Sec. 117.55. (A) As used in this section:

(1) "Entity" means, whether for profit or nonprofit, a corporation, association, partnership, limited liability company, sole proprietorship, or other business entity. "Entity" does not include an individual who receives state assistance that is not
related to the individual's business.

(2) "State award for economic development" means state financial assistance and expenditure in any of the following forms: grants, subgrants, loans, awards, cooperative agreements, or other similar and related forms of financial assistance and contracts, subcontracts, purchase orders, task orders, delivery orders, or other similar and related transactions. It does not include compensation received as an employee of the state or any state financial assistance and expenditure received from the general assembly or any legislative agency, any court or judicial agency, or from the offices of the attorney general, the secretary of state, the auditor of state, or the treasurer of state.

(B) Not later than thirty days after the end of the state fiscal year, the department of development shall send the auditor of state a list of state awards for economic development. The auditor of state shall review each award and determine if an entity is in compliance with the terms and conditions, including performance metrics, of a state award for economic development received by that entity.

(C) The auditor of state shall publish a report of its reviews and determinations not later than ninety days after receipt of the list of state awards from the department of development.

(D) When the auditor of state finds that an entity that receives or has received a state award for economic development is not in compliance with a performance metric that is specified in the terms and conditions of the award, the auditor of state shall report the findings to the attorney general. The attorney general may pursue against and from that entity such remedies and recoveries as are available under law.

(E) If the auditor of state is authorized to conduct an audit...
of an entity that receives or has received a state award for economic development, the audit shall be conducted in accordance with Chapter 117. of the Revised Code.

Sec. 119.12. (A)(1) Except as provided in division (A)(2) or (3) of this section, any party adversely affected by any order of an agency issued pursuant to an adjudication denying an applicant admission to an examination, or denying the issuance or renewal of a license or registration of a licensee, or revoking or suspending a license, or allowing the payment of a forfeiture under section 4301.252 of the Revised Code may appeal from the order of the agency to the court of common pleas of the county in which the place of business of the licensee is located or the county in which the licensee is a resident.

(2) An appeal from an order described in division (A)(1) of this section issued by any of the following agencies shall be made to the court of common pleas of Franklin county:

(a) The liquor control commission;

(b) The Ohio casino control commission;

(c) The state medical board;

(d) The state chiropractic board;

(e) The board of nursing;

(f) The bureau of workers' compensation regarding participation in the health partnership program created in sections 4121.44 and 4121.441 of the Revised Code;

(g) The occupational therapy, physical therapy, and athletic trainers board.

(3) If any party appealing from an order described in division (A)(1) of this section is not a resident of and has no place of business in this state, the party may appeal to the court
of common pleas of Franklin county.

(B) Any party adversely affected by any order of an agency issued pursuant to any other adjudication may appeal to the court of common pleas of Franklin county, except that appeals from orders of the fire marshal issued under Chapter 3737. of the Revised Code may be to the court of common pleas of the county in which the building of the aggrieved person is located and except that appeals under division (B) of section 124.34 of the Revised Code from a decision of the state personnel board of review or a municipal or civil service township civil service commission shall be taken to the court of common pleas of the county in which the appointing authority is located or, in the case of an appeal by the department of rehabilitation and correction, to the court of common pleas of Franklin county.

(C) This section does not apply to appeals from the department of taxation.

(D) Any party desiring to appeal shall file a notice of appeal with the agency setting forth the order appealed from and stating that the agency's order is not supported by reliable, probative, and substantial evidence and is not in accordance with law. The notice of appeal may, but need not, set forth the specific grounds of the party's appeal beyond the statement that the agency's order is not supported by reliable, probative, and substantial evidence and is not in accordance with law. The notice of appeal shall also be filed by the appellant with the court. In filing a notice of appeal with the agency or court, the notice that is filed may be either the original notice or a copy of the original notice. Unless otherwise provided by law relating to a particular agency, notices of appeal shall be filed within fifteen days after the mailing of the notice of the agency's order as provided in this section. For purposes of this paragraph, an order includes a determination appealed pursuant to division (C) of
section 119.092 of the Revised Code. The amendments made to this paragraph by Sub. H.B. 215 of the 128th general assembly are procedural, and this paragraph as amended by those amendments shall be applied retrospectively to all appeals pursuant to this paragraph filed before September 13, 2010, but not earlier than May 7, 2009, which was the date the supreme court of Ohio released its opinion and judgment in Medcorp, Inc. v. Ohio Dep't. of Job and Family Servs. (2009), 121 Ohio St.3d 622.

(E) The filing of a notice of appeal shall not automatically operate as a suspension of the order of an agency. If it appears to the court that an unusual hardship to the appellant will result from the execution of the agency's order pending determination of the appeal, the court may grant a suspension and fix its terms. If an appeal is taken from the judgment of the court and the court has previously granted a suspension of the agency's order as provided in this section, the suspension of the agency's order shall not be vacated and shall be given full force and effect until the matter is finally adjudicated. No renewal of a license or permit shall be denied by reason of the suspended order during the period of the appeal from the decision of the court of common pleas. In the case of an appeal from the Ohio casino control commission, the state medical board, or the state chiropractic board, the court may grant a suspension and fix its terms if it appears to the court that an unusual hardship to the appellant will result from the execution of the agency's order pending determination of the appeal and the health, safety, and welfare of the public will not be threatened by suspension of the order. This provision shall not be construed to limit the factors the court may consider in determining whether to suspend an order of any other agency pending determination of an appeal.

(F) The final order of adjudication may apply to any renewal of a license or permit which has been granted during the period of
the appeal.

   (G) Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the liquor control commission issued pursuant to Chapter 4301. or 4303. of the Revised Code that suspends, revokes, or cancels a permit issued under Chapter 4303. of the Revised Code or that allows the payment of a forfeiture under section 4301.252 of the Revised Code shall terminate not more than six months after the date of the filing of the record of the liquor control commission with the clerk of the court of common pleas and shall not be extended. The court of common pleas, or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the record of the liquor control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order suspending the effect of an order of the liquor control commission that extends beyond six months after the date on which the record of the liquor control commission is filed with a court of common pleas.

   (H) Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the Ohio casino control commission issued under Chapter 3772. of the Revised Code that limits, conditions, restricts, suspends, revokes, denies, not renews, fines, or otherwise penalizes an applicant, licensee, or person excluded or ejected from a casino facility in accordance with section 3772.031 of the Revised Code shall terminate not more than six months after the date of the filing of the record of the Ohio casino control commission with the clerk of the court of common pleas and shall not be extended. The court of common pleas, or the court of appeals on appeal, shall render a judgment in that matter within six months after the date of the filing of the
record of the Ohio casino control commission with the clerk of the court of common pleas. A court of appeals shall not issue an order suspending the effect of an order of the Ohio casino control commission that extends beyond six months after the date on which the record of the Ohio casino control commission is filed with the clerk of a court of common pleas.

(I) Notwithstanding any other provision of this section, any order issued by a court of common pleas suspending the effect of an order of the state medical board or state chiropractic board that limits, revokes, suspends, places on probation, or refuses to register or reinstate a certificate issued by the board or reprimands the holder of the certificate shall terminate not more than fifteen months after the date of the filing of a notice of appeal in the court of common pleas, or upon the rendering of a final decision or order in the appeal by the court of common pleas, whichever occurs first.

(J) Within thirty days after receipt of a notice of appeal from an order in any case in which a hearing is required by sections 119.01 to 119.13 of the Revised Code, the agency shall prepare and certify to the court a complete record of the proceedings in the case. Failure of the agency to comply within the time allowed, upon motion, shall cause the court to enter a finding in favor of the party adversely affected. Additional time, however, may be granted by the court, not to exceed thirty days, when it is shown that the agency has made substantial effort to comply. The record shall be prepared and transcribed, and the expense of it shall be taxed as a part of the costs on the appeal. The appellant shall provide security for costs satisfactory to the court of common pleas. Upon demand by any interested party, the agency shall furnish at the cost of the party requesting it a copy of the stenographic report of testimony offered and evidence submitted at any hearing and a copy of the complete record.
Notwithstanding any other provision of this section, any party desiring to appeal an order or decision of the state personnel board of review shall, at the time of filing a notice of appeal with the board, provide a security deposit in an amount and manner prescribed in rules that the board shall adopt in accordance with this chapter. In addition, the board is not required to prepare or transcribe the record of any of its proceedings unless the appellant has provided the deposit described above. The failure of the board to prepare or transcribe a record for an appellant who has not provided a security deposit shall not cause a court to enter a finding adverse to the board.

Unless otherwise provided by law, in the hearing of the appeal, the court is confined to the record as certified to it by the agency. Unless otherwise provided by law, the court may grant a request for the admission of additional evidence when satisfied that the additional evidence is newly discovered and could not with reasonable diligence have been ascertained prior to the hearing before the agency.

The court shall conduct a hearing on the appeal and shall give preference to all proceedings under sections 119.01 to 119.13 of the Revised Code, over all other civil cases, irrespective of the position of the proceedings on the calendar of the court. An appeal from an order of the state medical board issued pursuant to division (G) of either section 4730.25 or 4731.22 of the Revised Code, the state chiropractic board issued pursuant to section 4734.37 of the Revised Code, the liquor control commission issued pursuant to Chapter 4301. or 4303. of the Revised Code, or the Ohio casino control commission issued pursuant to Chapter 3772. of the Revised Code shall be set down for hearing at the earliest possible time and takes precedence over all other actions. The hearing in the court of common pleas shall proceed as in the trial of a civil action, and the court
shall determine the rights of the parties in accordance with the laws applicable to a civil action. At the hearing, counsel may be heard on oral argument, briefs may be submitted, and evidence may be introduced if the court has granted a request for the presentation of additional evidence.

(N) The court may affirm the order of the agency complained of in the appeal if it finds, upon consideration of the entire record and any additional evidence the court has admitted, that the order is supported by reliable, probative, and substantial evidence and is in accordance with law. In the absence of this finding, it may reverse, vacate, or modify the order or make such other ruling as is supported by reliable, probative, and substantial evidence and is in accordance with law. The court shall award compensation for fees in accordance with section 2335.39 of the Revised Code to a prevailing party, other than an agency, in an appeal filed pursuant to this section.

(O) The judgment of the court shall be final and conclusive unless reversed, vacated, or modified on appeal. These appeals may be taken either by the party or the agency, shall proceed as in the case of appeals in civil actions, and shall be pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505. of the Revised Code. An appeal by the agency shall be taken on questions of law relating to the constitutionality, construction, or interpretation of statutes and rules of the agency, and, in the appeal, the court may also review and determine the correctness of the judgment of the court of common pleas that the order of the agency is not supported by any reliable, probative, and substantial evidence in the entire record.

The court shall certify its judgment to the agency or take any other action necessary to give its judgment effect.

(3) Production techniques and trade secrets;

The vote by the authority or board to accept or reject the application, as well as all proceedings of the authority or board not subject to this division, shall be open to the public and governed by this section.

(F) Every public body, by rule, shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings. A public body shall not hold a special meeting unless it gives at least twenty-four hours' advance notice to the news media that have requested notification, except in the event of an emergency requiring immediate official action. In the event of an emergency, the member or members calling the meeting shall notify the news media that have requested notification immediately of the time, place, and purpose of the meeting.

The rule shall provide that any person, upon request and payment of a reasonable fee, may obtain reasonable advance notification of all meetings at which any specific type of public business is to be discussed. Provisions for advance notification may include, but are not limited to, mailing the agenda of meetings to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(G) Except as provided in divisions (G)(8) and (J) of this section, the members of a public body may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a regular or special meeting for the sole purpose of the consideration of any of the following matters:
(1) To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee, or regulated individual requests a public hearing. Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official's official duties or for the elected official's removal from office. If a public body holds an executive session pursuant to division (G)(1) of this section, the motion and vote to hold that executive session shall state which one or more of the approved purposes listed in division (G)(1) of this section are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting.

(2) To consider the purchase of property for public purposes, the sale of property at competitive bidding, or the sale or other disposition of unneeded, obsolete, or unfit-for-use property in accordance with section 505.10 of the Revised Code, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers.

If the minutes of the public body show that all meetings and deliberations of the public body have been conducted in compliance
with this section, any instrument executed by the public body purporting to convey, lease, or otherwise dispose of any right, title, or interest in any public property shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona fide purchasers, lessees, or transferees of the property is concerned.

(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following
conditions apply:

(a) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of Chapter 715., 725., 1724., or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the Revised Code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

If a public body holds an executive session to consider any of the matters listed in divisions (G)(2) to (8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

A public body specified in division (B)(1)(c) of this section shall not hold an executive session when meeting for the purposes specified in that division.

(H) A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in division (G) or (J) of this section and conducted at an executive session held in compliance with this section. A resolution, rule, or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule, or
formal action violated division (F) of this section.

(I)(1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2)(a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was
frivolous conduct, as defined in division (A) of section 2323.51
of the Revised Code, the court shall award to the public body all
court costs and reasonable attorney's fees, as determined by the
court.

(3) Irreparable harm and prejudice to the party that sought
the injunction shall be conclusively and irrebuttably presumed
upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an
injunction issued pursuant to division (I)(1) of this section may
be removed from office by an action brought in the court of common
pleas for that purpose by the prosecuting attorney or the attorney
general.

(J)(1) Pursuant to division (C) of section 5901.09 of the
Revised Code, a veterans service commission shall hold an

financial assistance under sections 5901.01 to 5901.15 of the
Revised Code.

(2) A veterans service commission shall not exclude an
applicant for, recipient of, or former recipient of financial
assistance under sections 5901.01 to 5901.15 of the Revised Code,
and shall not exclude representatives selected by the applicant,
recipient, or former recipient, from a meeting that the commission
conducts as an executive session that pertains to the applicant's,
recipient's, or former recipient's application for financial
assistance.
(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.

Sec. 122.17. (A) As used in this section:

(1) "Payroll" means the total taxable income paid by the employer during the employer's taxable year, or during the calendar year that includes the employer's tax period, to each employee or each home-based employee employed in the project to the extent such payroll is not used to determine the credit under section 122.171 of the Revised Code. "Payroll" excludes amounts paid before the day the taxpayer becomes eligible for the credit and retirement or other benefits paid or contributed by the employer to or on behalf of employees.

(2) "Baseline payroll" means Ohio employee payroll, except that the applicable measurement period is the twelve months immediately preceding the date the tax credit authority approves the taxpayer's application or the date the tax credit authority receives the recommendation described in division (C)(2)(a) of this section, whichever occurs first, multiplied by the sum of one plus an annual pay increase factor to be determined by the tax credit authority.

(3) "Ohio employee payroll" means the amount of compensation used to determine the withholding obligations in division (A) of section 5747.06 of the Revised Code and paid by the employer during the employer's taxable year, or during the calendar year that includes the employer's tax period, to the following:

(a) An employee employed in the project who is a resident of this state including a qualifying work-from-home employee not designated as a home-based employee by an applicant under division (C)(1) of this section;
(b) An employee employed at the project location who is not a resident and whose compensation is not exempt from the tax imposed under section 5747.02 of the Revised Code pursuant to a reciprocity agreement with another state under division (A)(3) of section 5747.05 of the Revised Code;

(c) A home-based employee employed in the project.

"Ohio employee payroll" excludes any such compensation to the extent it is used to determine the credit under section 122.171 of the Revised Code, and excludes amounts paid before the day the taxpayer becomes eligible for the credit under this section.

(4) "Excess payroll" means Ohio employee payroll minus baseline payroll.

(5) "Home-based employee" means an employee whose services are performed primarily from the employee's residence in this state exclusively for the benefit of the project and whose rate of pay is at least one hundred thirty-one per cent of the federal minimum wage under 29 U.S.C. 206.

(6) "Full-time equivalent employees" means the quotient obtained by dividing the total number of hours for which employees were compensated for employment in the project by two thousand eighty. "Full-time equivalent employees" excludes hours that are counted for a credit under section 122.171 of the Revised Code.

(7) "Metric evaluation date" means the date by which the taxpayer must meet all of the commitments included in the agreement.

(8) "Qualifying work-from-home employee" means an employee who is a resident of this state and whose services are supervised from the employer's project location and performed primarily from a residence of the employee located in this state.

(9) "Resident" or "resident of this state" means an
individual who is a resident as defined in section 5747.01 of the Revised Code.

(10) "Reporting period" means a period corresponding to the annual report required under division (D)(6) of this section.

(B) The tax credit authority may make grants under this section to foster job creation in this state. Such a grant shall take the form of a refundable credit allowed against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5747.02 or levied under Chapter 5751. of the Revised Code. The credit shall be claimed for the taxable years or tax periods specified in the taxpayer's agreement with the tax credit authority under division (D) of this section. With respect to taxes imposed under section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the Revised Code, the credit shall be claimed in the order required under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of the credit available for a taxable year or for a calendar year that includes a tax period equals the excess payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority.

(C)(1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees in the computation of Ohio employee payroll for the purposes of the same tax credit agreement, except that a qualifying work-from-home employee shall not be considered to be a home-based employee unless so designated by the applicant. If a taxpayer or potential taxpayer employs both home-based employees and employees who are not home-based employees in a project, the taxpayer shall submit
separate applications for separate tax credit agreements for the
project, one of which shall include home-based employees in the
computation of Ohio employee payroll and one of which shall
include all other employees in the computation of Ohio employee
payroll.

The director of development services shall prescribe the form
of the application. After receipt of an application, the authority
may enter into an agreement with the taxpayer for a credit under
this section if it determines all of the following:

(a) The taxpayer's project will increase payroll;

(b) The taxpayer's project is economically sound and will
benefit the people of this state by increasing opportunities for
employment and strengthening the economy of this state;

(c) Receiving the tax credit is a major factor in the
taxpayer's decision to go forward with the project.

(2)(a) A taxpayer that chooses to begin the project prior to
receiving the determination of the authority may, upon submitting
the taxpayer's application to the authority, request that the
chief investment officer of the nonprofit corporation formed under
section 187.01 of the Revised Code and the director review the
taxpayer's application and recommend to the authority that the
taxpayer's application be considered. As soon as possible after
receiving such a request, the chief investment officer and the
director shall review the taxpayer's application and, if they
determine that the application warrants consideration by the
authority, make that recommendation to the authority not later
than six months after the application is received by the
authority.

(b) The authority shall consider any taxpayer's application
for which it receives a recommendation under division (C)(2)(a) of
this section. If the authority determines that the taxpayer does
not meet all of the criteria set forth in division (C)(1) of this section, the authority and the department of development services agency shall proceed in accordance with rules adopted by the director pursuant to division (I) of this section.

(D) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement;

(2)(a) The term of the tax credit, which, except as provided in division (D)(2)(b) of this section, shall not exceed fifteen years, and the first taxable year, or first calendar year that includes a tax period, for which the credit may be claimed;

(b) If the tax credit is computed on the basis of home-based employees, the term of the credit shall expire on or before the last day of the taxable or calendar year ending before the beginning of the seventh year after September 6, 2012, the effective date of H.B. 327 of the 129th general assembly.

(3) A requirement that the taxpayer shall maintain operations at the project location for at least the greater of seven years or the term of the credit plus three years;

(4) The percentage, as determined by the tax credit authority, of excess payroll that will be allowed as the amount of the credit for each taxable year or for each calendar year that includes a tax period;

(5) The pay increase factor to be applied to the taxpayer's baseline payroll;

(6) A requirement that the taxpayer annually shall report to the director of development services full-time equivalent employees, payroll, Ohio employee payroll, investment, the provision of health care benefits and tuition reimbursement if
required in the agreement, and other information the director needs to perform the director's duties under this section;

(7) A requirement that the director of development services annually review the information reported under division (D)(6) of this section and verify compliance with the agreement; if the taxpayer is in compliance, a requirement that the director issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit that may be claimed for the taxable or calendar year;

(8) A provision providing that the taxpayer may not relocate a substantial number of employment positions from elsewhere in this state to the project location unless the director of development services determines that the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated has been notified by the taxpayer of the relocation.

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the employment position in the first political subdivision is replaced. The movement of a qualifying work-from-home employee to a different residence located in this state or to the project location shall not be considered a relocation of an employment position.

(9) If the tax credit is computed on the basis of home-based employees, that the tax credit may not be claimed by the taxpayer until the taxable year or tax period in which the taxpayer employs at least two hundred employees more than the number of employees the taxpayer employed on June 30, 2011.

(E) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit...
authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term may take effect in the current taxable or calendar year.

(F) Projects that consist solely of point-of-final-purchase retail facilities are not eligible for a tax credit under this section. If a project consists of both point-of-final-purchase retail facilities and nonretail facilities, only the portion of the project consisting of the nonretail facilities is eligible for a tax credit and only the excess payroll from the nonretail facilities shall be considered when computing the amount of the tax credit. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility is not eligible for a tax credit. Catalog distribution centers are not considered point-of-final-purchase retail facilities for the purposes of this division, and are eligible for tax credits under this section.

(G) Financial statements and other information submitted to the department of development services agency or the tax credit authority by an applicant or recipient of a tax credit under this section, and any information taken for any purpose from such statements or information, are not public records subject to section 149.43 of the Revised Code. However, the chairperson of the authority may make use of the statements and other information for purposes of issuing public reports or in connection with court proceedings concerning tax credit agreements under this section. Upon the request of the tax commissioner or, if the applicant or recipient is an insurance company, upon the request of the superintendent of insurance, the chairperson of the authority shall provide to the commissioner or superintendent any statement or information submitted by an applicant or recipient of a tax credit in connection with the credit. The commissioner or superintendent shall preserve the confidentiality of the statement.
or information.

(H) A taxpayer claiming a credit under this section shall submit to the tax commissioner or, if the taxpayer is an insurance company, to the superintendent of insurance, a copy of the director of development services' certificate of verification under division (D)(7) of this section with the taxpayer's tax report or return for the taxable year or for the calendar year that includes the tax period. Failure to submit a copy of the certificate with the report or return does not invalidate a claim for a credit if the taxpayer submits a copy of the certificate to the commissioner or superintendent within the time prescribed by section 5703.0510 of the Revised Code or within thirty days after the commissioner or superintendent requests it.

(I) The director of development services, after consultation with the tax commissioner and the superintendent of insurance and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section, including rules that establish a procedure to be followed by the tax credit authority and the department of development services agency in the event the authority considers a taxpayer's application for which it receives a recommendation under division (C)(2)(a) of this section but does not approve it. The rules may provide for recipients of tax credits under this section to be charged fees to cover administrative costs of the tax credit program. For the purposes of these rules, a qualifying work-from-home employee shall be considered to be an employee employed at the applicant's project location. The fees collected shall be credited to the tax incentives operating fund created in section 122.174 of the Revised Code. development in the senate and the house of representatives.

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (D)(6) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(K)(1) If the director of development services determines that a taxpayer who has received a credit under this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

(a) If the taxpayer fails to comply with the requirement under division (D)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project location for a period less than or equal to the term of the credit, an amount not exceeding one hundred per cent of the sum of any credits allowed and received under this section;

location for a period longer than the term of the credit, but less than the greater of seven years or the term of the credit plus three years, an amount not exceeding seventy-five per cent of the sum of any credits allowed and received under this section.

(b) If, on the metric evaluation date, the taxpayer fails to substantially meet the job creation, payroll, or investment requirements included in the agreement, an amount determined at the discretion of the authority;

(c) If the taxpayer fails to substantially maintain the number of new full-time equivalent employees or amount of payroll required under the agreement at any time during the term of the agreement after the metric evaluation date, an amount determined at the discretion of the authority.

(2) If a taxpayer files for bankruptcy and fails as described in division (K)(1)(a), (b), or (c) of this section, the director may immediately commence an action to recoup an amount not exceeding one hundred per cent of the sum of any credits received by the taxpayer under this section.

(3) In determining the portion of the tax credit to be refunded to this state, the tax credit authority shall consider the effect of market conditions on the taxpayer's project and whether the taxpayer continues to maintain other operations in this state. After making the determination, the authority shall certify the amount to be refunded to the tax commissioner or superintendent of insurance, as appropriate. If the amount is certified to the commissioner, the commissioner shall make an assessment for that amount against the taxpayer under Chapter 5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the amount is certified to the superintendent, the superintendent shall make an assessment for that amount against the taxpayer under Chapter 5725. or 5729. of the Revised Code. The time limitations on assessments under those chapters do not apply to an
assessment under this division, but the commissioner or
superintendent, as appropriate, shall make the assessment within
one year after the date the authority certifies to the
commissioner or superintendent the amount to be refunded.

   (L) On or before the first day of August each year, the
director of development services shall submit a report to the
governor, the president of the senate, and the speaker of the

specialist in taxation. Terms of office shall be for four years.
Each member shall serve on the authority until the end of the term
for which the member was appointed. Vacancies shall be filled in
the same manner provided for original appointments. Any member
appointed to fill a vacancy occurring prior to the expiration of
the term for which the member's predecessor was appointed shall
hold office for the remainder of that term. Members may be
reappointed to the authority. Members of the authority shall
receive their necessary and actual expenses while engaged in the
business of the authority. The director of development services
shall serve as chairperson of the authority, and the members
annually shall elect a vice-chairperson from among themselves.

The report shall include information on the number of such agreements that were entered into in the preceding six years, a description of the projects...
that were the subjects of such agreements, and an analysis of nationwide home-based employment trends, including the number of home-based jobs created from July 1, 2011, through June 30, 2017, and a description of any home-based employment tax incentives provided by other states during that time.

(3) Except as provided in division (S)(4) of this section, for reporting periods ending in 2015 and thereafter for taxpayers subject to eligible agreements, the tax credit authority shall adjust the income tax revenue reported on the taxpayer's annual report by multiplying the withholding adjustment factor by the taxpayer's income tax revenue and doing one of the following:

(T) For reporting periods ending in calendar year 2020 or thereafter, any taxpayer may include qualifying work-from-home employees in its report required under division (D)(6) of this section, and the compensation of such employees shall qualify as Ohio employee payroll under division (A)(3)(a) of this section, even if the taxpayer's application to the tax credit authority to enter into an agreement for a tax credit under this section was approved before September 29, 2017, the effective date of the amendment of this section by H.B. 49 of the 132nd general assembly.

The bond, letter of credit, or assurance may include the condition that the broadband provider will faithfully execute and complete the project.

The purpose of the performance bond, letter of credit, or other financial assurance is to assure completion of the project. The bond, letter of credit, or assurance shall not be required after the project is complete.

Sec. 122.4023. Pursuant to rules adopted under section 122.4077 of the Revised Code, the department of development shall evaluate the information and documents submitted by a broadband provider in an application under section 122.4013 of the Revised Code.
Code or by a challenging provider under section 122.4030 of the Revised Code. The evaluation shall determine whether the information and documents are proprietary or constitute a trade secret. Upon receipt of the information and documents, the department shall keep them confidential and shall not publish them on the department's web site, unless the department finds that any information or document is not proprietary or a trade secret. Any information or document found not to be proprietary or a trade secret under this section shall not be considered confidential and shall be published on the department's web site as is required for an application under division (C)(2) of section 122.4019 of the Revised Code.

Sec. 122.4024. The department of development shall establish an automatic notification process through which interested parties may receive electronic mail notifications when the department publishes application and other information on its web site pursuant to sections 122.40 to 122.4077 of the Revised Code.

Sec. 122.4025. A broadband provider may enter into an arrangement to designate video service provider fees remitted by the broadband provider for contribution towards an eligible project's broadband funding gap under the following circumstances:

(A) The broadband provider is a video service provider that, pursuant to section 1332.32 of the Revised Code, collects and remits video service provider fees to one or more legislative authorities in which an eligible project is located.

(B) The arrangement is entered into by mutual consent with one or more of the legislative authorities in which the eligible project is located.

Sec. 122.4030. (A) As used in section 122.4023 and sections...
122.4030 to 122.4035 of the Revised Code, "challenging provider" means either of the following:

(1) A broadband provider that provides tier two broadband service within or directly adjacent to an eligible project;

(2) A municipal electric utility that provides tier two broadband service to an area within the eligible project that is within the geographic area served by the municipal electric utility.

(B)(1)(a) A challenging provider may challenge, in writing, all or part of a completed application for a program grant for the project not later than sixty-five days after the close of the submission period, or an extension granted under division (E)(2) of section 122.4019 of the Revised Code, in which the application was made.

(b) The department of development, for good cause shown, may grant the broadband provider an extension of not more than fourteen days in which to submit a challenge.

(2) The challenging provider shall provide, by certified mail, a written copy of the challenge to the department and to the broadband provider that submitted the application. The copy provided to the department may include any information the challenging provider considers to be proprietary or a trade secret. Proprietary information or trade secrets may be redacted from the copy provided to the broadband provider that submitted the application.

(C) No challenge to an application may be accepted before the completed application is published in its entirety on the department's web site pursuant to division (C)(2) of section 122.4019 of the Revised Code.

Sec. 122.4031. (A) To successfully challenge an application,
a challenging provider shall provide sufficient evidence to the department of development demonstrating that all or part of a project under the application is ineligible for a grant. The challenge shall, at minimum, include the following information:

(1) Sufficient evidence disputing the notarized letter of intent submitted with the application that the eligible project contains unserved or tier one areas;

(2) Sufficient evidence attesting to the challenging provider's existing or planned offering of tier two broadband service to all or part of the eligible project, which evidence shall include the following:

(a) With regard to existing tier two broadband service, a signed, notarized statement submitted by the challenging provider that sufficiently identifies the part of the eligible project to which the challenging provider offers broadband service;

(b) With regard to the planned provision of tier two broadband service by a challenging provider as described in division (B) of section 122.4016 of the Revised Code, both of the following:

(i) A signed, notarized statement submitted by the challenging provider that sufficiently identifies the part of the eligible project to which the challenging provider will offer broadband service;

(ii) A summary of the construction efforts that includes the dates when tier two broadband construction is expected to be completed and when tier two broadband service will first be offered to the part of the eligible project being challenged.

(B) To demonstrate that all or part of a project under the application is ineligible for a grant, a challenging provider may present shapefile data, residential addresses, maps, or similar
geographic details. Census block or census tract level data shall not be acceptable as evidence of ineligibility of all or part of a project.

Sec. 122.4033. (A) Not later than thirty days after receipt of a challenge under sections 122.4030 to 122.4035 of the Revised Code, the broadband expansion program authority may do either of the following:

(1) Suspend, subject to division (B) of this section, all or part of the application;

(2) Reject the challenge, approve the application, and proceed with the application process.

(B) The authority shall allow the broadband provider that submitted the application being challenged to revise the application consistent with sections 122.40 to 122.4077 of the Revised Code, if the authority upholds a challenge to all or part of the application.

(C) The authority shall notify both the broadband provider that submitted the application and the challenging provider of any decision made under this section by providing a copy of the decision by certified mail or electronic mail. The authority shall update the status of the application on the department of development's web site.

Sec. 122.4034. (A) If the broadband expansion program authority suspends all or part of an application, the broadband provider that submitted the application may revise and resubmit the application not later than fourteen days after receiving the suspension notification sent by the authority pursuant to section 122.4033 of the Revised Code. The broadband provider may request, and the authority may grant for good cause shown, an extension period of not more than fourteen days in which the broadband
provider may resubmit the application.

(B) When revising the application, the broadband provider shall not expand the scope or impact of the original application, nor shall the provider add any new residential addresses to the eligible project.

(C) The broadband provider shall provide a copy of the revised application to both the authority and the challenging provider by certified mail or by electronic mail or by uploading it to the department of development's designated web site for applications. The department shall publish the revised application on the department's public web site provided that any information determined to be proprietary or a trade secret under section 122.4023 of the Revised Code is redacted.

(D) Any failure to respond to the notification or properly revise the application to the authority's satisfaction shall be considered a withdrawal of the application.

Sec. 122.4035. Upon receipt of a revised application under section 122.4034 of the Revised Code, the broadband expansion program authority shall review the revised application and decide whether to accept it or uphold the challenge under sections 122.4030 to 122.4035 of the Revised Code within fourteen days. The authority shall provide a copy of its decision to both the broadband provider that submitted the revised application and the challenging provider by certified mail or electronic mail and shall update the status of the application on the department of development's web site. The decision shall be considered final, and further challenges to the revised application are prohibited.

Sec. 122.4036. If the broadband expansion program authority upholds a challenge to an application under sections 122.4030 to 122.4035 of the Revised Code and the challenging provider fails to
provide tier two broadband service as described in the challenge, the challenging provider, after a reasonable opportunity to be heard, may be required to do either or both of the following, in addition to being subject to other remedies available under the law:

(A) Pay to the department of development the amount of the original broadband funding gap described in section 122.4020 of the Revised Code for the application that was challenged;

(B) Comply with the requirements of any other penalties prescribed by department rule and imposed after consultation with the authority.

Sec. 122.4037. Any money collected under section 122.4036 of the Revised Code shall be deposited into the general revenue fund.

Sec. 122.4040. The department of development, in consultation with the broadband expansion program authority, shall establish a weighted scoring system to evaluate and select applications for program grants. The scoring system shall be available on the department's web site at least thirty days before the beginning of the application submission period set by the department by rule.

Sec. 122.4041. (A) The scoring system established under section 122.4040 of the Revised Code shall prioritize applications, from highest to lowest weight, in the following order:

(1) Eligible projects for unserved areas, rather than tier one areas;

(2) Eligible projects located within distressed areas as defined under section 122.19 of the Revised Code;
(3) Eligible projects that are receiving or have been approved to receive any financial or in-kind contributions towards the broadband funding gap identified in the application under division (A)(3) of section 122.4020 of the Revised Code, including the amounts and proportions of the contributions;

(4) Eligible projects for which the proposed construction will utilize state rights-of-way or otherwise require attachment to, or use of, public facilities or conduit to provide tier two broadband service to an eligible project;

(5) Eligible projects based on proposed upstream and downstream speeds and the scalability of the tier two broadband service infrastructure proposed to be deployed to speeds higher than twenty-five megabits per second downstream and three megabits per second upstream;

(6) Eligible projects based on each of the following, in equal measure, without favoring one broadband provider over another:

(a) Demonstrated support, supported by evidence, for community and economic development efforts in, or adjacent to, the projects, including the provision of tier two broadband service to commercial and nonresidential entities as a result of, but not funded directly by, the program;

(b) The broadband provider's experience, technical ability, and financial capability in successfully deploying and providing tier two broadband service;

(c) The length of time the broadband provider has been providing tier two broadband service in the state;

(d) The extent to which funding is necessary to deploy tier two broadband service infrastructure in an economically feasible manner to the eligible project;
(e) The ability of the broadband provider to leverage nearby or adjacent tier one or tier two broadband service infrastructure to facilitate the proposed deployment and provision of tier two broadband service to the eligible project;

(f) If existing tier one or tier two broadband service infrastructure exists in the area of the eligible project, the extent to which the project utilizes or upgrades the existing tier one or tier two infrastructure, rather than duplicates it;

(g) The eligible projects' location within Ohio opportunity zones as defined under division (A)(2) of section 122.84 of the Revised Code.

(B) The department of development may include in the weighted scoring system any other factors it determines to be reasonable, appropriate, and consistent with the purpose of facilitating the economic deployment of tier two broadband service to unserved or tier one areas. The factors included under this division shall be considered after the weighted factors described in division (A) of this section.

Sec. 122.4043. (A) The broadband expansion program authority shall award program grants under the Ohio residential broadband expansion grant program after reviewing applications sent to the authority by the department of development. Awards shall be granted after the authority scores applications based on the scoring system under sections 122.4040 and 122.4041 of the Revised Code.

(B) In awarding program grants, the authority shall consider all regulatory obligations under applicable law. The authority may not consider any of the following:

(1) Proposed project conditions that require open access networks or that establish a specific rate, service, or other
obligation not specified for the Ohio residential broadband expansion grant program;  

(2) Factors that would constrain a broadband provider that receives a grant from offering or providing tier two broadband service in the same manner as the service is offered by broadband providers in other areas of the state without funding from the Ohio residential broadband expansion grant program.  

(C) Upon making the program grant awards, the authority shall notify the broadband providers that submitted applications of the award decisions. The authority shall publish the program grant awards on the department's web site.  

Sec. 122.4044. After the broadband expansion program authority awards a program grant under section 122.4043 of the Revised Code, the department of development shall disburse the program grant as follows:  

(A) A portion of the program grant, not to exceed thirty per cent, shall be disbursed before construction of the project begins.  

(B) A portion of the program grant, not to exceed sixty per cent, shall be disbursed through periodic payments over the course of construction of the eligible project as determined by the department by rules adopted under section 122.4077 of the Revised Code.  

(C) The remaining portion shall be disbursed not later than sixty days after the broadband provider notifies the authority that it has completed construction of the project.  

Sec. 122.4045. (A) The department of development may, through an independent third party, conduct speed verification tests of an eligible project that receives a program grant. Such tests shall occur as follows:
(1) After the construction is complete, but prior to the final disbursement made under division (C) of section 122.4044 of the Revised Code to verify that tier two broadband service is being offered:

(2) At any time during the reporting period required under division (B) of section 122.4070 of the Revised Code, after receiving a complaint concerning a residence that is part of the eligible project.

(B) To evaluate compliance with tier two broadband service standards, speed verification tests conducted under this section shall be conducted on at least two different days and at two different times on each of those days.

(C) The department may withhold payments under this section for failure to meet at least the minimum speeds required under division (A)(8) of section 122.4020 of the Revised Code. Payments may be held until such speeds are achieved.

Sec. 122.4046. (A) If the department of development determines that a broadband provider that has been awarded a program grant under the Ohio residential broadband expansion grant program has not complied with the requirements of the program, the department shall notify the provider of the noncompliance. In accordance with rules adopted by the department under section 122.4077 of the Revised Code, the department shall give the provider an opportunity to explain or cure the noncompliance.

(B) After reviewing the broadband provider's explanation or effort to cure the noncompliance, the following shall apply:

(1) The department may require the provider to refund an amount equal to all, or a portion of, the amount of the program grant awarded to the provider, as determined by the department.

(2) The department may require the broadband provider to
refund to the appropriate municipal corporation, township, or county the entire amount of general revenue funds or other discretionary funds that it contributed toward the broadband funding gap under division (A)(3)(c) or (d) of section 122.4020 of the Revised Code.

(C) Not more than thirty days after the department's decision requiring a refund for program noncompliance or a failure to explain or cure it, the broadband provider shall pay the refund required under division (B) of this section. Payments shall be made directly to the municipal corporation, township, or county that contributed funds toward the broadband funding gap.

Sec. 122.4050. Upon adoption of a resolution, a board of county commissioners may request the department of development to solicit applications from broadband providers for program grants under the Ohio residential broadband expansion grant program for eligible projects in the municipal corporations and townships of the county.

A request made by a county shall identify, to the extent possible, the residential addresses in unserved or tier one areas of the county and provide a point of contact at the county and the municipal corporations and townships in which the addresses are located. The request may include any relevant information, documents, or materials that may be helpful for an application.

Sec. 122.4051. Upon receipt of a request from a board of county commissioners pursuant to section 122.4050 of the Revised Code, the department of development shall solicit, on behalf of the county, applications for program grants for eligible projects under the Ohio residential broadband expansion grant program. Not later than seven days after receipt of the request, the department shall make the request, and any accompanying information submitted
with the request, available for review on the department's web
site. The request shall remain available on the web site for a
period not to exceed two years.

Sec. 122.4053. An application for a program grant under the
Ohio residential broadband expansion grant program made in
response to a request under section 122.4050 of the Revised Code
shall fully comply with all of the program requirements. Nothing
in sections 122.4050, 122.4051, and 122.4053 of the Revised Code
shall be construed as providing relief from compliance with any
program requirements.

Sec. 122.4055. The department of development shall not be
responsible for any failure by a broadband provider to respond to
a request made by the department pursuant to section 122.4051 of
the Revised Code or to submit an application for a program grant
under the Ohio residential broadband expansion grant program.

Sec. 122.4060. (A) An eligible project shall not proceed
unless the broadband expansion program authority awards a program
grant under section 122.4043 of the Revised Code.

(B) After receiving a program grant award, the broadband
provider shall construct and install last mile broadband
infrastructure to the eligible project.

Sec. 122.4061. Under alternate payment term arrangements made
under section 122.4025 of the Revised Code, unless otherwise
negotiated, the participating legislative authorities in which the
eligible project is located shall assume all financial
responsibility for all of the eligible project costs incurred by
the broadband provider prior to completion of the project or the
award of a program grant.
Sec. 122.4063. (A) Nothing in sections 122.40 to 122.4077 of the Revised Code entitles the state of Ohio, the department of development, the broadband expansion program authority, or any other governmental entity to any ownership or other rights to broadband infrastructure constructed by a broadband provider pursuant to a program grant awarded to an eligible project.

(B) Nothing in sections 122.40 to 122.4077 of the Revised Code prevents an assignment, sale, change in ownership, or other similar transaction associated with broadband infrastructure constructed by a broadband provider pursuant to a program grant awarded to an eligible project. No assignment, sale, change in ownership, or other similar transaction relieves the successor of any obligation under sections 122.40 to 122.4077 of the Revised Code.

Sec. 122.4070. (A) Each broadband provider that receives a program grant shall submit to the department of development an annual progress report on the status of the deployment of the broadband network described in the eligible project for which the program grant award was made.

(B) The broadband provider shall submit an operational report with the department not later than sixty days after the completion of the project and annually thereafter for a period of four years.

Sec. 122.4071. (A) The reports required under section 122.4070 of the Revised Code and except as provided in section 122.4075 of the Revised Code, all information and documents in them shall be in a format specified by the department of development and shall be publicly available on the department's web site.

(B) In each report, the broadband provider shall include an account of how program grant funds have been used and the
project's progress toward fulfilling the objectives for which the program grant was awarded. The reports, at a minimum, shall include the following:

(1) The number of residences that have access to tier two broadband services as a result of the eligible project;

(2) The number of commercial and nonresidential entities that are not funded directly by the grant program but have access to tier two broadband service as a result of the eligible project;

(3) The upstream and downstream speed of the broadband service provided;

(4) The average price of broadband service;

(5) The number of broadband service subscriptions attributable to the program grant.

Sec. 122.4073. The department of development may set a due date for the reports required under section 122.4070 of the Revised Code and, for good cause shown, may grant extensions of the report due dates.

Sec. 122.4075. Reports required under section 122.4070 of the Revised Code, and all information and documents in them, shall be maintained on a confidential basis by the department of development and shall not be published on the department's web site until the department determines what information or documents are not confidential pursuant to section 122.4023 of the Revised Code.

Sec. 122.4076. (A) The broadband expansion program authority shall complete an annual report for the Ohio residential broadband expansion grant program. The report shall evaluate the success of the program grants awarded under section 122.4043 of the Revised Code in making tier two broadband services available to unserved...
and tier one areas. The report shall include the following information:

(1) The number of applications received;
(2) The number of applications that received program grants;
(3) The amount of broadband infrastructure constructed for eligible projects;
(4) The number of residences receiving, for that year, tier two broadband service for the first time under the program;

(5) Findings and recommendations that have been agreed to by a majority of the authority members.

(B) The report shall be published on the department of development's web site and shall be included as part of the department's annual report filed under section 121.18 of the Revised Code. The authority shall present the report annually to the governor and the general assembly not later than the first of December of each calendar year.

Sec. 122.4077. (A) The department of development shall adopt rules for the Ohio residential broadband expansion grant program. The rules shall establish an application form and application procedures for the program and procedures for periodic program grant disbursements.

(B) The rules may include the following:

(1) Requirements for a program application in addition to the requirements described in section 122.4020 of the Revised Code;
(2) Procedures for and circumstances under which partial funding of applications is permitted;

(3) Procedures for broadband expansion program authority meetings, extension periods for applications and application
challenges, hearings, and opportunities for public comment.

(C) The department may adopt rules and procedures to implement sections 122.4051, 122.4053, and 122.4055 of the Revised Code.

(D) Rules adopted under this section are not subject to section 121.95 of the Revised Code.

(E) The department and the authority are not subject to division (F) of section 121.95 of the Revised Code regarding the development and adoption of rules pursuant to this section.

(d) The director may reject any and all bids.

(e) A bond with good and sufficient surety, approved by the
director, shall be required of every contractor awarded a contract

publication shall be at least eight days preceding the day for
opening the bids. The bids shall contain the terms upon which the
builder would propose to lease the building, structure, or other
improvement to the state agency. The form of the bid approved by
the department shall be used, and a bid is invalid and shall not

builder shall comply with Chapter 153. of the Revised Code.

(c) On the day and at the place named for receiving bids for
entering into lease agreements with a state agency, the director

agreement has complied with Chapter 4123. of the Revised Code,
until, if the builder submitting the lowest and best bid is a
foreign corporation, the secretary of state has certified that the
corporation is authorized to do business in this state, until, if
the builder submitting the lowest and best bid is a person
nonresident of this state, the person has filed with the secretary
of state a power of attorney designating the secretary of state as
its agent for the purpose of accepting service of summons in any

attorney general's approval is certified thereon. Within thirty
days after the day on which the bids are received, the department
shall investigate the bids received and shall determine that the
bureau and the secretary of state have made the certifications
required by this section of the builder who has submitted the
lowest and best bid. Within ten days of the completion of the
investigation of the bids, the department shall award the lease
agreement to the builder who has submitted the lowest and best bid and

department, or the builder with the approval of the department, shall
appoint an architect or engineer licensed in this state to prepare such
further detailed plans, specifications, and bills of materials as are
required to construct the building, structure, or improvement. The department shall adopt such rules as necessary to give effect to this section. The department may reject any bid. Where there is reason to believe there is collusion or combination among bidders, the bids of those concerned therein shall be rejected.

The department may employ, as employees or consultants,

Each state agency, department, division, bureau, office, unit, commission, board, authority, quasi-governmental entity, institution, and state institution of higher education shall determine its fleet average fuel economy by dividing the total number of passenger vehicles acquired during the fiscal year, except for those passenger vehicles acquired for use in law enforcement or emergency rescue work, by a sum of terms, each of which is a fraction created by dividing the number of passenger vehicles of a given make, model, and year, except for passenger vehicles acquired for use in law enforcement or emergency rescue work, acquired during the fiscal year by the fuel economy measured by the administrator of the United States environmental protection agency, for the given make, model, and year of vehicle, that constitutes an average fuel economy for combined city and highway driving.

Use of parental leave does not affect an employee's eligibility for other forms of paid leave granted under this chapter and does not prohibit an employee from taking leave under the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 U.S.C.A. 2601, except that parental leave shall be included in any leave time provided under that act.

(D) Use of caregiver leave does not affect an employee's eligibility for other forms of paid leave granted under this chapter and does not prohibit an employee from taking leave under the "Family and Medical Leave Act of 1993," 29 U.S.C. 2601, except that caregiver leave shall be included in any leave time provided under that act.

(E) The director of administrative services may adopt rules in accordance with Chapter 119. of the Revised Code governing caregiver leave established under this section.

(A) A state agency may, without competitive selection, make any purchase of supplies or services that cost less than fifty thousand dollars after complying with divisions (A) to (E) of section 125.035 of the Revised Code. The agency may make the purchase directly or may make the purchase from or through the department of administrative services, whichever the agency determines. The agency shall adopt written procedures consistent with the department's purchasing procedures and shall use those procedures when making purchases under this division.

Section 127.16 of the Revised Code does not apply to purchases made under this division.

(B) A state agency shall make purchases of supplies and services that cost fifty thousand dollars or more through the department of administrative services and the process provided in section 125.035 of the Revised Code, unless the department grants a waiver under divisions division (D) or (E) of that section and a release and permit under division (G) of that section.

(C) An agency that has been granted a release and permit under division (G) of section 125.035 of the Revised Code to make a purchase may make the purchase without competitive selection if after making the purchase the cumulative purchase threshold as computed under division (E) of section 127.16 of the Revised Code would:

(1) Be exceeded and the controlling board approves the purchase;

(2) Not be exceeded and the department of administrative services approves the purchase.

(D) If the department of education or the Ohio education computer network determines that it can purchase software services or supplies for specified school districts at a price less than the price for which the districts could purchase the same software

services and, acting as an agent for the specified school
districts, shall make that purchase without following the
provisions in divisions (A) to (D) of this section.

(E) For the purchase of personal protective equipment, when

Revised Code as a minority business enterprise may have that
person's name placed on a special minority business enterprise
notification list to be used in connection with contracts awarded
under section 125.081 of the Revised Code. The minority business
enterprise notification list shall be used for bidding on
contracts set aside for minority business enterprises only.

Sec. 125.081. (A) From the purchases that the department of
administrative services is required by law to make through
competitive selection, the director of administrative services
shall select a number of such purchases, the aggregate value of
which equals approximately fifteen per cent of the estimated total
value of all such purchases to be made in the current fiscal year.
The director shall set aside the purchases selected for
competition only by minority business enterprises, as defined in division (E)(1) of section 122.71 of the Revised Code. The competitive selection procedures for such purchases set aside shall be the same as for all other purchases the department is required to make through competitive selection, except that only minority business enterprises certified by the equal employment opportunity coordinator of the department director of administrative services development in accordance with the rules adopted under division (B)(1) of section 123.151 of the Revised Code and listed by the director under section 125.08 of the Revised Code shall be qualified to compete.

(B) To the extent that any agency of the state, other than the department of administrative services, the legislative and judicial branches, boards of elections, and the adjutant general, is authorized to make purchases, the agency shall set aside a number of purchases, the aggregate value of which equals approximately fifteen per cent of the aggregate value of such purchases for the current fiscal year for competition by minority business enterprises only. The procedures for such purchases shall be the same as for all other such purchases made by the agency, except that only minority business enterprises certified by the equal employment opportunity coordinator director of development in accordance with rules adopted under division (B)(1) of section 123.151 of the Revised Code shall be qualified to compete.

(C) In the case of purchases set aside under division (A) or (B) of this section, if no bid is submitted by a minority business enterprise, the purchase shall be made according to usual procedures. The contracting agency shall from time to time set aside such additional purchases for which only minority business enterprises may compete, as are necessary to replace those purchases previously set aside for which no minority business enterprises bid and to ensure that, in any fiscal year, the
aggregate amount of contracts awarded to minority business enterprises will equal approximately fifteen per cent of the total amount of contracts awarded by the agency.

(D) The provisions of this section shall not preclude any minority business enterprise from competing for any other state purchases that are not specifically set aside for minority business enterprises.

(E) No funds of any state agency shall be expended in any fiscal year for any purchase for which competitive selection is required, until the director of the department of administrative services certifies to the equal employment opportunity coordinator, the clerk of the senate, and the clerk of the house of representatives of the general assembly that approximately fifteen per cent of the aggregate amount of the projected expenditure for such purchases in the fiscal year has been set aside as provided for in this section.

(F) Any person who intentionally misrepresents self as owning, controlling, operating, or participating in a minority business enterprise for the purpose of obtaining contracts, subcontracts, or any other benefits under this section shall be guilty of theft by deception as provided for in section 2913.02 of the Revised Code.

Sec. 125.09. (A) Pursuant to sections 125.07, 125.071, and 125.072 of the Revised Code, the department of administrative services may prescribe such conditions under which competitive sealed bids, competitive sealed proposals, and bids in reverse auctions will be received and terms of the proposed purchase as it considers necessary; provided, that all such conditions and terms shall be reasonable and shall not unreasonably restrict competition, and bidders may bid and offerors may propose upon all or any item of the products,
supplies, or services listed in such notice. Those bidders and offerors claiming the preference for United States and Ohio products outlined in this chapter shall designate in their bids bid or offer either that the product to be supplied or supply is produced or mined in the United States and is either an Ohio product or that the product, supply, or service is provided by a bidder or offeror that qualifies as having a significant Ohio economic presence under the rules established by the director of administrative services they qualify as having a significant Ohio economic presence.

(B) The department may require that each bidder or offeror provide sufficient information about the energy efficiency or energy usage of the bidder's or offeror's product, supply, or service.

(C) The director of administrative services shall, by rule adopted pursuant to Chapter 119. of the Revised Code, prescribe criteria and procedures for use by all state agencies in giving preference to United States and Ohio products under this section as required by division (B) of section 125.11 of the Revised Code. The rules shall extend to:

(1) Criteria for determining that a product is produced or mined in the United States rather than in another country or territory;

(2) Criteria for determining that a product is produced or mined in Ohio;

(3) Information to be submitted by bidders or offerors as to the nature of a product and the location where it is produced or mined;

(4) Criteria and procedures to be used by the director to qualify bidders or offerors located in states bordering Ohio who might otherwise be excluded from being awarded a contract by
operation of this section and section 125.11 of the Revised Code. The criteria and procedures shall recognize the level and regularity of interstate commerce between Ohio and the border states and provide that the non-Ohio businesses may qualify for award of a contract as long as they are located in a state that imposes no greater restrictions than are contained in this section and section 125.11 of the Revised Code upon persons located in Ohio selling products or services to agencies of that state. The criteria and procedures shall also provide that a non-Ohio business shall not bid on a contract for state printing in this state if the business is located in a state that excludes Ohio businesses from bidding on state printing contracts in that state.

(5) Criteria and procedures to be used to qualify bidders and offerors whose manufactured products, except for mined products, are produced in other states or in North America, but the bidders or offerors have a significant Ohio economic presence in terms of the number of employees or capital investment a bidder or offeror has in this state. Bidders and offerors with a significant Ohio economic presence shall qualify for award of a contract on the same basis as if their products were produced in this state or as if the bidder or offeror was domiciled in this state.

(6) Criteria and procedures for the director to grant waivers of the requirements of division (B) of section 125.11 of the Revised Code on a contract-by-contract basis where compliance with those requirements would result in the state agency paying an excessive price for the product or acquiring a disproportionately inferior product;

(7) Such other requirements or procedures reasonably necessary to implement the system of preferences established pursuant to division (B) of section 125.11 of the Revised Code.

In adopting the rules required under this division, the director shall, to the maximum extent possible, conform to the

Sec. 125.832. (A) The department of administrative services
is granted exclusive authority over the acquisition and management
of all motor vehicles used by state agencies. In carrying out this
authority, the department shall do both of the following:

(1) Approve the purchase or lease of each motor vehicle for
use by a state agency. The department shall decide if a motor
vehicle shall be leased or purchased for that use.

Except as otherwise provided in division (A)(1) of this
section, on and after July 1, 2005, each state agency shall
acquire all passenger motor vehicles under the department's master
leasing program. If the department determines that acquisition
under that program is not the most economical method and if the
department and the state agency acquiring the passenger motor
vehicle can provide economic justification for doing so, the
department may approve the purchase, rather than the lease, of a
passenger motor vehicle for the acquiring state agency.

(2) Direct and approve all funds that are expended for the
purchase, lease, repair, maintenance, registration, insuring, and other costs related to the possession and operation of motor vehicles for the use of state agencies.

(B) The director of administrative services shall establish and operate a fleet management program. The director shall operate the program for purposes including, but not limited to, cost-effective acquisition, maintenance, management, analysis, and disposal of all motor vehicles owned or leased by the state. All state agencies shall comply with statewide fleet management policies and procedures established by the director for the program, including, but not limited to, motor vehicle assignments, additions of motor vehicles to fleets or motor vehicle replacements, motor vehicle fueling, and motor vehicle repairs.

(C) The director shall establish and maintain a fleet reporting system and shall require state agencies to submit to the department information relative to state motor vehicles, including motor vehicles described in division (G)(2) of section 125.831 of the Revised Code, to be used in operating the fleet management program. State agencies shall provide to the department fleet data and other information, including, but not limited to, mileage and costs. The data and other information shall be submitted in formats and in a manner determined by the department.

(D) All state agency purchases or leases of motor vehicles are subject to the prior approval of the director under division (A)(1) of this section.

(E) State agencies that utilize state motor vehicles or pay mileage reimbursements to employees shall provide a fleet plan to the department as directed by the department.

(F)(1) The fleets of state agencies that consist of one hundred or less vehicles on July 1, 2004, shall be managed by the department's fleet management program on a time schedule.
determined by the department, unless the state agency has received delegated authority as described in division (G) of this section.

(2) The fleets of state agencies that consist of greater than one hundred motor vehicles, but less than five hundred motor vehicles, on July 1, 2005, also shall be managed by the department's fleet management program on a time schedule determined by the department, unless the state agency has received delegated authority as described in division (G) of this section.

(G)(1) The department may delegate any or all of its duties regarding fleet management to a state agency, if the state agency demonstrates to the satisfaction of the department both of the following:

(a) Capabilities to institute and manage a fleet management program, including, but not limited to, the presence of a certified fleet manager;

(b) Fleet management performance, as demonstrated by fleet data and other information submitted pursuant to annual reporting requirements and any other criteria the department considers necessary in evaluating the performance.

(2) The department may determine that a state agency is not in compliance with this section and direct that the agency's fleet management duties be transferred to the department.

(H) The proceeds derived from the disposition of any motor vehicles under this section shall be paid to whichever of the following applies:

(1) The fund that originally provided moneys for the purchase or lease of the motor vehicles;

(2) If the motor vehicles were originally purchased with moneys derived from the general revenue fund, the proceeds shall be deposited, in the director's discretion, into the state
treasury to the credit of either the fleet management fund created by section 125.83 of the Revised Code or the investment recovery fund created by section 125.14 of the Revised Code. Any such proceeds deposited into the state treasury to the credit of the investment recovery fund may be transferred from the investment recovery fund to the fleet management fund.

