**Sec. 3326.44.** In any fiscal year, a STEM school shall spend the funding it receives under division (B)(4) of section 3326.33 of the Revised Code only for services for English learners.

**Sec. 3326.51.** (A) As used in this section:

(1) "Resident district" has the same meaning as in section 3326.31 of the Revised Code.

(2) "STEM school sponsoring district" means a municipal, city, local, or exempted village, or joint vocational school district that governs and controls a STEM school pursuant to this section.

(B) Notwithstanding any other provision of this chapter to the contrary:

(1) If a proposal for a STEM school submitted under section 3326.03 of the Revised Code proposes that the governing body of the school be the board of education of a municipal, city, local, or exempted village, or joint vocational school district that is one of the partners submitting the proposal, and the STEM committee approves that proposal, that school district board shall govern and control the STEM school as one of the schools of its district.

(2) The STEM school sponsoring district shall maintain a separate accounting for the STEM school as a separate and distinct...
operational unit within the district's finances. The auditor of state, in the course of an annual or biennial audit of the school district serving as the STEM school sponsoring district, shall audit that school district for compliance with the financing requirements of this section.

(3) With respect to students enrolled in a STEM school whose resident district is the STEM school sponsoring district:

(a) The department of education shall make no deductions under section 3326.33 payments to the school in accordance with sections 3326.31 to 3326.49 of the Revised Code from the STEM school sponsoring district's state payments.

(b) The STEM school sponsoring district shall ensure that it allocates to the STEM school funds equal to or exceeding the amount that would be calculated pursuant to division (B) of section 3313.981 of the Revised Code for the students attending the school whose resident district is the STEM school sponsoring district.

(c) The STEM school sponsoring district is responsible for providing children with disabilities with a free appropriate public education under Chapter 3323. of the Revised Code.

(d) The STEM school sponsoring district shall provide student transportation in accordance with laws and policies generally applicable to the district.

(4) With respect to students enrolled in the STEM school whose resident district is another school district, the department shall make no payments or deductions under sections 3326.31 to 3326.49 of the Revised Code. Instead, consider the students shall be considered as open enrollment students and the department shall make payments and deductions to the school in accordance with sections 3326.31 to 3326.49 of the Revised Code. The STEM school sponsoring district shall allocate the payments to
the STEM school. The STEM school sponsoring district may enter
into financial agreements with the students' resident districts,
which agreements may provide financial support in addition to the
funds received from the open enrollment calculation. The STEM
school sponsoring district shall allocate all such additional
funds to the STEM school.

(5) Where the department is required to make, deny, reduce,
or adjust payments to a STEM school sponsoring district pursuant
to this section, it shall do so in such a manner that the STEM
school sponsoring district may allocate that action to the STEM
school.

(6) A STEM school sponsoring district and its board may
assign its district employees to the STEM school, in which case
section 3326.18 of the Revised Code shall not apply. The district
and board may apply any other resources of the district to the
STEM school in the same manner that it applies district resources
to other district schools.

(7) Provisions of this chapter requiring a STEM school and
its governing body to comply with specified laws as if it were a
school district and in the same manner as a board of education
shall instead require such compliance by the STEM school
sponsoring district and its board of education, respectively, with

In all city, local, and exempted village school districts where resident school pupils in grades kindergarten through eight live more than two miles from the school for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code and to which they are assigned by the board of education of the district of residence or to and from the nonpublic or community school which they attend, the board of education shall provide transportation for such pupils to and from that school except as provided in section 3327.02 of the Revised Code.

In all city, local, and exempted village school districts where pupil transportation is required under a career-technical plan approved by the state board of education under section 3313.90 of the Revised Code, for any student attending a career-technical program operated by another school district, including a joint vocational school district, as prescribed under that section, the board of education of the student's district of residence shall provide transportation from the public high school operated by that district to which the student is assigned to the career-technical program.
In all city, local, and exempted village school districts, the board may provide transportation for resident school pupils in grades nine through twelve to and from the high school to which they are assigned by the board of education of the district of residence or to and from the nonpublic or community high school which they attend for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code.

A board of education shall not be required to transport elementary or high school pupils to and from a nonpublic or community school where such transportation would require more than thirty minutes of direct travel time as measured by school bus from the public school building to which the pupils would be assigned if attending the public school designated by the district of residence.

Where it is impractical to transport a pupil by school conveyance, a board of education may offer payment, in lieu of providing such transportation in accordance with section 3327.02 of the Revised Code.

A board of education shall provide transportation to students enrolled in a community school or nonpublic school in accordance with this section on each day in which that school is open for operation with students in attendance, regardless of whether the district's own schools are open for operation with students in attendance on that day. However, a board of education shall not be required to transport elementary or high school pupils to and from a nonpublic or community school on Saturday or Sunday, unless a board of education and a nonpublic or community school have an agreement in place to do so before the first day of July of the school year in which the agreement takes effect.

In all city, local, and exempted village school districts, the board shall provide transportation for all children who are so
disabled that they are unable to walk to and from the school for
which the state board of education prescribes minimum standards
pursuant to division (D) of section 3301.07 of the Revised Code
and which they attend. In case of dispute whether the child is
able to walk to and from the school, the health commissioner shall
be the judge of such ability. In all city, exempted village, and
local school districts, the board shall provide transportation to
and from school or special education classes for mentally disabled
children in accordance with standards adopted by the state board
of education.

When transportation of pupils is provided the conveyance
shall be run on a time schedule that shall be adopted and put in
force by the board not later than ten days after the beginning of
the school term. The operator of every school bus or motor van
owned and operated by any school district or educational service
center or privately owned and operated under contract with any
school district or service center in this state shall make a good
faith effort to deliver students enrolled in preschool through
twelfth grades to their respective public and nonpublic schools
not sooner than thirty minutes prior to the beginning of school
and to be available to pick them up not later than thirty minutes
after the close of their respective schools each day.

The cost of any transportation service authorized by this
section shall be paid first out of federal funds, if any,
available for the purpose of pupil transportation, and secondly
out of state appropriations, in accordance with regulations
adopted by the state board of education.

No transportation of any pupils shall be provided by any
board of education to or from any school which in the selection of
pupils, faculty members, or employees, practices discrimination
against any person on the grounds of race, color, religion, or
national origin.
Sec. 3327.016. (A) As used in this section:

(1) "Designated educational service center" means an educational service center with which the city, local, or exempted village school district has entered into a service agreement under section 3313.843 of the Revised Code or, if a district has not entered into a service agreement, the service center with the most territory in the county in which the district is located.

(2) "Eligible student" means a student entitled to transportation services from the city, local, or exempted village school district pursuant to section 3327.01 of the Revised Code.

(B) Except as provided for in division (D) of this section, each community school established under Chapter 3314. of the Revised Code or chartered nonpublic school shall establish the school's start and end times for a particular school year not later than the first day of June prior to that school year. Each community or chartered nonpublic school shall provide such start and end times to each city, local, or exempted village school district that the school expects will be responsible for providing transportation services to eligible students enrolled in the school for that school year.

(C) Except as provided for in division (D) of this section, each city, local, or exempted village school district that receives start and end times as prescribed under division (B) of this section shall use those start and end times to develop a transportation plan, including transportation routes and schedules, for eligible students who enrolled in a community or chartered nonpublic school not later than the first day of June prior to the school year described in that division. Each district shall develop and provide such transportation plan to the community or chartered nonpublic school not later than the first day of July of that school year. For any eligible student who
enrolls in a community or chartered nonpublic school after the first day of June prior to that school year, a district shall develop a transportation plan, including transportation routes and schedules, for that student within fourteen calendar days of receiving a request for transportation services from the student's parent or guardian.

(D) In the event that a city, local, or exempted village school district has twenty or more community or chartered nonpublic schools located in the district's territory, the designated educational service center shall, for the purposes of coordinating student transportation, convene a meeting with the district and all community or chartered nonpublic schools in the district's territory. The district and each community or chartered nonpublic school shall provide any information the educational service center determines is necessary for those purposes. Not later than the fifteenth day of July of the school year for which the educational service center is coordinating transportation services, the service center shall approve a transportation plan, including transportation routes and schedules, for each community or chartered nonpublic school.

(E) A student transportation plan developed under this section, including transportation routes and schedules, shall not result in an eligible student arriving to a community or chartered nonpublic school more than one hour before that school's start time, nor shall it result in that student being picked up from that school more than one hour after the school's end time.

Sec. 3327.017. (A) As used in this section:

(1) "Eligible student" has the same meaning as in section 3327.016 of the Revised Code.

(2) "Mass transit system" has the same meaning as in section 4511.78 of the Revised Code.
(B) No city, local, or exempted village school district shall provide or arrange for transportation for any eligible student enrolled in any of grades kindergarten through eight in a community school established under Chapter 3314. of the Revised Code or chartered nonpublic school to and from school using vehicles operated by a mass transit system, unless the district enters into an agreement with that school authorizing such transportation. An agreement under division (B) of this section shall not be effective unless both the school district and community or chartered nonpublic school approve it.

(C) A city, local, or exempted village school district that elects to provide or arrange for transportation for any eligible student enrolled in any of grades nine through twelve in a community or chartered nonpublic school to and from school using vehicles operated by a mass transit system shall ensure that the student is assigned to a route that does not require the student to make more than one transfer.

Sec. 3327.018. The board of education of each city, local, or exempted village school district that owns and operates buses for transporting students may contract, in writing, with a public or private not-for-profit agency, group, or organization, with a municipal corporation or other political subdivision or agency of the state, or with an agency of the federal government to operate its buses to assist the agency, group, organization, or political subdivision in the fulfillment of its legitimate activities and in times of emergency. These contracts shall be entered into under the authority of the school district as a political subdivision and shall not be considered commerce. When buses are made available to other agencies, groups, organizations, or political subdivisions under this section, the buses must be operated by individuals holding certificates issued by either the educational service center governing board that has entered into an agreement
with the school district under section 3313.843 or 3313.845 of the Revised Code or the superintendent of the school district certifying that the individuals satisfy the requirements of section 3327.10 of the Revised Code. All state board of education regulations governing the operation of school buses when transporting students shall apply when buses are used in accordance with this section.

Any board of education of a city, local, or exempted village school district that makes one or more of its vehicles available under this section shall procure liability and property damage insurance, as provided in section 3327.09 of the Revised Code, covering all vehicles used and passengers transported under this section. The board of education may recover expenses from contracting entities, not to exceed the costs of operation and insurance coverage.

Sec. 3327.02. (A) After considering each of the following factors, the board of education of a city, exempted village, or local school district, or a community school governing authority providing transportation pursuant to section 3314.091 of the Revised Code, may determine that it is impractical to transport a pupil who is eligible for transportation to and from a school under section 3327.01 of the Revised Code:

(1) The time and distance required to provide the transportation;

(2) The number of pupils to be transported;

(3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;

(4) Whether similar or equivalent service is provided to other pupils eligible for transportation;

(5) Whether and to what extent the additional service
unavoidably disrupts current transportation schedules;

(6) Whether other reimbursable types of transportation are available.

(B) Based on its consideration of the factors established in division (A) of this section, the board or governing authority may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality. Such determination shall be made not later than thirty calendar days prior to the district's or school's first day of instruction, or in the case of a student who enrolls within thirty calendar days prior to the first day of instruction or on or after the first day of instruction, not later than fourteen calendar days after the student's enrollment. The determination may be made by the superintendent and formalized at the next following meeting of the board or governing authority.

The board or governing authority shall report its determination to the state board of education in a manner determined by the state board.

In addition, the board or governing authority shall issue a letter to the pupil's parent, guardian, or other person in charge of the pupil and to the state board with a detailed description of the reasons for which such determination was made.

(C) After passing the resolution declaring the impracticality of transportation, the district board or governing authority shall offer to provide payment in lieu of transportation by doing the following:

(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:

(a) The resolution;
(b) The right of the pupil's parent, guardian, or other person in charge of the pupil to accept the offer of payment in lieu of transportation or to reject the offer and instead request the department to initiate mediation procedures.

(2) Issuing the pupil's parent, guardian, or other person in charge of the pupil a contract or other form on which the parent, guardian, or other person in charge of the pupil is given the option to accept or reject the board's offer of payment in lieu of transportation.

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than the amount determined by the general assembly as the minimum for payment in lieu of transportation, and not more than the amount determined by the department of education as the average cost of pupil transportation for the previous school year. Payment may be prorated if the time period involved is only a part of the school year.

(E)(1)(a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures.

(b) If the mediation does not resolve the dispute, the state board of education shall conduct a hearing in accordance with Chapter 119. of the Revised Code. The state board may approve the payment in lieu of transportation or may order the district board of education or governing authority to provide transportation. The decision of the state board is binding in subsequent years and on future parties in interest provided the facts of the determination remain comparable.

(2) The school district or governing authority shall provide...
transportation for the pupil from the time the parent, guardian,
or other person in charge of the pupil requests mediation until
the matter is resolved under division (E)(1)(a) or (b) of this
section.

(F)(1) If the department determines that a school district
board or governing authority has failed or is failing to provide
transportation as required by division (E)(2) of this section or
as ordered by the state board under division (E)(1)(b) of this
section, the department shall order the school district board or
governing authority to pay to the pupil's parent, guardian, or
other person in charge of the pupil, an amount equal to the state
average daily cost of transportation as determined by the state
board of education for the previous year. The school district
board or governing authority shall make payments on a schedule
ordered by the department.

(2) If the department subsequently finds that a school
district board is not in compliance with an order issued under
division (F)(1) of this section and the affected pupils are
enrolled in a nonpublic or community school, the department shall
deduct the amount that the board is required to pay under that
order from any pupil transportation payments the department makes
to the school district board under section 3317.0212 of the
Revised Code or other provisions of law. The department shall use
the moneys so deducted to make payments to the nonpublic or
community school attended by the pupil. The department shall
continue to make the deductions and payments required under this
division until the school district board either complies with the
department's order issued under division (F)(1) of this section or
begins providing transportation.

(G) A nonpublic or community school that receives payments
from the department under division (F)(2) of this section shall do
either of the following:
(1) Disburse the entire amount of the payments to the parent, guardian, or other person in charge of the pupil affected by the failure of the school district of residence to provide transportation;

(2) Use the entire amount of the payments to provide acceptable transportation for the affected pupil.

Sec. 3327.021. The department of education shall monitor each city, local, or exempted village school district's compliance with sections 3327.01 and 3327.016 and division (B) of section 3327.017 of the Revised Code. If the department determines a consistent or prolonged period of noncompliance on the part of the school district to provide transportation as required under those sections, the department shall deduct from the district's payment for student transportation under Chapter 3317. of the Revised Code the total daily amount of that payment, as computed by the department, for each day that the district is not in compliance. This section does not affect the authority of a school district to provide payment in lieu of transportation in accordance with section 3327.02 of the Revised Code.

Sec. 3328.18. (A) As used in this section, "license" has the same meaning as in section 3319.31 of the Revised Code.

(B) If a person who is employed by a college-preparatory boarding school established under this chapter or its operator is arrested, summoned, or indicted for an alleged violation of an offense listed in division (C) of section 3319.31 of the Revised Code, if the person holds a license, or an offense listed in division (B)(1) of section 3319.39 of the Revised Code, if the person does not hold a license, the chief administrator of the school in which that person works shall suspend that person from all duties that require the care, custody, or control of a child
during the pendency of the criminal action against the person. If
the person who is arrested, summoned, or indicted for an alleged
violation of an offense listed in division (C) of section 3319.31
or division (B)(1) of section 3319.39 of the Revised Code is the
chief administrator of the school, the board of trustees of the
school shall suspend the chief administrator from all duties that
require the care, custody, or control of a child.

(C) When a person who holds a license is suspended in
accordance with this section, the chief administrator or board
that imposed the suspension promptly shall report the person's
suspension to the department of education. The report shall
include the offense for which the person was arrested, summoned,
or indicted. The superintendent of public instruction, on behalf
of the state board of education, shall inactivate the person's
license. The inactivation shall remain in force during the
pendency of the criminal action against the person. The
inactivation of a license under this division does not constitute
a suspension or revocation of the license by the state board under
section 3319.31 of the Revised Code and the state board and the
state superintendent need not provide the person with an
opportunity for a hearing with respect to the inactivation. If the
state board does not take action against the person's license
under section 3319.31 of the Revised Code, the state
superintendent shall reactivate the license upon conclusion of the
criminal action against the person.

Sec. 3328.24. A college-preparatory boarding school
established under this chapter and its board of trustees shall
comply with sections 102.02, 3301.0710, 3301.0711, 3301.0712,
3301.0714, 3301.0729, 3301.948, 3313.6013, 3313.6021, 3313.6024,
3313.6025, 3313.6026, 3313.617, 3313.618, 3313.6114, 3313.6411,
3313.668, 3313.669, 3313.6610, 3313.7112, 3313.721, 3313.89,
3319.073, 3319.077, 3319.078, 3319.0812, 3319.318, 3319.39,
3319.391, 3319.393, 3319.394, 3319.46, 3320.01, 3320.02, 3320.03, 3323.251, and 5502.262, and Chapter 3365. of the Revised Code as if the school were a school district and the school's board of trustees were a district board of education.

**Sec. 3328.32.** Each child enrolled in a college-preparatory boarding school established under this chapter shall be included in the enrollment formula ADM and total ADM of the district in which the child is entitled to attend school and in the district's category one through six special education enrollment, as appropriate, as reported under section 3317.03 of the Revised Code.

The department of education shall count that child in the district's formula ADM, total ADM, and, as appropriate, category one through six special education ADM.

**Sec. 3328.34.** (A) For each child enrolled in a college-preparatory boarding school, as reported under section 3328.31 of the Revised Code, the department of education shall pay to the school the sum of the amount deducted from a participating school district's account for that child under section 3328.33 of the Revised Code eighty-five per cent of the operating expenditure per pupil of the city, local, or exempted village school district in which the child is entitled to attend school plus the per-pupil boarding amount specified in division (B) of this section.

As used in this division, a district's "operating expenditure per pupil" is the total amount of state payments and other nonfederal revenue spent by the district for operating expenses during the previous fiscal year, divided by the district's enrolled ADM, as that term is defined in section 3317.02 of the Revised Code, for the previous fiscal year.

(B) For the first fiscal year in which a college-preparatory
boarding school may be established under this chapter, the "per-pupil boarding amount" is twenty-five thousand dollars. For each fiscal year thereafter, that amount shall be adjusted by the rate of inflation, as measured by the consumer price index (all urban consumers, all items) prepared by the bureau of labor statistics of the United States department of labor, for the previous twelve-month period.

(C) The state board of education may accept funds from federal and state noneducation support services programs for the purpose of funding the per pupil boarding amount prescribed in division (B) of this section. Notwithstanding any other provision of the Revised Code, the state board shall coordinate and streamline any noneducation program requirements in order to eliminate redundant or conflicting requirements, licensing provisions, and oversight by government programs or agencies. The applicable regulatory entities shall, to the maximum extent possible, use reports and financial audits provided by the auditor of state and coordinated by the department of education to eliminate or reduce contract and administrative reviews. Regulatory entities other than the state board may suggest reasonable additional items to be included in such reports and financial audits to meet any requirements of federal law. Reporting paperwork prepared for the state board shall be shared with and accepted by other state and local entities to the maximum extent feasible.

(D)(1) Notwithstanding division (A) of this section, if, in any fiscal year, a college-preparatory boarding school receives federal funds for the purpose of supporting the school's operations, the amount of those federal funds shall be deducted from the total per-pupil boarding amount for all enrolled students paid by the department to the school for that fiscal year, unless the school's board of trustees and the department determine...
otherwise in a written agreement. Any portion of the total per-pupil boarding amount for all enrolled students remaining after the deduction of the federal funds shall be paid by the department to the school from state funds appropriated to the department.

(2) Notwithstanding division (A) of this section, if, in any fiscal year, the department receives federal funds for the purpose of supporting the operations of a college-preparatory boarding school, the department shall use those federal funds, not including any portion of those funds designated for administration, to pay the school the total per-pupil boarding amount for all enrolled students for that fiscal year. Any portion of the total per-pupil boarding amount for all enrolled students remaining after the use of the federal funds shall be paid by the department to the school from state funds appropriated to the department.

(3) If any federal funds are used for the purpose prescribed in division (D)(1) or (2) of this section, the department shall comply with all requirements upon which the acceptance of the federal funds is conditioned, including any requirements set forth in the funding application submitted by the school or the department and, to the extent sufficient funds are appropriated by the general assembly, any requirements regarding maintenance of effort in expenditures.

Sec. 3333.049. (A) Not later than July 1, 2016, the chancellor of higher education shall revise the requirements for reading endorsement programs offered by institutions of higher education to align those requirements with the reading competencies adopted by the state board of education under section 3301.077 of the Revised Code.

(B) Each educator preparation program approved under section
3333.048 of the Revised Code shall require each candidate for an educator license who enters the program in the 2022-2023 academic year, or any academic year thereafter, to receive instruction in computer science and computational thinking, as applied to student learning and classroom instruction, as appropriate for the grade level and subject area of the candidate's prospective educator license.

Sec. 3333.125. (A) As used in this section:

(1) "Eligible student" means an individual who satisfies all of the following:

(a) The individual is an Ohio resident.

(b) The individual is enrolled in a certified commercial driver's license school.

(c) The individual has passed a drug test.

(d) The individual does not have more than three moving violations in two consecutive years. If an individual who the chancellor of higher education has determined is an eligible student has three moving violations in two consecutive years while participating in the program, the individual shall no longer be considered eligible for continued participation in the program.

(e) The individual has not plead guilty to or been convicted of operating a vehicle under the influence of alcohol or a drug of abuse under section 4511.19 of the Revised Code in the past twelve months. If an individual who the chancellor has determined is an eligible student pleads guilty to or is convicted of operating a vehicle under the influence of alcohol or a drug of abuse while participating in the program, the individual shall no longer be considered eligible for continued participation in the program.

(f) The individual meets any additional eligibility criteria established under rules adopted by the chancellor under division
(G) of this section.

(2) "Certified commercial driver's license school" means a commercial driver's license school certified by the chancellor. The chancellor shall adopt requirements for approval of certification and review applications based on those requirements.

No commercial driver's license school that charges employers recruiting fees shall be certified under this division.

A certified commercial driver's license program offered by a career college in this state that holds a certificate of registration from the state board of career colleges and schools under Chapter 3332. of the Revised Code or at a private institution exempt from regulation under Chapter 3332. of the Revised Code as prescribed in section 3333.046 of the Revised Code shall be considered a certified commercial driver's license school.

(3) "Cost of attendance" and "expected family contribution" shall be defined by the chancellor.

(4) "Employed in this state" means either of the following:

(a) An individual is employed as a truck driver by an entity that has a valid mailing address in the state.

(b) An individual is self-employed as a truck driver using a valid mailing address in the state.

(5) "Moving violation" has the same meaning as in section 4510.01 of the Revised Code.

(B) The commercial truck driver student aid program is hereby established. Under the program, the chancellor of higher education shall pay to an eligible student who commits to reside in and be employed in this state for a minimum of one year upon completion of a certified commercial driver's license program a combination of a grant and a loan in the amounts prescribed by division (D) of
this section to pay for the costs of a certified commercial
driver's license program at a certified commercial driver's
license school.

(C) There is hereby established in the state treasury the
commercial truck driver student aid fund, which shall consist of
funds appropriated by the general assembly for purposes of this
section and funds received as repayment for loans awarded under
this section.

The fund shall be used by the chancellor for grants and loans
made under this section and for expenses of administering the
program.

(D)(1) The grant amount awarded to an eligible student shall
equal one-half of the student's remaining state cost of attendance
after the student's Pell grant and expected family contribution
are applied to the instructional and general charges for the
student's enrollment in the certified commercial driver's license
school.

Except as provided in divisions (D)(2) and (E) of this
section, the chancellor also shall award a loan to an eligible
student in the same amount.

(2) If, for any academic year, the amounts available for
support of the program are inadequate to provide grants and loans
to all eligible students who apply for participation or are
participating in the program, the chancellor shall proportionately
reduce the amount of each grant and loan to be awarded for the
academic year.

(E) The amount of a grant and a loan awarded to an eligible
student under this section shall be in addition to what the
eligible student receives under the Ohio college opportunity grant
under section 3333.122 of the Revised Code. If an eligible student
receives a grant under section 3333.122 of the Revised Code, the
chancellor shall decrease the amount of the eligible student's loan under this section by the amount of the grant received under that section.

(F)(1) Each eligible student who accepts a grant under division (B) of this section shall sign a promissory note payable to the state in the event the student fails to do either of the following:

(a) Satisfy the residency and employment requirement under that division;

(b) Complete the certified commercial driver's license program in which the student was enrolled.

(2) The amount payable under the note shall be the amount of the grant accepted by the student plus interest accrued annually beginning either one calendar year after the student completes a certified commercial driver's license program or immediately after the student disenrolls from, or does not complete, a certified commercial driver's license program. The chancellor shall determine the interest rate and period of repayment under the note.

(3) The note shall stipulate that the obligation to make payments under the note is canceled once either of the following applies to the student:

(a) The student completes a certified commercial driver's license program and meets the residency and employment requirement under division (B) of this section.

(b) The student dies or becomes totally and permanently disabled.

(G) The chancellor shall adopt rules, in accordance with Chapter 119. of the Revised Code, necessary for the operation of the program, including rules for all of the following:
Terms and conditions for loans under the program;

(2) Requirements for certification of commercial driver's license schools;

(3) Additional eligibility criteria that the chancellor determines necessary for individuals participating in the program.

Sec. 3333.301. (A) The chancellor of higher education, in collaboration with the management council of the Ohio education computer network established under section 3301.0715 of the Revised Code, shall establish a data system to track the free application for federal student aid form completion rate of public and chartered nonpublic school students in the state.

(B) The chancellor and the management council shall develop guidelines and procedures for the operation of the system.

(C) The chancellor may publish and share aggregate data regarding the free application for federal student aid, including completion counts and rates for the state and each school district, chartered nonpublic school, community school established under Chapter 3314., STEM school established under Chapter 3326., and college-preparatory boarding school established under Chapter 3328. of the Revised Code. Such data may be used for the benefit of public and chartered nonpublic schools, to increase public understanding regarding the free application for federal student aid, and to assist in encouraging student completion of the free application for federal student aid form.

Sec. 3333.31. (A) For state subsidy and tuition surcharge purposes, status as a resident of Ohio shall be defined by the chancellor of higher education by rule promulgated pursuant to Chapter 119. of the Revised Code. No adjudication as to the status of any person under such rule, however, shall be required to be made pursuant to Chapter 119. of the Revised Code. The term
"resident" for these purposes shall not be equated with the definition of that term as it is employed elsewhere under the laws of this state and other states, and shall not carry with it any of the legal connotations appurtenant thereto. Rather, except as provided in divisions (B), (C), (D), and (F), and (G) of this section, for such purposes, the rule promulgated under this section shall have the objective of excluding from treatment as residents those who are present in the state primarily for the purpose of attending a state-supported or state-assisted institution of higher education, and may prescribe presumptive rules, rebuttable or conclusive, as to such purpose based upon the source or sources of support of the student, residence prior to first enrollment, evidence of intention to remain in the state after completion of studies, or such other factors as the chancellor deems relevant.

(B) The rules of the chancellor for determining student residency shall grant residency status to a veteran and to the veteran's spouse and any dependent of the veteran, if both of the following conditions are met:

(1) The veteran either:

(a) Served one or more years on active military duty and was honorably discharged or received a medical discharge that was related to the military service;

(b) Was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war.

(2) If the veteran seeks residency status for tuition surcharge purposes, the veteran has established domicile in this state as of the first day of a term of enrollment in an institution of higher education. If the spouse or a dependent of the veteran seeks residency status for tuition surcharge purposes, the veteran and the spouse or dependent seeking residency status...
have established domicile in this state as of the first day of a
term of enrollment in an institution of higher education, except
that if the veteran was killed while serving on active military
duty, has been declared to be missing in action or a prisoner of
war, or is deceased after discharge, only the spouse or dependent
seeking residency status shall be required to have established
domicile in accordance with this division.

(C) The rules of the chancellor for determining student
residency shall grant residency status to both of the following:

(1) A veteran who is the recipient of federal veterans'
benefits under the "All-Volunteer Force Educational Assistance
Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans
Educational Assistance Program," 38 U.S.C. 3301 et seq., or any
successor program, if the veteran meets all of the following
criteria:

(a) The veteran served at least ninety days on active duty.
(b) The veteran enrolls in a state institution of higher
education, as defined in section 3345.011 of the Revised Code.
(c) The veteran lives in the state as of the first day of a
term of enrollment in the state institution of higher education.

(2) A person who is the recipient of the federal Marine
Gunnery Sergeant John David Fry scholarship or transferred federal
veterans' benefits under any of the programs described in division
(C)(1) of this section, if the person meets both of the following
criteria:

(a) The person enrolls in a state institution of higher
education.
(b) The person lives in the state as of the first day of a
term of enrollment in the state institution of higher education.

In order for a person using transferred federal veterans'
benefits to qualify under division (C)(2) of this section, the veteran who transferred the benefits must have served at least ninety days on active duty or the service member who transferred the benefits must be on active duty.

(D) The rules of the chancellor for determining student residency shall grant residency status to a service member who is on active duty and to the service member's spouse and any dependent of the service member while the service member is on active duty. In order to qualify under division (D) of this section, the rules shall require the student seeking in-state tuition rates to live in the state as of the first day of a term of enrollment in the state institution of higher education, but shall not require the service member or the service member's spouse or dependent to establish domicile in this state as of the first day of a term of enrollment in an institution of higher education.

(E) The rules of the chancellor for determining student residency shall not deny residency status to a student who is either a dependent child of a parent, or the spouse of a person who, as of the first day of a term of enrollment in an institution of higher education, has accepted full-time employment and established domicile in this state for reasons other than gaining the benefit of favorable tuition rates.

Documentation of full-time employment and domicile shall include both of the following documents:

(1) A sworn statement from the employer or the employer's representative on the letterhead of the employer or the employer's representative certifying that the parent or spouse of the student is employed full-time in Ohio;

(2) A copy of the lease under which the parent or spouse is the lessee and occupant of rented residential property in the
state, a copy of the closing statement on residential real
property of which the parent or spouse is the owner and occupant
in this state or, if the parent or spouse is not the lessee or
owner of the residence in which the parent or spouse has
established domicile, a letter from the owner of the residence
certifying that the parent or spouse resides at that residence.

Residency officers may also evaluate, in accordance with the
chancellor's rule, requests for immediate residency status from
dependent students whose parents are not living and whose domicile
follows that of a legal guardian who has accepted full-time
employment and established domicile in the state for reasons other
than gaining the benefit of favorable tuition rates.

(F)(1) The rules of the chancellor for determining student
residency shall grant residency status to a person who enrolls in
an institution of higher education and establishes domicile in
this state, regardless of the student's residence prior to that
enrollment and satisfies either of the following conditions:

(a) The person, while a resident of this state for state
subsidy and tuition surcharge purposes, graduated from a high
school in this state or completed the final year of instruction at
home as authorized under section 3321.04 of the Revised Code.

(b) The person meets all of the following criteria:

(i) The person officially withdrew from a school in this
state while the person was a resident of this state for state
subsidy and tuition surcharge purposes.

(ii) The person has not received a high school diploma or
honors diploma awarded under section 3313.61, 3313.611, 3313.612,
or 3325.08 of the Revised Code or a high school diploma awarded by
a school located in another state or country.

(iii) The person, while a resident of this state for state
subsidy and tuition surcharge purposes, both took a high school

equivalency test and was awarded a certificate of high school
equivalence.

(2) The rules of the chancellor for determining student
residency shall not grant residency status to an alien if the
alien is not also an immigrant or a nonimmigrant.

(G) The rules of the chancellor for determining student
residency status shall grant residency status to a person to whom
both of the following apply:

(1) The person, while not a resident of this state for state
subsidy and tuition surcharge purposes, completes a bachelor's
degree program at a state institution of higher education.

(2) The person, upon completing that bachelor's degree
program, enrolls in an eligible graduate program at that, or
another, state institution in the next semester in which that
graduate program accepts students for admission.

(H) As used in this section:

(1) "Dependent," "domicile," "institution of higher
education," and "residency officer" have the meanings ascribed in
the chancellor's rules adopted under this section.

(2) "Alien" means a person who is not a United States citizen
or a United States national.

(3) "Immigrant" means an alien who has been granted the right
by the United States bureau of citizenship and immigration
services to reside permanently in the United States and to work
without restrictions in the United States.

(4) "Nonimmigrant" means an alien who has been granted the
right by the United States bureau of citizenship and immigration
services to reside temporarily in the United States.

(5) "Veteran" means any person who has completed service in
the uniformed services, as defined in section 3511.01 of the
Revised Code.

(6) "Service member" has the same meaning as in section 5903.01 of the Revised Code.

(7) "Certificate of high school equivalence" means either of the following:

(a) A certificate of high school equivalence awarded by the department of education under division (A) of section 3301.80 of the Revised Code;

(b) The equivalent of a certificate of high school equivalence awarded by the state board of education under former law, as defined in division (C)(1) of section 3301.80 of the Revised Code.

(8) "Eligible graduate program" means a graduate degree program that does not grant a professional degree.

Sec. 3333.38. (A) As used in this section:

(1) "Institution of higher education" includes all of the following:

(a) A state institution of higher education, as defined in section 3345.011 of the Revised Code;

(b) A nonprofit institution issued a certificate of authorization under Chapter 1713. of the Revised Code;

(c) A private institution exempt from regulation under Chapter 3332. of the Revised Code, as prescribed in section 3333.046 of the Revised Code;

(d) An institution of higher education with a certificate of registration from the state board of career colleges and schools under Chapter 3332. of the Revised Code.

(2) "Student financial assistance supported by state funds" includes assistance granted under sections 3315.33, 3333.12,
Section 3333.122, 3333.125, 3333.21, 3333.26, 3333.28, 3333.372, 3333.391, 5910.03, 5910.032, and 5919.34 of the Revised Code, financed by an award under the choose Ohio first scholarship program established under section 3333.61 of the Revised Code, or financed by an award under the Ohio co-op/internship program established under section 3333.72 of the Revised Code, and any other post-secondary student financial assistance supported by state funds.

(B) An individual who is convicted of, pleads guilty to, or is adjudicated a delinquent child for one of the following violations shall be ineligible to receive any student financial assistance supported by state funds at an institution of higher education for two calendar years from the time the individual applies for assistance of that nature:

(1) A violation of section 2917.02 or 2917.03 of the Revised Code;

(2) A violation of section 2917.04 of the Revised Code that is a misdemeanor of the fourth degree;

(3) A violation of section 2917.13 of the Revised Code that is a misdemeanor of the fourth or first degree and occurs within the proximate area where four or more others are acting in a course of conduct in violation of section 2917.11 of the Revised Code.

(C) If an individual is convicted of, pleads guilty to, or is adjudicated a delinquent child for committing a violation of section 2917.02 or 2917.03 of the Revised Code, and if the individual is enrolled in a state-supported institution of higher education, the institution in which the individual is enrolled shall immediately dismiss the individual. No state-supported institution of higher education shall admit an individual of that nature for one academic year after the individual applies for admission to a state-supported institution of higher education.
This division does not limit or affect the ability of a state-supported institution of higher education to suspend or otherwise discipline its students.

Sec. 3333.61. The chancellor of higher education shall establish and administer the Ohio innovation partnership, which shall consist of the choose Ohio first scholarship program and the Ohio research scholars program. Under the programs program, the chancellor, subject to approval by the controlling board, shall make awards to state universities or colleges for programs and initiatives that recruit students and scientists provide work-based learning opportunities in the fields of science, including health professions, technology, engineering, and mathematics, medicine, and dentistry to state universities or colleges, in order to enhance regional educational and economic strengths and meet the needs of the state's regional economies. Awards may be granted for programs and initiatives to be implemented by a state university or college alone or in collaboration with other state institutions of higher education, nonpublic Ohio universities and colleges, or other public or private Ohio entities. Moneys in the choose Ohio first scholarship reserve fund shall be used to pay scholarship obligations in excess of the general revenue fund appropriations made for that purpose.

The director of budget and management may transfer any unencumbered balance from the choose Ohio first scholarship reserve fund to the general revenue fund. If it is determined that general revenue fund appropriations are insufficient to meet the obligations for the choose Ohio first scholarship in a fiscal year, the director of budget and management may transfer funds from the choose Ohio first scholarship reserve fund to the general revenue fund in order to meet those obligations. The amount transferred is hereby appropriated. If the funds transferred from the choose Ohio first scholarship reserve fund are not needed, the director of budget and management may transfer the unexpended balance from the general revenue fund back to the choose Ohio first scholarship reserve fund.

Sec. 3333.62. The chancellor of higher education shall establish a competitive process for making awards under the choose Ohio first scholarship program and the Ohio research scholars program. The chancellor, on completion of that process, shall make a recommendation to the controlling board asking for approval of each award selected by the chancellor.

Any state university or college may apply for one or more awards under one or both programs. The state university or college shall submit a proposal and other documentation required by the chancellor, in the form and manner prescribed by the chancellor, for each award it seeks. A proposal may propose an initiative to be implemented solely by the state university or college or in collaboration with other state institutions of higher education, nonpublic Ohio universities or colleges, or other public or nonpublic Ohio entities. A single proposal may seek an award under one or both programs.

The chancellor shall determine which proposals will receive awards each fiscal year, and the amount of each award, on the basis of the merit of each proposal, which the chancellor, subject to approval by the controlling board, shall determine based on the extent to which a proposal recruits underrepresented populations in the fields of science, technology, engineering, and mathematics or science, technology, engineering, or mathematics education, along with one or more of the following criteria:

(A) The quality of the program that is the subject of the proposal and the extent to which additional resources will enhance its quality;

(B) The extent to which the proposal is integrated with the strengths of the regional economy;
(C) The extent to which the proposal is integrated with centers of research excellence within the private sector;

(D) The amount of other institutional, public, or private resources, whether monetary or nonmonetary, that the proposal pledges to leverage;

(E) The extent to which the proposal is collaborative with other public or nonpublic Ohio institutions of higher education;

(F) The extent to which the proposal is integrated with the university's or college's mission and does not displace existing resources already committed to the mission;

(D) The extent to which the university or college has committed to, or demonstrated, an increase in total graduates within the disciplines of science, technology, engineering, and mathematics or science, technology, engineering, or mathematics education, consistent with a goal to increase the total number of Ohio residents in the workforce who are highly qualified in these disciplines;

(G) The extent to which the proposal facilitates a more efficient utilization of existing faculty and programs;

(H) (E) The extent to which the proposal meets a statewide educational need;

(I) The demonstrated productivity or future capacity of the students or scientists to be recruited;

(J) The extent to which the proposal will create additional capacity in educational or economic areas of need;

(K) The extent to which the proposal will encourage students who received degrees in the fields of science, technology, engineering, mathematics, or medicine from two-year institutions to transfer to state universities or colleges to pursue baccalaureate degrees in science, technology, engineering,
mathematics, or medicine;

(L) The extent to which the proposal encourages students enrolled in state universities to transfer into science, technology, engineering, mathematics, or medicine programs;

(M) The extent to which the proposal facilitates the completion of an associate or a baccalaureate degree in a cost-effective manner, for example, by facilitating students' completing two years at a two-year institution and two years at a state university or college;

(N) The extent to which the proposal allows attendance at a state university or college of students who otherwise could not afford to attend;

(O) The extent to which other institutional, public, or private resources pledged to the proposal will be deployed to assist in sustaining students' scholarships over their academic careers;

(P) The extent to which the proposal increases the likelihood that students will successfully complete their degree programs in science, technology, engineering, mathematics, or medicine or in science, technology, engineering, mathematics, or medical education;

(Q) The extent to which the proposal ensures that a student who is awarded a scholarship is appropriately qualified and prepared to successfully complete a degree program in science, technology, engineering, mathematics, or medicine or in science, technology, engineering, mathematics, or medical education;

Sec. 3333.63. The chancellor of higher education shall conduct at least one public meeting annually, prior to deciding awards under the choose Ohio innovation partnership first scholarship program. At the meeting, an employee of the chancellor shall summarize the proposals submitted for consideration, and each state university or college that has a proposal pending shall have the opportunity to review the summary of their proposal prepared by the chancellor's staff and answer questions or respond to concerns about the proposal raised by the chancellor's staff.

Sec. 3333.64. The chancellor of higher education shall endeavor to make awards under the choose Ohio first scholarship program and the Ohio research scholars program such that the aggregate, statewide amount of other institutional, public, and private money pledged to the proposals program in each fiscal year equals at least one hundred per cent of the aggregate amount of the money awarded under both programs that year. The chancellor shall endeavor to make awards under the choose Ohio first scholarship program in such a way that at least fifty percent of the students receiving the scholarships are involved in a co-op or internship program in a private industry or a university laboratory. All students receiving a choose Ohio first scholarship shall be involved in work-based learning through a co-op, internship, experience in a university, college, or private laboratory, or other work-based learning experience. State universities or colleges or nonpublic four-year Ohio institutions of higher education may appeal to the chancellor for a waiver of this requirement in cases where exceptional circumstances make one hundred per cent placement in a work-based learning environment impractical or significantly unachievable. The value of
institutional, public, or private industry co-ops and internships shall count toward the statewide aggregate amount of other institutional, public, or private money specified in this paragraph.

The chancellor also shall endeavor to distribute awards in such a way that all regions of the state benefit from the economic development impact of the programs and shall guarantee that students from all regions of the state are able to participate in the scholarship program.

**Sec. 3333.65.** The chancellor of higher education shall require each state university or college, and any nonpublic Ohio university or college with which the state university or college is collaborating, that the controlling board approves to receive an award under the choose Ohio innovation partnership first scholarship program to enter into an agreement governing the use of the award under the program. The agreement shall contain terms the chancellor determines to be necessary, which shall include performance measures, reporting requirements, and an obligation to fulfill pledges of other institutional, public, or nonpublic resources for the proposal.

The chancellor may require a state university or college or a nonpublic Ohio university or college that violates the terms of the agreement to repay the award plus interest at the rate required by section 5703.47 of the Revised Code to the chancellor, except that the chancellor shall not hold a state or nonpublic university or college responsible for a repayment due to a student obligation under section 3333.611 of the Revised Code, until the state or nonpublic university or college is able to obtain repayment from the student or if the state or nonpublic university or college has certified collection of the repayment to the attorney general and has sent a copy of the certification to the
chancellor.

If the chancellor makes an award to a program or initiative that is intended to be implemented by a state university or college in collaboration with other state institutions of higher education or nonpublic Ohio universities or colleges, the chancellor may enter into an agreement with the collaborating universities or colleges that permits awards to be received directly by the collaborating universities or colleges consistent with the terms of the program or initiative. In that case, the chancellor shall incorporate into the agreement terms consistent with the requirements of this section.

(A)(1) Except as provided in divisions (A)(2), (3), and (4) of this section, in each academic year, no student who receives a choose Ohio first scholarship shall receive less than one thousand five hundred dollars or more than one-half of the highest in-state undergraduate instructional and general fees charged by all state universities. (4)(3) A student receiving multiple awards under division (A) of this section may not exceed the maximum permitted provided that each award is within its permitted amount for each individual award.

If the contract provides for a combined board of health, the number of members of the board, their terms of office, and the method of appointment, shall be set forth in the contract. The contract shall designate the city in which the central office of the board of health shall be located. The city treasurer of such city shall be the custodian of the health funds of the combined district. One of the members of such combined board of health shall be a physician, and one member shall be an individual appointed by the health district licensing council, if such council is established under section 3709.41 of the Revised Code. The contract may also provide for the representation of areas by one or more members and shall, in such event, specify the territory to be included in each such area.

The appointment of any member of the combined board who is designated by the provisions of the contract to represent a city shall be made by the chief executive and approved by the legislative authority of such city. If a member is designated by the contract to represent more than one city, the member shall be appointed by majority vote of the chief executives of all cities included in any such area. In addition, the owner or operator of a solid waste disposal facility shall indicate on the return the total tonnage of solid wastes received from transfer facilities located in this state during that month for which the fees were required to be collected by the transfer facilities. The monthly returns shall be filed on a form prescribed by the director. Not later than thirty days after the last day of the month to which a return applies, the owner or operator shall mail to the director the return for that month together with the fees required to be collected under this division during that month as indicated on the return or may submit the return and fees electronically in a manner approved by the director. If the return is filed and the amount of the fees due is paid in a timely manner as required in this division, the owner or operator may retain a discount of three-fourths of one per cent of the total amount of the fees that are required to be paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request
in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if
the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or
allow such payment regardless of whether the contract was entered prior to or after October 16, 2009. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located in the district of solid wastes generated within the district;

(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be
not less than two dollars per ton nor more than four dollars per

39311

39312

ton, and the fee levied under division (B)(3) of this section
shall be not more than the fee levied under division (B)(1) of

39313

39314

this section.

Prior to the approval of the solid waste management plan of a
district under section 3734.55 of the Revised Code, the solid

39315

39316

waste management policy committee of a district may levy fees
under this division by adopting a resolution establishing the

39317

39318

proposed amount of the fees. Upon adopting the resolution, the
committee shall deliver a copy of the resolution to the board of

39319

39320

county commissioners of each county forming the district and to
the legislative authority of each municipal corporation and

39321

39322

township under the jurisdiction of the district and shall prepare
and publish the resolution and a notice of the time and location

39323

39324

where a public hearing on the fees will be held. Upon adopting the
resolution, the committee shall deliver written notice of the

39325

39326

adoption of the resolution; of the amount of the proposed fees;
and of the date, time, and location of the public hearing to the
director and to the fifty industrial, commercial, or institutional
generators of solid wastes within the district that generate the

39327

39328

largest quantities of solid wastes, as determined by the
committee, and to their local trade associations. The committee
shall make good faith efforts to identify those generators within

39329

39330

the district and their local trade associations, but the
nonprovision of notice under this division to a particular
generator or local trade association does not invalidate the

39331

39332

proceedings under this division. The publication shall occur at
least thirty days before the hearing. After the hearing, the
committee may make such revisions to the proposed fees as it
considers appropriate and thereafter, by resolution, shall adopt
the revised fee schedule. Upon adopting the revised fee schedule,
the committee shall deliver a copy of the resolution doing so to
the board of county commissioners of each county forming the
district and to the legislative authority of each municipal
corporation and township under the jurisdiction of the district.
Within sixty days after the delivery of a copy of the resolution
adopting the proposed revised fees by the policy committee, each
such board and legislative authority, by ordinance or resolution,
shall approve or disapprove the revised fees and deliver a copy of
the ordinance or resolution to the committee. If any such board or
legislative authority fails to adopt and deliver to the policy
committee an ordinance or resolution approving or disapproving the
revised fees within sixty days after the policy committee
delivered its resolution adopting the proposed revised fees, it
shall be conclusively presumed that the board or legislative
authority has approved the proposed revised fees. The committee
shall determine if the resolution has been ratified in the same
manner in which it determines if a draft solid waste management
plan has been ratified under division (B) of section 3734.55 of
the Revised Code.

The committee may amend the schedule of fees levied pursuant
to a resolution adopted and ratified under this division by
adopting a resolution establishing the proposed amount of the
amended fees. The committee may repeal the fees levied pursuant to
such a resolution by adopting a resolution proposing to repeal
them. Upon adopting such a resolution, the committee shall proceed
to obtain ratification of the resolution in accordance with this
division.

Not later than fourteen days after declaring the new fees to
be ratified or the fees to be repealed under this division, the
committee shall notify by certified mail the owner or operator of
each solid waste disposal facility that is required to collect the
fees of the ratification and the amount of the fees or of the
repeal of the fees. Collection of any fees shall commence or
collection of repealed fees shall cease on the first day of the
second month following the month in which notification is sent to the owner or operator.

Fees levied under this division also may be established, amended, or repealed by a solid waste management policy committee through the adoption of a new district solid waste management plan, the adoption of an amended plan, or the amendment of the plan or amended plan in accordance with sections 3734.55 and 3734.56 of the Revised Code or the adoption or amendment of a district plan in connection with a change in district composition under section 3734.521 of the Revised Code.

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director
completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan.
as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for...
reductions in real property tax revenues due to reductions in real
property valuations resulting from the location and operation of a
solid waste disposal facility within the municipal corporation or
township, a municipal corporation or township in which such a
solid waste disposal facility is located may levy a fee of not
more than twenty-five cents per ton on the disposal of solid
wastes at a solid waste disposal facility located within the
boundaries of the municipal corporation or township regardless of
where the wastes were generated.

The legislative authority of a municipal corporation or
township may levy fees under this division by enacting an
ordinance or adopting a resolution establishing the amount of the
fees. Upon so doing the legislative authority shall mail a
certified copy of the ordinance or resolution to the board of
county commissioners or directors of the county or joint solid
waste management district in which the municipal corporation or
township is located or, if a regional solid waste management
authority has been formed under section 343.011 of the Revised
Code, to the board of trustees of that regional authority, the
owner or operator of each solid waste disposal facility in the
municipal corporation or township that is required to collect the
fee by the ordinance or resolution, and the director of
environmental protection. Although the fees levied under this
division are levied on the basis of tons as the unit of
measurement, the legislative authority, in its ordinance or
resolution levying the fees under this division, may direct that
the fees be levied on the basis of cubic yards as the unit of
measurement based upon a conversion factor of three cubic yards
per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or
adopting a resolution under this division, the legislative
authority shall so notify by certified mail the owner or operator
of each solid waste disposal facility that is required to collect
the fee. Collection of any fee levied on or after March 24, 1992,
shall commence on the first day of the second month following the
month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of
this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of
the wastes when the solid waste facility exclusively disposes of
solid wastes generated at one or more premises owned by the
generator regardless of whether the facility is located on a
premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the
combustion of primarily coal, regardless of whether the disposal
facility is located on the premises where the wastes are
generated;

(c) Are asbestos or asbestos-containing materials or products
disposed of at a construction and demolition debris facility that
is licensed under Chapter 3714. of the Revised Code or at a solid
waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised
Code, any fees levied under division (B)(1) of this section apply
to solid wastes originating outside the boundaries of a county or
joint district that are covered by an agreement for the joint use
of solid waste facilities entered into under section 343.02 of the
Revised Code by the board of county commissioners or board of
directors of the county or joint district where the wastes are
generated and disposed of.

(3) When solid wastes, other than solid wastes that consist
of scrap tires, are burned in a disposal facility that is an
incinerator or energy recovery facility, the fees levied under
divisions (A), (B), and (C) of this section shall be levied upon
the disposal of the fly ash and bottom ash remaining after burning of the solid wastes and shall be collected by the owner or operator of the sanitary landfill where the ash is disposed of.

(4) When solid wastes are delivered to a solid waste transfer facility, the fees levied under divisions (B) and (C) of this section shall be levied upon the disposal of solid wastes transported off the premises of the transfer facility for disposal and shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of.

(5) The fees levied under divisions (A), (B), and (C) of this section do not apply to sewage sludge that is generated by a waste water treatment facility holding a national pollutant discharge elimination system permit and that is disposed of through incineration, land application, or composting or at another resource recovery or disposal facility that is not a landfill.

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an
order exempting from the fees levied under this section solid 
wastes, including, but not limited to, scrap tires, that are 
generated, transferred, or disposed of as a result of a contract 
providing for the expenditure of public funds entered into by the 
administrator or regional administrator of the United States 
environmental protection agency, the director of environmental 
protection, or the director of administrative services on behalf 
of the director of environmental protection for the purpose of 
remediating conditions at a hazardous waste facility, solid waste 
facility, or other location at which the administrator or regional 
administrator or the director of environmental protection has 
reason to believe that there is a substantial threat to public 
health or safety or the environment or that the conditions are 
causing or contributing to air or water pollution or soil 
contamination. An order issued by the director of environmental 
protection under division (D)(8) of this section shall include a 
determination that the amount of the fees not received by a solid 
waste management district as a result of the order will not 
adversely impact the implementation and financing of the 
district's approved solid waste management plan and any approved 
amendments to the plan. Such an order is a final action of the 
director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this 
section shall be collected by the owner or operator of the solid 
waste disposal facility where the wastes are disposed of as a 
trustee for the county or joint district and municipal corporation 
or township where the wastes are disposed of. Moneys from the fees 
levied under division (B) of this section shall be forwarded to 
the board of county commissioners or board of directors of the 
district in accordance with rules adopted under division (H) of 
this section. Moneys from the fees levied under division (C) of 
this section shall be forwarded to the treasurer or such other 
officer of the municipal corporation as, by virtue of the charter,
has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in a similar capacity under a county charter, in a county district or to the county treasurer or other official designated by the board of directors in a joint district and kept in a separate and distinct fund to the credit of the district. If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of that regional authority under division (E) of this section shall be kept by the board in a separate and distinct fund to the credit of the district. Moneys in the special fund of the county or joint district arising from the fees levied under division (B) of this section and the fee levied under division (A) of section 3734.573 of the Revised Code shall be expended by the board of county commissioners or directors of the district in accordance with the district's solid waste management plan or amended plan approved under section 3734.521, 3734.55, or 3734.56 of the Revised Code exclusively for the following purposes:

(1) Preparation of the solid waste management plan of the district.
district under section 3734.54 of the Revised Code, monitoring implementation of the plan, and conducting the periodic review and amendment of the plan required by section 3734.56 of the Revised Code by the solid waste management policy committee;

(2) Implementation of the approved solid waste management plan or amended plan of the district, including, without limitation, the development and implementation of solid waste recycling or reduction programs;

(3) Providing financial assistance to boards of health within the district, if solid waste facilities are located within the district, for enforcement of this chapter and rules, orders, and terms and conditions of permits, licenses, and variances adopted or issued under it, other than the hazardous waste provisions of this chapter and rules adopted and orders and terms and conditions of permits issued under those provisions;

(4) Providing financial assistance to each county within the district to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan or amended plan;

(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;

(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan;
(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district;

(10) Payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section. In the case of a joint solid waste management district, if the board of county commissioners of one of the counties in the district is negotiating on behalf of affected communities, as defined in that section, in that county, the board shall obtain the approval of the board of directors of the district in order to expend moneys
for administrative costs incurred.

