the confinement of persons 10022
who meet one of the following conditions: 10023

(a) The person is sentenced to a term of imprisonment for a 10024
traffic violation, a misdemeanor, or a violation of an ordinance 10025
of any municipal corporation, or is sentenced to a residential 10026
sanction in the jail for a felony of the fourth or fifth degree 10027
pursuant to sections 2929.11 to 2929.19 of the Revised Code, and 10028
the jail administrator or the jail administrator's designee has 10029
classified the person as a minimal security risk. In determining 10030
the person's classification under this division, the administrator 10031
or designee shall consider all relevant factors, including, but 10032
not limited to, the person's escape risk and propensity for 10033
assaultive or violent behavior, based upon the person's prior and 10034
current behavior. 10035

(b) The person is charged with a traffic violation, a 10036
misdemeanor, or a felony of the fourth or fifth degree and has had 10037
bail set and has not been released on bail and is confined in a 10038
county jail pending trial, and the jail administrator or the jail 10039
administrator's designee has classified the person as a minimal 10040
security risk. In determining the person's classification under 10041
this division, the administrator or designee shall consider all 10042
relevant factors, including, but not limited to, the person's 10043
escape risk and propensity for assaultive or violent behavior, 10044
based upon the person's prior and current behavior. Nothing in 10045
this division authorizes the operation or management of a minimum 10046
security jail by a private entity. 10047

(c) The person is an inmate transferred by order of a judge 10048
of the sentencing court upon the request of the sheriff, 10049
administrator, jailer, or other person responsible for operating 10050
the jail other than a contractor as defined in section 9.06 of the 10051

Revised Code, who is named in the request as being suitable for 10052
confinement in a minimum security facility. 10053

(3) No person shall be confined in a building or structure 10054
dedicated as a minimum security jail under division (B)(1) or (2) 10055
of this section unless the judge who sentenced the person to the 10056
term of imprisonment for the traffic violation or the misdemeanor 10057
specifies that the term of imprisonment is to be served in that 10058
jail, and division (B)(1) or (2) of this section permits the 10059
confinement of the person in that jail or unless the judge who 10060
sentenced the person to the residential sanction for the felony 10061
specifies that the residential sanction is to be served in a jail, 10062
and division (B)(1) or (2) of this section permits the confinement 10063
of the person in that jail. If a rented or leased building or 10064
structure is so dedicated, the building or structure may be used 10065
as a minimum security jail only during the period that it is 10066
rented or leased by the county or by an affiliated county or 10067
municipal corporation. If a person convicted of a misdemeanor is 10068
confined to a building or structure dedicated as a minimum 10069
security jail under division (B)(1) or (2) of this section and the 10070
sheriff, administrator, jailer, or other person responsible for 10071
operating the jail other than a contractor as defined in section 10072
9.06 of the Revised Code determines that it would be more 10073
appropriate for the person so confined to be confined in another 10074
jail or workhouse facility, the sheriff, administrator, jailer, or 10075
other person may transfer the person so confined to a more 10076
appropriate jail or workhouse facility. 10077

(C) All of the following apply to a building or structure 10078
that is dedicated pursuant to division (B)(1) or (2) of this 10079
section for use as a minimum security jail: 10080

(1) To the extent that the use of the building or structure 10081
as a minimum security jail requires a variance from any county, 10082
municipal corporation, or township zoning regulations or 10083

ordinances, the variance shall be granted. 10084

(2) Except as provided in this section, the building or 10085
structure shall not be used to confine any person unless it is in 10086
substantial compliance with any applicable housing, fire 10087
prevention, sanitation, health, and safety codes, regulations, or 10088
standards. 10089

(3) Unless such satisfaction or compliance is required under 10090
the standards described in division (C)(4) of this section, and 10091
notwithstanding any other provision of state or local law to the 10092
contrary, the building or structure need not satisfy or comply 10093
with any state or local building standard or code in order to be 10094
used to confine a person for the purposes specified in division 10095
(B) of this section. 10096

(4) The building or structure shall not be used to confine 10097
any person unless it is in compliance with all minimum standards 10098
and minimum renovation, modification, and construction criteria 10099
for ~~minimum security~~ jails that have been proposed by the 10100
department of rehabilitation and correction, through its bureau of 10101
adult detention, under section 5120.10 of the Revised Code. 10102

(5) The building or structure need not be renovated or 10103
modified into a secure detention facility in order to be used 10104
solely to confine a person for the purposes specified in divisions 10105
(B)(1)(a) or (b) and (B)(2)(a) or (b) of this section. 10106

(6) The building or structure shall be used, equipped, 10107
furnished, and staffed in the manner necessary to provide adequate 10108
and suitable living, sleeping, food service or preparation, 10109
drinking, bathing and toilet, sanitation, and other necessary 10110
facilities, furnishings, and equipment. 10111

(D) Except as provided in this section, a minimum security 10112
jail dedicated and used under this section shall be considered to 10113
be part of the jail, workhouse, or other correctional facilities 10114

of the county or the affiliated counties and municipal 10115
corporations for all purposes under the law. All persons confined 10116
in such a minimum security jail shall be and shall remain, in all 10117
respects, under the control of the county authority that has 10118
responsibility for the management and operation of the jail, 10119
workhouse, or other correctional facilities of the county or, if 10120
it is operated by any affiliation of counties or municipal 10121
corporations, under the control of the specified county or 10122
municipal corporation with that authority, provided that, if the 10123
person was convicted of a felony and is serving a residential 10124
sanction in the facility, all provisions of law that pertain to 10125
persons convicted of a felony that would not by their nature 10126
clearly be inapplicable apply regarding the person. A minimum 10127
security jail dedicated and used under this section shall be 10128
managed and maintained in accordance with policies and procedures 10129
adopted by the board of county commissioners or the affiliated 10130
counties and municipal corporations governing the safe and 10131
healthful operation of the jail, the confinement and supervision 10132
of the persons sentenced to it, and their participation in work 10133
release or similar rehabilitation programs. In addition to other 10134
rules of conduct and discipline, the rights of ingress and egress 10135
of persons confined in a minimum security jail dedicated and used 10136
under this section shall be subject to reasonable restrictions. 10137
Every person confined in a minimum security jail dedicated and 10138
used under this section shall be given verbal and written 10139
notification, at the time of the person's admission to the jail, 10140
that purposely leaving, or purposely failing to return to, the 10141
jail without proper authority or permission constitutes the felony 10142
offense of escape. 10143

(E) If a person who has been convicted of or pleaded guilty 10144
to an offense is sentenced to a term of imprisonment or a 10145
residential sanction in a minimum security jail as described in 10146
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 10147

an inmate transferred to a minimum security jail by order of a 10148
judge of the sentencing court as described in division (B)(1)(c) 10149
or (B)(2)(c) of this section, at the time of reception and at 10150
other times the person in charge of the operation of the jail 10151
determines to be appropriate, the sheriff or other person in 10152
charge of the operation of the jail may cause the convicted 10153
offender to be examined and tested for tuberculosis, HIV 10154
infection, hepatitis, including but not limited to hepatitis A, B, 10155
and C, and other contagious diseases. The person in charge of the 10156
operation of the jail may cause a convicted offender in the jail 10157
who refuses to be tested or treated for tuberculosis, HIV 10158
infection, hepatitis, including but not limited to hepatitis A, B, 10159
and C, or another contagious disease to be tested and treated 10160
involuntarily. 10161

Sec. 351.021. (A) The resolution of the county commissioners 10162
creating a convention facilities authority, or any amendment or 10163
supplement to that resolution, may authorize the authority to levy 10164
one or both of the excise taxes authorized by division (B) of this 10165
section to pay the cost of one or more facilities; to pay 10166
principal, interest, and premium on convention facilities 10167
authority tax anticipation bonds issued to pay those costs; to pay 10168
the operating costs of the authority; to pay operating and 10169
maintenance costs of those facilities; and to pay the costs of 10170
administering the excise tax. 10171

(B) The board of directors of a convention facilities 10172
authority that has been authorized pursuant to resolution adopted, 10173
amended, or supplemented by the board of county commissioners 10174
pursuant to division (A) of this section may levy, by resolution 10175
adopted on or before December 31, 1988, either or both of the 10176
following: 10177

(1) Within the territory of the authority, an additional 10178

excise tax not to exceed four per cent on each transaction. The 10179
excise tax authorized by division (B)(1) of this section shall be 10180
in addition to any excise tax levied pursuant to section 5739.08 10181
or 5739.09 of the Revised Code, or division (B)(2) of this 10182
section. 10183

(2) Within that portion of any municipal corporation that is 10184
located within the territory of the authority or within the 10185
boundaries of any township that is located within the territory of 10186
the authority, which municipal corporation or township is levying 10187
any portion of the excise tax authorized by division (A) of 10188
section 5739.08 of the Revised Code, and with the approval, by 10189
ordinance or resolution, of the legislative authority of that 10190
municipal corporation or township, an additional excise tax not to 10191
exceed nine-tenths of one per cent on each transaction. The excise 10192
tax authorized by division (B)(2) of this section may be levied 10193
only if, on the effective date of the levy specified in the 10194
resolution making the levy, the amount being levied pursuant to 10195
division (A) of section 5739.08 of the Revised Code by each 10196
municipal corporation or township in which the tax authorized by 10197
division (B)(2) of this section will be levied, when added to the 10198
amount levied under division (B)(2) of this section, does not 10199
exceed three per cent on each transaction. The excise tax 10200
authorized by division (B)(2) of this section shall be in addition 10201
to any excise tax that is levied pursuant to section 5739.08 or 10202
5739.09 of the Revised Code, or division (B)(1) of this section. 10203

(C)(1) The board of directors of a convention facilities 10204
authority that is located in an eligible Appalachian county; that 10205
has been authorized pursuant to resolution adopted, amended, or 10206
supplemented by the board of county commissioners pursuant to 10207
division (A) of this section; and that is not levying a tax under 10208
division (B)(1) or (2) of this section may levy within the 10209
territory of the authority, by resolution adopted on or before 10210

December 31, 2005, an additional excise tax not to exceed three 10211
per cent on each transaction. The excise tax authorized under 10212
division (C)(1) of this section shall be in addition to any excise 10213
tax levied pursuant to section 5739.08 or 5739.09 of the Revised 10214
Code. 10215

As used in division (C)(1) of this section, "eligible 10216
Appalachian county" means a county in this state designated as 10217
being in the "Appalachian region" under the "Appalachian Regional 10218
Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and 10219
having a population less than eighty thousand according to the 10220
most recent federal decennial census. 10221

(2) Division (C)(2) of this section applies only to a 10222
convention facilities authority located in a county with a 10223
population, according to the 2000 federal decennial census, of at 10224
least one hundred thirty-five thousand and not more than one 10225
hundred fifty thousand and containing entirely within its 10226
boundaries the territory of a municipal corporation with a 10227
population according to that census of more than fifty thousand. 10228
The board of directors of such a convention facilities authority, 10229
by resolution adopted on or before November 1, 2009, may levy 10230
within the territory of the authority an excise tax on 10231
transactions by which lodging by a hotel is or is to be furnished 10232
to transient guests at a rate not to exceed three per cent on such 10233
transactions for the same purposes for which a tax may be levied 10234
under division (B) of this section. The resolution may be adopted 10235
only if the board of county commissioners of the county, by 10236
resolution, authorizes the levy of the tax. The resolution of the 10237
board of county commissioners is subject to referendum as 10238
prescribed by sections 305.31 to 305.41 of the Revised Code. If, 10239
pursuant to those procedures, a referendum is to be held, the 10240
board's resolution does not take effect until approved by a 10241
majority of electors voting on the question. The convention 10242

facilities authority may adopt the resolution authorized by 10243
division (C)(2) of this section before the election, but the 10244
authority's resolution shall not take effect if the board of 10245
commissioners' resolution is not approved at the election. A tax 10246
levied under division (C)(2) of this section is in addition to any 10247
tax levied under section 5739.09 of the Revised Code. 10248

(D) The authority shall provide for the administration and 10249
allocation of an excise tax levied pursuant to division (B) or (C) 10250
of this section. All receipts arising from those excise taxes 10251
shall be expended for the purposes provided in, and in accordance 10252
with this section and section 351.141 of the Revised Code. An 10253
excise tax levied under division (B) or (C) of this section shall 10254
remain in effect at the rate at which it is levied for at least 10255
the duration of the period for which the receipts from the tax 10256
have been anticipated and pledged pursuant to section 351.141 of 10257
the Revised Code. 10258

(E) Except as provided in division (B)(2) of this section, 10259
the levy of an excise tax on each transaction pursuant to sections 10260
5739.08 and 5739.09 of the Revised Code does not prevent a 10261
convention facilities authority from levying an excise tax 10262
pursuant to division (B) or (C) of this section. 10263

(F) A convention facilities authority located in a county 10264
with a population greater than eighty thousand but less than 10265
ninety thousand according to the 2010 federal decennial census 10266
that levies a tax under division (B) of this section may amend the 10267
resolution levying the tax to allocate a portion of the revenue 10268
from the tax for support of tourism-related sites or facilities 10269
and programs operated by the county or a municipal corporation 10270
within the county in which the authority is located or for the 10271
purpose of leasing lands for county fairs, erecting buildings for 10272
county fair purposes, making improvements on a county fairground, 10273
or for any purpose connected with the use of a county fairground 10274

or with the management thereof by the county in which the 10275
authority is located. The revenue allocated by the authority for 10276
such purposes in a calendar year shall not exceed fifteen per cent 10277
of the total revenue from the tax in the preceding calendar year. 10278

(G) A tax levied by a convention facilities authority under 10279
this section on transactions by which lodging by a hotel is or is 10280
to be furnished to transient guests, if the transaction is 10281
conducted through a hotel intermediary, shall be levied on the 10282
basis of the lodging's fair market value. The hotel intermediary 10283
shall collect the tax due from the purchaser and remit it to the 10284
convention facilities authority. As used in this division, 10285
"lodging's fair market value" and "hotel intermediary" have the 10286
same meanings as in section 5739.01 of the Revised Code. 10287

Sec. 353.06. As used in this section, "hotel," "lodging's 10288
fair market value," "hotel intermediary," and "transient guests" 10289
have the same meanings as in section 5739.01 of the Revised Code. 10290

A resolution creating a lake facilities authority under 10291
section 353.02 of the Revised Code, or any amendments or 10292
supplements thereto, may authorize the authority to levy an excise 10293
tax on transactions by which lodging in a hotel is or is to be 10294
furnished to transient guests to pay any costs authorized under 10295
this chapter; to pay principal, interest, and premium on lake 10296
facilities authority tax anticipation bonds issued to pay those 10297
costs; to pay the operating costs of the authority; and to pay the 10298
costs of administering the tax. 10299

Upon the affirmative vote of at least a majority of the 10300
qualified electors in a primary or general election within the 10301
impacted lake district voting at an election held for the purpose 10302
of authorizing the tax, the board of directors of a lake 10303
facilities authority authorized to levy a tax under this section 10304
may, by resolution, levy an additional excise tax within the 10305

territory of the impacted lake district on all transactions by 10306
which lodging in a hotel is or is to be furnished to transient 10307
guests. The rate of the tax, when added to the aggregate rate of 10308
excise taxes levied in the impacted lake district pursuant to 10309
section 351.021, 5739.08, or 5739.09 of the Revised Code, shall 10310
not cause the total aggregate rate to exceed five per cent on any 10311
such transaction. 10312

The lake facilities authority shall provide for the 10313
administration and allocation of a tax levied pursuant to this 10314
section. All receipts arising from the tax shall be expended for 10315
the purposes provided in, and in accordance with, this section. An 10316
excise tax levied under this section shall remain in effect at the 10317
rate at which it is levied for at least the duration of the period 10318
for which the receipts from the tax have been anticipated and 10319
pledged pursuant to section 353.08 of the Revised Code. 10320

The form of the ballot in an election held on the question of 10321
levying a tax proposed pursuant to this section shall be as 10322
follows or in any other form acceptable to the secretary of state: 10323

"An excise tax on all transactions by which lodging in a 10324
hotel is or is to be furnished to transient guests within the 10325
territory of the (name of impacted lake district) for 10326
the purpose of at a rate of for 10327
(number of years the tax is to be levied). 10328

	For the Excise Tax
	Against the Excise Tax

"

A tax levied by a lake facilities authority under this 10332
section on transactions by which lodging by a hotel is or is to be 10333
furnished to transient guests, if the transaction is conducted 10334
through a hotel intermediary, shall be levied on the basis of the 10335
lodging's fair market value. The hotel intermediary shall collect 10336

the tax due from the purchaser and remit it to the lake facilities 10337
authority. 10338

Sec. 505.262. (A) Notwithstanding division (D) of section 10339
505.37 of the Revised Code or any other statute of this state and 10340
subject to division (C) of this section, the board of township 10341
trustees of any township, by unanimous vote, may adopt a 10342
resolution allowing the township to contract for the purchase of 10343
equipment, buildings, and sites, or for the construction of 10344
buildings, for any lawful township purpose. The board may issue, 10345
by resolution adopted by unanimous vote, securities of the 10346
township to finance purchases and construction made pursuant to 10347
this division. The securities shall be signed by the board and 10348
attested by the signature of the township fiscal officer, and the 10349
maximum maturity of those securities is subject to the limitations 10350
in section 133.20 of the Revised Code. The securities shall bear 10351
interest not to exceed the rate determined as provided in section 10352
9.95 of the Revised Code and shall not be subject to Chapter 133. 10353
of the Revised Code. The resolution authorizing the issuance of 10354
the securities shall provide for levying and collecting annually 10355
by taxation, amounts sufficient to pay the interest on and 10356
principal of the securities. The securities may contain a clause 10357
permitting prepayment at the option of the board. Securities shall 10358
be offered for sale on the open market or given to the vendor or 10359
contractor if no sale is made. 10360

(B) No purchase or construction pursuant to division (A) of 10361
this section shall be undertaken unless the county auditor 10362
certifies that, if the purchase or construction is undertaken, the 10363
debt service charge for the purchase or construction in the first 10364
year, together with the debt service charge for that same year for 10365
any other purchase or construction already undertaken pursuant to 10366
division (A) of this section, does not exceed one-tenth of the 10367
township's total revenue from all sources. If the county auditor 10368

so certifies, in every year of the debt after the first year, the 10369
county budget commission shall include a debt charge in the 10370
township's annual tax budget submitted pursuant to sections 10371
5705.01 to 5705.47 of the Revised Code sufficient to meet the 10372
annual debt incurred pursuant to division (A) of this section, if 10373
the debt charge is omitted from the budget. 10374

(C) A board of township trustees of an urban township as 10375
defined in section 504.01 of the Revised Code may adopt a 10376
resolution to require a majority vote rather than a unanimous vote 10377
for the purposes of contracting for or issuing securities for the 10378
construction of buildings under division (A) of this section. 10379

Sec. 505.37. (A) The board of township trustees may establish 10380
all necessary rules to guard against the occurrence of fires and 10381
to protect the property and lives of the citizens against damage 10382
and accidents, and may, with the approval of the specifications by 10383
the prosecuting attorney or, if the township has adopted limited 10384
home rule government under Chapter 504. of the Revised Code, with 10385
the approval of the specifications by the township's law director, 10386
purchase, lease, lease with an option to purchase, or otherwise 10387
provide any fire apparatus, mechanical resuscitators, underwater 10388
rescue and recovery equipment, or other fire equipment, 10389
appliances, materials, fire hydrants, and water supply for 10390
fire-fighting and fire and rescue purposes that seems advisable to 10391
the board. The board shall provide for the care and maintenance of 10392
such fire equipment, and, for these purposes, may purchase, lease, 10393
lease with an option to purchase, or construct and maintain 10394
necessary buildings, and it may establish and maintain lines of 10395
fire-alarm communications within the limits of the township. The 10396
board may employ one or more persons to maintain and operate such 10397
fire equipment, or it may enter into an agreement with a volunteer 10398
fire company for the use and operation of the equipment. The board 10399
may compensate the members of a volunteer fire company on any 10400

basis and in any amount that it considers equitable. 10401

10402

When the estimated cost to purchase fire apparatus, 10403

mechanical resuscitators, underwater rescue and recovery 10404

equipment, or other fire equipment, appliances, materials, fire 10405

hydrants, buildings, or fire-alarm communications equipment or 10406

services exceeds fifty thousand dollars, the contract shall be let 10407

by competitive bidding. When competitive bidding is required, the 10408

board shall advertise once a week for not less than two 10409

consecutive weeks in a newspaper of general circulation within the 10410

township. The board may also cause notice to be inserted in trade 10411

papers or other publications designated by it or to be distributed 10412

by electronic means, including posting the notice on the board's 10413

internet web site. If the board posts the notice on its web site, 10414

it may eliminate the second notice otherwise required to be 10415

published in a newspaper of general circulation within the 10416

township, provided that the first notice published in such 10417

newspaper meets all of the following requirements: 10418

(1) It is published at least two weeks before the opening of 10419

bids. 10420

(2) It includes a statement that the notice is posted on the 10421

board's internet web site. 10422

(3) It includes the internet address of the board's internet 10423

web site. 10424

(4) It includes instructions describing how the notice may be 10425

accessed on the board's internet web site. 10426

The advertisement shall include the time, date, and place 10427

where the clerk of the township, or the clerk's designee, will 10428

read bids publicly. The time, date, and place of bid openings may 10429

be extended to a later date by the board of township trustees, 10430

provided that written or oral notice of the change shall be given 10431
to all persons who have received or requested specifications not 10432
later than ninety-six hours prior to the original time and date 10433
fixed for the opening. The board may reject all the bids or accept 10434
the lowest and best bid, provided that the successful bidder meets 10435
the requirements of section 153.54 of the Revised Code when the 10436
contract is for the construction, demolition, alteration, repair, 10437
or reconstruction of an improvement. 10438

(B) The boards of township trustees of any two or more 10439
townships, or the legislative authorities of any two or more 10440
political subdivisions, or any combination of these, may, through 10441
joint action, unite in the joint purchase, lease, lease with an 10442
option to purchase, maintenance, use, and operation of fire 10443
equipment described in division (A) of this section, or for any 10444
other purpose designated in sections 505.37 to 505.42 of the 10445
Revised Code, and may prorate the expense of the joint action on 10446
any terms that are mutually agreed upon. 10447

(C) The board of township trustees of any township may, by 10448
resolution, whenever it is expedient and necessary to guard 10449
against the occurrence of fires or to protect the property and 10450
lives of the citizens against damages resulting from their 10451
occurrence, create a fire district of any portions of the township 10452
that it considers necessary. The board may purchase, lease, lease 10453
with an option to purchase, or otherwise provide any fire 10454
apparatus, mechanical resuscitators, underwater rescue and 10455
recovery equipment, or other fire equipment, appliances, 10456
materials, fire hydrants, and water supply for fire-fighting and 10457
fire and rescue purposes, or may contract for the fire protection 10458
for the fire district as provided in section 9.60 of the Revised 10459
Code. The fire district so created shall be given a separate name 10460
by which it shall be known. 10461

Additional unincorporated territory of the township may be 10462

added to a fire district upon the board's adoption of a resolution 10463
authorizing the addition. A municipal corporation, or a portion of 10464
a municipal corporation, that is within or adjoining the township 10465
may be added to a fire district upon the board's adoption of a 10466
resolution authorizing the addition and the municipal legislative 10467
authority's adoption of a resolution or ordinance requesting the 10468
addition of the municipal corporation or a portion of the 10469
municipal corporation to the fire district. 10470

If the township fire district imposes a tax, additional 10471
unincorporated territory of the township or a municipal 10472
corporation or a portion of a municipal corporation that is within 10473
or adjoining the township shall become part of the fire district 10474
only after all of the following have occurred: 10475

(1) Adoption by the board of township trustees of a 10476
resolution approving the expansion of the territorial limits of 10477
the district and, if the resolution proposes to add a municipal 10478
corporation or a portion of a municipal corporation, adoption by 10479
the municipal legislative authority of a resolution or ordinance 10480
requesting the addition of the municipal corporation or a portion 10481
of the municipal corporation to the district; 10482

(2) Adoption by the board of township trustees of a 10483
resolution recommending the extension of the tax to the additional 10484
territory; 10485

(3) Approval of the tax by the electors of the territory 10486
proposed for addition to the district. 10487

Each resolution of the board adopted under division (C)(2) of 10488
this section shall state the name of the fire district, a 10489
description of the territory to be added, and the rate and 10490
termination date of the tax, which shall be the rate and 10491
termination date of the tax currently in effect in the fire 10492
district. 10493

The board of trustees shall certify each resolution adopted 10494
under division (C)(2) of this section to the board of elections in 10495
accordance with section 5705.19 of the Revised Code. The election 10496
required under division (C)(3) of this section shall be held, 10497
canvassed, and certified in the manner provided for the submission 10498
of tax levies under section 5705.25 of the Revised Code, except 10499
that the question appearing on the ballot shall read: 10500

"Shall the territory within 10501
(description of the proposed territory to be added) be added to 10502
..... (name) fire district, and a property tax 10503
at a rate of taxation not exceeding (here insert tax rate) 10504
be in effect for (here insert the number of years the 10505
tax is to be in effect or "a continuing period of time," as 10506
applicable)?" 10507

If the question is approved by at least a majority of the 10508
electors voting on it, the joinder shall be effective as of the 10509
first day of July of the year following approval, and on that 10510
date, the township fire district tax shall be extended to the 10511
taxable property within the territory that has been added. If the 10512
territory that has been added is a municipal corporation or 10513
portion thereof and if it had adopted a tax levy for fire 10514
purposes, the levy is terminated on the effective date of the 10515
joinder in the area of the municipal corporation added to the 10516
district. 10517

Any municipal corporation may withdraw from a township fire 10518
district created under division (C) of this section by the 10519
adoption by the municipal legislative authority of a resolution or 10520
ordinance ordering withdrawal. On the first day of July of the 10521
year following the adoption of the resolution or ordinance of 10522
withdrawal, the withdrawing municipal corporation ~~withdrawing~~ or 10523
the portion thereof ceases to be a part of the district, and the 10524
power of the fire district to levy a tax upon taxable property in 10525

the withdrawing municipal corporation or the portion thereof 10526
terminates, except that the fire district shall continue to levy 10527
and collect taxes for the payment of indebtedness within the 10528
territory of the fire district as it was composed at the time the 10529
indebtedness was incurred. 10530

Upon the withdrawal of any municipal corporation from a 10531
township fire district created under division (C) of this section, 10532
the county auditor shall ascertain, apportion, and order a 10533
division of the funds on hand, moneys and taxes in the process of 10534
collection except for taxes levied for the payment of 10535
indebtedness, credits, and real and personal property, either in 10536
money or in kind, on the basis of the valuation of the respective 10537
tax duplicates of the withdrawing municipal corporation and the 10538
remaining territory of the fire district. 10539

A board of township trustees may remove unincorporated 10540
territory of the township from the fire district upon the adoption 10541
of a resolution authorizing the removal. On the first day of July 10542
of the year following the adoption of the resolution, the 10543
unincorporated township territory described in the resolution 10544
ceases to be a part of the district, and the power of the fire 10545
district to levy a tax upon taxable property in that territory 10546
terminates, except that the fire district shall continue to levy 10547
and collect taxes for the payment of indebtedness within the 10548
territory of the fire district as it was composed at the time the 10549
indebtedness was incurred. 10550

(D) The board of township trustees of any township, the board 10551
of fire district trustees of a fire district created under section 10552
505.371 of the Revised Code, or the legislative authority of any 10553
municipal corporation may purchase, lease, or lease with an option 10554
to purchase the necessary fire equipment described in division (A) 10555
of this section, buildings, and sites for the township, fire 10556
district, or municipal corporation and issue securities for that 10557

purpose with maximum maturities as provided in section 133.20 of 10558
the Revised Code. The board of township trustees, board of fire 10559
district trustees, or legislative authority may also construct any 10560
buildings necessary to house fire equipment and issue securities 10561
for that purpose with maximum maturities as provided in section 10562
133.20 of the Revised Code. 10563

The board of township trustees, board of fire district 10564
trustees, or legislative authority may issue the securities of the 10565
township, fire district, or municipal corporation, signed by the 10566
board or designated officer of the municipal corporation and 10567
attested by the signature of the township fiscal officer, fire 10568
district clerk, or municipal clerk, covering any deferred payments 10569
and payable at the times provided, which securities shall bear 10570
interest not to exceed the rate determined as provided in section 10571
9.95 of the Revised Code, and shall not be subject to Chapter 133. 10572
of the Revised Code. The legislation authorizing the issuance of 10573
the securities shall provide for levying and collecting annually 10574
by taxation, amounts sufficient to pay the interest on and 10575
principal of the securities. The securities shall be offered for 10576
sale on the open market or given to the vendor or contractor if no 10577
sale is made. 10578

Section 505.40 of the Revised Code does not apply to any 10579
securities issued, or any lease with an option to purchase entered 10580
into, in accordance with this division. 10581

(E) A board of township trustees of any township or a board 10582
of fire district trustees of a fire district created under section 10583
505.371 of the Revised Code may purchase a policy or policies of 10584
liability insurance for the officers, employees, and appointees of 10585
the fire department, fire district, or joint fire district 10586
governed by the board that includes personal injury liability 10587
coverage as to the civil liability of those officers, employees, 10588
and appointees for false arrest, detention, or imprisonment, 10589

malicious prosecution, libel, slander, defamation or other 10590
violation of the right of privacy, wrongful entry or eviction, or 10591
other invasion of the right of private occupancy, arising out of 10592
the performance of their duties. 10593

When a board of township trustees cannot, by deed of gift or 10594
by purchase and upon terms it considers reasonable, procure land 10595
for a township fire station that is needed in order to respond in 10596
reasonable time to a fire or medical emergency, the board may 10597
appropriate land for that purpose under sections 163.01 to 163.22 10598
of the Revised Code. If it is necessary to acquire additional 10599
adjacent land for enlarging or improving the fire station, the 10600
board may purchase, appropriate, or accept a deed of gift for the 10601
land for these purposes. 10602

(F) As used in this division, "emergency medical service 10603
organization" has the same meaning as in section 4766.01 of the 10604
Revised Code. 10605

A board of township trustees, by adoption of an appropriate 10606
resolution, may choose to have the state board of emergency 10607
medical, fire, and transportation services license any emergency 10608
medical service organization it operates. If the board adopts such 10609
a resolution, Chapter 4766. of the Revised Code, except for 10610
sections 4766.06 and 4766.99 of the Revised Code, applies to the 10611
organization. All rules adopted under the applicable sections of 10612
that chapter also apply to the organization. A board of township 10613
trustees, by adoption of an appropriate resolution, may remove its 10614
emergency medical service organization from the jurisdiction of 10615
the state board of emergency medical, fire, and transportation 10616
services. 10617

Sec. 505.371. (A) The boards of township trustees of one or 10618
more townships and the legislative authorities of one or more 10619
municipal corporations, or the legislative authorities of two or 10620

more municipal corporations, or the boards of township trustees of 10621
two or more townships, may, by adoption of a joint resolution by a 10622
majority of the members of each board of township trustees and by 10623
a majority of the members of the legislative authority of each 10624
municipal corporation, create a joint fire district comprising all 10625
or any portions of the municipal corporations and all or any 10626
portions of the townships as are mutually agreed upon. A joint 10627
fire district so created shall be given a name different from the 10628
name of any participating township or municipal corporation. 10629

(B) The governing body of the joint fire district shall be a 10630
board of fire district trustees, which shall include one 10631
representative from each board of township trustees and one 10632
representative from the legislative authority of each municipal 10633
corporation in the district. The board of fire district trustees 10634
may exercise the same powers as are granted to a board of township 10635
trustees in sections 505.37 to 505.45 of the Revised Code, 10636
including, but not limited to, the power to levy a tax upon all 10637
taxable property in the fire district as provided in section 10638
505.39 of the Revised Code. The board of fire district trustees 10639
may be compensated at a rate not to exceed thirty dollars per 10640
meeting, not to exceed fifteen meetings per year, and may be 10641
reimbursed for all necessary expenses incurred. The board shall 10642
employ a clerk of the board of fire district trustees. 10643

(C)(1) The board of fire district trustees may establish 10644
reasonable charges for the use of ambulance or emergency medical 10645
services. The board may establish different charges for residents 10646
and nonresidents of the district, and may waive, at its 10647
discretion, all or part of the charge for any resident of the 10648
district. The charge for nonresidents shall be an amount not less 10649
than the authorized medicare reimbursement rate, except that if, 10650
prior to February 4, 1998, the board had different charges for 10651
residents and nonresidents and the charge for nonresidents was 10652

less than the authorized medicare reimbursement rate, the board 10653
may charge nonresidents less than the authorized medicare 10654
reimbursement rate. 10655

(2) In the resolution creating the joint fire district, the 10656
political subdivisions that create the district may provide that 10657
any of those political subdivisions may agree to pay any charges 10658
for the use of ambulance or emergency medical services that the 10659
board of fire district trustees establishes under division (C)(1) 10660
of this section and that are incurred by the residents of the 10661
particular political subdivision. Unless the board elects pursuant 10662
to that division to waive all or part of the charges for the use 10663
of ambulance or emergency medical services that any resident of 10664
the district incurs, the residents of a particular political 10665
subdivision that has not so agreed to pay the charges for the use 10666
of ambulance or emergency medical services incurred by its 10667
residents shall pay those charges. 10668

(3) Charges collected under division (C) of this section 10669
shall be kept in a separate fund designated as the ambulance and 10670
emergency medical services fund and shall be appropriated and 10671
administered by the board. The fund shall be used for the payment 10672
of the costs of the management, maintenance, and operation of 10673
ambulance and emergency medical services in the district. 10674

(4) As used in division (C) of this section, "authorized 10675
medicare reimbursement rate" has the same meaning as in section 10676
505.84 of the Revised Code. 10677

(D) Any municipal corporation or township, or parts of them, 10678
may join an existing joint fire district by the adoption of a 10679
resolution requesting such membership and upon approval of the 10680
board of fire district trustees. Any municipal corporation or 10681
township may withdraw from a joint fire district created under 10682
this section, by the adoption of a resolution ordering withdrawal. 10683
On or after the first day of January of the year following the 10684

adoption of the resolution of withdrawal, the municipal 10685
corporation or township withdrawing ceases to be a part of such 10686
district, and the power of the district to levy a tax upon taxable 10687
property in the withdrawing township or municipal corporation 10688
terminates, except that the district shall continue to levy and 10689
collect taxes for the payment of indebtedness within the territory 10690
of the district as it was comprised at the time the indebtedness 10691
was incurred. 10692

Upon the withdrawal of any township or municipal corporation 10693
from a joint fire district created under this section, the county 10694
auditor shall ascertain, apportion, and order a division of the 10695
funds on hand, including funds in the ambulance and emergency 10696
medical services fund, moneys and taxes in the process of 10697
collection, except for taxes levied for the payment of 10698
indebtedness, credits, and real and personal property, either in 10699
money or in kind, on the basis of the valuation of the respective 10700
tax duplicates of the withdrawing municipal corporation or 10701
township and the remaining territory of the joint fire district. 10702

When the number of townships and municipal corporations 10703
comprising a joint fire district is reduced to one, the joint fire 10704
district ceases to exist by operation of law, and the funds, 10705
credits, and property remaining after apportionments to 10706
withdrawing municipal corporations or townships shall be assumed 10707
by the one remaining township or municipal corporation. When a 10708
joint fire district ceases to exist and an indebtedness remains 10709
unpaid, the board of county commissioners shall continue to levy 10710
and collect taxes for the payment of that indebtedness within the 10711
territory of the joint fire district as it was comprised at the 10712
time the indebtedness was incurred. 10713

(E) Neither this section nor any other section of the Revised 10714
Code requires, or shall be construed to require, that the fire 10715
chief of a joint fire district be a resident of the fire district. 10716

Sec. 701.10. The legislative authority of a municipal corporation ~~that is located in a charter county and~~ that has established a rate or charge for the provision of collection or disposal services for garbage, ashes, animal and vegetable refuse, dead animals, or animal offal may certify to the county ~~fiscal officer~~ auditor, by ordinance, the amount of the rate or charge that has not been paid in accordance with applicable requirements by a person using the collection or disposal services. The amount certified shall be a lien on the person's property to which services are provided, placed on the tax list in a separate column, collected as other taxes, and paid into the general fund of the municipal corporation.

