Each expenditure under this division shall be separately itemized on statements made pursuant to section 3517.10 of the Revised Code.

Sec. 3517.10. (A) Except as otherwise provided in this division, every campaign committee, political action committee, legislative campaign fund, political party, and political contributing entity that made or received a contribution or made an expenditure in connection with the nomination or election of any candidate or in connection with any ballot issue or question at any election held or to be held in this state shall file, on a form prescribed under this section or by electronic means of transmission as provided in this section and section 3517.106 of the Revised Code, a full, true, and itemized statement, made under penalty of election falsification, setting forth in detail the contributions and expenditures, not later than four p.m. of the following dates:

(1) The twelfth day before the election to reflect contributions received and expenditures made from the close of business on the last day reflected in the last previously filed statement, if any, to the close of business on the twentieth day before the election;

A campaign committee shall only be required to file the statements prescribed under divisions (A)(1) and (2) of this section in connection with the nomination or election of the committee's candidate.

The statement required under division (A)(1) of this section shall not be required of any campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity that has received contributions of less than one thousand dollars and has made expenditures of less than one thousand dollars at the close of business on the twentieth day before the election. Those contributions and expenditures shall be reported in the statement required under division (A)(2) of this section.

If an election to select candidates to appear on the general election ballot is held within sixty days before a general election, the campaign committee of a successful candidate in the earlier election may file the statement required by division (A)(1) of this section for the general election instead of the statement required by division (A)(2) of this section for the earlier election if the pregeneral election
statement reflects the status of contributions and expenditures for the period twenty days before the earlier election to twenty days before the general election.

If a person becomes a candidate less than twenty days before an election, the candidate's campaign committee is not required to file the statement required by division (A)(1) of this section.

No statement under division (A)(3) of this section shall be required for any year in which a campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postgeneral election statement under division (A)(2) of this section. However, a statement under division (A)(3) of this section may be filed, at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No campaign committee of a candidate for the office of chief justice or justice of the supreme court, and no campaign committee of a candidate for the office of judge of any court in this state, shall be required to file a statement under division (A)(4) of this section.

The campaign committee of a candidate for any other nonjudicial office is required to file a statement under division (A)(4) of this section if that campaign committee receives, during that period, contributions exceeding ten thousand dollars.
No statement under division (A)(4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a political contributing entity for any year in which the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postprimary election statement under division (A)(2) of this section. However, a statement under division (A)(4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No statement under division (A)(3) or (4) of this section shall be required if the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity has no contributions that it has received and no expenditures that it has made since the last date reflected in its last previously filed statement. However, the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(3) or (4) of this section, as applicable.

The campaign committee of a statewide candidate shall file a monthly statement of contributions received during each of the months of July, August, and September in the year of the general election in which the candidate seeks office. The campaign committee of a statewide candidate shall file the monthly statement not later than three business days after the last day of the month covered by the statement. During the period beginning on the nineteenth day before the general election in...
which a statewide candidate seeks election to office and 
extending through the day of that general election, each time 
the campaign committee of the joint candidates for the offices 
of governor and lieutenant governor or of a candidate for the 
office of secretary of state, auditor of state, treasurer of 
state, or attorney general receives a contribution from a 
contributor that causes the aggregate amount of contributions 
received from that contributor during that period to equal or 
exceed ten thousand dollars and each time the campaign committee 
of a candidate for the office of chief justice or justice of the 
supreme court receives a contribution from a contributor that 
causes the aggregate amount of contributions received from that 
contributor during that period to exceed ten thousand dollars, 
the campaign committee shall file a two-business-day statement 
reflecting that contribution. Contributions reported on a two-
business-day statement required to be filed by a campaign 
committee of a statewide candidate in a primary election shall 
also be included in the postprimary election statement required 
to be filed by that campaign committee under division (A)(2) of 
this section. A two-business-day statement required by this 
paragraph shall be filed not later than two business days after 
receipt of the contribution. The statements required by this 
paragraph shall be filed in addition to any other statements 
required by this section.