Prior to the approval of the district's solid waste
management plan under section 3734.55 of the Revised Code, moneys
in the special fund of the district arising from the fees shall be
expended for those purposes in the manner prescribed by the solid
waste management policy committee by resolution.

Notwithstanding division (G)(6) of this section as it existed
prior to October 29, 1993, or any provision in a district's solid
waste management plan prepared in accordance with division
(B)(2)(e) of section 3734.53 of the Revised Code as it existed
prior to that date, any moneys arising from the fees levied under
division (B)(3) of this section prior to January 1, 1994, may be
expended for any of the purposes authorized in divisions (G)(1) to
(10) of this section.

(H) The director shall adopt rules in accordance with Chapter
119. of the Revised Code prescribing procedures for collecting and
forwarding the fees levied under divisions (B) and (C) of this
section to the boards of county commissioners or directors of
county or joint solid waste management districts and to the
 treasurers or other officers of municipal corporations and the
fiscal officers of townships. The rules also shall prescribe the
dates for forwarding the fees to the boards and officials and may
prescribe any other requirements the director considers necessary
or appropriate to implement and administer divisions (A), (B), and
(C) of this section.

Sec. 3734.85. (A) On and after the effective date of the
rules adopted under sections 3734.70, 3734.71, 3734.72, and
3734.73 of the Revised Code, the director of environmental
protection may take action under this section to abate
accumulations of scrap tires. If the director determines that an
accumulation of scrap tires constitutes a danger to the public
health or safety or to the environment, the director shall issue an order under section 3734.13 of the Revised Code to the person responsible for the accumulation of scrap tires directing that person, within one hundred twenty days after the issuance of the order, to remove the accumulation of scrap tires from the premises on which it is located and transport the tires to a scrap tire storage, monocell, monofill, or recovery facility licensed under section 3734.81 of the Revised Code, to such a facility in another state operating in compliance with the laws of the state in which it is located, or to any other solid waste disposal facility in another state that is operating in compliance with the laws of that state. If the person responsible for causing the accumulation of scrap tires is a person different from the owner of the land on which the accumulation is located, the director may issue such an order to the landowner.

If the director is unable to ascertain immediately the identity of the person responsible for causing the accumulation of scrap tires, the director shall examine the records of the applicable board of health and law enforcement agencies to ascertain that person's identity. Before initiating any enforcement or removal actions under this division against the owner of the land on which the accumulation is located, the director shall initiate any such actions against the person that the director has identified as responsible for causing the accumulation of scrap tires. Failure of the director to make diligent efforts to ascertain the identity of the person responsible for causing the accumulation of scrap tires or to initiate an action against the person responsible for causing the accumulation shall not constitute an affirmative defense by a landowner to an enforcement action initiated by the director under this division requiring immediate removal of any accumulation of scrap tires.
Upon the written request of the recipient of an order issued under this division, the director may extend the time for compliance with the order if the request demonstrates that the recipient has acted in good faith to comply with the order. If the recipient of an order issued under this division fails to comply with the order within one hundred twenty days after the issuance of the order or, if the time for compliance with the order was so extended, within that time, the director shall take such actions as the director considers reasonable and necessary to remove and properly manage the scrap tires located on the land named in the order. The director, through employees of the environmental protection agency or a contractor, may enter upon the land on which the accumulation of scrap tires is located and remove and transport them to a scrap tire recovery facility for processing, to a scrap tire storage facility for storage, or to a scrap tire monocell or monofill facility for storage or disposal.

The director shall enter into contracts for the storage, disposal, or processing of scrap tires removed through removal operations conducted under this section.

If a person to whom a removal order is issued under this division fails to comply with the order and if the director performs a removal action under this section, the person to whom the removal order is issued is liable to the director for the costs incurred by the director for conducting the removal operation, storage at a scrap tire storage facility, storage or disposal at a scrap tire monocell or monofill facility, or processing of the scrap tires so removed, the transportation of the scrap tires from the site of the accumulation to the scrap tire storage, monocell, monofill, or recovery facility where the scrap tires were stored, disposed of, or processed, and the administrative and legal expenses incurred by the director in connection with the removal operation. The director shall keep an
itemized record of those costs. Upon completion of the actions for
which the costs were incurred, the director shall record the costs
at the office of the county recorder of the county in which the
accumulation of scrap tires was located. The costs so recorded
constitute a lien on the property on which the accumulation of
scrap tires was located until discharged. Upon the written request
of the director, the attorney general shall bring a civil action
against the person responsible for the accumulation of the scrap
tires that were the subject of the removal operation to recover
the costs for which the person is liable under this division. Any
money so received or recovered shall be credited to the scrap tire
management fund created in section 3734.82 of the Revised Code.

If, in a civil action brought under this division, an owner
of real property is ordered to pay to the director the costs of a
removal action that removed an accumulation of scrap tires from
the person's land or if a lien is placed on the person's land for
the costs of such a removal action, and, in either case, if the
landowner was not the person responsible for causing the
accumulation of scrap tires so removed, the landowner may bring a
civil action against the person who was responsible for causing
the accumulation to recover the amount of the removal costs that
the court ordered the landowner to pay to the director or the

If rules adopted under this section so require, the chief administrator of a home health agency shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a position that involves providing direct care to an individual. However, the chief administrator is not required to conduct a database review
of an applicant or employee if division (F) of this section applies. A database review shall determine whether the applicant or employee is included in any of the following:

(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of developmental disabilities employees established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender database established under division (A)(11) of section 2950.13 of the Revised Code;

(5) The internet-based database of inmates established under section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section 3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules adopted under this section.

(E)(1) As a condition of employing any applicant in a position that involves providing direct care to an individual, the chief administrator of a home health agency shall request the superintendent of the bureau of criminal identification and investigation to conduct a criminal records check of the applicant. If rules adopted under this section so require, the chief administrator of a home health agency shall request the superintendent to conduct a criminal records check of an employee.
at times specified in the rules as a condition of continuing to 
employ the employee in a position that involves providing direct 
care to an individual. However, the chief administrator is not 
required to request the criminal records check of the applicant or 
the employee if division (F) of this section applies or the home 
health agency is prohibited by division (B)(1) of this section 
from employing the applicant or continuing to employ the employee 
in a position that involves providing direct care to an 
individual. If an applicant or employee for whom a criminal 
records check request is required by this section does not present 
proof of having been a resident of this state for the five-year 
period immediately prior to the date upon which the criminal 
records check is requested or does not provide evidence that 
within that five-year period the superintendent has requested 
information about the applicant from the federal bureau of 
investigation in a criminal records check, the chief administrator 
shall request that the superintendent obtain information from the 
federal bureau of investigation as a part of the criminal records 
check. Even if an applicant or employee for whom a criminal 
records check request is required by this section presents proof 
that the applicant or employee has been a resident of this state 
for that five-year period, the chief administrator may request 
that the superintendent include information from the federal 
bureau of investigation in the criminal records check.

(2) The chief administrator shall do all of the following:

(a) Provide to each applicant and employee for whom a 
criminal records check request is required by this section a copy 
of the form prescribed pursuant to division (C)(1) of section 
109.572 of the Revised Code and a standard impression sheet 
prescribed pursuant to division (C)(2) of that section;

(b) Obtain the completed form and standard impression sheet 
from each applicant and employee;
(c) Forward the completed form and standard impression sheet to the superintendent at the time the chief administrator requests the criminal records check.

(3) A home health agency shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for each criminal records check the agency requests under this section. A home health agency may charge an applicant a fee not exceeding the amount the agency pays to the bureau under this section if both of the following apply:

(a) The home health agency notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.

(b) The medicaid program does not reimburse the home health agency for the fee it pays to the bureau under this section.

(F) Divisions (C) to (E) of this section do not apply with regard to an applicant or employee if the applicant or employee is referred to a home health agency by an employment service that supplies full-time, part-time, or temporary staff for positions that involve providing direct care to an individual and both of the following apply:

(1) The chief administrator of the home health agency receives from the employment service confirmation that a review of the databases listed in division (D) of this section was conducted with regard to the applicant or employee.

(2) The chief administrator of the home health agency receives from the employment service, applicant, or employee a report of the results of a criminal records check of the applicant or employee that has been conducted by the superintendent within the one-year period immediately preceding the following:
(a) In the case of an applicant, the date of the applicant’s referral by the employment service to the home health agency;

(b) In the case of an employee, the date by which the home health agency would otherwise have to request a criminal records check of the employee under division (E) of this section.

(G)(1) A home health agency may employ conditionally an applicant for whom a criminal records check request is required by this section before obtaining the results of the criminal records check if the agency is not prohibited by division (B) of this section from employing the applicant in a position that involves providing direct care to an individual and either of the following applies:

   (a) The chief administrator of the home health agency requests the criminal records check in accordance with division (E) of this section not later than five business days after the applicant begins conditional employment.

   (b) The applicant is referred to the home health agency by an employment service, the employment service or the applicant provides the chief administrator of the agency a letter that is on the letterhead of the employment service, the letter is dated and signed by a supervisor or another designated official of the employment service, and the letter states all of the following:

      (i) That the employment service has requested the superintendent to conduct a criminal records check regarding the applicant;

      (ii) That the requested criminal records check is to include a determination of whether the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense;

      (iii) That the employment service has not received the results of the criminal records check as of the date set forth on
the letter;

(iv) That the employment service promptly will send a copy of the results of the criminal records check to the chief administrator of the home health agency when the employment service receives the results.

(2) If a home health agency employs an applicant conditionally pursuant to division (G)(1)(b) of this section, the employment service, on its receipt of the results of the criminal records check, promptly shall send a copy of the results to the chief administrator of the agency.

(3) A home health agency that employs an applicant conditionally pursuant to division (G)(1)(a) or (b) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the home health agency shall terminate the applicant's employment unless circumstances specified in rules adopted under this section that permit the agency to employ the applicant exist and the agency chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the home health agency about the applicant's criminal record.

(H) The report of any criminal records check conducted by the bureau of criminal identification and investigation in accordance with section 109.572 of the Revised Code and pursuant to a request
made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The applicant or employee who is the subject of the criminal records check or the applicant's or employee's representative;

(2) The home health agency requesting the criminal records check or its representative;

(3) The administrator of any other facility, agency, or program that provides direct care to individuals that is owned or operated by the same entity that owns or operates the home health agency that requested the criminal records check;

(4) The employment service that requested the criminal records check;

(5) The director of health and the staff of the department of health who monitor a home health agency's compliance with this section;

(6) The director of aging or the director's designee if either of the following apply:
   (a) In the case of a criminal records check requested by a home health agency, the home health agency also is a community-based long-term care provider or community-based long-term care subcontractor;
   (b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a home health agency that also is a community-based long-term care provider or community-based long-term care subcontractor.

(7) The medicaid director and the staff of the department of medicaid who are involved in the administration of the medicaid
program if either of the following apply:

(a) In the case of a criminal records check requested by a home health agency, the home health agency also is a waiver agency;

(b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a home health agency that also is a waiver agency.

(8) Any court, hearing officer, or other necessary individual involved in a case dealing with any of the following:

(a) A denial of employment of the applicant or employee;

(b) Employment or unemployment benefits of the applicant or employee;

(c) A civil or criminal action regarding the medicaid program.

(I) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by an applicant or employee who a home health agency employs in a position that involves providing direct care to an individual, all of the following shall apply:

(1) If the home health agency employed the applicant or employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the agency shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the home health agency employed the applicant in good faith on a conditional basis pursuant to division (G) of this section, the agency shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal
records check requested under this section.

(3) If the home health agency in good faith employed the applicant or employee according to the personal character standards established in rules adopted under this section, the agency shall not be found negligent solely because the applicant or employee had been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(J) The director of health shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;

(c) For the purpose of division (D)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting database reviews under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which a home health agency is prohibited from employing an applicant or continuing to employ an employee who is found by a database review
to be included in one or more of those databases;

(d) Circumstances under which a home health agency may employ an applicant or employee who is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense but meets personal character standards.

**Sec. 3740.99.** Whoever violates section 3740.02 of the Revised Code is guilty of a misdemeanor of the second degree on a first offense; for each subsequent offense, the person is guilty of a misdemeanor of the first degree.

**Sec. 3741.14.** (A) Each filling station offering self-service shall be operated in accordance with the most recent version of the national fire protection association standard number 30A, as that standard is incorporated into the fire code adopted by the state fire marshal in accordance with section 3737.82 of the Revised Code, and the provisions of the "Occupational Safety and Health Act of 1970," 84 Stat. 1590, 5 U.S.C.A. 5108, and any amendments thereto and standards adopted thereunder.

(B) The fire marshal shall adopt, as part of the state fire code, rules governing the equipment, operation, and maintenance of filling stations. The rules shall be such as are necessary for the protection of the persons and property of the public, but shall require as a minimum that:

(2) A sign, in block letters at least four inches in height, be conspicuously displayed on each gasoline pump island where self-service is offered stating that it is a self-service island;

(3) Signs giving instructions for the operation of gasoline dispensing equipment, in block letters, be conspicuously posted at each filling station offering self-service;
(4) A sign bearing the following words in block letters be conspicuously posted on each gasoline pump island where self-service is offered:

(a) "STOP ENGINE";

(b) "NO SMOKING";

(c) "WARNING--IT IS UNLAWFUL AND DANGEROUS TO DISPENSE GASOLINE INTO UNAPPROVED CONTAINERS";

(d) "PERSONS USING DISPENSERS WITH HOLD-OPEN LATCHES MUST REMAIN AT THE REFUELING POINT DURING REFUELING".

(5) All signs required by this section be constructed of rigid, weather-resistant material;

(6) Gasoline dispensing nozzles used by any person other than a supervisor, employee, or attendant be of an approved automatic closing type. Any person other than a supervisor, employee, or attendant using a dispenser with a hold-open latch shall remain at the refueling point during refueling.

(C) The fire marshal shall not prohibit the operation of a filling station offering self-service solely because it is an unattended filling station that utilizes key- or card-operated self-service flammable or combustible liquid dispensing equipment.

(D) Nothing in this section shall be interpreted to prohibit the fire marshal from adopting reasonable rules governing the safety of self-service flammable or combustible liquid dispensing equipment.

Sec. 3742.11. (A) As used in this section, "renovation, repair, and painting rule" means the rule adopted by the United States Environmental Protection Agency pursuant to the "Toxic Substances Control Act of 1978," 15 U.S.C. 2601.

(B) The director of health may enter into agreements with the
United States environmental protection agency for the
administration and enforcement of the renovation, repair, and
painting rule. The director also may accept available assistance
in support of any agreement.

(C) The director may adopt rules in accordance with Chapter
119. of the Revised Code for the administration and enforcement of
this section. If the director adopts such rules, the director
shall specify all of the following in the rules:

(1) Provisions governing application for certification,
approval and denial of certification, and renewal, suspension, and
revocation of certification under this section;

(2) Fees for any certification issued or renewed under this
section;

(3) Requirements for training and certification, which must
include levels of training and periodic refresher training for
certifications issued under this section;

(4) Procedures to be followed by a person certified under
this section to undertake renovation, repair, and painting
projects and to prevent public exposure to lead hazards and ensure
worker protection during renovation, repair, or painting projects;

(5) Provisions governing the imposition of civil penalties
for violations of procedures adopted under this section. Civil
penalties shall not exceed $5,000 per violation.

(6) Record-keeping and reporting requirements for a person
certified under this section;

(7) Procedures for the approval of training providers under
this section, including specific training course requirements;

(8) Any other procedures and requirements that the director
determines necessary for the implementation of this section.
Sec. 3745.014. There is hereby created in the state treasury the central support indirect fund, which shall be administered by the director of environmental protection. Money credited to the fund shall be used for administrative costs of the environmental protection agency. The director may assess any operating funds from which the agency receives appropriations, except the central support indirect fund, for a share of the administrative costs of the agency. The amounts assessed shall be transferred to the central support indirect fund by means of intrastate transfer vouchers. The director, with the approval of the director of budget and management, shall determine the rate of assessments.

Sec. 3745.11. (A) Applicants for and holders of permits, licenses, variances, plan approvals, and certifications issued by the director of environmental protection pursuant to Chapters 3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee to the environmental protection agency for each such issuance and each application for an issuance as provided by this section. No fee shall be charged for any issuance for which no application has been submitted to the director.

(B) Except as otherwise provided in division (C)(2) of this section, beginning July 1, 1994, each person who owns or operates an air contaminant source and who is required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay the fees set forth in this division. For the purposes of this division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.

The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides,
organic compounds, and lead:

(1) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;

(2) Twenty dollars per ton on the total actual emissions of each such regulated pollutant during calendar year 1994, to be collected no sooner than April 15, 1995;

(3) Twenty-five dollars per ton on the total actual emissions of each such regulated pollutant in calendar year 1995, and each subsequent calendar year, to be collected no sooner than the fifteenth day of April of the year next succeeding the calendar year in which the emissions occurred.

The fees levied under this division do not apply to that portion of the emissions of a regulated pollutant at a facility that exceed four thousand tons during a calendar year.

(C)(1) The fees assessed under division (B) of this section are for the purpose of providing funding for the Title V permit program.

(2) The fees assessed under division (B) of this section do not apply to emissions from any electric generating unit designated as a Phase I unit under Title IV of the federal Clean Air Act prior to calendar year 2000. Those fees shall be assessed on the emissions from such a generating unit commencing in calendar year 2001 based upon the total actual emissions from the generating unit during calendar year 2000 and shall continue to be assessed each subsequent calendar year based on the total actual emissions from the generating unit during the preceding calendar year.

(3) The director shall issue invoices to owners or operators of air contaminant sources who are required to pay a fee assessed under division (B) or (D) of this section. Any such invoice shall
be issued no sooner than the applicable date when the fee first may be collected in a year under the applicable division, shall identify the nature and amount of the fee assessed, and shall indicate that the fee is required to be paid within thirty days after the issuance of the invoice.

(D)(1) Except as provided in division (D)(3) of this section, from January 1, 1994, through December 31, 2003, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

(D)(2) Except as provided in division (D)(3) of this section, beginning January 1, 2004, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in
accordance with the following schedule:

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, 2022, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. (3) The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:
(a) The consumer price index for any year is the average of
the consumer price index for all urban consumers published by the
United States department of labor as of the close of the
twelve-month period ending on the thirty-first day of August of
that year.

(b) If the 1989 consumer price index is revised, the director
shall use the revision of the consumer price index that is most
consistent with that for calendar year 1989.

(F) Each person who is issued a permit to install pursuant to
rules adopted under division (F) of section 3704.03 of the Revised
Code on or after July 1, 2003, shall pay the fees specified in the
following schedules:

(1) Fuel-burning equipment (boilers, furnaces, or process
heaters used in the process of burning fuel for the primary
purpose of producing heat or power by indirect heat transfer)

(4)(a) Process

In any process where process weight rate cannot be ascertained, the minimum fee shall be assessed. A boiler, furnace, combustion turbine, stationary internal combustion engine, or process heater designed to provide direct heat or power to a process not designed to generate electricity shall be assessed a fee established in division (F)(4)(a) of this section. A combustion turbine or stationary internal combustion engine designed to generate electricity shall be assessed a fee established in division (F)(2) of this section.

(b) Notwithstanding division (F)(4)(a) of this section, any person issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code shall pay the fees set forth in division (F)(4)(c) of this section for a process.

sewage sludge facility treats or disposes of in this state. The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following exceptions:

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of exceptional quality sludge shall not be required to pay the annual sludge fee for treatment or disposal in this state of exceptional quality sludge generated outside of this state and contained in bags or other containers not greater than one hundred pounds in capacity.

the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of sewage sludge that are transferred. However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter
119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.
If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. In order for the rules adopted under division (B)(1) of this section to require that any such federal environmental standard apply to a property, the property shall meet the requirements of the particular federal statute or regulation involved in the manner specified by the statute or regulation.

The generic numerical clean-up standards for petroleum at commercial or residential property shall be the standards established in rules adopted under division (B) of section 3737.882 of the Revised Code.

(2)(a) Procedures for performing property-specific risk assessments that would be performed at a property to demonstrate that the remedy evaluated in a risk assessment results in
protection of public health and safety and the environment instead of complying with the generic numerical clean-up standards established in the rules adopted under division (B)(1) of this section. The risk assessment procedures shall describe a methodology to establish, on a property-specific basis, allowable levels of contamination to remain at a property to ensure protection of public health and safety and the environment on the property and off the property when the contamination is emanating off the property, taking into account all of the following:

(i) The implementation of treatment, storage, or disposal, or a combination thereof, of hazardous substances or petroleum;

(ii) The existence of institutional controls or activity and use limitations that eliminate or mitigate exposure to hazardous substances or petroleum through the restriction of access to hazardous substances or petroleum;

(iii) The existence of engineering controls that eliminate or mitigate exposure to hazardous substances or petroleum through containment of, control of, or restrictions of access to hazardous substances or petroleum, including, without limitation, fences, cap systems, cover systems, and landscaping.

(b) The risk assessment procedures and levels of acceptable risk set forth in the rules adopted under division (B)(2) of this section shall be based upon all of the following:

(i) Scientific information, including, without limitation, toxicological information and actual or proposed human and environmental exposure;

(ii) Locational and climatic factors;

(iii) Surrounding land use and human activities;

(iv) Differing levels of remediation that may be required when an existing land use is continued compared to when a
different land use follows the remediation.

(c) Any standards established pursuant to rules adopted under division (B)(2) of this section shall be no more stringent than standards established under the environmental statutes of this state and rules adopted under them for the same contaminant in the same environmental medium that are in effect at the time the risk assessment is conducted.

(3) Minimum standards for phase I property assessments. The standards shall specify the information needed to demonstrate that there is no reason to believe that contamination exists on a property. The rules adopted under division (B)(3) of this section, at a minimum, shall require that a phase I property assessment include all of the following:

(a) A review and analysis of deeds, mortgages, easements of record, and similar documents relating to the chain of title to the property that are publicly available or that are known to and reasonably available to the owner or operator;

(b) A review and analysis of any previous environmental assessments, property assessments, environmental studies, or geologic studies of the property and any land within two thousand feet of the boundaries of the property that are publicly available or that are known to and reasonably available to the owner or operator;

(c) A review of current and past environmental compliance histories of persons who owned or operated the property;

(d) A review of aerial photographs of the property that indicate prior uses of the property;

(e) Interviews with managers of activities conducted at the property who have knowledge of environmental conditions at the property;
(f) Conducting an inspection of the property consisting of a walkover;

(g) Identifying the current and past uses of the property, adjoining tracts of land, and the area surrounding the property, including, without limitation, interviews with persons who reside or have resided, or who are or were employed, within the area surrounding the property regarding the current and past uses of the property and adjacent tracts of land.

The rules adopted under division (B)(3) of this section shall establish criteria to determine when a phase II property assessment shall be conducted when a phase I property assessment reveals facts that establish a reason to believe that hazardous substances or petroleum have been treated, stored, managed, or disposed of on the property if the person undertaking the phase I property assessment wishes to obtain a covenant not to sue under section 3746.12 of the Revised Code.

(4) Minimum standards for phase II property assessments. The standards shall specify the information needed to demonstrate that any contamination present at the property does not exceed applicable standards or that the remedial activities conducted at the property have achieved compliance with applicable standards. The rules adopted under division (B)(4) of this section, at a minimum, shall require that a phase II property assessment include all of the following:

(a) A review and analysis of all documentation prepared in connection with a phase I property assessment conducted within the one hundred eighty days before the phase II property assessment begins. The rules adopted under division (B)(4)(a) of this section shall require that if a period of more than one hundred eighty days has passed between the time that the phase I assessment of the property was completed and the phase II assessment begins, the phase II assessment shall include a reasonable inquiry into the
change in the environmental condition of the property during the intervening period.

(b) Quality assurance objectives for measurements taken in connection with a phase II assessment;

c) Sampling procedures to ensure the representative sampling of potentially contaminated environmental media;

d) Quality assurance and quality control requirements for samples collected in connection with phase II assessments;

e) Analytical and data assessment procedures;

(5) Standards governing the conduct of certified professionals, criteria and procedures for the certification of professionals to issue no further action letters under section 3746.11 of the Revised Code, and criteria for the suspension and revocation of those certifications. The director shall take an action regarding a certification as a final action. The issuance, denial, renewal, suspension, and revocation of those certifications are subject to Chapter 3745. of the Revised Code, except that, in lieu of publishing an action regarding a certification in a newspaper of general circulation as required in section 3745.07 of the Revised Code, such an action shall be published on the environmental protection agency's web site and in the agency's weekly review not later than fifteen days after the date of the issuance, denial, renewal, suspension, or revocation of the certification and not later than thirty days before a hearing or public meeting concerning the action.

The rules adopted under division (B)(5) of this section shall do all of the following:
(a) Provide for the certification of environmental professionals to issue no further action letters pertaining to investigations and remedies in accordance with the criteria and procedures set forth in the rules. The rules adopted under division (B)(5)(a) of this section shall do at least all of the following:

(i) Authorize the director to consider such factors as an environmental professional's previous performance record regarding such investigations and remedies and the environmental professional's environmental compliance history when determining whether to certify the environmental professional;

A variance issued under this section shall include only standards and terms and conditions proposed by the applicant in the application, except that the director may impose any additional or alternative terms and conditions that the director determines to be necessary to ensure that public health and safety will be protected. If the director finds that compliance with any standard or term or condition proposed by the applicant will not protect public health and safety and that the imposition of additional or alternative terms and conditions will not ensure that public health or safety will be protected, the director shall disapprove the application and shall include in the order of denial the specific findings on which the denial was based.

(B) Variances shall be issued or denied in accordance with this section, rules adopted under division (B)(11)-(B)(10) of section 3746.04 of the Revised Code, and Chapter 3745. of the Revised Code. Sec. 3746.10. (A) Except as otherwise provided in section 3746.02 of the Revised Code, any person may undertake a voluntary action under this chapter and rules adopted under it to identify and address potential sources of contamination by hazardous substances or petroleum of soil, sediments, surface water, or ground water on or underlying property and to establish that the property meets applicable standards. The voluntary action may include any one or more of the following elements:

(1) A phase I property assessment conducted in accordance with rules adopted under division (B)(3) of section 3746.04 of the Revised Code or division (B) of section 3746.07 of the Revised Code, as appropriate;

(2) A phase II property assessment conducted in accordance with rules adopted under division (B)(4) of section 3746.04 of the Revised Code or division (C) of section 3746.07 of the Revised Code, as appropriate;

(3) A sampling plan;
(4) A remediation plan;

(5) Remedial activities;

(6) Such other activities as the person undertaking the voluntary action considers to be necessary or appropriate to address the contamination.

When the person undertaking a voluntary action determines that the property meets applicable standards, the person may seek a no further action letter from a certified professional. A no further action letter may be issued for the property at any stage of the identification of potential hazardous substance or petroleum contamination or remedial activities after a phase I or II property assessment has demonstrated that there is no reason to believe that there has been a release of hazardous substances or petroleum at or upon the property, that information indicates that there has been a release of hazardous substances or petroleum at or upon the property, but that the release is not in excess of applicable standards, or that if there has been such a release in excess of applicable standards, those standards have been achieved through remedial activities or will be achieved in accordance with the timeframes established in an operation and maintenance agreement entered into under division (A)(3) of section 3746.12 of the Revised Code or in such an agreement and a consolidated standards permit issued under section 3746.15 of the Revised Code.

(B)(1) A person who is participating in the voluntary action program under this chapter and rules adopted under it shall do both of the following:

(a) Utilize the services of a certified laboratory to perform any analyses that form the basis for the issuance of a no further action letter for a property and ensure that a laboratory performs in connection with a voluntary action only those analyses for which it is certified under rules adopted.
under division (B)(6) of section 3746.04 of the Revised Code or for which it is qualified prior to the adoption of those rules accredited;

(b) Utilize the services of a certified professional to verify that the property and any remedial activities undertaken at the property in connection with a voluntary action comply with applicable standards and, if those standards are met, to issue to the person a no further action letter for the property. For the purposes of such a verification, the certified professional shall perform and review all work that was conducted to support the request for the no further action letter or shall ensure that the work has been performed and reviewed by other persons with expertise and competence in areas other than those of the certified professional's expertise and competence as necessary for the issuance of the no further action letter.

(2) No person who is participating in the voluntary action program shall do any of the following:

(a) If the person also is a certified professional, prepare a no further action letter in connection with a voluntary action conducted at a property that the certified professional owns or operates;

(b) Utilize the services of a certified professional who is employed by, affiliated with, or related to the participant or who was employed by or affiliated with the participant during the year preceding the date that the participant entered into the contract to utilize the services of the certified professional in connection with the voluntary action;

(c) Utilize the services of a certified or accredited laboratory that is owned by or affiliated with the participant, that is owned by a person related to the participant, or that was owned by or affiliated with the participant during the year.
preceding the date that the participant entered into the contract

Promptly after receipt of the letter and request, the person who undertook the voluntary action shall send written notice to the certified professional informing the certified professional as to whether the person wishes to submit the letter to the director and shall send a copy of the notice to the director. If the person's notice indicates that the person wishes to have the no further action letter submitted to the director, promptly after receipt of the notice, the certified professional shall submit the
original no further action letter, together with a proposed environmental convenant, if applicable, and a proposed operation and maintenance agreement, if applicable, to the director by certified mail on behalf of the person who undertook the voluntary action. If the person who undertook the voluntary action notifies the certified professional that the person does not wish to submit the no further action letter to the director, the certified professional shall send the original letter to the person promptly after receiving the notice.

(B) If after reviewing the demonstrations required to be submitted to the certified professional under division (C) of section 3746.10 of the Revised Code, the certified professional finds that the property where the voluntary action was undertaken does not comply with applicable standards, the certified professional shall send to the person who undertook the voluntary action written notice of that fact and of the certified professional's inability to issue a no further action letter for the property.

(C) A certified professional shall prepare a summary report detailing the certified professional's findings and conclusions about the environmental conditions at the property concerning which the professional was requested to prepare a no further action letter and the remedial activities undertaken to mitigate or abate any threat to public health and safety and the environment, including, without limitation, all of the following:

The director shall not issue a covenant not to sue if an original no further action letter is submitted to him the director by any person other than the certified professional who prepared the letter or if a copy of the letter is submitted to him the director.

A covenant not to sue shall contain both of the following, as applicable:

(2) If the voluntary action involves the use of engineering controls that contain and control the release of hazardous substances or petroleum at or from the property in order to comply with applicable standards, all of the following:

(a) A provision requiring that the person enter into an operation and maintenance agreement with the director that ensures
that all engineering controls are maintained so that the remedy is protective of public health and safety and the environment; that includes provisions requiring the person to conduct monitoring for compliance with the engineering controls and the applicable standards upon which issuance of the covenant was based, and periodically to report the findings of the monitoring to the director, as specified in the agreement; and that includes financial assurances that the remedy will remain operational and functional;

(b) A provision requiring the transferor of a covenant that contains an operation and maintenance agreement for engineering controls to notify the director whenever a transfer or assignment of the covenant or property to which it applies occurs;

(c) A provision revoking the covenant if the engineering controls are violated or are no longer in place and the person has not reinstated the controls within a reasonable period of time as determined in accordance with the covenant.

(B)(1) The release provided under division (A)(1) of this section remains effective only for as long as the property or portion thereof to which the covenant pertains continues to comply with the applicable standards upon which the issuance of the covenant was based.

(2) Upon finding that a property or portion thereof to which a covenant not to sue pertains no longer complies with the applicable standards upon which issuance of the covenant was based, the director, by certified mail, receipt requested, shall mail notice of that fact and the requirements of division (B)(3) of this section to the person responsible for maintaining compliance with those standards.

(3) Unless the recipient of a notice provided under division (B)(2) of this section, within thirty days after the mailing of

The compliance schedule agreement shall establish a reasonable period of time for returning to compliance with those applicable standards.

(4) Upon finding that a person with whom he the director has entered into a compliance schedule agreement under division (B)(3) of this section has failed to return the property or portion thereof to which the agreement pertains to compliance with the applicable standards within the time established in the agreement, the director, by issuance of an order as a final action under Chapter 3745. of the Revised Code, shall revoke the covenant applicable to the property or portion thereof.

3746.07 that applied prior to the adoption of rules under section 3746.04 of the Revised Code solely on the basis that the voluntary action was conducted in accordance with those standards and procedures.

(E) Unless a covenant not to sue issued under this section is revoked through the operation of a provision of the covenant described in division (A)(2)(c) of this section, or under division (B) of this section, division (B)(2) of section 3746.18 of the Revised Code, or division (B) of section 3746.19 of the Revised Code, the covenant shall remain effective as long as the property complies with the applicable standards that were in effect when the person who undertook the voluntary action submitted the information and demonstrations required under division (C) of section 3746.10 of the Revised Code to the certified professional who prepared the no further action letter regardless of whether amendments to the rules adopted under division (B)(1) or (2) of section 3746.04 of the Revised Code that became effective after that time altered the generic numerical clean-up standards for a contaminant addressed by the voluntary action or the procedures or levels of acceptable risk that govern the property-specific risk assessments conducted in lieu of compliance with generic numerical standards.

Sec. 3746.13. (A) For property that does not involve the issuance of a consolidated standards permit under section 3746.15 of the Revised Code and where no remedial activities for which there is a required operation and maintenance agreement or an environmental covenant under this chapter or sections 5301.80 to 5301.92 of the Revised Code, as applicable, are used to comply with applicable standards, the director of environmental protection shall issue a covenant not to sue pursuant to section 3746.12 of the Revised Code by issuance of an order and as a final action under Chapter 3745. of the Revised Code within thirty days.

All of the information and records necessary or useful in the determination of any particular claim for benefits or necessary in verifying any charge to an employer's account under sections 4141.23 to 4141.26 of the Revised Code shall be available
for examination and use by the employer and the employee involved or their authorized representatives in the hearing of such cases, and that information may be tabulated and published in statistical form for the use and information of the state departments and the public.

Sec. 4141.22. (A) No person shall disclose any information that was maintained by the director of job and family services or the unemployment compensation review commission or that was furnished to the director or the commission by employers or employees pursuant to this chapter, unless such disclosure is permitted under section 4141.21 of the Revised Code.

(B) No person in the employ of the director of job and family services or a county family services agency or a workforce development agency, or the commission, or who has been in the employ of the director or those agencies, or the commission, at any time, shall divulge any information maintained by or furnished to the director or the commission under this chapter and secured by the person while so employed, in respect to the transactions, property, business, or mechanical, chemical, or other industrial process of any person, firm, corporation, association, or partnership to any person other than the director or other employees of the department of job and family services or a county family services agency or workforce development agency, or the commission, as required by the person's duties, or to other persons as authorized by the director under section 4141.43 of the Revised Code.

Whoever violates this section shall be disqualified from holding any appointment or employment by the director or a county family services agency or a workforce development agency, or the commission.
Sec. 4141.51. (A) An employer who wishes to participate in the SharedWork Ohio program shall submit a plan to the director of job and family services in which the employer does all of the following:

1. Identifies the participating employees by name, social security number, affected unit, and normal weekly hours of work;

2. Describes the manner in which the employer will implement the requirements of the SharedWork Ohio program, including the proposed reduction percentage, which shall be between ten per cent and sixty per cent, and any temporary closure of the participating employer's business for equipment maintenance or other similar circumstances that the employer knows may occur during the effective period of an approved plan;

3. Includes a plan for giving advance notice, if feasible, to an employee whose normal weekly hours of work are to be reduced and, if advance notice is not feasible, an explanation of why that notice is not feasible;

4. Includes a certification by the employer that the aggregate reduction in the number of hours worked by the employees of the employer is in lieu of layoffs and includes an estimate of the number of layoffs that would have occurred absent the ability to participate in the SharedWork Ohio program;

5. Includes a certification by the employer that if the employer provides health benefits and retirement benefits under a defined benefit plan, as defined in 26 U.S.C. 414(j), as amended, or contributions under a defined contribution plan as defined in 26 U.S.C. 414(i), as amended, to any employee whose normal weekly hours of work are reduced under the program that such benefits will continue to be provided to an employee participating in the SharedWork Ohio program under the same terms and conditions as though the normal weekly hours of work of the employee had not been reduced.
been reduced or to the same extent as other employees not participating in the program;

(6) Permits eligible employees to participate, as appropriate, in training to enhance job skills approved by the director, including employer-sponsored training or worker training funded under the federal "Workforce Innovation and Opportunity Act," 29 U.S.C. 3101 et seq.;

(7) Includes any other information as required by the United States secretary of labor or the director under the rules the director adopts under section 4141.50 of the Revised Code;

(8) Includes an attestation by the employer that the terms of the written plan submitted by the employer and implementation of that plan are consistent with obligations of the employer under the applicable federal and state laws;

(9) Includes a certification by the employer that the employer will promptly notify the director of any change in the business that includes the sale or transfer of all or part of the business, and that the employer will notify any successor in interest to the employer's business prior to the transfer of all or part of the business, of the existence of any approved shared work plan;

(10) Includes a certification by the employer that, as of the date the employer submits the plan, the employer is current on all reports and has paid all contributions, reimbursements, interest, and penalties due under this chapter;

(11) Includes an assurance from the employer that the employer will remain current on all employer reporting and payments of contributions, reimbursements, interest, and penalties as required by this chapter;

(12) Includes a certification by the employer that none of the participating employees are employed on a seasonal, temporary,
or intermittent basis;

(13) Includes an assurance from the employer that the employer will not reduce a participating employee's normal weekly hours of work by more than the reduction percentage, except in the event of a temporary closure of the employer's business for equipment maintenance, or when the employee takes approved time off during the week with pay, and the combined work hours and paid leave hours equal the number of hours the employee would have worked under the plan.

(B) The director shall approve a shared work plan if an employer includes in the plan all of the information, certifications, and assurances required under division (A) of this section.

(C) The director shall approve or deny a shared work plan and shall send a written notice to the employer stating whether the director approved or denied the plan not later than thirty ten days after the director receives the plan. If the director denies approval of a shared work plan, the director shall state the reasons for denying approval in the written notice sent to the employer.

(D) The director shall enforce the requirements of the SharedWork Ohio program in the same manner as the director enforces the requirements of this chapter, including under section 4141.40 of the Revised Code.

Sec. 4141.53. (A) An individual is eligible to receive shared work compensation for a week in which the individual satisfies all of the following:

(1) The individual is employed by a participating employer and is subject to a shared work plan that was approved before that week and is in effect for that week.
(2) The individual is available for work and is actively seeking work by being available for the individual's normal weekly hours of work.

(3) The individual's normal weekly hours of work with the participating employer have been reduced by at least ten per cent but not more than fifty six per cent.

(4) The individual has been employed by an employer or employers subject to this chapter in at least twenty qualifying weeks within the individual's base period and has earned or been paid remuneration at an average weekly wage of not less than twenty-seven and one-half per cent of the statewide average weekly wage for those weeks.

(5) The individual has been subject to a shared work plan for at least one week prior to the week for which the compensation is to be paid, or otherwise satisfies the waiting period requirement of division (B) of section 4141.29 of the Revised Code for the individual's benefit year.

(6) The individual otherwise satisfies the requirements of this chapter and is not otherwise disqualified from receiving unemployment compensation benefits.

(B) For purposes of division (A)(2) of this section, an individual is available for the individual's normal weekly hours of work with the participating employer if the individual does any of the following:

(1) Works the number of weekly hours assigned to the individual under an approved shared work plan;

(2) Works fewer hours than the number of weekly hours assigned to the individual under an approved shared work plan and either of the following apply:

(a) The individual takes approved time off during the week
with pay, and the combined work hours and paid leave hours equal 44376
the number of hours the employee would have worked under the plan; 44377
(b) The individual does not take approved time off with pay 44378
during that week and the reduction in hours was not the fault of 44379
the individual and was not more than fifty sixty per cent of the 44380
individual's normal weekly hours of work. 44381
(C)(1) Except as provided in division (C)(2) or (D) of this 44382
section, the director of job and family services shall pay a 44383
participating employee who is eligible for weekly shared work 44384
compensation in an amount equal to the participating employee's 44385
weekly benefit amount as described in division (B) of section 44386
4141.30 of the Revised Code for a period of total unemployment, 44387
multiplied by the reduction percentage specified in the approved 44388
shared work plan applicable to the participating employee. 44389
(2) The director shall pay a participating employee who is 44390
eligible for weekly shared work compensation in an amount equal to 44391
the participating employee's weekly benefit amount as described in 44392
division (B) of section 4141.30 of the Revised Code for a period 44393
of total unemployment, multiplied by the percentage by which the 44394
participating employee's normal weekly hours of work were actually 44395
reduced during the workweek, if all of the following apply: 44396
(a) The participating employee did not take approved paid 44397
leave during the week. 44398
(b) The participating employee's normal weekly hours of work 44399
were actually reduced by not less than ten per cent and not 44400
greater than fifty sixty per cent. 44401
(c) The increase or decrease in the participating employee's 44402
hours above or below the number of hours assigned to the employee 44403
in the approved shared work plan was not the fault of the 44404
employee. 44405
(3) The director shall determine fault for purposes of 44406
divisions (B)(2)(b) and (C)(2)(c) of this section in the same manner that the director makes determinations for benefit rights and determines claims for unemployment compensation benefits under sections 4141.28 and 4141.281 of the Revised Code.

(4) The director shall round the amount of a shared work compensation payment that is not a multiple of one dollar to the next lower multiple of one dollar.

(5) No shared work compensation shall be payable during the one-week period described in division (A)(5) of this section.

(D) If an individual works for a participating employer and another employer during the weeks the individual is covered by an approved shared work plan, eligibility for shared work compensation is determined as follows:

(1) If the combined number of hours the individual works for both the participating employer and the other employer in a week exceeds the amount of the individual's normal weekly hours of work reduced by ten per cent, the individual is not eligible for shared work compensation.

(2) If the combined number of hours the individual works in a week for both employers equals the amount of the individual's normal weekly hours of work reduced between ten and sixty per cent, the director shall pay the individual, if the individual is otherwise eligible, shared work compensation in an amount equal to the individual's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the percentage by which the individual's normal weekly hours of work were reduced during the week when factoring in both the amount of hours worked for the other employer and the amount of hours worked for the participating employer.

(E) A participating employee is not entitled to receive
shared work compensation and unemployment compensation benefits that, when combined, exceed the maximum total benefits payable to the participating employee in a benefit year under section 4141.30 of the Revised Code. No participating employee shall be paid shared work compensation during the employee's benefit year in an amount that exceeds twenty-six times the amount of the employee's weekly benefit amount for a period of total unemployment under section 4141.30 of the Revised Code.

(F) An individual who has received all of the shared work compensation and unemployment compensation benefits available in a benefit year is an individual who has exhausted regular benefits under section 4141.30 of the Revised Code and is entitled to receive extended benefits under section 4141.301 of the Revised Code if the individual is otherwise eligible to receive benefits under that section.

(G) Except as provided in division (C)(2) of this section, the director shall not pay shared work compensation to an individual for a week during which the individual performs paid work for the individual's participating employer that exceeds or falls below the reduced hours established under an approved shared work plan that covers the individual.

(H)(1) Except as provided in divisions (H)(2) and (3) of this section, a participating employee is not eligible to receive benefits for being partially unemployed for any week during which the individual works as a participating employee.

(2) A participating employee who performs no services during a week for the participating employer and who is otherwise eligible may be paid benefits for being totally or partially unemployed for that week.

(3) A participating employee whose normal weekly hours of work are reduced by more than sixty per cent and who is
otherwise eligible may be paid benefits for partial unemployment for that week.

(I) Any payment of total or partial unemployment compensation benefits under this section is not a payment of shared work compensation under an approved plan but shall be calculated against the maximum total benefits payable to the participating employee in a benefit year under section 4141.30 of the Revised Code.

(J) For purposes of this section and unless another benefit year applies to the individual, notwithstanding division (R)(1) of section 4141.01 of the Revised Code, a participating employee's "benefit year" is the fifty-two week period beginning with the first day of that week with respect to which the employee's participating employer first files a claim on behalf of the participating employee pursuant to division (B) of section 4141.54 of the Revised Code.

Sec. 4141.55. (A) If the state is eligible for and receives reimbursement for shared work compensation paid under the SharedWork Ohio program from the federal government pursuant to the federal "Layoff Prevention Act of 2012," Pub. L. No. 112-96, 126 Stat. 156, or any other federal law, notwithstanding section 4141.24 of the Revised Code and if permitted under that act or other federal law, during the time period in which the state is fully or partially reimbursed the account of an employer shall not be charged for the portion of any shared work compensation paid to a participating employer's participating employees for which the state receives reimbursement. If the federal government does not provide full reimbursement for shared work compensation paid to an individual under section 4141.53 of the Revised Code, the portion of shared work compensation paid to that individual that is not reimbursed shall be charged in accordance with division (C) of
(B) Beginning with the week for which the federal government no longer provides reimbursement, or if the state does not receive reimbursement or the federal government requires an employer's account to be charged, any shared work compensation paid to an individual shall be charged in accordance with division (C) of this section.

(C) Except as provided in divisions (A) and (B) of this section, any shared work compensation paid to an individual under section 4141.53 of the Revised Code shall be charged in accordance with division (D) of section 4141.24 of the Revised Code.

Sec. 4301.03. The liquor control commission may adopt and promulgate, repeal, rescind, and amend, in the manner required by this section, rules, standards, requirements, and orders necessary to carry out this chapter and Chapter 4303. of the Revised Code, but all rules of the board of liquor control that were in effect immediately prior to April 17, 1963, shall remain in full force and effect as rules of the liquor control commission until and unless amended or repealed by the liquor control commission. The rules of the commission may include the following:

(A) Rules with reference to applications for and the issuance of permits for the manufacture, distribution, transportation, and sale of beer and intoxicating liquor, and the sale of alcohol; and rules governing the procedure of the division of liquor control in the suspension, revocation, and cancellation of those permits;

(B) Rules and orders providing in detail for the conduct of any retail business authorized under permits issued pursuant to this chapter and Chapter 4303. of the Revised Code, with a view to ensuring compliance with those chapters and laws relative to them, and the maintenance of public decency, sobriety, and good order in
any place licensed under the permits. No rule or order shall prohibit the operation of video lottery terminal games at a commercial race track where live horse racing and simulcasting are conducted in accordance with Chapter 3769. of the Revised Code or the sale of lottery tickets issued pursuant to Chapter 3770. of the Revised Code by any retail business authorized under permits issued pursuant to that chapter.

No rule or order shall prohibit pari-mutuel wagering on simulcast horse races at a satellite facility that has been issued a D liquor permit under Chapter 4303. of the Revised Code. No rule or order shall prohibit a charitable organization that holds a D-4 permit from selling or serving beer or intoxicating liquor under its permit in a portion of its premises merely because that portion of its premises is used at other times for the conduct of a bingo game, as described in division (O) of section 2915.01 of the Revised Code. However, such an organization shall not sell or serve beer or intoxicating liquor or permit beer or intoxicating liquor to be consumed or seen in the same location in its premises where a bingo game, as described in division (O)(1) of section 2915.01 of the Revised Code, is being conducted while the game is being conducted. As used in this division, "charitable organization" has the same meaning as in division (H) of section 2915.01 of the Revised Code. No rule or order pertaining to visibility into the premises of a permit holder after the legal hours of sale shall be adopted or maintained by the commission.

(C) Standards, not in conflict with those prescribed by any law of this state or the United States, to secure the use of proper ingredients and methods in the manufacture of beer, mixed beverages, and wine to be sold within this state;

(D) Rules determining the nature, form, and capacity of all packages and bottles to be used for containing beer or intoxicating liquor, except for spirituous liquor to be kept or
sold, governing the form of all seals and labels to be used on those packages and bottles;

(E) Rules requiring the label on every package, bottle, and container to state all of the following, as applicable:

(1) The ingredients in the contents;

(2) Except for beer, the terms of weight, volume, or proof spirits;

(3) Except for spirituous liquor, whether the product is beer, wine, alcohol, or any intoxicating liquor;

(4) Regarding beer that contains more than twelve per cent of alcohol by volume, the percentage of alcohol by volume and that the beer is a "high alcohol beer."

(F) Uniform rules governing all advertising with reference to the sale of beer and intoxicating liquor throughout the state and advertising upon and in the premises licensed for the sale of beer or intoxicating liquor;

(G) Rules restricting and placing conditions upon the transfer of permits;

(H) Rules and orders limiting the number of permits of any class within the state or within any political subdivision of the state; and, for that purpose, adopting reasonable classifications of persons or establishments to which any authorized class of permits may be issued within any political subdivision;

(I) Rules and orders with reference to sales of beer and intoxicating liquor on Sundays and holidays and with reference to the hours of the day during which and the persons to whom intoxicating liquor of any class may be sold, and rules with reference to the manner of sale;

(J) Rules requiring permit holders buying beer to pay and permit holders selling beer to collect minimum cash deposits for
kegs, cases, bottles, or other returnable containers of the beer; requiring the repayment, or credit, of the minimum cash deposit charges upon the return of the empty containers; and requiring the posting of such form of indemnity or such other conditions with respect to the charging, collection, and repayment of minimum cash deposit charges for returnable containers of beer as are necessary to ensure the return of the empty containers or the repayment upon that return of the minimum cash deposits paid;

(K) Rules establishing the method by which alcohol products may be imported for sale by wholesale distributors and the method by which manufacturers and suppliers may sell alcohol products to wholesale distributors.

Every rule, standard, requirement, or order of the commission and every repeal, amendment, or rescission of them shall be posted for public inspection in the principal office of the commission and the principal office of the division of liquor control, and a certified copy of them shall be filed in the office of the secretary of state. An order applying only to persons named in it shall be served on the persons affected by personal delivery of a certified copy, or by mailing a certified copy to each person affected by it or, in the case of a corporation, to any officer or agent of the corporation upon whom a service of summons may be served in a civil action. The posting and filing required by this section constitutes sufficient notice to all persons affected by such rule or order which is not required to be served. General rules of the commission promulgated pursuant to this section shall be published in the manner the commission determines.

Sec. 4301.10. (A) The division of liquor control shall do all of the following:

(1) Control the traffic in beer and intoxicating liquor in this state, including the manufacture, importation, and sale of
beer and intoxicating liquor;

(2) Grant or refuse permits for the manufacture, distribution, transportation, and sale of beer and intoxicating liquor and the sale of alcohol, as authorized or required by this chapter and Chapter 4303. of the Revised Code. A certificate, signed by the superintendent of liquor control and to which is affixed the official seal of the division, stating that it appears from the records of the division that no permit has been issued to the person specified in the certificate, or that a permit, if issued, has been revoked, canceled, or suspended, shall be received as prima-facie evidence of the facts recited in the certificate in any court or before any officer of this state.

(3) Put into operation, manage, and control a system of state liquor stores for the sale of spirituous liquor at retail and to holders of permits authorizing the sale of spirituous liquor; however, the division shall not establish any drive-in state liquor stores; and by means of those types of stores, and any manufacturing plants, distributing and bottling plants, warehouses, and other facilities that it considers expedient, establish and maintain a state monopoly of the distribution of spirituous liquor and its sale in packages or containers; and for that purpose, manufacture, buy, import, possess, and sell spirituous liquors as provided in this chapter and Chapter 4303. of the Revised Code, and in the rules promulgated by the superintendent of liquor control pursuant to those chapters; lease or in any manner acquire the use of any land or building required for any of those purposes; purchase any equipment that is required; and borrow money to carry on its business, and issue, sign, endorse, and accept notes, checks, and bills of exchange; but all obligations of the division created under authority of this division shall be a charge only upon the moneys received by the division from the sale of spirituous liquor and its other
business transactions in connection with the sale of spirituous liquor, and shall not be general obligations of the state;

(4) Enforce the administrative provisions of this chapter and Chapter 4303. of the Revised Code, and the rules and orders of the liquor control commission and the superintendent relating to the manufacture, importation, transportation, distribution, and sale of beer or intoxicating liquor. The attorney general, any prosecuting attorney, and any prosecuting officer of a municipal corporation or a municipal court shall, at the request of the division of liquor control or the department of public safety, prosecute any person charged with the violation of any provision in those chapters or of any section of the Revised Code relating to the manufacture, importation, transportation, distribution, and sale of beer or intoxicating liquor.

