One of the members of such combined board of health shall be a physician, and one member shall be an individual appointed by the health district licensing council, if such council is established under section 3709.41 of the Revised Code. The contract may also provide for the representation of areas by one or more members and shall, in such event, specify the territory to be included in each such area.

The appointment of any member of the combined board who is designated by the provisions of the contract to represent a city shall be made by the chief executive and approved by the legislative authority of such city. If a member is designated by the contract to represent more than one city, the member shall be appointed by majority vote of the chief executives of all cities included in any such area. (A) Notwithstanding any action the director of health may take under section 3721.08 of the Revised Code, if the director determines immediate action is necessary to protect resident health or safety because a home has neglected or refused to act with sufficient promptness or efficiency to protect resident health or safety, the director may do either or both of the following before a home is provided notice and an opportunity for a hearing under Chapter 119. of the Revised Code:

(1) Issue orders, including specifying actions that a home must take immediately to address resident health and safety;

(2) Take direct action to protect resident health or safety if the home fails to act on an order issued pursuant to division (A)(1) of this section.

   (a) If the reason for the transfer is due to an environmental condition affecting the home, the director may transfer only those residents directly affected by the environmental condition.

   (b) If the reason for the transfer is due to a clinical condition that affects the entire home, the director may transfer all residents for the lesser of thirty calendar days or until the date that the condition is no longer affecting the home. If the condition persists longer than thirty calendar days, the director shall provide the home a notice regarding the reason for determining that the condition is still affecting the home. The home may request a hearing regarding the notice in accordance with this section.

   (C) Any expenses incurred by a home to comply with an order issued under this section shall be borne by the home.

   If a hearing is conducted in accordance with this section and the director is found to have acted in violation of this section, all reasonable expenses incurred by the home as a result of the director's action shall be reimbursed to the home by the department of health within ninety days after the date that the
final adjudication order is issued.

(D) If a home fails to comply with an order issued under this section, the director shall issue an order imposing a fine of not more than one hundred thousand dollars for each instance of noncompliance. Any fine imposed shall be reasonably commensurate to the harm caused by the home, and the home may request a hearing as to the fine's reasonableness in accordance with this section.

Sec. 3734.57. (A) The following fees are hereby levied on the transfer or disposal of solid wastes in this state:

(1) Ninety cents per ton through June 30, 2022, twenty cents of the proceeds of which shall be deposited in the state
treasury to the credit of the hazardous waste facility management fund created in section 3734.18 of the Revised Code and seventy cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste clean-up fund created in section 3734.28 of the Revised Code;

(2) An additional seventy-five cents per ton through June 30, 2024, the proceeds of which shall be deposited in the state treasury to the credit of the waste management fund created in section 3734.061 of the Revised Code.

(3) An additional two dollars and eighty-five cents per ton through June 30, 2024, the proceeds of which shall be deposited in the state treasury to the credit of the environmental protection fund created in section 3745.015 of the Revised Code;

(4) An additional twenty-five cents per ton through June 30, 2024, the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a transfer facility shall equal the total tonnage of solid wastes received at the facility multiplied by the fees levied under this division. In the case of solid wastes that are not taken to a solid waste transfer facility located in this state prior to being transported to a solid waste disposal facility, the fees shall be collected by the owner or operator of the solid waste disposal facility as a trustee for the state. The amount of fees required to be collected under this division at such a disposal facility shall equal the
total tonnage of solid wastes received at the facility that was
not previously taken to a solid waste transfer facility located in
this state multiplied by the fees levied under this division. Fees
levied under this division do not apply to materials separated
from a mixed waste stream for recycling by a generator or
materials removed from the solid waste stream through recycling,
as "recycling" is defined in rules adopted under section 3734.02
of the Revised Code.

The owner or operator of a solid waste transfer facility or
disposal facility, as applicable, shall prepare and file with the
director of environmental protection each month a return
indicating the total tonnage of solid wastes received at the
facility during that month and the total amount of the fees
required to be collected under this division during that month. In
addition, the owner or operator of a solid waste disposal facility
shall indicate on the return the total tonnage of solid wastes
received from transfer facilities located in this state during
that month for which the fees were required to be collected by the
transfer facilities. The monthly returns shall be filed on a form
prescribed by the director. Not later than thirty days after the
last day of the month to which a return applies, the owner or
operator shall mail to the director the return for that month
together with the fees required to be collected under this
division during that month as indicated on the return or may
submit the return and fees electronically in a manner approved by
the director. If the return is filed and the amount of the fees
due is paid in a timely manner as required in this division, the
owner or operator may retain a discount of three-fourths of one
per cent of the total amount of the fees that are required to be
paid as indicated on the return.

The owner or operator may request an extension of not more
than thirty days for filing the return and remitting the fees,
provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the
director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a
transporter of waste to the facility that would not require or
allow such payment regardless of whether the contract was entered
prior to or after October 16, 2009. For those purposes, "customer"
means a person who contracts with, or utilizes the solid waste
services of, the owner or operator of a solid waste transfer or
disposal facility or a transporter of solid waste to such a
facility.

(B) For the purposes specified in division (G) of this
section, the solid waste management policy committee of a county
or joint solid waste management district may levy fees upon the
following activities:

(1) The disposal at a solid waste disposal facility located
in the district of solid wastes generated within the district;

(2) The disposal at a solid waste disposal facility within
the district of solid wastes generated outside the boundaries of
the district, but inside this state;

(3) The disposal at a solid waste disposal facility within
the district of solid wastes generated outside the boundaries of
this state.

The solid waste management plan of the county or joint
district approved under section 3734.521 or 3734.55 of the Revised
Code and any amendments to it, or the resolution adopted under
this division, as appropriate, shall establish the rates of the
fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis
of tons or cubic yards as the unit of measurement. A solid waste
management district that levies fees under this division on the
basis of cubic yards shall do so in accordance with division (A)
of this section.

The fee levied under division (B)(1) of this section shall be
not less than one dollar per ton nor more than two dollars per
ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the time and location where a public hearing on the fees will be held. Upon adopting the resolution, the committee shall deliver written notice of the adoption of the resolution; of the amount of the proposed fees; and of the date, time, and location of the public hearing to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the largest quantities of solid wastes, as determined by the committee, and to their local trade associations. The committee shall make good faith efforts to identify those generators within the district and their local trade associations, but the nonprovision of notice under this division to a particular generator or local trade association does not invalidate the proceedings under this division. The publication shall occur at least thirty days before the hearing. After the hearing, the committee may make such revisions to the proposed fees as it considers appropriate and thereafter, by resolution, shall adopt the revised fee schedule. Upon adopting the revised fee schedule, the committee shall deliver a copy of the resolution doing so to
the board of county commissioners of each county forming the

district and to the legislative authority of each municipal
corporation and township under the jurisdiction of the district.

Within sixty days after the delivery of a copy of the resolution
adopting the proposed revised fees by the policy committee, each
such board and legislative authority, by ordinance or resolution,
shall approve or disapprove the revised fees and deliver a copy of
the ordinance or resolution to the committee. If any such board or
legislative authority fails to adopt and deliver to the policy
committee an ordinance or resolution approving or disapproving the
revised fees within sixty days after the policy committee
delivered its resolution adopting the proposed revised fees, it
shall be conclusively presumed that the board or legislative
authority has approved the proposed revised fees. The committee
shall determine if the resolution has been ratified in the same
manner in which it determines if a draft solid waste management
plan has been ratified under division (B) of section 3734.55 of
the Revised Code.

The committee may amend the schedule of fees levied pursuant
to a resolution adopted and ratified under this division by
adopting a resolution establishing the proposed amount of the
amended fees. The committee may repeal the fees levied pursuant to
such a resolution by adopting a resolution proposing to repeal
them. Upon adopting such a resolution, the committee shall proceed
to obtain ratification of the resolution in accordance with this
division.

Not later than fourteen days after declaring the new fees to
be ratified or the fees to be repealed under this division, the
committee shall notify by certified mail the owner or operator of
each solid waste disposal facility that is required to collect the
fees of the ratification and the amount of the fees or of the
repeal of the fees. Collection of any fees shall commence or

collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Fees levied under this division also may be established, amended, or repealed by a solid waste management policy committee through the adoption of a new district solid waste management plan, the adoption of an amended plan, or the amendment of the plan or amended plan in accordance with sections 3734.55 and 3734.56 of the Revised Code or the adoption or amendment of a district plan in connection with a change in district composition under section 3734.521 of the Revised Code.

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving
the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the mailing of the notice.
of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public
services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative
authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the combustion of primarily coal, regardless of whether the disposal facility is located on the premises where the wastes are generated;

(c) Are asbestos or asbestos-containing materials or products disposed of at a construction and demolition debris facility that is licensed under Chapter 3714. of the Revised Code or at a solid waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised Code, any fees levied under division (B)(1) of this section apply to solid wastes originating outside the boundaries of a county or joint district that are covered by an agreement for the joint use of solid waste facilities entered into under section 343.02 of the Revised Code by the board of county commissioners or board of directors of the county or joint district where the wastes are generated and disposed of.

(3) When solid wastes, other than solid wastes that consist of scrap tires, are burned in a disposal facility that is an incinerator or energy recovery facility, the fees levied under
divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash remaining after burning of the solid wastes and shall be collected by the owner or operator of the sanitary landfill where the ash is disposed of.

(4) When solid wastes are delivered to a solid waste transfer facility, the fees levied under divisions (B) and (C) of this section shall be levied upon the disposal of solid wastes transported off the premises of the transfer facility for disposal and shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of.

(5) The fees levied under divisions (A), (B), and (C) of this section do not apply to sewage sludge that is generated by a waste water treatment facility holding a national pollutant discharge elimination system permit and that is disposed of through incineration, land application, or composting or at another resource recovery or disposal facility that is not a landfill.

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.
(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a determination that the amount of the fees not received by a solid waste management district as a result of the order will not adversely impact the implementation and financing of the district's approved solid waste management plan and any approved amendments to the plan. Such an order is a final action of the director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other
officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in a similar capacity under a county charter, in a county district or to the county treasurer or other official designated by the board of directors in a joint district and kept in a separate and distinct fund to the credit of the district. If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of that regional authority under division (E) of this section shall be kept by the board in a separate and distinct fund to the credit of the district. Moneys in the special fund of the county or joint district arising from the fees levied under division (B) of this section and the fee levied under division (A) of section 3734.573 of the Revised Code shall be expended by the board of county commissioners or directors of the district in accordance with the district's solid waste management plan or amended plan approved under section 3734.521, 3734.55, or 3734.56 of the Revised Code exclusively for the following purposes:
(1) Preparation of the solid waste management plan of the district under section 3734.54 of the Revised Code, monitoring implementation of the plan, and conducting the periodic review and amendment of the plan required by section 3734.56 of the Revised Code by the solid waste management policy committee;

(2) Implementation of the approved solid waste management plan or amended plan of the district, including, without limitation, the development and implementation of solid waste recycling or reduction programs;

(3) Providing financial assistance to boards of health within the district, if solid waste facilities are located within the district, for enforcement of this chapter and rules, orders, and terms and conditions of permits, licenses, and variances adopted or issued under it, other than the hazardous waste provisions of this chapter and rules adopted and orders and terms and conditions of permits issued under those provisions;

(4) Providing financial assistance to each county within the district to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan or amended plan;

(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;

(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the
district's approved solid waste management plan or amended plan;

(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district;

(10) Payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section. In the case of a joint solid waste management district, if the board of county commissioners of one of the counties in the district is negotiating on behalf of affected communities, as defined in that section, in that county, the board shall obtain the approval of
the board of directors of the district in order to expend moneys for administrative costs incurred.

Prior to the approval of the district's solid waste management plan under section 3734.55 of the Revised Code, moneys in the special fund of the district arising from the fees shall be expended for those purposes in the manner prescribed by the solid waste management policy committee by resolution.

Notwithstanding division (G)(6) of this section as it existed prior to October 29, 1993, or any provision in a district's solid waste management plan prepared in accordance with division (B)(2)(e) of section 3734.53 of the Revised Code as it existed prior to that date, any moneys arising from the fees levied under division (B)(3) of this section prior to January 1, 1994, may be expended for any of the purposes authorized in divisions (G)(1) to (10) of this section.

(H) The director shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing procedures for collecting and forwarding the fees levied under divisions (B) and (C) of this section to the boards of county commissioners or directors of county or joint solid waste management districts and to the treasurers or other officers of municipal corporations and the fiscal officers of townships. The rules also shall prescribe the dates for forwarding the fees to the boards and officials and may prescribe any other requirements the director considers necessary or appropriate to implement and administer divisions (A), (B), and (C) of this section.

Sec. 3734.85. (A) On and after the effective date of the rules adopted under sections 3734.70, 3734.71, 3734.72, and 3734.73 of the Revised Code, the director of environmental protection may take action under this section to abate accumulations of scrap tires. If the director determines that an
accumulation of scrap tires constitutes a danger to the public health or safety or to the environment, the director shall issue an order under section 3734.13 of the Revised Code to the person responsible for the accumulation of scrap tires directing that person, within one hundred twenty days after the issuance of the order, to remove the accumulation of scrap tires from the premises on which it is located and transport the tires to a scrap tire storage, monocell, monofill, or recovery facility licensed under section 3734.81 of the Revised Code, to such a facility in another state operating in compliance with the laws of the state in which it is located, or to any other solid waste disposal facility in another state that is operating in compliance with the laws of that state. If the person responsible for causing the accumulation of scrap tires is a person different from the owner of the land on which the accumulation is located, the director may issue such an order to the landowner.

If the director is unable to ascertain immediately the identity of the person responsible for causing the accumulation of scrap tires, the director shall examine the records of the applicable board of health and law enforcement agencies to ascertain that person's identity. Before initiating any enforcement or removal actions under this division against the owner of the land on which the accumulation is located, the director shall initiate any such actions against the person that the director has identified as responsible for causing the accumulation of scrap tires. Failure of the director to make diligent efforts to ascertain the identity of the person responsible for causing the accumulation of scrap tires or to initiate an action against the person responsible for causing the accumulation shall not constitute an affirmative defense by a landowner to an enforcement action initiated by the director under this division requiring immediate removal of any accumulation of scrap tires.
Upon the written request of the recipient of an order issued under this division, the director may extend the time for compliance with the order if the request demonstrates that the recipient has acted in good faith to comply with the order. If the recipient of an order issued under this division fails to comply with the order within one hundred twenty days after the issuance of the order or, if the time for compliance with the order was so extended, within that time, the director shall take such actions as the director considers reasonable and necessary to remove and properly manage the scrap tires located on the land named in the order. The director, through employees of the environmental protection agency or a contractor, may enter upon the land on which the accumulation of scrap tires is located and remove and transport them to a scrap tire recovery facility for processing, to a scrap tire storage facility for storage, or to a scrap tire monocell or monofill facility for storage or disposal.

The director shall enter into contracts for the storage, disposal, or processing of scrap tires removed through removal operations conducted under this section.

If a person to whom a removal order is issued under this division fails to comply with the order and if the director performs a removal action under this section, the person to whom the removal order is issued is liable to the director for the costs incurred by the director for conducting the removal operation, storage at a scrap tire storage facility, storage or disposal at a scrap tire monocell or monofill facility, or processing of the scrap tires so removed, the transportation of the scrap tires from the site of the accumulation to the scrap tire storage, monocell, monofill, or recovery facility where the scrap tires were stored, disposed of, or processed, and the administrative and legal expenses incurred by the director in connection with the removal operation. The director shall keep an
itemized record of those costs. Upon completion of the actions for which the costs were incurred, the director shall record the costs at the office of the county recorder of the county in which the accumulation of scrap tires was located. The costs so recorded constitute a lien on the property on which the accumulation of scrap tires was located until discharged. Upon the written request of the director, the attorney general shall bring a civil action against the person responsible for the accumulation of the scrap tires that were the subject of the removal operation to recover the costs for which the person is liable under this division. Any money so received or recovered shall be credited to the scrap tire management fund created in section 3734.82 of the Revised Code.

If, in a civil action brought under this division, an owner of real property is ordered to pay to the director the costs of a removal action that removed an accumulation of scrap tires from the person's land or if a lien is placed on the person's land for the costs of such a removal action, and, in either case, if the landowner was not the person responsible for causing the accumulation of scrap tires so removed, the landowner may bring a civil action against the person who was responsible for causing the accumulation to recover the amount of the removal costs that the court ordered the landowner to pay to the director or the amount of the removal costs certified to the county recorder as a lien on the landowner's property, whichever is applicable. If the landowner prevails in the civil action against the person who was responsible for causing the accumulation of scrap tires, the court, as it considers appropriate, may award to the landowner the reasonable attorney's fees incurred by the landowner for bringing the action, court costs, and other reasonable expenses incurred by the landowner in connection with the civil action. A landowner shall bring such a civil action within two years after making the final payment of the removal costs to the director pursuant to the judgment rendered against the landowner in the civil action.
brought under this division upon the director's request or within two years after the director certified the costs of the removal action to the county recorder, as appropriate. A person who, at the time that a removal action was conducted under this division, owned the land on which the removal action was performed may bring an action under this division to recover the costs of the removal action from the person responsible for causing the accumulation of scrap tires so removed regardless of whether the person owns the land at the time of bringing the action.

Subject to the limitations set forth in division (G) of section 3734.82 of the Revised Code, the director may use moneys in the scrap tire management fund for conducting removal actions under this division. Any moneys recovered under this division shall be credited to the scrap tire management fund.

(B) The director shall initiate enforcement and removal actions under division (A) of this section in accordance with the following descending listing of priorities:

(1) Accumulations of scrap tires that the director finds constitute a fire hazard or threat to public health;

(2) Accumulations of scrap tires determined by the director to contain more than one million scrap tires;

(3) Accumulations of scrap tires in densely populated areas;

(4) Other accumulations of scrap tires that the director or board of health of the health district in which the accumulation is located determines constitute a public nuisance;

(5) Any other accumulations of scrap tires present on premises operating without a valid license issued under section 3734.05 or 3734.81 of the Revised Code.

(C) The director shall not take enforcement and removal actions under division (A) of this section against the owner or
operator of, or the owner of the land on which is located, any of the following:

(1) A premises where not more than one hundred scrap tires are present at any time;

(2) The premises of a business engaging in the sale of tires at retail that meets either of the following criteria:
   (a) Not more than one thousand scrap tires are present on the premises at any time in an unsecured, uncovered outdoor location.
   (b) Any number of scrap tires are secured in a building or a covered, enclosed container, trailer, or installation.

(3) The premises of a tire retreading business, a tire manufacturing finishing center, or a tire adjustment center on which is located a single, covered scrap tire storage area where not more than four thousand scrap tires are stored;

(4) The premises of a business that removes tires from motor vehicles in the ordinary course of business and on which is located a single scrap tire storage area that occupies not more than twenty-five hundred square feet;

(5) A solid waste facility licensed under section 3734.05 of the Revised Code that stores scrap tires on the surface of the ground if the total land area on which scrap tires are actually stored does not exceed ten thousand square feet;

(6) A premises where not more than two hundred fifty scrap tires are stored or kept for agricultural use;

(7) A construction site where scrap tires are stored for use or used in road resurfacing or the construction of embankments;

(8) A scrap tire collection, storage, monocell, monofill, or recovery facility licensed under section 3734.81 of the Revised Code;

(9) A solid waste incineration or energy recovery facility
that is subject to regulation under this chapter and that burns scrap tires;

(10) A premises where scrap tires are beneficially used and for which the notice required by rules adopted under section 3734.84 of the Revised Code has been given;

(11) A transporter registered under section 3734.83 of the Revised Code that collects and holds scrap tires in a covered trailer or vehicle for not longer than thirty days prior to transporting them to their final destination.

(D) Nothing in this section restricts any right any person may have under statute or common law to enforce or seek enforcement of any law applicable to the management of scrap tires, abate a nuisance, or seek any other appropriate relief.

(E) An owner of real property upon which there is located an accumulation of not more than five thousand scrap tires is not liable under division (A) of this section for the cost of the removal of the up to ten thousand scrap tires on the owner's property, or more at the director's discretion, and no lien shall attach to the property under this section, if all of the following conditions are met:

(1) The tires were placed on the property after the owner acquired title to the property, or the tires were placed on the property before the owner acquired title to the property and the owner acquired title to the property by bequest or devise.

(2) The owner of the property did not have knowledge that the tires were being placed on the property, or the owner posted on the property signs prohibiting dumping or took other action to prevent the placing of tires on the property.

(3) The owner of the property did not participate in or consent to the placing of the tires on the property.
(4) The owner of the property received no financial benefit from the placing of the tires on the property or otherwise having the tires on the property.

(5) Title to the property was not transferred to the owner for the purpose of evading liability under division (A) of this section.

(6) The person responsible for placing the tires on the property, in doing so, was not acting as an agent for the owner of the property.

Sec. 3734.901. (A)(1) For the purpose of providing revenue to defray the cost of administering and enforcing the scrap tire provisions of this chapter, rules adopted under those provisions, and terms and conditions of orders, variances, and licenses issued under those provisions; to abate accumulations of scrap tires; to make grants supporting market development activities for scrap tires and synthetic rubber from tire manufacturing processes and tire recycling processes and to support scrap tire amnesty and cleanup events; to make loans to promote the recycling or recovery of energy from scrap tires; and to defray the costs of administering and enforcing sections 3734.90 to 3734.9014 of the Revised Code, a fee of fifty cents per tire is hereby levied on the sale of tires. The proceeds of the fee shall be deposited in the state treasury to the credit of the scrap tire management fund created in section 3734.82 of the Revised Code. The fee is levied from the first day of the calendar month that begins next after thirty days from October 29, 1993, through June 30, 2024.

(2) Beginning on July 1, 2011, and ending on June 30, 2024, there is hereby levied an additional fee of fifty cents per tire on the sale of tires the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section
940.15 of the Revised Code.

(B) Only one sale of the same article shall be used in computing the amount of the fee due.

Sec. 3737.17. (A) As used in this section, a "qualifying small government" means any of the following:

Sec. 3741.14. (A) Each filling station offering self-service shall be operated in accordance with the most recent version of the national fire protection association standard number 30A-1990, as that standard is incorporated into the fire code adopted by the state fire marshal in accordance with section 3737.82 of the Revised Code, and the provisions of the "Occupational Safety and Health Act of 1970," 84 Stat. 1590, 5 U.S.C.A. 5108, and any amendments thereto and standards adopted thereunder.

(B) The fire marshal shall adopt, as part of the state fire code, rules governing the equipment, operation, and maintenance of filling stations. The rules shall be such as are necessary for the protection of the persons and property of the public, but shall require as a minimum that:

(2) A sign, in block letters at least four inches in height, be conspicuously displayed on each gasoline pump island where self-service is offered stating that it is a self-service island;

(3) Signs giving instructions for the operation of gasoline dispensing equipment, in block letters, be conspicuously posted at each filling station offering self-service;
(4) A sign bearing the following words in block letters be conspicuously posted on each gasoline pump island where self-service is offered:

(D) Nothing in this section shall be interpreted to prohibit the fire marshal from adopting reasonable rules governing the safety of self-service flammable or combustible liquid dispensing equipment.

Sec. 3742.11. (A) As used in this section, "renovation, repair, and painting rule" means the rule adopted by the United States environmental protection agency pursuant to the "Toxic Substances Control Act of 1978," 15 U.S.C. 2601.

(B) The director of health may enter into agreements with the
United States environmental protection agency for the
administration and enforcement of the renovation, repair, and
painting rule. The director also may accept available assistance
in support of any agreement.

(C) The director may adopt rules in accordance with Chapter
119. of the Revised Code for the administration and enforcement of
this section. If the director adopts such rules, the director
shall specify all of the following in the rules:

section;

(3) Requirements for training and certification, which must
include levels of training and periodic refresher training for
certifications issued under this section;

this section, including specific training course requirements;

(8) Any other procedures and requirements that the director
determines necessary for the implementation of this section.
Sec. 3745.014. There is hereby created in the state treasury the central support indirect fund, which shall be administered by the director of environmental protection. Money credited to the fund shall be used for administrative costs of the environmental protection agency. The director may assess any operating funds from which the agency receives appropriations, except the central support indirect fund, for a share of the administrative costs of the agency. The amounts assessed shall be transferred to the central support indirect fund by means of intrastate transfer vouchers. The director, with the approval of the director of budget and management, shall determine the rate of assessments.

Sec. 3745.11. (A) Applicants for and holders of permits, licenses, variances, plan approvals, and certifications issued by the director of environmental protection pursuant to Chapters 3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee to the environmental protection agency for each such issuance and each application for an issuance as provided by this section. No fee shall be charged for any issuance for which no application has been submitted to the director.

(B) Except as otherwise provided in division (C)(2) of this section, beginning July 1, 1994, each person who owns or operates an air contaminant source and who is required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay the fees set forth in this division. For the purposes of this division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.

The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides,
organic compounds, and lead:

(1) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;

(2) Twenty dollars per ton on the total actual emissions of each such regulated pollutant during calendar year 1994, to be collected no sooner than April 15, 1995;

(3) Twenty-five dollars per ton on the total actual emissions of each such regulated pollutant in calendar year 1995, and each subsequent calendar year, to be collected no sooner than the fifteenth day of April of the year next succeeding the calendar year in which the emissions occurred.

The fees levied under this division do not apply to that portion of the emissions of a regulated pollutant at a facility that exceed four thousand tons during a calendar year.

(C)(1) The fees assessed under division (B) of this section are for the purpose of providing funding for the Title V permit program.

(2) The fees assessed under division (B) of this section do not apply to emissions from any electric generating unit designated as a Phase I unit under Title IV of the federal Clean Air Act prior to calendar year 2000. Those fees shall be assessed on the emissions from such a generating unit commencing in calendar year 2001 based upon the total actual emissions from the generating unit during calendar year 2000 and shall continue to be assessed each subsequent calendar year based on the total actual emissions from the generating unit during the preceding calendar year.

(3) The director shall issue invoices to owners or operators of air contaminant sources who are required to pay a fee assessed under division (B) or (D) of this section. Any such invoice shall...
be issued no sooner than the applicable date when the fee first may be collected in a year under the applicable division, shall identify the nature and amount of the fee assessed, and shall indicate that the fee is required to be paid within thirty days after the issuance of the invoice.

(D)(1) Except as provided in division (D)(3) of this section, from January 1, 1994, through December 31, 2003, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

(D)(2) Except as provided in division (D)(3) of this section, beginning January 1, 2004, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, 2022, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

(4) The fees assessed under division (D)(1) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. (3) The fees assessed under division (D)(2) of this section shall be collected annually no sooner than the fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:
(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

(F) Each person who is issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code on or after July 1, 2003, shall pay the fees specified in the following schedules:

(1) Fuel-burning equipment (boilers, furnaces, or process heaters used in the process of burning fuel for the primary purpose of producing heat or power by indirect heat transfer)

A combustion turbine or stationary internal combustion engine designed to generate electricity shall be assessed a fee established in division (F)(2) of this section.

(b) Notwithstanding division (F)(4)(a) of this section, any person issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code shall pay the fees set forth in division (F)(4)(c) of this section for a process
used in any of the following industries, as identified by the applicable two-digit, three-digit, or four-digit standard industrial classification code according to the Standard Industrial Classification Manual published by the United States office of management and budget in the executive office of the president, 1987, as revised:

For purposes of this division, "unit" means any combination of linear feet or square feet equal to fifty.

(H) A person who is issued an extension of time for a permit to install an air contaminant source pursuant to rules adopted...
under division (F) of section 3704.03 of the Revised Code shall pay a fee equal to one-half the fee originally assessed for the permit to install under this section, except that the fee for such an extension shall not exceed two hundred dollars.

(I) A person who is issued a modification to a permit to install an air contaminant source pursuant to rules adopted under section 3704.03 of the Revised Code shall pay a fee equal to one-half of the fee that would be assessed under this section to obtain a permit to install the source. The fee assessed by this division only applies to modifications that are initiated by the owner or operator of the source and shall not exceed two thousand dollars.

(J) Notwithstanding division (F) of this section, a person who applies for or obtains a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code after the date actual construction of the source began shall pay a fee for the permit to install that is equal to twice the fee that otherwise would be assessed under the applicable division unless the applicant received authorization to begin construction under division (W) of section 3704.03 of the Revised Code. This division only applies to sources for which actual construction of the source begins on or after July 1, 1993. The imposition or payment of the fee established in this division does not preclude the director from taking any administrative or judicial enforcement action under this chapter, Chapter 3704., 3714., 3734., or 6111. of the Revised Code, or a rule adopted under any of them, in connection with a violation of rules adopted under division (F) of section 3704.03 of the Revised Code.

As used in this division, "actual construction of the source" means the initiation of physical on-site construction activities in connection with improvements to the source that are permanent in nature, including, without limitation, the installation of
building supports and foundations and the laying of underground pipework.

(K)(1) Money received under division (B) of this section shall be deposited in the state treasury to the credit of the Title V clean air fund created in section 3704.035 of the Revised Code. Annually, not more than fifty cents per ton of each fee assessed under division (B) of this section on actual emissions from a source and received by the environmental protection agency pursuant to that division may be transferred by the director using an interstate transfer voucher to the state treasury to the credit of the small business assistance fund created in section 3706.19 of the Revised Code. In addition, annually, the amount of money necessary for the operation of the office of ombudsperson as determined under division (B) of that section shall be transferred to the state treasury to the credit of the small business ombudsperson fund created by that section.

(2) Money received by the agency pursuant to divisions (D), (F), (G), (H), (I), and (J) of this section shall be deposited in the state treasury to the credit of the non-Title V clean air fund created in section 3704.035 of the Revised Code.

(L)(1) A person applying for a plan approval for a wastewater treatment works pursuant to section 6111.44, 6111.45, or 6111.46 of the Revised Code shall pay a nonrefundable fee of one hundred dollars plus sixty-five one-hundredths of one per cent of the estimated project cost through June 30, 2024, and a nonrefundable application fee of one hundred dollars plus two-tenths of one per cent of the estimated project cost on and after July 1, 2024, except that the total fee shall not exceed fifteen thousand dollars through June 30, 2024, and five thousand dollars on and after July 1, 2024. The fee shall be paid at the time the application is submitted.

(2) A person who has entered into an agreement with the
director under section 6111.14 of the Revised Code shall pay an
administrative service fee for each plan submitted under that
section for approval that shall not exceed the minimum amount
necessary to pay administrative costs directly attributable to
processing plan approvals. The director annually shall calculate
the fee and shall notify all persons who have entered into
agreements under that section, or who have applied for agreements,
of the amount of the fee.

(3)(a)(i) Not later than January 30, 2020, and January
30, 2021, a person holding an NPDES discharge permit issued
pursuant to Chapter 6111. of the Revised Code with an average
daily discharge flow of five thousand gallons or more shall pay a
nonrefundable annual discharge fee. Any person who fails to pay
the fee at that time shall pay an additional amount that equals
ten per cent of the required annual discharge fee.