Subject to the secretary of state having implemented, 
tested, and verified the successful operation of any system the 
secretary of state prescribes pursuant to divisions (C)(6)(b) 
and (D)(6) of this section and division (H)(1) of section 
3517.106 of the Revised Code for the filing of campaign finance 
statements by electronic means of transmission, a campaign 
committee of a statewide candidate shall file a two-business-day
statement under the preceding paragraph by electronic means of
transmission if the campaign committee is required to file a
pre-election, postelection, or monthly statement of
contributions and expenditures by electronic means of
transmission under this section or section 3517.106 of the
Revised Code.

If a campaign committee or political action committee has
no balance on hand and no outstanding obligations and desires to
terminate itself, it shall file a statement to that effect, on a
form prescribed under this section and made under penalty of
election falsification, with the official with whom it files a
statement under division (A) of this section after filing a
final statement of contributions and a final statement of
expenditures, if contributions have been received or
expenditures made since the period reflected in its last
previously filed statement.

(B) Except as otherwise provided in division (C)(7) of
this section, each statement required by division (A) of this
section shall contain the following information:

political action committee, legislative campaign fund, political
party, or political contributing entity, including any treasurer
of the committee, fund, party, or entity, filing a contribution
and expenditure statement;

The requirement of filing the full address does not
apply to any statement filed by a state or local committee of a political party, to a finance committee of such committee, or to a committee recognized by a state or local committee as its fund-raising auxiliary. Notwithstanding division (F) of this section, the requirement of filing the full address shall be considered as being met if the address filed is the same address the contributor provided under division (E)(1) of this section.

(ii) If a political action committee, political contributing entity, legislative campaign fund, or political party that is required to file campaign finance statements by electronic means of transmission under section 3517.106 of the Revised Code or a campaign committee of a statewide candidate or candidate for the office of member of the general assembly receives a contribution from an individual that exceeds one hundred dollars, the name of the individual's current employer, if any, or, if the individual is self-employed, the individual's occupation and the name of the individual's business, if any;

(c) A description of the contribution received, if other than money;

(d) The value in dollars and cents of the contribution;

division (A) of section 3517.10 of the Revised Code exceeds ten thousand dollars, shall file those statements by electronic means of transmission to the office of the secretary of state.

Except as otherwise provided in this division, within five business days after a statement filed by a campaign committee of a candidate for the office of member of the general assembly or a campaign committee of a candidate for the office of judge of a court of appeals is received by the secretary of state by electronic or other means of transmission, the secretary of state shall make available online to the public through the internet, as provided in division (I) of this section, the contribution and expenditure information in that statement. this section and divisions (C)(6)(b) and (D)(6) of section
3517.10 of the Revised Code for the filing of campaign finance
statements by electronic means of transmission, any individual,

specified in that division by electronic means of transmission
or, if the total amount of independent expenditures made during
the reporting period under that division exceeds ten thousand

individual, partnership, or other entity is received by the
secretary of state by electronic or other means of transmission,
the secretary of state shall make available online to the public
through the internet, as provided in division (I) of this
section, the expenditure information in that statement.

If a statement filed by electronic means of transmission

the statement for completeness and accuracy pursuant to division
(B)(3)(a) of section 3517.11 of the Revised Code, the
individual, partnership, or other entity shall file by
electronic means of transmission any addendum to the statement
that provides the information necessary to complete or correct
the statement or, if required by the secretary of state under
that division, an amended statement.
Within five business days after the secretary of state receives from an individual, partnership, or other entity described in division (B)(2)(b) or (C)(2)(b) of section 3517.105 of the Revised Code an addendum to the statement or an amended statement by electronic or other means of transmission under this division or division (B)(3)(a) of section 3517.11 of the Revised Code, the secretary of state shall make the expenditure information in the addendum or amended statement available online to the public through the internet as provided in division (I) of this section.

(H)(1) The secretary of state, by rule adopted pursuant to section 3517.23 of the Revised Code, shall prescribe one or more techniques by which a person who executes and transmits by electronic means a statement of contributions and expenditures, a statement of independent expenditures, a disclosure of electioneering communications statement, a deposit and disbursement statement, a gift and disbursement statement, or a donation and disbursement statement, an addendum to any of those statements, an amended statement of contributions and expenditures, an amended statement of independent expenditures, an amended disclosure of electioneering communications statement, an amended deposit and disbursement statement, an amended gift and disbursement statement, or an amended donation and disbursement statement, under this section or section 3517.10, 3517.105, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 of the Revised Code shall electronically sign the statement, addendum, or amended statement. Any technique prescribed by the secretary of state pursuant to this division shall create an electronic signature that satisfies all of the following:

(a) It is unique to the signer.
(b) It objectively identifies the signer.