(I)(1) The department shall create and maintain a certified fleet manager program.

(2) State agencies that have received delegated authority as described in division (G) of this section shall have a certified fleet manager.

(J) The department annually shall prepare and submit a statewide fleet report to the governor, the speaker of the house of representatives, and the president of the senate. The report shall be submitted not later than the thirty-first day of January following the end of each fiscal year. It may include, but is not limited to, the numbers and types of motor vehicles, their mileage, miles per gallon, and cost per mile, mileage reimbursements, accident and insurance data, and information regarding compliance by state agencies having delegated authority under division (G) of this section with applicable fleet management requirements.

(K) The director shall adopt rules for implementing the fleet management program that are consistent with recognized best practices. The program shall be supported by reasonable fee charges for the services provided. The director shall collect these fees and deposit them into the state treasury to the credit for the fleet management fund created by section 125.83 of the Revised Code. The setting and collection of fees under this division is not subject to any restriction imposed by law upon the director's or the department's authority to set or collect fees.
(L) The director also shall adopt rules that prohibit, except in very limited circumstances, the exclusive assignment of state-owned, leased, or pooled motor vehicles to state employees and that prohibit the reimbursement under section 126.31 of the Revised Code of state employees who use their own motor vehicles for any mileage they incur above an amount that the department shall determine annually unless reimbursement for the excess mileage is approved by the department in accordance with standards for that approval the director shall establish in those rules. Beginning on September 26, 2003, no state-owned, leased, or pooled motor vehicle shall be personally assigned as any form of compensation or benefit of state employment, and no state-owned, leased, or pooled motor vehicle shall be assigned to an employee solely for commuting to and from home and work.

(M) The director shall do both of the following:

1. Implement to the greatest extent possible the recommendations from the 2002 report entitled "Administrative Analysis of the Ohio Fleet Management Program" in connection with the authority granted to the department by this section;

2. Attempt to reduce the number of passenger vehicles used by state agencies during the fiscal years ending on June 30, 2004, and June 30, 2005.

(N) Each state agency shall reimburse the department for all costs incurred in the assignment of motor vehicles to the state agency.

(O) The director shall do all of the following in managing the fleet management program:

1. Determine how motor vehicles will be maintained, insured, operated, financed, and licensed;

2. Pursuant to the formula in division (O)(3) of this section, annually establish the minimum number of business miles
per year an employee of a state agency must drive in order to qualify for approval by the department to receive a motor vehicle for business use;

(3) Establish the minimum number of business miles per year at an amount that results when the annual motor vehicle cost is divided by the amount that is the reimbursement rate per mile minus the amount that is the sum of the fuel cost, the operating cost, and the insurance cost. As used in this division:

(a) "Annual motor vehicle cost" means the price of a motor vehicle divided by the number of years an average motor vehicle is used.

(b) "Fuel cost" means the average price per gallon of motor fuel divided by the miles per gallon fuel efficiency of a motor vehicle.

(c) "Insurance cost" means the cost of insuring a motor vehicle per year divided by the number of miles an average motor vehicle is driven per year.

(d) "Operating cost" means the maintenance cost of a motor vehicle per year divided by the product resulting when the number of miles an average motor vehicle is driven per year is multiplied by the number of years an average motor vehicle is used.

(e) "Reimbursement rate per mile" means the reimbursement per mile rate for travel expenses as provided by rule of the director of budget and management adopted under division (B) of section 126.31 of the Revised Code.

the school district may submit the same question to the electors
on the date that the next special election may be held under
section 3501.01 of the Revised Code without submitting a new
request for consent. If the school district seeks to submit the
same question at any other subsequent election, the district shall
first submit a new request for consent in accordance with this
division.

(D) In calculating the net indebtedness of a school district,

The findings and certification of the superintendent shall be conclusive.

(4) An approved special needs district may incur net indebtedness by the issuance of securities in accordance with the provisions of this chapter in an amount that does not exceed an amount equal to the greater of the following:

(a) Twelve per cent of the sum of its tax valuation plus an amount that is the product of multiplying that tax valuation by the percentage by which the tax valuation has increased over the
tax valuation on the first day of the sixtieth month preceding the 
month in which its board determines to submit to the electors the 
question of issuing the proposed securities;

(b) Twelve per cent of the sum of its tax valuation plus an 
amount that is the product of multiplying that tax valuation by 
the percentage, determined by the superintendent of public 
instruction, by which that tax valuation is projected to increase 
during the next ten years.

(F) A school district may issue securities for emergency 
purposes, in a principal amount that does not exceed an amount 
equal to three per cent of its tax valuation, as provided in this 
division.

(1) A board of education, by resolution, may declare an 
emergency if it determines both of the following:

buildings or facilities are usable for their intended purpose, or 
that corrections to permanent improvements are necessary to remove 
or prevent health or safety hazards.

(b) Existing fiscal and net indebtedness limitations make 
adequate replacement, additions, or improvements impossible.

(2) Upon the declaration of an emergency, the board of 
education may, by resolution, submit to the electors of the 
district pursuant to section 133.18 of the Revised Code the 
question of issuing securities for the purpose of paying the cost, 
in excess of any insurance or condemnation proceeds received by 
the district, of permanent improvements to respond to the 
emergency need.
(3) The procedures for the election shall be as provided in section 133.18 of the Revised Code, except that:

(a) The form of the ballot shall describe the emergency existing, refer to this division as the authority under which the emergency is declared, and state that the amount of the proposed securities exceeds the limitations prescribed by division (B) of this section;

(b) The resolution required by division (B) of section 133.18 of the Revised Code shall be certified to the county auditor and the board of elections at least one hundred days prior to the election;

(c) The county auditor shall advise and, not later than ninety-five days before the election, confirm that advice by certification to, the board of education of the information required by division (C) of section 133.18 of the Revised Code;

(d) The board of education shall then certify its resolution and the information required by division (D) of section 133.18 of the Revised Code to the board of elections not less than ninety days prior to the election.

(4) Notwithstanding division (B) of section 133.21 of the Revised Code, the first principal payment of securities issued under this division may be set at any date not later than sixty months after the earliest possible principal payment otherwise provided for in that division.

(G)(1) The board of education may contract with an architect, professional engineer, or other person experienced in the design and implementation of energy conservation measures for an analysis and recommendations pertaining to installations, modifications of installations, or remodeling that would significantly reduce energy consumption in buildings owned by the district. The report shall include estimates of all costs of such installations,
modifications, or remodeling, including costs of design, 8652
engineering, installation, maintenance, repairs, measurement and 8653
verification of energy savings, and debt service, forgone residual 8654
value of materials or equipment replaced by the energy 8655
conservation measure, as defined by the Ohio facilities 8656
construction commission, a baseline analysis of actual energy 8657
consumption data for the preceding three years with the utility 8658
baseline based on only the actual energy consumption data for the 8659
preceding twelve months, and estimates of the amounts by which 8660
energy consumption and resultant operational and maintenance 8661
costs, as defined by the commission, would be reduced. 8662

If the board finds after receiving the report that the amount 8663
of money the district would spend on such installations, 8664
modifications, or remodeling is not likely to exceed the amount of 8665
money it would save in energy and resultant operational and 8666
maintenance costs over the ensuing fifteen years, the board may 8667
submit to the commission a copy of its findings and a request for 8668
approval to incur indebtedness to finance the making or 8669
modification of installations or the remodeling of buildings for 8670
the purpose of significantly reducing energy consumption. 8671

The facilities construction commission, in consultation with 8672
the auditor of state, may deny a request under division (G)(1) of 8673
this section by the board of education of any school district that 8674
is in a state of fiscal watch pursuant to division (A) of section 8675
3316.03 of the Revised Code, if it determines that the expenditure 8676
of funds is not in the best interest of the school district. 8677

No district board of education of a school district that is 8678
in a state of fiscal emergency pursuant to division (B) of section 8679
3316.03 of the Revised Code shall submit a request without 8680
submitting evidence that the installations, modifications, or 8681
remodeling have been approved by the district's financial planning 8682
and supervision commission established under section 3316.05 of 8683
the Revised Code.

No board of education of a school district for which an academic distress commission has been established under section 3302.10 of the Revised Code shall submit a request without first receiving approval to incur indebtedness from the district's academic distress commission established under that section, for so long as such commission continues to be required for the district.

(2) The board of education may contract with a person experienced in the implementation of student transportation to produce a report that includes an analysis of and recommendations for the use of alternative fuel vehicles by school districts. The report shall include cost estimates detailing the return on investment over the life of the alternative fuel vehicles and environmental impact of alternative fuel vehicles. The report also shall include estimates of all costs associated with alternative fuel transportation, including facility modifications and vehicle purchase costs or conversion costs.

If the board finds after receiving the report that the amount of money the district would spend on purchasing alternative fuel vehicles or vehicle conversion is not likely to exceed the amount of money it would save in fuel and resultant operational and maintenance costs over the ensuing five years, the board may submit to the commission a copy of its findings and a request for approval to incur indebtedness to finance the purchase of new alternative fuel vehicles or vehicle conversions for the purpose of reducing fuel costs.

The facilities construction commission, in consultation with the auditor of state, may deny a request under division (G)(2) of this section by the board of education of any school district that is in a state of fiscal watch pursuant to division (A) of section 3316.03 of the Revised Code, if it determines that the expenditure
of funds is not in the best interest of the school district.

No district board of education of a school district that is in a state of fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code shall submit a request without submitting evidence that the purchase or conversion of alternative fuel vehicles has been approved by the district's financial planning and supervision commission established under section 3316.05 of the Revised Code.

No board of education of a school district for which an academic distress commission has been established under section 3302.10 of the Revised Code shall submit a request without first receiving approval to incur indebtedness from the district's academic distress commission established under that section, for so long as such commission continues to be required for the district.

(3) The facilities construction commission shall approve the board's request provided that the following conditions are satisfied:

(a) The commission determines that the board's findings are reasonable.

(b) The request for approval is complete.

(c) If the request was submitted under division (G)(1) of this section, the installations, modifications, or remodeling are consistent with any project to construct or acquire classroom facilities, or to reconstruct or make additions to existing classroom facilities under sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code.

Upon receipt of the commission's approval, the district may issue securities without a vote of the electors in a principal amount not to exceed nine-tenths of one per cent of its tax valuation for the purpose specified in division (G)(1) or (2) of
this section, but the total net indebtedness of the district without a vote of the electors incurred under this and all other sections of the Revised Code, except section 3318.052 of the Revised Code, shall not exceed one per cent of the district's tax valuation.

(4)(a) So long as any securities issued under division (G)(1) of this section remain outstanding, the board of education shall monitor the energy consumption and resultant operational and maintenance costs of buildings in which installations or modifications have been made or remodeling has been done pursuant to that division. Except as provided in division (G)(4)(b) of this section, the board shall maintain and annually update a report in a form and manner prescribed by the facilities construction commission documenting the reductions in energy consumption and resultant operational and maintenance cost savings attributable to such installations, modifications, or remodeling. The resultant operational and maintenance cost savings shall be certified by the school district treasurer. The report shall be submitted annually to the commission.

(b) If the facilities construction commission verifies that the certified annual reports submitted to the commission by a board of education under division (G)(4)(a) of this section fulfill the guarantee required under division (B) of section 3313.372 of the Revised Code for three consecutive years, the board of education shall no longer be subject to the annual reporting requirements of division (G)(4)(a) of this section.

(5) So long as any securities issued under division (G)(2) of this section remain outstanding, the board of education shall monitor the purchase of new alternative fuel vehicles or vehicle conversions pursuant to that division. The board shall maintain and annually update a report in a form and manner prescribed by the facilities construction commission documenting the purchase of
new alternative fuel vehicles or vehicle conversions, the associated environmental impact, and return on investment. The resultant fuel and operational and maintenance cost savings shall be certified by the school district treasurer. The report shall be submitted annually to the commission.

(H) With the consent of the superintendent of public instruction, a school district may incur without a vote of the electors net indebtedness that exceeds the amounts stated in divisions (A) and (G) of this section for the purpose of paying costs of permanent improvements, if and to the extent that both of the following conditions are satisfied:

(1) The fiscal officer of the school district estimates that receipts of the school district from payments made under or pursuant to agreements entered into pursuant to section 725.02, 1728.10, 3735.671, 5709.081, 5709.082, 5709.40, 5709.41, 5709.45, 5709.57, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, or 5709.82 of the Revised Code, or distributions under division (C) of section 5709.43 or division (B) of section 5709.47 of the Revised Code, or any combination thereof, are, after accounting for any appropriate coverage requirements, sufficient in time and amount, and are committed by the proceedings, to pay the debt charges on the securities issued to evidence that indebtedness and payable from those receipts, and the taxing authority of the district confirms the fiscal officer's estimate, which confirmation is approved by the superintendent of public instruction;

(2) The fiscal officer of the school district certifies, and the taxing authority of the district confirms, that the district, at the time of the certification and confirmation, reasonably expects to have sufficient revenue available for the purpose of operating such permanent improvements for their intended purpose upon acquisition or completion thereof, and the superintendent of public instruction approves the taxing authority's confirmation.
The maximum maturity of securities issued under division (H) of this section shall be the lesser of twenty years or the maximum maturity calculated under section 133.20 of the Revised Code.

(I) A school district may incur net indebtedness by the issuance of securities in accordance with the provisions of this chapter in excess of the limit specified in division (B) or (C) of this section when necessary to raise the school district portion of the basic project cost and any additional funds necessary to participate in a project under Chapter 3318. of the Revised Code, including the cost of items designated by the facilities construction commission as required locally funded initiatives, the cost of other locally funded initiatives in an amount that does not exceed fifty per cent of the district's portion of the basic project cost, and the cost for site acquisition. The school district shall notify the superintendent of public instruction whenever a school district will exceed either limit pursuant to this division.

(J) A school district whose portion of the basic project cost of its classroom facilities project under sections 3318.01 to 3318.20 of the Revised Code is greater than or equal to one hundred million dollars may incur without a vote of the electors net indebtedness in an amount up to two per cent of its tax valuation through the issuance of general obligation securities in order to generate all or part of the amount of its portion of the basic project cost if the controlling board has approved the facilities construction commission's conditional approval of the project under section 3318.04 of the Revised Code. The school district board and the Ohio facilities construction commission shall include the dedication of the proceeds of such securities in the agreement entered into under section 3318.08 of the Revised Code. No state moneys shall be released for a project to which this section applies until the proceeds of any bonds issued under
this section that are dedicated for the payment of the school
district portion of the project are first deposited into the
school district's project construction fund.

Sec. 133.13. If the special assessments are to be paid in one
annual installment, the taxing authority of a subdivision may
issue securities in anticipation of its levy or collection of
special assessments to pay the costs of the subdivision's
broadband funding gap portion for an eligible project under
sections 122.40 to 122.4077 of the Revised Code, lighting,
sprinkling, sweeping, cleaning, providing related or similar
services or the services described in section 727.011 of the
Revised Code, or of removing snow, ice, and debris from, or
treating the surface of, streets, alleys, and public ways and
places.

Such securities shall not be general obligations of the
issuing subdivision, and shall not pledge to the payment of debt
charges any receipts other than the special assessments
anticipated, except that a municipal corporation, without
incurring debt subject to direct or indirect debt limitations, may
also pledge and apply proceeds of its municipal income tax to pay
those debt charges. No property tax shall be levied or pledged for
the payment of debt charges on the securities. The securities
shall mature no later than the last day of December of the year in
which the special assessments anticipated are scheduled to be
collected.

The legislation authorizing the securities shall appropriate
the special assessments anticipated, and such special assessments
shall be deemed to be pledged and appropriated, first to the
payment of the debt charges on the securities. After provision has
been made for the payment in full of those debt charges, the
balance of the special assessments may be appropriated and applied
for the purposes for which they were levied.

(b) Expenditures attributable to work done to facilities related to the building, such as parking lots, sidewalks, and landscaping;

(c) New building construction costs.

(b) If the rehabilitation initially was planned to be completed in stages, a period chosen by the owner or qualified lessee not to exceed sixty months during which rehabilitation occurs. Each stage shall be reviewed as a phase of a rehabilitation as determined under 26 C.F.R. 1.48-12 or a successor to that section.

(9) "State historic preservation officer" or "officer" means the state historic preservation officer appointed by the governor under 16 U.S.C. 470a.

(10) "Catalytic project" means the rehabilitation of an historic building, the rehabilitation of which will foster

(B) The owner or qualified lessee of an historic building may apply to the director of development services for a rehabilitation tax credit certificate for qualified rehabilitation expenditures paid or incurred by such owner or qualified lessee after April 4, 2007, for rehabilitation of an historic building. If the owner of an historic building enters a pass-through agreement with a qualified lessee for the purposes of the federal rehabilitation tax credit under 26 U.S.C. 47, the qualified rehabilitation expenditures paid or incurred by the owner after April 4, 2007, may be attributed to the qualified lessee.

The form and manner of filing such applications shall be prescribed by rule of the director. Each application shall state the amount of qualified rehabilitation expenditures the applicant estimates will be paid or incurred. The director may require applicants to furnish documentation of such estimates.

The director, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules that establish all of the following:

(1) Forms and procedures by which applicants may apply for rehabilitation tax credit certificates;

(2) Criteria for reviewing, evaluating, and approving applications for certificates within the limitations under division (D) of this section, criteria for assuring that the certificates issued encompass a mixture of high and low qualified rehabilitation expenditures, and criteria for issuing certificates under division (C)(3)(b) of this section;

(3) Eligibility requirements for obtaining a certificate under this section;

(4) The form of rehabilitation tax credit certificates;
(5) Reporting requirements and monitoring procedures;

(6) Procedures and criteria for conducting cost-benefit analyses of historic buildings that are the subjects of applications filed under this section. The purpose of a cost-benefit analysis shall be to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used.

(7) Any other rules necessary to implement and administer this section.

(C) The director of development services shall review the applications with the assistance of the state historic preservation officer and determine whether all of the following criteria are met:

(1) That the building that is the subject of the application is an historic building and the applicant is the owner or qualified lessee of the building;

(2) That the rehabilitation will satisfy standards prescribed by the United States secretary of the interior under 16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a successor to that section;

(3) That receiving a rehabilitation tax credit certificate under this section is a major factor in:

(a) The applicant's decision to rehabilitate the historic building; or

(b) To increase the level of investment in such rehabilitation.

An applicant shall demonstrate to the satisfaction of the state historic preservation officer and director of development services that the rehabilitation will satisfy the standards described in division (C)(2) of this section before the applicant
begins the physical rehabilitation of the historic building.

(D)(1) If the director of development services determines that an application meets the criteria in divisions (C)(1), (2), and (3) of this section, the director shall conduct a cost-benefit analysis for the historic building that is the subject of the application to determine whether rehabilitation of the historic building will result in a net revenue gain in state and local taxes once the building is used. The director shall consider the results of the cost-benefit analysis in determining whether to approve the application. The director shall also consider the potential economic impact and the regional distributive balance of the credits throughout the state. The director may approve an application only after completion of the cost-benefit analysis.

(2) A rehabilitation tax credit certificate shall not be issued for an amount greater than the estimated amount furnished by the applicant on the application for such certificate and approved by the director. The director shall not approve more than a total of sixty million dollars of rehabilitation tax credits per fiscal year but the director may reallocate unused tax credits from a prior fiscal year for new applicants and such reallocated credits shall not apply toward the dollar limit of this division.

(3) For rehabilitations with a rehabilitation period not exceeding twenty-four months as provided in division (A)(8)(a) of this section, a rehabilitation tax credit certificate shall not be issued before the rehabilitation of the historic building is completed.

(4) For rehabilitations with a rehabilitation period not exceeding sixty months as provided in division (A)(8)(b) of this section, a rehabilitation tax credit certificate shall not be issued before a stage of rehabilitation is completed. After all stages of rehabilitation are completed, if the director cannot determine that the criteria in division (C) of this section are...
satisfied for all stages of rehabilitations, the director shall certify this finding to the tax commissioner, and any rehabilitation tax credits received by the applicant shall be repaid by the applicant and may be collected by assessment as unpaid tax by the commissioner.

(5) The director of development services shall require the applicant to provide a third-party cost certification by a certified public accountant of the actual costs attributed to the rehabilitation of the historic building when qualified rehabilitation expenditures exceed two hundred thousand dollars.

If an applicant whose application is approved for receipt of a rehabilitation tax credit certificate fails to provide to the director sufficient evidence of reviewable progress, including a viable financial plan, copies of final construction drawings, and evidence that the applicant has obtained all historic approvals within twelve months after the date the applicant received notification of approval, and if the applicant fails to provide evidence to the director that the applicant has secured and closed on financing for the rehabilitation within eighteen months after receiving notification of approval, the director may rescind the approval of the application. The director shall notify the applicant if the approval has been rescinded. Credits that would have been available to an applicant whose approval was rescinded shall be available for other qualified applicants. Nothing in this division prohibits an applicant whose approval has been rescinded from submitting a new application for a rehabilitation tax credit certificate.

(6) The director of development services may approve the application of, and issue a rehabilitation tax credit certificate to, the owner of a catalytic project, provided the application otherwise meets the criteria described in divisions (C) and (D) of this section. The director may not approve more than one
application for a rehabilitation tax credit certificate under division (D)(6) of this section during each state fiscal biennium.
The director shall not approve an application for a rehabilitation tax credit certificate under division (D)(6) of this section during the state fiscal biennium beginning July 1, 2017, or during any state fiscal biennium thereafter. The director shall consider the following criteria in determining whether to approve an application for a certificate under division (D)(6) of this section:

(a) Whether the historic building is a catalytic project;

(b) The effect issuance of the certificate would have on the availability of credits for other applicants that qualify for a credit certificate within the credit dollar limit described in division (D)(2) of this section;

(c) The number of jobs, if any, the catalytic project will create.

(7)(a) The owner or qualified lessee of a historic building may apply for a rehabilitation tax credit certificate under both divisions (B) and (D)(6) of this section. In such a case, the director of development services shall consider each application at the time the application is submitted.

(b) The director of development services shall not issue more than one certificate under this section with respect to the same qualified rehabilitation expenditures.

(E) Issuance of a certificate represents a finding by the director of development services of the matters described in divisions (C)(1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the
Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section.

(F)(1) On or before the first day of August each year, the director of development services and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a report on the tax credit program established under this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. The report shall present an overview of the program and shall include information on the number of rehabilitation tax credit certificates issued under this section during the preceding fiscal year, an update on the status of each historic building for which an application was approved under this section, the dollar amount of the tax credits granted under sections 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code, and any other information the director and commissioner consider relevant to the topics addressed in the report.

(2) On or before December 1, 2015, the director of development services and tax commissioner jointly shall submit to the president of the senate and the speaker of the house of representatives a comprehensive report that includes the information required by division (F)(1) of this section and a detailed analysis of the effectiveness of issuing tax credits for rehabilitating historic buildings. The report shall be prepared
with the assistance of an economic research organization jointly
chosen by the director and commissioner.

(G) There is hereby created in the state treasury the
historic rehabilitation tax credit operating fund. The director of

Whenever these funds are inadequate to meet the request, the director shall provide for a
withdrawal of funds, within a reasonable time and in the amount necessary to meet the request, from financial institutions in which the funds were retained or placed by a holder and from other holders who have retained funds, in an equitable manner as the director prescribes. In the event that the amount to be withdrawn from any one holder is less than five hundred dollars, the amount to be withdrawn is at the director's discretion. The director shall then transfer to the agency the amount of funds requested.

Funds deposited in the unclaimed funds trust fund are subject to call by the director when necessary to pay claims the director allows under section 169.08 of the Revised Code, in accordance with the director's rules, to defray the necessary costs of making publications this chapter requires and to pay other operating and administrative expenses the department of commerce incurs in the administration and enforcement of this chapter.

The unclaimed funds trust fund shall be assessed a proportionate share of the administrative costs of the department of commerce in accordance with procedures the director of commerce prescribes and the director of budget and management approves. The assessment shall be paid from the unclaimed funds trust fund to the division of administration fund.

(C) Earnings on the accounts in financial organizations to the credit of the mortgage funds shall, at the option of the financial organization, be credited to the accounts at times and at rates as earnings are paid on other accounts of the same classification held in the financial organization or paid to the director. The director shall be notified annually, and at other times as the director may request, of the amount of the earnings credited to the accounts. Interest on unclaimed funds a holder retains shall be paid to the director or credited as specified in the agreement under which the organization retains the funds. Interest payable to the director under an agreement to invest
unclaimed funds in income-bearing accounts or obligations of the United States shall be paid annually by the holder to the director. Any earnings or interest the director receives under this division shall be deposited in and credited to the mortgage funds.

(2) After the applicant or employee is provided, pursuant to division (F)(2)(a) of this section, a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section, the applicant or employee fails to complete the form or provide the applicant's or employee's fingerprint impressions on the standard impression sheet.

(3) Unless the applicant or employee meets standards specified in rules adopted under this section, the applicant or
employee is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(D) Except as provided by division (G) of this section, the chief administrator of a responsible party shall inform each applicant of both of the following at the time of the applicant's initial application for employment or referral to the responsible party by an employment service for a direct-care position:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the responsible party is prohibited by division (C)(1) of this section from employing the applicant in the direct-care position;

(2) That, unless the database review reveals that the applicant may not be employed in the direct-care position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a direct-care position, the chief administrator of a responsible party shall conduct a database review of the applicant in accordance with rules adopted under this section. If rules adopted under this section so require, the chief administrator of a responsible party shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a direct-care position. However, a chief administrator is not required to conduct a database review of an applicant or employee if division (G) of this section applies. A database review shall determine whether the applicant or employee is included in any of the following:

(1) The excluded parties list system that is maintained by
the United States general services administration pursuant to
subpart 9.4 of the federal acquisition regulation and available at
the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained
by the office of inspector general in the United States department
of health and human services pursuant to the "Social Security
Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of developmental disabilities employees
established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender
database established under division (A)(11) of section 2950.13 of
the Revised Code;

(5) The internet-based database of inmates established under
section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section
3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules adopted
under this section.

(F)(1) As a condition of employing any applicant in a
direct-care position, the chief administrator of a responsible
party shall request that the superintendent of the bureau of
criminal identification and investigation conduct a criminal
records check of the applicant. If rules adopted under this
section so require, the chief administrator of a responsible party
shall request that the superintendent conduct a criminal records
check of an employee at times specified in the rules as a
condition of continuing to employ the employee in a direct-care
position. However, the chief administrator is not required to
request the criminal records check of the applicant or employee if
division (G) of this section applies or the responsible party is
prohibited by division (C)(1) of this section from employing the
applicant or continuing to employ the employee in a direct-care position. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal bureau of investigation in a criminal records check, the chief administrator shall request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the chief administrator may request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The chief administrator shall do all of the following:

(a) Provide to each applicant and employee for whom a criminal records check request is required by this section a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and a standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Obtain the completed form and standard impression sheet from the applicant or employee;

(c) Forward the completed form and standard impression sheet to the superintendent.

(3) A responsible party shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for each criminal records check the responsible party requests under this section. A responsible party may charge an applicant a fee not
exceeding the amount the responsible party pays to the bureau under this section if both of the following apply:

(a) The responsible party notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.

(b) The medicaid program does not pay the responsible party for the fee it pays to the bureau under this section.

(G) Divisions (D) to (F) of this section do not apply with regard to an applicant or employee if the applicant or employee is referred to a responsible party by an employment service that supplies full-time, part-time, or temporary staff for direct-care positions and both of the following apply:

(1) The chief administrator of the responsible party receives from the employment service confirmation that a review of the databases listed in division (E) of this section was conducted of the applicant or employee.

(2) The chief administrator of the responsible party receives from the employment service, applicant, or employee a report of the results of a criminal records check of the applicant or employee that has been conducted by the superintendent within the one-year period immediately preceding the following:

(a) In the case of an applicant, the date of the applicant's referral by the employment service to the responsible party;

(b) In the case of an employee, the date by which the responsible party would otherwise have to request a criminal records check of the employee under division (F) of this section.

(H)(1) A responsible party may employ conditionally an applicant for whom a criminal records check request is required by this section prior to obtaining the results of the criminal
records check if the responsible party is not prohibited by
division (C)(1) of this section from employing the applicant in a
direct-care position and either of the following applies:

(a) The chief administrator of the responsible party requests
the criminal records check in accordance with division (F) of this
section before conditionally employing the applicant.

(b) The applicant is referred to the responsible party by an
employment service, the employment service or the applicant
provides the chief administrator of the responsible party a letter
that is on the letterhead of the employment service, the letter is
dated and signed by a supervisor or another designated official of
the employment service, and the letter states all of the
following:

(i) That the employment service has requested the
superintendent to conduct a criminal records check regarding the
applicant;

(ii) That the requested criminal records check is to include
a determination of whether the applicant has been convicted of,
pleaded guilty to, or been found eligible for intervention in lieu
of conviction for a disqualifying offense;

(iii) That the employment service has not received the
results of the criminal records check as of the date set forth on
the letter;

(iv) That the employment service promptly will send a copy of
the results of the criminal records check to the chief
administrator of the responsible party when the employment service
receives the results.

(2) If a responsible party employs an applicant conditionally
pursuant to division (H)(1)(b) of this section, the employment
service, on its receipt of the results of the criminal records
check, promptly shall send a copy of the results to the chief
administrator of the responsible party.

(3) A responsible party that employs an applicant conditionally pursuant to division (H)(1)(a) or (b) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the responsible party shall terminate the applicant's employment unless the applicant meets standards specified in rules adopted under this section that permit the responsible party to employ the applicant and the responsible party chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the responsible party about the applicant's criminal record.

(I) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The applicant or employee who is the subject of the criminal records check or the applicant's or employee's representative;

(2) The chief administrator of the responsible party requesting the criminal records check or the administrator's representative;
(3) The administrator of any other facility, agency, or program that provides community-based long-term care services that is owned or operated by the same entity that owns or operates the responsible party that requested the criminal records check;

(4) The employment service that requested the criminal records check;

(5) The director of aging or a person authorized by the director to monitor a responsible party's compliance with this section;

(6) The medicaid director and the staff of the department of medicaid who are involved in the administration of the medicaid program if any of the following apply:

   (a) In the case of a criminal records check requested by a provider or subcontractor, the provider or subcontractor also is a waiver agency;

   (b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a provider or subcontractor that also is a waiver agency;

   (c) The criminal records check is requested by a consumer who is acting as a responsible party.

(7) A court, hearing officer, or other necessary individual involved in a case dealing with any of the following:

   (a) A denial of employment of the applicant or employee;

   (b) Employment or unemployment benefits of the applicant or employee;

   (c) A civil or criminal action regarding the medicaid program or a program the department of aging administers.

(8) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or
property caused by an applicant or employee who a responsible party employs in a direct-care position, all of the following shall apply:

(1) If the responsible party employed the applicant or employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the responsible party shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the responsible party employed the applicant in good faith on a conditional basis pursuant to division (H) of this section, the responsible party shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal records check requested under this section.

(3) If the responsible party in good faith employed the applicant or employee because the applicant or employee meets standards specified in rules adopted under this section, the responsible party shall not be found negligent solely because the applicant or employee has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(K) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;

(c) For the purpose of division (E)(7) of this section,
specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The meaning of the term "subcontractor";

(b) The procedures for conducting database reviews under this section;

(c) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(d) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which a responsible party is prohibited from employing an applicant or continuing to employ an employee who is found by a database review to be included in one or more of those databases;

(e) Standards that an applicant or employee must meet for a responsible party to be permitted to employ the applicant or continue to employ the employee in a direct-care position if the applicant or employee is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

Sec. 173.381. (A) As used in this section:

(1) "Community-based long-term care services" means community-based long-term care services, as defined in section 173.14 of the Revised Code, that are provided under a program the department of aging administers.

(2) "Community-based long-term care services certificate" means a certificate issued under section 173.391 of the Revised Code.
(3) "Community-based long-term care services contract or grant" means a contract or grant awarded under section 173.392 of the Revised Code.

(6) "Provider" has the same meaning as in section 173.39 of the Revised Code.

(7) "Self-employed provider" means a provider who works for the provider's self and has no employees.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 3740.11 of the Revised Code.

(C)(1) The department of aging or its designee shall take the following actions when the circumstances specified in division (C)(2) of this section apply:

(a) Refuse to issue a community-based long-term care services certificate to a self-employed provider;

(b) Revoke a self-employed provider's community-based long-term care services certificate;

(c) Refuse to award a community-based long-term care services contract or grant to a self-employed provider;

(d) Terminate a self-employed provider's community-based long-term care services contract or grant awarded on or after September 15, 2014.

(2) The following are the circumstances that require the department of aging or its designee to take action under division (C)(1) of this section:
(a) A review of the databases listed in division (E) of this section reveals any of the following:

(i) That the self-employed provider is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(ii) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the self-employed provider abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(iii) That the self-employed provider is included in one or more of the databases, if any, specified in rules adopted under this section and the rules require the department or its designee to take action under division (C)(1) of this section if a self-employed provider is included in such a database.

(b) After the self-employed provider is provided, pursuant to division (F)(2)(a) of this section, a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section, the self-employed provider fails to complete the form or provide the self-employed provider's fingerprint impressions on the standard impression sheet.

(c) Unless the self-employed provider meets standards specified in rules adopted under this section, the self-employed provider is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(D) The department of aging or its designee shall inform each self-employed provider of both of the following at the time of the
self-employed provider's initial application for a community-based long-term care services certificate or initial bid for a community-based long-term care services contract or grant:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the department or its designee is required by division (C) of this section to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider;

(2) That, unless the database review reveals that the department or its designee is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider, a criminal records check of the self-employed provider will be conducted and the self-employed provider is required to provide a set of the self-employed provider's fingerprint impressions as part of the criminal records check.

(E) As a condition of issuing or awarding a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider, the department of aging or its designee shall conduct a database review of the self-employed provider in accordance with rules adopted under this section. If rules adopted under this section so require, the department or its designee shall conduct a database review of a self-employed provider in accordance with the rules as a condition of not revoking or terminating the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant. A database review shall determine whether the self-employed provider is included in any of the following:

(1) The excluded parties list system that is maintained by
the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," 42 U.S.C. 1320a-7 and 1320c-5;

(6) The state nurse aide registry established under section 3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules adopted under this section.

(F)(1) As a condition of issuing or awarding a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider, the department of aging or its designee shall request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the self-employed provider. If rules adopted under this section so require, the department or its designee shall request that the superintendent conduct a criminal records check of a self-employed provider at times specified in the rules as a condition of not revoking or terminating the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant.
However, the department or its designee is not required to request
the criminal records check of the self-employed provider if the
department or its designee, because of circumstances specified in
division (C)(2)(a) of this section, is required to refuse to issue
or award a community-based long-term care services certificate or
community-based long-term care services contract or grant to the
self-employed provider or to revoke or terminate the self-employed
provider's certificate or contract or grant.

If a self-employed provider for whom a criminal records check
request is required by this section does not present proof of
having been a resident of this state for the five-year period
immediately prior to the date the criminal records check is
requested or provide evidence that within that five-year period
the superintendent has requested information about the
self-employed provider from the federal bureau of investigation in
a criminal records check, the department or its designee shall
request that the superintendent obtain information from the
federal bureau of investigation as part of the criminal records
check. Even if a self-employed provider for whom a criminal
records check request is required by this section presents proof
of having been a resident of this state for the five-year period,
the department or its designee may request that the superintendent
include information from the federal bureau of investigation in
the criminal records check.

(2) The department or its designee shall do all of the
following:

(a) Provide to each self-employed provider for whom a
criminal records check request is required by this section a copy

109.572 of the Revised Code and a standard impression sheet
prescribed pursuant to division (C)(2) of that section;

(b) Obtain the completed form and standard impression sheet
from the self-employed provider;

(c) Forward the completed form and standard impression sheet to the superintendent.

(3) The department or its designee shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for each criminal records check of a self-employed provider the department or its designee requests under this section. The department or its designee may charge the self-employed provider a fee that does not exceed the amount the department or its designee pays to the bureau.

(G) The report of any criminal records check of a self-employed provider conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The self-employed provider or the self-employed provider's representative;

(2) The department of aging, the department's designee, or a representative of the department or its designee;

(3) The medicaid director and the staff of the department of medicaid who are involved in the administration of the medicaid program if the self-employed provider is to provide, or provides, community-based long-term care services under a component of the medicaid program that the department of aging administers;

(4) A court, hearing officer, or other necessary individual involved in a case dealing with any of the following:

(a) A refusal to issue or award a community-based long-term services certificate or community-based long-term care services contract or grant to the self-employed provider;
(b) A revocation or termination of the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant;

(c) A civil or criminal action regarding a program the department of aging administers.

(H) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by a self-employed provider, both of the following shall apply:

(1) If the department of aging or its designee, in good faith and reasonable reliance on the report of a criminal records check requested under this section, issued or awarded a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or did not revoke or terminate the self-employed provider's certificate or contract or grant, the department and its designee shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the department or its designee in good faith issued or awarded a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or did not revoke or terminate the self-employed provider's certificate or contract or grant because the self-employed provider meets standards specified in rules adopted under this section, the department and its designee shall not be found negligent solely because the self-employed provider has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(I) The director of aging shall adopt rules in accordance
with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section;

(b) If the rules require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section, exempt one or more classes of such self-employed providers from the requirements;

(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting database reviews under this section;

(b) If the rules require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which the department of aging or its designee is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to a
self-employed provider or to revoke or terminate a self-employed provider's certificate or contract or grant when the self-employed provider is found by a database review to be included in one or more of those databases;

(d) Standards that a self-employed provider must meet for the department or its designee to be permitted to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or not to revoke or terminate the self-employed provider's certificate or contract or grant if the self-employed provider is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

Sec. 173.39. (A) As used in sections 173.39 to 173.393 of the Revised Code:

(1) "Provider" means a person or government entity that provides any services, including community-based long-term care services, under a program the department of aging administers. "Provider" includes a person or government entity that provides home and community-based services to older adults through the PASSPORT program or assisted living program as defined in section 173.51 of the Revised Code.

(2) "Community-based long-term care services" has the same meaning as in section 173.14 of the Revised Code.

(3) "PASSPORT program" and "assisted living program" have the same meanings as in section 173.51 of the Revised Code.

(B) Except as provided in section 173.392 of the Revised Code, the department of aging may not pay a provider for providing any service, including community-based long-term care services,
The department may require a provider under any other program the department administers to be certified under section 173.391 of the Revised Code. If the department requires this certification, the department shall not pay the provider for providing any service under that program unless the provider is certified under section 173.391 of the Revised Code and provides the services the service is in fact provided. If the department does not require this certification, the department shall not pay the provider for providing any service under that program unless the provider complies with section 173.392 of the Revised Code.

Sec. 173.391. (A) Subject to section 173.381 of the Revised Code, the department of aging or its designee shall do all of the following in accordance with Chapter 119. of the Revised Code:

(1) Certify a provider to provide services, including community-based long-term care services, under a program the department administers if the provider satisfies the requirements for certification established by rules adopted under division (B) of this section and pays the fee, if any, established by rules adopted under division (G) of this section;

(2) When required to do so by rules adopted under division (B) of this section, take one or more of the following disciplinary actions against a provider certified under division (A)(1) of this section:

(a) Issue a written warning;

(b) Require the submission of a plan of correction or evidence of compliance with requirements identified by the department;
(c) Suspend referrals;

(d) Remove clients;

(e) Impose a fiscal sanction such as a civil monetary penalty or an order that unearned funds be repaid;

(f) Suspend the certification;

(g) Revoke the certification;

(h) Impose another sanction.

(3) Except as provided in division (E) of this section, hold hearings when there is a dispute between the department or its designee and a provider concerning actions the department or its designee takes regarding a decision not to certify the provider under division (A)(1) of this section or a disciplinary action under divisions (A)(2)(e) to (h) of this section.

(B) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code establishing certification requirements and standards for determining which type of disciplinary action to take under division (A)(2) of this section in individual situations. The rules shall establish procedures for all of the following:

(1) Ensuring that providers comply with sections 173.38 and 173.381 of the Revised Code;

(2) Evaluating the services provided by the providers to ensure that the services are provided in a quality manner advantageous to the individual receiving the services;

(3) In a manner consistent with section 173.381 of the Revised Code, determining when to take disciplinary action under division (A)(2) of this section and which disciplinary action to take;

(4) Determining what constitutes another sanction for purposes of division (A)(2)(h) of this section.
(C) The procedures established in rules adopted under division (B)(2) of this section shall require that all of the following be considered as part of an evaluation described in division (B)(2) of this section:

1. The provider's experience and financial responsibility;
2. The provider's ability to comply with standards for the services, including community-based long-term care services, that the provider provides under a program the department administers;
3. The provider's ability to meet the needs of the individuals served;
4. Any other factor the director considers relevant.

(D) The rules adopted under division (B)(3) of this section shall specify that the reasons disciplinary action may be taken under division (A)(2) of this section include good cause, including misfeasance, malfeasance, nonfeasance, confirmed abuse or neglect, financial irresponsibility, or other conduct the director determines is injurious, or poses a threat, to the health or safety of individuals being served.

(E) Subject to division (F) of this section, the department is not required to hold hearings under division (A)(3) of this section if any of the following conditions apply:

1. Rules adopted by the director of aging pursuant to this chapter require the provider to be a party to a provider agreement; hold a license, certificate, or permit; or maintain a certification, any of which is required or issued by a state or federal government entity other than the department of aging, and either of the following is the case:
   a. The provider agreement has not been entered into or the license, certificate, permit, or certification has not been obtained or maintained.
(b) The provider agreement, license, certificate, permit, or certification has been denied, revoked, not renewed, or suspended or has been otherwise restricted.

(2) The provider's certification under this section has been denied, suspended, or revoked for any of the following reasons:

(a) A government entity of this state, other than the department of aging, has terminated or refused to renew any of the following held by, or has denied any of the following sought by, a provider: a provider agreement, license, certificate, permit, or certification. (3) Subject to the limitation described in this division, the boards of county commissioners that contract or have contracted for the joint establishment of a multicounty correctional center under division (A) of this section, or the boards of county commissioners of the counties and legislative authorities of the municipal corporations that contract or have contracted for the joint establishment of a municipal-county or multicounty-municipal correctional center under that division, may enter into an agreement with the director of administrative services pursuant to which the contracting counties and municipal corporations shall use the Ohio river valley facility or a specified portion of that facility as the multicounty correctional center, municipal-county correctional center, or multicounty-municipal correctional center covered by the contract entered into under division (A) of that section. A contract with the director of administrative services may be entered into under this division only if one or more of the contracting counties is adjacent to Scioto county.

The department may enter into an agreement as described in this division at any time on or after September 29, 2017, or, if the department had entered into an agreement with the board of county commissioners of Lawrence county pursuant to section 341.121 of the Revised Code for the use by the sheriff of that county of a specified portion of the facility as a jail for Lawrence county, at any time on or after the date that control of the specified portion of the facility reverts to the state under division (B)(4) or (C) of that section.
(C) Prior to the acceptance for custody and rehabilitation into a center established under this section of any persons who are designated by the department of rehabilitation and correction, who plead guilty to or are convicted of a felony of the fourth or fifth degree, and who satisfy the other requirements listed in section 5120.161 of the Revised Code, the corrections commission of a center established under this section shall enter into an agreement with the department of rehabilitation and correction under section 5120.161 of the Revised Code for the custody and rehabilitation in the center of persons who are designated by the department, who plead guilty to or are convicted of a felony of the fourth or fifth degree, and who satisfy the other requirements listed in that section, in exchange for a per diem fee per person. Persons incarcerated in the center pursuant to an agreement entered into under this division shall be subject to supervision and control in the manner described in section 5120.161 of the Revised Code. This division does not affect the authority of a court to directly sentence a person who is convicted of or pleads guilty to a felony to the center in accordance with section 2929.16 of the Revised Code.

(D) Pursuant to section 2929.37 of the Revised Code, each board of county commissioners and the legislative authority of each municipal corporation that enters into a contract under division (A) of this section may require a person who was convicted of an offense, who is under the charge of the sheriff of their county or of the officer or officers of the contracting municipal corporation or municipal corporations having charge of persons incarcerated in the municipal jail, workhouse, or other correctional facility, and who is confined in the multicounty, municipal-county, or multicounty-municipal correctional center as provided in that division, to reimburse the applicable county or municipal corporation for its expenses incurred by reason of the person's confinement in the center.
(E) Notwithstanding any contrary provision in this section or section 2929.18, 2929.28, or 2929.37 of the Revised Code, the corrections commission of a center may establish a policy that complies with section 2929.38 of the Revised Code and that requires any person who is not indigent and who is confined in the multicounty, municipal-county, or multicounty-municipal correctional center to pay a reception fee, a fee for medical treatment or service requested by and provided to that person, or the fee for a random drug test assessed under division (E) of section 341.26 of the Revised Code.

(F)(1) The corrections commission of a center established under this section may establish a commissary for the center. The commissary may be established either in-house or by another arrangement. If a commissary is established, all persons incarcerated in the center shall receive commissary privileges. A person's purchases from the commissary shall be deducted from the person's account record in the center's business office. The commissary shall provide for the distribution to indigent persons incarcerated in the center of necessary hygiene articles and writing materials.

(2) If a commissary is established, the corrections commission of a center established under this section shall establish a commissary fund for the center. The management of funds in the commissary fund shall be strictly controlled in accordance with procedures adopted by the auditor of state. Commissary fund revenue over and above operating costs and reserve shall be considered profits. All profits from the commissary fund shall be used to purchase supplies and equipment for the benefit of persons incarcerated in the center and to pay salary and benefits for employees of the center, or for any other persons, who work in or are employed for the sole purpose of providing service to the commissary. The corrections commission shall adopt

As Pending in the House Finance Committee
rules and regulations for the operation of any commissary fund it establishes.

(G) In lieu of forming a corrections commission to administer a multicounty correctional center or a municipal-county or multicounty-municipal correctional center, the boards of county commissioners and the legislative authorities of the municipal corporations contracting to establish the center may also agree to contract for the private operation and management of the center as provided in section 9.06 of the Revised Code, but only if the center houses only misdemeanor inmates. In order to enter into a contract under section 9.06 of the Revised Code, all the boards and legislative authorities establishing the center shall approve and be parties to the contract.

(H) If a person who is convicted of or pleads guilty to an offense is sentenced to a term in a multicounty correctional center or a municipal-county or multicounty-municipal correctional center or is incarcerated in the center in the manner described in division (C) of this section, or if a person who is arrested for an offense, and who has been denied bail or has had bail set and has not been released on bail is confined in a multicounty correctional center or a municipal-county or multicounty-municipal correctional center pending trial, at the time of reception and at other times the officer, officers, or other person in charge of the operation of the center determines to be appropriate, the officer, officers, or other person in charge of the operation of the center may cause the convicted or accused offender to be examined and tested for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, and other contagious diseases. The officer, officers, or other person in charge of the operation of the center may cause a convicted or accused offender in the center who refuses to be tested or treated for tuberculosis, HIV infection, hepatitis, including but not
limited to hepatitis A, B, and C, or another contagious disease to be tested and treated involuntarily.

(I) As used in this section:

(1) "Multicounty-municipal", "multicounty-municipal" means more than one county and a municipal corporation, or more than one municipal corporation and a county, or more than one municipal corporation and more than one county.

(2) "Ohio river valley facility" has the same meaning as in section 341.121 of the Revised Code.

Sec. 319.302. (A)(1) Real property that is not intended primarily for use in a business activity shall qualify for a partial exemption from real property taxation. For purposes of this partial exemption, "business activity" includes all uses of real property, except farming; leasing property for farming; occupying or holding property improved with single-family, two-family, or three-family dwellings; leasing property improved with single-family, two-family, or three-family dwellings; or holding vacant land that the county auditor determines will be used for farming or to develop single-family, two-family, or three-family dwellings. For purposes of this partial exemption, "farming" does not include land used for the commercial production of timber that is receiving the tax benefit under section 5713.23 or 5713.31 of the Revised Code and all improvements connected with such commercial production of timber.

(2) Each year, the county auditor shall review each parcel of real property to determine whether it qualifies for the partial exemption provided for by this section as of the first day of January of the current tax year.

(B) After complying with section 319.301 of the Revised Code, the county auditor shall reduce the remaining sums to be levied by
qualifying levies against each parcel of real property that is listed on the general tax list and duplicate of real and public utility property for the current tax year and that qualifies for partial exemption under division (A) of this section, and against each manufactured and mobile home that is taxed pursuant to division (D)(2) of section 4503.06 of the Revised Code and that is on the manufactured home tax list for the current tax year, by ten per cent, to provide a partial exemption for that parcel or home.

For the purposes of this division:

(1) "Qualifying levy" means a levy approved at an election held before September 29, 2013; a levy within the ten-mill limitation; a levy provided for by the charter of a municipal corporation that was levied on the tax list for tax year 2013; a subsequent renewal of any such levy; or a subsequent substitute for such a levy under section 5705.199 of the Revised Code.

(2) "Qualifying levy" does not include any replacement imposed under section 5705.192 of the Revised Code of any levy described in division (B)(1) of this section.

(C) Except as otherwise provided in sections 323.152, 323.158, 323.16, 323.161, 505.06, and 715.263 of the Revised Code, the amount of the taxes remaining after any such reduction shall be the real and public utility property taxes charged and payable on each parcel of real property, including property that does not qualify for partial exemption under division (A) of this section, and the manufactured home tax charged and payable on each manufactured or mobile home, and shall be the amounts certified to the county treasurer for collection. Upon receipt of the real and public utility property tax duplicate, the treasurer shall certify to the tax commissioner the total amount by which the real property taxes were reduced under this section, as shown on the duplicate. Such reduction shall not directly or indirectly affect the determination of the principal amount of notes that may be
issued in anticipation of any tax levies or the amount of bonds or notes for any planned improvements. If after application of sections 5705.31 and 5705.32 of the Revised Code and other applicable provisions of law, including divisions (F) and (I) of section 321.24 of the Revised Code, there would be insufficient funds for payment of debt charges on bonds or notes payable from taxes reduced by this section, the reduction of taxes provided for in this section shall be adjusted to the extent necessary to provide funds from such taxes.

(D) The tax commissioner may adopt rules governing the administration of the partial exemption provided for by this section.

(E) The determination of whether property qualifies for partial exemption under division (A) of this section is solely for the purpose of allowing the partial exemption under division (B) of this section.

Sec. 319.54. (A) On all moneys collected by the county treasurer on any tax duplicate of the county, other than estate tax duplicates, and on all moneys received as advance payments of personal property and classified property taxes, the county auditor, on settlement with the treasurer and tax commissioner, on or before the date prescribed by law for such settlement or any lawful extension of such date, shall be allowed as compensation for the county auditor's services the following percentages:

(1) On the first one hundred thousand dollars, two and one-half per cent;

(2) On the next two million dollars, eight thousand three hundred eighteen ten-thousandths of one per cent;

(3) On the next two million dollars, six thousand six hundred fifty-five ten-thousandths of one per cent;
(4) On all further sums, one thousand six hundred sixty-three
11392
ten-thousandths of one per cent.
11393

If any settlement is not made on or before the date
11394
prescribed by law for such settlement or any lawful extension of
11395
such date, the aggregate compensation allowed to the auditor shall
11396
be reduced one per cent for each day such settlement is delayed
11397
after the prescribed date. No penalty shall apply if the auditor
11398
and treasurer grant all requests for advances up to ninety per
11399
cent of the settlement pursuant to section 321.34 of the Revised
11400
Code. The compensation allowed in accordance with this section on
11401
settlements made before the dates prescribed by law, or the
11402
reduced compensation allowed in accordance with this section on
11403
settlements made after the date prescribed by law or any lawful
11404
extension of such date, shall be apportioned ratably by the
11405
auditor and deducted from the shares or portions of the revenue
11406
payable to the state as well as to the county, townships,
11407
municipal corporations, and school districts.
11408

(B) For the purpose of reimbursing county auditors for the
11409
expenses associated with the increased number of applications for
11410
reductions in real property taxes under sections 323.152 and
11411
4503.065 of the Revised Code that result from the amendment of
11412
those sections by Am. Sub. H.B. 119 of the 127th general assembly,
11413
there shall be paid from the state's general revenue fund to the
11414
county treasury, to the credit of the real estate assessment fund
11415
created by section 325.31 of the Revised Code, an amount equal to
11416
one per cent of the total annual amount of property tax relief
11417
reimbursement paid to that county under sections 323.156 and
11418
4503.068 of the Revised Code for the preceding tax year. Payments
11419
made under this division shall be made at the same times and in
11420
the same manner as payments made under section 323.156 of the
11421
Revised Code.
11422

(C) From all moneys collected by the county treasurer on any
tax duplicate of the county, other than estate tax duplicates, and on all moneys received as advance payments of personal property and classified property taxes, there shall be paid into the county treasury to the credit of the real estate assessment fund created by section 325.31 of the Revised Code, an amount to be determined by the county auditor, which shall not exceed the percentages prescribed in divisions (C)(1) and (2) of this section.

(1) For payments made after June 30, 2007, and before 2011, the following percentages:

Such compensation shall be apportioned ratably by the auditor and deducted from the shares or portions of the revenue payable to the state as well as to the county, townships, municipal corporations, and school districts.

(D) Each county auditor shall receive four per cent of the
amount of tax collected and paid into the county treasury, on property omitted and placed by the county auditor on the tax duplicate.

The auditor shall compute and collect the fee. The auditor

established under section 321.263 of the Revised Code.

The real property transfer fee provided for in division
(G)(3) of this section shall be applicable to any conveyance of

**Sec. 323.153.** (A) To obtain a reduction in real property taxes under division (A) or (B) of section 323.152 of the Revised Code or in manufactured home taxes under division (B) of section 323.152 of the Revised Code, the owner shall file an application with the county auditor of the county in which the owner's homestead is located.

To obtain a reduction in real property taxes under division...
(A) of section 323.152 of the Revised Code, the occupant of a
homestead in a housing cooperative shall file an application with
the nonprofit corporation that owns and operates the housing
cooperative, in accordance with this paragraph. Not later than the
first day of March each year, the corporation shall obtain
applications from the county auditor's office and provide one to
each new occupant. Not later than the first day of May, any
occupant who may be eligible for a reduction in taxes under
division (A) of section 323.152 of the Revised Code shall submit
the completed application to the corporation. Not later than the
fifteenth day of May, the corporation shall file all completed
applications, and the information required by division (B) of
section 323.159 of the Revised Code, with the county auditor of
the county in which the occupants' homesteads are located.
Continuing applications shall be furnished to an occupant in the
manner provided in division (C)(4) of this section.

(1) An application for reduction based upon a physical
disability shall be accompanied by a certificate signed by a
physician, and an application for reduction based upon a mental
disability shall be accompanied by a certificate signed by a
physician or psychologist licensed to practice in this state,
attesting to the fact that the applicant is permanently and
totally disabled. The certificate shall be in a form that the tax
commissioner requires and shall include the definition of
permanently and totally disabled as set forth in section 323.151
of the Revised Code. An application for reduction based upon a
disability certified as permanent and total by a state or federal
agency having the function of so classifying persons shall be
accompanied by a certificate from that agency.

An application by a disabled veteran for the reduction under
division (A)(2) of section 323.152 of the Revised Code shall be
accompanied by a letter or other written confirmation from the
United States department of veterans affairs, or its predecessor or successor agency, showing that the veteran qualifies as a disabled veteran.

An application by the surviving spouse of a public service officer killed in the line of duty for the reduction under division (A)(3) of section 323.152 of the Revised Code shall be accompanied by a letter or other written confirmation from an employee or officer of the board of trustees of a retirement or pension fund in this state or another state or from the chief or other chief executive of the department, agency, or other employer for which the public service officer served when killed in the line of duty affirming that the public service officer was killed in the line of duty.

An application for a reduction under division (A) of section 323.152 of the Revised Code constitutes a continuing application for a reduction in taxes for each year in which the dwelling is the applicant's homestead.

(2) An application for a reduction in taxes under division (B) of section 323.152 of the Revised Code shall be filed only if the homestead or manufactured or mobile home was transferred in the preceding year or did not qualify for and receive the reduction in taxes under that division for the preceding tax year. The application for homesteads transferred in the preceding year shall be incorporated into any form used by the county auditor to administer the tax law in respect to the conveyance of real property pursuant to section 319.20 of the Revised Code or of used manufactured homes or used mobile homes as defined in section 5739.0210 of the Revised Code. The owner of a manufactured or mobile home who has elected under division (D)(4) of section 4503.06 of the Revised Code to be taxed under division (D)(2) of that section for the ensuing year may file the application at the time of making that election. The application shall contain a
statement that failure by the applicant to affirm on the
application that the dwelling on the property conveyed is the
applicant's homestead prohibits the owner from receiving the
reduction in taxes until a proper application is filed within the
period prescribed by division (A)(3) of this section. Such an
application constitutes a continuing application for a reduction
in taxes for each year in which the dwelling is the applicant's
homestead.