(5) Determine the locations of all state liquor stores and manufacturing, distributing, and bottling plants required in connection with those stores, subject to this chapter and Chapter 4303. of the Revised Code;

(6) Conduct inspections of liquor permit premises to determine compliance with the administrative provisions of this chapter and Chapter 4303. of the Revised Code and the rules adopted under those provisions by the liquor control commission.

Except as otherwise provided in division (A)(6) of this section, those inspections may be conducted only during those hours in which the permit holder is open for business and only by authorized agents or employees of the division or by any peace officer, as defined in section 2935.01 of the Revised Code. Inspections may be conducted at other hours only to determine compliance with laws or commission rules that regulate the hours of sale of beer or intoxicating liquor and only if the investigator has reasonable cause to believe that those laws or rules are being violated. Any inspection conducted pursuant to
division (A)(6) of this section is subject to all of the following requirements:

(a) The only property that may be confiscated is contraband, as defined in section 2901.01 of the Revised Code, or property that is otherwise necessary for evidentiary purposes.

(b) A complete inventory of all property confiscated from the premises shall be given to the permit holder or the permit holder's agent or employee by the confiscating agent or officer at the conclusion of the inspection. At that time, the inventory shall be signed by the confiscating agent or officer, and the agent or officer shall give the permit holder or the permit holder's agent or employee the opportunity to sign the inventory.

(c) Inspections conducted pursuant to division (A)(6) of this section shall be conducted in a reasonable manner. A finding by any court of competent jurisdiction that an inspection was not conducted in a reasonable manner in accordance with this section or any rules adopted by the commission may be considered grounds for suppression of evidence. A finding by the commission that an inspection was not conducted in a reasonable manner in accordance with this section or any rules adopted by it may be considered grounds for dismissal of the commission case.

If any court of competent jurisdiction finds that property confiscated as the result of an administrative inspection is not necessary for evidentiary purposes and is not contraband, as defined in section 2901.01 of the Revised Code, the court shall order the immediate return of the confiscated property, provided that property is not otherwise subject to forfeiture, to the permit holder. However, the return of this property is not grounds for dismissal of the case. The commission likewise may order the return of confiscated property if no criminal prosecution is pending or anticipated.
(7) Delegate to any of its agents or employees any power of investigation that the division possesses with respect to the enforcement of any of the administrative laws relating to beer or intoxicating liquor, provided that this division does not authorize the division to designate any agent or employee to serve as an enforcement agent. The employment and designation of enforcement agents shall be within the exclusive authority of the director of public safety pursuant to sections 5502.13 to 5502.19 of the Revised Code.

(8) Collect the following fees:

(a) A biennial fifty-dollar registration fee for each agent, solicitor, trade marketing professional, or salesperson, registered pursuant to section 4303.25 of the Revised Code, of a beer or intoxicating liquor manufacturer, supplier, broker, trade marketing company, or wholesale distributor doing business in this state;

(b) A fifty-dollar product registration fee for each new beer or intoxicating liquor product sold in this state. The product registration fee also applies to products sold in this state by B-2a, S-1, and S-2 permit holders. The product registration fee shall be accompanied by a copy of the federal label and product approval for the new product.

(c) An annual three-hundred-dollar supplier registration fee from each manufacturer or supplier that produces and ships into this state, or ships into this state, intoxicating liquor or beer, in addition to an initial application fee of one hundred dollars. A manufacturer that produces and ships beer or wine into this state and that holds only an S-1 or S-2 permit, as applicable, is exempt from the supplier registration fee. A manufacturer that produces and ships beer or wine into this state and that holds a B-2a permit shall pay an annual seventy-six-dollar supplier registration fee. A manufacturer that produces and ships wine into
this state and that does not hold either an S-1 or a B-2a permit, but that produces less than two hundred fifty thousand gallons of wine per year and that is entitled to a tax credit under 27 C.F.R. 24.278 shall pay an annual seventy-six-dollar supplier registration fee. A manufacturer that produces and ships beer into this state and that does not hold an S-1 permit shall pay an annual seventy-six-dollar supplier registration fee. A B-2a, S-1, or S-2 permit holder that does not sell its wine to wholesale distributors of wine in this state and an S-1 permit holder that does not sell its beer to wholesale distributors of beer in this state shall not be required to submit to the division territory designation forms.

Each supplier, agent, solicitor, trade marketing professional, or salesperson registration issued under this division shall authorize the person named to carry on the activity specified in the registration. Each agent, solicitor, trade marketing professional, or salesperson registration is valid for two years or for the unexpired portion of a two-year registration period. Each supplier registration is valid for one year or for the unexpired portion of a one-year registration period. Registrations shall end on their respective uniform expiration date, which shall be designated by the division, and are subject to suspension, revocation, cancellation, or fine as authorized by this chapter and Chapter 4303. of the Revised Code.

As used in this division, "trade marketing company" and "trade marketing professional" have the same meanings as in section 4301.171 of the Revised Code.

(9) Establish a system of electronic data interchange within the division and regulate the electronic transfer of information and funds among persons and governmental entities engaged in the manufacture, distribution, and retail sale of alcoholic beverages;

(10) Notify all holders of retail permits of the forms of
permissible identification for purposes of division (A) of section 4301.639 of the Revised Code;

(11) Exercise all other powers expressly or by necessary implication conferred upon the division by this chapter and Chapter 4303. of the Revised Code, and all powers necessary for the exercise or discharge of any power, duty, or function expressly conferred or imposed upon the division by those chapters.

(B) The division may do all of the following:

(1) Sue, but may be sued only in connection with the execution of leases of real estate and the purchases and contracts necessary for the operation of the state liquor stores that are made under this chapter and Chapter 4303. of the Revised Code;

(2) Enter into leases and contracts of all descriptions and acquire and transfer title to personal property with regard to the sale, distribution, and storage of spirituous liquor within the state;

(3) Terminate at will any lease entered into pursuant to division (B)(2) of this section upon first giving ninety days' notice in writing to the lessor of its intention to do so;

(4) Fix the wholesale and retail prices at which the various classes, varieties, and brands of spirituous liquor shall be sold by the division. Sec. 4503.066. (A)(1) To obtain a tax reduction under section 4503.065 of the Revised Code, the owner of the home shall file an application with the county auditor of the county in which the home is located. An application for reduction in taxes based upon a physical disability shall be accompanied by a certificate signed by a physician, and an application for reduction in taxes based upon a mental disability shall be accompanied by a certificate signed by a physician or psychologist licensed to practice in this state. The certificate shall attest to the fact that the applicant is permanently and totally disabled, shall be in a form that the department of taxation requires, and shall include the definition of totally and permanently disabled as set forth in section 4503.064 of the Revised Code. An application for reduction in taxes based upon a disability certified as permanent and total by a state or federal agency having the function of so classifying persons shall be accompanied by a certificate from that agency.

An application by a disabled veteran for the reduction under division (B) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from the United States department of veterans affairs, or its predecessor or successor agency, showing that the veteran qualifies as a disabled veteran.

officer killed in the line of duty for the reduction under division (C) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from an officer or employee of the board of trustees of a retirement or pension fund in this state or another state or from the chief or other chief executive of the department, agency, or other employer for which the public service officer served when killed in the line of duty affirming that the public service officer was killed in the line of duty.

(2) Each application shall constitute a continuing application for a reduction in taxes for each year in which the manufactured or mobile home is occupied by the applicant. Failure to receive a new application or notification under division (B) of this section after an application for reduction has been approved is prima-facie evidence that the original applicant is entitled to the reduction calculated on the basis of the information contained in the original application. The original application and any subsequent application shall be in the form of a signed statement and shall be filed on or before the thirty-first day of December of the year preceding the year for which the reduction is sought. The statement shall be on a form, devised and supplied by the tax commissioner, that shall require no more information than is necessary to establish the applicant's eligibility for the reduction in taxes and the amount of the reduction to which the applicant is entitled. The form shall contain a statement that signing such application constitutes a delegation of authority by the applicant to the tax commissioner or the county auditor, individually or in consultation with each other, to examine any tax or financial records that relate to the income of the applicant as stated on the application for the purpose of determining eligibility under, or possible violation of, division (C) or (D) of this section. The form also shall contain a statement that conviction of willfully falsifying information to
obtain a reduction in taxes or failing to comply with division (B) of this section shall result in the revocation of the right to the reduction for a period of three years.

(3) A late application for a reduction in taxes for the year preceding the year for which an original application is filed may be filed with an original application. If the auditor determines that the information contained in the late application is correct, the auditor shall determine both the amount of the reduction in taxes to which the applicant would have been entitled for the current tax year had the application been timely filed and approved in the preceding year, and the amount the taxes levied under section 4503.06 of the Revised Code for the current year would have been reduced as a result of the reduction. When an applicant is permanently and totally disabled on the first day of January of the year in which the applicant files a late application, the auditor, in making the determination of the amounts of the reduction in taxes under division (A)(3) of this section, is not required to determine that the applicant was permanently and totally disabled on the first day of January of the preceding year.

The amount of the reduction in taxes pursuant to a late application shall be treated as an overpayment of taxes by the applicant. The auditor shall credit the amount of the overpayment against the amount of the taxes or penalties then due from the applicant, and, at the next succeeding settlement, the amount of the credit shall be deducted from the amount of any taxes or penalties distributable to the county or any taxing unit in the county that has received the benefit of the taxes or penalties previously overpaid, in proportion to the benefits previously received. If, after the credit has been made, there remains a balance of the overpayment, or if there are no taxes or penalties due from the applicant, the auditor shall refund that balance to
the applicant by a warrant drawn on the county treasurer in favor
of the applicant. The treasurer shall pay the warrant from the
general fund of the county. If there is insufficient money in the
general fund to make the payment, the treasurer shall pay the
warrant out of any undivided manufactured or mobile home taxes
subsequently received by the treasurer for distribution to the
county or taxing district in the county that received the benefit
of the overpaid taxes, in proportion to the benefits previously
received, and the amount paid from the undivided funds shall be
deducted from the money otherwise distributable to the county or
taxing district in the county at the next or any succeeding
distribution. At the next or any succeeding distribution after
making the refund, the treasurer shall reimburse the general fund
for any payment made from that fund by deducting the amount of
that payment from the money distributable to the county or other
taxing unit in the county that has received the benefit of the
taxes, in proportion to the benefits previously received. On the
second Monday in September of each year, the county auditor shall
certify the total amount of the reductions in taxes made in the
current year under division (A)(3) of this section to the tax
commissioner who shall treat that amount as a reduction in taxes
for the current tax year and shall make reimbursement to the
county of that amount in the manner prescribed in section 4503.068
of the Revised Code, from moneys appropriated for that purpose.

(B)(1) If in any year for which an application for
reduction in taxes has been approved the owner no longer qualifies
for the reduction, the owner shall notify the county auditor that
the owner is not qualified for a reduction in taxes.

(2) If the county auditor or county treasurer discovers that
an owner not entitled to the reduction in manufactured home taxes

Sec. 4926.36. Unless a modification by an electric cooperative is necessary for an electric service that uses smart grid or other technology, a party with a preexisting attachment to a pole is not required to bear any of the costs of rearranging or replacing its attachment if the rearrangement or replacement is necessary because of another party's request for an additional
attachment or a modification of an existing attachment.

Sec. 4926.39. (B) In a case involving a denial of access, the electric cooperative has the burden of establishing, by a preponderance of the evidence, that the denial was lawful, once a prima facie case is established by the complainant.

Sec. 4926.51. In a complaint filed under section 4926.39 of the Revised Code, if an electric cooperative claims that the proposed rate is lower than its incremental costs, the cooperative has the burden of establishing, by a preponderance of the evidence, its incremental costs.

Sec. 4926.54. In a complaint filed under section 4926.39 of the Revised Code, there is a rebuttable presumption that each of the following is just and reasonable:

(A) The time frame to grant or deny access, if it is within the time frame established by the federal communications commission;

(B) The process for make-ready work, if it is in accordance with the process for make-ready work under 47 U.S.C. 224 and the federal communications commission orders and regulations implementing that section;

(C) The charged rate, if the electric cooperative can show that its charged rate does not exceed an annual recurring attachment rate calculated in accordance with the cable pole attachment rate formula in 47 U.S.C. 224(d) and federal communications commission orders and regulations implementing that
Sec. 4926.57. (A) If, pursuant to a complaint filed under section 4926.39 of the Revised Code, a court of common pleas determines that any rate, term, or condition described in the complaint is not just and reasonable, it may do, but is not limited to doing, any of the following:

(1) Terminate the rate, term, or condition and prescribe a just and reasonable rate, term, or condition;

(2) Require entry into a pole attachment agreement on just and reasonable rates, terms, and conditions;

(3) Require access to poles as provided under sections 4926.06 to 4926.36 of the Revised Code;

(4) Substitute in the pole attachment agreement the just and reasonable rate, term, or condition established by the court;

(5) Order a refund or payment, as appropriate.

(B) A refund or payment ordered under this section may not exceed the difference between the actual amount paid under the unjust and unreasonable rate, term, or condition and the amount that would have been paid under the rate, term, or condition established by the court for the period described in the complaint, provided that the period during which refunds or payments are made does not exceed two years.

Sec. 4926.60. A court of common pleas determination resolving a complaint under sections 4926.39 to 4926.57 of the Revised Code shall be issued in the form of a final appealable order.

that maintain a quality rating may be eligible for unrestricted monetary awards.

(E) The tiered ratings developed pursuant to this section shall be based on an early learning and development program's performance in meeting program standards in the following four domains:

1. Learning and development;
2. Administration and leadership practices;
3. Staff quality and professional development;
4. Family and community partnerships.

(F) The director of job and family services, in collaboration with the superintendent of public instruction, shall adopt rules in accordance with Chapter 119. of the Revised Code to implement the step up to quality program described in this section.

(G)(1) The department of job and family services shall ensure that the following percentages of all early learning and development programs that provide publicly funded child care are rated in the third highest tier or above in the step up to quality program:

(a) By June 30, 2017, twenty-five per cent;
(b) By June 30, 2019, forty per cent;
(c) By June 30, 2021, sixty per cent;
(d) By June 30, 2023, eighty per cent;
(e) By June 30, 2025, one hundred per cent.

(2) This division does not apply to early learning and development programs that are either of the following:

(a) Licensed type B family day-care homes;
(b) Providers described in division (C)(2) of section 5104.31

of the Revised Code.

Sec. 5104.34. (A)(1) Each county department of job and family services shall implement procedures for making determinations of eligibility for publicly funded child care. Under those procedures, the eligibility determination for each applicant shall be made no later than thirty calendar days from the date the county department receives a completed application for publicly funded child care. Each applicant shall be notified promptly of the results of the eligibility determination. An applicant aggrieved by a decision or delay in making an eligibility determination may appeal the decision or delay to the department of job and family services in accordance with section 5101.35 of the Revised Code. The due process rights of applicants shall be protected.

To the extent permitted by federal law, the county department may make all determinations of eligibility for publicly funded child care, may contract with child care providers or child care resource and referral service organizations for the providers or resource and referral service organizations to make all or any part of the determinations, and may contract with child care providers or child care resource and referral service organizations to collect specified information for use by the county department in making determinations. If a county department contracts with a child care provider or a child care resource and referral service organization for eligibility determinations or for the collection of information, the contract shall require the provider or resource and referral service organization to make each eligibility determination no later than thirty calendar days from the date the provider or resource and referral organization receives a completed application that is the basis of the determination and to collect and transmit all necessary
information to the county department within a period of time that enables the county department to make each eligibility determination no later than thirty days after the filing of the application that is the basis of the determination.

The county department may station employees of the department in various locations throughout the county to collect information relevant to applications for publicly funded child care and to make eligibility determinations. The county department, child care provider, and child care resource and referral service organization shall make each determination of eligibility for publicly funded child care no later than thirty days after the filing of the application that is the basis of the determination, shall make each determination in accordance with any relevant rules adopted pursuant to section 5104.38 of the Revised Code, and shall notify promptly each applicant for publicly funded child care of the results of the determination of the applicant's eligibility.

The director of job and family services shall adopt rules in accordance with Chapter 119. of the Revised Code for monitoring the eligibility determination process. In accordance with those rules, the state department shall monitor eligibility determinations made by county departments of job and family services and shall direct any entity that is not in compliance with this division or any rule adopted under this division to implement corrective action specified by the department.

(2)(a) All eligibility determinations for publicly funded child care shall be made in accordance with rules adopted pursuant to division (A) of section 5104.38 of the Revised Code. Except as otherwise provided in this section, both all of the following apply:

(i) Publicly funded child care may be provided only to eligible infants, toddlers, preschool-age children, school-age...
children under age thirteen, or children receiving special needs child care.

(ii) For an applicant to be eligible for publicly funded child care, the caretaker parent must be employed or participating in a program of education or training for an amount of time reasonably related to the time that the parent's children are receiving publicly funded child care. This restriction does not apply to families whose children are eligible for protective child care.

(iii) The eligibility period for publicly funded child care shall be at least twelve months.

(b) In accordance with rules adopted under division (B) of section 5104.38 of the Revised Code, an applicant may receive publicly funded child care while the county department determines eligibility. An applicant may receive publicly funded child care while a county department determines eligibility only once during a twelve-month period. If the county department determines that an applicant is not eligible for publicly funded child care, the child care provider shall be paid for providing publicly funded child care for up to five days after that determination if the county department received a completed application with all required documentation. A program may appeal a denial of payment under this division.

(c) If a caretaker parent who has been determined eligible to receive publicly funded child care no longer meets the requirements of division (A)(2)(a)(ii) of this section, the caretaker parent may continue to receive publicly funded child care for a period of up to thirteen weeks at least three months not to extend beyond the caretaker parent's twelve-month eligibility period.

(d) If a child turns thirteen, or if a child receiving
special needs child care turns eighteen, during the twelve-month eligibility period, the caretaker parent may continue to receive publicly funded child care until the end of that twelve-month eligibility period.

Subject to available funds, the department of job and family services shall allow a family to receive publicly funded child care unless the family's income exceeds the maximum income eligibility limit. Initial and continued eligibility for publicly funded child care is subject to available funds unless the family is receiving child care pursuant to division (A)(1), (2), (3), or (4) of section 5104.30 of the Revised Code. If the department must limit eligibility due to lack of available funds, it shall give first priority for publicly funded child care to an assistance group whose income is not more than the maximum income eligibility limit that received transitional child care in the previous month but is no longer eligible because the twelve-month eligibility period has expired. Such an assistance group shall continue to receive priority for publicly funded child care until its income exceeds the maximum income eligibility limit.

(3) An assistance group that ceases to participate in the Ohio works first program established under Chapter 5107. of the Revised Code is eligible for transitional child care at any time during the immediately following twelve-month period that both of the following apply:

(a) The assistance group requires child care due to employment;

(b) The assistance group's income is not more than one hundred fifty per cent of the federal poverty line.

An assistance group ineligible to participate in the Ohio works first program pursuant to section 5101.83 or section 5107.16 of the Revised Code is not eligible for transitional child care.
(B) To the extent permitted by federal law, the department of job and family services may require a caretaker parent determined to be eligible for publicly funded child care to pay a fee according to the schedule of fees established in rules adopted under section 5104.38 of the Revised Code. The department shall make protective child care services and homeless child care services available to children without regard to the income or assets of the caretaker parent of the child.

(C) A caretaker parent receiving publicly funded child care shall report to the entity that determined eligibility any changes in status with respect to employment or participation in a program of education or training not later than ten calendar days after the change occurs.

(D) If the department of job and family services determines that available resources are not sufficient to provide publicly funded child care to all eligible families who request it, the department may establish a waiting list. The department may establish separate waiting lists within the waiting list based on income.

(E) A caretaker parent shall not receive publicly funded child care from more than one child care provider per child during a week, unless a county department grants the family an exemption for one of the following reasons:

1. The child needs additional care during non-traditional hours;

2. The child needs to change providers in the middle of the week and the hours of care provided by the providers do not overlap;

3. The child's provider is closed on scheduled school days off or on calamity days;

4. The child is enrolled in a part-time program.
participating in the tiered quality rating and improvement system established under section 5104.29 of the Revised Code and needs care from an additional part-time provider.

(F) As used in this section, "maximum income eligibility limit" means the amount of income specified in rules adopted under division (A) of section 5104.38 of the Revised Code.

Sec. 5107.10. (A) As used in this section:

(1) "Countable income," "gross earned income," and "gross unearned income" have the meanings established in rules adopted under section 5107.05 of the Revised Code.

(2) "Federal poverty guidelines" has the same meaning as in section 5101.46 of the Revised Code, except that references to a person's family in the definition shall be deemed to be references to the person's assistance group.

(3) "Gross income" means gross earned income and gross unearned income.

(4) "Strike" means continuous concerted action in failing to report to duty; willful absence from one's position; or stoppage of work in whole from the full, faithful, and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in wages, hours, terms, and other conditions of employment. "Strike" does not include a stoppage of work by employees in good faith because of dangerous or unhealthful working conditions at the place of employment that are abnormal to the place of employment.

(B) Under the Ohio works first program, an assistance group shall receive, except as otherwise provided by this chapter, time-limited cash assistance. In the case of an assistance group that includes a minor head of household or adult, assistance shall be provided in accordance with the self-sufficiency contract.
entered into under section 5107.14 of the Revised Code.

(C)(1) To be eligible to participate in Ohio works first, an assistance group must meet all of the following requirements:

(a) The assistance group, except as provided in division (E) of this section, must include at least one of the following:

(i) A minor child who, except as provided in section 5107.24 of the Revised Code, resides with a parent, or specified relative caring for the child, or, to the extent permitted by Title IV-A and federal regulations adopted until Title IV-A, resides with a guardian or custodian caring for the child;

(ii) A parent residing with and caring for the parent's minor child who receives supplemental security income under Title XVI of the "Social Security Act," 86 Stat. 1475 (1972), 42 U.S.C.A. 1383, as amended, or federal, state, or local adoption assistance;

(iii) A specified relative residing with and caring for a minor child who is related to the specified relative in a manner that makes the specified relative a specified relative and receives supplemental security income or federal, state, or local foster care, kinship guardianship, or adoption assistance;

(iv) A woman at least six months pregnant.

(b) The assistance group must meet the income requirements established by division (D) of this section.

(c) No member of the assistance group may be involved in a strike.

(d) The assistance group must satisfy the requirements for Ohio works first established by this chapter and section 5101.83 of the Revised Code.

(e) The assistance group must meet requirements for Ohio works first established by rules adopted under section 5107.05 of the Revised Code.
(2) In addition to meeting the requirements specified in division (C)(1) of this section, a member of an assistance group who is required by section 5116.10 of the Revised Code to participate in the comprehensive case management and employment program must participate in that program to be eligible to participate in Ohio works first.

(D)(1) Except as provided in division (D)(4) of this section, to determine whether an assistance group is initially eligible to participate in Ohio works first, a county department of job and family services shall do the following:

(a) Determine whether the assistance group's gross income exceeds fifty per cent of the federal poverty guidelines. In making this determination, the county department shall disregard amounts that federal statutes or regulations and sections 5101.17 and 5117.10 of the Revised Code require be disregarded. The assistance group is ineligible to participate in Ohio works first if the assistance group's gross income, less the amounts disregarded, exceeds fifty per cent of the federal poverty guidelines.

(b) If the assistance group's gross income, less the amounts disregarded pursuant to division (D)(1)(a) of this section, does not exceed fifty per cent of the federal poverty guidelines, determine whether the assistance group's countable income is less than the payment standard. The assistance group is ineligible to participate in Ohio works first if the assistance group's countable income equals or exceeds the payment standard.

(2) For the purpose of determining whether an assistance group meets the income requirement established by division (D)(1)(a) of this section, the annual revision that the United States department of health and human services makes to the federal poverty guidelines shall go into effect on the first day of July of the year for which the revision is made.
To determine whether an assistance group participating in Ohio works first continues to be eligible to participate, a county department of job and family services shall determine whether the assistance group's countable income continues to be less than the payment standard. In making this determination, the county department shall disregard an amount specified in rules adopted under section 5107.05 of the Revised Code and fifty per cent of the remainder of the assistance group's gross earned income. No amounts shall be disregarded from the assistance group's gross unearned income. The assistance group ceases to be eligible to participate in Ohio works first if its countable income, less the amounts disregarded, equals or exceeds the payment standard.

If an assistance group reapplies to participate in Ohio works first not more than four months after ceasing to participate, a county department of job and family services shall use the income requirement established by division (D)(3) of this section to determine eligibility for resumed participation rather than the income requirement established by division (D)(1) of this section.

An assistance group may continue to participate in Ohio works first even though a public children services agency removes the assistance group's minor children from the assistance group's home due to abuse, neglect, or dependency if the agency does both of the following:

(a) Notifies the county department of job and family services at the time the agency removes the children that it believes the children will be able to return to the assistance group within six months;

(b) Informs the county department at the end of each of the first five months after the agency removes the children that the parent, guardian, custodian, or specified relative of the children is cooperating with the case plans prepared for the children under
section 2151.412 of the Revised Code and that the agency is making reasonable efforts to return the children to the assistance group.

(2) An assistance group may continue to participate in Ohio works first pursuant to division (E)(1) of this section for not more than six payment months. This division does not affect the eligibility of an assistance group that includes a woman at least six months pregnant.

Withdrawal management or detoxification occurs when the patient has a substance use disorder and either evidence of the characteristic withdrawal syndrome produced by withdrawal from that substance or evidence that supports the expectation that such a syndrome would develop without the provision of detoxification services. Withdrawal management alone does not constitute substance abuse treatment or rehabilitation.

(B) There is hereby created a reimbursement program for drugs used in medication-assisted treatment or in withdrawal management or detoxification. The program shall be administered by the department of mental health and addiction services. The purpose of the program is to provide state reimbursement to counties for the cost of any drug used in medication-assisted treatment or in withdrawal management or detoxification and administered or dispensed to inmates of county jails in this state. Each county shall ensure that inmates have access to any drug used in medication-assisted treatment or in withdrawal management or detoxification that is a prescribed drug covered by the fee-for-service component of the medicaid program.

The department, based on factors it considers appropriate, shall allocate an amount to each county for reimbursement of such drug costs incurred by the county.

A person, described in this division, who refuses to allow disclosure may be considered in violation of the conditions of the person's community control sanction, post-release control sanction, parole, or intervention order to rehabilitation.

(D) Disclosure In accordance with 42 C.F.R. 2.52 and 2.53, disclosure of a person's record may be made without the person's consent to qualified personnel for the purpose of conducting scientific research, management, financial audits, or program evaluation, but these personnel may not identify, directly or indirectly, any individual particular person in any report of the research, audit, or evaluation, or otherwise disclose a person's identity in any manner.

Sec. 5119.33. (A)(1) The department of mental health and addiction services shall inspect and license all hospitals that receive mentally ill persons, except those hospitals managed by the department. No hospital may receive for care or treatment,
either at public or private expense, any person who is or appears to be mentally ill, whether or not so adjudicated, unless the hospital has received a license from the department authorizing it to receive for care or treatment persons who are mentally ill or the hospital is managed by the department.

(2) No such license shall be granted to a hospital for the treatment of mentally ill persons unless the department is satisfied, after investigation, that the hospital is managed and operated by qualified persons and has on its staff one or more qualified physicians responsible for the medical care of the patients confined there. At least one such physician shall be a psychiatrist.

(B) The department shall adopt rules under Chapter 119. of the Revised Code prescribing minimum standards for the operation of hospitals for the care and treatment of mentally ill persons and establishing standards and procedures for the issuance, renewal, or revocation of full, probationary, and interim licenses. A full license shall expire one year after the date of issuance, a probationary license shall expire at the time prescribed by rule adopted pursuant to Chapter 119. of the Revised Code by the director of mental health and addiction services, and an interim license shall expire ninety days after the date of issuance. A full, probationary, or interim license may be renewed, except that an interim license may be renewed only twice. The department may fix reasonable fees for licenses and for license renewals. Such hospitals are subject to inspection and on-site review by the department.

(C) Except as otherwise provided in Chapter 5122. of the Revised Code, neither the director of mental health and addiction
services; an employee of the department; a board of alcohol, drug
addiction, and mental health services or employee of a community
mental health services provider; nor any other public official
shall hospitalize any mentally ill person for care or treatment in
any hospital that is not licensed in accordance with this section.

(D)(1) The department may issue an order suspending the
admission of patients who are mentally ill to a hospital for care
or treatment if it finds either of the following:

(1) (a) The hospital is not in compliance with rules adopted
by the director pursuant to this section.

(2) (b) The hospital has been cited for more than one
violation of statutes or rules during any previous period of time
during which the hospital is licensed pursuant to this section.

(2) (a) Except as provided in division (D)(2)(b) of this
section, proceedings initiated to suspend the admission of
patients are governed by Chapter 119. of the Revised Code.

(b) If a suspension of admissions is proposed because the
director has determined that the licensee has demonstrated a
pattern of serious noncompliance or that a violation creates a
substantial risk to the health and safety of patients, the
director may issue an order imposing the suspension of admissions
before providing an opportunity for an adjudication under Chapter
119. of the Revised Code. The director shall lift the order for
the suspension of admissions if the director determines that the
violation that formed the basis for the order has been corrected.

(3) Appeals from proceedings initiated to order the
suspension of admissions shall be conducted in accordance with
Chapter 119. of the Revised Code, unless the order was issued
before providing an opportunity for an adjudication, in which case
all of the following apply:

(a) The licensee may request a hearing not later than ten
days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the licensee and the director.

(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations with the department not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) The hearing examiner shall send a written copy of the report and recommendations, by certified mail, to the licensee, or the licensee's attorney, if applicable, not later than five days after the report is filed with the department.

(f) Not later than five days after receiving the report and recommendations, the licensee may file objections with the department.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the department shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the
department shall lift the order for the suspension of admissions if the department determines the violation that formed the basis for the order has been corrected.

(E)(1) Any license issued by the department under this section may be revoked or not renewed by the department for any of the following reasons:

(a) The hospital is no longer a suitable place for the care or treatment of mentally ill persons.

(b) The hospital refuses to be subject to inspection or on-site review by the department.

(c) The hospital has failed to furnish humane, kind, and adequate treatment and care.

(d) The hospital fails to comply with the licensure rules of the department.

(2) Proceedings initiated to deny applications for full or probationary licenses, to refuse to renew full or probationary licenses, or to revoke full or probationary licenses are governed by Chapter 119. of the Revised Code. If an order has been issued suspending the admission of patients, the order remains in effect during the pendency of those proceedings.

(F)(1) In a proceeding initiated to suspend the admission of patients, to deny an application for a full or probationary license, to refuse to renew a full or probationary license, or to revoke a full or probationary license, the department may order the suspension, denial, refusal, or revocation regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(2) When the department issues an order suspending the admission of patients, denies an application for a full or probationary license, refuses to renew a full or probationary
license, or revokes a full or probationary license, the department shall not grant an opportunity for submitting a plan of correction.

(G) The department may inspect, conduct an on-site review, and review the records of any hospital that the department has reason to believe is operating without a license.

(D) Except in the case of a residential facility described in division (B)(1)(a) of this section, members of the staff of a residential facility shall not administer medication to the facility's residents, but may do any of the following:
(1) Remind a resident when to take medication and watch to ensure that the resident follows the directions on the container;

(2) Assist a resident in the self-administration of medication by taking the medication from the locked area where it is stored, in accordance with rules adopted pursuant to this section, and handing it to the resident. If the resident is physically unable to open the container, a staff member may open the container for the resident.

(3) Assist a physically impaired but mentally alert resident, such as a resident with arthritis, cerebral palsy, or Parkinson's disease, in removing oral or topical medication from containers and in consuming or applying the medication, upon request by or with the consent of the resident. If a resident is physically unable to place a dose of medicine to the resident's mouth without spilling it, a staff member may place the dose in a container and place the container to the mouth of the resident.

(E)(1) Except as provided in division (E)(2) of this section, a person operating or seeking to operate a residential facility shall apply for licensure of the facility to the department of mental health and addiction services. The application shall be submitted by the operator. When applying for the license, the applicant shall pay to the department the application fee specified in rules adopted under division (L)(N) of this section. The fee is nonrefundable.

The department shall send a copy of an application to the ADAMHS board serving the county in which the person operates or seeks to operate the facility. The ADAMHS board shall review the application and provide to the department any information about the applicant or the facility that the board would like the department to consider in reviewing the application.

(2) A person may not apply for a license to operate a
residential facility if the person is or has been the owner, operator, or manager of a residential facility for which a license to operate was revoked or for which renewal of a license was refused for any reason other than nonpayment of the license renewal fee, unless both of the following conditions are met:

(a) A period of not less than two years has elapsed since the date the director of mental health and addiction services issued the order revoking or refusing to renew the facility's license.

(b) The director's revocation or refusal to renew the license was not based on an act or omission at the facility that violated a resident's right to be free from abuse, neglect, or exploitation.

(F)(1) The department of mental health and addiction services shall inspect and license the operation of residential facilities. The department shall consider the past record of the facility and the applicant or licensee in arriving at its licensure decision.

The department may issue full, probationary, and interim licenses. A full license shall expire up to three years after the date of issuance, a probationary license shall expire in a shorter period of time as specified in rules adopted by the director of mental health and addiction services under division (N) of this section, and an interim license shall expire ninety days after the date of issuance. A license may be renewed in accordance with rules adopted by the director under division (N) of this section. The renewal application shall be submitted by the operator. When applying for renewal of a license, the applicant shall pay to the department the renewal fee specified in rules adopted under division (N) of this section. The fee is nonrefundable.

(b) Any facility operated by the applicant or licensee has been cited for a pattern of serious noncompliance or repeated violations of statutes or rules during the period of current or previous licenses;

(c) The applicant or licensee submits false or misleading information as part of a license application, renewal, or investigation.

(2) Proceedings initiated to deny applications for full or probationary licenses, to refuse to renew full or probationary licenses, or to revoke such full or probationary licenses are governed by Chapter 119. of the Revised Code. An order has been issued pursuant to this division suspending the admission of residents to the facility, the order remains in effect during the pendency of those proceedings.

Proceedings initiated to suspend the admission of residents to a facility are governed by Chapter 119. of the Revised Code, except as provided in division (H) of this section.

(3) In a proceeding initiated to suspend the admission of residents to a facility, to deny an application for a full or probationary license, to refuse to renew a full or probationary license, or to revoke a full or probationary license, the department may order the suspension, denial, refusal, or revocation regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.
(4) When the department issues an order suspending the admission of residents to a facility, denies an application for a full or probationary license, refuses to renew a full or probationary license, or revokes a full or probationary license, the department shall not grant an opportunity for submitting a plan of correction.

(H)(1) If a suspension of admissions of residents to a facility is proposed because the director has determined that the licensee has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of residents, the director may issue an order imposing the suspension of admissions before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the licensee and the director.
(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations with the department not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) The hearing examiner shall send a written copy of the report and recommendations, by certified mail, to the licensee, or the licensee's attorney, if applicable, not later than five days after the report is filed with the department.

(f) Not later than five days after receiving the report and recommendations, the licensee may file objections with the department.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the department shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the department shall lift the order for the suspension of admissions if the department determines the violation that formed the basis for the order has been corrected.

(G) (I) The department may issue an interim license to operate a residential facility if both of the following conditions are met:

(1) The department determines that the closing of or the need to remove residents from another residential facility has created an emergency situation requiring immediate removal of residents
and an insufficient number of licensed beds are available.

(2) The residential facility applying for an interim license meets standards established for interim licenses in rules adopted by the director under division (L)(N) of this section.

An interim license shall be valid for ninety days and may be renewed by the director no more than twice. Proceedings initiated to deny applications for or to revoke interim licenses under this division are not subject to Chapter 119. of the Revised Code.

(J)(1) The department of mental health and addiction services may conduct an inspection of a residential facility as follows:

(a) Prior to issuance of a license for the facility;

(b) Prior to renewal of the license;

(c) To determine whether the facility has completed a plan of correction required pursuant to division (H)(2)(J)(2) of this section and corrected deficiencies to the satisfaction of the department and in compliance with this section and rules adopted pursuant to it;

(d) Upon complaint by any individual or agency;

(e) At any time the director considers an inspection to be necessary in order to determine whether the facility is in compliance with this section and rules adopted pursuant to this section.

(2) In conducting inspections the department may conduct an on-site examination and evaluation of the residential facility and its personnel, activities, and services. The department shall have access to examine and copy all records, accounts, and any other documents relating to the operation of the residential facility, including records pertaining to residents, and shall have access to the facility in order to conduct interviews with the operator,
staff, and residents. Following each inspection and review, the
department shall complete a report listing any deficiencies, and
including, when appropriate, a time table within which the
operator shall correct the deficiencies. The department may
require the operator to submit a plan of correction describing how
the deficiencies will be corrected.

(K) No person shall do any of the following:

1. Operate a residential facility unless the facility holds
a valid license;

2. Violate any of the conditions of licensure after having
been granted a license;

3. Interfere with a state or local official's inspection or
investigation of a residential facility;

4. Violate any of the provisions of this section or any
rules adopted pursuant to this section.

(L) The following may enter a residential facility at any
time:

1. Employees designated by the director of mental health and
addiction services;

2. Employees of an ADAMHS board under either of the
following circumstances:

   a. When a resident of the facility is receiving services
      from a community mental health services provider under contract
      with that ADAMHS board or another ADAMHS board;

   b. When authorized by section 340.05 of the Revised Code.

3. Employees of a community mental health services provider
under either of the following circumstances:

   a. When the provider has a person receiving services
      residing in the facility;
(b) When the provider is acting as an agent of an ADAMHS board other than the board with which it is under contract.

(4) Representatives of the state long-term care ombudsman program when the facility provides accommodations, supervision, and personal care services for three to sixteen unrelated adults or to one or two unrelated adults who are receiving payments under the residential state supplement program.

The persons specified in division (J) of this section shall be afforded access to examine and copy all records, accounts, and any other documents relating to the operation of the residential facility, including records pertaining to residents.

(M) Employees of the department of mental health and addiction services may enter, for the purpose of investigation, any institution, residence, facility, or other structure which has been reported to the department as, or that the department has reasonable cause to believe is, operating as a residential facility without a valid license.

(N) The director shall adopt and may amend and rescind rules pursuant to Chapter 119. of the Revised Code governing the licensing and operation of residential facilities. The rules shall establish all of the following:

(1) Minimum standards for the health, safety, adequacy, and cultural competency of treatment of and services for persons in residential facilities;

(10) The rights of residents of residential facilities and procedures to protect such rights;

(11) Standards and procedures under which the director may waive the requirements of any of the rules adopted.

(O)(1) The department may withhold the source of any complaint reported as a violation of this section when the department determines that disclosure could be detrimental to the department's purposes or could jeopardize the investigation. The department may disclose the source of any complaint if the complainant agrees in writing to such disclosure and shall disclose the source upon order by a court of competent jurisdiction.

(2) Any person who makes a complaint under division (O)(1) of this section, or any person who participates in an administrative or judicial proceeding resulting from such a
complaint, is immune from civil liability and is not subject to
criminal prosecution, other than for perjury, unless the person
has acted in bad faith or with malicious purpose.

(N)(1) The director of mental health and addiction
services may petition the court of common pleas of the county in
which a residential facility is located for an order enjoining any
person from operating a residential facility without a license or
from operating a licensed facility when, in the director's
judgment, there is a present danger to the health or safety of any
of the occupants of the facility. The court shall have
jurisdiction to grant such injunctive relief upon a showing that
the respondent named in the petition is operating a facility
without a license or there is a present danger to the health or
safety of any residents of the facility.

(2) When the court grants injunctive relief in the case of a
facility operating without a license, the court shall issue, at a
minimum, an order enjoining the facility from admitting new
residents to the facility and an order requiring the facility to
assist with the safe and orderly relocation of the facility's
residents.

(3) If injunctive relief is granted against a facility for
operating without a license and the facility continues to operate
without a license, the director shall refer the case to the
attorney general for further action.

(O) The director may fine a person for violating division
(K) of this section. The fine shall be five hundred dollars for
a first offense; for each subsequent offense, the fine shall be
one thousand dollars. The director's actions in imposing a fine
shall be taken in accordance with Chapter 119. of the Revised
Code.

Sec. 5119.36. (A) A community mental health services provider
applicant or community addiction services provider applicant that
seeks certification of its certifiable services and supports shall
submit an application to the director of mental health and
addiction services. On receipt of the application, the director
may conduct an on-site review and shall evaluate the applicant to
determine whether its certifiable services and supports satisfy
the standards established by rules adopted under this section. The
director shall make the evaluation, and, if the director conducts
an on-site review of the applicant, may make the review, in
cooporation with a board of alcohol, drug addiction, and mental
health services that seeks to contract with the applicant under
section 340.036 of the Revised Code.

(B) Subject to section 5119.361 of the Revised Code, the
director shall determine whether the certifiable services and
supports of a community mental health services provider applicant
or community addiction services provider applicant satisfy the
standards for certification. If the director determines that an
applicant's certifiable services and supports satisfy the
standards for certification and the applicant has paid the fee
required by this section, the director shall certify the
certifiable services and supports.

No community mental health services provider shall be
eligible to receive for its certifiable services and supports any
state funds, federal funds, or funds administered by a board of
alcohol, drug addiction, and mental health services, unless those
certifiable services and supports have been certified by the
director.

No person or government entity subject to section 5119.35 of
the Revised Code or any other community addiction services
provider shall be eligible to receive for its services described
in that section or its other certifiable services and supports any
state funds, federal funds, or funds administered by a board of 
 alcohol, drug addiction, and mental health services, unless those 
services or other certifiable services and supports have been 
certified by the director.

(C) The director may refuse to certify certifiable services 
and supports, refuse to renew certification, or revoke 
certification if any of the following apply to an applicant for 
certification or the holder of the certification:

(1) The applicant or holder is not in compliance with rules 
adopted under this section.

(2) The applicant or holder has been cited for a pattern of 
serious noncompliance or repeated violations of statutes or rules 
during the current certification period or any previous 
certification period.

(3) The applicant or holder submits false or misleading 
information as part of a certification application, renewal, or 
investigation.

(D) Proceedings initiated to deny applications to certify 
certifiable services and supports, to refuse to renew 
certification, or to revoke certification are governed by Chapter 
119. of the Revised Code. If an order has been issued suspending 
admissions to a community addiction services provider that 
provides overnight accommodations, as provided in division (H) of 
this section, the order remains in effect during the pendency of 
those proceedings.

(E) If the director determines that a community mental health 
services provider applicant's or a community addiction services 
provider applicant's certifiable services and supports do not 
satisfy the standards for certification, the director shall 
identify the areas of noncompliance, specify what action is 
necessary to satisfy the standards, and may offer technical
assistance to the applicant and to a board of alcohol, drug
addiction, and mental health services so that the board may assist
the applicant in satisfying the standards. The director shall give
the applicant a reasonable time within which to demonstrate that
its certifiable services and supports satisfy the standards or to
bring them into compliance with the standards. If the director
concludes that the certifiable services and supports continue to
fail to satisfy the standards, the director may request that the
appropriate board of alcohol, drug addiction, and mental health
services reallocate any funds for the certifiable services and
supports the applicant was to provide to another community mental
health services provider or community addiction services provider
whose certifiable services and supports satisfy the standards. If
the board does not reallocate such funds in a reasonable period of
time, the director may withhold state and federal funds for the
certifiable services and supports and allocate those funds
directly to a community mental health services provider or
community addiction services provider whose certifiable services
and supports satisfy the standards.

(D) (F) Each community mental health services provider
applicant or community addiction services provider applicant
seeking certification of its certifiable services and supports
under this section shall pay a fee for the certification required
by this section, unless the applicant is exempt under rules
adopted under this section. Fees shall be paid into the state
treasury to the credit of the sale of goods and services fund
created pursuant to section 5119.45 of the Revised Code.

(E) (G) The director shall adopt rules in accordance with
Chapter 119. of the Revised Code to implement this section. The
rules shall do all of the following:

(1) Subject to section 340.034 of the Revised Code, specify
the types of recovery supports that are required to be certified
(2) Establish certification standards for certifiable services and supports that are consistent with nationally recognized applicable standards and facilitate participation in federal assistance programs. The rules shall include as certification standards only requirements that improve the quality of certifiable services and supports or the health and safety of persons receiving certifiable services and supports. The standards shall address at a minimum all of the following:

(a) Reporting major unusual incidents to the director;

(b) Procedures for applicants for and persons receiving certifiable services and supports to file grievances and complaints;

(c) Seclusion;

(d) Restraint;

(e) Requirements regarding the physical facilities in which certifiable services and supports are provided;

(f) Requirements with regard to health, safety, adequacy, and cultural specificity and sensitivity;

(g) Standards for evaluating certifiable services and supports;

(h) Standards and procedures for granting full, probationary, and interim certification of the certifiable services and supports of a community mental health services provider applicant or community addiction services provider applicant;

(j) The limitations to be placed on a provider whose certifiable services and supports are granted probationary or interim certification;

(k) Development of written policies addressing the rights of persons receiving certifiable services and supports, including all of the following:

(i) The right to a copy of the written policies addressing the rights of persons receiving certifiable services and supports;

(ii) The right at all times to be treated with consideration and respect for the person's privacy and dignity;

(iii) The right to have access to the person's own psychiatric, medical, or other treatment records unless access is specifically restricted in the person's treatment plan for clear treatment reasons;

(iv) The right to have a client rights officer provided by the provider or board of alcohol, drug addiction, and mental health services advise the person of the person's rights, including the person's rights under Chapter 5122. of the Revised Code if the person is committed to the provider or board.

(3) Establish the process for certification of certifiable services and supports;

(4) Set the amount of certification review fees;

(5) Specify the type of notice and hearing to be provided prior to a decision on whether to reallocate funds.

(F)(H)(1) The director may issue an order suspending admissions to a community addiction services provider that provides overnight accommodations if the director finds either of the following:

(a) The provider's certifiable services and supports are not in compliance with rules adopted under this section;
(2)(b) The provider has been cited for more than one violation of statutes or rules during any previous certification period of the provider.

(2)(a) Except as provided in division (H)(2)(b) of this section, proceedings initiated to suspend admissions to a community addiction services provider that provides overnight accommodations are governed by Chapter 119. of the Revised Code.

(b) If a suspension of admissions is proposed because the director has determined that the provider has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of patients, the director may issue an order suspending admissions before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected.

(3) Appeals from proceedings initiated to order the suspension of admissions shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The provider may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the provider's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the provider and the director.
(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations with the department not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) The hearing examiner shall send a written copy of the report and recommendations, by certified mail, to the provider, or the provider's attorney, if applicable, not later than five days after the report is filed with the department.

(f) Not later than five days after receiving the report and recommendations, the provider may file objections with the department.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the department shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the department shall lift the order for the suspension of admissions if the department determines the violation that formed the basis for the order has been corrected.

(G)(I)(1) In a proceeding initiated to suspend admissions to a community addiction services provider that provides overnight accommodations, to deny an application for certification of certifiable services and supports, to refuse to renew certification, or to revoke certification, the department may order the suspension, denial, refusal, or revocation regardless of
whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(2) When the department issues an order suspending admissions to a community addiction services provider that provides overnight accommodations, denies an application for certification of certifiable services and supports, refuses to renew certification, or revokes a certification, the department shall not grant an opportunity for submitting a plan of correction.

(J) The department of mental health and addiction services shall maintain a current list of community addiction services providers and shall provide a copy of the list to a judge of a court of common pleas who requests a copy for the use of the judge under division (H) of section 2925.03 of the Revised Code. The list shall identify each provider by its name, its address, and the county in which it is located.

(K) No person shall represent in any manner that a community mental health services provider's or community addiction services provider's certifiable services and supports are certified by the director if the certifiable services and supports are not so certified at the time the representation is made.

Sec. 5119.37. (A)(1)(a) Except as provided in division (A)(1)(b) of this section, no person or government entity shall operate an opioid treatment program requiring certification, as certification is defined in 42 C.F.R. 8.2, unless the person or government entity is a community addiction services provider and the program is licensed under this section.

(b) Division (A)(1)(a) of this section does not apply to a program operated by the United States department of veterans affairs.

(2) No community addiction services provider licensed under...
this section shall operate an opioid treatment program in a manner
inconsistent with this section and the rules adopted under it.

(B) A community addiction services provider seeking a license
to operate an opioid treatment program shall apply to the
department of mental health and addiction services. The department
shall review all applications received.

(C) The department may issue a license to operate an opioid
treatment program to a community addiction services provider only
if all of the following apply:

(1) During the three-year period immediately preceding the
date of application, the provider or any owner, sponsor, medical
director, administrator, or principal of the provider has been in
good standing to operate an opioid treatment program in all other

of the license, certificate, or similar approval of the provider
or other person;

(ii) A voluntary relinquishment, withdrawal, or other action
taken by the provider or other person to avoid suspension or
revocation of the license, certificate, or similar approval;

(iii) A disciplinary action that was based, in whole or in
part, on the provider or other person engaging in the
inappropriate prescribing, dispensing, administering, personally

furnishing, diverting, storing, supplying, compounding, or selling
of a controlled substance or other dangerous drug.

(2) It affirmatively appears to the department that the
provider is adequately staffed and equipped to operate an opioid
treatment program.

(3) It affirmatively appears to the department that the
provider will operate an opioid treatment program in strict
compliance with all laws relating to drug abuse and the rules
adopted by the department.

(4) Except as provided in division (D) of this section and

is within a radius of five hundred linear feet of the boundaries
of a parcel of real estate having situated on it a public or
private school, child day-care center licensed under Chapter 5104.
of the Revised Code, or child-serving agency regulated by the
department under this chapter.

(5) The provider meets any additional requirements
established by the department in rules adopted under division (F)
of this section.

(D) The department may waive the requirement of division
(C)(4) of this section if it receives, from each public or private
school, child day-care center, or child-serving agency that is
within the five hundred linear feet radius described in that
division, a letter of support for the location. The department
shall determine whether a letter of support is satisfactory for
purposes of waiving the requirement.

(E) A license to operate an opioid treatment program shall
expire one year two years from the date of issuance. Licenses may
be renewed.
(F) The department shall establish procedures and adopt rules for licensing, inspection, and supervision of community addiction services providers that operate an opioid treatment program. The rules shall establish standards for the control, storage, furnishing, use, dispensing, and administering of medications used in medication-assisted treatment; prescribe minimum standards for the operation of the opioid treatment program component of the provider's operations; and comply with federal laws and regulations.

All rules adopted under this division shall be adopted in accordance with Chapter 119. of the Revised Code. All actions taken by the department regarding the licensing of providers to operate opioid treatment programs shall be conducted in accordance with Chapter 119. of the Revised Code, except as provided in division (L) of this section.

(G)(1) The department shall inspect all community addiction services providers licensed to operate an opioid treatment program. Inspections shall be conducted at least annually biennially and may be conducted more frequently.

In addition, the department may inspect any provider or other person that it reasonably believes to be operating an opioid treatment program without a license issued under this section.

(2) When conducting an inspection, the department may do both of the following:

(a) Examine and copy all records, accounts, and other documents relating to the provider's or other person's operations, including records pertaining to patients or clients;

(b) Conduct interviews with any individual employed by or contracted or otherwise associated with the provider or person, including an administrator, staff person, patient, or client.

(3) No person or government entity shall interfere with a
state or local government official acting on behalf of the department while conducting an inspection.

community addiction services provider.

(J) The department may issue orders to ensure compliance with all laws relating to drug abuse and the rules adopted under this section. Subject to section 5119.27 of the Revised Code, the department may hold hearings, require the production of relevant matter, compel testimony, issue subpoenas, and make adjudications. Upon failure of a person without lawful excuse to obey a subpoena or to produce relevant matter, the department may apply to a court of common pleas for an order compelling compliance.

(K) The department may refuse to issue, or may withdraw or revoke, a license to operate an opioid treatment program. A license may be refused if a community addiction services provider does not meet the requirements of division (C) of this section. A license may be withdrawn at any time the department determines that the provider no longer meets the requirements for receiving the license. A license may be revoked in accordance with division (L) of this section.

Once a license is issued under this section, the department shall not consider the requirement of division (C)(4) of this section in determining whether to renew, withdraw, or revoke the license or whether to reissue the license as a result of a change in ownership.

(L) If the department finds reasonable cause to believe that a community addiction services provider licensed under this section is in violation of any state or federal law or rule relating to drug abuse, the department may issue an order immediately revoking the license, subject to division (M) of this section. The department shall set a date not more than fifteen days later than the date of the order of revocation for a hearing on the continuation or cancellation of the revocation. For good cause, the department may continue the hearing on application of any interested party. In conducting hearings, the department has
all the authority and power set forth in division (J) of this section. Following the hearing, the department shall either confirm or cancel the revocation. The hearing shall be conducted in accordance with Chapter 119. of the Revised Code, except that the provider shall not be permitted to operate an opioid treatment program pending the hearing or pending any appeal from an adjudication made as a result of the hearing. Notwithstanding any provision of Chapter 119. of the Revised Code to the contrary, a court shall not stay or suspend any order of revocation issued by the department under this division pending judicial appeal.

