request shall be made under this division not later than the 212

an extension of the time within which that peace officer or 222
trooper must complete the required minimum number of hours of 223
continuing professional training set by the commission. An 224

extension granted under this division may be for any period of 225

executive director shall specify in the notice granting the 227
extension the date on which the extension ends. Not later than 228
thirty days after the date on which a request is submitted to 229
the commission, for each peace officer and trooper for whom an 230

an appointing authority must complete the required minimum 238
number of hours of continuing professional training set by the 239
commission, the appointing authority shall require that peace 240
officer or trooper to complete the required minimum number of 241

number of continuing professional training hours required of 267
another peace officer or trooper appointed by that law 268
enforcement agency. 269