(c) It involves the use of a signature device or other means or method that is under the sole control of the signer and that cannot be readily duplicated or compromised.

(d) It is created and linked to the electronic record to which it relates in a manner that, if the record or signature is intentionally or unintentionally changed after signing, the electronic signature is invalidated.

(2) An electronic signature prescribed by the secretary of state under division (H)(1) of this section shall be attached to or associated with the statement of contributions and expenditures, the statement of independent expenditures, the disclosure of electioneering communications statement, the deposit and disbursement statement, the gift and disbursement statement, or the donation and disbursement statement, the addendum to any of those statements, the amended statement of contributions and expenditures, the amended statement of independent expenditures, the amended disclosure of electioneering communications statement, the amended deposit and disbursement statement, the amended gift and disbursement statement, or the amended donation and disbursement statement that is executed and transmitted by electronic means by the person to whom the electronic signature is attributed. (J)(1) As used in this division, "library" means a library that is open to the public and that is one of the following:

(a) A library that is maintained and regulated under section 715.13 of the Revised Code;

(b) A library that is created, maintained, and regulated under Chapter 3375. of the Revised Code.

(2) The secretary of state shall notify all libraries of the location on the internet at which the contribution and expenditure, contribution and disbursement, deposit and disbursement, gift and disbursement, or donation and disbursement information in campaign finance statements required to be made available online to the public through the internet pursuant to division (I) of this section may be accessed.

If that location is part of the world wide web and if the secretary of state has notified a library of that world wide web location as required by this division, the library shall include a link to that world wide web location on each internet-connected computer it maintains that is accessible to the public.

(3) If the system the secretary of state prescribes for the filing of campaign finance statements by electronic means of
transmission pursuant to division (H)(1) of this section and divisions (C)(6)(b) and (D)(6) of section 3517.10 of the Revised Code includes filing those statements through the internet via the world wide web, the secretary of state shall notify all libraries of the world wide web location at which those statements may be filed.

(K) It is an affirmative defense to a complaint or charge brought against any campaign committee, political action committee, political contributing entity, legislative campaign fund, or political party, any individual, partnership, or other entity, any person making disbursements to pay the direct costs of producing or airing electioneering communications, or any treasurer of a transition fund, for the failure to file by electronic means of transmission a campaign finance statement as required by this section or section 3517.10, 3517.105, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 of the Revised Code that all of the following apply to the campaign committee, political action committee, political contributing entity, legislative campaign fund, or political party, the individual, partnership, or other entity, the person making disbursements to pay the direct costs of producing or airing electioneering communications, or the treasurer of a transition fund that failed to so file:

(1) The campaign committee, political action committee,
political contributing entity, legislative campaign fund, or political party, the individual, partnership, or other entity, the person making disbursements to pay the direct costs of producing or airing electioneering communications, or the treasurer of a transition fund attempted to file by electronic means of transmission the required statement prior to the deadline set forth in the applicable section.

(3) The campaign committee, political action committee, political contributing entity, legislative campaign fund, or political party, the individual, partnership, or other entity, the person making disbursements to pay the direct costs of producing or airing electioneering communications, or the treasurer of a transition fund filed by electronic means of transmission the required statement within a reasonable period of time after being unable to so file it under the circumstance described in division (K)(2) of this section.

(L)(1) The secretary of state shall adopt rules pursuant to Chapter 119. of the Revised Code to permit a campaign committee of a candidate for statewide office that makes expenditures of less than twenty-five thousand dollars during
the filing period or a campaign committee for the office of member of the general assembly or the office of judge of a court of appeals that would otherwise be required to file campaign finance statements by electronic means of transmission under division (E) or (F) of this section to file those statements by paper with the office of the secretary of state. Those rules shall provide for all of the following:

(a) An eligible campaign committee that wishes to file a campaign finance statement by paper instead of by electronic means of transmission shall file the statement on paper with the office of the secretary of state not sooner than twenty-four hours after the end of the filing period set forth in section 3517.10 of the Revised Code that is covered by the applicable statement.