(ii) The billing year for the annual discharge fee
established in division (L)(3)(a)(i) of this section shall consist
of a twelve-month period beginning on the first day of January of
the year preceding the date when the annual discharge fee is due.
In the case of an existing source that permanently ceases to
discharge during a billing year, the director shall reduce the
annual discharge fee, including the surcharge applicable to
certain industrial facilities pursuant to division (L)(3)(c) of
this section, by one-twelfth for each full month during the
billing year that the source was not discharging, but only if the
person holding the NPDES discharge permit for the source notifies
the director in writing, not later than the first day of October
of the billing year, of the circumstances causing the cessation of
discharge.

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4)
of this section, each sewage sludge facility shall pay a
nonrefundable annual sludge fee equal to three dollars and fifty
cents per dry ton of sewage sludge, including the dry tons of
sewage sludge in materials derived from sewage sludge, that the
sewage sludge facility treats or disposes of in this state. The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following exceptions:

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of exceptional quality sludge shall not be required to pay the annual sludge fee for treatment or disposal in this state of exceptional quality sludge generated outside of this state and contained in bags or other containers not greater than one hundred pounds in capacity.

A thirty-five per cent reduction for exceptional quality sludge applies to the maximum annual fees established under division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been
transferred. In such a case, the sewage sludge facility that

40020

disposes of the sewage sludge shall pay the annual sludge fee.

40021

However, the facility transferring the sewage sludge shall pay the

40022

one-hundred-dollar minimum fee required under division (Y)(2)(a)

40023

of this section.

40024

In the case of a sewage sludge facility that treats sewage

40025

sludge in this state and transfers it out of this state to another

40026

entity for disposal, the sewage sludge facility in this state

40027

shall be required to pay the annual sludge fee for the tons of

40028

sewage sludge that have been transferred.

40029

(d) A sewage sludge facility that generates sewage sludge

40030

resulting from an average daily discharge flow of less than five

40031

thousand gallons per day is not subject to the fees assessed under

40032

division (Y) of this section.

40033

(3) No sewage sludge facility required to pay the annual

40034

sludge fee shall be required to pay more than the maximum annual

40035

fee for each disposal method that the sewage sludge facility uses.

40036

The maximum annual fee does not include the additional amount that

40037

may be charged under division (Y)(5) of this section for late

40038

payment of the annual sludge fee. The maximum annual fee for the

40039

following methods of disposal of sewage sludge is as follows:

40040

(a) Incineration: five thousand dollars;

40041

(b) Preexisting land reclamation project or disposal in a

40042

landfill: five thousand dollars;

40043

(c) Land application, land reclamation, surface disposal, or

40044

any other disposal method not specified in division (Y)(3)(a) or

40045

(b) of this section: twenty thousand dollars.

40046

(4)(a) In the case of an entity that generates sewage sludge

40047

or a sewage sludge facility that treats sewage sludge and

40048

transfers the sewage sludge to an incineration facility for

40049

disposal, the incineration facility, and not the entity generating

40050
the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of sewage sludge that are transferred. However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter
119. of the Revised Code.

   Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

   Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

(6) The director shall transmit all moneys collected under division (Y) of this section to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code. The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.
If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. The issuance of an order under this division is not an act or action for purposes of section 3745.04 of the Revised Code.

Sec. 3746.04. Within one year after September 28, 1994, the
The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt, and subsequently may amend, suspend, or rescind, rules that do both of the following:

(A) Revise the rules adopted under Chapters 3704., 3714., 3734., 6109., and 6111. of the Revised Code to incorporate the provisions necessary to conform those rules to the requirements of this chapter. The amended rules adopted under this division also shall establish response times for all submittals to the environmental protection agency required under this chapter or rules adopted under it.

(B) Establish requirements and procedures that are reasonably necessary for the implementation and administration of this chapter, including, without limitation, all of the following:

(1) Appropriate generic numerical clean-up standards for the treatment or removal of soils, sediments, and water media for hazardous substances and petroleum. The rules shall establish separate generic numerical clean-up standards based upon the intended use of properties after the completion of voluntary actions, including industrial, commercial, and residential uses and such other categories of land use as the director considers to be appropriate. The generic numerical clean-up standards established for each category of land use shall be the concentration of each contaminant that may be present on a property that shall ensure protection of public health and safety and the environment for the reasonable exposure for that category of land use. When developing the standards, the director shall consider such factors as all of the following:

(a) Scientific information, including, without limitation, toxicological information and realistic assumptions regarding human and environmental exposure to hazardous substances or petroleum;
(b) Climatic factors;

c) Human activity patterns;

d) Current statistical techniques;

e) For petroleum at industrial property, alternatives to the use of total petroleum hydrocarbons.

In order for the rules adopted under division (B)(1) of this section to require that any such federal environmental standard apply to a property, the property shall meet the requirements of the particular federal statute or regulation involved in the manner specified by the statute or regulation.

The generic numerical clean-up standards for petroleum at commercial or residential property shall be the standards established in rules adopted under division (B) of section 3737.882 of the Revised Code.

(2)(a) Procedures for performing property-specific risk assessments that would be performed at a property to demonstrate that the remedy evaluated in a risk assessment results in
protection of public health and safety and the environment instead of complying with the generic numerical clean-up standards established in the rules adopted under division (B)(1) of this section. The risk assessment procedures shall describe a methodology to establish, on a property-specific basis, allowable levels of contamination to remain at a property to ensure protection of public health and safety and the environment on the property and off the property when the contamination is emanating off the property, taking into account all of the following:

(i) The implementation of treatment, storage, or disposal, or a combination thereof, of hazardous substances or petroleum;

(ii) The existence of institutional controls or activity and use limitations that eliminate or mitigate exposure to hazardous substances or petroleum through the restriction of access to hazardous substances or petroleum;

(iii) The existence of engineering controls that eliminate or mitigate exposure to hazardous substances or petroleum through containment of, control of, or restrictions of access to hazardous substances or petroleum, including, without limitation, fences, cap systems, cover systems, and landscaping.

(b) The risk assessment procedures and levels of acceptable risk set forth in the rules adopted under division (B)(2) of this section shall be based upon all of the following:

(ii) Locational and climatic factors;

(iii) Surrounding land use and human activities;

(iv) Differing levels of remediation that may be required when an existing land use is continued compared to when a
different land use follows the remediation.

(c) Any standards established pursuant to rules adopted under division (B)(2) of this section shall be no more stringent than standards established under the environmental statutes of this state and rules adopted under them for the same contaminant in the same environmental medium that are in effect at the time the risk assessment is conducted.

(3) Minimum standards for phase I property assessments. The standards shall specify the information needed to demonstrate that there is no reason to believe that contamination exists on a property. The rules adopted under division (B)(3) of this section, at a minimum, shall require that a phase I property assessment include all of the following:

(a) A review and analysis of deeds, mortgages, easements of record, and similar documents relating to the chain of title to the property that are publicly available or that are known to and reasonably available to the owner or operator;

(b) A review and analysis of any previous environmental assessments, property assessments, environmental studies, or geologic studies of the property and any land within two thousand feet of the boundaries of the property that are publicly available or that are known to and reasonably available to the owner or operator;

(c) A review of current and past environmental compliance histories of persons who owned or operated the property;

(d) A review of aerial photographs of the property that indicate prior uses of the property;

(e) Interviews with managers of activities conducted at the property who have knowledge of environmental conditions at the property;
(f) Conducting an inspection of the property consisting of a walkover;

(g) Identifying the current and past uses of the property, adjoining tracts of land, and the area surrounding the property, including, without limitation, interviews with persons who reside or have resided, or who are or were employed, within the area surrounding the property regarding the current and past uses of the property and adjacent tracts of land.

The rules adopted under division (B)(3) of this section shall establish criteria to determine when a phase II property assessment shall be conducted when a phase I property assessment reveals facts that establish a reason to believe that hazardous substances or petroleum have been treated, stored, managed, or disposed of on the property if the person undertaking the phase I property assessment wishes to obtain a covenant not to sue under section 3746.12 of the Revised Code.

(4) Minimum standards for phase II property assessments. The standards shall specify the information needed to demonstrate that any contamination present at the property does not exceed applicable standards or that the remedial activities conducted at the property have achieved compliance with applicable standards. The rules adopted under division (B)(4) of this section, at a minimum, shall require that a phase II property assessment include all of the following:

(a) A review and analysis of all documentation prepared in connection with a phase I property assessment conducted within the one hundred eighty days before the phase II property assessment begins. The rules adopted under division (B)(4)(a) of this section shall require that if a period of more than one hundred eighty days has passed between the time that the phase I assessment of the property was completed and the phase II assessment begins, the phase II assessment shall include a reasonable inquiry into the
change in the environmental condition of the property during the intervening period.

(b) Quality assurance objectives for measurements taken in connection with a phase II assessment;

c) Sampling procedures to ensure the representative sampling of potentially contaminated environmental media;

d) Quality assurance and quality control requirements for samples collected in connection with phase II assessments;

e) Analytical and data assessment procedures;

(f) Data objectives to ensure that samples collected in connection with phase II assessments are biased toward areas where information indicates that contamination by hazardous substances or petroleum is likely to exist.

(5) Standards governing the conduct of certified professionals, criteria and procedures for the certification of professionals to issue no further action letters under section 3746.11 of the Revised Code, and criteria for the suspension and revocation of those certifications. The director shall take an action regarding a certification as a final action. The issuance, denial, renewal, suspension, and revocation of those certifications are subject to Chapter 3745. of the Revised Code, except that, in lieu of publishing an action regarding a certification in a newspaper of general circulation as required in section 3745.07 of the Revised Code, such an action shall be published on the environmental protection agency's web site and in the agency's weekly review not later than fifteen days after the date of the issuance, denial, renewal, suspension, or revocation of the certification and not later than thirty days before a hearing or public meeting concerning the action.

The rules adopted under division (B)(5) of this section shall do all of the following:
(a) Provide for the certification of environmental professionals to issue no further action letters pertaining to investigations and remedies in accordance with the criteria and procedures set forth in the rules. The rules adopted under division (B)(5)(a) of this section shall do at least all of the following:

(i) Authorize the director to consider such factors as an environmental professional's previous performance record regarding such investigations and remedies and the environmental professional's environmental compliance history when determining whether to certify the environmental professional;

(ii) Ensure that an application for certification is reviewed in a timely manner;

(iii) Require the director to certify any environmental professional who the director determines complies with those criteria;

(iv) Require the director to deny certification for any environmental professional who does not comply with those criteria.

(b) Establish an annual fee to be paid by environmental professionals certified pursuant to the rules adopted under division (B)(5)(a) of this section. The fee shall be established at an amount calculated to defray the costs to the agency for the required reviews of the qualifications of environmental professionals for certification and for the issuance of the certifications.

(c) Develop a schedule for and establish requirements governing the review by the director of the credentials of environmental professionals who were deemed to be certified under division (D) of section 3746.07 of the Revised Code before the effective date of this amendment in order to
determine if they comply with the criteria established in rules adopted under division (B)(5) of this section. The rules adopted under division (B)(5)(c) of this section shall do at least all of the following:

(i) Ensure that the review is conducted in a timely fashion;

(ii) Require the director to certify any such environmental professional who the director determines complies with those criteria;

(iii) Require any such environmental professional initially to pay the fee established in the rules adopted under division (B)(5)(b) of this section at the time that the environmental professional is so certified by the director;

(iv) Establish a time period within which any such environmental professional who does not comply with those criteria may obtain the credentials that are necessary for certification;

(v) Require the director to deny certification for any such environmental professional who does not comply with those criteria and who fails to obtain the necessary credentials within the established time period.

(d) Require that any information submitted to the director for the purposes of the rules adopted under division (B)(5)(a) or (c) of this section comply with division (A) of section 3746.20 of the Revised Code;

(e) Authorize the director to suspend or revoke the certification of an environmental professional if the director finds that the environmental professional's performance has resulted in the issuance of no further action letters under section 3746.11 of the Revised Code that are not consistent with applicable standards or finds that the certified environmental professional has not substantially complied with section 3746.31 of the Revised Code;
(f) Authorize the director to suspend for a period of not more than five years or to permanently revoke a certified environmental professional's certification for any violation of or failure to comply with an ethical standard established in rules adopted under division (B)(5) of this section;

(g) Require the director to revoke the certification of an environmental professional if the director finds that the environmental professional falsified any information on the environmental professional's application for certification regarding the environmental professional's credentials or qualifications or any other information generated for the purposes of or use under this chapter or rules adopted under it;

(h) Require the director permanently to revoke the certification of an environmental professional who has violated or is violating division (A) of section 3746.18 of the Revised Code;

source, if known, and their levels prior to remediation;

(d) The identity of any other person who performed work to support the request for the no further action letter as provided in division (B)(2) of section 3746.10 of the Revised Code and the nature and scope of the work performed by that person;

(c) Negotiating, preparing, and entering into agreements necessary for the implementation and administration of this chapter and rules adopted under it;

(d) Reviewing no further action letters, issuing covenants not to sue, and monitoring compliance with any terms and conditions of those covenants and with operation and maintenance agreements entered into pursuant to those covenants, including, without limitation, conducting audits of properties where voluntary actions are being or were conducted under this chapter and rules adopted under it.

The fees established pursuant to the rules adopted under division (B)(8) of this section shall be at a level sufficient to defray the direct and indirect costs incurred by the
agency for the administration and enforcement of this chapter and 
rules adopted under it other than the provisions regarding the 
certification of professionals and laboratories.

(9)(8) Criteria for selecting the no further action letters

(b) The letter was submitted fraudulently;

(c) The letter was prepared by a certified environmental 
professional whose certification subsequently was revoked in 
accordance with rules adopted under division (B)(5) of this 
section, or analyses were performed for the purposes of the no

date of this amendment or a laboratory that is not an accredited 
laboratory;

(d) A covenant not to sue that was issued pursuant to the 
letter was revoked under this chapter;

pursuant to a risk assessment in accordance with rules adopted
under division (B)(2) of this section;

(f) The letter was for a voluntary action that included as remedial activities engineering controls or institutional controls or activity and use limitations authorized under section 3746.05 of the Revised Code.

The rules adopted under division (B)(9)(B)(8) of this section shall provide for random audits of no further action letters to which the rules adopted under divisions (B)(9)(a)-(B)(8)(a) to (f) of this section do not apply.

(10) A classification system to characterize ground water according to its capability to be used for human use and its impact on the environment and a methodology that shall be used to determine when ground water that has become contaminated from sources on a property for which a covenant not to sue is requested under section 3746.11 of the Revised Code shall be remediated to the standards established in the rules adopted under division (B)(1) or (2) of this section.

(a) In adopting rules under division (B)(10)(B)(9) of this section to characterize ground water according to its capability for human use, the director shall consider all of the following:

(iv) Regional availability of ground water and reasonable alternative sources of drinking water;

(v) The productivity of the aquifer;

(vi) The presence of restrictions on the use of ground water
implemented under this chapter and rules adopted under it;

(i) The risks posed to humans, fauna, surface water, sediments, soil, air, and other resources by the continuing presence of contaminated ground water;

(ii) The availability and feasibility of technology to remedy ground water contamination.

(11)(10) Governing the application for and issuance of variances under section 3746.09 of the Revised Code;

(12)(a)-(11)(a) In the case of voluntary actions involving contaminated ground water, specifying the circumstances under which the generic numerical clean-up standards established in rules adopted under division (B)(1) of this section and standards established through a risk assessment conducted pursuant to rules adopted under division (B)(2) of this section shall be inapplicable to the remediation of contaminated ground water and under which the standards for remediating contaminated ground water shall be established on a case-by-case basis prior to the commencement of the voluntary action pursuant to rules adopted under division (B)(12)(b)-(B)(11)(b) of this section;

(b) Criteria and procedures for the case-by-case establishment of standards for the remediation of contaminated ground water under circumstances in which the use of the generic numerical clean-up standards and standards established through a risk assessment are precluded by the rules adopted under division (B)(12)(a)-(B)(11)(a) of this section. The rules governing the procedures for the case-by-case development of standards for the
remediation of contaminated ground water shall establish application, public participation, adjudication, and appeals requirements and procedures that are equivalent to the requirements and procedures established in section 3746.09 of the Revised Code and rules adopted under division (B)(11)(B)(10) of this section, except that the procedural rules shall not require an applicant to make the demonstrations set forth in divisions (A)(1) to (3) of section 3746.09 of the Revised Code.

Sec. 3746.10. (A) Except as otherwise provided in section 3746.02 of the Revised Code, any person may undertake a voluntary action under this chapter and rules adopted under it to identify and address potential sources of contamination by hazardous substances or petroleum of soil, sediments, surface water, or ground water on or underlying property and to establish that the property meets applicable standards. The voluntary action may include any one or more of the following elements:

(1) A phase I property assessment conducted in accordance with rules adopted under division (B)(3) of section 3746.04 of the Revised Code or division (B) of section 3746.07 of the Revised Code, as appropriate;

(3) A sampling plan;
(4) A remediation plan;
(5) Remedial activities;
(6) Such other activities as the person undertaking the voluntary action considers to be necessary or appropriate to address the contamination.

When the person undertaking a voluntary action determines that the property meets applicable standards, the person may seek a no further action letter from a certified professional. A no further action letter may be issued for the property at any stage of the identification of potential hazardous substance or petroleum contamination or remedial activities after a phase I or II property assessment has demonstrated that there is no reason to believe that there has been a release of hazardous substances or petroleum at or upon the property, that information indicates that there has been a release of hazardous substances or petroleum at or upon the property, but that the release is not in excess of applicable standards, or that if there has been such a release in excess of applicable standards, those standards have been achieved through remedial activities or will be achieved in accordance with the timeframes established in an operation and maintenance agreement entered into under division (A)(3) of section 3746.12 of the Revised Code or in such an agreement and a consolidated standards permit issued under section 3746.15 of the Revised Code.

(B)(1) A person who is participating in the voluntary action program under this chapter and rules adopted under it shall do both of the following:

(a) Utilize the services of a certified laboratory to perform any analyses that form the basis for the issuance of a no further action letter for a property and ensure that a laboratory performs in connection with a voluntary action only those analyses for which it is certified under rules adopted
under division (B)(6) of section 3746.04 of the Revised Code or for which it is qualified prior to the adoption of those rules accredited;

(b) Utilize the services of a certified professional to verify that the property and any remedial activities undertaken at the property in connection with a voluntary action comply with applicable standards and, if those standards are met, to issue to the person a no further action letter for the property. For the purposes of such a verification, the certified professional shall perform and review all work that was conducted to support the request for the no further action letter or shall ensure that the work has been performed and reviewed by other persons with expertise and competence in areas other than those of the certified professional's expertise and competence as necessary for the issuance of the no further action letter.

(2) No person who is participating in the voluntary action program shall do any of the following:

(a) If the person also is a certified professional, prepare a no further action letter in connection with a voluntary action conducted at a property that the certified professional owns or operates;

(b) Utilize the services of a certified professional who is employed by, affiliated with, or related to the participant or who was employed by or affiliated with the participant during the year preceding the date that the participant entered into the contract to utilize the services of the certified professional in connection with the voluntary action;

(c) Utilize the services of a certified or accredited laboratory that is owned by or affiliated with the participant, that is owned by a person related to the participant, or that was owned by or affiliated with the participant during the year.
preceding the date that the participant entered into the contract to utilize the services of the certified accredited laboratory in connection with the voluntary action, to perform any analyses that form the basis for the issuance of a no further action letter in connection with a voluntary action.

A covenant not to sue issued under section 3746.12 of the Revised Code to a person who violated division (B)(2)(a), (b), or (c) of this section with respect to the no further action letter upon which issuance of the covenant was based is void.

Except as otherwise provided in division (B)(2) of this section, a person who is participating in the voluntary action program may utilize an independent contractor to serve as a certified professional or certified accredited laboratory.

(C) In order to obtain a no further action letter, a person undertaking a voluntary action shall submit to a certified professional all of the following, as applicable:

1) Information demonstrating that there is no contamination by hazardous substances or petroleum of soil, sediments, surface water, or ground water on or underlying the property in concentrations exceeding applicable standards. The demonstrations shall be based upon the findings of a phase I or phase II property assessment.

2) If remedial activities were conducted in connection with the voluntary action, data demonstrating that the remedy meets applicable standards or will achieve applicable standards in accordance with the timeframes established in an operation and maintenance agreement entered into under division (A)(3) of section 3746.12 of the Revised Code or in such an agreement and a consolidated standards permit issued under section 3746.15 of the Revised Code;

3)(a) If the remedy relies on institutional controls or
restrictions on the use of the property to achieve applicable standards, a demonstration that the institutional controls or the use restrictions have been recorded in the office of the county recorder of the county in which the property is located, or have been entered in the appropriate register for registered land as defined in section 5309.01 of the Revised Code, in compliance with section 3746.14 of the Revised Code;

(b) If the person undertaking a voluntary action seeks to obtain a covenant not to sue and if the remedy relies on activity and use limitations to achieve applicable standards, a demonstration that the activity and use limitations have been developed in accordance with this chapter and rules adopted under it and are contained in a proposed environmental covenant that meets the requirements established in section 5301.82 of the Revised Code.

(4) If the remedy relies on engineering controls that contain or control the release of hazardous substances or petroleum at or from the property, a plan for the proper operation and maintenance of the engineering controls.

(D) Except as otherwise specifically provided in this chapter and rules adopted under it, voluntary actions under this chapter and rules adopted under it shall be undertaken in compliance with all applicable laws of this state and rules adopted under them and with applicable ordinances, resolutions, and rules of political subdivisions of this state.

Sec. 3746.11. (A) After receiving the demonstrations and operation and maintenance plan, if any, required to be submitted to a certified professional under division (C) of section 3746.10 of the Revised Code, the certified professional shall review them to verify whether the property where the voluntary action was undertaken complies with applicable standards or shall ensure that
they have been reviewed by another person or persons who performed
work to support the request for the no further action letter as
provided in division (B)(2) of section 3746.10 of the Revised
Code. If, on the basis of the best knowledge, information, and
belief of the certified professional, the certified professional
concludes that the property meets applicable standards, the
certified professional shall prepare a no further action letter
for the property. The no further action letter shall contain all
the information specified in rules adopted under division
(B)(7) (B)(6) of section 3746.04 of the Revised Code or in division
(E) of section 3746.07 of the Revised Code, as applicable.

Upon completion of a no further action letter, the certified
professional shall send a copy of the letter to the person who
undertook the voluntary action. The letter shall be accompanied by
a written request that the person notify the certified
professional as to whether the person wishes to submit the no
further action letter to the director of environmental protection
and by a written notice informing the person that the original
letter may be submitted to the director only by a certified
professional and that the person may receive a covenant not to sue
from the director in connection with the voluntary action only if
the no further action letter for the voluntary action is submitted
to the director on the person's behalf by the certified
professional.

Promptly after receipt of the letter and request, the person
who undertook the voluntary action shall send written notice to
the certified professional informing the certified professional as
to whether the person wishes to submit the letter to the director
and shall send a copy of the notice to the director. If the
person's notice indicates that the person wishes to have the no
further action letter submitted to the director, promptly after
receipt of the notice, the certified professional shall submit the
original no further action letter, together with a proposed environmental convenant, if applicable, and a proposed operation and maintenance agreement, if applicable, to the director by certified mail on behalf of the person who undertook the voluntary action. If the person who undertook the voluntary action notifies the certified professional that the person does not wish to submit the no further action letter to the director, the certified professional shall send the original letter to the person promptly after receiving the notice.

(B) If after reviewing the demonstrations required to be submitted to the certified professional under division (C) of section 3746.10 of the Revised Code, the certified professional finds that the property where the voluntary action was undertaken does not comply with applicable standards, the certified professional shall send to the person who undertook the voluntary action written notice of that fact and of the certified professional's inability to issue a no further action letter for the property.

(C) A certified professional shall prepare a summary report detailing the certified professional's findings and conclusions about the environmental conditions at the property concerning which the professional was requested to prepare a no further action letter and the remedial activities undertaken to mitigate or abate any threat to public health and safety and the environment, including, without limitation, all of the following:

(1) A description of the nature and extent of contamination emanating from sources on the property;

(2) A risk assessment performed in accordance with rules adopted under division (B)(2) of section 3746.04 of the Revised Code if such an assessment was used in lieu of generic numerical clean-up standards established in rules adopted under division (B)(1) of that section;
(3) A description of any remedy conducted at the property and how the remedy complies with applicable standards;

(4) A description of any plan for the proper operation and maintenance of engineering controls identified under division (C)(4) of section 3746.10 of the Revised Code;

(5) Any documents prepared by any other person who performed work to support the request for the no further action letter as provided in division (B)(2) of section 3746.10 of the Revised Code.

(D) A certified professional shall maintain all documents and data prepared or acquired by the certified professional in connection with a no further action letter for not less than ten years after the date of issuance of the letter or after the notice required under division (B) of this section has been sent, as applicable, or for a longer period as determined in rules adopted under section 3746.04 of the Revised Code. The director shall have access to those documents and data in accordance with section 3746.18 or 3746.31 of the Revised Code.

Sec. 3746.12. (A) Except as provided in division (C) of this section, the director of environmental protection shall issue to a person on behalf of whom a certified professional has submitted to the director an original no further action letter and accompanying verification under division (A) of section 3746.11 of the Revised Code a covenant not to sue for the property that is named in the letter. The director shall not issue a covenant not to sue if an original no further action letter is submitted to him the director by any person other than the certified professional who prepared the letter or if a copy of the letter is submitted to him the director.

A covenant not to sue shall contain both of the following, as applicable:
(1) A provision releasing the person who undertook the voluntary action from all civil liability to this state to perform additional investigational and remedial activities to address a release of hazardous substances or petroleum when the property has undergone a phase I or a phase II property assessment in compliance with this chapter and rules adopted under it or has been the subject of remedial activities conducted under this chapter and rules adopted under it to address a release of hazardous substances or petroleum and such an assessment or those activities demonstrate or result in compliance with applicable standards, except:

(a) As otherwise specifically provided in this chapter or as may be conditioned by the director under this chapter;

(a) A provision requiring that the person enter into an operation and maintenance agreement with the director that ensures
that all engineering controls are maintained so that the remedy is protective of public health and safety and the environment; that includes provisions requiring the person to conduct monitoring for compliance with the engineering controls and the applicable standards upon which issuance of the covenant was based, and periodically to report the findings of the monitoring to the director, as specified in the agreement; and that includes financial assurances that the remedy will remain operational and functional;

(b) A provision requiring the transferor of a covenant that contains an operation and maintenance agreement for engineering controls to notify the director whenever a transfer or assignment of the covenant or property to which it applies occurs;

(c) A provision revoking the covenant if the engineering controls are violated or are no longer in place and the person has not reinstated the controls within a reasonable period of time as determined in accordance with the covenant.

(B)(1) The release provided under division (A)(1) of this section remains effective only for as long as the property or portion thereof to which the covenant pertains continues to comply with the applicable standards upon which the issuance of the covenant was based.

(2) Upon finding that a property or portion thereof to which a covenant not to sue pertains no longer complies with the applicable standards upon which issuance of the covenant was based, the director, by certified mail, receipt requested, shall mail notice of that fact and the requirements of division (B)(3) of this section to the person responsible for maintaining compliance with those standards.

(3) Unless the recipient of a notice provided under division (B)(2) of this section, within thirty days after the mailing of
the notice, notifies the director of his the recipient's intention
to return the property or portion thereof to compliance with the
applicable standards upon which issuance of the covenant was based
and enters into a compliance schedule agreement with the director,
the director, by issuance of an order as a final action under
Chapter 3745. of the Revised Code, shall revoke the covenant. The
compliance schedule agreement shall establish a reasonable period
of time for returning to compliance with those applicable
standards.

(4) Upon finding that a person with whom he the director has
entered into a compliance schedule agreement under division (B)(3)
of this section has failed to return the property or portion
thereof to which the agreement pertains to compliance with the

to the director that a remedy identified in the no further action
letter does not protect public health and safety and the

(3) The no further action letter was submitted fraudulently.

(D) The director shall not revoke a covenant not to sue
issued for property for which a voluntary action was conducted in
accordance with standards and procedures established in section
that applied prior to the adoption of rules under section 3746.04 of the Revised Code solely on the basis that the voluntary action was conducted in accordance with those standards and procedures.

(E) Unless a covenant not to sue issued under this section is revoked through the operation of a provision of the covenant described in division (A)(2)(c) of this section, or under division (B) of this section, division (B)(2) of section 3746.18 of the Revised Code, or division (B) of section 3746.19 of the Revised Code, the covenant shall remain effective as long as the property complies with the applicable standards that were in effect when the person who undertook the voluntary action submitted the information and demonstrations required under division (C) of section 3746.10 of the Revised Code to the certified professional who prepared the no further action letter regardless of whether amendments to the rules adopted under division (B)(1) or (2) of section 3746.04 of the Revised Code that became effective after that time altered the generic numerical clean-up standards for a contaminant addressed by the voluntary action or the procedures or levels of acceptable risk that govern the property-specific risk assessments conducted in lieu of compliance with generic numerical standards.

Sec. 3746.13. (A) For property that does not involve the issuance of a consolidated standards permit under section 3746.15 of the Revised Code and where no remedial activities for which there is a required operation and maintenance agreement or an environmental covenant under this chapter or sections 5301.80 to 5301.92 of the Revised Code, as applicable, are used to comply with applicable standards, the director of environmental protection shall issue a covenant not to sue pursuant to section 3746.12 of the Revised Code by issuance of an order and as a final action under Chapter 3745. of the Revised Code within thirty days
after the director receives the no further action letter for the property from the certified professional who prepared the letter under section 3746.11 of the Revised Code.

(B) For property that involves the issuance of a consolidated standards permit under section 3746.15 of the Revised Code or where remedial activities for which there is a required operation and maintenance agreement or an environmental covenant under this chapter or sections 5301.80 to 5301.92 of the Revised Code, as applicable, are used to comply with applicable standards, the director shall issue a covenant not to sue pursuant to section 3746.12 of the Revised Code by issuance of an order and as a final action under Chapter 3745. of the Revised Code within ninety days after the director receives the no further action letter for the property from the certified professional who prepared the letter and enters into an environmental covenant regarding the property, if applicable.

(C) Except as provided in division (D) of this section, each person who is issued a covenant not to sue under this section shall pay the fee established pursuant to rules adopted under division (B)(8)(B)(7) of section 3746.04 of the Revised Code. (3) Reviewing the qualifications of and work performed by certified laboratories or accredited laboratories in connection with the voluntary action program, and inspecting the facilities of those laboratories to ascertain whether they possess the qualifications for certification pursuant to rules adopted under division (B)(6) of section 3746.04 of the Revised Code and whether their performance in connection with the program has resulted in the issuance of no further action letters that are not consistent with applicable standards.

An audit may be conducted for any of the purposes identified in divisions (A)(1) to (3) of this section or for any combination of those purposes.