(3) Failure to receive a new application filed under division
(A)(1) or (2) or notification under division (C) of this section
after an application for reduction has been approved is
prima-facie evidence that the original applicant is entitled to
the reduction in taxes calculated on the basis of the information
contained in the original application. The original application
and any subsequent application, including any late application,
shall be in the form of a signed statement and shall be filed on
or before the thirty-first day of December of the year for which
the reduction is sought. The original application and any
subsequent application for a reduction in manufactured home taxes
shall be filed in the year preceding the year for which the
reduction is sought. The statement shall be on a form, devised and
supplied by the tax commissioner, which shall require no more
information than is necessary to establish the applicant's
eligibility for the reduction in taxes and the amount of the
reduction, and, except for homesteads that are units in a housing
cooperative, shall include an affirmation by the applicant that
ownership of the homestead was not acquired from a person, other
than the applicant's spouse, related to the owner by consanguinity
or affinity for the purpose of qualifying for the real property or
manufactured home tax reduction provided for in division (A) or
(B) of section 323.152 of the Revised Code. The form shall contain
a statement that conviction of willfully falsifying information to
obtain a reduction in taxes or failing to comply with division (C)
of this section results in the revocation of the right to the
reduction for a period of three years. In the case of an
application for a reduction in taxes for persons described in
division (A)(1)(b)(iii) of section 323.152 of the Revised Code,
the form shall contain a statement that signing the application
constitutes a delegation of authority by the applicant to the tax
commissioner or the county auditor, individually or in
consultation with each other, to examine any tax or financial
records relating to the income of the applicant as stated on the
application for the purpose of determining eligibility for the
exemption or a possible violation of division (D) or (E) of this
section.

(B) A late application for a tax reduction for the year
preceding the year in which an original application is filed, or
for a reduction in manufactured home taxes for the year in which
an original application is filed, may be filed with the original
application. If the county auditor determines the information
contained in the late application is correct, the auditor shall
determine the amount of the reduction in taxes to which the
applicant would have been entitled for the preceding tax year had
the applicant's application been timely filed and approved in that
year.

The amount of such reduction shall be treated by the auditor
as an overpayment of taxes by the applicant and shall be refunded
in the manner prescribed in section 5715.22 of the Revised Code
for making refunds of overpayments. The county auditor shall
certify the total amount of the reductions in taxes made in the
current year under this division to the tax commissioner, who
shall treat the full amount thereof as a reduction in taxes for
the preceding tax year and shall make reimbursement to the county
therefor in the manner prescribed by section 323.156 of the
Revised Code, from money appropriated for that purpose.
(C)(1) If, in any year after an application has been filed under division (A)(1) or (2) of this section, the owner does not qualify for a reduction in taxes on the homestead or on the manufactured or mobile home set forth on such application, the owner shall notify the county auditor that the owner is not qualified for a reduction in taxes.

(2) If, in any year after an application has been filed under division (A)(1) of this section, the occupant of a homestead in a housing cooperative does not qualify for a reduction in taxes on the homestead, the occupant shall notify the county auditor that the occupant is not qualified for a reduction in taxes or file a new application under division (A)(1) of this section.

(3) If the county auditor or county treasurer discovers that the owner of property or occupant of a homestead in a housing cooperative not entitled to the reduction in taxes under division (A) or (B) of section 323.152 of the Revised Code failed to notify the county auditor as required by division (C)(1) or (2) of this section, a charge shall be imposed against the property in the amount by which taxes were reduced under that division for each tax year the county auditor ascertains that the property was not entitled to the reduction and was owned by the current owner or, in the case of a homestead in a housing cooperative, occupied by the current occupant. Interest shall accrue in the manner prescribed by division (B) of section 323.121 or division (G)(2) of section 4503.06 of the Revised Code on the amount by which taxes were reduced for each such tax year as if the reduction became delinquent taxes at the close of the last day the second installment of taxes for that tax year could be paid without penalty. The county auditor shall notify the owner or occupant, by ordinary mail, of the charge, of the owner's or occupant's right to appeal the charge, and of the manner in which the owner or occupant may appeal. The owner or occupant may appeal the
imposition of the charge and interest by filing an appeal with the county board of revision not later than the last day prescribed for payment of real and public utility property taxes under section 323.12 of the Revised Code following receipt of the notice and occurring at least ninety days after receipt of the notice. The appeal shall be treated in the same manner as a complaint relating to the valuation or assessment of real property under Chapter 5715. of the Revised Code. The charge and any interest shall be collected as other delinquent taxes.

(4) Each year during January, the county auditor shall furnish by ordinary mail a continuing application to each person receiving a reduction under division (A) of section 323.152 of the Revised Code. The continuing application shall be used to report changes in total income, ownership, occupancy, disability, and other information earlier furnished the auditor relative to the reduction in taxes on the property. The continuing application shall be returned to the auditor not later than the thirty-first day of December; provided, that if such changes do not affect the status of the homestead exemption or the amount of the reduction to which the owner is entitled under division (A) of section 323.152 of the Revised Code or to which the occupant is entitled under section 323.159 of the Revised Code, the application does not need to be returned.

(5) Each year during February, the county auditor, except as otherwise provided in this paragraph, shall furnish by ordinary mail an original application to the owner, as of the first day of January of that year, of a homestead or a manufactured or mobile home that transferred during the preceding calendar year and that qualified for and received a reduction in taxes under division (B) of section 323.152 of the Revised Code for the preceding tax year. In order to receive the reduction under that division, the owner shall file the application with the county auditor not later than
the thirty-first day of December. If the application is not timely filed, the auditor shall not grant a reduction in taxes for the homestead for the current year, and shall notify the owner that the reduction in taxes has not been granted, in the same manner prescribed under section 323.154 of the Revised Code for notification of denial of an application. Failure of an owner to receive an application does not excuse the failure of the owner to file an original application. The county auditor is not required to furnish an application under this paragraph for any homestead for which application has previously been made on a form incorporated into any form used by the county auditor to administer the tax law in respect to the conveyance of real property or of used manufactured homes or used mobile homes, and an owner who previously has applied on such a form is not required to return an application furnished under this paragraph.

(D) No person shall knowingly make a false statement for the purpose of obtaining a reduction in the person's real property or manufactured home taxes under section 323.152 of the Revised Code.

(E) No person shall knowingly fail to notify the county auditor of changes required by division (C) of this section that have the effect of maintaining or securing a reduction in taxes under section 323.152 of the Revised Code.

(F) No person shall knowingly make a false statement or certification attesting to any person's physical or mental condition for purposes of qualifying such person for tax relief pursuant to sections 323.151 to 323.159 of the Revised Code.

Sec. 323.155. The tax bill prescribed under section 323.131 of the Revised Code shall indicate the net amount of taxes due following the reductions in taxes under sections 319.301, 319.302, 323.152, and 323.16, 323.161 of the Revised Code.

Any reduction in taxes under section 323.152 of the Revised
Code shall be disregarded as income or resources in determining eligibility for any program or calculating any payment under Title LI of the Revised Code.

Sec. 323.161. (A) As used in this section:

(1) "Eligible county" means a county having a population of between four hundred thousand and four hundred fifty thousand.

(2) "Eligible farmer" means the owner of an urban farm that materially and substantially participates in the operation of the farm and that meets either of the following criteria:

(a) The owner meets the definition of a "socially disadvantaged farmer or rancher," "limited resource farmer or rancher," or "beginning farmer or rancher" as defined in 7 C.F.R. 760.107;

(b) The owner has received a direct farm ownership microloan or a direct farm operating microloan through the United States department of agriculture microloan program pursuant to 7 U.S.C. Chapter 50.

For the purpose of this section, an owner "materially and substantially participates" in the operation of an urban farm if the owner provides substantial day-to-day labor and management of the farm.

(3) "Urban farm" means property that is not valued for real property tax purposes under sections 5713.30 to 5713.38 of the Revised Code or receiving the tax benefit under section 5713.23 of the Revised Code and is used for processing, growing, raising, or otherwise producing agricultural products.

(4) "Agricultural product" means an agricultural, horticultural, viticultural, aquacultural, silvicultural, or vegetable product, either in its natural or processed state, that has been produced, processed, or otherwise had value added to it
in this state. "Agricultural product" includes grapes that will be processed into wine, bees, honey, fish or other aquacultural products, planting seed, livestock or livestock products, forestry products, and poultry or poultry products.

(B) The board of commissioners of an eligible county may, by resolution, establish within the territory of a municipal corporation an urban agricultural area and authorize eligible farmers that own an urban farm located within the area to apply for a tax exemption for that property pursuant to this section. The resolution shall specify all of the following:

(1) The boundaries of the urban agricultural area. All property within the area shall be contiguous and shall be located within both the county and a municipal corporation.

(2) The procedure by which an eligible farmer may apply to the county for a tax exemption;

(3) The designation of a county officer who will receive and review exemption applications from eligible farmers;

(4) Any additional eligibility requirements for the program. Upon adopting a resolution under this division, the governing body shall cause a copy of the resolution to be certified to the county auditor, county treasurer, and tax commissioner.

(C) If a board of commissioners establishes an urban agricultural area, eligible farmers that own an urban farm located within the area may apply for a tax exemption for that property, as authorized under this section. The county officer designated to review such applications shall approve the application if the applicant is an eligible farmer of an urban farm located within the area and if the applicant meets any other eligibility requirements set forth in the resolution adopted under division (B) of this section.
The exemption shall apply only to taxes charged by the county, and not to taxes charged by any other taxing authority encompassing the area. The exemption may equal any percentage of such county taxes up to one hundred per cent, at the discretion of the county officer that approves the application. The exemption shall be approved for an initial term of not more than five years, and may be renewed for additional terms of not more than three years upon the filing of another application with the applicable county officer under this section.

(D) If the application of an eligible farmer is approved under division (C) of this section, the county officer that approved the application shall certify the decision to the tax commissioner and, if that officer is not the county auditor, to the county auditor. In each year that property qualifies for an exemption, the county auditor shall determine the amount of taxes charged against the property by the county to be subtracted from the total amount of taxes charged against the property and shall enter the remaining taxes to be charged on the tax list.

Sec. 329.12. (A) A county department of job and family services may establish an individual development account program for residents of the county. The program shall provide for establishment of accounts for participants and acceptance of contributions from individuals and entities, including the county department, to be used as matching funds for deposit in the accounts.

(B) A county department shall select a fiduciary organization to administer its individual development account program. In selecting a fiduciary organization, the department shall consider all of the following regarding the organization:

(1) Its ability to market the program to potential participants and matching fund contributors;
(2) Its ability to invest money in the accounts in a way that provides for return with minimal risk of loss;

(3) Its overall administrative capacity, including the ability to verify eligibility of individuals for participation in the program, prevent unauthorized use of matching contributions, and enforce any penalties for unauthorized uses that may be provided for by rule adopted by the director of job and family services under section 5101.971 of the Revised Code;

(4) Its ability to provide financial counseling to participants;

(5) Its affiliation with other activities designed to increase the independence of individuals and families through postsecondary education, home ownership, and business development;

(6) Any other factor the county department considers appropriate.

(C) At the time it commences the program and on the first day of each subsequent program year, the county department may make a grant to the fiduciary organization to pay all or part of the administrative costs of the program.

(D) The county department shall require the fiduciary organization to collect and maintain information regarding the program, including all of the following:

(1) The number of accounts established;

(2) The amount deposited by each participant and the amount matched by contributions;

(3) The uses of funds withdrawn from the account, including the number of participants who used funds for postsecondary educational expenses and the institutions attended, the number of personal residences purchased, and the number of participants who used funds for business capitalization;
(4) The demographics of program participants;

(E) The county department shall prepare and file with the department of job and family services a semiannual report containing the information the director of job and family services requires by rule adopted under section 5101.971 of the Revised Code, with the first report being filed at the end of the six-month period following October 1, 1997.

Sec. 340.02. (A) For each alcohol, drug addiction, and mental health service district, there shall be appointed a board of alcohol, drug addiction, and mental health services consisting of eighteen members or fourteen members. Should the

Beginning on the effective date of this amendment, all newly established boards shall consist of not fewer than five and not more than nine members, to be determined by the board of county commissioners. The board of county commissioners shall adopt a resolution specifying the size that will apply to all newly established boards and shall notify the department of mental health and addiction services of its determination.

Should the board of county commissioners of the county represented by a board of alcohol, drug addiction, and mental health services that existed immediately prior to the effective date of this amendment elect for the board of alcohol, drug addiction, and mental health services to remain at eighteen or fourteen members, as provided under section 340.02 of the Revised Code as it existed immediately prior to the date of this amendment, a membership of that size was previously authorized under this section, the board of alcohol, drug addiction, and mental health services and the board of county commissioners shall is not be required to take any action. Should the board of alcohol, drug
addiction, and mental health services. County commissioners elect a recommendation for the board of alcohol, drug addiction, and mental health services to become a fourteen-member five-to-nine-member board, that recommendation must be approved by the board of county commissioners of the county in which the alcohol, drug addiction, and mental health district is located in order for the transition to a fourteen-member five-to-nine-member board to occur. Not later than September 30, 2013, each board of alcohol, drug addiction, and mental health services wishing to become a fourteen-member board shall notify the board of county commissioners of that recommendation. Failure of the board of county commissioners to take action within thirty days after receipt of the recommendation shall be deemed agreement by the board of county commissioners to transition to a fourteen-member board of alcohol, drug addiction, and mental health services. Should the board of county commissioners reject the recommendation, the board of county commissioners shall adopt a resolution stating that rejection within thirty days after receipt of the recommendation. Upon adoption of the resolution, the board of county commissioners shall meet with the board of alcohol, drug addiction, and mental health services to discuss the matter. After the meeting, the board of county commissioners shall notify the department of mental health and addiction services of its election not later than January 1, 2014 three years after the effective date of this amendment. In a joint-county district, a majority all of the boards of county commissioners must not reject the recommendation of a joint-county board to become a fourteen-member five-to-nine-member board in order for the transition to a fourteen-member five-to-nine-member board to occur. Should the joint-county district have an even number of counties, and the boards of county commissioners of these counties tie in terms of whether or not to accept the recommendation of the alcohol, drug addiction, and mental health services board, the
recommendation of the alcohol, drug addiction, and mental health service board to become a fourteen-member board shall prevail. The election shall be final. Failure to provide notice of its election to the department on or before January 1, 2014, three years after the effective date of this amendment shall constitute an election by the board of county commissioners for the board of alcohol, drug addiction, and mental health services to continue to operate as an eighteen-member or fourteen-member board, which election shall also be final. If an existing board of county commissioners provides timely notice of its election for the board of alcohol, drug addiction, and mental health services to transition to operate as a fourteen-member five- to nine-member board, the number of board members may decline from eighteen to fourteen accordingly by attrition as current members' terms expire. However, the composition of the board must reflect the requirements set forth in this section for fourteen-member boards.

For all boards, half of the members shall be interested in mental health services and half of the members shall be interested in alcohol, drug, or gambling addiction services. All members shall be residents of the service district. The membership shall, as nearly as possible, reflect the composition of the population of the service district as to race and sex.

(B) For boards operating as eighteen-member boards, the director of mental health and addiction services shall appoint eight twenty per cent of the members of the board and the board of county commissioners shall appoint ten eighty per cent of the members. For boards operating as fourteen-member boards, the director of mental health and addiction services shall appoint six members of the board and the board of county commissioners shall appoint eight members. In a joint-county district, the board of county commissioners of each participating county shall appoint
members in as nearly as possible the same proportion as that county's population bears to the total population of the district, except that at least one member shall be appointed from each participating county.

(C) The director of mental health and addiction services shall ensure that at least one member of the board is a clinician with experience in the delivery of mental health services, at least one member of the board is a person who has received or is receiving mental health services, at least one member of the board is a parent or other relative of such a person, at least one member of the board is a clinician with experience in the delivery of addiction services, at least one member of the board is a person who has received or is receiving addiction services, and at least one member of the board is a parent or other relative of such a person. A single member who meets both qualifications may fulfill the requirement for a clinician with experience in the delivery of mental health services and a clinician with experience in the delivery of addiction services.

(D) No member or employee of a board of alcohol, drug addiction, and mental health services shall serve as a member of the board of any provider with which the board of alcohol, drug addiction, and mental health services has entered into a contract for the provision of services or facilities. No member of a board of alcohol, drug addiction, and mental health services shall be an employee of any provider with which the board has entered into a contract for the provision of services or facilities. No person shall be an employee of a board and such a provider unless the board and provider both agree in writing.

(E) No person shall serve as a member of the board of alcohol, drug addiction, and mental health services whose spouse, child, parent, brother, sister, grandchild, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law,
daughter-in-law, brother-in-law, or sister-in-law serves as a member of the board of any provider with which the board of alcohol, drug addiction, and mental health services has entered into a contract for the provision of services or facilities. No person shall serve as a member or employee of the board whose spouse, child, parent, brother, sister, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law serves as a county commissioner of a county or counties in the alcohol, drug addiction, and mental health service district.

(F) Each year each board member shall attend at least one inservice training session provided or approved by the department of mental health and addiction services.

(G) For boards operating as eighteen-member all boards, each member shall be appointed for a term of four years, commencing the first day of July, except that one-third of initial appointments to a newly established board, and to the extent possible to expanded boards, shall be for terms of two years, one-third of initial appointments shall be for terms of three years, and one-third of initial appointments shall be for terms of four years. For boards operating as fourteen-member boards, each member shall be appointed for a term of four years, commencing the first day of July, except that four of the initial appointments to a newly established board, and to the extent possible to expanded boards, shall be for terms of two years, five initial appointments shall be for terms of three years, and five initial appointments shall be for terms of four years. No member shall serve more than two consecutive four-year terms under the same appointing authority. A member may serve for three consecutive terms under the same appointing authority only if one of the terms is for less than two years. A member who has served two consecutive four-year terms or three consecutive terms totaling less than ten years is
eligible for reappointment by the same appointing authority one year following the end of the second or third term, respectively.

When a vacancy occurs, appointment for the expired or unexpired term shall be made in the same manner as an original appointment. The board shall notify the appointing authority either by certified mail or, if the board has record of an internet identifier of record associated with the authority, by ordinary mail and by that internet identifier of record of any vacancy and shall fill the vacancy within sixty days following that notice.

Any member of the board may be removed from office by the appointing authority for neglect of duty, misconduct, or malfeasance in office, and shall be removed by the appointing authority if the member is barred by this section from serving as a board member. The member shall be informed in writing of the charges and afforded an opportunity for a hearing. Upon the absence of a member within one year from either four board meetings or from two board meetings without prior notice, the board shall notify the appointing authority, which may vacate the appointment and appoint another person to complete the member's term.

Members of the board shall serve without compensation, but shall be reimbursed for actual and necessary expenses incurred in the performance of their official duties, as defined by rules of the department of mental health and addiction services.

(H) As used in this section, "internet identifier of record" has the same meaning as in section 9.312 of the Revised Code.

Sec. 340.021. (A) In a single-county alcohol, drug addiction, and mental health service district where the board of county commissioners has established an alcohol and drug addiction services board, the community mental health board established...
under former section 340.02 of the Revised Code, as it existed immediately prior to October 10, 1989, shall serve as the entity responsible for providing mental health services in the county unless subsequently a board of alcohol, drug addiction, and mental health services has been created under division (B) of this section. A

A community mental health board has all the powers, duties, and obligations of a board of alcohol, drug addiction, and mental health services with regard to mental health services. An alcohol and drug addiction services board has all the powers, duties, and obligations of a board of alcohol, drug addiction, and mental health services with regard to addiction services. Any provision of the Revised Code that refers to a board of alcohol, drug addiction, and mental health services with regard to mental health services also refers to a community mental health board and any provision that refers to a board of alcohol, drug addiction, and mental health services with regard to alcohol and drug addiction services also refers to an alcohol and drug addiction services board.

An The board of county commissioners of the county represented by an alcohol and drug addiction services board shall consist of either eighteen members or fourteen members, at the election of the board as a membership of that size was previously authorized under this section, may elect for the alcohol and drug addiction services board to remain at eighteen or fourteen members or may elect a recommendation for the alcohol and drug addiction services board to become a five- to nine-member board. Not later than January 1, 2014, each alcohol and drug addiction services board shall notify the department of mental health and addiction services of its election to operate as an eighteen-member board or to operate as a fourteen-member board. Should a board of county commissioners elect a recommendation for
the alcohol and drug addiction services board to become a five- to
nine-member board, the board of county commissioners shall notify
the department of mental health and addiction services of its
election not later than three years after the effective date of
this amendment. The election shall be final. Failure to provide
notice of its election to the department on or before January 1,
2014, three years after the effective date of this amendment shall
constitute an election for the alcohol and drug addiction services
board to continue to operate as an eighteen-member or
fourteen-member board. If an existing a board of county
commissioners provides timely notice of its election for an
alcohol and drug addiction services board to operate as a
fourteen-member five- to nine-member board, the number of board
members may decline from eighteen to fourteen accordingly by
attrition as current members' terms expire. However, the
composition of the board must reflect the requirements set forth
in this section and in applicable provisions of section 340.02 of
the Revised Code for fourteen-member five- to nine-member boards.

at least one member is a clinician with experience in the delivery
of addiction services. The membership of the board shall, as
nearly as possible, reflect the composition of the population of
the service district as to race and sex. Members shall be
residents of the service district and shall be interested in
alcohol, drug, or gambling addiction services. Requirements for
membership, including prohibitions against certain family and
business relationships, and terms of office shall be the same as those for members of boards of alcohol, drug addiction, and mental health services.

The board of county commissioners of the county represented by a community mental health board shall consist of either eighteen members or fourteen members, at the election of the board as a membership of that size was previously authorized under this section, may elect for the community mental health board to remain at eighteen or fourteen members or may elect a recommendation for the community mental health board to become a five- to nine-member board. Not later than January 1, 2014, each community mental health board shall notify the department of mental health and addiction services of its election to operate as an eighteen member board or to operate as a fourteen member board. Should a board of county commissioners elect a recommendation for a community mental health board to become a five- to nine-member board, the board of county commissioners shall notify the department of mental health and addiction services of its election not later than three years after the effective date of this amendment. The election shall be final. Failure to provide notice of its election to the department on or before January 1, 2014, three years after the effective date of this amendment shall constitute an election for the community mental health board to continue to operate as an eighteen-member or fourteen-member board. If an existing board of county commissioners provides timely notice of its election for the community mental health board to operate as a fourteen-member five- to nine-member board, the number of board members may decline accordingly by attrition as current members' terms expire. However, the composition of the board must reflect the requirements set forth in this section and in applicable provisions of section 340.02 of the Revised Code for fourteen-member five- to nine-member boards. For boards operating...
as eighteen-member boards, six twenty per cent of the members shall be appointed by the director of mental health and addiction services and twelve eighty per cent of the members shall be appointed by the board of county commissioners. The director of mental health and addiction services shall ensure that at least one member of the board is a person who has received or is receiving mental health services, at least one member is a parent or relative of such a person, and at least one member is a clinician with experience in the delivery of mental health services. The membership of the board as nearly as possible shall reflect the composition of the population of the service district as to race and sex. Members shall be residents of the service district and shall be interested in mental health services. Requirements for membership, including prohibitions against certain family and business relationships, and terms of office shall be the same as those for members of boards of alcohol, drug addiction, and mental health services.

(B)(1) If a board of county commissioners subject to division (A) of this section did not adopt a final resolution providing for a board of alcohol, drug addiction, and mental health services on or before July 1, 2007, the board of county commissioners may establish a board of alcohol, drug addiction, and mental health services on or after September 23, 2008. To establish the board, the board of county commissioners shall adopt a resolution providing for the board's establishment. The composition of the board, the procedures for appointing members, and all other matters related to the board and its members are subject to section 340.02 of the Revised Code, with the following exceptions:

(a) For initial appointments to the board, the county's community mental health board and alcohol and drug addiction services board shall jointly recommend members of those boards for reappointment and shall submit the recommendations to the board of
county commissioners and the director of mental health and
addiction services.

(b) The appointing authorities shall appoint the initial
members from among the members jointly recommended under division
(B)(1)(a) of this section unless the appointment is otherwise
prohibited by law.

(2) If a board of alcohol, drug addiction, and mental health

section, the board has the same rights, privileges, immunities,
powers, and duties that were possessed by the county's community
mental health board and alcohol and drug addiction services board.
When the board is established, all property and obligations of the
community mental health board and alcohol and drug addiction
services board shall be transferred to the board of alcohol, drug
addiction, and mental health services.

The board shall set aside the contracts so selected for bidding by minority business enterprises only. The bidding procedures for such contracts shall be the same as for all other contracts awarded under section 307.86 of the Revised Code, except that only minority business enterprises certified and listed pursuant to division (B) of this section shall be qualified to submit bids.

The board shall from time to time set aside such additional contracts as are necessary to replace those contracts previously set aside on which no minority business enterprise bid.
(2) If a board, after having made a good faith effort, is unable to comply with the goal of procurement for contracting with EDGE business enterprises pursuant to division (D) of this section, the board may apply in writing, on a form prescribed by the department of administrative services, to the director of mental health and addiction services for a waiver or modification of the goal.

(F) This section does not preclude any minority business enterprise or EDGE business enterprise from bidding on any other contract not specifically set aside for minority business enterprises or subject to procurement goals for EDGE business enterprises.

Sec. 351.021. (A) The resolution of the county commissioners creating a convention facilities authority, or any amendment or supplement to that resolution, may authorize the authority to levy one or both of the excise taxes authorized by division (B) of this section to pay the cost of one or more facilities; to pay principal, interest, and premium on convention facilities authority tax anticipation bonds issued to pay those costs; to pay the operating costs of the authority; to pay operating and maintenance costs of those facilities; and to pay the costs of administering the excise tax.

(B) The board of directors of a convention facilities authority that has been authorized pursuant to resolution adopted, amended, or supplemented by the board of county commissioners pursuant to division (A) of this section may levy, by resolution adopted on or before December 31, 1988, either or both of the following:

or 5739.09 of the Revised Code, or division (B)(2) of this section.

(2) Within that portion of any municipal corporation that is located within the territory of the authority or within the boundaries of any township that is located within the territory of the authority, which municipal corporation or township is levying any portion of the excise tax authorized by division (A) of section 5739.08 of the Revised Code, and with the approval, by ordinance or resolution, of the legislative authority of that municipal corporation or township, an additional excise tax not to exceed nine-tenths of one per cent on each transaction. The excise tax authorized by division (B)(2) of this section may be levied only if, on the effective date of the levy specified in the resolution making the levy, the amount being levied pursuant to division (A) of section 5739.08 of the Revised Code by each municipal corporation or township in which the tax authorized by division (B)(2) of this section will be levied, when added to the amount levied under division (B)(2) of this section, does not exceed three per cent on each transaction. The excise tax authorized by division (B)(2) of this section shall be in addition to any excise tax that is levied pursuant to section 5739.08 or 5739.09 of the Revised Code, or division (B)(1) of this section.

(C)(1) The board of directors of a convention facilities authority that is located in an eligible Appalachian county; that has been authorized pursuant to resolution adopted, amended, or supplemented by the board of county commissioners pursuant to division (A) of this section; and that is not levying a tax under division (B)(1) or (2) of this section may levy within the territory of the authority, by resolution adopted on or before December 31, 2005, an additional excise tax not to exceed three per cent on each transaction. The excise tax authorized under division (C)(1) of this section shall be in addition to any excise tax
tax levied pursuant to section 5739.08 or 5739.09 of the Revised Code.

As used in division (C)(1) of this section, "eligible Appalachian county" means a county in this state designated as being in the "Appalachian region" under the "Appalachian Regional Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and having a population less than eighty thousand according to the most recent federal decennial census.

(2) Division (C)(2) of this section applies only to a convention facilities authority located in a county with a population, according to the 2000 federal decennial census, of at least one hundred thirty-five thousand and not more than one hundred fifty thousand and containing entirely within its boundaries the territory of a municipal corporation with a population according to that census of more than fifty thousand. The board of directors of such a convention facilities authority, by resolution adopted on or before November 1, 2009, may levy within the territory of the authority an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests at a rate not to exceed three per cent on such transactions for the same purposes for which a tax may be levied under division (B) of this section. The resolution may be adopted only if the board of county commissioners of the county, by resolution, authorizes the levy of the tax. The resolution of the board of county commissioners is subject to referendum as prescribed by sections 305.31 to 305.41 of the Revised Code. If, pursuant to those procedures, a referendum is to be held, the board's resolution does not take effect until approved by a majority of electors voting on the question. The convention facilities authority may adopt the resolution authorized by division (C)(2) of this section before the election, but the authority's resolution shall not take effect if the board of
commissioners' resolution is not approved at the election. A tax
levied under division (C)(2) of this section is in addition to any
tax levied under section 5739.09 of the Revised Code.

The board of directors of a convention facilities authority
that levies an excise tax under division (C)(2) of this section
may, by resolution adopted by a majority of the members of the
board on or before November 1, 2021, amend the resolution levying
the tax to increase the rate of the tax by not more than an
additional one per cent on each transaction. The resolution shall
provide that all revenue from the increase in rate shall be used
for the same purposes for which a tax may be levied under division
(B) of this section. The resolution may be adopted only if the
board of county commissioners of the county, by resolution,
authorizes the rate increase.

(3) The board of directors of a convention facilities
authority created between July 1, 2019, and December 31, 2019, by
resolution adopted on or before December 30, 2020, may levy within
the territory of the authority an excise tax on transactions by
which lodging by a hotel is or is to be furnished to transient
guests at a rate not to exceed three per cent on such transactions
for the purposes described in division (A) of this section. This
tax shall be in addition to any excise tax levied pursuant to this
section or section 5739.08 or 5739.09 of the Revised Code. The
resolution levying the tax shall not take effect sooner than
ninety days after the convention facilities authority is created.

(D) The authority shall provide for the administration and
allocation of an excise tax levied pursuant to division (B) or (C)
of this section. All receipts arising from those excise taxes
shall be expended for the purposes provided in, and in accordance
with this section and section 351.141 of the Revised Code. An
excise tax levied under division (B) or (C) of this section shall
remain in effect at the rate at which it is levied for at least
the duration of the period for which the receipts from the tax have been anticipated and pledged pursuant to section 351.141 of the Revised Code.

(E) Except as provided in division (B)(2) of this section, the levy of an excise tax on each transaction pursuant to sections 5739.08 and 5739.09 of the Revised Code does not prevent a convention facilities authority from levying an excise tax pursuant to division (B) or (C) of this section.

(F) A convention facilities authority located in a county with a population greater than eighty thousand but less than ninety thousand according to the 2010 federal decennial census that levies a tax under division (B) of this section may amend the resolution levying the tax to allocate a portion of the revenue from the tax for support of tourism-related sites or facilities and programs operated by the county or a municipal corporation within the county in which the authority is located or for the purpose of leasing lands for county fairs, erecting buildings for county fair purposes, making improvements on a county fairground, or for any purpose connected with the use of a county fairground or with the management thereof by the county in which the authority is located. The revenue allocated by the authority for such purposes in a calendar year shall not exceed twenty-five percent of the total revenue from the tax in the preceding calendar year. Revenue allocated for such purposes that is not fully used by the end of the calendar year may be carried forward for use in subsequent calendar years. Any amount carried forward does not count toward the limitation on the amount that may be allocated for such purposes in succeeding calendar years.

Assessments under this section shall be levied only upon the residential property that is subject to the eligible project. Before adopting the resolution, the board shall send written notice to each affected property owner stating the estimated assessment for that property. If an owner objects to the stated estimated assessment, the owner shall file a written objection with the board not later than two weeks after the notice is mailed. The board shall review the written objection and may revise the estimated assessment before adopting the resolution. If the property owner objects to the final assessment for the property levied in the resolution, the owner may appeal the final assessment under Chapter 2506. of the Revised Code.

(B) The assessment shall be at a rate that will produce a total assessment that is not more than the township's contribution towards the funding gap for the eligible project as described in the application under section 122.4020 of the Revised Code. The board shall certify the amount to be levied upon each affected property to the county auditor, who shall enter the amount on the tax duplicate for collection by the county treasurer in equal semiannual installments in the same manner and at the same times as the collection of taxes on real property. Assessments shall be paid by owners of the properties upon which assessments are levied.

(C) The assessments, when collected, shall be paid by the county auditor by warrant on the county treasurer into a special fund in the township treasury created for the purpose of funding an eligible project for which a program grant is awarded under sections 122.40 to 122.4077 of the Revised Code and that is
located in the township. The board may expend moneys from the fund only for the purposes for which the assessments were levied.

Sec. 727.01. Each municipal corporation shall have special power to levy and collect special assessments. The legislative authority of a municipal corporation may assess upon the abutting, adjacent, and contiguous, or other specially benefited, lots or lands in the municipal corporation, any part of the cost connected with the improvement of any street, alley, dock, wharf, pier, public road, place, boulevard, parkway, or park entrance or an easement of the municipal corporation available for the purpose of the improvement to be made in it by grading, draining, curbing, paving, repaving, repairing, treating the surface with substances designed to lay the dust on it or preserve it, constructing sidewalks, piers, wharves, docks, retaining walls, sewers, sewage disposal works and treatment plants, sewage pumping stations, water treatment plants, water pumping stations, reservoirs, and water storage tanks or standpipes, together with the facilities and appurtenances necessary and proper therefor, drains, storm-water retention basins, watercourses, water mains, or laying of water pipe, or the lighting, sprinkling, sweeping, or cleaning thereof, or removing snow therefrom, any part of the cost and expense of planting, maintaining, and removing shade trees thereupon; any part of the cost of a voluntary action, as defined in section 3746.01 of the Revised Code, undertaken pursuant to Chapter 3746. of the Revised Code by a special improvement district created under Chapter 1710. of the Revised Code, including the cost of acquiring property with respect to which the voluntary action is undertaken; any part of the cost and expense of constructing, maintaining, repairing, cleaning, and enclosing ditches; any part of the cost and expense of operating, maintaining, and replacing heating and cooling facilities for enclosed pedestrian canopies and malls; any part of the cost and
expense of acquiring and improving parking facilities and structures for off-street parking of motor vehicles or of acquiring land and improving it by clearing, grading, draining, paving, lighting, erecting, constructing, and equipping it for parking facilities and structures for off-street parking of motor vehicles, to the extent authorized by section 717.05 of the Revised Code, but only if no special assessment made for the purpose of developing off-street parking facilities and structures is levied against any land being used solely for off-street parking or against any land used solely for single or two-family dwellings; any part of the cost and expense of operating and maintaining the off-street parking facilities and structures; and any part of the cost connected with changing the channel of, or narrowing, widening, dredging, deepening, or improving, any stream or watercourse, and for constructing or improving any levees or boulevards on any stream or watercourse, or along or about any stream or watercourse, together with any retaining wall, riprap protection, bulkhead, culverts, approaches, flood gates, waterways, or drains incidental to any stream or watercourse, or for making any other improvement of any river or lake front, whether it is privately or publicly owned, which the legislative authority declares conducive to the public health, convenience, or welfare. If a program grant is awarded for an eligible project under sections 122.40 to 122.4077 of the Revised Code, a municipal corporation may levy, against dwellings that are subject to the project, a special assessment for the purpose of providing a contribution from the municipal corporation towards the funding gap for the project. The assessment shall be at a rate that will produce a total assessment that is not more than the municipal corporation's contribution towards the funding gap for the eligible project as described in the application under section 122.4020 of the Revised Code. In addition, a municipal corporation may levy a special assessment for public improvement or public
services plans of a district formed under Chapter 1710. of the Revised Code, as provided in that chapter. Except as otherwise provided in Chapter 1710. of the Revised Code, special assessments may be levied by any of the following methods:

The chief, with the approval of the director of natural resources, may purchase or acquire by gift, donations, or contributions any interest in land suitable for forestry purposes. The chief may enter into agreements with the federal government or other agencies for the acquisition, by lease, purchase, or otherwise, of such lands as in the judgment of the chief and director are desirable for state forests, building sites, or nursery lands. The chief may expend funds, not otherwise obligated, for the management, development, and utilization of such lands.

The chief, with the approval of the director of natural resources, may acquire by lease, purchase, gift, or otherwise, in the name of the state, forested or other lands in the state suitable for the growth of forest trees to the amount of the appropriation for that purpose. The chief shall prepare and submit to the director of natural resources maps and descriptions of such

When such an area is approved by the director of natural resources, it shall be known as a state forest purchase area and the map and description, with the approval of the director of natural resources indorsed thereon, shall be filed in duplicate with the auditor of state director of administrative services and the attorney general.

All lands purchased for forest purposes shall be deeded to the state, but the purchase price of such lands shall not be paid until the title thereof has been approved by the attorney general. The price of such lands shall not exceed the appropriation for such purposes.

Sec. 1503.05. (B) Except as otherwise provided in this section, a timber sale agreement shall not be executed unless the person or governmental entity bidding on the sale executes and files a surety bond conditioned on completion of the timber sale in accordance with the terms of the agreement in an amount determined by the chief. All bonds shall be given in a form prescribed by the chief and shall run to the state as obligee.

The chief shall not approve any bond until it is personally signed and acknowledged by both principal and surety, or as to
either by the attorney in fact thereof, with a certified copy of the power of attorney attached. The chief shall not approve the bond unless there is attached a certificate of the superintendent of insurance that the company is authorized to transact a fidelity and surety business in this state.

In lieu of a bond, the bidder may deposit any of the following:

(1) Cash in an amount equal to the amount of the bond;

(2) United States government securities having a par value equal to or greater than the amount of the bond;

(3) Negotiable certificates of deposit or irrevocable letters of credit issued by any bank organized or transacting business in this state having a par value equal to or greater than the amount of the bond.

The amount of the direct costs shall be subtracted from the amount of the total sale proceeds and shall be transferred from the forestry holding account redistribution fund to the state forest fund.

The remaining amount of the total sale proceeds equals the net value of the standing timber that was sold. The chief shall determine the net value of standing timber sold from state forest lands and state forest nurseries in each county, in each township within the county, and in each school district within the county and shall send to each county treasurer a copy of the determination at the time that moneys money is paid to the county treasurer under this division.

forestry holding account redistribution fund and paid to the
county treasurer for the use of the general fund of that county.

the amount received by the county from standing timber sold from

(3) Request the board of education of any school district
located within the county and containing such lands and nurseries
to identify which fund or funds of the district should receive the
money available to the school district under division
(E)(3) of this section. After receiving notice from the
board, the county auditor shall pay into the fund or funds so
identified one-half of the amount received by the county from
standing timber sold from lands and nurseries located in the
school district, distributed proportionately as identified by the
board.

The division of forestry shall not supply logs, lumber, or
other forest products or minerals, taken from the state forest
lands or state forest nurseries, to any other agency or
subdivision of the state unless payment is made therefor in the
amount of the actual prevailing value thereof. This section is
applicable to the money so received.

(F) The chief may enter into a personal service contract
for consulting services to assist the chief with the sale of
timber or other forest products and related inventory. Compensation for consulting services shall be paid from the proceeds of the sale of timber or other forest products and related inventory that are the subject of the personal service contract.

(2) No owner of a well shall permit defective casing in a well to leak fluids or gases.

(3) Upon the discovery that the casing in a well is defective or that a well was not adequately constructed, the person that constructed the well or owner of the well shall notify the chief of the division of oil and gas resources management within twenty-four hours of the discovery, and the owner shall immediately repair the casing, correct the construction inadequacies, or plug and abandon the well.

(B) When the chief finds that a well should be plugged, the chief shall notify the person that constructed the well or owner of the well to that effect by order in writing and shall specify in the order a reasonable time within which to comply. No owner person shall fail or refuse to plug a well within the time specified in the order. Each day on which such a well remains unplugged thereafter constitutes a separate offense.

Where the plugging method prescribed by rules adopted pursuant to section 1509.15 of the Revised Code cannot be applied or if applied would be ineffective in carrying out the protection that the law is meant to give, the chief may designate a different
method of plugging. The abandonment report shall show the manner in which the well was plugged.

(C) In case of oil or gas wells abandoned prior to September 1, 1978, the board of county commissioners of the county in which the wells are located may submit to the electors of the county the question of establishing a special fund, by general levy, by general bond issue, or out of current funds, which shall be approved by a majority of the electors voting upon that question for the purpose of plugging the wells. The fund shall be administered by the board and the plugging of oil and gas wells shall be under the supervision of the chief, and the board shall let contracts for that purpose, provided that the fund shall not be used for the purpose of plugging oil and gas wells that were abandoned subsequent to September 1, 1978.

Sec. 1509.13. (A) No (1) Except as otherwise provided in division (A)(2) of this section and division (E)(1) of section 1509.071 of the Revised Code, no person shall plug and abandon a well without having a permit to do so issued by the chief of the division of oil and gas resources management. The permit shall be issued by the chief in accordance with this chapter and shall be valid for a period of twenty-four months from the date of issue.

(2) The holder of a valid permit issued under section 1509.06 of the Revised Code may receive approval from an oil and gas resources inspector to plug and abandon the well associated with that permit, without obtaining the permit required under division (A) of this section, if either of the following apply:

(a) The well was drilled to total depth and the well cannot or will not be completed.

(b) The well is a lost hole or dry hole.

(3) A permit holder plugging a well pursuant to division
(A) (2)(a) of this section shall plug the well within thirty days of receipt of approval from the oil and gas resources inspector.  

(4) A permit holder plugging a well pursuant to division (A)(2)(b) of this section shall plug the well immediately after determining that the well is a lost hole or dry hole in accordance with rules adopted under this chapter.

(B) Application by the owner The application for a permit to plug and abandon shall be filed as many days in advance as will be necessary for an oil and gas resources inspector or, if the well is located in a coal bearing township, both a deputy mine inspector and an oil and gas resources inspector to be present at the plugging. The application shall be filed with the chief upon a form that the chief prescribes and shall contain the following information:

(1) The name and address of the owner applicant;  

(2) The signature of the owner applicant or the owner's authorized agent. When an authorized agent signs an application, it shall be accompanied by a certified copy of the appointment as that agent.  

(3) The location of the well identified by section or lot number, city, village, township, and county;  

(4) Designation of well by name and number;  

(5) The total depth of the well to be plugged;  

(6) The date and amount of last production from the well;  

(7) Other data information that the chief may require.  

(C) Except as otherwise provided in division (E)(2)(a) of section 1509.071 of the Revised Code, if oil or gas has been produced from the well, the application shall be accompanied by a nonrefundable fee of two hundred fifty dollars. If a well has been drilled in accordance with law and the permit is still valid, the
permit holder may receive approval to plug the well from an oil and gas resources inspector so that the well can be plugged and abandoned without undue delay. Unless waived by an oil and gas resources inspector, the owner of a well or the owner's authorized representative shall notify an oil and gas resources inspector at least twenty-four hours prior to the commencement of the plugging of a well. No well shall be plugged and abandoned without an oil and gas resources inspector present unless permission has been granted by the chief. The owner of a well that has produced oil or gas shall give written notice at the same time to the owner of the land upon which the well is located and to all lessors that receive gas from the well pursuant to a lease agreement. If the well penetrates or passes within one hundred feet of the excavations and workings of a mine, the owner of the well shall give written notice to the owner or lessee of that mine, of the well owner's intention to abandon the well and of the time when the well owner will be prepared to commence plugging it.

(D) An applicant may file a request with the chief for expedited review of an application for a permit to plug and abandon a well. The chief may refuse to accept a request for expedited review if, in the chief's judgment, acceptance of the request will prevent the issuance, within twenty-one days of filing, of permits for which applications filed under section 1509.06 of the Revised Code are pending. In addition to a complete application for a permit that meets the requirements of this section and the permit fee prescribed by this section, if applicable, a request shall be accompanied by a nonrefundable filing fee of five hundred dollars unless the chief has ordered the applicant to plug and abandon the well. When a request for expedited review is filed, the chief shall immediately begin to process the application and shall issue a permit within seven days of the filing of the request unless the chief, by order, denies
the application.

(E) This (1) Except as otherwise provided in division (E)(2) of this section, any person undertaking the plugging of a well for which a permit has been issued under this section shall obtain insurance for bodily injury coverage and property damage coverage in the amount established under section 1509.07 of the Revised Code to pay for damages or injury to property or person, including damages caused by the plugging of the well. The person shall electronically submit proof of insurance to the chief upon the chief's request.

(2) Division (E)(1) of this section does not apply to a person already required to maintain an insurance policy under section 1509.07 of the Revised Code.

(F) This section does not apply to a well plugged or abandoned in compliance with section 1571.05 of the Revised Code.

Sec. 1513.08. (A) After a coal mining and reclamation permit application has been approved, the applicant shall file with the chief of the division of mineral resources management, on a form prescribed and furnished by the chief, the performance security required under this section that shall be payable to the state and conditioned on the faithful performance of all the requirements of this chapter and rules adopted under it and the terms and conditions of the permit.

(B) Using the information contained in the permit application; the requirements contained in the approved permit and reclamation plan; and, after considering the topography, geology, hydrology, and revegetation potential of the area of the approved permit, the probable difficulty of reclamation; the chief shall determine the estimated cost of reclamation under the initial term of the permit if the reclamation has to be performed by the division of mineral resources management in the event of
forfeiture of the performance security by the applicant. The chief shall send written notice of the amount of the estimated cost of reclamation by certified mail to the applicant. The applicant shall send written notice to the chief indicating the method by which the applicant will provide the performance security pursuant to division (C) of this section.

(C) The applicant shall provide the performance security in an amount using one of the following:

(1) If the applicant elects to provide performance security without reliance on the reclamation forfeiture fund created in section 1513.18 of the Revised Code, the amount of the estimated cost of reclamation as determined by the chief under division (B) of this section for the increments of land on which the operator will conduct a coal mining and reclamation operation under the initial term of the permit as indicated in the application;

(2) If the applicant elects to provide performance security together with reliance on the reclamation forfeiture fund through payment of the additional tax on the severance of coal that is levied under division (A)(8) of section 5749.02 of the Revised Code, an amount of twenty-five hundred dollars per acre of land on which the operator will conduct coal mining and reclamation under the initial term of the permit as indicated in the application.

However, in order for an applicant to be eligible to provide performance security in accordance with division (C)(2) of this section, the applicant, an owner and controller of the applicant, or an affiliate of the applicant shall have held a permit issued under this chapter for any coal mining and reclamation operation for a period of not less than five years.

If a permit is transferred, assigned, or sold, the transferee is not eligible to provide performance security under division (C)(2) of this section if the transferee has not held a permit issued under this chapter for any coal mining and reclamation operation.
operation for a period of not less than five years. This restriction applies even if the status or name of the permittee otherwise remains the same after the transfer, assignment, or sale.

In the event of forfeiture of performance security that was provided in accordance with division (C)(2) of this section, the difference between the amount of that performance security and the estimated cost of reclamation as determined by the chief under division (B) of this section shall be obtained from money in the reclamation forfeiture fund as needed to complete the reclamation.

The performance security provided under division (C) of this section for the entire area to be mined under one permit issued under this chapter shall not be less than ten thousand dollars.

The performance security shall cover areas of land affected by mining within or immediately adjacent to the permitted area, so long as the total number of acres does not exceed the number of acres for which the performance security is provided. However, the authority for the performance security to cover areas of land immediately adjacent to the permitted area does not authorize a permittee to mine areas outside an approved permit area. As succeeding increments of coal mining and reclamation operations are to be initiated and conducted within the permit area, the permittee shall file with the chief additional performance security to cover the increments in accordance with this section. If a permittee intends to mine areas outside the approved permit area, the permittee shall provide additional performance security in accordance with this section to cover the areas to be mined.

If an applicant or permittee has is not held a permit issued under this chapter for any coal mining and reclamation operation for a period of five years or more eligible to provide performance security in accordance with division (C)(2) of this section, the applicant or permittee shall provide performance security in...
accordance with division (C)(1) of this section in the full amount of the estimated cost of reclamation as determined by the chief for a permitted coal preparation plant or coal refuse disposal area that is not located within a permitted area of a mine. If an applicant for a permit for a coal preparation plant or coal refuse disposal area or a permittee of a permitted coal preparation plant or coal refuse disposal area that is not located within a permitted area of a mine has held a permit issued under this chapter for any coal mining and reclamation operation for a period of five years or more, the applicant or permittee may provide performance security for the coal preparation plant or coal refuse disposal area either in accordance with division (C)(1) of this section in the full amount of the estimated cost of reclamation as determined by the chief or in accordance with division (C)(2) of this section in an amount of twenty-five hundred dollars per acre of land with reliance on the reclamation forfeiture fund. If a permittee has previously provided performance security under division (C)(1) of this section for a coal preparation plant or coal refuse disposal area that is not located within a permitted area of a mine and elects to provide performance security in accordance with division (C)(2) of this section, the permittee shall submit written notice to the chief indicating that the permittee elects to provide performance security in accordance with division (C)(2) of this section. Upon receipt of such a written notice, the chief shall release to the permittee the amount of the performance security previously provided under division (C)(1) of this section that exceeds the amount of performance security that is required to be provided under division (C)(2) of this section.

(D) A permittee's liability under the performance security shall be limited to the obligations established under the permit, which include completion of the reclamation plan in order to make the land capable of supporting the postmining land use that was
approved in the permit. The period of liability under the 
performance security shall be for the duration of the coal mining 
and reclamation operation and for a period coincident with the 
operator's responsibility for revegetation requirements under 
section 1513.16 of the Revised Code.

(E) The amount of the estimated cost of reclamation 
determined under division (B) of this section and the amount of a 
permittee's performance security provided in accordance with 
division (C)(1) of this section shall be adjusted by the chief as 
the land that is affected by mining increases or decreases or if 
the cost of reclamation increases or decreases. If the performance 
security was provided in accordance with division (C)(2) of this 
section and the chief has issued a cessation order under division 
(D)(2) of section 1513.02 of the Revised Code for failure to abate 
a violation of the contemporaneous reclamation requirement under 
division (A)(15) of section 1513.16 of the Revised Code, the chief 
may require the permittee to increase the amount of performance 
security from twenty-five hundred dollars per acre of land to five 
thousand dollars per acre of land.

The chief shall notify the permittee, each surety, and any 
person who has a property interest in the performance security and 
who has requested to be notified of any proposed adjustment to the 
performance security. The permittee may request an informal 
conference with the chief concerning the proposed adjustment, and 
the chief shall provide such an informal conference.

If the chief increases the amount of performance security 
under this division, the permittee shall provide additional 
performance security in an amount determined by the chief. If the 
chief decreases the amount of performance security under this 
division, the chief shall determine the amount of the reduction of 
the performance security and send written notice of the amount of 
reduction to the permittee. The permittee may reduce the amount of
the performance security in the amount determined by the chief. 13978

(F) A permittee may request a reduction in the amount of the performance security by submitting to the chief documentation proving that the amount of the performance security provided by the permittee exceeds the estimated cost of reclamation if the reclamation would have to be performed by the division in the event of forfeiture of the performance security. The chief shall examine the documentation and determine whether the permittee's performance security exceeds the estimated cost of reclamation. If the chief determines that the performance security exceeds that estimated cost, the chief shall determine the amount of the reduction of the performance security and send written notice of the amount to the permittee. The permittee may reduce the amount of the performance security in the amount determined by the chief. Adjustments in the amount of performance security under this division shall not be considered release of performance security and are not subject to section 1513.16 of the Revised Code. 13979

(G) If the performance security is a bond, it shall be executed by the operator and a corporate surety licensed to do business in this state. If the performance security is a cash deposit or negotiable certificates of deposit of a bank or savings and loan association, the bank or savings and loan association shall be licensed and operating in this state. The cash deposit or market value of the securities shall be equal to or greater than the amount of the performance security required under this section. The chief shall review any documents pertaining to the performance security and approve or disapprove the documents. The chief shall notify the applicant of the chief's determination. 13980

(H) If the performance security is a bond, the chief may accept the bond of the applicant itself without separate surety when the applicant demonstrates to the satisfaction of the chief the existence of a suitable agent to receive service of process 13981
and a history of financial solvency and continuous operation sufficient for authorization to self-insure or bond the amount.

(I) Performance security provided under this section may be held in trust, provided that the state is the primary beneficiary of the trust and the custodian of the performance security held in trust is a bank, trust company, or other financial institution that is licensed and operating in this state. The chief shall review the trust document and approve or disapprove the document. The chief shall notify the applicant of the chief's determination.

(J) If a surety, bank, savings and loan association, trust company, or other financial institution that holds the performance security required under this section becomes insolvent, the permittee shall notify the chief of the insolvency, and the chief shall order the permittee to submit a plan for replacement performance security within thirty days after receipt of notice from the chief. If the permittee provided performance security in accordance with division (C)(1) of this section, the permittee shall provide the replacement performance security within ninety days after receipt of notice from the chief. If the permittee provided performance security in accordance with division (C)(2) of this section, the permittee shall provide the replacement performance security within one year after receipt of notice from the chief, and, for a period of one year after the permittee's receipt of notice from the chief or until the permittee provides the replacement performance security, whichever occurs first, money in the reclamation forfeiture fund shall be the permittee's replacement performance security in an amount not to exceed the estimated cost of reclamation as determined by the chief.

(K) If a permittee provided performance security in accordance with division (C)(1) of this section, the permittee's responsibility for repairing material damage and replacement of water supply resulting from subsidence shall be satisfied by
either of the following:

(1) The purchase prior to mining of a noncancelable premium-prepaid liability insurance policy in lieu of the permittee's performance security for subsidence damage. The insurance policy shall contain terms and conditions that specifically provide coverage for repairing material damage and replacement of water supply resulting from subsidence.

(2) The provision of additional performance security in the amount of the estimated cost to the division of mineral resources management to repair material damage and replace water supplies resulting from subsidence until the repair or replacement is completed. However, if such repair or replacement is completed, or compensation for structures that have been damaged by subsidence is provided, by the permittee within ninety days of the occurrence of the subsidence, additional performance security is not required. In addition, the chief may extend the ninety-day period for a period not to exceed one year if the chief determines that the permittee has demonstrated in writing that subsidence is not complete and that probable subsidence-related damage likely will occur and, as a result, the completion of repairs of subsidence-related material damage to lands or protected structures or the replacement of water supply within ninety days of the occurrence of the subsidence would be unreasonable.

(L) If the performance security provided in accordance with this section exceeds the estimated cost of reclamation, the chief may authorize the amount of the performance security that exceeds the estimated cost of reclamation together with any interest or other earnings on the performance security to be paid to the permittee.

(M) A permittee that held a valid coal mining and reclamation permit immediately prior to April 6, 2007, shall provide, not later than a date established by the chief, performance security
in accordance with division (C)(1) or (2) of this section, rather than in accordance with the law as it existed prior to that date, by filing it with the chief on a form that the chief prescribes and furnishes. Accordingly, for purposes of this section, "applicant" is deemed to include such a permittee.

(N) As used in this section:

(1) "Affiliate of the applicant" means an entity that has a parent entity in common with the applicant.

(2) "Owner and controller of the applicant" means a person that has any relationship with the applicant that gives the person authority to determine directly or indirectly the manner in which the applicant conducts coal mining operations.

Sec. 1521.06. (A) No dam may be constructed for the purpose of storing, conserving, or retarding water, or for any other purpose, nor shall any levee be constructed for the purpose of diverting or retaining flood water, unless the person or governmental agency desiring the construction has a construction permit for the dam or levee issued by the chief of the division of water resources.

A construction permit is not required under this section for:

(1) A dam that is or will be less than ten feet in height and that has or will have a storage capacity of not more than fifty acre-feet at the elevation of the top of the dam, as determined by the chief. For the purposes of this section, the height of a dam shall be measured from the natural stream bed or lowest ground elevation at the downstream or outside limit of the dam to the elevation of the top of the dam.

(2) A dam, regardless of height, that has or will have a storage capacity of not more than fifteen acre-feet at the elevation of the top of the dam, as determined by the chief;
(3) A dam, regardless of storage capacity, that is or will be six feet or less in height, as determined by the chief;

(4) A dam or levee that belongs to a class exempted by the chief;

(5) The repair, maintenance, improvement, alteration, or removal of a dam or levee that is subject to section 1521.062 of the Revised Code, unless the construction constitutes an enlargement or reconstruction of the structure as determined by the chief;

(6) A dam or impoundment constructed under Chapter 1513. of the Revised Code.

(B) Before a construction permit may be issued, three copies of the plans and specifications, including a detailed cost estimate, for the proposed construction, prepared by a registered professional engineer, together with any filing fee specified by rules adopted by the chief in accordance with division (I) of this section and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam or levee, including supervision and inspection of the construction by a registered professional engineer.

All fees collected pursuant to this section, and all fines collected pursuant to section 1521.99 of the Revised Code, shall be deposited in the state treasury to the credit of the dam safety fund, which is hereby created. Expenditures from the fund shall be made by the chief for the purpose of administering this section and sections 1521.061 and 1521.062 of the Revised Code.

(C) The chief shall, within thirty days from the date of the receipt of the application, fee, and bond or other security, issue or deny a construction permit for the construction or may issue a
construction permit conditioned upon the making of such changes in the plans and specifications for the construction as the chief considers advisable if the chief determines that the construction of the proposed dam or levee, in accordance with the plans and specifications filed, would endanger life, health, or property.

(D) The chief may deny a construction permit after finding that a dam or levee built in accordance with the plans and specifications would endanger life, health, or property, because of improper or inadequate design, or for such other reasons as the chief may determine.

In the event the chief denies a permit for the construction of the dam or levee, or issues a permit conditioned upon a making of changes in the plans or specifications for the construction, the chief shall state the reasons therefor and so notify, in writing, the person or governmental agency making the application for a permit. If the permit is denied, the chief shall return the bond or other security to the person or governmental agency making application for the permit.