(b) The statement shall be accompanied by a fee, the amount of which the secretary of state shall determine by rule. The amount of the fee established under this division shall not exceed the data entry and data verification costs the secretary of state will incur to convert the information on the statement to an electronic format as required under division (I) of this section.

(c) The secretary of state shall arrange for the information in campaign finance statements filed pursuant to division (L) of this section to be made available online to the public through the internet in the same manner, and at the same times, as information is made available under divisions (E), (F), and (I) of this section for candidates whose campaign committees file those statements by electronic means of transmission.

(d) The candidate of an eligible campaign committee that

(e) An eligible campaign committee that files a campaign finance statement on paper pursuant to division (L) of this section shall review the contribution and information made available online by the secretary of state with respect to that paper filing and shall notify the secretary of state of any errors with respect to that filing that appear in the data made available on that web site.

(f) If an eligible campaign committee whose candidate has filed a notice in accordance with rules adopted under division (L)(1)(d) of this section subsequently fails to file that statement on paper by the applicable deadline established in rules adopted under division (L)(1)(a) of this section, penalties for the late filing of the campaign finance statement shall apply to that campaign committee for each day after that paper filing deadline, as if the campaign committee had filed the statement after the applicable deadline set forth in division (A) of section 3517.10 of the Revised Code.

(2) The process for permitting campaign committees that would otherwise be required to file campaign finance statements by electronic means of transmission to file those statements on paper with the office of the secretary of state that is required to be developed under division (L)(1) of this section shall be in effect and available for use by eligible campaign committees for all campaign finance statements that are required to be
filed on or after June 30, 2005. Notwithstanding any provision of the Revised Code to the contrary, if the process the secretary of state is required to develop under division (L)(1) of this section is not in effect and available for use on and after June 30, 2005, all penalties for the failure of campaign committees to file campaign finance statements by electronic means of transmission shall be suspended until such time as that process is in effect and available for use.

(3) Notwithstanding any provision of the Revised Code to the contrary, any eligible campaign committee that files campaign finance statements on paper with the office of the secretary of state pursuant to division (L)(1) of this section shall be deemed to have filed those campaign finance statements by electronic means of transmission to the office of the secretary of state.

The statement shall be on a form prescribed by the secretary of state and shall include a list of the names and addresses of contributors that are residents of Ohio that made contributions to the federal political committee during the calendar year covered by the statement and, for each name listed, the aggregate total amount contributed by each contributor during the reporting period.

(H) No person within this state, publishing a newspaper or other periodical, shall charge a campaign committee for political advertising a rate in excess of the rate such person would charge if the campaign committee were a general rate advertiser whose advertising was directed to promoting its business within the same area as that encompassed by the particular office that the candidate of the campaign committee is seeking. The rate shall take into account the amount of space used, as well as the type of advertising copy submitted by or on behalf of the campaign committee. All discount privileges otherwise offered by a newspaper or periodical to general rate advertisers shall be available upon equal terms to all campaign committees.

Revised Code, if an owner of more than twenty per cent of the
corporation or business trust or the spouse of that person has
made, as an individual, within the two previous calendar years,
taking into consideration only owners for all of that period,
one or more contributions totaling in excess of one thousand
dollars to the holder of a public office having ultimate
responsibility for the award of the contract or to the public
officer's campaign committee.
(K) For purposes of divisions (I) and (J) of this section, if a public officer who is responsible for the award of a contract is appointed by the governor, whether or not the appointment is subject to the advice and consent of the senate, excluding members of boards, commissions, committees, authorities, councils, boards of trustees, task forces, and other such entities appointed by the governor, the office of the governor is considered to have ultimate responsibility for the award of the contract.

(L) For purposes of divisions (I) and (J) of this section, if a public officer who is responsible for the award of a contract is appointed by the elected chief executive officer of a municipal corporation, or appointed by the elected chief executive officer of a county operating under an alternative form of county government or county charter, excluding members of boards, commissions, committees, authorities, councils, boards of trustees, task forces, and other such entities appointed by the chief executive officer, the office of the chief executive officer is considered to have ultimate responsibility for the award of the contract.