Sec. 711.131. (A) Notwithstanding sections 711.001 to 711.13 of the Revised Code and except as provided in division (C) of this section, unless the rules adopted under section 711.05, 711.09, or 711.10 of the Revised Code are amended pursuant to division (B) of this section, a proposed division of a parcel of land along an existing public street, not involving the opening, widening, or extension of any street or road, and involving no more than five lots after the original tract has been completely subdivided, may be submitted to the planning authority having approving jurisdiction of plats under section 711.05, 711.09, or 711.10 of the Revised Code for approval without plat. If the authority acting through a properly designated representative finds that a proposed division is not contrary to applicable platting, subdividing, zoning, health, sanitary, or access management regulations, regulations adopted under division (B)(3) of section 307.37 of the Revised Code regarding existing surface or subsurface drainage, or household sewage treatment rules adopted under section 3718.02 of the Revised Code, it shall approve the proposed division within seven business days after its submission

and, on presentation of a conveyance of the parcel, shall stamp 10748
the conveyance "approved by (planning authority); no plat 10749
required" and have it signed by its clerk, secretary, or other 10750
official as may be designated by it. The planning authority may 10751
require the submission of a sketch and other information that is 10752
pertinent to its determination under this division. 10753

(B) For a period of up to two years after ~~the effective date~~ 10754
~~of this amendment~~ the effective date of this amendment, the rules 10755
adopted under section 711.05, 711.09, or 711.10 of the Revised 10756
Code may be amended within that period to authorize the planning 10757
authority involved to approve proposed divisions of parcels of 10758
land without plat under this division. If an authority so amends 10759
its rules, it may approve no more than five lots without a plat 10760
from an original tract as that original tract exists on the 10761
effective date of the amendment to the rules. The authority shall 10762
make the findings and approve a proposed division in the time and 10763
manner specified in division (A) of this section. 10764

(C) This section does not apply to parcels subject to section 10765
711.133 of the Revised Code. 10766

(D) As used in this section, "business day" means a day of 10767
the week excluding Saturday, Sunday, or a legal holiday as defined 10768
in section 1.14 of the Revised Code. 10769

Sec. 718.83. (A) On or before the last day of each month, the 10770
tax commissioner shall certify to the director of budget and 10771
management the amount to be paid to each municipal corporation, 10772
based on amounts reported on annual returns and declarations of 10773
estimated tax under sections 718.85 and 718.88 of the Revised 10774
Code, less any amounts previously distributed and net of any audit 10775
adjustments made or refunds granted by the commissioner, for the 10776
~~ealender~~ calendar month preceding the month in which the 10777
certification is made. Not later than the fifth day of each month, 10778

the director shall provide for payment of the amount certified to 10779
each municipal corporation from the municipal income net profit 10780
tax fund, plus a pro rata share of any investment earnings 10781
accruing to the fund since the previous payment under this 10782
section, and minus any reduction required by the commissioner 10783
under division (D) of this section. Each municipal corporation's 10784
share of such earnings shall equal the proportion that the 10785
municipal corporation's certified tax payment is of the total 10786
taxes certified to all municipal corporations in that quarter. All 10787
investment earnings on money in the municipal income net profit 10788
tax fund shall be credited to that fund. 10789

(B) If the tax commissioner determines that the amount of tax 10790
paid by a taxpayer and distributed to a municipal corporation 10791
under this section for a taxable year exceeds the amount payable 10792
to that municipal corporation under sections 718.80 to 718.95 of 10793
the Revised Code after accounting for amounts remitted with the 10794
annual return and as estimated taxes, the commissioner shall 10795
proceed according to divisions (A) and (B) of section 5703.77 of 10796
the Revised Code. 10797

(C) If the amount of a municipal corporation's net 10798
distribution computed by the commissioner under division (A) of 10799
this section is less than zero, the commissioner may notify the 10800
municipal corporation of the deficiency. Within thirty days after 10801
receiving such a notice, the municipal corporation shall pay an 10802
amount equal to the deficiency to the treasurer of state. The 10803
treasurer of state shall credit any payment received under this 10804
division to the municipal net profit tax fund. 10805

(D) If a municipal corporation fails to make a timely payment 10806
required under division (C) of this section, the commissioner may 10807
recover the deficiency using any or all of the following options: 10808

(1) Deduct the amount of the deficiency from the next 10809

distribution to that municipal corporation under division (A) of 10810
this section or, if the amount of the deficiency exceeds the 10811
amount of such distribution, withhold such distributions entirely 10812
until the withheld amount equals the amount of the municipal 10813
corporation's deficiency; 10814

(2) Deduct the amount of the deficiency from the next payment 10815
to that municipal corporation under division (A) of section 10816
5745.05 of the Revised Code or, if the amount of the deficiency 10817
exceeds the amount of such distribution, withhold such 10818
distributions entirely until the withheld amount equals the amount 10819
of the municipal corporation's deficiency; 10820

(3) Deduct the amount of the deficiency from the municipal 10821
corporation's share of the next payment made by the commissioner 10822
under division (F) of section 321.24 of the Revised Code or, if 10823
the amount of the deficiency exceeds the amount of the municipal 10824
corporation's share of such payment, withhold the municipal 10825
corporation's share of the payments entirely until the withheld 10826
amount equals the amount of the municipal corporation's 10827
deficiency. 10828

(E) The total amount of payments and distributions withheld 10829
from a municipal corporation under division (D) of this section 10830
shall not exceed the unpaid portion of the municipal corporation's 10831
net distribution deficiency. All amounts withheld under division 10832
(D) of this section shall be credited to the municipal net profit 10833
tax fund. 10834

(F) The commissioner may adopt rules necessary to administer 10835
this section. 10836

Sec. 718.85. (A)(1) For each taxable year, every taxpayer 10837
shall file an annual return. Such return, along with the amount of 10838
tax shown to be due on the return less the amount paid for the 10839
taxable year under section 718.88 of the Revised Code, shall be 10840

submitted to the tax commissioner, on a form and in the manner 10841
prescribed by the commissioner, on or before the fifteenth day of 10842
the fourth month following the end of the taxpayer's taxable year. 10843

(2) If a taxpayer has multiple taxable years beginning within 10844
one calendar year, the taxpayer shall aggregate the facts and 10845
figures necessary to compute the tax due under this chapter, in 10846
accordance with sections 718.81, 718.82, and, if applicable, 10847
718.86 of the Revised Code onto its annual return. 10848

(3) The remittance shall be made payable to the treasurer of 10849
state and in the form prescribed by the tax commissioner. If the 10850
amount payable with the tax return is ten dollars or less, no 10851
remittance is required. 10852

(B) The tax commissioner shall immediately forward to the 10853
treasurer of state all amounts the commissioner receives pursuant 10854
to sections 718.80 to 718.95 of the Revised Code. The treasurer 10855
shall credit ninety-nine and one-half per cent of such amounts to 10856
the municipal ~~income~~ net profit tax fund which is hereby created 10857
in the state treasury, and the remainder to the municipal income 10858
tax administrative fund established under section 5745.03 of the 10859
Revised Code. 10860

(C)(1) Each return required to be filed under this section 10861
shall contain the signature of the taxpayer or the taxpayer's duly 10862
authorized agent and of the person who prepared the return for the 10863
taxpayer, and shall include the taxpayer's identification number. 10864
Each return shall be verified by a declaration under penalty of 10865
perjury. 10866

(2)(a) The tax commissioner may require a taxpayer to 10867
include, with each annual tax return, amended return, or request 10868
for refund filed with the commissioner under sections 718.80 to 10869
718.95 of the Revised Code, copies of any relevant documents or 10870
other information. 10871

(b) A taxpayer that files an annual tax return electronically 10872
through the Ohio business gateway or in another manner as 10873
prescribed by the tax commissioner shall either submit the 10874
documents required under this division electronically as 10875
prescribed at the time of filing or, if electronic submission is 10876
not available, mail the documents to the tax commissioner. The 10877
department of taxation shall publish a method of electronically 10878
submitting the documents required under this division on or before 10879
January 1, 2019. 10880

(3) After a taxpayer files a tax return, the tax commissioner 10881
may request, and the taxpayer shall provide, any information, 10882
statements, or documents required to determine and verify the 10883
taxpayer's municipal income tax. 10884

(D)(1)(a) Any taxpayer that has duly requested an automatic 10885
extension for filing the taxpayer's federal income tax return 10886
shall automatically receive an extension for the filing of a tax 10887
return with the commissioner under this section. The extended due 10888
date of the return shall be the fifteenth day of the tenth month 10889
after the last day of the taxable year to which the return 10890
relates. 10891

(b) A taxpayer that has not requested or received a six-month 10892
extension for filing the taxpayer's federal income tax return may 10893
request that the commissioner grant the taxpayer a six-month 10894
extension of the date for filing the taxpayer's municipal income 10895
tax return. If the commissioner receives the request on or before 10896
the date the municipal income tax return is due, the commissioner 10897
shall grant the taxpayer's extension request. 10898

(c) An extension of time to file under division (D)(1) of 10899
this section is not an extension of the time to pay any tax due 10900
unless the tax commissioner grants an extension of that date. 10901

(2) If the commissioner considers it necessary in order to 10902

ensure payment of a tax imposed in accordance with section 718.04 10903
of the Revised Code, the commissioner may require taxpayers to 10904
file returns and make payments otherwise than as provided in this 10905
section, including taxpayers not otherwise required to file annual 10906
returns. 10907

(E) Each return required to be filed in accordance with this 10908
section shall include a box that the taxpayer may check to 10909
authorize another person, including a tax return preparer who 10910
prepared the return, to communicate with the tax commissioner 10911
about matters pertaining to the return. The return or instructions 10912
accompanying the return shall indicate that by checking the box 10913
the taxpayer authorizes the commissioner to contact the preparer 10914
or other person concerning questions that arise during the 10915
examination or other review of the return and authorizes the 10916
preparer or other person only to provide the commissioner with 10917
information that is missing from the return, to contact the 10918
commissioner for information about the examination or other review 10919
of the return or the status of the taxpayer's refund or payments, 10920
and to respond to notices about mathematical errors, offsets, or 10921
return preparation that the taxpayer has received from the 10922
commissioner and has shown to the preparer or other person. 10923

(F) When income tax returns or other documents require the 10924
signature of a tax return preparer, the tax commissioner shall 10925
accept a facsimile or electronic version of such a signature in 10926
lieu of a manual signature. 10927

Sec. 718.90. (A) If any taxpayer required to file a return 10928
under section 718.80 to 718.95 of the Revised Code fails to file 10929
the return within the time prescribed, files an incorrect return, 10930
or fails to remit the full amount of the tax due for the period 10931
covered by the return, the tax commissioner may make an assessment 10932
against the taxpayer for any deficiency for the period for which 10933

the return or tax is due, based upon any information in the 10934
commissioner's possession. 10935

The tax commissioner shall not make or issue an assessment 10936
against a taxpayer more than three years after the later of the 10937
date the return subject to assessment was required to be filed or 10938
the date the return was filed. Such time limit may be extended if 10939
both the taxpayer and the commissioner consent in writing to the 10940
extension. Any such extension shall extend the three-year time 10941
limit in section 718.91 of the Revised Code for the same period of 10942
time. There shall be no bar or limit to an assessment against a 10943
taxpayer that fails to file a return subject to assessment as 10944
required by sections 718.80 to 718.95 of the Revised Code, or that 10945
files a fraudulent return. The commissioner shall give the 10946
taxpayer assessed written notice of the assessment as provided in 10947
section 5703.37 of the Revised Code. With the notice, the 10948
commissioner shall provide instructions on how to petition for 10949
reassessment and request a hearing on the petition. 10950

(B) Unless the taxpayer assessed files with the tax 10951
commissioner within sixty days after service of the notice of 10952
assessment, either personally or by certified mail, a written 10953
petition for reassessment signed by the authorized agent of the 10954
taxpayer assessed having knowledge of the facts, the assessment 10955
becomes final, and the amount of the assessment is due and payable 10956
from the taxpayer to the treasurer of state. The petition shall 10957
indicate the taxpayer's objections, but additional objections may 10958
be raised in writing if received by the commissioner prior to the 10959
date shown on the final determination. If the petition has been 10960
properly filed, the commissioner shall proceed under section 10961
5703.60 of the Revised Code. 10962

(C) After an assessment becomes final, if any portion of the 10963
assessment remains unpaid, including accrued interest, a certified 10964

copy of the tax commissioner's entry making the assessment final 10965
may be filed in the office of the clerk of the court of common 10966
pleas in the county in which the taxpayer has an office or place 10967
of business in this state, the county in which the taxpayer's 10968
statutory agent is located, or Franklin county. 10969

Immediately upon the filing of the entry, the clerk shall 10970
enter a judgment against the taxpayer assessed in the amount shown 10971
on the entry. The judgment may be filed by the clerk in a 10972
loose-leaf book entitled "special judgments for municipal income 10973
taxes," and shall have the same effect as other judgments. 10974
Execution shall issue upon the judgment upon the request of the 10975
tax commissioner, and all laws applicable to sales on execution 10976
shall apply to sales made under the judgment. 10977

If the assessment is not paid in its entirety within sixty 10978
days after the day the assessment was issued, the portion of the 10979
assessment consisting of tax due shall bear interest at the rate 10980
per annum prescribed by section 5703.47 of the Revised Code from 10981
the day the commissioner issues the assessment until the 10982
assessment is paid or until it is certified to the attorney 10983
general for collection under section 131.02 of the Revised Code, 10984
whichever comes first. If the unpaid portion of the assessment is 10985
certified to the attorney general for collection, the entire 10986
unpaid portion of the assessment shall bear interest at the rate 10987
per annum prescribed by section 5703.47 of the Revised Code from 10988
the date of certification until the date it is paid in its 10989
entirety. Interest shall be paid in the same manner as the tax and 10990
may be collected by issuing an assessment under this section. 10991

(D) All money collected under this section shall be credited 10992
to the municipal ~~income~~ net profit tax fund and distributed to the 10993
municipal corporation to which the money is owed based on the 10994
assessment issued under this section. 10995

(E) If the tax commissioner believes that collection of the 10996

tax will be jeopardized unless proceedings to collect or secure 10997
collection of the tax are instituted without delay, the 10998
commissioner may issue a jeopardy assessment against the taxpayer 10999
liable for the tax. Immediately upon the issuance of the jeopardy 11000
assessment, the commissioner shall file an entry with the clerk of 11001
the court of common pleas in the manner prescribed by division (C) 11002
of this section. Notice of the jeopardy assessment shall be served 11003
on the taxpayer assessed or the taxpayer's legal representative in 11004
the manner provided in section 5703.37 of the Revised Code within 11005
five days of the filing of the entry with the clerk. The total 11006
amount assessed is immediately due and payable, unless the 11007
taxpayer assessed files a petition for reassessment in accordance 11008
with division (B) of this section and provides security in a form 11009
satisfactory to the commissioner and in an amount sufficient to 11010
satisfy the unpaid balance of the assessment. Full or partial 11011
payment of the assessment does not prejudice the commissioner's 11012
consideration of the petition for reassessment. 11013

(F) Notwithstanding the fact that a petition for reassessment 11014
is pending, the taxpayer may pay all or a portion of the 11015
assessment that is the subject of the petition. The acceptance of 11016
a payment by the treasurer of state does not prejudice any claim 11017
for refund upon final determination of the petition. 11018

If upon final determination of the petition an error in the 11019
assessment is corrected by the tax commissioner, upon petition so 11020
filed or pursuant to a decision of the board of tax appeals or any 11021
court to which the determination or decision has been appealed, so 11022
that the amount due from the taxpayer under the corrected 11023
assessment is less than the portion paid, there shall be issued to 11024
the taxpayer, its assigns, or legal representative a refund in the 11025
amount of the overpayment as provided by section 718.91 of the 11026
Revised Code, with interest on that amount as provided by that 11027
section. 11028

based upon the person's prior and current behavior. 11156

(b) The person is an inmate transferred by order of a judge 11157
of the sentencing court upon the request of the sheriff, 11158

Revised Code, who is named in the request as being suitable for 11161

(3) No person shall be confined in a building or structure 11163
dedicated as a minimum security jail under division (B)(1) or (2) 11164
of this section unless the judge who sentenced the person to the 11165

person so confined to a more appropriate jail or workhouse 11186

as a minimum security jail requires a variance from any municipal 11192
corporation, county, or township zoning ordinances or regulations, 11193
the variance shall be granted. 11194

(2) Except as provided in this section, the building or 11195
structure shall not be used to confine any person unless it is in 11196
substantial compliance with any applicable housing, fire 11197
prevention, sanitation, health, and safety codes, regulations, or 11198
standards. 11199

(3) Unless such satisfaction or compliance is required under 11200
the standards described in division (C)(4) of this section, and 11201
notwithstanding any other provision of state or local law to the 11202
contrary, the building or structure need not satisfy or comply 11203
with any state or local building standard or code in order to be 11204
used to confine a person for the purposes specified in division 11205
(B) of this section. 11206

(4) The building or structure shall not be used to confine 11207
any person unless it is in compliance with all minimum standards 11208

for ~~minimum security~~ jails that have been proposed by the 11210
department of rehabilitation and correction, through its bureau of 11211
adult detention, under section 5120.10 of the Revised Code. 11212

(5) The building or structure need not be renovated or 11213
modified into a secure detention facility in order to be used 11214
solely to confine a person for the purposes specified in divisions 11215

(B)(1)(a) and (B)(2)(a) of this section. 11216

(6) The building or structure shall be used, equipped, 11217
furnished, and staffed to provide adequate and suitable living, 11218
sleeping, food service or preparation, drinking, bathing and 11219
toilet, sanitation, and other necessary facilities, furnishings, 11220
and equipment. 11221

(D) Except as provided in this section, a minimum security 11222
jail dedicated and used under this section shall be considered to 11223
be part of the jail, workhouse, or other correctional facilities 11224
of the municipal corporation or the affiliated counties and 11225
municipal corporations for all purposes under the law. All persons 11226
confined in such a minimum security jail shall be and shall 11227
remain, in all respects, under the control of the authority of the 11228
municipal corporation that has responsibility for the management 11229
and operation of the jail, workhouse, or other correctional 11230
facilities of the municipal corporation or, if it is operated by 11231
any affiliation of counties or municipal corporations, under the 11232
control of the specified county or municipal corporation with that 11233
authority, provided that, if the person was convicted of a felony 11234
and is serving a residential sanction in the facility, all 11235
provisions of law that pertain to persons convicted of a felony 11236
that would not by their nature clearly be inapplicable apply 11237
regarding the person. A minimum security jail dedicated and used 11238
under this section shall be managed and maintained in accordance 11239
with policies and procedures adopted by the legislative authority 11240
of the municipal corporation or the affiliated counties and 11241
municipal corporations governing the safe and healthful operation 11242
of the jail, the confinement and supervision of the persons 11243
sentenced to it, and their participation in work release or 11244
similar rehabilitation programs. In addition to other rules of 11245
conduct and discipline, the rights of ingress and egress of 11246
persons confined in a minimum security jail dedicated and used 11247

under this section shall be subject to reasonable restrictions. 11248
Every person confined in a minimum security jail dedicated and 11249
used under this section shall be given verbal and written 11250
notification, at the time of the person's admission to the jail, 11251
that purposely leaving, or purposely failing to return to, the 11252
jail without proper authority or permission constitutes the felony 11253
offense of escape. 11254

(E) If a person who has been convicted of or pleaded guilty 11255
to an offense is sentenced to a term of imprisonment or a 11256
residential sanction in a minimum security jail as described in 11257
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 11258
an inmate transferred to a minimum security jail by order of a 11259
judge of the sentencing court as described in division (B)(1)(b) 11260

to be appropriate, the person in charge of the operation of the 11263
jail may cause the convicted offender to be examined and tested 11264

limited to hepatitis A, B, and C, and other contagious diseases. 11266
The person in charge of the operation of the jail may cause a 11267

resources management, upon the chief's own motion or upon 12028
application by the owners of sixty-five per cent of the land area 12029
overlying the pool, shall hold a hearing to consider the need for 12030
the operation as a unit of an entire pool or part thereof. In 12031
calculating the sixty-five per cent, an owner's entire interest in 12032
each tract in the proposed unit area, including any divided, 12033
undivided, partial, fee, or other interest in the tract, shall be 12034
included to the fullest extent of that interest. An application by 12035
owners shall be accompanied by a nonrefundable fee of ten thousand 12036
dollars and by such information as the chief may request. 12037

The chief shall make an order providing for the unit 12038
operation of a pool or part thereof if the chief finds that such 12039
operation is reasonably necessary to increase substantially the 12040
ultimate recovery of oil and gas, and the value of the estimated 12041
additional recovery of oil or gas exceeds the estimated additional 12042
cost incident to conducting the operation. The order shall be upon 12043
terms and conditions that are just and reasonable and shall 12044
prescribe a plan for unit operations that shall include: 12045

(1) A description of the unitized area, termed the unit area; 12046

(2) A statement of the nature of the operations contemplated; 12047

(3) An allocation to the separately owned tracts in the unit 12048
area of all the oil and gas that is produced from the unit area 12049
and is saved, being the production that is not used in the conduct 12050
of operations on the unit area or not unavoidably lost. The 12051
allocation shall be in accord with the agreement, if any, of the 12052
interested parties. If there is no such agreement, the chief shall 12053
determine the value, from the evidence introduced at the hearing, 12054
of each separately owned tract in the unit area, exclusive of 12055
physical equipment, for development of oil and gas by unit 12056
operations, and the production allocated to each tract shall be 12057
the proportion that the value of each tract so determined bears to 12058
the value of all tracts in the unit area. 12059

(4) A provision for the credits and charges to be made in the 12060
adjustment among the owners in the unit area for their respective 12061
investments in wells, tanks, pumps, machinery, materials, and 12062
equipment contributed to the unit operations; 12063

(5) A provision providing how the expenses of unit 12064
operations, including capital investment, shall be determined and 12065

be paid; 12067

(6) A provision, if necessary, for carrying or otherwise 12068
financing any person who is unable to meet the person's financial 12069
obligations in connection with the unit, allowing a reasonable 12070
interest charge for such service; 12071

(7) A provision for the supervision and conduct of the unit 12072
operations, in respect to which each person shall have a vote with 12073
a value corresponding to the percentage of the expenses of unit 12074
operations chargeable against the interest of that person; 12075

(8) The time when the unit operations shall commence, and the 12076
manner in which, and the circumstances under which, the unit 12077
operations shall terminate; 12078

(9) Such additional provisions as are found to be appropriate 12079
for carrying on the unit operations, and for the protection or 12080
adjustment of correlative rights. 12081

(B) No order of the chief providing for unit operations shall 12082
become effective unless and until the plan for unit operations 12083
prescribed by the chief has been approved in writing by those 12084
owners who, under the chief's order, will be required to pay at 12085
least sixty-five per cent of the costs of the unit operation, and 12086
also by the royalty or, with respect to unleased acreage, fee 12087
owners of sixty-five per cent of the acreage to be included in the 12088
unit. If the plan for unit operations has not been so approved by 12089
owners and royalty owners at the time the order providing for unit 12090

operations is made, the chief shall upon application and notice 12091
hold such supplemental hearings as may be required to determine if 12092
and when the plan for unit operations has been so approved. If the 12093
owners and royalty owners, or either, owning the required 12094
percentage of interest in the unit area do not approve the plan 12095
for unit operations within a period of six months from the date on 12096
which the order providing for unit operations is made, the order 12097
shall cease to be of force and shall be revoked by the chief. 12098

An order providing for unit operations may be amended by an 12099
order made by the chief, in the same manner and subject to the 12100
same conditions as an original order providing for unit 12101
operations, provided that: 12102

(1) If such an amendment affects only the rights and 12103
interests of the owners, the approval of the amendment by the 12104
royalty owners shall not be required. 12105

(2) No such order of amendment shall change the percentage 12106
for allocation of oil and gas as established for any separately 12107
owned tract by the original order, except with the consent of all 12108
persons owning interest in the tract. 12109

The chief, by an order, may provide for the unit operation of 12110
a pool or a part thereof that embraces a unit area established by 12111
a previous order of the chief. Such an order, in providing for the 12112
allocation of unit production, shall first treat the unit area 12113
previously established as a single tract, and the portion of the 12114
unit production so allocated thereto shall then be allocated among 12115
the separately owned tracts included in the previously established 12116
unit area in the same proportions as those specified in the 12117
previous order. 12118

Oil and gas allocated to a separately owned tract shall be 12119
deemed, for all purposes, to have been actually produced from the 12120
tract, and all operations, including, but not limited to, the 12121

commencement, drilling, operation of, or production from a well 12122
upon any portion of the unit area shall be deemed for all purposes 12123
the conduct of such operations and production from any lease or 12124
contract for lands any portion of which is included in the unit 12125
area. The operations conducted pursuant to the order of the chief 12126
shall constitute a fulfillment of all the express or implied 12127
obligations of each lease or contract covering lands in the unit 12128
area to the extent that compliance with such obligations cannot be 12129
had because of the order of the chief. 12130

Oil and gas allocated to any tract, and the proceeds from the 12131
sale thereof, shall be the property and income of the several 12132
persons to whom, or to whose credit, the same are allocated or 12133
payable under the order providing for unit operations. 12134

No order of the chief or other contract relating to the sale 12135
or purchase of production from a separately owned tract shall be 12136
terminated by the order providing for unit operations, but shall 12137
remain in force and apply to oil and gas allocated to the tract 12138
until terminated in accordance with the provisions thereof. 12139

Notwithstanding divisions (A) to (H) of section 1509.73 of 12140
the Revised Code and rules adopted under it, the chief shall issue 12141
an order for the unit operation of a pool or a part of a pool that 12142
encompasses a unit area for which all or a portion of the mineral 12143
rights are owned by the department of transportation. 12144

Except to the extent that the parties affected so agree, no 12145
order providing for unit operations shall be construed to result 12146
in a transfer of all or any part of the title of any person to the 12147
oil and gas rights in any tract in the unit area. All property, 12148
whether real or personal, that may be acquired for the account of 12149
the owners within the unit area shall be the property of such 12150
owners in the proportion that the expenses of unit operations are 12151
charged. 12152

Sec. 1509.31. (A)(1) No person shall operate a well in this state unless the person first registers with and obtains an identification number from the chief of the division of oil and gas resources management.

(2) Whenever the entire interest of an oil and gas lease is assigned or otherwise transferred, the assignor or transferor shall notify the holders of the royalty interests, and, if a well or wells exist on the lease, the division of oil and gas resources management, of the name and address of the assignee or transferee by certified mail, return receipt requested, not later than thirty days after the date of the assignment or transfer. When notice of any such assignment or transfer is required to be provided to the division, it shall be provided on a form prescribed and provided by the division and verified by both the assignor or transferor and by the assignee or transferee ~~and shall be accompanied by a nonrefundable fee of one hundred dollars for each well.~~ The notice form applicable to assignments or transfers of a well to the owner of the surface estate of the tract on which the well is located shall contain a statement informing the landowner that the well may require periodic servicing to maintain its productivity; that, upon assignment or transfer of the well to the landowner, the landowner becomes responsible for compliance with the requirements of this chapter and rules adopted under it, including, without limitation, the proper disposal of brine obtained from the well, the plugging of the well when it becomes incapable of producing oil or gas, and the restoration of the well site; and that, upon assignment or transfer of the well to the landowner, the landowner becomes responsible for the costs of compliance with the requirements of this chapter and rules adopted under it and the costs for operating and servicing the well.

(3) Notwithstanding division (A)(2) of this section, the assignee or transferee shall notify the division of oil and gas

resources management of the assignment or transfer if both of the 12185
following apply: 12186

(a) The assignor or transferor failed to notify the division 12187
of the assignment or transfer as required by division (A)(2) of 12188
this section; 12189

(b) The assignor or transferor is deceased, dissolved, cannot 12190
be located, or is otherwise incapable of complying with the 12191
notification requirement. 12192

The assignee or transferee shall notify the division of the 12193
assignment or transfer on a form prescribed and provided by the 12194
division. At a minimum, the form shall require the assignee or 12195
transferee to attest that the assignee or transferee is the owner. 12196
The division shall not charge a fee for such assignment or 12197
transfer when notice is provided in accordance with division 12198
(A)(3) of this section. 12199

(B) When the entire interest of a well is proposed to be 12200
assigned or otherwise transferred to the landowner for use as an 12201
exempt domestic well, the owner who has been issued a permit under 12202
this chapter for the well shall submit to the chief of the 12203
division of oil and gas resources management an application for 12204
the assignment or transfer that contains all documents that the 12205
chief requires ~~and a nonrefundable fee of one hundred dollars~~. The 12206
application for such an assignment or transfer shall be prescribed 12207
and provided by the chief. The chief may approve the application 12208
if the application is accompanied by a release of all of the oil 12209
and gas leases that are included in the applicable formation of 12210
the drilling unit, the release is in a form such that the well 12211
ownership merges with the fee simple interest of the surface 12212
tract, and the release is in a form that may be recorded. However, 12213
if the owner of the well does not release the oil and gas leases 12214
associated with the well that is proposed to be assigned or 12215
otherwise transferred or if the fee simple tract that results from 12216

the merger of the well ownership with the fee simple interest of 12217
the surface tract is less than five acres, the proposed exempt 12218
domestic well owner shall post a five thousand dollar bond with 12219
the division prior to the assignment or transfer of the well to 12220
ensure that the well will be properly plugged. The chief, for good 12221
cause, may modify the requirements of this section governing the 12222
assignment or transfer of the interests of a well to the 12223
landowner. Upon the assignment or transfer of the well, the owner 12224
of an exempt domestic well is not subject to the severance tax 12225
levied under section 5749.02 of the Revised Code, but is subject 12226
to all applicable fees established in this chapter. 12227

(C) The owner holding a permit under section 1509.05 of the 12228
Revised Code is responsible for all obligations and liabilities 12229
imposed by this chapter and any rules, orders, and terms and 12230
conditions of a permit adopted or issued under it, and no 12231
assignment or transfer by the owner relieves the owner of the 12232
obligations and liabilities until and unless the assignee or 12233
transferee files with the division the information described in 12234
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 12235
section 1509.06 of the Revised Code; obtains liability insurance 12236
coverage required by section 1509.07 of the Revised Code, except 12237
when none is required by that section; and executes and files a 12238
surety bond, negotiable certificates of deposit or irrevocable 12239
letters of credit, or cash, as described in that section. Instead 12240
of a bond, but only upon acceptance by the chief, the assignee or 12241
transferee may file proof of financial responsibility, described 12242
in section 1509.07 of the Revised Code. Section 1509.071 of the 12243
Revised Code applies to the surety bond, cash, and negotiable 12244
certificates of deposit and irrevocable letters of credit 12245
described in this section. Unless the chief approves a 12246
modification, each assignee or transferee shall operate in 12247
accordance with the plans and information filed by the permit 12248
holder pursuant to section 1509.06 of the Revised Code. 12249

(D) If a mortgaged property that is being foreclosed is 12250
subject to an oil or gas lease, pipeline agreement, or other 12251
instrument related to the production or sale of oil or natural gas 12252
and the lease, agreement, or other instrument was recorded 12253
subsequent to the mortgage, and if the lease, agreement, or other 12254
instrument is not in default, the oil or gas lease, pipeline 12255

the oil or gas lease, pipeline agreement, or other instrument is 12258
not terminated or extinguished upon the foreclosure sale of the 12259
mortgaged property. If the owner of the mortgaged property was 12260
entitled to oil and gas royalties before the foreclosure sale, the 12261
oil or gas royalties shall be paid to the purchaser of the 12262
foreclosed property. 12263

Sec. 1509.36. Any person adversely affected by an order by 12264

The person so appealing to the commission shall be known as 12268
appellant and the chief shall be known as appellee. Appellant and 12269
appellee shall be deemed to be parties to the appeal. 12270

The appeal shall be in writing and shall set forth the order 12271
complained of and the grounds upon which the appeal is based. The 12272

the appeal shall be filed with the chief within three days after 12278
the appeal is filed with the commission. 12279

Upon the filing of the appeal the commission promptly shall 12280

fix the time and place at which the hearing on the appeal will be 12281
held, and shall give the appellant and the chief at least ten 12282
days' written notice thereof by mail. The commission may postpone 12283
or continue any hearing upon its own motion or upon application of 12284
the appellant or of the chief. 12285

The filing of an appeal provided for in this section does not 12286
automatically suspend or stay execution of the order appealed 12287
from, but upon application by the appellant the commission may 12288
suspend or stay the execution pending determination of the appeal 12289
upon such terms as the commission considers proper. 12290

Either party to the appeal or any interested person who, 12291
pursuant to commission rules has been granted permission to 12292

admissible. 12294

For the purpose of conducting a hearing on an appeal, the 12295
commission may require the attendance of witnesses and the 12296
production of books, records, and papers, and it may, and at the 12297
request of any party it shall, issue subpoenas for witnesses or 12298
subpoenas duces tecum to compel the production of any books, 12299
records, or papers, directed to the sheriffs of the counties where 12300
the witnesses are found. The subpoenas shall be served and 12301
returned in the same manner as subpoenas in criminal cases are 12302
served and returned. The fees of sheriffs shall be the same as 12303
those allowed by the court of common pleas in criminal cases. 12304
Witnesses shall be paid the fees and mileage provided for under 12305
section 119.094 of the Revised Code. Such fees and mileage 12306
expenses incurred at the request of appellant shall be paid in 12307
advance by the appellant, and the remainder of those expenses 12308
shall be paid out of funds appropriated for the expenses of the 12309
division of oil and gas resources management. 12310

In case of disobedience or neglect of any subpoena served on 12311
any person, or the refusal of any witness to testify to any matter 12312

regarding which the witness may be lawfully interrogated, the 12313
court of common pleas of the county in which the disobedience, 12314
neglect, or refusal occurs, or any judge thereof, on application 12315
of the commission or any member thereof, shall compel obedience by 12316
attachment proceedings for contempt as in the case of disobedience 12317
of the requirements of a subpoena issued from that court or a 12318
refusal to testify therein. Witnesses at such hearings shall 12319
testify under oath, and any member of the commission may 12320
administer oaths or affirmations to persons who so testify. 12321

At the request of any party to the appeal, a record of the 12322
testimony and other evidence submitted shall be taken by an 12323
official court reporter at the expense of the party making the 12324
request for the record. The record shall include all of the 12325
testimony and other evidence and the rulings on the admissibility 12326
thereof presented at the hearing. The commission shall pass upon 12327
the admissibility of evidence, but any party may at the time 12328
object to the admission of any evidence and except to the rulings 12329
of the commission thereon, and if the commission refuses to admit 12330
evidence the party offering same may make a proffer thereof, and 12331
such proffer shall be made a part of the record of the hearing. 12332

If upon completion of the hearing the commission finds that 12333
the order appealed from was lawful and reasonable, it shall make a 12334
written order affirming the order appealed from; if the commission 12335
finds that the order was unreasonable or unlawful, it shall make a 12336
written order vacating the order appealed from and making the 12337
order that it finds the chief should have made. Every order made 12338
by the commission shall contain a written finding by the 12339
commission of the facts upon which the order is based. 12340

Notice of the making of the order shall be given forthwith to 12341
each party to the appeal by mailing a certified copy thereof to 12342
each such party by certified mail. 12343

The order of the commission is final unless vacated by the 12344

court of common pleas of Franklin county in an appeal as provided 12345
for in section 1509.37 of the Revised Code. Sections 1509.01 to 12346
1509.37 of the Revised Code, providing for appeals relating to 12347
orders by the chief or by the commission, or relating to rules 12348
adopted by the chief, do not constitute the exclusive procedure 12349
that any person who believes the person's rights to be unlawfully 12350
affected by those sections or any official action taken thereunder 12351
must pursue in order to protect and preserve those rights, nor do 12352
those sections constitute a procedure that that person must pursue 12353
before that person may lawfully appeal to the courts to protect 12354
and preserve those rights. 12355

<u>Special youth fur taker permit</u>	<u>\$7.00</u>	12711
<u>Apprentice youth fur taker permit</u>	<u>\$7.00</u>	12712
<u>(2) As used in division (B)(1) of this section:</u>		12713
<u>(a) "Youth" means an applicant who is under the age of</u>		12714
<u>eighteen years at the time of application for a permit.</u>		12715
<u>(b) "Senior" means an applicant who is sixty-six years of age</u>		12716
<u>or older at the time of application for a permit.</u>		12717
<u>(C) Each</u> type of fur taker permit is valid during the hunting		12718
license year in which the permit is purchased. The money received		12719
shall be paid into the state treasury to the credit of the fund		12720
established in section 1533.15 of the Revised Code. Apprentice fur		12721
taker permits and apprentice youth fur taker permits are subject		12722
to the requirements established under section 1533.102 of the		12723
Revised Code and rules adopted pursuant to it.		12724
<u>(D)(1) No person shall issue a fur taker permit shall be</u>		12725

permit, other than an apprentice fur taker permit or an apprentice 12748

relating to trapping. Authorized personnel of the division of 12765
wildlife or volunteer instructors approved by the chief shall 12766
conduct the courses with such frequency and at such locations 12767
throughout the state as to reasonably meet the needs of permit 12768
applicants. The chief shall issue a certificate of completion to 12769
each person who successfully completes the course and passes an 12770

examination prescribed by the chief. 12771

(F) Every person, while hunting or trapping fur-bearing 12772
animals on lands of another, shall carry the person's fur taker 12773

section. The chief shall adopt any additional rules the chief 12776
considers necessary to carry out this section. 12777