(B) Commencing one year after the effective date of this section, the director annually shall conduct in connection with the no further action letters submitted to him during the preceding calendar year under section 3746.11 of the Revised Code,

which includes, and since the original enactment of this section has included, the authority for the commission to operate video lottery terminal games. Any reference in this chapter to tickets shall not be construed to in any way limit the authority of the commission to operate video lottery terminal games. Nothing in this chapter shall restrict the authority of the commission to promulgate rules related to the operation of games utilizing video lottery terminals as described in section 3770.21 of the Revised Code. The rules shall be promulgated pursuant to Chapter 119. of the Revised Code, except that instant game rules shall be promulgated pursuant to section 111.15 of the Revised Code but are not subject to division (D) of that section. Subjects covered in these rules shall include, but need not be limited to, the following:

Subjects covered in these rules shall include, but not be limited to, the following:

(1) The locations at which lottery tickets may be sold and the manner in which they are to be sold. These rules shall prohibit commission
personnel or other licensed individuals from soliciting from an exposition the right to sell lottery tickets at that exposition, but shall allow commission personnel or other licensed individuals to sell lottery tickets at an exposition if the exposition requests commission personnel or licensed individuals to do so. These rules may also address the accessibility of sales agent locations to commission products in accordance with the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101 et seq. (5) Special game rules to implement any agreements signed by the governor that the director enters into with other lottery jurisdictions under division (J) of section 3770.02 of the Revised Code to conduct statewide joint lottery games. (6) Any other subjects the commission determines are necessary for the operation of video lottery terminal games, including the establishment of any fees, fines, payment schedules, or the establishment of a voluntary exclusion program.

(C) Chapter 2915. of the Revised Code does not apply to, affect, or prohibit lotteries conducted pursuant to this chapter.

(D) The commission may promulgate rules, in addition to those described in divisions (A) and (B) of this section, that establish standards governing the display of advertising and celebrity images on lottery tickets and on other items that are used in the conduct of, or to promote, the statewide lottery and statewide joint lottery games. Any revenue derived from the sale of advertising displayed on lottery tickets and on those other items shall be considered, for purposes of section 3770.06 of the Revised Code, to be related proceeds in connection with the statewide lottery or gross proceeds from statewide joint lottery games, as applicable.

(E)(1) The commission shall meet with the director at least once each month and shall convene other meetings at the request of the chairperson or any five of the members. No action taken by the commission shall be binding unless at least five of the members present vote in favor of the action. (1) The individual is employed by a participating employer and is subject to a shared work plan that was approved before that week and is in effect for that week.

(2) The individual is available for work and is actively seeking work by being available for the individual's normal weekly hours of work.

(3) The individual's normal weekly hours of work with the participating employer have been reduced by at least ten per cent but not more than fifty sixty per cent.

(4) The individual has been employed by an employer or employers subject to this chapter in at least twenty qualifying weeks within the individual's base period and has earned or been paid remuneration at an average weekly wage of not less than twenty-seven and one-half per cent of the statewide average weekly wage for those weeks.
(5) The individual has been subject to a shared work plan for at least one week prior to the week for which the compensation is to be paid, or otherwise satisfies the waiting period requirement of division (B) of section 4141.29 of the Revised Code for the individual's benefit year.

(6) The individual otherwise satisfies the requirements of this chapter and is not otherwise disqualified from receiving unemployment compensation benefits.

(B) For purposes of division (A)(2) of this section, an individual is available for the individual's normal weekly hours of work with the participating employer if the individual does any of the following:

(1) Works the number of weekly hours assigned to the individual under an approved shared work plan;

(2) Works fewer hours than the number of weekly hours assigned to the individual under an approved shared work plan and either of the following apply:

(a) The individual takes approved time off during the week with pay, and the combined work hours and paid leave hours equal the number of hours the employee would have worked under the plan;

(b) The individual does not take approved time off with pay during that week and the reduction in hours was not the fault of the individual and was not more than fifty sixty per cent of the individual's normal weekly hours of work.

(C)(1) Except as provided in division (C)(2) or (D) of this section, the director of job and family services shall pay a participating employee who is eligible for weekly shared work compensation in an amount equal to the participating employee's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the reduction percentage specified in the approved
shared work plan applicable to the participating employee. 

(2) The director shall pay a participating employee who is eligible for weekly shared work compensation in an amount equal to the participating employee's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the percentage by which the participating employee's normal weekly hours of work were actually reduced during the workweek, if all of the following apply:

(a) The participating employee did not take approved paid leave during the week.

(b) The participating employee's normal weekly hours of work were actually reduced by not less than ten per cent and not greater than fifty sixty per cent.

(c) The increase or decrease in the participating employee's hours above or below the number of hours assigned to the employee in the approved shared work plan was not the fault of the employee.

(3) The director shall determine fault for purposes of divisions (B)(2)(b) and (C)(2)(c) of this section in the same manner that the director makes determinations for benefit rights and determines claims for unemployment compensation benefits under sections 4141.28 and 4141.281 of the Revised Code.

(4) The director shall round the amount of a shared work compensation payment that is not a multiple of one dollar to the next lower multiple of one dollar.

(5) No shared work compensation shall be payable during the one-week period described in division (A)(5) of this section.

(D) If an individual works for a participating employer and another employer during the weeks the individual is covered by an approved shared work plan, eligibility for shared work
compensation is determined as follows:

(1) If the combined number of hours the individual works for both the participating employer and the other employer in a week exceeds the amount of the individual's normal weekly hours of work reduced by ten per cent, the individual is not eligible for shared work compensation.

(2) If the combined number of hours the individual works in a week for both employers equals the amount of the individual's normal weekly hours of work reduced between ten and fifty-six per cent, the director shall pay the individual, if the individual is otherwise eligible, shared work compensation in an amount equal to the individual's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the percentage by which the individual's normal weekly hours of work were reduced during the week when factoring in both the amount of hours worked for the other employer and the amount of hours worked for the participating employer.

(E) A participating employee is not entitled to receive shared work compensation and unemployment compensation benefits that, when combined, exceed the maximum total benefits payable to the participating employee in a benefit year under section 4141.30 of the Revised Code. No participating employee shall be paid shared work compensation during the employee's benefit year in an amount that exceeds twenty-six times the amount of the employee's weekly benefit amount for a period of total unemployment under section 4141.30 of the Revised Code.

(F) An individual who has received all of the shared work compensation and unemployment compensation benefits available in a benefit year is an individual who has exhausted regular benefits under section 4141.30 of the Revised Code and is entitled to receive extended benefits under section 4141.301 of the Revised Code.

(H)(1) Except as provided in divisions (H)(2) and (3) of this section, a participating employee is not eligible to receive benefits for being partially unemployed for any week during which the individual works as a participating employee.

(2) A participating employee who performs no services during a week for the participating employer and who is otherwise eligible may be paid benefits for being totally or partially unemployed for that week.

(3) A participating employee whose normal weekly hours of work are reduced by more than fifty-sixty per cent and who is otherwise eligible may be paid benefits for partial unemployment for that week.

(I) Any payment of total or partial unemployment compensation benefits under this section is not a payment of shared work compensation under an approved plan but shall be calculated against the maximum total benefits payable to the participating employee in a benefit year under section 4141.30 of the Revised Code.

(J) For purposes of this section and unless another benefit year applies to the individual, notwithstanding division (R)(1) of section 4141.01 of the Revised Code, a participating employee's "benefit year" is the fifty-two week period beginning with the first day of that week with respect to which the employee's
participating employer first files a claim on behalf of the participating employee pursuant to division (B) of section 4141.54 of the Revised Code.

Upon the request of the chief peace officer, the division shall send the chief peace officer a copy of the application for the issuance or the transfer of ownership or location of the permit and all other documents or materials filed by the applicant or applicants in relation to the application. The chief peace officer may appear and testify, either in person or through a representative, at any hearing held on the advisability of the issuance, transfer of ownership, or transfer of location of the permit. The hearing shall be held in the central office of the division, except that upon written request of the legislative authority of the municipal corporation or the board of county commissioners or board of township trustees, the hearing shall be held in the county seat of the county where the applicant's business is or is to be conducted.

the location or the ownership of a permit be transferred, by the division until written notice of the filing of the application with the division is served, by certified mail, return receipt requested, or by personal service, upon the authorities in control of the school, church, library, public playground, or township park and an opportunity is provided them for a complete hearing upon the advisability of the issuance, transfer of ownership, or transfer of location of the permit. In this hearing, no objection to the issuance, transfer of ownership, or transfer of location of the permit shall be based upon the noncompliance of the proposed permit premises with local zoning regulations which prohibit the sale of beer or intoxicating liquor, in an area zoned for commercial or industrial uses, for a permit premises that would otherwise qualify for a proper permit issued by the division. Upon the written request of any of these authorities, the hearing shall be held in the county seat of the county where the applicant's business is or is to be conducted.

A request for any hearing authorized by this section shall be made no later than thirty days from the time of notification by the division. This thirty-day period begins on the date the division mails notice to the legislative authority or the date on which the division mails notice to or, by personal service, serves notice upon, the institution. The division shall conduct a hearing if the request for the hearing is postmarked by the deadline date. The division may allow, upon cause shown by the requesting legislative authority or board, an extension of thirty additional days for the legislative authority of the municipal corporation, board of township trustees of the township, or board of county commissioners of the county in which a permit premises is or is to be located to object to the issuance, transfer of ownership, or transfer of location of a permit. (B) When an application for transfer of ownership of a permit is filed with the division, the division shall give notice of the application to the tax commissioner. Within twenty days after receiving this notification, the commissioner shall notify the division of liquor control and the proposed transferee of the permit if the permit holder owes to this state any delinquent horse-racing taxes, alcoholic beverage taxes, motor fuel taxes, petroleum activity taxes, sales or use taxes, cigarette taxes, other tobacco product taxes, income taxes withheld from employee compensation, commercial activity taxes, or gross casino revenue taxes, or gross receipts taxes levied pursuant to section 5739.101 of the Revised Code, or has failed to file any corresponding returns or submit any information required by the commissioner, as required for such taxes, to the extent that any delinquent payment or return, or any failure to submit information, is known to the department of taxation at the time of the application. The division shall not transfer ownership of the permit until payments known to be delinquent are resolved, returns known to be delinquent are filed, and any information required by the commissioner has been provided. As used in this division, "resolved" means that the delinquent payment has been paid in full or an amount sufficient to satisfy the delinquent payment is in escrow for the benefit of the state. The commissioner shall notify the division of the resolution. After the division has received the notification from the commissioner, the division may proceed to transfer ownership of the permit. Nothing in this division shall be construed to affect or limit the responsibilities or liabilities of the transferor or the transferee imposed by Chapter 3769., 4301., 4303., 4305., 5735., 5736., 5739., 5741., 5743., 5747., 5751., or 5753. of the Revised Code.

(C) No F or F-2 permit shall be issued for an event until the
applicant has, by means of a form that the division shall provide
to the applicant, notified the chief peace officer of the
political subdivision in which the event will be conducted of the
date, time, place, and duration of the event.

(D) The division of liquor control shall notify an applicant
for a permit authorized by sections 4303.02 to 4303.23 of the
Revised Code of an action pending or judgment entered against a
liquor permit premises, of which the division has knowledge,
pursuant to section 3767.03 or 3767.05 of the Revised Code if the
applicant is applying for a permit at the location of the premises
that is the subject of the action under section 3767.03 or
judgment under section 3767.05 of the Revised Code.

Sec. 4303.271. (A) Except as provided in divisions (B) and (D) of this section, the holder of a permit issued under sections 4303.02 to 4303.232 of the Revised Code, who files an application for the renewal of the same class of permit for the same premises, shall be entitled to the renewal of the permit. The division of liquor control shall renew the permit unless the division rejects for good cause any renewal application, subject to the right of the applicant to appeal the rejection to the liquor control commission.

(B) The legislative authority of the municipal corporation, the board of township trustees, or the board of county commissioners of the county in which a permit premises is located may object to the renewal of a permit issued under sections 4303.11 to 4303.183 of the Revised Code for any of the reasons contained in division (A) of section 4303.292 of the Revised Code. Any objection shall be made no later than thirty days prior to the expiration of the permit, and the division shall accept the objection if it is postmarked no later than thirty days prior to the expiration of the permit. The objection shall be made by a
resolution specifying the reasons for objecting to the renewal and requesting a hearing, but no objection shall be based upon noncompliance of the permit premises with local zoning regulations that prohibit the sale of beer or intoxicating liquor in an area zoned for commercial or industrial uses, for a permit premises that would otherwise qualify for a proper permit issued by the division. The resolution shall be accompanied by a statement by the chief legal officer of the political subdivision that, in the chief legal officer's opinion, the objection is based upon substantial legal grounds within the meaning and intent of division (A) of section 4303.292 of the Revised Code.

Upon receipt of a resolution of a legislative authority or board objecting to the renewal of a permit and a statement from the chief legal officer, the division shall set a time for the hearing and send by certified mail to the permit holder, at the permit holder's usual place of business, a copy of the resolution and notice of the hearing. The division shall then hold a hearing in the central office of the division, except that, upon written request of the legislative authority or board, the hearing shall be held in the county seat of the county in which the permit premises is located, to determine whether the renewal shall be denied for any of the reasons contained in division (A) of section 4303.292 of the Revised Code. Only the reasons for refusal contained in division (A) of section 4303.292 of the Revised Code and specified in the resolution of objection shall be considered at the hearing.

The permit holder and the objecting legislative authority or board shall be parties to the proceedings under this section and shall have the right to be present, to be represented by counsel, to offer evidence, to require the attendance of witnesses, and to cross-examine witnesses at the hearing.

(C) An application for renewal of a permit shall be filed
with the division at least fifteen days prior to the expiration of an existing permit, and the existing permit shall continue in effect as provided in section 119.06 of the Revised Code until the application is approved or rejected by the division. Any holder of a permit, which has expired through failure to be renewed as provided in this section, shall obtain a renewal of the permit, upon filing an application for renewal with the division, at any time within thirty days from the date of the expired permit. A penalty of ten per cent of the permit fee shall be paid by the permit holder if the application for renewal is not filed at least fifteen days prior to the expiration of the permit.

(D)(1) Annually, the tax commissioner shall cause the department of taxation's records for the horse-racing, alcoholic beverage, motor fuel, petroleum activity, sales or use, cigarette, other tobacco products, employer withholding, commercial activity, and gross casino revenue tax records in the department of taxation and gross receipts taxes levied pursuant to section 5739.101 of the Revised Code for each holder of a permit issued under sections 4303.02 to 4303.232 of the Revised Code to be examined to determine if the permit holder is delinquent in filing any returns, submitting any information required by the commissioner, or remitting any payments with respect to those taxes or any fees, charges, penalties, or interest related to those taxes.

If any delinquency or liability exists, the commissioner shall send a notice of that fact by certified mail, return receipt requested, to the permit holder at the mailing address shown in the records of the department. The notice shall specify, in as much detail as is possible, the periods for which returns have not been filed and the nature and amount of unpaid assessments and other liabilities and shall be sent on or before the first day of the third month preceding the month in which the permit expires.
The commissioner also shall notify the division of liquor control of the delinquency or liability, identifying the permit holder by name and permit number.

(2)(a) Except as provided in division (D)(4) of this section, the division of liquor control shall not renew the permit of any permit holder the tax commissioner has identified as being delinquent in filing any returns, providing any information, or remitting any payments with respect to the taxes listed in division (D)(1) of this section as of the first day of the sixth month preceding the month in which the permit expires, or of any permit holder the commissioner has identified as having been assessed by the department on or before the first day of the third month preceding the month in which the permit expires, until the division is notified by the commissioner that the delinquency, liability, or assessment has been resolved.

(b)(i) Within ninety days after the date on which the permit expires, any permit holder whose permit is not renewed under this division may file an appeal with the liquor control commission. The commission shall notify the tax commissioner regarding the filing of any such appeal. During the period in which the appeal is pending, the permit shall not be renewed by the division. The permit shall be reinstated if the permit holder and the commissioner or the attorney general demonstrate to the liquor control commission that the commissioner's notification of a delinquency or assessment was in error or that the issue of the delinquency or assessment has been resolved.

(ii) A permit holder who has filed an appeal under division (D)(2)(b)(i) of this section may file a motion to withdraw the appeal. The division of liquor control may renew a permit holder's permit if the permit holder has withdrawn such an appeal and the division receives written certification from the tax commissioner that the permit holder's delinquency or assessment has been resolved.
resolved.

(3) A permit holder notified of delinquency or liability under this section may protest the notification to the tax commissioner on the basis that no return or information is delinquent and no tax, fee, charge, penalty, or interest is outstanding. The commissioner shall expeditiously consider any evidence submitted by the permit holder and, if it is determined that the notification was in error, immediately shall inform the division of liquor control that the renewal application may be granted. The renewal shall not be denied if the delinquency or unreported liability is the subject of a bona fide dispute as to the validity of the delinquency or unreported liability and is the subject of an assessment and of an appeal properly filed by the permit holder.

(4) If the commissioner concludes that under the circumstances the permit holder's delinquency or liability has been conditionally resolved, the commissioner shall allow the permit to be renewed, conditioned upon the permit holder's continuing performance in satisfying the delinquency and liability. The conditional nature of the renewal shall be specified in the notification given to the division of liquor control under division (D)(1) of this section. Upon receipt of notice of the resolution, the division shall issue a conditional renewal. If the taxpayer defaults on any agreement to pay the delinquency or liability or fails to keep subsequent tax or fee payments current, the liquor control commission, upon request and proof of the default or failure to keep subsequent tax or fee payments current, shall indefinitely suspend the permit holder's permit until all taxes or fees and interest due are paid.

(5) The commissioner may adopt rules to assist in administering the duties imposed by this section.
Sec. 4503.066. (A)(1) To obtain a tax reduction under section 4503.065 of the Revised Code, the owner of the home shall file an application with the county auditor of the county in which the home is located. An application for reduction in taxes based upon a physical disability shall be accompanied by a certificate signed by a physician, and an application for reduction in taxes based upon a mental disability shall be accompanied by a certificate signed by a physician or psychologist licensed to practice in this state. The certificate shall attest to the fact that the applicant is permanently and totally disabled, shall be in a form that the department of taxation requires, and shall include the definition of totally and permanently disabled as set forth in section 4503.064 of the Revised Code. An application for reduction in taxes based upon a disability certified as permanent and total by a state or federal agency having the function of so classifying persons shall be accompanied by a certificate from that agency.

An application by a disabled veteran for the reduction under division (B) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from the United States department of veterans affairs, or its predecessor or successor agency, showing that the veteran qualifies as a disabled veteran.

An application by the surviving spouse of a public service officer killed in the line of duty for the reduction under division (C) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from an officer or employee of the board of trustees of a retirement or pension fund in this state or another state or from the chief or other chief executive of the department, agency, or other employer for which the public service officer served when killed in the line of duty affirming that the public service officer was killed in the line of duty.
(2) Each application shall constitute a continuing application for a reduction in taxes for each year in which the manufactured or mobile home is occupied by the applicant. Failure to receive a new application or notification under division (B) of this section after an application for reduction has been approved is prima-facie evidence that the original applicant is entitled to the reduction calculated on the basis of the information contained in the original application. The original application and any subsequent application shall be in the form of a signed statement and shall be filed on or before the thirty-first day of December of the year preceding the year for which the reduction is sought. The statement shall be on a form, devised and supplied by the tax commissioner, that shall require no more information than is necessary to establish the applicant's eligibility for the reduction in taxes and the amount of the reduction to which the applicant is entitled. The form shall contain a statement that signing such application constitutes a delegation of authority by the applicant to the tax commissioner or the county auditor, individually or in consultation with each other, to examine any tax or financial records that relate to the income of the applicant as stated on the application for the purpose of determining eligibility under, or possible violation of, division (C) or (D) of this section. The form also shall contain a statement that conviction of willfully falsifying information to obtain a reduction in taxes or failing to comply with division (B) of this section shall result in the revocation of the right to the reduction for a period of three years.

(3) A late application for a reduction in taxes for the year preceding the year for which an original application is filed may be filed with an original application. If the auditor determines that the information contained in the late application is correct, the auditor shall determine both the amount of the reduction in taxes to which the applicant would have been entitled for the
current tax year had the application been timely filed and approved in the preceding year, and the amount the taxes levied under section 4503.06 of the Revised Code for the current year would have been reduced as a result of the reduction. When an applicant is permanently and totally disabled on the first day of January of the year in which the applicant files a late application, the auditor, in making the determination of the amounts of the reduction in taxes under division (A)(3) of this section, is not required to determine that the applicant was permanently and totally disabled on the first day of January of the preceding year.

The amount of the reduction in taxes pursuant to a late application shall be treated as an overpayment of taxes by the applicant. The auditor shall credit the amount of the overpayment against the amount of the taxes or penalties then due from the applicant, and, at the next succeeding settlement, the amount of the credit shall be deducted from the amount of any taxes or penalties distributable to the county or any taxing unit in the county that has received the benefit of the taxes or penalties previously overpaid, in proportion to the benefits previously received. If, after the credit has been made, there remains a balance of the overpayment, or if there are no taxes or penalties due from the applicant, the auditor shall refund that balance to the applicant by a warrant drawn on the county treasurer in favor of the applicant. The treasurer shall pay the warrant from the general fund of the county. If there is insufficient money in the general fund to make the payment, the treasurer shall pay the warrant out of any undivided manufactured or mobile home taxes subsequently received by the treasurer for distribution to the county or taxing district in the county that received the benefit of the overpaid taxes, in proportion to the benefits previously received, and the amount paid from the undivided funds shall be deducted from the money otherwise distributable to the county or
taxing district in the county at the next or any succeeding
distribution. At the next or any succeeding distribution after
making the refund, the treasurer shall reimburse the general fund
for any payment made from that fund by deducting the amount of
that payment from the money distributable to the county or other
taxing unit in the county that has received the benefit of the
taxes, in proportion to the benefits previously received. On the
second Monday in September of each year, the county auditor shall
certify the total amount of the reductions in taxes made in the
current year under division (A)(3) of this section to the tax
commissioner who shall treat that amount as a reduction in taxes
for the current tax year and shall make reimbursement to the
county of that amount in the manner prescribed in section 4503.068
of the Revised Code, from moneys appropriated for that purpose.

(B)(1) If in any year for which an application for
reduction in taxes has been approved the owner no longer qualifies
for the reduction, the owner shall notify the county auditor that
the owner is not qualified for a reduction in taxes.

(2) If the county auditor or county treasurer discovers that
an owner not entitled to the reduction in manufactured home taxes
under section 4503.065 of the Revised Code failed to notify the
county auditor as required by division (B)(1) of this section, a
charge shall be imposed against the manufactured or mobile home in
the amount by which taxes were reduced under that section for each
tax year the county auditor ascertains that the manufactured or
mobile home was not entitled to the reduction and was owned by the
current owner. Interest shall accrue in the manner prescribed by
division (G)(2) of section 4503.06 of the Revised Code on the
amount by which taxes were reduced for each such tax year as if
the reduction became delinquent taxes at the close of the last day
the second installment of taxes for that tax year could be paid
without penalty. The county auditor shall notify the owner, by
ordinary mail, of the charge, of the owner's right to appeal the charge, and of the manner in which the owner may appeal. The owner may appeal the imposition of the charge and interest by filing an appeal with the county board of revision not later than the last day prescribed for payment of manufactured home taxes under section 4503.06 of the Revised Code following receipt of the notice and occurring at least ninety days after receipt of the notice. The appeal shall be treated in the same manner as a complaint relating to the valuation or assessment of manufactured or mobile homes under section 5715.19 of the Revised Code. The charge and any interest shall be collected as other delinquent taxes.

(3) During January of each year, the county auditor shall furnish each person whose application for reduction has been approved, by ordinary mail, a form on which to report any changes in total income, ownership, occupancy, disability, and other information earlier furnished the auditor relative to the application. The form shall be completed and returned to the auditor not later than the thirty-first day of December if the changes would affect the person's eligibility for the reduction.

(C) No person shall knowingly make a false statement for the purpose of obtaining a reduction in taxes under section 4503.065 of the Revised Code.

(D) No person shall knowingly fail to notify the county auditor of any change required by division (B) of this section that has the effect of maintaining or securing a reduction in taxes under section 4503.065 of the Revised Code.

(E) No person shall knowingly make a false statement or certification attesting to any person's physical or mental condition for purposes of qualifying such person for tax relief pursuant to sections 4503.064 to 4503.069 of the Revised Code.
(F) Whoever violates division (C), (D), or (E) of this section is guilty of a misdemeanor of the fourth degree.

Sec. 4505.09. (A)(1) The clerk of a court of common pleas shall charge and retain fees as follows:

(a) Five dollars for each certificate of title that is not applied for within thirty days after the later of the assignment or delivery of the motor vehicle described in it. The entire fee shall be retained by the clerk.

(b) Fifteen dollars for each certificate of title or duplicate certificate of title including the issuance of a memorandum certificate of title, or authorization to print a non-negotiable evidence of ownership described in division (G) of section 4505.08 of the Revised Code, non-negotiable evidence of ownership printed by the clerk under division (H) of that section, and notation of any lien on a certificate of title that is applied for at the same time as the certificate of title. The clerk shall retain eleven dollars and fifty cents of that fee for each certificate of title when there is a notation of a lien or security interest on the certificate of title, twelve dollars and twenty-five cents when there is no lien or security interest noted on the certificate of title, and eleven dollars and fifty cents for each duplicate certificate of title.

(c) Four dollars and fifty cents for each certificate of title with no security interest noted that is issued to a licensed motor vehicle dealer for resale purposes and, in addition, a separate fee of fifty cents. The clerk shall retain two dollars and twenty-five cents of that fee.

(d) Five dollars for each memorandum certificate of title or non-negotiable evidence of ownership that is applied for separately. The clerk shall retain that entire fee.
(2) The fees that are not retained by the clerk shall be paid to the registrar of motor vehicles by monthly returns, which shall be forwarded to the registrar not later than the fifth day of the month next succeeding that in which the certificate is issued or that in which the registrar is notified of a lien or cancellation of a lien.

(B)(1) The registrar shall pay twenty-five cents of the amount received for each certificate of title issued to a motor vehicle dealer for resale, one dollar for certificates of title issued with a lien or security interest noted on the certificate of title, and twenty-five cents for each certificate of title with no lien or security interest noted on the certificate of title into the public safety - highway purposes fund established in section 4501.06 of the Revised Code.

(2) Fifty cents of the amount received for each certificate of title shall be paid by the registrar as follows:

(a) Four cents shall be paid into the state treasury to the credit of the motor vehicle dealers board fund, which is hereby created. All investment earnings of the fund shall be credited to the fund. The moneys in the motor vehicle dealers board fund shall be used by the motor vehicle dealers board created under section 4517.30 of the Revised Code, together with other moneys appropriated to it, in the exercise of its powers and the performance of its duties under Chapter 4517. of the Revised Code, except that the director of budget and management may transfer excess money from the motor vehicle dealers board fund to the public safety - highway purposes fund if the registrar determines that the amount of money in the motor vehicle dealers board fund, together with other moneys appropriated to the board, exceeds the amount required for the exercise of its powers and the performance of its duties under Chapter 4517. of the Revised Code and requests the director to make the transfer.
(b) Twenty-one **Thirty-one** cents shall be paid into the highway operating fund created by section 5735.051 of the Revised Code.

(c) Twenty-five **Fifteen** cents shall be paid into the state treasury to the credit of the motor vehicle sales audit fund, which is hereby created. The moneys in the fund shall be used by the tax commissioner together with other funds available to the commissioner to conduct a continuing investigation of sales and use tax returns filed for motor vehicles in order to determine if sales and use tax liability has been satisfied. The commissioner shall refer cases of apparent violations of section 2921.13 of the Revised Code made in connection with the titling or sale of a motor vehicle and cases of any other apparent violations of the sales or use tax law to the appropriate county prosecutor whenever the commissioner considers it advisable.

(3) Two dollars of the amount received by the registrar under divisions (A)(1)(a), (b), and (d) of this section and one dollar and fifty cents of the amount received by the registrar under division (A)(1)(c) of this section for each certificate of title shall be paid into the state treasury to the credit of the automated title processing fund, which is hereby created and which shall consist of moneys collected under division (B)(3) of this section and under sections 1548.10 and 4519.59 of the Revised Code. All investment earnings of the fund shall be credited to the fund. The moneys in the fund shall be used as follows:

(a) Except for moneys collected under section 1548.10 of the Revised Code, moneys collected under division (B)(3) of this section shall be used to implement and maintain an automated title processing system for the issuance of motor vehicle, off-highway motorcycle, and all-purpose vehicle certificates of title in the offices of the clerks of the courts of common pleas. Those moneys also shall be used to pay expenses that arise as a result of...
enabling electronic motor vehicle dealers to directly transfer applications for certificates of title under division (A)(3) of section 4505.06 of the Revised Code.

(b) Moneys collected under section 1548.10 of the Revised Code shall be used to issue marine certificates of title in the offices of the clerks of the courts of common pleas as provided in Chapter 1548. of the Revised Code.

(4) The registrar shall pay the fifty-cent separate fee collected from a licensed motor vehicle dealer under division (A)(1)(c) of this section into the title defect recision fund created by section 1345.52 of the Revised Code.

(C)(1) The automated title processing board is hereby created consisting of the registrar or the registrar's representative, a person selected by the registrar, the president of the Ohio clerks of court association or the president's representative, and two clerks of courts of common pleas appointed by the governor. The director of budget and management or the director's designee, the chief of the division of parks and watercraft in the department of natural resources or the chief's designee, and the tax commissioner or the commissioner's designee shall be nonvoting members of the board. The purpose of the board is to facilitate the operation and maintenance of an automated title processing system and approve the procurement of automated title processing system equipment and ribbons, cartridges, or other devices necessary for the operation of that equipment. Voting members of the board, excluding the registrar or the registrar's representative, shall serve without compensation, but shall be reimbursed for travel and other necessary expenses incurred in the conduct of their official duties. The registrar or the registrar's representative shall receive neither compensation nor reimbursement as a board member.
(2) The automated title processing board shall determine each of the following:

(b) The payment of expenses that may be incurred by the counties in implementing an automated title processing system;

(c) The repayment to the counties for existing title processing equipment;

(D) All counties shall conform to the requirements of the registrar regarding the operation of their automated title processing system for motor vehicle titles, certificates of title for off-highway motorcycles and all-purpose vehicles, and certificates of title for watercraft and outboard motors.

(4) Any person who is dead or unconscious, or who otherwise is in a condition rendering the person incapable of refusal, shall be deemed to have consented as provided in division (A)(2) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

the Revised Code.

(b) If the arrested person, within ten years of the date on which the person refused the request to consent to the chemical test, had refused one previous request to consent to a chemical test or had been convicted of or pleaded guilty to one violation of division (A) or (B) of section 4511.19 of the Revised Code or one other equivalent offense, the suspension shall be a class B suspension imposed for the period of time specified in division (B)(2) of section 4510.02 of the Revised Code.