The decision of the chief conditioning or denying a construction permit is subject to appeal as provided in Chapter 119. of the Revised Code. A dam or levee built substantially at variance from the plans and specifications upon which a construction permit was issued is in violation of this section. The chief may at any time inspect any dam or levee, or site upon which any dam or levee is to be constructed, in order to determine whether it complies with this section.

(E) A registered professional engineer shall inspect the construction for which the permit was issued during all phases of construction and shall furnish to the chief such regular reports of the engineer's inspections as the chief may require. When the chief finds that construction has been fully completed in accordance with the terms of the permit and the plans and
specifications approved by the chief, the chief shall approve the
coloration. When one year has elapsed after approval of the
completed construction, and the chief finds that within this
period no fact has become apparent to indicate that the
construction was not performed in accordance with the terms of the
permit and the plans and specifications approved by the chief, or
that the construction as performed would endanger life, health, or
property, the chief shall release the bond or other security. No
bond or other security shall be released until one year after
final approval by the chief, unless the dam or levee has been
modified so that it will not retain water and has been approved as
nonhazardous after determination by the chief that the dam or
levee as modified will not endanger life, health, or property.

(F) When inspections required by this section are not being
performed, the chief shall notify the person or governmental
agency to which the permit has been issued that inspections are
not being performed by the registered professional engineer and
that the chief will inspect the remainder of the construction.
Thereafter, the chief shall inspect the construction and the cost
of inspection shall be charged against the owner. Failure of the
registered professional engineer to submit required inspection
reports shall be deemed notice that the engineer's inspections are
not being performed.

(G) The chief may order construction to cease on any dam or
levee that is being built in violation of this section, and may
prohibit the retention of water behind any dam or levee that has
been built in violation of this section.

(H) The chief may adopt rules in accordance with Chapter 119.
of the Revised Code, for the design and construction of dams and
levees for which a construction permit is required by this section
or for which periodic inspection is required by section 1521.062
of the Revised Code, for deposit and forfeiture of bonds and other
securities required by section 1521.061 of the Revised Code, for
the periodic inspection, operation, repair, improvement,
alteration, or removal of all dams and levees, as specified in
section 1521.062 of the Revised Code, and for establishing classes
of dams or levees that are exempt from the requirements of this
section and section 1521.062 of the Revised Code as being of a
size, purpose, or situation that does not present a substantial
hazard to life, health, or property. The chief may, by rule, limit
the period during which a construction permit issued under this
section is valid. The rules may allow for the extension of the
period during which a permit is valid upon written request,
provided that the written request includes a revised construction
cost estimate, and may require the payment of an additional filing
fee for the requested extension. If a construction permit expires
without an extension before construction is completed, the person
or agency shall apply for a new permit, and shall not continue
construction until the new permit is issued.

(I) The chief shall adopt rules in accordance with Chapter
119. of the Revised Code establishing a filing fee schedule for
purposes of division (B) of this section.

Sec. 1521.061. (A)(1) Except as otherwise provided in this
section, the chief of the division of water resources shall not
issue a construction permit shall not be issued under section
1521.06 of the Revised Code unless the person or governmental
agency applying for the permit executes and files a surety bond
conditioned on completion of the dam or levee in accordance with
the terms of the permit and the plans and specifications approved
by the chief of the division of water resources, in an amount
equal to fifty per cent of the estimated cost of the project.
Except as provided in division (A)(2) of this section, the surety
bond shall equal:
(a) $50,000 for the first $500,000 of the estimated cost of the project; plus

(b) Twenty-five per cent of the estimated cost for the next $4,500,000 of the estimated cost of the project; plus

(c) Ten per cent of the estimated cost that exceeds $5,000,000.

(2) The chief may reduce the amount of the required surety bond to the amount equal to the cost estimate of construction activities necessary to render the dam nonhazardous if the cost estimate is provided by the applicant and approved by the chief.

(B) If a permittee requests an extension of the time period during which a construction permit is valid in accordance with rules adopted under section 1521.06 of the Revised Code, the chief shall determine whether the revised construction cost estimate provided with the request exceeds the original construction cost estimate that was filed with the chief by more than twenty-five per cent. If the revised construction cost estimate exceeds the original construction cost estimate by more than twenty-five per cent, the chief may require an additional surety bond to be filed so that the total amount of the surety bonds equals at least fifty per cent of the estimated construction cost estimate.

(C) The chief shall not approve any bond until it is personally signed and acknowledged by both principal and surety, or as to either by the attorney in fact thereof, with a certified copy of the power of attorney attached. The chief shall not approve the bond unless there is attached a certificate of the superintendent of insurance that the company is authorized to transact a fidelity and surety business in this state.

All bonds shall be given in a form prescribed by the chief.
and shall run to the state as obligee.

(D)(1) The applicant may deposit, in lieu of a bond, cash in an amount equal to the amount of the bond or United States government securities or negotiable certificates of deposit issued by any bank organized or transacting business in this state having a par value equal to or greater than the amount of the bond. Such cash or securities shall be deposited upon the same terms as bonds. If one or more certificates of deposit are deposited in lieu of a bond, the chief shall require the bank that issued any such certificate to pledge securities of the aggregate market value equal to the amount of the certificate that is in excess of the amount insured by the federal deposit insurance corporation.

The securities to be pledged shall be those designated as eligible under section 135.18 of the Revised Code. The securities shall be security for the repayment of the certificate of deposit.

(2) Immediately upon a deposit of cash, securities, or certificates of deposit, the chief shall deliver them to the treasurer of state, who shall hold them in trust for the purposes for which they have been deposited. The treasurer of state is responsible for the safekeeping of such deposits. An applicant making a deposit of cash, securities, or certificates of deposit may withdraw and receive from the treasurer of state, on the written order of the chief, all or any portion of the cash, securities, or certificates of deposit, upon depositing with the treasurer of state cash, other United States government securities, or negotiable certificates of deposit issued by any bank organized or transacting business in this state equal in par value to the par value of the cash, securities, or certificates of deposit withdrawn. An applicant may demand and receive from the treasurer of state all interest or other income from any such securities or certificates as it becomes due. If securities so deposited with and in the possession of the treasurer of state
mature or are called for payment by the issuer thereof, the
 treasurer of state, at the request of the applicant who deposited
 them, shall convert the proceeds of the redemption or payment of
 the securities into such other United States government
 securities, negotiable certificates of deposit issued by any bank
 organized or transacting business in this state, or cash as the
 applicant designates.

(E)(1) When the chief finds that a person or governmental
 agency has failed to comply with the conditions of the person's or
 agency's bond, the chief shall make a finding of that fact and
 declare the bond, cash, securities, or certificates of deposit
 forfeited in the amount set by rule of the chief. The chief shall
 thereupon certify the total forfeiture to the attorney general,
 who shall proceed to collect that amount.

(2) In lieu of total forfeiture, the surety, at its option,
 may cause the dam or levee to be completed as required by section
 1521.06 of the Revised Code and rules of the chief, or otherwise
 rendered nonhazardous, or pay to the treasurer of state the cost
 thereof.

(F)(1) All moneys collected on account of forfeitures of
 bonds, cash, securities, and certificates of deposit under this
 section shall be credited to the dam safety fund created in
 section 1521.06 of the Revised Code. The chief shall make
 expenditures from the fund to complete dams and levees for which
 bonds have been forfeited or to otherwise render them
 nonhazardous.

(2) Expenditures from the fund for those purposes shall be
 made pursuant to contracts entered into by the chief with persons
 who agree to furnish all of the materials, equipment, work, and
 labor as specified and provided in the contract.

(G) A surety bond shall not be required for a permit for a
dam or levee that is to be designed and constructed by an agency of the United States government, if the agency files with the chief written assurance of the agency's financial responsibility for the structure during the one-year period following the chief's approval of the completed construction provided for under division (E) of section 1521.06 of the Revised Code.

Sec. 1521.40. (A) No person shall violate any provision of this chapter, any rule or order adopted or issued under it, or any term or condition of a permit issued under it.

(B) The attorney general, upon written request of the chief of the division of water resources, shall bring an action for an injunction or other appropriate legal or equitable action against any person who has violated, is violating, or is threatening to violate any provision of this chapter, any rule or order adopted or issued under it, or any term or condition of a permit issued under it.

(C) A person who violates any provision of this chapter, any rule or order adopted or issued under it, or any term or condition of a permit issued under it is liable to the chief for any costs incurred by the division of water resources in investigating, mitigating, minimizing, removing, or abating the violation and conditions caused by it. All parts of the case plan shall be completed by the earlier of thirty days after the adjudicatory hearing or the date of the dispositional hearing for the child.

(E) Any agency that is required by division (A) of this section to prepare a case plan shall attempt to obtain an agreement among all parties, including, but not limited to, the parents, guardian, or custodian of the child and the guardian ad litem of the child regarding the content of the case plan. If the agency cannot obtain an agreement upon the contents of the case plan or the court does not approve it, the parties shall present evidence on the contents of the case plan at the dispositional hearing. The court, based upon the evidence presented at the dispositional hearing and the best interest of the child, shall determine the contents of the case plan and journalize it as part of the dispositional order for the child.

The agency may implement the proposed change after the hearing, if the court approves it. The agency shall not implement the proposed change unless it is approved by the court.

(b) If it does not receive a timely request for a hearing, the court may approve the proposed change without a hearing. If the court approves the proposed change without a hearing, it shall journalize the case plan with the change not later than fourteen days after the change is filed with the court. If the court does not approve the proposed change to the case plan, it shall schedule a hearing to be held pursuant to section 2151.417 of the Revised Code no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child. If, despite the requirements of division (F)(2) of this section, the court neither approves and journalizes the proposed change nor conducts a hearing, the agency may implement the proposed change not earlier than fifteen days after it is submitted to the court.

(3) If an agency has reasonable cause to believe that a child is suffering from illness or injury and is not receiving proper
care and that an appropriate change in the child's case plan is necessary to prevent immediate or threatened physical or emotional harm, to believe that a child is in immediate danger from the child's surroundings and that an immediate change in the child's case plan is necessary to prevent immediate or threatened physical or emotional harm to the child, or to believe that a parent, guardian, custodian, or other member of the child's household has abused or neglected the child and that the child is in danger of immediate or threatened physical or emotional harm from that person unless the agency makes an appropriate change in the child's case plan, it may implement the change without prior agreement or a court hearing and, before the end of the next day after the change is made, give all parties, the guardian ad litem of the child, and the court notice of the change. Before the end of the third day after implementing the change in the case plan, the agency shall file a statement of the change with the court and give notice of the filing accompanied by a copy of the statement to all parties and the guardian ad litem. All parties and the guardian ad litem shall have ten days from the date the notice is sent to object to and request a hearing on the change.

(a) If it receives a timely request for a hearing, the court shall schedule a hearing pursuant to section 2151.417 of the Revised Code to be held no later than thirty days after the request is received by the court. The court shall give notice of the date, time, and location of the hearing to all parties and the guardian ad litem. The agency shall continue to administer the case plan with the change after the hearing, if the court approves the change. If the court does not approve the change, the court shall make appropriate changes to the case plan and shall journalize the case plan.

(b) If it does not receive a timely request for a hearing, the court may approve the change without a hearing. If the court
approves the change without a hearing, it shall journalize the case plan with the change within fourteen days after receipt of the change. If the court does not approve the change to the case plan, it shall schedule a hearing under section 2151.417 of the Revised Code to be held no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child.

(H) In the agency's development of a case plan and the court's review of the case plan, the child's health and safety shall be the paramount concern. The agency and the court shall be guided by the following general priorities:

(1) A child who is residing with or can be placed with the child's parents within a reasonable time should remain in their legal custody even if an order of protective supervision is required for a reasonable period of time;

(2) If both parents of the child have abandoned the child,
have relinquished custody of the child, have become incapable of supporting or caring for the child even with reasonable assistance, or have a detrimental effect on the health, safety, and best interest of the child, the child should be placed in the legal custody of a suitable member of the child's extended family;

(3) If a child described in division (H)(2) of this section has no suitable member of the child's extended family to accept legal custody, the child should be placed in the legal custody of a suitable nonrelative who shall be made a party to the proceedings after being given legal custody of the child;

(4) If the child has no suitable member of the child's extended family to accept legal custody of the child and no suitable nonrelative is available to accept legal custody of the child and, if the child temporarily cannot or should not be placed with the child's parents, guardian, or custodian, the child should be placed in the temporary custody of a public children services agency or a private child placing agency;

(5) If the child cannot be placed with either of the child's parents within a reasonable period of time or should not be placed with either, if no suitable member of the child's extended family or suitable nonrelative is available to accept legal custody of the child, and if the agency has a reasonable expectation of placing the child for adoption, the child should be committed to the permanent custody of the public children services agency or private child placing agency;

(6) If the child is to be placed for adoption or foster care, the placement shall not be delayed or denied on the basis of the child's or adoptive or foster family's race, color, or national origin.

(I) The case plan for a child in temporary custody shall include at a minimum the following requirements if the child is or
has been the victim of abuse or neglect or if the child witnessed the commission in the child's household of abuse or neglect against a sibling of the child, a parent of the child, or any other person in the child's household:

(1) A requirement that the child's parents, guardian, or custodian participate in mandatory counseling;

(2) A requirement that the child's parents, guardian, or custodian participate in any supportive services that are required by or provided pursuant to the child's case plan.

(J) Prior to January 1, 2023, a case plan for a child in temporary custody may include, as a supplement, a plan for locating a permanent family placement. The supplement shall not be considered part of the case plan for purposes of division (E) of this section.

(2) On and after January 1, 2023, a case plan for a child in temporary custody shall include a permanency plan for the child unless it is documented that such a plan would not be in the best interest of the child. The permanency plan shall describe the services the agency shall provide to achieve permanency for the child if reasonable efforts to return the child to the child's home, or eliminate the continued removal from that home, are unsuccessful. Those services shall be provided concurrently with reasonable efforts to return the child home or eliminate the child's continued removal from home.

(3) The director of job and family services, pursuant to Chapter 119. of the Revised Code, shall adopt rules necessary to carry out the purposes of division (J) of this section.

(K)(1) A public children services agency may request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check with respect to a parent, guardian, custodian, prospective custodian, or prospective
placement whose actions result in a finding after the filing of a complaint as described in division (A)(1) of this section that a child is an abused, neglected, or dependent child. The public children services agency shall request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check.

(2) At any time on or after the date that is ninety days after the effective date of this amendment September 10, 2012, a prosecuting attorney, or an assistant prosecuting attorney appointed under section 309.06 of the Revised Code, may request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check with respect to each parent, guardian, custodian, prospective custodian, or prospective placement whose actions resulted in a finding after the filing of a complaint described in division (A)(1) of this section that a child is an abused, neglected, or dependent child. Each prosecuting attorney or assistant prosecuting attorney who makes such a request shall request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check for each parent, guardian, custodian, prospective custodian, or prospective placement who is a subject of the request.

(3) A public children services agency, prosecuting attorney, or assistant prosecuting attorney that requests a criminal records check under division (K)(1) or (2) of this section shall do both of the following:

impression sheet from the parent, guardian, custodian, prospective custodian, or prospective placement;

(b) Forward the completed form and impression sheet to the superintendent of the bureau of criminal identification and investigation.

(4) A parent, guardian, custodian, prospective custodian, or prospective placement who is given a form and fingerprint impression sheet under division (K)(3)(a) of this section and who fails to complete the form or provide fingerprint impressions may be held in contempt of court.

(A) Each agency that is required by section 2151.412 of the Revised Code to prepare a case plan for a child shall complete a semiannual administrative review of the case plan no later than six months after the earlier of the date on which the complaint in the case was filed or the child was first placed in shelter care. After the first administrative review, the agency shall complete semiannual administrative reviews no later than every six months. If the court issues an order pursuant to section 2151.414 or 2151.415 of the Revised Code, the agency shall complete an administrative review no later than six months after the court's order and continue to complete administrative reviews no later than every six months after the first review, except that the court hearing held pursuant to section 2151.417 of the Revised Code may take the place of any administrative review that would otherwise be held at the time of the court hearing. When conducting a review, the child's health and safety shall be the paramount concern.

(B) Each administrative review required by division (A) of this section shall be conducted by a review panel of at least three persons, including, but not limited to, both of the following:
(1) A caseworker with day-to-day responsibility for, or familiarity with, the management of the child's case plan;

(C) Each semiannual administrative review shall include, but not be limited to, a joint meeting by the review panel with the parents, guardian, or custodian of the child, the guardian ad litem of the child, and the child's foster care provider and shall include an opportunity for those persons to submit any written materials to be included in the case record of the child. If a parent, guardian, custodian, guardian ad litem, or foster care provider of the child cannot be located after reasonable efforts to do so or declines to participate in the administrative review after being contacted, the agency does not have to include them in the joint meeting.  

(D) The agency shall prepare a written summary of the semiannual administrative review that shall include, but not be limited to, all of the following:  

(1) A conclusion regarding the safety and appropriateness of the child's foster care placement;

(5) An updated case plan that includes any changes that the
agency is proposing in the case plan;

   (6) The recommendation of the agency as to which agency or
person should be given custodial rights over the child for the
six-month period after the administrative review;

placement with an appropriate and willing kinship caregiver as
defined in section 5101.85 of the Revised Code, including any use

unless a court has determined that intensive efforts are
unnecessary pursuant to section 2151.4118 of the Revised Code.

   (E) The agency shall file the summary with the court no later
than seven days after the completion of the administrative review.
If the agency proposes a change to the case plan as a result of

court shall schedule a hearing pursuant to section 2151.417 of the
Revised Code to be held not later than thirty days after the court

time, and location of the hearing to all parties and the guardian
ad litem. The agency may implement the proposed change after the
hearing, if the court approves it. The agency shall not implement
the proposed change unless it is approved by the court.
(2) If the court does not receive a timely request for a hearing, the court may approve the proposed change without a hearing. If the court approves the proposed change without a hearing, it shall journalize the case plan with the change not later than fourteen days after the change is filed with the court. If the court does not approve the proposed change to the case plan, it shall schedule a review hearing to be held pursuant to section 2151.417 of the Revised Code no later than thirty days after the expiration of the fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the guardian ad litem of the child. If, despite the requirements of this division and division (D) of section 2151.417 of the Revised Code, the court neither approves and journalizes the proposed change nor conducts a hearing, the agency may implement the proposed change not earlier than fifteen days after it is submitted to the court.

(F) The director of job and family services may adopt rules pursuant to Chapter 119. of the Revised Code for procedures and standard forms for conducting administrative reviews pursuant to this section.

(G) The juvenile court that receives the written summary of the administrative review, upon determining, either from the written summary, case plan, or otherwise, that the custody or care arrangement is not in the best interest of the child, may terminate the custody of an agency and place the child in the custody of another institution or association certified by the department of job and family services under section 5103.03 of the Revised Code.

**Sec. 2151.4117.** (A) At every court hearing regarding a child described in section 2151.4116 of the Revised Code, the court shall determine whether the public children services agency or private child placing agency has continued intensive efforts to identify and engage appropriate and willing kinship caregivers for the child.

(B) At each hearing the court shall:

(1) Review the placement of the child to determine if the child is receiving care in the home of a kinship caregiver;

(2) Review the efforts of the agency since the previous hearing to place the child with a kinship caregiver in accordance with section 2151.33 of the Revised Code, including efforts to utilize search technology to find biological family members for the child;

(3) Review any previous court order issued under section 2151.4118 of the Revised Code to determine if the order should continue based on the child's current placement situation.
Sec. 2151.4118. A court may issue an order that determines, with respect to a child described in section 2151.4116 of the Revised Code who is not receiving care in the home of a kinship caregiver, that the continuation of the child's current placement is in the child's best interest and that intensive efforts to identify and engage an appropriate and willing kinship caregiver for the child are unnecessary if the court makes the findings in section 2151.4119 of the Revised Code.

Sec. 2151.4119. A court may issue an order under section 2151.4118 of the Revised Code if it finds all of the following:

(C) The removal of the child from the current caregivers would be detrimental to the child's emotional well-being.

Sec. 2151.4121. If a relative who received the required notice pursuant to section 2151.33 of the Revised Code fails within six months from the date of receipt to demonstrate interest in and willingness to provide a permanent home for a child, a court may excuse the public children services agency or private child placing agency from considering such relative for placement.
if the court has issued an order under section 2151.4119 of the Revised Code.

Sec. 2151.4122. Nothing in sections 2151.4115 to 2151.4121 of the Revised Code shall be construed to prevent a public children services agency or private child placement agency from continuing to search or consider kinship caregivers.

Sec. 2151.452. A juvenile court shall do both of the following regarding an emancipated young adult described under division (A)(1) of section 5101.1411 of the Revised Code:

(A) Not later than one hundred eighty days after the voluntary participation agreement becomes effective, make a determination as to whether the emancipated young adult's best interest is served by continuing the care and placement with the
department of job and family services or its representative. An emancipated young adult shall not be eligible for continued care and placement if the court finds it is not in the emancipated young adult's best interest.

(B) Not later than twelve months after the effective date that of the voluntary participation agreement is signed, and annually at least once every twelve months thereafter, make a determination as to whether that the department or its representative has made reasonable efforts have been made to finalize a permanency plan to prepare the emancipated young adult for independence.

Sec. 2151.453. If any determination required under division (B) of section 2151.452 of the Revised Code is not timely made, the federal payments for foster care under division (A)(1) of section 5101.1411 of the Revised Code for the emancipated young adult shall be suspended. The payments shall resume upon a subsequent determination that reasonable efforts have been made to prepare the emancipated young adult for independence, but only if both of the following apply:

provider of a hospice care program or pediatric respite care program.

Written consent to a surgical or medical procedure or course of procedures shall, to the extent that it fulfills all the requirements in divisions (A), (B), and (C) of this section, be presumed to be valid and effective, in the absence of proof by a preponderance of the evidence that the person who sought such consent was not acting in good faith, or that the execution of the consent was induced by fraudulent misrepresentation of material facts, or that the person executing the consent was not able to communicate effectively in spoken and written English or any other language in which the consent is written. Except as herein provided, no evidence shall be admissible to impeach, modify, or limit the authorization for performance of the procedure or procedures set forth in such written consent.

(A) The consent sets forth in general terms the nature and purpose of the procedure or procedures, and what the procedures are expected to accomplish, together with the reasonably known risks, and, except in emergency situations, sets forth the names of the physicians who shall perform the intended surgical procedures.

(B) The person making the consent acknowledges that such disclosure of information has been made and that all questions asked about the procedure or procedures have been answered in a satisfactory manner.

(C) The consent is signed by the patient for whom the procedure is to be performed, or, if the patient for any reason including, but not limited to, competence, minority, or the fact that, at the latest time that the consent is needed, the patient is under the influence of alcohol, hallucinogens, or drugs, lacks legal capacity to consent, by a person who has legal authority to consent on behalf of such patient in such circumstances, including

(1) The parent, whether the parent is an adult or a minor, of the parent's minor child;

(2) An adult whom the parent of the minor child has given written authorization to consent to a surgical or medical procedure or course of procedures for the parent's minor child.

As used in this section the term "hospital" has the same meaning as in section 2305.113 of the Revised Code; "home health agency" has the same meaning as in section 3701.881 of the Revised Code; "ambulatory surgical facility" has the same meaning as in section 3702.30 of the Revised Code; and "hospice care program" and "pediatric respite care program" have the same meanings as in section 3712.01 of the Revised Code, and "home health agency" has the same meaning as in section 3740.01 of the Revised Code. The provisions of this division apply to hospitals, doctors of medicine, doctors of osteopathic medicine, and doctors of podiatric medicine.

**Sec. 2329.312.** (A) All levying officers appointed or authorized by a court under this chapter to conduct the judicial or execution sale of residential property consisting of one to four single-family units shall submit quarterly reports to the attorney general for the purpose of assessing the extent to which deadlines required by this chapter are met. The reports shall include data on each such sale conducted by the officer, including data showing whether or not the deadlines required under division...
(E) of section 2308.02, division (B) of section 2329.17, and sections 2329.30 and 2329.31 of the Revised Code are met.

(B) Starting one year after the effective date of this section September 28, 2016, the attorney general shall do all of the following:

(1) Establish and maintain a database comprised of the information submitted by levying officers pursuant to division (A) of this section;

(2) Make the information included in the database reports described in division (A) of this section publicly available;

Sec. 2743.01. As used in this chapter:

(A) "State" means the state of Ohio, including, but not limited to, the general assembly, the supreme court, the offices of all elected state officers, and all departments, boards, offices, commissions, agencies, institutions, and other instrumentalities of the state. "State" does not include political subdivisions.

(B) "Political subdivisions" means municipal corporations, townships, counties, school districts, and all other bodies corporate and politic responsible for governmental activities only in geographic areas smaller than that of the state to which the sovereign immunity of the state attaches.

(C) "Claim for an award of reparations" or "claim" means a claim for an award of reparations made under sections 2743.51 to 2743.72 of the Revised Code.

(D) "Award of reparations" or "award" means an award made
under sections 2743.51 to 2743.72 of the Revised Code.

(E)(1) "Public duty" includes, but is not limited to, any statutory, regulatory, or assumed duty concerning any action or omission of the state involving any of the following:

(a) Permitting, certifying, licensing, inspecting, investigating, supervising, regulating, auditing, monitoring, law enforcement, or emergency response activity, or compromising claims;

(b) Supervising, rehabilitating, or liquidating corporations or other business entities.

(2) "Public duty" does not include any action of the state under circumstances in which a special relationship can be established between the state and an injured party as provided in division (A)(3) of section 2743.02 of the Revised Code.

Sec. 2743.02. (A)(1) The state hereby waives its immunity from liability, except as provided for the office of the state fire marshal in division (G)(1) of section 9.60 and division (B) of section 3737.221 of the Revised Code and subject to division (H) of this section, and consents to be sued, and have its liability determined, in the court of claims created in this chapter in accordance with the same rules of law applicable to suits between private parties, except that the determination of liability is subject to the limitations set forth in this chapter and, in the case of state universities or colleges, in section 3345.40 of the Revised Code, and except as provided in division (A)(2) or (3) of this section. To the extent that the state has previously consented to be sued, this chapter has no applicability.

Except in the case of a civil action filed by the state, filing a civil action in the court of claims results in a complete
waiver of any cause of action, based on the same act or omission, that the filing party has against any officer or employee, as defined in section 109.36 of the Revised Code. The waiver shall be void if the court determines that the act or omission was manifestly outside the scope of the officer's or employee's office or employment or that the officer or employee acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(2) If a claimant proves in the court of claims that an officer or employee, as defined in section 109.36 of the Revised Code, would have personal liability for the officer's or employee's acts or omissions but for the fact that the officer or employee has personal immunity under section 9.86 of the Revised Code, the state shall be held liable in the court of claims in any action that is timely filed pursuant to section 2743.16 of the Revised Code and that is based upon the acts or omissions.

(3)(a) Except as provided in division (A)(3)(b) of this section, the state is immune from liability in any civil action or proceeding involving the performance or nonperformance of a public duty, including the performance or nonperformance of a public duty that is owed by the state in relation to any action of an individual who is committed to the custody of the state.

(b) The state immunity provided in division (A)(3)(a) of this section does not apply to any action of the state under circumstances in which a special relationship can be established between the state and an injured party. A special relationship under this division is demonstrated if all of the following elements exist:

(i) An assumption by the state, by means of promises or actions, of an affirmative duty to act on behalf of the party who was allegedly injured;

(ii) Knowledge on the part of the state's agents that
inaction of the state could lead to harm;

(iii) Some form of direct contact between the state's agents and the injured party;

(iv) The injured party's justifiable reliance on the state's affirmative undertaking.

(B) The state hereby waives the immunity from liability of all hospitals owned or operated by one or more political subdivisions and consents for them to be sued, and to have their liability determined, in the court of common pleas, in accordance with the same rules of law applicable to suits between private parties, subject to the limitations set forth in this chapter. This division is also applicable to hospitals owned or operated by political subdivisions that have been determined by the supreme court to be subject to suit prior to July 28, 1975.

(C) Any hospital, as defined in section 2305.113 of the Revised Code, may purchase liability insurance covering its operations and activities and its agents, employees, nurses, interns, residents, staff, and members of the governing board and committees, and, whether or not such insurance is purchased, may, to the extent that its governing board considers appropriate, indemnify or agree to indemnify and hold harmless any such person against expense, including attorney's fees, damage, loss, or other liability arising out of, or claimed to have arisen out of, the death, disease, or injury of any person as a result of the negligence, malpractice, or other action or inaction of the indemnified person while acting within the scope of the indemnified person's duties or engaged in activities at the request or direction, or for the benefit, of the hospital. Any hospital electing to indemnify those persons, or to agree to so indemnify, shall reserve any funds that are necessary, in the exercise of sound and prudent actuarial judgment, to cover the potential expense, fees, damage, loss, or other liability. The
superintendent of insurance may recommend, or, if the hospital
requests the superintendent to do so, the superintendent shall
recommend, a specific amount for any period that, in the
superintendent's opinion, represents such a judgment. This
authority is in addition to any authorization otherwise provided
or permitted by law.

(D) Recoveries against the state shall be reduced by the
aggregate of insurance proceeds, disability award, or other
collateral recovery received by the claimant. This division does not apply to civil actions in the
court of claims against a state university or college under the
circumstances described in section 3345.40 of the Revised Code.
The collateral benefits provisions of division (B)(2) of that
section apply under those circumstances.

(E) The only defendant in original actions in the court of
claims is the state. The state may file a third-party complaint or
counterclaim in any civil action, except a civil action for ten
thousand dollars or less, that is filed in the court of claims.

(F) A civil action against an officer or employee, as defined
in section 109.36 of the Revised Code, that alleges that the
officer's or employee's conduct was manifestly outside the scope
of the officer's or employee's employment or official
responsibilities, or that the officer or employee acted with
malicious purpose, in bad faith, or in a wanton or reckless manner
shall first be filed against the state in the court of claims that
has exclusive, original jurisdiction to determine, initially,
whether the officer or employee is entitled to personal immunity
under section 9.86 of the Revised Code and whether the courts of
common pleas have jurisdiction over the civil action. The officer
or employee may participate in the immunity determination
proceeding before the court of claims to determine whether the
officer or employee is entitled to personal immunity under section
9.86 of the Revised Code.

The filing of a claim against an officer or employee under this division tolls the running of the applicable statute of limitations until the court of claims determines whether the officer or employee is entitled to personal immunity under section 9.86 of the Revised Code.

(G) If a claim lies against an officer or employee who is a member of the Ohio national guard, and the officer or employee was, at the time of the act or omission complained of, subject to the "Federal Tort Claims Act," 60 Stat. 842 (1946), 28 U.S.C. 2671, et seq., the Federal Tort Claims Act is the exclusive remedy of the claimant and the state has no liability under this section.

(H) If an inmate of a state correctional institution has a claim against the state for the loss of or damage to property and the amount claimed does not exceed three hundred dollars, before commencing an action against the state in the court of claims, the inmate shall file a claim for the loss or damage under the rules adopted by the director of rehabilitation and correction pursuant to this division. The inmate shall file the claim within the time allowed for commencement of a civil action under section 2743.16 of the Revised Code. If the state admits or compromises the claim, the director shall make payment from a fund designated by the director for that purpose. If the state denies the claim or does not compromise the claim at least sixty days prior to expiration of the time allowed for commencement of a civil action based upon the loss or damage under section 2743.16 of the Revised Code, the inmate may commence an action in the court of claims under this chapter to recover damages for the loss or damage.

The director of rehabilitation and correction shall adopt rules pursuant to Chapter 119. of the Revised Code to implement this division.
Sec. 2743.15. (A) The director or other administrative chief, or the governing body, of any department, board, office, commission, agency, institution, or other instrumentality of the state, with:

(2) Shall notify the office of risk management in the department of administrative services of any settlement or compromise to allow for the proper reservation of funds.

(B) The acceptance by the claimant of any such compromise or settlement shall be final and conclusive on the claimant and is a complete release of the civil action against the state insofar as the particular department, board, office, commission, agency, institution, or other instrumentality is named, or could be named, as a defendant. A compromise or settlement that requires the payment of money by the state may be implemented and enforced, insofar as the payment of money is concerned, only through the procedure specified in section 2743.19 of the Revised Code, which shall be commenced by the attorney general forwarding a clerk's certified copy of the settlement instrument to the director of budget and management. A copy of the settlement instrument of actions involving the office of risk management in the department of administrative services shall be forwarded to the office of risk management for payment via the risk management reserve fund created in section 9.823 of the Revised Code.

No interest of any kind, including any kind set forth in sections 2743.18 and 2743.19 of the Revised Code, is allowed on any compromise or settlement of any civil action against the state.
under this section.

The authority of the department of administrative services to compromise claims does not extend to other statutory and agency programs with direct settlement authority, including activities by the department of transportation, inmate property actions described in division (H) of section 2743.02 of the Revised Code, and wrongful imprisonment actions provided for in section 2743.48 of the Revised Code.

Sec. 2743.16. (A) Subject to division (B) of this section, civil actions against the state permitted by sections 2743.01 to 2743.20 of the Revised Code shall be commenced no later than two years after the date of accrual of the cause of action or within any shorter period that is applicable to similar suits between private parties.

(B) If a person suffers injury, death, or loss to person or property from the operation of an automobile, truck, motor vehicle with auxiliary equipment, self-propelling equipment or trailer, aircraft, or watercraft by an officer or employee of the state while engaged in the course of his employment or official responsibilities for the state, as contemplated in sections 9.821 to 9.83 of the Revised Code, the person or the representative of that person or of the estate of that person shall attempt, prior to the commencement of an action based upon that injury, death, or loss, to have the claim based upon that injury, death, or loss compromised by the state office of risk management in the department of administrative services or satisfied by the state's liability insurance. No action for any such claim shall be filed in the court of claims until the person, the representative of that person, or the estate of the person asserting the claim has complied with this division. Any compromise by the office of risk management shall be paid from the risk management reserve fund.
created in section 9.823 of the Revised Code. The acceptance by
the claimant of any such compromise or settlement shall be final
and conclusive on the person or representative of the person or
the person's estate and is a complete release against the state
insofar as the particular department, board, office, commission,
agency, institution, or other instrumentality is named, or could
be named, as a defendant and results in a complete waiver of any
cause of action, based on the same act or omission, that the
person or representative of the person or the person's estate has
against any officer or employee, as defined in section 109.36 of
the Revised Code.

If the state, upon a request of the person or of his or his
estate's the representative of the person or the person's estate
to compromise such a claim, does not compromise the claim within a
reasonable time after the request is made and at least sixty days
prior to the expiration of the applicable period of limitations
for commencement of an action based upon the injury, death, or
loss, or if the amount of the claim is in excess of the state's
liability insurance coverage, the person or his or his estate's
the representative of the person or the person's estate may
commence an action in the court of claims under this chapter to
recover the claim or the unpaid amount of the claim from the
state. Neither the person nor his or his estate's the
representative of the person or the person's estate shall commence
an action against the officer or employee to recover damages for
the injury, death, or loss until after he the person or
representative commences the action in the court of claims against
the state and the action in that court is terminated. If the court
of claims determines that the state is not liable for the injury,
death, or loss caused by the officer's or employee's operation of
the automobile, truck, motor vehicle with auxiliary equipment,
self-propelling equipment or trailer, aircraft, or watercraft, the
person or his or his estate's the representative of the person or
the person's estate is not prohibited by this division from commencing an action against the officer or employee to recover the claim or the unpaid amount of the claim based upon the injury, death, or loss. Nothing in this division shall affect the immunity of any state officer or employee pursuant to section 9.86 of the Revised Code.

If a person or his or his estate's representative attempts, pursuant to this division, to have a claim compromised by the state or satisfied by the state's liability insurance, and if the state determines not to compromise the claim, the state's liability insurance will not cover the claim, or the claim is in excess of the state's liability insurance coverage, then the state shall so notify the person or his or his estate's representative in writing. The notice shall be provided as soon as possible after the state determines not to compromise the claim or it is determined that the state's liability insurance will not cover either the claim or the entire claim.

(C) All summaries, reports, and records received and maintained by the office of risk management in the department of administrative services in connection with claims against the state are not public records, shall be held in confidence, shall not be released, and shall not be subject to discovery or introduction in evidence in any federal or state civil action.

(D)(1) The period of limitations prescribed by division (A) of this section shall be tolled pursuant to section 2305.16 of the Revised Code.

(2) If a person suffers injury, death, or loss to person or property from the operation of an automobile, truck, motor vehicle with auxiliary equipment, self-propelling equipment or trailer, aircraft, or watercraft by an officer or employee of the state while engaged in the course of his employment or official responsibilities for the state contemplated by sections 9.82 to
9.83 of the Revised Code, if the person or his or his estate's the representative of the person or the person's estate is required by division (B) of this section to attempt to have the claim based upon the injury, death, or loss compromised by the state or satisfied by the state's liability insurance prior to commencing an action based upon the injury, death, or loss, and if the person or his or his estate's the representative of the person or the person's estate complies with that division prior to the expiration of the applicable period of limitations prescribed by division (A) of this section for the commencement of an action in the court of claims based upon that injury, death, or loss, the period of time commencing with the submission of the claim to the state for the purposes of compromise or liability insurance satisfaction and ending with the state's compromise of the claim, the satisfaction of the claim by the state's liability insurance, or the provision of the written notice described in division (B) of this section shall not be computed as any part of the period within which an action based upon that injury, death, or loss must be brought.

(3) If a person or his or his estate's the representative of a person or a person's estate commences an action to recover a claim, or the unpaid amount of a claim, against the state in the court of claims and that claim arises out of the operation of an automobile, truck, motor vehicle with auxiliary equipment, self-propelling equipment or trailer, aircraft, or watercraft by an officer or employee of the state while engaged in the course of his employment or official responsibilities for the state an injury, death, or loss contemplated by sections 9.82 to 9.83 of the Revised Code, the statute of limitations on the claim against the officer or employee shall not run during any time when the action against the state is pending in the court of claims.

Sec. 2929.15. (A)(1) If in sentencing an offender for a felony the court is not required to impose a prison term, a mandatory prison term, or a term of life imprisonment upon the offender, the court may directly impose a sentence that consists of one or more community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the court is sentencing an offender for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, in addition to the mandatory term of local incarceration imposed under that division and the mandatory fine required by division (B)(3) of section 2929.18 of the Revised Code, the court may impose upon the offender a community control sanction or combination of community control sanctions in accordance with sections 2929.16 and 2929.17 of the Revised Code. If the court is sentencing an offender for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, in addition to the mandatory prison term or mandatory prison term and additional prison term imposed under that division, the court also may impose upon the offender a community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code, but the offender...
shall serve all of the prison terms so imposed prior to serving
the community control sanction.

The duration of all community control sanctions imposed on an
offender under this division shall not exceed five years. If the
offender absconds or otherwise leaves the jurisdiction of the
court in which the offender resides without obtaining permission
from the court or the offender's probation officer to leave the
jurisdiction of the court, or if the offender is confined in any
institution for the commission of any offense while under a
community control sanction, the period of the community control
sanction ceases to run until the offender is brought before the
court for its further action. If the court sentences the offender
to one or more nonresidential sanctions under section 2929.17 of
the Revised Code, the court shall impose as a condition of the
nonresidential sanctions that, during the period of the sanctions,
the offender must abide by the law and must not leave the state
without the permission of the court or the offender's probation
officer. The court may impose any other conditions of release
under a community control sanction that the court considers
appropriate, including, but not limited to, requiring that the
offender not ingest or be injected with a drug of abuse and submit
to random drug testing as provided in division (D) of this section
to determine whether the offender ingested or was injected with a
drug of abuse and requiring that the results of the drug test
indicate that the offender did not ingest or was not injected with
a drug of abuse.

(2)(a) If a court sentences an offender to any community
control sanction or combination of community control sanctions
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the
Revised Code, the court shall place the offender under the general
control and supervision of a department of probation in the county
that serves the court for purposes of reporting to the court a
violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer. Alternatively, if the offender resides in another county and a county department of probation has been established in that county or that county is served by a multicounty probation department established under section 2301.27 of the Revised Code, the court may request the court of common pleas of that county to receive the offender into the general control and supervision of that county or multicounty department of probation for purposes of reporting to the court a violation of any condition of the sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer, subject to the jurisdiction of the trial judge over and with respect to the person of the offender, and to the rules governing that department of probation.

If there is no department of probation in the county that serves the court, the court shall place the offender, regardless of the offender's county of residence, under the general control and supervision of the adult parole authority or an entity authorized under division (B) of section 2301.27 of the Revised Code to provide probation and supervisory services to counties for purposes of reporting to the court a violation of any of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer.

(b) If the court imposing sentence on an offender sentences the offender to any community control sanction or combination of
community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, and if the offender violates any condition of the sanctions, violates any condition of release under a community control sanction imposed by the court, violates any law, or departs the state without the permission of the court or the offender's probation officer, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation or departure directly to the sentencing court, or shall report the violation or departure to the county or multicounty department of probation with general control and supervision over the offender under division (A)(2)(a) of this section or the officer of that department who supervises the offender, or, if there is no such department with general control and supervision over the offender under that division, to the adult parole authority or an entity authorized under division (B) of section 2301.27 of the Revised Code to provide probation and supervisory services to the county. If the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction reports the violation or departure to the county or multicounty department of probation, the adult parole authority, or any other entity providing probation and supervisory services to the county, the department's, authority's, or other entity's officers may treat the offender as if the offender were on probation and in violation of the probation, and shall report the violation of the condition of the sanction, any condition of release under a community control sanction imposed by the court, the violation of law, or the departure from the state without the required permission to the sentencing court.

(3) If an offender who is eligible for community control sanctions under this section admits to being drug addicted or the court has reason to believe that the offender is drug addicted,
and if the offense for which the offender is being sentenced was related to the addiction, the court may require that the offender be assessed by a properly credentialed professional within a specified period of time and shall require the professional to file a written assessment of the offender with the court. If a court imposes treatment and recovery support services as a community control sanction, the court shall direct the level and type of treatment and recovery support services after consideration of the written assessment, if available at the time of sentencing, and recommendations of the professional and other treatment and recovery support services providers.

(4) If an assessment completed pursuant to division (A)(3) of this section indicates that the offender is addicted to drugs or alcohol, the court may include in any community control sanction imposed for a violation of section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the Revised Code a requirement that the offender participate in alcohol and drug addiction services and recovery supports certified under section 5119.36 of the Revised Code or offered by a properly credentialed community addiction services provider.

(B)(1) If the conditions of a community control sanction imposed for a felony are violated or if the offender violates a law or leaves the state without the permission of the court or the offender's probation officer, the sentencing court may impose on the violator one or more of the following penalties:

(a) A longer time under the same sanction if the total time under the sanctions does not exceed the five-year limit specified in division (A) of this section;

(b) A more restrictive sanction under section 2929.16, 2929.17, or 2929.18 of the Revised Code, including but not limited to, a new term in a community-based correctional facility, halfway...
house, or jail pursuant to division (A)(6) of section 2929.16 of the Revised Code;

(c) A prison term on the offender pursuant to section 2929.14 of the Revised Code and division (B)(3) of this section, provided that a prison term imposed under this division is subject to the following limitations, as applicable:

(i) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fifth degree, the prison term shall not exceed ninety days, provided that if the remaining period of community control at the time of the violation or the remaining period of the suspended prison sentence at that time is less than ninety days, the prison term shall not exceed the length of the remaining period of community control or the remaining period of the suspended prison sentence. If the court imposes a prison term as described in this division, division (B)(2)(b) of this section applies.

(ii) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fourth degree that is not an offense of violence and is not a sexually oriented offense, the prison term shall not exceed one hundred eighty days, provided that if the remaining period of the community control at the time of the violation or the remaining period of the suspended prison sentence at that time is less than one hundred eighty days, the prison term shall not exceed the length of the remaining period of community control or the remaining period of the suspended prison sentence. If the court imposes a prison term as described in this division, division (B)(2)(b) of this section applies.

(2)(a) If an offender was acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code and in so doing violated the conditions of a community control sanction based on a
minor drug possession offense, as defined in section 2925.11 of the Revised Code, the sentencing court may consider the offender's conduct in seeking or obtaining medical assistance for another in good faith or for self or may consider the offender being the subject of another person seeking or obtaining medical assistance in accordance with that division as a mitigating factor before imposing any of the penalties described in division (B)(1) of this section.

(b) If a court imposes a prison term on an offender under division (B)(1)(c)(i) or (ii) of this section for a technical violation of the conditions of a community control sanction, one of the following is applicable with respect to the time that the offender spends in prison under the term:

   (i) Subject to division (B)(2)(b)(ii) of this section, it shall be credited against the offender's community control sanction that was being served at the time of the violation, and the remaining time under that community control sanction shall be reduced by the time that the offender spends in prison under the prison term. The offender upon release from the prison term shall continue serving the remaining time under the community control sanction, as reduced under this division.

   (ii) If the offender at the time of the violation was serving a community control sanction as part of a suspended prison sentence, it shall be credited against the offender's community control sanction that was being served at the time of the violation and against the suspended prison sentence, and the remaining time under that community control sanction and under the suspended prison sentence shall be reduced by the time that the offender spends in prison under the prison term. The offender upon release from the prison term shall continue serving the remaining time under the community control sanction, as reduced under this division.
(c) A court is not limited in the number of times it may sentence an offender to a prison term under division (B)(1)(c) of this section for a violation of the conditions of a community control sanction or for a violation of a law or leaving the state without the permission of the court or the offender's probation officer. If an offender who is under a community control sanction violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, is sentenced to a prison term for the violation or conduct, is released from the term after serving it, and subsequently violates the conditions of the sanction or violates a law or leaves the state without the permission of the court or the offender's probation officer, the court may impose a new prison term sanction on the offender under division (B)(1)(c) of this section for the subsequent violation or conduct.

(3) The prison term, if any, imposed on a violator pursuant to this division and division (B)(1) of this section shall be within the range of prison terms described in this division and shall not exceed the prison term from the range of terms specified in the notice provided to the offender at the sentencing hearing pursuant to division (B)(2)(B)(4) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to division (B)(1) of this section by the time the offender successfully spent under the sanction that was initially imposed. Except as otherwise specified in this division, the prison term imposed under this division and division (B)(1) of this section shall be within the range of prison terms available as a definite term for the offense for which the sanction that was violated was imposed. If the offense for which the sanction that was violated was imposed is a felony of the first or second degree committed on or after March 22, 2019, the prison term so imposed under this
division shall be within the range of prison terms available as a minimum term for the offense under division (A)(1)(a) or (2)(a) of section 2929.14 of the Revised Code.

(C) If an offender, for a significant period of time, fulfills the conditions of a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary manner, the court may reduce the period of time under the sanction or impose a less restrictive sanction, but the court shall not permit the offender to violate any law or permit the offender to leave the state without the permission of the court or the offender's probation officer.

(D)(1) If a court under division (A)(1) of this section imposes a condition of release under a community control sanction that requires the offender to submit to random drug testing, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section may cause the offender to submit to random drug testing performed by a laboratory or entity that has entered into a contract with any of the governmental entities or officers authorized to enter into a contract with that laboratory or entity under section 341.26, 753.33, or 5120.63 of the Revised Code.

(2) If no laboratory or entity described in division (D)(1) of this section has entered into a contract as specified in that division, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section shall cause the offender to submit to random drug testing performed by a reputable public laboratory to determine whether the individual who is the subject of the drug test ingested or was injected with a drug of abuse.

(3) A laboratory or entity that has entered into a contract
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code shall perform the random drug tests under division (D)(1) of this section in accordance with the applicable standards that are included in the terms of that contract. A public laboratory shall perform the random drug tests under division (D)(2) of this section in accordance with the standards set forth in the policies and procedures established by the department of rehabilitation and correction pursuant to section 5120.63 of the Revised Code. An offender who is required under division (A)(1) of this section to submit to random drug testing as a condition of release under a community control sanction and whose test results indicate that the offender ingested or was injected with a drug of abuse shall pay the fee for the drug test if the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender requires payment of a fee. A laboratory or entity that performs the random drug testing on an offender under division (D)(1) or (2) of this section shall transmit the results of the drug test to the appropriate department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section.

(E) As used in this section, "technical violation" means a violation of the conditions of a community control sanction imposed for a felony of the fifth degree, or for a felony of the fourth degree that is not an offense of violence and is not a sexually oriented offense, and to which neither of the following applies:

(1) The violation consists of a new criminal offense that is a felony or that is a misdemeanor other than a minor misdemeanor, and the violation is committed while under the community control sanction.

(2) The violation consists of or includes the offender's
articulated or demonstrated refusal to participate in the
community control sanction imposed on the offender or any of its
conditions, and the refusal demonstrates to the court that the
offender has abandoned the objects of the community control
sanction or condition.

Sec. 2929.19. (A) The court shall hold a sentencing hearing
before imposing a sentence under this chapter upon an offender who
was convicted of or pleaded guilty to a felony and before
resentencing an offender who was convicted of or pleaded guilty to
a felony and whose case was remanded pursuant to section 2953.07
or 2953.08 of the Revised Code. At the hearing, the offender, the
prosecuting attorney, the victim or the victim's representative in
accordance with section 2930.14 of the Revised Code, and, with the
approval of the court, any other person may present information
relevant to the imposition of sentence in the case. The court
shall inform the offender of the verdict of the jury or finding of
the court and ask the offender whether the offender has anything
to say as to why sentence should not be imposed upon the offender.

(B)(1) At the sentencing hearing, the court, before imposing
sentence, shall do all of the following:

(a) Consider the record, any information presented at the
hearing by any person pursuant to division (A) of this section,
and, if one was prepared, the presentence investigation report
made pursuant to section 2951.03 of the Revised Code or Criminal
Rule 32.2, and any victim impact statement made pursuant to
section 2947.051 of the Revised Code;

(b) If the offense was committed when the offender was under
eighteen years of age, in addition to other factors considered,
consider youth and its characteristics as mitigating factors,
including:

(i) The chronological age of the offender at the time of the
offense and that age's hallmark features, including intellectual capacity, immaturity, impetuosity, and a failure to appreciate risks and consequences;

(ii) The family and home environment of the offender at the time of the offense, the offender's inability to control the offender's surroundings, a history of trauma regarding the offender, and the offender's school and special education history;

(iii) The circumstances of the offense, including the extent of the offender's participation in the conduct and the way familial and peer pressures may have impacted the offender's conduct;

(iv) Whether the offender might have been charged and convicted of a lesser offense if not for the incompetencies associated with youth, such as the offender's inability to deal with police officers and prosecutors during the offender's interrogation or possible plea agreement or the offender's inability to assist the offender's own attorney;

(v) Examples of the offender's rehabilitation, including any subsequent growth or increase in maturity during confinement.

(2) Subject to division (B)(3) of this section, if the sentencing court determines at the sentencing hearing that a prison term is necessary or required, the court shall do all of the following:

(a) Impose a stated prison term and, if the court imposes a mandatory prison term, notify the offender that the prison term is a mandatory prison term;

(b) In addition to any other information, include in the sentencing entry the name and section reference to the offense or offenses, the sentence or sentences imposed and whether the sentence or sentences contain mandatory prison terms, if sentences are imposed for multiple counts whether the sentences are to be
served concurrently or consecutively, and the name and section reference of any specification or specifications for which sentence is imposed and the sentence or sentences imposed for the specification or specifications;

(c) If the prison term is a non-life felony indefinite prison term, notify the offender of all of the following:

(i) That it is rebuttably presumed that the offender will be released from service of the sentence on the expiration of the minimum prison term imposed as part of the sentence or on the offender's presumptive earned early release date, as defined in section 2967.271 of the Revised Code, whichever is earlier;

(ii) That the department of rehabilitation and correction may rebut the presumption described in division (B)(2)(c)(i) of this section if, at a hearing held under section 2967.271 of the Revised Code, the department makes specified determinations regarding the offender's conduct while confined, the offender's rehabilitation, the offender's threat to society, the offender's restrictive housing, if any, while confined, and the offender's security classification;

(iii) That if, as described in division (B)(2)(c)(ii) of this section, the department at the hearing makes the specified determinations and rebuts the presumption, the department may maintain the offender's incarceration after the expiration of that minimum term or after that presumptive earned early release date for the length of time the department determines to be reasonable, subject to the limitation specified in section 2967.271 of the Revised Code;

(iv) That the department may make the specified determinations and maintain the offender's incarceration under the provisions described in divisions (B)(2)(c)(i) and (ii) of this section more than one time, subject to the limitation specified in
(v) That if the offender has not been released prior to the expiration of the offender's maximum prison term imposed as part of the sentence, the offender must be released upon the expiration of that term.

(d) Notify the offender that the offender will be supervised under section 2967.28 of the Revised Code after the offender leaves prison if the offender is being sentenced, other than to a sentence of life imprisonment, for a felony of the first degree or second degree, for a felony sex offense, or for a felony of the third degree that is an offense of violence and is not a felony sex offense. This division applies with respect to all prison terms imposed for an offense of a type described in this division, including a non-life felony indefinite prison term and including a term imposed for any offense of a type described in this division that is a risk reduction sentence, as defined in section 2967.28 of the Revised Code. If a court imposes a sentence including a prison term of a type described in division (B)(2)(d) of this section on or after July 11, 2006, the failure of a court to notify the offender pursuant to division (B)(2)(d) of this section regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence a statement
regarding post-release control.

(e) Notify the offender that the offender may be supervised under section 2967.28 of the Revised Code after the offender leaves prison if the offender is being sentenced for a felony of the third, fourth, or fifth degree that is not subject to division (B)(2)(d) of this section. This division applies with respect to all prison terms imposed for an offense of a type described in this division, including a term imposed for any such offense that is a risk reduction sentence, as defined in section 2967.28 of the Revised Code. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in division (B)(2)(e) of this section and failed to notify the offender pursuant to division (B)(2)(e) of this section regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence a statement regarding post-release control.

(f) Notify the offender that, if a period of supervision is imposed following the offender's release from prison, as described in division (B)(2)(d) or (e) of this section, and if the offender violates that supervision or a condition of post-release control imposed under division (B) of section 2967.131 of the Revised Code, the parole board may impose a prison term, as part of the sentence, of up to one-half of the definite prison term originally imposed upon the offender as the offender's stated prison term or up to one-half of the minimum prison term originally imposed upon the offender as part of the offender's stated non-life felony indefinite prison term. If a court imposes a sentence including a prison term on or after July 11, 2006, the failure of a court to notify the offender pursuant to division (B)(2)(f) of this section that the parole board may impose a prison term as described in division (B)(2)(f) of this section for a violation of that supervision or a condition of post-release control imposed under
division (B) of section 2967.131 of the Revised Code or to include in the judgment of conviction entered on the journal a statement to that effect does not negate, limit, or otherwise affect the authority of the parole board to so impose a prison term for a violation of that nature if, pursuant to division (D)(1) of section 2967.28 of the Revised Code, the parole board notifies the offender prior to the offender's release of the board's authority to so impose a prison term. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term and failed to notify the offender pursuant to division (B)(2)(f) of this section regarding the possibility of the parole board imposing a prison term for a violation of supervision or a condition of post-release control.

(g)(i) Determine, notify the offender of, and include in the sentencing entry the total number of days, including the sentencing date but excluding conveyance time, that the offender has been confined for any reason arising out of the offense for which the offender is being sentenced and by which the department of rehabilitation and correction must reduce the definite prison term imposed on the offender as the offender's stated prison term or, if the offense is an offense for which a non-life felony indefinite prison term is imposed under division (A)(1)(a) or (2)(a) of section 2929.14 of the Revised Code, the minimum and maximum prison terms imposed on the offender as part of that non-life felony indefinite prison term, under section 2967.191 of the Revised Code. The court's calculation shall not include the number of days, if any, that the offender served in the custody of the department of rehabilitation and correction arising out of any prior offense for which the prisoner was convicted and sentenced.

(ii) In making a determination under division (B)(2)(g)(i) of this section, the court shall consider the arguments of the parties and conduct a hearing if one is requested.
(iii) The sentencing court retains continuing jurisdiction to correct any error not previously raised at sentencing in making a determination under division (B)(2)(g)(i) of this section. The offender may, at any time after sentencing, file a motion in the sentencing court to correct any error made in making a determination under division (B)(2)(g)(i) of this section, and the court may in its discretion grant or deny that motion. If the court changes the number of days in its determination or redetermination, the court shall cause the entry granting that change to be delivered to the department of rehabilitation and correction without delay. Sections 2931.15 and 2953.21 of the Revised Code do not apply to a motion made under this section.

(iv) An inaccurate determination under division (B)(2)(g)(i) of this section is not grounds for setting aside the offender's conviction or sentence and does not otherwise render the sentence void or voidable.

(v) The department of rehabilitation and correction shall rely upon the latest journal entry of the court in determining the total days of local confinement for purposes of division (B)(2)(f)(i) to (iii) of this section and section 2967.191 of the Revised Code.

(3)(a) The court shall include in the offender's sentence a statement that the offender is a tier III sex offender/child-victim offender, and the court shall comply with the requirements of section 2950.03 of the Revised Code if any of the following apply:

(i) The offender is being sentenced for a violent sex offense or designated homicide, assault, or kidnapping offense that the offender committed on or after January 1, 1997, and the offender is adjudicated a sexually violent predator in relation to that offense.
(ii) The offender is being sentenced for a sexually oriented offense that the offender committed on or after January 1, 1997, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iii) The offender is being sentenced on or after July 31, 2003, for a child-victim oriented offense, and the offender is a tier III sex offender/child-victim offender relative to that offense.

