a church, religious society, or faith acting as a leader, 120
official, or delegate on behalf of the church, religious 121
society, or faith caused, or poses the threat of causing, the 122

child under eighteen years of age or is a person under twenty- 150
one years of age with a developmental disability or physical 151
impairment. 152

(ii) The cleric knows, or has reasonable cause to believe 153
based on facts that would cause a reasonable person in a similar 154
position to believe, as a result of the communication or any 155
observations made during that communication, the penitent has 156
suffered or faces a threat of suffering any physical or mental 157
wound, injury, disability, or condition of a nature that 158
reasonably indicates abuse or neglect of the penitent. 159

(iii) The abuse or neglect does not arise out of the 160
penitent's attempt to have an abortion performed upon a child 161
under eighteen years of age or upon a person under twenty-one 162
years of age with a developmental disability or physical 163
impairment without the notification of her parents, guardian, or 164
custodian in accordance with section 2151.85 of the Revised 165
Code. 166

(d) Divisions (A) (4) (a) and (c) of this section do not 167

(B) Anyone who knows, or has reasonable cause to suspect based on facts that would cause a reasonable person in similar circumstances to suspect, that a child under eighteen years of age, or a person under twenty-one years of age with a developmental disability or physical impairment, has suffered or faces a threat of suffering any physical or mental wound, injury, disability, or other condition of a nature that reasonably indicates abuse or neglect of the child may report or cause reports to be made of that knowledge or reasonable cause to suspect to the entity or persons specified in this division. Except as provided in section 5120.173 of the Revised Code, a person making a report or causing a report to be made under this division shall make it or cause it to be made to the public children services agency or to a peace officer. In the circumstances described in section 5120.173 of the Revised Code, a person making a report or causing a report to be made under this division shall make it or cause it to be made to the entity specified in that section.

(C) Any report made pursuant to division (A) or (B) of this section shall be made forthwith either by telephone or in person and shall be followed by a written report, if requested by the receiving agency or officer. The written report shall contain:

(1) The names and addresses of the child and the child's parents or the person or persons having custody of the child, if

known; 199

(2) The child's age and the nature and extent of the 200
child's injuries, abuse, or neglect that is known or reasonably 201
suspected or believed, as applicable, to have occurred or of the 202
threat of injury, abuse, or neglect that is known or reasonably 203
suspected or believed, as applicable, to exist, including any 204
evidence of previous injuries, abuse, or neglect; 205

(3) Any other information, including, but not limited to, 206
results and reports of any medical examinations, tests, or 207
procedures performed under division (D) of this section, that 208
might be helpful in establishing the cause of the injury, abuse, 209
or neglect that is known or reasonably suspected or believed, as 210
applicable, to have occurred or of the threat of injury, abuse, 211
or neglect that is known or reasonably suspected or believed, as 212
applicable, to exist. 213

(D) (1) Any person, who is required by division (A) of this 214
section to report child abuse or child neglect that is known or 215
reasonably suspected or believed to have occurred, may take or 216
cause to be taken color photographs of areas of trauma visible 217
on a child and, if medically necessary for the purpose of 218
diagnosing or treating injuries that are suspected to have 219
occurred as a result of child abuse or child neglect, perform or 220
cause to be performed radiological examinations and any other 221
medical examinations of, and tests or procedures on, the child. 222

(2) The results and any available reports of examinations, 223
tests, or procedures made under division (D) (1) of this section 224
shall be included in a report made pursuant to division (A) of 225
this section. Any additional reports of examinations, tests, or 226
procedures that become available shall be provided to the public 227
children services agency, upon request. 228

(3) If a health care professional provides health care services in a hospital, children's advocacy center, or emergency medical facility to a child about whom a report has been made under division (A) of this section, the health care professional may take any steps that are reasonably necessary for the release or discharge of the child to an appropriate environment. Before the child's release or discharge, the health care professional may obtain information, or consider information obtained, from other entities or individuals that have knowledge about the child. Nothing in division (D) (3) of this section shall be construed to alter the responsibilities of any person under sections 2151.27 and 2151.31 of the Revised Code.

(4) A health care professional may conduct medical examinations, tests, or procedures on the siblings of a child about whom a report has been made under division (A) of this section and on other children who reside in the same home as the child, if the professional determines that the examinations, tests, or procedures are medically necessary to diagnose or treat the siblings or other children in order to determine whether reports under division (A) of this section are warranted with respect to such siblings or other children. The results of the examinations, tests, or procedures on the siblings and other children may be included in a report made pursuant to division (A) of this section.

(5) Medical examinations, tests, or procedures conducted under divisions (D) (1) and (4) of this section and decisions regarding the release or discharge of a child under division (D) (3) of this section do not constitute a law enforcement investigation or activity.