If a community addiction services provider interested in having its alcohol and drug addiction services certified makes an application pursuant to section 5119.36 of the Revised Code, the community addiction services provider is eligible to receive surplus funds as long as the application is pending with the department. The department of mental health and addiction services must offer technical assistance to the applicant. If the interested community addiction services provider withdraws the certification application, the department must notify the court, and the court shall not provide the interested community addiction services provider with any further surplus funds.

develop the report to submit to the department for a particular 44316
indigent drivers alcohol treatment fund, the board shall submit a 44317
report detailing the effort made in obtaining the information. 44318

fund, a county juvenile indigent drivers interlock and alcohol 44344
monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund as follows:

(a) If the fee or fine is paid by a person who was charged in a county court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county indigent drivers interlock and alcohol monitoring fund under the control of that court.

(B) If a party makes an attachment to the facility after the completion of the modification, the party shall share proportionately in the costs of the modification if that modification rendered the added attachment possible.

**Sec. 4926.36.** Unless a modification by an electric cooperative is necessary for an electric service that uses smart grid or other technology, a party with a preexisting attachment to a pole is not required to bear any of the costs of rearranging or replacing its attachment if the rearrangement or replacement is necessary because of another party's request for an additional attachment or a modification of an existing attachment.

**Sec. 4926.39.** Subject to the venue requirements of section 4926.43 of the Revised Code, an electric cooperative or a provider may file a complaint regarding pole attachment disputes with respect to sections 4926.01 to 4926.60 of the Revised Code with the court of commons pleas of the county in which the cooperative's Ohio headquarters is located.

Venue for such a proceeding shall lie only in the county in which the cooperative's Ohio headquarters is located, provided that at least some portion of the attachment will occur in that county. Sec. 4926.48. (A) The complainant under section 4926.39 of the Revised Code has the burden of establishing a prima facie case that the rate, term, or condition complained of is not just and reasonable or that the denial of access was unlawful.

(B) In a case involving a denial of access, the electric cooperative has the burden of establishing, by a preponderance of the evidence, that the denial was lawful, once a prima facie case is established by the complainant.

Sec. 4926.51. In a complaint filed under section 4926.39 of the Revised Code, if an electric cooperative claims that the proposed rate is lower than its incremental costs, the cooperative has the burden of establishing, by a preponderance of the evidence, its incremental costs.
Sec. 4926.54. In a complaint filed under section 4926.39 of the Revised Code, there is a rebuttable presumption that each of the following is just and reasonable:

(A) The time frame to grant or deny access, if it is within the time frame established by the federal communications commission;

(B) The process for make-ready work, if it is in accordance with the process for make-ready work under 47 U.S.C. 224 and the federal communications commission orders and regulations implementing that section;

This restriction does not apply to families whose children are eligible for protective child care.

(iii) The eligibility period for publicly funded child care shall be at least twelve months.

(b) In accordance with rules adopted under division (B) of section 5104.38 of the Revised Code, an applicant may receive publicly funded child care while the county department determines eligibility. The department may establish separate waiting lists within the waiting list based on income.

(E) A caretaker parent shall not receive publicly funded child care from more than one child care provider per child during a week, unless a county department grants the family an exemption for one of the following reasons:

(D)(1) Except as provided in division (D)(4) of this section, to determine whether an assistance group is initially eligible to participate in Ohio works first, a county department of job and family services shall do the following:

(a) Determine whether the assistance group's gross income exceeds fifty per cent of the federal poverty guidelines. In making this determination, the county department shall disregard amounts that federal statutes or regulations and sections 5101.17 and 5117.10 of the Revised Code require be disregarded. The assistance group is ineligible to participate in Ohio works first if the assistance group's gross income, less the amounts disregarded, exceeds fifty per cent of the federal poverty guidelines.

In making this determination, the county department shall disregard an amount specified in rules adopted under section 5107.05 of the Revised Code and fifty per cent of the remainder of the assistance group's gross earned income. No amounts shall be disregarded from the assistance group's gross unearned income. The assistance group ceases to be eligible to participate in Ohio works first if its countable income, less the amounts disregarded, equals or exceeds the payment standard.

(4) If an assistance group reapplies to participate in Ohio works first not more than four months after ceasing to participate, a county department of job and family services shall use the income requirement established by division (D)(3) of this section to determine eligibility for resumed participation rather than the income requirement established by division (D)(1) of this section.

(E)(1) An assistance group may continue to participate in Ohio works first even though a public children services agency removes the assistance group's minor children from the assistance group's home due to abuse, neglect, or dependency if the agency does both of the following:

(a) Notifies the county department of job and family services at the time the agency removes the children that it believes the children will be able to return to the assistance group within six months;

(E)(G) The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section. The rules shall do all of the following:

(1) Subject to section 340.034 of the Revised Code, specify the types of recovery supports that are required to be certified
under this section;

(2) Establish certification standards for certifiable services and supports that are consistent with nationally recognized applicable standards and facilitate participation in federal assistance programs. The rules shall include as certification standards only requirements that improve the quality of certifiable services and supports or the health and safety of persons receiving certifiable services and supports. The standards shall address at a minimum all of the following:

(a) Reporting major unusual incidents to the director;

(b) Procedures for applicants for and persons receiving certifiable services and supports to file grievances and complaints;

(c) Seclusion;

(d) Restraint;

(e) Requirements regarding the physical facilities in which certifiable services and supports are provided;

(f) Requirements with regard to health, safety, adequacy, and cultural specificity and sensitivity;

(g) Standards for evaluating certifiable services and supports;

(h) Standards and procedures for granting full, probationary, and interim certification of the certifiable services and supports of a community mental health services provider applicant or community addiction services provider applicant;

(i) Standards and procedures for revoking the certification of a community mental health services provider's or community addiction services provider's certifiable services and supports that do not continue to meet the minimum standards established pursuant to this section;
(j) The limitations to be placed on a provider whose certifiable services and supports are granted probationary or interim certification;

(k) Development of written policies addressing the rights of persons receiving certifiable services and supports, including all of the following:

(i) The right to a copy of the written policies addressing the rights of persons receiving certifiable services and supports;

(ii) The right at all times to be treated with consideration and respect for the person's privacy and dignity;

(iii) The right to have access to the person's own psychiatric, medical, or other treatment records unless access is specifically restricted in the person's treatment plan for clear treatment reasons;

(iv) The right to have a client rights officer provided by the provider or board of alcohol, drug addiction, and mental health services advise the person of the person's rights, including the person's rights under Chapter 5122. of the Revised Code if the person is committed to the provider or board.

(3) Establish the process for certification of certifiable services and supports;

(4) Set the amount of certification review fees;

(5) Specify the type of notice and hearing to be provided prior to a decision on whether to reallocate funds.

(H)(1) The director may issue an order suspending admissions to a community addiction services provider that provides overnight accommodations if the director finds either of the following:

(a) The provider's certifiable services and supports are not in compliance with rules adopted under this section;
(2) (b) The provider has been cited for more than one violation of statutes or rules during any previous certification period of the provider.

(2) (a) Except as provided in division (H) (2) (b) of this section, proceedings initiated to suspend admissions to a community addiction services provider that provides overnight accommodations are governed by Chapter 119. of the Revised Code.

(b) If a suspension of admissions is proposed because the director has determined that the provider has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of patients, the director may issue an order suspending admissions before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected.

(3) Appeals from proceedings initiated to order the suspension of admissions shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The provider may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the provider's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the provider and the director.
(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations with the department not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) The hearing examiner shall send a written copy of the report and recommendations, by certified mail, to the provider, or the provider's attorney, if applicable, not later than five days after the report is filed with the department.

(f) Not later than five days after receiving the report and recommendations, the provider may file objections with the department.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the department shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the department shall lift the order for the suspension of admissions if the department determines the violation that formed the basis for the order has been corrected.

(G)(I)(1) In a proceeding initiated to suspend admissions to a community addiction services provider that provides overnight accommodations, to deny an application for certification of certifiable services and supports, to refuse to renew certification, or to revoke certification, the department may order the suspension, denial, refusal, or revocation regardless of
whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(2) When the department issues an order suspending admissions to a community addiction services provider that provides overnight accommodations, denies an application for certification of certifiable services and supports, refuses to renew certification, or revokes a certification, the department shall not grant an opportunity for submitting a plan of correction.

(J) The department of mental health and addiction services shall maintain a current list of community addiction services providers and shall provide a copy of the list to a judge of a court of common pleas who requests a copy for the use of the judge under division (H) of section 2925.03 of the Revised Code. The list shall identify each provider by its name, its address, and the county in which it is located.

(K) No person shall represent in any manner that a community mental health services provider's or community addiction services provider's certifiable services and supports are certified by the director if the certifiable services and supports are not so certified at the time the representation is made.

Sec. 5119.37. (A)(1)(a) Except as provided in division (A)(1)(b) of this section, no person or government entity shall operate an opioid treatment program requiring certification, as certification is defined in 42 C.F.R. 8.2, unless the person or government entity is a community addiction services provider and the program is licensed under this section.

(b) Division (A)(1)(a) of this section does not apply to a program operated by the United States department of veterans affairs.

(2) No community addiction services provider licensed under...
this section shall operate an opioid treatment program in a manner inconsistent with this section and the rules adopted under it.

(B) A community addiction services provider seeking a license to operate an opioid treatment program shall apply to the department of mental health and addiction services. The department shall review all applications received.

(C) The department may issue a license to operate an opioid treatment program to a community addiction services provider only if all of the following apply:

(1) During the three-year period immediately preceding the date of application, the provider or any owner, sponsor, medical director, administrator, or principal of the provider has been in good standing to operate an opioid treatment program in all other locations where the provider or such other person has been operating a similar program, as evidenced by both of the following:

(a) Not having been denied a license, certificate, or similar approval to operate an opioid treatment program by this state or another jurisdiction;

(b) Not having been the subject of any of the following in this state or another jurisdiction:

(i) An action that resulted in the suspension or revocation of the license, certificate, or similar approval of the provider or other person;

(ii) A voluntary relinquishment, withdrawal, or other action taken by the provider or other person to avoid suspension or revocation of the license, certificate, or similar approval;

(iii) A disciplinary action that was based, in whole or in part, on the provider or other person engaging in the inappropriate prescribing, dispensing, administering, personally
furnishing, diverting, storing, supplying, compounding, or selling
of a controlled substance or other dangerous drug.

(2) It affirmatively appears to the department that the
provider is adequately staffed and equipped to operate an opioid
treatment program.

(3) It affirmatively appears to the department that the
provider will operate an opioid treatment program in strict
compliance with all laws relating to drug abuse and the rules
adopted by the department.

(4) Except as provided in division (D) of this section and
section 5119.371 of the Revised Code, if the provider is seeking
an initial license for a particular location, the proposed opioid
treatment program is not located on a parcel of real estate that
is within a radius of five hundred linear feet of the boundaries
of a parcel of real estate having situated on it a public or
private school, child day-care center licensed under Chapter 5104.
of the Revised Code, or child-serving agency regulated by the
department under this chapter.

(5) The provider meets any additional requirements
established by the department in rules adopted under division (F)
of this section.

(D) The department may waive the requirement of division
(C)(4) of this section if it receives, from each public or private
school, child day-care center, or child-serving agency that is
within the five hundred linear feet radius described in that
division, a letter of support for the location. The department
shall determine whether a letter of support is satisfactory for
purposes of waiving the requirement.

(E) A license to operate an opioid treatment program shall
expire one year two years from the date of issuance. Licenses may
be renewed.
(F) The department shall establish procedures and adopt rules for licensing, inspection, and supervision of community addiction services providers that operate an opioid treatment program. The rules shall establish standards for the control, storage, furnishing, use, dispensing, and administering of medications used in medication-assisted treatment; prescribe minimum standards for the operation of the opioid treatment program component of the provider's operations; and comply with federal laws and regulations.

All rules adopted under this division shall be adopted in accordance with Chapter 119. of the Revised Code. All actions taken by the department regarding the licensing of providers to operate opioid treatment programs shall be conducted in accordance with Chapter 119. of the Revised Code, except as provided in division (L) of this section.

(G)(1) The department shall inspect all community addiction services providers licensed to operate an opioid treatment program. Inspections shall be conducted at least annually and may be conducted more frequently.

In addition, the department may inspect any provider or other person that it reasonably believes to be operating an opioid treatment program without a license issued under this section.

(2) When conducting an inspection, the department may do both of the following:

(a) Examine and copy all records, accounts, and other documents relating to the provider's or other person's operations, including records pertaining to patients or clients;

(b) Conduct interviews with any individual employed by or contracted or otherwise associated with the provider or person, including an administrator, staff person, patient, or client.

(3) No person or government entity shall interfere with a
state or local government official acting on behalf of the department while conducting an inspection.

(H) A community addiction services provider shall not administer or dispense methadone in a tablet, powder, or intravenous form. Methadone shall be administered or dispensed only in a liquid form intended for ingestion.

A community addiction services provider shall not administer or dispense a medication used in medication-assisted treatment for pain or other medical reasons.

(I) As used in this division, "program sponsor" means a person who assumes responsibility for the operation and employees of the opioid treatment program component of a community addiction services provider's operations.

(1)(a) Except as provided in division (I)(1)(b) of this section, a community addiction services provider shall not employ an individual who receives a medication used in medication-assisted treatment from that provider.

(b) A community addiction services provider may employ an individual who receives a medication used in medication-assisted treatment from that provider if the individual is employed as a peer recovery supporter and either holds a valid peer recovery supporter certificate issued pursuant to rules adopted by the department or is in the process of obtaining such a certificate.

(2)(a) As used in division (I)(2)(b) of this section, "program sponsor" means a person who assumes responsibility for the operation and employees of the opioid treatment program component of a community addiction services provider's operations.

(b) A community addiction services provider shall not permit an individual to act as a program sponsor, medical director, or director of the provider if the individual is receiving a medication used in medication-assisted treatment from any
community addiction services provider.

(J) The department may issue orders to ensure compliance with all laws relating to drug abuse and the rules adopted under this section. Subject to section 5119.27 of the Revised Code, the department may hold hearings, require the production of relevant matter, compel testimony, issue subpoenas, and make adjudications. Upon failure of a person without lawful excuse to obey a subpoena or to produce relevant matter, the department may apply to a court of common pleas for an order compelling compliance.

(K) The department may refuse to issue, or may withdraw or revoke, a license to operate an opioid treatment program. A license may be refused if a community addiction services provider does not meet the requirements of division (C) of this section. A license may be withdrawn at any time the department determines that the provider no longer meets the requirements for receiving the license. A license may be revoked in accordance with division (L) of this section.

Once a license is issued under this section, the department shall not consider the requirement of division (C)(4) of this section in determining whether to renew, withdraw, or revoke the license or whether to reissue the license as a result of a change in ownership.

(L) If the department finds reasonable cause to believe that a community addiction services provider licensed under this section is in violation of any state or federal law or rule relating to drug abuse, the department may issue an order immediately revoking the license, subject to division (M) of this section. The department shall set a date not more than fifteen days later than the date of the order of revocation for a hearing on the continuation or cancellation of the revocation. For good cause, the department may continue the hearing on application of any interested party. In conducting hearings, the department has
all the authority and power set forth in division (J) of this section. Following the hearing, the department shall either confirm or cancel the revocation. The hearing shall be conducted in accordance with Chapter 119. of the Revised Code, except that the provider shall not be permitted to operate an opioid treatment program pending the hearing or pending any appeal from an adjudication made as a result of the hearing. Notwithstanding any provision of Chapter 119. of the Revised Code to the contrary, a court shall not stay or suspend any order of revocation issued by the department under this division pending judicial appeal.

(M) The department shall not revoke a license to operate an opioid treatment program unless all clients receiving medication used in medication-assisted treatment from the community addiction services provider are provided adequate substitute medication or treatment. For purposes of this division, the department may transfer the clients to other providers licensed to operate opioid treatment programs or replace any or all of the administrators and staff of the provider with representatives of the department who shall continue on a provisional basis the opioid treatment component of the provider's operations.

(N) Each time the department receives an application from a community addiction services provider for a license to operate an opioid treatment program, issues or refuses to issue a license, or withdraws or revokes a license, the department shall notify the board of alcohol, drug addiction, and mental health services of each alcohol, drug addiction, and mental health service district in which the provider operates.

(O) Whenever it appears to the department from files, upon complaint, or otherwise, that a community addiction services provider has engaged in any practice declared to be illegal or prohibited by section 3719.61 of the Revised Code, or any other state or federal laws or regulations relating to drug abuse, or
when the department believes it to be in the best interest of the public and necessary for the protection of the citizens of the state, the department may request criminal proceedings by laying before the prosecuting attorney of the proper county any evidence of criminality which may come to its knowledge.

(P) The department shall maintain a current list of community addiction services providers licensed by the department under this section and shall provide a copy of the current list to a judge of a court of common pleas who requests a copy for the use of the judge under division (H) of section 2925.03 of the Revised Code. The list of licensed community addiction services providers shall identify each licensed provider by its name, its address, and the county in which it is located.

Sec. 5119.43. (A) The director of mental health and addiction services may enter into agreements with any person, political subdivision, or state agency for the sale or lease of land or facilities under the jurisdiction of the director of mental health and addiction services in the following manner:

(1) The director of mental health and addiction services shall designate lands and facilities that are not needed by the department of mental health and addiction services and are under the jurisdiction of the department.

(2) The director of mental health and addiction services shall have a preliminary appraisal made of any lands or facilities designated under division (A)(1) of this section by a disinterested professional appraiser from the department of administrative services. The appraiser shall deliver to the director of mental health and addiction services a signed certificate of the probable market value of the lands and facilities as determined from the preliminary appraisal.

(3) The director of mental health and addiction services
shall certify to the clerk of the house of representatives and to the clerk of the senate a list of all lands and facilities which may be sold or leased, and shall include with the list the results of the preliminary appraisals of the lands and facilities, a general description of the land and facilities, and a description of the current use of the land and facilities.

(4) Every list of lands and facilities certified by the director of mental health and addiction services to the clerk of the house of representatives and to the clerk of the senate under division (A)(3) of this section, shall immediately be transmitted by the respective clerks to the committees in the house and the senate to which land conveyance bills are usually referred. If either committee files in its clerk's office, within sixty calendar days of the original certification of the lands and facilities by the director of mental health and addiction services, a report disapproving the sale or lease of any lands or facilities, the sale or lease of the lands or facilities disapproved in the report shall not be made under this section. With respect to a sale or lease of lands and facilities that has not been disapproved under this division, the director of mental health and addiction services shall certify those lands and facilities to the auditor of state.

(5) After certification to the auditor of state under division (A)(4) of this section, the director of mental health and addiction services shall have a formal appraisal made of the lands and facilities by a disinterested professional appraiser from the department of administrative services. The director of mental health and addiction services may accept the formal appraisal or may reject it and order a new formal appraisal by a disinterested professional appraiser who shall not be from the department of administrative services.
administrative services. The director of mental health and addiction services may then sell or lease the lands or facilities in accordance with this division and department of administrative services procedures as set forth in Chapter 123. of the Revised Code. Any such deed or lease shall be prepared and recorded pursuant to section 5301.13 of the Revised Code. The department of administrative services shall be the sole agent for the state and shall complete the sale or lease of the lands or facilities, up to and including the closing thereof, after the director of mental health and addiction services approves the sale price. The director of mental health and addiction services and the director of administrative services may, if it is determined to be in the best interests of the state, agree to sell surplus land for an amount less than the formal appraised value but shall not sell any land for less than two-thirds of the formal appraised value.

(B) Coincident with the certification made under division (A)(3) of this section concerning lands which may be sold, the director of mental health and addiction services shall give written notice of the director's intention to sell the lands by certified mail to the executive officer of each county, township, municipal corporation, and school district within which the lands are situated. In each notice, the director of mental health and addiction services shall specify the conditions under which the lands shall be sold, including whether the lands will be sold as a single unit or sold in specific parcels that the director designates, and shall solicit from the subdivision offers to purchase the lands in accordance with the conditions the director of mental health and addiction services has specified and at a price equal to the preliminary appraised value determined pursuant to division (A)(2) of this section. If, within thirty days of having certified the lands to the auditor of state direction of administrative services under division (A)(4) of this section, the director of mental health and addiction services receives from the
executive officer of a subdivision a written offer to purchase the lands at or above the price specified in the director's original notice from the director of mental health and addiction services to the officer, provided such offer otherwise complies with the conditions of purchase specified in the director's original notice from the director of mental health and addiction services, the director of mental health and addiction services shall forthwith enter into an agreement to sell the lands to the subdivision. The agreement shall incorporate any and all terms that are acceptable to both parties and that are consistent with the terms specified in the director's original notice from the director of mental health and addiction services. If no offer to purchase is received by the director of mental health and addiction services within the thirty-day period provided in this division, the director's original notice from the director of mental health and addiction services shall be considered withdrawn and the director of mental health and addiction services shall be under no obligation to sell any of the lands specified in the notice to the subdivision. If two or more offers to purchase the same parcels of land are received by the director of mental health and addiction services within the required time period from the executive officers of two or more subdivisions, the director of mental health and addiction services shall accept the offer or offers to purchase that the director considers to be in the best interests of the state and of the department of mental health and addiction services and shall proceed to enter into agreements of sale pursuant to this division. If all of the director's original notices from the director of mental health and addiction services relating to a given parcel of land become withdrawn, the director of mental health and addiction services may thereupon proceed to sell the parcel as otherwise provided in this section. No subdivision may commence an action to enforce the provisions of this division, or to seek any other legal or equitable remedy relative to this
division, with respect to any lands certified to the auditor of state director of administrative services under division (A)(4) of this section, except within sixty days of the date on which the lands were so certified.

(C) Any agreement under this section shall be at such terms as will be in the best interests of the state and the department of mental health and addiction services. However, the terms of any agreement for sale shall include a provision that the purchaser will abide by any comprehensive plan for the area that has been adopted by the local government in which the property is located before the parties enter into the agreement. No lease shall be of a duration greater than fifteen years. No agreement, except an agreement entered into under division (B) of this section, shall be entered into before the proposal to sell or lease the land or facilities has been advertised once each week for four weeks in a newspaper of general circulation in every county in which the lands or facilities are located and if the preliminary appraised value of the land to be sold or leased is more than one hundred thousand dollars, advertisement shall be made once each week for four weeks in at least two newspapers in the state having a daily circulation of one hundred thousand or more. If a city in this state is served by more than one newspaper having a circulation of one hundred thousand or more, advertisement may be made in only one of the newspapers serving the city.

(D) Each deed or lease prepared and recorded pursuant to this section shall contain a recital stating that all provisions of this section have been complied with. The recital shall be considered binding and conclusive against all subdivisions of the state provided no action has been commenced pursuant to division (B) of this section. Any deed or lease containing such a recital shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona
fide purchasers, lessees, or transferees of the property is concerned.

(E) Nothing in this section shall be construed as establishing a precedent for the disposal of state lands and facilities by other departments of the state.

Sec. 5119.99. (A) Whoever violates section 5119.333 of the Revised Code is guilty of a misdemeanor of the first degree.

(B) Whoever violates division (B) of section 5119.61 of the Revised Code is guilty of a misdemeanor of the fourth degree.

(C) Whoever violates section 5119.27 or 5119.28, division (A) of section 5119.35, division (H)(K) of section 5119.36, or division (A)(1) or (2) of section 5119.37 of the Revised Code is guilty of a felony of the fifth degree.

Sec. 5120.035. (A) As used in this section:

(1) "Community treatment provider" means a program that provides substance use disorder assessment and treatment for persons and that satisfies all of the following:

(a) It is located outside of a state correctional institution.

(b) It shall provide the assessment and treatment for qualified prisoners referred and transferred to it under this section in a suitable facility that is licensed pursuant to division (C) of section 2967.14 of the Revised Code.

(c) All qualified prisoners referred and transferred to it under this section shall reside initially in the suitable facility specified in division (A)(1)(b) of this section while undergoing the assessment and treatment.

(2) "Electronic monitoring device" has the same meaning as in section 2929.01 of the Revised Code.
(3) "State correctional institution" has the same meaning as in section 2967.01 of the Revised Code.

(4) "Qualified prisoner" means a person who satisfies all of the following:

(a) The person is confined in a state correctional institution under a prison term imposed for a felony of the third, fourth, or fifth degree that is not an offense of violence.

(b) The person has not previously been convicted of or pleaded guilty to a felony offense of violence and, within the preceding five years, has not been convicted of or pleaded guilty to a misdemeanor offense of violence.

(c) The department of rehabilitation and correction determines, using a standardized assessment tool, that the person has a substance use disorder.

(d) The person has not more than twelve months remaining to be served under the prison term described in division (A)(4)(a) of this section.

(e) The person is not serving any prison term other than the term described in division (A)(4)(a) of this section.

(f) The person is eighteen years of age or older.

(g) The person does not show signs of drug or alcohol withdrawal and does not require medical detoxification.

(h) As determined by the department of rehabilitation and correction, the person is physically and mentally capable of uninterrupted participation in the substance use disorder treatment program established under division (B) of this section.

(B) The department of rehabilitation and correction shall establish and operate a program for community-based substance use disorder treatment for qualified prisoners. The purpose of the program shall be to provide substance use disorder assessment and
treatment through community treatment providers to help reduce
substance use relapses and recidivism for qualified prisoners
while preparing them for reentry into the community and improving
public safety.

    (C)(1) The department shall determine which qualified
prisoners in its custody should be placed in the substance use
disorder treatment program established under division (B) of this
section. The department has full discretion in making that
determination. If the department determines that a qualified
prisoner should be placed in the program, the department may refer
the prisoner to a community treatment provider the department has
approved under division (E) of this section for participation in
the program and transfer the prisoner from the state correctional
institution to the provider's approved and licensed facility.
Except as otherwise provided in division (C)(3) of this section, no prisoner shall be placed under the program in any facility
other than a facility of a community treatment provider that has
been so approved. If the department places a prisoner in the
program, the prisoner shall receive credit against the prisoner's
prison term for all time served in the provider's approved and
licensed facility and may earn days of credit under section
2967.193 of the Revised Code, but otherwise neither the placement
nor the prisoner's participation in or completion of the program
shall result in any reduction of the prisoner's prison term.

    (2) If the department places a prisoner in the substance use
disorder treatment program, the prisoner does not satisfactorily
participate in the program, and the prisoner has not served the
prisoner's entire prison term, the department may remove the
prisoner from the program and return the prisoner to a state
correctional institution.

    (3) If the department places a prisoner in the substance use
disorder treatment program and the prisoner is satisfactorily
participating in the program, the department may permit the prisoner to reside at a residence approved by the department if the department determines, with input from the community treatment provider, that residing at the approved residence will help the prisoner prepare for reentry into the community and will help reduce substance use relapses and recidivism for the prisoner. If a prisoner is permitted under this division to reside at a residence approved by the department, the prisoner shall be monitored during the period of that residence by an electronic monitoring device.

(D)(1) When a prisoner has been placed in the substance use disorder treatment program established under division (B) of this section, before the prisoner is released from custody of the department upon completion of the prisoner's prison term, the department shall conduct and prepare an evaluation of the prisoner, the prisoner's participation in the program, and the prisoner's needs regarding substance use disorder treatment upon release. Before the prisoner is released from custody of the department upon completion of the prisoner's prison term, the parole board or the court acting pursuant to an agreement under section 2967.29 of the Revised Code shall consider the evaluation, in addition to all other information and materials considered, as follows:

(a) If the prisoner is a prisoner for whom post-release control is mandatory under section 2967.28 of the Revised Code, the board or court shall consider it in determining which post-release control sanction or sanctions to impose upon the prisoner under that section.

(b) If the prisoner is a prisoner for whom post-release control is not mandatory under section 2967.28 of the Revised Code, the board or court shall consider it in determining whether a post-release control sanction is necessary and, if so, which
post-release control sanction or sanctions to impose upon the prisoner under that section.

(2) If the department determines that a prisoner it placed in the substance use disorder treatment program successfully completed the program and successfully completed a term of post-release control, if applicable, and if the prisoner submits an application under section 2953.32 of the Revised Code for sealing the record of the conviction, the director may issue a letter to the court in support of the application.

(E)(1) The department shall accept applications from community treatment providers that satisfy the requirement specified in division (E)(2) of this section and that wish to participate in the substance use disorder treatment program established under division (B) of this section, and shall approve for participation in the program at least four and not more than eight of the providers that apply. To the extent feasible, the department shall approve one or more providers from each geographical quadrant of the state.

(2) Each community treatment provider that applies under division (E)(1) of this section to participate in the program shall have the provider's alcohol and drug addiction services that provide substance use disorder treatment certified by the department of mental health and addiction services under section 5119.36 of the Revised Code. A community treatment provider is not required to have the provider's halfway house or residential treatment certified by the department of mental health and addiction services.

(F) The department of rehabilitation and correction shall adopt rules for the operation of the substance use disorder treatment program it establishes under division (B) of this section and shall operate the program in accordance with this section and those rules. The rules shall establish, at a minimum,
all of the following:

(1) Criteria that establish which qualified prisoners are eligible for the program;

(2) Criteria that must be satisfied to transfer a qualified prisoner to a residence pursuant to division (C)(3) of this section;

(3) Criteria for the removal of a prisoner from the program pursuant to division (C)(2) of this section;

(4) Criteria for determining when an offender has successfully completed the program for purposes of division (D)(2) of this section;

(5) Criteria for community treatment providers to provide assessment and treatment, including minimum standards for treatment.

Sec. 5120.62. The director of rehabilitation and correction shall adopt rules under Chapter 119. of the Revised Code that govern the establishment and operation of a system that provides limited and monitored access to the internet for prisoners who are participating in an approved educational program with direct supervision that requires the use of the internet for training or research purposes solely for a use or purpose approved by the managing officer of that prisoner's institution or by the managing officer's designee. The rules shall include all of the following:

(A) Criteria by which inmates may be screened and approved for access or training involving the internet;

(B) Designation of the authority to approve internet sites for authorized use;

(C) A requirement that only pre-approved sites will be accessible on the computers used by prisoners in the educational
program;

(D) A process for the periodic review of the operation of the system, including users of the system and the sites accessed by the system;

(E) Sanctions that must be imposed against prisoners and staff members who violate department rules governing prisoner access to the internet.

Sec. 5123.025. It is hereby declared to be the policy of this state that individuals with developmental disabilities shall have access to innovative technology solutions. Technology can ensure that people with developmental disabilities have increased opportunities to live, work, and thrive in their homes, communities, and places of employment through state of the art planning, innovative technology, and supports that focus on their talents, interests, and skills.

(c) The types of goods or services are commonly obtained by other ICFs/IID from outside organizations and are not a basic element of resident care ordinarily furnished directly to residents by the ICFs/IID.

(d) The charge to the provider is in line with the charge for the goods or services in the open market and no more than the charge made under comparable circumstances to others by the supplier.

"Relative of owner" means an individual who is related to an owner of an ICF/IID by one of the following relationships:

(2) For the purpose of division (XX)(1) of this section, a renovation started on or after July 1, 1993, may include both of the following:

(a) A betterment, improvement, restoration, or replacement of assets that are affixed to a building and have a useful life of at least five years;

(b) Costs that otherwise would be considered maintenance and repair expenses if they are an integral part of the structural change that makes up the renovation project.