(2) Divisions (I) and (J) of this section do not apply to actions of the controlling board.

(N)(1) Divisions (I) and (J) of this section apply to contributions made to the holder of a public office having ultimate responsibility for the award of a contract, or to the public officer's campaign committee, during the time the person holds the office and during any time such person was a candidate for the office. Those divisions do not apply to contributions made to, or to the campaign committee of, a candidate for or holder of the office other than the holder of the office at the time of the award of the contract.

(2) Divisions (I) and (J) of this section do not apply to contributions of a partner, shareholder, administrator, executor, trustee, or owner of more than twenty per cent of a corporation or business trust made before the person held any of those positions or after the person ceased to hold any of those positions in the partnership, association, estate, trust, corporation, or business trust whose eligibility to be awarded a contract is being determined, nor to contributions of the person's spouse made before the person held any of those positions, after the person ceased to hold any of those positions, before the two were married, after the granting of a decree of divorce, dissolution of marriage, or annulment, or after the granting of an order in an action brought solely for legal separation. (O) No beneficiary of a campaign fund or other person shall convert for personal use, and no person shall knowingly give to a beneficiary of a campaign fund or any other person, for the beneficiary's or any other person's personal use, anything of value from the beneficiary's campaign fund, including, without limitation, payments to a beneficiary for services the beneficiary personally performs, except as reimbursement for any of the following:

(1) Legitimate and verifiable prior campaign expenses incurred by the beneficiary;

(2) Legitimate and verifiable ordinary and necessary prior expenses incurred by the beneficiary in connection with duties as the holder of a public office, including, without limitation, expenses incurred through participation in nonpartisan or bipartisan events if the participation of the holder of a public office would normally be expected;

(3) Legitimate and verifiable ordinary and necessary prior expenses incurred by the beneficiary while doing any of the following:

(a) Engaging in activities in support of or opposition to a candidate other than the beneficiary, political party, or ballot issue;

(b) Raising funds for a political party, political action committee, political contributing entity, legislative campaign fund, campaign committee, or other candidate;

(P) No beneficiary of a campaign fund shall knowingly accept, and no person shall knowingly give to the beneficiary of a campaign fund, reimbursement for an expense under division (O) of this section to the extent that the expense previously was reimbursed or paid from another source of funds. If an expense is reimbursed under division (O) of this section and is later paid or reimbursed, wholly or in part, from another source of funds, the beneficiary shall repay the reimbursement received under division (O) of this section to the extent of the payment made or reimbursement received from the other source.

(Q) No candidate or public official or employee shall accept for personal or business use anything of value from a political party, political action committee, political contributing entity, legislative campaign fund, or campaign committee other than the candidate's or public official's or employee's own campaign committee, and no person shall knowingly give to a candidate or public official or employee anything of value from a political party, political action committee, political contributing entity, legislative campaign fund, or such a campaign committee, except for the following:
(1) Reimbursement for legitimate and verifiable ordinary and necessary prior expenses not otherwise prohibited by law incurred by the candidate or public official or employee while engaged in any legitimate activity of the political party, political action committee, political contributing entity, legislative campaign fund, or such campaign committee. Without limitation, reimbursable expenses under this division include those incurred while doing any of the following:

Reimbursable expenses under this division do not include, and it is a violation of this division for a candidate or public official or employee to accept, or for any person to knowingly give to a candidate or public official or employee from a political party, political action committee, political contributing entity, legislative campaign fund, or campaign committee other than the candidate's or public official's or
employee's own campaign committee, anything of value for activities primarily related to the candidate's or public official's or employee's own campaign for election, except for contributions to the candidate's or public official's or employee's campaign committee.

For purposes of this division, an expense is incurred whenever a candidate or public official or employee has either made payment or is obligated to make payment, as by the use of a credit card or other credit procedure, or by the use of goods or services on account.

(R)(1) Division (O) or (P) of this section does not prohibit a campaign committee from making direct advance or post payment from contributions to vendors for goods and services for which reimbursement is permitted under division (O) of this section, except that no campaign committee shall pay its candidate or other beneficiary for services personally performed by the candidate or other beneficiary.