(E) (1) When a peace officer receives a report made

pursuant to division (A) or (B) of this section, upon receipt of 259
the report, the peace officer who receives the report shall 260
refer the report to the appropriate public children services 261
agency, unless an arrest is made at the time of the report that 262
results in the appropriate public children services agency being 263
contacted concerning the possible abuse or neglect of a child or 264
the possible threat of abuse or neglect of a child. 265

(2) When a public children services agency receives a 266
report pursuant to this division or division (A) or (B) of this 267
section, upon receipt of the report, the public children 268
services agency shall do both of the following: 269

(a) Comply with section 2151.422 of the Revised Code; 270

(b) If the county served by the agency is also served by a 271
children's advocacy center and the report alleges sexual abuse 272
of a child or another type of abuse of a child that is specified 273
in the memorandum of understanding that creates the center as 274
being within the center's jurisdiction, comply regarding the 275
report with the protocol and procedures for referrals and 276
investigations, with the coordinating activities, and with the 277
authority or responsibility for performing or providing 278
functions, activities, and services stipulated in the 279
interagency agreement entered into under section 2151.428 of the 280
Revised Code relative to that center. 281

(F) No peace officer shall remove a child about whom a 282
report is made pursuant to this section from the child's 283
parents, stepparents, or guardian or any other persons having 284
custody of the child without consultation with the public 285
children services agency, unless, in the judgment of the 286
officer, and, if the report was made by physician, the 287
physician, immediate removal is considered essential to protect 288

the child from further abuse or neglect. The agency that must be 289
consulted shall be the agency conducting the investigation of 290
the report as determined pursuant to section 2151.422 of the 291
Revised Code. 292

(G) (1) Except as provided in section 2151.422 of the 293
Revised Code or in an interagency agreement entered into under 294
section 2151.428 of the Revised Code that applies to the 295
particular report, the public children services agency shall 296
investigate, within twenty-four hours, each report of child 297
abuse or child neglect that is known or reasonably suspected or 298
believed to have occurred and of a threat of child abuse or 299
child neglect that is known or reasonably suspected or believed 300
to exist that is referred to it under this section to determine 301
the circumstances surrounding the injuries, abuse, or neglect or 302
the threat of injury, abuse, or neglect, the cause of the 303
injuries, abuse, neglect, or threat, and the person or persons 304
responsible. The investigation shall be made in cooperation with 305
the law enforcement agency and in accordance with the memorandum 306
of understanding prepared under division (K) of this section. A 307
representative of the public children services agency shall, at 308
the time of initial contact with the person subject to the 309
investigation, inform the person of the specific complaints or 310
allegations made against the person. The information shall be 311
given in a manner that is consistent with division (I)(1) of 312
this section and protects the rights of the person making the 313
report under this section. 314

A failure to make the investigation in accordance with the 315
memorandum is not grounds for, and shall not result in, the 316
dismissal of any charges or complaint arising from the report or 317
the suppression of any evidence obtained as a result of the 318
report and does not give, and shall not be construed as giving, 319

any rights or any grounds for appeal or post-conviction relief 320
to any person. The public children services agency shall report 321
each case to the uniform statewide automated child welfare 322
information system that the department of job and family 323
services shall maintain in accordance with section 5101.13 of 324
the Revised Code. The public children services agency shall 325
submit a report of its investigation, in writing, to the law 326
enforcement agency. 327

(2) The public children services agency shall make any 328
recommendations to the county prosecuting attorney or city 329
director of law that it considers necessary to protect any 330
children that are brought to its attention. 331

(H) (1) (a) Except as provided in divisions (H) (1) (b) and 332
(I) (3) of this section, any person, health care professional, 333
hospital, institution, school, health department, or agency 334
shall be immune from any civil or criminal liability for injury, 335
death, or loss to person or property that otherwise might be 336
incurred or imposed as a result of any of the following: 337

(i) Participating in the making of reports pursuant to 338
division (A) of this section or in the making of reports in good 339
faith, pursuant to division (B) of this section; 340

(ii) Participating in medical examinations, tests, or 341
procedures under division (D) of this section; 342

(iii) Providing information used in a report made pursuant 343
to division (A) of this section or providing information in good 344
faith used in a report made pursuant to division (B) of this 345
section; 346

(iv) Participating in a judicial proceeding resulting from 347
a report made pursuant to division (A) of this section or 348

participating in good faith in a proceeding resulting from a 349
report made pursuant to division (B) of this section. 350

(b) Immunity under division (H) (1) (a) (ii) of this section 351
shall not apply when a health care provider has deviated from 352
the standard of care applicable to the provider's profession. 353

(c) Notwithstanding section 4731.22 of the Revised Code, 354
the physician-patient privilege shall not be a ground for 355
excluding evidence regarding a child's injuries, abuse, or 356
neglect, or the cause of the injuries, abuse, or neglect in any 357
judicial proceeding resulting from a report submitted pursuant 358
to this section. 359

(2) In any civil or criminal action or proceeding in which 360
it is alleged and proved that participation in the making of a 361
report under this section was not in good faith or participation 362
in a judicial proceeding resulting from a report made under this 363
section was not in good faith, the court shall award the 364
prevailing party reasonable attorney's fees and costs and, if a 365
civil action or proceeding is voluntarily dismissed, may award 366
reasonable attorney's fees and costs to the party against whom 367
the civil action or proceeding is brought. 368