(3) For the purpose of division (XX)(1) of this section, "renovation" does not mean construction of additional space for beds that will be added to an ICF/IID's licensed capacity or medicaid-certified capacity.

**Sec. 5124.101.** (A) The provider of an ICF/IID in peer group 1-A, peer group 2-A, peer group 3-A, or peer group 4-A, peer group 1-B, or peer group 2-B 4 that becomes a downsized ICF/IID or partially converted ICF/IID on or after July 1, 2013, or becomes a new ICF/IID on or after that date, may file with the department of developmental disabilities a cost report covering the period specified in division (B) of this section if the following applies to the ICF/IID:

(1) In the case of an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID, the ICF/IID has either of the following on the day it becomes a downsized ICF/IID or partially converted ICF/IID:

(a) A medicaid-certified capacity that is at least ten percent less than its medicaid-certified capacity on the day immediately preceding the day it becomes a downsized ICF/IID or partially converted ICF/IID;

(b) At least five fewer beds certified as ICF/IID beds than it has on the day immediately preceding the day it becomes a downsized ICF/IID or partially converted ICF/IID.

(2) In the case of a new ICF/IID, the ICF/IID's beds are from a downsized ICF/IID and the downsized ICF/IID has either of the following on the day it becomes a downsized ICF/IID:

(a) A medicaid-certified capacity that is at least ten percent less than its medicaid-certified capacity on the day immediately preceding the day it becomes a downsized ICF/IID;

(b) At least five fewer beds certified as ICF/IID beds than it has on the day immediately preceding the day it becomes a downsized ICF/IID.
(B) A cost report filed under division (A) of this section shall cover the period that begins and ends as follows:

(a) The period begins with the day that the ICF/IID becomes a downsized ICF/IID or partially converted ICF/IID.

(b) The period ends on the last day of the last month of the first three full months of operation as a downsized ICF/IID or partially converted ICF/IID.

(2) In the case of a new ICF/IID:

(a) The period begins with the day that the provider agreement for the ICF/IID takes effect.

(b) The period ends on the last day of the last month of the first three full months that the provider agreement is in effect.

(C)(1) If the department accepts a cost report filed under division (A) of this section for an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID on or before the first day of October of a calendar year, the provider also shall do both of the following:

(a) File with the department a cost report for the ICF/IID in accordance with division (A) of section 5124.10 of the Revised Code;

(b) File with the department another cost report for the ICF/IID that covers the portion of the initial calendar year that the ICF/IID operated as a downsized ICF/IID or partially converted ICF/IID.

(2) If the department accepts a cost report filed under division (A) of this section for an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID after the first day of October of a calendar year, the provider is not required to
file a cost report that covers that calendar year in accordance
with division (A) of section 5124.10 of the Revised Code. Instead,
the provider shall file a cost report for the ICF/IID in
accordance with division (A) of section 5124.10 of the Revised
Code covering the immediately following calendar year.

(3) If the department accepts a cost report filed under
division (A) of this section for a new ICF/IID that has a provider
agreement that takes effect on or before the first day of October
of a calendar year, the provider also shall file a cost report for
the ICF/IID in accordance with division (A) of section 5124.10 of
the Revised Code covering the portion of that calendar year that
the provider agreement was in effect.

(4) If the department accepts a cost report filed under
division (A) of this section for a new ICF/IID that has a provider
agreement that takes effect after the first day of October of a
calendar year, the provider is not required to file a cost report
that covers that calendar year in accordance with division (A) of
section 5124.10 of the Revised Code. The provider shall file a
cost report for the ICF/IID in accordance with division (A) of
section 5124.10 of the Revised Code covering the immediately
following calendar year.

(1) Except as provided in division (E) of section 5124.10 of
the Revised Code, the provider fails to file the cost report with
the department not later than ninety days after the last day of
the period the cost report covers;

(2) The cost report is incomplete or inadequate.

(E) If the department accepts a cost report filed under
division (A) or (C)(1)(b) of this section, the department shall
use that cost report, rather than the cost report that otherwise would be used pursuant to section 5124.17, 5124.171, 5124.19, 5124.195, 5124.21, 5124.211, or 5124.23, or 5124.231 of the Revised Code, to determine the ICF/IID's medicaid payment rate in accordance with this chapter for ICF/IID services the ICF/IID provides during the period that begins and ends as follows:

(1) For a cost report filed under division (A) of this section, the period begins on the following:

(a) In the case of an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID:

(i) The day that the ICF/IID becomes a downsized ICF/IID or partially converted ICF/IID if that day is the first day of a month;

(b) In the case of a new ICF/IID, the day that the ICF/IID's provider agreement takes effect.

(2) For a cost report filed under division (A) of this section, the period ends on the following:

(a) In the case of an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID:

(i) The last day of the fiscal year that immediately precedes the fiscal year for which the ICF/IID is paid a rate determined using a cost report filed under division (C)(1)(b) of this section if the ICF/IID became a downsized ICF/IID or partially converted ICF/IID on or before the first day of October of a calendar year;

(ii) The last day of the fiscal year that immediately precedes the fiscal year for which the ICF/IID begins to be paid a rate determined using a cost report filed under division (C)(1)(b) of this section if the ICF/IID became a downsized ICF/IID or partially converted ICF/IID on or before the first day of October of a calendar year;
rate determined using a cost report that division (C)(2) of this
section requires be filed in accordance with division (A) of
section 5124.10 of the Revised Code if the ICF/IID became a
downsized ICF/IID or partially converted ICF/IID after the first
day of October of a calendar year.

(b) In the case of a new ICF/IID, the last day of the fiscal
year that immediately precedes the fiscal year for which the
ICF/IID begins to be paid a rate determined using a cost report
that division (C)(3) or (4) of this section requires be filed in
accordance with division (A) of section 5124.10 of the Revised
Code.

(3) For a cost report filed under division (C)(1)(b) of this
section, the period begins on the day immediately following the
day specified in division (E)(2)(a)(i) of this section.

(4) For a cost report filed under division (C)(1)(b) of this
section, the period ends on the last day of the fiscal year that
immediately precedes the fiscal year for which the ICF/IID begins
to be paid a rate determined using the cost report filed with the
department in accordance with division (A) of section 5124.10 of
the Revised Code that covers the calendar year that immediately
follows the initial calendar year that the ICF/IID operated as a
downsized ICF/IID or partially converted ICF/IID.

(F) If the department accepts a cost report filed under
division (A) or (C)(1)(b) of this section by the provider of a
downsized ICF/IID or partially converted ICF/IID, the following
modifications shall be made for the purpose of determining the
medicaid payment rate for ICF/IID services the ICF/IID provides
during the period specified in division (E) of this section:

(1) In place of the quarterly case-mix score otherwise used
in determining the ICF/IID's per medicaid day direct care costs
component rate under division (A) of section 5124.19 of the
Revised Code, the ICF/IID's case_mix score in effect on the last
day of the calendar quarter that ends during the period the cost
report covers (or, if more than one calendar quarter ends during
that period, the last of those calendar quarters) shall be used to
determine the ICF/IID's per medicaid day direct care costs
component rate if the department accepts a cost report filed under
division (A) or (C)(1)(b) of this section by the provider of a
downsized ICF/IID or partially converted ICF/IID.

(2) In place of the annual average casemix score otherwise
used in determining the ICF/IID's per medicaid day payment rate
for direct care costs under division (A) of section 5124.195 of
the Revised Code, the ICF/IID's casemix score in effect on the
last day of the calendar quarter that ends during the period the
cost report covers (or, if more than one calendar quarter ends
during that period, the last of those calendar quarters) shall be
used to determine the ICF/IID's per medicaid day payment rate for
direct care costs.

(3) The ICF/IID shall not be subject to the limit on the
costs of ownership per diem payment rate specified in divisions
(B) and (C) of section 5124.171 of the Revised Code.

(4) The ICF/IID shall not be subject to the limit on the
payment rate for per diem capitalized costs of nonextensive
renovations specified in division (E)(1) of section 5124.171 of
the Revised Code.

(5) The ICF/IID shall be subject to the limit on the total
payment rate for costs of ownership, capitalized costs of
nonextensive renovations, and the efficiency incentive specified
in division (H) of section 5124.171 of the Revised Code regardless
of whether the ICF/IID is in peer group 1-B or peer group 2-B.

Sec. 5124.15. (A) Except as otherwise provided by section
5124.101 of the Revised Code, sections 5124.151 to 5124.154 of the
Revised Code, and divisions (D)(B) and (E)(C) of this section, the total per medicaid day payment rate that the department of developmental disabilities shall pay to an ICF/IID provider for ICF/IID services the provider's ICF/IID provides during a fiscal year shall equal the sum of all of the following:

(1) Until July 1, 2021, the greater of the total per medicaid day payment rates determined under divisions (B) and (C) of this section;

(2) Beginning July 1, 2021, the total per medicaid day payment rate determined under division (B) of this section.

(B) The total per medicaid day payment rate determined under this division is the sum of all of the following:

(1) The per medicaid day capital component rate determined for the ICF/IID under section 5124.17 of the Revised Code;

(2) The per medicaid day direct care costs component rate determined for the ICF/IID under section 5124.19 of the Revised Code;

(3) The per medicaid day indirect care costs component rate determined for the ICF/IID under section 5124.21 of the Revised Code;

(4) The per medicaid day other protected costs component rate determined for the ICF/IID under section 5124.23 of the Revised Code;

(6) Beginning July 1, 2021, the sum of the following:

(a) The per medicaid day quality incentive payment determined
for the ICF/IID under section 5124.24 of the Revised Code;

(b) A direct support personnel payment equal to two and four-hundredths per cent of the ICF/IID's desk-reviewed, actual, allowable, per medicaid day direct care costs from the applicable cost report year.

(D) (B) The total per medicaid day payment rate for the following an ICF/IID that is in peer group 5 shall not exceed the average total per medicaid day payment rate in effect on July 1, 2013, for developmental centers:

(1) An ICF/IID that is in peer group 5-A for the purpose of the total per medicaid day payment rate determined under division (B) of this section;
(2) An ICF/IID that is in peer group 3-B for the purpose of the total per medicaid day payment rate determined under division (C) of this section.

(E)(C) The department shall adjust the total per medicaid day payment rate otherwise determined for an ICF/IID under divisions (B) and (C) of this section as directed by the general assembly through the enactment of law governing medicaid payments to ICF/IID providers.

(F)(1)(D)(1) In addition to paying an ICF/IID provider the total per medicaid day payment rate determined for the provider's ICF/IID under divisions (A), (B), and (C), (D), and (E) of this section for a fiscal year, the department may do either or both of the following:

(a) In accordance with section 5124.25 of the Revised Code, pay the provider a rate add-on for ventilator-dependent outlier ICF/IID services if the rate add-on is to be paid under that section and the department approves the provider's application for the rate add-on;

(2) The rate add-ons are not to be part of the ICF/IID's total per medicaid day payment rate.

Sec. 5124.151. (A) The total per medicaid day payment rate determined under section 5124.15 of the Revised Code shall not be the initial rate for ICF/IID services provided by a new ICF/IID. Instead, the initial total per medicaid day payment rate for
ICF/IID services provided by a new ICF/IID shall be determined in accordance with this section.

(B) The initial total per medicaid day payment rate for ICF/IID services provided by a new ICF/IID, other than an ICF/IID in peer group 5-A, shall be determined in the following manner:

(1) The initial per medicaid day capital component rate shall be the median per medicaid day capital component rate for the ICF/IID's peer group for the fiscal year.

(2) The initial per medicaid day direct care costs component rate shall be determined as follows:

(a) If there are no cost or resident assessment data for the new ICF/IID as necessary to determine a rate under section 5124.19 of the Revised Code, the rate shall be determined as follows:

(i) Determine the median cost per case-mix unit under division (B) of section 5124.19 of the Revised Code for the new ICF/IID's peer group for the applicable cost report year;

(ii) Multiply the amount determined under division (B)(2)(a)(i) of this section by the median annual average case-mix score for the new ICF/IID's peer group for that period;

(b) If the new ICF/IID is a replacement ICF/IID and the ICF/IID or ICFS/IID that are being replaced are in operation immediately before the new ICF/IID opens, the rate shall be the same as the rate for the replaced ICF/IID or ICFS/IID, proportionate to the number of ICF/IID beds in each replaced ICF/IID.

(c) If the new ICF/IID is a replacement ICF/IID and the ICF/IID or ICFS/IID that are being replaced are not in operation immediately before the new ICF/IID opens, the rate shall be the same as the rate for the replaced ICF/IID or ICFS/IID, proportionate to the number of ICF/IID beds in each replaced ICF/IID.
immediately before the new ICF/IID opens, the rate shall be determined under division (B)(2)(a) of this section.

(3) The initial per medicaid day indirect care costs component rate shall be the maximum rate for the new ICF/IID's peer group as determined for the fiscal year in accordance with division (C) of section 5124.21 of the Revised Code.

(3) The initial per medicaid day indirect care costs component rate shall be $59.85.

(4) The initial per medicaid day other protected costs component rate shall be $25.99.

(D)(1) Except as provided in division (D)(2) of this section, the department of developmental disabilities shall adjust a new ICF/IID's initial total per medicaid day payment rate determined under this section effective the first day of July, to reflect new rate determinations for all ICFs/IID under this chapter.

(2) If the department accepts, under division (A) of section 5124.101 of the Revised Code, a cost report filed by the provider of a new ICF/IID, the department shall adjust the ICF/IID's initial total per medicaid day payment rate in accordance with

Sub. H. B. No. 110 Page 1673
As Pending in the House Finance Committee
Sec. 5124.152. (A) The total per medicaid day payment rate determined under section 5124.15 of the Revised Code shall not be paid for ICF/IID services provided by an ICF/IID, or discrete unit of an ICF/IID, designated by the department of developmental disabilities as an outlier ICF/IID or unit. Instead, the provider of a designated outlier ICF/IID or unit shall be paid each fiscal year a total per medicaid day payment rate that the department shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The department may designate an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit if the ICF/IID or unit serves residents who have either of the following:

(1) Diagnoses or special care needs that require direct care resources that are not measured adequately by the resident assessment instrument specified in rules authorized by sections 5124.191 and 5124.196 of the Revised Code;

(2) Diagnoses or special care needs that are specified in rules authorized by this section as otherwise qualifying for consideration under this section.

(C) Notwithstanding any other provision of this chapter, the costs incurred by a designated outlier ICF/IID or unit shall not be considered in establishing medicaid payment rates for other ICFs/IID or units.

(D) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

(1)(a) The rules shall do both of the following:

(i) Specify the criteria and procedures the department will
apply when designating an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit;

(ii) Establish a methodology for prospectively determining the total per medicaid day payment rate that will be paid each fiscal year for ICF/IID services provided by a designated outlier ICF/IID or unit.

(b) The rules adopted under division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall do both of the following:

(i) Provide for consideration of whether all of the allowable costs of an ICF/IID, or discrete unit of an ICF/IID, would be paid by the rate determined under section 5124.15 of the Revised Code;

(ii) Specify the minimum number of ICF/IID beds that an ICF/IID, or discrete unit of an ICF/IID, must have to be designated an outlier ICF/IID or unit.

(c) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall not limit the designation to ICFs/IID, or discrete units of ICFs/IID, located in large cities.

(d) The rules authorized by division (D)(1)(a)(ii) of this section regarding the methodology for prospectively determining the rates of designated outlier ICFs/IID and units shall provide for the methodology to consider the historical costs of providing ICF/IID services to the residents of designated outlier ICFs/IID and units.

(2)(a) The rules may do both of the following:

(i) Include for designation as an outlier ICF/IID or unit, an ICF/IID, or discrete unit of an ICF/IID, that serves residents who have complex medical conditions or severe behavioral problems;

(ii) Require that a designated outlier ICF/IID or unit
receive authorization from the department before admitting or retaining a resident.

(b) If the director adopts rules authorized by division (D)(2)(a)(ii) of this section regarding the authorization of a designated outlier ICF/IID or unit to admit or retain a resident, the rules shall specify the criteria and procedures the department will apply when granting the authorization.

Sec. 5124.17. (A) For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day capital component rate. An ICF/IID's rate for a fiscal year shall equal the sum of the following:

(b) One and six-tenths per cent.

(3) An ICF/IID's current asset value is the product of the following:

(a) The ICF/IID's value per square foot as determined under division (C)(4) of this section;

(5) The department shall not reset a peer group's maximum cost per case-mix unit for a fiscal year under division (C)(1) or (2) of this section based on additional information that the department receives after it sets the maximum for that fiscal year. The department shall reset a peer group's maximum cost per case-mix unit for a fiscal year only if it made an error in setting the maximum for that fiscal year based on information available to the department at the time it originally sets the maximum for that fiscal year.

(D) The department shall estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable cost report year and ending on the last day of December of the fiscal year for which the rate is determined, using the following:

(1) Subject to division (D)(2) of this section, the employment cost index for total compensation, health care and social assistance component, published by the United States bureau of labor statistics;

and compile complete assessment data on the residents. The department shall perform the initial assessment of an ICF/IID resident. The department may perform a subsequent assessment of an ICF/IID resident under any of the following circumstances:

1. The provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave has submitted to the department under division (D) of this section revised assessment data for the resident or an attestation of no changes in the resident's assessment data and the department has reason to believe that the revised assessment data or attestation is inaccurate;

2. The department has reason to believe that the resident's most recent assessment no longer accurately reflects the resident's condition;

3. The department determines that the resident's most recent assessment should be updated because of the passage of time since that assessment was performed.

(C) If an ICF/IID provider disagrees with the results of an assessment performed by the department under this section, the provider may request that the department reconsider the results in accordance with rules adopted under section 5124.03 of the Revised Code.

(D) After the department assesses an ICF/IID resident under this section, the provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave shall submit to the department, not later than fifteen days after the end of each subsequent calendar quarter and through the medium or media specified in rules adopted under section 5124.03 of the Revised Code, either of the following:

The resident assessment instrument used for the purpose of this section may be different from the resident assessment instrument used for the purpose of section 5124.196 of the Revised Code.

Sec. 5124.21. (A) For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day indirect care costs component rate. An ICF/IID's rate shall be the lesser of the individual rate determined under division (B) of this section and the maximum rate determined for the ICF/IID's peer group under division (C) of this section.

(B) An ICF/IID's individual rate is the sum of the following:

(1) The ICF/IID's desk-reviewed, actual, allowable, per diem indirect care costs for the applicable cost report year, adjusted for the inflation rate estimated under division (E) of this section;

(2) Subject to division (D) of this section, an efficiency incentive equal to the difference between the amount of the per diem indirect care costs for the applicable cost report year determined for the ICF/IID under division (B)(1) of this section and the maximum rate established for the ICF/IID's peer group under division (C) of this section for that year.

(C)(1) The maximum rate for an ICF/IID's peer group shall be the following percentage above the peer group's median per diem indirect care costs for the applicable cost report year:

(a) For ICFs/IID in peer group 1-A, eight per cent;
(b) For ICFs/IID in peer group 2-A\textsubscript{2} or peer group 3-A\textsubscript{3}, ten per cent;

(2) The department shall not redetermine a peer group's maximum rate under division (C)(1) of this section based on additional information that it receives after the maximum rate is set. The department shall redetermine a peer group's maximum rate only if the department made an error in computing the maximum rate based on the information available to the department at the time of the original calculation.

(D) The efficiency incentive for an ICF/IID shall not exceed the following:

(1) If the ICF/IID is in peer group 1-A\textsubscript{1}, five per cent of the peer group's maximum rate established under division (C)(1)(a) of this section;

(2) If the ICF/IID is in peer group 2-A\textsubscript{2}, peer group 3-A\textsubscript{3}, peer group 4-A\textsubscript{4}, or peer group 5-A\textsubscript{5}, six per cent of the peer group's maximum rate established under division (C)(1)(b) or (c) of this section.

(E) When adjusting rates for inflation under division (B)(1) of this section, the department shall estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable cost report year and ending on the thirty-first day of December of the fiscal year for which the rate is determined. To estimate the rate of inflation, the department shall use the following:

(1) Subject to division (E)(2) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics;
(2) If the United States bureau of labor statistics ceases to publish the index specified in division (E)(1) of this section, a comparable index that the bureau publishes and the department determines is appropriate.

Sec. 5124.23. For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day other protected costs component rate. An ICF/IID's rate shall be the ICF/IID's desk-reviewed, actual, allowable, per diem other protected costs from the applicable cost report year, adjusted for inflation using the following:

(A) Subject to division (B) of this section, the consumer price index for all urban consumers for nonprescription drugs and medical supplies, as published by the United States bureau of labor statistics;

(B) If the United States bureau of labor statistics ceases to publish the index specified in division (B)(1)(A) of this section, the index that is subsequently published by the bureau and covers nonprescription drugs and medical supplies.

Sec. 5124.29. Except as otherwise provided in section 5124.30 of the Revised Code, the department of developmental disabilities, in determining whether an ICF/IID's direct care costs and indirect care costs are allowable, shall place no limit on specific categories of reasonable costs other than compensation of owners, compensation of relatives of owners, and compensation of administrators.

Compensation cost limits for owners and relatives of owners shall be based on compensation costs for individuals who hold comparable positions but who are not owners or relatives of owners, as reported on ICFs/IID's cost reports. As used in this section, "comparable position" means the position that is held by
the owner or the owner's relative, if that position is listed separately on the cost report form, or if the position is not listed separately, the group of positions that is listed on the cost report form and that includes the position held by the owner or the owner's relative. In the case of an owner or owner's relative who serves the ICFs/IID in a capacity such as corporate officer, proprietor, or partner for which no comparable position or group of positions is listed on the cost report form, the compensation cost limit shall be based on civil service equivalents and shall be specified in rules adopted under section 5124.03 of the Revised Code.

Compensation cost limits for administrators shall be based on compensation costs for administrators who are not owners or relatives of owners, as reported on ICFs/IID's cost reports. For the purpose of determining an ICF/IID's total per medicaid day payment rate under division (C) of section 5124.15 of the Revised Code, compensation cost limits for administrators of four or more ICFs/IID shall be the same as the limits for administrators of ICFs/IID with one hundred fifty or more beds.

Sec. 5124.30. Except as provided in sections section 5124.17 and 5124.171 of the Revised Code, the costs of goods, services, and facilities, furnished to an ICF/IID provider by a related party are includable in the allowable costs of the provider at the reasonable cost to the related party.

Sec. 5124.38. (A) The director of developmental disabilities shall establish a process under which an ICF/IID provider, or a group or association of ICF/IID providers, may seek reconsideration of medicaid payment rates established under this chapter, including a rate for direct care costs redetermined before the effective date of the rate as a result of an exception review conducted under section 5124.198 of the Revised Code.
Except as provided in divisions (B) to (E) of this section, the only issue that a provider, group, or association may raise in the rate reconsideration is whether the rate was calculated in accordance with this chapter and the rules adopted under section 5124.03 of the Revised Code. The provider, group, or association may submit written arguments or other materials that support its position. The provider, group, or association and department shall take actions regarding the rate reconsideration within time frames specified in rules authorized by this section.

If the department determines, as a result of the rate reconsideration, that the rate established for one or more ICFs/IID is less than the rate to which the ICF/IID is entitled, the department shall increase the rate. If the department has paid the incorrect rate for a period of time, the department shall pay the provider of the ICF/IID the difference between the amount the provider was paid for that period for the ICF/IID and the amount the provider should have been paid for the ICF/IID.

(B)(1) The department, through the rate reconsideration process, may increase during a fiscal year the medicaid payment rate determined for an ICF/IID under this chapter if the provider demonstrates that the ICF/IID's actual, allowable costs have increased because of any of the following extreme circumstances:

(a) A natural disaster;

(b) A nonextensive renovation approved under division (E) of section 5124.171 of the Revised Code;

(c) If the ICF/IID has an appropriate claims management program, an increase in the ICF/IID's workers' compensation experience rating of greater than five per cent;

(d) If the ICF/IID is an inner-city ICF/IID, increased security costs;
(e) (d) A change of ownership that results from bankruptcy, foreclosure, or findings by the department of health of violations of medicaid certification requirements;

(f) (e) Other extreme circumstances specified in rules authorized by this section.

(2) An ICF/IID may qualify for a rate increase under this division only if its per diem, actual, allowable costs have increased to a level that exceeds its total rate. An increase under this division is subject to any rate limitations or maximum rates established by this chapter for specific cost centers. Any rate increase granted under this division shall take effect on the first day of the first month after the department receives the request.

(C) The department, through the rate reconsideration process, may increase an ICF/IID's rate as determined under this chapter if the department, in the department's sole discretion, determines that the rate as determined under those sections works an extreme hardship on the ICF/IID.

(D)(1) When Subject to any applicable limitation under section 5124.17 of the Revised Code, when beds certified for the medicaid program are added to an existing ICF/IID or replaced at the same site, the department, through the rate reconsideration process, may do either of the following to account for the costs of the beds that are added or replaced:

(a) Subject to any applicable limitation under section 5124.17 of the Revised Code, proportionately increase the ICF/IID's per medicaid day capital component rate determined under that section;

(b) Subject to any applicable limitation under section 5124.171 of the Revised Code, proportionately increase the ICF/IID's per medicaid day payment rate for reasonable capital
costs determined under that section to account for the costs of the beds that are added or replaced.

(2) If the department grants an increase under division (D)(1) of this section, the increase shall go into effect one month after the first day of the month after the department receives sufficient documentation needed to determine the amount of the increase.

(3) Any rate increase of an ICF/IID's per medicaid day payment rate for reasonable capital costs determined under section 5124.171 of the Revised Code that is granted under division (D)(1)(b) of this section after June 30, 1993, shall remain in effect until the earlier of the following:

(a) The effective date of a per medicaid day payment rate for reasonable capital costs determined under section 5124.171 of the Revised Code that includes costs incurred for a full calendar year for the bed addition or bed replacement;

(b) The date the provider of the ICF/IID begins to be paid a rate determined under division (B) of section 5124.15 of the Revised Code.

(4) The provider of an ICF/IID that has its per medicaid day payment rate for reasonable capital costs increased under division (D)(1)(b) of this section shall report double accumulated depreciation in an amount equal to the depreciation included in the rate adjustment on its cost report for the first year of operation. During the term of any loan used to finance a project for which the rate increase is granted, the provider, if the ICF/IID is operated by the same provider, shall subtract from the interest costs it reports on the ICF/IID's cost report an amount equal to the difference between the following:

(a) The actual, allowable interest costs for the loan during the calendar year for which the costs are being reported;
(b) The actual, allowable interest costs attributable to the loan that were used to calculate the rates paid to the provider for the ICF/IID during the same calendar year.

(E) If the provider of an ICF/IID submits to the department revised assessment data for a resident of the ICF/IID under division (D) of section 5124.191 of the Revised Code and the revised assessment data results in at least a fifteen per cent increase in the ICF/IID's case-mix score determined under section 5124.193 of the Revised Code, the provider may request that the department, through the rate reconsideration process, increase the ICF/IID's per medicaid day direct care costs component rate determined under section 5124.19 of the Revised Code to account for the increase in the ICF/IID's case-mix score. If the department determines that the revised assessment data so increases the ICF/IID's case-mix score, the department shall grant the rate increase. The increase shall go into effect one month after the first day of the month after the department receives sufficient documentation needed to determine the amount of the increase.

(F) The department's decision at the conclusion of a rate reconsideration process is not subject to any administrative proceedings under Chapter 119. or any other provision of the Revised Code.

(G) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

Sec. 5124.39. (A) Except as provided in divisions (B) and (C) of this section, if the provider of an ICF/IID in former peer group 1-B, as that group existed on the date immediately preceding the effective date of this amendment, obtained approval from the department of developmental disabilities to become a downsized
ICF/IID not later than July 1, 2018, and the ICF/IID does not become a downsized ICF/IID by that date, the department shall recoup from the provider an amount equal to the sum of the following:

(1) The difference between the amount of the efficiency incentive payments the ICF/IID earned under former sections 5124.171 and 5124.211 of the Revised Code, as those sections existed on the date immediately preceding the effective date of this amendment, because the provider obtained such approval and the amount of the efficiency incentive payments the ICF/IID would have earned under those sections had the provider not obtained such approval;

(2) An amount of interest on the difference determined under division (A)(1) of this section.

(B) The department shall exempt an ICF/IID provider from a recoupment otherwise required by this section if the provider voluntarily repays the department the difference determined under division (A)(1) of this section. No interest shall be charged on the amount voluntarily repaid.

(C) The department may exempt an ICF/IID provider from a recoupment otherwise required by this section if both of the following apply:

(1) The provider, on or before July 1, 2018, demonstrates to the department's satisfaction that the provider made a good faith effort to complete the downsizing by July 1, 2018, but the ICF/IID did not become a downsized ICF/IID by that date for reasons beyond the provider's control;

(2) The ICF/IID becomes a downsized ICF/IID within a period of time after July 1, 2018, that the department determines is reasonable.
(D) An ICF/IID provider subject to a recoupment under division (A) of this section or voluntarily making a repayment under division (B) of this section shall choose one of the following methods by which the recoupment or voluntary repayment shall be made:

(1) In a lump sum payment;

(2) Subject to the department's approval, in installment payments;

(3) In a single deduction from the next available medicaid payment made to the provider if that payment at least equals the total amount of the recoupment or voluntary repayment;

(4) Subject to the department's approval, in installment deductions from medicaid payments made to the provider.

(E) An ICF/IID provider may request that the director of developmental disabilities reconsider either or both of the following:

(1) A decision that the provider is subject to a recoupment under this section;

(2) A determination under this section of the amount to be recouped from the provider.

(F) The director shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section, including rules specifying how the amount of interest charged under division (A)(2) of this section is to be determined.

Sec. 5124.40. If an ICF/IID provider properly amends a cost report for an ICF/IID under section 5124.107 of the Revised Code and the amended report shows that the provider received a lower medicaid payment rate under the original cost report than the provider was entitled to receive, the department of developmental disabilities shall adjust the provider's rate for the ICF/IID.
prospectively to reflect the corrected information. The department shall pay the adjusted rate beginning two months after the first day of the month after the provider files the amended cost report.

If the department finds, from an exception review of resident assessment data conducted pursuant to section 5124.198 of the Revised Code after the effective date of an ICF/IID's rate for direct care costs that is based on the resident assessment data, that inaccurate resident assessment data resulted in the provider receiving a lower rate for the ICF/IID than the provider was entitled to receive, the department prospectively shall adjust the provider's rate for the ICF/IID accordingly. The department shall make payments to the provider using the adjusted rate for the remainder of the calendar quarter for which the resident assessment data is used to determine the rate, beginning one month after the first day of the month after the exception review is completed.