(M) The department shall not revoke a license to operate an opioid treatment program unless all clients receiving medication used in medication-assisted treatment from the community addiction services provider are provided adequate substitute medication or treatment. For purposes of this division, the department may transfer the clients to other providers licensed to operate opioid treatment programs or replace any or all of the administrators and staff of the provider with representatives of the department who shall continue on a provisional basis the opioid treatment component of the provider's operations.

(N) Each time the department receives an application from a community addiction services provider for a license to operate an opioid treatment program, issues or refuses to issue a license, or withdraws or revokes a license, the department shall notify the board of alcohol, drug addiction, and mental health services of each alcohol, drug addiction, and mental health service district in which the provider operates.

(O) Whenever it appears to the department from files, upon complaint, or otherwise, that a community addiction services provider has engaged in any practice declared to be illegal or prohibited by section 3719.61 of the Revised Code, or any other state or federal laws or regulations relating to drug abuse, or
when the department believes it to be in the best interest of the public and necessary for the protection of the citizens of the state, the department may request criminal proceedings by laying before the prosecuting attorney of the proper county any evidence of criminality which may come to its knowledge.

(P) The department shall maintain a current list of community addiction services providers licensed by the department under this section and shall provide a copy of the current list to a judge of a court of common pleas who requests a copy for the use of the judge under division (H) of section 2925.03 of the Revised Code. The list of licensed community addiction services providers shall identify each licensed provider by its name, its address, and the county in which it is located.

Sec. 5119.43. (A) The director of mental health and addiction services may enter into agreements with any person, political subdivision, or state agency for the sale or lease of land or facilities under the jurisdiction of the director of mental health and addiction services in the following manner:

(1) The director shall designate lands and facilities that are not needed by the department of mental health and addiction services and are under the jurisdiction of the department.

(2) The director shall have a preliminary appraisal made of any lands or facilities designated under division (A)(1) of this section by a disinterested professional appraiser from the department of administrative services. The appraiser shall deliver to the director a signed certificate of the probable market value of the lands and facilities as determined from the preliminary appraisal.

(3) The director
shall certify to the clerk of the house of representatives and to the clerk of the senate a list of all lands and facilities which may be sold or leased, and shall include with the list the results of the preliminary appraisals of the lands and facilities, a general description of the land and facilities, and a description of the current use of the land and facilities.

(4) Every list of lands and facilities certified by the director of mental health and addiction services to the clerk of the house of representatives and to the clerk of the senate under division (A)(3) of this section, shall immediately be transmitted by the respective clerks to the committees in the house and the senate to which land conveyance bills are usually referred. If either committee files in its clerk's office, within sixty calendar days of the original certification of the lands and facilities by the director of mental health and addiction services, a report disapproving the sale or lease of any lands or facilities, the sale or lease of the lands or facilities disapproved in the report shall not be made under this section. With respect to a sale or lease of lands and facilities that has not been disapproved under this division, the director of mental health and addiction services shall certify those lands and facilities to the auditor of state director of administrative services.

(5) After certification to the auditor of state director of administrative services under division (A)(4) of this section, the director of mental health and addiction services shall have a formal appraisal made of the lands and facilities by a disinterested professional appraiser from the department of administrative services. The director of mental health and addiction services may accept the formal appraisal or may reject it and order a new formal appraisal by a disinterested professional appraiser who shall not be from the department of
administrative services. The director of mental health and addiction services may then sell or lease the lands or facilities in accordance with this division and department of administrative services procedures as set forth in Chapter 123. of the Revised Code. Any such deed or lease shall be prepared and recorded pursuant to section 5301.13 of the Revised Code. The department of administrative services shall be the sole agent for the state and shall complete the sale or lease of the lands or facilities, up to and including the closing thereof, after the director of mental health and addiction services approves the sale price. The director of mental health and addiction services and the director of administrative services may, if it is determined to be in the best interests of the state, agree to sell surplus land for an amount less than the formal appraised value but shall not sell any land for less than two-thirds of the formal appraised value.

(B) Coincident with the certification made under division (A)(3) of this section concerning lands which may be sold, the director of mental health and addiction services shall give written notice of the director's intention to sell the lands by certified mail to the executive officer of each county, township, municipal corporation, and school district within which the lands are situated. In each notice, the director of mental health and addiction services shall specify the conditions under which the lands shall be sold, including whether the lands will be sold as a single unit or sold in specific parcels that the director designates, and shall solicit from the subdivision offers to purchase the lands in accordance with the conditions the director of mental health and addiction services has specified and at a price equal to the preliminary appraised value determined pursuant to division (A)(2) of this section. If, within thirty days of having certified the lands to the auditor of state director of administrative services under division (A)(4) of this section, the director of mental health and addiction services receives from the
executive officer of a subdivision a written offer to purchase the lands at or above the price specified in the director's original notice from the director of mental health and addiction services to the officer, provided such offer otherwise complies with the conditions of purchase specified in the director's original notice from the director of mental health and addiction services, the director of mental health and addiction services shall forthwith enter into an agreement to sell the lands to the subdivision. The agreement shall incorporate any and all terms that are acceptable to both parties and that are consistent with the terms specified in the director's original notice from the director of mental health and addiction services. If no offer to purchase is received by the director of mental health and addiction services within the thirty-day period provided in this division, the director's original notice from the director of mental health and addiction services shall be considered withdrawn and the director of mental health and addiction services shall be under no obligation to sell any of the lands specified in the notice to the subdivision. If two or more offers to purchase the same parcels of land are received by the director of mental health and addiction services within the required time period from the executive officers of two or more subdivisions, the director of mental health and addiction services shall accept the offer or offers to purchase that the director considers to be in the best interests of the state and of the department of mental health and addiction services and shall proceed to enter into agreements of sale pursuant to this division. If all of the director's original notices from the director of mental health and addiction services relating to a given parcel of land become withdrawn, the director of mental health and addiction services may thereupon proceed to sell the parcel as otherwise provided in this section. No subdivision may commence an action to enforce the provisions of this division, or to seek any other legal or equitable remedy relative to this
division, with respect to any lands certified to the auditor of
state director of administrative services under division (A)(4) of
this section, except within sixty days of the date on which the
lands were so certified.

(C) Any agreement under this section shall be at such terms
as will be in the best interests of the state and the department
of mental health and addiction services. However, the terms of any
agreement for sale shall include a provision that the purchaser
will abide by any comprehensive plan for the area that has been
adopted by the local government in which the property is located
before the parties enter into the agreement. No lease shall be of
a duration greater than fifteen years. No agreement, except an
agreement entered into under division (B) of this section, shall
be entered into before the proposal to sell or lease the land or
facilities has been advertised once each week for four weeks in a
newspaper of general circulation in every county in which the
lands or facilities are located and if the preliminary appraised
value of the land to be sold or leased is more than one hundred
thousand dollars, advertisement shall be made once each week for
four weeks in at least two newspapers in the state having a daily
circulation of one hundred thousand or more. If a city in this
state is served by more than one newspaper having a circulation of
one hundred thousand or more, advertisement may be made in only
one of the newspapers serving the city.

(D) Each deed or lease prepared and recorded pursuant to this
section shall contain a recital stating that all provisions of
this section have been complied with. The recital shall be
considered binding and conclusive against all subdivisions of the
state provided no action has been commenced pursuant to division
(B) of this section. Any deed or lease containing such a recital
shall be conclusively presumed to have been executed in compliance
with this section insofar as title or other interest of any bona
fide purchasers, lessees, or transferees of the property is concerned.

(E) Nothing in this section shall be construed as establishing a precedent for the disposal of state lands and facilities by other departments of the state.

**Sec. 5119.99.** (A) Whoever violates section 5119.333 of the Revised Code is guilty of a misdemeanor of the first degree.

(B) Whoever violates division (B) of section 5119.61 of the Revised Code is guilty of a misdemeanor of the fourth degree.

(C) Whoever violates section 5119.27 or 5119.28, division (A) of section 5119.35, division (H)(K) of section 5119.36, or division (A)(1) or (2) of section 5119.37 of the Revised Code is guilty of a felony of the fifth degree.

**Sec. 5120.035.** (A) As used in this section:  

(1) "Community treatment provider" means a program that provides substance use disorder assessment and treatment for persons and that satisfies all of the following:

(a) It is located outside of a state correctional institution.

(b) It shall provide the assessment and treatment for qualified prisoners referred and transferred to it under this section in a suitable facility that is licensed pursuant to division (C) of section 2967.14 of the Revised Code.

(c) All qualified prisoners referred and transferred to it under this section shall reside initially in the suitable facility specified in division (A)(1)(b) of this section while undergoing the assessment and treatment.

(2) "Electronic monitoring device" has the same meaning as in section 2929.01 of the Revised Code.
(3) "State correctional institution" has the same meaning as in section 2967.01 of the Revised Code.

(4) "Qualified prisoner" means a person who satisfies all of the following:

(a) The person is confined in a state correctional institution under a prison term imposed for a felony of the third, fourth, or fifth degree that is not an offense of violence.

(b) The person has not previously been convicted of or pleaded guilty to a felony offense of violence and, within the preceding five years, has not been convicted of or pleaded guilty to a misdemeanor offense of violence.

(c) The department of rehabilitation and correction determines, using a standardized assessment tool, that the person has a substance use disorder.

(d) The person has not more than twelve months remaining to be served under the prison term described in division (A)(4)(a) of this section.

(e) The person is not serving any prison term other than the term described in division (A)(4)(a) of this section.

(f) The person is eighteen years of age or older.

(g) The person does not show signs of drug or alcohol withdrawal and does not require medical detoxification.

(h) As determined by the department of rehabilitation and correction, the person is physically and mentally capable of uninterrupted participation in the substance use disorder treatment program established under division (B) of this section.

(B) The department of rehabilitation and correction shall establish and operate a program for community-based substance use disorder treatment for qualified prisoners. The purpose of the program shall be to provide substance use disorder assessment and
treatment through community treatment providers to help reduce substance use relapses and recidivism for qualified prisoners while preparing them for reentry into the community and improving public safety.

(C)(1) The department shall determine which qualified prisoners in its custody should be placed in the substance use disorder treatment program established under division (B) of this section. The department has full discretion in making that determination. If the department determines that a qualified prisoner should be placed in the program, the department may refer the prisoner to a community treatment provider the department has approved under division (E) of this section for participation in the program and transfer the prisoner from the state correctional institution to the provider's approved and licensed facility. Except as otherwise provided in division (C)(3) of this section, no prisoner shall be placed under the program in any facility other than a facility of a community treatment provider that has been so approved. If the department places a prisoner in the program, the prisoner shall receive credit against the prisoner's prison term for all time served in the provider's approved and licensed facility and may earn days of credit under section 2967.193 of the Revised Code, but otherwise neither the placement nor the prisoner's participation in or completion of the program shall result in any reduction of the prisoner's prison term.

(2) If the department places a prisoner in the substance use disorder treatment program, the prisoner does not satisfactorily participate in the program, and the prisoner has not served the prisoner's entire prison term, the department may remove the prisoner from the program and return the prisoner to a state correctional institution.

(3) If the department places a prisoner in the substance use disorder treatment program and the prisoner is satisfactorily
participating in the program, the department may permit the prisoner to reside at a residence approved by the department if the department determines, with input from the community treatment provider, that residing at the approved residence will help the prisoner prepare for reentry into the community and will help reduce substance use relapses and recidivism for the prisoner. If a prisoner is permitted under this division to reside at a residence approved by the department, the prisoner shall be monitored during the period of that residence by an electronic monitoring device.

(D)(1) When a prisoner has been placed in the substance use disorder treatment program established under division (B) of this section, before the prisoner is released from custody of the department upon completion of the prisoner's prison term, the department shall conduct and prepare an evaluation of the prisoner, the prisoner's participation in the program, and the prisoner's needs regarding substance use disorder treatment upon release. Before the prisoner is released from custody of the department upon completion of the prisoner's prison term, the parole board or the court acting pursuant to an agreement under section 2967.29 of the Revised Code shall consider the evaluation, in addition to all other information and materials considered, as follows:

(a) If the prisoner is a prisoner for whom post-release control is mandatory under section 2967.28 of the Revised Code, the board or court shall consider it in determining which post-release control sanction or sanctions to impose upon the prisoner under that section.

(b) If the prisoner is a prisoner for whom post-release control is not mandatory under section 2967.28 of the Revised Code, the board or court shall consider it in determining whether a post-release control sanction is necessary and, if so, which
post-release control sanction or sanctions to impose upon the prisoner under that section.

(2) If the department determines that a prisoner it placed in the substance use disorder treatment program successfully completed the program and successfully completed a term of post-release control, if applicable, and if the prisoner submits an application under section 2953.32 of the Revised Code for sealing the record of the conviction, the director may issue a letter to the court in support of the application.

(E)(1) The department shall accept applications from community treatment providers that satisfy the requirement specified in division (E)(2) of this section and that wish to participate in the substance use disorder treatment program established under division (B) of this section, and shall approve for participation in the program at least four and not more than eight of the providers that apply. To the extent feasible, the department shall approve one or more providers from each geographical quadrant of the state.

(2) Each community treatment provider that applies under division (E)(1) of this section to participate in the program shall have the provider's alcohol and drug addiction services that provide substance use disorder treatment certified by the department of mental health and addiction services under section 5119.36 of the Revised Code. A community treatment provider is not required to have the provider's halfway house or residential treatment certified by the department of mental health and addiction services.

(F) The department of rehabilitation and correction shall adopt rules for the operation of the substance use disorder treatment program it establishes under division (B) of this section and shall operate the program in accordance with this section and those rules. The rules shall establish, at a minimum,
all of the following:

(1) Criteria that establish which qualified prisoners are eligible for the program;

(2) Criteria that must be satisfied to transfer a qualified prisoner to a residence pursuant to division (C)(3) of this section;

(3) Criteria for the removal of a prisoner from the program pursuant to division (C)(2) of this section;

(4) Criteria for determining when an offender has successfully completed the program for purposes of division (D)(2) of this section;

(5) Criteria for community treatment providers to provide assessment and treatment, including minimum standards for treatment.

Sec. 5120.62. The director of rehabilitation and correction shall adopt rules under Chapter 119. of the Revised Code that govern the establishment and operation of a system that provides limited and monitored access to the internet for prisoners who are participating in an approved educational program with direct supervision that requires the use of the internet for training or research purposes solely for a use or purpose approved by the managing officer of that prisoner's institution or by the managing officer's designee. The rules shall include all of the following:

(A) Criteria by which inmates may be screened and approved for access or training involving the internet;

(B) Designation of the authority to approve internet sites for authorized use;

(C) A requirement that only pre-approved sites will be accessible on the computers used by prisoners in the educational program.
(D) A process for the periodic review of the operation of the system, including users of the system and the sites accessed by the system;

(E) Sanctions that must be imposed against prisoners and staff members who violate department rules governing prisoner access to the internet.

Sec. 5123.025. It is hereby declared to be the policy of this state that individuals with developmental disabilities shall have access to innovative technology solutions. Technology can ensure that people with developmental disabilities have increased opportunities to live, work, and thrive in their homes, communities, and places of employment through state of the art planning, innovative technology, and supports that focus on their talents, interests, and skills.

The departments of developmental disabilities, education, medicaid, aging, job and family services, mental health and addiction services, and transportation; the opportunities for Ohioans with disabilities agency; and each other state agency that provides technology services to individuals with developmental disabilities shall implement the policy of this state and ensure that it is followed whenever technology services are provided to individuals with developmental disabilities.

The department of developmental disabilities, in partnership with the office of innovateohio, shall coordinate the actions taken by state agencies to comply with the state's policy. Agencies shall collaborate within their divisions and with each other to ensure that state programs, policies, procedures, and funding support the development of access to technology for individuals with developmental disabilities. State agencies shall share information with the department, and the department shall...
track progress toward full implementation of the policy. The department, in coordination with the technology first task force established under section 5123.026 of Revised Code, shall compile data and annually submit to the governor and lieutenant governor a report on implementation of the policy.

The department and state agencies may adopt rules to implement the state's policy.

Sec. 5123.026. (A) The director of developmental disabilities shall establish a technology first task force consisting of representatives from the office of innovateohio; the departments of developmental disabilities, education, medicaid, aging, job and family services, mental health and addiction services, and transportation; and the opportunities for Ohioans with disabilities agency.

(B) The task force shall do all of the following:

(1) Expand innovative technology solutions within the operation and delivery of services to individuals with developmental disabilities;

(2) Use technology to reduce the barriers individuals with developmental disabilities experience;

(3) Align policies for all state agencies on the task force.

(C) The department of developmental disabilities may enter into interagency agreements with any of the government entities on the task force. The interagency agreements may specify either or both of the following:

(1) The roles and responsibilities of the government entities that are members of the task force, including any money to be contributed by those entities;

(2) The projects and activities of the task force.
(D) The department and state agencies may adopt rules to implement the task force.

Sec. 5123.034. (A) As used in this section, "developmental center" has the same meaning as in section 5123.032 of the Revised Code.

(B) A developmental center of the department of developmental disabilities may provide services to both of the following:

(1) Individuals with developmental disabilities who reside in the community in which the developmental center is located;

(2) Providers who provide services to individuals with developmental disabilities who reside in the community in which the developmental center is located.

(C) The department may develop a method for recovering the costs associated with providing these services.

Sec. 5123.19. (A) As used in sections 5123.19 to 5123.20 of the Revised Code:

(1) "Independent living arrangement" means an arrangement in which an individual with a developmental disability resides in an individualized setting chosen by the individual or the individual's guardian, which is not dedicated principally to the provision of residential services for individuals with developmental disabilities, and for which no financial support is received for rendering such service from any governmental agency by a provider of residential services.

(2) "Licensee" means the person or government agency that has applied for a license to operate a residential facility and to which the license was issued under this section.

(3) "Political subdivision" means a municipal corporation, county, or township.
(4) "Related party" has the same meaning as in section 5123.16 of the Revised Code except that "provider" as used in the definition of "related party" means a person or government entity that held or applied for a license to operate a residential facility, rather than a person or government entity certified to provide supported living.

(5)(a) Except as provided in division (A)(5)(b) of this section, "residential facility" means a home or facility, including an ICF/IID, in which an individual with a developmental disability resides.

(b) "Residential facility" does not mean any of the following:

(i) The home of a relative or legal guardian in which an individual with a developmental disability resides;

(ii) A respite care home certified under section 5126.05 of the Revised Code;

(iii) A county home or district home operated pursuant to Chapter 5155. of the Revised Code;

(iv) A dwelling in which the only residents with developmental disabilities are in independent living arrangements or are being provided supported living.

(B) Every person or government agency desiring to operate a residential facility shall apply for licensure of the facility to the director of developmental disabilities unless the residential facility is subject to section 3721.02, 5103.03, 5119.33, or division (B)(1)(b) of section 5119.34 of the Revised Code.

(C) Subject to section 5123.196 of the Revised Code, the director of developmental disabilities shall license the operation of residential facilities. An initial license shall be issued for a period that does not exceed one year, unless the director denies
the license under division (D) of this section. A license shall be renewed for a period that does not exceed three years, unless the director refuses to renew the license under division (D) of this section. The director, when issuing or renewing a license, shall specify the period for which the license is being issued or renewed. A license remains valid for the length of the licensing period specified by the director, unless the license is terminated, revoked, or voluntarily surrendered.

(D) If it is determined that an applicant or licensee is not in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, the director may deny issuance of a license, refuse to renew a license, terminate a license, revoke a license, issue an order for the suspension of admissions to a facility, issue an order for the placement of a monitor at a facility, issue an order for the immediate removal of residents, or take any other action the director considers necessary consistent with the director's authority under this chapter regarding residential facilities. In the director's selection and administration of the sanction to be imposed, all of the following apply:

(1) The director may deny, refuse to renew, or revoke a license, if the director determines that the applicant or licensee has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of residents of a residential facility.

(2) The director may terminate a license if more than twelve consecutive months have elapsed since the residential facility was last occupied by a resident or a notice required by division (J) of this section is not given.

(3) The director may issue an order for the suspension of admissions to a facility for any violation that may result in sanctions under division (D)(1) of this section and for any other
violation specified in rules adopted under division (G)(2) of this section. If the suspension of admissions is imposed for a violation that may result in sanctions under division (D)(1) of this section, the director may impose the suspension before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift an order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(4) The director may order the placement of a monitor at a residential facility for any violation specified in rules adopted under division (G)(2) of this section. The director shall lift the order when the director determines that the violation that formed the basis for the order has been corrected.

(5) When the director initiates license revocation proceedings, no opportunity for submitting a plan of correction shall be given. The director shall notify the licensee by letter of the initiation of the proceedings. The letter shall list the deficiencies of the residential facility and inform the licensee that no plan of correction will be accepted. The director shall also send a copy of the letter to the county board of developmental disabilities. Except in the case of a licensee that is an ICF/IID, the county board shall send a copy of the letter to each of the following:

(a) Each resident who receives services from the licensee;

(b) The guardian of each resident who receives services from the licensee if the resident has a guardian;

(c) The parent or guardian of each resident who receives services from the licensee if the resident is a minor.

(6) Pursuant to rules which shall be adopted in accordance with Chapter 119. of the Revised Code, the director may order the immediate removal of residents from a residential facility.
whenever conditions at the facility present an immediate danger of physical or psychological harm to the residents.

(7) In determining whether a residential facility is being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, or whether conditions at a residential facility present an immediate danger of physical or psychological harm to the residents, the director may rely on information obtained by a county board of developmental disabilities or other governmental agencies.

(8) In proceedings initiated to deny, refuse to renew, or revoke licenses, the director may deny, refuse to renew, or revoke a license regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(E)(1) Except as provided in division (E)(2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue
uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the licensee and the director.

(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) A copy of the written report and recommendation of the hearing examiner shall be sent, by certified mail, to the licensee and the licensee's attorney, if applicable, not later than five days after the report is filed.

(f) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(F) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is
five years after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(G) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities. The rules for residential facilities that are ICFs/IID may differ from those for other residential facilities. The rules shall establish and specify the following:

(1) Procedures and criteria for issuing and renewing licenses, including procedures and criteria for determining the length of the licensing period that the director must specify for each license when it is issued or renewed;

(2) Procedures and criteria for denying, refusing to renew, terminating, and revoking licenses and for ordering the suspension of admissions to a facility, placement of a monitor at a facility, and the immediate removal of residents from a facility;

(3) Fees for issuing and renewing licenses, which shall be deposited into the program fee fund created under section 5123.033 of the Revised Code;

(4) Procedures for surveying residential facilities;

(5) Classifications for the various types of residential facilities;

(6) The maximum number of individuals who may be served in a particular type of residential facility;

(7) Uniform procedures for admission of individuals to and transfers and discharges of individuals from residential facilities;

(8) Other standards for the operation of residential
facilities and the services provided at residential facilities; 54485

(9) Procedures for waiving any provision of any rule adopted 54486
under this section. 54487

(H)(1) Before issuing a license, the director shall conduct a 54488
survey of the residential facility for which application is made. 54489
The director shall conduct a survey of each licensed residential 54490
facility at least once during the period the license is valid and 54491
may conduct additional inspections as needed. A survey includes 54492
but is not limited to an on-site examination and evaluation of the 54493
residential facility, its personnel, and the services provided 54494
there. The director may assign to a county board of developmental 54495
disabilities or the department of health the responsibility to 54496
conduct any survey or inspection under this section. 54497

(2) In conducting surveys, the director shall be given access 54498
to the residential facility; all records, accounts, and any other 54499
documents related to the operation of the facility; the licensee; 54500
the residents of the facility; and all persons acting on behalf 54501
of, under the control of, or in connection with the licensee. The 54502
licensee and all persons on behalf of, under the control of, or in 54503
connection with the licensee shall cooperate with the director in 54504
conducting the survey. 54505

(3) Following each survey, the director shall provide the 54506
licensee with a report listing the date of the survey, any 54507
citations issued as a result of the survey, and the statutes or 54508
rules that purportedly have been violated and are the bases of the 54509
citations. The director shall also do both of the following: 54510

(a) Specify a date by which the licensee may appeal any of 54511
the citations; 54512

(b) When appropriate, specify a timetable within which the 54513
licensee must submit a plan of correction describing how the 54514
problems specified in the citations will be corrected and, the 54515
date by which the licensee anticipates the problems will be corrected.

(4) If the director initiates a proceeding to revoke a license, the director shall include the report required by division (H)(3) of this section with the notice of the proposed revocation the director sends to the licensee. In this circumstance, the licensee may not submit a plan of correction.

(5) After a plan of correction is submitted, the director shall approve or disapprove the plan. If the plan of correction is approved, a copy of the approved plan shall be provided, not later than five business days after it is approved, to any person or government entity who requests it and made available on the internet web site maintained by the department of developmental disabilities. If the plan of correction is not approved and the director initiates a proceeding to revoke the license, a copy of the survey report shall be provided to any person or government entity that requests it and shall be made available on the internet web site maintained by the department.

(6) The director shall initiate disciplinary action against any department employee who notifies or causes the notification to any unauthorized person of an unannounced survey of a residential facility by an authorized representative of the department.

(I) In addition to any other information which may be required of applicants for a license pursuant to this section, the director shall require each applicant to provide a copy of an approved plan for a proposed residential facility pursuant to section 5123.042 of the Revised Code. This division does not apply to renewal of a license or to an applicant for an initial or modified license who meets the requirements of section 5123.197 of the Revised Code.

(J)(1) A licensee shall notify the owner of the building in
which the licensee's residential facility is located of any significant change in the identity of the licensee or management contractor before the effective date of the change if the licensee is not the owner of the building.

(a) Division (J)(1)(b) of this section applies to a residential facility that meets both of the following criteria:

(i) The building in which the residential facility is located was leased by the licensee between July 1, 1995, and July 1, 1996.

(ii) The residential facility was operated at that building without a lease agreement for more than four years.

(b) For a residential facility described in division (J)(1)(a) of this section, a license that specifies the location of a residential facility is not transferrable to a different location if the licensee is not the owner of the building where the residential facility is located. If a licensee no longer operates the residential facility at the location specified in the license, the owner of the building in which the residential facility is located may request that the director transfer the license to a different licensee or management contractor that is willing to operate the residential facility at that location. The director shall grant the license to the owner of the residential facility upon the owner's request.

(c) Nothing in division (J)(1)(b) of this section shall be construed to require the director to increase the number of residential facility licenses in this state.

(2) Pursuant to rules, which shall be adopted in accordance with Chapter 119. of the Revised Code, the director may require notification to the department of any significant change in the ownership of a residential facility or in the identity of the licensee or management contractor. If the director determines that a significant change of ownership is proposed, the director shall
consider the proposed change to be an application for development by a new operator pursuant to section 5123.042 of the Revised Code and shall advise the applicant within sixty days of the notification that the current license shall continue in effect or a new license will be required pursuant to this section. If the director requires a new license, the director shall permit the facility to continue to operate under the current license until the new license is issued, unless the current license is revoked, refused to be renewed, or terminated in accordance with Chapter 119. of the Revised Code.

(3) A licensee shall transfer to the new licensee or management contractor all records related to the residents of the facility following any significant change in the identity of the licensee or management contractor.

(K) A county board of developmental disabilities and any interested person may file complaints alleging violations of statute or department rule relating to residential facilities with the department. All complaints shall state the facts constituting the basis of the allegation. The department shall not reveal the source of any complaint unless the complainant agrees in writing to waive the right to confidentiality or until so ordered by a court of competent jurisdiction.

The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(L) Before issuing a license under this section to a residential facility that will accommodate at any time more than one individual with a developmental disability, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal
corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings concerning the comments and the director's decision on the issuance of the license. If the director does not receive written comments from any notified local officials within the specified time, the director shall continue the process for issuance of the license.

(M) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least six but not more than eight individuals with developmental disabilities as a permitted use in any residential district or zone, including any single-family residential district or zone, of any political subdivision. These residential facilities may be required to comply with area, height, yard, and architectural compatibility requirements that are uniformly imposed upon all single-family
residences within the district or zone.

(N) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least nine but not more than sixteen individuals with developmental disabilities as a permitted use in any multiple-family residential district or zone of any political subdivision, except that a political subdivision that has enacted a zoning ordinance or resolution establishing planned unit development districts may exclude these residential facilities from those districts, and a political subdivision that has enacted a zoning ordinance or resolution may regulate these residential facilities in multiple-family residential districts or zones as a conditionally permitted use or special exception, in either case, under reasonable and specific standards and conditions set out in the zoning ordinance or resolution to:

(1) Require the architectural design and site layout of the residential facility and the location, nature, and height of any walls, screens, and fences to be compatible with adjoining land uses and the residential character of the neighborhood;

(2) Require compliance with yard, parking, and sign regulation;

(3) Limit excessive concentration of these residential facilities.

(O) This section does not prohibit a political subdivision from applying to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations.

(P) Divisions (M) and (N) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed
residential facilities by means of permitted uses, conditional
uses, or special exception, so long as such ordinance remains in
effect without any substantive modification.

(Q)(1) The director may issue an interim license to operate a
residential facility to an applicant for a license under this
section if either of the following is the case:

(a) The director determines that an emergency exists
requiring immediate placement of individuals in a residential
facility, that insufficient licensed beds are available, and that
the residential facility is likely to receive a permanent license
under this section within thirty days after issuance of the
interim license.

(b) The director determines that the issuance of an interim
license is necessary to meet a temporary need for a residential
facility.

(2) To be eligible to receive an interim license, an
applicant must meet the same criteria that must be met to receive
a permanent license under this section, except for any differing
procedures and time frames that may apply to issuance of a
permanent license.

(3) An interim license shall be valid for thirty days and may
be renewed by the director for a period not to exceed one hundred
eighty days.

(4) The director shall adopt rules in accordance with Chapter
119. of the Revised Code as the director considers necessary to
administer the issuance of interim licenses.

(R) Notwithstanding rules adopted pursuant to this section
establishing the maximum number of individuals who may be served
in a particular type of residential facility, a residential
facility shall be permitted to serve the same number of
individuals being served by the facility on the effective date of
the rules or the number of individuals for which the facility is
authorized pursuant to a current application for a certificate of
need with a letter of support from the department of developmental
disabilities and which is in the review process prior to April 4, 1986.

This division does not preclude the department from
suspending new admissions to a residential facility pursuant to a
written order issued under section 5124.70 of the Revised Code.

(S) The director may enter at any time, for purposes of
investigation, any home, facility, or other structure that has
been reported to the director or that the director has reasonable
cause to believe is being operated as a residential facility
without a license issued under this section.

The director may petition the court of common pleas of the
county in which an unlicensed residential facility is located for
an order enjoining the person or governmental agency operating the
facility from continuing to operate without a license. The court
may grant the injunction on a showing that the person or
governmental agency named in the petition is operating a
residential facility without a license. The court may grant the
injunction, regardless of whether the residential facility meets
the requirements for receiving a license under this section.

(2) The department has reason to believe that the resident's most recent assessment no longer accurately reflects the resident's condition;

(3) The department determines that the resident's most recent assessment should be updated because of the passage of time since that assessment was performed.

(C) If an ICF/IID provider disagrees with the results of an assessment performed by the department under this section, the provider may request that the department reconsider the results in accordance with rules adopted under section 5124.03 of the Revised Code.

(D) After the department assesses an ICF/IID resident under
this section, the provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave shall submit to the department, not later than fifteen days after the end of each subsequent calendar quarter and through the medium or media specified in rules adopted under section 5124.03 of the Revised Code, either of the following:

(1) Revised assessment data for the resident if there are changes in the resident's assessment data;

(2) An attestation that there are no changes in the resident's assessment data.

(E) A resident assessment instrument specified in rules adopted under section 5124.03 of the Revised Code shall be used to compile or revise assessment data of ICF/IID residents under this section. The resident assessment instrument used for the purpose of this section may be different from the resident assessment instrument used for the purpose of section 5124.106 of the Revised Code.

Sec. 5124.21. (A) For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day indirect care costs component rate. An ICF/IID's rate shall be the lesser of the individual rate determined under division (B) of this section and the maximum rate determined for the ICF/IID's peer group under division (C) of this section.

(B) An ICF/IID's individual rate is the sum of the following:

(1) The ICF/IID's desk-reviewed, actual, allowable, per diem indirect care costs for the applicable cost report year, adjusted for the inflation rate estimated under division (E) of this section;

(2) Subject to division (D) of this section, an efficiency incentive equal to the difference between the amount of the per
(C)(1) The maximum rate for an ICF/IID's peer group shall be the following percentage above the peer group's median per diem indirect care costs for the applicable cost report year:

(a) For ICFs/IID in peer group 1-A, eight per cent;
(b) For ICFs/IID in peer group 2-A or peer group 3-A, ten per cent;
(c) For ICFs/IID in peer group 4-A or peer group 5-A, twelve per cent.

(2) The department shall not redetermine a peer group's maximum rate under division (C)(1) of this section based on additional information that it receives after the maximum rate is set. The department shall redetermine a peer group's maximum rate only if the department made an error in computing the maximum rate based on the information available to the department at the time of the original calculation.

(D) The efficiency incentive for an ICF/IID shall not exceed the following:

(1) If the ICF/IID is in peer group 1-A, five per cent of the peer group's maximum rate established under division (C)(1)(a) of this section;
(2) If the ICF/IID is in peer group 2-A, peer group 3-A, peer group 4-A, or peer group 5-A, six per cent of the peer group's maximum rate established under division (C)(1)(b) or (c) of this section.

(E) When adjusting rates for inflation under division (B)(1) of this section, the department shall estimate the rate of
inflation for the eighteen-month period beginning on the first day of July of the applicable cost report year and ending on the thirty-first day of December of the fiscal year for which the rate is determined. To estimate the rate of inflation, the department shall use the following:

(1) Subject to division (E)(2) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics;

(2) If the United States bureau of labor statistics ceases to publish the index specified in division (E)(1) of this section, a comparable index that the bureau publishes and the department determines is appropriate.

Sec. 5124.23. For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day other protected costs component rate. An ICF/IID's rate shall be the ICF/IID's desk-reviewed, actual, allowable, per diem other protected costs from the applicable cost report year, adjusted for inflation using the following:

(A) Subject to division (B) of this section, the consumer price index for all urban consumers for nonprescription drugs and medical supplies, as published by the United States bureau of labor statistics;

(B) If the United States bureau of labor statistics ceases to publish the index specified in division (B)(1)(A) of this section, the index that is subsequently published by the bureau and covers nonprescription drugs and medical supplies.

Sec. 5124.29. Except as otherwise provided in section 5124.30 of the Revised Code, the department of developmental disabilities, in determining whether an ICF/IID's direct care costs and indirect care costs are allowable, shall place no limit on specific
categories of reasonable costs other than compensation of owners, compensation of relatives of owners, and compensation of administrators.

Compensation cost limits for owners and relatives of owners shall be based on compensation costs for individuals who hold comparable positions but who are not owners or relatives of owners, as reported on ICFs/IID's cost reports. As used in this section, "comparable position" means the position that is held by the owner or the owner's relative, if that position is listed separately on the cost report form, or if the position is not listed separately, the group of positions that is listed on the cost report form and that includes the position held by the owner or the owner's relative. In the case of an owner or owner's relative who serves the ICFs/IID in a capacity such as corporate officer, proprietor, or partner for which no comparable position or group of positions is listed on the cost report form, the compensation cost limit shall be based on civil service equivalents and shall be specified in rules adopted under section 5124.03 of the Revised Code.

Compensation cost limits for administrators shall be based on compensation costs for administrators who are not owners or relatives of owners, as reported on ICFs/IID's cost reports. For the purpose of determining an ICF/IID's total per Medicaid day payment rate under division (C) of section 5124.15 of the Revised Code, compensation cost limits for administrators of four or more ICFs/IID shall be the same as the limits for administrators of ICFs/IID with one hundred fifty or more beds.

Sec. 5124.30. Except as provided in sections section 5124.17 and 5124.171 of the Revised Code, the costs of goods, services, and facilities, furnished to an ICF/IID provider by a related party are includable in the allowable costs of the provider at the
reasonable cost to the related party.

**Sec. 5124.38.** (A) The director of developmental disabilities shall establish a process under which an ICF/IID provider, or a group or association of ICF/IID providers, may seek reconsideration of medicaid payment rates established under this chapter, including a rate for direct care costs redetermined before the effective date of the rate as a result of an exception review conducted under section 5124.198 of the Revised Code. Except as provided in divisions (B) to (E) of this section, the only issue that a provider, group, or association may raise in the rate reconsideration is whether the rate was calculated in accordance with this chapter and the rules adopted under section 5124.03 of the Revised Code. The provider, group, or association may submit written arguments or other materials that support its position. The provider, group, or association and department shall take actions regarding the rate reconsideration within time frames specified in rules authorized by this section.

If the department determines, as a result of the rate reconsideration, that the rate established for one or more ICFs/IID is less than the rate to which the ICF/IID is entitled, the department shall increase the rate. If the department has paid the incorrect rate for a period of time, the department shall pay the provider of the ICF/IID the difference between the amount the provider was paid for that period for the ICF/IID and the amount the provider should have been paid for the ICF/IID.

(B)(1) The department, through the rate reconsideration process, may increase during a fiscal year the medicaid payment rate determined for an ICF/IID under this chapter if the provider demonstrates that the ICF/IID's actual, allowable costs have increased because of any of the following extreme circumstances:
(a) A natural disaster;

(b) A nonextensive renovation approved under division (E) of section 5124.171 of the Revised Code;

(c) If the ICF/IID has an appropriate claims management program, an increase in the ICF/IID's workers' compensation experience rating of greater than five per cent;

(d) If the ICF/IID is an inner-city ICF/IID, increased security costs;

(e) A change of ownership that results from bankruptcy, foreclosure, or findings by the department of health of violations of medicaid certification requirements;

(f) Other extreme circumstances specified in rules authorized by this section.

(2) An ICF/IID may qualify for a rate increase under this division only if its per diem, actual, allowable costs have increased to a level that exceeds its total rate. An increase under this division is subject to any rate limitations or maximum rates established by this chapter for specific cost centers. Any rate increase granted under this division shall take effect on the first day of the first month after the department receives the request.

(C) The department, through the rate reconsideration process, may increase an ICF/IID's rate as determined under this chapter if the department, in the department's sole discretion, determines that the rate as determined under those sections works an extreme hardship on the ICF/IID.

(D)(1) When subject to any applicable limitation under section 5124.17 of the Revised Code, when beds certified for the medicaid program are added to an existing ICF/IID or replaced at the same site, the department, through the rate reconsideration...
process, may do either of the following to account for the costs of the beds that are added or replaced:

(a) Subject to any applicable limitation under section 5124.17 of the Revised Code, proportionately increase the ICF/IID's per medicaid day capital component rate determined under that section;

(b) Subject to any applicable limitation under section 5124.171 of the Revised Code, proportionately increase the ICF/IID's per medicaid day payment rate for reasonable capital costs determined under that section to account for the costs of the beds that are added or replaced.

(2) If the department grants an increase under division (D)(1)(a) or (b) of this section, the increase shall go into effect one month after the first day of the month after the department receives sufficient documentation needed to determine the amount of the increase.

(3) Any rate increase of an ICF/IID's per medicaid day payment rate for reasonable capital costs determined under section 5124.171 of the Revised Code that is granted under division (D)(1)(b) of this section after June 30, 1993, shall remain in effect until the earlier of the following:

(a) The effective date of a per medicaid day payment rate for reasonable capital costs determined under section 5124.171 of the Revised Code that includes costs incurred for a full calendar year for the bed addition or bed replacement;

(b) The date the provider of the ICF/IID begins to be paid a rate determined under division (B) of section 5124.15 of the Revised Code.

(4) The provider of an ICF/IID that has its per medicaid day payment rate for reasonable capital costs increased under division (D)(1)(b) of this section shall report double accumulated
depreciation in an amount equal to the depreciation included in
the rate adjustment on its cost report for the first year of
operation. During the term of any loan used to finance a project
for which the rate increase is granted, the provider, if the
ICF/IID is operated by the same provider, shall subtract from the
interest costs it reports on the ICF/IID's cost report an amount
equal to the difference between the following:

(a) The actual, allowable interest costs for the loan during
the calendar year for which the costs are being reported;

(b) The actual, allowable interest costs attributable to the
loan that were used to calculate the rates paid to the provider
for the ICF/IID during the same calendar year.

(E) If the provider of an ICF/IID submits to the department
revised assessment data for a resident of the ICF/IID under
division (D) of section 5124.191 of the Revised Code and the
revised assessment data results in at least a fifteen per cent
increase in the ICF/IID's case-mix score determined under section
5124.193 of the Revised Code, the provider may request that the
department, through the rate reconsideration process, increase the
ICF/IID's per medicaid day direct care costs component rate
determined under section 5124.19 of the Revised Code to account
for the increase in the ICF/IID's case-mix score. If the
department determines that the revised assessment data so
increases the ICF/IID's case-mix score, the department shall grant
the rate increase. The increase shall go into effect one month
after the first day of the month after the department receives
sufficient documentation needed to determine the amount of the
increase.

(F) The department's decision at the conclusion of a rate
reconsideration process is not subject to any administrative
proceedings under Chapter 119. or any other provision of the
Revised Code.
(G) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

Sec. 5124.39. (A) Except as provided in divisions (B) and (C) of this section, if the provider of an ICF/IID in former peer group 1-B, as that group existed on the date immediately preceding the effective date of this amendment, obtained approval from the department of developmental disabilities to become a downsized ICF/IID not later than July 1, 2018, and the ICF/IID does not become a downsized ICF/IID by that date, the department shall recoup from the provider an amount equal to the sum of the following:

(1) The difference between the amount of the efficiency incentive payments the ICF/IID earned under former sections 5124.171 and 5124.211 of the Revised Code, as those sections existed on the date immediately preceding the effective date of this amendment, because the provider obtained such approval and the amount of the efficiency incentive payments the ICF/IID would have earned under those sections had the provider not obtained such approval;

(2) An amount of interest on the difference determined under division (A)(1) of this section.

(B) The department shall exempt an ICF/IID provider from a recoupment otherwise required by this section if the provider voluntarily repays the department the difference determined under division (A)(1) of this section. No interest shall be charged on the amount voluntarily repaid.

(C) The department may exempt an ICF/IID provider from a recoupment otherwise required by this section if both of the following apply:
(1) The provider, on or before July 1, 2018, demonstrates to the department's satisfaction that the provider made a good faith effort to complete the downsizing by July 1, 2018, but the ICF/IID did not become a downsized ICF/IID by that date for reasons beyond the provider's control;

(2) The ICF/IID becomes a downsized ICF/IID within a period of time after July 1, 2018, that the department determines is reasonable.

(D) An ICF/IID provider subject to a recoupment under division (A) of this section or voluntarily making a repayment under division (B) of this section shall choose one of the following methods by which the recoupment or voluntary repayment shall be made:

(1) In a lump sum payment;

(2) Subject to the department's approval, in installment payments;

(3) In a single deduction from the next available medicaid payment made to the provider if that payment at least equals the total amount of the recoupment or voluntary repayment;

(4) Subject to the department's approval, in installment deductions from medicaid payments made to the provider.

(E) An ICF/IID provider may request that the director of developmental disabilities reconsider either or both of the following:

(1) A decision that the provider is subject to a recoupment under this section;

(2) A determination under this section of the amount to be recouped from the provider.

(F) The director shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section, including...
rules specifying how the amount of interest charged under division (A)(2) of this section is to be determined.

**Sec. 5124.40.** If an ICF/IID provider properly amends a cost report for an ICF/IID under section 5124.107 of the Revised Code and the amended report shows that the provider received a lower medicaid payment rate under the original cost report than the provider was entitled to receive, the department of developmental disabilities shall adjust the provider's rate for the ICF/IID prospectively to reflect the corrected information. The department shall pay the adjusted rate beginning two months after the first day of the month after the provider files the amended cost report.

If the department finds, from an exception review of resident assessment data conducted pursuant to section 5124.198 of the Revised Code after the effective date of an ICF/IID's rate for direct care costs that is based on the resident assessment data, that inaccurate resident assessment data resulted in the provider receiving a lower rate for the ICF/IID than the provider was entitled to receive, the department prospectively shall adjust the provider's rate for the ICF/IID accordingly. The department shall make payments to the provider using the adjusted rate for the remainder of the calendar quarter for which the resident assessment data is used to determine the rate, beginning one month after the first day of the month after the exception review is completed.

**Sec. 5124.41.** (A) The department of developmental disabilities shall redetermine a provider's medicaid payment rate for an ICF/IID using revised information if any either of the following results in a determination that the provider received a higher medicaid payment rate for the ICF/IID than the provider was entitled to receive:
(1) The provider properly amends a cost report for the ICF/IID under section 5124.107 of the Revised Code;  

(2) The department makes a finding based on an audit under section 5124.109 of the Revised Code.  

(3) The department makes a finding based on an exception review of resident assessment data conducted under section 5124.198 of the Revised Code after the effective date of the ICF/IID's rate for direct care costs that is based on the resident assessment data.  

(B) The department shall apply the redetermined rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment. The department may charge the provider the following amount of interest from the time the overpayment was made:  

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be not greater than one and one-half times the current average bank prime rate.  

(2) If the overpayment resulted from costs reported for a subsequent calendar year:  

   (a) The interest shall be not greater than two times the current average bank prime rate if the overpayment was not more than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.  

   (b) The interest shall be not greater than two and one-half times the current average bank prime rate if the overpayment was more than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.
Sec. 5124.46. All of the following are subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code:

(A) Any audit disallowance that the department of developmental disabilities makes as the result of an audit under section 5124.109 of the Revised Code;

(B) Any adverse finding that results from an exception review of resident assessment data conducted for an ICF/IID under section 5124.198 of the Revised Code after the effective date of the ICF/IID's medicaid payment rate for direct care costs that is based on the resident assessment data;

(C) Any medicaid payment deemed an overpayment under section 5124.523 of the Revised Code;

(D) Any penalty the department imposes under section 5124.42 of the Revised Code or section 5124.523 of the Revised Code.

   (c) If the individual's application is approved, the county board shall recommend to the departments of developmental disabilities and medicaid the services that should be included in the individual service plan. If either department under section 5166.21 of the Revised Code approves, reduces, denies, or terminates a service included in the plan because of the county board's recommendation, the board shall present, with the department that made the approval, reduction, denial, or termination, the reasons for the recommendation and approval, reduction, denial, or termination at a hearing held pursuant to an appeal made under section 5160.31 of the Revised Code.

(2) Perform any duties assigned to the county board in rules adopted under section 5126.046 of the Revised Code regarding the individual's right to choose a qualified and willing provider of the services and, at a hearing held pursuant to an appeal made under section 5160.31 of the Revised Code, present evidence of the process for appropriate assistance in choosing providers;
(3) If the county board is certified under section 5123.161 of the Revised Code to provide the services and agrees to provide the services to the individual and the individual chooses the county board to provide the services, furnish, in accordance with the county board's medicaid provider agreement and for the authorized reimbursement rate, the services the individual requires;

(4) Monitor the services provided to the individual and ensure the individual's health, safety, and welfare. The monitoring shall include quality assurance activities. If the county board provides the services, the department of developmental disabilities shall also monitor the services.

(5) Develop, with the individual and the provider of the individual's services, an effective individual service plan that includes coordination of services, recommend that the departments of developmental disabilities and medicaid approve the plan, and implement the plan unless either department disapproves it. The plan shall include a summary page, agreed to by the county board, provider, and individual receiving services, that clearly outlines the amount, duration, and scope of services to be provided under the plan.

(6) Have an investigative agent conduct investigations under section 5126.313 of the Revised Code that concern the individual;

(7) Have a service and support administrator perform the duties under division (B)(8) of section 5126.15 of the Revised Code that concern the individual.

Revised Code;

(2) All applicable federal and state laws;

(3) All applicable policies of the departments of developmental disabilities and medicaid and the United States department of health and human services;

(4) The department of medicaid's supervision under its authority as the single state medicaid agency;

(5) The department of developmental disabilities' oversight.

(C) The departments of developmental disabilities and medicaid shall communicate with and provide training to county boards regarding medicaid local administrative authority granted by this section. The communication and training shall include issues regarding audit protocols and other standards established by the United States department of health and human services that the departments determine appropriate for communication and training. County boards shall participate in the training. The departments shall assess the county board's compliance against uniform standards that the departments shall establish.

(D) A county board may not delegate its medicaid local administrative authority granted under this section but may contract with a person or government entity, including a council of governments, for assistance with its medicaid local administrative authority. A county board that enters into such a contract shall notify the director of developmental disabilities. The notice shall include the tasks and responsibilities that the contract gives to the person or government entity. The person or government entity shall comply in full with all requirements to which the county board is subject regarding the person or government entity's tasks and responsibilities under the contract. The county board remains ultimately responsible for the tasks and
responsibilities.

(E) A county board that has medicaid local administrative authority under this section shall, through the departments of developmental disabilities and medicaid, reply to, and cooperate in arranging compliance with, a program or fiscal audit or program violation exception that a state or federal audit or review discovers. The department of medicaid shall timely notify the department of developmental disabilities and the county board of any adverse findings. After receiving the notice, the county board, in conjunction with the department of developmental disabilities, shall cooperate fully with the department of medicaid and timely prepare and send to the department a written plan of correction or response to the adverse findings. The county board is liable for any adverse findings that result from an action it takes or fails to take in its implementation of medicaid local administrative authority.

(F) If the department of developmental disabilities or department of medicaid determines that a county board's implementation of its medicaid local administrative authority under this section is deficient, the department that makes the determination shall require that county board do the following:

1. If the deficiency affects the health, safety, or welfare of an individual with a developmental disability, correct the deficiency within twenty-four hours;

2. If the deficiency does not affect the health, safety, or welfare of an individual with a developmental disability, receive technical assistance from the department or submit a plan of correction to the department that is acceptable to the department within sixty days and correct the deficiency within the time required by the plan of correction.

Sec. 5126.056. (A) The department of developmental
disabilities shall take action under division (B) of this section against a county board of developmental disabilities if any either of the following are the case:

1. The county board fails to submit to the department all the components of its annual plan required by section 5126.054 of the Revised Code.

2. The department disapproves the county board's annual plan under section 5123.046 of the Revised Code.

3. The county board fails to implement its annual plan approved by the department.

4. The county board fails to correct a deficiency within the time required by division (F) of section 5126.055 of the Revised Code to the satisfaction of the department.

5. The county board fails to submit an acceptable plan of correction to the department within the time required by division (F)(2) of section 5126.055 of the Revised Code.

(B) If required by division (A) of this section to take action against a county board, the department shall issue an order terminating the county board's medicaid local administrative authority over all or part of home and community-based services, medicaid case management services, or all or part of both of those services. The department shall provide a copy of the order to the board of county commissioners, senior probate judge, county auditor, and president and superintendent of the county board. The department shall specify in the order the medicaid local administrative authority that the department is terminating, the reason for the termination, and the county board's option and responsibilities under this division.

A county board whose medicaid local administrative authority is terminated may, not later than thirty days after the department issues the termination order, recommend to the department that
another county board that has not had any of its medicaid local administrative authority terminated or another entity the department approves administer the services for which the county board's medicaid local administrative authority is terminated. The department may contract with the other county board or entity to administer the services. If the department enters into such a contract, the county board shall adopt a resolution giving the other county board or entity full medicaid local administrative authority over the services that the other county board or entity is to administer. The other county board or entity shall be known as the contracting authority.

If the department rejects the county board's recommendation regarding a contracting authority, the county board may appeal the rejection under section 5123.043 of the Revised Code.

If the county board does not submit a recommendation to the department regarding a contracting authority within the required time or the department rejects the county board's recommendation and the rejection is upheld pursuant to an appeal, if any, under section 5123.043 of the Revised Code, the department shall appoint an administrative receiver to administer the services for which the county board's medicaid local administrative authority is terminated. To the extent necessary for the department to appoint an administrative receiver, the department may utilize employees of the department, management personnel from another county board, or other individuals who are not employed by or affiliated with in any manner a person that provides home and community-based services or medicaid case management services pursuant to a contract with any county board. The administrative receiver shall assume full administrative responsibility for the county board's services for which the county board's medicaid local administrative authority is terminated.

The contracting authority or administrative receiver shall
develop and submit to the department a plan of correction to
remediate the problems that caused the department to issue the
termination order. If, after reviewing the plan, the department
approves it, the contracting authority or administrative receiver
shall implement the plan.

The county board shall transfer control of state and federal
funds it is otherwise eligible to receive for the services for
which the county board's medicaid local administrative authority
is terminated and funds the county board may use under division
(A) of section 5126.0511 of the Revised Code to pay the nonfederal
share of the services that the county board is required by
sections 5126.059 and 5126.0510 of the Revised Code to pay. The
county board shall transfer control of the funds to the
contracting authority or administrative receiver administering the
services. The amount the county board shall transfer shall be the
amount necessary for the contracting authority or administrative
receiver to fulfill its duties in administering the services,
including its duties to pay its personnel for time worked, travel,
and related matters. If the county board fails to make the
transfer, the department may withhold the state and federal funds
from the county board and bring a mandamus action against the
county board in the court of common pleas of the county served by
the county board or in the Franklin county court of common pleas.
The mandamus action may not require that the county board transfer
any funds other than the funds the county board is required by
division (B) of this section to transfer.