(G) An owner who is a resident of this state or an owner who 12778

of the Revised Code and the children of the owner of lands in this 12780
state may hunt or trap fur-bearing animals thereon without a fur 12781
taker permit. If the owner of land in this state is a limited 12782
liability company or a limited liability partnership that consists 12783
of three or fewer individual members or partners, as applicable, 12784
an individual member or partner who is a resident of this state 12785
and the member's or partner's children of any age may hunt or trap 12786
fur-bearing animals on the land owned by the limited liability 12787

fur taker permit. The tenant and children of the tenant may hunt 12794
or trap fur-bearing animals on lands where they reside without a 12795
fur taker permit. 12796

(H) A fur taker permit is not transferable. No person shall 12797

is hereby established. Moneys shall be paid from the fund on the 12812
order of the director of natural resources for the following 12813
purposes: 12814

appropriate nonprofit organization for the acquisition, 12819
development, management, or preservation of lands and waters 12820
within the United States or Canada that provide or will provide 12821
habitat for waterfowl with migration routes that cross this state. 12822

No moneys derived from the issuance of wetlands habitat 12823
stamps shall be spent for purposes other than those specified by 12824
this section. All investment earnings of the fund shall be 12825
credited to the fund. 12826

Wetlands habitat stamps shall be furnished by and in a form 12827
prescribed by the chief of the division of wildlife and issued by 12828

the person's stamp. 12844

14800
14801
14802

(1) In control of the issuer; 14803

(2) Under common control with the issuer by a third party that was in control of the affiliated entity at the time of the events. 14804
14805
14806

Sec. 1707.10. Any securities required by sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of the Revised Code, to be registered by qualification before being sold in this state may be offered for sale and sold preliminary to and pending their full qualification, where the division of securities is satisfied that the issuer is solvent and of good business repute and that such 14807

14809
14810
14811
14812

preliminary offering will not deceive or tend to deceive the 14813
public; but no such preliminary offering shall be made until the 14814
division consents thereto in writing, and such consent shall be on 14815
condition that within thirty days from the date thereof, or within 14816
such further time as the division allows, there is filed in the 14817
office of the division application under such sections for the 14818
full qualification of said securities, or for a registration of 14819
such securities by description if, within such time, such 14820
securities become entitled to registration by description; and the 14821
entire proceeds of the sale of such securities, without deduction 14822
for commissions or other charges, shall be segregated or deposited 14823
in escrow in such manner and for such time as the division 14824
directs. 14825

No applicant which is an issuer not a resident of this state 14826
shall be entitled to the benefit of this section unless there 14827
shall also be on file with the division a consent to service as 14828
provided in section 1707.11 of the Revised Code. 14829

At the time of filing the statement prescribed in this 14830
section, the applicant shall pay to the division the filing fee 14831
prescribed by section 1707.09 of the Revised Code; and upon 14832
receipt of notice of the division's favorable action on the 14833
application, the applicant shall pay to the division the 14834
registration fee prescribed by such section for the qualification 14835
of securities. 14836

If the dealer is unable to complete such qualification or 14837
such registration by description, or if the division, acting upon 14838
more complete information furnished or obtained from its 14839
examination, does not finally register such security by 14840
description or qualification, the issuer or dealer who has sold it 14841
or offered it for sale shall withdraw the security from the market 14842
and return or tender to purchasers of the security, within such 14843
time as the division specifies, the amounts paid for it by them. 14844

Sec. 1707.13. The division of securities may suspend the 14845
registration by description or by qualification of any securities, 14846
or the right of any dealers or of the issuer, or of both, to buy, 14847
sell, or deal in any particular security whether it is registered, 14848
qualified, or exempt or even though transactions in it are 14849
registered or exempt, if the division finds that the issuer has 14850
violated sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of the 14851
Revised Code, or any lawful order or requirement of the division, 14852
has fraudulently conducted its business, or has been engaged in or 14853
is engaged or about to engage in deceptive or fraudulent acts, 14854
practices, or transactions; that such security is being disposed 14855
of or purchased on grossly unfair terms, in such manner as to 14856
deceive or defraud or as to tend to deceive or defraud purchasers 14857
or sellers, or in disregard of the lawful rules and regulations of 14858
the division applicable to such security or to transactions 14859
therein; or, in the case of securities being sold under a 14860
registration or qualification, that the issuer is insolvent. 14861
Notice of such suspension shall be mailed by the division to the 14862
issuer and to all licensed dealers concerned. Such notice shall 14863
specify the particular security whose registration is being 14864
suspended and shall set a date, not more than ten days later than 14865
the date of the order of suspension, for a hearing on the 14866
continuation or revocation of such suspension. For good cause the 14867
division may continue such hearing on application of any 14868
interested party. In conducting such hearing the division shall 14869
have all the authority and powers set forth in section 1707.23 of 14870
the Revised Code. Following such hearing the division shall either 14871
confirm or revoke such suspension. No such suspension shall 14872
invalidate any sale of securities made prior thereto; and the 14873
rights of persons defrauded by any sale shall in no wise be 14874
impaired. 14875

If the issuer of a security refuses to permit an examination 14876

to be made by the division of its books, records, and property, or 14877
refuses to furnish the division any information which it may 14878
lawfully require under sections 1707.01 to ~~1707.45~~ 1707.50, 14879
inclusive, of the Revised Code, such refusal is a sufficient 14880
ground for the division to suspend the registration by description 14881
or by qualification of such security, or the right of any dealers 14882
or of the issuer, or of both, to buy, sell, or deal in such 14883
security. 14884

If any interested party desires an investigation at a place 14885
other than the office of the division, such person may be required 14886
by the division to advance sufficient funds to pay the actual 14887
expenses of such investigation. 14888

Whenever the division determines, upon hearing, that any 14889
application for qualification was made, or that any securities or 14890
any transaction was registered by description, by a person who 14891
knew that untrue statements were contained in such application or 14892
description, the division may proceed under sections 1707.19, 14893
1707.23, and 1707.44 of the Revised Code, or any of them, against 14894
the person who filed such application or such registration by 14895
description. 14896

Sec. 1707.161. (A) No person shall act as an investment 14897

investment adviser representative for another investment adviser; 14903
however, a natural person who is licensed as an investment adviser 14904
by the division may act as an investment adviser representative 14905
for another investment adviser if the natural person also is 14906
licensed by the division, or is properly excepted from licensure, 14907

as an investment adviser representative of the other investment 14908
adviser. 14909

(3) The person is employed by or associated with an 14910
investment adviser registered under section 203 of the "Investment 14911

Revised Code or excepted from notice filing pursuant to division 14917
(B)(3) of section 1707.141 of the Revised Code. 14918

(B)(1) No investment adviser representative required to be 14919
licensed under this section shall act as an investment adviser 14920
representative for more than two investment advisers. An 14921
investment adviser representative that acts as an investment 14922
adviser representative for two investment advisers shall do so 14923
only after the occurrence of both of the following: 14924

(a) Being properly licensed, or properly excepted from 14925
licensure under this section, as an investment adviser 14926
representative for both investment advisers; 14927

(b) Complying with the requirements set forth in rules 14928
adopted by the division regarding consent of both investment 14929
advisers and notice. 14930

(2) Nothing in this section shall be construed to prohibit a 14931
natural person from being licensed by the division as both an 14932
investment adviser and an investment adviser representative. 14933

(3) Nothing in this section shall be construed to prohibit a 14934
natural person from being licensed by the division as both a 14935
salesperson and an investment adviser representative. 14936

(4) Nothing in this section shall be construed to prohibit a 14937

natural person from being licensed by the division as both a 14938
dealer and an investment adviser representative. 14939

(C) An investment adviser representative's license issued 14940
under this section shall not be effective during any period when 14941
the investment adviser representative is not employed by or 14942
associated with an investment adviser that is licensed by the 14943
division or that is in compliance with the notice filing 14944
requirements of division (B) of section 1707.141 of the Revised 14945
Code. Notice of the commencement and termination of the employment 14946
or association of an investment adviser representative licensed 14947
under this section shall be given to the division within thirty 14948
days after the commencement or termination by either of the 14949
following: 14950

(1) The investment adviser, in the case of an investment 14951
adviser representative licensed under this section and employed by 14952

(3) Prior to issuing the investment adviser representative license, the division may require the applicant to reimburse the division for the actual expenses incurred in investigating the applicant. An itemized statement of any such expenses that the applicant is required to pay shall be furnished to the applicant by the division.

(E) If the division finds that the applicant is of good business repute, appears to be qualified to act as an investment adviser representative, and has complied with sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code and the rules adopted under those sections by the division, the division, upon payment of the fees prescribed by division (B) of section 1707.17 of the Revised Code, shall issue to the applicant a license authorizing the applicant to act as an investment adviser representative for the investment adviser, or investment advisers that are under common ownership or control, named in the application.

part, any of the fee requirements of this section for any person 15048
or class of persons if, in the same calendar year, the person or 15049

(C) For the protection of investors, clients, or prospective 15110

incorporates all future amendments to the statute, rule, 15170
regulation, or form. 15171

~~1707.45~~ 1707.50 of the Revised Code, the division may cooperate 15180
with the securities administrators of the other states and the 15181
securities and exchange commission with a view of effectuating the 15182
policy of this section to achieve maximum uniformity in the form 15183
and content of registration statements, applications, reports, and 15184

overall securities regulation wherever practicable.	15185
(C) The division may by rule or order prescribe:	15186

<u>of the Revised Code.</u>	15198
(D) All rules and forms of the division shall be published;	15199
and in addition to fulfilling the requirements of Chapter 119. of	15200
the Revised Code, the division shall prescribe, and shall publish	15201
and make available its rules regarding the sale of securities, the	15202
administration of sections 1707.01 to 1707.45 <u>1707.50</u> of the	15203
Revised Code, and the procedure and practice before the division.	15204
(E)(1) No provision of sections 1707.01 to 1707.45 <u>1707.50</u> of	15205
the Revised Code imposing any liability applies to any act done or	15206
omitted in good faith in conformity with any rule, form, or order	15207
of the division of securities, notwithstanding that the rule,	15208
form, or order may later be amended or rescinded or be determined	15209
by judicial or other authority to be invalid for any reason,	15210
except that the issuance of an order granting effectiveness to a	15211
registration under section 1707.09 or 1707.091 of the Revised Code	15212
for the purposes of this division shall not be deemed an order	15213
other than as the establishment of the fact of registration.	15214
(2) No provision of sections 1707.01 to 1707.45 <u>1707.50</u> of	15215

the Revised Code imposing any liability, penalty, sanction, or 15216
disqualification applies to any act done or omitted in good faith 15217
in conformity with either of the following: 15218

(a) Any provision of sections 1707.01 to ~~1707.45~~ 1707.50 of 15219
the Revised Code that incorporates by reference a federal statute, 15220

expenses shall in no case exceed fifteen per cent of the amount
actually received upon the subscriptions; except that in the case

of joint-stock life insurance companies and joint-stock insurance 15625
companies other than life, the amount of such commission, 15626
promotion, and organization expenses shall in no case exceed ten 15627
per cent of the amount actually received upon the subscriptions. 15628

Sec. 1707.34. (A) Sections 1707.01 to ~~1707.45~~ 1707.50 of the 15629
Revised Code do not apply to the sale of warehouse receipts for 15630
intoxicating liquor to distillers, to rectifiers, or to any person 15631
engaged in the business of dealing in warehouse receipts. 15632

(B) Warehouse receipts for intoxicating liquor may be sold in 15633
this state in accord with and upon compliance with sections 15634
1707.01 to ~~1707.45~~ 1707.50 of the Revised Code. 15635

Sec. 1707.35. All securities which were "certificated" by the 15636
division of securities before July 22, 1929, are, if the 15637
"certification" remained unrevoked on such date, qualified for all 15638
purposes under sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of 15639
the Revised Code. 15640

All securities authorized to be sold by reason of the filing 15641
of information relative thereto before July 22, 1929, shall for 15642
all purposes be deemed registered by description under such 15643
sections, but the division shall have the same power to require 15644
further information with respect to the further sale of such 15645
securities as with respect to the further sale of securities 15646
registered by description or by qualification under sections 15647
1707.01 to ~~1707.45~~ 1707.50, inclusive, of the Revised Code. 15648

Sec. 1707.38. The issuance or sale of any security in 15649
violation of sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of 15650
the Revised Code, does not invalidate such security; but the 15651
rights of persons defrauded by any such issuance or sale shall not 15652
be impaired. 15653

Sec. 1707.39. When any securities have been sold without 15654
compliance with sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised 15655
Code, or any former law in force at the time of such sale, any 15656
interested person may apply in writing to the division of 15657
securities for the qualification of such securities under such 15658
sections. If it appears to the division that no person has been 15659
defrauded, prejudiced, or damaged by such noncompliance or sale 15660
and that no person will be defrauded, prejudiced, or damaged by 15661
such qualification, the division may permit such securities to be 15662
so qualified upon the payment of a fee of one hundred dollars plus 15663
a fee of one-fifth of one per cent of the aggregate price at which 15664
the securities have been sold in this state, which fee shall in no 15665
case be less than one hundred dollars nor more than two thousand 15666
dollars. In addition, the division may require the applicant to 15667
advance sufficient funds to pay the actual expenses of an 15668
examination or investigation by the division, whether to be 15669
conducted in this state or outside this state. An itemized 15670
statement of such expenses shall be furnished to the applicant. 15671

Such qualification shall estop the division from proceeding 15672
under division (D) of section 1707.23 of the Revised Code against 15673
anyone who has violated division (C)(1) of section 1707.44 of the 15674
Revised Code for acts within the scope of the application, or from 15675
proceeding with administrative action pursuant to section 1707.13 15676
of the Revised Code. 15677

Sec. 1707.391. When any securities have been sold in reliance 15678
upon division (Q), (W), (X), or (Y) of section 1707.03 of the 15679
Revised Code, section 1707.08 of the Revised Code, or any other 15680
section of this chapter that the division of securities may 15681
specify by rule, but such reliance was improper because the 15682
required filings were not timely or properly made due to excusable 15683
neglect, upon the effective date of an application made to the 15684

division and payment of any applicable fee, if required and not 15685
already paid, and upon payment of a penalty fee equal to the 15686
greater of the fee or one hundred dollars, the sale of the 15687
securities shall be deemed exempt, qualified, or registered, as 15688
though timely and properly filed. The application shall become 15689
effective upon the expiration of fourteen days after the date of 15690
the filing in question if prior thereto the division did not give 15691
notice to the applicant that the application was denied based on a 15692
finding of lack of excusable neglect. The division shall promptly 15693
adopt and promulgate rules establishing provisions defining 15694
excusable neglect and otherwise establishing reasonable standards 15695
for determining excusable neglect. 15696

The effectiveness of an application under this section does 15697
not relieve anyone who has, other than for excusable neglect, 15698
violated sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code, 15699
or any previous law in force at the time of sale, from prosecution 15700
thereunder. 15701

Sec. 1707.40. Except as provided in section 1707.261 of the 15702
Revised Code, sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised 15703
Code create no new civil liabilities, and do not limit or restrict 15704
common law liabilities for deception or fraud other than as 15705
specified in sections 1707.042, 1707.043, 1707.41, 1707.42, and 15706
1707.43 of the Revised Code, and there is no civil liability for 15707
noncompliance with orders, requirements, rules, or regulations 15708
made by the division of securities under sections 1707.19, 15709
1707.20, 1707.201, and 1707.23 of the Revised Code. 15710

Sec. 1707.431. For purposes of this section, the following 15711
persons shall not be deemed to have effected, participated in, or 15712
aided the seller in any way in making, a sale or contract of sale 15713
in violation of sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised 15714
Code: 15715

(A) Any attorney, accountant, or engineer whose performance 15716
is incidental to the practice of the person's profession; 15717

(B) Any person, other than an investment adviser, investment 15718
adviser representative, bureau of workers' compensation chief 15719
investment officer, or state retirement system investment officer, 15720
who brings any issuer together with any potential investor, 15721
without receiving, directly or indirectly, a commission, fee, or 15722
other remuneration based on the sale of any securities by the 15723
issuer to the investor. Remuneration received by the person solely 15724
for the purpose of offsetting the reasonable out-of-pocket costs 15725
incurred by the person shall not be deemed a commission, fee, or 15726
other remuneration. 15727

Any person claiming exemption under this division for a 15728
publicly advertised meeting shall file a notice with the division 15729
of securities indicating an intent to cause or hold such a meeting 15730
at least twenty-one days prior to the meeting. The division may, 15731
upon receipt of such notice, issue an order denying the 15732
availability of an exemption under this division not more than 15733
fourteen days after receipt of the notice based on a finding that 15734
the applicant is not entitled to the exemption. Notwithstanding 15735
the notice described in this section, a failure to file the notice 15736
does not create a presumption that a person was participating in 15737
or aiding in the making of a sale or contract of sale in violation 15738
of this chapter. 15739

(C) Any person whom the division exempts from this provision 15740
by rule. 15741

Sec. 1707.44. (A)(1) No person shall engage in any act or 15742
practice that violates division (A), (B), or (C) of section 15743
1707.14 of the Revised Code, and no salesperson shall sell 15744
securities in this state without being licensed pursuant to 15745
section 1707.16 of the Revised Code. 15746

(2) No person shall engage in any act or practice that violates division (A) of section 1707.141 or section 1707.161 of the Revised Code.

(3) No person shall engage in any act or practice that violates section 1707.162 of the Revised Code.

(4) No person shall engage in any act or practice that violates section 1707.164 of the Revised Code.

(5) No person shall knowingly engage in any act or practice that violates division (A) of section 1707.054 or section 1707.055 of the Revised Code.

(B) No person shall knowingly make or cause to be made any false representation concerning a material and relevant fact, in any oral statement or in any prospectus, circular, description, application, or written statement, for any of the following purposes:

(1) Registering securities or transactions, or exempting securities or transactions from registration, under this chapter;

(2) Securing the qualification of any securities under this chapter;

(3) Procuring the licensing of any dealer, salesperson, investment adviser, investment adviser representative, bureau of workers' compensation chief investment officer, ~~or~~ state retirement system investment officer, or portal operator as defined in section 1707.05 of the Revised Code under this chapter;

(4) Selling any securities in this state;

(5) Advising for compensation, as to the value of securities or as to the advisability of investing in, purchasing, or selling securities;

(6) Submitting a notice filing to the division under division (X) of section 1707.03 or section 1707.092 or 1707.141 of the

Revised Code. 15777

(C) No person shall knowingly sell, cause to be sold, offer 15778
for sale, or cause to be offered for sale, any security which 15779
comes under any of the following descriptions: 15780

(1) Is not exempt under section 1707.02 of the Revised Code, 15781
nor the subject matter of one of the transactions exempted in 15782
section 1707.03, 1707.04, or 1707.34 of the Revised Code, has not 15783
been registered by coordination or qualification, and is not the 15784
subject matter of a transaction that has been registered by 15785
description; 15786

(2) The prescribed fees for registering by description, by 15787
coordination, or by qualification have not been paid in respect to 15788
such security; 15789

(3) The person has been notified by the division, or has 15790
knowledge of the notice, that the right to buy, sell, or deal in 15791
such security has been suspended or revoked, or that the 15792
registration by description, by coordination, or by qualification 15793
under which it may be sold has been suspended or revoked; 15794

(4) The offer or sale is accompanied by a statement that the 15795
security offered or sold has been or is to be in any manner 15796
indorsed by the division. 15797

(D) No person who is an officer, director, or trustee of, or 15798
a dealer, or portal operator for, any issuer, and who knows such 15799
issuer to be insolvent in that the liabilities of the issuer 15800
exceed its assets, shall sell any securities of or for any such 15801
issuer, without disclosing the fact of the insolvency to the 15802
purchaser. 15803

(E) No person with intent to aid in the sale of any 15804
securities on behalf of the issuer, shall knowingly make any 15805
representation not authorized by such issuer or at material 15806
variance with statements and documents filed with the division by 15807

such issuer. 15808

(F) No person, with intent to deceive, shall sell, cause to 15809
be sold, offer for sale, or cause to be offered for sale, any 15810
securities of an insolvent issuer, with knowledge that such issuer 15811
is insolvent in that the liabilities of the issuer exceed its 15812
assets, taken at their fair market value. 15813

(G) No person in purchasing or selling securities shall 15814
knowingly engage in any act or practice that is, in this chapter, 15815
declared illegal, defined as fraudulent, or prohibited. 15816

(H) No licensed dealer shall refuse to buy from, sell to, or 15817
trade with any person because the person appears on a blacklist 15818
issued by, or is being boycotted by, any foreign corporate or 15819
governmental entity, nor sell any securities of or for any issuer 15820
who is known in relation to the issuance or sale of the securities 15821
to have engaged in such practices. 15822

(I) No dealer in securities, knowing that the dealer's 15823
liabilities exceed the reasonable value of the dealer's assets, 15824
shall accept money or securities, except in payment of or as 15825
security for an existing debt, from a customer who is ignorant of 15826
the dealer's insolvency, and thereby cause the customer to lose 15827
any part of the customer's securities or the value of those 15828
securities, by doing either of the following without the 15829
customer's consent: 15830

(1) Pledging, selling, or otherwise disposing of such 15831
securities, when the dealer has no lien on or any special property 15832
in such securities; 15833

(2) Pledging such securities for more than the amount due, or 15834
otherwise disposing of such securities for the dealer's own 15835
benefit, when the dealer has a lien or indebtedness on such 15836
securities. 15837

It is an affirmative defense to a charge under this division 15838

that, at the time the securities involved were pledged, sold, or 15839
disposed of, the dealer had in the dealer's possession or control, 15840
and available for delivery, securities of the same kinds and in 15841
amounts sufficient to satisfy all customers entitled to the 15842
securities, upon demand and tender of any amount due on the 15843
securities. 15844

(J) No person, with purpose to deceive, shall make, issue, 15845
publish, or cause to be made, issued, or published any statement 15846
or advertisement as to the value of securities, or as to alleged 15847
facts affecting the value of securities, or as to the financial 15848
condition of any issuer of securities, when the person knows that 15849
the statement or advertisement is false in any material respect. 15850

(K) No person, with purpose to deceive, shall make, record, 15851
or publish or cause to be made, recorded, or published, a report 15852
of any transaction in securities which is false in any material 15853
respect. 15854

(L) No dealer shall engage in any act that violates the 15855
provisions of section 15(c) or 15(g) of the "Securities Exchange 15856
Act of 1934," 48 Stat. 881, 15 U.S.C.A. 78o(c) or (g), or any rule 15857
or regulation promulgated by the securities and exchange 15858
commission thereunder. 15859

(M)(1) No investment adviser or investment adviser 15860
representative shall do any of the following: 15861

(a) Employ any device, scheme, or artifice to defraud any 15862
person; 15863

(b) Engage in any act, practice, or course of business that 15864
operates or would operate as a fraud or deceit upon any person; 15865

(c) In acting as principal for the investment adviser's or 15866

any security to or purchase any security from a client, or in 15868

knowingly effect any sale or purchase of any security for the 15870
account of such client, without disclosing to the client in 15871
writing before the completion of the transaction the capacity in 15872
which the investment adviser or investment adviser representative 15873
is acting and obtaining the consent of the client to the 15874
transaction. Division (M)(1)(c) of this section does not apply to 15875
any investment adviser registered with the securities and exchange 15876
commission under section 203 of the "Investment Advisers Act of 15877
1940," 15 U.S.C. 80b-3, or to any transaction with a customer of a 15878
licensed dealer or salesperson if the licensed dealer or 15879
salesperson is not acting as an investment adviser or investment 15880
adviser representative in relation to the transaction. 15881

(d) Engage in any act, practice, or course of business that 15882
is fraudulent, deceptive, or manipulative. The division of 15883
securities may adopt rules reasonably designed to prevent acts, 15884
practices, or courses of business that are fraudulent, deceptive, 15885
or manipulative. 15886

(2) No investment adviser or investment adviser 15887
representative licensed or required to be licensed under this 15888
chapter shall take or have custody of any securities or funds of 15889
any person, except as provided in rules adopted by the division. 15890

(3) In the solicitation of clients or prospective clients, no 15891
person shall make any untrue statement of a material fact or omit 15892
to state a material fact necessary in order to make the statements 15893
made not misleading in light of the circumstances under which the 15894
statements were made. 15895

(N) No person knowingly shall influence, coerce, manipulate, 15896
or mislead any person engaged in the preparation, compilation, 15897

ride within the state shall, prior to the operation of the 16092
amusement ride and annually thereafter, submit to the department 16093
of agriculture an application for a permit, together with the 16094
appropriate permit and inspection fee, on a form to be furnished 16095
by the department. Prior to issuing any permit the department 16096

1711.54 of the Revised Code is on file with the department. 16107

(3) The director shall issue with each permit a decal 16108
indicating that the amusement ride has been issued the permit. The 16109

adopted under this division and for the classification of 16124
amusement rides and rules for the safe operation and inspection of 16125
all amusement rides as are necessary for amusement ride safety and 16126
for the protection of the general public. Rules adopted by the 16127
director for the safe operation and inspection of amusement rides 16128
shall be reasonable and based upon generally accepted engineering 16129
standards and practices. In adopting rules under this section, the 16130
director may adopt by reference, in whole or in part, the national 16131
fire code or the national electrical code (NEC) prepared by the 16132
national fire protection association, the standards of the 16133
American society for testing and materials (ASTM) or the American 16134
national standards institute (ANSI), or any other principles, 16135
tests, or standards of nationally recognized technical or 16136

with sections 1711.50 to 1711.57 of the Revised Code, rules 16138
adopted under this division shall be consistent with the rules of 16139
other states. The department shall cause sections 1711.50 to 16140
1711.57 of the Revised Code and the rules adopted in accordance 16141
with this division and division (B) of section 1711.551 of the 16142
Revised Code to be published in pamphlet form and a copy to be 16143
furnished without charge to each owner of an amusement ride who 16144
holds a current permit or is an applicant therefor. 16145

(C) With respect to an application for a permit for an 16146

amusement ride, an owner may apply to the director for a waiver or 16147
modification of any rule adopted under division (B) of this 16148
section if there are practical difficulties or unnecessary 16149
hardships for the amusement ride to comply with the rules. Any 16150
application shall set forth the reasons for the request. The 16151
director, with the approval of the advisory council on amusement 16152
ride safety, may waive or modify the application of a rule to any 16153
amusement ride if the public safety is secure. Any authorization 16154
by the director under this division shall be in writing and shall 16155
set forth the conditions under which the waiver or modification is 16156
authorized, and the department shall retain separate records of 16157
all proceedings under this division. 16158

(D)(1) The director shall employ and provide for training of 16159
a chief inspector and additional inspectors and employees as may 16160
be necessary to administer and enforce sections 1711.50 to 1711.57 16161
of the Revised Code. The director may appoint or contract with 16162
other persons to perform inspections of amusement rides, provided 16163
that the persons meet the qualifications for inspectors 16164
established by rules adopted under division (B) of this section 16165
and are not owners, or employees of owners, of any amusement ride 16166
subject to inspection under sections 1711.50 to 1711.57 of the 16167
Revised Code. No person shall inspect an amusement ride who, 16168
within six months prior to the date of inspection, was an employee 16169
of the owner of the ride. 16170

(2) Before the director contracts with other persons to 16171
inspect amusement rides, the director shall seek the advice of the 16172
advisory council on amusement ride safety on whether to contract 16173
with those persons. The advice shall not be binding upon the 16174
director. After having received the advice of the council, the 16175
director may proceed to contract with inspectors in accordance 16176
with the procedures specified in division (E)(2) of section 16177
1711.11 of the Revised Code. 16178

(3) With the advice and consent of the advisory council on 16179
amusement ride safety, the director may employ a special 16180
consultant to conduct an independent investigation of an amusement 16181
ride accident. This consultant need not be in the civil service of 16182
the state, but shall have qualifications to conduct the 16183
investigation acceptable to the council. 16184

(E)(1) Except as otherwise provided in division (E)(1) of 16185
this section, the department shall charge the following amusement 16186

The director shall adopt rules in accordance with Chapter 16203

119. of the Revised Code establishing an annual fee that is less 16204

than one hundred ~~five~~ fifty-four dollars for an inspection and 16205

reinspection of an inflatable ride. In adopting the rules, the 16206
director shall ensure that the fee reasonably reflects the costs 16207
of inspection and reinspection of an inflatable ride. If the 16208
director issues a permit for an inflatable ride for a time period 16209
of less than one year, the director shall charge a prorated fee 16210
for the permit equal to one-twelfth of the annual permit fee 16211
multiplied by the number of full months for which the permit is 16212
issued. 16213

The fees for an expedited inspection, failure to cancel a 16214
scheduled inspection, and failure to have an amusement ride ready 16215
for inspection do not apply to go karts. 16216

As used in division (E)(1) of this section, "expedited 16217
inspection" means an inspection of an amusement ride by the 16218
department not later than ten days after the owner of the 16219
amusement ride files an application for a permit under this 16220
section. 16221

(2) All fees and fines collected by the department under 16222
sections 1711.50 to 1711.57 of the Revised Code shall be deposited 16223
in the state treasury to the credit of the amusement ride 16224
inspection fund, which is hereby created, and shall be used only 16225
for the purpose of administering and enforcing sections 1711.11 16226
and 1711.50 to 1711.57 of the Revised Code. 16227

(3) The owner of an amusement ride shall be required to pay a 16228
reinspection fee only if the reinspection was conducted at the 16229
owner's request under division (F) of this section, if the 16230
reinspection is required by division (F) of this section because 16231
of an accident, or if the reinspection is required by division (F) 16232
of section 1711.55 of the Revised Code. If a reinspection is 16233
conducted at the request of the chief officer of a fair, festival, 16234
or event where the ride is operating, the reinspection fee shall 16235
be charged to the fair, festival, or event. 16236

(4) The rules adopted under division (B) of this section shall define "roller coaster," "aerial lifts," "go karts," and "other rides" for purposes of determining the fees under division (E) of this section. The rules shall define "other rides" to include go kart tracks.

(F) A reinspection of an amusement ride shall take place if an accident occurs, if the owner of the ride or the chief officer of the fair, festival, or event where the ride is operating requests a reinspection, or if the reinspection is required by division (F) of section 1711.55 of the Revised Code.

(G) As a supplement to its annual inspection of a temporary amusement ride, the department may inspect the ride during each scheduled event, as listed in the schedule of events provided to the department by the owner pursuant to division (C) of section 1711.55 of the Revised Code, at which the ride is operated in this state. These supplemental inspections are in addition to any other inspection or reinspection of the ride as may be required under sections 1711.50 to 1711.57 of the Revised Code, and the owner of the temporary amusement ride is not required to pay an inspection or reinspection fee for this supplemental inspection. Nothing in this division shall be construed to prohibit the owner of a temporary amusement ride having a valid permit to operate in this state from operating the ride at a scheduled event before the department conducts a supplemental inspection.

(H) The department may annually conduct a midseason operational inspection of every amusement ride upon which it conducts an annual inspection pursuant to division (A) of this section. The midseason operational inspection is in addition to any other inspection or reinspection of the amusement ride as may be required pursuant to sections 1711.50 to 1711.57 of the Revised Code. The owner of an amusement ride shall submit to the department, at the time determined by the department, the

midseason operational inspection fee specified in division (E) of 16269
this section. The director, in accordance with Chapter 119. of the 16270
Revised Code, shall adopt rules specifying the time period during 16271
which the department will conduct midseason operational 16272
inspections. 16273

Sec. 1711.532. Not later than November 1, 2019, and annually 16274
thereafter, the director of agriculture shall submit a detailed 16275
financial report to the speaker of the house of representatives 16276
and to the president of the senate that includes all of the 16277
following information applicable to the twelve months immediately 16278
preceding the report's submission: 16279

the Revised Code and any other revenue collected for the amusement 16281
ride safety program; 16282

(B) Expenses relating to the operation of the department of 16283
agriculture's amusement ride safety program established under 16284
sections 1711.50 to 1711.57 of the Revised Code; 16285

(C) Any proposed changes to the fee schedule established 16286
under section 1711.53 of the Revised Code that the director 16287
determines are necessary for purposes of issuing amusement ride 16288
permits and conducting amusement ride inspections and 16289
reinspections; 16290

(D) The amount expended from any appropriations made for the 16291
department of agriculture's amusement ride safety program; 16292

(E) Any additional revenue that the director determines is 16293
necessary to meet the expenses of the amusement ride safety 16294
program during the twelve months immediately following the 16295
submission of the report; 16296

(F) Any other information that the director determines is 16297
necessary to include in the report. 16298

credit, or any other financial instruments or securities, 16309
including the issuance of its bonds, debentures, notes, or other 16310
evidences of indebtedness, whether secured or unsecured, and to 16311
secure the same by mortgage, pledge, deed of trust, or other lien 16312
on its property, franchises, rights, and privileges of every kind 16313
and nature or any part thereof or interest therein; and 16314

(b) If the community improvement corporation is a county land 16315
reutilization corporation, the corporation may request, by 16316
resolution: 16317

(i) That the board of county commissioners of the county 16318
served by the corporation pledge a specifically identified source 16319

corporation; and 16322

(ii)(I) If the land subject to reutilization is located 16323
within an unincorporated area of the county, that the board of 16324
county commissioners issue notes under section 307.082 of the 16325
Revised Code for the purpose of constructing public infrastructure 16326
improvements and take other actions as the board determines are in 16327
the interest of the county and are authorized under sections 16328

5709.78 to 5709.81 of the Revised Code or bonds or notes under 16329
section 5709.81 of the Revised Code for the refunding purposes set 16330
forth in that section; or 16331

(II) If the land subject to reutilization is located within 16332
the corporate boundaries of a municipal corporation, that the 16333
municipal corporation issue bonds for the purpose of constructing 16334
public infrastructure improvements and take such other actions as 16335
the municipal corporation determines are in its interest and are 16336
authorized under sections 5709.40 to 5709.43 of the Revised Code. 16337

(2) To make loans to any person, firm, partnership, 16338

establish and regulate the terms and conditions with respect to 16340
any such loans; provided that an economic development corporation 16341
shall not approve any application for a loan unless and until the 16342
person applying for said loan shows that the person has applied 16343
for the loan through ordinary banking or commercial channels and 16344
that the loan has been refused by at least one bank or other 16345
financial institution. Nothing in this division shall preclude a 16346
county land reutilization corporation from making revolving loans 16347

time in the satisfaction of debts or enforcement of obligations, 16358
and to enter into contracts with third parties, including the 16359
federal government, the state, any political subdivision, or any 16360

other entity. A county land reutilization corporation shall not 16361
acquire an interest in real property if such acquisition causes 16362
the number of occupied real properties held by the corporation to 16363
exceed the greater of either fifty properties or twenty-five per 16364
cent of all real property held by the corporation for 16365
reutilization, reclamation, or rehabilitation. For the purposes of 16366
this division, "occupied real properties" includes all real 16367
properties that are not unoccupied as that term is defined in 16368
section 323.65 of the Revised Code. 16369

(4) To acquire the good will, business, rights, real and 16370

assembling and enhancing utilization of the real estate, or for 16381
the purpose of disposing of such real estate to others in whole or 16382
in part for the construction of industrial plants, other business 16383
establishments, or housing; and to acquire, reclaim, manage, 16384
contract for the management of, construct or reconstruct, alter, 16385

sublease, or otherwise dispose of industrial plants, business 16387
establishments, or housing. 16388

(5) To acquire, subscribe for, own, hold, sell, assign, 16389
transfer, mortgage, pledge, or otherwise dispose of the stock, 16390
shares, bonds, debentures, notes, or other securities and 16391
evidences of interest in, or indebtedness of, any person, firm, 16392

corporation, joint stock company, association, or trust, and while 16393
the owner or holder thereof, to exercise all the rights, powers, 16394
and privileges of ownership, including the right to vote therein, 16395

improvement corporation shall be used for such acquisition or 16397
subscription. 16398

(6) To mortgage, pledge, or otherwise encumber any property 16399
acquired pursuant to the powers contained in division (A)(3), (4), 16400
or (5) of this section. 16401

Revised Code. 16405

(8) To serve as an agent for grant applications and for the 16406
administration of grants, or to make applications as principal for 16407
grants for county land reutilization corporations. 16408

(9) To exercise the powers enumerated under Chapter 5722. of 16409
the Revised Code on behalf of a county that organizes or contracts 16410
with a county land reutilization corporation. 16411

assessment lien, or property for which a municipal corporation or 16416
township has contracted with a county land reutilization 16417
corporation to provide code enforcement or nuisance abatement 16418
assistance. 16419

(14) To be assigned a mortgage on real property from a mortgagee in lieu of acquiring such real property subject to a mortgage.