Sec. 5124.41. (A) The department of developmental disabilities shall redetermine a provider's medicaid payment rate for an ICF/IID using revised information if any of the following results in a determination that the provider received a higher medicaid payment rate for the ICF/IID than the provider was entitled to receive:

(1) The provider properly amends a cost report for the ICF/IID under section 5124.107 of the Revised Code;

(2) The department makes a finding based on an audit under section 5124.109 of the Revised Code;

(3) The department makes a finding based on an exception review of resident assessment data conducted under section 5124.198 of the Revised Code after the effective date of the ICF/IID's rate for direct care costs that is based on the resident assessment data.
(B) The department shall apply the redetermined rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment. The department may charge the provider the following amount of interest from the time the overpayment was made:

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be not greater than one and one-half times the current average bank prime rate.

(2) If the overpayment resulted from costs reported for a subsequent calendar year:

(a) The interest shall be not greater than two times the current average bank prime rate if the overpayment was not more than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.

(b) The interest shall be not greater than two and one-half times the current average bank prime rate if the overpayment was more than one per cent of the total medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.

Sec. 5124.46. All of the following are subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code:

(A) Any audit disallowance that the department of developmental disabilities makes as the result of an audit under section 5124.109 of the Revised Code;

(B) Any adverse finding that results from an exception review of resident assessment data conducted for an ICF/IID under section
5124.198 of the Revised Code after the effective date of the
ICF/IID's medicaid payment rate for direct care costs that is
based on the resident assessment data;

(C) Any medicaid payment deemed an overpayment under section
5124.523 of the Revised Code;

(D) Any penalty the department imposes under section
5124.42 of the Revised Code or section 5124.523 of the Revised

part of the assessment and evaluation process, all of the
following apply:

(a) The county board shall make a recommendation to the
department of developmental disabilities on whether the department
should approve or deny the individual's application for the
services, including on the basis of whether the individual needs
the level of care an ICF/IID provides.
(b) If the individual's application is denied because of the county board's recommendation and the individual appeals pursuant to section 5160.31 of the Revised Code, the county board shall present, with the department of developmental disabilities or department of medicaid, whichever denies the application, the reasons for the recommendation and denial at the hearing.

(c) If the individual's application is approved, the county board shall recommend to the departments of developmental disabilities and medicaid the services that should be included in the individual service plan. (2) Perform any duties assigned to the county board in rules adopted under section 5126.046 of the Revised Code regarding the individual's right to choose a qualified and willing provider of the services and, at a hearing held pursuant to an appeal made under section 5160.31 of the Revised Code, present evidence of the process for appropriate assistance in choosing providers;

(3) If the county board is certified under section 5123.161 of the Revised Code to provide the services and agrees to provide the services to the individual and the individual chooses the county board to provide the services, furnish, in accordance with the county board's medicaid provider agreement and for the authorized reimbursement rate, the services the individual requires;

(4) Monitor the services provided to the individual and ensure the individual's health, safety, and welfare. The
monitoring shall include quality assurance activities. If the county board provides the services, the department of developmental disabilities shall also monitor the services.

(5) Develop, with the individual and the provider of the individual's services, an effective individual service plan that includes coordination of services, recommend that the departments of developmental disabilities and medicaid approve the plan, and implement the plan unless either department disapproves it. The plan shall include a summary page, agreed to by the county board, provider, and individual receiving services, that clearly outlines the amount, duration, and scope of services to be provided under the plan.

(6) Have an investigative agent conduct investigations under section 5126.313 of the Revised Code that concern the individual;

The communication and training shall include issues regarding audit protocols and other standards established by the United States department of health and human services that the departments determine appropriate for communication and training. County boards shall participate in the training. The departments shall assess the county board's compliance against uniform standards that the departments shall establish.

(D) A county board may not delegate its medicaid local administrative authority granted under this section but may contract with a person or government entity, including a council of governments, for assistance with its medicaid local administrative authority. A county board that enters into such a contract shall notify the director of developmental disabilities. The notice shall include the tasks and responsibilities that the contract gives to the person or government entity. The person or government entity shall comply in full with all requirements to which the county board is subject regarding the person or government entity's tasks and responsibilities under the contract. The county board remains ultimately responsible for the tasks and responsibilities.

(E) A county board that has medicaid local administrative authority under this section shall, through the departments of developmental disabilities and medicaid, reply to, and cooperate in arranging compliance with, a program or fiscal audit or program violation exception that a state or federal audit or review discovers. The department of medicaid shall timely notify the department of developmental disabilities and the county board of any adverse findings. After receiving the notice, the county
board, in conjunction with the department of developmental disabilities, shall cooperate fully with the department of medicaid and timely prepare and send to the department a written plan of correction or response to the adverse findings. The county board is liable for any adverse findings that result from an action it takes or fails to take in its implementation of medicaid local administrative authority.

(F) If the department of developmental disabilities or department of medicaid determines that a county board's implementation of its medicaid local administrative authority under this section is deficient, the department that makes the determination shall require that county board do the following:

(1) If the deficiency affects the health, safety, or welfare of an individual with a developmental disability, correct the deficiency within twenty-four hours;

(2) If the deficiency does not affect the health, safety, or welfare of an individual with a developmental disability, receive technical assistance from the department or submit a plan of correction to the department that is acceptable to the department within sixty days and correct the deficiency within the time required by the plan of correction.

Sec. 5126.056. (A) The department of developmental disabilities shall take action under division (B) of this section against a county board of developmental disabilities if any either of the following are the case:

(1) The county board fails to submit to the department all the components of its annual plan required by section 5126.054 of the Revised Code.

(4) The county board fails to correct a deficiency within the time required by division (F) of section 5126.055 of the Revised Code to the satisfaction of the department.

(5) (2) The county board fails to submit an acceptable plan of correction to the department within the time required by division (F)(2) of section 5126.055 of the Revised Code.

(B) If required by division (A) of this section to take action against a county board, the department shall issue an order terminating the county board's medicaid local administrative authority over all or part of home and community-based services, medicaid case management services, or all or part of both of those services. The department shall provide a copy of the order to the board of county commissioners, senior probate judge, county auditor, and president and superintendent of the county board. The department shall specify in the order the medicaid local administrative authority that the department is terminating, the reason for the termination, and the county board's option and responsibilities under this division.

A county board whose medicaid local administrative authority is terminated may, not later than thirty days after the department issues the termination order, recommend to the department that another county board that has not had any of its medicaid local administrative authority terminated or another entity the department approves administer the services for which the county board's medicaid local administrative authority is terminated. The department may contract with the other county board or entity to administer the services. If the department enters into such a contract, the county board shall adopt a resolution giving the other county board or entity full medicaid local administrative authority over the services that the other county board or entity
is to administer. The other county board or entity shall be known as the contracting authority.

If the department rejects the county board's recommendation regarding a contracting authority, the county board may appeal the rejection under section 5123.043 of the Revised Code.

If the county board does not submit a recommendation to the department regarding a contracting authority within the required time or the department rejects the county board's recommendation and the rejection is upheld pursuant to an appeal, if any, under section 5123.043 of the Revised Code, the department shall appoint an administrative receiver to administer the services for which the county board's medicaid local administrative authority is terminated. To the extent necessary for the department to appoint an administrative receiver, the department may utilize employees of the department, management personnel from another county board, or other individuals who are not employed by or affiliated with in any manner a person that provides home and community-based services or medicaid case management services pursuant to a contract with any county board. The administrative receiver shall assume full administrative responsibility for the county board's services for which the county board's medicaid local administrative authority is terminated.

The contracting authority or administrative receiver shall develop and submit to the department a plan of correction to remediate the problems that caused the department to issue the termination order. If, after reviewing the plan, the department approves it, the contracting authority or administrative receiver shall implement the plan.

The county board shall transfer control of state and federal funds it is otherwise eligible to receive for the services for which the county board's medicaid local administrative authority is terminated and funds the county board may use under division from the county board to the administrative receiver.
(A) of section 5126.0511 of the Revised Code to pay the nonfederal share of the services that the county board is required by sections 5126.059 and 5126.0510 of the Revised Code to pay. The county board shall transfer control of the funds to the contracting authority or administrative receiver administering the services. The amount the county board shall transfer shall be the amount necessary for the contracting authority or administrative receiver to fulfill its duties in administering the services, including its duties to pay its personnel for time worked, travel, and related matters. If the county board fails to make the transfer, the department may withhold the state and federal funds from the county board and bring a mandamus action against the county board in the court of common pleas of the county served by the county board or in the Franklin county court of common pleas. The mandamus action may not require that the county board transfer any funds other than the funds the county board is required by division (B) of this section to transfer.

The contracting authority or administrative receiver has the right to authorize the payment of bills in the same manner that the county board may authorize payment of bills under this chapter and section 319.16 of the Revised Code.

Sec. 5126.071. (A) As used in this section, "minority business enterprise" has the meaning given in division (E)(1) of section 122.71 of the Revised Code.

(B) Any minority business enterprise that desires to bid on a contract under division (C) or (D) of this section shall first apply to the equal employment opportunity coordinator in the department of administrative services development for certification as a minority business enterprise. The coordinator shall approve the application of any minority business enterprise that complies with the rules adopted under section...
122.71 of the Revised Code. The director shall prepare and maintain a list of minority business enterprises certified under this section.

(C) From the contracts to be awarded for the purchases of equipment, materials, supplies, insurance, and nonprogram services, other than contracts entered into and exempt under sections 307.86 and 5126.05 of the Revised Code, each county board of developmental disabilities shall select a number of contracts with an aggregate value of approximately fifteen per cent of the total estimated value of such contracts to be awarded in the current calendar year. The board shall set aside the contracts so selected for bidding by minority business enterprises only. The bidding procedures for such contracts shall be the same as for all other contracts awarded under section 307.86 of the Revised Code, except that only minority business enterprises certified and listed under division (B) of this section shall be qualified to submit bids. Contracts set aside and awarded under this section shall not include contracts for the purchase of services such as direct and ancillary services, service and support administration, residential services, and family support services.

(D) To the extent that a board is authorized to enter into contracts for construction which are not exempt from the competitive bidding requirements of section 307.86 of the Revised Code, the board shall set aside a number of contracts the aggregate value of which equals approximately five per cent of the aggregate value of construction contracts for the current calendar year for bidding by minority business enterprises only. The bidding procedures for the contracts set aside for minority business enterprises shall be the same as for all other contracts awarded by the board, except that only minority business enterprises certified and listed under division (B) of this section shall be qualified to submit bids.
Any contractor awarded a construction contract pursuant to this section shall make every effort to ensure that certified minority business subcontractors and materials suppliers participate in the contract. In the case of contracts specified in this division, the total value of subcontracts awarded to and materials and services purchased from minority businesses shall be at least ten per cent of the total value of the contract, wherever possible and whenever the contractor awards subcontracts or purchases materials or services.

(E) In the case of contracts set aside under divisions (C) and (D) of this section, if no bid is submitted by a minority business enterprise, the contract shall be awarded according to normal bidding procedures. The board shall from time to time set aside such additional contracts as are necessary to replace those contracts previously set aside on which no minority business enterprise bid.

(F) This section does not preclude any minority business enterprise from bidding on any other contract not specifically set aside for minority business enterprises.

(G) Within ninety days after the beginning of each calendar year, each county board of developmental disabilities shall file a report with the department of developmental disabilities that shows for that calendar year the name of each minority business enterprise with which the board entered into a contract, the value and type of each such contract, the total value of contracts awarded under divisions (C) and (D) of this section, the total value of contracts awarded for the purchases of equipment, materials, supplies, or services, other than contracts entered into under the exemptions of sections 307.86 and 5126.05 of the Revised Code, and the total value of contracts entered into for construction.

(H) Any person who intentionally misrepresents that person as
owning, controlling, operating, or participating in a minority business enterprise for the purpose of obtaining contracts or any other benefits under this section shall be guilty of theft by deception as provided for in section 2913.02 of the Revised Code.

(2) The cost report shall contain information on the previous calendar year's income and expenditures. Once filed by a regional council or board, no changes may be made to the cost report, including the submission of additional documentation, except as otherwise provided in this section.

(C) Each cost report filed under this section by a regional council or board shall may be audited by the department or an entity designated by the department, utilizing methodology approved by the United States centers for medicare and medicaid.
services. The department or designated entity shall notify the regional council or board of the date on which the audit is to begin. The department may permit a regional council or board to submit changes to the cost report before the audit begins.

If the department or designated entity determines that a filed cost report is not auditable, it shall provide written notification to the regional council or board of the cost report's deficiencies and may request additional documentation. If the department or designated entity requests additional documentation, the regional council or board shall be given sixty days after the request is made to provide the additional documentation. After sixty days, the department or designated entity shall determine whether the cost report is auditable with any additional documentation provided and shall notify the regional council or board of its determination. The determination of the department or designated entity is final.

(D) The department or designated entity shall certify its audit as complete and file a copy of the certified audit in the office of the clerk of the governing body, executive officer of the governing body, and chief fiscal officer of the audited regional council or board. Changes may not be made to a cost report once the department or designated entity files the certified audit. The cost report is not a public record under section 149.43 of the Revised Code until copies of the cost report are filed pursuant to this section.

(E) The department may withhold any funds that it distributes to a regional council or board as subsidy payments if either of the following is the case:

(1) The cost report is not timely filed by the regional council or board with the department in accordance with division (B) of this section.
(2) The cost report is determined not auditable under division (C) of this section after the department or designated entity gives the regional council or board sixty days to provide additional documentation.

(F) Cost reports shall be retained by regional councils and boards for seven years. The department shall provide annual training to regional council and board employees regarding cost reports required by this section.

(G) The department, in accordance with Chapter 119. of the Revised Code, may adopt any rules necessary to implement this section.

Sec. 5145.31. (A) As used in this section, "computer," "computer network," "computer system," "computer services," "telecommunications service," and "information service" have the same meanings as in section 2913.01 of the Revised Code.

(B) No officer or employee of a correctional institution under the control or supervision of the department of rehabilitation and correction shall provide a prisoner access to or permit a prisoner to have access to the internet through the use of a computer, computer network, computer system, computer services, telecommunications service, or information service unless both of the following apply:

(1) The prisoner is participating in an approved educational program with direct supervision that requires the use of the internet for training or research purposes accessing the internet solely for a use or purpose approved by the managing officer of that prisoner's institution or by the managing officer's designee.

(2) The provision of and access to the internet is in accordance with rules promulgated by the department of rehabilitation and correction pursuant to section 5120.62 of the
Revised Code.

Department expenditures for administration of both programs of subsidies shall not exceed ten per cent of the moneys appropriated for each of the purposes of this division.

(2) Adopt and promulgate rules, under Chapter 119. of the
Revised Code, providing standards for community corrections programs. The standards adopted by the department shall specify the class of offender whose degree of felony, whose community control sanction revocation history, or whose risk level as assessed by the single validated risk assessment tool described in section 5120.114 of the Revised Code, make the offender suitable for participation in community corrections programs. The rules shall make the level of subsidy provided to every county or group of counties contingent upon the number of offenders participating in community corrections programs each fiscal year who satisfy the participation suitability standards established by the department and upon the outcomes of any performance-based standards established by the department. The standards shall be designed to improve the quality and efficiency of the programs, to support evidence-based policies and practices, as defined by the department, and to reduce the number of persons committed to state correctional institutions and to county, multicounty, municipal, municipal-county, or multicounty-municipal jails or workhouses for offenses for which community control sanctions are authorized under section 2929.13, 2929.15, or 2929.25 of the Revised Code. In developing the standards, the department shall consult with, and seek the advice of, local corrections agencies, law enforcement agencies, and other public and private agencies concerned with corrections. The department shall conduct, and permit participation by local corrections planning boards established under section 5149.34 of the Revised Code and joint county corrections planning boards established under section 5149.35 of the Revised Code in, an annual review of the standards to measure their effectiveness in promoting the purposes specified in this division and shall amend or rescind any existing rule providing a standard or adopt and promulgate additional rules providing standards, under Chapter 119. of the Revised Code, if the review indicates that the standards fail to promote the purposes.
(3) Accept and use any funds, goods, or services from the federal government or any other public or private source for the support of the subsidy programs established under division (A) of this section. The department may comply with any conditions and enter into any agreements that it considers necessary to obtain these funds, goods, or services.

(4) Adopt rules, in accordance with Chapter 119. of the Revised Code, and do all other things necessary to implement sections 5149.30 to 5149.37 of the Revised Code;

(5) Evaluate or provide for the evaluation of community corrections programs funded by the subsidy programs established under division (A)(1) of this section and establish means of measuring their effectiveness;

(6) Prepare an annual report evaluating the subsidy programs established under division (A)(1) of this section. The report shall include, but need not be limited to, analyses of the structure of the programs and their administration by the department, the effectiveness of the programs in the development and implementation of community corrections programs, the specific standards adopted and promulgated under division (A)(2) of this section and their effectiveness in promoting the purposes of the programs, and the findings of the evaluations conducted under division (A)(5) of this section. The director of rehabilitation and correction shall review and certify the accuracy of the report and provide copies of it, upon request, to members of the general assembly.

(7) Provide training or assistance, upon the request of a local corrections planning board or a joint county corrections planning board, to any local unit of government, subject to available resources of the department.

(B)(1) In order to be eligible for the subsidies under this
section, counties, groups of counties, and municipal corporations shall satisfy all applicable requirements under sections 2301.27 and 2301.30 of the Revised Code and, except for sentencing decisions made by a court when use of the risk assessment tool is discretionary, shall utilize the single validated risk assessment tool selected by the department under section 5120.114 of the Revised Code.

(2) The department shall give any county, group of counties, or municipal corporation found to be noncompliant with the requirements described in division (B)(1) of this section a reasonable period of time to come into compliance. If the noncompliant county, group of counties, or municipal corporation does not become compliant after a reasonable period of time, the department shall reduce or eliminate the subsidy granted to that county, group of counties, or municipal corporation.

Sec. 5149.311. (A) The department of rehabilitation and correction shall establish and administer the probation improvement grant and the probation incentive grant for common pleas, municipal, and county court probation departments and community-based correctional facilities that supervise offenders sentenced by courts of common pleas, municipal courts, or county courts.

(B)(1) The probation improvement grant shall provide funding to common pleas, municipal, and county court probation departments and community-based correctional facilities to adopt policies and practices based on the latest research on how to reduce the number of offenders on probation supervision who violate the conditions of their supervision.

(2) The department shall adopt rules for the distribution of the probation improvement grant, including both of the following:

(a) The formula for the allocation of the subsidy based on
the number of offenders placed on probation annually in each
jurisdiction;

(b) The allocation of funds for the purpose of offsetting
costs incurred by political subdivisions in relation to offenders
who are prohibited from serving the term of imprisonment in an
institution under the control of the department of rehabilitation
and correction pursuant to division (B)(3)(c) (B)(3)(a) of section
2929.34 of the Revised Code.

(C)(1) The probation incentive grant shall provide a
performance-based level of funding to common pleas, municipal, and
county court probation departments and community-based
correctional facilities that are successful in reducing the number
of offenders on probation supervision whose terms of supervision
are revoked.

(2) The department shall calculate annually any cost savings
realized by the state from a reduction in the percentage of people
who are incarcerated because their terms of supervised probation
were revoked. The cost savings estimate shall be calculated for
each jurisdiction served by the probation department or
community-based correctional facility eligible for a grant under
this section and be based on the difference from the average of
such commitments from the five calendar years immediately
preceding the calendar year in which application for the grant was
made and the fiscal year under examination.

(3) The department shall adopt rules that specify the subsidy
amount to be appropriated to common pleas, municipal, and county
court probation departments and community-based correctional
facilities that successfully reduce the percentage of people on
probation who are incarcerated because their terms of supervision
are revoked.

(D) The following stipulations apply to both the probation

improvement grant and the probation incentive grant:

(1) In order to be eligible for the probation improvement grant and the probation incentive grant, common pleas, municipal, and county courts must satisfy all requirements under sections 2301.27 and 2301.30 of the Revised Code. Except for sentencing decisions made by a court when use of the risk assessment tool is discretionary, in order to be eligible for the probation improvement grant and the probation incentive grant, a court or community-based correctional facility must utilize the single validated risk assessment tool selected by the department of rehabilitation and correction under section 5120.114 of the Revised Code.

(2) The department may deny a subsidy under this section to any applicant if the applicant fails to comply with the terms of any agreement entered into pursuant to any of the provisions of this section.

(3) The department shall evaluate or provide for the evaluation of the policies, practices, and programs the common pleas, municipal, or county court probation departments or community-based correctional facilities utilize with the programs of subsidies established under this section and establish means of measuring their effectiveness.

(4) The department shall specify the policies, practices, and programs for which common pleas, municipal, or county court probation departments or community-based correctional facilities may use the program subsidy and shall establish minimum standards of quality and efficiency that recipients of the subsidy must follow. The department shall give priority to supporting evidence-based policies and practices, as defined by the department.

(2) Specifies the manner in which the county will address a per diem reimbursement of local correctional facilities for prisoners who serve a prison term in the facility pursuant to division (B)(3)(c) (B)(3)(a) of section 2929.34 of the Revised Code. The per diem reimbursement rate shall be the rate determined in division (F)(1) of this section and shall be specified in the memorandum.

(B) Two or more voluntary counties may join together to jointly establish a memorandum of understanding of the type described in division (A) of this section. understanding submitted to it under division (A) or (B) of this
section. The department shall review the memorandums of

submitting a memorandum of understanding under division (A) or (B)
of this section may delegate the person's authority to do so to an
employee of the agency, entity, or office served by the person.

(E)(1) If a county submitted a memorandum of understanding

on September 1, 2022, the memorandum of understanding remains in
effect as submitted or as revised under division (E)(2) of this
section, or if counties that have affiliated as described in

The per diem cost so determined shall apply in the calendar year in which the determination is made.

(2) For each county, the per diem cost determined under division (F)(1) of this section that applies with respect to a facility in a specified calendar year shall be the per diem rate of reimbursement in that calendar year, under the targeting community alternatives to prison (T-CAP) program, for prisoners who serve a term in the facility pursuant to division (B)(3)(c) of section 2929.34 of the Revised Code.

After a PCSA caseworker's first year of continuous employment as a PCSA caseworker, the caseworker annually shall complete thirty-six hours of training in areas relevant to the caseworker's assigned duties.

During the first two years of continuous employment as a PCSA caseworker, each PCSA caseworker shall complete at least twelve hours of training in recognizing the signs of domestic violence and its relationship to child abuse as established in rules the director of job and family services shall adopt pursuant to Chapter 119. of the Revised Code. The twelve hours may be in addition to the training required during the caseworker's first year of employment or part of the training required during the second year of employment.

(a) The child is a child with special needs.

(b) The child was placed in the adoptive home by a public children services agency or a private child placing agency and may legally be adopted.

(c) The adoptive parent has the capability of providing the permanent family relationships needed by the child.

(d) The needs of the child are beyond the economic resources of the adoptive parent.
(e) Acceptance of the child as a member of the adoptive parent's family would not be in the child's best interest without payments on the child's behalf under this section.

(f) The gross income of the adoptive parent's family does not exceed one hundred twenty per cent of the median income of a family of the same size, including the child, as most recently determined for this state by the secretary of health and human services under Title XX of the "Social Security Act," 88 Stat. 2337, 42 U.S.C.A. 1397, as amended.

Preadoption payments may be made for not more than twelve months, unless the final adoption decree is not issued within that time because of a delay in court proceedings. Payments that begin before issuance of the final adoption decree may continue after its issuance.

(C)(1) If, after the child's adoption is finalized, a public
children services agency considers a child residing in the county served by the agency to be in need of public care or protective services, the agency may, to the extent state funds are available for this purpose, enter into an agreement with the child's adoptive parent under which the agency may make post-adoption special services subsidy payments on behalf of the child as needed when both of the following apply:

(a) The child has a physical or developmental handicap or mental or emotional condition that either:

(i) Existed before the adoption petition was filed; or

(ii) Developed after the adoption petition was filed and can be directly attributed to factors in the child's preadoption background, medical history, or biological family's background or medical history.

(b) The agency determines the expenses necessitated by the child's handicap or condition are beyond the adoptive parent's economic resources.

(5) The adoptive parent or parents of a child who receives post-adoption special services subsidy payments shall pay at least five per cent of the total cost of all services provided to the child, except that a public children services agency may waive this requirement if the gross annual income of the child's adoptive family is not more than two hundred per cent of the federal poverty guideline.

(6) A public children services agency may use other sources of revenue to make post-adoption special services subsidy payments, in addition to any state funds appropriated for that purpose. A public children services agency may enter into an agreement with a child's relative under which the agency, to the extent state funds are available, may provide state kinship guardianship assistance as needed on behalf of the child when all of the following apply:

(a) The relative has cared for the eligible child as a foster caregiver as defined by section 5103.02 of the Revised Code for at least six consecutive months.

(b) Both of the following apply:

(ii) The relative has committed to care for the child on a permanent basis.

(c) The relative signed a state kinship guardianship assistance agreement prior to assuming legal guardianship or legal custody of the child.
(d) The child had been removed from home pursuant to a voluntary placement agreement or as a result of a judicial determination to the effect that continuation in the home would be contrary to the welfare of the child.

(e) Returning the child home or adoption are not appropriate permanency options for the child.

(f) The child demonstrates a strong attachment to the relative and the relative has a strong commitment to caring permanently for the child.

(g) With respect to a child who has attained fourteen years of age, the child has been consulted regarding the state kinship guardianship assistance arrangement.

"Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

"Disqualifying offense" means any of the offenses listed or described in divisions (A)(3)(a) to (e) of section 109.572 of the Revised Code.

"Employee" means a person employed by a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Waiver agency" does not mean an independent provider as defined in section 5164.341 of the Revised Code.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 of the Revised Code. If a waiver agency
also is a community-based long-term care provider or community-based long-term care subcontractor, the waiver agency may provide for any of its applicants and employees who are not subject to database reviews and criminal records checks under section 173.38 of the Revised Code to undergo database reviews and criminal records checks in accordance with that section rather than this section.

(C) No waiver agency shall employ an applicant or continue to employ an employee in a position that involves providing home and community-based services if any of the following apply:

(1) A review of the databases listed in division (E) of this section reveals any of the following:

(a) That the applicant or employee is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(b) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the applicant or employee abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules authorized by this section and the rules prohibit the waiver agency from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing home and community-based services.

(2) After the applicant or employee is given the information and notification required by divisions (F)(2)(a) and (b) of this section, the applicant or employee fails to do either of the following:
(a) Access, complete, or forward to the superintendent of the bureau of criminal identification and investigation the form prescribed to division (C)(1) of section 109.572 of the Revised Code or the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Instruct the superintendent to submit the completed report of the criminal records check required by this section directly to the chief administrator of the waiver agency.

(3) Except as provided in rules authorized by this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense, regardless of the date of the conviction or date of entry of the guilty plea.

(D) At the time of each applicant's initial application for employment in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall inform the applicant of both of the following:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the waiver agency is prohibited by division (C)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall conduct a database review of the applicant in accordance with rules authorized by this section. If rules authorized by this section so require, the
chief administrator of a waiver agency shall conduct a database
review of an employee in accordance with the rules as a condition
of continuing to employ the employee in a position that involves
providing home and community-based services. A database review
shall determine whether the applicant or employee is included in
any of the following:

the United States general services administration pursuant to
subpart 9.4 of the federal acquisition regulation and available at
the federal web site known as the system for award management;

by the office of inspector general in the United States department
of health and human services pursuant to the "Social Security
Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of developmental disabilities employees
established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender

the Revised Code;

section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section
3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules authorized
by this section.

(F)(1) As a condition of employing any applicant in a
position that involves providing home and community-based
services, the chief administrator of a waiver agency shall require
the applicant to request that the superintendent of the bureau of
criminal identification and investigation conduct a criminal
records check of the applicant. If rules authorized by this section so require, the chief administrator of a waiver agency shall require an employee to request that the superintendent conduct a criminal records check of the employee at times specified in the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. However, a criminal records check is not required for an applicant or employee if the waiver agency is prohibited by division (C)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing home and community-based services. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal bureau of investigation in a criminal records check, the chief administrator shall require the applicant or employee to request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the chief administrator may require the applicant or employee to request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The chief administrator shall provide the following to each applicant and employee for whom a criminal records check is required by this section:

(a) Information about accessing, completing, and forwarding to the superintendent of the bureau of criminal identification and
(b) Written notification that the applicant or employee is to instruct the superintendent to submit the completed report of the criminal records check directly to the chief administrator.

(3) A waiver agency shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for any criminal records check required by this section. However, a waiver agency may require an applicant to pay to the bureau the fee for a criminal records check of the applicant. If the waiver agency pays the fee for an applicant, it may charge the applicant a fee not exceeding the amount the waiver agency pays to the bureau under this section if the waiver agency notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.

(G)(1) A waiver agency may employ conditionally an applicant for whom a criminal records check is required by this section prior to obtaining the results of the criminal records check if both of the following apply:

(a) The waiver agency is not prohibited by division (C)(1) of this section from employing the applicant in a position that involves providing home and community-based services.

To determine a peer group's rate for ancillary and support costs, the department shall do all of the following:

(a) Subject to division (C)(2) of this section, determine the rate for ancillary and support costs for each nursing facility in the peer group for the applicable calendar year by using the greater of the nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable year.
calendar year if its occupancy rate had been ninety per cent;  

(b) Subject to division (C)(3) of this section, identify which nursing facility in the peer group is at the twenty-fifth percentile of the rate for ancillary and support costs for the applicable calendar year determined under division (C)(1)(a) of this section;  

(c) Multiply the rate for ancillary and support costs determined under division (C)(1)(a) of this section for the nursing facility identified under division (C)(1)(b) of this section by the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year using the following:  

(i) Except as provided in division (C)(1)(c)(ii) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics;  

(ii) If the United States bureau of labor statistics ceases to publish the index specified in division (C)(1)(c)(i) of this section, the index the bureau subsequently publishes that covers urban consumers' prices for items for the region that includes this state.  

(2) For the purpose of determining a nursing facility's occupancy rate under division (C)(1)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity unless the nursing facility also removes the beds from its licensed bed capacity.  

(3) In making the identification under division (C)(1)(b) of this section, the department shall exclude both of the following:  

(a) Nursing facilities that participated in the medicaid
program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose ancillary and support costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem ancillary and support cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(4)(3) The department shall not redetermine a peer group's rate for ancillary and support costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for ancillary and support costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

Sec. 5165.17. (A) The department of medicaid shall determine each nursing facility's per medicaid day payment rate for capital costs. A nursing facility's rate shall be the rate determined under division (C) of this section for the nursing facility's peer group.

(B) For the purpose of determining nursing facilities' rates for capital costs, the department shall establish six peer groups.

(1) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

(2) Each nursing facility located in any of the following counties shall be placed in peer group three or four: Allen,
Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

(3) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and Wyandot. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.

(C)(1) The department shall determine the rate for capital costs for each peer group established under division (B) of this section. The rate for capital costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. A peer group's rate for capital costs shall be the rate for capital costs for the nursing facility in the peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year.

