liable to any eligible lending institution in any manner for 212

superintendent must first be notified in writing prior to the 271

deemed to prohibit a credit union from taking title to real 273
estate in connection with a default in the payment of a loan, 274
provided that title to such real estate shall not be held by the 275
credit union for more than two years without the prior written 276

(3) Notwithstanding any other provision of this section,	290
any student enrolled in the school maintaining a student branch	291
who is not otherwise qualified for membership in the credit	292
union maintaining the student branch is qualified to be a member	293
of that student branch.	294
(4) The student's membership in the student branch expires	295
upon the student's graduation from secondary school.	296
(5) The student branch is for the express use of students	297
and may not be used by faculty, staff, or lineal ancestors or	298
descendents of students.	299
(6) Faculty, staff, or lineal ancestors or descendents of	300
students are not eligible for membership in the credit union	301
maintaining the student branch unless otherwise qualified by	302
this section to be members.	303
(7) The superintendent may adopt rules appropriate to the	304

formation and operation of student branches. 305

Revised Code, and the adoption linked deposit program under 320
sections 135.79 to 135.796 of the Revised Code. 321

(B) The shares and share accounts of the credit union may 322
be of one or more classes, as designated by the board of 323
directors, subject to approval of the superintendent of credit 324
unions based on rules that shall assure equitable distribution 325
of dividends among classes, considering costs and advantages of 326
each class to the members of the credit union, including without 327
limitation special services rendered, length of ownership, 328
minimum investment, conditions of repurchase, and other 329
appropriate standards or combinations thereof. In the event the 330
articles of incorporation of the credit union indicate the 331
authorized number of shares to be unlimited, the designation of 332
classification of shares and share accounts of the credit union 333
may be effected by the board of directors, subject to the 334

approval of the superintendent, and does not require amendment 335
of the articles of incorporation. All shares of the credit union 336
shall have a par value per share as set by the board of 337
directors. Redemptions and liquidating dividends shall be 338
prorated to each member on the basis of the price paid the 339
credit union for such share, irrespective of the class of such 340
shares. 341

(C) (1) Each credit union shall have one class of shares 342
designated as "membership share." The membership shares, or if a 343
credit union has but one class of shares, then all of the shares 344
of the credit union, shall have a par value as set by the board 345
of directors. 346

(2) Two or more persons that are eligible for membership 347
that have jointly subscribed for one or more shares under a 348
joint account each may be admitted to membership. 349

(D) A credit union need not issue certificates for any or 350
all of its classes of shares but irrespective of whether 351
certificates are issued, a registry of shares must be kept, 352
including all of the transactions of the credit union pertaining 353
to such shares. 354

(E) A credit union is authorized to maintain share draft 355
accounts in accordance with rules prescribed by the 356
superintendent. The credit union may pay dividends on share 357
draft accounts, may pay dividends at different rates on 358
different types of share draft accounts, and may permit the 359
owners of such share draft accounts to make withdrawals by 360
negotiable or transferable instruments or other orders for the 361
purpose of making transfers to third parties. 362

(F) Unless otherwise provided by written agreement of the 363

parties, the rights, responsibilities, and liabilities attaching 364
to a share draft withdrawn from, transferred to, or otherwise 365
handled by a credit union are defined in and governed by 366
Chapters 1303. and 1304. of the Revised Code, as if the credit 367
union were a bank. 368

(G) Unless otherwise provided in the articles or 369
regulations, a member may designate any person or persons to own 370
or hold shares, or share accounts with the member in joint 371
tenancy with right of survivorship and not as tenants in common. 372

(H) Shares or share accounts may be issued in the name of 373
a custodian under the Ohio transfers to minors act, a member in 374
trust for a beneficiary, a fiduciary or custodian in trust for a 375
member beneficiary, or a fiduciary or custodian in trust upon 376
the death of a member. Redemption of such shares or payment of 377
such share accounts to a member, to the extent of the payment, 378
discharges the liability of the credit union to the member and 379
the beneficiary, and the credit union shall be under no 380
obligation to see to the application of the payment. Unless 381
prior to the death of a member, the member has notified the 382
credit union in writing in a form approved by the credit union 383
of a different beneficiary to receive the proceeds of such 384
shares or share accounts, then the proceeds shall be paid to the 385
beneficiary or to the beneficiary's parent or legal 386
representative. Any payment made pursuant to written 387
instructions of the member or pursuant to the provisions herein 388
contained shall be a valid and sufficient release and discharge 389
of the credit union in connection with any such share or share 390
accounts. 391

(I) (1) Except as otherwise provided in the articles or 392
regulations, and subject to the provisions thereof, a minor may 393

purchase shares, share accounts, or other depository 394
instruments, and except for qualification as a voting member, 395
the credit union may deal with the minor with respect to shares, 396
share accounts, or other depository instruments owned by the 397
minor as if the minor were a person of legal age. 398

(2) If shares, share accounts, or other depository 399
instruments are issued in the name of a minor, redemption of any 400
part or all of the shares or withdrawal of funds by payment to 401
the minor of the shares or funds and any declared dividends or 402
interest releases the credit union from all obligation to the 403
minor as to the shares reduced or funds withdrawn. 404

(J) The regulations may require advance written notice of 405
a member's intention to withdraw the member's shares. Such 406
advance notice shall not exceed sixty days. 407

(K) Notwithstanding any provision of law to the contrary, 408
funds deposited in a share account, share certificate, or in any 409
other manner pursuant to a program offered by a credit union to 410
promote consumer savings do not constitute valuable 411
consideration for purposes of a scheme of chance under Chapter 412
2915. of the Revised Code. 413

Section 2. That existing sections 135.63, 135.78, 1733.04, 414
and 1733.24 of the Revised Code are hereby repealed. 415