(15) To act as a portal operator for purposes of an OhioInvests offering under sections 1707.05 to 1707.058 of the Revised Code.

deposit for the filing of any civil action or proceeding and 16682
publication fees as provided in section 2701.09 of the Revised 16683
Code. The court shall waive the requirement for advance deposit 16684
for a party that the court determines qualifies as an indigent 16685
litigant as set forth in section 2323.311 of the Revised Code. 16686

(3) When a jury trial is demanded in any civil action or 16687
proceeding, the party making the demand may be required to make an 16688
advance deposit as fixed by rule of court, unless the court 16689
determines that the party qualifies as an indigent litigant as set 16690
forth in section 2323.311 of the Revised Code. If a jury is 16691
called, the fees of a jury shall be taxed as costs. 16692

part of the costs in a trial of the cause, in an amount that shall 16703
be fixed by rule of court. 16704

(6) Chattel property seized under any writ or process issued 16705
by the court shall be preserved pending final disposition for the 16706
benefit of all persons interested and may be placed in storage 16707
when necessary or proper for that preservation. The custodian of 16708
any chattel property so stored shall not be required to part with 16709
the possession of the property until a reasonable charge, to be 16710
fixed by the court, is paid. 16711

(7) The municipal court, as it determines, may refund all 16712
deposits and advance payments of fees and costs, including those 16713
for jurors and summoning jurors, when they have been paid by the 16714
losing party. 16715

(8) Charges for the publication of legal notices required by 16716
statute or order of court may be taxed as part of the costs, as 16717
provided by section 7.13 of the Revised Code. 16718

(B)(1)(a) The municipal court may determine that, for the 16719
efficient operation of the court, additional funds are necessary 16720
to acquire and pay for special projects of the court including, 16721

all other court costs, on the filing of each criminal cause, civil 16729
action or proceeding, or judgment by confession. 16730

(b) If the municipal court offers a special program or 16731
service in cases of a specific type, the municipal court by rule 16732

may assess an additional charge in a case of that type, over and 16733
above court costs, to cover the special program or service. The 16734
municipal court shall adjust the special assessment periodically, 16735
but not retroactively, so that the amount assessed in those cases 16736
does not exceed the actual cost of providing the service or 16737
program. 16738

(c) Any fee or charge assessed under division (B)(1)(a) or 16739
(b) of this section on the filing of a civil action or proceeding 16740
shall be waived if the court determines that the person on whom 16741
the fee or charge is assessed qualifies as an indigent litigant as 16742
set forth in section 2323.311 of the Revised Code. 16743

(d) All moneys collected under division (B) of this section 16744
shall be paid to the county treasurer if the court is a 16745
county-operated municipal court or to the city treasurer if the 16746
court is not a county-operated municipal court for deposit into 16747
either a general special projects fund or a fund established for a 16748
specific special project. Moneys from a fund of that nature shall 16749
be disbursed upon an order of the court in an amount no greater 16750
than the actual cost to the court of a project. If a specific fund 16751
is terminated because of the discontinuance of a program or 16752
service established under division (B) of this section, the 16753
municipal court may order that moneys remaining in the fund be 16754
transferred to an account established under this division for a 16755
similar purpose. 16756

division shall be in addition to any other court costs imposed in 16784
the action or proceeding and shall be collected at the time of the 16785
filing of the action or proceeding. The court shall not waive the 16786
payment of the additional filing fees in a new civil action or 16787

filing fees in the action or proceeding for the party that the 16789
court determines is qualified as an indigent litigant as set forth 16790
in section 2323.311 of the Revised Code. All such moneys collected 16791

16879
16880
16881
16882
16883

(2) The county court by rule may require an advance deposit for the filing of a civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. The court shall waive an advance deposit requirement for a party that the court determines qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code. 16884
16885
16886
16887
16888
16889

(3) When a party demands a jury trial in a civil action or proceeding, the county court may require the party to make an advance deposit as fixed by rule of court, unless the court determines that the party qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code. If a jury is called, the county court shall tax the fees of a jury as costs.

(4) In a civil or criminal action or proceeding, the county court shall fix the fees of witnesses in accordance with sections 2335.06 and 2335.08 of the Revised Code.

(5) A county court may tax as part of the costs in a trial of the cause, in an amount fixed by rule of court, a reasonable charge for driving, towing, carting, storing, keeping, and preserving motor vehicles and other personal property recovered or seized in a proceeding.

(6) The court shall preserve chattel property seized under a writ or process issued by the court pending final disposition for the benefit of all interested persons. The court may place the chattel property in storage when necessary or proper for its preservation. The custodian of chattel property so stored shall not be required to part with the possession of the property until a reasonable charge, to be fixed by the court, is paid.

(7) The county court, as it determines, may refund all deposits and advance payments of fees and costs, including those for jurors and summoning jurors, when they have been paid by the losing party.

(8) The court may tax as part of costs charges for the publication of legal notices required by statute or order of court, as provided by section 7.13 of the Revised Code.

action or proceeding, or judgment by confession. 16929

(b) If the county court offers a special program or service 16930
in cases of a specific type, the county court by rule may assess 16931

shall adjust the special assessment periodically, but not 16934
retroactively, so that the amount assessed in those cases does not 16935
exceed the actual cost of providing the service or program. 16936

(c) Any fee or charge assessed under division (B)(1)(a) or 16937
(b) of this section on the filing of a civil action or proceeding 16938
shall be waived if the court determines that the person on whom 16939
the fee or charge is assessed qualifies as an indigent litigant as 16940

(d) All moneys collected under division (B) of this section 16942
shall be paid to the county treasurer for deposit into either a 16943
general special projects fund or a fund established for a specific 16944
special project. Moneys from a fund of that nature shall be 16945
disbursed upon an order of the court in an amount no greater than 16946
the actual cost to the court of a project. If a specific fund is 16947
terminated because of the discontinuance of a program or service 16948
established under division (B) of this section, the county court 16949
may order that moneys remaining in the fund be transferred to an 16950
account established under this division for a similar purpose. 16951

The filing fees required to be collected under this division shall be in addition to any other court costs imposed in the action or proceeding and shall be collected at the time of the filing of the action or proceeding. The court shall not waive the payment of the additional filing fees in a new civil action or proceeding unless the court waives

the advanced payment of all filing fees in the action or 16985
proceeding for the party that the court determines is qualified as 16986
an indigent litigant as set forth in section 2323.311 of the 16987
Revised Code. All such moneys collected during a month except for 16988
an amount equal to up to one per cent of those moneys retained to 16989
cover administrative costs shall be transmitted on or before the 16990
twentieth day of the following month by the clerk of the court to 16991

collects under this division to cover administrative costs, 17001
including the hiring of any additional personnel necessary to 17002

treasurer of state the moneys the court collects under this 17004
division in a manner prescribed by the treasurer of state or by 17005
the Ohio ~~legal assistance~~ access to justice foundation, the court 17006
shall forfeit the moneys the court retains under this division to 17007
cover administrative costs, including the hiring of any additional 17008
personnel necessary to implement this division, and shall transmit 17009
to the treasurer of state all moneys collected under this 17010
division, including the forfeited amount retained for 17011
administrative costs, for deposit in the legal aid fund. 17012

(D) The county court shall establish by rule a schedule of 17013
fees for miscellaneous services performed by the county court or 17014
any of its judges in accordance with law. If judges of the court 17015
of common pleas perform similar services, the fees prescribed in 17016

the schedule shall not exceed the fees for those services 17017
prescribed by the court of common pleas. 17018

(E) Under the circumstances described in sections 2969.21 to 17019
2969.27 of the Revised Code, the clerk of the county court shall 17020

Code. 17164

(2) The juvenile court shall exercise its jurisdiction in 17165

The court to which the case is transferred for criminal prosecution pursuant to that section has jurisdiction subsequent to the transfer to hear and determine the case in the same manner as if the case originally had been commenced in that court, subject to section 2152.121 of the Revised Code, including, but not limited to, jurisdiction to accept a plea of guilty or another plea authorized by Criminal Rule 11 or another section of the Revised Code and jurisdiction to accept a verdict and to enter a judgment of conviction pursuant to the Rules of Criminal Procedure against the child for the commission of the offense that was the basis of the transfer of the case for criminal prosecution, whether the conviction is for the same degree or a lesser degree of the offense charged, for the commission of a lesser-included offense, or for the commission of another offense that is different from the offense charged.

(I) If a person under eighteen years of age allegedly commits an act that would be a felony if committed by an adult and if the person is not taken into custody or apprehended for that act until after the person attains twenty-one years of age, the juvenile court does not have jurisdiction to hear or determine any portion of the case charging the person with committing that act. In those circumstances, divisions (A) and (B) of section 2152.12 of the Revised Code do not apply regarding the act, and the case charging the person with committing the act shall be a criminal prosecution commenced and heard in the appropriate court having jurisdiction of the offense as if the person had been eighteen years of age or older when the person committed the act. All proceedings pertaining to the act shall be within the jurisdiction of the court having jurisdiction of the offense, and that court has all the authority and duties in the case that it has in other criminal cases in that court.

(J) In exercising its exclusive original jurisdiction under division (A)(16) of this section with respect to any proceedings brought under section 2151.34 or 3113.31 of the Revised Code in which the respondent is a child, the juvenile court retains all dispositional powers consistent with existing rules of juvenile procedure and may also exercise its discretion to adjudicate proceedings as provided in sections 2151.34 and 3113.31 of the Revised Code, including the issuance of protection orders or the approval of consent agreements under those sections.

(3) Award legal custody of the child to either parent or to any other person who, prior to the dispositional hearing, files a motion requesting legal custody of the child or is identified as a proposed legal custodian in a complaint or motion filed prior to the dispositional hearing by any party to the proceedings. A person identified in a complaint or motion filed by a party to the proceedings as a proposed legal custodian shall be awarded legal custody of the child only if the person identified signs a statement of understanding for legal custody that contains at least the following provisions:	17240 17241 17242 17243 17244 17245 17246 17247 17248 17249
(a) That it is the intent of the person to become the legal custodian of the child and the person is able to assume legal responsibility for the care and supervision of the child;	17250 17251 17252
(b) That the person understands that legal custody of the child in question is intended to be permanent in nature and that the person will be responsible as the custodian for the child until the child reaches the age of majority. Responsibility as custodian for the child shall continue beyond the age of majority if, at the time the child reaches the age of majority, the child is pursuing a diploma granted by the board of education or other governing authority, successful completion of the curriculum of any high school, successful completion of an individualized education program developed for the student by any high school, or	17253 17254 17255 17256 17257 17258 17259 17260 17261 17262

an age and schooling certificate. Responsibility beyond the age of 17263
majority shall terminate when the child ceases to continuously 17264
pursue such an education, completes such an education, or is 17265
excused from such an education under standards adopted by the 17266
state board of education, whichever occurs first. 17267

(c) That the parents of the child have residual parental 17268
rights, privileges, and responsibilities, including, but not 17269
limited to, the privilege of reasonable visitation, consent to 17270
adoption, the privilege to determine the child's religious 17271
affiliation, and the responsibility for support; 17272

(d) That the person understands that the person must be 17273
present in court for the dispositional hearing in order to affirm 17274
the person's intention to become legal custodian, to affirm that 17275
the person understands the effect of the custodianship before the 17276
court, and to answer any questions that the court or any parties 17277
to the case may have. 17278

(4) Commit the child to the permanent custody of a public 17279
children services agency or private child placing agency, if the 17280
court determines in accordance with division (E) of section 17281
2151.414 of the Revised Code that the child cannot be placed with 17282
one of the child's parents within a reasonable time or should not 17283
be placed with either parent and determines in accordance with 17284
division (D)(1) of section 2151.414 of the Revised Code that the 17285
permanent commitment is in the best interest of the child. If the 17286
court grants permanent custody under this division, the court, 17287
upon the request of any party, shall file a written opinion 17288
setting forth its findings of fact and conclusions of law in 17289
relation to the proceeding. 17290

(5) Place the child in a planned permanent living arrangement 17291
with a public children services agency or private child placing 17292
agency, if a public children services agency or private child 17293
placing agency requests the court to place the child in a planned 17294

permanent living arrangement and if the court finds, by clear and 17295
convincing evidence, that a planned permanent living arrangement 17296
is in the best interest of the child, that the child is sixteen 17297
years of age or older, and that one of the following exists: 17298

section 2151.03 of the Revised Code, or who is the parent, 17318
guardian, or custodian of a child who is adjudicated a dependent 17319
child and order any person not to have contact with the child or 17320

an order for permanent custody permanently divests them of their 17359
parental rights, a full explanation that an adjudication that the 17360
child is an abused, neglected, or dependent child may result in an 17361
order of temporary custody that will cause the removal of the 17362
child from their legal custody until the court terminates the 17363
order of temporary custody or permanently divests the parents of 17364
their parental rights, or a full explanation that the granting of 17365

the removal of the child from their legal custody if any of the 17367
conditions listed in divisions (A)(5)(a) to (c) of this section 17368
are found to exist, and the summons served on the parents contains 17369
a full explanation of their right to be represented by counsel and 17370
to have counsel appointed pursuant to Chapter 120. of the Revised 17371
Code if they are indigent. 17372

If after making disposition as authorized by division (A)(2) 17373

conduct of any person which conduct would not be in the best 17390
interest of the child. 17391

(E) As part of its dispositional order, the court shall 17392
journalize a case plan for the child. The journalized case plan 17393

Revised Code. 17395

(F)(1) The court shall retain jurisdiction over any child for 17396

years if the child is mentally retarded, developmentally disabled, 17402
or physically impaired, or the child is adopted and a final decree 17403
of adoption is issued, except that the court may retain 17404
jurisdiction over the child and continue any order of disposition 17405
under division (A) of this section or under section 2151.414 or 17406
2151.415 of the Revised Code for a specified period of time to 17407
enable the child to graduate from high school or vocational 17408

any order of disposition issued pursuant to division (A) of this 17421
section or section 2151.414 or 2151.415 of the Revised Code. The 17422
court shall hold a hearing upon the motion as if the hearing were 17423
the original dispositional hearing and shall give all parties to 17424
the action and the guardian ad litem notice of the hearing 17425

comply with section 2151.42 of the Revised Code. 17427

(G) Any temporary custody order issued pursuant to division 17428
(A) of this section shall terminate one year after the earlier of 17429
the date on which the complaint in the case was filed or the child 17430
was first placed into shelter care, except that, upon the filing 17431
of a motion pursuant to section 2151.415 of the Revised Code, the 17432
temporary custody order shall continue and not terminate until the 17433
court issues a dispositional order under that section. In 17434
resolving the motion, the court shall not order an existing 17435
temporary custody order to continue beyond two years after the 17436
date on which the complaint was filed or the child was first 17437

whether any extensions have been previously ordered pursuant to 17439
division (D) of section 2151.415 of the Revised Code. 17440

requests extension or termination of the order, the court shall 17454
notify the parties that the court will extend the order for six 17455
months or terminate it and that it may do so without a hearing 17456
unless one of the parties requests a hearing. All parties and the 17457
guardian ad litem shall have seven days from the date a notice is 17458

parties and the guardian ad litem. At the hearing, the court shall 17465
determine whether extension or termination of the order is in the 17466
child's best interest. If termination is in the child's best 17467
interest, the court shall terminate the order. If extension is in 17468
the child's best interest, the court shall extend the order for 17469
six months. 17470

(b) If it does not receive a timely request for a hearing, 17471
the court may extend the order for six months or terminate it 17472
without a hearing and shall journalize the order of extension or 17473
termination not later than fourteen days after receiving the 17474
request for extension or termination or after the date the court 17475
notifies the parties that it will extend or terminate the order. 17476
If the court does not extend or terminate the order, it shall 17477
schedule a hearing to be held no later than thirty days after the 17478
expiration of the applicable fourteen-day time period and give 17479
notice of the date, time, and location of the hearing to all 17480
parties and the child's guardian ad litem. At the hearing, the 17481
court shall determine whether extension or termination of the 17482
order is in the child's best interest. If termination is in the 17483
child's best interest, the court shall terminate the order. If 17484

extension is in the child's best interest, the court shall issue 17485
an order extending the order for protective supervision six 17486
months. 17487

(2) If the court grants an extension of the order for 17488
protective supervision pursuant to division (H)(1) of this 17489
section, a party may, prior to termination of the extension, file 17490
with the court a request for an additional extension of six months 17491
or for termination of the order. The court and the parties shall 17492
comply with division (H)(1) of this section with respect to 17493
extending or terminating the order. 17494

(3) If a court grants an extension pursuant to division 17495
(H)(2) of this section, the court shall terminate the order for 17496
protective supervision at the end of the extension. 17497

(I) The court shall not issue a dispositional order pursuant 17498
to division (A) of this section that removes a child from the 17499
child's home unless the court complies with section 2151.419 of 17500
the Revised Code and includes in the dispositional order the 17501
findings of fact required by that section. 17502

(J) If a motion or application for an order described in 17503
division (A)(6) of this section is made, the court shall not issue 17504

applicable, to have occurred or of the threat of injury, abuse, or 17721
neglect that is known or reasonably suspected or believed, as 17722
applicable, to exist. 17723

(D)(1) Any person, who is required by division (A) of this 17724
section to report child abuse or child neglect that is known or 17725
reasonably suspected or believed to have occurred, may take or 17726
cause to be taken color photographs of areas of trauma visible on 17727
a child and, if medically necessary for the purpose of diagnosing 17728
or treating injuries that are suspected to have occurred as a 17729
result of child abuse or child neglect, perform or cause to be 17730
performed radiological examinations and any other medical 17731
examinations of, and tests or procedures on, the child. 17732

(2) The results and any available reports of examinations, 17733
tests, or procedures made under division (D)(1) of this section 17734

shall be included in a report made pursuant to division (A) of 17735
this section. Any additional reports of examinations, tests, or 17736
procedures that become available shall be provided to the public 17737
children services agency, upon request. 17738

(3) If a health care professional provides health care 17739
services in a hospital, children's advocacy center, or emergency 17740
medical facility to a child about whom a report has been made 17741
under division (A) of this section, the health care professional 17742
may take any steps that are reasonably necessary for the release 17743
or discharge of the child to an appropriate environment. Before 17744
the child's release or discharge, the health care professional may 17745
obtain information, or consider information obtained, from other 17746
entities or individuals that have knowledge about the child. 17747
Nothing in division (D)(3) of this section shall be construed to 17748
alter the responsibilities of any person under sections 2151.27 17749
and 2151.31 of the Revised Code. 17750

(4) A health care professional may conduct medical 17751
examinations, tests, or procedures on the siblings of a child 17752
about whom a report has been made under division (A) of this 17753
section and on other children who reside in the same home as the 17754
child, if the professional determines that the examinations, 17755
tests, or procedures are medically necessary to diagnose or treat 17756
the siblings or other children in order to determine whether 17757
reports under division (A) of this section are warranted with 17758
respect to such siblings or other children. The results of the 17759
examinations, tests, or procedures on the siblings and other 17760
children may be included in a report made pursuant to division (A) 17761
of this section. 17762

(5) Medical examinations, tests, or procedures conducted 17763
under divisions (D)(1) and (4) of this section and decisions 17764
regarding the release or discharge of a child under division 17765
(D)(3) of this section do not constitute a law enforcement 17766

investigation or activity. 17767

(E)(1) When a peace officer receives a report made pursuant 17768
to division (A) or (B) of this section, upon receipt of the 17769
report, the peace officer who receives the report shall refer the 17770
report to the appropriate public children services agency, unless 17771
an arrest is made at the time of the report that results in the 17772
appropriate public children services agency being contacted 17773
concerning the possible abuse or neglect of a child or the 17774
possible threat of abuse or neglect of a child. 17775

(2) When a public children services agency receives a report 17776
pursuant to this division or division (A) or (B) of this section, 17777
upon receipt of the report, the public children services agency 17778
shall do both of the following: 17779

(a) Comply with section 2151.422 of the Revised Code; 17780

(b) If the county served by the agency is also served by a 17781
children's advocacy center and the report alleges sexual abuse of 17782
a child or another type of abuse of a child that is specified in 17783
the memorandum of understanding that creates the center as being 17784
within the center's jurisdiction, comply regarding the report with 17785
the protocol and procedures for referrals and investigations, with 17786
the coordinating activities, and with the authority or 17787
responsibility for performing or providing functions, activities, 17788
and services stipulated in the interagency agreement entered into 17789
under section 2151.428 of the Revised Code relative to that 17790
center. 17791

(F) No peace officer shall remove a child about whom a report 17792
is made pursuant to this section from the child's parents, 17793
stepparents, or guardian or any other persons having custody of 17794
the child without consultation with the public children services 17795
agency, unless, in the judgment of the officer, and, if the report 17796
was made by physician, the physician, immediate removal is 17797

considered essential to protect the child from further abuse or 17798
neglect. The agency that must be consulted shall be the agency 17799
conducting the investigation of the report as determined pursuant 17800
to section 2151.422 of the Revised Code. 17801

(G)(1) Except as provided in section 2151.422 of the Revised 17802
Code or in an interagency agreement entered into under section 17803
2151.428 of the Revised Code that applies to the particular 17804
report, the public children services agency shall investigate, 17805
within twenty-four hours, each report of child abuse or child 17806
neglect that is known or reasonably suspected or believed to have 17807
occurred and of a threat of child abuse or child neglect that is 17808
known or reasonably suspected or believed to exist that is 17809
referred to it under this section to determine the circumstances 17810
surrounding the injuries, abuse, or neglect or the threat of 17811
injury, abuse, or neglect, the cause of the injuries, abuse, 17812
neglect, or threat, and the person or persons responsible. The 17813
investigation shall be made in cooperation with the law 17814
enforcement agency and in accordance with the memorandum of 17815
understanding prepared under division (K) of this section. A 17816
representative of the public children services agency shall, at 17817
the time of initial contact with the person subject to the 17818
investigation, inform the person of the specific complaints or 17819
allegations made against the person. The information shall be 17820
given in a manner that is consistent with division (I)(1) of this 17821
section and protects the rights of the person making the report 17822
under this section. 17823

A failure to make the investigation in accordance with the 17824
memorandum is not grounds for, and shall not result in, the 17825
dismissal of any charges or complaint arising from the report or 17826
the suppression of any evidence obtained as a result of the report 17827
and does not give, and shall not be construed as giving, any 17828
rights or any grounds for appeal or post-conviction relief to any 17829

person. The public children services agency shall report each case 17830
to the uniform statewide automated child welfare information 17831
system that the department of job and family services shall 17832
maintain in accordance with section 5101.13 of the Revised Code. 17833
The public children services agency shall submit a report of its 17834
investigation, in writing, to the law enforcement agency. 17835

(2) The public children services agency shall make any 17836
recommendations to the county prosecuting attorney or city 17837
director of law that it considers necessary to protect any 17838
children that are brought to its attention. 17839

(H)(1)(a) Except as provided in divisions (H)(1)(b) and 17840
(I)(3) of this section, any person, health care professional, 17841
hospital, institution, school, health department, or agency shall 17842
be immune from any civil or criminal liability for injury, death, 17843
or loss to person or property that otherwise might be incurred or 17844
imposed as a result of any of the following: 17845

division (A) of this section or in the making of reports in good 17847
faith, pursuant to division (B) of this section; 17848

(ii) Participating in medical examinations, tests, or 17849

report made pursuant to division (A) of this section or 17856
participating in good faith in a proceeding resulting from a 17857
report made pursuant to division (B) of this section. 17858

(b) Immunity under division (H)(1)(a)(ii) of this section 17859
shall not apply when a health care provider has deviated from the 17860

standard of care applicable to the provider's profession. 17861

(c) Notwithstanding section 4731.22 of the Revised Code, the 17862
physician-patient privilege shall not be a ground for excluding 17863
evidence regarding a child's injuries, abuse, or neglect, or the 17864
cause of the injuries, abuse, or neglect in any judicial 17865
proceeding resulting from a report submitted pursuant to this 17866
section. 17867

(2) In any civil or criminal action or proceeding in which it 17868
is alleged and proved that participation in the making of a report 17869
under this section was not in good faith or participation in a 17870
judicial proceeding resulting from a report made under this 17871
section was not in good faith, the court shall award the 17872
prevailing party reasonable attorney's fees and costs and, if a 17873
civil action or proceeding is voluntarily dismissed, may award 17874
reasonable attorney's fees and costs to the party against whom the 17875
civil action or proceeding is brought. 17876

(I)(1) Except as provided in divisions (I)(4) and (O) of this 17877
section, a report made under this section is confidential. The 17878
information provided in a report made pursuant to this section and 17879
the name of the person who made the report shall not be released 17880
for use, and shall not be used, as evidence in any civil action or 17881
proceeding brought against the person who made the report. Nothing 17882
in this division shall preclude the use of reports of other 17883
incidents of known or suspected abuse or neglect in a civil action 17884
or proceeding brought pursuant to division (N) of this section 17885
against a person who is alleged to have violated division (A)(1) 17886
of this section, provided that any information in a report that 17887
would identify the child who is the subject of the report or the 17888
maker of the report, if the maker of the report is not the 17889
defendant or an agent or employee of the defendant, has been 17890
redacted. In a criminal proceeding, the report is admissible in 17891
evidence in accordance with the Rules of Evidence and is subject 17892

to discovery in accordance with the Rules of Criminal Procedure. 17893

(2)(a) Except as provided in division (I)(2)(b) of this 17894
section, no person shall permit or encourage the unauthorized 17895
dissemination of the contents of any report made under this 17896
section. 17897

(b) A health care professional that obtains the same 17898
information contained in a report made under this section from a 17899
source other than the report may disseminate the information, if 17900
its dissemination is otherwise permitted by law. 17901

(3) A person who knowingly makes or causes another person to 17902
make a false report under division (B) of this section that 17903
alleges that any person has committed an act or omission that 17904
resulted in a child being an abused child or a neglected child is 17905
guilty of a violation of section 2921.14 of the Revised Code. 17906

(4) If a report is made pursuant to division (A) or (B) of 17907
this section and the child who is the subject of the report dies 17908
for any reason at any time after the report is made, but before 17909
the child attains eighteen years of age, the public children 17910
services agency or peace officer to which the report was made or 17911
referred, on the request of the child fatality review board or the 17912
director of health pursuant to guidelines established under 17913
section 3701.70 of the Revised Code, shall submit a summary sheet 17914
of information providing a summary of the report to the review 17915
board of the county in which the deceased child resided at the 17916
time of death or to the director. On the request of the review 17917
board or director, the agency or peace officer may, at its 17918
discretion, make the report available to the review board or 17919
director. If the county served by the public children services 17920
agency is also served by a children's advocacy center and the 17921
report of alleged sexual abuse of a child or another type of abuse 17922
of a child is specified in the memorandum of understanding that 17923
creates the center as being within the center's jurisdiction, the 17924

agency or center shall perform the duties and functions specified 17925
in this division in accordance with the interagency agreement 17926
entered into under section 2151.428 of the Revised Code relative 17927
to that advocacy center. 17928

(5) A public children services agency shall advise a person 17929
alleged to have inflicted abuse or neglect on a child who is the 17930
subject of a report made pursuant to this section, including a 17931
report alleging sexual abuse of a child or another type of abuse 17932
of a child referred to a children's advocacy center pursuant to an 17933
interagency agreement entered into under section 2151.428 of the 17934
Revised Code, in writing of the disposition of the investigation. 17935
The agency shall not provide to the person any information that 17936
identifies the person who made the report, statements of 17937
witnesses, or police or other investigative reports. 17938

(J) Any report that is required by this section, other than a 17939
report that is made to the state highway patrol as described in 17940
section 5120.173 of the Revised Code, shall result in protective 17941
services and emergency supportive services being made available by 17942
the public children services agency on behalf of the children 17943
about whom the report is made, in an effort to prevent further 17944
neglect or abuse, to enhance their welfare, and, whenever 17945
possible, to preserve the family unit intact. The agency required 17946
to provide the services shall be the agency conducting the 17947

representative; 17955

(b) If there is more than one juvenile judge in the county, a juvenile judge or the juvenile judges' representative selected by the juvenile judges or, if they are unable to do so for any reason, the juvenile judge who is senior in point of service or the senior juvenile judge's representative;

(2) A memorandum of understanding shall set forth the normal operating procedure to be employed by all concerned officials in the execution of their respective responsibilities under this section and division (C) of section 2919.21, division (B)(1) of section 2919.22, division (B) of section 2919.23, and section 2919.24 of the Revised Code and shall have as two of its primary goals the elimination of all unnecessary interviews of children who are the subject of reports made pursuant to division (A) or (B) of this section and, when feasible, providing for only one interview of a child who is the subject of any report made pursuant to division (A) or (B) of this section. A failure to

follow the procedure set forth in the memorandum by the concerned 17986
officials is not grounds for, and shall not result in, the 17987
dismissal of any charges or complaint arising from any reported 17988
case of abuse or neglect or the suppression of any evidence 17989
obtained as a result of any reported child abuse or child neglect 17990
and does not give, and shall not be construed as giving, any 17991
rights or any grounds for appeal or post-conviction relief to any 17992
person. 17993

(3) A memorandum of understanding shall include all of the 17994
following: 17995

(a) The roles and responsibilities for handling emergency and 17996
nonemergency cases of abuse and neglect; 17997

who is the subject of the report and who allegedly was abused or 18004
neglected. 18005

(4) If a public children services agency participated in the 18006
execution of a memorandum of understanding under section 2151.426 18007
of the Revised Code establishing a children's advocacy center, the 18008
agency shall incorporate the contents of that memorandum in the 18009
memorandum prepared pursuant to this section. 18010

understanding, the clerk shall execute all relevant 18014
responsibilities as required of officials specified in the 18015
memorandum. 18016

When a peace officer or employee of a public children services agency receives a report pursuant to division (A) or (B) of this section the recipient of the report shall inform the person of the right to request the information described in division (L)(1) of this section. The recipient of the report shall include in the initial child abuse or child neglect report that the person making the report was so informed and, if provided at

the time of the making of the report, shall include the person's 18048
name, address, and telephone number in the report. 18049

(4) If an agency other than the agency that received or was 18061
referred the report is conducting the investigation of the report 18062

conducting the investigation shall comply with the requirements of 18064
division (L) of this section. 18065

(5) A health care professional who made a report under 18066
division (A) of this section, or on whose behalf such a report was 18067
made as provided in division (A)(1)(c) of this section, may 18068
authorize a person to obtain the information described in division 18069
(L)(1) of this section if the person requesting the information is 18070
associated with or acting on behalf of the health care 18071
professional who provided health care services to the child about 18072
whom the report was made. 18073

(M) The director of job and family services shall adopt rules 18074
in accordance with Chapter 119. of the Revised Code to implement 18075
this section. The department of job and family services may enter 18076
into a plan of cooperation with any other governmental entity to 18077

for compensatory and exemplary damages to the child who would have 18083
been the subject of the report that was not made. A person who 18084
brings a civil action or proceeding pursuant to this division 18085
against a person who is alleged to have violated division (A)(1) 18086
of this section may use in the action or proceeding reports of 18087
other incidents of known or suspected abuse or neglect, provided 18088
that any information in a report that would identify the child who 18089
is the subject of the report or the maker of the report, if the 18090
maker is not the defendant or an agent or employee of the 18091
defendant, has been redacted. 18092

(B)(1) The court of common pleas of any county may determine 18579
that, for the efficient operation of the court, additional funds 18580

the office of the clerk of the court of common pleas and, upon 18582
that determination, authorize and direct the clerk of the court of 18583
common pleas to charge an additional fee, not to exceed twenty 18584
dollars, on the filing of each cause of action or appeal, on the 18585
filing, docketing, and endorsing of each certificate of judgment, 18586

court of common pleas and subject to appropriation by the board of 18595
county commissioners, in an amount no greater than the actual cost 18596
to the court of procuring and maintaining technology and computer 18597
systems for the office of the clerk of the court of common pleas. 18598

determination described in division (B)(1) of this section, the 18600
board of county commissioners of that county may issue one or more 18601
general obligation bonds for the purpose of procuring and 18602
maintaining the technology and computer systems for the office of 18603
the clerk of the court of common pleas. In addition to the 18604
purposes stated in division (B)(1) of this section for which the 18605
moneys collected under that division may be expended, the moneys 18606
additionally may be expended to pay debt charges on and financing 18607

proceeding and shall be collected at the time of the filing of the 18627
action or proceeding. The court shall not waive the payment of the 18628
additional filing fees in a new civil action or proceeding unless 18629
the court waives the advanced payment of all filing fees in the 18630
action or proceeding. All such moneys collected during a month 18631
except for an amount equal to up to one per cent of those moneys 18632
retained to cover administrative costs shall be transmitted on or 18633

the Revised Code and ninety-six per cent of the funds collected 18640
under this division to the credit of the legal aid fund 18641
established under section 120.52 of the Revised Code. 18642

The court may retain up to one per cent of the moneys it 18643
collects under this division to cover administrative costs, 18644

including the hiring of any additional personnel necessary to 18645

the Ohio ~~legal assistance~~ access to justice foundation, the court 18649

to the treasurer of state all moneys collected under this 18653
division, including the forfeited amount retained for 18654
administrative costs, for deposit in the legal aid fund. 18655

(D) On and after the thirtieth day after December 9, 1994, 18656
the court of common pleas shall collect the sum of thirty-two 18657
dollars as additional filing fees in each new action or proceeding 18658
for annulment, divorce, or dissolution of marriage for the purpose 18659

required to be collected under this division shall be in addition 18662
to any other filing fees imposed in the action or proceeding and 18663

proceeding. The court shall not waive the payment of the 18665
additional filing fees in a new action or proceeding for 18666
annulment, divorce, or dissolution of marriage unless the court 18667
waives the advanced payment of all filing fees in the action or 18668
proceeding. On or before the twentieth day of each month, all 18669
moneys collected during the immediately preceding month pursuant 18670
to this division shall be deposited by the clerk of the court into 18671
the county treasury in the special fund used for deposit of 18672
additional marriage license fees as described in section 3113.34 18673

The court shall adjust the special assessment periodically, but not retroactively, so that the amount assessed in those cases does not exceed the actual cost of providing the service or program.

All moneys collected under division (E) of this section shall be paid to the county treasurer for deposit into either a general special projects fund or a fund established for a specific special project. Moneys from a fund of that nature shall be disbursed upon an order of the court, subject to an appropriation by the board of county commissioners, in an amount no greater than the actual cost to the court of a project. If a specific fund is terminated because of the discontinuance of a program or service established under division (E) of this section, the court may order, subject to an appropriation by the board of county commissioners, that moneys remaining in the fund be transferred to an account established under this division for a similar purpose.

control sanctions that are available for persons sentenced by the 19927

probation officer. 19937

(2) If division (B)(1) of this section does not apply, except 19938
as provided in division (E), (F), or (G) of this section, in 19939
determining whether to impose a prison term as a sanction for a 19940
felony of the fourth or fifth degree, the sentencing court shall 19941
comply with the purposes and principles of sentencing under 19942
section 2929.11 of the Revised Code and with section 2929.12 of 19943
the Revised Code. 19944

(C) Except as provided in division (D), (E), (F), or (G) of 19945
this section, in determining whether to impose a prison term as a 19946
sanction for a felony of the third degree or a felony drug offense 19947
that is a violation of a provision of Chapter 2925. of the Revised 19948
Code and that is specified as being subject to this division for 19949
purposes of sentencing, the sentencing court shall comply with the 19950
purposes and principles of sentencing under section 2929.11 of the 19951
Revised Code and with section 2929.12 of the Revised Code. 19952

(D)(1) Except as provided in division (E) or (F) of this 19953
section, for a felony of the first or second degree, for a felony 19954
drug offense that is a violation of any provision of Chapter 19955
2925., 3719., or 4729. of the Revised Code for which a presumption 19956
in favor of a prison term is specified as being applicable, and 19957
for a violation of division (A)(4) or (B) of section 2907.05 of 19958
the Revised Code for which a presumption in favor of a prison term 19959
is specified as being applicable, it is presumed that a prison 19960
term is necessary in order to comply with the purposes and 19961
principles of sentencing under section 2929.11 of the Revised 19962
Code. Division (D)(2) of this section does not apply to a 19963
presumption established under this division for a violation of 19964
division (A)(4) of section 2907.05 of the Revised Code. 19965

(2) Notwithstanding the presumption established under 19966
division (D)(1) of this section for the offenses listed in that 19967
division other than a violation of division (A)(4) or (B) of 19968

section 2907.05 of the Revised Code, the sentencing court may 19969
impose a community control sanction or a combination of community 19970
control sanctions instead of a prison term on an offender for a 19971
felony of the first or second degree or for a felony drug offense 19972
that is a violation of any provision of Chapter 2925., 3719., or 19973
4729. of the Revised Code for which a presumption in favor of a 19974
prison term is specified as being applicable if it makes both of 19975
the following findings: 19976

(a) A community control sanction or a combination of 19977
community control sanctions would adequately punish the offender 19978
and protect the public from future crime, because the applicable 19979
factors under section 2929.12 of the Revised Code indicating a 19980
lesser likelihood of recidivism outweigh the applicable factors 19981
under that section indicating a greater likelihood of recidivism. 19982

(b) A community control sanction or a combination of 19983
community control sanctions would not demean the seriousness of 19984
the offense, because one or more factors under section 2929.12 of 19985
the Revised Code that indicate that the offender's conduct was 19986
less serious than conduct normally constituting the offense are 19987
applicable, and they outweigh the applicable factors under that 19988
section that indicate that the offender's conduct was more serious 19989
than conduct normally constituting the offense. 19990

(E)(1) Except as provided in division (F) of this section, 19991
for any drug offense that is a violation of any provision of 19992
Chapter 2925. of the Revised Code and that is a felony of the 19993
third, fourth, or fifth degree, the applicability of a presumption 19994
under division (D) of this section in favor of a prison term or of 19995
division (B) or (C) of this section in determining whether to 19996
impose a prison term for the offense shall be determined as 19997
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 19998
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 19999
Revised Code, whichever is applicable regarding the violation. 20000

(2) If an offender who was convicted of or pleaded guilty to a felony violates the conditions of a community control sanction imposed for the offense solely by reason of producing positive results on a drug test or by acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code with respect to a minor drug possession offense, the court, as punishment for the violation of the sanction, shall not order that the offender be imprisoned unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the felony to participate in a drug treatment program, in a drug education program, or in narcotics anonymous or a similar program, and the offender continued to use illegal drugs after a reasonable period of participation in the program.