(iv) The offender is being sentenced under section 2971.03 of the Revised Code for a violation of division (A)(1)(b) of section 2907.02 of the Revised Code committed on or after January 2, 2007.

(v) The offender is sentenced to a term of life without parole under division (B) of section 2907.02 of the Revised Code.

(vi) The offender is being sentenced for attempted rape committed on or after January 2, 2007, and a specification of the type described in section 2941.1418, 2941.1419, or 2941.1420 of the Revised Code.

(vii) The offender is being sentenced under division (B)(3)(a), (b), (c), or (d) of section 2971.03 of the Revised Code for an offense described in those divisions committed on or after January 1, 2008.

(b) Additionally, if any criterion set forth in divisions (B)(3)(a) to (vii) of this section is satisfied, in the circumstances described in division (E) of section 2929.14 of the Revised Code, the court shall impose sentence on the offender as described in that division.

(4) If the sentencing court determines at the sentencing hearing that a community control sanction should be imposed and the court is not prohibited from imposing a community control sanction, the court shall impose a community control sanction. The court shall notify the offender that, if the conditions of the
sanction are violated, if the offender commits a violation of any law, or if the offender leaves this state without the permission of the court or the offender's probation officer, the court may impose a longer time under the same sanction, may impose a more restrictive sanction, or may impose a prison term on the offender and shall indicate the specific range from which the prison term that may be imposed as a sanction for the violation, as selected by the court from which shall be the range of prison terms for the offense that is specified pursuant to section 2929.14 of the Revised Code and as described in section 2929.15 of the Revised Code."

(5) Before imposing a financial sanction under section 2929.18 of the Revised Code or a fine under section 2929.32 of the Revised Code, the court shall consider the offender's present and future ability to pay the amount of the sanction or fine.

(6) If the sentencing court sentences the offender to a sanction of confinement pursuant to section 2929.14 or 2929.16 of the Revised Code that is to be served in a local detention facility, as defined in section 2929.36 of the Revised Code, and if the local detention facility is covered by a policy adopted pursuant to section 307.93, 341.14, 341.19, 341.21, 341.23, 753.02, 753.04, 753.16, 2301.56, or 2947.19 of the Revised Code and section 2929.37 of the Revised Code, both of the following apply:

(a) The court shall specify both of the following as part of the sentence:

(i) If the offender is presented with an itemized bill pursuant to section 2929.37 of the Revised Code for payment of the costs of confinement, the offender is required to pay the bill in accordance with that section.

(ii) If the offender does not dispute the bill described
division (B)(6)(a)(i) of this section and does not pay the bill by the
times specified in section 2929.37 of the Revised Code, the clerk of the
court may issue a certificate of judgment against the offender as described in that section.

(b) The sentence automatically includes any certificate of judgment issued as described in division (B)(6)(a)(ii) of this section.

(7) The failure of the court to notify the offender that a prison term is a mandatory prison term pursuant to division (B)(2)(a) of this section or to include in the sentencing entry any information required by division (B)(2)(b) of this section does not affect the validity of the imposed sentence or sentences.

If the sentencing court notifies the offender at the sentencing hearing that a prison term is mandatory but the sentencing entry does not specify that the prison term is mandatory, the court may complete a corrected journal entry and send copies of the corrected entry to the offender and the department of rehabilitation and correction, or, at the request of the state, the court shall complete a corrected journal entry and send copies of the corrected entry to the offender and department of rehabilitation and correction.

(C)(1) If the offender is being sentenced for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, the court shall impose the mandatory term of local incarceration in accordance with that division, shall impose a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code, and, in addition, may impose additional sanctions as specified in sections 2929.15, 2929.16, 2929.17, and 2929.18 of the Revised Code. The court shall not impose a prison term on the offender except that the court may impose a prison term upon the offender as provided in division (A)(1) of section 2929.13 of the Revised Code.
(2) If the offender is being sentenced for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, the court shall impose the mandatory prison term in accordance with that division, shall impose a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code, and, in addition, may impose an additional prison term as specified in section 2929.14 of the Revised Code. In addition to the mandatory prison term or mandatory prison term and additional prison term the court imposes, the court also may impose a community control sanction on the offender, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

(D) The sentencing court, pursuant to division (I)(1) of section 2929.14 of the Revised Code, may recommend placement of the offender in a program of shock incarceration under section 5120.031 of the Revised Code or an intensive program prison under section 5120.032 of the Revised Code, disapprove placement of the offender in a program or prison of that nature, or make no recommendation. If the court recommends or disapproves placement, it shall make a finding that gives its reasons for its recommendation or disapproval.

Sec. 2929.34. (A) A person who is convicted of or pleads guilty to aggravated murder, murder, or an offense punishable by life imprisonment and who is sentenced to a term of life imprisonment or a prison term pursuant to that conviction shall serve that term in an institution under the control of the department of rehabilitation and correction.

(B)(1) A person who is convicted of or pleads guilty to a felony other than aggravated murder, murder, or an offense punishable by life imprisonment and who is sentenced to a term of imprisonment or a prison term pursuant to that conviction shall
serve that term as follows:

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of this section, in an institution under the control of the department of rehabilitation and correction if the term is a prison term or as otherwise determined by the sentencing court pursuant to section 2929.16 of the Revised Code if the term is not a prison term;

(b) In a facility of a type described in division (G)(1) of section 2929.13 of the Revised Code, if the offender is sentenced pursuant to that division.

(2) If the term is a prison term, the person may be imprisoned in a jail that is not a minimum security jail pursuant to agreement under section 5120.161 of the Revised Code between the department of rehabilitation and correction and the local authority that operates the jail.

(3)(a) As used in divisions (B)(3)(a) to (d) of this section, "voluntary county" means any county in which the board of county commissioners of the county and the administrative judge of the general division of the court of common pleas of the county enter into an agreement of the type described in division (B)(3)(b) of this section and in which the agreement has not been terminated as described in that division.

(b) In any voluntary county, the board of county commissioners of the county and the administrative judge of the general division of the court of common pleas of the county may agree to having the county participate in the procedures regarding local and state confinement established under division (B)(3)(c) of this section. A board of county commissioners and an administrative judge of a court of common pleas that enter into an agreement of the type described in this division may terminate the agreement, but a termination under this division shall take effect
only at the end of the state fiscal biennium in which the termination decision is made.

(c) Except as provided in division (B)(3)(d) of this section, on and after July 1, 2018, no person sentenced by the court of common pleas of any county to a prison term for a felony of the fifth degree shall serve the term in an institution under the control of the department of rehabilitation and correction. The person shall instead serve the sentence as a term of confinement in a facility of a type described in division (C) or (D) of this section. Nothing in this division relieves the state of its obligation to pay for the cost of confinement of the person in a community-based correctional facility under division (D) of this section.

(d)(b) Division (B)(3)(c) of this section does not apply to any person to whom any of the following apply:

(i) The felony of the fifth degree was an offense of violence, as defined in section 2901.01 of the Revised Code, a sex offense under Chapter 2907. of the Revised Code, a violation of section 2925.03 of the Revised Code, or any offense for which a mandatory prison term is required.

(ii) The person previously has been convicted of or pleaded guilty to any felony offense of violence, as defined in section 2901.01 of the Revised Code, unless the felony of the fifth degree for which the person is being sentenced is a violation of division (I)(1) of section 2903.43 of the Revised Code.

(iii) The person previously has been convicted of or pleaded guilty to any felony sex offense under Chapter 2907. of the Revised Code.

(iv) The person's sentence is required to be served concurrently to any other sentence imposed upon the person for a felony that is required to be served in an institution under the
control of the department of rehabilitation and correction.

(C) A person who is convicted of or pleads guilty to one or more misdemeanors and who is sentenced to a jail term or term of imprisonment pursuant to the conviction or convictions shall serve that term in a county, multicounty, municipal, municipal-county, or multicounty-municipal jail or workhouse; in a community alternative sentencing center or district community alternative sentencing center when authorized by section 307.932 of the Revised Code; or, if the misdemeanor or misdemeanors are not offenses of violence, in a minimum security jail.

offense, at any time after the expiration of one year from the 
date of the individual's final release from all other sanctions 
imposed for that offense.

(ii) If the offense that resulted in the collateral sanction 
from which the individual seeks relief is a misdemeanor, at any

date of the final release of the individual from all sanctions 
imposed for that offense including any period of supervision.

(b) The department of rehabilitation and correction may 
establish criteria by rule adopted under Chapter 119. of the 
Revised Code that, if satisfied by an individual, would allow the 
individual to file a petition before the expiration of six months 
or one year from the date of final release, whichever is 
applicable under division (B)(4)(a) of this section.

(5)(a) A designee that receives a petition for a certificate 
of qualification for employment from an individual under division 
(B)(1) or (2) of this section shall review the petition to 
determine whether it is complete. If the petition is complete, the 
designee shall forward the petition, the application fee, and any 
other information the designee possesses that relates to the 
petition, to the court of common pleas of the county in which the 
individual resides if the individual submitting the petition 
resides in this state or, if the individual resides outside of 
this state, to the court of common pleas of the county in which 
the conviction or plea of guilty from which the individual seeks 
relief was entered.

(b) A court of common pleas that receives a petition for a

Except as provided in division (B)(6) of this section, the court shall pay thirty dollars of the application fee into the state treasury and twenty dollars of the application fee into the county general revenue fund.

(6) Upon receiving a petition for a certificate of qualification for employment filed by an individual under division (B)(1) or (2) of this section, a court of common pleas or the designee of the deputy director of the division of parole and community services who receives the petition may waive all or part of the fifty-dollar filing fee for an applicant who is indigent.

an individual's petition for a certificate of qualification for
employment under division (B)(2) of this section or that is

(B)(5)(a) of this section may issue a certificate of qualification

(a) Granting the petition will materially assist the
individual in obtaining employment or occupational licensing.

(b) The individual has a substantial need for the relief
requested in order to live a law-abiding life.

(c) Granting the petition would not pose an unreasonable risk
to the safety of the public or any individual.

applicable waiting period prescribed in division (B)(4) of this
section;

(b) If the offense that resulted in the collateral sanction
from which the individual seeks relief is a felony, at least three

(6) An application that meets all of the requirements for the presumption under division (C)(5) of this section shall be denied only if the court that receives the petition finds that the evidence reviewed under division (C)(1) of this section rebuts the presumption of eligibility for issuance by establishing, by clear and convincing evidence, that the applicant has not been rehabilitated.

(7) A certificate of qualification for employment shall not create relief from any of the following collateral sanctions:

(a) Requirements imposed by Chapter 2950. of the Revised Code and rules adopted under sections 2950.13 and 2950.132 of the Revised Code;

(b) A driver's license, commercial driver's license, or probationary license suspension, cancellation, or revocation pursuant to section 4510.037, 4510.07, 4511.19, or 4511.191 of the Revised Code if the relief sought is available pursuant to section 4510.021 or division (B) of section 4510.13 of the Revised Code;

(d) The denial, ineligibility, or automatic suspension of a license that is imposed upon an individual applying for or holding a license as a health care professional under Title XLVII of the Revised Code if the individual is convicted of, pleads guilty to, is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state under section 2951.041 of the Revised Code, or is subject to treatment or intervention in lieu of conviction for a violation of section 2903.01, 2903.02, 2903.03, 2903.11, 2905.01, 2907.02, 2907.03, 2907.05, 2909.02, 2911.01, 2911.11, 2919.123, or 2919.124 of the Revised Code;

(e) The immediate suspension of a license, certificate, or evidence of registration that is imposed upon an individual holding a license as a health care professional under Title XLVII of the Revised Code pursuant to division (C) of section 3719.121 of the Revised Code;

(f) The denial or ineligibility for employment in a pain clinic under division (B)(4) of section 4729.552 of the Revised Code;

(g) The mandatory suspension of a license that is imposed on an individual applying for or holding a license as a health care professional under Title XLVII of the Revised Code pursuant to section 3123.43 of the Revised Code;

(h) The denial, limitation, suspension, or revocation of a license that is imposed upon an individual applying for or holding a license issued by the state board of education under Title XXXIII of the Revised Code if the individual is convicted of, pleads guilty to, or is found guilty by a jury or court of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of division (B)(1), (2), (3), (4).
or (4) of section 2919.22 of the Revised Code; a violation of section 2903.01, 2903.02, 2903.03, 2903.04, 2903.11, 2903.12, 2903.15, 2905.01, 2905.02, 2905.05, 2905.32, 2907.02, 2907.03, 2907.04, 2907.05, 2907.06, 2907.07, 2907.21, 2907.22, 2907.31, 2907.32, 2907.321, 2907.322, 2907.323, 2907.33, 2907.34, 2907.311, 2907.32, 2907.321, 2907.322, 2907.323, 2907.33, 2907.34, 2909.02, 2909.22, 2909.23, 2909.24, 2911.01, 2911.11, 2921.02, 2921.03, 2921.04, 2921.41, 2923.21, or 2925.02 of the Revised Code; a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996; a violation of section 2919.23 of the Revised Code that would have been a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996, had the violation been committed prior to that date; felonious sexual penetration in violation of former section 2907.12 of the Revised Code; or a violation of an ordinance of a municipal corporation that is substantively comparable to an offense listed in this paragraph.

(8) If a court that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section denies the petition, the court shall provide written notice to the individual of the court's denial. The court may place conditions on the individual regarding the individual's filing of any subsequent petition for a certificate of qualification for employment. The written notice must notify the individual of any conditions placed on the individual's filing of a subsequent petition for a certificate of qualification for employment.

If a court of common pleas that receives an individual's petition for a certificate of qualification for employment under division (B)(2) of this section or that is forwarded a petition for such a certificate under division (B)(5)(a) of this section denies the petition, the individual may appeal the decision to the
court of appeals only if the individual alleges that the denial was an abuse of discretion on the part of the court of common pleas.

(D)(1) A certificate of qualification for employment issued to an individual lifts the automatic bar of a collateral sanction, and a decision-maker shall consider on a case-by-case basis whether to grant or deny the issuance or restoration of an occupational license or an employment opportunity, notwithstanding the individual's possession of the certificate, without, however, reconsidering or rejecting any finding made by a designee or court under division (C)(3) of this section.

(2) The certificate constitutes a rebuttable presumption that the person's criminal convictions are insufficient evidence that the person is unfit for the license, employment opportunity, or certification in question. Notwithstanding the presumption established under this division, the agency may deny the license or certification for the person if it determines that the person is unfit for issuance of the license.

(3) If an employer that has hired a person who has been issued a certificate of qualification for employment applies to a licensing agency for a license or certification and the person has a conviction or guilty plea that otherwise would bar the person's employment with the employer or licensure for the employer because of a mandatory civil impact, the agency shall give the person individualized consideration, notwithstanding the mandatory civil impact, the mandatory civil impact shall be considered for all purposes to be a discretionary civil impact, and the certificate constitutes a rebuttable presumption that the person's criminal convictions are insufficient evidence that the person is unfit for the employment, or that the employer is unfit for the license or certification, in question.

(E) A certificate of qualification for employment does not
grant the individual to whom the certificate was issued relief from the mandatory civil impacts identified in division (A)(1) of section 2961.01 or division (B) of section 2961.02 of the Revised Code.

(F) A petition for a certificate of qualification for employment filed by an individual under division (B)(1) or (2) of this section shall include all of the following:

(1) The individual's name, date of birth, and social security number;

(2) All aliases of the individual and all social security numbers associated with those aliases;

(3) The individual's residence address, including the city, county, and state of residence and zip code;

(4) The length of time that the individual has resided in the individual's current state of residence, expressed in years and months of residence;

(5) A general statement as to why the individual has filed the petition and how the certificate of qualification for employment would assist the individual;

(6) A summary of the individual's criminal history with respect to each offense that is a disqualification from employment or licensing in an occupation or profession, including the years of each conviction or plea of guilty for each of those offenses;

(7) A summary of the individual's employment history, specifying the name of, and dates of employment with, each employer;

(8) Verifiable references and endorsements;

(9) The name of one or more immediate family members of the individual, or other persons with whom the individual has a close relationship, who support the individual's reentry plan;
(10) A summary of the reason the individual believes the certificate of qualification for employment should be granted;

(11) Any other information required by rule by the department of rehabilitation and correction.

(G)(1) In a judicial or administrative proceeding alleging negligence or other fault, a certificate of qualification for employment issued to an individual under this section may be introduced as evidence of a person's due care in hiring, retaining, licensing, leasing to, admitting to a school or program, or otherwise transacting business or engaging in activity with the individual to whom the certificate of qualification for employment was issued if the person knew of the certificate at the time of the alleged negligence or other fault.

(2) In any proceeding on a claim against an employer for negligent hiring, a certificate of qualification for employment issued to an individual under this section shall provide immunity for the employer as to the claim if the employer knew of the certificate at the time of the alleged negligence.

(3) If an employer hires an individual who has been issued a certificate of qualification for employment under this section, if the individual, after being hired, subsequently demonstrates dangerousness or is convicted of or pleads guilty to a felony, and if the employer retains the individual as an employee after the demonstration of dangerousness or the conviction or guilty plea, the employer may be held liable in a civil action that is based on or relates to the retention of the individual as an employee only if it is proved by a preponderance of the evidence that the person having hiring and firing responsibility for the employer had actual knowledge that the employee was dangerous or had been convicted of or pleaded guilty to the felony and was willful in retaining the individual as an employee after the demonstration of dangerousness or the conviction or guilty plea of which the person
has actual knowledge.

(H) A certificate of qualification for employment issued under this section shall be revoked if the individual to whom the certificate of qualification for employment was issued is convicted of or pleads guilty to a felony offense committed subsequent to the issuance of the certificate of qualification for employment. The department of rehabilitation and correction shall periodically review the certificates listed in the database described in division (K) of this section to identify those that are subject to revocation under this division. Upon identifying a certificate of qualification for employment that is subject to revocation, the department shall note in the database that the certificate has been revoked, the reason for revocation, and the effective date of revocation, which shall be the date of the conviction or plea of guilty subsequent to the issuance of the certificate.

(I) A designee's forwarding, or failure to forward, a petition for a certificate of qualification for employment to a court or a court's issuance, or failure to issue, a petition for a certificate of qualification for employment to an individual under division (B) of this section does not give rise to a claim for damages against the department of rehabilitation and correction or court.

(J) The division of parole and community services shall adopt rules in accordance with Chapter 119. of the Revised Code for the implementation and administration of this section and shall prescribe the form for the petition to be used under division (B) (1) or (2) of this section. The form for the petition shall include places for all of the information specified in division (F) of this section.

(K) The department of rehabilitation and correction shall maintain a database that identifies granted certificates and
revoked certificates and tracks the number of certificates granted and revoked, the industries, occupations, and professions with respect to which the certificates have been most applicable, and the types of employers that have accepted the certificates. The department shall annually create a report that summarizes the information maintained in the database and shall make the report available to the public on its internet web site.

**Sec. 2967.04.** (A) A pardon or commutation may be granted upon such conditions precedent or subsequent as the governor may impose, which conditions shall be stated in the warrant. Such pardon or commutation shall not take effect until the conditions so imposed are accepted by the convict or prisoner so pardoned or having a sentence commuted, and the convict's or prisoner's acceptance is indorsed upon the warrant, signed by the prisoner or convict, and attested by one witness. Such witness shall go before the clerk of the court of common pleas in whose office the sentence is recorded and prove the signature of the convict. The clerk shall thereupon record the warrant, indorsement, and proof in the journal of the court, which record, or a duly certified transcript thereof, shall be evidence of such pardon or commutation, the conditions thereof, and the acceptance of the conditions.

(B) An unconditional pardon relieves the person to whom it is granted of all disabilities arising out of the conviction or convictions from which it is granted. For purposes of this section, "unconditional pardon" includes a conditional pardon with respect to which all conditions have been performed or have transpired.

(C) In the case of an unconditional pardon, the governor may include as a condition of the pardon that records related to the conviction be sealed as if the records are related to an offense.
that is not otherwise prohibited from being sealed under section 2953.36 of the Revised Code. The governor may issue a writ for the records related to the pardoned conviction to be sealed. However, such a writ shall not seal the records required to be kept under division (E) of section 107.10 of the Revised Code and shall not have any impact on the governor's office. Other than the records required to be kept under division (E) of section 107.10 of the Revised Code, no records of the governor's office related to a pardon that have been sealed under this division are subject to public inspection unless directed by the governor. Inspection of the records or disclosure of information contained in the records may be made pursuant to division (D) of section 2953.32 of the Revised Code or as the governor may direct. A disclosure of records sealed under a writ issued by the governor is not a criminal offense.

Sec. 2967.17. (A) The adult parole authority, in its discretion, may grant an administrative release to any of the following:

(1) A parole violator or, release violator, or releasee serving another felony sentence in a correctional institution within or without this state for the purpose of consolidation of the records or if justice would best be served;

(2) A parole violator at large or release violator at large whose case has been inactive for at least ten years following the date of declaration of the parole violation or the violation of a post-release control sanction;

(3) A parolee or releasee taken into custody by the immigration and naturalization service of the United States department of justice and deported from the United States.

(B) (1) (a) As used in divisions (B) (2) and (3) of this section, "position of honor, trust, or profit" has the same
meaning as in section 2929.192 of the Revised Code.

(b) For purposes of divisions (B)(2) and (3) of this section, a violation of section 2923.32 of the Revised Code or any other violation or offense that includes as an element a course of conduct or the occurrence of multiple acts is "committed on or after the effective date of this amendment May 13, 2008," if the course of conduct continues, one or more of the multiple acts occurs, or the subject person's accountability for the course of conduct or for one or more of the multiple acts continues, on or after the effective date of this amendment May 13, 2008.

(2) The adult parole authority shall not grant an administrative release except upon the concurrence of a majority of the parole board and approval of the chief of the adult parole authority. An administrative release does not restore for the person to whom it is granted the rights and privileges forfeited by conviction as provided in section 2961.01 of the Revised Code. Any person granted an administrative release under this section may subsequently apply for a commutation of sentence for the purpose of regaining the rights and privileges forfeited by conviction, except that the privilege of circulating or serving as a witness for the signing of any declaration of candidacy and petition, voter registration application, or nominating, initiative, referendum, or recall petition forfeited under section 2961.01 of the Revised Code may not be restored under this section and except that the privilege of holding a position of honor, trust, or profit may not be restored under this section to a person in the circumstances described in division (B)(3) of this section.

(3) The privilege of holding a position of honor, trust, or profit may not be restored under this section to a person who was convicted of or pleaded guilty to committing on or after the effective date of this amendment May 13, 2008, any violation or
offense listed in divisions (C)(2)(c)(i) to (vi) of section 2967.16 of the Revised Code that is a felony.

Sec. 2967.28. (A) As used in this section:

(1) "Monitored time" means the monitored time sanction specified in section 2929.17 and defined in section 2929.01 of the Revised Code.

(2) "Deadly weapon" and "dangerous ordnance" have the same meanings as in section 2923.11 of the Revised Code.

(3) "Felony sex offense" means a violation of a section contained in Chapter 2907. of the Revised Code that is a felony.

(4) "Risk reduction sentence" means a prison term imposed by a court, when the court recommends pursuant to section 2929.143 of the Revised Code that the offender serve the sentence under section 5120.036 of the Revised Code, and the offender may potentially be released from imprisonment prior to the expiration of the prison term if the offender successfully completes all assessment and treatment or programming required by the department of rehabilitation and correction under section 5120.036 of the Revised Code.

(5) "Victim's immediate family" has the same meaning as in section 2967.12 of the Revised Code.

(6) "Minor drug possession offense" has the same meaning as in section 2925.11 of the Revised Code.

(7) "Single validated risk assessment tool" means the single validated risk assessment tool selected by the department of rehabilitation and correction under section 5120.114 of the Revised Code.

(B) Each sentence to a prison term, other than a term of life imprisonment, for a felony of the first degree, for a felony of the second degree, for a felony sex offense, or for a felony of
the third degree that is an offense of violence and is not a felony sex offense shall include a requirement that the offender be subject to a period of post-release control imposed by the parole board after the offender's release from imprisonment. This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. If a court imposes a sentence including a prison term of a type described in this division on or after July 11, 2006, the failure of a sentencing court to notify the offender pursuant to division (B)(2)(d) of section 2929.19 of the Revised Code of this requirement or to include in the judgment of conviction entered on the journal a statement that the offender's sentence includes this requirement does not negate, limit, or otherwise affect the mandatory period of supervision that is required for the offender under this division. This division applies with respect to all prison terms of a type described in this division, including a non-life felony indefinite prison term. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to notify the offender pursuant to division (B)(2)(d) of section 2929.19 of the Revised Code regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence pursuant to division (D)(1) of section 2929.14 of the Revised Code a statement regarding post-release control. Unless reduced by the parole board pursuant to division (D) of this section when authorized under that division, a period of post-release control required by this division for an offender shall be of one of the following periods:

(1) For a felony of the first degree or for a felony sex offense, five years;

(2) For a felony of the first degree that is not a felony sex offense, five years;
offense, up to five years, but not less than two years;

(3) For a felony of the second degree that is not a felony sex offense, up to three years, but not less than eighteen months;

(3)(4) For a felony of the third degree that is an offense of violence and is not a felony sex offense, up to three years, but not less than one year.

(C) Any sentence to a prison term for a felony of the third, fourth, or fifth degree that is not subject to division (B)(1) or (3)(4) of this section shall include a requirement that the offender be subject to a period of post-release control of up to three years after the offender's release from imprisonment, if the parole board, in accordance with division (D) of this section, determines that a period of post-release control is necessary for that offender. This division applies with respect to all prison terms of a type described in this division, including a term of any such type that is a risk reduction sentence. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to notify the offender pursuant to division (B)(2)(e) of section 2929.19 of the Revised Code regarding post-release control or to include in the judgment of conviction entered on the journal or in the sentence pursuant to division (D)(2) of section 2929.14 of the Revised Code a statement regarding post-release control. Pursuant to an agreement entered into under section 2967.29 of the Revised Code, a court of common pleas or parole board may impose sanctions or conditions on an offender who is placed on post-release control under this division.

(D)(1) Before the prisoner is released from imprisonment, the parole board or, pursuant to an agreement under section 2967.29 of the Revised Code, the court shall impose upon on a prisoner described in division (B) of this section, shall impose upon on a
prisoner described in division (C) of this section who is to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, may impose upon on a prisoner described in division (C) of this section who is not to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, and shall impose upon on a prisoner described in division (B)(2)(b) of section 5120.031 or in division (B)(1) of section 5120.032 of the Revised Code, one or more post-release control sanctions to apply during the prisoner's period of post-release control. Whenever the board or court imposes one or more post-release control sanctions upon on a prisoner, the board or court, in addition to imposing the sanctions, also shall include as a condition of the post-release control that the offender not leave the state without permission of the court or the offender's parole or probation officer and that the offender abide by the law. The board or court may impose any other conditions of release under a post-release control sanction that the board or court considers appropriate, and the conditions of release may include any community residential sanction, community nonresidential sanction, or financial sanction that the sentencing court was authorized to impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the Revised Code. Prior to the release of a prisoner for whom it will impose one or more post-release control sanctions under this division, the parole board or court shall review the prisoner's criminal history, results from the single validated risk assessment tool selected by the department of rehabilitation and correction under section 5120.114 of the Revised Code, all juvenile court adjudications finding the prisoner, while a juvenile, to be a delinquent child, and the record of the prisoner's conduct while imprisoned. The parole board or court shall consider any recommendation regarding post-release control sanctions for the prisoner made by the office of victims' services. After considering those materials, the board
or court shall determine, for a prisoner described in division (B) of this section, division (B)(2)(b) of section 5120.031, or division (B)(1) of section 5120.032 of the Revised Code and for a prisoner described in division (C) of this section who is to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, which post-release control sanction or combination of post-release control sanctions is reasonable under the circumstances or, for a prisoner described in division (C) of this section who is not to be released before the expiration of the prisoner's stated prison term under a risk reduction sentence, whether a post-release control sanction is necessary and, if so, which post-release control sanction or combination of post-release control sanctions is reasonable under the circumstances. In the case of a prisoner convicted of a felony of the fourth or fifth degree other than a felony sex offense, the board or court shall presume that monitored time is the appropriate post-release control sanction unless the board or court determines that a more restrictive sanction is warranted. A post-release control sanction imposed under this division takes effect upon the prisoner's release from imprisonment.

Regardless of whether the prisoner was sentenced to the prison term prior to, on, or after July 11, 2006, prior to the release of a prisoner for whom it will impose one or more post-release control sanctions under this division, the parole board shall notify the prisoner that, if the prisoner violates any sanction so imposed or any condition of post-release control described in division (B) of section 2967.131 of the Revised Code that is imposed on the prisoner, the parole board may impose a prison term of up to one-half of the stated prison term originally imposed on the prisoner.

At least thirty days before the prisoner is released from imprisonment under post-release control, except as otherwise
provided in this paragraph, the department of rehabilitation and correction shall notify the victim and the victim's immediate family of the date on which the prisoner will be released, the period for which the prisoner will be under post-release control supervision, and the terms and conditions of the prisoner's post-release control regardless of whether the victim or victim's immediate family has requested the notification. The notice described in this paragraph shall not be given to a victim or victim's immediate family if the victim or the victim's immediate family has requested pursuant to division (B)(2) of section 2930.03 of the Revised Code that the notice not be provided to the victim or the victim's immediate family. At least thirty days before the prisoner is released from imprisonment and regardless of whether the victim or victim's immediate family has requested that the notice described in this paragraph be provided or not be provided to the victim or the victim's immediate family, the department also shall provide notice of that nature to the prosecuting attorney in the case and the law enforcement agency that arrested the prisoner if any officer of that agency was a victim of the offense.

If the notice given under the preceding paragraph to the victim or the victim's immediate family is based on an offense committed prior to March 22, 2013, and if the department of rehabilitation and correction has not previously successfully provided any notice to the victim or the victim's immediate family under division (B), (C), or (D) of section 2930.16 of the Revised Code with respect to that offense and the offender who committed it, the notice also shall inform the victim or the victim's immediate family that the victim or the victim's immediate family may request that the victim or the victim's immediate family not be provided any further notices with respect to that offense and the offender who committed it and shall describe the procedure for making that request. The department may give the notices to which
the preceding paragraph applies by any reasonable means, including regular mail, telephone, and electronic mail. If the department attempts to provide notice to any specified person under the preceding paragraph but the attempt is unsuccessful because the department is unable to locate the specified person, is unable to provide the notice by its chosen method because it cannot determine the mailing address, electronic mail address, or telephone number at which to provide the notice, or, if the notice is sent by mail, the notice is returned, the department shall make another attempt to provide the notice to the specified person. If the second attempt is unsuccessful, the department shall make at least one more attempt to provide the notice. If the notice is based on an offense committed prior to March 22, 2013, in each attempt to provide the notice to the victim or victim's immediate family, the notice shall include the opt-out information described in this paragraph. The department, in the manner described in division (D)(2) of section 2930.16 of the Revised Code, shall keep a record of all attempts to provide the notice, and of all notices provided, under this paragraph and the preceding paragraph. The record shall be considered as if it was kept under division (D)(2) of section 2930.16 of the Revised Code. This paragraph, the preceding paragraph, and the notice-related provisions of divisions (E)(2) and (K) of section 2929.20, division (D)(1) of section 2930.16, division (H) of section 2967.12, division (E)(1)(b) of section 2967.19, division (A)(3)(b) of section 2967.26, and division (A)(2) of section 5149.101 of the Revised Code enacted in the act in which this paragraph and the preceding paragraph were enacted, shall be known as "Roberta's Law."

(2) If a prisoner who is placed on post-release control under this section is released before the expiration of the definite term that is the prisoner's stated prison term or the expiration of the minimum term that is part of the prisoner's indefinite prison term imposed under a non-life felony indefinite prison term
by reason of credit earned under section 2967.193 or a reduction
under division (F) of section 2967.271 of the Revised Code and if
the prisoner earned sixty or more days of credit, the adult parole
authority shall may supervise the offender with an active global
positioning system device for the first fourteen days after the
offender's release from imprisonment. This division does not
prohibit or limit the imposition of any post-release control
sanction otherwise authorized by this section.

(3) After a prisoner is released from
imprisonment and during the period of post-release control
applicable to the releasee, the adult parole authority or,
pursuant to an agreement under section 2967.29 of the Revised
Code, the court may review the releasee's behavior under the
post-release control sanctions imposed upon the releasee under
this section. The authority or court may determine, based upon the
review and in accordance with the standards established under
division (E) of this section, that a more restrictive or a less
restrictive sanction is appropriate and may impose a different
sanction. The authority also may recommend that the parole board
or court increase or reduce the duration of the period of
post-release control imposed by the court. If the authority
recommends that the board or court increase the duration of
post-release control, the board or court shall review the
releasee's behavior and may increase the duration of the period of
post-release control imposed by the court up to eight years. If
the authority recommends that the board or court reduce the
duration of control for an offense described in division (B) or
(C) of this section, the board or court shall review the
releasee's behavior and, subject to divisions (D)(3)(a) to (e) of
this section, may reduce the duration of the period of control
imposed by the court or, if the period of control was imposed for
a non-life felony indefinite prison term, reduce the duration of
or terminate the period of control imposed by the court the
releasee has satisfactorily complied with the sanctions imposed, and if such a determination is made, the authority may recommend a less restrictive sanction, reduce the period of post-release control, or, no sooner than the minimum period of time required under section 2967.16 of the Revised Code, recommend that the parole board or court terminate the duration of the period of post-release control. In no case shall the board or court do any of the following:

(a) Reduce the duration of the period of control imposed for an felony sex offense described in division (B)(1) of this section to a period less than the length of the definite prison term included in the stated prison term originally imposed on the offender as part of the sentence or, with respect to a stated non-life felony indefinite prison term, to a period less than the length of the minimum prison term imposed as part of that stated prison term;

(b) Consider any reduction or termination of the duration of the period of control imposed on a releasee prior to the expiration of one year after the commencement of the period of control, if the period of control was imposed for a non-life felony indefinite prison term and the releasee's minimum prison term or presumptive earned early release date under that term was extended for any length of time under division (C) or (D) of section 2967.271 of the Revised Code.

(c) Permit the releasee to leave the state without permission of the court or the releasee's parole or probation officer.

(4) The department of rehabilitation and correction shall develop factors that the parole board or court shall consider in determining under division (D)(3) of this section whether to terminate the period of control imposed on a releasee for a non-life felony indefinite prison term.
(E) The department of rehabilitation and correction, in accordance with Chapter 119. of the Revised Code, shall adopt rules that do all of the following:

1. Establish standards for the imposition by the parole board of post-release control sanctions under this section that are consistent with the overriding purposes and sentencing principles set forth in section 2929.11 of the Revised Code and that are appropriate to the needs of releasees;

2. Establish standards that provide for a period of post-release control of up to three years for all prisoners described in division (C) of this section who are to be released before the expiration of their stated prison term under a risk reduction sentence and standards by which the parole board can determine which prisoners described in division (C) of this section who are not to be released before the expiration of their stated prison term under a risk reduction sentence should be placed under a period of post-release control;

3. Establish standards to be used by the parole board in reducing or terminating the duration of the period of post-release control imposed by the court when authorized under division (D) of this section, in imposing a more restrictive post-release control sanction than monitored time on a prisoner convicted of a felony of the fourth or fifth degree other than a felony sex offense, or in imposing a less restrictive control sanction on a releasee based on results from the single validated risk assessment tool and on the releasee's activities including, but not limited to, remaining free from criminal activity and from the abuse of alcohol or other drugs, successfully participating in approved rehabilitation programs, maintaining employment, and paying restitution to the victim or meeting the terms of other financial sanctions;

4. Establish standards to be used by the adult parole
authority in modifying a releasee's post-release control sanctions pursuant to division (D)(2) of this section;

(5) Establish standards to be used by the adult parole authority or parole board in imposing further sanctions under division (F) of this section on releasees who violate post-release control sanctions, including standards that do the following:

(a) Classify violations according to the degree of seriousness;

(b) Define the circumstances under which formal action by the parole board is warranted;

(c) Govern the use of evidence at violation hearings;

(d) Ensure procedural due process to an alleged violator;

(e) Prescribe nonresidential community control sanctions for most misdemeanor and technical violations;

(f) Provide procedures for the return of a releasee to imprisonment for violations of post-release control.

(F)(1) Whenever the parole board imposes one or more post-release control sanctions upon an offender under this section, the offender upon release from imprisonment shall be under the general jurisdiction of the adult parole authority and generally shall be supervised by the field services section through its staff of parole and field officers as described in section 5149.04 of the Revised Code, as if the offender had been placed on parole. If the offender upon release from imprisonment violates the post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed on the offender, the public or private person or entity that operates or administers the sanction or the program or activity that comprises the sanction shall report the violation directly to the adult parole authority or to the officer of the
authority who supervises the offender. The authority's officers may treat the offender as if the offender were on parole and in violation of the parole, and otherwise shall comply with this section.

(2) If the adult parole authority or, pursuant to an agreement under section 2967.29 of the Revised Code, the court determines that a releasee has violated a post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code imposed upon the releasee and that a more restrictive sanction is appropriate, the authority or court may impose a more restrictive sanction upon the releasee, in accordance with the standards established under division (E) of this section or in accordance with the agreement made under section 2967.29 of the Revised Code, or may report the violation to the parole board for a hearing pursuant to division (F)(3) of this section. The authority or court may not, pursuant to this division, increase the duration of the releasee's post-release control or impose as a post-release control sanction a residential sanction that includes a prison term, but the authority or court may impose on the releasee any other residential sanction, nonresidential sanction, or financial sanction that the sentencing court was authorized to impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the Revised Code.

(3) The parole board or, pursuant to an agreement under section 2967.29 of the Revised Code, the court may hold a hearing on any alleged violation by a releasee of a post-release control sanction or any conditions described in division (A) of section 2967.131 of the Revised Code that are imposed upon the releasee. If after the hearing the board or court finds that the releasee violated the sanction or condition, the board or court may increase the duration of the releasee's post-release control up to the maximum duration authorized by division (B) or (C) of this
section or impose a more restrictive post-release control sanction. If a releasee was acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code and in so doing violated the conditions of a post-release control sanction based on a minor drug possession offense as defined in that section, the board or the court may consider the releasee's conduct in seeking or obtaining medical assistance for another in good faith or for self or may consider the releasee being the subject of another person seeking or obtaining medical assistance in accordance with that division as a mitigating factor before imposing any of the penalties described in this division. When appropriate, the board or court may impose as a post-release control sanction a residential sanction that includes a prison term. The board or court shall consider a prison term as a post-release control sanction imposed for a violation of post-release control when the violation involves a deadly weapon or dangerous ordnance, physical harm or attempted serious physical harm to a person, or sexual misconduct. Unless a releasee's stated prison term was reduced pursuant to section 5120.032 of the Revised Code, the period of a prison term that is imposed as a post-release control sanction under this division shall not exceed nine months, and the maximum cumulative prison term for all violations under this division shall not exceed one-half of the definite prison term that was the stated prison term originally imposed upon the offender as part of this sentence or, with respect to a stated non-life felony indefinite prison term, one-half of the minimum prison term that was imposed as part of that stated prison term originally imposed upon the offender. If a releasee's stated prison term was reduced pursuant to section 5120.032 of the Revised Code, the period of a prison term that is imposed as a post-release control sanction under this division and the maximum cumulative prison term for all violations under this division shall not exceed the period of time not served in prison under the sentence imposed by
the court. The period of a prison term that is imposed as a
post-release control sanction under this division shall not count
as, or be credited toward, the remaining period of post-release
control. If, during the period of the releasee's post-release
control, the releasee serves as a post-release control sanction
the maximum prison time available as a sanction, the post-release
control shall terminate.

If an offender is imprisoned for a felony committed while
under post-release control supervision and is again released on
post-release control for a period of time determined by division
(F)(4)(d) of this section, the maximum cumulative prison term for
all violations under this division shall not exceed one-half of
the total stated prison terms of the earlier felony, reduced by
any prison term administratively imposed by the parole board or
court, plus one-half of the total stated prison term of the new
felony.

(4) Any period of post-release control shall commence upon an
der the offender's actual release from prison. If an offender is serving
an indefinite prison term or a life sentence in addition to a
stated prison term, the offender shall serve the period of
post-release control in the following manner:

(a) If a period of post-release control is imposed upon the
offender and if the offender also is subject to a period of parole
under a life sentence or an indefinite sentence, and if the period
of post-release control ends prior to the period of parole, the
offender shall be supervised on parole. The offender shall receive
credit for post-release control supervision during the period of
parole. The offender is not eligible for final release under
section 2967.16 of the Revised Code until the post-release control
period otherwise would have ended.

(b) If a period of post-release control is imposed upon the
offender and if the offender also is subject to a period of parole
under an indefinite sentence, and if the period of parole ends prior to the period of post-release control, the offender shall be supervised on post-release control. The requirements of parole supervision shall be satisfied during the post-release control period.

(c) If an offender is subject to more than one period of post-release control, the period of post-release control for all of the sentences shall be the period of post-release control that expires last, as determined by the parole board or court. Periods of post-release control shall be served concurrently and shall not be imposed consecutively to each other.

(d)(G)(1) If an offender is simultaneously subject to a period of parole under an indefinite or life sentence and a period of post-release control, or is simultaneously subject to two periods of post-release control, the period of supervision that expires last shall determine the length and form of supervision for all the periods and the related sentences.

(2) An offender shall receive credit for post-release control supervision during the period of parole, and shall not be eligible for final release under section 2967.16 of the Revised Code until the post-release control period otherwise would have ended.

(3) If the period of parole ends prior to the end of the period of post-release control, the requirements of parole supervision shall be satisfied during the post-release control period.

(H)(1) A period of post-release control shall not be imposed consecutively to any other post-release control period.

(2) The period of post-release control for a releasee who commits a felony while under post-release control for an earlier felony shall be the longer of the period of post-release control specified for the new felony under division (B) or (C) of this Sub. H. B. No. 110 Page 629 As Pending in the House Finance Committee
section or the time remaining under the period of post-release control imposed for the earlier felony as determined by the parole board or court.

(x) The treasurer of state for deposit into the peace officer Ohio law enforcement training commission fund if any other state law enforcement agency substantially conducted the investigation.

In the case of property forfeited for medicaid fraud, any remaining amount shall be used by the attorney general to investigate and prosecute medicaid fraud offenses.

If the prosecutor declines to accept any of the remaining amounts, the amounts shall be applied to the fund of the agency
that substantially conducted the investigation.

    (c) If more than one law enforcement agency is substantially involved in the seizure of property forfeited under this chapter, the court ordering the forfeiture shall equitably divide the amounts, after calculating any distribution to the law enforcement trust fund of the prosecutor pursuant to division (B)(4) of this section, among the entities that the court determines were substantially involved in the seizure.

    (C)(1) A law enforcement trust fund shall be established by the prosecutor of each county who intends to receive any remaining amounts pursuant to this section, by the sheriff of each county, by the legislative authority of each municipal corporation, by the board of township trustees of each township that has a township police department, township or joint police district police force, or office of the constable, and by the board of park commissioners of each park district created pursuant to section 511.18 or 1545.01 of the Revised Code that has a park district police force or law enforcement department, for the purposes of this section.

(A) The state board of education, the superintendent of public instruction, and the chancellor of higher education shall develop a system of college and work ready assessments as described in division (B) of this section to assess whether each student upon graduating from high school is ready to enter college or the workforce. Beginning with students who enter the ninth grade for the first time on or after July 1, 2014, the system shall replace the Ohio graduation tests prescribed in
division (B)(1) of section 3301.0710 of the Revised Code as a measure of student academic performance and one determinant of eligibility for a high school diploma in the manner prescribed by rule of the state board adopted under division (D) of this section.

(B) The college and work ready assessment system shall consist of the following:

(1) Nationally Except as provided in division (B)(1)(b) of this section, nationally standardized assessments that measure college and career readiness and are used for college admission. The assessments shall be selected jointly by the state superintendent and the chancellor, and one of which shall be selected by each school district or school to administer to its students. The assessments prescribed under division (B)(1) of this section shall be administered to all eleventh-grade students in the spring of the school year.

(b) Beginning with students who enter the ninth grade for the first time on or after the first day of July immediately following the effective date of this amendment, nationally standardized assessments selected under division (B)(1)(a) of this section shall not be required. (b) Beginning with students who enter ninth grade for the first time on or after July 1, 2019, five end-of-course examinations, one in each areas of English language arts II, science, Algebra I, American history, and American government. However, only the end-of-course examinations in English language arts II and Algebra I shall be required for graduation.

The department of education shall, as necessary to implement division (B)(2)(b) of this section, seek a waiver from the United States secretary of education for testing requirements prescribed under federal law to allow for the use and implementation of Algebra I as the primary assessment of high school mathematics. If the department does not receive a waiver under this division, the end-of-course examinations for students described in division (B)(2)(b) of this section also shall include an end-of-course examination in the area of geometry. However, the geometry end-of-course examination shall not be required for graduation.

division (M) of section 3313.603 of the Revised Code. Each high school of the district shall use the interim examinations until the state superintendent and chancellor select end-of-course examinations in American history and American government under division (B)(2) of this section.

(b) Not later than July 1, 2014, the state superintendent and the chancellor shall select the end-of-course examinations in American history and American government.

(i) The end-of-course examinations in American history and American government shall require demonstration of mastery of the American history and American government content for social studies standards adopted under division (A)(1)(b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code.

(ii) At least twenty per cent of the end-of-course examination in American government shall address the topics on American history and American government described in division (M) of section 3313.603 of the Revised Code.

(4)(a) Notwithstanding anything to the contrary in this section, beginning with the 2014-2015 school year, both of the following shall apply:

(i) If a student is enrolled in an appropriate advanced placement or international baccalaureate course, that student shall take the advanced placement or international baccalaureate examination in lieu of the science, American history, or American government end-of-course examinations prescribed under division (B)(2) of this section. The state board shall specify the score levels for each advanced placement examination and international baccalaureate examination for purposes of calculating the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.
(ii) If a student is enrolled in an appropriate course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, that student shall not be required to take the science, American history, or American government end-of-course examination, whichever is applicable, prescribed under division (B)(2) of this section. Instead, that student's final course grade shall be used in lieu of the applicable end-of-course examination prescribed under that section. The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades that demonstrate the level of academic achievement necessary to earn a high school diploma.

Division (B)(4)(a)(ii) of this section shall apply only to courses for which students receive transcripted credit, as defined in section 3365.01 of the Revised Code. It shall not apply to remedial or developmental courses.

(b) No student shall take a substitute examination or examination prescribed under division (B)(4)(a) of this section in place of the end-of-course examinations in English language arts I, English language arts II, Algebra I, or geometry prescribed under division (B)(2) of this section.

(5) The state board shall do all of the following:

(a) Determine and designate at least five ranges of scores on each of the end-of-course examinations prescribed under division (B)(2) of this section, and substitute examinations prescribed under division (B)(4) of this section. superintendent, or the state superintendent's designee, shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider primary and secondary education legislation regarding the designated range of scores. Each range of scores shall be considered to demonstrate a level of achievement so that any student attaining a score within such range has achieved one of the following:

(i) An advanced level of skill;
(ii) An accelerated level of skill;
(iii) A proficient level of skill;
(iv) A basic level of skill;
(v) A limited level of skill.

However, the state board shall not determine a new minimum cumulative performance score after the effective date of this amendment October 17, 2019.

(d) Develop a table of corresponding score equivalents for the end-of-course examinations and substitute examinations in order to calculate student performance consistently across the different examinations.

A score of two on an advanced placement examination or a score of two or three on an international baccalaureate examination shall be considered equivalent to a proficient level of skill as specified under division (B)(5)(a)(iii) of this section.
(6)(a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:

(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.

(ii) The examination was not available for administration prior to July 1, 2015.

Receipt of credit for the course described in division (B)(6)(a)(i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B)(6)(a) of this section may take the applicable end-of-course examination at a later date.

(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B)(6)(a) of this section has attained the cumulative score prescribed by division (B)(5)(c) of this section, such student shall select either of the following:

(i) The student is considered to have attained a proficient score on the end-of-course examination from which the student is exempt;

(ii) The student's final course grade shall be used in lieu of a score on the end-of-course examination from which the student is exempt.

The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades and the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.

(7)(a) Notwithstanding anything to the contrary in this section, the state board may replace the algebra I end-of-course
examination prescribed under division (B)(2) of this section with an algebra II end-of-course examination, beginning with the 2016-2017 school year for students who enter ninth grade on or after July 1, 2016.

(b) If the state board replaces the algebra I end-of-course examination with an algebra II end-of-course examination as authorized under division (B)(7)(a) of this section, both of the following shall apply:

(i) A student who is enrolled in an advanced placement or international baccalaureate course in algebra II shall take the advanced placement or international baccalaureate examination in lieu of the algebra II end-of-course examination.

(ii) A student who is enrolled in an algebra II course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, shall not be required to take the algebra II end-of-course examination. Instead, that student's final course grade shall be used in lieu of the examination.

(c) If a school district or school utilizes an integrated approach to mathematics instruction, the district or school may do either or both of the following:

(i) Administer an integrated mathematics I end-of-course examination in lieu of the prescribed algebra I end-of-course examination;

(ii) Administer an integrated mathematics II end-of-course examination in lieu of the prescribed geometry end-of-course examination.

(8)(a) For students entering the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, the assessment in the area of science shall be physical science or biology. For students entering the ninth grade for the first time on or after July 1, 2015, the assessment in the area of science...
shall be biology.

(b) Until July 1, 2019, the department shall make available the end-of-course examination in physical science for students who entered the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, and who wish to retake the examination.

(c) Not later than July 1, 2016, the state board shall adopt rules prescribing the requirements for the end-of-course examination in science for students who entered the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, and who have not met the requirement prescribed by section 3313.618 of the Revised Code by July 1, 2019, due to a student's failure to satisfy division (A)(2) of section 3313.618 of the Revised Code.

(9) Neither the state board nor the department of education shall develop or administer an end-of-course examination in the area of world history.

(10) Not later than March 1, 2020, the department, in consultation with the chancellor and the governor's office of workforce transformation, shall determine a competency score for both of the Algebra I and English language arts II end-of-course examinations for the purpose of graduation eligibility.

(C) The state board shall convene a group of national experts, state experts, and local practitioners to provide advice, guidance, and recommendations for the alignment of standards and model curricula to the assessments and in the design of the end-of-course examinations prescribed by this section.

(D) Upon completion of the development of the assessment system, the state board shall adopt rules prescribing all of the following:

(1) A timeline and plan for implementation of the assessment
system, including a phased implementation if the state board
determines such a phase-in is warranted;

(2) The date after which a person shall meet the requirements
of the entire assessment system as a prerequisite for a diploma of
adult education under section 3313.611 of the Revised Code;

3313.61 and division (B)(3) of section 3313.612 of the Revised
Code;

(4) The date after which a person who has fulfilled the

more of the required assessments at the time the person fulfilled
the curriculum requirement shall meet the requirements of the
entire assessment system as a prerequisite for a high school
diploma under division (B) of section 3313.614 of the Revised
Code;

(5) The extent to which the assessment system applies to
students enrolled in a dropout recovery and prevention program for
purposes of division (F) of section 3313.603 and section 3314.36
of the Revised Code.

(E) Not later than forty-five days prior to the state board's
adoption of a resolution directing the department to file the
rules prescribed by division (D) of this section in final form
under section 119.04 of the Revised Code, the superintendent of
public instruction shall present the assessment system developed
under this section to the respective committees of the house of
representatives and senate that consider education legislation.

(F)(1) Any person enrolled in a nonchartered nonpublic school

(2) The department shall adopt rules for the administration and scoring of any assessments under division (F)(1) of this section.

(G) Not later than December 31, 2014, the state board shall select at least one nationally recognized job skills assessment. Each school district shall administer that assessment to those students who opt to take it. The state shall reimburse a school district for the costs of administering that assessment. The state board shall establish the minimum score a student must attain on the job skills assessment in order to demonstrate a student's workforce readiness and employability. Copies of the report shall be sent to the superintendent of the district and to each member of
the district board of education.

(3) Copies of the reports received from the state board under divisions (H)(1) and (2) of this section shall be made available to the general public at each school district's offices. Each district board of education shall make copies of each report available to any person upon request and payment of a reasonable fee for the cost of reproducing the report. The board shall annually publish in a newspaper of general circulation in the school district, at least twice during the two weeks prior to the week in which the reports will first be available, a notice containing the address where the reports are available and the date on which the reports will be available.

(I) Any data that is collected or maintained pursuant to this section and that identifies an individual pupil is not a public record for the purposes of section 149.43 of the Revised Code.

(J) As used in this section:

(1) "School district" means any city, local, exempted village, or joint vocational school district and, in accordance with section 3314.17 of the Revised Code, any community school. As used in division (L) of this section, "school district" also includes any educational service center or other educational entity required to submit data using the system established under this section.

(2) "Cost" means any expenditure for operating expenses made by a school district excluding any expenditures for debt retirement except for payments made to any commercial lending institution for any loan approved pursuant to section 3313.483 of the Revised Code.

(K) Any person who removes data from the information system established under this section for the purpose of releasing it to any person not entitled under law to have access to such
information is subject to section 2913.42 of the Revised Code
prohibiting tampering with data.

(L)(1) In accordance with division (L)(2) of this section and
the rules adopted under division (L)(10) of this section, the
department of education may sanction any school district that
reports incomplete or inaccurate data, reports data that does not
conform to data requirements and descriptions published by the
department, fails to report data in a timely manner, or otherwise
does not make a good faith effort to report data as required by
this section.

(2) If the department decides to sanction a school district
under this division, the department shall take the following
sequential actions:

(a) Notify the district in writing that the department has
determined that data has not been reported as required under this
section and require the district to review its data submission and
submit corrected data by a deadline established by the department.
The department also may require the district to develop a
corrective action plan, which shall include provisions for the
district to provide mandatory staff training on data reporting
procedures.

(b) Withhold up to ten per cent of the total amount of state
funds due to the district for the current fiscal year and, if not
previously required under division (L)(2)(a) of this section,
require the district to develop a corrective action plan in
accordance with that division;

(c) Withhold an additional amount of up to twenty per cent of
the total amount of state funds due to the district for the
current fiscal year;

(d) Direct department staff or an outside entity to
investigate the district's data reporting practices and make
recommendations for subsequent actions. The recommendations may include one or more of the following actions:

(i) Arrange for an audit of the district's data reporting practices by department staff or an outside entity;
(ii) Conduct a site visit and evaluation of the district;
(iii) Withhold an additional amount of up to thirty per cent of the total amount of state funds due to the district for the current fiscal year;
(iv) Continue monitoring the district's data reporting;
(v) Assign department staff to supervise the district's data management system;
(vi) Conduct an investigation to determine whether to suspend or revoke the license of any district employee in accordance with division (N) of this section;
(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;
(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;
(ix) Any other action designed to correct the district's data reporting problems.
(3) Any time the department takes an action against a school district under division (L)(2) of this section, the department shall make a report of the circumstances that prompted the action. The department shall send a copy of the report to the district superintendent or chief administrator and maintain a copy of the
report in its files.

(4) If any action taken under division (L)(2) of this section resolves a school district's data reporting problems to the department's satisfaction, the department shall not take any further actions described by that division. If the department withheld funds from the district under that division, the department may release those funds to the district, except that if the department withheld funding under division (L)(2)(c) of this section, the department shall not release the funds withheld under division (L)(2)(b) of this section and, if the department withheld funding under division (L)(2)(d) of this section, the department shall not release the funds withheld under division (L)(2)(b) or (c) of this section.

(5) Notwithstanding anything in this section to the contrary, the department may use its own staff or an outside entity to conduct an audit of a school district's data reporting practices any time the department has reason to believe the district has not made a good faith effort to report data as required by this section. If any audit conducted by an outside entity under division (L)(2)(d)(i) or (5) of this section confirms that a district has not made a good faith effort to report data as required by this section, the district shall reimburse the department for the full cost of the audit. The department may withhold state funds due to the district for this purpose.

(6) Prior to issuing a revised report card for a school district under division (L)(2)(d)(viii) of this section, the department may hold a hearing to provide the district with an opportunity to demonstrate that it made a good faith effort to report data as required by this section. The hearing shall be conducted by a referee appointed by the department. Based on the information provided in the hearing, the referee shall recommend whether the department should issue a revised report card for the
district. If the referee affirms the department's contention that the district did not make a good faith effort to report data as required by this section, the district shall bear the full cost of conducting the hearing and of issuing any revised report card.

(7) If the department determines that any inaccurate data reported under this section caused a school district to receive excess state funds in any fiscal year, the district shall reimburse the department an amount equal to the excess funds, in accordance with a payment schedule determined by the department. The department may withhold state funds due to the district for this purpose.

(8) Any school district that has funds withheld under division (L)(2) of this section may appeal the withholding in accordance with Chapter 119. of the Revised Code.

(9) In all cases of a disagreement between the department and a school district regarding the appropriateness of an action taken under division (L)(2) of this section, the burden of proof shall be on the district to demonstrate that it made a good faith effort to report data as required by this section.

(10) The state board of education shall adopt rules under Chapter 119. of the Revised Code to implement division (L) of this section.