(2) If any expense that may be reimbursed under division (O), (P), or (Q) of this section is part of other expenses that may not be paid or reimbursed, the separation of the two types of expenses for the purpose of allocating for payment or reimbursement those expenses that may be paid or reimbursed may be by any reasonable accounting method, considering all of the surrounding circumstances.

(3) For purposes of divisions (O), (P), and (Q) of this section, mileage allowance at a rate not greater than that allowed by the internal revenue service at the time the travel occurs may be paid instead of reimbursement for actual travel expenses allowable.

general election, the campaign committee of a successful
candidate in the earlier election may file the statement
required by division (A)(1) of this section for the general
election instead of the statement required by division (A)(2) of
this section for the earlier election if the pregeneral election
statement reflects the status of contributions and expenditures
for the period twenty days before the earlier election to twenty
days before the general election.

If a person becomes a candidate less than twenty days
before an election, the candidate's campaign committee is not
required to file the statement required by division (A)(1) of
this section.

No statement under division (A)(3) of this section shall
be required for any year in which a campaign committee,
political action committee, legislative campaign fund, political
party, or political contributing entity is required to file a

section. However, a statement under division (A)(3) of this
section may be filed, at the option of the campaign committee,
political action committee, legislative campaign fund, political
party, or political contributing entity.

No campaign committee of a candidate for the office of
chief justice or justice of the supreme court, and no campaign

this state, shall be required to file a statement under division (A)(4) of this section.

Except as otherwise provided in this paragraph and in the next paragraph of this section, the only campaign committees required to file a statement under division (A)(4) of this section are the campaign committee of a statewide candidate and the campaign committee of a candidate for county office. The campaign committee of a candidate for any other nonjudicial office is required to file a statement under division (A)(4) of this section if that campaign committee receives, during that period, contributions exceeding ten thousand dollars.

No statement under division (A)(4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a political contributing entity for any year in which the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postprimary election statement under division (A)(2) of this section. However, a statement under division (A)(4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No statement under division (A)(3) or (4) of this section shall be required if the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity has no contributions that it has received and no expenditures that it has made since the last date reflected in its last previously filed statement. However, the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity

The campaign committee of a statewide candidate shall file the monthly statement not later than three business days after the last day of the month covered by the statement. During the period beginning on the nineteenth day before the general election in which a statewide candidate seeks election to office and extending through the day of that general election, each time the campaign committee of the joint candidates for the offices of governor and lieutenant governor or of a candidate for the office of secretary of state, auditor of state, treasurer of state, or attorney general receives a contribution from a contributor that causes the aggregate amount of contributions received from that contributor during that period to equal or exceed ten thousand dollars and each time the campaign committee of a candidate for the office of chief justice or justice of the supreme court receives a contribution from a contributor that causes the aggregate amount of contributions received from that contributor during that period to exceed ten thousand dollars, the campaign committee shall file a two-business-day statement reflecting that contribution. Contributions reported on a two-business-day statement required to be filed by a campaign committee of a statewide candidate in a primary election shall also be included in the postprimary election statement required to be filed by that campaign committee under division (A)(2) of
As Introduced

If a campaign committee or political action committee has no balance on hand and no outstanding obligations and desires to terminate itself, it shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, with the official with whom it files a statement under division (A) of this section after filing a final statement of contributions and a final statement of expenditures, if contributions have been received or expenditures made since the period reflected in its last previously filed statement.

section shall contain the following information:

The requirement of filing the full address does not apply to any statement filed by a state or local committee of a political party, to a finance committee of such committee, or to a committee recognized by a state or local committee as its fund-raising auxiliary. Notwithstanding division (F) of this section, the requirement of filing the full address shall be considered as being met if the address filed is the same address the contributor provided under division (E)(1) of this section.

include a description of and the value of each in-kind
contribution received at that activity from any person who made
one or more such contributions whose aggregate value exceeded
two hundred fifty dollars and shall be listed separately,

anonymous contribution, the circumstances under which it was received, and the reason it cannot be attributed to a specific donor.

(3) Each statement of a campaign committee of a candidate who holds public office shall contain a designation of each contributor who is an employee in any unit or department under the candidate's direct supervision and control. In a space provided in the statement, the person filing the statement shall affirm that each such contribution was voluntarily made.