(b) The imprisonment of the offender for the violation is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code.

(3) A court that sentences an offender for a drug abuse offense that is a felony of the third, fourth, or fifth degree may require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes addiction services and recovery supports included in a community-based continuum of care established under section 340.032 of the Revised Code. If the court imposes addiction services and recovery supports as a community control sanction, the court shall direct the level and type of addiction services and recovery supports after considering the assessment and recommendation of community addiction services providers.

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20, divisions (C) to (I) of section 2967.19, or section 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.19, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses:

(1) Aggravated murder when death is not imposed or murder;

(2) Any rape, regardless of whether force was involved and regardless of the age of the victim, or an attempt to commit rape if, had the offender completed the rape that was attempted, the offender would have been guilty of a violation of division (A)(1)(b) of section 2907.02 of the Revised Code and would be sentenced under section 2971.03 of the Revised Code;

(3) Gross sexual imposition or sexual battery, if the victim is less than thirteen years of age and if any of the following applies:

(D)(2) of section 2903.11, divisions (B)(9) and (C)(6) of section 2929.14, and section 2941.1425 of the Revised Code shall be known as "Judy's Law."

(21) Any violation of division (A) of section 2903.11 of the Revised Code if the victim of the offense suffered permanent disabling harm as a result of the offense and the victim was under ten years of age at the time of the offense, with respect to a portion of the sentence imposed pursuant to division (B)(10) of section 2929.14 of the Revised Code.

(22) A felony violation of section 2925.03, 2925.05, or 2925.11 of the Revised Code, if the drug involved in the violation is a fentanyl-related compound or a compound, mixture, preparation, or substance containing a fentanyl-related compound and the offender is convicted of or pleads guilty to a specification of the type described in division (B) of section 2941.1410 of the Revised Code that was included in the indictment, count in the indictment, or information charging the offense, with respect to the portion of the sentence imposed under division (B)(11) of section 2929.14 of the Revised Code.

(G) Notwithstanding divisions (A) to (E) of this section, if an offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, the court shall impose upon the offender a mandatory term of local incarceration or a mandatory prison term in accordance with the following:

(1) If the offender is being sentenced for a fourth degree felony OVI offense and if the offender has not been convicted of and has not pleaded guilty to a specification of the type described in section 2941.1413 of the Revised Code, the court may impose upon the offender a mandatory term of local incarceration of sixty days or one hundred twenty days as specified in division (G)(1)(d) of section 4511.19 of the Revised Code. The court shall not reduce the term pursuant to section 2929.20, 2967.193, or any

other provision of the Revised Code. The court that imposes a 20221
mandatory term of local incarceration under this division shall 20222
specify whether the term is to be served in a jail, a 20223
community-based correctional facility, a halfway house, or an 20224
alternative residential facility, and the offender shall serve the 20225
term in the type of facility specified by the court. A mandatory 20226
term of local incarceration imposed under division (G)(1) of this 20227
section is not subject to any other Revised Code provision that 20228
pertains to a prison term except as provided in division (A)(1) of 20229
this section. 20230

(2) If the offender is being sentenced for a third degree 20231
felony OVI offense, or if the offender is being sentenced for a 20232
fourth degree felony OVI offense and the court does not impose a 20233
mandatory term of local incarceration under division (G)(1) of 20234
this section, the court shall impose upon the offender a mandatory 20235
prison term of one, two, three, four, or five years if the 20236
offender also is convicted of or also pleads guilty to a 20237
specification of the type described in section 2941.1413 of the 20238
Revised Code or shall impose upon the offender a mandatory prison 20239
term of sixty days or one hundred twenty days as specified in 20240
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 20241
if the offender has not been convicted of and has not pleaded 20242
guilty to a specification of that type. Subject to divisions (C) 20243
to (I) of section 2967.19 of the Revised Code, the court shall not 20244
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 20245
any other provision of the Revised Code. The offender shall serve 20246
the one-, two-, three-, four-, or five-year mandatory prison term 20247
consecutively to and prior to the prison term imposed for the 20248
underlying offense and consecutively to any other mandatory prison 20249
term imposed in relation to the offense. In no case shall an 20250
offender who once has been sentenced to a mandatory term of local 20251
incarceration pursuant to division (G)(1) of this section for a 20252
fourth degree felony OVI offense be sentenced to another mandatory 20253

term of local incarceration under that division for any violation 20254
of division (A) of section 4511.19 of the Revised Code. In 20255
addition to the mandatory prison term described in division (G)(2) 20256
of this section, the court may sentence the offender to a 20257
community control sanction under section 2929.16 or 2929.17 of the 20258
Revised Code, but the offender shall serve the prison term prior 20259
to serving the community control sanction. The department of 20260
rehabilitation and correction may place an offender sentenced to a 20261
mandatory prison term under this division in an intensive program 20262
prison established pursuant to section 5120.033 of the Revised 20263
Code if the department gave the sentencing judge prior notice of 20264
its intent to place the offender in an intensive program prison 20265
established under that section and if the judge did not notify the 20266
department that the judge disapproved the placement. Upon the 20267
establishment of the initial intensive program prison pursuant to 20268
section 5120.033 of the Revised Code that is privately operated 20269
and managed by a contractor pursuant to a contract entered into 20270
under section 9.06 of the Revised Code, both of the following 20271
apply: 20272

(a) The department of rehabilitation and correction shall 20273
make a reasonable effort to ensure that a sufficient number of 20274
offenders sentenced to a mandatory prison term under this division 20275
are placed in the privately operated and managed prison so that 20276
the privately operated and managed prison has full occupancy. 20277

(b) Unless the privately operated and managed prison has full 20278
occupancy, the department of rehabilitation and correction shall 20279
not place any offender sentenced to a mandatory prison term under 20280
this division in any intensive program prison established pursuant 20281
to section 5120.033 of the Revised Code other than the privately 20282
operated and managed prison. 20283

(H) If an offender is being sentenced for a sexually oriented 20284
offense or child-victim oriented offense that is a felony 20285

committed on or after January 1, 1997, the judge shall require the 20286
offender to submit to a DNA specimen collection procedure pursuant 20287
to section 2901.07 of the Revised Code. 20288

(I) If an offender is being sentenced for a sexually oriented 20289
offense or a child-victim oriented offense committed on or after 20290
January 1, 1997, the judge shall include in the sentence a summary 20291
of the offender's duties imposed under sections 2950.04, 2950.041, 20292
2950.05, and 2950.06 of the Revised Code and the duration of the 20293
duties. The judge shall inform the offender, at the time of 20294
sentencing, of those duties and of their duration. If required 20295
under division (A)(2) of section 2950.03 of the Revised Code, the 20296
judge shall perform the duties specified in that section, or, if 20297
required under division (A)(6) of section 2950.03 of the Revised 20298
Code, the judge shall perform the duties specified in that 20299
division. 20300

(J)(1) Except as provided in division (J)(2) of this section, 20301
when considering sentencing factors under this section in relation 20302
to an offender who is convicted of or pleads guilty to an attempt 20303
to commit an offense in violation of section 2923.02 of the 20304
Revised Code, the sentencing court shall consider the factors 20305
applicable to the felony category of the violation of section 20306
2923.02 of the Revised Code instead of the factors applicable to 20307
the felony category of the offense attempted. 20308

(2) When considering sentencing factors under this section in 20309
relation to an offender who is convicted of or pleads guilty to an 20310
attempt to commit a drug abuse offense for which the penalty is 20311
determined by the amount or number of unit doses of the controlled 20312
substance involved in the drug abuse offense, the sentencing court 20313
shall consider the factors applicable to the felony category that 20314
the drug abuse offense attempted would be if that drug abuse 20315
offense had been committed and had involved an amount or number of 20316
unit doses of the controlled substance that is within the next 20317

lower range of controlled substance amounts than was involved in 20318
the attempt. 20319

(K) As used in this section: 20320

(1) "Community addiction services provider" has the same 20321
meaning as in section 5119.01 of the Revised Code. 20322

(2) "Drug abuse offense" has the same meaning as in section 20323
2925.01 of the Revised Code. 20324

(3) "Minor drug possession offense" has the same meaning as 20325
in section 2925.11 of the Revised Code. 20326

(4) "Qualifying assault offense" means a violation of section 20327
2903.13 of the Revised Code for which the penalty provision in 20328
division (C)(8)(b) or (C)(9)(b) of that section applies. 20329

(L) At the time of sentencing an offender for any sexually 20330
oriented offense, if the offender is a tier III sex 20331
offender/child-victim offender relative to that offense and the 20332
offender does not serve a prison term or jail term, the court may 20333
require that the offender be monitored by means of a global 20334
positioning device. If the court requires such monitoring, the 20335
cost of monitoring shall be borne by the offender. If the offender 20336
is indigent, the cost of compliance shall be paid by the crime 20337
victims reparations fund. 20338

Sec. 2929.15. (A)(1) If in sentencing an offender for a 20339
felony the court is not required to impose a prison term, a 20340
mandatory prison term, or a term of life imprisonment upon the 20341
offender, the court may directly impose a sentence that consists 20342
of one or more community control sanctions authorized pursuant to 20343
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 20344
court is sentencing an offender for a fourth degree felony OVI 20345
offense under division (G)(1) of section 2929.13 of the Revised 20346
Code, in addition to the mandatory term of local incarceration 20347

imposed under that division and the mandatory fine required by 20348
division (B)(3) of section 2929.18 of the Revised Code, the court 20349
may impose upon the offender a community control sanction or 20350
combination of community control sanctions in accordance with 20351
sections 2929.16 and 2929.17 of the Revised Code. If the court is 20352
sentencing an offender for a third or fourth degree felony OVI 20353
offense under division (G)(2) of section 2929.13 of the Revised 20354
Code, in addition to the mandatory prison term or mandatory prison 20355
term and additional prison term imposed under that division, the 20356
court also may impose upon the offender a community control 20357
sanction or combination of community control sanctions under 20358
section 2929.16 or 2929.17 of the Revised Code, but the offender 20359
shall serve all of the prison terms so imposed prior to serving 20360
the community control sanction. 20361

The duration of all community control sanctions imposed upon 20362
an offender under this division shall not exceed five years. If 20363
the offender absconds or otherwise leaves the jurisdiction of the 20364
court in which the offender resides without obtaining permission 20365
from the court or the offender's probation officer to leave the 20366
jurisdiction of the court, or if the offender is confined in any 20367
institution for the commission of any offense while under a 20368
community control sanction, the period of the community control 20369
sanction ceases to run until the offender is brought before the 20370
court for its further action. If the court sentences the offender 20371
to one or more nonresidential sanctions under section 2929.17 of 20372
the Revised Code, the court shall impose as a condition of the 20373
nonresidential sanctions that, during the period of the sanctions, 20374
the offender must abide by the law and must not leave the state 20375
without the permission of the court or the offender's probation 20376
officer. The court may impose any other conditions of release 20377
under a community control sanction that the court considers 20378
appropriate, including, but not limited to, requiring that the 20379

offender not ingest or be injected with a drug of abuse and submit 20380
to random drug testing as provided in division (D) of this section 20381
to determine whether the offender ingested or was injected with a 20382
drug of abuse and requiring that the results of the drug test 20383
indicate that the offender did not ingest or was not injected with 20384
a drug of abuse. 20385

(2)(a) If a court sentences an offender to any community 20386
control sanction or combination of community control sanctions 20387
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 20388
Revised Code, the court shall place the offender under the general 20389
control and supervision of a department of probation in the county 20390
that serves the court for purposes of reporting to the court a 20391
violation of any condition of the sanctions, any condition of 20392
release under a community control sanction imposed by the court, a 20393
violation of law, or the departure of the offender from this state 20394
without the permission of the court or the offender's probation 20395
officer. Alternatively, if the offender resides in another county 20396
and a county department of probation has been established in that 20397
county or that county is served by a multicounty probation 20398
department established under section 2301.27 of the Revised Code, 20399
the court may request the court of common pleas of that county to 20400
receive the offender into the general control and supervision of 20401
that county or multicounty department of probation for purposes of 20402
reporting to the court a violation of any condition of the 20403
sanctions, any condition of release under a community control 20404
sanction imposed by the court, a violation of law, or the 20405
departure of the offender from this state without the permission 20406
of the court or the offender's probation officer, subject to the 20407
jurisdiction of the trial judge over and with respect to the 20408
person of the offender, and to the rules governing that department 20409
of probation. 20410

If there is no department of probation in the county that 20411

serves the court, the court shall place the offender, regardless 20412
of the offender's county of residence, under the general control 20413
and supervision of the adult parole authority if the court has 20414
entered into an agreement with the authority as described in 20415
division (B) of section 2301.32 of the Revised Code or under an 20416
entity authorized under division (B) of section 2301.27 of the 20417
Revised Code to provide probation and supervisory services to 20418
counties for purposes of reporting to the court a violation of any 20419
of the sanctions, any condition of release under a community 20420
control sanction imposed by the court, a violation of law, or the 20421
departure of the offender from this state without the permission 20422
of the court or the offender's probation officer. 20423

(b) If the court imposing sentence upon an offender sentences 20424
the offender to any community control sanction or combination of 20425
community control sanctions authorized pursuant to section 20426
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 20427
offender violates any condition of the sanctions, any condition of 20428
release under a community control sanction imposed by the court, 20429
violates any law, or departs the state without the permission of 20430
the court or the offender's probation officer, the public or 20431
private person or entity that operates or administers the sanction 20432
or the program or activity that comprises the sanction shall 20433
report the violation or departure directly to the sentencing 20434
court, or shall report the violation or departure to the county or 20435
multicounty department of probation with general control and 20436
supervision over the offender under division (A)(2)(a) of this 20437
section or the officer of that department who supervises the 20438
offender, or, if there is no such department with general control 20439
and supervision over the offender under that division, to the 20440
adult parole authority if the court has entered into an agreement 20441
with the authority as described in division (B) of section 2301.32 20442
of the Revised Code, or an entity authorized under division (B) of 20443
section 2301.27 of the Revised Code to provide probation and 20444

supervisory services to the county. If the public or private 20445
person or entity that operates or administers the sanction or the 20446
program or activity that comprises the sanction reports the 20447
violation or departure to the county or multicounty department of 20448
probation, the adult parole authority, or any other entity 20449
providing probation and supervisory services to the county, the 20450
department's, authority's, or other entity's officers may treat 20451
the offender as if the offender were on probation and in violation 20452
of the probation, and shall report the violation of the condition 20453
of the sanction, any condition of release under a community 20454
control sanction imposed by the court, the violation of law, or 20455
the departure from the state without the required permission to 20456
the sentencing court. 20457

(3) If an offender who is eligible for community control 20458
sanctions under this section admits to being drug addicted or the 20459
court has reason to believe that the offender is drug addicted, 20460
and if the offense for which the offender is being sentenced was 20461
related to the addiction, the court may require that the offender 20462
be assessed by a properly credentialed professional within a 20463
specified period of time and shall require the professional to 20464
file a written assessment of the offender with the court. If a 20465
court imposes treatment and recovery support services as a 20466
community control sanction, the court shall direct the level and 20467
type of treatment and recovery support services after 20468
consideration of the written assessment, if available at the time 20469
of sentencing, and recommendations of the professional and other 20470
treatment and recovery support services providers. 20471

(4) If an assessment completed pursuant to division (A)(3) of 20472
this section indicates that the offender is addicted to drugs or 20473
alcohol, the court may include in any community control sanction 20474
imposed for a violation of section 2925.02, 2925.03, 2925.04, 20475
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 20476

2925.37 of the Revised Code a requirement that the offender 20477
participate in alcohol and drug addiction services and recovery 20478
supports certified under section 5119.36 of the Revised Code or 20479
offered by a properly credentialed community addiction services 20480
provider. 20481

(B)(1) If the conditions of a community control sanction are 20482
violated or if the offender violates a law or leaves the state 20483
without the permission of the court or the offender's probation 20484
officer, the sentencing court may impose upon the violator one or 20485
more of the following penalties: 20486

(a) A longer time under the same sanction if the total time 20487
under the sanctions does not exceed the five-year limit specified 20488
in division (A) of this section; 20489

(b) A more restrictive sanction under section 2929.16, 20490
2929.17, or 2929.18 of the Revised Code, including but not limited 20491
to, a new term in a community-based correctional facility, halfway 20492
house, or jail pursuant to division (A)(6) of section 2929.16 of 20493
the Revised Code; 20494

(c) A prison term on the offender pursuant to section 2929.14 20495
of the Revised Code and division (B)(3) of this section, provided 20496
that a prison term imposed under this division is subject to the 20497
following limitations, as applicable: 20498

(i) If the prison term is imposed for any technical violation 20499
of the conditions of a community control sanction imposed for a 20500
felony of the fifth degree or for any violation of law committed 20501
while under a community control sanction imposed for such a felony 20502
that consists of a new criminal offense and that is not a felony, 20503
the prison term shall not exceed ninety days. 20504

(ii) If the prison term is imposed for any technical 20505
violation of the conditions of a community control sanction 20506
imposed for a felony of the fourth degree that is not an offense 20507

of violence and is not a sexually oriented offense or for any 20508
violation of law committed while under a community control 20509
sanction imposed for such a felony that consists of a new criminal 20510
offense and that is not a felony, the prison term shall not exceed 20511
one hundred eighty days. 20512

(2) If an offender was acting pursuant to division (B)(2)(b) 20513
of section 2925.11 of the Revised Code and in so doing violated 20514
the conditions of a community control sanction based on a minor 20515
drug possession offense, as defined in section 2925.11 of the 20516
Revised Code, the sentencing court may consider the offender's 20517
conduct in seeking or obtaining medical assistance for another in 20518
good faith or for self or may consider the offender being the 20519
subject of another person seeking or obtaining medical assistance 20520
in accordance with that division as a mitigating factor before 20521
imposing any of the penalties described in division (B)(1) of this 20522
section. 20523

(3) The prison term, if any, imposed upon a violator pursuant 20524
to this division and division (B)(1) of this section shall be 20525
within the range of prison terms described in this division and 20526
shall not exceed the prison term specified in the notice provided 20527
to the offender at the sentencing hearing pursuant to division 20528
(B)(2) of section 2929.19 of the Revised Code. The court may 20529
reduce the longer period of time that the offender is required to 20530
spend under the longer sanction, the more restrictive sanction, or 20531
a prison term imposed pursuant to division (B)(1) of this section 20532
by the time the offender successfully spent under the sanction 20533
that was initially imposed. Except as otherwise specified in this 20534
division, the prison term imposed under this division and division 20535
(B)(1) of this section shall be within the range of prison terms 20536
available as a definite term for the offense for which the 20537
sanction that was violated was imposed. If the offense for which 20538
the sanction that was violated was imposed is a felony of the 20539

first or second degree committed on or after ~~the effective date of~~ 20540
~~this amendment~~ March 22, 2019, the prison term so imposed under 20541
this division shall be within the range of prison terms available 20542
as a minimum term for the offense under division (A)(1)(a) or 20543
(2)(a) of section 2929.14 of the Revised Code. 20544

(C) If an offender, for a significant period of time, 20545
fulfills the conditions of a sanction imposed pursuant to section 20546
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 20547
manner, the court may reduce the period of time under the sanction 20548
or impose a less restrictive sanction, but the court shall not 20549
permit the offender to violate any law or permit the offender to 20550
leave the state without the permission of the court or the 20551
offender's probation officer. 20552

(D)(1) If a court under division (A)(1) of this section 20553
imposes a condition of release under a community control sanction 20554
that requires the offender to submit to random drug testing, the 20555
department of probation, the adult parole authority, or any other 20556
entity that has general control and supervision of the offender 20557
under division (A)(2)(a) of this section may cause the offender to 20558
submit to random drug testing performed by a laboratory or entity 20559
that has entered into a contract with any of the governmental 20560
entities or officers authorized to enter into a contract with that 20561
laboratory or entity under section 341.26, 753.33, or 5120.63 of 20562
the Revised Code. 20563

(2) If no laboratory or entity described in division (D)(1) 20564
of this section has entered into a contract as specified in that 20565
division, the department of probation, the adult parole authority, 20566
or any other entity that has general control and supervision of 20567
the offender under division (A)(2)(a) of this section shall cause 20568
the offender to submit to random drug testing performed by a 20569
reputable public laboratory to determine whether the individual 20570
who is the subject of the drug test ingested or was injected with 20571

a drug of abuse. 20572

(3) A laboratory or entity that has entered into a contract 20573
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 20574
shall perform the random drug tests under division (D)(1) of this 20575
section in accordance with the applicable standards that are 20576
included in the terms of that contract. A public laboratory shall 20577
perform the random drug tests under division (D)(2) of this 20578
section in accordance with the standards set forth in the policies 20579
and procedures established by the department of rehabilitation and 20580
correction pursuant to section 5120.63 of the Revised Code. An 20581
offender who is required under division (A)(1) of this section to 20582
submit to random drug testing as a condition of release under a 20583
community control sanction and whose test results indicate that 20584
the offender ingested or was injected with a drug of abuse shall 20585

defender for reimbursement. The request for reimbursement shall be 20743
accompanied by a financial disclosure form completed by each 20744
indigent person for whom counsel was provided on a form prescribed 20745
by the state public defender. The state public defender shall 20746
review the report and, in accordance with the standards, 20747

regarding offenders and that is disseminated as described in that 20801
division. 20802

Sec. 3107.035. (A) At the time of the initial home study, and 20803
every two years thereafter, if the home study is updated, and 20804

arranges an adoption for the prospective adoptive parent shall 20807
conduct a search of the United States department of justice 20808
national sex offender public web site regarding the prospective 20809
adoptive parent and all persons eighteen years of age or older who 20810

(B) A petition for adoption may be denied based solely on the 20812
results of the search of the national sex offender public web 20813

of section 3107.13 of the Revised Code, shall not be less than six 20835

minor, the court may certify the case to the juvenile court of the 20856
county where the minor is then residing for appropriate action and 20857

created under rules adopted under section 3119.022 of the Revised 20868
Code adequately provide for the needs of children who are subject 20869

Sec. 3119.05. When a court computes the amount of child 20952

child support enforcement agency computes the amount of child 20954
support to be paid pursuant to an administrative child support 20955
order, all of the following apply: 20956

(A) The parents' current and past income and personal 20957
earnings shall be verified by electronic means or with suitable 20958

supporting documentation. 20967

(C) The court or agency shall adjust the amount of child 20968
support paid by a parent to give credit for children not included 20969
in the current calculation. When calculating the adjusted amount, 20970
the court or agency shall use the schedule and do the following: 20971

(1) Determine the amount of child support that each parent 20972
would be ordered to pay for all children for whom the parent has 20973

the legal duty to support, according to each parent's annual 20974
income. If the number of children subject to the order is greater 20975
than six, multiply the amount for three children in accordance 20976
with division (C)(4) of this section to determine the amount of 20977
child support. 20978

(2) Compute a child support credit amount for each parent's 20979
children who are not subject to this order by dividing the amount 20980
determined in division (C)(1) of this section by the total number 20981
of children whom the parent is obligated to support and 20982
multiplying that number by the number of the parent's children who 20983
are not subject to this order. 20984

(3) Determine the adjusted income of the parents by 20985
subtracting the credit for minor children not subject to this 20986
order computed under division (C)(2) of this section, from the 20987
annual income of each parent for the children each has a duty to 20988
support that are not subject to this order. 20989

(4) If the number of children is greater than six, multiply 20990
the amount for three children by: 20991

(a) 1.440 for seven children; 20992

(b) 1.540 for eight children; 20993

(c) 1.638 for nine children; 20994

(d) 1.734 for ten children; 20995

(e) 1.827 for eleven children; 20996

(f) 1.919 for twelve children; 20997

(g) 2.008 for thirteen children; 20998

(h) 2.096 for fourteen children; 20999

(i) 2.182 for more than fourteen children. 21000

(D) When the court or agency calculates the annual income of 21001
a parent, it shall include the lesser of the following as income 21002

from overtime and bonuses: 21003

(1) The yearly average of all overtime, commissions, and 21004
bonuses received during the three years immediately prior to the 21005
time when the person's child support obligation is being computed; 21006

(2) The total overtime, commissions, and bonuses received 21007
during the year immediately prior to the time when the person's 21008
child support obligation is being computed. 21009

(E) When the court or agency calculates the annual income of 21010
a parent, it shall not include any income earned by the spouse of 21011
that parent. 21012

(F) The court shall issue a separate medical support order 21013
for extraordinary medical expenses, including orthodontia, dental, 21014
optical, and psychological services. 21015

If the court makes an order for payment of private education, 21016
and other appropriate expenses, it shall do so by issuing a 21017
separate order. 21018

The court may consider these expenses in adjusting a child 21019
support order. 21020

(G) When a court or agency calculates the amount of child 21021
support to be paid pursuant to a court child support order or an 21022
administrative child support order, the following shall apply: 21023

(1) The court or agency shall apply the basic child support 21024
schedule to the parents' combined annual incomes and to each 21025
parent's individual income. 21026

(2) If the combined annual income of both parents or the 21027
individual annual income of a parent is an amount that is between 21028
two amounts set forth in the first column of the schedule, the 21029
court or agency may use the basic child support obligation that 21030
corresponds to the higher of the two amounts in the first column 21031
of the schedule, use the basic child support obligation that 21032

corresponds to the lower of the two amounts in the first column of 21033
the schedule, or calculate a basic child support obligation that 21034
is between those two amounts and corresponds proportionally to the 21035
parents' actual combined annual income or the individual parent's 21036
annual income. 21037

(3) If the annual individual income of either or both of the 21038
parents is within the self-sufficiency reserve in the basic child 21039
support schedule, the court or agency shall do both of the 21040
following: 21041

(a) Calculate the basic child support obligation for the 21042
parents using the schedule amount applicable to the combined 21043
annual income and the schedule amount applicable to the income in 21044
the self-sufficiency reserve; 21045

(b) Determine the lesser of the following amounts to be the 21046
applicable basic child support obligation: 21047

(i) The amount that results from using the combined annual 21048
income of the parents not in the self-sufficiency reserve of the 21049
schedule; or 21050

(ii) The amount that results from using the individual 21051
parent's income within the self-sufficiency reserve of the 21052
schedule. 21053

(H) When the court or agency calculates annual income, the 21054
court or agency, when appropriate, may average income over a 21055
reasonable period of years. 21056

(I) Unless it would be unjust or inappropriate and therefore 21057
not in the best interests of the child, a court or agency shall 21058
not determine a parent to be voluntarily unemployed or 21059
underemployed and shall not impute income to that parent if any of 21060
the following conditions exist: 21061

(1) The parent is receiving recurring monetary income from 21062

means-tested public assistance benefits, including cash assistance 21063
payments under the Ohio works first program established under 21064
Chapter 5107. of the Revised Code, general assistance under former 21065
Chapter 5113. of the Revised Code, supplemental security income, 21066
or means-tested veterans' benefits; 21067

(2) The parent is approved for social security disability 21068
insurance benefits because of a mental or physical disability, or 21069
the court or agency determines that the parent is unable to work 21070
based on medical documentation that includes a physician's 21071
diagnosis and a physician's opinion regarding the parent's mental 21072
or physical disability and inability to work. 21073

(3) The parent has proven that the parent has made continuous 21074
and diligent efforts without success to find and accept 21075
employment, including temporary employment, part-time employment, 21076
or employment at less than the parent's previous salary or wage. 21077

(4) The parent is complying with court-ordered family 21078
reunification efforts in a child abuse, neglect, or dependency 21079
proceeding, to the extent that compliance with those efforts 21080
limits the parent's ability to earn income. 21081

(5) The parent is ~~incarcerated or~~ institutionalized for a 21082
period of twelve months or more with no other available income or 21083
~~assets, unless the parent is incarcerated for an offense relating~~ 21084
~~to the abuse or neglect of a child who is the subject of the~~ 21085
~~support order or an offense under Title XXIX of the Revised Code~~ 21086
~~against the obligee or a child who is the subject of the support~~ 21087
~~order.~~ 21088

(J) When a court or agency calculates the income of a parent, 21089
it shall not determine a parent to be voluntarily unemployed or 21090
underemployed and shall not impute income to that parent if the 21091
parent is incarcerated. 21092

(K) When a court or agency requires a parent to pay an amount 21093

for that parent's failure to support a child for a period of time 21094
prior to the date the court modifies or issues a court child 21095
support order or an agency modifies or issues an administrative 21096
child support order for the current support of the child, the 21097
court or agency shall calculate that amount using the basic child 21098
support schedule, worksheets, and child support laws in effect, 21099
and the incomes of the parents as they existed, for that prior 21100
period of time. 21101

~~(K)~~(L) A court or agency may disregard a parent's additional 21102
income from overtime or additional employment when the court or 21103
agency finds that the additional income was generated primarily to 21104
support a new or additional family member or members, or under 21105
other appropriate circumstances. 21106

~~(L)~~(M) If both parents involved in the immediate child 21107
support determination have a prior order for support relative to a 21108
minor child or children born to both parents, the court or agency 21109
shall collect information about the existing order or orders and 21110
consider those together with the current calculation for support 21111
to ensure that the total of all orders for all children of the 21112
parties does not exceed the amount that would have been ordered if 21113
all children were addressed in a single judicial or administrative 21114
proceeding. 21115

~~(M)~~(N) A support obligation of a parent with annual income 21116
subject to the self-sufficiency reserve of the basic child support 21117
schedule shall not exceed the support obligation that would result 21118
from application of the schedule without the reserve. 21119

~~(N)~~(O) Any non-means tested benefit received by the child or 21120
children subject to the order resulting from the claims of either 21121
parent shall be deducted from that parent's annual child support 21122
obligation after all other adjustments have been made. If that 21123
non-means tested benefit exceeds the child support obligation of 21124
the parent from whose claim the benefit is realized, the child 21125

support obligation for that parent shall be zero. 21126

~~(O)~~(P) As part of the child support calculation, the parents 21127
shall be ordered to share the costs of child care. Subject to the 21128
limitations in this division, a child support obligor shall pay an 21129
amount equal to the obligor's income share of the child care cost 21130
incurred for the child or children subject to the order. 21131

(1) The child care cost used in the calculation: 21132

(a) Shall be for the child determined to be necessary to 21133
allow a parent to work, or for activities related to employment 21134
training; 21135

(b) Shall be verifiable by credible evidence as determined by 21136
a court or child support enforcement agency; 21137

(c) Shall exclude any reimbursed or subsidized child care 21138
cost, including any state or federal tax credit for child care 21139
available to the parent or caretaker, whether or not claimed; 21140

(d) Shall not exceed the maximum state-wide average cost 21141
estimate ~~issued by the department of job and family services,~~ 21142
~~using the data collected and reported as required in section~~ 21143
~~5104.04 of the Revised Code~~ determined in accordance with 45 21144
C.F.R. 98.45. 21145

(2) When the annual income of the obligor is subject to the 21146
self-sufficiency reserve of the basic support schedule, the share 21147
of the child care cost paid by the obligor shall be equal to the 21148
lower of the obligor's income share of the child care cost, or 21149
fifty per cent of the child care cost. 21150

(O) As used in this section, a parent is considered 21151
"incarcerated" if the parent is confined under a sentence imposed 21152
for an offense or serving a term of imprisonment, jail, or local 21153
incarceration, or other term under a sentence imposed by a 21154
government entity authorized to order such confinement. 21155

section 3119.22 of the Revised Code:	21158

equipment, schooling, or clothing;	21180
(J) Extraordinary work-related expenses incurred by either	21181

Sec. 3119.27. (A) A court that issues or modifies a court support order, or an administrative agency that issues or modifies an administrative child support order, shall impose on the obligor under the support order a processing charge in the amount of two per cent of the support payment to be collected under a support order. No court or agency may call the charge a poundage fee.	21208 21209 21210 21211 21212 21213
(B) In each child support case that is a Title IV-D case, the	21214

~~twenty-five~~ thirty-five dollars from the processing charge 21216
described in division (A) of this section for federal reporting 21217
purposes if the obligee has never received assistance under Title 21218
IV-A and the department has collected at least five hundred fifty 21219

family services shall adopt rules under Chapter 119. of the 21221
Revised Code to implement this division, and the department shall 21222
implement this division not later than March 31, 2008. 21223

(C) As used in this section: 21224

(1) "Annual" means the period as defined in regulations 21225
issued by the United States secretary of health and human services 21226

cent of the annual income of that person. ~~For purposes of this~~ 21270
~~division, the cost of health insurance is an amount equal to the~~ 21271

Sec. 3119.30. (A) In any action or proceeding in which a 21282
child support order is issued or modified, the court, with respect 21283
to court child support orders, and the child support enforcement 21284
agency, with respect to administrative child support orders, shall 21285
determine the person or persons responsible for the health care 21286
coverage of the children subject to the child support order and 21287
shall include provisions for the health care coverage of the 21288
children in the child support order. The order shall specify that 21289
the obligor and obligee are both liable for the health care 21290
expenses for the children who are not covered by private health 21291
insurance according to a formula established by each court, with 21292
respect to a court child support order, or each child support 21293
enforcement agency, with respect to an administrative child 21294
support order. 21295

(B) The child support obligee is rebuttably presumed to be 21296
the appropriate parent to provide health insurance coverage for 21297
the children subject to the child support order. The order shall 21298
specify that the obligee must provide the health insurance 21299
coverage unless rebutted pursuant to division (B)(1) of this 21300
section. 21301

(1) The court or child support enforcement agency may 21302
consider the following factors to rebut the presumption when 21303
determining if the child support obligor is the appropriate parent 21304
to provide health insurance coverage: 21305

(a) The obligor already has health insurance coverage for the 21306

child that is reasonable in cost; 21307

(b) The obligor already has health insurance coverage in 21308
place for the child that is not reasonable in cost, but the 21309
obligor wishes to be named the health insurance obligor and 21310
provide coverage under division (A)(2)(a) of section 3119.302 of 21311
the Revised Code; 21312

(c) The obligor can obtain health insurance coverage for the 21313
child that is reasonable in cost through an employer or other 21314
source. For employer-based coverage, the court or child support 21315
enforcement agency shall consider the length of time the obligor 21316
has worked with the employer and the stability of the insurance. 21317

(d) The obligee is a non-parent individual or agency that has 21318
no duty to provide medical support. 21319

(2) If ~~private~~ health insurance coverage for the children is 21320
not available at a reasonable cost to the obligor or the obligee 21321
at the time the court or agency issues the order, the order shall 21322
include a requirement that the obligee obtain ~~private~~ health 21323
insurance care coverage for the children not later than thirty 21324
days after it becomes available to the obligee at a reasonable 21325
cost, and to inform the child support enforcement agency when 21326
~~private~~ health insurance care coverage for the children has been 21327
obtained. 21328