(2) To identify the nursing facility in a peer group that is at the twenty-fifth percentile of the rate for capital costs for
the applicable calendar year, the department shall do both of the following:

(a) Subject to division (C)(3) of this section, use the greater of each nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been one hundred per cent;

(b) Exclude both of the following:

(i) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(ii) Nursing facilities whose capital costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem capital cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(3) For the purpose of determining a nursing facility's occupancy rate under division (C)(2)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity after June 30, 2005, unless the nursing facility also removes the beds from its licensed bed capacity.

(4) The department shall not redetermine a peer group's rate for capital costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for capital costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

(D) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using
the straight-line method over a period designated in rules adopted under section 5165.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under this chapter is used to reimburse the government agency.

(E) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division (E)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the facility's cost report for the calendar year preceding the state fiscal year during which the rate will be paid.

(2) For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program, except as otherwise provided in this chapter.

(3) Except as provided in division (E)(4) of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the provider that transferred the interest to continue to operate the facility under a lease, management agreement, or other arrangement. If the previous sentence does not prohibit the adjustment of the capital cost basis under this division, the
basis of the asset shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time that the transferor held the asset.

(4) If a provider transfers an interest in a facility to another provider who is a related party, the capital cost basis of the asset shall be adjusted as specified in division (E)(3) of this section if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) Except as provided in division (E)(4)(c)(ii) of this section, the provider making the transfer retains no ownership interest in the facility;

(c) The department determines that the transfer is an arm's length transaction pursuant to rules adopted under section 5165.02 of the Revised Code. The rules shall provide that a transfer is an arm's length transaction if all of the following apply:

(i) Once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the facility or the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(ii) The provider that made the transfer does not reacquire an interest in the facility except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the facility in this manner, the department shall treat the facility as if the transfer never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The transfer satisfies any other criteria specified in the rules.
(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (E)(4) of this section or actual, allowable capital costs was determined most recently under division (F)(9) of this section.

(F) As used in this division:

"Imputed interest" means the lesser of the prime rate plus two per cent or ten per cent.

"Lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease.

"New lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.

(1) Subject to division (A) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable capital cost during the term of the existing lease. The entire lease expense also is an actual, allowable capital cost if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to division (A) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the
lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(3) Subject to division (A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that is initially operated under a lease, actual, allowable capital costs shall include the annual lease expense if there was a substantial commitment of money for construction of the facility after December 22, 1992, and before July 1, 1993. If there was not a substantial commitment of money after December 22, 1992, and before July 1, 1993, actual, allowable capital costs shall include the lesser of the annual lease expense or the sum of the following:

(a) The annual depreciation expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis;

(b) The greater of the lessor's actual annual amortization of financing costs and interest expense at the inception of the lease or the imputed interest expense calculated at the inception of the lease using seventy per cent of the lessor's historical capital asset cost basis.

(4) Subject to division (A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that was not initially operated under a lease and has been in existence for ten years, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at
the inception of the lease using the entire historical capital asset cost basis of one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(5) Subject to division (A) of this section, for a new lease of a facility that was operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual new lease expense or the annual old lease payment. If the old lease was in effect for ten years or longer, the old lease payment from the beginning of the old lease shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

(6) Subject to division (A) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division (F)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be, for purposes of calculating the annual amount under division (F)(2), (3), (4), or (6) of this section, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

In the case of a lease under division (F)(3) of this section of a facility for which a substantial commitment of money was made after December 22, 1992, and before July 1, 1993, the old lease payment shall be adjusted for the purpose of determining the
(7) For any revision of a lease described in division (F)(1), (2), (3), (4), (5), or (6) of this section, or for any subsequent lease of a facility operated under such a lease, other than execution of a new lease, the portion of actual, allowable capital costs attributable to the lease shall be the same as before the revision or subsequent lease.

(8) Except as provided in division (F)(9) of this section, if a provider leases an interest in a facility to another provider who is a related party or previously operated the facility, the related party's or previous operator's actual, allowable capital costs shall include the lesser of the annual lease expense or the reasonable cost to the lessor.

(9) If a provider leases an interest in a facility to another provider who is a related party, regardless of the date of the lease, the related party's actual, allowable capital costs shall include the annual lease expense, subject to the limitations specified in divisions (F)(1) to (7) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) If the lessor retains an ownership interest, it is, except as provided in division (F)(9)(c)(ii) of this section, in only the real property and any improvements on the real property;

(c) The department determines that the lease is an arm's length transaction pursuant to rules adopted under section 5165.02 of the Revised Code. The rules shall provide that a lease is an arm's length transaction if all of the following apply:

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division (F)(9)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent...
contractor, or consultant, but excluding interest as a lessor.

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility as if the lease never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The lease satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division (E)(4) of this section or actual, allowable capital costs were determined most recently under division (F)(9) of this section.

(10) This division does not apply to leases of specific items of equipment.

Sec. 5165.191. Each calendar quarter, each nursing facility provider shall compile complete assessment data for each resident of each of the provider's nursing facilities, regardless of payment source, who is in the nursing facility, or on hospital or therapeutic leave from the nursing facility, on the last day of the quarter. A resident assessment instrument specified in rules authorized by this section shall be used to compile the resident assessment data. Each provider shall submit the resident assessment data to the department of health and, if required by the rules, the department of medicaid. The resident assessment data shall be submitted not later than fifteen days after the end of the calendar quarter for which the data is compiled. If the resident assessment data is to be submitted to the department of
medicaid, it shall be submitted to the department through the medium or media specified in the rules.

Rules adopted under section 5165.02 of the Revised Code shall do all of the following:

(A) In a manner consistent with the "Social Security Act," section 1919(e)(5), 42 U.S.C. 1396r(e)(5), specify a resident assessment instrument to be used by nursing facility providers under this section;

(B) Specify whether nursing facility providers must submit the resident assessment data to the department of medicaid;

(C) Specify any resident assessment data that is excluded from the case mix calculation made under section 5165.192 of the Revised Code;

(D) If the rules specify that nursing facility providers must submit the resident assessment data to the department, specify the medium or media through which the data is to be submitted.

Sec. 5165.26. (A) As used in this section:

(1) "Base rate" means the portion of a nursing facility's total per medicaid day payment rate determined under divisions (A), (B), and (C) of section 5165.15 of the Revised Code.

(2) "CMS" means the United States centers for medicare and medicaid services.

(3) "Force majeure event" means an uncontrollable force or natural disaster not within the power of a nursing facility's operator.

(4) "Long-stay resident" has the same meaning as in section 5165.25 of the Revised Code means an individual who has resided in a nursing facility for at least one hundred one days.
(5) "Nursing facilities for which a quality score was determined" includes nursing facilities that are determined to have a quality score of zero.

(B) For state fiscal year 2021, 2022 and state fiscal year 2023, and subject to divisions (D), (E), and (F), and (G) of this section, the department of medicaid shall determine each nursing facility's per medicaid day quality incentive payment rate as follows:

(1) Determine the sum of the quality scores determined under division (C) of this section for all nursing facilities.

(2) Determine the average quality score by dividing the sum determined under division (B)(1) of this section by the number of nursing facilities for which a quality score was determined.

(3) For state fiscal year 2021, determine the sum of the total number of medicaid days for all of the calendar year 2019 preceding the fiscal year for which the rate is determined for all nursing facilities for which a quality score was determined.

(4) Multiply the average quality score determined under division (B)(2) of this section by the sum determined under division (B)(3) of this section.

(5) Determine the value per quality point by determining the quotient of the following:

(a) For state fiscal year 2021, the sum determined under division (F)(2) of this section.

(b) The product determined under division (B)(4) of this section.

(6) Multiply the value per quality point determined under division (B)(5) of this section by the nursing facility's quality score determined under division (C) of this section.
(C)(1) Except as provided in divisions (C)(2) and (3) of this section, a nursing facility's quality score for state fiscal year 2021 and state fiscal year 2022 shall be the sum of the total number of points that CMS assigned to the nursing facility, including a nursing facility that underwent a change of operator, under CMS's nursing facility five-star quality rating system for the following quality metrics based on the most recent four-quarter average data available in the database maintained by the United States centers for medicare and medicaid services CMS and known as nursing home compare in May of the calendar year preceding the fiscal year for which the rate is determined begins:

(a) The percentage of the nursing facility's long-stay residents at high risk for pressure ulcers who had pressure ulcers;
(b) The percentage of the nursing facility's long-stay residents who had a urinary tract infection;
(c) The percentage of the nursing facility's long-stay residents whose ability to move independently worsened;
(d) The percentage of the nursing facility's long-stay residents who had a catheter inserted and left in their bladder.

(2) In determining a nursing facility's quality score for state fiscal year 2021 and state fiscal year 2022, the department shall make the following adjustment to the number of points that CMS assigned to the nursing facility, including a nursing facility that underwent a change of operator, for each of the quality metrics specified in division (C)(1) of this section:

(a) Unless division (C)(2)(b) of this section applies, divide the number of the nursing facility's points for the quality metric by twenty.
(b) If CMS assigned the nursing facility to the lowest
percentile for the quality metric, reduce the number of the nursing facility's points for the quality metric to zero.

(c) If the nursing facility's total number of points for state fiscal year 2022 for all of the quality metrics specified in division (C)(1) of this section is less than a number of points that is equal to the thirty-third percentile of all nursing facilities, reduce the nursing facility's points to zero.

(d) If the nursing facility's total number of points for state fiscal year 2023 for all of the quality metrics specified in division (C)(1) of this section is less than its number of points established for state fiscal year 2022 under division (C)(2)(c) of this section, reduce the nursing facility's total points to zero.

(3) A nursing facility's quality score shall be zero for state fiscal year 2021, 2022 or 2023 if it is not to receive a quality incentive payment for that state fiscal year because of division (D) of this section.

(D)(1) Except as provided in division (D)(2) of this section, a nursing facility shall not receive a quality incentive payment for state fiscal year 2021, 2022 or state fiscal year 2023 if the nursing facility's licensed occupancy percentage is less than eighty per cent in that fiscal year.

(2) Division (D)(1) of this section does not apply to a nursing facility if any of the following apply:

(a) The nursing facility has a quality score under division (C) of this section for the state fiscal year 2021 of at least fifteen points;

(b) The nursing facility was initially certified for participation in the medicaid program on or after January 1, 2019 of the calendar year preceding the fiscal year for which the rate is determined;
(c) Subject to division (D)(4) of this section, one or more of the beds that are part of the nursing facility's licensed capacity could not be used for resident care during the calendar year 2019 preceding the fiscal year for which the rate is determined due to causes beyond the reasonable control of the nursing facility's operator, including a force majeure event;

(d) Subject to division (D)(5) of this section, the nursing facility underwent a renovation during the two-year period beginning January 1, 2018, and ending January 1, 2020, of the calendar year occurring two years before the fiscal year for which the rate is determined to which both of the following apply:

(i) The renovation involved capital expenditures of at least fifty thousand dollars, excluding expenditures for equipment, staffing, or operational costs.

(ii) The renovation directly impacted the area of the nursing facility in which the beds that are part of the nursing facility's licensed capacity are located.

(3) A nursing facility's licensed occupancy percentage for the purpose of division (D)(1) of this section shall be determined as follows:

(a) Determine the product of the following:

(i) The nursing facility's licensed capacity as of December 31, 2019, of the calendar year preceding the fiscal year for which the rate is determined, as identified on the nursing facility's cost report filed with the department pursuant to section 5165.10 of the Revised Code;

(ii) Three hundred sixty-five.

(b) Determine the quotient of the following:

(i) The total number of the nursing facility's inpatient days for the calendar year 2019 preceding the fiscal year for which the
rate is determined, as identified on the nursing facility's cost report filed with the department pursuant to section 5165.10 of the Revised Code;

(ii) The product determined under division (D)(3)(a) of this section.

(c) Multiply the quotient determined under division (D)(3)(b) of this section by one hundred.

(4) For a nursing facility to be exempt from division (D)(1) of this section on account of division (D)(2)(c) of this section, the nursing facility's operator must provide to the department written documentation of the number of days during that calendar year 2019 that one or more of the beds that are part of the nursing facility's licensed capacity could not be used and the specific reason why they could not be used.

(5) For a nursing facility to be exempt from division (D)(1) of this section on account of division (D)(2)(d) of this section, the nursing facility's operator must provide to the department written documentation that confirms the renovation and capital expenditures.

(E) A nursing facility shall not receive a quality incentive payment for state fiscal year 2021 or state fiscal year 2022 or state fiscal year 2023 if either of the following apply:

(1) The nursing facility's initial total per medicaid day payment rate for calendar year 2019 or state fiscal year 2021 for the state fiscal year or the calendar year preceding the fiscal year for which the rate is determined is determined calculated pursuant to section 5165.151 of the Revised Code.

(2) The nursing facility undergoes a change of operator during calendar year 2019 or the state fiscal year 2021 or the calendar year preceding the fiscal year for which the rate is determined.
(F) The total amount to be spent on quality incentive payments under division (B) of this section for each fiscal year during state fiscal years 2021, 2022 and 2023 shall be determined as follows:

(1) Determine the following amount for each nursing facility, including those that do not receive a quality incentive payment because of division (D) of this section:

(a) The amount that is five and two-tenths per cent of the nursing facility's base rate for nursing facility services provided on the first day of the state fiscal year plus one dollar and seventy-nine cents;

(b) Multiply the amount determined under division (F)(1)(a) of this section by the number of the nursing facility's medicaid days for the calendar year 2019 preceding the fiscal year for which the rate is determined.

(2) Determine the sum of the products determined under division (F)(1)(b) of this section for all nursing facilities for which the product was determined for the state fiscal year.

(3) To the sum determined under division (F)(2) of this section, add $108.5 million.

(G) If a nursing facility undergoes a change of operator during state fiscal year 2022 or 2023, the per medicaid day quality incentive payment rate to be paid to the entering operator for nursing facility services that the nursing facility provides during the period beginning on the effective date of the change of operator and ending on the last day of the state fiscal year shall be the same amount as the per medicaid day quality incentive payment rate that was in effect on the day immediately preceding the effective date of the change of operator and paid to the nursing facility's exiting operator. For the immediately following state fiscal year, the per medicaid day quality incentive payment...
rate shall be determined under division (C) of this section.

Sec. 5165.261. (A) The department of medicaid shall establish a nursing facility payment commission comprised of various nursing facility stakeholders. The commission shall consist of the following members:

(1) Two members appointed by the governor;

(C) The commission shall analyze the efficacy of all of the following:

(1) The current quality incentive payment formula under section 5165.26 of the Revised Code for efficacy;

(2) The nursing facility base rate calculation, as defined under section 5165.26 of the Revised Code;

(3) The nursing facility cost centers, which are redetermined as part of the rebasing process under section 5165.36 of the Revised Code.

(D) Not later than August 31, 2022, the commission shall submit a report to the general assembly, in accordance with section 101.68 of the Revised Code, with its recommendations and determinations on whether the quality measures under section
5165.26 of the Revised Code are sufficient or whether the measures need to be changed.

Sec. 5165.36. (A) The department of medicaid shall conduct a rebasing at least once every five state fiscal years. When the department conducts a rebasing for a state fiscal year, it shall conduct the rebasing for each cost center.

(B) The department shall complete its next rebasing after the effective date of this amendment not later than June 30, 2022. That rebasing calculation shall be based on data provided by nursing facilities for calendar year 2019.

(B) The department of medicaid shall issue an order
terminating a nursing facility's participation in the medicaid program if any of the following apply:

The resolution shall be confined to the purpose or purposes described in one division of this section, to which the revenue derived therefrom shall be applied. The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

A resolution adopted by the legislative authority of a municipal corporation that is for the purpose in division (XX) of this section may be combined with the purpose provided in section 306.55 of the Revised Code, by vote of two-thirds of all members of the legislative authority. The legislative authority may certify the resolution to the board of elections as a combined
question. The question appearing on the ballot shall be as provided in section 5705.252 of the Revised Code.

A levy for the purpose set forth in division (BB) of this section may be imposed in all or a portion of the territory of a subdivision. Upon passage of such a resolution, the board of elections shall submit the question of the tax levy only to those electors residing in the area or areas in which the tax would be imposed. If the 9-1-1 system would serve the entire subdivision, the resolution shall not exclude territory from the tax levy.

The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

When the electors of a subdivision or, in the case of a qualifying library levy for the support of a library association or private corporation, the electors of the association library district or, in the case of a 9-1-1 system levy serving only a portion of the territory of a subdivision, the electors of the portion of the subdivision in which the levy would be imposed have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

individuals diagnosed with mental illness or substance use disorder and to families residing with such individuals or (ii) a limited liability company or limited partnership whose controlling or managing member or partner either is an organization described in division (F)(1)(a)(i) of this section or is wholly owned by one or more such organizations.

(b) One or more of the tax-exempt organizations identified in division (F)(1)(a) of this section receives at least a portion of its funding to assist in the organization's primary purpose described in division (F)(1)(a)(i) of this section from the department of mental health and addiction services; one or more county boards of alcohol, drug addiction, and mental health services; or a local continuum of care program governed by 42 U.S.C. 11381, et seq. and 24 C.F.R. part 578.

(2) As used in division (F) of this section, "qualifying real property" means real property that is used primarily in one of the following manners:

(a) The property is used by the institution described in division (F)(1) of this section for the purpose described in division (F)(1)(a)(i) of this section.

(b) The institution (i) leases or otherwise provides the property to individuals diagnosed with mental illness or substance use disorder and to the families residing with such individuals and (ii) makes supportive services available to such individuals and families.

(c) The property is leased or otherwise provided by that institution to another charitable institution, and that charitable institution uses the property exclusively for charitable purposes.

Sec. 5709.21. (A) As used in this section:

(1) "Exclusive property" means real and personal property
that is installed, used, and necessary for the operation of an exempt facility, and that is not auxiliary property unless the auxiliary property exempt cost equals or exceeds eighty-five per cent of the total cost of the property.

(2) "Auxiliary property" means personal property installed, used, and necessary for the operation of an exempt facility that is also used in other operations of the business other than an exempt facility purpose described in section 5709.20 of the Revised Code. "Auxiliary property" does not include property with an auxiliary property exempt cost that is less than or equal to fifteen per cent of the total cost of such property.

(3) "Auxiliary property exempt cost" means the cost of auxiliary property calculated as follows:

(a) If the auxiliary property is used for an exempt facility purpose for discrete periods of time, the exempt cost shall be determined by the ratio of time the auxiliary property is in use in such exempt capacity to the total time it is in use. Division (A)(3)(a) of this section does not apply if the property is concurrently used for an exempt facility purpose and a nonexempt facility purpose.

(b) The applicant has the burden of proving the exempt cost of all auxiliary property not described in division (A)(3)(a) of this section.

(c) Any cost related to an expansion of the commercial or industrial site that is not related to the operation of the exempt facility shall not be included as an auxiliary exempt cost under division (A)(3) of this section.

(B) Application An application for an exempt facility certificate shall be filed with the tax commissioner in such manner and in such form as prescribed by the tax commissioner. The application shall contain plans and specifications of the
property, including all materials incorporated or to be incorporated therein and their associated costs, and a descriptive list of all equipment acquired or to be acquired by the applicant for the exempt facility and its associated cost, and a list of exclusive property installed, used, and necessary for the operation of the exempt facility. If the commissioner finds that the property was designed primarily as an exempt facility and is suitable and reasonably adequate for such purpose and is intended for such purpose, the commissioner shall enter a finding and issue a certificate to that effect. The effective date of the certificate shall be the date the application was made for such certificate or the date of the construction of the facility, whichever is earlier.

Nothing in this section shall be construed to extend the time period to file, to keep the time period to file open, or supersede the requirement of filing a tax refund or other tax reduction request in the manner and within the time prescribed by law.

(C)(1) Except as provided in division (C)(2) of this section, the exempt facility certificate shall permit tax exemption pursuant to section 5709.25 of the Revised Code only for that portion of such exempt facility that is exclusive property used for a purpose enumerated in section 5709.20 of the Revised Code.

(2) Auxiliary property shall be permitted a partial tax exemption under section 5709.25 of the Revised Code, but only to the extent allowed pursuant to division (A)(3) of this section.

(D) The tax commissioner may allow an applicant to file one application that applies to more than one exempt facility that are the same or substantially similar, so long as such facilities are located within the same county.

Sec. 5726.20. (A) The tax commissioner may make an assessment, based on any information in the commissioner's
possession, against any person that fails to file a return or report or pay any tax as required by this chapter. The reporting person for a taxpayer shall file the annual report required under section 5726.02 5726.03 of the Revised Code and remit the tax imposed by this chapter. Each person included in the annual report of the taxpayer is jointly and severally liable for the tax imposed by this chapter and any penalties and interest thereon. If the reporting person fails, for any reason, to file and remit any tax, the amount due may be collected by assessment against the reporting person and against any or all other persons required to be included in the annual report of the taxpayer as provided in section 5703.90 of the Revised Code. The commissioner shall make the assessment in the manner provided in this section. The commissioner shall give the person assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the petition.

(B) No assessment shall be made or issued against a person under this section more than four years after the later of the final date the report subject to assessment was required to be filed or the date such report was filed. Such time limit may be extended if both the person and the commissioner consent in writing to the extension or if an agreement waiving or extending the time limit has been entered into pursuant to section 122.171 of the Revised Code. Any such extension shall extend the four-year time limit prescribed in division (A) of section 5726.30 of the Revised Code for the same period of time. There shall be no bar or limit to an assessment against a person that fails to file a report subject to assessment as required by this chapter, or that files a fraudulent report.

(C) Unless the person assessed, within sixty days after
service of the notice of assessment, files with the tax
commissioner, either in person or by certified mail, a written
petition for reassessment signed by the person or the person's
authorized agent having knowledge of the facts, the assessment
shall become final, and the amount of the assessment is due and
payable from the person assessed to the treasurer of state. A
petition shall indicate the objections of the person assessed, but
additional objections may be raised in writing if received by the
commissioner prior to the date shown on the final determination.
If a petition for reassessment has been properly filed, the
commissioner shall proceed under section 5703.60 of the Revised
Code.

(D)(1) After an assessment becomes final, if any portion of
the assessment, including any accrued interest, remains unpaid, a
certified copy of the tax commissioner's entry making the
assessment final may be filed in the office of the clerk of the
court of common pleas in the county in which the person resides or
has its principal place of business in this state, or in the
office of the clerk of court of common pleas of Franklin county.

(2) Immediately upon the filing of the entry, the clerk shall
enter judgment for the state against the person assessed in the
amount shown on the entry. The judgment may be filed by the clerk
in a loose-leaf book entitled, "special judgments for the
financial institution tax" and shall have the same effect as other
judgments. Execution shall issue upon the judgment at the request
of the tax commissioner, and all laws applicable to sales on
execution shall apply to sales made under the judgment.

(3) If the assessment is not paid in its entirety within
sixty days after the day the assessment was issued, the portion of
the assessment consisting of tax due shall bear interest at the
rate per annum prescribed by section 5703.47 of the Revised Code
from the date the tax commissioner issues the assessment until the
date the assessment is paid or until it is certified to the
attorney general for collection under section 131.02 of the
Revised Code, whichever comes first. If the unpaid portion of the
assessment is certified to the attorney general for collection,
the entire unpaid portion of the assessment shall bear interest at
the rate per annum prescribed by section 5703.47 of the Revised
Code from the date of certification until the date it is paid in
its entirety. Interest shall be paid in the same manner as the tax
and may be collected by the issuance of an assessment under this
section.

(E) If the tax commissioner believes that collection of the
tax imposed by this chapter will be jeopardized unless proceedings
to collect or secure collection of the tax are instituted without
delay, the commissioner may issue a jeopardy assessment against
the person liable for the tax. Immediately upon the issuance of
the jeopardy assessment, the commissioner shall file an entry with
the clerk of the court of common pleas in the manner prescribed by
division (D) of this section. Notice of the jeopardy assessment
shall be served on the person assessed or the person's authorized
agent in the manner provided in section 5703.37 of the Revised
Code within five days of the filing of the entry with the clerk.
The total amount assessed shall be immediately due and payable,
unless the person assessed files a petition for reassessment in
accordance with division (C) of this section and provides security
in a form satisfactory to the commissioner and in an amount
sufficient to satisfy the unpaid balance of the assessment. Full
or partial payment of the assessment shall not prejudice the
commissioner's consideration of the petition for reassessment.

(F) The tax commissioner shall immediately forward to the
treasurer of state all amounts the commissioner receives under
this section. Such amounts shall be considered as revenue arising
from the tax imposed by this chapter.
(G) If the tax commissioner possesses information indicating that the amount of tax a taxpayer is required to pay under this chapter exceeds the amount the reporting person for the taxpayer paid, the tax commissioner may audit a sample of the taxpayer's gross receipts over a representative period of time to ascertain the amount of tax due, and may issue an assessment based on the audit. The tax commissioner shall make a good faith effort to reach agreement with the taxpayer in selecting a representative sample. The tax commissioner may apply a sampling method only if the commissioner has prescribed the method by rule.

(H) If the whereabouts of a person subject to this chapter is not known to the tax commissioner, the secretary of state is hereby deemed to be that person's agent for purposes of service of process or notice of any assessment, action, or proceedings instituted in this state against the person under this chapter. Such process or notice shall be served on such person by the commissioner or by an agent of the commissioner by leaving a true and attested copy of the process or notice at the office of the secretary of state at least fifteen days before the return day of such process or notice, and by sending a copy of the process or notice to such person by ordinary mail, with an endorsement thereon of the service upon the secretary of state, addressed to such person at the person's last known address.

Sec. 5731.21. (A)(1)(a) Except as provided under division (A)(3) of this section, the executor or administrator, or, if no executor or administrator has been appointed, another person in possession of property the transfer of which is subject to estate taxes under section 5731.02 or division (A) of section 5731.19 of the Revised Code, shall file an estate tax return, within nine months of the date of the decedent's death, in the form prescribed by the tax commissioner, in duplicate, with the probate court of the county. The return shall include all property the transfer of
which is subject to estate taxes, whether that property is transferred under the last will and testament of the decedent or otherwise. The time for filing the return may be extended by the tax commissioner.

(b) The estate tax return described in division (A)(1)(a) of this section shall be accompanied by a certificate, in the form prescribed by the tax commissioner, that is signed by the executor, administrator, or other person required to file the return, and that states all of the following:

(i) The fact that the return was filed;

(ii) The date of the filing of the return;

(iii) The fact that the estate taxes under section 5731.02 or division (A) of section 5731.19 of the Revised Code, that are shown to be due in the return, have been paid in full;

(iv) If applicable, the fact that real property listed in the inventory for the decedent's estate is included in the return;

(v) If applicable, the fact that real property not listed in the inventory for the decedent's estate, including, but not limited to, survivorship tenancy property as described in section 5302.17 of the Revised Code or transfer on death property as described in sections 5302.22 and 5302.23 of the Revised Code, also is included in the return. In this regard, the certificate additionally shall describe that real property by the same description used in the return.

(2) The probate court shall forward one copy of the estate tax return described in division (A)(1)(a) of this section to the tax commissioner.

(3) A person shall not be required to file a return under division (A) of this section if the decedent was a resident of this state and the value of the decedent's gross estate is...
twenty-five thousand dollars or less in the case of a decedent
dying on or after July 1, 1968, but before January 1, 2001; two
hundred thousand dollars or less in the case of a decedent dying
on or after January 1, 2001, but before January 1, 2002; or three
hundred thirty-eight thousand three hundred thirty-three dollars
or less in the case of a decedent dying on or after January 1,
2002. No return shall be filed for estates of decedents dying on
or after January 1, 2013.

(4)(a) Upon receipt of the estate tax return described in
division (A)(1)(a) of this section and the accompanying
certificate described in division (A)(1)(b) of this section, the
probate court promptly shall give notice of the return, by a form
prescribed by the tax commissioner, to the county auditor. The
auditor then shall make a charge based upon the notice and shall
certify a duplicate of the charge to the county treasurer. The
treasurer then shall collect, subject to division (A) of section
5731.25 of the Revised Code or any other statute extending the
time for payment of an estate tax, the tax so charged.

(b) Upon receipt of the return and the accompanying
certificate, the probate court also shall forward the certificate
to the auditor. When satisfied that the estate taxes under section
5731.02 or division (A) of section 5731.19 of the Revised Code,
that are shown to be due in the return, have been paid in full,
the auditor shall stamp the certificate so forwarded to verify
that payment. The auditor then shall return the stamped
certificate to the probate court.

(5)(a) The certificate described in division (A)(1)(b) of
this section is a public record subject to inspection and copying
in accordance with section 149.43 of the Revised Code. It shall be
kept in the records of the probate court pertaining to the
decedent's estate and is not subject to the confidentiality
provisions of section 5731.90 of the Revised Code.
(b) All persons are entitled to rely on the statements contained in a certificate as described in division (A)(1)(b) of this section if it has been filed in accordance with that division, forwarded to a county auditor and stamped in accordance with division (A)(4) of this section, and placed in the records of the probate court pertaining to the decedent's estate in accordance with division (A)(5)(a) of this section. The real property referred to in the certificate shall be free of, and may be regarded by all persons as being free of, any lien for estate taxes under section 5731.02 and division (A) of section 5731.19 of the Revised Code.

(B) An estate tax return filed under this section, in the form prescribed by the tax commissioner, and showing that no estate tax is due shall result in a determination that no estate tax is due, if the tax commissioner within three months after the receipt of the return by the department of taxation, fails to file exceptions to the return in the probate court of the county in which the return was filed. A copy of exceptions to a return of that nature, when the tax commissioner files them within that period, shall be sent by ordinary mail to the person who filed the return. The tax commissioner is not bound under this division by a determination that no estate tax is due, with respect to property not disclosed in the return.

(C) If the executor, administrator, or other person required to file an estate tax return fails to file it within nine months of the date of the decedent's death, the tax commissioner may determine the estate tax in that estate and issue a certificate of determination in the same manner as is provided in division (B) of section 5731.27 of the Revised Code. A certificate of determination of that nature has the same force and effect as though a return had been filed and a certificate of determination issued with respect to the return.
(D) No return shall be filed under this section or section 5731.24 of the Revised Code, and no tax shall be due under this chapter, with respect to either of the following:

(1) Property first discovered after December 31, 2021, that would otherwise be subject to the tax imposed by this chapter;

(2) Property first discovered on or before December 31, 2021, but not disclosed on a return or included in a certificate of determination issued by the tax commissioner on or before December 31, 2021.

Nothing in this division shall be construed to affect any estate tax liability determined by the tax commissioner for returns filed on or before December 31, 2021, or any tax liability determined under an agreement entered into under division (C) of section 5731.26 of the Revised Code. The estate shall pay any such liability.