(M) No information technology center or school district shall acquire, change, or update its student administration software package to manage and report data required to be reported to the department unless it converts to a student software package that is certified by the department.

(Q) If the department cannot compile any of the information required by division (H) of section 3302.03 of the Revised Code based upon the data collected under this section, the department shall develop a plan and a reasonable timeline for the collection of any data necessary to comply with that division.

(1) Any student who transfers into the district or to a different school within the district if each applicable diagnostic assessment was not administered by the district or school the student previously attended in the current school year, within thirty days after the date of transfer. If the district or school into which the student transfers cannot determine whether the student has taken any applicable diagnostic assessment in the current school year, the district or school may administer the diagnostic assessment to the student. However, if a student transfers into the district prior to the administration of the diagnostic assessments to all students under division (B) of this
section, the district may administer the diagnostic assessments to that student on the date or dates determined under that division.

(2) Each kindergarten student, not earlier than the first day of July of the school year and not later than the first day of November twentieth day of instruction of that school year. However, a board of education may administer the selected response and performance task items portion of the diagnostic assessment up to two weeks prior to the first day of the school year.

For the purpose of division (A)(2) of this section, the district shall administer the kindergarten readiness assessment provided by the department of education. In no case shall the results of the readiness assessment be used to prohibit a student from enrolling in kindergarten.

(3) Each student enrolled in first, second, or third grade. Division (A) of this section does not apply to students with significant cognitive disabilities, as defined by the department of education.

(B) Each district board shall administer each diagnostic assessment when the board deems appropriate, provided the administration complies with section 3313.608 of the Revised Code. However, the board shall administer any diagnostic assessment at least once annually to all students in the appropriate grade level. A district board may administer any diagnostic assessment in the fall and spring of a school year to measure the amount of academic growth attributable to the instruction received by students during that school year.

(C) Any district that received a grade of "A" or "B" for the performance index score under division (A)(1)(b), (B)(1)(b), or (C)(1)(b) of section 3302.03 of the Revised Code or for the value-added progress dimension under division (A)(1)(e), (B)(1)(e), or (C)(1)(e) of section 3302.03 of the Revised Code for...
the immediately preceding school year may use different diagnostic 21073

of division (A)(3) of this section.

(D) Each district board shall utilize and score any 21077
diagnostic assessment administered under division (A) of this 21078
section in accordance with rules established by the department. 21079
After the administration of any diagnostic assessment, each 21080
district shall provide a student's completed diagnostic 21081
assessment, the results of such assessment, and any other 21082
accompanying documents used during the administration of the 21083
assessment to the parent of that student, and shall include all 21084
such documents and information in any plan developed for the 21085
student under division (C) of section 3313.608 of the Revised 21086
Code. Each district shall submit to the department, in the manner 21087
the department prescribes, the results of the diagnostic 21088
assessments administered under this section, regardless of the 21089
type of assessment used under section 3313.608 of the Revised 21090
Code. The department may issue reports with respect to the data 21091
collected. The department may report school and district level 21092
kindergarten diagnostic assessment data and use diagnostic 21093
assessment data to calculate the measure prescribed by divisions 21094
(B)(1)(g) and (C)(1)(g) of section 3302.03 of the Revised Code. 21095

(E) Each district board shall provide intervention services 21096
to students whose diagnostic assessments show that they are 21097
failing to make satisfactory progress toward attaining the 21098
academic standards for their grade level.

(F) Beginning in the 2018-2019 school year, any chartered 21100
nonpublic school may elect to administer the kindergarten 21101
readiness assessment to all kindergarten students enrolled in the 21102
school. If the school so elects, the chief administrator of the 21103
school shall notify the superintendent of public instruction not 21104
later than the thirty-first day of March prior to any school year in which the school will administer the assessment. The department shall furnish the assessment to the school at no cost to the school. In administering the assessment, the school shall do all of the following:

(1) Enter into a written agreement with the department specifying that the school will share each participating student's assessment data with the department and, that for the purpose of reporting the data to the department, each participating student will be assigned a data verification code as described in division (D)(2) of section 3301.0714 of the Revised Code;

(2) Require the assessment to be administered by a teacher certified under section 3301.071 of the Revised Code who either has completed training on administering the kindergarten readiness assessment provided by the department or has been trained by another person who has completed such training;

(3) Administer the assessment in the same manner as school districts are required to do under this section and the rules established under division (D) of this section.

(G) Beginning in the 2019-2020 school year, a school district in which less than eighty per cent of its students score at the proficient level or higher on the third-grade English language arts assessment prescribed under section 3301.0710 of the Revised Code shall establish a reading improvement plan supported by reading specialists. Prior to implementation, the plan shall be approved by the school district board of education.

Sec. 3301.23. (A) Not later than thirty days after the effective date of this section, the department of education, in consultation with the chancellor of higher education, shall establish a committee to develop a state plan for computer science education for the purposes of primary and secondary education.
When developing the plan, the committee established under this section shall consider the following:

7. Any other topic determined appropriate by the committee.

The committee established under this section shall consist of all of the following:

1. The superintendent of public instruction, or designee;

(a) Career-technical education;
(b) Teachers;
(c) Institutions of higher education;
(d) Businesses;
(e) State and national computer science organizations.

(D) Within the plan, the committee established under this section shall include all of the following:

(1) An examination of the challenges that prevent school districts from offering computer science courses;

(2) A requirement that the department of education collect any data regarding computer science courses offered by school districts and school buildings operated by school districts, including the names of the courses and whether the courses were developed using the standards and model curriculum adopted under division (A)(4) of section 3301.079 of the Revised Code, and post the collected data on its web site.

(3) Any findings the committee determines appropriate based on its consideration of the topics described in division (B) of this section.

(E) The committee shall complete the plan not later than one year after the effective date of this section and the department shall post the completed plan in a prominent location on its web site.

Sec. 3301.231. (A) The department of education, in consultation with computer science stakeholders as determined appropriate by the department, shall establish a program to provide high school students in the state with access to online computer science courses for the purposes of section 3301.232 of the Revised Code.
(B) Under the program, the department shall develop a process to solicit and review proposals from educational providers to offer online computer science courses under section 3301.232 of the Revised Code. The department shall approve a proposal only if it meets both of the following conditions:

(1) Each course included in the proposal is high-quality, rigorous, and aligned with the standards and model curriculum adopted under division (A)(4) of section 3301.079 of the Revised Code.

(2) A student may earn high school credits that apply to the curriculum requirements prescribed under section 3313.603 of the Revised Code in each course included in the proposal.

(C) The department shall determine a method to calculate and make payments to educational providers who enroll students in online computer science courses approved under division (B) of this section and offered to the students under section 3301.232 of the Revised Code. The method shall be deducted from the school foundation payments made to the participant's school district or, if the participant is enrolled in a community school, a STEM school, or a college-preparatory boarding school, from the payments made to that school under section 3314.08, 3326.33, or 3328.34 of the Revised Code, similar to how the department calculates and makes payments under section 3365.07 of the Revised Code for the college credit plus program, as determined by the department.

(D) The department shall adopt rules to implement this section and section 3301.232 of the Revised Code.

The fiscal statement shall be submitted to the superintendent of public instruction and shall set forth all revenues to be received by the district during the remainder of the fiscal year and their sources, the expenses to be incurred by the district during the remainder of the fiscal year, the outstanding and unpaid expenses at the time the fiscal statement is prepared and the date or dates by which such expenses must be paid, and such other information as the superintendent requires to enable the superintendent to ensure that during the remainder of the fiscal year, the district will not incur any expenses that will further impair its ability to operate an instructional program that meets or exceeds the minimum standards of the state board of education and requirements of the Revised Code during the current and ensuing fiscal years with the revenue available to it from existing revenue sources. The fiscal statement shall be presented in such detail and form as the superintendent prescribes. Beginning the tenth day after the fiscal statement is submitted and for the remainder of the fiscal year, the board shall not make any expenditure of money, make any employment, purchase, or rental contract, give any order involving the expenditure of money, or increase any wage or salary schedule unless the superintendent of public instruction has approved the fiscal statement in writing and the expenditure, contract, order,

The fiscal statement shall be presented at the time and in such detail and form as the superintendent prescribes. During the fiscal year following the year in which a board of education first becomes subject to division (A) of this section it shall not make any expenditure of money, make any employment, purchase, or rental contract, give any order involving the expenditure of money, or increase any wage or salary schedule unless the superintendent of public instruction has approved the fiscal statement submitted under this division in writing and has approved the expenditure, contract, order, or schedule in writing as being in conformity with the fiscal statement.

If the state board so determines and finds that the revenues and expenditures in the fiscal statement are in balance for the fiscal year and the fiscal statement will enable the district to operate during such year without interrupting its school calendar, it shall certify its determination and finding to the district at least thirty days prior to the beginning of the fiscal year, and the district shall thereupon cease to be subject to this section. If the state board does not make such a determination and finding, the board of education and school district are subject to this division and division (B) of this section in the ensuing fiscal year and each fiscal year thereafter until the state board makes a determination, finding, and certification under this division.

Ohioans must be prepared to apply increased knowledge and skills in the workplace and to adapt their knowledge and skills quickly to meet the rapidly changing conditions of the twenty-first century. National studies indicate that all high school graduates need the same academic foundation, regardless of the opportunities they pursue after graduation. The goal of Ohio's system of elementary and secondary education is to prepare all students for and seamlessly connect all students to success in life beyond high school graduation, regardless of whether the next step is entering the workforce, beginning an apprenticeship, engaging in post-secondary training, serving in the military, or pursuing a college degree.

The requirements for graduation prescribed in division (C) of this section are the standard expectation for all students entering ninth grade for the first time at a public or chartered nonpublic high school on or after July 1, 2010. A student may satisfy this expectation through a variety of methods, including, but not limited to, integrated, applied, career-technical, and traditional coursework.

Stronger coordination between high schools and institutions of higher education is necessary to prepare students for more challenging academic endeavors and to lessen the need for academic remediation in college, thereby reducing the costs of higher education for Ohio's students, families, and the state. The state board and the chancellor of higher education shall develop policies to ensure that only in rare instances will students who complete the requirements for graduation prescribed in division (C) of this section require academic remediation after high school.

School districts, community schools, and chartered nonpublic
schools shall integrate technology into learning experiences across the curriculum in order to maximize efficiency, enhance learning, and prepare students for success in the technology-driven twenty-first century. Districts and schools shall use distance and web-based course delivery as a method of providing or augmenting all instruction required under this division, including laboratory experience in science. Districts and schools shall utilize technology access and electronic learning opportunities provided by the broadcast educational media commission, chancellor, the Ohio learning network, education technology centers, public television stations, and other public and private providers.

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2016, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the requirements for graduation prescribed in division (C) of this section if all of the following conditions are satisfied:

(1) During the student's third year of attending high school, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(2) The student and parent, guardian, or custodian fulfill any procedural requirements the school stipulates to ensure the student's and parent's, guardian's, or custodian's informed consent and to facilitate orderly filing of statements under (D).
division (D)(1) of this section. Annually, each district or school shall notify the department of the number of students who choose to qualify for graduation under division (D) of this section and the number of students who complete the student's success plan and graduate from high school.

(3) The student and the student's parent, guardian, or custodian and a representative of the student's high school jointly develop a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(4) The student's high school provides counseling and support for the student related to the plan developed under division (D)(3) of this section during the remainder of the student's high school experience.

(5)(a) Except as provided in division (D)(5)(b) of this section, the student successfully completes, at a minimum, the curriculum prescribed in division (B) of this section.

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2014, a student shall be required to complete successfully, at the minimum, the curriculum prescribed in division (B) of this section, except as follows:

(i) Mathematics, four units, one unit which shall be one of the following:

(I) Probability and statistics;

(II) Computer science;

(III) Applied mathematics or quantitative reasoning;

(IV) Any other course approved by the department using standards established by the superintendent not later than October
1, 2014.

(ii) Elective units, five units;

(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.

The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.

(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully
complete more than the minimum curriculum prescribed in division (B) of this section;

(3) That no exception comparable to that provided in division (D) of this section is available.

If a school district or chartered nonpublic school requires a foreign language as an additional graduation requirement under division (E) of this section, a student may apply one unit of instruction in computer coding to satisfy one unit of foreign language. If a student applies more than one computer coding course to satisfy the foreign language requirement, the courses shall be sequential and progressively more difficult.

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:

(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.

(3) The program requires students to attain at least the applicable score designated for each of the assessments prescribed under division (B)(1) of section 3301.0710 of the Revised Code or,
to the extent prescribed by rule of the state board under division (D)(5) of section 3301.0712 of the Revised Code, division (B)(2) of that section.

(4) The program develops a student success plan for the student in the manner described in division (C)(1) of section 3313.6020 of the Revised Code that specifies the student's matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F)(4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

(8) Prior to receiving the waiver, the program has submitted to the department a policy on career advising that satisfies the requirements of section 3313.6020 of the Revised Code, with an emphasis on how every student will receive career advising.

(9) Prior to receiving the waiver, the program has submitted to the department a written agreement outlining the future
cooperation between the program and any combination of local job 
training, postsecondary education, nonprofit, and health and 
social service organizations to provide services for students in 
the program and their families.

Divisions (F)(8) and (9) of this section apply only to 
waivers granted on or after July 1, 2015.

If the department does not act either to grant the waiver or 
to reject the program application for the waiver within sixty days 
as required under this section, the waiver shall be considered to 
be granted.

(G) Every high school may permit students below the ninth 
grade to take advanced work. If a high school so permits, it shall 
award high school credit for successful completion of the advanced 
work and shall count such advanced work toward the graduation 
requirements of division (B) or (C) of this section if the 
advanced work was both:

(1) Taught by a person who possesses a license or certificate 
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 
Code that is valid for teaching high school;

(2) Designated by the board of education of the city, local, 
or exempted village school district, the board of the cooperative 
education school district, or the governing authority of the 
chartered nonpublic school as meeting the high school curriculum 
requirements.

Each high school shall record on the student's high school 
transcript all high school credit awarded under division (G) of 
this section. In addition, if the student completed a seventh- or 
eighth-grade fine arts course described in division (K) of this 
section and the course qualified for high school credit under that 
division, the high school shall record that course on the 
student's high school transcript.
(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses.

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the state board has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school may administer the related subject area examinations upon the student's completion of the integrated course.

Nothing in division (I) of this section shall be construed to excuse any school district, chartered nonpublic school, or student from any requirement in the Revised Code related to curriculum, assessments, or the awarding of a high school diploma.

(J)(1) The state board, in consultation with the chancellor, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing
in the plan during the 2009-2010 school year. The plan shall include a standard method for recording demonstrated proficiency on high school transcripts. Each school district and community school shall comply with the state board's plan adopted under this division and award units of high school credit in accordance with the plan. The state board may adopt existing methods for earning high school credit based on a demonstration of subject area competency as necessary prior to the 2009-2010 school year.

(2) Not later than December 31, 2015, the state board shall update the statewide plan adopted pursuant to division (J)(1) of this section to also include methods for students enrolled in seventh and eighth grade to meet curriculum requirements based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. Beginning with the 2017-2018 school year, each school district and community school also shall comply with the updated plan adopted pursuant to this division and permit students enrolled in seventh and eighth grade to meet curriculum requirements based on subject area competency in accordance with the plan.

(3) Not later than December 31, 2017, the department shall develop a framework for school districts and community schools to use in granting units of high school credit to students who demonstrate subject area competency through work-based learning experiences, internships, or cooperative education. Beginning with the 2018-2019 school year, each district and community school shall comply with the framework. Each district and community school also shall review any policy it has adopted regarding the demonstration of subject area competency to identify ways to incorporate work-based learning experiences, internships, and cooperative education into the policy in order to increase student engagement and opportunities to earn units of high school credit.

(K) This division does not apply to students who qualify for
graduation from high school under division (D) or (F) of this section, or to students pursuing a career-technical instructional track as determined by the school district board of education or the chartered nonpublic school's governing authority. Nevertheless, the general assembly encourages such students to consider enrolling in a fine arts course as an elective.

Beginning with students who enter ninth grade for the first time on or after July 1, 2010, each student enrolled in a public or chartered nonpublic high school shall complete two semesters or the equivalent of fine arts to graduate from high school. The coursework may be completed in any of grades seven to twelve. Each student who completes a fine arts course in grade seven or eight may elect to count that course toward the five units of electives required for graduation under division (C)(8) of this section, if the course satisfied the requirements of division (G) of this section. In that case, the high school shall award the student high school credit for the course and count the course toward the five units required under division (C)(8) of this section. If the course in grade seven or eight did not satisfy the requirements of division (G) of this section, the high school shall not award the student high school credit for the course but shall count the course toward the two semesters or the equivalent of fine arts required by this division.

(L) Notwithstanding anything to the contrary in this section, the board of education of each school district and the governing authority of each chartered nonpublic school may adopt a policy to excuse from the high school physical education requirement each student who, during high school, has participated in interscholastic athletics, marching band, show choir, or cheerleading for at least two full seasons or in the junior reserve officer training corps for at least two full school years. If the board or authority adopts such a policy, the board or
authority shall not require the student to complete any physical
education course as a condition to graduate. However, the student
shall be required to complete one-half unit, consisting of at
least sixty hours of instruction, in another course of study. In
the case of a student who has participated in the junior reserve
officer training corps for at least two full school years, credit
received for that participation may be used to satisfy the
requirement to complete one-half unit in another course of study.

(M) It is important that high school students learn and
understand United States history and the governments of both the
United States and the state of Ohio. Therefore, beginning with
students who enter ninth grade for the first time on or after July
1, 2012, the study of American history and American government
required by divisions (B)(6) and (C)(6) of this section shall
include the study of all of the following documents:

1. The Declaration of Independence;
2. The Northwest Ordinance;
3. The Constitution of the United States with emphasis on
   the Bill of Rights;
4. The Ohio Constitution.

The study of each of the documents prescribed in divisions
(M)(1) to (4) of this section shall include study of that document
in its original context.

The study of American history and government required by
divisions (B)(6) and (C)(6) of this section shall include the
historical evidence of the role of documents such as the
Federalist Papers and the Anti-Federalist Papers to firmly
establish the historical background leading to the establishment
of the provisions of the Constitution and Bill of Rights.

(N) A student may apply one unit of instruction in computer
science to satisfy one unit of mathematics or one unit of science under division (C) of this section as the student chooses, regardless of the field of certification of the teacher who teaches the course, so long as that teacher meets the licensure requirements prescribed by section 3319.236 of the Revised Code and, prior to teaching the course, completes a professional development program determined to be appropriate by the district board.

If a student applies more than one computer science course to satisfy curriculum requirements under that division, the courses shall be sequential and progressively more difficult or cover different subject areas within computer science.

Sec. 3313.608. (A)(1) Beginning with students who enter third grade in the school year that starts July 1, 2009, and until June 30, 2013, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, for any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, each school district, in accordance with the policy adopted under section 3313.609 of the Revised Code, shall do one of the following:

(a) Promote the student to fourth grade if the student's principal and reading teacher agree that other evaluations of the student's skill in reading demonstrate that the student is academically prepared to be promoted to fourth grade;

(b) Promote the student to fourth grade but provide the student with intensive intervention services in fourth grade;

(c) Retain the student in third grade.
(2) Beginning with students who enter third grade in the 2013-2014 school year, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, no school district shall promote to fourth grade any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, unless one of the following applies:

(a) The student is an English learner who has been enrolled in United States schools for less than three full school years and has had less than three years of instruction in an English as a second language program.

(b) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code and the student's individualized education program exempts the student from retention under this division.

(c) The student demonstrates an acceptable level of performance on an alternative standardized reading assessment as determined by the department of education.

(d) All of the following apply:

(i) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code.

(ii) The student has taken the third grade English language arts achievement assessment prescribed under section 3301.0710 of the Revised Code.

(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has
received intensive remediation in reading for two school years but still demonstrates a deficiency in reading.

   (iv) The student previously was retained in any of grades kindergarten to three.

   (e)(i) The student received intensive remediation for reading for two school years but still demonstrates a deficiency in reading and was previously retained in any of grades kindergarten to three.

   (ii) A student who is promoted under division (A)(2)(e)(i) of this section shall continue to receive intensive reading instruction in grade four. The instruction shall include an altered instructional day that includes specialized diagnostic information and specific research-based reading strategies for the student that have been successful in improving reading among low-performing readers.

   (B)(1)(a) Beginning in the 2012-2013 school year, to assist students in meeting the third grade guarantee established by this section, each school district board of education shall adopt policies and procedures with which it annually shall assess the reading skills of each student, except those students with significant cognitive disabilities or other disabilities as authorized by the department on a case-by-case basis, enrolled in kindergarten to third grade and shall identify students who are reading below their grade level. The reading skills assessment shall be completed by the thirtieth day of September for students in grades one to three, and by the first day of November twentieth day of instruction of the school year for students in kindergarten. Each district shall use the diagnostic assessment to measure reading ability for the appropriate grade level adopted under section 3301.079 of the Revised Code, or a comparable tool approved by the department of education, to identify such students. The
(b) The policies and procedures shall require the students' classroom teachers to be involved in the assessment and the identification of students reading below grade level. The assessment may be administered electronically using live, two-way video and audio connections whereby the teacher administering the assessment may be in a separate location from the student.

(c) Except for the kindergarten readiness assessment described in section 3301.0715 of the Revised Code, any comparable tool approved by the department for grades kindergarten through three shall include a sufficient number of items related to phonological awareness, phonemic awareness, rapid naming skills, nonsense word fluency, and correspondence between sounds and letters to identify students who may need further measures to determine if the students have dyslexia, as defined in section 3319.80 of the Revised Code.

(d) For each comparable tool approved under this section, the department shall require that the test vendor share information with the school regarding student performance on identification items related to dyslexia as described under division (B)(1)(c) of this section. The department also shall require the vendor to provide a summary of such information to the department, in the manner prescribed by the department.

(2) For each student identified by the diagnostic assessment prescribed under this section as having reading skills below grade level, the district shall do both of the following:

(a) Provide to the student's parent or guardian, in writing, all of the following:

(i) Notification that the student has been identified as having a substantial deficiency in reading;

(ii) A description of the current services that are provided to the student;
(iii) A description of the proposed supplemental instructional services and supports that will be provided to the student that are designed to remediate the identified areas of reading deficiency;

(iv) Notification that if the student attains a score in the range designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, the student shall be retained unless the student is exempt under division (A) of this section. The notification shall specify that the assessment under section 3301.0710 of the Revised Code is not the sole determinant of promotion and that additional evaluations and assessments are available to the student to assist parents and the district in knowing when a student is reading at or above grade level and ready for promotion.

(b) Provide intensive reading instruction services and regular diagnostic assessments to the student immediately following identification of a reading deficiency until the development of the reading improvement and monitoring plan required by division (C) of this section. These intervention services shall include research-based reading strategies that have been shown to be successful in improving reading among low-performing readers and instruction targeted at the student's identified reading deficiencies.

(3) For each student retained under division (A) of this section, the district shall do all of the following:

(a) Provide intense remediation services until the student is able to read at grade level. The remediation services shall include intensive interventions in reading that address the areas of deficiencies identified under this section including, but not limited to, not less than ninety minutes of reading instruction per day, and may include any of the following:
(i) Small group instruction;
(ii) Reduced teacher-student ratios;
(iii) More frequent progress monitoring;
(iv) Tutoring or mentoring;
(v) Transition classes containing third and fourth grade students;
(vi) Extended school day, week, or year;
(vii) Summer reading camps.

(b) Establish a policy for the mid-year promotion of a student retained under division (A) of this section who demonstrates that the student is reading at or above grade level;
(c) Provide each student with a teacher who satisfies one or more of the criteria set forth in division (H) of this section.

The district shall offer the option for students to receive applicable services from one or more providers other than the district. Providers shall be screened and approved by the district or the department of education. If the student participates in the remediation services and demonstrates reading proficiency in accordance with standards adopted by the department prior to the start of fourth grade, the district shall promote the student to that grade.

(4) For each student retained under division (A) of this section who has demonstrated proficiency in a specific academic ability field, each district shall provide instruction commensurate with student achievement levels in that specific academic ability field.

As used in this division, "specific academic ability field" has the same meaning as in section 3324.01 of the Revised Code.

(5) Any tool approved by the department under division (B) of
this section, other than the kindergarten readiness assessment, may be used to meet the requirement to administer a tier one dyslexia screening under section 3323.251 of the Revised Code.

(C) For each student required to be provided intervention services under this section, the district shall develop a reading improvement and monitoring plan within sixty days after receiving the student's results on the diagnostic assessment or comparable tool administered under division (B)(1) of this section. The district shall involve the student's parent or guardian and classroom teacher in developing the plan. The plan shall include all of the following:

   (1) Identification of the student's specific reading deficiencies;

   (2) A description of the additional instructional services and support that will be provided to the student to remediate the identified reading deficiencies;

   (3) Opportunities for the student's parent or guardian to be involved in the instructional services and support described in division (C)(2) of this section;

   (4) A process for monitoring the extent to which the student receives the instructional services and support described in division (C)(2) of this section;

   (5) A reading curriculum during regular school hours that does all of the following:

      (a) Assists students to read at grade level;

      (b) Provides scientifically based and reliable assessment;

      (c) Provides initial and ongoing analysis of each student's reading progress.

   (6) A statement that if the student does not attain at least the equivalent level of achievement designated under division
(A) (3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected by the end of third grade, the student may be retained in third grade.

Each student with a reading improvement and monitoring plan under this division who enters third grade after July 1, 2013, shall be assigned to a teacher who satisfies one or more of the criteria set forth in division (H) of this section.

The district shall report any information requested by the department about the reading improvement monitoring plans developed under this division in the manner required by the department.

(D) Each school district shall report annually to the department on its implementation and compliance with this section using guidelines prescribed by the superintendent of public instruction. The superintendent of public instruction annually shall report to the governor and general assembly the number and percentage of students in grades kindergarten through four reading below grade level based on the diagnostic assessments administered under division (B) of this section and the achievement assessments administered under divisions (A)(1)(a) and (b) of section 3301.0710 of the Revised Code in English language arts, aggregated by school district and building; the types of intervention services provided to students; and, if available, an evaluation of the efficacy of the intervention services provided.

(E) Any summer remediation services funded in whole or in part by the state and offered by school districts to students under this section shall meet the following conditions:

(1) The remediation methods are based on reliable educational research.

(2) The school districts conduct assessment before and after
students participate in the program to facilitate monitoring results of the remediation services.

(3) The parents of participating students are involved in programming decisions.

(F) Any intervention or remediation services required by this section shall include intensive, explicit, and systematic instruction.

(G) This section does not create a new cause of action or a substantive legal right for any person.

(H)(1) Except as provided under divisions (H)(2), (3), and (4) of this section, each student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013, shall be assigned a teacher who has at least one year of teaching experience and who satisfies one or more of the following criteria:

(a) The teacher holds a reading endorsement on the teacher's license and has attained a passing score on the corresponding assessment for that endorsement, as applicable.

(b) The teacher has completed a master's degree program with a major in reading.

(c) The teacher was rated "most effective" for reading instruction consecutively for the most recent two years based on assessments of student growth measures developed by a vendor and that is on the list of student assessments approved by the state board under division (B)(2) of section 3319.112 of the Revised Code.

(d) The teacher was rated "above expected value added," in reading instruction, as determined by criteria established by the department, for the most recent, consecutive two years.

(e) The teacher has earned a passing score on a rigorous test
of principles of scientifically research-based reading instruction as approved by the state board.

(f) The teacher holds an educator license for teaching grades pre-kindergarten through three or four through nine issued on or after July 1, 2017.

(2) Notwithstanding division (H)(1) of this section, a student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013, may be assigned to a teacher with less than one year of teaching experience provided that the teacher meets one or more of the criteria described in divisions (H)(1)(a) to (f) of this section and that teacher is assigned a teacher mentor who meets the qualifications of division (H)(1) of this section.

(3) Notwithstanding division (H)(1) of this section, a student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013, but prior to July 1, 2016, may be assigned to a teacher who holds an alternative credential approved by the department or who has successfully completed training that is based on principles of scientifically research-based reading instruction that has been approved by the department. Beginning on July 1, 2014, the alternative credentials and training described in division (H)(3) of this section shall be aligned with the reading competencies adopted by the state board of education under section 3301.077 of the Revised Code.

(4) Notwithstanding division (H)(1) of this section, a student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013, may receive reading intervention or remediation services under this section from an individual employed as a speech-language pathologist who holds a license issued by the state speech and hearing professionals board under Chapter 4753. of the Revised
Code and a professional pupil services license as a school speech-language pathologist issued by the state board of education.

(5) A teacher, other than a student's teacher of record, may provide any services required under this section, so long as that other teacher meets the requirements of division (H) of this section and the teacher of record and the school principal agree to the assignment. Any such assignment shall be documented in the student's reading improvement and monitoring plan.

As used in this division, "teacher of record" means the classroom teacher to whom a student is assigned.

(I) Notwithstanding division (H) of this section, a teacher may teach reading to any student who is an English language learner, and has been in the United States for three years or less, or to a student who has an individualized education program developed under Chapter 3323. of the Revised Code if that teacher holds an alternative credential approved by the department or has successfully completed training that is based on principles of scientifically research-based reading instruction that has been approved by the department. Beginning on July 1, 2014, the alternative credentials and training described in this division shall be aligned with the reading competencies adopted by the state board of education under section 3301.077 of the Revised Code.

(J) If, on or after June 4, 2013, a school district or community school cannot furnish the number of teachers needed who satisfy one or more of the criteria set forth in division (H) of this section for the 2013-2014 school year, the school district or community school shall develop and submit a staffing plan by June 30, 2013. The staffing plan shall include criteria that will be used to assign a student described in division (B)(3) or (C) of this section to a teacher, credentials or training held by
teachers currently teaching at the school, and how the school district or community school will meet the requirements of this section. The school district or community school shall post the staffing plan on its web site for the applicable school year.

Not later than March 1, 2014, and on the first day of March in each year thereafter, a school district or community school that has submitted a plan under this division shall submit to the department a detailed report of the progress the district or school has made in meeting the requirements under this section.

A school district or community school may request an extension of a staffing plan beyond the 2013-2014 school year. Extension requests must be submitted to the department not later than the thirtieth day of April prior to the start of the applicable school year. The department may grant extensions valid through the 2015-2016 school year.

Until June 30, 2015, the department annually shall review all staffing plans and report to the state board not later than the thirtieth day of June of each year the progress of school districts and community schools in meeting the requirements of this section.

(K) The department of education shall designate one or more staff members to provide guidance and assistance to school districts and community schools in implementing the third grade guarantee established by this section, including any standards or requirements adopted to implement the guarantee and to provide information and support for reading instruction and achievement.

Sec. 3313.6013. (A) As used in this section, "advanced standing program" means a program that enables a student to earn credit toward a degree from an institution of higher education while enrolled in high school or that enables a student to complete coursework while enrolled in high school that may earn
credit toward a degree from an institution of higher education upon the student's attainment of a specified score on an examination covering the coursework. Advanced standing programs may include any of the following:

(1) The college credit plus program established under Chapter 3365. of the Revised Code;

(2) Advanced placement courses;

(3) International baccalaureate diploma courses;

(4) Early college high school programs.

(B) Each city, local, exempted village, and joint vocational school district and each chartered nonpublic high school shall provide students enrolled in grades nine through twelve with the opportunity to participate in an advanced standing program. For this purpose, each school district and chartered nonpublic high school shall offer at least one advanced standing program in accordance with division (B)(1) or (2) of this section, as applicable.

(1) A city, local, or exempted village school district meets the requirements of this division through its mandatory participation in the college credit plus program established under Chapter 3365. of the Revised Code. However, a city, local, or exempted village school district may offer any other advanced standing program, in addition to the college credit plus program, and each joint vocational school district shall offer at least one other advanced standing program, to students in good standing, as defined by the partnership for continued learning under section 3301.42 of the Revised Code as it existed prior to October 16, 2009, or as subsequently defined by the department of education.

(2) A chartered nonpublic high school that elects to participate in the college credit plus program established under
Chapter 3365. of the Revised Code meets the requirements of this division. Each chartered nonpublic high school that elects not to participate in the college credit plus program instead shall offer at least one other advanced standing program to students in good standing, as defined by the partnership for continued learning under section 3301.42 of the Revised Code as it existed prior to October 16, 2009, or as subsequently defined by the department of education.

(C) Each school district and each chartered nonpublic high school, at least annually, shall provide information about the advanced standing programs offered by the district or school to all students enrolled in grades six through eleven. The district or school shall include information about all of the following:

1. The process colleges and universities use in awarding credit for advanced placement and international baccalaureate courses and examinations, including minimum scores required by state institutions of higher education, as defined in section 3345.011 of the Revised Code, for a student to receive college credit;

2. The availability of tuition and fee waivers for advanced placement and international baccalaureate courses and examinations;

(a) The placement for adoption has been terminated.

(b) Another school district is required to admit the child under division (B)(1) of this section.

Division (B) of this section does not prohibit the board of education of a school district from placing a child with a disability who resides in the district in a special education program outside of the district or its schools in compliance with Chapter 3323. of the Revised Code.

(C) A district shall not charge tuition for children admitted under division (B)(1) or (3) of this section. If the district admits a child under division (B)(2) of this section, tuition shall be paid to the district that admits the child as provided in divisions (C)(1) to (3) of this section, unless division (C)(4) of this section applies to the child:

(1) If the child receives special education in accordance with Chapter 3323. of the Revised Code, the school district of residence, as defined in section 3323.01 of the Revised Code, shall pay tuition for the child in accordance with section 3323.091, 3323.13, 3323.14, or 3323.141 of the Revised Code regardless of who has custody of the child or whether the child resides in a home.

time the court removed the child from home or at the time the
court vested legal or permanent custody of the child in the person
or government agency, whichever occurred first;

(b) If the parent's residence at the time the court removed
the child from home or placed the child in the legal or permanent
custody of the person or government agency is unknown, tuition
shall be paid by the district in which the child resided at the
time the child was removed from home or placed in legal or
permanent custody, whichever occurred first;

(c) If a school district cannot be established under division
(C)(2)(a) or (b) of this section, tuition shall be paid by the

residential or correctional facility or a juvenile residential
placement and the other parent, if living and not in such a
facility or placement, was not known to reside in this state,
tuition shall be paid by the district determined under division
(D) of section 3313.65 of the Revised Code as the district
required to pay any tuition while the parent was in such facility
or placement;

(e) If the department of education has determined, pursuant
to division (A)(2) of section 2151.362 of the Revised Code, that a
school district other than the one named in the court's initial
order, or in a prior determination of the department, is
responsible to bear the cost of educating the child, the district
so determined shall be responsible for that cost.

(3) If the child is not in the permanent or legal custody of a government agency or person other than the child's parent and the child resides in a home, tuition shall be paid by one of the following:

(a) The school district in which the child's parent resides;

If a child to whom division (C)(4) of this section applies is a special education student, a district may choose whether to receive a tuition payment for that child under division (C)(4) of this section or to receive a payment for that child under section 3323.14 of the Revised Code. If a district chooses to receive a payment for that child under section 3323.14 of the Revised Code, it shall not receive a tuition payment for that child under division (C)(4) of this section.

If a child to whom division (C)(4) of this section applies is not a special education student, a district shall receive a tuition payment for that child under division (C)(4) of this section.

In the case of a child to which division (C)(4) of this...
section applies, the total educational cost to be paid for the child shall be determined by a formula approved by the department of education, which formula shall be designed to calculate a per diem cost for the educational services provided to the child for each day the child is served and shall reflect the total actual cost incurred in providing those services. The department shall certify the total educational cost to be paid for the child to both the school district providing the educational services and, if different, the school district that is responsible to pay tuition for the child. The department shall deduct the certified amount from the state basic aid funds payable under Chapter 3317. of the Revised Code to the district responsible to pay tuition and shall pay that amount to the district providing the educational services to the child.

(D) Tuition required to be paid under divisions (C)(2) and (3)(a) of this section shall be computed in accordance with section 3317.08 of the Revised Code. Tuition required to be paid under division (C)(3)(b) of this section shall be computed in accordance with section 3317.081 of the Revised Code. If a home fails to pay the tuition required by division (C)(3)(b) of this section, the board of education providing the education may recover in a civil action the tuition and the expenses incurred in prosecuting the action, including court costs and reasonable attorney's fees. If the prosecuting attorney or city director of law represents the board in such action, costs and reasonable attorney's fees awarded by the court, based upon the prosecuting attorney's, director's, or one of their designee's time spent preparing and presenting the case, shall be deposited in the county or city general fund.

(E) A board of education may enroll a child free of any tuition obligation for a period not to exceed sixty days, on the sworn statement of an adult resident of the district that the
residents have initiated legal proceedings for custody of the child.

(F) In the case of any individual entitled to attend school under this division, no tuition shall be charged by the school district of attendance and no other school district shall be required to pay tuition for the individual's attendance. Notwithstanding division (B), (C), or (E) of this section:

(1) All persons at least eighteen but under twenty-two years of age who live apart from their parents, support themselves by their own labor, and have not successfully completed the high school curriculum or the individualized education program developed for the person by the high school pursuant to section 3323.08 of the Revised Code, are entitled to attend school in the district in which they reside.

(2) Any child under eighteen years of age who is married is entitled to attend school in the child's district of residence.

(3) A child is entitled to attend school in the district in which either of the child's parents is employed if the child has a medical condition that may require emergency medical attention. The parent of a child entitled to attend school under division (F)(3) of this section shall submit to the board of education of the district in which the parent is employed a statement from the child's physician certifying that the child's medical condition may require emergency medical attention. The statement shall be supported by such other evidence as the board may require.

(4) Any child residing with a person other than the child's parent is entitled, for a period not to exceed twelve months, to attend school in the district in which that person resides if the child's parent files an affidavit with the superintendent of the district in which the person with whom the child is living resides stating all of the following:

(a) That the parent is serving outside of the state in the
armed services of the United States;

(b) That the parent intends to reside in the district upon returning to this state;

(c) The name and address of the person with whom the child is living while the parent is outside the state.

(5) Any child under the age of twenty-two years who, after the death of a parent, resides in a school district other than the district in which the child attended school at the time of the parent's death is entitled to continue to attend school in the district in which the child attended school at the time of the parent's death for the remainder of the school year, subject to approval of that district board.

(6) A child under the age of twenty-two years who resides with a parent who is having a new house built in a school district outside the district where the parent is residing is entitled to attend school for a period of time in the district where the new house is being built. In order to be entitled to such attendance, the parent shall provide the district superintendent with the following:

(a) A sworn statement explaining the situation, revealing the location of the house being built, and stating the parent's intention to reside there upon its completion;

(b) A statement from the builder confirming that a new house is being built for the parent and that the house is at the location indicated in the parent's statement.

(7) A child under the age of twenty-two years residing with a parent who has a contract to purchase a house in a school district outside the district where the parent is residing and who is waiting upon the date of closing of the mortgage loan for the purchase of such house is entitled to attend school for a period of time in the district where the house is being purchased. In
order to be entitled to such attendance, the parent shall provide the district superintendent with the following:

(a) A sworn statement explaining the situation, revealing the location of the house being purchased, and stating the parent's intent to reside there;

(b) A statement from a real estate broker or bank officer confirming that the parent has a contract to purchase the house, that the parent is waiting upon the date of closing of the mortgage loan, and that the house is at the location indicated in the parent's statement.

The district superintendent shall establish a period of time not to exceed ninety days during which the child entitled to attend school under division (F)(6) or (7) of this section may attend without tuition obligation. A student attending a school under division (F)(6) or (7) of this section shall be eligible to participate in interscholastic athletics under the auspices of that school, provided the board of education of the school district where the student's parent resides, by a formal action, releases the student to participate in interscholastic athletics at the school where the student is attending, and provided the student receives any authorization required by a public agency or private organization of which the school district is a member exercising authority over interscholastic sports.

(8) A child whose parent is a full-time employee of a city, local, or exempted village school district, or of an educational service center, may be admitted to the schools of the district where the child's parent is employed, or in the case of a child whose parent is employed by an educational service center, in the district that serves the location where the parent's job is primarily located, provided the district board of education establishes such an admission policy by resolution adopted by a majority of its members. Any such policy shall take effect on the
first day of the school year and the effective date of any amendment or repeal may not be prior to the first day of the subsequent school year. The policy shall be uniformly applied to all such children and shall provide for the admission of any such child upon request of the parent. No child may be admitted under this policy after the first day of classes of any school year.

(9) A child who is with the child's parent under the care of a shelter for victims of domestic violence, as defined in section 3113.33 of the Revised Code, is entitled to attend school free in the district in which the child is with the child's parent, and no other school district shall be required to pay tuition for the child's attendance in that school district.

The enrollment of a child in a school district under this division shall not be denied due to a delay in the school district's receipt of any records required under section 3313.672 of the Revised Code or any other records required for enrollment. Any days of attendance and any credits earned by a child while enrolled in a school district under this division shall be transferred to and accepted by any school district in which the child subsequently enrolls. The state board of education shall adopt rules to ensure compliance with this division.

(10) Any child under the age of twenty-two years whose parent has moved out of the school district after the commencement of classes in the child's senior year of high school is entitled, subject to the approval of that district board, to attend school in the district in which the child attended school at the time of the parental move for the remainder of the school year and for one additional semester or equivalent term. A district board may also adopt a policy specifying extenuating circumstances under which a student may continue to attend school under division (F)(10) of this section for an additional period of time in order to successfully complete the high school curriculum for the
individualized education program developed for the student by the
high school pursuant to section 3323.08 of the Revised Code.

(11) As used in this division, "grandparent" means a parent
of a parent of a child. A child under the age of twenty-two years
who is in the custody of the child's parent, resides with a
grandparent, and does not require special education is entitled to
attend the schools of the district in which the child's
grandparent resides, provided that, prior to such attendance in
any school year, the board of education of the school district in
which the child's grandparent resides and the board of education
of the school district in which the child's parent resides enter
into a written agreement specifying that good cause exists for
such attendance, describing the nature of this good cause, and
consenting to such attendance.

In lieu of a consent form signed by a parent, a board of
education may request the grandparent of a child attending school
in the district in which the grandparent resides pursuant to
division (F)(11) of this section to complete any consent form
required by the district, including any authorization required by
sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised
Code. Upon request, the grandparent shall complete any consent
form required by the district. A school district shall not incur
any liability solely because of its receipt of a consent form from
a grandparent in lieu of a parent.

Division (F)(11) of this section does not create, and shall
not be construed as creating, a new cause of action or substantive
legal right against a school district, a member of a board of
education, or an employee of a school district. This section does
not affect, and shall not be construed as affecting, any
immunities from defenses to tort liability created or recognized
by Chapter 2744. of the Revised Code for a school district,
member, or employee.
(12) A child under the age of twenty-two years is entitled to attend school in a school district other than the district in which the child is entitled to attend school under division (B), (C), or (E) of this section provided that, prior to such attendance in any school year, both of the following occur:

(a) The superintendent of the district in which the child is entitled to attend school under division (B), (C), or (E) of this section contacts the superintendent of another district for purposes of this division;

(b) The superintendents of both districts enter into a written agreement that consents to the attendance and specifies that the purpose of such attendance is to protect the student's physical or mental well-being or to deal with other extenuating circumstances deemed appropriate by the superintendents.

While an agreement is in effect under this division for a student who is not receiving special education under Chapter 3323. of the Revised Code and notwithstanding Chapter 3327. of the Revised Code, the board of education of neither school district involved in the agreement is required to provide transportation for the student to and from the school where the student attends.

A student attending a school of a district pursuant to this division shall be allowed to participate in all student activities, including interscholastic athletics, at the school where the student is attending on the same basis as any student who has always attended the schools of that district while of compulsory school age.

(13) All school districts shall comply with the "McKinney-Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for the education of homeless children. Each city, local, and exempted village school district shall comply with the requirements of that act governing the provision of a free,
appropriate public education, including public preschool, to each homeless child.

When a child loses permanent housing and becomes a homeless person, as defined in 42 U.S.C.A. 11481(5), or when a child who is such a homeless person changes temporary living arrangements, the child's parent or guardian shall have the option of enrolling the child in either of the following:

(a) The child's school of origin, as defined in 42 U.S.C.A. 11432(g)(3)(C);

(b) The school that is operated by the school district in which the shelter where the child currently resides is located and that serves the geographic area in which the shelter is located.

(14) A child under the age of twenty-two years who resides with a person other than the child's parent is entitled to attend school in the school district in which that person resides if both of the following apply:

(a) That person has been appointed, through a military power of attorney executed under section 574(a) of the "National Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 (1993), 10 U.S.C. 1044b, or through a comparable document necessary to complete a family care plan, as the parent's agent for the care, custody, and control of the child while the parent is on active duty as a member of the national guard or a reserve unit of the armed forces of the United States or because the parent is a member of the armed forces of the United States and is on a duty assignment away from the parent's residence.

(b) The military power of attorney or comparable document includes at least the authority to enroll the child in school.

The entitlement to attend school in the district in which the parent's agent under the military power of attorney or comparable document resides applies until the end of the school year in which...
the military power of attorney or comparable document expires.

(G) A board of education, after approving admission, may waive tuition for students who will temporarily reside in the district and who are either of the following:

(1) Residents or domiciliaries of a foreign nation who request admission as foreign exchange students;

(2) Residents or domiciliaries of the United States but not of Ohio who request admission as participants in an exchange program operated by a student exchange organization.

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 3323.04, 3327.04, and 3327.06 of the Revised Code, a child may attend school or participate in a special education program in a school district other than in the district where the child is entitled to attend school under division (B) of this section.

(I)(1) Notwithstanding anything to the contrary in this section or section 3313.65 of the Revised Code, a child under twenty-two years of age may attend school in the school district in which the child, at the end of the first full week of October of the school year, was entitled to attend school as otherwise provided under this section or section 3313.65 of the Revised Code, if at that time the child was enrolled in the schools of the district but since that time the child or the child's parent has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which
the child was entitled to attend school at the end of the first
full week in October and of the district to which the child or
child's parent has relocated each has adopted a policy to enroll
children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the
relocation outside of the school district to the superintendent of
each of the two school districts.

(2) At the beginning of the school year following the school
year in which the child or the child's parent relocated outside of
the school district as described in division (I)(1) of this
section, the child is not entitled to attend school in the school
district under that division.

(3) Any person or entity owing tuition to the school district
on behalf of the child at the end of the first full week in
October, as provided in division (C) of this section, shall
continue to owe such tuition to the district for the child's
attendance under division (I)(1) of this section for the lesser of
the balance of the school year or the balance of the time that the
child attends school in the district under division (I)(1) of this
section.

(4) A pupil who may attend school in the district under
division (I)(1) of this section shall be entitled to
transportation services pursuant to an agreement between the
district and the district in which the child or child's parent has
relocated unless the districts have not entered into such
agreement, in which case the child shall be entitled to
transportation services in the same manner as a pupil attending
school in the district under interdistrict open enrollment as
described in division (H) (E) of section 3313.981 of the Revised
Code, regardless of whether the district has adopted an open
enrollment policy as described in division (B)(1)(b) or (c) of
section 3313.98 of the Revised Code.
(J) This division does not apply to a child receiving special education.

A school district required to pay tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount deducted under division (C) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. A school district entitled to receive tuition pursuant to division (C)(2) or (3) of this section or section 3313.65 of the Revised Code shall have an amount credited under division (C) of section 3317.023 of the Revised Code equal to its own tuition rate for the same period of attendance. If the tuition rate credited to the district of attendance exceeds the rate deducted from the district required to pay tuition, the department of education shall pay the district of attendance the difference from amounts deducted from all districts' payments under division (C) of section 3317.023 of the Revised Code but not credited to other school districts under such division and from appropriations made for such purpose. The treasurer of each school district shall, by the fifteenth day of January and July, furnish the superintendent of public instruction a report of the names of each child who attended the district's schools under divisions (C)(2) and (3) of this section or section 3313.65 of the Revised Code during the preceding six calendar months, the duration of the attendance of those children, the school district responsible for tuition on behalf of the child, and any other information that the superintendent requires.

child lives as a result of the parent's active duty status or

(1) The entity may renew a contract that the entity entered into with an internet- or computer-based community school prior to May 1, 2005, if the school was open for operation as of that date.

(2) The entity may assume sponsorship of an existing internet- or computer-based community school that was formerly sponsored by another entity and may enter into a contract with that community school in accordance with section 3314.03 of the Revised Code.

If a sponsor entered into a contract with an internet- or computer-based community school, including a conversion school, but the school was not open for operation as of May 1, 2005, the contract shall be void and the entity shall not enter into another contract with the school until the sixty-first day after the effective date of this amendment May 22, 2013.
(B)(1) Beginning on the later of July 1, 2013, or the sixty-first day after the effective date of this amendment, up to five new internet- or computer-based community schools may open each year, subject to approval of the superintendent of public instruction under division (B)(2) of this section.

(2) The superintendent of public instruction shall approve applications for new internet- or computer-based community schools from only those applicants demonstrating experience and quality.

The state board of education shall adopt rules prescribing measures to determine experience and quality of applicants in accordance with Chapter 119. of the Revised Code. The measures shall include, but not be limited to, the following considerations:

(a) The sponsor's experience with online schools;

(b) The operator's experience with online schools;

(c) The sponsor's and operator's previous record for student performance;

(d) A preference for operators with previous experience in Ohio.

The state board shall adopt the rules so that they are effective not later than the sixty-first day after the effective date of this amendment, May 22, 2013.

(3) The department of education shall notify any new internet- or computer-based community school governed by division (B) of this section of whether the superintendent has approved or disapproved the school's application to open for the 2013-2014 school year not later than July 1, 2013, or the sixty-first day after the effective date of this amendment, if such date occurs after July 1, 2013. Notwithstanding the dates prescribed for adoption and signing on sponsor contracts in division (D) of
section 3314.02 of the Revised Code, or the date for opening a
school for instruction required by division (A)(25) of section
3314.03 of the Revised Code, a new internet- or computer-based
community school approved for opening for the 2013-2014 school
year under division (B) of this section may open and operate in
that school year regardless of whether it has complied with those
contract and opening dates. For each school year thereafter, the
school shall comply with all applicable provisions of this
chapter.

(C) Nothing in division (A) or (B) of this section
prohibits an internet- or computer-based community school from
increasing the number of grade levels it offers.

(D) Not later than July 1, 2012, the director of the
governor's office of 21st century education and the superintendent
of public instruction shall develop standards for the operation of
internet- or computer-based community schools. The director shall
submit those standards to the speaker of the house of
representatives and the president of the senate for consideration
of enactment by the general assembly.

Sec. 3314.016. This section applies to any entity that
sponsors a community school, regardless of whether section
3314.021 or 3314.027 of the Revised Code exempts the entity from
the requirement to be approved for sponsorship under divisions
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The
office of Ohio school sponsorship established under section
3314.029 of the Revised Code shall be rated under division (B) of
this section, but divisions (A) and (C) of this section do not
apply to the office.

(A) An entity that sponsors a community school shall be
permitted to enter into contracts under section 3314.03 of the
Revised Code to sponsor additional community schools only if the
entity meets all of the following criteria:

(1) The entity is in compliance with all provisions of this chapter requiring sponsors of community schools to report data or information to the department of education.

(2) The entity is not rated as "ineffective" under division (B)(6) of this section.

(3) Except as set forth in sections 3314.021 and 3314.027 of the Revised Code, the entity has received approval from and entered into an agreement with the department of education pursuant to section 3314.015 of the Revised Code.

(B)(1) The department shall develop and implement an evaluation system that annually rates and assigns an overall rating to each entity that sponsors a community school. The department, not later than the first day of February of each year, shall post on the department's web site the framework for the evaluation system, including technical documentation that the department intends to use to rate sponsors for the next school year. The department shall solicit public comment on the evaluation system for thirty consecutive days. Not later than the first day of April of each year, the department shall compile and post on the department's web site all public comments that were received during the public comment period. The evaluation system shall be posted on the department's web site by the fifteenth day of July of each school year. Any changes to the evaluation system after that date shall take effect the following year. The evaluation system shall be based on the following components:

(a) Academic performance of students enrolled in community schools sponsored by the same entity. The academic performance component shall be derived from the performance measures prescribed for the state report cards under section 3302.03 or 3314.017 of the Revised Code, and shall be based on the
performance of the schools for the school year for which the evaluation is conducted. In addition to the academic performance for a specific school year, the academic performance component shall also include year-to-year changes in the overall sponsor portfolio. For a community school for which no graded performance measures are applicable or available, the department shall use nonreport card performance measures specified in the contract between the community school and the sponsor under division (A)(4) of section 3314.03 of the Revised Code.

(b) Adherence by a sponsor to the quality practices prescribed by the department under division (B)(3) of this section. For a sponsor that was rated "effective" or "exemplary" on its most recent rating, the department may evaluate that sponsor's adherence to quality practices once over a period of three years. If the department elects to evaluate a sponsor once over a period of three years, the most recent rating for a sponsor's adherence to quality practices shall be used when determining an annual overall rating conducted under this section.

(c) Compliance with all applicable laws and administrative rules by an entity that sponsors a community school.

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code shall be reported, but shall not be used as a factor when determining a sponsoring entity's rating under this section.

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure
adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department.

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program.

(5) Not later than July 1, 2013, the state board of education shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section.

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system.

The department shall publish the ratings between the first day of October and the fifteenth day of November.

Prior to the publication of the final ratings, the department
shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by division (B)(1) of this section. If the sponsor believes there is an error in the department's evaluation, the sponsor may request adjustments to the rating of any of those components based on documentation previously submitted as part of an evaluation. The sponsor shall provide to the department any necessary evidence or information to support the requested adjustments. The department shall review the evidence and information, determine whether an adjustment is valid, and promptly notify the sponsor of its determination and reasons. If any adjustments to the data could result in a change to the rating on the applicable component or to the overall rating, the department shall recalculate the ratings prior to publication.

The department shall provide training on an annual basis regarding the evaluation system prescribed under this section. The training shall, at a minimum, describe methodology, timelines, and data required for the evaluation system. The first training session shall occur not later than March 2, 2016. Beginning in 2018, the training shall be made available to each entity that sponsors a community school by the fifteenth day of July of each year and shall include guidance on any changes made to the evaluation system.

(7)(a) Entities with an overall rating of "exemplary" for at least the two consecutive most recent years in which the entity was evaluated may take advantage of the following incentives:

(i) Renewal of the written agreement with the department, not to exceed ten years, provided that the entity consents to continued evaluation of adherence to quality practices as described in division (B)(1)(b) of this section;

(ii) The ability to extend the term of the contract between...
the sponsoring entity and the community school beyond the term described in the written agreement with the department;

   (iii) An exemption from the preliminary agreement and contract adoption and execution deadline requirements prescribed in division (D) of section 3314.02 of the Revised Code;

   (iv) An exemption from the automatic contract expiration requirement, should a new community school fail to open by the thirtieth day of September of the calendar year in which the community school contract is executed;

   (v) No limit on the number of community schools the entity may sponsor;

   (vi) No territorial restrictions on sponsorship.

An entity may continue to sponsor any community schools with which it entered into agreements under division (B)(7)(a)(v) or (vi) of this section while rated "exemplary," notwithstanding the fact that the entity later receives a lower overall rating.

(b) Entities with an overall rating of "exemplary" or "effective" for at least the three consecutive most recent years in which the entity was evaluated shall be evaluated by the department once every three years.

   (i) Entities that receive an overall rating of "ineffective" shall be prohibited from sponsoring any new or additional community schools during the time in which the sponsor is rated as "ineffective" and shall be subject to a quality improvement plan based on correcting the deficiencies that led to the "ineffective" rating, with timelines and benchmarks that have been established by the department.

   (ii) Entities that receive an overall rating of "ineffective" on their three most recent ratings shall have all sponsorship authority revoked. Within thirty days after receiving its third
rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the state board of education shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(d) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the state board of education shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(8) For the 2014-2015 school year and each school year thereafter, student academic performance prescribed under division (B)(1)(a) of this section shall include student academic performance data from community schools that primarily serve students enrolled in a dropout prevention and recovery program.

(C) If the governing authority of a community school enters into a contract with a sponsor prior to the date on which the sponsor is prohibited from sponsoring additional schools under division (A) of this section and the school has not opened for operation as of that date, that contract shall be void and the
school shall not open until the governing authority secures a new sponsor by entering into a contract with the new sponsor under section 3314.03 of the Revised Code. However, the department's office of Ohio school sponsorship, established under section 3314.029 of the Revised Code, may assume the sponsorship of the school until the earlier of the expiration of two school years or until a new sponsor is secured by the school's governing authority. A community school sponsored by the department under this division shall not be included when calculating the maximum number of directly authorized community schools permitted under division (A)(3) of section 3314.029 of the Revised Code.

(D) When an entity's authority to sponsor schools is revoked pursuant to division (B)(7)(b)(B)(7)(c) or (e)(d) of this section, the office of Ohio school sponsorship shall assume sponsorship of any schools with which the original sponsor has contracted for the remainder of that school year. The office may continue sponsoring those schools until the earlier of:

(1) The expiration of two school years from the time that sponsorship is revoked;

(2) When a new sponsor is secured by the governing authority pursuant to division (C)(1) of section 3314.02 of the Revised Code.

Any community school sponsored under this division shall not be counted for purposes of directly authorized community schools under division (A)(3) of section 3314.029 of the Revised Code.