(3) If ~~private~~ health insurance coverage becomes available to 21329
the obligor at a reasonable cost, the obligor shall inform the 21330
child support enforcement agency and may seek a modification of 21331
health insurance care coverage from the court with respect to a 21332
court child support order, or from the agency with respect to an 21333
administrative support order. 21334

(C) When a child support order is issued or modified, the 21335
order shall include a cash medical support amount consistent with 21336
division (B) of section 3119.302 of the Revised Code for each 21337

child subject to the order. The cash medical support amount shall 21338
be ordered based on the number of children subject to the order 21339
and split between the parties using the parents' income share. 21340

(D) Any cash medical support paid pursuant to division (C) of 21341
this section shall be paid through the department of job and 21342
family services by the obligor to either the obligee if the 21343
children are not medicaid recipients, or to the department of 21344
medicaid when a medicaid assignment is in effect for any child 21345
under the support order. 21346

(E) The cost of providing health insurance coverage for a 21347
child subject to an order shall be defrayed by a credit against 21348
that parent's annual income when calculating support as required 21349
under section 3119.02 of the Revised Code using the basic child 21350
support schedule and applicable worksheet. The credit shall be 21351
equal to the total actual out-of-pocket cost for health insurance 21352
premiums for the coverage. Any credit given will be less any 21353
subsidy, including a premium tax credit or cost-sharing reduction 21354
received by the parent providing coverage. 21355

(F) Both parents may be ordered to provide health care 21356
coverage and pay cash medical support if the obligee is a 21357
nonparent individual or agency that has no duty to provide medical 21358
support. 21359

Sec. 3119.302. (A) When the court, with respect to a court 21360
child support order, or the child support enforcement agency, with 21361
respect to an administrative child support order, determines the 21362
person or persons responsible for the health care coverage of the 21363
children subject to the order pursuant to section 3119.30 of the 21364
Revised Code, all of the following apply: 21365

(1) The court or agency shall consider any ~~private~~ health 21366
insurance coverage in which the obligor, obligee, or children, are 21367
enrolled at the time the court or agency issues the order. 21368

(2) If the cost of ~~private~~ health insurance coverage to 21369
either parent exceeds a reasonable cost, that parent shall not be 21370
ordered to provide ~~private~~ health insurance coverage for the child 21371
except as follows: 21372

(a) When the parent requests to obtain or maintain the 21373
~~private~~ health insurance coverage that exceeds a reasonable cost; 21374

(b) When the court determines that it is in the best interest 21375
of the children for a parent to obtain and maintain ~~private~~ health 21376
insurance coverage that exceeds a reasonable cost and the cost 21377
will not impose an undue financial burden on either parent. If the 21378
court makes such a determination, the court must include the facts 21379
and circumstances of the determination in the child support order. 21380

(3) If ~~private~~ health insurance coverage is available at a 21381
reasonable cost to either parent through a group policy, contract, 21382
or plan, and the court determines that it is not in the best 21383
interest of the children to utilize the available ~~private~~ health 21384
insurance coverage, the court shall state the facts and 21385
circumstances of the determination in the child support order. 21386

(4) Notwithstanding division ~~(C)~~(B) of section 3119.29 of the 21387
Revised Code, the court or agency may do either of the following: 21388

(a) Permit primary care services to be farther than thirty 21389
miles if residents in part or all of the immediate geographic area 21390
customarily travel farther distances ; 21391

(b) Require primary care services be accessible by public 21392
transportation if public transportation is the obligee's only 21393
source of transportation. 21394

If the court or agency makes either accessibility 21395
determination, it shall include this accessibility determination 21396
in the child support order. 21397

(B) The director of job and family services shall 21398

periodically update the amount of the cash medical support 21399
obligation to be paid pursuant to division (C) of section 3119.30 21400
of the Revised Code. The updates shall be made in consideration of 21401
the medical expenditure panel survey, conducted by the United 21402
States department of health and human services for health care 21403

department of education as conforming to requirements of federal 21947
law for receipt of federal funds for disadvantaged pupils. To the 21948
extent possible, the individualized education program shall not 21949

assessment. No board shall prohibit a student who is not required 21952
to take an assessment under division (C)(1) of this section from 21953
taking the assessment. 21954

(b) Any alternate assessment approved by the department for a 21955
student under this division shall produce measurable results 21956
comparable to those produced by the assessment it replaces in 21957
order to allow for the student's results to be included in the 21958

in which the school, in consultation with the student's parents, 21972
determines that an assessment or alternative assessment with 21973
accommodations does not accurately assess the student's academic 21974
performance. The plan shall include an academic profile of the 21975
student's academic performance and shall be reviewed annually to 21976
determine if the student's needs continue to require excusal from 21977
taking the assessment. 21978

(ii) A student with significant cognitive disabilities to 21979

3301.0712 of the Revised Code. 21985

(iii) In the case of any student so excused from taking an 21986
assessment under division (C)(1)(c) of this section, the chartered 21987

(2) A district board may, for medical reasons or other good 21990

cause, excuse a student from taking an assessment administered 21991
under this section on the date scheduled, but that assessment 21992
shall be administered to the excused student not later than nine 21993
days following the scheduled date. The district board shall 21994
annually report the number of students who have not taken one or 21995
more of the assessments required by this section to the state 21996
board not later than the thirtieth day of June. 21997

(3) As used in this division, "~~limited English proficient~~ 21998
~~student learner~~" has the same meaning as in 20 U.S.C. 7801. 21999

been enrolled in United States schools for less than two years and 22004
for whom no appropriate accommodations are available based on 22005

3301.0712 of the Revised Code. 22008

(b) Any ~~limited English proficient student learner~~ who has 22009

~~proficient student learner~~ who is not required to take an 22014
assessment under division (C)(3) of this section from taking the 22015
assessment. A board may permit any ~~limited English proficient~~ 22016
~~student learner~~ to take an assessment required to be administered 22017
under this section with appropriate accommodations, as determined 22018
by the department. For each ~~limited English proficient student~~ 22019
learner, each school district shall annually assess that student's 22020
progress in learning English, in accordance with procedures 22021

approved by the department. 22022

(4)(a) The governing authority of a chartered nonpublic 22023
school may excuse ~~a limited~~ an English ~~proficient student~~ learner 22024
from taking any assessment administered under this section. 22025

(b) No governing authority shall require ~~a limited~~ an English 22026

schools for less than two years and for whom no appropriate 22028

department to take the assessment prescribed under division (B)(1) 22030
of section 3301.0712 of the Revised Code. 22031

(c) No governing authority shall prohibit ~~a limited~~ an 22032
English ~~proficient student~~ learner from taking an assessment from 22033
which the student was excused under division (C)(4) of this 22034

(D)(1) In the school year next succeeding the school year in 22036
which the assessments prescribed by division (A)(1) or (B)(1) of 22037
section 3301.0710 of the Revised Code or former division (A)(1), 22038
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 22039
existed prior to September 11, 2001, are administered to any 22040
student, the board of education of any school district in which 22041
the student is enrolled in that year shall provide to the student 22042
intervention services commensurate with the student's performance, 22043
including any intensive intervention required under section 22044
3313.608 of the Revised Code, in any skill in which the student 22045
failed to demonstrate at least a score at the proficient level on 22046
the assessment. 22047

(2) Following any administration of the assessments 22048
prescribed by division (D) of section 3301.0710 of the Revised 22049
Code to ninth grade students, each school district that has a 22050
three-year average graduation rate of not more than seventy-five 22051
per cent shall determine for each high school in the district 22052

whether the school shall be required to provide intervention 22053
services to any students who took the assessments. In determining 22054
which high schools shall provide intervention services based on 22055
the resources available, the district shall consider each school's 22056
graduation rate and scores on the practice assessments. The 22057
district also shall consider the scores received by ninth grade 22058
students on the English language arts and mathematics assessments 22059
prescribed under division (A)(1)(f) of section 3301.0710 of the 22060
Revised Code in the eighth grade in determining which high schools 22061

under this division shall provide intervention services to any 22064
student whose results indicate that the student is failing to make 22065
satisfactory progress toward being able to attain scores at the 22066
proficient level on the Ohio graduation tests. Intervention 22067
services shall be provided in any skill in which a student 22068
demonstrates unsatisfactory progress and shall be commensurate 22069

school year, or at any combination of those times. 22073

(E) Except as provided in section 3313.608 of the Revised 22074
Code and division (N) of this section, no school district board of 22075
education shall utilize any student's failure to attain a 22076
specified score on an assessment administered under this section 22077
as a factor in any decision to deny the student promotion to a 22078
higher grade level. However, a district board may choose not to 22079
promote to the next grade level any student who does not take an 22080
assessment administered under this section or make up an 22081
assessment as provided by division (C)(2) of this section and who 22082
is not exempt from the requirement to take the assessment under 22083
division (C)(3) of this section. 22084

(F) No person shall be charged a fee for taking any assessment administered under this section.

(G)(1) Each school district board shall designate one location for the collection of assessments administered in the spring under division (B)(1) of this section and those administered under divisions (B)(2) to (7) of this section. Each district board shall submit the assessments to the entity with which the department contracts for the scoring of the assessments as follows:

However, any assessment that a student takes during the make-up period described in division (C)(2) of this section shall be submitted not later than the Friday following the day the student takes the assessment.

(2) The department or an entity with which the department contracts for the scoring of the assessment shall send to each school district board a list of the individual scores of all persons taking a state achievement assessment as follows:

(a) Except as provided in division (G)(2)(b) or (c) of this

section, within forty-five days after the administration of the 22116
assessments prescribed by sections 3301.0710 and 3301.0712 of the 22117
Revised Code, but in no case shall the scores be returned later 22118
than the thirtieth day of June following the administration; 22119

(b) In the case of the third-grade English language arts 22120

(c) In the case of the writing component of an assessment or 22124
end-of-course examination in the area of English language arts, 22125
except for the third-grade English language arts assessment, the 22126
results may be sent after forty-five days of the administration of 22127
the writing component, but in no case shall the scores be returned 22128
later than the thirtieth day of June following the administration. 22129

(3) For assessments administered under this section by a 22130
joint vocational school district, the department or entity shall 22131
also send to each city, local, or exempted village school district 22132
a list of the individual scores of any students of such city, 22133
local, or exempted village school district who are attending 22134
school in the joint vocational school district. 22135

(4) Beginning with the 2019-2020 school year, a school 22136
district, other public school, or chartered nonpublic school may 22137
administer the third-grade English language arts or mathematics 22138
assessment, or both, in a paper format in any school year for 22139
which the district board of education or school governing body 22140
adopts a resolution indicating that the district or school chooses 22141
to administer the assessment in a paper format. The board or 22142
governing body shall submit a copy of the resolution to the 22143
department of education not later than the first day of May prior 22144
to the school year for which it will apply. If the resolution is 22145

in a paper format to all students in the third grade, except that 22147

any student whose individualized education program or plan 22148
developed under section 504 of the "Rehabilitation Act of 1973," 22149
87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 22150
assessment in an online format is an appropriate accommodation for 22151
the student may take the assessment in an online format. 22152

(H) Individual scores on any assessments administered under 22153
this section shall be released by a district board only in 22154
accordance with section 3319.321 of the Revised Code and the rules 22155
adopted under division (A) of this section. No district board or 22156
its employees shall utilize individual or aggregate results in any 22157
manner that conflicts with rules for the ethical use of 22158
assessments adopted pursuant to division (A) of this section. 22159

(I) Except as provided in division (G) of this section, the 22160
department or an entity with which the department contracts for 22161
the scoring of the assessment shall not release any individual 22162
scores on any assessment administered under this section. The 22163
state board shall adopt rules to ensure the protection of student 22164
confidentiality at all times. The rules may require the use of the 22165
data verification codes assigned to students pursuant to division 22166
(D)(2) of section 3301.0714 of the Revised Code to protect the 22167
confidentiality of student scores. 22168

(J) Notwithstanding division (D) of section 3311.52 of the 22169
Revised Code, this section does not apply to the board of 22170
education of any cooperative education school district except as 22171
provided under rules adopted pursuant to this division. 22172

(1) In accordance with rules that the state board shall 22173
adopt, the board of education of any city, exempted village, or 22174
local school district with territory in a cooperative education 22175
school district established pursuant to divisions (A) to (C) of 22176
section 3311.52 of the Revised Code may enter into an agreement 22177
with the board of education of the cooperative education school 22178
district for administering any assessment prescribed under this 22179

section to students of the city, exempted village, or local school 22180
district who are attending school in the cooperative education 22181
school district. 22182

(2) In accordance with rules that the state board shall 22183
adopt, the board of education of any city, exempted village, or 22184
local school district with territory in a cooperative education 22185
school district established pursuant to section 3311.521 of the 22186
Revised Code shall enter into an agreement with the cooperative 22187
district that provides for the administration of any assessment 22188
prescribed under this section to both of the following: 22189

(a) Students who are attending school in the cooperative 22190
district and who, if the cooperative district were not 22191
established, would be entitled to attend school in the city, 22192
local, or exempted village school district pursuant to section 22193
3313.64 or 3313.65 of the Revised Code; 22194

(b) Persons described in division (B)(8)(b) of this section. 22195

students who are participating in state scholarship programs shall 22202
administer the ~~elementary~~ assessments prescribed by division (A) 22203
of section 3301.0710 of the Revised Code or an alternative 22204
standardized assessment determined by the department. In 22205
accordance with procedures and deadlines prescribed by the 22206
department, the parent or guardian of a student enrolled in the 22207
school who is not participating in a state scholarship program may 22208
submit notice to the chief administrative officer of the school 22209
that the parent or guardian does not wish to have the student take 22210

the elementary assessments prescribed for the student's grade 22211
level under division (A) of section 3301.0710 of the Revised Code. 22212
If a parent or guardian submits an opt-out notice, the school 22213
shall not administer the assessments to that student. This option 22214
does not apply to any assessment required for a high school 22215
diploma under section 3313.612 of the Revised Code. 22216

Each chartered nonpublic school subject to division (K)(1) of 22217
this section shall report the results of each assessment 22218
administered under that division to the department. 22219

(2) A chartered nonpublic school may submit to the 22220
superintendent of public instruction a request for a waiver from 22221
administering the elementary assessments prescribed by division 22222
(A) of section 3301.0710 of the Revised Code. The state 22223
superintendent shall approve or disapprove a request for a waiver 22224
submitted under division (K)(2) of this section. No waiver shall 22225
be approved for any school year prior to the 2015-2016 school 22226
year. 22227

To be eligible to submit a request for a waiver, a chartered 22228
nonpublic school shall meet the following conditions: 22229

(a) At least ninety-five per cent of the students enrolled in 22230
the school are children with disabilities, as defined under 22231
section 3323.01 of the Revised Code, or have received a diagnosis 22232
by a school district or from a physician, including a 22233
neuropsychiatrist or psychiatrist, or a psychologist who is 22234
authorized to practice in this or another state as having a 22235
condition that impairs academic performance, such as dyslexia, 22236
dyscalculia, attention deficit hyperactivity disorder, or 22237
Asperger's syndrome. 22238

(b) The school has solely served a student population 22239
described in division (K)(1)(a) of this section for at least ten 22240
years. 22241

(c) The school provides to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including diagnostic assessments and nationally standardized norm-referenced achievement assessments that measure reading and math skills.

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. assessments that have developed appropriate standards for 22340
students. 22341

Division (L)(4) of this section applies to any student 22342

(2) The department may field test proposed questions with 22371
samples of students to determine the validity, reliability, or 22372
appropriateness of questions for possible inclusion in a future 22373
year's assessment. The department also may use anchor questions on 22374
assessments to ensure that different versions of the same 22375
assessment are of comparable difficulty. 22376

Field test questions and anchor questions shall not be 22377
considered in computing scores for individual students. Field test 22378
questions and anchor questions may be included as part of the 22379
administration of any assessment required by division (A)(1) or 22380

to the 2011-2012 school year, not less than forty per cent of the 22394
questions on the assessment that are used to compute a student's 22395
score shall be a public record. The department shall determine 22396
which questions will be needed for reuse on a future assessment 22397
and those questions shall not be public records and shall be 22398

redacted from the assessment prior to its release as a public 22399
record. However, for each redacted question, the department shall 22400
inform each city, local, and exempted village school district of 22401
the statewide academic standard adopted by the state board under 22402
section 3301.079 of the Revised Code and the corresponding 22403
benchmark to which the question relates. The preceding sentence 22404
does not apply to field test questions that are redacted under 22405
division (O)(3) of this section. 22406

(c) The administrations of each assessment in the 2011-2012, 22407
2012-2013, and 2013-2014 school years shall not be a public 22408
record. 22409

(5) Each assessment prescribed by division (B)(1) of section 22410
3301.0710 of the Revised Code shall not be a public record. 22411

preferred answers that are used to compute a student's score shall 22417
become a public record as follows: 22418

(i) Forty per cent of the questions and preferred answers on 22419
the assessments on the thirty-first day of July following the 22420
administration of the assessment; 22421

(ii) Twenty per cent of the questions and preferred answers 22422
on the assessment on the thirty-first day of July one year after 22423
the administration of the assessment; 22424

(iii) The remaining forty per cent of the questions and 22425
preferred answers on the assessment on the thirty-first day of 22426
July two years after the administration of the assessment. 22427

The entire content of an assessment shall become a public 22428
record within three years of its administration. 22429

The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.

Beginning with the assessments administered in the spring of the 2017-2018 school year, not less than forty per cent of the questions on each assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the corresponding statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The department is not required to provide corresponding standards and benchmarks to field test questions that are redacted under division (O)(3) of this section.

required by this section, the district shall bear the full cost of 22944
conducting the hearing and of issuing any revised report card. 22945

(7) If the department determines that any inaccurate data 22946
reported under this section caused a school district to receive 22947
excess state funds in any fiscal year, the district shall 22948
reimburse the department an amount equal to the excess funds, in 22949
accordance with a payment schedule determined by the department. 22950

be on the district to demonstrate that it made a good faith effort 22959
to report data as required by this section. 22960

previously by a nonprofit organization led by the Ohio business 23222
community for at least one year in the operation of a pilot 23223
program in cooperation with school districts to collect and report 23224
student achievement data via electronic means and to provide 23225

individual students, grade levels, school buildings, and the 23227
districts as a whole. 23228

(C) The department shall not pay more than two dollars per 23229

school building to which any of the performance measures do not 23260
apply, due to grade levels served by the building, the state board 23261

shall designate the performance measures that are applicable to 23262
the building and that must be calculated separately and used to 23263
calculate the building's overall grade. The department shall issue 23264
annual report cards reflecting the performance of each school 23265
district, each building within each district, and for the state as 23266

under section 3310.03 of the Revised Code or defining "challenged 23278
school districts" in which new start-up community schools may be 23279
located, as prescribed in section 3314.02 of the Revised Code, the 23280
department shall use the actual calculated letter grade a district 23281
or building received for each measure. 23282

(A)(1) For the 2012-2013 school year, the department shall 23283
issue grades as described in division (E) of this section for each 23284
of the following performance measures: 23285

(b) Performance index score for a school district or 23287
building. Grades shall be awarded as a percentage of the total 23288
possible points on the performance index system as adopted by the 23289
state board. In adopting benchmarks for assigning letter grades 23290
under division (A)(1)(b) of this section, the state board of 23291
education shall designate ninety per cent or higher for an "A," at 23292
least seventy per cent but not more than eighty per cent for a 23293

graded performance measure, whether as an overall measure or as a 23330
measure of separate subgroups, the grades for the measure shall be 23331
calculated in the same manner as prescribed in division (A)(1)(e) 23332
of this section. 23333

earned the college credit. The credits earned that are reported 23438
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 23439

23460
23461
23462
23463
23464

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (B)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks. 23465

Beginning with the 2019-2020 school year, the department shall not include any subgroup data in the annual measurable objectives that includes data from fewer than fifteen students.

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (C)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades for

overall score on value-added progress dimension under division 23511
(C)(1)(e) of this section, the state board shall prohibit the 23512
assigning of a grade of "A" for that measure unless the district's 23513
or building's grade assigned for value-added progress dimension 23514

"B" or higher. 23516

For the metric prescribed by division (C)(1)(e) of this 23517
section, the state board may adopt a student academic progress 23518

of the Revised Code, students with disabilities, and students 23528

achievement on a statewide basis, as determined by a method 23530
prescribed by the state board. Each subgroup shall be a separate 23531
graded measure. 23532

The state board may adopt student academic progress measures 23533
to be used instead of the value-added progress dimension. If the 23534
state board adopts such measures, it also shall prescribe a method 23535
for assigning letter grades for the new measures that is 23536
comparable to the method prescribed in division (A)(1)(e) of this 23537
section. 23538

(g) Whether a school district or building is making progress 23539

determined using a method prescribed by the state board. The state 23541
board shall adopt rules to prescribe benchmarks and standards for 23542

assigning grades to a district or building for purposes of 23543
division (C)(1)(g) of this section. The state board shall 23544
designate for a "C" grade a value that is not lower than the 23545
statewide average value for this measure. No grade shall be issued 23546
under division (C)(1)(g) of this section for a district or 23547
building in which less than five per cent of students have scored 23548
below grade level on the kindergarten diagnostic assessment under 23549
division (B)(1) of section 3313.608 of the Revised Code. 23550

(h) For a high mobility school district or building, an 23551

those students to whom the district or building has administered 23555
the assessments prescribed by section 3301.0710 of the Revised 23556
Code for each of the two most recent consecutive school years. 23557

As used in this division, "high mobility school district or 23558
building" means a school district or building where at least 23559

students who have attended that school district or building for 23561
less than one year. 23562

(2) In addition to the graded measures in division (C)(1) of 23563
this section, the department shall include on a school district's 23564
or building's report card all of the following without an assigned 23565
letter grade: 23566

(a) The percentage of students enrolled in a district or 23567
building who have taken a national standardized test used for 23568
college admission determinations and the percentage of those 23569
students who are determined to be remediation-free in accordance 23570
with the standards adopted under division (F) of section 3345.061 23571
of the Revised Code; 23572

(b) The percentage of students enrolled in a district or 23573

building participating in advanced placement classes and the 23574
percentage of those students who received a score of three or 23575
better on advanced placement examinations; 23576

(c) The percentage of a district's or building's students who 23577
have earned at least three college credits through advanced 23578
standing programs, such as the college credit plus program under 23579
Chapter 3365. of the Revised Code and state-approved 23580
career-technical courses offered through dual enrollment or 23581
statewide articulation, that appear on a student's college 23582
transcript issued by the institution of higher education from 23583
which the student earned the college credit. The credits earned 23584
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 23585
section shall not include any that are remedial or developmental 23586
and shall include those that count toward the curriculum 23587
requirements established for completion of a degree. 23588

(d) The percentage of the district's or building's students 23589
who receive an honor's diploma under division (B) of section 23590
3313.61 of the Revised Code; 23591

(e) The percentage of the district's or building's students 23592
who receive industry-recognized credentials as approved under 23593
section 3313.6113 of the Revised Code; 23594

building who are participating in an international baccalaureate 23596
program and the percentage of those students who receive a score 23597
of four or better on the international baccalaureate examinations; 23598

(g) The results of the college and career-ready assessments 23599
administered under division (B)(1) of section 3301.0712 of the 23600
Revised Code; 23601

(h) Whether the school district or building has implemented a 23602
positive behavior intervention and supports framework in 23603
compliance with the requirements of section 3319.46 of the Revised 23604

Code, notated as a "yes" or "no" answer. 23605

(3) The state board shall adopt rules pursuant to Chapter 23606
119. of the Revised Code that establish a method to assign an 23607
overall grade for a school district or school building for the 23608
2017-2018 school year and each school year thereafter. The rules 23609
shall group the performance measures in divisions (C)(1) and (2) 23610
of this section into the following components: 23611

(a) Gap closing, which shall include the performance measure 23612
in division (C)(1)(a) of this section; 23613

(b) Achievement, which shall include the performance measures 23614
in divisions (C)(1)(b) and (c) of this section; 23615

(c) Progress, which shall include the performance measures in 23616
divisions (C)(1)(e) and (f) of this section; 23617

(d) Graduation, which shall include the performance measure 23618
in division (C)(1)(d) of this section; 23619

(e) Kindergarten through third-grade literacy, which shall 23620
include the performance measure in division (C)(1)(g) of this 23621
section; 23622

(f) Prepared for success, which shall include the performance 23623
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 23624
this section. The state board shall develop a method to determine 23625
a grade for the component in division (C)(3)(f) of this section 23626
using the performance measures in divisions (C)(2)(a), (b), (c), 23627
(d), (e), and (f) of this section. When available, the state board 23628
may incorporate the performance measure under division (C)(2)(g) 23629
of this section into the component under division (C)(3)(f) of 23630
this section. When determining the overall grade for the prepared 23631
for success component prescribed by division (C)(3)(f) of this 23632
section, no individual student shall be counted in more than one 23633
performance measure. However, if a student qualifies for more than 23634
one performance measure in the component, the state board may, in 23635

its method to determine a grade for the component, specify an 23636
additional weight for such a student that is not greater than or 23637
equal to 1.0. In determining the overall score under division 23638
(C)(3)(f) of this section, the state board shall ensure that the 23639
pool of students included in the performance measures aggregated 23640
under that division are all of the students included in the four- 23641
and five-year adjusted graduation cohort. 23642

In the rules adopted under division (C)(3) of this section, 23643
the state board shall adopt a method for determining a grade for 23644
each component in divisions (C)(3)(a) to (f) of this section. The 23645
state board also shall establish a method to assign an overall 23646
grade of "A," "B," "C," "D," or "F" using the grades assigned for 23647
each component. The method the state board adopts for assigning an 23648
overall grade shall ~~give equal weight to the components in~~ 23649
~~divisions (C)(3)(b) and (c) of this section~~ use either the 23650
performance index score measure under division (C)(1)(b) or the 23651
value-added progress dimension measure under division (C)(1)(e) of 23652
this section, whichever is higher, but not both measures. The 23653
rules adopted by the state board shall prohibit the calculation of 23654
the overall grade to include both the performance index score and 23655
value-added progress dimension measures and shall ensure that a 23656
district or building receives the highest overall grade possible 23657
using the appropriate measure. However, for the purposes of 23658
prescribing new buildings where students are eligible for the 23659
educational choice scholarship under section 3310.03 of the 23660
Revised Code or defining "challenged school districts" in which 23661
new start-up community schools may be located, as prescribed in 23662
section 3314.02 of the Revised Code, the department shall use both 23663
measures to determine the overall letter grade for a district or a 23664
building. 23665

At least forty-five days prior to the state board's adoption 23666
of rules to prescribe the methods for calculating the overall 23667

grade for the report card, as required by this division, the 23668
department shall conduct a public presentation before the standing 23669
committees of the house of representatives and the senate that 23670
consider education legislation describing the format for the 23671
report card, weights that will be assigned to the components of 23672
the overall grade, and the method for calculating the overall 23673
grade. 23674

(D) On or after July 1, 2015, the state board may develop a 23675
measure of student academic progress for high school students 23676
using only data from assessments in English language arts and 23677
mathematics. If the state board develops this measure, each school 23678
district and applicable school building shall be assigned a 23679
separate letter grade for it not sooner than the 2017-2018 school 23680
year. The district's or building's grade for that measure shall 23681
not be included in determining the district's or building's 23682
overall letter grade. 23683

(E) The letter grades assigned to a school district or 23684
building under this section shall be as follows: 23685

(1) "A" for a district or school making excellent progress; 23686

(2) "B" for a district or school making above average 23687
progress; 23688

(3) "C" for a district or school making average progress; 23689

(4) "D" for a district or school making below average 23690
progress; 23691

(5) "F" for a district or school failing to meet minimum 23692
progress. 23693

(F) When reporting data on student achievement and progress, 23694
the department shall disaggregate that data according to the 23695
following categories: 23696

(1) Performance of students by grade-level; 23697

(2) Performance of students by race and ethnic group;	23698
(3) Performance of students by gender;	23699
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	23700 23701
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	23702 23703 23704
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	23705 23706
(7) Performance of students grouped by those who are economically disadvantaged;	23707 23708
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	23709 23710 23711
(9) Performance of students grouped by those who are classified as limited English proficient <u>learners</u> ;	23712 23713
(10) Performance of students grouped by those who have disabilities;	23714 23715
(11) Performance of students grouped by those who are classified as migrants;	23716 23717
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	23718 23719 23720 23721 23722 23723 23724 23725 23726
(13) Performance of students grouped by those who perform in	23727

the lowest quintile for achievement on a statewide basis, as 23728
determined by a method prescribed by the state board. 23729

The department may disaggregate data on student performance 23730
according to other categories that the department determines are 23731
appropriate. To the extent possible, the department shall 23732
disaggregate data on student performance according to any 23733
combinations of two or more of the categories listed in divisions 23734
(F)(1) to (13) of this section that it deems relevant. 23735

In reporting data pursuant to division (F) of this section, 23736
the department shall not include in the report cards any data 23737
statistical in nature that is statistically unreliable or that 23738
could result in the identification of individual students. For 23739
this purpose, the department shall not report student performance 23740
data for any group identified in division (F) of this section that 23741
contains less than ten students. If the department does not report 23742
student performance data for a group because it contains less than 23743
ten students, the department shall indicate on the report card 23744
that is why data was not reported. 23745

(G) The department may include with the report cards any 23746
additional education and fiscal performance data it deems 23747
valuable. 23748

(H) The department shall include on each report card a list 23749
of additional information collected by the department that is 23750
available regarding the district or building for which the report 23751
card is issued. When available, such additional information shall 23752
include student mobility data disaggregated by race and 23753
socioeconomic status, college enrollment data, and the reports 23754
prepared under section 3302.031 of the Revised Code. 23755

The department shall maintain a site on the world wide web. 23756
The report card shall include the address of the site and shall 23757
specify that such additional information is available to the 23758

public at that site. The department shall also provide a copy of 23759
each item on the list to the superintendent of each school 23760
district. The district superintendent shall provide a copy of any 23761
item on the list to anyone who requests it. 23762

(I)(1)(a) Except as provided in division (I)(1)(b) of this 23763
section, for any district that sponsors a conversion community 23764
school under Chapter 3314. of the Revised Code, the department 23765
shall combine data regarding the academic performance of students 23766
enrolled in the community school with comparable data from the 23767
schools of the district for the purpose of determining the 23768
performance of the district as a whole on the report card issued 23769
for the district under this section or section 3302.033 of the 23770
Revised Code. 23771

(b) The department shall not combine data from any conversion 23772
community school that a district sponsors if a majority of the 23773
students enrolled in the conversion community school are enrolled 23774
in a dropout prevention and recovery program that is operated by 23775
the school, as described in division (A)~~(4)~~(2)(a) of section 23776
3314.35 of the Revised Code. The department shall include as an 23777
addendum to the district's report card the ratings and performance 23778
measures that are required under section 3314.017 of the Revised 23779
Code for any community school to which division (I)(1)(b) of this 23780
section applies. This addendum shall include, at a minimum, the 23781
data specified in divisions (C)(1)(a), (C)(2), and (C)(3) of 23782
section 3314.017 of the Revised Code. 23783

(2) Any district that leases a building to a community school 23784
located in the district or that enters into an agreement with a 23785
community school located in the district whereby the district and 23786
the school endorse each other's programs may elect to have data 23787
regarding the academic performance of students enrolled in the 23788
community school combined with comparable data from the schools of 23789
the district for the purpose of determining the performance of the 23790

district as a whole on the district report card. Any district that 23791
so elects shall annually file a copy of the lease or agreement 23792
with the department. 23793

(3) Any municipal school district, as defined in section 23794
3311.71 of the Revised Code, that sponsors a community school 23795
located within the district's territory, or that enters into an 23796
agreement with a community school located within the district's 23797
territory whereby the district and the community school endorse 23798
each other's programs, may exercise either or both of the 23799
following elections: 23800

(a) To have data regarding the academic performance of 23801
students enrolled in that community school combined with 23802
comparable data from the schools of the district for the purpose 23803
of determining the performance of the district as a whole on the 23804
district's report card; 23805

(b) To have the number of students attending that community 23806
school noted separately on the district's report card. 23807

The election authorized under division (I)(3)(a) of this 23808
section is subject to approval by the governing authority of the 23809
community school. 23810

Any municipal school district that exercises an election to 23811
combine or include data under division (I)(3) of this section, by 23812
the first day of October of each year, shall file with the 23813
department documentation indicating eligibility for that election, 23814
as required by the department. 23815

(J) The department shall include on each report card the 23816
percentage of teachers in the district or building who are 23817
properly certified or licensed teachers, as defined in section 23818
3319.074 of the Revised Code, and a comparison of that percentage 23819
with the percentages of such teachers in similar districts and 23820
buildings. 23821

(K)(1) In calculating English language arts, mathematics, or science assessment passage rates used to determine school district or building performance under this section, the department shall include all students taking an assessment with accommodation or to whom an alternate assessment is administered pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code.

(2) In calculating performance index scores, rates of achievement on the performance indicators established by the state board under section 3302.02 of the Revised Code, and annual measurable objectives for determining adequate yearly progress for school districts and buildings under this section, the department shall do all of the following:

(a) Include for each district or building only those students who are included in the ADM certified for the first full school week of October and are continuously enrolled in the district or building through the time of the spring administration of any assessment prescribed by division (A)(1) or (B)(1) of section 3301.0710 or division (B) of section 3301.0712 of the Revised Code that is administered to the student's grade level;

(b) Include cumulative totals from both the fall and spring administrations of the third grade English language arts achievement assessment;

(c) Except as required by the No Child Left Behind Act of 2001, exclude for each district or building any ~~limited~~ English ~~proficient student~~ learner who has been enrolled in United States schools for less than one full school year.

(L) Beginning with the 2015-2016 school year and at least once every three years thereafter, the state board of education shall review and may adjust the benchmarks for assigning letter grades to the performance measures and components prescribed under divisions (C)(3) and (D) of this section.

Sec. 3302.036. (A) Notwithstanding anything in the Revised Code to the contrary, the department of education shall not assign an overall letter grade under division (C)(3) of section 3302.03 of the Revised Code for any school district or building for the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years, may, at the discretion of the state board of education, not assign an individual grade to any component prescribed under division (C)(3) of section 3302.03 of the Revised Code, and shall not rank school districts, community schools established under Chapter 3314. of the Revised Code, or STEM schools established under Chapter 3326. of the Revised Code under section 3302.21 of the Revised Code for those school years. The report card ratings issued for the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years shall not be considered in determining whether a school district or a school is subject to sanctions or penalties. However, the report card ratings of any previous or subsequent years shall be considered in determining whether a school district or building is subject to sanctions or penalties. Accordingly, the report card ratings for the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years shall have no effect in determining sanctions or penalties, but shall not create a new starting point for determinations that are based on ratings over multiple years.