The contracting authority or administrative receiver has the
right to authorize the payment of bills in the same manner that
the county board may authorize payment of bills under this chapter
and section 319.16 of the Revised Code.

The board shall set aside the contracts so selected for bidding by minority business enterprises only. The bidding procedures for such contracts shall be the same as for all other contracts awarded under section 307.86 of the Revised Code, except that only minority business enterprises certified and listed under division (B) of this section shall be qualified to submit bids. Contracts set aside and awarded under this section shall not include contracts for the purchase of services such as direct and ancillary services, service and support administration, residential services, and family support services.

(D) To the extent that a board is authorized to enter into contracts for construction which are not exempt from the competitive bidding requirements of section 307.86 of the Revised Code, the board shall set aside and award a number of contracts with an aggregate value of approximately fifteen per cent of the total estimated value of such contracts to be awarded in the current calendar year to minority business enterprises certified under this section.
Code, the board shall set aside a number of contracts the aggregate value of which equals approximately five per cent of the aggregate value of construction contracts for the current calendar year for bidding by minority business enterprises only. Any contractor awarded a construction contract pursuant to this section shall make every effort to ensure that certified minority business subcontractors and materials suppliers participate in the contract. In the case of contracts specified in this division, the total value of subcontracts awarded to and materials and services purchased from minority businesses shall be at least ten per cent of the total value of the contract, wherever possible and whenever the contractor awards subcontracts or purchases materials or services.

(E) In the case of contracts set aside under divisions (C) and (D) of this section, if no bid is submitted by a minority business enterprise, the contract shall be awarded according to normal bidding procedures. The board shall from time to time set aside such additional contracts as are necessary to replace those contracts previously set aside on which no minority business enterprise bid.

(F) This section does not preclude any minority business enterprise from bidding on any other contract not specifically set aside for minority business enterprises.

(G) Within ninety days after the beginning of each calendar year, each county board of developmental disabilities shall file a report with the department of developmental disabilities that shows for that calendar year the name of each minority business
enterprise with which the board entered into a contract, the value and type of each such contract, the total value of contracts awarded under divisions (C) and (D) of this section, the total value of contracts awarded for the purchases of equipment, materials, supplies, or services, other than contracts entered into under the exemptions of sections 307.86 and 5126.05 of the Revised Code, and the total value of contracts entered into for construction.

(C) Each cost report filed under this section by a regional council or board shall may be audited by the department or an entity designated by the department, utilizing methodology approved by the United States centers for medicare and medicaid services. The department or designated entity shall notify the regional council or board of the date on which the audit is to begin. The department may permit a regional council or board to submit changes to the cost report before the audit begins.

If the department or designated entity determines that a filed cost report is not auditable, it shall provide written notification to the regional council or board of the cost report's deficiencies and may request additional documentation. If the department or designated entity requests additional documentation, the regional council or board shall be given sixty days after the request is made to provide the additional documentation. After sixty days, the department or designated entity shall determine whether the cost report is auditable with any additional documentation provided and shall notify the regional council or board of its determination. The determination of the department or designated entity is final.

(D) The department or designated entity shall certify its audit as complete and file a copy of the certified audit in the office of the clerk of the governing body, executive officer of the governing body, and chief fiscal officer of the audited regional council or board. Changes may not be made to a cost report once the department or designated entity files the certified audit. The cost report is not a public record under
section 149.43 of the Revised Code until copies of the cost report are filed pursuant to this section.

(E) The department may withhold any funds that it distributes to a regional council or board as subsidy payments if either of the following is the case:

(1) The cost report is not timely filed by the regional council or board with the department in accordance with division (B) of this section.

(2) The cost report is determined not auditable under division (C) of this section after the department or designated entity gives the regional council or board sixty days to provide additional documentation.

(F) Cost reports shall be retained by regional councils and boards for seven years. The department shall provide annual training to regional council and board employees regarding cost reports required by this section.

(G) The department, in accordance with Chapter 119. of the Revised Code, may adopt any rules necessary to implement this section.

Sec. 5145.31. (A) As used in this section, "computer," "computer network," "computer system," "computer services," "telecommunications service," and "information service" have the same meanings as in section 2913.01 of the Revised Code.

(B) No officer or employee of a correctional institution under the control or supervision of the department of rehabilitation and correction shall provide a prisoner access to or permit a prisoner to have access to the internet through the use of a computer, computer network, computer system, computer services, telecommunications service, or information service unless both of the following apply:

eligible counties and groups of counties for felony offenders and a program of subsidies for eligible municipal corporations, counties, and groups of counties for misdemeanor offenders for the development, implementation, and operation of community corrections programs. Department expenditures for administration of both programs of subsidies shall not exceed ten per cent of the moneys appropriated for each of the purposes of this division.

(2) Adopt and promulgate rules, under Chapter 119. of the Revised Code, providing standards for community corrections programs. The standards adopted by the department shall specify the class of offender whose degree of felony, whose community control sanction revocation history, or whose risk level as assessed by the single validated risk assessment tool described in section 5120.114 of the Revised Code, make the offender suitable for participation in community corrections programs. The rules shall make the level of subsidy provided to every county or group of counties contingent upon the number of offenders participating in community corrections programs each fiscal year who satisfy the participation suitability standards established by the department and upon the outcomes of any performance-based standards established by the department. The standards shall be designed to improve the quality and efficiency of the programs, to support evidence-based policies and practices, as defined by the department, and to reduce the number of persons committed to state correctional institutions and to county, multicounty, municipal, municipal-county, or multicounty-municipal jails or workhouses for offenses for which community control sanctions are authorized under section 2929.13, 2929.15, or 2929.25 of the Revised Code. division and shall amend or rescind any existing rule providing a
standard or adopt and promulgate additional rules providing

indicates that the standards fail to promote the purposes.

(3) Accept and use any funds, goods, or services from the
federal government or any other public or private source for the
support of the subsidy programs established under division (A) of
this section. The department may comply with any conditions and
enter into any agreements that it considers necessary to obtain
these funds, goods, or services.

Revised Code, and do all other things necessary to implement
sections 5149.30 to 5149.37 of the Revised Code;

(5) Evaluate or provide for the evaluation of community
corrections programs funded by the subsidy programs established

department, the effectiveness of the programs in the development
and implementation of community corrections programs, the specific

section and their effectiveness in promoting the purposes of the

(2) The department shall give any county, group of counties, or municipal corporation found to be noncompliant with the requirements described in division (B)(1) of this section a reasonable period of time to come into compliance. If the noncompliant county, group of counties, or municipal corporation does not become compliant after a reasonable period of time, the department shall reduce or eliminate the subsidy granted to that county, group of counties, or municipal corporation.

Sec. 5149.311. (C)(1) The probation incentive grant shall provide a performance-based level of funding to common pleas, municipal, and county court probation departments and community-based correctional facilities that are successful in reducing the number of offenders on probation supervision whose terms of supervision are revoked.

(2) The department shall calculate annually any cost savings realized by the state from a reduction in the percentage of people who are incarcerated because their terms of supervised probation were revoked. The cost savings estimate shall be calculated for each jurisdiction served by the probation department or community-based correctional facility eligible for a grant under this section and be based on the difference from the average of such commitments from the five calendar years immediately preceding the calendar year in which application for the grant was made and the fiscal year under examination.
(3) The department shall adopt rules that specify the subsidy amount to be appropriated to common pleas, municipal, and county court probation departments and community-based correctional facilities that successfully reduce the percentage of people on probation who are incarcerated because their terms of supervision are revoked.

(D) The following stipulations apply to both the probation improvement grant and the probation incentive grant:

(1) In order to be eligible for the probation improvement grant and the probation incentive grant, common pleas, municipal, and county courts must satisfy all requirements under sections 2301.27 and 2301.30 of the Revised Code. Except for sentencing decisions made by a court when use of the risk assessment tool is discretionary, in order to be eligible for the probation improvement grant and the probation incentive grant, a court or community-based correctional facility must utilize the single validated risk assessment tool selected by the department of rehabilitation and correction under section 5120.114 of the Revised Code.

(2) The department may deny a subsidy under this section to any applicant if the applicant fails to comply with the terms of any agreement entered into pursuant to any of the provisions of this section.

(4) The department shall specify the policies, practices, and programs for which common pleas, municipal, or county court
probation departments or community-based correctional facilities may use the program subsidy and shall establish minimum standards of quality and efficiency that recipients of the subsidy must follow. The department shall give priority to supporting evidence-based policies and practices, as defined by the department.

(K) The legal duties of PCSA caseworkers to protect the constitutional and statutory rights of children and families from the initial time of contact during investigation through treatment, including instruction regarding parents' rights and the limitations that the Fourth Amendment to the United States Constitution places upon caseworkers and their investigations;
(L) Content on other topics relevant to child abuse, neglect, and dependency, including permanency strategies, concurrent planning, and adoption as an option for unintended pregnancies.

After a PCSA caseworker's first year of continuous employment as a PCSA caseworker, the caseworker annually shall complete thirty-six hours of training in areas relevant to the caseworker's assigned duties.

During the first two years of continuous employment as a PCSA caseworker, each PCSA caseworker shall complete at least twelve hours of training in recognizing the signs of domestic violence and its relationship to child abuse as established in rules the director of job and family services shall adopt pursuant to Chapter 119. of the Revised Code. The twelve hours may be in addition to the training required during the caseworker's first year of employment or part of the training required during the second year of employment.
Sec. 5153.124.  (A)(1) The director of job and family services shall adopt rules as necessary to implement the training requirements of sections 5153.122 and 5153.123 of the Revised Code.

(2) Not later than nine months after the effective date of the amendment to this section by H.B. 110 of the 134th general assembly, the director shall adopt rules in accordance with Chapter 119. of the Revised Code to establish the circumstances under which an executive director of a public children services agency may waive portions of in-service training for PCSA caseworkers, in addition to the waiver described in section 5153.122 of the Revised Code.

(B) Notwithstanding sections 5103.33 to 5103.422 and sections 5153.122 to 5153.127 of the Revised Code, the department of job and family services may require additional training for PCSA caseworkers and PCSA caseworker supervisors as necessary to comply with federal requirements.

Sec. 5153.163.  (A) As used in this section, "adoptive:

(1) "Adoptive parent" means, as the context requires, a prospective adoptive parent or an adoptive parent.

(2) "Relative" has the same meaning as in section 5101.141 of the Revised Code.

(B)(1) Before a child's adoption is finalized, a public children services agency may enter into an agreement with the child's adoptive parent under which the agency, to the extent state funds are available, may make state adoption maintenance subsidy payments as needed on behalf of the child when all of the following apply:

(a) The child is a child with special needs.
(b) The child was placed in the adoptive home by a public children services agency or a private child placing agency and may legally be adopted.

(c) The adoptive parent has the capability of providing the permanent family relationships needed by the child.

(d) The needs of the child are beyond the economic resources of the adoptive parent.

(e) Acceptance of the child as a member of the adoptive parent's family would not be in the child's best interest without payments on the child's behalf under this section.

(f) The gross income of the adoptive parent's family does not exceed one hundred twenty per cent of the median income of a family of the same size, including the child, as most recently determined for this state by the secretary of health and human services under Title XX of the "Social Security Act," 88 Stat. 2337, 42 U.S.C.A. 1397, as amended.

(2) State adoption maintenance subsidy payment agreements must be made by either the public children services agency that has permanent custody of the child or the public children services agency of the county in which the private child placing agency that has permanent custody of the child is located.

(3) State adoption maintenance subsidy payments shall be made in accordance with the agreement between the public children services agency and the adoptive parent and are subject to an annual redetermination of need.

(4) Payments under this division may begin either before or after issuance of the final adoption decree, except that payments
made before issuance of the final adoption decree may be made only while the child is living in the adoptive parent's home. Preadoption payments may be made for not more than twelve months, unless the final adoption decree is not issued within that time because of a delay in court proceedings. Payments that begin before issuance of the final adoption decree may continue after its issuance.

(C)(1) If, after the child's adoption is finalized, a public children services agency considers a child residing in the county served by the agency to be in need of public care or protective services, the agency may, to the extent state funds are available for this purpose, enter into an agreement with the child's adoptive parent under which the agency may make post adoption special services subsidy payments on behalf of the child as needed when both of the following apply:

(a) The child has a physical or developmental handicap or mental or emotional condition that either:

(i) Existed before the adoption petition was filed; or

(ii) Developed after the adoption petition was filed and can be directly attributed to factors in the child's preadoption background, medical history, or biological family's background or medical history.

(b) The agency determines the expenses necessitated by the child's handicap or condition are beyond the adoptive parent's economic resources.

(2) Services for which a public children services agency may make post adoption special services subsidy payments on behalf of a child under this division shall include medical, surgical, psychiatric, psychological, and counseling services, including residential treatment.

(3) The department of job and family services shall establish
clinical standards to evaluate a child's physical or developmental handicap or mental or emotional condition and assess the child's need for services.

(4) The total dollar value of post adoption special services subsidy payments made on a child's behalf shall not exceed ten thousand dollars in any fiscal year, unless the department determines that extraordinary circumstances exist that necessitate further funding of services for the child. Under such extraordinary circumstances, the value of the payments made on the child's behalf shall not exceed fifteen thousand dollars in any fiscal year.

(5) The adoptive parent or parents of a child who receives post adoption special services subsidy payments shall pay at least five per cent of the total cost of all services provided to the child; except that a public children services agency may waive this requirement if the gross annual income of the child's adoptive family is not more than two hundred per cent of the federal poverty guideline.

(6) A public children services agency may use other sources of revenue to make post adoption special services subsidy payments, in addition to any state funds appropriated for that purpose. A public children services agency may enter into an agreement with a child's relative under which the agency, to the extent state funds are available, may provide state kinship guardianship assistance as needed on behalf of the child when all of the following apply:

(a) The relative has cared for the eligible child as a foster caregiver as defined by section 5103.02 of the Revised Code for at least six consecutive months.

(b) Both of the following apply:

(i) A juvenile court issued an order granting legal custody
of the child to the relative, or a probate court issued an order  
granting guardianship of the child to the relative, and the order  
is not a temporary court order.

   (ii) The relative has committed to care for the child on a  
permanent basis.

   (c) The relative signed a state kinship guardianship  
assistance agreement prior to assuming legal guardianship or legal  
custody of the child.

   (d) The child had been removed from home pursuant to a  
voluntary placement agreement or as a result of a judicial  
determination to the effect that continuation in the home would be  
contrary to the welfare of the child.

   (e) Returning the child home or adoption are not appropriate  
permanency options for the child.

   (f) The child demonstrates a strong attachment to the  
relative and the relative has a strong commitment to caring  
permanently for the child.

   (g) With respect to a child who has attained fourteen years  
of age, the child has been consulted regarding the state kinship  
guardianship assistance arrangement.

   (h) The child is not eligible for kinship guardianship  
assistance payments under Title IV-E of the "Social Security Act,"  
42 U.S.C. 673(d), as amended.

   (2) The public children services agency that had custody of a  
child immediately prior to a court granting legal custody or  
guardianship of the child to a relative of the child described in  
division (C)(1) of this section is authorized to enter into a  
state kinship guardianship assistance agreement with that  
relative.

   (3) State kinship guardianship assistance for a child shall  

57791 57792 57793 57794 57795 57796 57797 57798 57799 57800 57801 57802 57803 57804 57805 57806 57807 57808 57809 57810 57811 57812 57813 57814 57815 57816 57817 57818 57819 57820

assistance agreement entered into between the public children
services agency and relative of the child described in division
(C)(1) of this section and is subject to an annual redetermination
of need.

(4) Not later than fifteen months after the effective date of
this section, if the amended state plan submitted under Title IV-E
to implement 42 U.S.C. 673(d) as described in section 5101.1416 of
the Revised Code is approved, division (C) of this section shall
be implemented.

(D) No payment shall be made under division (B) or (C) of
this section on behalf of any person eighteen years of age or
older beyond the end of the school year during which the person
attains the age of eighteen or on behalf of a mentally or
physically handicapped person twenty-one years of age or older.

(E) The director of job and family services shall adopt rules
in accordance with Chapter 119. of the Revised Code that are
needed to implement this section. The rules shall establish all of
the following:

(1) The application process for all forms of assistance
provided under this section;

(6) Any other rule, requirement, or procedure the department considers appropriate for the implementation of this section.

(F) The state adoption special services subsidy program ceases to exist on July 1, 2004, except that, subject to the findings of the annual redetermination process established under division (E) of this section and the child's individual need for services, a public children services agency may continue to provide state adoption special services subsidy payments on behalf of a child for whom payments were being made prior to July 1, 2004.

(G) No public children services agency shall, pursuant to either section 2151.352 or 5103.15 of the Revised Code, place or maintain a child with special needs who is in the permanent custody of an institution or association certified by the department of job and family services under section 5103.03 of the Revised Code in a setting other than with a person seeking to adopt the child, unless the agency has determined and redetermined at intervals of not more than six months the impossibility of adoption by a person who wishes to adopt children, and is approved by an agency so empowered under Chapter 5103. of the Revised Code, or by a person who wishes to adopt a child with special needs as defined in rules adopted under this section, and who is approved by an agency so empowered under Chapter 5103. of the Revised Code, including the impossibility of entering into a payment agreement with such a person. The agency so maintaining such a child shall report its reasons for doing so to the department of job and family services.

The department may take any action permitted under section 5101.24 of the Revised Code for an agency's failure to determine, redetermine, and report on a child's status.

Sec. 5164.342. (A) As used in this section:

"Applicant" means a person who is under final consideration for employment with a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Community-based long-term care provider" means a provider as defined in section 173.39 of the Revised Code.

"Community-based long-term care subcontractor" means a subcontractor as defined in section 173.38 of the Revised Code.

"Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

"Disqualifying offense" means any of the offenses listed or described in divisions (A)(3)(a) to (e) of section 109.572 of the Revised Code.
"Employee" means a person employed by a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Waiver agency" means a person or government entity that provides home and community-based services under a home and community-based services medicaid waiver component administered by the department of medicaid, other than such a person or government entity that is certified under the medicare program. "Waiver agency" does not mean an independent provider as defined in section 5164.341 of the Revised Code.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 3740.11 of the Revised Code. If a waiver agency also is a community-based long-term care provider or community-based long-term care subcontractor, the waiver agency may provide for any of its applicants and employees who are not subject to database reviews and criminal records checks under section 173.38 of the Revised Code to undergo database reviews and criminal records checks in accordance with that section rather than this section.

(C) No waiver agency shall employ an applicant or continue to employ an employee in a position that involves providing home and community-based services if any of the following apply:

(1) A review of the databases listed in division (E) of this section reveals any of the following:

(a) That the applicant or employee is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(b) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement
detailing findings by the director of health that the applicant or employee abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules authorized by this section and the rules prohibit the waiver agency from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing home and community-based services.

(2) After the applicant or employee is given the information and notification required by divisions (F)(2)(a) and (b) of this section, the applicant or employee fails to do either of the following:

(a) Access, complete, or forward to the superintendent of the bureau of criminal identification and investigation the form prescribed to division (C)(1) of section 109.572 of the Revised Code or the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Instruct the superintendent to submit the completed report of the criminal records check required by this section directly to the chief administrator of the waiver agency.

(3) Except as provided in rules authorized by this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense, regardless of the date of the conviction or date of entry of the guilty plea.

(D) At the time of each applicant's initial application for employment in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall inform the applicant of both of the following:
(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the waiver agency is prohibited by division (C)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall conduct a database review of the applicant in accordance with rules authorized by this section. If rules authorized by this section so require, the chief administrator of a waiver agency shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. A database review shall determine whether the applicant or employee is included in any of the following:

(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of developmental disabilities employees established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender...

3721.32 of the Revised Code;

by this section.

(F) (1) As a condition of employing any applicant in a
position that involves providing home and community-based
services, the chief administrator of a waiver agency shall require
the applicant to request that the superintendent of the bureau of
criminal identification and investigation conduct a criminal
records check of the applicant. If rules authorized by this
section so require, the chief administrator of a waiver agency
shall require an employee to request that the superintendent
criminal records check of the employee at times
specified in the rules as a condition of continuing to employ the
employee in a position that involves providing home and
community-based services. However, a criminal records check is not
required for an applicant or employee if the waiver agency is
prohibited by division (C)(1) of this section from employing the
applicant or continuing to employ the employee in a position that
involves providing home and community-based services. If an
applicant or employee for whom a criminal records check request is
required by this section does not present proof of having been a
resident of this state for the five-year period immediately prior
to the date the criminal records check is requested or provide
evidence that within that five-year period the superintendent has
requested information about the applicant or employee from the
federal bureau of investigation in a criminal records check, the
chief administrator shall require the applicant or employee to
request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the chief administrator may require the applicant or employee to request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The chief administrator shall provide the following to each applicant and employee for whom a criminal records check is required by this section:

(a) Information about accessing, completing, and forwarding to the superintendent of the bureau of criminal identification and investigation the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Written notification that the applicant or employee is to instruct the superintendent to submit the completed report of the criminal records check directly to the chief administrator.

(3) A waiver agency shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for any criminal records check required by this section. However, a waiver agency may require an applicant to pay to the bureau the fee for a criminal records check of the applicant. If the waiver agency pays the fee for an applicant, it may charge the applicant a fee not exceeding the amount the waiver agency pays to the bureau under this section if the waiver agency notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.
(G)(1) A waiver agency may employ conditionally an applicant for whom a criminal records check is required by this section prior to obtaining the results of the criminal records check if both of the following apply:

(a) The waiver agency is not prohibited by division (C)(1) of this section from employing the applicant in a position that involves providing home and community-based services.

(b) The chief administrator of the waiver agency requires the applicant to request a criminal records check regarding the applicant in accordance with division (F)(1) of this section not later than five business days after the applicant begins conditional employment.

(2) A waiver agency that employs an applicant conditionally under division (G)(1) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of or has pleaded guilty to a disqualifying offense, the waiver agency shall terminate the applicant's employment unless circumstances specified in rules authorized by this section exist that permit the waiver agency to employ the applicant and the waiver agency chooses to employ the applicant.

(H) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

   (b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;
(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting a database review under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of a database review, the circumstances under which a waiver agency is prohibited from employing an applicant or continuing to employ an employee who is found by the database review to be included in one or more of those databases;

(d) The circumstances under which a waiver agency may employ an applicant or employee who is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense.

(J) The amendments made by H.B. 487 of the 129th general assembly to this section do not preclude the department of medicaid from taking action against a person for failure to comply with former division (H) of this section as that division existed on the day preceding January 1, 2013.

Except as otherwise provided by sections 5165.151 to 5165.157 and 5165.34 of the Revised Code, the total per medicaid day payment rate that the department of medicaid shall pay a nursing facility provider for nursing facility services the provider's nursing facility provides during a state fiscal year shall be determined as follows:

(A) Determine the sum of all of the following:

(1) The per medicaid day payment rate for ancillary and support costs determined for the nursing facility under section 5165.16 of the Revised Code;

(2) The per medicaid day payment rate for capital costs determined for the nursing facility under section 5165.17 of the Revised Code;

(C) From the sum determined under division (B) of this section, subtract one dollar and seventy-nine cents.

(D) To the difference determined under division (C) of this section, add the per medicaid day quality payment rate determined for the nursing facility under section 5165.25 of the Revised Code.

(E) To the sum determined under division (D) of this section, add, for state fiscal year 2021 and 2022 and for state fiscal year 2023, the per medicaid day quality incentive payment rate determined for the nursing facility under section 5165.26 of the Revised Code.

Sec. 5165.151. (A) The total per medicaid day payment rate determined under section 5165.15 of the Revised Code shall not be the initial rate for nursing facility services provided by a new nursing facility. Instead, the initial total per medicaid day payment rate for nursing facility services provided by a new nursing facility shall be determined in the following manner:

(1) The initial rate for ancillary and support costs shall be the rate for the new nursing facility's peer group determined under division (C) of section 5165.16 of the Revised Code.

(2) The initial rate for capital costs shall be the rate for the new nursing facility's peer group determined under division (C) of section 5165.17 of the Revised Code;

(3) The initial rate for direct care costs shall be the product of the cost per case-mix unit determined under division (C) of section 5165.19 of the Revised Code for the new nursing facility.
facility's peer group and the new nursing facility's case-mix score determined under division (B) of this section.

(4) The initial rate for tax costs shall be the following:

(a) If the provider of the new nursing facility submits to the department of medicaid the nursing facility's projected tax costs for the calendar year in which the provider obtains an initial provider agreement for the new nursing facility, an amount determined by dividing those projected tax costs by the number of inpatient days the nursing facility would have for that calendar year if its occupancy rate were one hundred per cent;

(b) If division (A)(4)(a) of this section does not apply, the median rate for tax costs for the new nursing facility's peer group in which the nursing facility is placed under division (B) of section 5165.16 of the Revised Code.

(5) The quality payment shall be the mean quality payment rate determined for nursing facilities under section 5165.25 of the Revised Code.

(6) Fourteen dollars and sixty-five cents shall be added to the sum of the rates and payment specified in divisions (A)(1) to (5)(4) of this section.

(B) For the purpose of division (A)(3) of this section, a new nursing facility's case-mix score shall be the following:

(1) Unless the new nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the new nursing facility begins participating in the medicaid program, the median annual average case-mix score for the new nursing facility's peer group;

(2) If the nursing facility replaces an existing nursing facility that participated in the medicaid program immediately before the new nursing facility begins participating in the
medicaid program, the semiannual case-mix score most recently determined under section 5165.192 of the Revised Code for the replaced nursing facility as adjusted, if necessary, to reflect any difference in the number of beds in the replaced and new nursing facilities.

(C) Subject to division (D) of this section, the department of medicaid shall adjust the rates established under division (A) of this section effective the first day of July, to reflect new rate calculations for all nursing facilities under this chapter.

(D) If a rate for direct care costs is determined under this section for a new nursing facility using the median annual average case-mix score for the new nursing facility's peer group, the rate shall be redetermined to reflect the new nursing facility's actual semiannual average case-mix score determined under section 5165.192 of the Revised Code after the new nursing facility submits its first two quarterly assessment data that qualify for use in calculating a case-mix score in accordance with rules authorized by section 5165.192 of the Revised Code. If the new nursing facility's quarterly submissions do not qualify for use in calculating a case-mix score, the department shall continue to use the median annual average case-mix score for the new nursing facility's peer group in lieu of the new nursing facility's semiannual case-mix score until the new nursing facility submits two consecutive quarterly assessment data that qualify for use in calculating a case-mix score.

**Sec. 5165.16.** (A) The department of medicaid shall determine each nursing facility's per medicaid day payment rate for ancillary and support costs. A nursing facility's rate shall be the rate determined under division (C) of this section for the nursing facility's peer group.

(B) For the purpose of determining nursing facilities' rates
for ancillary and support costs, the department shall establish six peer groups composed as follows:

(1) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

(2) Each nursing facility located in any of the following counties shall be placed in peer group three or four: Allen, Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

(3) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and Wyandot. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.
The department shall determine the rate for ancillary and support costs for each peer group established under division (B) of this section. The rate for ancillary and support costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a peer group's rate for ancillary and support costs, the department shall do all of the following:

(a) Subject to division (C)(2) of this section, determine the rate for ancillary and support costs for each nursing facility in the peer group for the applicable calendar year by using the greater of the nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been ninety per cent;

(b) Subject to division (C)(2) of this section, identify which nursing facility in the peer group is at the twenty-fifth percentile of the rate for ancillary and support costs for the applicable calendar year determined under division (C)(1)(a) of this section;

(c) Multiply the rate for ancillary and support costs determined under division (C)(1)(a) of this section for the nursing facility identified under division (C)(1)(b) of this section by the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year using the following:

(i) Except as provided in division (C)(1)(c)(ii) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States
bureau of labor statistics;

(ii) If the United States bureau of labor statistics ceases to publish the index specified in division (C)(1)(c)(i) of this section, the index the bureau subsequently publishes that covers urban consumers' prices for items for the region that includes this state.

(2) For the purpose of determining a nursing facility's occupancy rate under division (C)(1)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity unless the nursing facility also removes the beds from its licensed bed capacity.

(3) In making the identification under division (C)(1)(b) of this section, the department shall exclude both of the following:

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose ancillary and support costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem ancillary and support cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(4) The department shall not redetermine a peer group's rate for ancillary and support costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for ancillary and support costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

Sec. 5165.17. (A) The department of medicaid shall determine each nursing facility's per medicaid day payment rate for capital
costs. A nursing facility's rate shall be the rate determined under division (C) of this section for the nursing facility's peer group.

(B) For the purpose of determining nursing facilities' rates for capital costs, the department shall establish six peer groups.

(1) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

(2) Each nursing facility located in any of the following counties shall be placed in peer group three or four: Allen, Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

(3) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams,
and Wyandot. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.

(C)(1) The department shall determine the rate for capital costs for each peer group established under division (B) of this section. The rate for capital costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. A peer group's rate for capital costs shall be the rate for capital costs for the nursing facility in the peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year.

(2) To identify the nursing facility in a peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year, the department shall do both of the following:

(a) Subject to division (C)(3) of this section, use the greater of each nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been one hundred per cent;

(b) Exclude both of the following:

(i) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(ii) Nursing facilities whose capital costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem capital cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(3) For the purpose of determining a nursing facility's
occupancy rate under division (C)(2)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity after June 30, 2005, unless the nursing facility also removes the beds from its licensed bed capacity.

(4) The department shall not redetermine a peer group's rate for capital costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for capital costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

(D) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted under section 5165.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under this chapter is used to reimburse the government agency.

(E) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division (E)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the
facility's cost report for the calendar year preceding the state fiscal year during which the rate will be paid.

(2) For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program, except as otherwise provided in this chapter.

(3) Except as provided in division (E)(4) of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the provider that transferred the interest to continue to operate the facility under a lease, management agreement, or other arrangement. If the previous sentence does not prohibit the adjustment of the capital cost basis under this division, the basis of the asset shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time that the transferor held the asset.

(4) If a provider transfers an interest in a facility to another provider who is a related party, the capital cost basis of the asset shall be adjusted as specified in division (E)(3) of this section if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) Except as provided in division (E)(4)(c)(ii) of this section, the provider making the transfer retains no ownership interest in the facility;

(c) The department determines that the transfer is an arm's length transaction pursuant to rules adopted under section 5165.02 of the Revised Code. The rules shall provide that a transfer is an arm's length transaction if all of the following apply:
(i) Once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the facility or the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(ii) The provider that made the transfer does not reacquire an interest in the facility except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the facility in this manner, the department shall treat the facility as if the transfer never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The transfer satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (E)(4) of this section or actual, allowable capital costs was determined most recently under division (F)(9) of this section.

(F) As used in this division:

"Imputed interest" means the lesser of the prime rate plus two per cent or ten per cent.

"Lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease.

"New lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.
(1) Subject to division (A) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable capital cost during the term of the existing lease. The entire lease expense also is an actual, allowable capital cost if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to division (A) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(3) Subject to division (A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that is initially operated under a lease, actual, allowable capital costs shall include the annual lease expense if there was a substantial commitment of money for construction of the facility after December 22, 1992, and before July 1, 1993. If there was not a substantial commitment of money after December 22, 1992, and before July 1, 1993, actual, allowable capital costs shall include the lesser of the annual lease expense or the sum of the following:
(a) The annual depreciation expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis;

(b) The greater of the lessor's actual annual amortization of financing costs and interest expense at the inception of the lease or the imputed interest expense calculated at the inception of the lease using seventy per cent of the lessor's historical capital asset cost basis.

(4) Subject to division (A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that was not initially operated under a lease and has been in existence for ten years, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the entire historical capital asset cost basis of one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(5) Subject to division (A) of this section, for a new lease of a facility that was operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual new lease expense or the annual old lease payment. If the old lease was in effect for ten years or longer, the old lease payment from the beginning of the old lease shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

(6) Subject to division (A) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable
capital costs shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division (F)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be, for purposes of calculating the annual amount under division (F)(2), (3), (4), or (6) of this section, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

In the case of a lease under division (F)(3) of this section of a facility for which a substantial commitment of money was made after December 22, 1992, and before July 1, 1993, the old lease payment shall be adjusted for the purpose of determining the annual amount.

(7) For any revision of a lease described in division (F)(1), (2), (3), (4), (5), or (6) of this section, or for any subsequent lease of a facility operated under such a lease, other than execution of a new lease, the portion of actual, allowable capital costs attributable to the lease shall be the same as before the revision or subsequent lease.

(8) Except as provided in division (F)(9) of this section, if a provider leases an interest in a facility to another provider who is a related party or previously operated the facility, the related party's or previous operator's actual, allowable capital costs shall include the lesser of the annual lease expense or the reasonable cost to the lessor.

(9) If a provider leases an interest in a facility to another provider who is a related party, regardless of the date of the lease, the related party's actual, allowable capital costs shall include the annual lease expense, subject to the limitations specified in divisions (F)(1) to (7) of this section, if all of
the following conditions are met:

(a) The related party is a relative of owner;

(b) If the lessor retains an ownership interest, it is, except as provided in division (F)(9)(c)(ii) of this section, in only the real property and any improvements on the real property;

(c) The department determines that the lease is an arm's length transaction pursuant to rules adopted under section 5165.02 of the Revised Code. The rules shall provide that a lease is an arm's length transaction if all of the following apply:

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (F)(9)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility as if the lease never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The lease satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (E)(4) of this section or actual, allowable capital costs were determined most recently under division (F)(9) of this section.

(10) This division does not apply to leases of specific items
of equipment.

Sec. 5165.191. Each calendar quarter, each nursing facility provider shall compile complete assessment data for each resident of each of the provider's nursing facilities, regardless of payment source, who is in the nursing facility, or on hospital or therapeutic leave from the nursing facility, on the last day of the quarter. A resident assessment instrument specified in rules authorized by this section shall be used to compile the resident assessment data. Each provider shall submit the resident assessment data to the department of health and, if required by the rules, the department of medicaid. The resident assessment data shall be submitted not later than fifteen days after the end of the calendar quarter for which the data is compiled. If the resident assessment data is to be submitted to the department of medicaid, it shall be submitted to the department through the medium or media specified in the rules.

Rules adopted under section 5165.02 of the Revised Code shall do all of the following:

(A) In a manner consistent with the "Social Security Act," section 1919(e)(5), 42 U.S.C. 1396r(e)(5), specify a resident assessment instrument to be used by nursing facility providers under this section;

(B) Specify whether nursing facility providers must submit the resident assessment data to the department of medicaid;

(C) Specify any resident assessment data that is excluded from the case mix calculation made under section 5165.192 of the Revised Code;

(D) If the rules specify that nursing facility providers must submit the resident assessment data to the department, specify the medium or media through which the data is to be submitted.
Sec. 5165.26. (A) As used in this section:

(1) "Base rate" means the portion of a nursing facility's total per medicaid day payment rate determined under divisions (A) and (B), and (C) of section 5165.15 of the Revised Code.

(2) "CMS" means the United States centers for medicare and medicaid services.

(3) "Force majeure event" means an uncontrollable force or natural disaster not within the power of a nursing facility's operator.

(4) "Long-stay resident" has the same meaning as in section 5165.25 of the Revised Code means an individual who has resided in a nursing facility for at least one hundred one days.

(5) "Nursing facilities for which a quality score was determined" includes nursing facilities that are determined to have a quality score of zero.

(B) For state fiscal year 2021, 2022 and state fiscal year 2023, and subject to divisions (D), (E), and (F), and (G) of this section, the department of medicaid shall determine each nursing facility's per medicaid day quality incentive payment rate as follows:

(1) Determine the sum of the quality scores determined under division (C) of this section for all nursing facilities.

(2) Determine the average quality score by dividing the sum determined under division (B)(1) of this section by the number of nursing facilities for which a quality score was determined.

(3) For state fiscal year 2021, determine the sum of the total number of medicaid days for all of the calendar year 2019 preceding the fiscal year for which the rate is determined for all nursing facilities for which a quality score was determined.
(4) Multiply the average quality score determined under division (B)(2) of this section by the sum determined under division (B)(3) of this section.

(5) Determine the value per quality point by determining the quotient of the following:

(a) For state fiscal year 2021, the sum determined under division (F)(2) of this section.

(b) The product determined under division (B)(4) of this section.

(6) Multiply the value per quality point determined under division (B)(5) of this section by the nursing facility's quality score determined under division (C) of this section.

(C)(1) Except as provided in divisions (C)(2) and (3) of this section, a nursing facility's quality score for state fiscal year 2021, 2022 and state fiscal year 2023 shall be the sum of the total number of points that CMS assigned to the nursing facility, including a nursing facility that underwent a change of operator, under CMS's nursing facility five-star quality rating system for the following quality metrics based on the most recent four-quarter average data available in the database maintained by the United States centers for medicare and medicaid services CMS and known as nursing home compare in May of the calendar year preceding the fiscal year for which the rate is determined begins:

(a) The percentage of the nursing facility's long-stay residents at high risk for pressure ulcers who had pressure ulcers;

(b) The percentage of the nursing facility's long-stay residents who had a urinary tract infection;

(c) The percentage of the nursing facility's long-stay
residents whose ability to move independently worsened; 59584

(d) The percentage of the nursing facility's long-stay residents who had a catheter inserted and left in their bladder. 59585

(2) In determining a nursing facility's quality score for state fiscal year 2021, 2022 and state fiscal year 2023, the department shall make the following adjustment to the number of points that CMS assigned to the nursing facility, including a nursing facility that underwent a change of operator, for each of the quality metrics specified in division (C)(1) of this section:

(a) Unless division (C)(2)(b) of this section applies, divide the number of the nursing facility's points for the quality metric by twenty.

(b) If CMS assigned the nursing facility to the lowest percentile for the quality metric, reduce the number of the nursing facility's points for the quality metric to zero.

after June 30, 2015.

(22) Any term used in this section has the same meaning as in
section 5727.84 or 5751.20 of the Revised Code unless otherwise
defined by this section.

(B)(1) "Total resources" used to compute payments to be made
under division (C) of this section shall be reduced to the extent
that payments distributed in calendar year 2014 were attributable
to levies no longer charged and payable.

(2) "Current expense allocation" used to compute payments to
be made under division (C) of this section shall be reduced to the
extent that payments distributed in calendar year 2014 were

the tax commissioner shall compute payments for operating
fixed-rate levy losses of local taxing units and public libraries
for fiscal year 2016 and each year thereafter as prescribed in
divisions (C)(1)(a) and (b) of this section:

(a) For public libraries and local taxing units other than
municipal corporations:

(i) If the ratio of current expense allocation to total
resources is equal to or less than the threshold per cent, zero;

(ii) If the ratio of current expense allocation to total
resources is greater than the threshold per cent, the current
expense allocation minus the product of total resources multiplied
by the threshold per cent.

(b) For municipal corporations:

(i) If the ratio of the municipal current expense allocation

to total resources is equal to or less than the threshold per cent, zero;

(ii) If the ratio of the municipal current expense allocation to total resources is greater than the threshold per cent, the municipal current expense allocation minus the product of total resources multiplied by the threshold per cent.

(2) For any local taxing unit or public library with operating fixed-rate levy losses greater than zero, the operating fixed-rate levy loss shall be allocated among all qualifying operating fixed-rate levies in proportion to each such levy's share of the payments received in tax year 2014. In fiscal year 2016 and thereafter, if a levy to which operating fixed-rate levy loss is allocated is no longer charged and payable, the payment to the local taxing unit or public library shall be reduced by the amount allocated to the levy that is no longer charged and payable.

(D)(1) Except as provided in division (D)(2) of this section, the tax commissioner shall make payments to local taxing units equal to the sum of TPP inside millage debt levy loss and S.B. 3 inside millage debt levy loss. No payment shall be made if the levy for which the levy loss is computed is not charged and payable for debt purposes in fiscal year 2016 or any year thereafter.

(2) No payment shall be made for TPP inside millage debt levy loss in calendar year 2018 or thereafter. No payment shall be made for S.B.3 inside millage debt levy loss in calendar year 2017 or thereafter.

(E) For a qualifying municipal corporation, the tax commissioner shall compute payments for fiscal year 2016 and each ensuing fiscal year in an amount equal to the amount of tax imposed under section 5727.81 of the Revised Code and paid on the
basis of qualifying kilowatt hours of electricity distributed through the meter of a qualifying end user located in the municipal corporation for measurement periods ending in the preceding calendar year. The payment shall be computed regardless of whether the qualifying municipal corporation qualifies for a payment under any other division of this section for the fiscal year in which the payment is computed under this division. For the purposes of this division, the commissioner may require an electric distribution company distributing qualifying kilowatt hours or, if the end user is a self-assessing purchaser, the end user, to report to the commissioner the number of qualifying kilowatt hours distributed through the meter of the qualifying end user.

(F)(1) The payments required to be made under divisions (C) and (D), and (H) of this section shall be paid from the local government tangible property tax replacement fund to the county undivided income tax fund in the proper county treasury. Beginning in August 2015, one-half of the amount determined under each of those divisions shall be paid on or before the last day of August each year, and one-half shall be paid on or before the last day of February each year. Within thirty days after receipt of such payments, the county treasurer shall distribute amounts determined under this section to the proper local taxing unit or public library as if they had been levied and collected as taxes, and the local taxing unit or public library shall allocate the amounts so received among its funds in the same proportions as if those amounts had been levied and collected as taxes.

(2) On or before the last day of August and of February of each fiscal year that follows a calendar year in which taxes are paid on the basis of qualifying kilowatt hours of electricity distributed through the meter of a qualifying end user located in a qualifying municipal corporation, one-half of the payment
computed under division (E) of this section shall be paid from the local government tangible personal property tax replacement fund directly to the qualifying municipal corporation. The municipal corporation shall credit the payments to a special fund created for the purpose of providing grants or other financial assistance to the qualifying end user or to compensate the municipal corporation for municipal income tax or other tax credits or reductions as the legislative authority may grant to the qualifying end user. Such grants or other financial assistance may be provided for by ordinance or resolution of the legislative authority of the qualifying municipal corporation and may continue for as long as is provided by the ordinance or resolution.

(G) If all or a part of the territories of two or more local taxing units are merged, or unincorporated territory of a township is annexed by a municipal corporation, the tax commissioner shall adjust the payments made under this section to each of the local taxing units in proportion to the square mileage of the merged or annexed territory as a percentage of the total square mileage of the jurisdiction from which the territory originated, or as otherwise provided by a written agreement between the legislative authorities of the local taxing units certified to the commissioner not later than the first day of June of the calendar year in which the payment is to be made.

(H) For fiscal years 2022 through 2026, if the total amount to be received under division (C) of this section by a joint fire district that has a nuclear power plant located within its territory is less than the amount the district received under this section in fiscal year 2017, the district shall receive a supplemental payment equal to the difference between the amount to be received under that division for the fiscal year and the amount received under this section in fiscal year 2017.
Sec. 5726.20. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any person that fails to file a return or report or pay any tax as required by this chapter. The reporting person for a taxpayer shall file the annual report required under section 5726.02 5726.03 of the Revised Code and remit the tax imposed by this chapter. Each person included in the annual report of the taxpayer is jointly and severally liable for the tax imposed by this chapter and any penalties and interest thereon. If the reporting person fails, for any reason, to file and remit any tax, the amount due may be collected by assessment against the reporting person and against any or all other persons required to be included in the annual report of the taxpayer as provided in section 5703.90 of the Revised Code. The commissioner shall make the assessment in the manner provided in this section. The commissioner shall give the person assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the petition.

(B) No assessment shall be made or issued against a person under this section more than four years after the later of the final date the report subject to assessment was required to be filed or the date such report was filed. Such time limit may be extended if both the person and the commissioner consent in writing to the extension or if an agreement waiving or extending the time limit has been entered into pursuant to section 122.171 of the Revised Code. Any such extension shall extend the four-year time limit prescribed in division (A) of section 5726.30 of the Revised Code for the same period of time. There shall be no bar or limit to an assessment against a person that fails to file a report subject to assessment as required by this chapter, or that
files a fraudulent report.

(C) Unless the person assessed, within sixty days after service of the notice of assessment, files with the tax commissioner, either in person or by certified mail, a written petition for reassessment signed by the person or the person's authorized agent having knowledge of the facts, the assessment shall become final, and the amount of the assessment is due and payable from the person assessed to the treasurer of state. A petition shall indicate the objections of the person assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(D)(1) After an assessment becomes final, if any portion of the assessment, including any accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the person resides or has its principal place of business in this state, or in the office of the clerk of court of common pleas of Franklin county.

(2) Immediately upon the filing of the entry, the clerk shall enter judgment for the state against the person assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled, "special judgments for the financial institution tax" and shall have the same effect as other judgments. Execution shall issue upon the judgment at the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

(3) If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the
rate per annum prescribed by section 5703.47 of the Revised Code from the date the tax commissioner issues the assessment until the date the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(E) If the tax commissioner believes that collection of the tax imposed by this chapter will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the person liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (D) of this section. Notice of the jeopardy assessment shall be served on the person assessed or the person's authorized agent in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed shall be immediately due and payable, unless the person assessed files a petition for reassessment in accordance with division (C) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment shall not prejudice the commissioner's consideration of the petition for reassessment.

(F) The tax commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives under
this section. Such amounts shall be considered as revenue arising from the tax imposed by this chapter.

(G) If the tax commissioner possesses information indicating that the amount of tax a taxpayer is required to pay under this chapter exceeds the amount the reporting person for the taxpayer paid, the tax commissioner may audit a sample of the taxpayer's gross receipts over a representative period of time to ascertain the amount of tax due, and may issue an assessment based on the audit. The tax commissioner shall make a good faith effort to reach agreement with the taxpayer in selecting a representative sample. The tax commissioner may apply a sampling method only if the commissioner has prescribed the method by rule.

(H) If the whereabouts of a person subject to this chapter is not known to the tax commissioner, the secretary of state is hereby deemed to be that person's agent for purposes of service of process or notice of any assessment, action, or proceedings instituted in this state against the person under this chapter. Such process or notice shall be served on such person by the commissioner or by an agent of the commissioner by leaving a true and attested copy of the process or notice at the office of the secretary of state at least fifteen days before the return day of such process or notice, and by sending a copy of the process or notice to such person by ordinary mail, with an endorsement thereon of the service upon the secretary of state, addressed to such person at the person's last known address.

Sec. 5727.75. (A) For purposes of this section:

1) "Qualified energy project" means an energy project certified by the director of development services pursuant to this section.

2) "Energy project" means a project to provide electric power through the construction, installation, and use of an energy
facility.

(3) "Alternative energy zone" means a county declared as such by the board of county commissioners under division (E)(1)(b) or (c) of this section.

(4) "Full-time equivalent employee" means the total number of employee-hours for which compensation was paid to individuals employed at a qualified energy project for services performed at the project during the calendar year divided by two thousand eighty hours.

(5) "Solar energy project" means an energy project composed of an energy facility using solar panels to generate electricity.

(6) "Internet identifier of record" has the same meaning as in section 9.312 of the Revised Code.

(B)(1) Tangible personal property of a qualified energy project using renewable energy resources is exempt from taxation for tax years 2011 through 2025 if all of the following conditions are satisfied:

(a) On or before December 31, 2024, the owner or a lessee pursuant to a sale and leaseback transaction of the project submits an application to the power siting board for a certificate under section 4906.20 of the Revised Code, or if that section does not apply, submits an application for any approval, consent, permit, or certificate or satisfies any condition required by a public agency or political subdivision of this state for the construction or initial operation of an energy project.

(b) Construction or installation of the energy facility begins on or after January 1, 2009, and before January 1, 2025. For the purposes of this division, construction begins on the earlier of the date of application for a certificate or other approval or permit described in division (B)(1)(a) of this section, or the date the contract for the construction or
installation of the energy facility is entered into.

(c) For a qualified energy project with a nameplate capacity of twenty megawatts or greater, a board of county commissioners of a county in which property of the project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting an application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(2) If tangible personal property of a qualified energy project using renewable energy resources was exempt from taxation under this section beginning in any of tax years 2011 through 2025, and the certification under division (E)(2) of this section has not been revoked, the tangible personal property of the qualified energy project is exempt from taxation for tax year 2024 and all ensuing tax years if the property was placed into service before January 1, 2026, as certified in the construction progress report required under division (F)(2) of this section. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation. An energy project for which certification has been revoked is ineligible for further exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(C) Tangible personal property of a qualified energy project using clean coal technology, advanced nuclear technology, or cogeneration technology is exempt from taxation for the first tax year that the property would be listed for taxation and all subsequent years if all of the following circumstances are met:
(1) The property was placed into service before January 1, 2021. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation.

(2) For such a qualified energy project with a nameplate capacity of twenty megawatts or greater, a board of county commissioners of a county in which property of the qualified energy project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting the application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(3) The certification for the qualified energy project issued under division (E)(2) of this section has not been revoked. An energy project for which certification has been revoked is ineligible for exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(D) Except as otherwise provided in this section, real property of a qualified energy project is exempt from taxation for any tax year for which the tangible personal property of the qualified energy project is exempted under this section.

(E)(1)(a) A person may apply to the director of development services for certification of an energy project as a qualified energy project on or before the following dates:

(i) December 31, 2022, for an energy project using renewable energy resources;

(ii) December 31, 2017, for an energy project using clean energy resources;
coal technology, advanced nuclear technology, or cogeneration technology.

(b) The director shall forward a copy of each application for certification of an energy project with a nameplate capacity of twenty megawatts or greater to the board of county commissioners of each county in which the project is located and to each taxing unit with territory located in each of the affected counties. Any board that receives from the director a copy of an application submitted under this division shall adopt a resolution approving or rejecting the application unless it has adopted a resolution under division (E)(1)(c) of this section. A resolution adopted under division (E)(1)(b) or (c) of this section may require an annual service payment to be made in addition to the service payment required under division (G) of this section. The sum of the service payment required in the resolution and the service payment required under division (G) of this section shall not exceed nine thousand dollars per megawatt of nameplate capacity located in the county. The resolution shall specify the time and manner in which the payments required by the resolution shall be paid to the county treasurer. The county treasurer shall deposit the payment to the credit of the county's general fund to be used for any purpose for which money credited to that fund may be used.

The board shall send copies of the resolution to the owner of the facility and the director by certified mail or, if the board has record of an internet identifier of record associated with the owner or director, by ordinary mail and by that internet identifier of record. The board shall send such notice within thirty days after receipt of the application, or a longer period of time if authorized by the director.

(c) A board of county commissioners may adopt a resolution declaring the county to be an alternative energy zone and declaring all applications submitted to the director of
development services under this division after the adoption of the resolution, and prior to its repeal, to be approved by the board.

All tangible personal property and real property of an energy project with a nameplate capacity of twenty megawatts or greater is taxable if it is located in a county in which the board of county commissioners adopted a resolution rejecting the application submitted under this division or failed to adopt a resolution approving the application under division (E)(1)(b) or (c) of this section.

(2) The director shall certify an energy project if all of the following circumstances exist:

(a) The application was timely submitted.

(b) For an energy project with a nameplate capacity of twenty megawatts or greater, a board of county commissioners of at least one county in which the project is located has adopted a resolution approving the application under division (E)(1)(b) or (c) of this section.

(c) No portion of the project's facility was used to supply electricity before December 31, 2009.

(3) The director shall deny a certification application if the director determines the person has failed to comply with any requirement under this section. The director may revoke a certification if the director determines the person, or subsequent owner or lessee pursuant to a sale and leaseback transaction of the qualified energy project, has failed to comply with any requirement under this section. Upon certification or revocation, the director shall notify the person, owner, or lessee, the tax commissioner, and the county auditor of a county in which the project is located of the certification or revocation. Notice shall be provided in a manner convenient to the director.

(F) The owner or a lessee pursuant to a sale and leaseback
transaction of a qualified energy project shall do each of the following:

(1) Comply with all applicable regulations;

(2) File with the director of development services a certified construction progress report before the first day of March of each year during the energy facility's construction or installation indicating the percentage of the project completed, and the project's nameplate capacity, as of the preceding thirty-first day of December. Unless otherwise instructed by the director of development services, the owner or lessee of an energy project shall file a report with the director on or before the first day of March each year after completion of the energy facility's construction or installation indicating the project's nameplate capacity as of the preceding thirty-first day of December. Not later than sixty days after June 17, 2010, the owner or lessee of an energy project, the construction of which was completed before June 17, 2010, shall file a certificate indicating the project's nameplate capacity.

