section 4519.03 of the Revised Code. The owner of a motor vehicle, other than a snowmobile, off-highway motorcycle, or all-purpose vehicle, that is not designed and constructed by the manufacturer for operation on a street or highway may not register it under this chapter except upon certification of inspection pursuant to section 4513.02 of the Revised Code by the sheriff, or the chief of police of the municipal corporation or township, with jurisdiction over the political subdivision in which the owner of the motor vehicle resides. Applications for registration and registration renewal notices shall be filed at the times established by the registrar pursuant to section 4503.101 of the Revised Code. A motor vehicle owner also may elect to apply for or renew a motor vehicle registration by electronic means using electronic signature in accordance with rules adopted by the registrar. - (4) Whether the motor vehicle is a new or used motor vehicle;
- (5) The date of purchase of the motor vehicle;

(6) Whether the fees required to be paid for the registration or transfer of the motor vehicle, during the preceding registration year and during the preceding period of the current registration year, have been paid. Each application for registration shall be signed by the owner, either manually or by electronic signature, or pursuant to obtaining a limited power of attorney authorized by the registrar for registration, or other document authorizing such signature. The official also shall indicate, by a stamp or by other means the registrar prescribes, on the registration certificate issued upon the first registration of a motor vehicle by or on behalf of the owner the odometer reading of the motor vehicle as shown in the odometer statement included in or attached to the certificate of title. Upon each subsequent registration of the motor vehicle by or on behalf of the same owner, the official also shall so indicate the odometer reading of the motor vehicle as shown on the immediately preceding certificate of registration.

Those fees shall be in addition to the license tax. If the total cost of producing the plates is less than twenty-five cents per plate, or if the total cost of producing the stickers is less than twenty-five cents per sticker or per set issued, any excess moneys accruing from the fees shall be distributed in the same manner as provided by section 4501.04 of the Revised Code for the distribution of license tax moneys. If the total cost of producing the plates exceeds twenty-five cents per plate, or if the total cost of producing the stickers exceeds twenty-five cents per sticker or per set issued, the difference shall be paid from the license tax moneys collected pursuant to section 4503.02 of the Revised Code.

(3) The registrar and each deputy registrar shall collect an additional fee of two hundred dollars for each application for registration or registration renewal received for any plug-in electric motor vehicle. The fee shall be prorated based on the number of months for which the plug-in electric motor vehicle is registered. The registrar shall transmit all money arising from the fee imposed by division (C)(3) of this section to the treasurer of state for distribution in accordance with division (E) of section 5735.051 of the Revised Code, subject to division (D) of section 5735.05 of the Revised Code.

The fee shall be prorated based on the number of months for which the hybrid motor vehicle is registered. The registrar shall transmit all money arising from the fee imposed by division (C)(4) of this section to the treasurer of state for distribution in accordance with division (E) of section 5735.051 of the Revised Code, subject to division (D) of section 5735.05 of the Revised Code.

The fees established under divisions (C)(3) and (4) of this section shall not be imposed until January 1, 2020.

(D) Each deputy registrar shall be allowed a fee equal to the amount established under section 4503.038 of the Revised Code for each application for registration and registration renewal notice the deputy registrar receives, which shall be for the purpose of compensating the deputy registrar for the deputy registrar's services, and such office and rental expenses, as may be necessary for the proper discharge of the deputy registrar's duties in the

receiving of applications and renewal notices and the issuing of registrations.

Where a local bank or depository has been designated by the registrar, each deputy registrar shall deposit all moneys collected by the deputy registrar into that bank or depository not more than one business day after their collection and shall make reports to the registrar of the amounts so deposited, together with any other information, some of which may be prescribed by the treasurer of state, as the registrar may require and as prescribed by the registrar by rule. The registrar, within three days after receipt of notification of the deposit of funds by a deputy registrar in a local bank or depository, shall draw on that account in favor of the treasurer of state. The registrar, subject to the approval of the director and the treasurer of state, may make reasonable rules necessary for the prompt transmittal of fees and for safeguarding the interests of the state and of counties, townships, municipal corporations, and transportation improvement districts levying local motor vehicle license taxes. The registrar may pay service charges usually collected by banks and depositories for such service. If deputy registrars are located in communities where banking facilities are not available, they shall transmit the fees forthwith, by money order or otherwise, as the registrar, by rule approved by the director and the treasurer of state, may prescribe. The registrar may pay the usual and customary fees for such service.