(B) The provisions from which a district or school is exempt under division (A) of this section shall be the following:

(1) Any restructuring provisions established under this chapter, except as required under the "No Child Left Behind Act of 2001";

(2) Provisions for the Columbus city school pilot project under section 3302.042 of the Revised Code;

~~(3) Provisions for academic distress commissions under former section 3302.10 of the Revised Code as it existed prior to the~~

~~effective date of this amendment. The provisions of this section 23884
do not apply to academic distress commissions under the version of 23885
that section as it exists on or after the effective date of this 23886
amendment. 23887~~

~~(4)~~ Provisions prescribing new buildings where students are 23888
eligible for the educational choice scholarships under section 23889
3310.03 of the Revised Code; 23890

~~(5)~~(4) Provisions defining "challenged school districts" in 23891
which new start-up community schools may be located, as prescribed 23892
in section 3314.02 of the Revised Code; 23893

~~(6)~~(5) Provisions prescribing community school closure 23894
requirements under section 3314.35 or 3314.351 of the Revised 23895
Code. 23896

(C) Notwithstanding anything in the Revised Code to the 23897
contrary and except as provided in Section 3 of H.B. 7 of the 23898
131st general assembly, no school district, community school, or 23899
STEM school shall utilize at any time during a student's academic 23900
career a student's score on any assessment administered under 23901
division (A) of section 3301.0710 or division (B)(2) of section 23902
3301.0712 of the Revised Code in the 2014-2015, 2015-2016, ~~or~~ and 23903
2016-2017 school ~~year~~ years as a factor in any decision to promote 23904
or to deny the student promotion to a higher grade level or in any 23905
decision to grant course credit. No individual student score 23906
reports on such assessments administered in the 2014-2015, 23907
2015-2016, or 2016-2017 school years shall be released, except to 23908
a student's school district or school or to the student or the 23909
student's parent or guardian. 23910

Sec. 3302.037. (A) If any change is made to the calculation 23911
or determination of grades, or to the graded measures, on the 23912
report card issued under section 3302.03 of the Revised Code, the 23913
report card ratings issued for the school year in which the change 23914

takes effect shall not be considered in determining whether a 23915
school district or a school is subject to sanctions or penalties. 23916
Furthermore, the report card ratings of any previous years shall 23917
not be considered in determining whether a school district or 23918
building is subject to sanctions or penalties. Accordingly, the 23919
change in report card shall create a new starting point for 23920
determinations that are based on ratings over multiple years. 23921

(B) The provisions for which a district or school's rating 23922
are reset under division (A) of this section include the 23923
following: 23924

(1) Any restructuring provisions established under this 23925
chapter, except as required under federal law; 23926

(2) Provisions for the Columbus city school pilot project 23927
under section 3302.042 of the Revised Code; 23928

(3) Provisions for academic distress commissions under 23929
section 3302.10 of the Revised Code; 23930

(4) Provisions prescribing community school closure 23931
requirements under section 3314.35 or 3314.351 of the Revised 23932
Code. 23933

(C) This section does not apply to either of the following: 23934

(1) Provisions prescribing new buildings where students are 23935
eligible for the educational choice scholarships under section 23936
3310.03 of the Revised Code; 23937

(2) Provisions defining "challenged school districts" in 23938
which new start-up community schools may be located, as prescribed 23939
in section 3314.02 of the Revised Code. 23940

Sec. 3302.038. (A) Notwithstanding anything in the Revised 23941
Code to the contrary, when a school district's or school's grade 23942
for the value-added progress dimension or the performance index 23943
score calculated under section 3302.03 of the Revised Code is 23944

considered in determining whether a school district or a school is 23945
subject to sanctions or penalties on or after the effective date 23946
of this section, the department of education shall apply the 23947
higher grade of the two measures, regardless of which measure is 23948
specified. At no time shall both grades be used to determine any 23949
sanctions or penalties. 23950

(B) This section does not apply to either of the following: 23951

(1) Provisions prescribing new buildings where students are 23952
eligible for the educational choice scholarships under section 23953
3310.03 of the Revised Code; 23954

(2) Provisions defining "challenged school districts" in 23955
which new start-up community schools may be located, as prescribed 23956
in section 3314.02 of the Revised Code. 23957

Sec. 3302.039. (A) If the department of education fails to 23958
assign report card ratings by the date required under section 23959
3302.03 of the Revised Code or sponsor ratings by the date 23960
required under section 3314.016 of the Revised Code, the report 23961
card ratings or sponsor ratings issued for the school year in 23962
which the department misses the deadline shall not be considered 23963
in determining whether a school district or building is subject to 23964
sanctions or penalties. Furthermore, the report card ratings or 23965
sponsor ratings of any previous years shall not be considered in 23966
determining whether a school district, building, or sponsor is 23967
subject to sanctions or penalties. Accordingly, the missed 23968
deadline shall create a new starting point for determinations that 23969
are based on ratings over multiple years. 23970

(B) This section does not apply to either of the following: 23971

(1) Provisions prescribing new buildings where students are 23972
eligible for the educational choice scholarships under section 23973
3310.03 of the Revised Code; 23974

(2) Provisions defining "challenged school districts" in 23975
which new start-up community schools may be located, as prescribed 23976
in section 3314.02 of the Revised Code. 23977

Sec. 3302.042. (A) This section shall operate as a pilot 23978
project that applies to any school that has been ranked according 23979
to performance index score under section 3302.21 of the Revised 23980
Code in the lowest five per cent of all public school buildings 23981
statewide for three or more consecutive school years and is 23982
operated by the Columbus city school district. This section does 23983
not apply to a school building that is ranked according to the 23984
value-added progress dimension under section 3302.03 of the 23985
Revised Code above the lowest five per cent of all public school 23986
buildings statewide for three or more consecutive years. The pilot 23987

prescribed under divisions (A) to (F) of section 3313.41 of the 25264
Revised Code. 25265

(C) Notwithstanding anything to the contrary in sections 25266
3313.41 and 3313.411 of the Revised Code, the purchase price of 25267
any real property sold to any of the entities in accordance with 25268
division (B) of this section shall not be more than the appraised 25269
fair market value of that property as determined in an appraisal 25270
of the property that is not more than one year old. 25271

(D) Not later than the first day of October of each year, the 25272
department of education shall post in a prominent location on its 25273
web site a list of schools that qualify as high-performing 25274
community schools for purposes of this section and section 25275
3313.411 of the Revised Code. 25276

Sec. 3313.5315. Any student from a country or province 25277
outside the United States, who attends an elementary or secondary 25278
school in this state ~~that began operating a dormitory on its~~ 25279
~~campus prior to 2014,~~ shall be permitted to participate in 25280
interscholastic athletics at that school on the same basis as 25281
students who are residents of this state, so long as the student 25282
holds an F-1 visa issued by the United States department of state. 25283
Such a student shall not be denied the opportunity to participate 25284
in interscholastic athletics solely because the student's parents 25285
do not reside in this state. 25286

No school district, school, interscholastic conference, or 25287
organization that regulates interscholastic conferences or events 25288
shall have a rule, bylaw, or other regulation that conflicts with 25289
this section. 25290

(B) Beginning September 15, 2001, except as required in division (C) of this section and division (C) of section 3313.614 of the Revised Code, the requirements for graduation from every high school shall include twenty units earned in grades nine through twelve and shall be distributed as follows:

(1) English language arts, four units;

(2) Health, one-half unit;

(a) American history, one-half unit;

(b) American government, one-half unit.

(7) Social studies, two units.

Beginning with students who enter ninth grade for the first

time on or after July 1, 2017, the two units of instruction 25321
prescribed by division (B)(7) of this section shall include at 25322
least one-half unit of instruction in the study of world history 25323
and civilizations. 25324

(8) Elective units, seven units until September 15, 2003, and 25325
six units thereafter. 25326

Each student's electives shall include at least one unit, or 25327
two half units, chosen from among the areas of 25328
business/technology, fine arts, and/or foreign language. 25329

(C) Beginning with students who enter ninth grade for the 25330
first time on or after July 1, 2010, except as provided in 25331
divisions (D) to (F) of this section, the requirements for 25332
graduation from every public and chartered nonpublic high school 25333
shall include twenty units that are designed to prepare students 25334
for the workforce and college. The units shall be distributed as 25335
follows: 25336

(1) English language arts, four units; 25337

algebra II or the equivalent of algebra II, or one unit of 25342
advanced computer science as described in the standards adopted 25343
pursuant to division (A)(4) of section 3301.079 of the Revised 25344
Code. However, students who enter ninth grade for the first time 25345
on or after July 1, 2015, and who are pursuing a career-technical 25346
instructional track shall not be required to take algebra II or 25347
advanced computer science, and instead may complete a career-based 25348
pathway mathematics course approved by the department of education 25349
as an alternative. 25350

For students who choose to take advanced computer science in 25351

lieu of algebra II under division (C)(3) of this section, the 25352
school shall communicate to those students that some institutions 25353
of higher education may require algebra II for the purpose of 25354
college admission. Also, the parent, guardian, or legal custodian 25355
of each student who chooses to take advanced computer science in 25356
lieu of algebra II shall sign and submit to the school a document 25357
containing a statement acknowledging that not taking algebra II 25358
may have an adverse effect on college admission decisions. 25359

(4) Physical education, one-half unit; 25360

(5) Science, three units with inquiry-based laboratory 25361
experience that engages students in asking valid scientific 25362
questions and gathering and analyzing information, which shall 25363
include the following, or their equivalent: 25364

(a) Physical sciences, one unit; 25365

(b) Life sciences, one unit; 25366

(c) Advanced study in one or more of the following sciences, 25367

(iii) Astronomy, physical geology, or other earth or space 25371
science; 25372

(iv) Computer science. 25373

No student shall substitute a computer science course for a 25374
life sciences or biology course under division (C)(5) of this 25375
section. 25376

(6) History and government, one unit, which shall comply with 25377
division (M) of this section and shall include both of the 25378
following: 25379

(a) American history, one-half unit; 25380

(b) American government, one-half unit. 25381

(7) Social studies, two units. 25382

Each school shall integrate the study of economics and 25383
financial literacy, as expressed in the social studies academic 25384
content standards adopted by the state board of education under 25385
division (A)(1) of section 3301.079 of the Revised Code and the 25386
academic content standards for financial literacy and 25387
entrepreneurship adopted under division (A)(2) of that section, 25388
into one or more existing social studies credits required under 25389
division (C)(7) of this section, or into the content of another 25390
class, so that every high school student receives instruction in 25391
those concepts. In developing the curriculum required by this 25392
paragraph, schools shall use available public-private partnerships 25393
and resources and materials that exist in business, industry, and 25394
through the centers for economics education at institutions of 25395
higher education in the state. 25396

Beginning with students who enter ninth grade for the first 25397
time on or after July 1, 2017, the two units of instruction 25398
prescribed by division (C)(7) of this section shall include at 25399
least one-half unit of instruction in the study of world history 25400
and civilizations. 25401

(8) Five units consisting of one or any combination of 25402
foreign language, fine arts, business, career-technical education, 25403
family and consumer sciences, technology which may include 25404
computer science, agricultural education, a junior reserve officer 25405
training corps (JROTC) program approved by the congress of the 25406
United States under title 10 of the United States Code, or English 25407
language arts, mathematics, science, or social studies courses not 25408
otherwise required under division (C) of this section. 25409

Ohioans must be prepared to apply increased knowledge and 25410
skills in the workplace and to adapt their knowledge and skills 25411

quickly to meet the rapidly changing conditions of the 25412
twenty-first century. National studies indicate that all high 25413
school graduates need the same academic foundation, regardless of 25414
the opportunities they pursue after graduation. The goal of Ohio's 25415
system of elementary and secondary education is to prepare all 25416
students for and seamlessly connect all students to success in 25417
life beyond high school graduation, regardless of whether the next 25418
step is entering the workforce, beginning an apprenticeship, 25419
engaging in post-secondary training, serving in the military, or 25420
pursuing a college degree. 25421

The requirements for graduation prescribed in division (C) of 25422
this section are the standard expectation for all students 25423
entering ninth grade for the first time at a public or chartered 25424
nonpublic high school on or after July 1, 2010. A student may 25425
satisfy this expectation through a variety of methods, including, 25426
but not limited to, integrated, applied, career-technical, and 25427
traditional coursework. 25428

Stronger coordination between high schools and institutions 25429
of higher education is necessary to prepare students for more 25430
challenging academic endeavors and to lessen the need for academic 25431
remediation in college, thereby reducing the costs of higher 25432
education for Ohio's students, families, and the state. The state 25433
board and the chancellor of higher education shall develop 25434
policies to ensure that only in rare instances will students who 25435
complete the requirements for graduation prescribed in division 25436
(C) of this section require academic remediation after high 25437
school. 25438

School districts, community schools, and chartered nonpublic 25439
schools shall integrate technology into learning experiences 25440
across the curriculum in order to maximize efficiency, enhance 25441
learning, and prepare students for success in the 25442
technology-driven twenty-first century. Districts and schools 25443

shall use distance and web-based course delivery as a method of 25444
providing or augmenting all instruction required under this 25445
division, including laboratory experience in science. Districts 25446
and schools shall utilize technology access and electronic 25447
learning opportunities provided by the broadcast educational media 25448
commission, chancellor, the Ohio learning network, education 25449
technology centers, public television stations, and other public 25450
and private providers. 25451

(D) Except as provided in division (E) of this section, a 25452
student who enters ninth grade on or after July 1, 2010, and 25453
before July 1, 2016, may qualify for graduation from a public or 25454
chartered nonpublic high school even though the student has not 25455
completed the requirements for graduation prescribed in division 25456
(C) of this section if all of the following conditions are 25457
satisfied: 25458

(1) During the student's third year of attending high school, 25459
as determined by the school, the student and the student's parent, 25460
guardian, or custodian sign and file with the school a written 25461
statement asserting the parent's, guardian's, or custodian's 25462
consent to the student's graduating without completing the 25463
requirements for graduation prescribed in division (C) of this 25464
section and acknowledging that one consequence of not completing 25465
those requirements is ineligibility to enroll in most state 25466
universities in Ohio without further coursework. 25467

(2) The student and parent, guardian, or custodian fulfill 25468
any procedural requirements the school stipulates to ensure the 25469
student's and parent's, guardian's, or custodian's informed 25470
consent and to facilitate orderly filing of statements under 25471
division (D)(1) of this section. Annually, each district or school 25472
shall notify the department of the number of students who choose 25473
to qualify for graduation under division (D) of this section and 25474
the number of students who complete the student's success plan and 25475

graduate from high school.	25476
(3) The student and the student's parent, guardian, or	25477
custodian and a representative of the student's high school	25478
jointly develop a student success plan for the student in the	25479
manner described in division (C)(1) of section 3313.6020 of the	25480
Revised Code that specifies the student matriculating to a	25481
two-year degree program, acquiring a business and	25482
industry-recognized credential, or entering an apprenticeship.	25483
(4) The student's high school provides counseling and support	25484
for the student related to the plan developed under division	25485
(D)(3) of this section during the remainder of the student's high	25486
school experience.	25487
(5)(a) Except as provided in division (D)(5)(b) of this	25488
section, the student successfully completes, at a minimum, the	25489
curriculum prescribed in division (B) of this section.	25490
(b) Beginning with students who enter ninth grade for the	25491
first time on or after July 1, 2014, a student shall be required	25492
to complete successfully, at the minimum, the curriculum	25493
prescribed in division (B) of this section, except as follows:	25494
(i) Mathematics, four units, one unit which shall be one of	25495
the following:	25496
(I) Probability and statistics;	25497
(II) Computer science;	25498
(III) Applied mathematics or quantitative reasoning;	25499
(IV) Any other course approved by the department using	25500
standards established by the superintendent not later than October	25501
1, 2014.	25502
(ii) Elective units, five units;	25503
(iii) Science, three units as prescribed by division (B) of	25504
this section which shall include inquiry-based laboratory	25505

experience that engages students in asking valid scientific 25506
questions and gathering and analyzing information. 25507

The department, in collaboration with the chancellor, shall 25508
analyze student performance data to determine if there are 25509
mitigating factors that warrant extending the exception permitted 25510
by division (D) of this section to high school classes beyond 25511
those entering ninth grade before July 1, 2016. The department 25512
shall submit its findings and any recommendations not later than 25513
December 1, 2015, to the speaker and minority leader of the house 25514
of representatives, the president and minority leader of the 25515
senate, the chairpersons and ranking minority members of the 25516
standing committees of the house of representatives and the senate 25517
that consider education legislation, the state board of education, 25518
and the superintendent of public instruction. 25519

(E) Each school district and chartered nonpublic school 25520
retains the authority to require an even more challenging minimum 25521
curriculum for high school graduation than specified in division 25522
(B) or (C) of this section. A school district board of education, 25523
through the adoption of a resolution, or the governing authority 25524
of a chartered nonpublic school may stipulate any of the 25525
following: 25526

(1) A minimum high school curriculum that requires more than 25527
twenty units of academic credit to graduate; 25528

(2) An exception to the district's or school's minimum high 25529
school curriculum that is comparable to the exception provided in 25530
division (D) of this section but with additional requirements, 25531
which may include a requirement that the student successfully 25532
complete more than the minimum curriculum prescribed in division 25533
(B) of this section; 25534

(3) That no exception comparable to that provided in division 25535
(D) of this section is available. 25536

If a school district or chartered nonpublic school requires a foreign language as an additional graduation requirement under division (E) of this section, a student may apply one unit of instruction in computer coding to satisfy one unit of foreign language. If a student applies more than one computer coding course to satisfy the foreign language requirement, the courses shall be sequential and progressively more difficult.

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:

(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.

(3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division (D)(5) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops a student success plan for the

student in the manner described in division (C)(1) of section 25568
3313.6020 of the Revised Code that specifies the student's 25569
matriculating to a two-year degree program, acquiring a business 25570
and industry-recognized credential, or entering an apprenticeship. 25571

(5) The program provides counseling and support for the 25572
student related to the plan developed under division (F)(4) of 25573
this section during the remainder of the student's high school 25574
experience. 25575

(6) The program requires the student and the student's 25576
parent, guardian, or custodian to sign and file, in accordance 25577
with procedural requirements stipulated by the program, a written 25578
statement asserting the parent's, guardian's, or custodian's 25579
consent to the student's graduating without completing the 25580
requirements for graduation prescribed in division (C) of this 25581
section and acknowledging that one consequence of not completing 25582
those requirements is ineligibility to enroll in most state 25583
universities in Ohio without further coursework. 25584

(7) Prior to receiving the waiver, the program has submitted 25585
to the department an instructional plan that demonstrates how the 25586
academic content standards adopted by the state board under 25587
section 3301.079 of the Revised Code will be taught and assessed. 25588

(8) Prior to receiving the waiver, the program has submitted 25589
to the department a policy on career advising that satisfies the 25590
requirements of section 3313.6020 of the Revised Code, with an 25591
emphasis on how every student will receive career advising. 25592

(9) Prior to receiving the waiver, the program has submitted 25593
to the department a written agreement outlining the future 25594
cooperation between the program and any combination of local job 25595
training, postsecondary education, nonprofit, and health and 25596
social service organizations to provide services for students in 25597
the program and their families. 25598

Divisions (F)(8) and (9) of this section apply only to 25599
waivers granted on or after July 1, 2015. 25600

If the department does not act either to grant the waiver or 25601
to reject the program application for the waiver within sixty days 25602
as required under this section, the waiver shall be considered to 25603
be granted. 25604

(G) Every high school may permit students below the ninth 25605
grade to take advanced work. If a high school so permits, it shall 25606
award high school credit for successful completion of the advanced 25607
work and shall count such advanced work toward the graduation 25608
requirements of division (B) or (C) of this section if the 25609
advanced work was both: 25610

(1) Taught by a person who possesses a license or certificate 25611
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 25612
Code that is valid for teaching high school; 25613

(2) Designated by the board of education of the city, local, 25614
or exempted village school district, the board of the cooperative 25615
education school district, or the governing authority of the 25616
chartered nonpublic school as meeting the high school curriculum 25617
requirements. 25618

Each high school shall record on the student's high school 25619
transcript all high school credit awarded under division (G) of 25620
this section. In addition, if the student completed a seventh- or 25621
eighth-grade fine arts course described in division (K) of this 25622
section and the course qualified for high school credit under that 25623
division, the high school shall record that course on the 25624
student's high school transcript. 25625

(H) The department shall make its individual academic career 25626
plan available through its Ohio career information system web site 25627
for districts and schools to use as a tool for communicating with 25628
and providing guidance to students and families in selecting high 25629

school courses. 25630

(I) A school district or chartered nonpublic school may 25631
integrate academic content in a subject area for which the state 25632
board has adopted standards under section 3301.079 of the Revised 25633
Code into a course in a different subject area, including a 25634
career-technical education course, in accordance with guidance for 25635
integrated coursework developed by the department. Upon successful 25636
completion of an integrated course, a student may receive credit 25637
for both subject areas that were integrated into the course. Units 25638
earned for subject area content delivered through integrated 25639
academic and career-technical instruction are eligible to meet the 25640
graduation requirements of division (B) or (C) of this section. 25641

For purposes of meeting graduation requirements, if an 25642
end-of-course examination has been prescribed under section 25643
3301.0712 of the Revised Code for the subject area delivered 25644
through integrated instruction, the school district or school may 25645
administer the related subject area examinations upon the 25646
student's completion of the integrated course. 25647

Nothing in division (I) of this section shall be construed to 25648
excuse any school district, chartered nonpublic school, or student 25649
from any requirement in the Revised Code related to curriculum, 25650
assessments, or the awarding of a high school diploma. 25651

(J)(1) The state board, in consultation with the chancellor, 25652
shall adopt a statewide plan implementing methods for students to 25653
earn units of high school credit based on a demonstration of 25654
subject area competency, instead of or in combination with 25655
completing hours of classroom instruction. The state board shall 25656
adopt the plan not later than March 31, 2009, and commence phasing 25657
in the plan during the 2009-2010 school year. The plan shall 25658
include a standard method for recording demonstrated proficiency 25659
on high school transcripts. Each school district and community 25660
school shall comply with the state board's plan adopted under this 25661

division and award units of high school credit in accordance with 25662
the plan. The state board may adopt existing methods for earning 25663
high school credit based on a demonstration of subject area 25664
competency as necessary prior to the 2009-2010 school year. 25665

(2) Not later than December 31, 2015, the state board shall 25666
update the statewide plan adopted pursuant to division (J)(1) of 25667
this section to also include methods for students enrolled in 25668
seventh and eighth grade to meet curriculum requirements based on 25669
a demonstration of subject area competency, instead of or in 25670
combination with completing hours of classroom instruction. 25671
Beginning with the 2017-2018 school year, each school district and 25672
community school also shall comply with the updated plan adopted 25673
pursuant to this division and permit students enrolled in seventh 25674
and eighth grade to meet curriculum requirements based on subject 25675
area competency in accordance with the plan. 25676

(3) Not later than December 31, 2017, the department shall 25677
develop a framework for school districts and community schools to 25678
use in granting units of high school credit to students who 25679
demonstrate subject area competency through work-based learning 25680
experiences, internships, or cooperative education. Beginning with 25681
the 2018-2019 school year, each district and community school 25682
shall comply with the framework. Each district and community 25683
school also shall review any policy it has adopted regarding the 25684
demonstration of subject area competency to identify ways to 25685
incorporate work-based learning experiences, internships, and 25686
cooperative education into the policy in order to increase student 25687
engagement and opportunities to earn units of high school credit. 25688

(K) This division does not apply to students who qualify for 25689
graduation from high school under division (D) or (F) of this 25690
section, or to students pursuing a career-technical instructional 25691
track as determined by the school district board of education or 25692
the chartered nonpublic school's governing authority. 25693

Nevertheless, the general assembly encourages such students to 25694
consider enrolling in a fine arts course as an elective. 25695

Beginning with students who enter ninth grade for the first 25696
time on or after July 1, 2010, each student enrolled in a public 25697
or chartered nonpublic high school shall complete two semesters or 25698
the equivalent of fine arts to graduate from high school. The 25699
coursework may be completed in any of grades seven to twelve. Each 25700
student who completes a fine arts course in grade seven or eight 25701
may elect to count that course toward the five units of electives 25702
required for graduation under division (C)(8) of this section, if 25703
the course satisfied the requirements of division (G) of this 25704
section. In that case, the high school shall award the student 25705
high school credit for the course and count the course toward the 25706
five units required under division (C)(8) of this section. If the 25707

the case of a student who has participated in the junior reserve officer training corps for at least two full school years, credit received for that participation may be used to satisfy the requirement to complete one-half unit in another course of study.

parents and the district in knowing when a student is reading at 25872
or above grade level and ready for promotion. 25873

(b) Provide intensive reading instruction services and 25874

each school district to establish a breakfast program in every 26521
school in which the parents of at least one-half of the children 26522

enrolled in the school have requested that the breakfast program 26523
be established. The board of education required to establish a 26524
program under this division may make a charge in accordance with 26525
federal requirements for each meal to cover all or part of the 26526
costs incurred in establishing such a program. 26527

A breakfast program established under division (C)(1) or (2) 26528
of this section shall be operated in accordance with section 26529
3313.818 of the Revised Code in any school meeting the conditions 26530
prescribed by that section. 26531

(3) The state board shall require the board of education in 26532
each school district to establish one of the following for summer 26533
intervention services described in division (D) of section 26534
3301.0711 or provided under section 3313.608 of the Revised Code, 26535
and any other summer intervention program required by law: 26536

(a) An extension of the school breakfast program pursuant to 26537
the "National School Lunch Act" and the "Child Nutrition Act of 26538
1966"; 26539

(b) An extension of the school lunch program pursuant to 26540
those acts; 26541

(c) A summer food service program pursuant to those acts. 26542

(4)(a) If the board of education of a school district 26543
determines that, for financial reasons, it cannot comply with 26544
division (C)(1) or (3) of this section, the district board may 26545
choose not to comply with either or both divisions, except as 26546
provided in divisions (C)(4)(b) and (c) of this section. The 26547
district board publicly shall communicate to the residents of the 26548
district, in the manner it determines appropriate, its decision 26549
not to comply. 26550

(b) If a district board chooses not to comply with division 26551
(C)(1) of this section, the state board nevertheless shall require 26552
the district board to establish a breakfast program in every 26553

school where at least one-third of the pupils in the school are 26554
eligible under federal requirements for free breakfasts and to 26555
establish a lunch program in every school where at least one-third 26556
of the pupils are eligible for free lunches. The district board 26557
may make a charge in accordance with federal requirements for each 26558
reduced price breakfast or paid breakfast to cover the cost 26559
incurred in providing that meal. 26560

(c) If the board of education of a school district chooses 26561
not to comply with division (C)(3) of this section, the state 26562
board nevertheless shall require the district board to permit an 26563
approved summer food service program sponsor to use school 26564
facilities located in a school building attendance area where at 26565
least one-half of the pupils are eligible for free lunches. 26566

The department of education shall post in a prominent 26567
location on the department's web site a list of approved summer 26568
food service program sponsors that may use school facilities under 26569
this division. 26570

Subject to the provisions of sections 3313.75 and 3313.77 of 26571
the Revised Code, a school district may charge the summer food 26572
service program sponsor a reasonable fee for the use of school 26573
facilities that may include the actual cost of custodial services, 26574
charges for the use of school equipment, and a prorated share of 26575
the utility costs as determined by the district board. A school 26576
district shall require the summer food service program sponsor to 26577
indemnify and hold harmless the district from any potential 26578
liability resulting from the operation of the summer food service 26579
program under this division. For this purpose, the district shall 26580
either add the summer food service program sponsor, as an 26581
additional insured party, to the district's existing liability 26582
insurance policy or require the summer food service program 26583
sponsor to submit evidence of a separate liability insurance 26584
policy, for an amount approved by the district board. The summer 26585

food service program sponsor shall be responsible for any costs 26586
incurred in obtaining coverage under either option. 26587

(d) If a school district cannot for good cause comply with 26588
the requirements of division (C)(2) or (4)(b) or (c) of this 26589
section at the time the state board determines that a district is 26590
subject to these requirements, the state board shall grant a 26591
reasonable extension of time. Good cause for an extension of time 26592
shall include, but need not be limited to, economic impossibility 26593
of compliance with the requirements at the time the state board 26594
determines that a district is subject to them. 26595

(D)(1) The state board shall accept the application of any 26596
outdoor education center in the state making application for 26597
participation in a program pursuant to division (B) of this 26598
section. 26599

(2) For purposes of participation in any program pursuant to 26600
this section, the board shall certify any outdoor education center 26601
making application as an educational unit that is part of the 26602
educational system of the state, if the center: 26603

(a) Meets the definition of an outdoor education center; 26604

(b) Provides its outdoor education curriculum to pupils on an 26605
overnight basis so that pupils are in residence at the center for 26606
more than twenty-four consecutive hours; 26607

(c) Operates under public or nonprofit private ownership in a 26608
single building or complex of buildings. 26609

(3) The board shall approve any outdoor education center 26610
certified under this division for participation in the program for 26611
which the center is making application on the same basis as any 26612
other applicant for that program. 26613

(E) Any school district board of education or chartered 26614
nonpublic school that participates in a breakfast program pursuant 26615

to this section may offer breakfast to pupils in their classrooms 26616
during the school day. However, any school that is subject to 26617
section 3313.818 of the Revised Code shall offer breakfast to 26618
pupils in accordance with that section. 26619

(F) Notwithstanding anything in this section to the contrary, 26620
in each fiscal year in which the general assembly appropriates 26621
funds for purposes of this division, the board of education of 26622
each school district and each chartered nonpublic school that 26623
participates in a breakfast program pursuant to this section shall 26624
provide a breakfast free of charge to each pupil who is eligible 26625
under federal requirements for a reduced price breakfast. 26626

Sec. 3313.818. (A)(1) The department of education shall 26627
establish a program under which public schools that meet the 26628
conditions prescribed in this section shall offer breakfast to all 26629
students during the school day. Each of the following shall apply: 26630

(a) In the first school year after the effective date of this 26631
section, the program shall apply to any public school in which 26632
seventy per cent or more of the students enrolled in the school 26633
during the previous school year were eligible under federal 26634
requirements for free or reduced-price breakfasts or lunches. 26635

(b) In the second school year after the effective date of 26636
this section, the program shall apply to any public school in 26637
which sixty per cent or more of the students enrolled in the 26638
school during the previous school year were eligible under federal 26639
requirements for free or reduced-price breakfasts or lunches. 26640

(c) In the third school year after the enactment date of this 26641
section and every school year thereafter, the program shall apply 26642
to any public school in which fifty per cent or more of the 26643
students enrolled in the school during the previous school year 26644
were eligible under federal requirements for free or reduced-price 26645
breakfasts or lunches. 26646

(2) In each school that meets the standards prescribed in 26647
division (A)(1) of this section, efforts shall be made to increase 26648
student participation in that school's breakfast program to at 26649
least seventy per cent of the school's free or reduced-price lunch 26650
participation rate. 26651

(3) The district superintendent or building principal, in 26652
consultation with the building staff, shall determine the model 26653
for serving breakfast under the program. Each breakfast served 26654
under the program shall comply with federal meal patterns and 26655
nutritional standards and with section 3313.814 of the Revised 26656
Code. A school district board of education may make a charge in 26657
accordance with federal requirements for each meal to cover all or 26658
part of the costs incurred in operating the program. 26659

(B) The department shall publish a list of public schools 26660
that meet the conditions of division (A) of this section. The 26661
department shall offer technical assistance to school districts 26662
and schools regarding the implementation of a school breakfast 26663
program that complies with this section and the submission of 26664
claims for reimbursement under the federal school breakfast 26665
program. 26666

(C)(1) The department shall monitor each school participating 26667
in the program and ensure that each participating school complies 26668
with the requirements of this section. If the department 26669
determines that a school participating in the program either has 26670
not increased the participation by all students in the program by 26671
at least ten percentage points, or less than seventy per cent of 26672
the school's students eligible for free or reduced-price lunch are 26673
not participating in the program, the department shall provide 26674
written notice of its findings to the school by the thirty-first 26675
day of May of that school year. 26676

(2) A school that receives notice from the department under 26677
division (C)(1) of this section shall, within thirty days after 26678

the start of the next school year, submit to the department a plan 26679
for increasing participation in the program. 26680

(D) Not later than the thirty-first day of December of each 26681
school year, the department shall provide statistical reports on 26682
its web site that specify the number and percentage of students 26683
participating in school breakfast programs disaggregated by school 26684
district and individual schools, including community schools, 26685
established under Chapter 3314. of the Revised Code, and STEM 26686
schools, established under Chapter 3326. of the Revised Code. 26687

(E) Not later than the thirty-first day of December of each 26688
school year, the department shall prepare a report on the 26689
implementation and effectiveness of the program established under 26690
this section and submit the report to the general assembly, in 26691
accordance with section 101.68 of the Revised Code, and to the 26692
governor. The report shall include: 26693

(1) The number of students and participation rates in the 26694
free and reduced-price breakfast programs under this section for 26695
each school building; 26696

(2) The type of breakfast model used by each school building 26697
participating in the breakfast program; 26698

(3) The number of students and participation rates in free or 26699
reduced-price lunch for each school building. 26700

Sec. 3313.843. (A) Notwithstanding division (D) of section 26701
3311.52 of the Revised Code, this section does not apply to any 26702
cooperative education school district. 26703

(B)(1) The board of education of each city, exempted village, 26704
or local school district with an average daily student enrollment 26705
of sixteen thousand or less, reported for the district on the most 26706
recent report card issued under section 3302.03 of the Revised 26707
Code, shall enter into an agreement with the governing board of an 26708

educational service center, under which the educational service 26709
center governing board will provide services to the district. 26710

(2) The board of education of a city, exempted village, or 26711
local school district with an average daily student enrollment of 26712
more than sixteen thousand may enter into an agreement with the 26713
governing board of an educational service center, under which the 26714
educational service center governing board will provide services 26715
to the district. 26716

(3) Services provided under an agreement entered into under 26717
division (B)(1) or (2) of this section shall be specified in the 26718
agreement, and may include any of the following: supervisory 26719
teachers; in-service and continuing education programs for 26720
district personnel; curriculum services; research and development 26721
programs; academic instruction for which the governing board 26722
employs teachers pursuant to section 3319.02 of the Revised Code; 26723
assistance in the provision of special accommodations and classes 26724
for students with disabilities; or any other services the district 26725
board and service center governing board agree can be better 26726
provided by the service center and are not provided under an 26727
agreement entered into under section 3313.845 of the Revised Code. 26728
Services included in the agreement shall be provided to the 26729
district in the manner specified in the agreement. The district 26730
board of education shall reimburse the educational service center 26731
governing board pursuant to division (H) of this section. 26732

(C) Any agreement entered into pursuant to this section shall 26733
be filed with the department of education by the first day of July 26734
of the school year for which the agreement is in effect. 26735

(D)(1) An agreement for services from an educational service 26736
center entered into under this section may be terminated by the 26737
school district board of education, at its option, by notifying 26738
the governing board of the service center by March 1, 2012, or by 26739
the first day of January of any odd-numbered year thereafter, that 26740

the district board intends to terminate the agreement in that 26741
year, and that termination shall be effective on the thirtieth day 26742
of June of that year. The failure of a district board to notify an 26743
educational service center of its intent to terminate an agreement 26744
by March 1, 2012, shall result in renewal of the existing 26745
agreement for the following school year. Thereafter, the failure 26746
of a district board to notify an educational service center of its 26747
intent to terminate an agreement by the first day of January of an 26748
odd-numbered year shall result in renewal of the existing 26749
agreement for the following two school years. 26750

(2) If the school district that terminates an agreement for 26751
services under division (D)(1) of this section is also subject to 26752
the requirement of division (B)(1) of this section, the district 26753
board shall enter into a new agreement with any educational 26754
service center so that the new agreement is effective on the first 26755
day of July of that same year. 26756

(3) If all moneys owed by a school district to an educational 26757
service center under an agreement for services terminated under 26758
division (D)(1) of this section have been paid in full by the 26759
effective date of the termination, the governing board of the 26760
service center shall submit an affidavit to the department 26761
certifying that fact not later than fifteen days after the 26762
termination's effective date. Notwithstanding anything in the 26763
Revised Code to the contrary, until the department receives such 26764
an affidavit, it shall not make any payments to any other 26765
educational service center with which the district enters into an 26766
agreement under this section for services that the educational 26767
service center provides to the district. 26768

(E) An educational service center may apply to any state or 26769
federal agency for competitive grants. It may also apply to any 26770
private entity for additional funds. 26771

(F) Not later than January 1, 2014, each educational service 26772

center shall post on its web site a list of all of the services 26773
that it provides and the corresponding cost for each of those 26774
services. 26775

(G)(1) For purposes of calculating any state operating 26776
subsidy to be paid to an educational service center for the 26777
operation of that service center and any services required under 26778
Title XXXVIII of the Revised Code to be provided by the service 26779
center to a school district, the service center's student count 26780
shall be the sum of the total student counts of all the school 26781
districts with which the educational service center has entered 26782
into an agreement under this section. 26783

(2) When a district enters into a new agreement with a new 26784
educational service center, the department of education shall 26785
ensure that the state operating subsidy for services provided to 26786
the district is paid to the new educational service center and 26787
that the educational service center with which the district 26788
previously had an agreement is no longer paid a state operating 26789
subsidy for providing services to that district. 26790

(H) Pursuant to division (B) of section 3317.023 of the 26791
Revised Code, the department annually shall deduct from each 26792
school district that enters into an agreement with an educational 26793
service center under this section, and pay to the service center, 26794
an amount equal to six dollars and fifty cents times the school 26795
district's total student count. The district board of education, 26796
or the district superintendent acting on behalf of the district 26797
board, may agree to pay an amount in excess of six dollars and 26798
fifty cents per student in total student count. If a majority of 26799
the boards of education, or superintendents acting on behalf of 26800
the boards, of the districts that entered into an agreement under 26801
this section approve an amount in excess of six dollars and fifty 26802
cents per student in total student count, each district shall pay 26803
the excess amount to the service center. 26804

(I)(1) An educational service center may enter into a contract to purchase supplies, materials, equipment, and services, which may include those specified in division (B) of this section or Chapter 3312. of the Revised Code, or the delivery of such services, on behalf of a school district or political subdivision that has entered into an agreement with the service center under this section or section 3313.844, 3313.845, or 3313.846 of the Revised Code.

(2) Purchases made by a school district or political subdivision that has entered into an agreement with the service center as described in this division are exempt from competitive bidding required by law for the purchase of supplies, materials, equipment, or services. No political subdivision shall make any purchase under this division when the political subdivision has received bids for such purchase, unless the same terms, conditions, and specifications at a lower price can be made for such purchase under this division.