(3) File with the director of development services, in a manner prescribed by the director, a report of the total number of full-time equivalent employees, and the total number of full-time equivalent employees domiciled in Ohio, who are employed in the construction or installation of the energy facility;

(4) For energy projects with a nameplate capacity of twenty megawatts or greater, repair all roads, bridges, and culverts affected by construction as reasonably required to restore them to their preconstruction condition, as determined by the county engineer in consultation with the local jurisdiction responsible for the roads, bridges, and culverts. In the event that the county engineer deems any road, bridge, or culvert to be inadequate to support the construction or decommissioning of the energy facility, the road, bridge, or culvert shall be rebuilt or
reinforced to the specifications established by the county
engineer prior to the construction or decommissioning of the
facility. The owner or lessee of the facility shall post a bond in
an amount established by the county engineer and to be held by the
board of county commissioners to ensure funding for repairs of
roads, bridges, and culverts affected during the construction. The
bond shall be released by the board not later than one year after
the date the repairs are completed. The energy facility owner or
lessee pursuant to a sale and leaseback transaction shall post a
bond, as may be required by the Ohio power siting board in the
certificate authorizing commencement of construction issued
pursuant to section 4906.10 of the Revised Code, to ensure funding
for repairs to roads, bridges, and culverts resulting from
decommissioning of the facility. The energy facility owner or
lessee and the county engineer may enter into an agreement
regarding specific transportation plans, reinforcements,
modifications, use and repair of roads, financial security to be
provided, and any other relevant issue.

(5) Provide or facilitate training for fire and emergency
responders for response to emergency situations related to the
energy project and, for energy projects with a nameplate capacity
of twenty megawatts or greater, at the person's expense, equip the
fire and emergency responders with proper equipment as reasonably
required to enable them to respond to such emergency situations;

(6) Maintain a ratio of Ohio-domiciled full-time equivalent
employees employed in the construction or installation of the
energy project to total full-time equivalent employees employed in
the construction or installation of the energy project of not less
than eighty per cent in the case of a solar energy project, and
not less than fifty per cent in the case of any other energy
project. In the case of an energy project for which certification
from the power siting board is required under section 4906.20 of
the Revised Code, the number of full-time equivalent employees employed in the construction or installation of the energy project equals the number actually employed or the number projected to be employed in the certificate application, if such projection is required under regulations adopted pursuant to section 4906.03 of the Revised Code, whichever is greater. For all other energy projects, the number of full-time equivalent employees employed in the construction or installation of the energy project equals the number actually employed or the number projected to be employed by the director of development services, whichever is greater. To estimate the number of employees to be employed in the construction or installation of an energy project, the director shall use a generally accepted job-estimating model in use for renewable energy projects, including but not limited to the job and economic development impact model. The director may adjust an estimate produced by a model to account for variables not accounted for by the model.

(7) For energy projects with a nameplate capacity in excess of twenty megawatts, establish a relationship with a member of the university system of Ohio as defined in section 3345.011 of the Revised Code or with a person offering an apprenticeship program registered with the employment and training administration within the United States department of labor or with the apprenticeship council created by section 4139.02 of the Revised Code, to educate and train individuals for careers in the wind or solar energy industry. The relationship may include endowments, cooperative programs, internships, apprenticeships, research and development projects, and curriculum development.

(8) Offer to sell power or renewable energy credits from the energy project to electric distribution utilities or electric service companies subject to renewable energy resource requirements under section 4928.64 of the Revised Code that have...
issued requests for proposal for such power or renewable energy credits. If no electric distribution utility or electric service company issues a request for proposal on or before December 31, 2010, or accepts an offer for power or renewable energy credits within forty-five days after the offer is submitted, power or renewable energy credits from the energy project may be sold to other persons. Division (F)(8) of this section does not apply if:

(a) The owner or lessee is a rural electric company or a municipal power agency as defined in section 3734.058 of the Revised Code.

(b) The owner or lessee is a person that, before completion of the energy project, contracted for the sale of power or renewable energy credits with a rural electric company or a municipal power agency.

(c) The owner or lessee contracts for the sale of power or renewable energy credits from the energy project before June 17, 2010.

(9) Make annual service payments as required by division (G) of this section and as may be required in a resolution adopted by a board of county commissioners under division (E) of this section.

(G) The owner or a lessee pursuant to a sale and leaseback transaction of a qualified energy project shall make annual service payments in lieu of taxes to the county treasurer on or before the final dates for payments of taxes on public utility personal property on the real and public utility personal property tax list for each tax year for which property of the energy project is exempt from taxation under this section. The county treasurer shall allocate the payment on the basis of the project's physical location. Upon receipt of a payment, or if timely payment has not been received, the county treasurer shall certify such
receipt or non-receipt to the director of development services and tax commissioner in a form determined by the director and commissioner, respectively. Each payment shall be in the following amount:

(1) In the case of a solar energy project, seven thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

(2) In the case of any other energy project using renewable energy resources, the following:

   (a) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of not less than seventy-five per cent, six thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

   (b) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than seventy-five per cent but not less than sixty per cent, seven thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

   (c) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than sixty per cent but not less than fifty per cent, eight thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year.

(3) In the case of an energy project using clean coal technology, advanced nuclear technology, or cogeneration...
technology, the following:

   (a) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of not less than seventy-five per cent, six thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

   (b) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than seventy-five per cent but not less than sixty per cent, seven thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

   (c) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than sixty per cent but not less than fifty per cent, eight thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year.

   (H) The director of development services in consultation with the tax commissioner shall adopt rules pursuant to Chapter 119. of the Revised Code to implement and enforce this section.

Sec. 5727.80. As used in sections 5727.80 to 5727.95 of the Revised Code:

   (A) "Electric distribution company" means either of the following:

   (1) A person who distributes electricity through a meter of an end user in this state or to an unmetered location in this

   (2) A person who provides electricity to a customer through an electric line.
(2) The end user of electricity in this state, if the end user obtains electricity that is not distributed or transmitted to the end user by an electric distribution company that is required to remit the tax imposed by section 5727.81 of the Revised Code.

"Electric distribution company" does not include an end user of electricity in this state who self-generates electricity that is used directly by that end user on the same site that the electricity is generated or a person that donates all of the electricity the person generates to a political subdivision of the state. Division (A)(2) of this section shall not apply to a political subdivision in this state that is the end user of electricity that is donated to the political subdivision.

(B) "Kilowatt hour" means one thousand watt hours of electricity.

(C) For an electric distribution company, "meter of an end user in this state" means the last meter used to measure the kilowatt hours distributed by an electric distribution company to a location in this state, or the last meter located outside of this state that is used to measure the kilowatt hours consumed at a location in this state.

(D) "Person" has the same meaning as in section 5701.01 of the Revised Code, but also includes a political subdivision of the state.

(E) "Municipal electric utility" means a municipal corporation that owns or operates a system for the distribution of electricity.

(F) "Qualified end user" means an end user of electricity that satisfies either of the following criteria:

(1) The end user uses more than three million kilowatt hours...
of electricity at one manufacturing location in this state for a calendar day for use in a qualifying manufacturing process. 

(2) The end user uses electricity at a manufacturing location in this state for use in a chlor-alkali manufacturing process but, if the end user uses electricity distributed by a municipal electric utility, the end user can only be a "qualified end user" upon obtaining the consent of the legislative authority of the municipal corporation that owns or operates the utility.

(G) "Qualified regeneration" means a process to convert electricity to a form of stored energy by means such as using electricity to compress air for storage or to pump water to an elevated storage reservoir, if such stored energy is subsequently used to generate electricity for sale to others primarily during periods when there is peak demand for electricity.

(H) "Qualified regeneration meter" means the last meter used to measure electricity used in a qualified regeneration process.

(I) "Qualifying manufacturing process" means an electrochemical manufacturing process or a chlor-alkali manufacturing process.

(J) "Self-assessing purchaser" means a purchaser that meets all the requirements of, and pays the excise tax in accordance with, division (C) of section 5727.81 of the Revised Code.

(K) "Natural gas distribution company" means a natural gas company or a combined company that is subject to the excise tax imposed by section 5727.24 of the Revised Code and that distributes natural gas through a meter of an end user in this state or to an unmetered location in this state.

(L) "MCF" means one thousand cubic feet.

(M) For a natural gas distribution company, "meter of an end user in this state" means the last meter used to measure the MCF
of natural gas distributed by a natural gas distribution company

to a location in this state, or the last meter located outside of

this state that is used to measure the natural gas consumed at a

location in this state.

(N) "Flex customer" means an industrial or a commercial

facility that has consumed more than one billion cubic feet of

natural gas a year at a single location during any of the previous

five years, or an industrial or a commercial end user of natural

gas that purchases natural gas distribution services from a

natural gas distribution company at discounted rates or charges

established in any of the following:

(1) A special arrangement subject to review and regulation by

the public utilities commission under section 4905.31 of the

Revised Code;

(2) A special arrangement with a natural gas distribution

company pursuant to a municipal ordinance;

(3) A variable rate schedule that permits rates to vary

between defined amounts, provided that the schedule is on file

with the public utilities commission.

An end user that meets this definition on January 1, 2000, or

thereafter is a "flex customer" for purposes of determining the

rate of taxation under division (D) of section 5727.811 of the

Revised Code.

(O) "Electrochemical manufacturing process" means the

performance of an electrochemical reaction in which electrons from

direct current electricity remain a part of the product being

manufactured. "Electrochemical manufacturing process" does not

include a chlor-alkali manufacturing process.

(P) "Chlor-alkali manufacturing process" means a process that

uses electricity to produce chlorine and other chemicals through

the electrolysis of a salt solution.
Sec. 5727.81. (A) For the purpose of raising revenue to fund the needs of this state and its local governments, an excise tax is hereby levied and imposed on an electric distribution company for all electricity distributed by such company at the following rates per kilowatt hour of electricity distributed in a thirty-day period by the company through a meter of an end user in this state:

<table>
<thead>
<tr>
<th>Kilowatt Hours Distributed to an End User</th>
<th>Rate per Kilowatt Hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>For the first 2,000</td>
<td>$.00465</td>
</tr>
<tr>
<td>For the next 2,001 to 15,000</td>
<td>$.00419</td>
</tr>
<tr>
<td>For 15,001 and above</td>
<td>$.00363</td>
</tr>
</tbody>
</table>

If no meter is used to measure the kilowatt hours of electricity distributed by the company, the rates shall apply to the estimated kilowatt hours of electricity distributed to an unmetered location in this state.

The electric distribution company shall base the monthly tax on the kilowatt hours of electricity distributed to an end user through the meter of the end user that is not measured for a thirty-day period by dividing the days in the measurement period into the total kilowatt hours measured during the measurement period to obtain a daily average usage. The tax shall be determined by obtaining the sum of divisions (A)(1), (2), and (3) of this section and multiplying that amount by the number of days in the measurement period:

1. Multiplying $0.00465 per kilowatt hour for the first sixty-seven kilowatt hours distributed using a daily average;
2. Multiplying $0.00419 for the next sixty-eight to five hundred kilowatt hours distributed using a daily average;
3. Multiplying $0.00363 for the remaining kilowatt hours distributed using a daily average.
Except as provided in division (C) of this section, the electric distribution company shall pay the tax to the tax commissioner in accordance with section 5727.82 of the Revised Code, unless required to remit each tax payment by electronic funds transfer to the treasurer of state in accordance with section 5727.83 of the Revised Code.

Only the distribution of electricity through a meter of an end user in this state shall be used by the electric distribution company to compute the amount or estimated amount of tax due. In the event a meter is not actually read for a measurement period, the estimated kilowatt hours distributed by an electric distribution company to bill for its distribution charges shall be used.

(B) Except as provided in division (C) of this section, each electric distribution company shall pay the tax imposed by this section in all of the following circumstances:

(1) The electricity is distributed by the company through a meter of an end user in this state;

(2) The company is distributing electricity through a meter located in another state, but the electricity is consumed in this state in the manner prescribed by the tax commissioner;

(3) The company is distributing electricity in this state without the use of a meter, but the electricity is consumed in this state as estimated and in the manner prescribed by the tax commissioner.

(C)(1) As used in division (C) of this section:

(a) "Total price of electricity" means the aggregate value in money of anything paid or transferred, or promised to be paid or transferred, to obtain electricity or electric service, including but not limited to the value paid or promised to be paid for the transmission or distribution of electricity and for transition...
costs as described in Chapter 4928. of the Revised Code.

(b) "Package" means the provision or the acquisition, at a combined price, of electricity with other services or products, or any combination thereof, such as natural gas or other fuels; energy management products, software, and services; machinery and equipment acquisition; and financing agreements.

(c) "Single location" means a facility located on contiguous property separated only by a roadway, railway, or waterway.

(2) Division (C) of this section applies to any commercial or industrial purchaser's receipt of electricity through a meter of an end user in this state or through more than one meter at a single location in this state in a quantity that exceeds forty-five million kilowatt hours of electricity over the course of the preceding calendar year, or any commercial or industrial purchaser that will consume more than forty-five million kilowatt hours of electricity over the course of the succeeding twelve months as estimated by the tax commissioner. The tax commissioner shall make such an estimate upon the written request by an applicant for registration as a self-assessing purchaser under this division. For the meter reading period including July 1, 2008, through the meter reading period including December 31, 2010, such a purchaser may elect to self-assess the excise tax imposed by this section at the rate of $.00075 per kilowatt hour on the first five hundred four million kilowatt hours distributed to that meter or location during the registration year, and a percentage of the total price of all electricity distributed to that meter or location equal to three and one-half per cent. For the meter reading period including January 1, 2011, and thereafter, such a purchaser may elect to self-assess the excise tax imposed by this section at the rate of $.00257 per kilowatt hour for the first five hundred million kilowatt hours, and $.001832 per kilowatt hour for each kilowatt hour in excess of
five hundred million kilowatt hours, distributed to that meter or location during the registration year.

A qualified end user that receives electricity through a meter of an end user in this state or through more than one meter at a single location in this state and that consumes, over the course of the previous calendar year, more than forty-five million kilowatt hours in other than its qualifying manufacturing process, may elect to self-assess the tax as allowed by this division with respect to the electricity used in other than its qualifying manufacturing process.

Payment of the tax shall be made directly to the tax commissioner in accordance with divisions (A)(4) and (5) of section 5727.82 of the Revised Code, or the treasurer of state in accordance with section 5727.83 of the Revised Code. If the electric distribution company serving the self-assessing purchaser is a municipal electric utility and the purchaser is within the municipal corporation's corporate limits, payment shall be made to such municipal corporation's general fund and reports shall be filed in accordance with divisions (A)(4) and (5) of section 5727.82 of the Revised Code, except that "municipal corporation" shall be substituted for "treasurer of state" and "tax commissioner." A self-assessing purchaser that pays the excise tax as provided in this division shall not be required to pay the tax to the electric distribution company from which its electricity is distributed. If a self-assessing purchaser's receipt of electricity is not subject to the tax as measured under this division, the tax on the receipt of such electricity shall be measured and paid as provided in division (A) of this section.

(3) In the case of the acquisition of a package, unless the elements of the package are separately stated isolating the total price of electricity from the price of the remaining elements of the package, the tax imposed under this section applies to the
entire price of the package. If the elements of the package are separately stated, the tax imposed under this section applies to the total price of the electricity.

(4) Any electric supplier that sells electricity as part of a package shall separately state to the purchaser the total price of the electricity and, upon request by the tax commissioner, the total price of each of the other elements of the package.

(5) The tax commissioner may adopt rules relating to the computation of the total price of electricity with respect to self-assessing purchasers, which may include rules to establish the total price of electricity purchased as part of a package.

(6) An annual application for registration as a self-assessing purchaser shall be made for each qualifying meter or location on a form prescribed by the tax commissioner. The registration year begins on the first day of May and ends on the following thirtieth day of April. Persons may apply after the first day of May for the remainder of the registration year. In the case of an applicant applying on the basis of an estimated consumption of forty-five million kilowatt hours over the course of the succeeding twelve months, the applicant shall provide such information as the tax commissioner considers to be necessary to estimate such consumption. At the time of making the application and by the first day of May of each year, a self-assessing purchaser shall pay a fee of five hundred dollars to the tax commissioner, or to the treasurer of state as provided in section 5727.83 of the Revised Code, for each qualifying meter or location. The tax commissioner shall immediately pay to the treasurer of state all amounts that the tax commissioner receives under this section. The treasurer of state shall deposit such amounts into the kilowatt hour excise tax administration fund, which is hereby created in the state treasury. Money in the fund shall be used to defray the tax commissioner's cost in
administering the tax owed under section 5727.81 of the Revised Code by self-assessing purchasers. After the application is approved by the tax commissioner, the registration shall remain in effect for the current registration year, or until canceled by the registrant upon written notification to the commissioner of the election to pay the tax in accordance with division (A) of this section, or until canceled by the tax commissioner for not paying the tax or fee under division (C) of this section or for not meeting the qualifications in division (C)(2) of this section. The tax commissioner shall give written notice to the electric distribution company from which electricity is delivered to a self-assessing purchaser of the purchaser's self-assessing status, and the electric distribution company is relieved of the obligation to pay the tax imposed by division (A) of this section for electricity distributed to that self-assessing purchaser until it is notified by the tax commissioner that the self-assessing purchaser's registration is canceled. Within fifteen days of notification of the canceled registration, the electric distribution company shall be responsible for payment of the tax imposed by division (A) of this section on electricity distributed to a purchaser that is no longer registered as a self-assessing purchaser. A self-assessing purchaser with a canceled registration must file a report and remit the tax imposed by division (A) of this section on all electricity it receives for any measurement period prior to the tax being reported and paid by the electric distribution company. A self-assessing purchaser whose registration is canceled by the tax commissioner is not eligible to register as a self-assessing purchaser for two years after the registration is canceled.

(7) If the tax commissioner cancels the self-assessing registration of a purchaser registered on the basis of its estimated consumption because the purchaser does not consume at least forty-five million kilowatt hours of electricity over the
course of the twelve-month period for which the estimate was made,
the tax commissioner shall assess and collect from the purchaser
the difference between (a) the amount of tax that would have been
payable under division (A) of this section on the electricity
distributed to the purchaser during that period and (b) the amount
of tax paid by the purchaser on such electricity pursuant to
division (C)(2) of this section. The assessment shall be paid
within sixty days after the tax commissioner issues it, regardless
of whether the purchaser files a petition for reassessment under
section 5727.89 of the Revised Code covering that period. If the
purchaser does not pay the assessment within the time prescribed,
the amount assessed is subject to the additional charge and the
interest prescribed by divisions (B) and (C) of section 5727.82 of
the Revised Code, and is subject to assessment under section
5727.89 of the Revised Code. If the purchaser is a qualified end
user, division (C)(7) of this section applies only to electricity
it consumes in other than its qualifying manufacturing process.

(D) The tax imposed by this section does not apply to the:

(1) The distribution or obtaining of any kilowatt hours of
electricity to the or by any of the following:

(a) The federal government, to an;

(b) An end user located at a federal facility that uses
electricity for the enrichment of uranium, to an;

(c) A qualified regeneration meter, or to an;

(d) An end user for any day the end user is a qualified end
user;

(e) An end user if the electricity is generated by an
electric generation facility that is primarily dedicated to
providing electricity to the electric-consuming facilities of the
end user, that is sized so as to not exceed one hundred per cent
of the customer-generator's annual requirements for electric
energy at the time of interconnection, that is physically interconnected and integrated with the electric-consuming facilities of the end user, and that is located on the same property on which the end user's electric-consuming facilities are situated or on property that is contiguous to the property on which the end user's electric-consuming facilities are situated.

(2) Kilowatt hours of electricity generated by a self-generator if the electric generating facility is sized so as not to exceed one hundred per cent of the customer-generator's annual requirements for electric energy at the time of interconnection. The

The exemption under this division (D)(1)(d) of this section for a qualified end user only applies to the manufacturing location where the qualified end user uses electricity in a chlor-alkali manufacturing process or where the qualified end user uses more than three million kilowatt hours per day in an electrochemical manufacturing process. As used in division (D) of this section, "customer-generator" and "self-generator" have the same meanings as in section 4928.01 of the Revised Code.

(E) All revenue arising from the tax imposed by this section shall be credited to the general revenue fund except as provided by division (C) of this section and section 5727.82 of the Revised Code.

Sec. 5731.21. (A)(1)(a) Except as provided under division (A)(3) of this section, the executor or administrator, or, if no executor or administrator has been appointed, another person in possession of property the transfer of which is subject to estate taxes under section 5731.02 or division (A) of section 5731.19 of the Revised Code, shall file an estate tax return, within nine months of the date of the decedent's death, in the form prescribed by the tax commissioner, in duplicate, with the probate court of
the county. The return shall include all property the transfer of which is subject to estate taxes, whether that property is transferred under the last will and testament of the decedent or otherwise. The time for filing the return may be extended by the tax commissioner.

(b) The estate tax return described in division (A)(1)(a) of this section shall be accompanied by a certificate, in the form prescribed by the tax commissioner, that is signed by the executor, administrator, or other person required to file the return, and that states all of the following:

(i) The fact that the return was filed;

(ii) The date of the filing of the return;

(iii) The fact that the estate taxes under section 5731.02 or division (A) of section 5731.19 of the Revised Code, that are shown to be due in the return, have been paid in full;

(iv) If applicable, the fact that real property listed in the inventory for the decedent's estate is included in the return;

(v) If applicable, the fact that real property not listed in the inventory for the decedent's estate, including, but not limited to, survivorship tenancy property as described in section 5302.17 of the Revised Code or transfer on death property as described in sections 5302.22 and 5302.23 of the Revised Code, also is included in the return. In this regard, the certificate additionally shall describe that real property by the same description used in the return.

(2) The probate court shall forward one copy of the estate tax return described in division (A)(1)(a) of this section to the tax commissioner.

(3) A person shall not be required to file a return under division (A) of this section if the decedent was a resident of

this state and the value of the decedent's gross estate is

twenty-five thousand dollars or less in the case of a decedent
dying on or after July 1, 1968, but before January 1, 2001; two
hundred thousand dollars or less in the case of a decedent dying
on or after January 1, 2001, but before January 1, 2002; or three

or less in the case of a decedent dying on or after January 1,
2002. No return shall be filed for estates of decedents dying on
or after January 1, 2013.

(4)(a) Upon receipt of the estate tax return described in
division (A)(1)(a) of this section and the accompanying
certificate described in division (A)(1)(b) of this section, the
probate court promptly shall give notice of the return, by a form
prescribed by the tax commissioner, to the county auditor. The
auditor then shall make a charge based upon the notice and shall
certify a duplicate of the charge to the county treasurer. The
treasurer then shall collect, subject to division (A) of section
5731.25 of the Revised Code or any other statute extending the
time for payment of an estate tax, the tax so charged.

(b) Upon receipt of the return and the accompanying
certificate, the probate court also shall forward the certificate
to the auditor. When satisfied that the estate taxes under section
5731.02 or division (A) of section 5731.19 of the Revised Code,
that are shown to be due in the return, have been paid in full,
the auditor shall stamp the certificate so forwarded to verify
that payment. The auditor then shall return the stamped
certificate to the probate court.

(5)(a) The certificate described in division (A)(1)(b) of
this section is a public record subject to inspection and copying
in accordance with section 149.43 of the Revised Code. It shall be
kept in the records of the probate court pertaining to the
decedent's estate and is not subject to the confidentiality
provisions of section 5731.90 of the Revised Code.

(b) All persons are entitled to rely on the statements contained in a certificate as described in division (A)(1)(b) of this section if it has been filed in accordance with that division, forwarded to a county auditor and stamped in accordance with division (A)(4) of this section, and placed in the records of the probate court pertaining to the decedent's estate in accordance with division (A)(5)(a) of this section. The real property referred to in the certificate shall be free of, and may be regarded by all persons as being free of, any lien for estate taxes under section 5731.02 and division (A) of section 5731.19 of the Revised Code.

(B) An estate tax return filed under this section, in the form prescribed by the tax commissioner, and showing that no estate tax is due shall result in a determination that no estate tax is due, if the tax commissioner within three months after the receipt of the return by the department of taxation, fails to file exceptions to the return in the probate court of the county in which the return was filed. A copy of exceptions to a return of that nature, when the tax commissioner files them within that period, shall be sent by ordinary mail to the person who filed the return. The tax commissioner is not bound under this division by a determination that no estate tax is due, with respect to property not disclosed in the return.

(C) If the executor, administrator, or other person required to file an estate tax return fails to file it within nine months of the date of the decedent's death, the tax commissioner may determine the estate tax in that estate and issue a certificate of determination in the same manner as is provided in division (B) of section 5731.27 of the Revised Code. A certificate of determination of that nature has the same force and effect as though a return had been filed and a certificate of determination
issued with respect to the return.

(D) No return shall be filed under this section or section 5731.24 of the Revised Code, and no tax shall be due under this chapter, with respect to either of the following:

(1) Property first discovered after December 31, 2021, that would otherwise be subject to the tax imposed by this chapter;

(2) Property first discovered on or before December 31, 2021, but not disclosed on a return or included in a certificate of determination issued by the tax commissioner on or before December 31, 2021.

Nothing in this division shall be construed to affect any estate tax liability determined by the tax commissioner for returns filed on or before December 31, 2021, or any tax liability determined under an agreement entered into under division (C) of section 5731.26 of the Revised Code. The estate shall pay any such liability.

Sec. 5731.24. Except as provided in division (D) of section 5731.21 of the Revised Code, if an additional tax prescribed by section 5731.18 of the Revised Code is due, the executor, administrator, or other person required to file the estate tax return, within sixty days after the date of the final determination of the federal estate tax liability, shall file an additional tax return, in the form prescribed by the tax commissioner, in the same manner as is prescribed for the filing of the estate tax return. Subject to division (A) of section 5731.25 of the Revised Code or any other statute extending the time for payment of an estate tax, the additional tax shall be paid, without notice or demand by the tax commissioner, with the return, and shall be charged and collected in the same manner as the estate tax, except that no interest shall accrue until sixty days after the date of the final determination of the federal
estate tax liability.

Sec. 5731.28. If any debts deductible under section 5731.16 of the Revised Code are proved against the gross estate after the tax levied by section 5731.02 or division (A) of section 5731.19 of the Revised Code has been determined, or if the determination of taxes so made is erroneous due to a mistake of fact or law, a claim for refund of tax may be filed by an executor, administrator, trustee, person in possession of property subject to tax, or any transferee thereof, within three years from the time the return was required to be filed (determined without regard to any extension of time for filing) or before January 1, 2022, whichever is earlier, in the form prescribed by the tax commissioner. The claim for refund shall be filed in the same manner as is prescribed for the filing of a return in section 5731.21 of the Revised Code and the determination of its correctness shall be made in the same manner as is provided for in the case of the return itself.

Sec. 5731.41. To enforce section 5731.39 of the Revised Code, and to administer Chapters 5713. and 4503. of the Revised Code the tax commissioner may appoint agents in the unclassified civil service who shall perform such duties as are prescribed by the commissioner. Such agents shall, as compensation, receive annually eight cents per capita for each full one thousand of the first twenty thousand of the population of the county and two cents per capita for each full one thousand over twenty thousand of the population of the county, as shown by the last 2010 federal census, which shall be paid in equal monthly installments from the undivided inheritance or estate tax fund in the county treasury on the warrant of the county auditor or, if the balance of that fund is not sufficient to make such payments, from the county real estate assessment fund pursuant to division (B)(6) of section...
325.31 of the Revised Code, any other provision of law to the contrary notwithstanding. The amount paid to any agent in the unclassified service for all of the duties performed under this section, as directed by the commissioner, shall not exceed three thousand nor be less than twelve hundred dollars in any calendar year.

Sec. 5739.02. For the purpose of providing revenue with which to meet the needs of the state, for the use of the general revenue fund of the state, for the purpose of securing a thorough and efficient system of common schools throughout the state, for the purpose of affording revenues, in addition to those from general property taxes, permitted under constitutional limitations, and from other sources, for the support of local governmental functions, and for the purpose of reimbursing the state for the expense of administering this chapter, an excise tax is hereby levied on each retail sale made in this state.

(A)(1) The tax shall be collected as provided in section 5739.025 of the Revised Code. The rate of the tax shall be five and three-fourths per cent. The tax applies and is collectible when the sale is made, regardless of the time when the price is paid or delivered.

paid by the lessee or renter under the lease agreement. If the total amount of the consideration for the lease or rental includes amounts that are not calculated at the time the lease or rental is executed, the tax shall be calculated and collected by the vendor at the time such amounts are billed to the lessee or renter. In the case of an open-end lease or rental, the tax shall be calculated by the vendor on the basis of the total amount to be paid during the initial fixed term of the lease or rental, and for each subsequent renewal period as it comes due. As used in this division, "motor vehicle" has the same meaning as in section 4501.01 of the Revised Code, and "watercraft" includes an outdrive unit attached to the watercraft.

A lease with a renewal clause and a termination penalty or similar provision that applies if the renewal clause is not exercised is presumed to be a sham transaction. In such a case, the tax shall be calculated and paid on the basis of the entire length of the lease period, including any renewal periods, until the termination penalty or similar provision no longer applies. The taxpayer shall bear the burden, by a preponderance of the evidence, that the transaction or series of transactions is not a sham transaction.

Sec. 5739.021. (A) For the purpose of providing additional general revenues for the county, supporting criminal and administrative justice services in the county, funding a regional transportation improvement project under section 5595.06 of the Revised Code, or any combination of the foregoing, and to pay the expenses of administering such levy, any county may levy a tax at the rate of not more than one per cent upon every retail sale made in the county, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, and may increase the rate of an existing tax to not more than one per cent. The rate of any tax levied pursuant to this section shall be a multiple of one-twentieth of one per cent. The rate levied under this section in any county other than a county that adopted a charter under...
Article X, Section 3, Ohio Constitution, may exceed one per cent, but may not exceed one and one-half per cent minus the amount by which the rate levied under section 5739.023 of the Revised Code by the county transit authority exceeds one per cent.

The tax shall be levied and the rate increased pursuant to a resolution of the board of county commissioners. The resolution shall state the purpose for which the tax is to be levied and the number of years for which the tax is to be levied, or that it is for a continuing period of time. If the tax is to be levied for the purpose of providing additional general revenues and for the purpose of supporting criminal and administrative justice services, the resolution shall state the rate or amount of the tax to be apportioned to each such purpose. The rate or amount may be different for each year the tax is to be levied, but the rates or amounts actually apportioned each year shall not be different from that stated in the resolution for that year. Any amount by which the rate of the tax exceeds one per cent shall be apportioned exclusively for the construction, operation, acquisition, equipping, or repair of a detention facility in the county.

If the resolution is adopted as an emergency measure necessary for the immediate preservation of the public peace, health, or safety, it must receive an affirmative vote of all of the members of the board of county commissioners and shall state the reasons for such necessity. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of the calendar quarter. A resolution proposing to levy a tax at a rate that would cause the rate levied under this section to exceed one per cent may not be adopted as an emergency measure.

Prior to the adoption of any resolution under this section,
the board of county commissioners shall conduct two public  
hearings on the resolution, the second hearing to be not less than  
three nor more than ten days after the first. Notice of the date,  
time, and place of the hearings shall be given by publication in a  
newspaper of general circulation in the county, or as provided in  
section 7.16 of the Revised Code, once a week on the same day of  
the week for two consecutive weeks, the second publication being  
not less than ten nor more than thirty days prior to the first  
hearing.

   Except as provided in division (B)(1) or (3) of this section,  
the resolution shall be subject to a referendum as provided in  
sections 305.31 to 305.41 of the Revised Code.

   If a petition for a referendum is filed, the county auditor  
with whom the petition was filed shall, within five days, notify  
the board of county commissioners and the tax commissioner of the  
filing of the petition by certified mail. If the board of  
elections with which the petition was filed declares the petition  
invalid, the board of elections, within five days, shall notify  
the board of county commissioners and the tax commissioner of that  
declaration by certified mail. If the petition is declared to be  
invalid, the effective date of the tax or increased rate of tax  
levied by this section shall be the first day of a calendar  
quarter following the expiration of sixty-five days from the date  
the commissioner receives notice from the board of elections that  
the petition is invalid.

   (B)(1) A resolution that is not adopted as an emergency  
measure may direct the board of elections to submit the question  
of levying the tax or increasing the rate of tax to the electors  
of the county at a special election held on the date specified by  
the board of county commissioners in the resolution, provided that  
the election occurs not less than ninety days after a certified  
copy of such resolution is transmitted to the board of elections
and the election is not held in August of any year. A resolution proposing to levy a tax at a rate that would cause the rate levied under this section to exceed one per cent may not go into effect unless the question is submitted to electors under this division. Upon transmission of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under this division shall go into effect unless approved by a majority of those voting upon it, and, except as provided in division (B)(3) of this section, shall become effective on the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(2) A resolution that is adopted as an emergency measure shall go into effect as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after a certified copy of the resolution is transmitted to the board of elections. Upon transmission of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the
board and tax commissioner receive notice of the result of the election, shall, in the case of a repeal of the tax, cease to levy the tax, or, in the case of a repeal of an increase in the rate of the tax, cease to levy the increased rate and levy the tax at the rate at which it was imposed immediately prior to the increase in rate.

(3) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or repealed or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (H) of this section.

(C) If a resolution is rejected at a referendum or if a resolution adopted after January 1, 1982, as an emergency measure is repealed by the electors pursuant to division (B)(2) of this section or section 5739.022 of the Revised Code, then for one year after the date of the election at which the resolution was rejected or repealed the board of county commissioners may not adopt any resolution authorized by this section as an emergency measure.

(D) The board of county commissioners, at any time while a tax levied under this section is in effect, may by resolution reduce the rate at which the tax is levied to a lower rate authorized by this section. Any reduction in the rate at which the tax is levied shall be made effective on the first day of a calendar quarter next following the sixty-fifth day after a certified copy of the resolution is delivered to the tax commissioner.

(E) The tax on every retail sale subject to a tax levied pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to
section 5739.023 or 5739.026 of the Revised Code.

A county that levies a tax pursuant to this section shall levy a tax at the same rate pursuant to section 5741.021 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code. If the additional tax or some portion thereof is levied for the purpose of criminal and administrative justice services or specifically for the purpose of constructing, operating, acquiring, equipping, or repairing a detention facility, the revenue from the tax, or the amount or rate apportioned to that purpose, shall be credited to one or more special funds created in the county treasury for receipt of that revenue.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(F) For purposes of this section, a copy of a resolution is "certified" when it contains a written statement attesting that the copy is a true and exact reproduction of the original resolution.

(G) If a board of commissioners intends to adopt a resolution to levy a tax in whole or in part for the purpose of criminal and administrative justice services, the board shall prepare and make available at the first public hearing at which the resolution is considered a statement containing the following information:

(1) For each of the two preceding fiscal years, the amount of expenditures made by the county from the county general fund for the purpose of criminal and administrative justice services;

(2) For the fiscal year in which the resolution is adopted,
the board's estimate of the amount of expenditures to be made by the county from the county general fund for the purpose of criminal and administrative justice services;

(3) For each of the two fiscal years after the fiscal year in which the resolution is adopted, the board's preliminary plan for expenditures to be made from the county general fund for the purpose of criminal and administrative justice services, both under the assumption that the tax will be imposed for that purpose and under the assumption that the tax would not be imposed for that purpose, and for expenditures to be made from the special fund created under division (E) of this section under the assumption that the tax will be imposed for that purpose.

The board shall prepare the statement and the preliminary plan using the best information available to the board at the time the statement is prepared. Neither the statement nor the preliminary plan shall be used as a basis to challenge the validity of the tax in any court of competent jurisdiction, nor shall the statement or preliminary plan limit the authority of the board to appropriate, pursuant to section 5705.38 of the Revised Code, an amount different from that specified in the preliminary plan.

(H) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) or (D) of this section, or from the board of elections of a notice of the results of an election required by division (A) or (B)(1) or (2) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

(4) A marketplace facilitator is presumed to have substantial nexus with this state if either of the following apply in the current or preceding calendar year:
(a) The aggregate gross receipts derived from sales of tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state, including sales made by the marketplace facilitator on its own behalf and sales facilitated by the marketplace facilitator on behalf of one or more marketplace sellers, exceed one hundred thousand dollars;

(S) "Remote small seller" means a remote seller that has gross annual receipts from remote sales in the United States not exceeding one million dollars for the preceding calendar year. For the purposes of determining whether a person is a small remote seller, the sales of all persons related within the meaning of subsection (b) or (c) of section 267 or section 707(b)(1) of the Internal Revenue Code shall be aggregated, and persons with one or more ownership relationships shall be aggregated if those relationships were designed with the principal purpose to qualify as a remote small seller.

(b) Provides payment processing services for the sale;

(c) Collects payment in connection with the sale from the consumer through terms and conditions, agreements, or arrangements with a third party, and transmits that payment to the marketplace seller, regardless of whether the person collecting and
transmitting such payment receives compensation or other consideration in exchange for the service;

(d) Provides virtual currency that consumers are allowed or required to use to purchase the tangible personal property or services that are the subject of the sale.

(3) The subject of the sale is tangible personal property or services other than lodging by a hotel that is or is to be furnished to transient guests.

The director of budget and management shall transfer, from the general revenue fund, to the permissive tax distribution fund created by division (B)(1) of section 4301.423 of the Revised Code and to the local sales tax administrative fund created by division (C) of section 5739.21 of the Revised Code, the amounts certified by the tax commissioner. The tax commissioner shall then, on or before the twentieth day of the month in which such certification is made, provide for payment of
such respective amounts to the county treasurer or to the fiscal officer of the transit authority levying the tax or taxes. The amount transferred to the local sales tax administrative fund is for use by the tax commissioner in defraying costs the commissioner incurs in administering such taxes levied by a county or transit authority.

(C)(1) Not later than the first day of each January and July following the date remote sellers are first required to register, collect, and remit use tax under this chapter, the tax commissioner and the director of budget and management shall jointly determine the amount of tax imposed by section 5741.02 of the Revised Code and remitted under this chapter by remote sellers during the six-month period ending on the preceding last day of November and of May, respectively, reduced by any refunds issued during the six-month period to remote sellers from the tax refund fund on account of that tax.

Amounts transferred to the income tax reduction fund under this division shall be included in the determination of the percentage under division (B)(2) of section 131.44 of the Revised Code required to be made by the thirty-first day of July of the calendar year in which the commissioner makes the certifications under this division.

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United
States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any authority, commission, instrumentality, territory, or possession of the United States to the extent that the interest or dividends are exempt from federal income taxes but not from state income taxes.

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct the following, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income:

(a) Benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in

...
federal adjusted gross income under section 86 of the Internal Revenue Code.

(b) Railroad retirement benefits, other than tier 1 railroad retirement benefits, to the extent such amounts are exempt from state taxation under federal law.

(6) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs work opportunity tax credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.

(7) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.

(8) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(9) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(10)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(10)(a) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health
plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(10)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(10)(a) of this section shall be the net of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.

(b) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) For purposes of division (A)(10) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of division (A)(10)(a) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(11)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as
an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(11)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(12) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was included in the taxpayer's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year.

(13) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(13) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(14)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were
used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(15) Add any amount claimed as a credit under section 5747.059 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(16) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(16) of this section.

(17)(a)(i) Subject to divisions (A)(17)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.
(ii) Subject to divisions (A)(17)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179 depreciation expense allowed to any pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(iii) Subject to division (A)(17)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, if the increase in income taxes withheld by the taxpayer is equal to or greater than ten per cent of income taxes withheld by the taxpayer during the taxpayer's immediately preceding taxable year, "two-thirds" shall be substituted for "five-sixths" for the purpose of divisions (A)(17)(a)(i) and (ii) of this section.

(iv) Subject to division (A)(17)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(17) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(17)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the
commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

(b) Nothing in division (A)(17) of this section shall be construed to adjust or modify the adjusted basis of any asset.

c) To the extent the add-back required under division (A)(17)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be sitused to the same location as the nonbusiness income or loss generated by the property for the purpose of determining the credit under division (A) of section 5747.05 of the Revised Code. Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)(17)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(17) and (18) of this section:

(i) "Income taxes withheld" means the total amount withheld and remitted under sections 5747.06 and 5747.07 of the Revised Code by an employer during the employer's taxable year.

(ii) "Increase in income taxes withheld" means the amount by which the amount of income taxes withheld by an employer during the employer's current taxable year exceeds the amount of income taxes withheld by that employer during the employer's immediately

...

(18)(a) If the taxpayer was required to add an amount under division (A)(17)(a) of this section for a taxable year, deduct one of the following:

(i) One-fifth of the amount so added for each of the five succeeding taxable years if the amount so added was five-sixths of qualifying section 179 depreciation expense or depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code;

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(18)(a) of this section is attributable to an add-back allocated under division (A)(17)(c) of this section, the amount deducted shall be sitused to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(18)(a) of
this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A)(18)(a) of this section for that next taxable year. The carryforward of amounts not so deducted shall continue until the entire addition required by division (A)(17)(a) of this section has been deducted.

The deduction may not be claimed for military pay and allowances received by the taxpayer while the taxpayer is stationed in this state.

(22) Deduct, to the extent not otherwise allowable as a
deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year and not otherwise compensated for by any other source, the amount of qualified organ donation expenses incurred by the taxpayer during the taxable year, not to exceed ten thousand dollars. If the taxpayer receives income on account of retirement paid under the federal civil service retirement system or federal employees retirement system, or under any successor retirement program enacted by the congress of the United States that is established and maintained for retired employees of the United States government, and such retirement income is based, in whole or in part, on credit for the taxpayer's uniformed service, the deduction allowed under this division shall include only that portion of such retirement income that is attributable to the
taxpayer's uniformed service, to the extent that portion of such retirement income is otherwise included in federal adjusted gross income and is not otherwise deducted under this section. Any amount deducted under division (A)(23) of this section is not included in a taxpayer's adjusted gross income for the purposes of section 5747.055 of the Revised Code. taxable year to the extent, as described in division (I)(3)(d) of this section, that the trust consists directly or indirectly, in whole or in part, of assets, net of any related liabilities, that were transferred, or caused to be transferred, directly or indirectly, to the trust by any of the following:

(c) With respect to a trust other than a charitable lead trust, "qualifying beneficiary" has the same meaning as "potential current beneficiary" as defined in section 1361(e)(2) of the
Internal Revenue Code, and with respect to a charitable lead trust "qualifying beneficiary" is any current, future, or contingent beneficiary, but with respect to any trust "qualifying beneficiary" excludes a person or a governmental entity or instrumentality to any of which a contribution would qualify for the charitable deduction under section 170 of the Internal Revenue Code.

(i) The first time the trust receives assets, the numerator of the qualifying ratio is the fair market value of those assets at that time, net of any related liabilities, from sources enumerated in division (I)(3)(a) of this section. The denominator of the qualifying ratio is the fair market value of all the trust's assets at that time, net of any related liabilities.

The denominator of the revised qualifying ratio is the fair market value of all the trust's assets immediately after the
subsequent transfer, net of any related liabilities.

   (iii) Whether a transfer to the trust is by or from any of
the sources enumerated in division (I)(3)(a) of this section shall
be ascertained without regard to the domicile of the trust's
beneficiaries.

section:

   (i) A trust is described in division (I)(3)(e)(i) of this

irrevocable inter vivos trust, and at least one of the trust's
qualifying beneficiaries is domiciled in this state for purposes
of this chapter during all or some portion of the trust's current
taxable year.

in this state for the purposes of this chapter, and, prior to the
death of the decedent, the trust became irrevocable while the
decedent was domiciled in this state for the purposes of this
chapter.

   (ii) The transfer is made to a trust to which the decedent,
prior to the decedent's death, had directly or indirectly
transferred assets, net of any related liabilities, while the decedent was domiciled in this state for the purposes of this chapter, and prior to the death of the decedent the trust became irrevocable while the decedent was domiciled in this state for the purposes of this chapter.

(iii) The transfer is made on account of a contractual relationship existing directly or indirectly between the transferor and either the decedent or the estate of the decedent at any time prior to the date of the decedent's death, and the decedent was domiciled in this state at the time of death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

(iv) The transfer is made to a trust on account of a contractual relationship existing directly or indirectly between the transferor and another person who at the time of the decedent's death was domiciled in this state for purposes of this chapter.

(v) The transfer is made to a trust on account of the will of a testator who was domiciled in this state at the time of the testator's death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

If the trust is a pass-through entity investor, section 5747.231 of the Revised Code applies in ascertaining if the trust is eligible to claim the deduction provided by division (S)(12) of this section in connection with the pass-through entity's farm income.

Except for farm income attributable to the S portion of an electing small business trust, the deduction provided by division (S)(12) of this section is allowed only to the extent that the trust has not distributed such farm income.

(13) Add the net amount of income described in section 641(c) Sub. H. B. No. 110 Page 2105
of the Internal Revenue Code to the extent that amount is not included in federal taxable income.

(b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.

Any gain or loss that is not a qualifying trust amount is modified business income, qualifying investment income, or modified nonbusiness income, as the case may be.

(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the extent such qualifying investment income is not otherwise part of modified business income.

of the Revised Code without regard to division (A) of that
section.

divisions (AA)(4)(a) and (c) of this section do not fairly
represent the modified Ohio taxable income of the trust in this
state, the alternative methods described in division (C) of
section 5747.21 of the Revised Code may be applied in the manner

last day of the qualifying investee's fiscal or calendar year
ending immediately prior to the date on which the trust recognizes
the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust...
amount, the upper level pass-through entity shall be deemed as
owning no equity of the lower level pass-through entity for each
day during the upper level pass-through entity's calendar or
fiscal year in which or with which ends the lower level
pass-through entity's calendar or fiscal year. Nothing in division
(AA)(5)(a)(iii) of this section shall be construed to provide for
any deduction or exclusion in computing any trust's Ohio taxable
income.

(b) With respect to a trust that is not a resident for the
taxable year and with respect to a part of a trust that is not a
resident for the taxable year, "qualifying investee" for that
taxable year does not include a C corporation if both of the
following apply:

(i) During the taxable year the trust or part of the trust
recognizes a gain or loss from the sale, exchange, or other
disposition of equity or ownership interests in, or debt
obligations of, the C corporation.

The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. (4)(a) In the case of individuals, the tax imposed by this section on taxable business income shall equal three per cent of the result obtained by subtracting any amount allowed under division (A)(4)(b) of this section from the individual's taxable business income.
(b) If the exemptions allowed to an individual under division (A)(3) of this section exceed the taxpayer's Ohio adjusted gross income less taxable business income, the excess shall be deducted from taxable business income before computing the tax under division (A)(4)(a) of this section.

(5) Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. To recompute the tax dollar amount corresponding to the lowest tax rate in division (A)(3) of this section, the commissioner shall multiply the tax rate prescribed in division (A)(2) of this section by the income amount specified in that division and as adjusted according to this paragraph. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year.

(B) If the director of budget and management makes a
certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as determined under divisions (A)(1) to (3) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that certification is made.

(C)(1) The tax imposed by this section on a trust shall be computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A resident trust may claim a credit against the tax computed under division (C) of this section equal to the lesser of (a) the tax paid to another state or the District of Columbia on the resident trust's modified nonbusiness income, other than the portion of the resident trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (b) the effective tax rate, based on modified Ohio taxable income, multiplied by the resident trust's modified nonbusiness income other than the portion of the resident trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) Any credit authorized against the tax imposed by this section applies to a trust subject to division (C) of this section only if the trust otherwise qualifies for the credit. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(D) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that...
have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts and preneed funeral contract trusts established pursuant to sections 4717.31 to 4717.38 of the Revised Code that are not qualified funeral trusts, endowment and perpetual care trusts, qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

(E) Nothing in division (A)(3) of this section shall prohibit an individual with an Ohio adjusted gross income, less taxable business income and exemptions, of twenty-one twenty-two thousand seven hundred fifty dollars or less from filing a return under this chapter to receive a refund of taxes withheld or to claim any refundable credit allowed under this chapter.

Sec. 5747.05. As used in this section, "income tax" includes both a tax on net income and a tax measured by net income. The following credits shall be allowed against the aggregate income tax liability imposed by section 5747.02 of the Revised Code on individuals and estates:

(A)(1) The amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of any nonresident taxpayer that is not allocable or apportionable to this state pursuant to sections 5747.20 to 5747.23 of the Revised Code. The credit provided under this division shall not exceed the total tax due under section 5747.02 of the Revised Code.

(2) The tax commissioner may enter into an agreement with the taxing authorities of any state or of the District of Columbia that imposes an income tax to provide that compensation paid in this state to a nonresident taxpayer shall not be subject to the tax levied in section 5747.02 of the Revised Code so long as
compensation paid in such other state or in the District of Columbia to a resident taxpayer shall likewise not be subject to the income tax of such other state or of the District of Columbia.

(B) The lesser of division (B)(1) or (2) of this section:

(1) The aggregate amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of a resident taxpayer that in another state or in the District of Columbia is subjected to an income tax. The credit provided under division (B)(1) of this section shall not exceed the total tax due under section 5747.02 of the Revised Code.

(2) The amount of income tax liability to another state or the District of Columbia on the portion of the combined adjusted gross income and business income of a resident taxpayer that in another state or in the District of Columbia is subjected to an income tax. The credit provided under division (B)(2) of this section shall not exceed the total amount of tax otherwise due under section 5747.02 of the Revised Code.

(3) If the credit provided under division (B) of this section is affected by a change in either the portion of the combined adjusted gross income and business income of a resident taxpayer subjected to an income tax in another state or the District of Columbia or the amount of income tax liability that has been paid to another state or the District of Columbia, the taxpayer shall report the change to the tax commissioner within sixty ninety days of the change in such form as the commissioner requires.

(a) In the case of an underpayment, the report shall be accompanied by payment of any additional tax due as a result of the reduction in credit together with interest on the additional tax and is a return subject to assessment under section 5747.13 of the Revised Code solely for the purpose of assessing any
additional tax due under this division, together with any 65246
applicable penalty and interest. It shall not reopen the 65247
computation of the taxpayer's tax liability under this chapter 65248
from a previously filed return no longer subject to assessment 65249
except to the extent that such liability is affected by an 65250
adjustment to the credit allowed by division (B) of this section. 65251

(b) In the case of an overpayment, an application for refund 65252
may be filed under this division within the sixty-day ninety-day 65253
period prescribed for filing the report even if it is beyond the 65254
period prescribed in section 5747.11 of the Revised Code if it 65255
otherwise conforms to the requirements of such section. An 65256
application filed under this division shall only claim refund of 65257
overpayments resulting from an adjustment to the credit allowed by 65258
division (B) of this section unless it is also filed within the 65259
time prescribed in section 5747.11 of the Revised Code. It shall 65260
not reopen the computation of the taxpayer's tax liability except 65261
to the extent that such liability is affected by an adjustment to 65262
the credit allowed by division (B) of this section. 65263

(4) No credit shall be allowed under division (B) of this 65264
section:

(a) For income tax paid or accrued to another state or to the 65265
District of Columbia if the taxpayer, when computing federal 65266
adjusted gross income, has directly or indirectly deducted, or was 65267
required to directly or indirectly deduct, the amount of that 65268
income tax;

(b) For compensation that is not subject to the income tax of 65269
another state or the District of Columbia as the result of an 65270
agreement entered into by the tax commissioner under division 65271
(A)(3) of this section; or

(c) For income tax paid or accrued to another state or the 65272
District of Columbia if the taxpayer fails to furnish such proof 65273
as the tax commissioner shall require that such income tax liability has been paid.

(C) An individual who is a resident for part of a taxable year and a nonresident for the remainder of the taxable year is allowed the credits under divisions (A) and (B) of this section in accordance with rules prescribed by the tax commissioner. In no event shall the same income be subject to both credits.

(D) The credit allowed under division (A) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code. The credit allowed under division (B) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

(E)(1) On a joint return filed by a husband and wife, each of whom had adjusted gross income of at least five hundred dollars, exclusive of interest, dividends and distributions, royalties, rent, and capital gains, a credit equal to the lesser of six hundred fifty dollars or the percentage shown in column B that corresponds with the taxpayer's modified adjusted gross income, less exemptions for the taxable year, of the total amount of tax due after allowing for any other credit that precedes this credit as required under section 5747.98 of the Revised Code:

than $50,000
More than $50,000 but not more than $75,000 10%
More than $75,000 5%

(2) The credit shall be claimed in the order required under section 5747.98 of the Revised Code.

(F) No claim for credit under this section shall be allowed unless the claimant furnishes such supporting information as the tax commissioner prescribes by rules.

Sec. 5747.08. An annual return with respect to the tax imposed by section 5747.02 of the Revised Code and each tax imposed under Chapter 5748. of the Revised Code shall be made by every taxpayer for any taxable year for which the taxpayer is liable for the tax imposed by that section or under that chapter, unless the total credits allowed under division (E) of section 5747.05 and divisions (F) and (G) of section 5747.055 of the Revised Code for the year are equal to or exceed the tax imposed by section 5747.02 of the Revised Code, in which case no return shall be required unless the taxpayer is liable for a tax imposed pursuant to Chapter 5748. of the Revised Code.

(A) If an individual is deceased, any return or notice required of that individual under this chapter shall be made and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(C) Returns or notices required of an estate or a trust shall
be made and filed by the fiduciary of the estate or trust.

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D)(2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code.

(b)(i) A pass-through entity shall not include in such a single return any investor that is a trust to the extent that any direct or indirect current, future, or contingent beneficiary of the trust is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(ii) A pass-through entity shall not include in such a single return any investor that is itself a pass-through entity to the extent that any direct or indirect investor in the second pass-through entity is a person subject to the tax imposed under section 5733.06 of the Revised Code.
section 5733.06 of the Revised Code.