(I) (1) Except as provided in divisions (I) (4) and (O) of 369
this section and sections 2151.423 and 2151.4210 of the Revised 370
Code, a report made under this section is confidential. The 371
information provided in a report made pursuant to this section 372
and the name of the person who made the report shall not be 373
released for use, and shall not be used, as evidence in any 374
civil action or proceeding brought against the person who made 375
the report. Nothing in this division shall preclude the use of 376
reports of other incidents of known or suspected abuse or 377
neglect in a civil action or proceeding brought pursuant to 378

division (N) of this section against a person who is alleged to 379
have violated division (A) (1) of this section, provided that any 380
information in a report that would identify the child who is the 381
subject of the report or the maker of the report, if the maker 382
of the report is not the defendant or an agent or employee of 383
the defendant, has been redacted. In a criminal proceeding, the 384
report is admissible in evidence in accordance with the Rules of 385
Evidence and is subject to discovery in accordance with the 386
Rules of Criminal Procedure. 387

(2) (a) Except as provided in division (I) (2) (b) of this 388
section, no person shall permit or encourage the unauthorized 389
dissemination of the contents of any report made under this 390
section. 391

(b) A health care professional that obtains the same 392
information contained in a report made under this section from a 393
source other than the report may disseminate the information, if 394
its dissemination is otherwise permitted by law. 395

(3) A person who knowingly makes or causes another person 396
to make a false report under division (B) of this section that 397
alleges that any person has committed an act or omission that 398
resulted in a child being an abused child or a neglected child 399
is guilty of a violation of section 2921.14 of the Revised Code. 400

(4) If a report is made pursuant to division (A) or (B) of 401
this section and the child who is the subject of the report dies 402
for any reason at any time after the report is made, but before 403
the child attains eighteen years of age, the public children 404
services agency or peace officer to which the report was made or 405
referred, on the request of the child fatality review board or 406
the director of health pursuant to guidelines established under 407
section 3701.70 of the Revised Code, shall submit a summary 408

sheet of information providing a summary of the report to the 409
review board of the county in which the deceased child resided 410
at the time of death or to the director. On the request of the 411
review board or director, the agency or peace officer may, at 412
its discretion, make the report available to the review board or 413
director. If the county served by the public children services 414
agency is also served by a children's advocacy center and the 415
report of alleged sexual abuse of a child or another type of 416
abuse of a child is specified in the memorandum of understanding 417
that creates the center as being within the center's 418
jurisdiction, the agency or center shall perform the duties and 419
functions specified in this division in accordance with the 420
interagency agreement entered into under section 2151.428 of the 421
Revised Code relative to that advocacy center. 422

(5) A public children services agency shall advise a 423
person alleged to have inflicted abuse or neglect on a child who 424
is the subject of a report made pursuant to this section, 425
including a report alleging sexual abuse of a child or another 426
type of abuse of a child referred to a children's advocacy 427
center pursuant to an interagency agreement entered into under 428
section 2151.428 of the Revised Code, in writing of the 429
disposition of the investigation. The agency shall not provide 430
to the person any information that identifies the person who 431
made the report, statements of witnesses, or police or other 432
investigative reports. 433

(J) Any report that is required by this section, other 434
than a report that is made to the state highway patrol as 435
described in section 5120.173 of the Revised Code, shall result 436
in protective services and emergency supportive services being 437
made available by the public children services agency on behalf 438
of the children about whom the report is made, in an effort to 439

prevent further neglect or abuse, to enhance their welfare, and, 440
whenever possible, to preserve the family unit intact. The 441
agency required to provide the services shall be the agency 442
conducting the investigation of the report pursuant to section 443
2151.422 of the Revised Code. 444

(K) (1) Each public children services agency shall prepare 445
a memorandum of understanding that is signed by all of the 446
following: 447

(a) If there is only one juvenile judge in the county, the 448
juvenile judge of the county or the juvenile judge's 449
representative; 450

county, a juvenile judge or the juvenile judges' representative 452
selected by the juvenile judges or, if they are unable to do so 453
for any reason, the juvenile judge who is senior in point of 454
service or the senior juvenile judge's representative; 455

(c) The county peace officer; 456

(d) All chief municipal peace officers within the county; 457

(e) Other law enforcement officers handling child abuse 458
and neglect cases in the county; 459

(f) The prosecuting attorney of the county; 460

(g) If the public children services agency is not the 461
county department of job and family services, the county 462
department of job and family services; 463

(h) The county humane society; 464

(i) If the public children services agency participated in 465
the execution of a memorandum of understanding under section 466

2151.426 of the Revised Code establishing a children's advocacy center, each participating member of the children's advocacy center established by the memorandum. 467
468
469

(2) A memorandum of understanding shall set forth the 470
normal operating procedure to be employed by all concerned 471
officials in the execution of their respective responsibilities 472
under this section and division (C) of section 2919.21, division 473