(J) Any school district, community school, or STEM school that has entered into an agreement with an educational service center under this section or section 3313.844 or 3313.845 of the Revised Code shall be in compliance with federal law and exempt from competitive bidding requirements for personnel-based services pursuant to the authority granted to the Ohio department of education under federal law, provided the service center has met the following conditions:

(1) It is in compliance with division (F) of this section.

In the case of basic scholarships for students in grades nine 26951
through twelve, the scholarship amount shall not exceed the lesser 26952
of the net tuition charges of the alternative school the 26953
scholarship recipient attends or six thousand dollars. 26954

The net tuition and fees charged to a student shall be the 26955
tuition amount specified by the alternative school minus all other 26956
financial aid, discounts, and adjustments received for the 26957
student. In cases where discounts are offered for multiple 26958

students from the same family, and not all students in the same 26959
family are scholarship recipients, the net tuition amount 26960
attributable to the scholarship recipient shall be the lowest net 26961
tuition to which the family is entitled. 26962

(2) The state superintendent shall provide for an increase in 26963
the basic scholarship amount in the case of any student who is a 26964
mainstreamed student with a disability and shall further increase 26965
such amount in the case of any separately educated student with a 26966
disability. Such increases shall take into account the 26967
instruction, related services, and transportation costs of 26968
educating such students. 26969

(3) In the case of tutorial assistance grants, the grant 26970
amount shall not exceed the lesser of the provider's actual 26971
charges for such assistance or: 26972

(a) Before fiscal year 2007, a percentage established by the 26973
state superintendent, not to exceed twenty per cent, of the amount 26974
of the pilot project school district's average basic scholarship 26975
amount; 26976

(b) In fiscal year 2007 and thereafter, four hundred dollars. 26977

(D)(1) Annually by the first day of November, the state 26978
superintendent shall estimate the maximum per-pupil scholarship 26979
amounts for the ensuing school year. The state superintendent 26980
shall make this estimate available to the general public at the 26981
offices of the district board of education together with the forms 26982
required by division (D)(2) of this section. 26983

(2) Annually by the fifteenth day of January, the chief 26984
administrator of each registered private school located in the 26985
pilot project district and the principal of each public school in 26986
such district shall complete a parental information form and 26987
forward it to the president of the board of education. The 26988
parental information form shall be prescribed by the department of 26989

education and shall provide information about the grade levels 26990
offered, the numbers of students, tuition amounts, achievement 26991
test results, and any sectarian or other organizational 26992
affiliations. 26993

(E)(1) Only for the purpose of administering the pilot 26994
project scholarship program, the department may request from any 26995
of the following entities the data verification code assigned 26996
under division (D)(2) of section 3301.0714 of the Revised Code to 26997
any student who is seeking a scholarship under the program: 26998

(a) The school district in which the student is entitled to 26999
attend school under section 3313.64 or 3313.65 of the Revised 27000
Code; 27001

(b) If applicable, the community school in which the student 27002
is enrolled; 27003

(c) The independent contractor engaged to create and maintain 27004
data verification codes. 27005

(2) Upon a request by the department under division (E)(1) of 27006
this section for the data verification code of a student seeking a 27007
scholarship or a request by the student's parent for that code, 27008
the school district or community school shall submit that code to 27009
the department or parent in the manner specified by the 27010
department. If the student has not been assigned a code, because 27011
the student will be entering kindergarten during the school year 27012
for which the scholarship is sought, the district shall assign a 27013
code to that student and submit the code to the department or 27014
parent by a date specified by the department. If the district does 27015
not assign a code to the student by the specified date, the 27016
department shall assign a code to the student. 27017

The department annually shall submit to each school district 27018
the name and data verification code of each student residing in 27019
the district who is entering kindergarten, who has been awarded a 27020

scholarship under the program, and for whom the department has 27021
assigned a code under this division. 27022

(3) The department shall not release any data verification 27023
code that it receives under division (E) of this section to any 27024
person except as provided by law. 27025

(F) Any document relative to the pilot project scholarship 27026
program that the department holds in its files that contains both 27027
a student's name or other personally identifiable information and 27028
the student's data verification code shall not be a public record 27029
under section 149.43 of the Revised Code. 27030

(G)(1) The department annually shall compile the scores 27031
attained by scholarship students enrolled in registered private 27032
schools on the assessments administered to the students pursuant 27033
to division (A)(11) of section 3313.976 of the Revised Code. The 27034
scores shall be aggregated as follows: 27035

(a) By school district, which shall include all scholarship 27036
students residing in the pilot project school district who are 27037
enrolled in a registered private school and were required to take 27038
an assessment pursuant to division (A)(11) of section 3313.976 of 27039
the Revised Code; 27040

(b) By registered private school, which shall include all 27041
scholarship students enrolled in that school who were required to 27042
take an assessment pursuant to division (A)(11) of section 27043
3313.976 of the Revised Code. 27044

(2) The department shall disaggregate the student performance 27045
data described in division (G)(1) of this section according to the 27046
following categories: 27047

(a) Grade level; 27048

(b) Race and ethnicity; 27049

(c) Gender; 27050

(d) Students who have participated in the scholarship program 27051
for three or more years; 27052

(e) Students who have participated in the scholarship program 27053
for more than one year and less than three years; 27054

(f) Students who have participated in the scholarship program 27055
for one year or less; 27056

(g) Economically disadvantaged students. 27057

(3) The department shall post the student performance data 27058
required under divisions (G)(1) and (2) of this section on its web 27059
site and shall include that data in the information about the 27060
scholarship program provided to students under division (A) of 27061
this section. In reporting student performance data under this 27062
division, the department shall not include any data that is 27063
statistically unreliable or that could result in the 27064
identification of individual students. For this purpose, the 27065
department shall not report performance data for any group that 27066
contains less than ten students. 27067

(4) The department shall provide the parent of each 27068
scholarship student enrolled in a registered private school with 27069
information comparing the student's performance on the assessments 27070
administered pursuant to division (A)(11) of section 3313.976 of 27071
the Revised Code with the average performance of similar students 27072
enrolled in the building operated by the pilot project school 27073
district that the scholarship student would otherwise attend. In 27074
calculating the performance of similar students, the department 27075
shall consider age, grade, race and ethnicity, gender, and 27076
socioeconomic status. 27077

(H)(1) Except as provided in division (H)(2) of this section, 27078
for scholarships awarded the 2020-2021 school year and for each 27079
school year thereafter, the department shall conduct two 27080
application periods each year for the pilot project scholarship 27081

program, as follows: 27082

(a) The first application period shall open not sooner than 27083
the first day of February prior to the first day of July of the 27084
school year for which a scholarship is sought and run not less 27085
than seventy-five days. 27086

(b) The second application period shall open not sooner than 27087
the first day of July of the school year for which the scholarship 27088
is sought and run not less than thirty days. 27089

(2) If the pilot scholarships awarded in the first 27090
application period for any school year use the entirety of the 27091
amount appropriated by the general assembly for such scholarships 27092
for that school year, the department need not conduct a second 27093
application period for scholarships. If, after the first 27094
application period, there are funds remaining to award, the 27095
department shall conduct a second application period in accordance 27096
with division (H)(1)(b) of this section. 27097

(3) Not later than the thirty-first day of May of each school 27098
year, the department shall determine whether funds remain 27099
available for pilot project scholarship program after the first 27100
application period. 27101

(4) For scholarships awarded for any school year prior to the 27102
2020-2021 school year, the state superintendent shall establish a 27103
deadline for a single application period. 27104

Sec. 3314.016. This section applies to any entity that 27105
sponsors a community school, regardless of whether section 27106
3314.021 or 3314.027 of the Revised Code exempts the entity from 27107
the requirement to be approved for sponsorship under divisions 27108
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 27109
office of Ohio school sponsorship established under section 27110
3314.029 of the Revised Code shall be rated under division (B) of 27111

this section, but divisions (A) and (C) of this section do not 27112
apply to the office. 27113

(A) An entity that sponsors a community school shall be 27114
permitted to enter into contracts under section 3314.03 of the 27115
Revised Code to sponsor additional community schools only if the 27116
entity meets all of the following criteria: 27117

(1) The entity is in compliance with all provisions of this 27118
chapter requiring sponsors of community schools to report data or 27119
information to the department of education. 27120

(2) The entity is not rated as "ineffective" under division 27121
(B)(6) of this section. 27122

(3) Except as set forth in sections 3314.021 and 3314.027 of 27123
the Revised Code, the entity has received approval from and 27124
entered into an agreement with the department of education 27125
pursuant to section 3314.015 of the Revised Code. 27126

(B)(1) The department shall develop and implement an 27127
evaluation system that annually rates and assigns an overall 27128
rating to each entity that sponsors a community school. The 27129
department, not later than the first day of February of each year, 27130
shall post on the department's web site the framework for the 27131
evaluation system, including technical documentation that the 27132
department intends to use to rate sponsors for the next school 27133
year. The department shall solicit public comment on the 27134
evaluation system for thirty consecutive days. Not later than the 27135
first day of April of each year, the department shall compile and 27136
post on the department's web site all public comments that were 27137
received during the public comment period. The evaluation system 27138
shall be posted on the department's web site by the fifteenth day 27139
of July of each school year. Any changes to the evaluation system 27140
after that date shall take effect the following year. The 27141
evaluation system shall be based on the following components: 27142

(a) Academic performance of students enrolled in community schools sponsored by the same entity. The academic performance component shall be derived from the performance measures prescribed for the state report cards under section 3302.03 or 3314.017 of the Revised Code, and shall be based on the performance of the schools for the school year for which the evaluation is conducted. In addition to the academic performance for a specific school year, the academic performance component shall also include year-to-year changes in the overall sponsor portfolio. For a community school for which no graded performance measures are applicable or available, the department shall use nonreport card performance measures specified in the contract between the community school and the sponsor under division (A)(4) of section 3314.03 of the Revised Code.

(b) Adherence by a sponsor to the quality practices prescribed by the department under division (B)(3) of this section. For a sponsor that was rated "effective" or "exemplary" on its most recent rating, the department may evaluate that sponsor's adherence to quality practices once over a period of three years. If the department elects to evaluate a sponsor once over a period of three years, the most recent rating for a sponsor's adherence to quality practices shall be used when determining an annual overall rating conducted under this section.

(c) Compliance with all applicable laws and administrative rules by an entity that sponsors a community school.

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A)~~(4)~~(2)(b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A)~~(4)~~(2)(b) of section 3314.35 of the Revised Code shall be reported, but shall

not be used as a factor when determining a sponsoring entity's rating under this section. 27175
27176

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization. 27177
27178
27179
27180
27181
27182
27183

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section. 27184
27185
27186
27187
27188

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department. 27189
27190
27191

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program. 27192
27193
27194
27195
27196

(5) Not later than July 1, 2013, the state board of education shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section. 27197
27198
27199
27200
27201

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted 27202
27203
27204
27205

equally. A separate rating shall be given by the department for 27206
each component of the evaluation system. 27207

The department shall publish the ratings between the first 27208
day of October and the fifteenth day of November. If the 27209
department fails to assign ratings by the fifteenth day of 27210
November, a sponsor shall be assigned the same rating for each 27211
component that it was assigned for the previous school year or an 27212
"effective" rating for all components, whichever is the higher per 27213
component rating. 27214

Prior to the publication of the final ratings, the department 27215
shall designate and provide notice of a period of at least ten 27216
business days during which each sponsor may review the information 27217
used by the department to determine the sponsor's rating on the 27218
components prescribed by ~~divisions~~ division (B)(1)(~~b~~) and (~~c~~) of 27219
this section. If the sponsor believes there is an error in the 27220
department's evaluation, the sponsor may request adjustments to 27221
the rating of ~~either~~ any of those components based on 27222
documentation previously submitted as part of an evaluation. The 27223
sponsor shall provide to the department any necessary evidence or 27224
information to support the requested adjustments. The department 27225
shall review the evidence and information, determine whether an 27226
adjustment is valid, and promptly notify the sponsor of its 27227
determination and reasons. If any adjustments to the data could 27228
result in a change to the rating on the applicable component or to 27229
the overall rating, the department shall recalculate the ratings 27230
prior to publication. 27231

The department shall provide training on an annual basis 27232
regarding the evaluation system prescribed under this section. The 27233
training shall, at a minimum, describe methodology, timelines, and 27234
data required for the evaluation system. The first training 27235
session shall occur not later than March 2, 2016. Beginning in 27236
2018, the training shall be made available to each entity that 27237

sponsors a community school by the fifteenth day of July of each 27238
year and shall include guidance on any changes made to the 27239
evaluation system. 27240

(7)(a) Entities with an overall rating of "exemplary" for at 27241
least two consecutive years may take advantage of the following 27242
incentives: 27243

(i) Renewal of the written agreement with the department, not 27244
to exceed ten years, provided that the entity consents to 27245
continued evaluation of adherence to quality practices as 27246
described in division (B)(1)(b) of this section; 27247

(ii) The ability to extend the term of the contract between 27248
the sponsoring entity and the community school beyond the term 27249
described in the written agreement with the department; 27250

(iii) An exemption from the preliminary agreement and 27251
contract adoption and execution deadline requirements prescribed 27252
in division (D) of section 3314.02 of the Revised Code; 27253

(iv) An exemption from the automatic contract expiration 27254
requirement, should a new community school fail to open by the 27255
thirtieth day of September of the calendar year in which the 27256
community school contract is executed; 27257

(v) No limit on the number of community schools the entity 27258
may sponsor; 27259

(vi) No territorial restrictions on sponsorship. 27260

An entity may continue to sponsor any community schools with 27261
which it entered into agreements under division (B)(7)(a)(v) or 27262
(vi) of this section while rated "exemplary," notwithstanding the 27263
fact that the entity later receives a lower overall rating. 27264

(b) Entities with an overall rating of "effective" for at 27265
least three consecutive years shall be evaluated by the department 27266
once every five years. 27267

(c)(i) Entities that receive an overall rating of 27268
"ineffective" shall be prohibited from sponsoring any new or 27269
additional community schools during the time in which the sponsor 27270
is rated as "ineffective" and shall be subject to a quality 27271
improvement plan based on correcting the deficiencies that led to 27272
the "ineffective" rating, with timelines and benchmarks that have 27273
been established by the department. 27274

(ii) Entities that receive an overall rating of "ineffective" 27275
on their three most recent ratings shall have all sponsorship 27276
authority revoked. Within thirty days after receiving its third 27277
rating of "ineffective," the entity may appeal the revocation of 27278
its sponsorship authority to the superintendent of public 27279
instruction, who shall appoint an independent hearing officer to 27280
conduct a hearing in accordance with Chapter 119. of the Revised 27281
Code. The hearing shall be conducted within thirty days after 27282
receipt of the notice of appeal. Within forty-five days after the 27283
hearing is completed, the state board of education shall determine 27284
whether the revocation is appropriate based on the hearing 27285
conducted by the independent hearing officer, and if determined 27286
appropriate, the revocation shall be confirmed. 27287

~~(e)~~(d) Entities that receive an overall rating of "poor" 27288
shall have all sponsorship authority revoked. Within thirty days 27289
after receiving a rating of "poor," the entity may appeal the 27290
revocation of its sponsorship authority to the superintendent of 27291
public instruction, who shall appoint an independent hearing 27292
officer to conduct a hearing in accordance with Chapter 119. of 27293
the Revised Code. The hearing shall be conducted within thirty 27294
days after receipt of the notice of appeal. Within forty-five days 27295
after the hearing is completed, the state board of education shall 27296
determine whether the revocation is appropriate based on the 27297
hearing conducted by the independent hearing officer, and if 27298
determined appropriate, the revocation shall be confirmed. 27299

(8) For the 2014-2015 school year and each school year 27300
thereafter, student academic performance prescribed under division 27301
(B)(1)(a) of this section shall include student academic 27302
performance data from community schools that primarily serve 27303
students enrolled in a dropout prevention and recovery program. 27304

(C) If the governing authority of a community school enters 27305
into a contract with a sponsor prior to the date on which the 27306
sponsor is prohibited from sponsoring additional schools under 27307
division (A) of this section and the school has not opened for 27308
operation as of that date, that contract shall be void and the 27309
school shall not open until the governing authority secures a new 27310
sponsor by entering into a contract with the new sponsor under 27311
section 3314.03 of the Revised Code. However, the department's 27312
office of Ohio school sponsorship, established under section 27313
3314.029 of the Revised Code, may assume the sponsorship of the 27314
school until the earlier of the expiration of two school years or 27315
until a new sponsor is secured by the school's governing 27316
authority. A community school sponsored by the department under 27317
this division shall not be included when calculating the maximum 27318
number of directly authorized community schools permitted under 27319
division (A)(3) of section 3314.029 of the Revised Code. 27320

(D) When an entity's authority to sponsor schools is revoked 27321
pursuant to division (B)(7)(b) or (c) of this section, the office 27322
of Ohio school sponsorship shall assume sponsorship of any schools 27323
with which the original sponsor has contracted for the remainder 27324
of that school year. The office may continue sponsoring those 27325
schools until the earlier of: 27326

(1) The expiration of two school years from the time that 27327
sponsorship is revoked; 27328

(2) When a new sponsor is secured by the governing authority 27329
pursuant to division (C)(1) of section 3314.02 of the Revised 27330
Code. 27331

Any community school sponsored under this division shall not 27332
be counted for purposes of directly authorized community schools 27333
under division (A)(3) of section 3314.029 of the Revised Code. 27334

Sec. 3314.017. (A) The state board of education shall 27335
prescribe by rules, adopted in accordance with Chapter 119. of the 27336
Revised Code, an academic performance rating and report card 27337
system that satisfies the requirements of this section for 27338
community schools that primarily serve students enrolled in 27339
dropout prevention and recovery programs as described in division 27340
(A)~~(4)~~(2)(a) of section 3314.35 of the Revised Code, to be used in 27341
lieu of the system prescribed under sections 3302.03 and 3314.012 27342
of the Revised Code beginning with the 2012-2013 school year. Each 27343
such school shall comply with the testing and reporting 27344
requirements of the system as prescribed by the state board. 27345

(B) Nothing in this section shall at any time relieve a 27346
school from its obligations under the "No Child Left Behind Act of 27347
2001" to make "adequate yearly progress," as both that act and 27348
that term are defined in section 3302.01 of the Revised Code, or a 27349
school's amenability to the provisions of section 3302.04 or 27350
3302.041 of the Revised Code. The department shall continue to 27351
report each school's performance as required by the act and to 27352
enforce applicable sanctions under section 3302.04 or 3302.041 of 27353
the Revised Code. 27354

(C) The rules adopted by the state board shall prescribe the 27355
following performance indicators for the rating and report card 27356
system required by this section: 27357

(1) Graduation rate for each of the following student 27358
cohorts: 27359

(a) The number of students who graduate in four years or less 27360
with a regular high school diploma divided by the number of 27361
students who form the adjusted cohort for the graduating class; 27362

(b) The number of students who graduate in five years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(c) The number of students who graduate in six years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(d) The number of students who graduate in seven years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(e) The number of students who graduate in eight years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate.

(2) The percentage of twelfth-grade students currently enrolled in the school who have attained the ~~designated passing~~ cumulative performance score on ~~all of~~ the applicable state high school ~~achievement assessments~~ end-of-course examinations required under division (B)~~(1) or~~ (2) of section ~~3301.0710~~ 3301.0712 of the Revised Code and other students enrolled in the school, regardless of grade level, who are within three months of their twenty-second birthday and have attained the ~~designated passing~~ cumulative performance score on ~~all of~~ the applicable ~~state high school~~ achievement assessments end-of-course examinations by their twenty-second birthday;

(3) Annual measurable objectives as defined in section 3302.01 of the Revised Code;

(H) The department of education shall adjust the amounts subtracted and paid under division (C) of this section to reflect any enrollment of students in community schools for less than the equivalent of a full school year. The state board of education within ninety days after April 8, 2003, shall adopt in accordance with Chapter 119. of the Revised Code rules governing the payments to community schools under this section including initial payments in a school year and adjustments and reductions made in subsequent periodic payments to community schools and corresponding deductions from school district accounts as provided under division (C) of this section. For purposes of this section:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has commenced participation in learning opportunities as defined in the contract with the sponsor, or thirty days prior to the date on which the student is entered into the education management information system established under section 3301.0714 of the Revised Code. For purposes of applying this division and divisions (H)(3) and (4) of this section to a community school student, "learning opportunities" shall be defined in the contract, which shall describe both classroom-based and non-classroom-based learning opportunities and shall be in compliance with criteria and documentation requirements for student participation which shall be established by the department. Any student's instruction

time in non-classroom-based learning opportunities shall be 28707
certified by an employee of the community school. A student's 28708
enrollment shall be considered to cease on the date on which any 28709
of the following occur: 28710

(a) The community school receives documentation from a parent 28711
terminating enrollment of the student. 28712

(b) The community school is provided documentation of a 28713
student's enrollment in another public or private school. 28714

(c) The community school ceases to offer learning 28715
opportunities to the student pursuant to the terms of the contract 28716
with the sponsor or the operation of any provision of this 28717
chapter. 28718

Except as otherwise specified in this paragraph, beginning in 28719
the 2011-2012 school year, any student who completed the prior 28720
school year in an internet- or computer-based community school 28721
shall be considered to be enrolled in the same school in the 28722
subsequent school year until the student's enrollment has ceased 28723
as specified in division (H)(2) of this section. The department 28724
shall continue subtracting and paying amounts for the student 28725
under division (C) of this section without interruption at the 28726
start of the subsequent school year. However, if the student 28727
without a legitimate excuse fails to participate in the first 28728
seventy-two consecutive hours of learning opportunities offered to 28729
the student in that subsequent school year, the student shall be 28730
considered not to have re-enrolled in the school for that school 28731
year and the department shall recalculate the payments to the 28732
school for that school year to account for the fact that the 28733
student is not enrolled. 28734

(3) The department shall determine each community school 28735
student's percentage of full-time equivalency based on the 28736
percentage of learning opportunities offered by the community 28737

school to that student, reported either as number of hours or 28738
number of days, is of the total learning opportunities offered by 28739
the community school to a student who attends for the school's 28740
entire school year. However, no internet- or computer-based 28741
community school shall be credited for any time a student spends 28742
participating in learning opportunities beyond ten hours within 28743
any period of twenty-four consecutive hours. Whether it reports 28744
hours or days of learning opportunities, each community school 28745
shall offer not less than nine hundred twenty hours of learning 28746
opportunities during the school year. 28747

(4) With respect to the calculation of full-time equivalency 28748
under division (H)(3) of this section, the department shall waive 28749
the number of hours or days of learning opportunities not offered 28750
to a student because the community school was closed during the 28751
school year due to disease epidemic, hazardous weather conditions, 28752
law enforcement emergencies, inoperability of school buses or 28753
other equipment necessary to the school's operation, damage to a 28754
school building, or other temporary circumstances due to utility 28755
failure rendering the school building unfit for school use, so 28756
long as the school was actually open for instruction with students 28757
in attendance during that school year for not less than the 28758
minimum number of hours required by this chapter. The department 28759
shall treat the school as if it were open for instruction with 28760
students in attendance during the hours or days waived under this 28761
division. 28762

(I) The department of education shall reduce the amounts paid 28763
under this section to reflect payments made to colleges under 28764

(J)(1) No student shall be considered enrolled in any 28766
internet- or computer-based community school or, if applicable to 28767
the student, in any community school that is required to provide 28768
the student with a computer pursuant to division (C) of section 28769

3314.22 of the Revised Code, unless both of the following 28770
conditions are satisfied: 28771

(a) The student possesses or has been provided with all 28772
required hardware and software materials and all such materials 28773
are operational so that the student is capable of fully 28774
participating in the learning opportunities specified in the 28775
contract between the school and the school's sponsor as required 28776
by division (A)(23) of section 3314.03 of the Revised Code; 28777

(b) The school is in compliance with division (A) of section 28778
3314.22 of the Revised Code, relative to such student. 28779

(2) In accordance with policies adopted by the superintendent 28780
of public instruction, in consultation with the auditor of state, 28781
the department shall reduce the amounts otherwise payable under 28782
division (C) of this section to any community school that includes 28783
in its program the provision of computer hardware and software 28784
materials to any student, if such hardware and software materials 28785
have not been delivered, installed, and activated for each such 28786
student in a timely manner or other educational materials or 28787
services have not been provided according to the contract between 28788
the individual community school and its sponsor. 28789

The superintendent of public instruction and the auditor of 28790
state shall jointly establish a method for auditing any community 28791
school to which this division pertains to ensure compliance with 28792
this section. 28793

The superintendent, auditor of state, and the governor shall 28794
jointly make recommendations to the general assembly for 28795
legislative changes that may be required to assure fiscal and 28796
academic accountability for such schools. 28797

(K)(1) If the department determines that a review of a 28798
community school's enrollment is necessary, such review shall be 28799
completed and written notice of the findings shall be provided to 28800

the governing authority of the community school and its sponsor 28801
within ninety days of the end of the community school's fiscal 28802
year, unless extended for a period not to exceed thirty additional 28803
days for one of the following reasons: 28804

(a) The department and the community school mutually agree to 28805
the extension. 28806

(b) Delays in data submission caused by either a community 28807
school or its sponsor. 28808

(2) If the review results in a finding that additional 28809
funding is owed to the school, such payment shall be made within 28810
thirty days of the written notice. If the review results in a 28811
finding that the community school owes moneys to the state, the 28812
following procedure shall apply: 28813

(a) Within ten business days of the receipt of the notice of 28814
findings, the community school may appeal the department's 28815
determination to the state board of education or its designee. 28816

(b) The board or its designee shall conduct an informal 28817
hearing on the matter within thirty days of receipt of such an 28818
appeal and shall issue a decision within fifteen days of the 28819
conclusion of the hearing. 28820

(c) If the board has enlisted a designee to conduct the 28821
hearing, the designee shall certify its decision to the board. The 28822
board may accept the decision of the designee or may reject the 28823
decision of the designee and issue its own decision on the matter. 28824

(d) Any decision made by the board under this division is 28825
final. 28826

(3) If it is decided that the community school owes moneys to 28827
the state, the department shall deduct such amount from the 28828
school's future payments in accordance with guidelines issued by 28829
the superintendent of public instruction. 28830

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the superintendent of public instruction grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of education.

(4) Any student who has attained the age of twenty-two years, except for veterans of the armed services whose attendance was interrupted before completing the recognized twelve-year course of the public schools by reason of induction or enlistment in the armed forces and who apply for enrollment in a community school not later than four years after termination of war or their honorable discharge. If, however, any such veteran elects to enroll in special courses organized for veterans for whom tuition is paid under federal law, or otherwise, the department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for that veteran.

conditions: 31579

(a) The district is either of the following: 31580

construction commission an efficient use of facility space, 31599
including a reduction in the number of buildings used by students 31600
and administrative staff. 31601

(2) "Basic project cost" and "required percentage of the 31602
basic project cost" have the same meanings as in section 3318.01 31603
of the Revised Code. 31604

(B) Notwithstanding anything to the contrary in this chapter: 31605

(1) If the commission determines that a district is an 31606
eligible school district, the commission shall give that district 31607

first priority for funding for a project under sections 3318.01 to 31608
3318.20 of the Revised Code as such funds become available, 31609
regardless of the district's percentile rank under section 31610
3318.011 of the Revised Code. If the district results from a 31611
transfer, merger, consolidation, or creation of a new local 31612
district that takes effect prior to April 6, 2017, the district's 31613
portion of the basic project cost shall be the required percentage 31614
of the basic project cost based on the percentile ranking of the 31615
district that was transferred, merged, consolidated, or existed 31616
prior to the creation of the new district that has the lowest 31617
three-year average adjusted valuation per pupil, as calculated 31618
under section 3318.011 of the Revised Code, on the date that the 31619
transfer, merger, consolidation, or creation of the new district 31620
became effective. 31621

(2) If an eligible school district is given priority under 31622
division (B)(1) of this section, the commission may reduce that 31623
district's portion of the basic project cost by twenty-five 31624
percentage points from the portion determined under section 31625
3318.032 of the Revised Code or, if the district results from a 31626
transfer, merger, consolidation, or creation of a new local 31627
district that takes effect prior to April 6, 2017, from the 31628
portion determined under division (B)(1) of this section. At no 31629
time, however, shall that district's portion of the basic project 31630
cost be less than five per cent. 31631

(3) If an eligible school district is given priority under 31632
division (B)(1) of this section, the commission may reduce that 31633
district's portion of the basic project cost by ten percentage 31634
points from the portion determined under section 3318.032 of the 31635
Revised Code or, if the district results from a transfer, merger, 31636
consolidation, or creation of a new local district that takes 31637
effect prior to April 6, 2017, from the portion determined under 31638
division (B)(1) of this section, if the district's project 31639

satisfies the following conditions: 31640

defined in section 3358.01 of the Revised Code, with the intention 31645
of collaboratively working with the state community college on 31646
workforce development programs and curriculum, and the commission 31647
approves the project. 31648

(b) The district and the state institution of higher 31649
education enter into a written agreement regarding the continued 31650
use of the institution's land by the district, and the commission 31651
approves the agreement. Division (B)(3)(b) of this section does 31652
not apply to a district that satisfies the condition described in 31653
division (A)(1)(a)(ii) of this section. 31654

(c) On the date that the district and the state institution 31655
of higher education enter into the written agreement described in 31656
division (B)(3)(b) of this section, the state institution of 31657
higher education is participating in the college credit plus 31658
program established under Chapter 3365. of the Revised Code. 31659
Division (B)(3)(c) of this section does not apply to a district 31660
that satisfies the condition described in division (A)(1)(a)(ii) 31661
of this section. 31662

At no time, however, shall that district's portion of the 31663
basic project cost be less than five per cent. 31664

The reduction of the district's portion of the basic project 31665
cost described in division (B)(3) of this section may be in 31666
addition to a reduction of the district's portion of the basic 31667
project cost under division (B)(2) of this section. 31668

(C) Except as provided in division (B) of this section, a 31669
district's project undertaken pursuant to this section shall be 31670

of the Revised Code. 31672

Sec. 3318.037. (A) For purposes of this section: 31673

meanings as in section 3318.01 of the Revised Code. 31676

(2) "Eligible school district" is a city, local, or exempted 31677
village school district that satisfies all of the following 31678
conditions: 31679

(a) The district intends to build new classroom facilities on 31680
land originally owned by a state community college, as that term 31681
is defined in section 3358.01 of the Revised Code, with the 31682
intention of collaboratively working with the state community 31683

(c) The district reapplies for the expedited local 31689
partnership program between January 1, 2019, and July 1, 2020. 31690

(B) Notwithstanding anything to the contrary in this chapter, 31691
if an eligible school district reapplies for the expedited local 31692
partnership program between January 1, 2019, and July 1, 2020, and 31693
subsequently enters into a new agreement for that program, both of 31694
the following shall occur: 31695

(1) The district shall retain its percentile ranking that was 31696
determined at the time the district entered into its initial 31697
agreement under the expedited local partnership program. 31698

(2) The Ohio facilities construction commission shall give 31699
that district first priority for funding for a project under 31700

sections 3318.01 to 3318.20 of the Revised Code as such funds 31701
become available, regardless of the district's percentile rank 31702
under section 3318.011 of the Revised Code, and the district's 31703
portion of the basic project cost under sections 3318.01 to 31704
3318.20 of the Revised Code shall be the same percentage of the 31705
basic project cost as under its initial agreement under the 31706
expedited local partnership program. 31707

Sec. 3318.36. (A)(1) As used in this section: 31708

the same meanings as in section 3318.01 of the Revised Code. 31713

(b) "Required level of indebtedness" means five per cent of 31714
the school district's valuation for the year preceding the year in 31715
which the commission and school district enter into an agreement 31716
under division (B) of this section, plus [two one-hundredths of 31717
one per cent multiplied by (the percentile in which the district 31718

manner permitted for a school district board to raise the school 31721
district portion of a project undertaken with assistance under 31722
sections 3318.01 to 3318.20 of the Revised Code. 31723

(2) For purposes of determining the required level of 31724
indebtedness, the required percentage of the basic project costs 31725
under division (C)(1) of this section, and priority for assistance 31726
under sections 3318.01 to 3318.20 of the Revised Code, the 31727
percentile ranking of a school district with which the commission 31728
has entered into an agreement under this section between the first 31729
day of July and the thirty-first day of August in each fiscal year 31730
is the percentile ranking calculated for that district for the 31731

immediately preceding fiscal year, and the percentile ranking of a 31732
school district with which the commission has entered into such 31733
agreement between the first day of September and the thirtieth day 31734
of June in each fiscal year is the percentile ranking calculated 31735
for that district for the current fiscal year. 31736

(B)(1) There is hereby established the school building 31737
assistance expedited local partnership program. Under the program, 31738
the Ohio facilities construction commission may enter into an 31739
agreement with the board of any school district under which the 31740
board may proceed with the new construction or major repairs of a 31741
part of the district's classroom facilities needs, as determined 31742
under sections 3318.01 to 3318.20 of the Revised Code, through the 31743
expenditure of local resources prior to the school district's 31744
eligibility for state assistance under those sections, and may 31745
apply that expenditure toward meeting the school district's 31746
portion of the basic project cost of the total of the district's 31747
classroom facilities needs, as recalculated under division (E) of 31748
this section, when the district becomes eligible for state 31749
assistance under sections 3318.01 to 3318.20 or section 3318.364 31750
of the Revised Code. ~~Any~~ 31751

Any school district that is reasonably expected to receive 31752
assistance under sections 3318.01 to 3318.20 of the Revised Code 31753
within two fiscal years from the date the school district adopts 31754
its resolution under division (B) of this section shall not be 31755
eligible to participate in the program established under this 31756
section unless that school district divides its project under 31757
those sections into segments as authorized by section 3318.034 of 31758
the Revised Code. In the case of a school district that has 31759
segmented its project as authorized in section 3318.034 of the 31760
Revised Code, the district shall select a discrete portion of one 31761
or more future segments of its project, to which the district may 31762
apply local resources under an agreement under this section prior 31763

to further state assistance for those future segments under 31764
sections 3318.01 to 3318.20 of the Revised Code. 31765

The resolution shall specify the approximate date that the 31769
board intends to seek elector approval of any bond or tax measures 31770
or to apply other local resources to use to pay the cost of 31771
classroom facilities to be constructed under this section. The 31772
resolution may specify the application of local resources or 31773
elector-approved bond or tax measures after the resolution is 31774
adopted by the board, and in such case the board may proceed with 31775
a discrete portion of its project under this section as soon as 31776
the commission and the controlling board have approved the basic 31777
project cost of the district's classroom facilities needs as 31778
specified in division (D) of this section. The board shall submit 31779
its resolution to the commission not later than ten days after the 31780
date the resolution is adopted by the board. 31781

submitted pursuant to division (B)(2) of this section, as amended 31783
by this amendment, sooner than September 14, 2000. 31784

into an agreement under this section becomes eligible for 31786
assistance under sections 3318.01 to 3318.20 of the Revised Code 31787
or priority for assistance under section 3318.364 of the Revised 31788
Code, the commission shall use the district's percentile ranking 31789
determined at the time the district entered into the agreement 31790
under this section, as prescribed by division (A)(2) of this 31791
section. 31792

(4) Any project under this section shall comply with section 31793
3318.03 of the Revised Code and with any specifications for plans 31794

and materials for classroom facilities adopted by the commission 31795
under section 3318.04 of the Revised Code. 31796

(5) If a school district that enters into an agreement under 31797
this section has not begun a project applying local resources as 31798
provided for under that agreement at the time the district is 31799
notified by the commission that it is eligible to receive state 31800
assistance for its project under sections 3318.01 to 3318.20 of 31801
the Revised Code or for a segment of its project, if the district 31802
previously segmented its project as authorized in section 3318.034 31803
of the Revised Code, all assessment and agreement documents 31804
entered into under this section are void. 31805

(6) Only construction of or repairs to classroom facilities 31806
that have been approved by the commission and have been therefore 31807
included as part of a district's basic project cost qualify for 31808
application of local resources under this section. 31809

(C) Based on the results of on-site visits and assessment, 31810
the commission shall determine the basic project cost of the 31811
school district's classroom facilities needs. The commission shall 31812
determine the school district's portion of such basic project 31813
cost, which shall be the greater of: 31814

(1) The required percentage of the basic project costs, 31815
determined based on the school district's percentile ranking; 31816

(2) An amount necessary to raise the school district's net 31817
bonded indebtedness, as of the fiscal year the commission and the 31818
school district enter into the agreement under division (B) of 31819
this section, to within five thousand dollars of the required 31820
level of indebtedness. 31821

(D)(1) When the commission determines the basic project cost 31822