(c) Nothing in division (D) of this section precludes the tax commissioner from requiring such investors to file the return and make the payment of taxes and related interest, penalty, and interest penalty required by this section or section 5747.02, 5747.09, or 5747.15 of the Revised Code. Nothing in division (D) of this section precludes such an investor from filing the annual return under this section, utilizing the refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor under division (I) of this section, and making the payment of taxes imposed under section 5747.02 of the Revised Code. Nothing in division (D) of this section shall be construed to provide to such an investor or pass-through entity any additional deduction or credit, other than the credit provided by division (I) of this section, solely on account of the entity's filing a return in accordance with this section. Such a pass-through entity also shall make the filing and payment of estimated taxes on behalf of the pass-through entity investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(2) For the purposes of this section, "business credits" means the credits listed in section 5747.98 of the Revised Code excluding the following credits:

(a) The retirement income credit under division (B) of section 5747.055 of the Revised Code;

(b) The senior citizen credit under division (F) of section 5747.055 of the Revised Code;

(c) The lump sum distribution credit under division (G) of section 5747.055 of the Revised Code;

(d) The dependent care credit under section 5747.054 of the Revised Code;
(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;

(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;

(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;

(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;

(i) The twenty-dollar personal exemption credit under section 5747.022 of the Revised Code;

(j) The joint filing credit under division (E) of section 5747.05 of the Revised Code;

(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;

(l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;

(m) The earned income tax credit under section 5747.71 of the Revised Code;

(n) The lead abatement credit under section 5747.26 of the Revised Code.

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall
be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return.

(E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section. If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this
section shall contain the signature of the taxpayer or the
taxpayer's duly authorized agent and of the person who prepared
the return for the taxpayer, and shall include the taxpayer's
social security number. Each return shall be verified by a
declaration under the penalties of perjury. The tax commissioner
shall prescribe the form that the signature and declaration shall
take.

(G) Each return or notice required to be filed under this
section shall be made and filed as required by section 5747.04 of
the Revised Code, on or before the fifteenth day of April of each
year, on forms that the tax commissioner shall prescribe, together
with remittance made payable to the treasurer of state in the
combined amount of the state and all school district income taxes
shown to be due on the form.

Upon good cause shown, the commissioner may extend the period
for filing any notice or return required to be filed under this
section and may adopt rules relating to extensions. If the
extension results in an extension of time for the payment of any
state or school district income tax liability with respect to
which the return is filed, the taxpayer shall pay at the time the
tax liability is paid an amount of interest computed at the rate
per annum prescribed by section 5703.47 of the Revised Code on
that liability from the time that payment is due without extension
to the time of actual payment. Except as provided in section
5747.132 of the Revised Code, in addition to all other interest
charges and penalties, all taxes imposed under this chapter or
Chapter 5748. of the Revised Code and remaining unpaid after they
become due, except combined amounts due of one dollar or less,
bear interest at the rate per annum prescribed by section 5703.47
of the Revised Code until paid or until the day an assessment is
issued under section 5747.13 of the Revised Code, whichever occurs
first.
If the commissioner considers it necessary in order to ensure the payment of the tax imposed by section 5747.02 of the Revised Code or any tax imposed under Chapter 5748. of the Revised Code, the commissioner may require returns and payments to be made otherwise than as provided in this section.

To the extent that any provision in this division conflicts with any provision in section 5747.026 of the Revised Code, the provision in that section prevails.

(H) The amounts withheld by an employer pursuant to section 5747.06 of the Revised Code, a casino operator pursuant to section 5747.062, 5747.063 of the Revised Code, or a lottery sales agent pursuant to sections 5747.064, 5747.065, or 5747.071 of the Revised Code shall be allowed to the ultimate recipient of the compensation, casino winnings, or lottery prize award income as credits against payment of the appropriate taxes imposed on the ultimate recipient by section 5747.02 and under Chapter 5748. of the Revised Code. As used in this division, "ultimate recipient" means the person who is required to report income from which amounts are withheld pursuant to section 5747.06, 5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of the Revised Code on the annual return required to be filed under this section.

(I) If a pass-through entity elects to file a single return under division (D) of this section and if any investor is required to file the annual return and make the payment of taxes required by this chapter on account of the investor's other income that is not included in a single return filed by a pass-through entity or any other investor elects to file the annual return, the investor is entitled to a refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor. The investor shall claim the credit for the investor's taxable year in which or with which ends the taxable year of the pass-through entity. Nothing in this chapter
shall be construed to allow any credit provided in this chapter to be claimed more than once. For the purpose of computing any interest, penalty, or interest penalty, the investor shall be deemed to have paid the refundable credit provided by this division on the day that the pass-through entity paid the estimated tax or the tax giving rise to the credit.

(J) The tax commissioner shall ensure that each return required to be filed under this section includes a box that the taxpayer may check to authorize a paid tax preparer who prepared the return to communicate with the department of taxation about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the department of taxation to contact the preparer concerning questions that arise during the processing of the return and authorizes the preparer only to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the department and has shown to the preparer.

(K) The tax commissioner shall permit individual taxpayers to instruct the department of taxation to cause any refund of overpaid taxes to be deposited directly into a checking account, savings account, or an individual retirement account or individual retirement annuity, or preexisting college savings plan or program account offered by the Ohio tuition trust authority under Chapter 3334. of the Revised Code, as designated by the taxpayer, when the taxpayer files the annual return required by this section electronically.

(L) A taxpayer claiming the deduction under division (A)(31)(A)(28) of section 5747.01 of the Revised Code for a
taxable year shall indicate on the taxpayer's return the north American industry classification system code of each business or professional activity from which the taxpayer's business income was derived. The tax commissioner shall provide space on the return for this purpose and shall prescribe, by rule adopted in accordance with Chapter 119. of the Revised Code, the manner by which such a taxpayer shall determine the taxpayer's proper classification codes and business or professional activities from which the taxpayer derives business income.

(M) The tax commissioner may adopt rules to administer this section.

Sec. 5747.10. (A) As used in this section:

1) "Audited partnership" means a partnership subject to an examination by the internal revenue service pursuant to subchapter C, chapter 63, subtitle F of the Internal Revenue Code resulting in a federal adjustment.

2)(a) "Direct investor" means a partner or other investor that holds a direct interest in a pass-through entity.

(b) "Indirect investor" means a partner or other investor that holds an interest in a pass-through entity that itself holds an interest, directly or through another indirect partner or other investor, in a pass-through entity.

3) "Exempt partner" means a partner that is neither a pass-through entity nor a person subject to the tax imposed by section 5747.02 of the Revised Code.

4) "Federal adjustment" means a change to an item or amount required to be determined under the Internal Revenue Code that directly or indirectly affects a taxpayer's aggregate tax liability under section 5747.02 or Chapter 5748. of the Revised Code and that results from an action or examination by the
internal revenue service, or from the filing of an amended federal 
tax return, a claim for a federal tax refund, or an administrative 
adjustment request filed by a partnership under section 6227 of 
the Internal Revenue Code.

(5) "Federal adjustments return" means the form or other 
document prescribed by the tax commissioner for use by a taxpayer 
in reporting final federal adjustments.

(6) "State partnership representative" means either of the 
following:

(a) The person who served as the partnership's representative 
for federal income tax purposes, pursuant to section 6223(a) of 
the Internal Revenue Code, during the corresponding federal 
partnership audit;

(b) The person designated, on a form prescribed by the tax 
commissioner, to serve as the partnership's representative during 
the state partnership audit. The commissioner may establish 
reasonable qualifications and procedures for a person to be 
designated as a state partnership representative under this 
division.

(7) A federal adjustment is "final" or "agreed to or finally 
determined for federal income tax purposes" on any of the 
following:

(a) The day after which the period for appeal of a federal 
assessment has expired;

(b) The date on a refund check issued by the internal revenue 
service; or

(c) For agreements required to be signed by the internal 
revenue service and the taxpayer or audited partnership, the date 
on which the last party signed the agreement.

(B)(1) If any of the facts, figures, computations, or
attachments required in a taxpayer's annual return to determine 65617
the tax charged by this chapter or Chapter 5748. of the Revised 65618
Code must be altered as the result of a final federal adjustment, 65619
and the federal adjustment is not required to be reported under 65620
division (C) of this section, the taxpayer shall file an amended 65621
return with the tax commissioner in such form as the commissioner 65622
requires. The amended return shall be filed not later than ninety 65623
days after the federal adjustment has been agreed to or finally 65624
determined for federal income tax purposes.

(2) "One hundred eighty" shall be substituted for "ninety" in 65626
divisions (B)(1) and (E)(1) of this section if, for any taxable 65627
year, the final federal adjustment results from taxes paid by the 65628
taxpayer on an amount described in division (A)(34) (A)(32) of 65629
section 5747.01 of the Revised Code.

(C) Except for adjustments required to be reported for 65631
federal purposes pursuant to section 6225(a)(2) of the Internal 65632
Revenue Code and adjustments that are taken into account on a 65633
federal amended return or similar report filed pursuant to section 65634
6225(c)(2) of the Internal Revenue Code, partnerships and partners 65635
shall report final federal adjustments and make payments as 65636
required under division (C) of this section.

(1) With respect to an action required or permitted to be 65638
taken by a partnership under this section, and any petition for 65639
reassessment or appeal to the board of tax appeals or any court 65640
with respect to such an action, the state partnership 65641
representative shall have the sole authority to act on behalf of 65642
the audited partnership, and the partnership's direct and indirect 65643
investors shall be bound by those actions.

(2) Unless an audited partnership makes the election under 65645
division (C)(3) of this section:

(a) The audited partnership, through its state partnership 65647
representative, shall do all of the following within ninety days after the federal adjustment is final:

   (i) File a federal adjustments return with the tax commissioner, including a copy of the notifications provided under division (C)(2)(a)(ii) of this section;

   (ii) Notify each of its direct investors, on a form prescribed by the commissioner, of the investor's distributive share of the final federal adjustments;

   (iii) File an amended tax return on behalf of its nonresident direct investors and pay any additional tax that would have been due under sections 5733.41 and 5747.41, or division (D) of section 5747.08, of the Revised Code with respect to those direct investors had the final federal adjustments been reported properly on the original filing.

   (b) Each direct investor that is subject to the tax imposed by section 5747.02 of the Revised Code shall file an original or amended tax return to include the investor's distributive share of the adjustments reported to the direct investor under division (C)(2)(a) of this section, and pay any additional tax due, within ninety days after the audited partnership files its federal adjustments return with the commissioner.

   (c)(i) Each direct and indirect investor of an audited partnership that is a pass-through entity and all investors in such a pass-through entity that are subject to the filing and payment requirements of Chapters 5733. and 5747. of the Revised Code are subject to the reporting and payment requirements of division (C)(2) or, upon a timely election, division (C)(3) of this section.

   (ii) Such direct and indirect investors shall make the required returns and payments within ninety days after the deadline for filing and furnishing statements under section 5747.02 of the Revised Code with respect to those direct investors had the final federal adjustments been reported properly on the original filing.
(3) If an audited partnership makes the election under this division, the audited partnership, through its state partnership representative, shall do all of the following within ninety days after all federal adjustments are final:

(a) File a federal adjustments return with the tax commissioner indicating the partnership has made the election under division (C)(3) of this section;

(b) Pay the amount of combined additional tax due under division (D)(2) of this section, calculated by multiplying the highest rate of tax set forth in section 5747.02 of the Revised Code by the sum of the following:

   (i) The distributive shares of the final federal adjustments that are allocable or apportionable to this state of each investor who is a nonresident taxpayer or pass-through entity;

   (ii) The distributive share of the final federal adjustments for each investor who is a resident taxpayer.

(c) Notify each of its direct investors, on a form prescribed by the commissioner, of the investor's distributive share of the final federal adjustments and the amount paid on their behalf pursuant to division (C)(3)(b) of this section.

(4)(a) A direct investor of an audited partnership is not required to file an amended return or pay tax otherwise due under section 5747.02 of the Revised Code if the audited partnership properly reports and pays the tax under division (C)(3) of this section.

(b)(i) Nothing in division (C) of this section precludes a direct or indirect investor in the audited partnership from filing a return to report the investor's share of the final federal
adjustments. Such an investor who files a return and reports the income related to the final federal adjustments is entitled to a refundable credit for taxes paid by the audited partnership under division (C)(3)(b) of this section. The credit shall be computed and claimed in the same manner as the credit allowed under division (I) of section 5747.08 of the Revised Code.

(ii) Notwithstanding division (C)(4)(b)(i) of this section, an exempt partner, whether a direct or indirect investor, may file an application for refund of its proportionate share of the amounts erroneously paid by the audited partnership pursuant to division (C)(3)(b) of this section on the exempt partner's behalf.

(5) Upon request by an audited partnership, the tax commissioner may agree, in writing, to allow an alternative method of reporting and payment than required by division (C)(2) or (3) of this section. The request must be submitted to the commissioner in writing before the applicable deadline for filing a return under division (C)(2)(a) or (3) of this section. The commissioner's decision on whether to enter into an agreement under this division is not subject to further administrative review or appeal.

(6) Nothing in division (C) of this section precludes either of the following:

(a) A resident taxpayer from filing a return to claim the credit under division (B) of section 5747.05 or division (D)(2) of section 5747.02 of the Revised Code based upon any amounts paid by the audited partnership on such investor's behalf to another state.

(b) The tax commissioner from issuing an assessment under this chapter against any direct or indirect investor for taxes due from the investor if an audited partnership, or direct and indirect investor of an audited partnership that is a pass-through.
entity, fails to timely file any return or remit any payment required by this section or underreports income or underpays tax on behalf of an indirect investor who is a resident taxpayer.

(D) In the case of an underpayment, and unless otherwise agreed to in writing by the tax commissioner:

(1) The taxpayer's amended return shall be accompanied by payment of any combined additional tax due together with interest thereon. An amended return required by this section is a return subject to assessment under section 5747.13 of the Revised Code for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. It shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the final federal adjustment to the taxpayer's federal income tax return.

(2) The audited partnership's federal adjustments return shall be accompanied by payment of any combined additional tax due together with interest thereon. The federal adjustments return required by this section is a return subject to assessment under section 5747.13 of the Revised Code for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. It shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the final federal adjustment.

(3) The tax commissioner may accept estimated payments of the tax arising from pending federal adjustments before the date for filing a federal adjustments return. The commissioner may adopt rules for the payment of such estimated taxes.

(E) In the case of an overpayment, and unless otherwise...
agreed to in writing by the tax commissioner:

(1) A taxpayer may file an application for refund under this division within the ninety-day period prescribed for filing the amended return even if it is filed beyond the period prescribed in section 5747.11 of the Revised Code if it otherwise conforms to the requirements of such section. An application filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the final federal adjustment to the taxpayer's federal income tax return unless it is also filed within the time prescribed in section 5747.11 of the Revised Code. It shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return.

(2)(a) Except as otherwise provided in division (E)(2)(b) of this section, an audited partnership may file an application for a refund under this division within the ninety-day period prescribed for filing the federal adjustments return, even if it is filed beyond the period prescribed by section 5747.11 of the Revised Code, if it otherwise conforms to the requirements of that section. An application filed under this division may claim a refund of overpayments resulting only from final federal adjustments unless it is also filed within the time prescribed by section 5747.11 of the Revised Code. It shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the federal adjustment.

(b) An audited partnership may not file an application for refund under division (E) of this section based on final federal adjustments described in section 6225(a)(2) of the Internal
(3) Any refund granted to a pass-through entity filing an application for refund under division (E) of this section shall be reduced by amounts previously claimed as a credit under section 5747.059 or division (I) of section 5747.08 of the Revised Code by the pass-through entity's direct or indirect investors.

(F) Excluding the deadline in division (C)(2)(c)(ii) of this section, an audited partnership, or a direct or indirect investor of an audited partnership that is a pass-through entity, may automatically extend the deadline for reporting, payments, and refunds under this section by sixty days if the entity has ten thousand or more direct investors and notifies the commissioner of such extension, in writing, before the unextended deadline.

Sec. 5747.79. (A) As used in this section and division (A)(34) of section 5747.01 of the Revised Code:

(1) "Qualifying capital gain" means a capital gain from the sale of an interest in an entity reported for the taxable year to the internal revenue service pursuant to the Internal Revenue Code, to the extent that such capital gain is not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, provided that all of the following apply:

(a) The taxpayer that sold the interest either:

(i) Materially participated in the activities of the entity for the five years immediately preceding the time of sale. For the purposes of this division, a taxpayer materially participates in the activities of the entity if the taxpayer meets the requirements of divisions (a)(1), (2), (3), (4), or (7) of 26 C.F.R. 1.469-5T.

(ii) Directly or indirectly made a venture capital investment.
of at least one million dollars in the entity. As used in this
division, "venture capital investment" has the same meaning as in
division (d)(3) of 29 C.F.R. 2510.3-101.

(b) The entity is incorporated, registered, or organized in
this state during the five years immediately preceding the time of
sale.

(c) The entity is headquartered in this state during the five
years immediately preceding the time of sale.

(2) A "sale of an interest in an entity" includes the sale,
exchange, or other disposition of stock, a membership interest, or
any other equity or ownership interest, owned directly or
indirectly by the taxpayer, in an entity that conducts a trade or
business in this state.

(3) "Qualifying payroll" means the amount of compensation
used to determine the withholding obligations in division (A) of
section 5747.06 of the Revised Code and paid over one of the
following periods by the entity whose sale generated the
qualifying capital gain:

(a) The five calendar years immediately preceding the time of
sale for a taxpayer described in division (A)(1)(a)(i) of this
section;

(b) The investment period, not to exceed the five calendar
years, immediately preceding the time of sale for a taxpayer
described in division (A)(1)(a)(ii) of this section.

"Qualifying payroll" does not include any amounts paid to the
taxpayer, or the taxpayer's spouse, parents, grandparents,
children, or grandchildren.

(4) "Deductible payroll" means the qualifying payroll of the
entity in which a taxpayer sold an ownership interest multiplied
by the percentage of the interest in the entity the taxpayer sold.
(B) In computing Ohio adjusted gross income for taxable years beginning in or after 2026, a deduction from federal adjusted gross income is allowed to a taxpayer that realizes a qualifying capital gain during the taxable year. The deduction shall equal the lesser of the taxpayer's qualifying capital gain or the deductible payroll.

(C) If a taxpayer has multiple capital gains from the sale of interests in different entities during the taxable year, the following apply:

   (1) Each capital gain must meet the requirements of divisions (A)(1)(a) to (c) of this section to be classified as a qualifying capital gain.

   (2) The deduction shall equal the lesser of the taxpayer's qualifying capital gain from the sale of each entity or the deductible payroll attributable to that entity. The deduction amounts related to each entity shall then be aggregated to determine the total deduction allowed.

(D) On request of the tax commissioner, the taxpayer shall provide any information that, in the commissioner's opinion, is necessary to establish the amount deducted under division (A)(34) of section 5747.01 of the Revised Code.

Sec. 5751.02. (A) For the purpose of funding the needs of this state and its local governments, there is hereby levied a commercial activity tax on each person with taxable gross receipts for the privilege of doing business in this state. For the purposes of this chapter, "doing business" means engaging in any activity, whether legal or illegal, that is conducted for, or results in, gain, profit, or income, at any time during a calendar year. Persons on which the commercial activity tax is levied include, but are not limited to, persons with substantial nexus with this state. The tax imposed under this section is not a
transactional tax and is not subject to Public Law No. 86-272, 73 Stat. 555. The tax imposed under this section is in addition to any other taxes or fees imposed under the Revised Code. The tax levied under this section is imposed on the person receiving the gross receipts and is not a tax imposed directly on a purchaser. The tax imposed by this section is an annual privilege tax for the calendar year that, in the case of calendar year taxpayers, is the annual tax period and, in the case of calendar quarter taxpayers, contains all quarterly tax periods in the calendar year. A taxpayer is subject to the annual privilege tax for doing business during any portion of such calendar year.

(B) The tax imposed by this section is a tax on the taxpayer and shall not be billed or invoiced to another person. Even if the tax or any portion thereof is billed or invoiced and separately stated, such amounts remain part of the price for purposes of the sales and use taxes levied under Chapters 5739. and 5741. of the Revised Code. Nothing in division (B) of this section prohibits:

(1) A person from including in the price charged for a good or service an amount sufficient to recover the tax imposed by this section; or

(2) A lessor from including an amount sufficient to recover the tax imposed by this section in a lease payment charged, or from including such an amount on a billing or invoice pursuant to the terms of a written lease agreement providing for the recovery of the lessor's tax costs. The recovery of such costs shall be based on an estimate of the total tax cost of the lessor during the tax period, as the tax liability of the lessor cannot be calculated until the end of that period.

(C)(1) The commercial activities tax receipts fund is hereby created in the state treasury and shall consist of money arising from the tax imposed under this chapter.
One-half of one per cent of the money credited to that fund shall be credited to the revenue enhancement fund and shall be used to defray the costs incurred by the department of taxation in administering the tax imposed by this chapter and in implementing tax reform measures. The remainder of the money in the commercial activities tax receipts fund shall first be credited to the commercial activity tax motor fuel receipts fund, pursuant to division (C)(2) of this section, and the remainder shall be credited in the following percentages each fiscal year to the general revenue fund, to the school district tangible property tax replacement fund, which is hereby created in the state treasury for the purpose of making the payments described in section 5709.92 of the Revised Code, and to the local government tangible property tax replacement fund, which is hereby created in the state treasury for the purpose of making the payments described in section 5709.93 of the Revised Code, in the following percentages:

(2) Not later than the twentieth day of February, May, August, and November of each year, the commissioner shall provide for payment from the commercial activities tax receipts fund to the commercial activity tax motor fuel receipts fund an amount that bears the same ratio to the balance in the commercial activities tax receipts fund that (a) the taxable gross receipts attributed to motor fuel used for propelling vehicles on public highways as indicated by returns filed by the tenth day of that month for a liability that is due and payable on or after July 1,
2013, for a tax period ending before July 1, 2014, bears to (b) all taxable gross receipts as indicated by those returns for such liabilities.

(D)(1) If the total amount in the school district tangible property tax replacement fund is insufficient to make all payments under section 5709.92 of the Revised Code at the times the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the school district tangible property tax replacement fund the difference between the total amount to be paid and the amount in the school district tangible property tax replacement fund.

(2) If the total amount in the local government tangible property tax replacement fund is insufficient to make all payments under section 5709.93 of the Revised Code at the times the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the local government tangible property tax replacement fund the difference between the total amount to be paid and the amount in the local government tangible property tax replacement fund.

(E)(1) On or after the first day of June of each year, the director of budget and management may transfer any balance in the school district tangible property tax replacement fund to the general revenue fund.

(2) On or after the first day of June of each year, the director of budget and management may transfer any balance in the local government tangible property tax replacement fund to the general revenue fund.

(F)(1) There is hereby created in the state treasury the commercial activity tax motor fuel receipts fund.

(2) On or before the fifteenth day of June of each fiscal year beginning with fiscal year 2015, the director of the Ohio
public works commission shall certify to the director of budget and management the amount of debt service paid from the general revenue fund in the current fiscal year on bonds issued to finance or assist in the financing of the cost of local subdivision public infrastructure capital improvement projects, as provided for in Sections 2k, 2m, 2p, and 2s of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in the current fiscal year according to the applicable section of the Ohio Constitution under which the bonds were originally issued.

(3) On or before the thirtieth day of June of each fiscal year beginning with fiscal year 2015, the director of budget and management shall determine an amount up to but not exceeding the amount certified under division (F)(2) of this section and shall reserve that amount from the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund for transfer to the general revenue fund at times and in amounts to be determined by the director. The director shall transfer the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund in excess of the amount so reserved to the highway operating fund on or before the thirtieth day of June of the current fiscal year.

Sec. 5751.03. (A) Except as provided in division (B) of this section, the tax levied under this section for each tax period shall be the product of two and six-tenths mills per dollar times the remainder of the taxpayer's taxable gross receipts for the tax period after subtracting the exclusion amount provided for in division (C) of this section.
(B) Notwithstanding division (C) of this section, the tax on the first one million dollars in taxable gross receipts each calendar year shall be calculated as follows:

1. For taxpayers with annual taxable gross receipts of one million dollars or less for the immediately preceding calendar year, one hundred fifty dollars;

2. For taxpayers with annual taxable gross receipts greater than one million dollars, but less than or equal to two million dollars for the immediately preceding calendar year, eight hundred dollars;

3. For taxpayers with annual taxable gross receipts greater than two million dollars, but less than or equal to four million dollars for the immediately preceding calendar year, two thousand one hundred dollars;

4. For taxpayers with annual taxable gross receipts greater than four million dollars for the immediately preceding calendar year, two thousand six hundred dollars.

The tax imposed under division (B)(1) of this section shall be paid not later than the tenth day of May of each year along with the annual tax return. The tax imposed under divisions (B)(2), (3), and (4) of this section shall be paid not later than the tenth day of May of each year along with the first quarter tax return.

(C)(1) Each taxpayer may exclude the first one million dollars of taxable gross receipts for a calendar year. Calendar quarter taxpayers shall apply the full exclusion amount to the first calendar quarter return the taxpayer files that calendar year and may carry forward and apply any unused exclusion amount to subsequent calendar quarters within that same calendar year.

(2) A taxpayer switching from a calendar year tax period to a calendar quarter tax period may, for the first quarter of the
change, apply the full one-million-dollar exclusion amount to the first calendar quarter return the taxpayer files that calendar year. Such taxpayers may carry forward and apply any unused exclusion amount to subsequent calendar quarters within that same calendar year. The tax rate shall be based on the rate imposed that calendar quarter when the taxpayer switches from a calendar year to a calendar quarter tax period.

(3) A taxpayer shall not exclude more than one million dollars pursuant to division (C) of this section in a calendar year.

Sec. 5751.40. (A) As used in this section and division (F)(2)(z) of section 5751.01 of the Revised Code:

(1) "Qualifying distribution center receipts" means receipts of a supplier from qualified property that is delivered to a qualified distribution center, multiplied by a quantity that equals one minus the Ohio delivery percentage. If the qualified distribution center is a refining facility, "supplier" includes all dealers, brokers, processors, sellers, vendors, cosigners, and distributors of qualified property.

(2) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere or, in the case of gold, silver, platinum, or palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some
other process at a refining facility.

(3) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(4) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(5) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(6) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner under division (B) of this section.

(7) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(8) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities
exchange.

(9) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, inc. or commodity exchange, inc., designated as a contract market by the commodity futures trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 et seq., as amended.

(10) "Ineligible operator's supplier tax liability" means an amount equal to the tax liability of all suppliers of a distribution center had the distribution center not been issued a qualifying certificate for the qualifying year. Ineligible operator's supplier tax liability shall not include interest or penalties.

(B) For purposes of division (B) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.

(1) An application for a qualifying certificate to be a qualified distribution center shall be filed, and an annual fee paid, for each qualified distribution center on or before the first day of September before the qualifying year or within forty-five days after the distribution center opens, whichever is later. The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be sitused outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period.

The commissioner may require an applicant to have an
independent certified public accountant certify that the calculation of the minimum thresholds required for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate effective for the remainder of the qualifying year or until the appeal is finalized, whichever is earlier. If the operator does not prevail in the appeal, the operator shall pay the ineligible operator's supplier tax liability.

(2) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be sitused outside of this state under the provisions of division (E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall pay the ineligible operator's supplier tax liability.

(3) The commissioner may grant a qualifying certificate to a distribution center that does not qualify as a qualified distribution center for an entire qualifying period if the operator of the distribution center demonstrates that the business operations of the distribution center have changed or will change
such that the distribution center will qualify as a qualified distribution center within thirty-six months after the date the operator first applies for a certificate. If, at the end of that thirty-six-month period, the business operations of the distribution center have not changed such that the distribution center qualifies as a qualified distribution center, the operator of the distribution center shall pay the ineligible operator's supplier tax liability for each year that the distribution center received a certificate but did not qualify as a qualified distribution center. For each year the distribution center receives a certificate under division (B)(3) of this section, the distribution center shall pay all applicable fees required under this section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.

(4) An operator may appeal a determination under division (B)(1) or (B)(2) of this section that the ineligible operator is liable for the operator's supplier tax liability as a result of not qualifying as a qualified distribution center, as provided in section 5717.02 of the Revised Code.

(C)(1) When filing an application for a qualifying certificate under division (B)(1) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (B)(1) of this section.

(2) In the case where the distribution center is new and not
open for the entire qualifying period, the operator shall make a
good faith estimate of an Ohio delivery percentage for use by
suppliers in their reports of taxable gross receipts for the
remainder of the qualifying period. The operator of the facility
shall disclose to the suppliers that such Ohio delivery percentage
is an estimate and is subject to recalculation. By the due date of
the next application for a qualifying certificate, the operator
shall determine the actual Ohio delivery percentage for the
estimated qualifying period and proceed as provided in division
(C)(1) of this section with respect to the calculation and
recalculation of the Ohio delivery percentage. The supplier is
required to file, within sixty days after receiving notice from
the operator of the qualified distribution center, amended reports
for the impacted calendar quarter or quarters or calendar year,
whichever the case may be. Any additional tax liability or tax
overpayment shall be subject to interest but shall not be subject
to the imposition of any penalty so long as the amended returns
are timely filed.

(3) The operator of a distribution center that receives a
qualifying certificate under division (B)(3) of this section shall
make a good faith estimate of the Ohio delivery percentage that
the operator estimates will apply to the distribution center at
the end of the thirty-six-month period after the operator first
applied for a qualifying certificate under that division. The
result of the estimate shall be multiplied by a factor of one and
seventy-five one-hundredths. The product of that calculation shall
be the Ohio delivery percentage used by suppliers in their reports
of taxable gross receipts for each qualifying year that the
distribution center receives a qualifying certificate under
division (B)(3) of this section, except that, if the product is
less than five per cent, the Ohio delivery percentage used shall
be five per cent and that, if the product exceeds forty-nine per
cent, the Ohio delivery percentage used shall be forty-nine per
(D) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this section shall not be subject to tax on the qualifying distribution center receipts under this section and division (F)(2)(z) of section 5751.01 of the Revised Code. An operator receiving a qualifying certificate is liable for the ineligible operator's supplier tax liability for each year the operator received a certificate but did not qualify as a qualified distribution center.

(E) The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(F) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (B)(1) of this section. The first one hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the revenue enhancement fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(G) The tax commissioner may require that adequate security be posted by the operator of the distribution center on appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set.

(2) The adjutant general shall develop and provide a written
explanation that informs all eligible scholarship recipients that the recipient may become ineligible and liable for repayment for an amount of scholarship payments received in accordance with division (G) of this section. The written explanation shall be reviewed by the scholarship recipient before acceptance of the scholarship and before acceptance of an enlistment, warrant, commission, or appointment for a term not less than the recipient's remaining term in the national guard or in the active duty component of the United States armed forces.

(D)(1) Except as provided in divisions (I) and (J) of this section, for each academic term that an eligible applicant is approved for a scholarship under this section and either remains a current member in good standing of the Ohio national guard or is eligible for a scholarship under division (F)(1) of this section, the institution of higher education in which the applicant is enrolled shall, if the applicant's enlistment obligation extends beyond the end of that academic term or if division (F)(1) of this section applies, be paid on the applicant's behalf the applicable one of the following amounts:

(a) If the institution is a state institution of higher education, an amount equal to one hundred per cent of the institution's tuition charges;

(b) If the institution is a nonprofit private institution or a private institution exempt from regulation under Chapter 3332. of the Revised Code as prescribed in section 3333.046 of the Revised Code, an amount equal to one hundred per cent of the average tuition charges of all state universities;

(c) If the institution is an institution that holds a certificate of registration from the state board of career colleges and schools, the lesser of the following:

(i) An amount equal to one hundred per cent of the
institution's tuition;

(ii) An amount equal to one hundred per cent of the average tuition charges of all state universities, as that term is defined in section 3345.011 of the Revised Code.

(2) The adjutant general and the chancellor of higher education may jointly adopt rules to require the use of other federal educational financial assistance programs, including such programs offered by the United States department of defense, for which an applicant is eligible based on the applicant's military service. If such rules are adopted, the rules shall require that financial assistance received by a scholarship recipient under those programs be applied to all eligible expenses prior to the use of scholarship funds awarded under this section. Scholarship funds awarded under this section shall then be applied to the recipient's remaining eligible expenses.

(E) A scholarship recipient under this section shall be entitled to receive scholarships under this section for the number of quarters or semesters it takes the recipient to accumulate ninety-six eligibility units as determined under divisions (E)(1) to (3) of this section.

(1) To determine the maximum number of semesters or quarters for which a recipient is entitled to a scholarship under this section, the adjutant general shall convert a recipient's credit hours of enrollment for each academic term into eligibility units in accordance with the following table:

<table>

6 but less than 9 6 units 4 units
3 but less than 6 3 units 2 units

(2) A scholarship recipient under this section may continue to apply for scholarships under this section until the recipient has accumulated ninety-six eligibility units.

(3) If a scholarship recipient withdraws from courses prior to the end of an academic term so that the recipient's enrollment for that academic term is less than three credit hours, no scholarship shall be paid on behalf of that person for that academic term. Except as provided in division (F)(3) of this section, if a scholarship has already been paid on behalf of the person for that academic term, the adjutant general shall add to that person's accumulated eligibility units the number of eligibility units for which the scholarship was paid.

(F) This division applies to any eligible applicant called into active duty on or after September 11, 2001. As used in this division, "active duty" means active duty pursuant to an executive order of the president of the United States, an act of the congress of the United States, or section 5919.29 or 5923.21 of the Revised Code.

(1) For a period of up to five years from when an individual's enlistment obligation in the Ohio national guard ends, an individual to whom this division applies is eligible for scholarships under this section for those academic terms that were missed or could have been missed as a result of the individual's call into active duty. Scholarships shall not be paid for the
academic term in which an eligible applicant's enlistment obligation ends unless an applicant is eligible under this division for a scholarship for such academic term due to previous active duty.

(2) When an individual to whom this division applies withdraws or otherwise fails to complete courses, for which scholarships have been awarded under this section, because the individual was called into active duty, the institution of higher education shall grant the individual a leave of absence from the individual's education program and shall not impose any academic penalty for such withdrawal or failure to complete courses. Division (F)(2) of this section applies regardless of whether or not the scholarship amount was paid to the institution of higher education.

(3) If an individual to whom this division applies withdraws or otherwise fails to complete courses because the individual was called into active duty, and if scholarships for those courses have already been paid, either:

(a) The adjutant general shall not add to that person's accumulated eligibility units calculated under division (E) of this section the number of eligibility units for the academic courses or term for which the scholarship was paid and the institution of higher education shall repay the scholarship amount to the state.

(b) The adjutant general shall add to that individual's accumulated eligibility units calculated under division (E) of this section the number of eligibility units for the academic courses or term for which the scholarship was paid if the institution of higher education agrees to permit the individual to complete the remainder of the academic courses in which the individual was enrolled at the time the individual was called into active duty.
(4) No individual who is discharged from the Ohio national guard under other than honorable conditions shall be eligible for scholarships under this division.

(G) A scholarship recipient under this section who fails to complete the term of enlistment, re-enlistment, or extension of current enlistment the recipient was serving at the time a scholarship was paid on behalf of the recipient under this section is liable to the state for repayment of a percentage of all Ohio national guard scholarships paid on behalf of the recipient under this section, plus interest at the rate of ten per cent per annum calculated from the dates the scholarships were paid. This percentage shall equal the percentage of the current term of enlistment, re-enlistment, or extension of enlistment a recipient has not completed as of the date the recipient is discharged from the Ohio national guard.

The attorney general may commence a civil action on behalf of the chancellor to recover the amount of the scholarships and the interest provided for in this division and the expenses incurred in prosecuting the action, including court costs and reasonable attorney's fees. A scholarship recipient is not liable under this division if the recipient's failure to complete the term of enlistment being served at the time a scholarship was paid on behalf of the recipient under this section is due to the recipient's death or discharge from the national guard due to disability.

(H) On or before the first day of each academic term, the adjutant general shall provide an eligibility roster to the chancellor and to each institution of higher education at which one or more scholarship recipients have applied for enrollment. The institution shall use the roster to certify the actual full-time or part-time enrollment of each scholarship recipient listed as enrolled at the institution and return the roster to the
adjutant general and the chancellor. Except as provided in division (J) of this section, the chancellor shall provide for payment of the appropriate number and amount of scholarships to each institution of higher education pursuant to division (D) of this section. If an institution of higher education fails to certify the actual enrollment of a scholarship recipient listed as enrolled at the institution within thirty days of the end of an academic term, the institution shall not be eligible to receive payment from the Ohio national guard scholarship program or from the individual enrollee. The adjutant general shall report on a semiannual basis to the director of budget and management, the speaker of the house of representatives, the president of the senate, and the chancellor the number of Ohio national guard scholarship recipients, the size of the scholarship-eligible population, and a projection of the cost of the program for the remainder of the biennium.

(I) The chancellor and the adjutant general may adopt rules pursuant to Chapter 119. of the Revised Code governing the administration and fiscal management of the Ohio national guard scholarship program and the procedure by which the chancellor and the department of the adjutant general may modify the amount of scholarships a member receives based on the amount of other state financial aid a member receives.

(J) The adjutant general, the chancellor, and the director, or their designees, shall jointly estimate the costs of the Ohio national guard scholarship program for each upcoming fiscal biennium, and shall report that estimate prior to the beginning of the fiscal biennium to the chairpersons of the finance committees in the general assembly. During each fiscal year of the biennium, the adjutant general, the chancellor, and the director, or their designees, shall meet regularly to monitor the actual costs of the Ohio national guard scholarship program and update cost
projections for the remainder of the biennium as necessary. If the
amounts appropriated for the Ohio national guard scholarship
program and any funds in the Ohio national guard scholarship
reserve fund and the Ohio national guard scholarship donation fund
are not adequate to provide scholarships in the amounts specified
in division (D)(1) of this section for all eligible applicants,
the chancellor shall do all of the following:

(1) Notify each private institution of higher education,
where a scholarship recipient is enrolled, that, by accepting the
Ohio national guard scholarship program as payment for all or part
of the institution's tuition, the institution agrees that if the
chancellor reduces the amount of each scholarship, the institution
shall provide each scholarship recipient a grant or tuition waiver
in an amount equal to the amount the recipient's scholarship was
reduced by the chancellor.

(2) Reduce the amount of each scholarship under division
(D)(1)(a) of this section proportionally based on the amount of
remaining available funds. Each state institution of higher
education shall provide each scholarship recipient under division
(D)(1)(a) of this section a grant or tuition waiver in an amount
equal to the amount the recipient's scholarship was reduced by the
chancellor.

(K) Notwithstanding division (A) of section 127.14 of the
Revised Code, the controlling board shall not transfer all or part
of any appropriation for the Ohio national guard scholarship
program.

(L) The chancellor and the adjutant general may apply for,
and may receive and accept grants, and may receive and accept
gifts, bequests, and contributions, from public and private
sources, including agencies and instrumentalities of the United
States and this state, and shall deposit the grants, gifts,
bequests, or contributions into the national guard scholarship
Sec. 6109.121. (A) Not later than one hundred twenty days after the effective date of this section, the director of environmental protection shall adopt rules in accordance with Chapter 119. of the Revised Code that do all of the following:

(b) The system makes a substantial change in water treatment.

(c) The system operates outside of acceptable ranges for lead, copper, pH, or other corrosion indicators, as determined by the director.

(d) Any other event determined by the director to have the potential to impact the water quality or corrosiveness of water in the system.

(7) Authorize the director to waive the requirement to conduct a new or updated corrosion control study established in rules adopted under division (A)(6) of this section in appropriate circumstances;

(8) When the owner or operator of a community or nontransient noncommunity water system is required to complete a corrosion control treatment study and submit a plan in accordance with rules adopted under division (A)(6) of this section, require the owner or operator to complete the study and submit the plan to the director for approval even if sampling results conducted subsequent to the initiation of the study and plan do not exceed
the lead action level established in rules adopted under this chapter;

(9) When the owner or operator of a community or nontransient noncommunity water system is required to complete a corrosion control treatment study and submit a plan in accordance with rules adopted under division (A)(6) of this section, require the owner or operator to submit to the director an interim status report of actions taken to implement the corrosion control study six months and twelve months from the date of initiation of the corrosion control study requirement;

(10) Establish a lead threshold for individual taps;

Sec. 6111.027. (A) Mitigation for impacts to isolated wetlands under sections 6111.02 to 6111.027 shall be conducted in accordance with the following ratios:

(1) For category 1 and category 2 isolated wetlands, other than forested category 2 isolated wetlands, mitigation located at an approved wetland mitigation bank shall be conducted, or mitigation shall be paid for under an in-lieu fee mitigation program, at a rate of two times the size of the area of isolated wetland that is being impacted.

(2) For forested category 2 isolated wetlands, mitigation located at an approved wetland mitigation bank shall be conducted, or mitigation shall be paid for under an in-lieu fee mitigation program, at a rate of two and one-half times the size of the area of isolated wetland that is being impacted.
(3) All other mitigation shall be subject to mitigation ratios established in division (F) of rule 3745-1-54 of the Administrative Code.

(B) Mitigation that involves the enhancement or preservation of isolated wetlands shall be calculated and performed in accordance with rule 3745-1-54 of the Administrative Code.

(C) An applicant for coverage under a general state isolated wetland permit or for an individual state isolated wetland permit under sections 6111.022 to 6111.024 of the Revised Code shall demonstrate that the mitigation site will be protected long term and that appropriate practicable management measures are, or will be, in place to restrict harmful activities that jeopardize the mitigation.

Sec. 6111.13. (A) As used in this section:

(2) "Practical quantification level" means a concentration that is five times the method detection limit for the most sensitive available analytical procedure currently approved under 40 C.F.R. part 136 for a pollutant unless the director of environmental protection, by rules adopted in accordance with Chapter 119. of the Revised Code, establishes a different practical quantification level for the pollutant that is consistent with and no more stringent than the appropriate national consensus standard or other generally accepted standard.

(B) Notwithstanding any other provisions of this chapter to the contrary, and until the director has adopted rules specifying a different basis for determining compliance consistent with and no more stringent than an appropriate national consensus standard
or other generally accepted standard, if a discharge limit is set below the practical quantification level for a particular parameter, any value reported at or below the practical quantification level shall be considered to be in compliance with that limit.

(C) Whenever a discharge limit for a pollutant is less than the practical quantification level, the director may require the permit holder to identify the possible sources of that pollutant. The director, by rule, may specify additional actions that the permit holder may be required to take when the director finds the actions to be necessary to prevent or mitigate significant adverse effects on public health or environmental quality. Failure of a permit holder to comply with additional actions required by the director under this division constitutes a violation of the permit holder's discharge permit.

(1) "Rule" includes any rule, regulation, bylaw, or standard having a general and uniform operation adopted by an agency under the authority of the laws governing the agency; any appendix to a rule; and any internal management rule. "Rule" does not include any guideline adopted pursuant to section 3301.0714 of the Revised Code, any order respecting the duties of employees, any finding, any determination of a question of law or fact in a matter presented to an agency, or any rule promulgated pursuant to Chapter 119. or division (C)(1) or (2) of section 5117.02 of the Revised Code. "Rule" includes any amendment or rescission of a rule.

(2) "Agency" means any governmental entity of the state and includes, but is not limited to, any board, department, division, commission, bureau, society, council, institution, state college or university, community college district, technical college district, or state community college. "Agency" does not include the general assembly, the controlling board, the adjutant general's department, or any court.

(3) "Internal management rule" means any rule, regulation, bylaw, or standard governing the day-to-day staff procedures and operations within an agency.

(B)(1) Any rule, other than a rule of an emergency nature, adopted by any agency pursuant to this section shall be effective on the tenth day after the day on which the rule in final form and in compliance with division (B)(3) of this section is filed as amended and sections 3722.01, 3722.02, 3722.03, 3722.04, 3722.05, 3722.06, 3722.07, 3722.08, 3722.09, 3722.10, 3722.11, 3722.12, 3722.13, 3722.14, and 3722.99 of the Revised Code be enacted to read as follows:
follows:

(a) The rule shall be filed in electronic form with both the secretary of state and the director of the legislative service commission;

(b) The rule shall be filed in electronic form with the joint committee on agency rule review. Division (B)(1)(b) of this section does not apply to any rule to which division (D) of this section does not apply.

An agency that adopts or amends a rule that is subject to division (D) of this section shall assign a review date to the rule that is not later than five years after its effective date. If a review date assigned to a rule exceeds the five-year maximum, the review date for the rule is five years after its effective date. A rule with a review date is subject to review under section 106.03 of the Revised Code. This paragraph does not apply to a rule of a state college or university, community college district, technical college district, or state community college.

Any rule that is required to be filed under division (B)(1) of this section is also subject to division (D) of this section if not exempted by that division.

If a rule incorporates a text or other material by reference, the agency shall comply with sections 121.71 to 121.75 of the Revised Code.

(2) A rule of an emergency nature necessary for the immediate preservation of the public peace, health, or safety shall state the reasons for the necessity. The emergency rule, in final form

The emergency rule is effective immediately upon completion of the latest filing, except that if the agency in adopting the emergency rule designates an effective date, or date and time of day, that is later than the effective date and time provided for by division (B)(2) of this section, the emergency rule if filed as required by such division shall become effective at the later date, or later date and time of day, designated by the agency.

An emergency rule becomes invalid at the end of the one hundred twentieth day it is in effect. Prior to that date, the agency may file the emergency rule as a nonemergency rule in compliance with division (B)(1) of this section. The agency may not refile the emergency rule in compliance with division (B)(2) of this section so that, upon the emergency rule becoming invalid under such division, the emergency rule will continue in effect without interruption for another one hundred twenty-day period.

(3) An agency shall file a rule under division (B)(1) or (2) of this section in compliance with the following standards and procedures:

amendment shall fully restate the rule as amended.

If the director of the legislative service commission or the director's designee gives an agency notice pursuant to section 103.05 of the Revised Code that a rule filed by the agency is not in compliance with the rules of the legislative service commission, the agency shall within thirty days after receipt of the notice conform the rule to the rules of the commission as directed in the notice.

(C) All rules filed pursuant to divisions (B)(1)(a) and (2) of this section shall be recorded by the secretary of state and the director under the title of the agency adopting the rule and shall be numbered according to the numbering system devised by the director. The secretary of state and the director shall preserve the rules in an accessible manner. Each such rule shall be a public record open to public inspection and may be transmitted to any law publishing company that wishes to reproduce it.

(D) At least sixty-five days before a board, commission, department, division, or bureau of the government of the state files a rule under division (B)(1) of this section, it shall file the full text of the proposed rule in electronic form with the joint committee on agency rule review, and the proposed rule is subject to legislative review and invalidation under section 106.021 of the Revised Code. If a state board, commission, department, division, or bureau makes a revision in a proposed rule after it is filed with the joint committee, the state board, commission, department, division, or bureau shall promptly file the full text of the proposed rule in its revised form in electronic form with the joint committee. (7) A rule of the state lottery commission pertaining to instant game rules.

If a rule is exempt from legislative review under division (D)(5) of this section, and if the federal law or rule pursuant to which the rule was adopted expires, is repealed or rescinded, or otherwise terminates, the rule is thereafter subject to legislative review under division (D) of this section.

Whenever a state board, commission, department, division, or bureau files a proposed rule or a proposed rule in revised form under division (D) of this section, it shall also file the full text of the same proposed rule or proposed rule in revised form in electronic form with the secretary of state and the director of the legislative service commission. Each application shall include a plan for obligating the capital expenditures or implementing the proposed project on a timely basis in accordance with section 3702.524 of the Revised Code. Each application shall also include all other information required by rules adopted under division (B) of section 3702.57 of the Revised Code.

(2) Each application shall be accompanied by the application fee established in rules adopted under division (G) of section 3702.57 of the Revised Code. Application fees received by the director under this division shall be deposited into the state treasury to the credit of the certificate of need fund, which is hereby created. The director shall use the fund only to pay the costs of administering sections 3702.11 to 3702.20, 3702.30, and 3702.51 to 3702.62 of the Revised Code and rules adopted under those sections. An application fee is nonrefundable unless the director determines that the application cannot be accepted.

(3) The director shall review applications for certificates of need. As part of a review, the director shall determine whether an application is complete. The director shall not consider an application to be complete unless the application meets all criteria for a complete application specified in rules adopted under section 3702.57 of the Revised Code. For an application being considered under the standard review process, the director shall mail to the applicant a written notice that the application is complete, or a written request for additional information, not later than thirty days after receiving an application or a response to an earlier request for information. For an application for which expedited review is requested, the director's notice or request shall be mailed not later than fourteen days after the director receives the application or a response to an earlier request for information. Except as provided in section 3702.522 of the Revised Code, the director shall not make more than two
requests for additional information. For either the standard or expedited review process, the director shall make a final determination regarding an application's completeness and issue a notice of the determination not later than one hundred eighty days after the date the director received the initial application.

The director's determination that an application is not complete is final and not subject to appeal.

(4) Except as necessary to comply with a subpoena issued under division (F) of this section, after a notice of completeness has been received, no person shall make revisions to information that was submitted to the director before the director mailed the notice of completeness or knowingly discuss in person or by telephone the merits of the application with the director. A person may supplement an application after a notice of completeness has been received by submitting clarifying information to the director.

(C) All of the following apply to the process of granting or denying a certificate of need:

(1) If the project proposed in a certificate of need application meets all of the applicable certificate of need criteria for approval under sections 3702.51 to 3702.62 of the Revised Code and the rules adopted under those sections, the director shall grant a certificate of need for all or part of the project that is the subject of the application by the applicable deadline specified in division (C)(4) of this section or any extension of it under division (C)(5) of this section.

(2) The director's grant of a certificate of need does not affect, and sets no precedent for, the director's decision to grant or deny other applications for similar reviewable activities.

(3) Any affected person may submit written comments regarding
an application. The director shall consider all written comments received by the forty-fifth day after the application is submitted to the director, except that to be considered in an expedited review, written comments must be received by the twenty-first day after the application is submitted.

(4) Except as provided in division (C)(5) of this section, the director shall grant or deny certificate of need applications not later than sixty days after mailing the notice of completeness unless the application is receiving expedited review. If the application is receiving expedited review, the director shall grant or deny the application not later than forty-five days after mailing the notice of completeness.

(5) Except as provided in division (C)(6) of this section, the director or the applicant may extend the deadline prescribed in division (C)(4) of this section once, for no longer than thirty days, by written notice before the end of the deadline prescribed by division (C)(4) of this section. An extension by the director under division (C)(5) of this section shall apply to all applications that are in comparative review.

(6) No applicant in a comparative review may extend the deadline specified in division (C)(4) of this section.

(7) If the director does not grant or deny the certificate by the applicable deadline specified in division (C)(4) of this section or any extension of it under division (C)(5) of this section, the certificate shall be considered to have been granted.

(8) In granting a certificate of need, the director shall specify as the maximum capital expenditure the certificate holder may obligate under the certificate a figure equal to one hundred ten per cent of the approved project cost.

(9) In granting a certificate of need, the director may grant the certificate with conditions that must be met by the holder of
the certificate.

(D) When a certificate of need is granted for a project under which beds are to be relocated, upon completion of the project for which the certificate of need was granted a number of beds equal to the number of beds relocated shall cease to be operated in the long-term care facility from which they are relocated, except that the beds may continue to be operated for not more than fifteen days to allow relocation of residents to the facility to which the beds have been relocated. Notwithstanding section 3721.03 of the Revised Code, if the relocated beds are in a home licensed under Chapter 3721. of the Revised Code, the facility's license is automatically reduced by the number of beds relocated effective fifteen days after the beds are relocated. If the beds are in a facility that is certified as a skilled nursing facility or nursing facility under Title XVIII or XIX of the "Social Security Act," the certification for the beds shall be surrendered. If the beds are registered under section 3701.07 reported in an application submitted under section 3722.03 of the Revised Code as skilled nursing beds or long-term care beds, the director shall remove the beds from registration not later than fifteen days after the beds are relocated.

(E) During the period beginning with the granting of a certificate of need and ending five years after implementation of the reviewable activity for which the certificate was granted, the director shall monitor the activities of the person granted the certificate to determine whether the reviewable activity is conducted in substantial accordance with the certificate. A reviewable activity shall not be determined to be not in substantial accordance with the certificate of need solely because of either of the following:

(1) A decrease in bed capacity;

(2) A change in the owner or operator of the facility unless
any of the circumstances specified in division (B) of section 3702.59 of the Revised Code apply to the new owner or operator.

(F) When reviewing applications for certificates of need, considering appeals under section 3702.60 of the Revised Code, or monitoring activities of persons granted certificates of need, the director may issue and enforce, in the manner provided in section 119.09 of the Revised Code, subpoenas and subpoenas duces tecum to compel a person to testify and produce documents relevant to review of the application, consideration of the appeal, or monitoring of the activities. In addition, the director or the director's designee may visit the sites where the activities are or will be conducted.

