successfully accomplishes any of the objectives identified in 259
division (E) (3) of this section; 260

of this section would or could have been accomplished 262
successfully in the absence of the tax expenditure or property 263
tax exemption or with less cost to the state or local 264
governments; 265

(6) Whether the objectives identified in division (E) (3) 266
of this section could have been accomplished successfully 267
through a program that requires legislative appropriations for 268

tax exemption may provide unintended benefits to an individual, 271
organization, or industry other than those the general assembly 272
or sponsor intended or creates an unfair competitive advantage 273
for its recipient with respect to other businesses in the state; 274

(8) The extent to which terminating the tax expenditure or 275
property tax exemption may have negative effects on taxpayers 276
that currently benefit from the tax expenditure; 277

property tax exemption may have negative or positive effects on 279
the state's employment and economy; 280

(10) The feasibility of modifying the tax expenditure or 281
property tax exemption to provide for adjustment or recapture of 282
the proceeds of the ~~tax~~-expenditure or exemption if the 283

objectives of the ~~tax-expenditure~~ or exemption are not fulfilled 284
by the recipient of the ~~tax-expenditure~~ or exemption. 285

(F) The committee shall prepare a report of its 286

the senate that proposes to enact or modify one or more tax 303