(E) The department shall recalculate the rating for the 2017-2018 school year for each sponsor of a community school that receives recalculated ratings pursuant to division (I) of section 3314.017 of the Revised Code.

Sec. 3314.017. (A) The state board of education shall
prescribe by rules, adopted in accordance with Chapter 119. of the Revised Code, an academic performance rating and report card system that satisfies the requirements of this section for community schools that primarily serve students enrolled in dropout prevention and recovery programs as described in division (A)(4)(a) of section 3314.35 of the Revised Code, to be used in lieu of the system prescribed under sections 3302.03 and 3314.012 of the Revised Code beginning with the 2012-2013 school year. Each such school shall comply with the testing and reporting requirements of the system as prescribed by the state board.

(B) Nothing in this section shall at any time relieve a school from its obligations under the "No Child Left Behind Act of 2001" to make "adequate yearly progress," as both that act and that term are defined in section 3302.01 of the Revised Code, or a school's amenability to the provisions of section 3302.04 or 3302.041 of the Revised Code. The department of education shall continue to report each school's performance as required by the act and to enforce applicable sanctions under section 3302.04 or 3302.041 of the Revised Code.

(C) The rules adopted by the state board shall prescribe the following performance indicators for the rating and report card system required by this section:

(1) Graduation rate for each of the following student cohorts:

   (a) The number of students who graduate in four years or less with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class;

   (b) The number of students who graduate in five years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;
(c) The number of students who graduate in six years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(d) The number of students who graduate in seven years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(e) The number of students who graduate in eight years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate.

(2) The percentage of twelfth-grade students currently enrolled in the school who have attained the designated passing score on all of the state high school achievement assessments required under division (B)(1) of section 3301.0710 of the Revised Code or the cumulative performance score on the end-of-course examinations prescribed under division (B)(2) of section 3301.0712 of the Revised Code, whichever applies, and other students enrolled in the school, regardless of grade level, who are within three months of their twenty-second birthday and have attained the designated passing score on all of the state high school achievement assessments or the cumulative performance score on the end-of-course examinations, whichever applies, by their twenty-second birthday;

(3) Annual measurable objectives as defined in section 3302.01 of the Revised Code;

(4) Growth in student achievement in reading, or mathematics, or both as measured by separate nationally norm-referenced assessments that have developed appropriate standards for students enrolled in dropout prevention and recovery programs, adopted or approved by the state board.

(D)(1) The state board's rules shall prescribe the expected performance levels and benchmarks for each of the indicators.
prescribed by division (C) of this section based on the data gathered by the department under division (G) of this section. Based on a school's level of attainment or nonattainment of the expected performance levels and benchmarks for each of the indicators, the department shall rate each school in one of the following categories:

(a) Exceeds standards;
(b) Meets standards;
(c) Does not meet standards.

(2) The state board's rules shall establish all of the following:

(a) Not later than June 30, 2013, performance levels and benchmarks for the indicators described in divisions (C)(1) to (3) of this section;
(b) Not later than December 31, 2014, both of the following:
   (i) Performance levels and benchmarks for the indicator described in division (C)(4) of this section;
   (ii) Standards for awarding a community school described in division (A)(4)(a) of section 3314.35 of the Revised Code an overall designation, which shall be calculated as follows:
      (I) Thirty per cent of the score shall be based on the indicators described in division (C)(1) of this section that are applicable to the school year for which the overall designation is granted.
      (II) Thirty per cent of the score shall be based on the indicators described in division (C)(4) of this section.
      (III) Twenty per cent of the score shall be based on the indicators described in division (C)(2) of this section.
      (IV) Twenty per cent of the score shall be based on the
indicators described in division (C)(3) of this section.

(3) If both of the indicators described in divisions (C)(1) and (2) of this section improve by ten per cent for two consecutive years, a school shall be rated not less than "meets standards."

The rating and the relevant performance data for each school shall be posted on the department's web site, and a copy of the rating and data shall be provided to the governing authority of the community school.

(E)(1) For the 2012–2013 school year, the department shall issue a report card including the following performance measures, but without a performance rating as described in divisions (D)(1)(a) to (c) of this section, for each community school described in division (A)(4)(a) of section 3314.35 of the Revised Code:

(a) The graduation rates as described in divisions (C)(1)(a) to (c) of this section;

The department shall also include student outcome data, including postsecondary credit earned, nationally recognized career or technical certification, military enlistment, job placement, attendance rate, and progress on closing achievement gaps for each school. This information shall not be included in the calculation of a school's performance rating.

(F) Not later than the thirty-first day of July of each year, the department shall submit preliminary report card data for overall academic performance for each performance measure prescribed in division (E)(3) of this section for each community school to which this section applies.

(G) In developing the rating and report card system required by this section, during the 2012-2013 and 2013-2014 school years, the department shall gather and analyze data as determined necessary from each community school described in division (A)(4)(a) of section 3314.35 of the Revised Code. Each such school shall cooperate with the department by supplying requested data and administering required assessments, including sample assessments for purposes of measuring student achievement growth as described in division (C)(4) of this section. The department shall consult with stakeholder groups in performing its duties under this division.

(1) Blended learning, as that term is defined in section 3301.079 of the Revised Code;

The state board, on behalf of the committee, shall submit the committee's recommendations to the general assembly in accordance with section 101.68 of the Revised Code not later than six months after the effective date of this amendment.

3320.03, 3321.01, 3321.041, 3321.13, 3321.14, 3321.141, 3321.17,
3321.18, 3321.19, 3323.251, 3327.10, 4111.17, 4113.52, 5502.262,
and 5705.391 and Chapters 117., 1347., 2744., 3365., 3742., 4112.,
4123., 4141., and 4167. of the Revised Code as if it were a school

Code.

(e) The school shall comply with Chapter 102. and section

except that for students who enter ninth grade for the first time
before July 1, 2010, the requirement in sections 3313.61 and
3313.611 of the Revised Code that a person must successfully
complete the curriculum in any high school prior to receiving a
high school diploma may be met by completing the curriculum
adopted by the governing authority of the community school rather
than the curriculum specified in Title XXXIII of the Revised Code
or any rules of the state board of education. Beginning with
students who enter ninth grade for the first time on or after July
1, 2010, the requirement in sections 3313.61 and 3313.611 of the
Revised Code that a person must successfully complete the
curriculum of a high school prior to receiving a high school
diploma shall be met by completing the requirements prescribed in
division (C) of section 3313.603 of the Revised Code, unless the
person qualifies under division (D) or (F) of that section. Each
school shall comply with the plan for awarding high school credit

to an IEP for a disability described in divisions (B) to (F) of section 3317.013 of the Revised Code exceed the threshold catastrophic cost for serving the student as specified in division (B) of section 3317.0214 of the Revised Code, the school may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the community school an amount equal to the school’s costs for the student in excess of the threshold catastrophic costs.

(b) The community school shall report under division (C)(3)(a) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student’s individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

(4) In any fiscal year, a community school receiving funds under division (C)(1)(g) of this section shall spend those funds only for the purposes that the department designates as approved for career-technical education expenses. Career-technical education expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to career-technical students. The department shall require the school to report data annually so that the department may monitor the school’s compliance with the requirements regarding the manner in which funding received under division (C)(1)(g) of this section may be spent.

(5) Notwithstanding anything to the contrary in section 3313.90 of the Revised Code, except as provided in division (C)(9) of this section, all funds received under division (C)(1)(g) of this section shall be spent in the following manner:
(a) At least seventy-five per cent of the funds shall be spent on curriculum development, purchase, and implementation; instructional resources and supplies; industry-based program certification; student assessment, credentialing, and placement; curriculum specific equipment purchases and leases; career-technical student organization fees and expenses; home and agency linkages; work-based learning experiences; professional development; and other costs directly associated with career-technical education programs including development of new programs.

(b) Not more than twenty-five per cent of the funds shall be used for personnel expenditures.

(6) A community school shall spend the funds it receives under division (C)(1)(e) (C)(1)(c) of this section in accordance with section 3317.25 of the Revised Code.

(5) In any fiscal year, a community school shall spend the funds it receives under division (C)(1)(d) of this section only for services for English learners.

(7) If the sum of the payments computed under divisions (C)(1) and (8)(a) of this section for the students entitled to attend school in a particular school district under sections 3313.64 and 3313.65 of the Revised Code exceeds the sum of that district’s state education aid and its payment under sections 321.24 and 323.156 of the Revised Code, the department shall calculate and apply a proration factor to the payments to all community schools under that division for the students entitled to attend school in that district.

(8)(a) Subject to division (C)(7) of this section, the department annually shall pay to each community school, including each internet- or computer-based community school, an amount equal to the following:
(The number of students reported by the community school under division (B)(2)(e) of this section X the formula amount X .20)

(b) For each payment made to a community school under division (C)(8)(a) of this section, the department shall deduct from the state education aid of each city, local, and exempted village school district and, if necessary, from the payment made to the district under sections 321.24 and 323.156 of the Revised Code an amount equal to the following:

(The number of the district's students reported by the community school under division (B)(2)(e) of this section X the formula amount X .20)

(9) The department may waive the requirement in division (C)(5) of this section for any community school that exclusively provides one or more career-technical workforce development programs in arts and communications that are not equipment-intensive, as determined by the department.

(D) A board of education sponsoring a community school may utilize local funds to make enhancement grants to the school or may agree, either as part of the contract or separately, to provide any specific services to the community school at no cost to the school.

(E) A community school may not levy taxes or issue bonds secured by tax revenues.

(F) No community school shall charge tuition for the enrollment of any student who is a resident of this state. A community school may charge tuition for the enrollment of any student who is not a resident of this state.

(G)(1)(a) A community school may borrow money to pay any necessary and actual expenses of the school in anticipation of the receipt of any portion of the payments to be received by the
school pursuant to division (C) of this section and section 3314.089 of the Revised Code. The school may issue notes to evidence such borrowing. The proceeds of the notes shall be used only for the purposes for which the anticipated receipts may be lawfully expended by the school.

(b) A school may also borrow money for a term not to exceed fifteen years for the purpose of acquiring facilities.

(2) Except for any amount guaranteed under section 3318.50 of the Revised Code, the state is not liable for debt incurred by the governing authority of a community school.

(H) The department of education shall adjust the amounts subtracted and paid under division (C) of this section and section 3314.089 of the Revised Code to reflect any enrollment of students in community schools for less than the equivalent of a full school year. The state board of education within ninety days after April 8, 2003, shall adopt in accordance with Chapter 119. of the Revised Code rules governing the payments to community schools under this section including initial payments in a school year and adjustments and reductions made in subsequent periodic payments to community schools and corresponding deductions from school district accounts as provided under division (C) of this section and section 3314.089 of the Revised Code. For purposes of this section:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has
commenced participation in learning opportunities as defined in the contract with the sponsor, or thirty days prior to the date on which the student is entered into the education management information system established under section 3301.0714 of the Revised Code. For purposes of applying this division and divisions (H)(3) and (4) of this section to a community school student, "learning opportunities" shall be defined in the contract, which shall describe both classroom-based and non-classroom-based learning opportunities and shall be in compliance with criteria and documentation requirements for student participation which shall be established by the department. Any student's instruction time in non-classroom-based learning opportunities shall be certified by an employee of the community school. A student's enrollment shall be considered to cease on the date on which any of the following occur:

(a) The community school receives documentation from a parent terminating enrollment of the student.

(b) The community school is provided documentation of a student's enrollment in another public or private school.

(c) The community school ceases to offer learning opportunities to the student pursuant to the terms of the contract with the sponsor or the operation of any provision of this chapter.

Except as otherwise specified in this paragraph, beginning in the 2011-2012 school year, any student who completed the prior school year in an internet- or computer-based community school shall be considered to be enrolled in the same school in the subsequent school year until the student's enrollment has ceased as specified in division (H)(2) of this section. The department shall continue subtracting and paying amounts for the student under division (C) of this section and section 3314.089 of the Revised Code without interruption at the start of the subsequent
school year. However, if the student without a legitimate excuse fails to participate in the first seventy-two consecutive hours of learning opportunities offered to the student in that subsequent school year, the student shall be considered not to have re-enrolled in the school for that school year and the department shall recalculate the payments to the school for that school year to account for the fact that the student is not enrolled.

(3) The department shall determine each community school student's percentage of full-time equivalency based on the percentage of learning opportunities offered by the community school to that student, reported either as number of hours or number of days, is of the total learning opportunities offered by the community school to a student who attends for the school's entire school year. However, no internet- or computer-based community school shall be credited for any time a student spends participating in learning opportunities beyond ten hours within any period of twenty-four consecutive hours. Whether it reports hours or days of learning opportunities, each community school shall offer not less than nine hundred twenty hours of learning opportunities during the school year.

(4) With respect to the calculation of full-time equivalency under division (H)(3) of this section, the department shall waive the number of hours or days of learning opportunities not offered to a student because the community school was closed during the school year due to disease epidemic, hazardous weather conditions, law enforcement emergencies, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, so long as the school was actually open for instruction with students in attendance during that school year for not less than the minimum number of hours required by this chapter. The department
shall treat the school as if it were open for instruction with students in attendance during the hours or days waived under this division.

(I) The department of education shall reduce the amounts paid under this section and section 3314.089 of the Revised Code to reflect payments made to colleges under section 3365.07 of the Revised Code.

(J) (1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section 3314.03 of the Revised Code;

(b) The school is in compliance with division (A) of section 3314.22 of the Revised Code, relative to such student.

(2) In accordance with policies adopted by the superintendent of public instruction, in consultation with the auditor of state, the department shall reduce the amounts otherwise payable under division (C) of this section and section 3314.089 of the Revised Code to any community school that includes in its program the provision of computer hardware and software materials to any student, if such hardware and software materials have not been delivered, installed, and activated for each such student in a timely manner or other educational materials or services have not been provided according to the contract between the individual
community school and its sponsor.

    The superintendent of public instruction and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

    The superintendent, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and academic accountability for such schools.

(K)(1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an
appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section and section 3314.089 of the Revised Code any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the superintendent of public instruction grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of education.
(4) Any student who has attained the age of twenty-two years, except for veterans of the armed services whose attendance was interrupted before completing the recognized twelve-year course of the public schools by reason of induction or enlistment in the armed forces and who apply for enrollment in a community school not later than four years after termination of war or their honorable discharge. If, however, any such veteran elects to enroll in special courses organized for veterans for whom tuition is paid under federal law, or otherwise, the department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section and section 3314.089 of the Revised Code any amount for that veteran.

(B) Notwithstanding anything to the contrary in section 3314.08 or 3317.03 of the Revised Code, all of the following apply in the case of a child who is enrolled in a community school and is also living in a home:

(1) For purposes of the report required under division (B)(1) of section 3314.08 of the Revised Code, the child's school district of residence, and not the school district in which the home that the child is living in is located, shall be considered to be the school district in which the child is entitled to attend.
school. That school district of residence, therefore, shall make the report required under division (B)(1) of section 3314.08 of the Revised Code with respect to the child.

(2) For purposes of the report required under division (B)(2) of section 3314.08 of the Revised Code, the community school shall report the name of the child's school district of residence.

(3) The child's school district of residence shall count the child in that district's formula ADM.

(4) The school district in which the home that the child is living in is located shall not count the child in that district's formula ADM.

(5) The department of education shall deduct the applicable amounts prescribed under division (C) of section 3314.08 of the Revised Code from the child's school district of residence and shall not deduct those amounts from the school district in which the home that the child is living in is located.

(6) The department shall make the payments prescribed in division (C) of section 3314.08 of the Revised Code, as applicable, to the community school.

**Sec. 3314.085.** (A) As used in this section:

(b) The school has teams in at least three different sports
that participate in an interscholastic league.

(B) When calculating a community school's aggregate base cost under this section, the department shall use data from fiscal year 2018 for the average teacher cost.

(C) A community school's aggregate base cost for a fiscal year shall be equal to the following sum:

(2) Calculate the school's special teacher cost for that fiscal year as follows:

(a) Divide the number of students enrolled in the school for that fiscal year by 150;

(b) Compute the special teacher cost by multiplying the quotient obtained under division (D)(2)(a) of this section by the average teacher cost for that fiscal year.

(3) Calculate the school's substitute teacher cost for that fiscal year in accordance with the following formula:

(a) Compute the substitute teacher daily rate with benefits by multiplying the substitute teacher daily rate of $90 by 1.16;

(b) Compute the substitute teacher cost in accordance with the following formula:

(The sum computed under division (D)(1)(f) of this section + the quotient obtained under division (D)(2)(a) of this section) X the
amount computed under division (D)(3)(a) of this section X 5

(4) Calculate the school's professional development cost for that fiscal year in accordance with the following formula:

(5) Calculate the school's teacher base cost for that fiscal year, which equals the sum of divisions (D)(1), (2), (3), and (4) of this section.

(E) The department shall compute a community school's student support base cost for a fiscal year as follows:
The number of students enrolled in the school for that fiscal year X [(the sum of the student support base cost calculated for all city, local, and exempted village school districts in the state for that fiscal year under division (E) of section 3317.011 of the Revised Code) / the sum of the base cost enrolled ADMs of all of the city, local, and exempted village school districts in the state for that fiscal year]

The number of students enrolled in the school for that fiscal year X (the sum of the building leadership and accountability base cost calculated for all city, local, and exempted village school districts in the state for that fiscal year under division (G) of section 3317.011 of the Revised Code / the sum of the base cost enrolled ADMs of all of the city, local, and exempted village school districts in the state for that fiscal year)

(H) If a community school is an eligible community school, the department shall compute the school's athletic co-curricular activities base cost for a fiscal year as follows:

The number of students enrolled in the school for that fiscal year X (the sum of the athletic co-curricular activities base cost calculated for all city, local, and exempted village school districts in the state for that fiscal year under division (H) of section 3317.011 of the Revised Code / the sum of the base cost enrolled ADMs of all of the city, local, and exempted village school districts in the state for that fiscal year)

Sec. 3314.087. (A) As used in this section:

(1) "Career-technical program" means career-technical programs or classes described in division (A)(1), (B) (2), (C) (3), (D) (4), or (E) (5) of section 3317.014 of the Revised Code in which a student is enrolled.

(2) "Formula ADM," "category Category one through five career-technical education ADM," and "FTE basis" have the same meanings as in section 3317.02 of the Revised Code.

(3) "Resident school district" means the city, exempted village, or local school district in which a student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) Notwithstanding anything to the contrary in this chapter or Chapter 3317. of the Revised Code, a student enrolled in a
community school may simultaneously enroll in the career-technical program operated by the career-technical planning district to which the student's resident district belongs. On an FTE basis, the student's resident school district shall count the student in the category one through five career-technical education ADM for the proportion of the time the student is enrolled in a career-technical program of the career-technical planning district to which the student's resident district belongs and, accordingly, the department of education shall calculate funds under Chapter 3317. for the resident district attributable to the student for the proportion of time the student attends the career-technical program. The community school shall count the student in its enrollment report under section 3314.08 of the Revised Code and shall report to the department the proportion of time that the student attends classes at the community school. The department shall pay the community school and deduct from the student's resident school district the amount computed for the student under section 3314.08 of the Revised Code in proportion to the fraction of the time on an FTE basis that the student attends classes at the community school. "Full-time equivalency" for a community school student, as defined in division (H) of section 3314.08 of the Revised Code, does not apply to the student.

Sec. 3314.089. (A) For each student enrolled in a community school established under this chapter, including an internet- or computer-based community school, and reported under division (B)(2) of section 3314.08 of the Revised Code, on a full-time equivalency basis, the department of education shall calculate career-technical education funds as follows:

(3) If the student is a category three career-technical education student, the multiple specified in division (A)(3) of section 3317.014 of the Revised Code X the statewide average career-technical base cost per pupil for that fiscal year;

(4) If the student is a category four career-technical education student, the multiple specified in division (A)(4) of section 3317.014 of the Revised Code X the statewide average career-technical base cost per pupil for that fiscal year;

(5) If the student is a category five career-technical education student, the multiple specified in division (A)(5) of section 3317.014 of the Revised Code X the statewide average career-technical base cost per pupil for that fiscal year.

Payment of funds calculated under division (A) of this section is subject to approval by the lead district of a career-technical planning district or the department of education under section 3317.161 of the Revised Code.

(B) Subject to division (I) of section 3317.023 of the Revised Code, the department of education shall calculate career-technical associated services funds for each community school as follows:

exploration funds to each community school as follows:

The number of students enrolled in the community school X $2.50, for fiscal year 2022, $5, for fiscal year 2023, $7.50, for fiscal year 2024, or $10, for fiscal year 2025 and each fiscal year thereafter

(D) The department shall annually calculate for each community school, including each internet- or computer-based community school, an amount equal to the following:

(The number of students reported by the community school under division (B)(2)(e) of section 3314.08 of the Revised Code X the school's base cost per pupil as specified under division (C)(1)(a) of section 3314.08 of the Revised Code X .20)

(E) In any fiscal year, a community school receiving funds calculated under division (A) of this section shall spend those funds only for the purposes that the department designates as approved for career-technical education expenses. Career-technical education expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to career-technical students. The department shall require the school to report data annually so that the department may monitor the school's compliance with the requirements regarding the manner in which funding received under division (A) of this section may be spent.

(F) Notwithstanding anything to the contrary in section 3313.90 of the Revised Code, except as provided in division (G) of this section, all funds received under division (A) of this section shall be spent in the following manner:

(1) At least seventy-five per cent of the funds shall be spent on curriculum development, purchase, and implementation; instructional resources and supplies; industry-based program certification; student assessment, credentialing, and placement; curriculum specific equipment purchases and leases;
career-technical student organization fees and expenses; home and agency linkages; work-based learning experiences; professional development; and other costs directly associated with career-technical education programs including development of new programs.

(2) Not more than twenty-five per cent of the funds shall be used for personnel expenditures.

(G) The department may waive the requirements in division (F) of this section for any community school that exclusively provides one or more career-technical workforce development programs in arts and communications that are not equipment-intensive, as determined by the department.

(H) In any fiscal year, a community school receiving funds under division (H) of section 3317.014 of the Revised Code shall spend those funds only on the following purposes:

(1) Delivery of career awareness programs to students enrolled in grades kindergarten through twelve;

(2) Provision of a common, consistent curriculum to students throughout their primary and secondary education;

(3) Assistance to teachers in providing a career development curriculum to students;

(4) Development of a career development plan for each student that stays with that student for the duration of the student's primary and secondary education;

(5) Provision of opportunities for students to engage in activities, such as career fairs, hands-on experiences, and job shadowing, across all career pathways at each grade level.

The department may deny payment under division (C) of this section to any school that the department determines is using funds paid under division (H) of section 3317.014 of the Revised Code.
Code for other purposes.

Sec. 3314.0810. For each fiscal year, the department of education shall calculate for each community school established under this chapter an amount equal to the lesser of the following:

(A) The following sum:

\[ \text{The school's funding base} \times \text{the school's general phase-in percentage for that fiscal year} \]

\[ + (\text{the sum of the per pupil amounts calculated for the school for that fiscal year under division (C)(1) of section 3314.08 of the Revised Code} + \text{the sum of the per pupil amounts calculated for the school for that fiscal year under division (A) of section 3314.089 of the Revised Code} + \text{the amount calculated for the school for that fiscal year under divisions (B) and (D) of section 3314.089 of the Revised Code}) \]

(B) The following sum:

\[ \text{The sum of the per pupil amounts calculated for the school for that fiscal year under division (C)(1) of section 3314.08 of the Revised Code} + \text{the sum of the per pupil amounts calculated for the school for that fiscal year under division (A) of section 3314.089 of the Revised Code} + \text{the amount calculated for the school for that fiscal year under divisions (B) and (D) of section 3314.089 of the Revised Code} \]

Sec. 3314.091. (A) A school district is not required to provide transportation for any native student enrolled in a community school if the district board of education has entered into an agreement with the community school's governing authority that designates the community school as responsible for providing or arranging for the transportation of the district's native students to and from the community school. For any such agreement to be effective, it must be certified by the superintendent of
public instruction as having met all of the following requirements:

(1) It is submitted to the department of education by a deadline which shall be established by the department.

(2) In accordance with divisions (C)(1) and (2) of this section, it specifies qualifications, such as residing a minimum distance from the school, for students to have their transportation provided or arranged.

(3) The transportation provided by the community school is subject to all provisions of the Revised Code and all rules adopted under the Revised Code pertaining to pupil transportation.

(4) The sponsor of the community school also has signed the agreement.

(B)(1) For the school year that begins on July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school, if the community school during the previous school year transported the students enrolled in the school or arranged for the students' transportation, even if that arrangement consisted of having parents transport their children to and from the school, but did not enter into an agreement to transport or arrange for transportation for those students under division (A) of this section, and if the governing authority of the community school by July 15, 2007, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school.

(2) Except as provided in division (B)(4) of this section, for any school year subsequent to the school year that begins on
July 1, 2007, a school district is not required to provide transportation for any native student enrolled in a community school if the governing authority of the community school, by the thirty-first day of January of the previous school year, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school. If the governing authority of the community school has previously accepted responsibility for providing or arranging for the transportation of a district's native students to and from the community school, under division (B)(1) or (2) of this section, and has since relinquished that responsibility under division (B)(3) of this section, the governing authority shall not accept that responsibility again unless the district board consents to the governing authority's acceptance of that responsibility.

(3) A governing authority's acceptance of responsibility under division (B)(1) or (2) of this section shall cover an entire school year, and shall remain in effect for subsequent school years unless the governing authority submits written notification to the district board that the governing authority is relinquishing the responsibility. However, a governing authority shall not relinquish responsibility for transportation before the end of a school year, and shall submit the notice relinquishing responsibility by the thirty-first day of January, in order to allow the school district reasonable time to prepare transportation for its native students enrolled in the school.

(4)(a) For any school year that begins on or after July 1, 2014, a school district is not required to provide transportation for any native student enrolled in a community school scheduled to open for operation in the current school year, if the governing authority of the community school, by the fifteenth day of April
of the previous school year, submits written notification to the
district board of education stating that the governing authority
is accepting responsibility for providing or arranging for the
transportation of the district's native students to and from the
community school.

(b) The governing authority of a community school that
accepts responsibility for transporting its students under
division (B)(4)(a) of this section shall comply with divisions
(B)(2) and (3) of this section to renew or relinquish that
authority for subsequent school years.

(C)(1) A community school governing authority that enters
into an agreement under division (A) of this section, or that
accepts responsibility under division (B) of this section, shall
provide or arrange transportation free of any charge for each of
its enrolled students who is required to be transported under
section 3327.01 of the Revised Code. The governing authority shall
report to the department of education the number of students
transported or for whom transportation is arranged under this
section in accordance with rules adopted by the state board of
education.

(2) The governing authority may provide or arrange
transportation for any other enrolled student who is not eligible
for transportation in accordance with division (C)(1) of this
section and may charge a fee for such service up to the actual
cost of the service.

(3) Notwithstanding anything to the contrary in division
(C)(1) or (2) of this section, a community school governing
authority shall provide or arrange transportation free of any
charge for any disabled student enrolled in the school for whom
the student's individualized education program developed under
Chapter 3323. of the Revised Code specifies transportation.
(D)(1) If a school district board and a community school governing authority elect to enter into an agreement under division (A) of this section, the department of education shall make payments to the community school according to the terms of the agreement for each student actually transported under division (C)(1) of this section.

If a community school governing authority accepts transportation responsibility under division (B) of this section, the department shall make payments to the community school for each student actually transported or for whom transportation is arranged by the community school under division (C)(1) of this section, calculated as follows:

(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across-the-board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

(ii) The number of students included in the district's transportation ADM for the current fiscal year, as calculated under section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B)(1) or (2) of this section.

(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with section 3317.0212 of the Revised Code and any rules of the state board of education implementing Sub. H. B. No. 110 Page 876 As Pending in the House Finance Committee
that section, the payment to the community school shall be the amount so calculated on a per rider basis that otherwise would be paid to the school district in which the student is entitled to attend school by the method of transportation the district would have used either of the following:

(i) If the school district in which the student is entitled to attend school would have used a method of transportation for the student for which payments are computed and paid under division (E) of section 3317.0212 of the Revised Code, 1.0 times the statewide transportation cost per student, as calculated in division (C) of section 3317.0212 of the Revised Code;

(ii) If the school district in which the student is entitled to attend school would have used a method of transportation for the student for which payments are computed and paid in a manner not described in division (D)(1)(b)(i) of this section, the amount that would otherwise be computed for and paid to the district. The community school, however, is not required to use the same method to transport that student.

(e) Divisions (D)(1)(a) and (b) of this section do not apply to fiscal years 2012 and 2013. Rather, for each of those fiscal years, the per pupil payment to a community school for transporting a student shall be the total amount paid under former section 3306.12 of the Revised Code for fiscal year 2011 to the school district in which the child is entitled to attend school divided by that district's "qualifying ridership," as defined in that section for fiscal year 2011.

As used in this division "entitled to attend school" means entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(2) The department shall deduct the payment under division (D)(1) of this section from the state education aid, as defined in
section 3314.08 of the Revised Code, and, if necessary, the
payment under sections 321.14 and 323.156 of the Revised Code,
that is otherwise paid to the school district in which the student
enrolled in the community school is entitled to attend school. The
department shall include the number of the district's native
students for whom payment is made to a community school under
division (D)(1) of this section in the calculation of the
district's transportation payment under section 3317.0212 of the
Revised Code and the operating appropriations act.

(3) A community school shall be paid under division (D)(1) of
this section only for students who are eligible as specified in
section 3327.01 of the Revised Code and division (C)(1) of this
section, and whose transportation to and from school is actually
provided, who actually utilized transportation arranged, or for
whom a payment in lieu of transportation is made by the community
school's governing authority. To qualify for the payments, the
community school shall report to the department, in the form and
manner required by the department, data on the number of students
transported or whose transportation is arranged, the number of
miles traveled, cost to transport, and any other information
requested by the department.

(4) A community school shall use payments received under
this section solely to pay the costs of providing or arranging for
the transportation of students who are eligible as specified in
section 3327.01 of the Revised Code and division (C)(1) of this
section, which may include payments to a parent, guardian, or
other person in charge of a child in lieu of transportation.

(E) Except when arranged through payment to a parent,
guardian, or person in charge of a child, transportation provided
or arranged for by a community school pursuant to an agreement
under this section is subject to all provisions of the Revised
Code, and all rules adopted under the Revised Code, pertaining to
the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) of section 3327.16 of the Revised Code and, subject to division (C)(1) of this section, sections 3327.01 and 3327.02 of the Revised Code, as if it were a school district.

**Sec. 3314.101.** (A) As used in this section, "license" has the same meaning as in section 3319.31 of the Revised Code.

(B) If a person who is employed by a community school established under this chapter or by an operator is arrested, summoned, or indicted for an alleged violation of an offense listed in division (C) of section 3319.31 of the Revised Code, if the person holds a license, or an offense listed in division (B)(1) of section 3319.39 of the Revised Code, if the person does not hold a license, the chief administrator of the community school in which that person works shall suspend that person from all duties that require the care, custody, or control of a child during the pendency of the criminal action against the person. If the person who is arrested, summoned, or indicted for an alleged violation of an offense listed in division (C) of section 3319.31 or division (B)(1) of section 3319.39 of the Revised Code is the chief administrator of the community school, the governing authority of the school shall suspend the chief administrator from all duties that require the care, custody, or control of a child.

(C) When a person who holds a license is suspended in accordance with this section, the chief administrator or governing authority that imposed the suspension promptly shall report the
person's suspension to the department of education. The report shall include the offense for which the person was arrested, summoned, or indicted. The superintendent of public instruction, on behalf of the state board of education, shall inactivate the person's license. The inactivation shall remain in force during the pendency of the criminal action against the person. The inactivation of a license under this division does not constitute a suspension or revocation of the license by the state board under section 3319.31 of the Revised Code, and the state board and the state superintendent need not provide the person with an opportunity for a hearing with respect to the inactivation. If the state board does not take action against the person's license under section 3319.31 of the Revised Code, the state superintendent shall reactivate the license upon conclusion of the criminal action against the person.

Sec. 3314.11. (A) The governing authority of each community school established under this chapter monthly shall review the residency records of students enrolled in that community school. Upon the enrollment of each student and on an annual basis, the governing authority shall verify to the department of education the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code. The school district may review the determination made by the community school under division (A) of this section.

(B)(1) For purposes of its initial reporting of the school districts in which its students are entitled to attend school, the governing authority of a community school shall adopt a policy that prescribes the number of documents listed in division (E) of this section required to verify a student's residency. This policy shall supersede any policy concerning the number of documents for initial residency verification adopted by the district the student
is entitled to attend.

(2) For purposes of the annual reporting of the school districts in which its students are entitled to attend school, the governing authority of a community school shall adopt a policy that prescribes the information required to verify a student's residency. This information may be obtained through any type of document, including any of the documents listed in division (E) of this section, or any type of communication with a government official authorized to provide such information.

(C) For purposes of making the determinations required under this section, the school district in which a parent or child resides is the location the parent or student has established as the primary residence and where substantial family activity takes place.

(D) If a community school's determination under division (A) of this section of the school district a student is entitled to attend under section 3313.64 or 3313.65 of the Revised Code differs from a district's determination, the community school that made the determination under division (A) of this section shall provide the school district with documentation of the student's residency and shall make a good faith effort to accurately identify the correct residence of the student.

(E) For purposes of this section, the following documents may serve as evidence of primary residence:

(1) A deed, mortgage, lease, current home owner's or renter's insurance declaration page, or current real property tax bill;

(2) A utility bill or receipt of utility installation issued within ninety days of enrollment;

(3) A paycheck or paystub issued to the parent or student within ninety days of the date of enrollment that includes the address of the parent's or student's primary residence;
(4) The most current available bank statement issued to the parent or student that includes the address of the parent's or student's primary residence;

(5) Any other official document issued to the parent or student that includes the address of the parent's or student's primary residence. The superintendent of public instruction shall develop guidelines for determining what qualifies as an "official document" under this division.

(F) When a student loses permanent housing and becomes a homeless child or youth, as defined in 42 U.S.C. 11434a, or when a child who is such a homeless child or youth changes temporary living arrangements, the district in which the student is entitled to attend school shall be determined in accordance with division (F)(13) of section 3313.64 of the Revised Code and the "McKinney-Vento Homeless Assistance Act," 42 U.S.C. 11431 et seq.

(G) In the event of a disagreement as to which school district a student is entitled to attend, the community school, after complying with division (D) of this section, but not more than sixty days after the monthly deadline established by the department of education for reporting of community school enrollment, may present the matter to the superintendent of public instruction. Not later than thirty days after the community school presents the matter, the state superintendent, or the state superintendent's designee, shall determine which district the student is entitled to attend and shall direct any necessary adjustments to payments and deductions under section 3314.08 of the Revised Code based on that determination.

Sec. 3314.20. (A) As used in this section:

(1) "Base enrollment" for an internet- or computer-based community school means either of the following:
(a) If the school was open for instruction on the effective date of this section, the number of students enrolled in the school at the end of the 2012-2013 school year;

(b) If the school opens for instruction after the effective date of this section, one thousand students.

(2) "Enrollment limit" for an internet- or computer-based community school means the following:

(a) For the 2014-2015 school year, the base enrollment increased by the prescribed annual rate of growth, as calculated by the department of education.

(b) For the 2015-2016 school year and each school year thereafter, the previous school year's enrollment limit increased by the prescribed annual rate of growth, as calculated by the department.

(3) "Prescribed annual rate of growth" for an internet- or computer-based community school means either of the following:

(a) For a school with an enrollment limit equal to or greater than three thousand students, fifteen per cent.

(b) For a school with an enrollment limit of less than three thousand students, twenty-five per cent.

(B) Beginning in the 2014-2015 school year, no internet- or computer-based community school shall enroll more students than the number permitted by its enrollment limit.

(C) If, in any school year, an internet- or computer-based community school enrolls more students than permitted under the enrollment limit, the department shall deduct from the community school the amount of state funds credited to the community school attributable to each student enrolled in excess of the enrollment limit, as determined by the department. The department shall distribute the deducted amounts to the school districts to which
the students enrolled in the community school are entitled to attend school under section 3313.64 or 3313.65 of the Revised Code. Such amounts shall be distributed on a pro rata basis according to each district's share of the total enrollment in the community school.

Sec. 3315.18. (A) The board of education of each city, exempted village, local, and joint vocational school district shall establish a capital and maintenance fund. Each board annually shall deposit into that fund an amount derived from revenues received by the district that would otherwise have been deposited in the general fund that is equal to three per cent of the formula amount statewide average base cost per pupil for the preceding fiscal year, as defined in section 3317.02 of the Revised Code, or another percentage if established by the auditor of state under division (B) of this section, multiplied by the district's student population for the preceding fiscal year, except that money received from a permanent improvement levy authorized by section 5705.21 of the Revised Code may replace general revenue moneys in meeting the requirements of this section. Money in the fund shall be used solely for acquisition, replacement, enhancement, maintenance, or repair of permanent improvements, as that term is defined in section 5705.01 of the Revised Code. Any money in the fund that is not used in any fiscal year shall carry forward to the next fiscal year.

(B) The state superintendent of public instruction and the auditor of state jointly shall adopt rules in accordance with Chapter 119. of the Revised Code defining what constitutes expenditures permitted by division (A) of this section. The auditor of state may designate a percentage, other than three per cent, of the formula amount statewide average base cost per pupil multiplied by the district's student population that must be deposited into the fund.
(C) Within its capital and maintenance fund, a school district board of education may establish a separate account solely for the purpose of depositing funds transferred from the district's reserve balance account established under former division (H) of section 5705.29 of the Revised Code. After April 10, 2001, a board may deposit all or part of the funds formerly included in such reserve balance account in the separate account established under this section. Funds deposited in this separate account and interest on such funds shall be utilized solely for the purpose of providing the district's portion of the basic project costs of any project undertaken in accordance with Chapter 3318. of the Revised Code.

(D)(1) Notwithstanding division (A) of this section, in any year a district is in fiscal emergency status as declared pursuant to section 3316.03 of the Revised Code, the district may deposit an amount less than required by division (A) of this section, or make no deposit, into the district capital and maintenance fund for that year.

(2) Notwithstanding division (A) of this section, in any fiscal year that a school district is either in fiscal watch status, as declared pursuant to section 3316.03 of the Revised Code, or in fiscal caution status, as declared pursuant to section 3316.031 of the Revised Code, the district may apply to the superintendent of public instruction for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The superintendent may grant a waiver under division (D)(2) of this section if the district demonstrates to the satisfaction of the superintendent that compliance with division (A) of this section that year will create an undue financial hardship on the district.
(3) Notwithstanding division (A) of this section, not more often than one fiscal year in every three consecutive fiscal years, any school district that does not satisfy the conditions for the exemption described in division (D)(1) of this section or the conditions to apply for the waiver described in division (D)(2) of this section may apply to the superintendent of public instruction for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The superintendent may grant a waiver under division (D)(3) of this section if the district demonstrates to the satisfaction of the superintendent that compliance with division (A) of this section that year will necessitate the reduction or elimination of a program currently offered by the district that is critical to the academic success of students of the district and that no reasonable alternatives exist for spending reductions in other areas of operation within the district that negate the necessity of the reduction or elimination of that program.

(E) Notwithstanding any provision to the contrary in Chapter 4117. of the Revised Code, the requirements of this section prevail over any conflicting provisions of agreements between employee organizations and public employers entered into after November 21, 1997.

(F) As used in this section, "student population" means the average, daily, full-time equivalent number of students in kindergarten through twelfth grade receiving any educational services from the school district during the first full school week in October, excluding students enrolled in adult education classes, but including all of the following:

(1) Adjacent or other district students enrolled in the district under an open enrollment policy pursuant to section
3313.98 of the Revised Code;

(2) Students receiving services in the district pursuant to a compact, cooperative education agreement, or a contract, but who are entitled to attend school in another district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(3) Students for whom tuition is payable pursuant to sections 3317.081 and 3323.141 of the Revised Code.

The department of education shall determine a district's student population using data reported to it under section 3317.03 of the Revised Code for the applicable fiscal year.

   (b) The district has teams in at least three different sports that participate in an interscholastic league.

   (B) When calculating a district's aggregate base cost under this section, the department shall use data from fiscal year 2018 for all of the following:

of this section) + (the district's leadership and accountability 
base cost for that fiscal year computed under division (F) of this 
section) + (the district's building leadership and operations base

that fiscal year computed under division (H) of this section, if

(D) The department of education shall compute a district's 
teacher base cost for a fiscal year as follows:

(1) Calculate the district's classroom teacher cost for that 
fiscal year as follows:

(a) Determine the full-time equivalency of students in the 
district's base cost enrolled ADM for that fiscal year that are
enrolled in kindergarten and divide that number by 20;

(b) Determine the full-time equivalency of students in the district's base cost enrolled ADM for that fiscal year that are enrolled in grades one through three and divide that number by 23;

c) Determine the full-time equivalency of students in the district's base cost enrolled ADM for that fiscal year that are enrolled in grades four through eight but are not enrolled in a career-technical education program or class described under section 3317.014 of the Revised Code and divide that number by 25;

d) Determine the full-time equivalency of students in the district's base cost enrolled ADM for that fiscal year that are enrolled in grades nine through twelve but are not enrolled in a career-technical education program or class described under section 3317.014 of the Revised Code and divide that number by 27;

e) Determine the full-time equivalency of students in the district's base cost enrolled ADM for that fiscal year that are enrolled in a career-technical education program or class, as certified under divisions (B)(11), (12), (13), (14), and (15) of section 3317.03 of the Revised Code, and divide that number by 18;

\]
(A)(4) of this section \( X \) 0.20) + (the district's adjusted local share federal adjusted gross income per pupil calculated under division (A)(3) of this section for that fiscal year \( X \) the district's per-pupil local capacity percentage calculated under division (A)(4) of this section \( X \) 0.20)

(B) The department shall compute a city, local, or exempted village school district's state share for a fiscal year as follows:

1. If the district's per-pupil local capacity amount for that fiscal year divided by the district's base cost per pupil for that fiscal year is greater than 0.95, then the district's state share shall be equal to (the district's base cost per pupil for that fiscal year \( \times \) 0.05 \( \times \) the district's enrolled ADM for that fiscal year).

2. If the district's per-pupil local capacity amount for that fiscal year divided by the district's base cost per pupil for that fiscal year is less than or equal to 0.95, then the district's state share for that fiscal year shall be equal to [(the district's base cost per pupil for that fiscal year \( - \) the district's per-pupil local capacity amount for that fiscal year) \( \times \) the district's enrolled ADM for that fiscal year].

(C) The department shall compute a city, local, or exempted village school district's state share percentage for a fiscal year as follows:

The district's state share calculated under division (B) of this section for that fiscal year/ the aggregate base cost calculated for the district for that fiscal year under section 3317.011 of the Revised Code

**Sec. 3317.018.** (A) The statewide average base cost per pupil shall be determined as follows:

1. For fiscal year 2022, the statewide average base cost per
pupil shall be equal to the sum of the aggregate base cost calculated for all city, local, and exempted village school districts in the state for that fiscal year under section 3317.011 of the Revised Code divided by the sum of the base cost enrolled ADMs of all of the city, local, and exempted village school districts in the state for that fiscal year.

(3) For fiscal year 2028 and for each fiscal year thereafter, the statewide average base cost per pupil shall be equal to the sum of the aggregate base cost calculated for all city, local, and exempted village school districts in the state under section 3317.011 of the Revised Code for that fiscal year divided by the sum of the base cost enrolled ADMs of all of the city, local, and exempted village school districts in the state for that fiscal year.

(B) The statewide average career-technical base cost per pupil shall be determined as follows:

(1) For fiscal year 2022, the statewide average career-technical base cost per pupil shall be equal to the sum of the aggregate base cost calculated for all joint vocational school districts in the state for that fiscal year under section 3317.012 of the Revised Code divided by the sum of the base cost enrolled ADMs of all of the joint vocational school districts in the state for that fiscal year.

(2) For fiscal years 2023, 2024, 2025, 2026, and 2027, the statewide average career-technical base cost per pupil shall be equal to the amount calculated under division (B)(1) of this section.

(3) For fiscal year 2028 and for each fiscal year thereafter,
the statewide average career-technical base cost per pupil shall be equal to the sum of the aggregate base cost calculated for all joint vocational school districts in the state under section 3317.012 of the Revised Code for that fiscal year divided by the sum of the base cost enrolled ADMs of all of the joint vocational school districts in the state for that fiscal year.

Sec. 3317.019. (A)(1) Subject to division (D) of this section, for fiscal years 2022 and 2023, the department of education shall pay temporary transitional aid to each city, local, and exempted village school district according to the following formula:

(The district's funding base, as that term is defined in section 3317.02 of the Revised Code) – (the district's payment under section 3317.022 of the Revised Code for the fiscal year for which the payment is computed).

If the computation made under division (A)(1) of this section results in a negative number, the district's funding under division (A)(1) of this section shall be zero.

(2) For fiscal years 2022 and 2023, the department shall pay temporary transitional transportation aid to that district according to the following formula:

(The amount calculated for the district for fiscal year 2020 under division (A)(2) of Section 265.220 of H.B. 166 of the 133rd general assembly, prior to any funding reductions authorized by Executive Order 2020-19D, "Implementing Additional Spending Controls to Balance the State Budget" issued on May 7, 2020) – (the district's payment for fiscal year 2019 under division (D)(2) of section 3314.091 of the Revised Code as that division existed prior to the effective date of this amendment) – (the district's payment under section 3317.0212 of the Revised Code for the fiscal year for which the payment is computed)

(B) Subject to division (D) of this section, for fiscal year 2024 and for each fiscal year thereafter, the department shall pay temporary transitional aid to each city, local, and exempted village school district according to the following formula:

\[(\text{The district's guaranteed funding for the third preceding fiscal year} / \text{the average of the district's enrolled ADM for the third, fourth, and fifth preceding fiscal years}) - \text{(the district's payment under section 3317.022 of the Revised Code for the fiscal year for which the payment is calculated} / \text{the district's enrolled ADM for the fiscal year for which the payment is calculated}) \times \text{the district's enrolled ADM for the fiscal year for which the payment is calculated}\]

If the computation made under this division results in a negative number, the district's funding under this division shall be zero.

(C) If a local school district participates in the
establishment of a joint vocational school district that begins receiving payments under section 3317.16 of the Revised Code for fiscal year 2022 or for any fiscal year thereafter, but does not receive payments for the fiscal year immediately preceding that fiscal year, the department shall adjust, as necessary, the following according to the amounts received by the district in the immediately preceding fiscal year for career-technical education students who attend the newly established joint vocational school district:

(1) For purposes of division (A)(1) of this section, the district's funding base, as that term is defined in section 3317.02 of the Revised Code.

(2) For purposes of division (B) of this section, the district's guaranteed funding.

(D)(1) For purposes of division (D) of this section, a district's "decrease threshold" for a fiscal year is the greater of the following:

(a) Twenty;

(b) Ten per cent of the number of the district's students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for the previous fiscal year.

(2) For any fiscal year for which the general phase-in percentage is less than one hundred per cent, if a district has fewer students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for that fiscal year than for the previous fiscal year and the positive difference between those two student counts is greater than or equal to the district's decrease threshold for that fiscal year, the amount paid to the district under division (A) or (B) of this section shall be reduced by the following amount:

The statewide average base cost per pupil X [(the positive...
difference between the number of the district's students counted under division (A)(1)(b) of section 3317.03 of the Revised Code for that fiscal year and the number of the district's students counted under that division for the previous fiscal year) - the district's decrease threshold for that fiscal year].

under division (A)(9) divisions (D) and (E) of section 3317.022
3317.014 of the Revised Code or division (A)(6) of section 3317.16

under division (C)(3) of section 3317.16 of the Revised Code for
excess costs of providing special education and related services
to a student with a disability, as calculated under division
(C)(1) of that section, the department shall deduct the amount of
that payment from the city, local, or exempted village school
district that is responsible as specified in that section for the

quarterly, or annually as may be determined by the state board of
education:

(A) An amount for each island school district and each joint
state school district for the operation of each high school and
each elementary school maintained within such district and for
capital improvements for such schools. Such amounts shall be
determined on the basis of standards adopted by the state board of
education. However, for fiscal years 2012 and 2013, an island
district shall receive the lesser of its actual cost of operation,
as certified to the department of education, or ninety-three per
cent of the amount the district received in state operating
funding for fiscal year 2011. If an island district received no
funding for fiscal year 2011, it shall receive no funding for
either of fiscal year 2012 or 2013.

(B) An amount for each school district required to pay
tuition for a child in an institution maintained by the department

3317.02 of the Revised Code, for the preceding school year.

(C) An amount for the approved cost of transporting eligible
pupils with disabilities attending a special education program

amount shall be equal to the actual costs incurred by the district
when transporting those students, as reported to the department,
times the percentage determined for the district for that fiscal
year under divisions (E)(3)(a) to (f) of section 3317.0212 of the
Revised Code. No district or service center is eligible to receive
a payment under this division for the cost of transporting any
pupil whom it transports by regular school bus and who is included
in the district's transportation ADM. The state board of education
shall establish standards and guidelines for use by the department
of education in determining the approved cost of such transportation for each district or service center. The state board shall also establish the deadline for each district to report its actual costs for transporting these students. Costs reported by each district under this division shall be subject to periodic, random audits by the department.

(D) An amount to each school district, including each cooperative education school district, pursuant to section 3313.81 of the Revised Code to assist in providing free lunches to needy children. The amounts shall be determined on the basis of rules adopted by the state board of education.

(E)(1) An amount for auxiliary services to each school district, for each pupil attending a chartered nonpublic elementary or high school within the district that is either of the following:

(2) An amount for auxiliary services paid directly to each chartered nonpublic school that has elected to receive funds under division (E)(2) of this section for each pupil attending the school. To elect to receive funds under division (E)(2) of this section, a school, by the first day of April of each odd-numbered year, shall notify the department and the school district in which the school is located of the election and shall submit to the department an affidavit certifying that the school is not affiliated with a religious order, sect, church, or denomination.
and does not have a curriculum or mission that contains religious content, religious courses, devotional exercises, religious training, or any other religious activity shall expend the funds in the manner outlined in section 3317.062 of the Revised Code. The election shall take effect the following first day of July, unless the department determines that the school meets the criteria in division (E)(1)(a) of this section. The school subsequently may rescind its election, but it may do so only in an odd-numbered year by notifying the department and the school district in which the school is located of the rescission not later than the first day of April of that year. Beginning the following first day of July after the rescission, the school shall receive funds under division (E)(1) of this section.

The amount paid under divisions (E)(1) and (2) of this section shall equal the total amount appropriated for the implementation of sections 3317.06 and 3317.062 of the Revised Code divided by the average daily membership in grades kindergarten through twelve in chartered nonpublic elementary and high schools within the state as determined as of the last day of October of each school year.

division (A)(1) of section 3317.082 of the Revised Code.

The state board of education or any other board of education or governing board may provide for any resident of a district or educational service center territory any educational service for which funds are made available to the board by the United States under the authority of public law, whether such funds come directly or indirectly from the United States or any agency or department thereof or through the state or any agency, department, or political subdivision thereof.

Sec. 3317.028. (A) On or before May 15, 2007, and the fifteenth day of May in each calendar year thereafter, the tax commissioner shall determine for each school district whether the taxable value of all utility tangible personal property subject to taxation by the district in the preceding tax year was less than the taxable value of such property during the second preceding tax year. If any decrease exceeds ten per cent of the district's tangible personal property taxable value included in the total taxable value used in the district's state aid computation for the fiscal year that ends in the current calendar year, the tax commissioner shall certify all of the following to the department of education and the office of budget and management:

(1) The district's total taxable value for the preceding tax year;

(2) The change in taxes charged and payable on the district's total taxable value for the preceding tax year and the second preceding tax year;

(3) The taxable value of the utility tangible personal property decrease, which shall be considered a change in valuation;

(4) The change in taxes charged and payable on such change in
taxable value calculated in the same manner as in division (A)(3) of section 3317.021 of the Revised Code.

(B) Upon receipt of a certification specified in this section, the department of education shall replace the three-year average valuations that were used in computing the district's state education aid for the fiscal year that ends in the current calendar year with the taxable value certified under division (A)(1) of this section and shall recompute the state education aid for such fiscal year without applying any funding limitations enacted by the general assembly to the computation. The department shall pay to the district an amount equal to the lesser of the following:

(1) The positive difference between the district's state education aid prior to the recomputation under this section and the district's recomputed state education aid;

(2) The absolute value of the amount certified under division (A)(2) of this section.

The payment date shall be determined by the director of budget and management. The director shall select a payment date that is not earlier than the first day of June of the current fiscal year and not later than the thirty-first day of July of the following fiscal year. The department of education shall not pay the district under this section prior to approval by the director of budget and management to make that payment.

(C) If a school district received a grant from the catastrophic expenditures account pursuant to division (C) of section 3316.20 of the Revised Code on the basis of the same circumstances for which a recomputation is made under this section, the amount of the recomputation shall be reduced and transferred in accordance with division (C) of section 3316.20 of the Revised Code.
Sec. 3317.0212. (A) As used in this section:

(1) "Assigned bus" means a school bus used to transport qualifying riders.

(2) "Density" means the total riders per square mile of a school district.

(3) "Nontraditional ridership" means the average number of qualifying riders who are enrolled in a community school established under Chapter 3314. of the Revised Code, in a STEM school established under Chapter 3326. of the Revised Code, or in a nonpublic school and are provided school bus service by a school district during the first full week of October.

(4) "Qualifying riders" means resident students enrolled in preschool and regular education in grades kindergarten to twelve who are provided school bus service by a school district and who live more than one mile from the school they attend, including students with dual enrollment in a joint vocational school district or a cooperative education school district, and students enrolled in a community school, STEM school, or nonpublic school.

(2)(5) "Qualifying ridership" means the greater of the average number of qualifying riders counted in the morning or counted in the afternoon who are provided school bus service by a school district during the first full week of October.

(2)(6) "Rider density" means the total ADM per square mile of a school district following quotient:

\[
\text{A school district's total number of qualifying riders} / \text{the number of square miles in the district}
\]

(4)(7) "Riders" means students enrolled in regular and special education in grades kindergarten through twelve who are provided school bus service by a school district, including students with dual enrollment in a joint vocational school.
district or a cooperative education school district, and students enrolled in a community school, STEM school, or nonpublic school.

(8) "School bus service" means a school district's transportation of qualifying riders in any of the following types of vehicles:

(b) School buses operated by a private contractor hired by the district;

(c) School buses operated by another school district or entity with which the district has contracted, either as part of a consortium for the provision of transportation or otherwise.

(B) Not later than the first day of October each year, each city, local, and exempted village school district shall report to the department of education its qualifying ridership and any other information requested by the department. Subsequent adjustments to the reported numbers shall be made only in accordance with rules adopted by the department.

(C) The department shall calculate the statewide transportation cost per student as follows:

(1) Determine each city, local, and exempted village school district's transportation cost per student by dividing the district's total costs for school bus service in the previous fiscal year by its qualifying ridership in the previous fiscal year.

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per student and the ten districts with the lowest transportation costs per student, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate qualifying ridership of those districts.
districts in the previous fiscal year.

(D) The department shall calculate the statewide transportation cost per mile as follows:

(1) Determine each city, local, and exempted village school district's transportation cost per mile by dividing the district's total costs for school bus service in the previous fiscal year by its total number of miles driven for school bus service in the previous fiscal year.

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per mile and the ten districts with the lowest transportation costs per mile, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate miles driven for school bus service in those districts in the previous fiscal year.

(E) The department shall calculate each city, local, and exempted village school district's transportation base payment as follows:

(1) Multiply the sum of the following:

(a) The product of the statewide transportation cost per student by the number of students counted in the district's qualifying ridership for the current fiscal year who are enrolled in the district;

(b) 1.5 times the statewide transportation cost per student times the number of students counted in the district's qualifying ridership for the current fiscal year who are enrolled in community schools established under Chapter 3314. of the Revised Code or STEM schools established under Chapter 3326. of the Revised Code;

(c) 2.0 times the statewide transportation cost per student

(2) Multiply the statewide transportation cost per mile by the district's total number of miles driven for school bus service in the current fiscal year.

(3) Multiply the greater of the amounts calculated under divisions (E)(1) and (2) of this section by the following:

(a) For fiscal year 2018 to 2022, the greater of thirty-seven and one-half twenty-nine and one-sixth per cent or the district's state share index percentage, as defined in section 3317.02 of the Revised Code;

(b) For fiscal year 2019 to 2023, the greater of twenty-five thirty-three and one-third per cent or the district's state share index percentage;

(c) For fiscal year 2024, the greater of thirty-seven and one-half per cent or the district's state share percentage;

(d) For fiscal year 2025, the greater of forty-one and two-thirds per cent or the district's state share percentage;

(e) For fiscal year 2026, the greater of forty-five and five-sixths per cent or the district's state share percentage;

(f) For fiscal year 2027 and for each fiscal year thereafter, the greater of fifty per cent or the district's state share percentage.

(F)(1) The department annually shall establish a target number of qualifying riders per assigned bus for each city, local, and exempted village school district. The department shall use the most recently available data in establishing the target number. The target number shall be based on the statewide median number of riders per assigned bus as adjusted to reflect the district's...
density in comparison to the density of all other districts. The
department shall post on the department's web site each district's
target number of riders per assigned bus and a description of how
the target number was determined.