(G) The director may withdraw certificates of need.

(H) All long-term care facilities shall submit to the director, upon request, any information prescribed by rules adopted under division (H) of section 3702.57 of the Revised Code that is necessary to conduct reviews of certificate of need applications and to develop criteria for reviews.

(I) Any decision to grant or deny a certificate of need shall consider the special needs and circumstances resulting from moral and ethical values and the free exercise of religious rights of long-term care facilities administered by religious organizations, and the special needs and circumstances of inner city and rural communities.

Sec. 3702.521. (A) Reviews of applications for certificates of need to recategorize hospital beds to skilled nursing beds shall be conducted in accordance with this division and rules adopted by the director of health.

(1) No hospital recategorizing beds shall apply for a certificate of need for more than twenty skilled nursing beds.
(2) No beds for which a certificate of need is requested under this division shall be reviewed under or counted in any formula developed under rules adopted by the director for the purpose of determining the number of long-term care beds that may be needed within the state.

(3) No beds shall be approved under this division unless the hospital certifies and demonstrates in the application that the beds will be dedicated to patients with a length of stay of no more than thirty days.

(4) No beds shall be approved under this division unless the hospital can satisfactorily demonstrate in the application that it is routinely unable to place the patients planned for the beds in accessible skilled nursing facilities.

(5) In developing rules to implement this division, the director shall give special attention to the required documentation of the need for such beds, including the efforts made by the hospital to place patients in suitable skilled nursing facilities, and special attention to the appropriate size of units with such beds given the historical pattern of the applicant hospital's documented difficulty in placing skilled nursing patients.

(B) For assistance in monitoring the use of hospital beds recategorized as skilled nursing beds after August 5, 1989, the director shall adopt rules specifying appropriate quarterly procedures for reporting to the department of health.

(C) A patient may stay in a hospital bed that, after August 5, 1989, has been recategorized as a skilled nursing bed for more than thirty days if the hospital is able to demonstrate that it made a good faith effort to place the patient in an accessible skilled nursing facility acceptable to the patient within the thirty-day period, but was unable to do so.
(D) No hospital bed recategorized after August 5, 1989, as a skilled nursing bed shall be covered by a provider agreement under the medicaid program.

(E) Nothing in this section requires a hospital to place a patient in any nursing home if the patient does not wish to be placed in the nursing home. Nothing in this section limits the ability of a hospital to file a certificate of need application for the addition of long-term care beds that meet the definition of "home" in section 3721.01 of the Revised Code. Nothing in this section limits the ability of the director to grant certificates of need necessary for hospitals to engage in demonstration projects authorized by the federal government for the purpose of enhancing long-term quality of care and cost containment. Nothing in this section limits the ability of hospitals to develop swing bed programs in accordance with federal regulations.

No hospital that is granted a certificate of need after August 5, 1989, to recategorize hospital beds as skilled nursing beds is subject to sections 3721.01 to 3721.09 of the Revised Code. If the portion of the hospital in which the recategorized beds are located is certified as a skilled nursing facility under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, that portion of the hospital is subject to sections 3721.10 to 3721.17 and sections 3721.21 to 3721.34 of the Revised Code. If the beds are registered pursuant to section 3701.07 of the Revised Code reported in an application submitted under section 3722.03 of the Revised Code as long-term care beds, the beds are subject to sections 5168.40 to 5168.56 of the Revised Code.

Sec. 3702.55. A person that the director of health determines has violated section 3702.53 of the Revised Code shall cease conducting the activity that constitutes the violation or
utilizing the facility resulting from the violation not later than thirty days after the person receives the notice mailed under section 3702.532 of the Revised Code or, if the person appeals the director's determination under section 3702.60 of the Revised Code, thirty days after the person receives an order upholding the director's determination that is not subject to further appeal.

If any person determined to have violated section 3702.53 of the Revised Code fails to cease conducting an activity or using a facility as required by this section or if the person continues to seek payment or reimbursement for services rendered or costs incurred in conducting the activity as prohibited by section 3702.56 of the Revised Code, in addition to the penalties imposed under section 3702.54 or 3702.541 of the Revised Code:

(A) The director of health may refuse to include any beds involved in the activity in the bed capacity of a hospital for purposes of registration under section 3701.07 of the Revised Code;

(B) The director of health may refuse to license, or may revoke a license or reduce bed capacity previously granted to, a hospice care program under section 3712.04 of the Revised Code; a nursing home, residential care facility, or home for the aging under section 3721.02 of the Revised Code; or any beds within any of those facilities that are involved in the activity;

(C) A political subdivision certified under section 3721.09 of the Revised Code may refuse to license, or may revoke a license or reduce bed capacity previously granted to, a nursing home, residential care facility, or home for the aging, or any beds within any of those facilities that are involved in the activity;

(D) The director of mental health and addiction services may refuse to license under section 5119.33 of the Revised Code,
or may revoke a license or reduce bed capacity previously granted to, a hospital receiving mentally ill persons or beds within such a hospital that are involved in the activity;

(E)(D) The department of medicaid may refuse to enter into a provider agreement that includes a facility, beds, or services that result from the activity.

Sec. 3702.592. (A) The director of health shall accept, for review under section 3702.52 of the Revised Code, certificate of need applications for any of the following purposes if the proposed increase in beds is attributable to a replacement or relocation of existing beds from an existing long-term care facility within the same county:

(1) Approval of beds in a new long-term care facility or an increase of beds in an existing long-term care facility if the beds are proposed to be licensed as nursing home beds under Chapter 3721. of the Revised Code;

(2) Approval of beds in a new county home or new county nursing home, or an increase of beds in an existing county home or existing county nursing home if the beds are proposed to be certified as skilled nursing facility beds under the medicare program, Title XVIII of the "Social Security Act," 49 Stat. 286 (1965), 42 U.S.C. 1395, as amended, or nursing facility beds under the medicaid program, Title XIX of the "Social Security Act," 49 Stat. 286 (1965), 42 U.S.C. 1396, as amended;

(3) An increase of hospital beds registered pursuant to section 3701.07 of the Revised Code reported in an application submitted under section 3722.03 of the Revised Code as long-term care beds;

(4) An increase of hospital beds registered pursuant to section 3701.07 of the Revised Code reported in an application...

skilled nursing beds that were originally authorized by and are
operated in accordance with section 3702.521 of the Revised Code.

(B) The director shall accept applications described in
division (A) of this section at any time.

Sec. 3702.593. (A) At the times specified in this section,
the director of health shall accept, for review under section
3702.52 of the Revised Code, certificate of need applications for
any of the following purposes if the proposed increase in beds is
attributable solely to relocation of existing beds from an
existing long-term care facility in a county with excess beds to a
long-term care facility in a county in which there are fewer
long-term care beds than the county's bed need:

(1) Approval of beds in a new long-term care facility or an
increase of beds in an existing long-term care facility if the
beds are proposed to be licensed as nursing home beds under
Chapter 3721. of the Revised Code;

(2) Approval of beds in a new county home or new county
nursing home, or an increase of beds in an existing county home or
existing county nursing home if the beds are proposed to be
certified as skilled nursing facility beds under the medicare
program, Title XVIII of the "Social Security Act," 49 Stat. 286
(1965), 42 U.S.C. 1395, as amended, or nursing facility beds under
the medicaid program, Title XIX of the "Social Security Act," 49
Stat. 286 (1965), 42 U.S.C. 1396, as amended;

(3) An increase of hospital beds registered pursuant to
section 3701.07 of the Revised Code reported in an application
submitted under section 3722.03 of the Revised Code as long-term
care beds.

(B) For the purpose of implementing this section, the
director shall do all of the following:

(1) Not later than October 1, 2023, and every four years thereafter, determine the long-term care bed supply for each county, which shall consist of all of the following:

   (a) Nursing home beds licensed under Chapter 3721. of the Revised Code;

   (b) Beds certified as skilled nursing facility beds under the medicare program or nursing facility beds under the medicaid program;

   (c) Beds in any portion of a hospital that are properly registered under section 3701.07 reported in an application submitted under section 3722.03 of the Revised Code as skilled nursing beds, long-term care beds, or special skilled nursing beds;

   (d) Beds in a county home or county nursing home that are certified under section 5155.38 of the Revised Code as having been in operation on July 1, 1993, and are eligible for licensure as nursing home beds;

   (e) Beds described in division (O)(5) of section 3702.51 of the Revised Code.

(2) Determine the long-term care bed occupancy rate for the state at the time the determination is made;

(3) For each county, determine the county's bed need by identifying the number of long-term care beds that would be needed in the county in order for the statewide occupancy rate for a projected population aged sixty-five and older to be ninety percent.

In determining each county's bed need, the director shall use the formula developed in rules adopted under section 3702.57 of the Revised Code. A determination shall be made not later than
October 1, 2023, and every four years thereafter. After each determination is made, the director shall publish the county's bed need on the web site maintained by the department of health.

(C) The director's consideration of an application for a certificate of need that would increase the number of beds in a county shall be consistent with the county's bed need determined under division (B) of this section except as follows:

(1) If a county's occupancy rate is less than eighty-five per cent, the county shall be considered to have no need for additional beds.

(2) Even if a county is determined not to need any additional long-term care beds, the director may approve an increase in beds equal to up to ten per cent of the county's bed supply if the county's occupancy rate is greater than ninety per cent.

(D)(1) For the review process used in considering certificate of need applications, the director shall establish a review period that begins January 1, 2020, and ends December 31, 2023. Thereafter, the review period for each review process shall begin on the first day of January following the end of the previous review period and shall be four years.

(2) Certificate of need applications shall be accepted during the first month of the review period and reviewed through the thirtieth day of September of the year in which the review period begins.

(E) The director shall consider certificate of need applications in accordance with all of the following:

(1) The number of beds approved for a county shall include only beds available for relocation from another county and shall not exceed the bed need of the receiving county;

(2) The director shall consider the existence of community
resources serving persons who are age sixty-five or older or disabled that are demonstrably effective in providing alternatives to long-term care facility placement.

(3) The director shall approve relocation of beds from a county only if, after the relocation, the number of beds remaining in the county will exceed the county's bed need by at least one hundred beds;

(4) The director shall approve relocation of beds from a long-term care facility only if, after the relocation, the number of beds in the facility's service area is at least equal to the state bed need rate. For purposes of this division, a facility's service area shall be either of the following:

(a) The census tract in which the facility is located, if the facility is located in an area designated by the United States secretary of health and human services as a health professional shortage area under the "Public Health Service Act," 88 Stat. 682 (1944), 42 U.S.C. 254(e), as amended;

(b) The area that is within a fifteen-mile radius of the facility's location, if the facility is not located in a health professional shortage area.

(F) Applications made under this section are subject to comparative review if two or more applications are submitted during the same review period and any of the following applies:

(1) The applications propose to relocate beds from the same county and the number of beds for which certificates of need are being requested totals more than the number of beds available in the county from which the beds are to be relocated.

(2) The applications propose to relocate beds to the same county and the number of beds for which certificates of need are being requested totals more than the number of beds needed in the county to which the beds are to be relocated.
(3) The applications propose to relocate beds from the same service area and the number of beds left in the service area from which the beds are being relocated would be less than the state bed need rate determined by the director.

(G) In determining which applicants should receive preference in the comparative review process, the director shall consider all of the following as weighted priorities:

1. Whether the beds will be part of a continuing care retirement community;

2. Whether the beds will serve an underserved population, such as low-income individuals, individuals with disabilities, or individuals who are members of racial or ethnic minority groups;

3. Whether the project in which the beds will be included will provide alternatives to institutional care, such as adult day-care, home health care, respite or hospice care, mobile meals, residential care, independent living, or congregate living services;

4. Whether the long-term care facility's owner or operator will participate in medicaid waiver programs for alternatives to institutional care;

5. Whether the project in which the beds will be included will reduce alternatives to institutional care by converting residential care beds or other alternative care beds to long-term care beds;

6. Whether the facility in which the beds will be placed has positive resident and family satisfaction surveys;

7. Whether the facility in which the beds will be placed has fewer than fifty long-term care beds;

8. Whether the long-term care facility in which the beds will be placed is located within the service area of a hospital.
and is designed to accept patients for rehabilitation after an in-patient hospital stay;

(9) Whether the long-term care facility in which the beds will be placed is or proposes to become a nurse aide training and testing site;

(10) The rating, under the centers for medicare and medicaid services' five star nursing home quality rating system, of the long-term care facility in which the beds will be placed.

(H) A person who has submitted an application under this section that is not subject to comparative review may revise the site of the proposed project pursuant to section 3702.522 of the Revised Code.

(I) When a certificate of need application is approved, in addition to the actions required by division (D) of section 3702.52 of the Revised Code, the long-term care facility from which the beds were relocated shall reduce the number of beds operated in the facility by a number of beds equal to at least ten per cent of the number of beds relocated. If these beds are in a home licensed under Chapter 3721. of the Revised Code, the long-term care facility shall have the beds removed from the license. If the beds are in a facility that is certified as a skilled nursing facility or nursing facility under Title XVIII or XIX of the "Social Security Act," the facility shall surrender the certification of these beds. If the beds are reported in an application submitted under section 3722.03 of the Revised Code as skilled nursing beds or long-term care beds under section 3701.07 of the Revised Code, the long-term care facility shall surrender the registration for these beds. This reduction shall be made not later than the completion date of the project for which the beds were relocated.

The foregoing appropriation item 800625, Unclaimed Funds-Claims, shall be used to pay claims under section 169.08 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such
payments, the Director of Commerce may request that the Director of Budget and Management approve such increases. Any approved increases are hereby appropriated.

DIVISION OF REAL ESTATE AND PROFESSIONAL LICENSING

The foregoing appropriation item 800631, Real Estate Appraiser Recovery, shall be used to pay settlements, judgments, and court orders under section 4763.16 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management approve such increases. Any approved increases are hereby appropriated.

The foregoing appropriation item 800611, Real Estate Recovery, shall be used to pay settlements, judgments, and court orders under section 4735.12 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management approve such increases. Any approved increases are hereby appropriated.

The foregoing appropriation item 800653, Real Estate Home Inspector Recovery, shall be used to pay settlements, judgments, and court orders under section 4764.21 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management approve such increases. Any approved increases are hereby appropriated.

FIRE DEPARTMENT GRANTS

(A) The foregoing appropriation item 800639, Fire Department Grants, shall be used to make annual grants to the following
eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services. For the purpose of this grant program, an eligible recipient or any firefighting entity that is contracted to serve an eligible recipient may only file, be listed as joint applicant, or be designated as a service provider on one grant application per fiscal year.

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually
agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, operated, stored, disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire Department Grants, up to $1,000,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the State Fire Marshal at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the qualifications and selection processes for students to attend such classes by written policy, and such students shall be considered
eligible recipients of fire department grants for the purposes of this portion of the grant program.

(2) Of the foregoing appropriation item 800639, Fire Department Grants, up to $3,500,000 in each fiscal year may be used for MARCS Grants. MARCS Grants may be used for the payment of user access fees by the eligible recipient to cover costs for accessing MARCS.

For purposes of this section, a MARCS Grant is a grant for systems, equipment, or services that are a part of, integrated into, or otherwise interoperable with the Multi-Agency Radio Communication System (MARCS) operated by the state.

MARCS Grant awards may be up to $50,000 in each fiscal year per eligible recipient. Each eligible recipient may apply, as a separate entity or as a part of a joint application, for only one MARCS Grant per fiscal year. The State Fire Marshal may give a preference to MARCS Grants that will enhance the overall interoperability and effectiveness of emergency communication networks in the geographic region that includes and that is adjacent to the applicant.

Eligible recipients that are or were awarded fire department grants that are not MARCS Grants may also apply for and receive MARCS Grants in accordance with criteria for the awarding of grant funds established by the State Fire Marshal.

(3) Grant awards for firefighting or rescue equipment or gear or for fire department costs of providing fire protection services shall be up to $15,000 per fiscal year, or up to $25,000 per fiscal year if an eligible entity serves a jurisdiction in which the Governor declared a natural disaster during the preceding or current fiscal year in which the grant was awarded. In addition to any grant funds awarded for rescue equipment or gear, or for fire department costs associated with the provision of fire protection
services, an eligible entity may receive a grant for up to $15,000 per fiscal year for full or partial reimbursement of the documented costs of firefighter training. For each fiscal year, the State Fire Marshal shall determine the total amounts to be allocated for each eligible purpose.

(C) The grants shall be administered by the State Fire Marshal in accordance with rules the State Fire Marshal adopts as part of the state fire code adopted pursuant to section 3737.82 of the Revised Code that are necessary for the administration and operation of the grant program. The rules may further define the entities eligible to receive grants and establish criteria for the awarding and expenditure of grant funds, including methods the State Fire Marshal may use to verify the proper use of grant funds or to obtain reimbursement for or the return of equipment for improperly used grant funds. To the extent consistent with this section and until the rules are updated, the existing rules in the state fire code adopted pursuant to section 3737.82 of the Revised Code for fire department grants under this section apply to MARCS Grants. Any amounts in appropriation item 800639, Fire Department Grants, in excess of the amount allocated for these grants may be used for the administration of the grant program.

(D) Of the foregoing appropriation 800639, Fire Department Grants, $200,000 in each fiscal year shall be allocated to fire departments located in Trumbull County for equipment and training costs.

(b) In the context of determining an ICF/IID's total Medicaid payment rate for fiscal year 2023, any of the following is the case:

(i) The provider of the ICF/IID has a valid Medicaid provider agreement for the ICF/IID on June 30, 2022, and a valid Medicaid provider agreement for the ICF/IID during fiscal year 2023.

(ii) The ICF/IID undergoes a change of operator that takes effect during fiscal year 2023, the existing operator has a valid Medicaid provider agreement for the ICF/IID on the day immediately preceding the effective date of the change of operator, and the entering operator has a valid Medicaid provider agreement for the ICF/IID during fiscal year 2023.

(iii) The ICF/IID is a new ICF/IID for which the provider obtains an initial provider agreement during fiscal year 2023.

(2) Notwithstanding Chapter 5124. of the Revised Code, the Department of Developmental Disabilities shall follow this section in determining the rate to be paid for ICF/IID services provided during fiscal years 2022 and 2023 by ICFs/IID subject to this section.

(C) If the mean total per Medicaid day rate for all ICFs/IID to which the section applies, as determined under division (B) of this section, as of the first day of a fiscal year for which a rate is determined under this section and weighted by May Medicaid days from the calendar year in which the fiscal year begins, is greater than $350.87, the Department shall adjust, for the fiscal year for which the rate is determined, the total per Medicaid day rate for each ICF/IID to which this section applies by a percentage by which the mean total per Medicaid day rate is greater than $350.87.

(D) If the United States Centers for Medicare and Medicaid
Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the amount it pays ICF/IID providers under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

(E) Of the foregoing appropriation items 653407, Medicaid Services, 653606, ICF/IID and Waiver Match, and 653654, Medicaid Services, portions shall be used to pay the Medicaid payment rates determined in accordance with this section for ICF/IID services provided during fiscal years 2022 and 2023.

Section 261.160. COMMUNITY SUPPORTS AND RENTAL ASSISTANCE TECHNOLOGY FIRST INITIATIVE

Of the foregoing appropriation item 322509, Community Supports and Rental Assistance, up to $1,500,000 in fiscal year 2022 may be used to increase access and utilization of innovative technology for individuals with developmental disabilities in accordance with the Technology First Initiative established in section 5123.025 of the Revised Code. An amount equal to the unexpended, unencumbered balance of this earmark at the end of fiscal year 2022 is hereby reappropriated to appropriation item 322509, Community Supports and Rental Assistance, for the same purpose for fiscal year 2023.

Section 261.170. PAYMENT RATES FOR ADULT DAY CARE SERVICES

(A) The Department of Developmental Disabilities shall use $5,000,000 in each fiscal year to increase the payment rates during fiscal year 2022 and fiscal year 2023 for the home and community-based services waiver adult day care services provided by Medicaid-funded and state-funded providers.

(B) The Department of Developmental Disabilities shall establish a methodology for calculating the rate increase from the
funds under division (A) of this section.

**Section 265.20. OPERATING EXPENSES**

A portion of the foregoing appropriation item 200321, Operating Expenses, shall be used by the Department of Education to provide matching funds related to career-technical education under 20 U.S.C. 2321.

**EARLY CHILDHOOD EDUCATION**

The Department of Education shall distribute the foregoing
appropriation item 200408, Early Childhood Education, to pay the

costs of early childhood education programs. The Department shall
distribute such funds directly to qualifying providers.

(A) As used in this section:

(1) "Provider" means a city, local, exempted village, or

joint vocational school district; an educational service center; a

community school established under Chapter 3314. of the Revised

Code that is sponsored by an exemplary sponsor; notwithstanding

anything to the contrary in Chapter 3326. of the Revised Code, a

STEM school that is established under that chapter; a chartered

nonpublic school; an early childhood education child care provider

licensed under Chapter 5104. of the Revised Code that participates

in and meets at least the third highest tier of the Step Up to

Quality program established pursuant to section 5104.29 of the

Revised Code; or a combination of entities described in this

paragraph.

(2) In the case of a city, local, or exempted village school

district or early childhood education child care provider licensed

under Chapter 5104. of the Revised Code, "new eligible provider"

means a provider that did not receive state funding for Early

Childhood Education in the previous fiscal year or demonstrates a

need for early childhood programs as defined in division (D) of

this section.

(3) In the case of a community school, "new eligible

provider" means either of the following:

(a) A community school established under Chapter 3314. of the

Revised Code that is sponsored by a sponsor rated "exemplary" in

accordance with section 3314.016 of the Revised Code that offers a

child care program in accordance with sections 3301.50 to 3301.59

of the Revised Code that did not receive state funding for Early

Childhood Education in the previous fiscal year;
(b) A community school established under Chapter 3314. of the Revised Code that satisfies all of the following criteria:

(i) It has received, on its most recent report card, either of the following:

(I) If the school offers any of grade levels four through twelve, a grade of "C" or better for the overall value-added progress dimension under division (C)(1)(e) of section 3302.03 of the Revised Code and for the performance index score under division (C)(1)(b) of section 3302.03 of the Revised Code;

(II) If the school does not offer a grade level higher than three, a grade of "C" or better for making progress in improving literacy in grades kindergarten through three under division (C)(1)(g) of section 3302.03 of the Revised Code.

(ii) It offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code.

(iii) It did not receive state funding for Early Childhood Education in the previous fiscal year.

(4)(a) "Eligible child" means a child who is at least four years of age, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their fourth birthday.

(b) If, on the first day of October of each fiscal year, a provider has remaining award funds after enrolling eligible children under division (A)(4)(a) of this section, the provider may seek approval from the Department to consider a child who is at least three years of age, is not of age to be eligible for kindergarten, and whose family earns not more than two hundred per
cent of the federal poverty guidelines as an eligible child. Upon approval from the Department, the provider may use the remaining award funds to serve such three-year-old children as eligible children.

(5) "Early learning program standards" means early learning program standards for school readiness developed by the Department to assess the operation of early learning and development programs.

(6) "Early learning and development programs" has the same meaning as in section 5104.29 of the Revised Code.

(B) In each fiscal year, up to two per cent of the total appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program standards.

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2022, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.20 of H.B. 166 of the 133rd General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs or to existing providers to serve more eligible children pursuant to division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

After setting aside the amounts to make payments due from the
previous fiscal year, in fiscal year 2023, the Department shall distribute funds first to providers of early childhood education programs under this section in the previous fiscal year and the balance to new eligible providers or to existing providers to serve more eligible children as outlined under division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

(E)(1) The Department shall distribute any new or remaining funding to existing providers of early childhood education programs or any new eligible providers in an effort to invest in high quality early childhood programs where there is a need as determined by the Department. The Department shall distribute the new or remaining funds to existing providers of early childhood education programs or any new eligible providers to serve additional eligible children based on community economic disadvantage, limited access to high quality preschool or childcare services, and demonstration of high quality preschool services as determined by the Department using new metrics developed pursuant to Ohio's Race to the Top—Early Learning Challenge Grant, awarded to the Department in December 2011.

(2) Awards under divisions (D) and (E) of this section shall be distributed on a per-pupil basis, and in accordance with division (I) of this section. The Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(F) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the
disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (K) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program standards. The approved provider shall administer and use such property and funds for the purposes specified.

(G) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (F) of this section, or if the program fails to substantially meet the early learning program standards, meet a quality rating level in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the standards, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program. The Department may withhold funding pending corrective action. If an early childhood education program fails to satisfactorily complete a corrective action plan, the Department may deny expansion funding to the program or withdraw all or part of the funding to the program and establish a new eligible provider through a selection process established by the Department.
(H)(1) If the early childhood education program is licensed by the Department of Education and is not highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall do all of the following:

(a) Meet teacher qualification requirements prescribed by section 3301.311 of the Revised Code;

(b) Align curriculum to the early learning content standards developed by the Department;

(c) Meet any child or program assessment requirements prescribed by the Department;

(d) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department;

(e) Document and report child progress as prescribed by the Department;

(f) Meet and report compliance with the early learning program standards as prescribed by the Department;

(g) Participate in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code.

(2) If the program is highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall comply with the requirements of that program.

(I) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week.
as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special education program, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department may reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule.

(J) Each provider shall develop a sliding fee scale based on family incomes and shall charge families who earn more than two hundred per cent of the federal poverty guidelines, as defined in division (A)(3) of section 5101.46 of the Revised Code, for the early childhood education program.

The Department shall conduct an annual survey of each provider to determine whether the provider charges families tuition or fees, the amount families are charged relative to family income levels, and the number of families and students charged tuition and fees for the early childhood program.

(K) If an early childhood education program voluntarily waives its right for funding, or has its funding eliminated for not meeting financial standards or the early learning program standards, the provider shall transfer control of title to property, equipment, and remaining supplies obtained through the
program to providers designated by the Department and return any unexpended funds to the Department along with any reports prescribed by the Department. (G) It is anticipated and expected that MAT drug court programs will expand their ability to serve more drug court participants as a result of increased access to commercial or publicly funded health insurance. In order to ensure that funds
appropriated to support the Department's program are used in the most efficient manner with a goal of enrolling the maximum number of participants, the Medicaid Director, in collaboration with major Ohio health care plans, shall develop plans consistent with this division. There shall be no prior authorizations or step therapy for program participants to have access to any drug included in the substance use disorder treatment provided under the Department's program. (D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA

ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for support of associate, baccalaureate, master's, and professional level degree attainment.

The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs. The degree cost calculations shall include the model cost weights for the science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

For degrees including credits earned at multiple institutions, degree attainment funding shall be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree. Each institution shall receive its prorated share of degree funding for credits earned at that institution. Cost of credits not earned at a university main or regional campus shall be credited to the degree-granting institution for the first degree earned by a student at each degree level. The cost credited to the degree-granting institution shall not be eligible for at-risk weights and shall be limited to 12.5 per cent of the student-specific degree costs. However, the 12.5 per cent limitation shall not apply if the student transferred 12 or fewer credits into the degree granting institution.

In calculating the subsidy entitlements for degree attainment for universities, the Chancellor shall use the following count of
degrees and degree costs:

(a) The subsidy eligible undergraduate degrees shall be defined as follows:

(i) The subsidy eligible degrees conferred to students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, shall be weighted by a factor of 1.

(ii) The subsidy eligible degrees conferred to students identified as out-of-state residents during all terms of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, who remain in the state of Ohio at least one year after graduation, as calculated based on the three-year average in-state residency rate using the Unemployment Wage data for out-of-state graduates at each institution, shall be weighted by a factor of 50 per cent.

(iii) Subsidy eligible associate degrees are defined as those earned by students attending any state-supported university main or regional campus.

(b) In calculating each campus's count of degrees, the Chancellor shall use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor.

(i) If a student is awarded an associate degree and, subsequently, is awarded a baccalaureate degree, the amount funded for the baccalaureate degree shall be limited to either the difference in cost between the cost of the baccalaureate degree and the cost of the associate degree paid previously, or if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate
degree was awarded.

(ii) If a student earns an associate degree then, subsequently, earns a baccalaureate degree, the associate degree granting institution shall only receive the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded.

(iii) If a student earns more than one degree at the same institution at the same degree level in the same fiscal year, the funding for the highest cost degree shall be prorated among institutions based on where the credits were earned and additional degrees shall be funded at 25 per cent of the cost of the degrees.

(c) Associate degrees and baccalaureate degrees earned by a student defined as at-risk based on academic underpreparation, age, minority status, financial status, or first generation post-secondary status based on neither parent completing any education beyond high school, shall be defined as degrees earned by an at-risk student and shall be weighted by the following:

A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, up to 11.78 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In each fiscal year, the doctoral set-aside funding
allocation shall be allocated to universities as follows:

(a) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of the statewide total earnings of each state institution's three-year average course completions. The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file. Course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor for all doctoral enrollments in graduate-level models.

(b) 50 per cent of the doctoral set-aside shall be allocated to universities in proportion to each campus's share of the total statewide doctoral degrees, weighted by the cost of the doctoral discipline. In calculating each campus's doctoral degrees the Chancellor shall use the three-year average doctoral degrees awarded for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor.

(c) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of research grant activity. Funding for this component shall be allocated to eligible universities in proportion to their share of research grant activity published by the National Science Foundation. Grant awards from the Department of Health and Human Services shall be weighted at 50 per cent.

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 6.41 per cent of the appropriation for universities, as established in division (A)(2) of the section of
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for support of Medical II FTEs. The amount so reserved shall be referred to as the medical II set-aside.

The medical II set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical II FTEs as calculated in division (A) of this section.

In calculating the core subsidy entitlements for Medical II models only, students repeating terms may be no more than five percent of current year enrollment.

(4) Of the foregoing appropriation item 235501, State Share of Instruction, 1.48 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for support of Medical I FTEs. The amount so reserved shall be referred to as the medical I set-aside.

The medical I set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical I FTEs as calculated in division (A) of this section.

(5) In calculating the course completion funding for universities, the Chancellor shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) Those undergraduate FTE students with successful course completions, identified in division (D)(5)(a) of this section,
that are defined as at-risk based on academic under-preparation or financial status shall have their eligible completions weighted by the following:

(i) Institution-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2018-2020 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor for all models except Medical I and Medical II.

(d) For universities, the Chancellor shall compute the course completion earnings by dividing the appropriation for universities, established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," less the degree attainment funding as calculated in division (D)(1) of this section, less the doctoral set-aside, less the medical I set-aside, and less the medical II set-aside, by the sum of all campuses' instructional costs as calculated in division (D)(5) of this section.

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for
state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy models.

To calculate the subsidy entitlements for course completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of FTE course completions, the Chancellor shall use a three-year average for course completions for the three year period ending in the prior year for students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file.

(c) Those students with successful course completions, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible course completions weighted by a statewide access weight. The weight given to any student that meets any access factor shall be 15 per cent for all course completions.

(d) The model costs as used in the calculation shall be augmented by the model weights for science, technology,
engineering, mathematics, and medicine models as established in division (C) of this section.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for colleges in proportion to their share of college student success factors.

Student success factors shall be awarded at the institutional level for each subsidy-eligible student that successfully:

(a) Completes a college-level math course within the first 30 hours of completed coursework.

(b) Completes a college-level English course within the first 30 hours of completed coursework.

(c) Completes 12 semester credit hours of college-level coursework.

(d) Completes 24 semester credit hours of college-level coursework.

(e) Completes 36 semester credit hours of college-level coursework.

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023," in each fiscal year shall be reserved for completion milestones.

Completion milestones shall include associate degrees,
technical certificates over 30 credit hours as designated by the Department of Higher Education, and students transferring to any four-year institution with at least 12 credit hours of college-level coursework earned at that community college, state community college, or technical college.

The completion milestone funding shall be allocated to colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for technical certificates over 30 hours shall be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college-level coursework shall be weighted at one-fourth of the average cost for all associate degree model costs.

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of completions, the Chancellor shall use a three-year average for completion milestones awarded to students identified as subsidy eligible in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible completion milestones by model shall equal only those students who successfully complete an associate degree or technical certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework as defined and reported in the Higher Education Information (HEI) system. Student completions reported in HEI shall have an accompanying course enrollment record in order to be subsidy eligible.

(c) Those students with successful completions for associate
degrees, technical certificates over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework, identified in division (E)(3) of this section, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible completions weighted by a statewide access weight. The weight shall be 25 per cent for students with one access factor, 66 per cent for students with two access factors, 150 per cent for students with three access factors, and 200 per cent for students with four access factors.

(d) For those students who complete more than one completion milestone, funding for each additional associate degree or technical certificate over 30 credit hours designated as such by the Department of Higher Education shall be funded at 50 per cent of the model costs as defined in division (E)(3) of this section.

(5) For purposes of the calculations made in division (E) of this section, the Chancellor shall only include subsidy-eligible students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file. The Chancellor shall be prohibited from including nonresident students as subsidy-eligible except for those students otherwise identified as subsidy-eligible in division (A)(2) of this section.

(F) CAPITAL COMPONENT DEDUCTION

After all other adjustments have been made, state share of instruction earnings shall be reduced for each campus by the amount, if any, by which debt service charged in H.B. 16 of the 126th General Assembly, H.B. 699 of the 126th General Assembly, H.B. 496 of the 127th General Assembly, and H.B. 562 of the 127th General Assembly for that campus exceeds that campus's capital component earnings. The sum of the amounts deducted shall be transferred to appropriation item 235552, Capital Component, in
each fiscal year.

(G) EXCEPTIONAL CIRCUMSTANCES

Adjustments may be made to the state share of instruction payments and other subsidies distributed by the Chancellor of Higher Education to state colleges and universities for exceptional circumstances. No adjustments for exceptional circumstances may be made without the recommendation of the Chancellor and the approval of the Controlling Board.

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF INSTRUCTION

The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation item 235501, State Share of Instruction, before the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year.

Any reductions made to appropriation item 235501, State Share of Instruction, after the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year may be based upon the state share of instruction appropriation estimates made for the various institutions of higher education and payments during the last six months of the fiscal year may be based on the final data from the Chancellor. If agreed to by the Chancellor and
the Inter-University Council, payments to universities in each month of a fiscal year shall be based on final data in the higher education information system for the selected three-year period that is acceptable to both parties.

(J) STUDY ON THE USE OF AT-RISK WEIGHTS IN THE STATE SHARE OF INSTRUCTION FORMULAS

The Chancellor of Higher Education, with the assistance of the Inter-University Council and the Ohio Association of Community Colleges, shall study the most appropriate definitions of at-risk students and formula weights for at-risk students that may be used in the distribution to universities and community colleges from the foregoing appropriation item 235501, State Share of Instruction, beginning in fiscal year 2024. The study shall do all of the following:

(1) Examine and evaluate the impact on formula distributions of the at-risk weights that have been used in the state share of instruction formulas since the inception of a performance-based funding model in Ohio, including the overall level of at-risk funding, the distribution of such funding among the state institutions of higher education, and the impact of such funding on institutional outcomes such as course completion and degree or certificate completion;

(2) Research the use of at-risk weights in the funding formulas of other states;

(3) Survey the academic research on at-risk weights in higher education allocation formulas, particularly in the context of performance-based funding;

(4) Make recommendations on the definitions of at-risk students, the funding formula weights for such identified students, and the level of funding for at-risk students. The recommendations should have as their objectives fairness,
simplicity, transparency, and the provision of sufficient incentives to increase the course completion and degree completion of at-risk students in state institutions of higher education. Separate definitions and weighting schemes may be considered within each sector's share of the foregoing appropriation item 235501, State Share of Instruction.

The study shall be completed by June 30, 2022.

Section 381.150. STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2022 AND 2023

(B) Any increases in the amount distributed to an institution from appropriation item 235501, State Share of Instruction, above the prior year may be used by the institution to provide need-based aid and to provide counseling, support services, and workforce preparation services to students.

Section 381.160. RESTRICTION ON FEE INCREASES

(A) In fiscal years 2022 and 2023, the boards of trustees of state institutions of higher education shall restrain increases in
in-state undergraduate instructional and general fees.

(1) For the 2021-2022 and 2022-2023 academic years, all of the following shall apply:

(a) Each state university or college, as defined in section 3345.12 of the Revised Code and university branch established under Chapter 3355. of the Revised Code shall not increase its in-state undergraduate instructional and general fees by more than two per cent over what the institution charged for the previous academic year.

(b) Each community college established under Chapter 3354., state community college established under Chapter 3358., or technical college established under Chapter 3357. of the Revised Code may increase its in-state undergraduate instructional and general fees by not more than five dollars per credit hour over what the institution charged for the previous academic year.

(c) For state institutions of higher education, as defined in section 3345.011 of the Revised Code, increases for all other special fees, including the creation of new special fees, shall be subject to the approval of the Chancellor of Higher Education.

(2) The limitations under division (A)(1) of this section do not apply to room and board, student health insurance, fees for auxiliary goods or services provided to students at the cost incurred to the institution, fees assessed to students as a pass-through for licensure and certification examinations, fees in elective courses associated with travel experiences, elective service charges, fines, voluntary sales transactions, and fees, which may appear directly on a student's tuition bill as assessed by the institution's bursar, to offset the cost of providing textbooks to students.

(B) The limitations under this section shall not apply to increases required to comply with institutional covenants related
to their obligations or to meet unfunded legal mandates or legally
binding obligations incurred or commitments made prior to the
effective date of this section with respect to which the
institution had identified such fee increases as the source of
funds. Any increase required by such covenants and any such
mandates, obligations, or commitments shall be reported by the
Chancellor of Higher Education to the Controlling Board. These
limitations may also be modified by the Chancellor, with the
approval of the Controlling Board, to respond to exceptional
circumstances as identified by the Chancellor.

(C) Institutions offering an undergraduate tuition guarantee
pursuant to section 3345.48 of the Revised Code may increase
instructional and general fees pursuant to that section.

Section 381.170. HIGHER EDUCATION - BOARD OF TRUSTEES

(A) Funds appropriated for instructional subsidies at
colleges and universities may be used to provide such branch or
other off-campus undergraduate courses of study and such master's
degree courses of study as may be approved by the Chancellor of
Higher Education.

(B) In providing instructional and other services to
students, boards of trustees of state institutions of higher
education shall supplement state subsidies with income from
charges to students. Except as otherwise provided in this act,
each board shall establish the fees to be charged to all students,
including an instructional fee for educational and associated
operational support of the institution and a general fee for
noninstructional services, including locally financed student
services facilities used for the benefit of enrolled students. The
instructional fee and the general fee shall encompass all charges
for services assessed uniformly to all enrolled students. Each
board may also establish special purpose fees, service charges,
and fines as required; such special purpose fees and service charges shall be for services or benefits furnished individual students or specific categories of students and shall not be applied uniformly to all enrolled students. A tuition surcharge shall be paid by all students who are not residents of Ohio.

The board of trustees of a state institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Chancellor. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution, nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

Each state institution of higher education in its statement of charges to students shall separately identify the instructional fee, the general fee, the tuition charge, and the tuition surcharge. Fee charges to students for instruction shall not be considered to be a price of service but shall be considered to be an integral part of the state government financing program in support of higher educational opportunity for students.

(C) The boards of trustees of state institutions of higher education shall ensure that faculty members devote a proper and judicious part of their work week to the actual instruction of students. Total class credit hours of production per academic term per full-time faculty member is expected to meet the standards set forth in the budget data submitted by the Chancellor of Higher Education.

(D) The authority of government vested by law in the boards of trustees of state institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult...
extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the exclusive prerogative of boards of trustees. Any delegation of authority by a board of trustees in other areas of responsibility shall be accompanied by appropriate standards of guidance concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

During fiscal year 2022 and fiscal year 2023, if the Tax Commissioner determines that there is insufficient cash in the Municipal Net Profit Tax Fund (Fund 5VR0) to meet monthly distribution obligations under section 718.83 of the Revised Code, the Tax Commissioner shall certify to the Director of Budget and Management the amount of additional cash necessary to satisfy those obligations. In addition, the Commissioner shall submit a plan to the Director requesting the necessary cash be transferred from one or a combination of the following funds: the Municipal Income Tax Administrative Fund, the Local Sales Tax Administrative Fund, the General School District Income Tax Administrative Fund, the Motor Fuel Tax Administrative Fund, the Property Tax Administrative Fund, or the General Revenue Fund. This plan shall include a proposed repayment schedule to reimburse those funds for any cash transferred in accordance with this section. After receiving the certification and funding plan from the Tax Commissioner and if the Director determines that sufficient cash is available, the Director may transfer the cash to the Municipal Net Profit Tax Fund in accordance with the plan submitted by the Tax Commissioner or as otherwise determined by the Director of Budget and Management. The Director of Budget and Management may

Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS AGAINST THE STATE

Except as otherwise provided in this section, an appropriation in this act or any other act may be used for the purpose of satisfying judgments, settlements, or administrative awards ordered or approved by the Court of Claims or by any other court of competent jurisdiction in connection with civil actions against the state. This authorization does not apply to appropriations to be applied to or used for payment of guarantees by or on behalf of the state, or for payments under lease agreements relating to, or debt service on, bonds, notes, or other obligations of the state. Nothing contained in this section is intended to subject the state to suit in any forum in which it is not otherwise subject to suit, and is not intended to waive or compromise any defense or right available to the state in any suit against it.

Section 503.30. CAPITAL PROJECT SETTLEMENTS

This section specifies an additional and supplemental procedure to provide for payments of judgments and settlements if the Director of Budget and Management determines, pursuant to division (C)(4) of section 2743.19 of the Revised Code, that sufficient unencumbered moneys do not exist in the fund to support a particular appropriation to pay the amount of a final judgment rendered against the state or a state agency, including the settlement of a claim approved by a court, in an action upon and arising out of a contractual obligation for the construction or improvement of a capital facility if the costs under the contract were payable in whole or in part from a state capital projects appropriation. In such a case, the Director may either proceed pursuant to division (C)(4) of section 2743.19 of the Revised Code or apply to the Controlling Board to increase an appropriation or create an appropriation out of any unencumbered moneys in the state treasury to the credit of the capital projects fund from which the initial state appropriation was made. The amount of an increase in appropriation or new appropriation approved by the Controlling Board is hereby appropriated from the applicable capital projects fund and made available for the payment of the judgment or settlement.
If the Director does not make the application authorized by this section or the Controlling Board disapproves the application, and the Director does not make application under division (C)(4) of section 2743.19 of the Revised Code, the Director shall for the purpose of making that payment make a request to the General Assembly as provided for in division (C)(5) of that section.

The report shall include the item, the cost of the item, and the name of the vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the reappropriation period.

(D) If the Controlling Board approved a purchase, that approval remains in effect so long as the appropriation used to make that purchase remains encumbered.

Section 503.60. CORRECTION OF ACCOUNTING ERRORS
(A) The Director of Budget and Management may correct accounting errors committed by the staff of the Office of Budget and Management, such as reestablishing encumbrances or appropriations canceled in error, during the cancellation of operating encumbrances in November and of non-operating encumbrances in December.

(B) On July 1, 2021, the administration of the business certification programs shall be transferred from the Department of Administrative Services to the Department of Development.

(C) Business related to the business certification programs commenced but not completed by the Department of Administrative Services on July 1, 2021, shall be completed by the Department of Development, as appropriate, in the same manner, and with the same effect, as if completed by the Department of Administrative Services. No validation, cure, right, privilege, remedy, obligation, or liability is lost or impaired by reason of the transfer required by this section but shall be administered by the Director of Development or the Department of Development, as appropriate.

(D) The rules, orders, and determinations of the Department of Administrative Services pertaining to the business certification programs continue in effect as rules, orders, and determinations of the Department of Development until modified or
rescinded by that agency.

(E) No judicial or administrative action or proceeding pending on July 1, 2021, is affected by the transfer of functions related to the business certification programs from the Director of Administrative Services or the Department of Administrative Services to the Director of Development or the Department of Development, and those actions related to the administration of these programs shall be prosecuted or defended in the name of the Director of Development or the Department of Development, as appropriate. On application to the court or other tribunal, the Director of Development or the Department of Development, whichever is appropriate, shall be substituted as a party in such actions and proceedings.

(F) When the Equal Employment Coordinator, the Director of Administrative Services, or the Department of Administrative Services is referred to in any rule, contract, grant, or other document related to the administration of the business certification programs, the reference is deemed to refer to the Director or Department of Development, as appropriate.

(G) The Director of Development, not later than September 1, 2023, and with the cooperation of the Director of Administrative Services, shall submit a report to the General Assembly and to the Governor regarding the effects of transferring the business certification programs from the Department of Administrative Services to the Department of Development. The report shall include all of the following:

(1) Data regarding the number of businesses certified as participants in each business certification program from the period beginning July 1, 2021, and ending on July 1, 2023, compared to the number certified in the two years before July 1, 2021, by the Department of Administrative Services, if that data is available.
(2) Data regarding the number of days required to complete the certification process for each applicant to each business certification program during the period beginning July 1, 2021, and ending on July 1, 2023, compared to the number of days required to complete the certification process for each applicant during the two years before July 1, 2021, by the Department of Administrative Services, if that data is available.

(3) Information regarding the number of employees transferred and the number of employees laid off pursuant to Section 518.12 of this act.

(4) The number of complaints received by the Department of Development from applicants to the business certification programs, regarding the application and certification process, during the period beginning July 1, 2021, and ending on July 1, 2023, compared to the number received in the two years before July 1, 2021, by the Department of Administrative Services, if that data is available.

(2) The authority granted under division (B)(1) of this section includes assigning or reassigning an exempt employee, as defined in section 124.152 of the Revised Code, to a bargaining unit classification if the Director determines that the bargaining unit classification is the proper classification for that employee. If an employee in the E-1 pay range is to be assigned, reassigned, classified, reclassified, transferred, reduced, or demoted to a position in a lower classification during the period specified in division (B)(1) of this section, the Director of Development, or in the case of transfer outside the Department of Development, the Director of Administrative Services, shall assign the employee to the appropriate classification and place the employee in Step X. The employee shall not receive any increase in compensation until the maximum rate of pay for that classification exceeds the employee's compensation.

Section 701.10. STATE PAY FOR SUCCESS CONTRACT FUND

The State Pay for Success Contract Fund shall be used for the purpose of funding a pay for success project pursuant to section 113.60 of the Revised Code. The Treasurer of State, in

Sub. H. B. No. 110 Page 2726 As Passed by the House
consultation with the Director of Administrative Services and Chancellor of Higher Education, shall initiate a pay for success contract with a service intermediary, as selected by the Department of Higher Education, and a service provider, as required, to improve Ohio National Guard Scholarship utilization and the postsecondary outcomes for scholarship recipients. The program shall be delivered to eligible Ohio National Guard members planning to matriculate at a state institution of higher education in Ohio, as defined under section 3345.12 of the Revised Code.

Section 701.40. (A) There is hereby created the Joint Legislative Oversight and Review Committee of Federal COVID Relief Aid. The Committee's purpose is to oversee and review the distribution and spending of funds received from the federal government for COVID relief purposes.

(B) The Committee shall consist of the following members:

(1) Five members of the House of Representatives, appointed by the Speaker of the House of Representatives. Three members shall be from the majority party and two members shall be from the minority party.

(2) Five members of the Senate, appointed by the President of the Senate. Three members shall be from the majority party and two members shall be from the minority party.

A majority of the Committee's members shall constitute a quorum.

(C) The Speaker and the President shall appoint members to the Committee not later than thirty days after the effective date of this section. Any vacancies on the Committee shall be filled in the same manner as the original appointment.

(D) The Speaker and the President shall each appoint one member to serve as co-chairperson of the Committee.
(E) In fulfilling its duties, the Committee may do any of the following:

(1) Hold hearings;
(2) Hear testimony from witnesses;
(3) Issue reports;
(4) Make recommendations regarding the oversight, expenditure, and reporting of COVID relief aid usage.

Section 701.50. (A) The General Assembly finds that the amendment to section 163.62 of the Revised Code by this act is remedial in nature in order to ensure that Ohio is in compliance with the "Uniform Relocation Assistance and Real Property Acquisitions Policies for Federal and Federally Assisted Programs Act," 42 U.S.C. 4601, et seq., and its implementing regulations, 49 C.F.R. 24.1, et seq. Therefore, the General Assembly hereby declares its purpose in amending section 163.62 of the Revised Code is that the amendment apply to any judgment in favor of the owner in an inverse condemnation proceeding or settlement effectuated by the agency in such a proceeding that occurred on or after January 1, 2019.

(B) The amendment to section 163.62 of the Revised Code by this act is in response to the Supreme Court's opinion in State ex rel. New Wen, Inc. v. Marchbanks, Slip Opinion No. 2020-Ohio-4865. There, the Supreme Court declared ineffective a provision in the Administrative Code that authorized certain litigation expenses, including reasonable attorney fees, to owners of real property who prevailed in inverse condemnation proceedings. In a concurring opinion, Justice Fischer, as joined by Justice DeWine, wrote "separately to point out that the General Assembly should examine the issue whether a property owner in Ohio who is forced to file a lawsuit, in this case for a writ of mandamus, to get a court order
when the state has taken that owner's property without filing a proper appropriation case, should or should not be entitled to an award of attorney fees." *Id.* at ¶17. In amending section 163.62 of the Revised Code, the General Assembly agrees with Justices Fischer and DeWine that Ohioans "who have had property improperly taken by any government—and who must go to court to correct that problem caused by the government—should be entitled to their attorney fees, which they incurred to uphold their constitutionally protected property rights." *Id.*

**Section 701.60.** (A) As used in this section:

1. "Board of health" means a city board of health or a general health district, or an authority having the duties of a city board of health as authorized by section 3709.05 of the Revised Code.

2. "Business" means a corporation, association, partnership, limited liability company, sole proprietorship, joint venture, or other business entity composed of one or more individuals, whether or not the entity is operated for profit.

3. "Order" means any of the following:

   a. An executive order addressing COVID-19 or any other order related to such an executive order;

   b. A state or local order or rule issued under Chapter 3701 of the Revised Code related to COVID-19;

   c. A rule promulgated under division (G) of section 119.03 of the Revised Code related to COVID-19, including emergency rule 4301:1-1-13 and emergency rule 4301:1-1-80 of the Administrative Code;

   d. Any other rule, order, or directive issued by a state agency or a board of health imposing restrictions related to COVID-19 on a business.
(4) "State agency" means the offices of all elected state officers, and all departments, boards, offices, commissions, agencies, institutions, and other instrumentalities of the state of Ohio.

(B) Any violation or any sanction imposed in response to any violation of an order by a business that occurred between March 14, 2020, and the effective date of this section is hereby vacated, including violations adjudicated by the Liquor Control Commission under rule 4301:1-1-13, rule 4301:1-1-80, and, insofar as the violation relates to COVID-19, rule 4301:1-1-52(B)(1) of the Administrative Code.

(C) Not later than thirty days after the effective date of this section, all of the following shall occur:

(1) A state agency or board of health, as applicable, shall expunge any record of a violation that is vacated under division (B) of this section.

(2) The Division of Liquor Control within the Department of Commerce and the Department of Public Safety shall expunge any record of a violation of rule 4301:1-1-13 and rule 4301:1-1-80, and, insofar as the violation relates to COVID-19, rule 4301:1-1-52(B)(1) of the Administrative Code, that occurred between March 14, 2020, and the effective date of this section. The Liquor Control Commission shall notify any business that was convicted of a penalty under rule 4301:1-1-13 or rule 4301:1-1-80, or of a penalty related to COVID-19 under rule 4301:1-1-52(B)(1) of the Administrative Code, that the conviction is expunged.

(3) A state agency or board of health shall treat any finding of a violation vacated and expunged under this section as a nullity and take the steps within its power, forthwith, to restore any rights or privileges lost as a result of a finding of a violation. These steps shall include but shall not be limited to
reinstatement of a revoked license and other right or privilege to do business.

(D) Not later than thirty days after the effective date of this section, all of the following shall occur:

(1)(a) Except as provided in division (D)(1)(b) of this section, the Director of Budget and Management, in consultation with state agencies, shall determine the amount of money collected by a state agency in civil or administrative penalties for each violation of an order by each business that occurred between March 14, 2020, and the effective date of this section. After that determination, the Director shall refund to each business the amount of penalties paid by each such business. The total amount of these refunds is hereby appropriated. If the business no longer exists, the Director shall make a reasonable effort to locate, and issue the refund to, the owner of the business.

(b) A financial penalty that was paid by a business for a conviction under rule 4301:1-1-13 or rule 4301:1-1-80, or for a COVID-19 related conviction under rule 4301:1-1-52(B)(1) of the Administrative Code, shall be refunded under division (D)(1)(a) of this section, unless another conviction was assessed at the time of the adjudication for a violation not related to rule 4301:1-1-13 or rule 4301:1-1-80, or not related to a COVID-19 enforcement of rule 4301:1-1-52(B)(1) of the Administrative Code.

(2) A board of health shall determine the amount of money collected by the board of health in civil or administrative penalties for each violation of an order by each business that occurred between March 14, 2020, and the effective date of this section. After that determination, the board of health shall refund to each business the amount of penalties paid by each such business. If the business no longer exists, the board of health shall make a reasonable effort to locate, and issue the refund to, the owner of the business.