(4) A campaign committee that did not receive contributions or make expenditures in connection with the nomination or election of its candidate shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(2) of this section.

electronic means of transmission and regarding associated technologies for candidates, campaign committees, political action committees, legislative campaign funds, political parties, or political contributing entities, for individuals, partnerships, or other entities, for persons making disbursements to pay the direct costs of producing or airing electioneering communications, or for treasurers of transition funds, required or permitted to file statements by electronic means of transmission under this section or section 3517.105, 3517.106, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 of the Revised Code. finance statements by electronic means of transmission under 
division (E) of this section to file those statements by paper 
with the office of the secretary of state. Those rules shall 
provide for all of the following:

(a) An eligible campaign committee that wishes to file a 
campaign finance statement by paper instead of by electronic 
means of transmission shall file the statement on paper with the 
office of the secretary of state not sooner than twenty-four 
hours after the end of the filing period set forth in section 
3517.10 of the Revised Code that is covered by the applicable 
statement.

(b) The statement shall be accompanied by a fee, the 
amount of which the secretary of state shall determine by rule. 
The amount of the fee established under this division shall not 
exceed the data entry and data verification costs the secretary 
of state will incur to convert the information on the statement 
to an electronic format as required under division (G) of this 
section.

(c) The secretary of state shall arrange for the 
information in campaign finance statements filed pursuant to 
division (J) of this section to be made available online to the 
public through the internet in the same manner, and at the same 
times, as information is made available under divisions (E) and 
(G) of this section for candidates whose campaign committees 
file those statements by electronic means of transmission.

(d) The candidate of an eligible campaign committee that 
intends to file a campaign finance statement pursuant to 
division (J) of this section shall file a notice indicating that 
the candidate's campaign committee intends to so file and
stating that filing the statement by electronic means of
transmission would constitute a hardship for the candidate or
for the eligible campaign committee.

(e) An eligible campaign committee that files a campaign
finance statement on paper pursuant to division (J) of this
section shall review the contribution and information made
available online by the secretary of state with respect to that
paper filing and shall notify the secretary of state of any
errors with respect to that filing that appear in the data made
available on that web site.

(f) If an eligible campaign committee whose candidate has
filed a notice in accordance with rules adopted under division
(J)(1)(d) of this section subsequently fails to file that
statement on paper by the applicable deadline established in
rules adopted under division (J)(1)(a) of this section,
penalties for the late filing of the campaign finance statement
shall apply to that campaign committee for each day after that
paper filing deadline, as if the campaign committee had filed
the statement after the applicable deadline set forth in
division (A) of section 3517.10 of the Revised Code.

(2) The process for permitting campaign committees that
would otherwise be required to file campaign finance statements
by electronic means of transmission to file those statements on
paper with the office of the secretary of state that is required
to be developed under division (J)(1) of this section shall be
in effect and available for use by eligible campaign committees
for all campaign finance statements that are required to be
filed on or after June 30, 2005. Notwithstanding any provision
of the Revised Code to the contrary, if the process the
secretary of state is required to develop under division (L)(1)
of this section is not in effect and available for use on and
after June 30, 2005, all penalties for the failure of campaign
committees to file campaign finance statements by electronic
means of transmission shall be suspended until such time as that
process is in effect and available for use.

(3) Notwithstanding any provision of the Revised Code to
the contrary, any eligible campaign committee that files
campaign finance statements on paper with the office of the
secretary of state pursuant to division (J)(1) of this section
shall be deemed to have filed those campaign finance statements
by electronic means of transmission to the office of the
secretary of state.

Section 4. That existing versions of sections 3517.10,
3517.105, and 3517.106 of the Revised Code that are scheduled to
take effect January 1, 2021, are hereby repealed.

Section 5. This act shall be known as the Ohio Anti-
Corruption Act.

Section 6. Section 3517.10 of the Revised Code is
presented in Section 3 of this act as a composite of the section
as amended by both H.B. 166 and S.B. 107 of the 133rd General
Assembly. The General Assembly, applying the principle stated in
division (B) of section 1.52 of the Revised Code that amendments
are to be harmonized if reasonably capable of simultaneous
operation, finds that the composite is the resulting version of
the section in effect prior to the effective date of the section
as presented in this act.