LOCAL GOVERNMENT FUND

The additional appropriation in the foregoing appropriation item 110969, Local Government Fund, shall be used for making payments to the undivided local government funds of qualifying counties under Section 4 of this act.

Section 4. (A) As used in this section, "qualifying county" means a county that, in fiscal year 2021, received one or more payments under division (B) of section 5747.50 of the Revised Code that was reduced pursuant to section 5747.502 of the Revised Code by an amount exceeding the reduction that would have applied had the payment been computed in that fiscal year under section 5747.502 of the Revised Code, as amended by this act.

(B) The Tax Commissioner shall increase the amount of the first payment under division (B) of section 5747.50 of the Revised Code following the effective date of this section to each qualifying county by the difference obtained by subtracting (1) the aggregate amount of payments actually received by the qualifying county under that division in fiscal year 2021, from (2) the aggregate amount of payments the qualifying county would have received under that division had any reductions required by section 5747.502 of the Revised Code been computed in that fiscal year under that section, as amended by this act.

(C) Notwithstanding division (B) of section 5747.50 or section 5747.51 or 5747.53 of the Revised Code, a qualifying county shall distribute any increase in payment received under division (B) of this section to any subdivision that received a reduced distribution from the county undivided local government fund under section 5747.502 of the Revised Code in fiscal year 2021 due to the operation of traffic law photo-monitoring devices by another subdivision. The amount distributed to each such subdivision shall equal the amount by which payments to its general fund from the county undivided local government were reduced for that reason in fiscal year 2021. Amounts distributed under this division shall be paid into the general fund of the subdivision used for the current operating expenses of the subdivision.

(D) Within the limits set forth in this act, the Director of Budget and Management shall transfer from the Ohio Highway and Transportation Safety Fund to the Local Government Fund (Fund 7069) in the Revenue Distribution Fund Group, the amount necessary to make the payments described by division (B) of this section.

(E) The appropriations made in this act are subject to all provisions of H.B. 166 of the 133rd General Assembly that are generally applicable to such appropriations.

Section 5. (A) All terms used in this section have the same meanings as in section 5747.502 of the Revised Code, as amended by this act.

(B) Notwithstanding division (B)(2) of section 5747.502 of the

Revised Code, as amended by this act, the Tax Commissioner shall compute a local government fund adjustment for each local authority that filed a report under division (B) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act, immediately following the effective date of this section. The LGF adjustment computed under this division shall be used by the Commissioner to determine the amount of the reductions required under division (C) of section 5747.502 of the Revised Code, as amended by this act, starting with the next required reduction. The LGF adjustment computed under this section terminates on July 31, 2021. Following that date, the amount of the reductions required under division (C) of section 5747.502 of the Revised Code, as amended by this act, if they continue to be required, shall be determined based on an updated LGF adjustment computed under division (B)(2) of that section.

(C) Notwithstanding divisions (A)(8) and (B)(4) of section 5747.502 of the Revised Code, as amended by this act, on or before August 10, 2021, the Tax Commissioner shall compute a residual adjustment for each local authority that filed a report under division (B) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act. The residual adjustment shall equal:

(1) The most recent LGF adjustment computed for the local authority under this section or division (B)(3) of section 5747.502 of the Revised Code; minus

(2) The sum of the reductions applied after that computation to the local authority's LGF payments under division (C) of section 5747.502 of the Revised Code, as amended by this act; minus

(3) The sum of the reductions applied to the local authority's LGF payments between July 31, 2020, and the effective date of this section under division (C) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act; plus

(4) Any amount by which the reductions described in division (C)(3) of this section exceed the LGF payments the local authority would have otherwise received during that period.

(D) The report required by division (B)(1) of section 5747.502 of the Revised Code, as amended by this act, shall not include traffic camera fines collected for violations that occurred before July 1, 2019.