(2) The department shall determine each school district's
efficiency index by dividing the district's number of riders per
assigned bus by its target number of riders per assigned bus.

(3) The department shall determine each city, local, and
exempted village school district's efficiency adjustment payment
as follows:

(a) If the district's efficiency index is equal to or greater
than 1.5, the efficiency adjustment payment shall be calculated
according to the following formula:

\[0.15 \times \text{the district's transportation base payment calculated under division (E) of this section}\]

(b) If the district's efficiency index is less than 1.5 but
greater than or equal to 1.0, the efficiency adjustment payment
shall be calculated according to the following formula:

\[\frac{(\text{The district's efficiency index} - 1) \times 0.15}{0.5} \times \text{the district's transportation base payment calculated under division (E) of this section}\]

(c) If the district's efficiency index is less than 1.0, the
efficiency adjustment payment shall be zero.

(G) In addition to funds paid under division (E) divisions
(E), (F), and (H) of this section, each city, local, and exempted
village district shall receive in accordance with rules adopted by

means other than school bus service and whose transportation is
not funded under division (C) of section 3317.024 of the Revised
Code. The rules shall include provisions for school district
reporting of such students.
(G)(1)(H)(1) For purposes of division (G)(H) of this section, a school district's "transportation supplement percentage" means the following quotient:

\[
\frac{5028 - \text{the district's rider density}}{100}
\]

If the result of the calculation for a district under division (G)(1)(H)(1) of this section is less than zero, the district's transportation supplement percentage shall be zero.

(2) The department shall pay each district a transportation supplement calculated according to the following formula:

The district's transportation supplement percentage X the amount calculated for the district under division (E)(2) of this section X 0.55

Sec. 3317.0213. (A) The department of education shall compute and pay in accordance with this section additional state aid for preschool children with disabilities to each city, local, and exempted village school district and to each institution, as defined in section 3323.091 of the Revised Code. Funding shall be provided for children who are not enrolled in kindergarten and who are under age six on the thirtieth day of September of the academic year, or on the first day of August of the academic year if the school district in which the child is enrolled has adopted a resolution under division (A)(3) of section 3321.01 of the Revised Code, but not less than age three on the first day of December of the academic year.

The additional state aid shall be calculated under the following formula:

\[
($)4,000 \times \text{the number of students who are preschool children with disabilities} + \text{the sum of the following:}
\]

(1) The district's or institution's category one special education students who are preschool children with disabilities X
the amount multiple specified in division (A) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share index percentage X 0.50;

(2) The district's or institution's category two special education students who are preschool children with disabilities X the amount multiple specified in division (B) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share index percentage X 0.50;

(3) The district's or institution's category three special education students who are preschool children with disabilities X the amount multiple specified in division (C) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share index percentage X 0.50;

(4) The district's or institution's category four special education students who are preschool children with disabilities X the amount multiple specified in division (D) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share index percentage X 0.50;

(5) The district's or institution's category five special education students who are preschool children with disabilities X the amount multiple specified in division (E) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share index percentage X 0.50;

(6) The district's or institution's category six special education students who are preschool children with disabilities X the amount multiple specified in division (F) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share index percentage X 0.50;
of the Revised Code X the statewide average base cost per pupil
for that fiscal year X the district's state share index percentage
X 0.50.

The special education disability categories for preschool children used in this section are the same categories prescribed in section 3317.013 of the Revised Code.

As used in division (A) of this section, the state share index percentage of a student enrolled in an institution is the state share index percentage of the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) If an educational service center is providing services to students who are preschool children with disabilities under agreement with the city, local, or exempted village school district in which the students are entitled to attend school, that district may authorize the department to transfer funds computed under this section to the service center providing those services.

(C) If a county DD board is providing services to students who are preschool children with disabilities under agreement with the city, local, or exempted village school district in which the students are entitled to attend school, the department shall deduct from the district's payment computed under division (A) of this section the total amount of those funds that are attributable to the students served by the county DD board and pay that amount to that board.

Sec. 3317.0214. (A) The department shall compute and pay in accordance with this section additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student,
the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:

1. One-half of the district's costs for the student in excess of the threshold catastrophic cost;
2. The product of one-half of the district's costs for the student in excess of the threshold catastrophic cost multiplied by the district's state share index percentage.

(B) For purposes of division (A) of this section, the threshold catastrophic cost for serving a student equals:

1. For a student in the school district's category two, three, four, or five special education ADM, twenty-seven thousand three hundred seventy-five dollars;
2. For a student in the district's category six special education ADM, thirty-two thousand eight hundred fifty dollars.

(C) The district shall report under division (A) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

**Sec. 3317.0215.** (A) The department of education shall withhold from the aggregate amount paid for a fiscal year to each city, local, exempted village, and joint vocational school district, community school established under Chapter 3314. of the Revised Code, and science, technology, engineering, and
mathematics school established under Chapter 3326. of the Revised Code an amount equal to the following:

(1) In the case of a city, local, exempted village, or joint vocational school district, an amount calculated as follows:

0.10 X [(the district's category one special education ADM X the multiple specified in division (A) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share percentage) + (the district's category two special education ADM X the multiple specified in division (B) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share percentage) + (the district's category three special education ADM X the multiple specified in division (C) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share percentage) + (the district's category four special education ADM X the multiple specified in division (D) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share percentage) + (the district's category five special education ADM X the multiple specified in division (E) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share percentage) + (the district's category six special education ADM X the multiple specified in division (F) of section 3317.013 of the Revised Code X the statewide average base cost per pupil for that fiscal year X the district's state share percentage)]

(2) In the case of a community school, the aggregate amount of special education funding paid to the school under section 3314.08 of the Revised Code times 0.10.

(3) In the case of a science, technology, engineering, or
mathematics school, the aggregate amount of special education funding paid to the school under section 3326.33 of the Revised Code times 0.10.

(B) The department shall use the amount of funds withheld under division (A) of this section for purposes of division (C)(3) of section 3314.08 of the Revised Code, section 3317.0214 of the Revised Code, division (B) of section 3317.16 of the Revised Code, and section 3326.34 of the Revised Code.

Sec. 3317.0217. Payment of the amount calculated for a school district under this section shall be made under division (A) of section 3317.022 of the Revised Code.

(A) For each fiscal year, the department of education shall compute targeted assistance funds for city, local, and exempted village school districts, in accordance with the following formula:

A district's capacity amount for that fiscal year calculated under division (B) of this section + a district's wealth amount for that fiscal year calculated under division (C) of this section

(B) The department shall calculate each district's capacity amount for a fiscal year as follows:

(1) Calculate each district's weighted wealth for that fiscal year, which equals the following sum:

(The amount determined for the district for that fiscal year under division (A)(1)(a) of section 3317.017 of the Revised Code X 0.6) + (the amount determined for the district for that fiscal year under division (A)(2)(a) of section 3317.017 of the Revised Code X 0.4)

(2) Determine the median weighted wealth of all school districts in this state for that fiscal year;

(3) Compute each district's capacity index for that fiscal
year by dividing the median weighted wealth of all school districts in this state for that fiscal year by the district's weighted wealth for that fiscal year;

(4) Compute each district's capacity amount for that fiscal year as follows:

(a) The district's capacity amount shall be zero if the district satisfies either of the following criteria for that fiscal year:

(i) The district's capacity index is less than 1.

(ii) The district's enrolled ADM is less than 200.

(b) If the district does not satisfy either of the criteria specified in division (B)(4)(a) of this section for that fiscal year, the district's capacity amount for that fiscal year shall be calculated as follows:

(i) Compute the following amount for the district:
(The median weighted wealth of all school districts in this state for that fiscal year X 0.008) - (the district's weighted wealth for that fiscal year X 0.008)

(ii) If the district's enrolled ADM for that fiscal year is greater than or equal to 200 but less than or equal to 400, the district's capacity amount for that fiscal year shall be equal to 0.05 X the amount computed under division (B)(4)(b)(i) of this section.

(iii) If the district's enrolled ADM for that fiscal year is greater than 400 and less than 600, the district's capacity amount for that fiscal year shall be calculated in accordance with the following formula:

\[ \left\{ \left[ 0.95 \times (\text{the district's enrolled ADM for that fiscal year} - 400) / 200 \right] + 0.05 \right\} \times \text{the amount computed under division (B)(4)(b)(i) of this section} \]
If the district's enrolled ADM for that fiscal year is greater than or equal to 600, the district's capacity amount for that fiscal year shall be equal to the amount computed under division (B)(4)(b)(i) of this section.

(C) The department shall calculate each district's wealth amount for a fiscal year as follows:

(1) Calculate each district's weighted wealth per pupil for that fiscal year, which equals the following quotient:
The district's weighted wealth for that fiscal year calculated under division (B)(1) of this section/ (the district's enrolled ADM for that fiscal year - the students described in division (A)(1)(b) of section 3317.03 of the Revised Code + the students described in division (A)(2)(d) of section 3317.03 of the Revised Code)

(2) Determine the median weighted wealth per pupil of all school districts in this state for that fiscal year;

(3) Compute each district's wealth index for that fiscal year by dividing the median weighted wealth per pupil of all school districts in this state for that fiscal year by the district's weighted wealth per pupil for that fiscal year;

(4) Compute each district's wealth amount for that fiscal year, as follows:

(a) If the district's wealth index computed under division (C)(3) of this section for that fiscal year is less than 0.8, the district's wealth amount for that fiscal year shall be zero.

(b) If the district's wealth index computed under division (C)(3) of this section for that fiscal year is greater than or equal to 0.8, the district's wealth amount for that fiscal year shall be calculated in accordance with the following formula:

(The median weighted wealth per pupil of all school districts in...
this state for that fiscal year X 0.014) - (the district's weighted wealth per pupil for that fiscal year X 0.0112)] X the district's enrolled ADM for that fiscal year.

Sec. 3317.0218. For each fiscal year, the department of education shall compute and pay supplemental targeted assistance to each city, local, and exempted village school district as follows:

(A) Determine if the district satisfies both of the following criteria:

(1) The wealth index calculated for the district for fiscal year 2019 under division (A)(4) of former section 3317.0217 of the Revised Code as it existed prior to the effective date of this section is greater than 1.6;

(2) The district's enrolled ADM for fiscal year 2019 is less than eighty-eight per cent of the district's total ADM for fiscal year 2019.

(B) Determine the maximum of the wealth indices calculated under division (A)(4) of former section 3317.0217 of the Revised Code as it existed prior to the effective date of this section for all districts that satisfy both of the criteria specified under division (A) of this section;

(C) If the district satisfies both of the criteria specified under division (A) of this section, compute the district's supplemental amount as the product of the following:

(1) \( \left( \frac{(The \ number \ specified \ under \ division \ (A)(1) \ of \ this \ section - 1.6)}{(the \ number \ determined \ under \ division \ (B) \ of \ this \ section - 1.6)} \right) \times 675 \) + 75;

(2) The district's enrolled ADM.

(D) If the district does not satisfy both of the criteria specified under division (A) of this section, the district's
supplemental amount shall be equal to zero.

any offense listed in division (B)(2) of this section, or agreeing to participate in a pre-trial diversion program under section 2935.36 of the Revised Code, or a similar diversion program under rules of a court, for any offense listed in division (B)(2) or (C) of this section;

(4) Failure to comply with section 3314.40, 3319.313, 3326.24, 3328.19, 5126.253, or 5502.262 of the Revised Code.

(C) Upon learning of a plea of guilty to, a finding of guilt by a jury or court of, or a conviction of, or a judicial finding of eligibility for intervention in lieu of conviction for committing any of the offenses listed in this division by a person who holds a current or expired license or is an applicant for renewal of a license, the state board or the superintendent of public instruction, if the state board has delegated the duty pursuant to division (D) of this section, shall by a written order revoke the person's license or deny renewal of the license to the person. The state board or the superintendent shall revoke a license that has been issued to a person to whom this division applies and has expired in the same manner as a license that has not expired.

Revocation of a license or denial of renewal of a license under this division is effective immediately at the time and date that the board or superintendent issues the written order and is not subject to appeal in accordance with Chapter 119. of the Revised Code. Revocation of a license or denial of renewal of license under this division remains in force during the pendency of an appeal by the person of the plea of guilty, finding of guilt, or conviction, or judicial finding of eligibility for intervention in lieu of conviction that is the basis of the action taken under this division.

The state board or superintendent shall take the action required by this division for any of the following:
(1) A plea of guilty to, a finding of guilt by a jury or court of, or a conviction of, or a judicial finding of eligibility for intervention in lieu of conviction for a violation of division (B)(1), (2), (3), or (4) of section 2919.22 of the Revised Code; a violation of section 2903.01, 2903.02, 2903.03, 2903.04, 2903.041, 2903.11, 2903.12, 2903.15, 2905.01, 2905.02, 2905.05, 2905.11, 2905.32, 2907.02, 2907.03, 2907.04, 2907.05, 2907.06, 2907.07, 2907.21, 2907.22, 2907.23, 2907.24, 2907.241, 2907.25, 2907.31, 2907.311, 2907.32, 2907.321, 2907.322, 2907.323, 2907.33, 2907.34, 2909.02, 2909.22, 2909.23, 2909.24, 2911.01, 2911.02, 2911.11, 2911.12, 2913.44, 2917.01, 2917.02, 2917.03, 2917.31, 2917.33, 2919.12, 2919.121, 2919.13, 2921.02, 2921.03, 2921.04, 2921.05, 2921.11, 2921.34, 2921.41, 2923.122, 2923.123, 2923.161, 2923.17, 2923.21, 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.13, 2925.22, 2925.23, 2925.24, 2925.32, 2925.36, 2925.37, 2927.24, or 3716.11 of the Revised Code; a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996; a violation of section 2919.23 of the Revised Code that would have been a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996, had the violation been committed prior to that date; felonious sexual penetration in violation of former section 2907.12 of the Revised Code; or a violation of an ordinance of a municipal corporation that is substantively comparable to an offense listed in this paragraph;

(2) A plea of guilty to, a finding of guilt by a jury or court of, or a conviction of, or a judicial finding of eligibility for intervention in lieu of conviction for conspiracy to commit, attempt to commit, or complicity in committing any violation listed in division (C)(1) of this section.

(D) The state board may delegate to the superintendent of public instruction the authority to revoke a person's license or to deny issuance or renewal of a license to a person under
division (C) or (F), or (I) of this section.

(E)(1) If the plea of guilty, finding of guilt, or conviction, or judicial finding of eligibility for intervention in lieu of conviction that is the basis of the action taken under division (B)(2) or (C), or (I) of this section, or under the version of division (F) of section 3319.311 of the Revised Code in effect prior to September 12, 2008, is overturned on appeal, upon exhaustion of the criminal appeal, the clerk of the court that overturned the plea, finding, or conviction, or judicial finding or, if applicable, the clerk of the court that accepted an appeal from the court that overturned the plea, finding, or conviction, or judicial finding shall notify the state board that the plea, finding, or conviction, or judicial finding has been overturned. Within thirty days after receiving the notification, the state board shall initiate proceedings to reconsider the revocation or denial of the person's license in accordance with division (E)(2) of this section. In addition, the person whose license was revoked or denied may file with the state board a petition for reconsideration of the revocation or denial along with appropriate court documents.

(2) Upon receipt of a court notification or a petition and supporting court documents under division (E)(1) of this section, the state board, after offering the person an opportunity for an adjudication hearing under Chapter 119. of the Revised Code, shall determine whether the person committed the act in question in the prior criminal action against the person that is the basis of the revocation or denial and may continue the revocation or denial, may reinstate the person's license, with or without limits, or may grant the person a new license, with or without limits. The decision of the board shall be based on grounds for revoking, denying, suspending, or limiting a license adopted by rule under division (G) of this section and in accordance with the
evidentiary standards the board employs for all other licensure hearings. The decision of the board under this division is subject to appeal under Chapter 119. of the Revised Code.

(3) A person whose license is revoked or denied under division (C) or (I) of this section shall not apply for any license if the plea of guilty, finding of guilt, or conviction, or judicial finding of eligibility for intervention in lieu of conviction that is the basis of the revocation or denial, upon completion of the criminal appeal, either is upheld or is overturned but the state board continues the revocation or denial under division (E)(2) of this section and that continuation is upheld on final appeal.

(F) The state board may take action under division (B) or (I)(2) or (3) of this section, and the state board or the superintendent shall take the action required under division (C) or (I)(1) of this section, on the basis of substantially comparable conduct occurring in a jurisdiction outside this state or occurring before a person applies for or receives any license.

(G) The state board may adopt rules in accordance with Chapter 119. of the Revised Code to carry out this section and section 3319.311 of the Revised Code.

(H) The state board shall not refuse to issue a license to an applicant because of a conviction of, a plea of guilty to, or a finding of guilt by a jury or court of an offense unless the refusal is in accordance with section 9.79 of the Revised Code. The general assembly has previously authorized the state board to refuse to issue an initial license to an applicant for an offense described in division (B) of this section, and has required the state board to refuse to issue an initial license to an applicant for an offense described in division (C) of this section. Consistent with those directives of the general assembly, the state board has determined that the offenses described in those
divisions are directly related to the duties and responsibilities of the position for which a license is issued. Therefore, in publishing the list of criminal offenses that may disqualify an applicant from obtaining an initial license, as required by division (B) of section 9.79 of the Revised Code, the state board shall include the offenses described in divisions (B)(2) and (C) of this section and shall specify that a plea of guilty, finding of guilt, conviction, or judicial finding of eligibility for intervention in lieu of conviction for any offense described in division (C) of this section shall result in automatic refusal to issue a license in accordance with division (I)(1) of this section.

(I) In determining whether to issue an initial license to an applicant, the state board shall make that determination in accordance with section 9.79 of the Revised Code, except that, notwithstanding divisions (C) and (D) of that section, all of the following shall apply:

(1) The state board shall refuse to issue an initial license to an applicant who has plead guilty to, been found guilty by a jury or court of, been convicted of, or had a judicial finding of eligibility for intervention in lieu of conviction for committing any offense listed in division (C) of this section, regardless of the length of time since the applicant's plea of guilty, finding of guilt, conviction, or judicial finding of eligibility for intervention in lieu of conviction. Refusal of a license under division (I)(1) of this section is effective immediately at the time and date that the state board or state superintendent issues the written order and is not subject to appeal in accordance with Chapter 119. of the Revised Code. Refusal of a license under division (I)(1) of this section remains in force during the pendency of an appeal by the applicant of the plea of guilty, finding of guilt, conviction, or judicial finding of eligibility.
for intervention in lieu of conviction that is the basis of the
action taken under this division.

(2) The state board may refuse to issue an initial license to
an applicant who has plead guilty to, been found guilty by a jury
or court of, been convicted of, or had a judicial finding of
eligibility for intervention in lieu of conviction for committing
any offense listed in division (B)(2) of this section, regardless
of the length of time since the applicant's plea of guilty,
finding of guilt, conviction, or judicial finding of eligibility
for intervention in lieu of conviction.

(3) If an applicant has plead guilty to, been found guilty by
a jury or court of, been convicted of, or had a judicial finding
of eligibility for intervention in lieu of conviction for multiple
offenses, the state board may consider that fact in determining
whether to issue the applicant a license, regardless of the length
of time since the applicant's most recent plea of guilty, finding
of guilt, conviction, or judicial finding of eligibility for
intervention in lieu of conviction.

Sec. 3319.311. (A)(1) The state board of education, or the
superintendent of public instruction on behalf of the board, may
investigate any information received about a person that
reasonably appears to be a basis for action under section 3319.31
of the Revised Code, including information received pursuant to
section 3314.40, 3319.291, 3319.313, 3326.24, 3328.19, 5126.253,
or 5153.176 of the Revised Code. Except as provided in division
(A)(2) of this section, the board shall contract with the office
of the Ohio attorney general to conduct any investigation of that
nature. The board shall pay for the costs of the contract any such
investigation only from moneys in the state board of education
licensure fund established under section 3319.51 of the Revised
Code. Except as provided in division (A)(2) of this section and
section 3319.319 of the Revised Code, all information received pursuant to section 3314.40, 3319.291, 3319.313, 3326.24, 3328.19, 5126.253, or 5153.176 of the Revised Code, and all information obtained during an investigation is confidential and is not a public record under section 149.43 of the Revised Code. If an investigation is conducted under this division regarding information received about a person and no action is taken against the person under this section or section 3319.31 of the Revised Code within two years of the completion of the investigation, all records of the investigation shall be expunged.

(2) In the case of a person about whom the board has learned of a plea of guilty to, finding of guilt by a jury or court of, or a conviction of, or judicial finding of eligibility for intervention in lieu of conviction for committing an offense listed in division (C) of section 3319.31 of the Revised Code, or substantially comparable conduct occurring in a jurisdiction outside this state, the board or the superintendent of public instruction need not conduct any further investigation and shall take the action required by division (C) or (F), or (I)(1) of that section. Except as provided in division (G) of this section, all information obtained by the board or the superintendent of public instruction pertaining to the action is a public record under section 149.43 of the Revised Code.

(B) The superintendent of public instruction shall review the results of each investigation of a person conducted under division (A)(1) of this section and shall determine, on behalf of the state board, whether the results warrant initiating action under division (B) or (I) of section 3319.31 of the Revised Code. The superintendent shall advise the board of such determination at a meeting of the board. Within fourteen days of the next meeting of the board, any member of the board may ask that the question of initiating action under section 3319.31 of the Revised Code be
placed on the board's agenda for that next meeting. Prior to initiating that action against any person, the person's name and any other personally identifiable information shall remain confidential.

(C) The board shall take no action against a person under division (B) or (I) of section 3319.31 of the Revised Code without providing the person with written notice of the charges and with an opportunity for a hearing in accordance with Chapter 119. of the Revised Code, unless division (I)(1) of that section applies to the person.

(D) For purposes of an investigation under division (A)(1) of this section or a hearing under division (C) of this section or under division (E)(2) of section 3319.31 of the Revised Code, the board, or the superintendent on behalf of the board, may administer oaths, order the taking of depositions, issue subpoenas, and compel the attendance of witnesses and the production of books, accounts, papers, records, documents, and testimony. The issuance of subpoenas under this division may be by certified mail or personal delivery to the person.

(E) The superintendent, on behalf of the board, may enter into a consent agreement with a person against whom action is being taken under division (B) or (I) of section 3319.31 of the Revised Code, other than a person to whom division (I)(1) of that section applies. The board may adopt rules governing the superintendent's action under this division.

(F) No surrender of a license shall be effective until the board takes action to accept the surrender unless the surrender is pursuant to a consent agreement entered into under division (E) of this section.

(G) The name of any person who is not required to report information under section 3314.40, 3319.313, 3326.24, 3328.19,
5126.253, or 5153.176 of the Revised Code, but who in good faith provides information to the state board or superintendent of public instruction about alleged misconduct committed by a person who holds a license or has applied for issuance or renewal of a license, shall be confidential and shall not be released. Any such person shall be immune from any civil liability that otherwise might be incurred or imposed for injury, death, or loss to person or property as a result of the provision of that information.

(H)(1) No person shall knowingly make a false report to the superintendent of public instruction or the state board of education alleging misconduct by an employee of a public or chartered nonpublic school or an employee of the operator of a community school established under Chapter 3314. or a college-preparatory boarding school established under Chapter 3328. of the Revised Code.

(2)(a) In any civil action brought against a person in which it is alleged and proved that the person violated division (H)(1) of this section, the court shall award the prevailing party reasonable attorney's fees and costs that the prevailing party incurred in the civil action or as a result of the false report that was the basis of the violation.

(b) If a person is convicted of or pleads guilty to a violation of division (H)(1) of this section, if the subject of the false report that was the basis of the violation was charged with any violation of a law or ordinance as a result of the false report, and if the subject of the false report is found not to be guilty of the charges brought against the subject as a result of the false report or those charges are dismissed, the court that sentences the person for the violation of division (H)(1) of this section, as part of the sentence, shall order the person to pay restitution to the subject of the false report, in an amount equal to reasonable attorney's fees and costs that the subject of the
false report incurred as a result of or in relation to the 
charges.

The STEM school sponsoring district shall allocate all such additional funds to the STEM school.

(5) Where the department is required to make, deny, reduce, or adjust payments to a STEM school sponsoring district pursuant to this section, it shall do so in such a manner that the STEM school sponsoring district may allocate that action to the STEM school.

(6) A STEM school sponsoring district and its board may assign its district employees to the STEM school, in which case section 3326.18 of the Revised Code shall not apply. The district and board may apply any other resources of the district to the STEM school in the same manner that it applies district resources to other district schools.

(7) Provisions of this chapter requiring a STEM school and its governing body to comply with specified laws as if it were a school district and in the same manner as a board of education shall instead require such compliance by the STEM school sponsoring district and its board of education, respectively, with respect to the STEM school. In all city, local, and exempted village school districts where resident school pupils in grades kindergarten through eight live more than two miles from the school for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code and to which they are assigned by the board of education of the district of residence or to and from the nonpublic or community school which they attend, the board of education shall provide transportation for such pupils to and from that school except as provided in section 3327.02 of the Revised Code.

In all city, local, and exempted village school districts where pupil transportation is required under a career-technical plan approved by the state board of education under section 3313.90 of the Revised Code, for any student attending a career-technical program operated by another school district, including a joint vocational school district, as prescribed under
that section, the board of education of the student's district of
residence shall provide transportation from the public high school
operated by that district to which the student is assigned to the
career-technical program.

In all city, local, and exempted village school districts,
the board may provide transportation for resident school pupils in
grades nine through twelve to and from the high school to which
they are assigned by the board of education of the district of
residence or to and from the nonpublic or community high school
which they attend for which the state board of education
prescribes minimum standards pursuant to division (D) of section
3301.07 of the Revised Code.

A board of education shall not be required to transport
elementary or high school pupils to and from a nonpublic or
community school where such transportation would require more than
thirty minutes of direct travel time as measured by school bus
from the public school building to which the pupils would be
assigned if attending the public school designated by the district
of residence.

Where it is impractical to transport a pupil by school
conveyance, a board of education may offer payment, in lieu of
providing such transportation in accordance with section 3327.02
of the Revised Code.

A board of education shall provide transportation to students
enrolled in a community school or nonpublic school in accordance
with this section on each day in which that school is open for
operation with students in attendance, regardless of whether the
district's own schools are open for operation with students in
attendance on that day. However, a board of education shall not be
required to transport elementary or high school pupils to and from
a nonpublic or community school on Saturday or Sunday, unless a
board of education and a nonpublic or community school have an
agreement in place to do so before the first day of July of the
school year in which the agreement takes effect.

In all city, local, and exempted village school districts,
the board shall provide transportation for all children who are so
disabled that they are unable to walk to and from the school for
which the state board of education prescribes minimum standards
pursuant to division (D) of section 3301.07 of the Revised Code
and which they attend. In case of dispute whether the child is
able to walk to and from the school, the health commissioner shall
be the judge of such ability. In all city, exempted village, and
local school districts, the board shall provide transportation to
and from school or special education classes for mentally disabled
children in accordance with standards adopted by the state board
of education.

When transportation of pupils is provided the conveyance
shall be run on a time schedule that shall be adopted and put in
force by the board not later than ten days after the beginning of
the school term. The operator of every school bus or motor van
owned and operated by any school district or educational service
center or privately owned and operated under contract with any
school district or service center in this state shall make a good
faith effort to deliver students enrolled in preschool through
twelfth grades to their respective public and nonpublic schools
not sooner than thirty minutes prior to the beginning of school
and to be available to pick them up not later than thirty minutes
after the close of their respective schools each day.

The cost of any transportation service authorized by this
section shall be paid first out of federal funds, if any,
available for the purpose of pupil transportation, and secondly
out of state appropriations, in accordance with regulations
adopted by the state board of education.

No transportation of any pupils shall be provided by any
board of education to or from any school which in the selection of pupils, faculty members, or employees, practices discrimination against any person on the grounds of race, color, religion, or national origin.

**Sec. 3327.016.** (A) As used in this section:

(1) "Designated educational service center" means an educational service center with which the city, local, or exempted village school district has entered into a service agreement under section 3313.843 of the Revised Code or, if a district has not entered into a service agreement, the service center with the most territory in the county in which the district is located.

(2) "Eligible student" means a student entitled to transportation services from the city, local, or exempted village school district pursuant to section 3327.01 of the Revised Code.

(B) Except as provided for in division (D) of this section, each community school established under Chapter 3314. of the Revised Code or chartered nonpublic school shall establish the school's start and end times for a particular school year not later than the first day of June prior to that school year. Each community or chartered nonpublic school shall provide such start and end times to each city, local, or exempted village school district that the school expects will be responsible for providing transportation services to eligible students enrolled in the school for that school year.

(C) Except as provided for in division (D) of this section, each city, local, or exempted village school district that receives start and end times as prescribed under division (B) of this section shall use those start and end times to develop a transportation plan, including transportation routes and schedules, for eligible students who enrolled in a community or chartered nonpublic school not later than the first day of June.
prior to the school year described in that division. Each district shall develop and provide such transportation plan to the community or chartered nonpublic school not later than the first day of July of that school year. For any eligible student who enrolls in a community or chartered nonpublic school after the first day of June prior to that school year, a district shall develop a transportation plan, including transportation routes and schedules, for that student within fourteen calendar days of receiving a request for transportation services from the student's parent or guardian.

(D) In the event that a city, local, or exempted village school district has twenty or more community or chartered nonpublic schools located in the district's territory, the designated educational service center shall, for the purposes of coordinating student transportation, convene a meeting with the district and all community or chartered nonpublic schools in the district's territory. The district and each community or chartered nonpublic school shall provide any information the educational service center determines is necessary for those purposes. Not later than the fifteenth day of July of the school year for which the educational service center is coordinating transportation services, the service center shall approve a transportation plan, including transportation routes and schedules, for each community or chartered nonpublic school.

(E) A student transportation plan developed under this section, including transportation routes and schedules, shall not result in an eligible student arriving to a community or chartered nonpublic school more than one hour before that school's start time, nor shall it result in that student being picked up from that school more than one hour after the school's end time.

Sec. 3327.017. (A) As used in this section:
(1) "Eligible student" has the same meaning as in section 3327.016 of the Revised Code.

(2) "Mass transit system" has the same meaning as in section 4511.78 of the Revised Code.

(B) No city, local, or exempted village school district shall provide or arrange for transportation for any eligible student enrolled in any of grades kindergarten through eight in a community school established under Chapter 3314. of the Revised Code or chartered nonpublic school to and from school using vehicles operated by a mass transit system, unless the district enters into an agreement with that school authorizing such transportation. An agreement under division (B) of this section shall not be effective unless both the school district and community or chartered nonpublic school approve it.

(C) A city, local, or exempted village school district that elects to provide or arrange for transportation for any eligible student enrolled in any of grades nine through twelve in a community or chartered nonpublic school to and from school using vehicles operated by a mass transit system shall ensure that the student is assigned to a route that does not require the student to make more than one transfer.

Sec. 3327.018. The board of education of each city, local, or exempted village school district that owns and operates buses for transporting students may contract, in writing, with a public or private not-for-profit agency, group, or organization, with a municipal corporation or other political subdivision or agency of the state, or with an agency of the federal government to operate its buses to assist the agency, group, organization, or political subdivision in the fulfillment of its legitimate activities and in times of emergency. These contracts shall be entered into under the authority of the school district as a political subdivision.
and shall not be considered commerce. When buses are made
available to other agencies, groups, organizations, or political
subdivisions under this section, the buses must be operated by
individuals holding certificates issued by either the educational
service center governing board that has entered into an agreement
with the school district under section 3313.843 or 3313.845 of the
Revised Code or the superintendent of the school district
certifying that the individuals satisfy the requirements of
section 3327.10 of the Revised Code. All state board of education
regulations governing the operation of school buses when
transporting students shall apply when buses are used in
accordance with this section.

Any board of education of a city, local, or exempted village
school district that makes one or more of its vehicles available
under this section shall procure liability and property damage
insurance, as provided in section 3327.09 of the Revised Code,
covering all vehicles used and passengers transported under this
section. The board of education may recover expenses from
contracting entities, not to exceed the costs of operation and
insurance coverage.

Sec. 3327.02. (A) After considering each of the following
factors, the board of education of a city, exempted village, or
local school district, or a community school governing authority
providing transportation pursuant to section 3314.091 of the
Revised Code, may determine that it is impractical to transport a
pupil who is eligible for transportation to and from a school
under section 3327.01 of the Revised Code:

(1) The time and distance required to provide the
transportation;

(2) The number of pupils to be transported;
(3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;

(4) Whether similar or equivalent service is provided to other pupils eligible for transportation;

(5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;

(6) Whether other reimbursable types of transportation are available.

(B) Based on its consideration of the factors established in division (A) of this section, the board or governing authority may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality. Such determination shall be made not later than thirty calendar days prior to the district's or school's first day of instruction, or in the case of a student who enrolls within thirty calendar days prior to the first day of instruction or on or after the first day of instruction, not later than fourteen calendar days after the student's enrollment. The determination may be made by the superintendent and formalized at the next following meeting of the board or governing authority.

The board or governing authority shall report its determination to the state board of education in a manner determined by the state board.

In addition, the board or governing authority shall issue a letter to the pupil's parent, guardian, or other person in charge of the pupil and to the state board with a detailed description of the reasons for which such determination was made.

(C) After passing the resolution declaring the impracticality of transportation, the district board or governing authority shall offer to provide payment in lieu of transportation by doing the following:
(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:

(a) The resolution;

(b) The right of the pupil's parent, guardian, or other person in charge of the pupil to accept the offer of payment in lieu of transportation or to reject the offer and instead request the department to initiate mediation procedures.

(2) Issuing the pupil's parent, guardian, or other person in charge of the pupil a contract or other form on which the parent, guardian, or other person in charge of the pupil is given the option to accept or reject the board's offer of payment in lieu of transportation.

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than the amount determined by the general assembly as the minimum for payment in lieu of transportation, and not more than the amount determined by the department of education as the average cost of pupil transportation for the previous school year. Payment may be prorated if the time period involved is only a part of the school year.

(E)(1)(a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures.

(b) If the mediation does not resolve the dispute, the state board of education shall conduct a hearing in accordance with Chapter 119. of the Revised Code. The state board may approve the payment in lieu of transportation or may order the district board of education or governing authority to provide transportation.
decision of the state board is binding in subsequent years and on
future parties in interest provided the facts of the determination
remain comparable.

(2) The school district or governing authority shall provide
transportation for the pupil from the time the parent, guardian,
or other person in charge of the pupil requests mediation until
the matter is resolved under division (E)(1)(a) or (b) of this
section.

(F)(1) If the department determines that a school district
board or governing authority has failed or is failing to provide
transportation as required by division (E)(2) of this section or
as ordered by the state board under division (E)(1)(b) of this
section, the department shall order the school district board or
governing authority to pay to the pupil's parent, guardian, or
other person in charge of the pupil, an amount equal to the state
average daily cost of transportation as determined by the state
board of education for the previous year. The school district
board or governing authority shall make payments on a schedule
ordered by the department.

(2) If the department subsequently finds that a school
district board is not in compliance with an order issued under
division (F)(1) of this section and the affected pupils are
enrolled in a nonpublic or community school, the department shall
deduct the amount that the board is required to pay under that
order from any pupil transportation payments the department makes
to the school district board under section 3317.0212 of the
Revised Code or other provisions of law. The department shall use
the moneys so deducted to make payments to the nonpublic or
community school attended by the pupil. The department shall
continue to make the deductions and payments required under this
division until the school district board either complies with the
department's order issued under division (F)(1) of this section or
begins providing transportation.

(G) A nonpublic or community school that receives payments from the department under division (F)(2) of this section shall do either of the following:

(1) Disburse the entire amount of the payments to the parent, guardian, or other person in charge of the pupil affected by the failure of the school district of residence to provide transportation;

(2) Use the entire amount of the payments to provide acceptable transportation for the affected pupil.

Sec. 3327.021. The department of education shall monitor each city, local, or exempted village school district's compliance with sections 3327.01 and 3327.016 and division (B) of section 3327.017 of the Revised Code. If the department determines a consistent or prolonged period of noncompliance on the part of the school district to provide transportation as required under those sections, the department shall deduct from the district's payment for student transportation under Chapter 3317. of the Revised Code the total daily amount of that payment, as computed by the department, for each day that the district is not in compliance.

This section does not affect the authority of a school district to provide payment in lieu of transportation in accordance with section 3327.02 of the Revised Code.

Sec. 3328.18. (A) As used in this section, "license" has the same meaning as in section 3319.31 of the Revised Code.

(B) If a person who is employed by a college-preparatory boarding school established under this chapter or its operator is arrested, summoned, or indicted for an alleged violation of an offense listed in division (C) of section 3319.31 of the Revised Code, if the person holds a license, or an offense listed in...
division (B)(1) of section 3319.39 of the Revised Code, if the
person does not hold a license, the chief administrator of the
school in which that person works shall suspend that person from
all duties that require the care, custody, or control of a child
during the pendency of the criminal action against the person. If
the person who is arrested, summoned, or indicted for an alleged
violation of an offense listed in division (C) of section 3319.31
or division (B)(1) of section 3319.39 of the Revised Code is the
chief administrator of the school, the board of trustees of the
school shall suspend the chief administrator from all duties that
require the care, custody, or control of a child.

(C) When a person who holds a license is suspended in
accordance with this section, the chief administrator or board
that imposed the suspension promptly shall report the person's
suspension to the department of education. The report shall
include the offense for which the person was arrested, summoned,
or indicted. The superintendent of public instruction, on behalf
of the state board of education, shall inactivate the person's
license. The inactivation shall remain in force during the
pendency of the criminal action against the person. The
inactivation of a license under this division does not constitute
a suspension or revocation of the license by the state board under
section 3319.31 of the Revised Code and the state board and the
state superintendent need not provide the person with an
opportunity for a hearing with respect to the inactivation. If the
state board does not take action against the person's license
under section 3319.31 of the Revised Code, the state
superintendent shall reactivate the license upon conclusion of the
criminal action against the person.

Sec. 3328.24. A college-preparatory boarding school
established under this chapter and its board of trustees shall
comply with sections 102.02, 3301.0710, 3301.0711, 3301.0712,
Sec. 3328.32. Each child enrolled in a college-preparatory boarding school established under this chapter shall be included in the enrollment formula ADM and total ADM of the district in which the child is entitled to attend school and in the district's category one through six special education enrollment, as appropriate, as reported under section 3317.03 of the Revised Code.

The department of education shall count that child in the district's formula ADM, total ADM, and, as appropriate, category one through six special education ADM.

Sec. 3328.34. (A) For each child enrolled in a college-preparatory boarding school, as reported under section 3328.31 of the Revised Code, the department of education shall pay to the school the sum of the amount deducted from a participating school district's account for that child under section 3328.33 of the Revised Code eighty-five per cent of the operating expenditure per pupil of the city, local, or exempted village school district in which the child is entitled to attend school plus the per-pupil boarding amount specified in division (B) of this section.

As used in this division, a district's "operating expenditure per pupil" is the total amount of state payments and other nonfederal revenue spent by the district for operating expenses.
during the previous fiscal year, divided by the district's  
enrolled ADM, as that term is defined in section 3317.02 of the  
Revised Code, for the previous fiscal year.

(B) For the first fiscal year in which a college-preparatory  
boarding school may be established under this chapter, the  
"per-pupil boarding amount" is twenty-five thousand dollars. For  
each fiscal year thereafter, that amount shall be adjusted by the  
risk of inflation, as measured by the consumer price index (all  
urban consumers, all items) prepared by the bureau of labor  
statistics of the United States department of labor, for the  
previous twelve-month period.

(C) The state board of education may accept funds from  
federal and state noneducation support services programs for the  
purpose of funding the per pupil boarding amount prescribed in  
division (B) of this section. Notwithstanding any other provision  
of the Revised Code, the state board shall coordinate and  
streamline any noneducation program requirements in order to  
eliminate redundant or conflicting requirements, licensing  
provisions, and oversight by government programs or agencies. The  
applicable regulatory entities shall, to the maximum extent  
possible, use reports and financial audits provided by the auditor  
of state and coordinated by the department of education to  
eliminate or reduce contract and administrative reviews.  
Regulatory entities other than the state board may suggest  
reasonable additional items to be included in such reports and  
financial audits to meet any requirements of federal law.  
Reporting paperwork prepared for the state board shall be shared  
with and accepted by other state and local entities to the maximum  
extent feasible.

(D)(1) Notwithstanding division (A) of this section, if, in  
any fiscal year, a college-preparatory boarding school receives  
federal funds for the purpose of supporting the school's

during the previous fiscal year, divided by the district's  
enrolled ADM, as that term is defined in section 3317.02 of the  
Revised Code, for the previous fiscal year.
operations, the amount of those federal funds shall be deducted 34360
from the total per-pupil boarding amount for all enrolled students 34361
paid by the department to the school for that fiscal year, unless 34362
the school's board of trustees and the department determine 34363
otherwise in a written agreement. Any portion of the total 34364
per-pupil boarding amount for all enrolled students remaining 34365
after the deduction of the federal funds shall be paid by the 34366
department to the school from state funds appropriated to the 34367
department. 34368

(2) Notwithstanding division (A) of this section, if, in any 34369
fiscal year, the department receives federal funds for the purpose 34370
of supporting the operations of a college-preparatory boarding 34371
school, the department shall use those federal funds, not 34372
including any portion of those funds designated for 34373
administration, to pay the school the total per-pupil boarding 34374
amount for all enrolled students for that fiscal year. Any portion 34375
of the total per-pupil boarding amount for all enrolled students 34376
remaining after the use of the federal funds shall be paid by the 34377
department to the school from state funds appropriated to the 34378
department. 34379

(3) If any federal funds are used for the purpose prescribed 34380
in division (D)(1) or (2) of this section, the department shall 34381
comply with all requirements upon which the acceptance of the 34382
federal funds is conditioned, including any requirements set forth 34383
in the funding application submitted by the school or the 34384
department and, to the extent sufficient funds are appropriated by 34385
the general assembly, any requirements regarding maintenance of 34386
effort in expenditures. 34387

Sec. 3333.049. (A) Not later than July 1, 2016, the 34388
chancellor of higher education shall revise the requirements for 34389
reading endorsement programs offered by institutions of higher 34390
education to align those requirements with the reading competencies adopted by the state board of education under section 3301.077 of the Revised Code.

(B) Each educator preparation program approved under section 3333.048 of the Revised Code shall require each candidate for an educator license who enters the program in the 2022-2023 academic year, or any academic year thereafter, to receive instruction in computer science and computational thinking, as applied to student learning and classroom instruction, as appropriate for the grade level and subject area of the candidate's prospective educator license.

Sec. 3333.125. (A) As used in this section:

(1) "Eligible student" means an individual who satisfies all of the following:

(a) The individual is an Ohio resident.
(b) The individual is enrolled in a certified commercial driver's license school.
(c) The individual has passed a drug test.
(d) The individual does not have more than three moving violations in two consecutive years. If an individual who the chancellor of higher education has determined is an eligible student has three moving violations in two consecutive years while participating in the program, the individual shall no longer be considered eligible for continued participation in the program.
(e) The individual has not plead guilty to or been convicted of operating a vehicle under the influence of alcohol or a drug of abuse under section 4511.19 of the Revised Code in the past twelve months. If an individual who the chancellor has determined is an eligible student pleads guilty to or is convicted of operating a
vehicle under the influence of alcohol or a drug of abuse while participating in the program, the individual shall no longer be considered eligible for continued participation in the program.

(f) The individual meets any additional eligibility criteria established under rules adopted by the chancellor under division (G) of this section.

(2) "Certified commercial driver's license school" means a commercial driver's license school certified by the chancellor. The chancellor shall adopt requirements for approval of certification and review applications based on those requirements. No commercial driver's license school that charges employers recruiting fees shall be certified under this division.

A certified commercial driver's license program offered by a career college in this state that holds a certificate of registration from the state board of career colleges and schools under Chapter 3332. of the Revised Code or at a private institution exempt from regulation under Chapter 3332. of the Revised Code as prescribed in section 3333.046 of the Revised Code shall be considered a certified commercial driver's license school.

(3) "Cost of attendance" and "expected family contribution" shall be defined by the chancellor.

(4) "Employed in this state" means either of the following:

(a) An individual is employed as a truck driver by an entity that has a valid mailing address in the state.

(b) An individual is self-employed as a truck driver using a valid mailing address in the state.

(5) "Moving violation" has the same meaning as in section 4510.01 of the Revised Code.

(B) The commercial truck driver student aid program is hereby
established. Under the program, the chancellor of higher education shall pay to an eligible student who commits to reside in and be employed in this state for a minimum of one year upon completion of a certified commercial driver's license program a combination of a grant and a loan in the amounts prescribed by division (D) of this section to pay for the costs of a certified commercial driver's license program at a certified commercial driver's license school.

(C) There is hereby established in the state treasury the commercial truck driver student aid fund, which shall consist of funds appropriated by the general assembly for purposes of this section and funds received as repayment for loans awarded under this section.

The fund shall be used by the chancellor for grants and loans made under this section and for expenses of administering the program.

(D)(1) The grant amount awarded to an eligible student shall equal one-half of the student's remaining state cost of attendance after the student's Pell grant and expected family contribution are applied to the instructional and general charges for the student's enrollment in the certified commercial driver's license school.

Except as provided in divisions (D)(2) and (E) of this section, the chancellor also shall award a loan to an eligible student in the same amount.

(2) If, for any academic year, the amounts available for support of the program are inadequate to provide grants and loans to all eligible students who apply for participation or are participating in the program, the chancellor shall proportionately reduce the amount of each grant and loan to be awarded for the academic year.
(E) The amount of a grant and a loan awarded to an eligible student under this section shall be in addition to what the eligible student receives under the Ohio college opportunity grant under section 3333.122 of the Revised Code. If an eligible student receives a grant under section 3333.122 of the Revised Code, the chancellor shall decrease the amount of the eligible student's loan under this section by the amount of the grant received under that section.

(F)(1) Each eligible student who accepts a grant under division (B) of this section shall sign a promissory note payable to the state in the event the student fails to do either of the following:

(a) Satisfy the residency and employment requirement under that division;

(b) Complete the certified commercial driver's license program in which the student was enrolled.

(2) The amount payable under the note shall be the amount of the grant accepted by the student plus interest accrued annually beginning either one calendar year after the student completes a certified commercial driver's license program or immediately after the student disenrolls from, or does not complete, a certified commercial driver's license program. The chancellor shall determine the interest rate and period of repayment under the note.

(3) The note shall stipulate that the obligation to make payments under the note is canceled once either of the following applies to the student:

(a) The student completes a certified commercial driver's license program and meets the residency and employment requirement under division (B) of this section.

(b) The student dies or becomes totally and permanently
disabled.

(G) The chancellor shall adopt rules, in accordance with Chapter 119. of the Revised Code, necessary for the operation of the program, including rules for all of the following:

1. Terms and conditions for loans under the program;
2. Requirements for certification of commercial driver's license schools;
3. Additional eligibility criteria that the chancellor determines necessary for individuals participating in the program.

Sec. 3333.301. (A) The chancellor of higher education, in collaboration with the management council of the Ohio education computer network established under section 3301.0715 of the Revised Code, shall establish a data system to track the free application for federal student aid form completion rate of public and chartered nonpublic school students in the state.

(B) The chancellor and the management council shall develop guidelines and procedures for the operation of the system.

(C) The chancellor may publish and share aggregate data regarding the free application for federal student aid, including completion counts and rates for the state and each school district, chartered nonpublic school, community school established under Chapter 3314., STEM school established under Chapter 3326., and college-preparatory boarding school established under Chapter 3328. of the Revised Code. Such data may be used for the benefit of public and chartered nonpublic schools, to increase public understanding regarding the free application for federal student aid, and to assist in encouraging student completion of the free application for federal student aid form.

Sec. 3333.31. (A) For state subsidy and tuition surcharge
purposes, status as a resident of Ohio shall be defined by the chancellor of higher education by rule promulgated pursuant to Chapter 119. of the Revised Code. No adjudication as to the status of any person under such rule, however, shall be required to be made pursuant to Chapter 119. of the Revised Code. The term "resident" for these purposes shall not be equated with the definition of that term as it is employed elsewhere under the laws of this state and other states, and shall not carry with it any of the legal connotations appurtenant thereto. Rather, except as provided in divisions (B), (C), (D), and (F) and (G) of this section, for such purposes, the rule promulgated under this section shall have the objective of excluding from treatment as residents those who are present in the state primarily for the purpose of attending a state-supported or state-assisted institution of higher education, and may prescribe presumptive rules, rebuttable or conclusive, as to such purpose based upon the source or sources of support of the student, residence prior to first enrollment, evidence of intention to remain in the state after completion of studies, or such other factors as the chancellor deems relevant.

(B) The rules of the chancellor for determining student residency shall grant residency status to a veteran and to the veteran's spouse and any dependent of the veteran, if both of the following conditions are met:

(1) The veteran either:

(a) Served one or more years on active military duty and was honorably discharged or received a medical discharge that was related to the military service;

(b) Was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war.

(2) If the veteran seeks residency status for tuition
surcharge purposes, the veteran has established domicile in this state as of the first day of a term of enrollment in an institution of higher education. If the spouse or a dependent of the veteran seeks residency status for tuition surcharge purposes, the veteran and the spouse or dependent seeking residency status have established domicile in this state as of the first day of a term of enrollment in an institution of higher education, except that if the veteran was killed while serving on active military duty, has been declared to be missing in action or a prisoner of war, or is deceased after discharge, only the spouse or dependent seeking residency status shall be required to have established domicile in accordance with this division.

(C) The rules of the chancellor for determining student residency shall grant residency status to both of the following:

(1) A veteran who is the recipient of federal veterans' benefits under the "All-Volunteer Force Educational Assistance Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans Educational Assistance Program," 38 U.S.C. 3301 et seq., or any successor program, if the veteran meets all of the following criteria:

(a) The veteran served at least ninety days on active duty.

(b) The veteran enrolls in a state institution of higher education, as defined in section 3345.011 of the Revised Code.

(c) The veteran lives in the state as of the first day of a term of enrollment in the state institution of higher education.

(2) A person who is the recipient of the federal Marine Gunnery Sergeant John David Fry scholarship or transferred federal veterans' benefits under any of the programs described in division (C)(1) of this section, if the person meets both of the following criteria:

(a) The person enrolls in a state institution of higher
education.

(b) The person lives in the state as of the first day of a term of enrollment in the state institution of higher education.

In order for a person using transferred federal veterans' benefits to qualify under division (C)(2) of this section, the veteran who transferred the benefits must have served at least ninety days on active duty or the service member who transferred the benefits must be on active duty.

(D) The rules of the chancellor for determining student residency shall grant residency status to a service member who is on active duty and to the service member's spouse and any dependent of the service member while the service member is on active duty. In order to qualify under division (D) of this section, the rules shall require the student seeking in-state tuition rates to live in the state as of the first day of a term of enrollment in the state institution of higher education, but shall not require the service member or the service member's spouse or dependent to establish domicile in this state as of the first day of a term of enrollment in a institution of higher education.

(E) The rules of the chancellor for determining student residency shall not deny residency status to a student who is either a dependent child of a parent, or the spouse of a person who, as of the first day of a term of enrollment in an institution of higher education, has accepted full-time employment and established domicile in this state for reasons other than gaining the benefit of favorable tuition rates.

Documentation of full-time employment and domicile shall include both of the following documents:

(1) A sworn statement from the employer or the employer's representative on the letterhead of the employer or the employer's
representative certifying that the parent or spouse of the student is employed full-time in Ohio;

(2) A copy of the lease under which the parent or spouse is the lessee and occupant of rented residential property in the state, a copy of the closing statement on residential real property of which the parent or spouse is the owner and occupant in this state or, if the parent or spouse is not the lessee or owner of the residence in which the parent or spouse has established domicile, a letter from the owner of the residence certifying that the parent or spouse resides at that residence.

Residency officers may also evaluate, in accordance with the chancellor's rule, requests for immediate residency status from dependent students whose parents are not living and whose domicile follows that of a legal guardian who has accepted full-time employment and established domicile in the state for reasons other than gaining the benefit of favorable tuition rates.

(F)(1) The rules of the chancellor for determining student residency shall grant residency status to a person who enrolls in an institution of higher education and establishes domicile in this state, regardless of the student's residence prior to that enrollment and satisfies either of the following conditions:

(a) The person, while a resident of this state for state subsidy and tuition surcharge purposes, graduated from a high school in this state or completed the final year of instruction at home as authorized under section 3321.04 of the Revised Code.

(b) The person meets all of the following criteria:

(i) The person officially withdrew from a school in this state while the person was a resident of this state for state subsidy and tuition surcharge purposes.

(ii) The person has not received a high school diploma or honors diploma awarded under section 3313.61, 3313.611, 3313.612,
or 3325.08 of the Revised Code or a high school diploma awarded by a school located in another state or country.

(iii) The person, while a resident of this state for state subsidy and tuition surcharge purposes, both took a high school equivalency test and was awarded a certificate of high school equivalence.

(2) The rules of the chancellor for determining student residency shall not grant residency status to an alien if the alien is not also an immigrant or a nonimmigrant.

(G) The rules of the chancellor for determining student residency status shall grant residency status to a person to whom both of the following apply:

(1) The person, while not a resident of this state for state subsidy and tuition surcharge purposes, completes a bachelor's degree program at a state institution of higher education.

(2) The person, upon completing that bachelor's degree program, immediately enrolls in a graduate program offered at that, or another, state institution.

(H) As used in this section:

(1) "Dependent," "domicile," "institution of higher education," and "residency officer" have the meanings ascribed in the chancellor's rules adopted under this section.

(2) "Alien" means a person who is not a United States citizen or a United States national.

(3) "Immigrant" means an alien who has been granted the right by the United States bureau of citizenship and immigration services to reside permanently in the United States and to work without restrictions in the United States.

(4) "Nonimmigrant" means an alien who has been granted the right by the United States bureau of citizenship and immigration...
services to reside temporarily in the United States.

   (5) "Veteran" means any person who has completed service in
the uniformed services, as defined in section 3511.01 of the
Revised Code.

   (6) "Service member" has the same meaning as in section
5903.01 of the Revised Code.

   (7) "Certificate of high school equivalence" means either of
the following:

   (a) A certificate of high school equivalence awarded by the
department of education under division (A) of section 3301.80 of
the Revised Code;

   (b) The equivalent of a certificate of high school
equivalence awarded by the state board of education under former
law, as defined in division (C)(1) of section 3301.80 of the
Revised Code.

Sec. 3333.38. (A) As used in this section:

   (1) "Institution of higher education" includes all of the
following:

   (a) A state institution of higher education, as defined in
section 3345.011 of the Revised Code;

   (b) A nonprofit institution issued a certificate of
authorization under Chapter 1713. of the Revised Code;

   (c) A private institution exempt from regulation under
Chapter 3332. of the Revised Code, as prescribed in section
3333.046 of the Revised Code;

   (d) An institution of higher education with a certificate of
registration from the state board of career colleges and schools
under Chapter 3332. of the Revised Code.

   (2) "Student financial assistance supported by state funds"
includes assistance granted under sections 3315.33, 3333.12, 3333.122, 3333.125, 3333.21, 3333.26, 3333.28, 3333.372, 3333.391, 5910.03, 5910.032, and 5919.34 of the Revised Code, financed by an award under the choose Ohio first scholarship program established under section 3333.61 of the Revised Code, or financed by an award under the Ohio co-op/internship program established under section 3333.72 of the Revised Code, and any other post-secondary student financial assistance supported by state funds.

(B) An individual who is convicted of, pleads guilty to, or is adjudicated a delinquent child for one of the following violations shall be ineligible to receive any student financial assistance supported by state funds at an institution of higher education for two calendar years from the time the individual applies for assistance of that nature:

(1) A violation of section 2917.02 or 2917.03 of the Revised Code;

(2) A violation of section 2917.04 of the Revised Code that is a misdemeanor of the fourth degree;

(3) A violation of section 2917.13 of the Revised Code that is a misdemeanor of the fourth or first degree and occurs within the proximate area where four or more others are acting in a course of conduct in violation of section 2917.11 of the Revised Code.

(C) If an individual is convicted of, pleads guilty to, or is adjudicated a delinquent child for committing a violation of section 2917.02 or 2917.03 of the Revised Code, and if the individual is enrolled in a state-supported institution of higher education, the institution in which the individual is enrolled shall immediately dismiss the individual. No state-supported institution of higher education shall admit an individual of that nature for one academic year after the individual applies for
admission to a state-supported institution of higher education. This division does not limit or affect the ability of a state-supported institution of higher education to suspend or otherwise discipline its students.

Sec. 3333.61. The chancellor of higher education shall establish and administer the Ohio innovation partnership, which shall consist of the choose Ohio first scholarship program and the Ohio research scholars program. Under the programs program, the chancellor, subject to approval by the controlling board, shall make awards to state universities or colleges for programs and initiatives that recruit students and provide work-based learning opportunities in the fields of science, including health professions, technology, engineering, and mathematics, medicine, and dentistry to state universities or colleges, in order to enhance regional educational and economic strengths and meet the needs of the state's regional economies. Awards may be granted for programs and initiatives to be implemented by a state university or college alone or in collaboration with other state institutions of higher education, nonpublic Ohio universities and colleges, or other public or private Ohio entities.