Sec. 5731.24. If Except as provided in division (D) of section 5731.21 of the Revised Code, if an additional tax prescribed by section 5731.18 of the Revised Code is due, the executor, administrator, or other person required to file the estate tax return, within sixty days after the date of the final determination of the federal estate tax liability, shall file an additional tax return, in the form prescribed by the tax commissioner, in the same manner as is prescribed for the filing of the estate tax return. Subject to division (A) of section 5731.25 of the Revised Code or any other statute extending the time for payment of an estate tax, the additional tax shall be paid, without notice or demand by the tax commissioner, with the return, and shall be charged and collected in the same manner as the estate tax, except that no interest shall accrue until sixty days after the date of the final determination of the federal estate tax liability.
Sec. 5731.28. If any debts deductible under section 5731.16 of the Revised Code are proved against the gross estate after the tax levied by section 5731.02 or division (A) of section 5731.19 of the Revised Code has been determined, or if the determination of taxes so made is erroneous due to a mistake of fact or law, a claim for refund of tax may be filed by an executor, administrator, trustee, person in possession of property subject to tax, or any transferee thereof, within three years from the time the return was required to be filed (determined without regard to any extension of time for filing) or before January 1, 2022, whichever is earlier, in the form prescribed by the tax commissioner. The claim for refund shall be filed in the same manner as is prescribed for the filing of a return in section 5731.21 of the Revised Code and the determination of its correctness shall be made in the same manner as is provided for in the case of the return itself.

Sec. 5731.41. To enforce section 5731.39 of the Revised Code, and to administer Chapters 5713. and 4503. of the Revised Code the tax commissioner may appoint agents in the unclassified civil service who shall perform such duties as are prescribed by the commissioner. Such agents shall, as compensation, receive annually eight cents per capita for each full one thousand of the first twenty thousand of the population of the county and two cents per capita for each full one thousand over twenty thousand of the population of the county, as shown by the last 2010 federal census, which shall be paid in equal monthly installments from the undivided inheritance or estate tax fund in the county treasury on the warrant of the county auditor or, if the balance of that fund is not sufficient to make such payments, from the county real estate assessment fund pursuant to division (B)(6) of section 325.31 of the Revised Code, any other provision of law to the
contrary notwithstanding. The amount paid to any agent in the unclassified service for all of the duties performed under this section, as directed by the commissioner, shall not exceed three thousand nor be less than twelve hundred dollars in any calendar year.

Sec. 5739.02. For the purpose of providing revenue with which to meet the needs of the state, for the use of the general revenue fund of the state, for the purpose of securing a thorough and efficient system of common schools throughout the state, for the purpose of affording revenues, in addition to those from general property taxes, permitted under constitutional limitations, and from other sources, for the support of local governmental functions, and for the purpose of reimbursing the state for the expense of administering this chapter, an excise tax is hereby levied on each retail sale made in this state.

(A)(1) The tax shall be collected as provided in section 5739.025 of the Revised Code. The rate of the tax shall be five and three-fourths per cent. The tax applies and is collectible when the sale is made, regardless of the time when the price is paid or delivered.

(2) In the case of the lease or rental, with a fixed term of more than thirty days or an indefinite term with a minimum period of more than thirty days, of any motor vehicles designed by the manufacturer to carry a load of not more than one ton, watercraft, outboard motor, or aircraft, or of any tangible personal property, other than motor vehicles designed by the manufacturer to carry a load of more than one ton, to be used by the lessee or renter primarily for business purposes, the tax shall be collected by the vendor at the time the lease or rental is consummated and shall be calculated by the vendor on the basis of the total amount to be paid by the lessee or renter under the lease agreement. If the
total amount of the consideration for the lease or rental includes amounts that are not calculated at the time the lease or rental is executed, the tax shall be calculated and collected by the vendor at the time such amounts are billed to the lessee or renter. In the case of an open-end lease or rental, the tax shall be calculated by the vendor on the basis of the total amount to be paid during the initial fixed term of the lease or rental, and for each subsequent renewal period as it comes due. As used in this division, "motor vehicle" has the same meaning as in section 4501.01 of the Revised Code, and "watercraft" includes an outdrive unit attached to the watercraft.

A lease with a renewal clause and a termination penalty or similar provision that applies if the renewal clause is not exercised is presumed to be a sham transaction. In such a case, the tax shall be calculated and paid on the basis of the entire length of the lease period, including any renewal periods, until the termination penalty or similar provision no longer applies. The taxpayer shall bear the burden, by a preponderance of the evidence, that the transaction or series of transactions is not a sham transaction.

(3) Except as provided in division (A)(2) of this section, in the case of a sale, the price of which consists in whole or in part of the lease or rental of tangible personal property, the tax shall be measured by the installments of that lease or rental.

(4) In the case of a sale of a physical fitness facility service or recreation and sports club service, the price of which consists in whole or in part of a membership for the receipt of the benefit of the service, the tax applicable to the sale shall be measured by the installments thereof.

(B) The tax does not apply to the following:

(1) Sales to the state or any of its political subdivisions,
or to any other state or its political subdivisions if the laws of that state exempt from taxation sales made to this state and its political subdivisions;

(2) Sales of food for human consumption off the premises where sold;

(3) Sales of food sold to students only in a cafeteria, dormitory, fraternity, or sorority maintained in a private, public, or parochial school, college, or university;

(4) Sales of newspapers and sales or transfers of magazines distributed as controlled circulation publications;

(5) The furnishing, preparing, or serving of meals without charge by an employer to an employee provided the employer records the meals as part compensation for services performed or work done;

(6)(a) Sales of motor fuel upon receipt, use, distribution, or sale of which in this state a tax is imposed by the law of this state, but this exemption shall not apply to the sale of motor fuel on which a refund of the tax is allowable under division (A) of section 5735.14 of the Revised Code; and the tax commissioner may deduct the amount of tax levied by this section applicable to the price of motor fuel when granting a refund of motor fuel tax pursuant to division (A) of section 5735.14 of the Revised Code and shall cause the amount deducted to be paid into the general revenue fund of this state;

(b) Sales of motor fuel other than that described in division (B)(6)(a) of this section and used for powering a refrigeration unit on a vehicle other than one used primarily to provide comfort to the operator or occupants of the vehicle.

(7) Sales of natural gas by a natural gas company or municipal gas utility, of water by a water-works company, or of steam by a heating company, if in each case the thing sold is...
delivered to consumers through pipes or conduits, and all sales of  
communications services by a telegraph company, all terms as  
defined in section 5727.01 of the Revised Code, and sales of  
electricity delivered through wires;

(8) Casual sales by a person, or auctioneer employed directly  
by the person to conduct such sales, except as to such sales of  
motor vehicles, watercraft or outboard motors required to be  
titled under section 1548.06 of the Revised Code, watercraft  
documented with the United States coast guard, snowmobiles, and  
all-purpose vehicles as defined in section 4519.01 of the Revised  
Code;

(9)(a) Sales of services or tangible personal property, other  
than motor vehicles, mobile homes, and manufactured homes, by  
churches, organizations exempt from taxation under section  
501(c)(3) of the Internal Revenue Code of 1986, or nonprofit  
organizations operated exclusively for charitable purposes as  
defined in division (B)(12) of this section, provided that the  
number of days on which such tangible personal property or  
services, other than items never subject to the tax, are sold does  
not exceed six in any calendar year, except as otherwise provided  
in division (B)(9)(b) of this section. If the number of days on  
which such sales are made exceeds six in any calendar year, the  
church or organization shall be considered to be engaged in  
business and all subsequent sales by it shall be subject to the  
tax. In counting the number of days, all sales by groups within a  
church or within an organization shall be considered to be sales  
of that church or organization.

(b) The limitation on the number of days on which tax-exempt  
sales may be made by a church or organization under division  
(B)(9)(a) of this section does not apply to sales made by student  
clubs and other groups of students of a primary or secondary  
school, or a parent-teacher association, booster group, or similar
organization that raises money to support or fund curricular or extracurricular activities of a primary or secondary school.

    (c) Divisions (B)(9)(a) and (b) of this section do not apply to sales by a noncommercial educational radio or television broadcasting station.

    (10) Sales not within the taxing power of this state under the Constitution or laws of the United States or the Constitution of this state;

    (11) Except for transactions that are sales under division (B)(3)(r) of section 5739.01 of the Revised Code, the transportation of persons or property, unless the transportation is by a private investigation and security service;

    (12) Sales of tangible personal property or services to churches, to organizations exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986, and to any other nonprofit organizations operated exclusively for charitable purposes in this state, no part of the net income of which inures to the benefit of any private shareholder or individual, and no substantial part of the activities of which consists of carrying on propaganda or otherwise attempting to influence legislation; sales to offices administering one or more homes for the aged or one or more hospital facilities exempt under section 140.08 of the Revised Code; and sales to organizations described in division (D) of section 5709.12 of the Revised Code.

"Charitable purposes" means the relief of poverty; the improvement of health through the alleviation of illness, disease, or injury; the operation of an organization exclusively for the provision of professional, laundry, printing, and purchasing services to hospitals or charitable institutions; the operation of a home for the aged, as defined in section 5701.13 of the Revised Code; the operation of a radio or television broadcasting station.
that is licensed by the federal communications commission as a noncommercial educational radio or television station; the operation of a nonprofit animal adoption service or a county humane society; the promotion of education by an institution of learning that maintains a faculty of qualified instructors, teaches regular continuous courses of study, and confers a recognized diploma upon completion of a specific curriculum; the operation of a parent-teacher association, booster group, or similar organization primarily engaged in the promotion and support of the curricular or extracurricular activities of a primary or secondary school; the operation of a community or area center in which presentations in music, dramatics, the arts, and related fields are made in order to foster public interest and education therein; the production of performances in music, dramatics, and the arts; or the promotion of education by an organization engaged in carrying on research in, or the dissemination of, scientific and technological knowledge and information primarily for the public.

Nothing in this division shall be deemed to exempt sales to any organization for use in the operation or carrying on of a trade or business, or sales to a home for the aged for use in the operation of independent living facilities as defined in division (A) of section 5709.12 of the Revised Code.

(13) Building and construction materials and services sold to construction contractors for incorporation into a structure or improvement to real property under a construction contract with this state or a political subdivision of this state, or with the United States government or any of its agencies; building and construction materials and services sold to construction contractors for incorporation into a structure or improvement to real property that are accepted for ownership by this state or any of its political subdivisions, or by the United States government.

A person who performs a facility management or similar service contract for a contractee is a consumer of all tangible personal property and services purchased for use in connection with the performance of such contract, regardless of whether title to any such property vests in the contractee. The purchase of such property and services is not subject to the exception for resale under division (E) of section 5739.01 of the Revised Code.

(G)(1) "Price," except as provided in divisions (G)(2) to (6) of this section, has the same meaning as in division (H)(1) of section 5739.01 of the Revised Code.

(2) In the case of watercraft, outboard motors, or new motor vehicles, "price" has the same meaning as in divisions (H)(2) and (3) of section 5739.01 of the Revised Code.

(3) In the case of a nonresident business consumer that purchases and uses tangible personal property outside this state and subsequently temporarily stores, uses, or otherwise consumes such tangible personal property in the conduct of business in this state, the consumer or the tax commissioner may determine the price based on the value of the temporary storage, use, or other consumption, in lieu of determining the price pursuant to division (G)(1) of this section. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(4) In the case of tangible personal property held in this state as inventory for sale or lease, and that is temporarily stored, used, or otherwise consumed in a taxable manner, the price is the value of the temporary use. A price determination made by

...
the consumer is subject to review and redetermination by the commissioner.

(5) In the case of tangible personal property originally purchased and used by the consumer outside this state, and that becomes permanently stored, used, or otherwise consumed in this state more than six months after its acquisition by the consumer, the consumer or the commissioner may determine the price based on the current value of such tangible personal property, in lieu of determining the price pursuant to division (G)(1) of this section. A price determination made by the consumer is subject to review and redetermination by the commissioner.

(6) If a consumer produces tangible personal property for sale and removes that property from inventory for the consumer's own use, the price is the produced cost of that tangible personal property.

(H) "Nexus with this state" means that the seller engages in continuous and widespread solicitation of purchases from residents of this state or otherwise purposefully directs its business activities at residents of this state.

(I)(1) "Substantial nexus with this state" means that the seller has sufficient contact with this state, in accordance with Section 8 of Article I of the Constitution of the United States, to allow the state to require the seller to collect and remit use tax on sales of tangible personal property or services made to consumers in this state.

(2) "Substantial nexus with this state" is presumed to exist when the seller does any of the following:

(a) Uses an office, distribution facility, warehouse, storage facility, or similar place of business within this state, whether operated by the seller or any other person, other than a common carrier acting in its capacity as a common carrier.
(b) Regularly uses employees, agents, representatives, solicitors, installers, repairers, salespersons, or other persons in this state for the purpose of conducting the business of the seller or either to engage in a business with the same or a similar industry classification as the seller selling a similar product or line of products as the seller, or to use trademarks, service marks, or trade names in this state that are the same or substantially similar to those used by the seller.

(c) Uses any person, other than a common carrier acting in its capacity as a common carrier, in this state for any of the following purposes:

(i) Receiving or processing orders of the seller's goods or services;

(ii) Using that person's employees or facilities in this state to advertise, promote, or facilitate sales by the seller to customers;

(iii) Delivering, installing, assembling, or performing maintenance services for the seller's customers;

(iv) Facilitating the seller's delivery of tangible personal property to customers in this state by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage facility, or similar place of business.

(d) Makes regular deliveries of tangible personal property into this state by means other than common carrier.

(e) Has an affiliated person that has substantial nexus with this state.

(f) Owns tangible personal property that is rented or leased to a consumer in this state, or offers tangible personal property, on approval, to consumers in this state.

(h) Engages, in the current or preceding calendar year, in two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or providing services the benefit of which is realized in this state.

(3) A seller presumed to have substantial nexus with this state under divisions (I)(2)(a) to (f), (g), and (h) of this section may rebut that presumption by demonstrating that activities described in any of those divisions that are conducted by a person in this state on the seller's behalf are not significantly associated with the seller's ability to establish or maintain a market in this state for the seller's sales.

(4) A marketplace facilitator is presumed to have substantial nexus with this state if either of the following apply in the current or preceding calendar year:

(a) The aggregate gross receipts derived from sales of tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state, including sales made by the marketplace facilitator on its own behalf and sales facilitated by the marketplace facilitator on behalf of one or more marketplace sellers, exceed one hundred thousand dollars;

(b) The marketplace facilitator engages in on its own behalf, or facilitates on behalf of one or more marketplace sellers, two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or
services the benefit of which is realized in this state.  

(5) A seller that does not have substantial nexus with this state, and any affiliated person of the seller, before selling or leasing tangible personal property or services to a state agency, shall register with the tax commissioner in the same manner as a seller described in division (A)(1) of section 5741.17 of the Revised Code.  

(6) As used in division (I) of this section:  

(a) "Affiliated person" means any person that is a member of the same controlled group of corporations as the seller or any other person that, notwithstanding the form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same controlled group of corporations.  

(b) "Controlled group of corporations" has the same meaning as in section 1563(a) of the Internal Revenue Code.  

(c) "State agency" has the same meaning as in section 1.60 of the Revised Code.  

(J) "Fiscal officer" means, with respect to a regional transit authority, the secretary-treasurer thereof, and with respect to a county which is a transit authority, the fiscal officer of the county transit board appointed pursuant to section 306.03 of the Revised Code or, if the board of county commissioners operates the county transit system, the county auditor.  

(K) "Territory of the transit authority" means all of the area included within the territorial boundaries of a transit authority as they from time to time exist. Such territorial boundaries must at all times include all the area of a single county or all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.
(L) "Transit authority" means a regional transit authority created pursuant to section 306.31 of the Revised Code or a county in which a county transit system is created pursuant to section 306.01 of the Revised Code. For the purposes of this chapter, a transit authority must extend to at least the entire area of a single county. A transit authority which includes territory in more than one county must include all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(M) "Providing a service" has the same meaning as in section 5739.01 of the Revised Code.

(N) "Other consumption" includes receiving the benefits of a service.

(O) "Lease" or "rental" has the same meaning as in section 5739.01 of the Revised Code.

(P) "Certified service provider" has the same meaning as in section 5740.01 of the Revised Code.

(Q) "Remote sale" means a sale for which the seller could not be legally required to pay, collect, or remit a tax imposed under this chapter or Chapter 5739. of the Revised Code, unless otherwise provided by the laws of the United States.

(R) "Remote seller" means a seller that lacks substantial nexus with this state but is required to register with the tax commissioner under section 5741.17 of the Revised Code pursuant to federal law authorizing states to require such sellers to register, collect, and remit use tax. A seller that is not required to register with the commissioner under division (A) of section 5741.17 of the Revised Code but registers voluntarily under division (B) of that section is not a "remote seller." A seller that registers with the commissioner under section 5741.17

Page 1890 Sub. H. B. No. 110 As Pending in the House Finance Committee
of the Revised Code after the effective date of any federal law that authorizes states to require sellers that lack substantial nexus with the state to register, collect, and remit use tax is presumed to be a "remote seller."

The seller or the commissioner may rebut this presumption with evidence that the seller has substantial nexus with this state.

(S) "Remote small seller" means a remote seller that has gross annual receipts from remote sales in the United States not exceeding one million dollars for the preceding calendar year. For the purposes of determining whether a person is a small remote seller, the sales of all persons related within the meaning of subsection (b) or (c) of section 267 or section 707(b)(1) of the Internal Revenue Code shall be aggregated, and persons with one or more ownership relationships shall be aggregated if those relationships were designed with the principal purpose to qualify as a remote small seller.

(T) "Marketplace facilitator" means a person that owns, operates, or controls a physical or electronic marketplace through which retail sales are facilitated on behalf of one or more marketplace sellers, or an affiliate of such a person. "Marketplace facilitator" does not include a person that provides advertising services, including tangible personal property or services listed for sale, if the advertising service platform or forum does not engage directly or indirectly through one or more affiliated persons in the activities described in division (W)(2)(T)(2) of this section.

(U) (R) "Marketplace seller" means a person on behalf of which a marketplace facilitator facilitates the sale of tangible personal property for storage, use, or consumption in this state or services the benefit of which are realized in this state, regardless of whether or not the person has a substantial nexus with this state.
"Electronic marketplace" includes digital distribution services, digital distribution platforms, online portals, application stores, computer software applications, in-app purchase mechanisms, or other digital products.

A sale is "facilitated" by a marketplace facilitator on behalf of a marketplace seller if it satisfies divisions (W)(1) (T)(1), (2), and (3) of this section:

(1) The marketplace facilitator, directly or indirectly, does any of the following:

(a) Lists, makes available, or advertises the tangible personal property or services that are the subject of the sale in a physical or electronic marketplace owned, operated, or controlled by the marketplace facilitator;

(b) Transmits or otherwise communicates an offer or acceptance of the sale between the marketplace seller and the purchaser in a shop, store, booth, catalog, internet site, or other similar forum;

(c) Owns, rents, licenses, makes available, or operates any electronic or physical infrastructure or any property, process, method, copyright, trademark, or patent that connects the marketplace seller to the purchaser for the purpose of making sales;

(i) Brands or otherwise identifies the sale as a sale of the marketplace facilitator.

(2) The marketplace facilitator, directly or indirectly, does any of the following:

(a) Collects the price of the tangible personal property or services sold to the consumer;

(b) Provides payment processing services for the sale;

(c) Collects payment in connection with the sale from the consumer through terms and conditions, agreements, or arrangements with a third party, and transmits that payment to the marketplace seller, regardless of whether the person collecting and transmitting such payment receives compensation or other consideration in exchange for the service;

(d) Provides virtual currency that consumers are allowed or required to use to purchase the tangible personal property or services that are the subject of the sale.

(3) The subject of the sale is tangible personal property or services other than lodging by a hotel that is or is to be furnished to transient guests.

Sec. 5741.03. (A) One hundred per cent of all money deposited
into the state treasury under sections 5741.01 to 5741.22 of the Revised Code that is not required to be distributed as provided in division (B) of this section shall be credited to the general revenue fund.

(B) In any case where any county or transit authority has levied a tax or taxes pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code, the tax commissioner shall, within forty-five days after the end of each month, determine and certify to the director of budget and management the amount of the proceeds of such tax or taxes from billings and assessments received during that month, or shown on tax returns or reports filed during that month, to be returned to the county or transit authority levying the tax or taxes, which amounts shall be determined in the manner provided in section 5739.21 of the Revised Code. The director of budget and management shall transfer, from the general revenue fund, to the permissive tax distribution fund created by division (B)(1) of section 4301.423 of the Revised Code and to the local sales tax administrative fund created by division (C) of section 5739.21 of the Revised Code, the amounts certified by the tax commissioner. The tax commissioner shall then, on or before the twentieth day of the month in which such certification is made, provide for payment of such respective amounts to the county treasurer or to the fiscal officer of the transit authority levying the tax or taxes. The amount transferred to the local sales tax administrative fund is for use by the tax commissioner in defraying costs the commissioner incurs in administering such taxes levied by a county or transit authority.

(C)(1) Not later than the first day of each January and July following the date remote sellers are first required to register, collect, and remit use tax under this chapter, the tax commissioner and the director of budget and management shall
jointly determine the amount of tax imposed by section 5741.02 of the Revised Code and remitted under this chapter by remote sellers during the six-month period ending on the preceding last day of November and of May, respectively, reduced by any refunds issued during the six-month period to remote sellers from the tax refund fund on account of that tax.

(2) Not later than that last day of each January and July following the date the commissioner and the director make a determination under division (C)(1) of this section, the director of budget and management shall transfer from the general revenue fund to the income tax reduction fund the amount determined under that division. Amounts transferred to the income tax reduction fund under this division shall be included in the determination of the percentage under division (B)(2) of section 131.44 of the Revised Code required to be made by the thirty-first day of July of the calendar year in which the commissioner makes the certifications under this division.

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of
any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any authority, commission, instrumentality, territory, or possession of the United States to the extent that the interest or dividends are exempt from federal income taxes but not from state income taxes.

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct benefits the following, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income:

(a) Benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code;

(b) Railroad retirement benefits, other than tier 1 railroad retirement benefits, to the extent such amounts are exempt from state taxation under federal law.

(6) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs work opportunity tax credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.
(7) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.

(8) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(9) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(10)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(10)(a) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(10)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(10)(a) of this section shall be the net of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.

(b) Deduct, to the extent not otherwise deducted or excluded
in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) For purposes of division (A)(10) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of division (A)(10)(a) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(11) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(11)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(12) Deduct any portion of the deduction described in section

(a) It is allowable for repayment of an item that was included in the taxpayer's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year.

(13) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(13) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(14)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(15) Add any amount claimed as a credit under section 5747.059 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal
(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(16) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(16) of this section.

(17)(a)(i) Subject to divisions (A)(17)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(ii) Subject to divisions (A)(17)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179 depreciation expense allowed to any pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(iii) Subject to division (A)(17)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, if the increase in income taxes withheld by the taxpayer is equal to or greater than ten per cent of income taxes withheld by the taxpayer during the taxpayer's immediately preceding taxable year, "two-thirds" shall be substituted for "five-sixths" for the purpose of divisions
(A)(17)(a)(i) and (ii) of this section.

(iv) Subject to division (A)(17)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(17) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(17)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

(b) Nothing in division (A)(17) of this section shall be construed to adjust or modify the adjusted basis of any asset.

(c) To the extent the add-back required under division (A)(17)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be sitused to the same location as the nonbusiness income or loss generated by the property for the purpose of determining the credit under division (A) of
section 5747.05 of the Revised Code. Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)(17)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(17) and (18) of this section:

(i) "Income taxes withheld" means the total amount withheld and remitted under sections 5747.06 and 5747.07 of the Revised Code by an employer during the employer's taxable year.

(ii) "Increase in income taxes withheld" means the amount by which the amount of income taxes withheld by an employer during the employer's current taxable year exceeds the amount of income taxes withheld by that employer during the employer's immediately preceding taxable year.

(iii) "Qualifying section 179 depreciation expense" means the difference between (I) the amount of depreciation expense directly or indirectly allowed to a taxpayer under section 179 of the Internal Revised Code, and (II) the amount of depreciation expense directly or indirectly allowed to the taxpayer under section 179 of the Internal Revenue Code as that section existed on December 31, 2002.

(18)(a) If the taxpayer was required to add an amount under division (A)(17)(a) of this section for a taxable year, deduct one of the following:
(i) One-fifth of the amount so added for each of the five succeeding taxable years if the amount so added was five-sixths of qualifying section 179 depreciation expense or depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code;

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(18)(a) of this section is attributable to an add-back allocated under division (A)(17)(c) of this section, the amount deducted shall be sitused to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(18)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A)(18)(a) of this section for that next taxable year. The carryforward of amounts not so deducted shall continue until the entire addition required by division (A)(17)(a) of this section has been deducted.
(19) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as reimbursement for life insurance premiums under section 5919.31 of the Revised Code.

(20) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as a death benefit paid by the adjutant general under section 5919.33 of the Revised Code.

(21) Deduct, to the extent included in federal adjusted gross income and not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, military pay and allowances received by the taxpayer during the taxable year for active duty service in the United States army, air force, navy, marine corps, or coast guard or reserve components thereof or the national guard. The deduction may not be claimed for military pay and allowances received by the taxpayer while the taxpayer is stationed in this state.

(22) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year and not otherwise compensated for by any other source, the amount of qualified organ donation expenses incurred by the taxpayer during the taxable year, not to exceed ten thousand dollars. A taxpayer may deduct qualified organ donation expenses only once for all taxable years beginning with taxable years beginning in 2007.

For the purposes of division (A)(22) of this section:

(a) "Human organ" means all or any portion of a human liver, pancreas, kidney, intestine, or lung, and any portion of human bone marrow.
(b) "Qualified organ donation expenses" means travel expenses, lodging expenses, and wages and salary forgone by a taxpayer in connection with the taxpayer's donation, while living, of one or more of the taxpayer's human organs to another human being.

(23) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, amounts received by the taxpayer as retired personnel pay for service in the uniformed services or reserve components thereof, or the national guard, or received by the surviving spouse or former spouse of such a taxpayer under the survivor benefit plan on account of such a taxpayer's death. If the trust is a pass-through entity investor, section 5747.231 of the Revised Code applies in ascertaining if the trust is eligible to claim the deduction provided by division (S)(12) of this section in connection with the pass-through entity's farm income.

If the allocation and apportionment of a trust's income under divisions (AA)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.
(5)(a) Except as set forth in division (AA)(5)(b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. (ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (AA)(5)(a)(iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

taxable year does not include a C corporation if both of the following apply:

(i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.

(ii) Such gain or loss constitutes nonbusiness income.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972;

(b) The trust became irrevocable upon the creation of the trust; and

(c) The grantor was domiciled in this state at the time the trust was created.

(FF) "Uniformed services" has the same meaning as in 10 U.S.C. 101.
(GG) "Taxable business income" means the amount by which an individual's business income that is included in federal adjusted gross income exceeds the amount of business income the individual is authorized to deduct under division (A)(31) (A)(28) of this section for the taxable year.

(HH) "Employer" does not include a franchisor with respect to the franchisor's relationship with a franchisee or an employee of a franchisee, unless the franchisor agrees to assume that role in writing or a court of competent jurisdiction determines that the franchisor exercises a type or degree of control over the franchisee or the franchisee's employees that is not customarily exercised by a franchisor for the purpose of protecting the franchisor's trademark, brand, or both. For purposes of this division, "franchisor" and "franchisee" have the same meanings as in 16 C.F.R. 436.1.

(II) "Modified adjusted gross income" means Ohio adjusted gross income plus any amount deducted under division (A)(28) of this section for the taxable year.

(JJ) "Qualifying Ohio educator" means an individual who, for a taxable year, qualifies as an eligible educator, as that term is defined in section 62 of the Internal Revenue Code, and who holds a certificate, license, or permit described in Chapter 3319. or section 3301.071 of the Revised Code.

Sec. 5747.02. (A) For the purpose of providing revenue for the support of schools and local government functions, to provide relief to property taxpayers, to provide revenue for the general revenue fund, and to meet the expenses of administering the tax levied by this chapter, there is hereby levied on every individual, trust, and estate residing in or earning or receiving income in this state, on every individual, trust, and estate earning or receiving lottery winnings, prizes, or awards pursuant
to Chapter 3770. of the Revised Code, on every individual, trust, and estate earning or receiving winnings on casino gaming, and on every individual, trust, and estate otherwise having nexus with or in this state under the Constitution of the United States, an annual tax measured as prescribed in divisions (A)(1) to (4) of this section.

(1) In the case of trusts, the tax imposed by this section shall be measured by modified Ohio taxable income under division (D) of this section and levied in the same amount as the tax is imposed on estates as prescribed in division (A)(2) of this section.

(2) In the case of estates, the tax imposed by this section shall be measured by Ohio taxable income. The tax shall be levied at the rate of one and forty-two thirty-nine thousand seven eight hundred forty-four eight-nine hundred-thousandths per cent for the first twenty-one twenty-two thousand seven four hundred fifty dollars of such income and, for income in excess of that amount, the tax shall be levied at the same rates prescribed in division (A)(3) of this section for individuals.

(3) In the case of individuals, the tax imposed by this section on income other than taxable business income shall be measured by Ohio adjusted gross income, less taxable business income and less an exemption for the taxpayer, the taxpayer's spouse, and each dependent as provided in section 5747.025 of the Revised Code. If the balance thus obtained is equal to or less than twenty-one twenty-two thousand seven four hundred fifty dollars, no tax shall be imposed on that balance. If the balance thus obtained is greater than twenty-one twenty-two thousand seven four hundred fifty dollars, the tax is hereby levied as follows:
OR OHIO TAXABLE INCOME (ESTATES)

More than $21,750 22,400 but not more than $43,450 44,800
$310.47 313.35 plus 2.850 2.793% of the amount in excess of $21,750 22,400

$928.92 938.98 plus 3.326 3.259% of the amount in excess of $43,450 44,800

More than $86,900 89,500 but not more than $108,700 112,000
$2,374.07 2,395.75 plus 3.726% of the amount in excess of $86,900 89,500

More than $108,700 112,000 but not more than $217,400 223,950
$3,202.91 3,234.10 plus 4.325% of the amount in excess of $108,700 112,000

More than $217,400 223,950
$7,999.84 8,075.94 plus 4.701% of the amount in excess of $217,400 223,950

(4)(a) In the case of individuals, the tax imposed by this section on taxable business income shall equal three per cent of the result obtained by subtracting any amount allowed under division (A)(4)(b) of this section from the individual's taxable business income.

(b) If the exemptions allowed to an individual under division (A)(3) of this section exceed the taxpayer's Ohio adjusted gross income less taxable business income, the excess shall be deducted from taxable business income before computing the tax under division (A)(4)(a) of this section.

(5) Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts.
resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. To recompute the tax dollar amount corresponding to the lowest tax rate in division (A)(3) of this section, the commissioner shall multiply the tax rate prescribed in division (A)(2) of this section by the income amount specified in that division and as adjusted according to this paragraph. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year.

(B) If the director of budget and management makes a certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as determined under divisions (A)(1) to (3) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that certification is made.

(C)(1) The tax imposed by this section on a trust shall be computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A resident trust may claim a credit against the tax computed under division (C) of this section equal to the lesser of
(a) the tax paid to another state or the District of Columbia on the resident trust's modified nonbusiness income, other than the portion of the resident trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (b) the effective tax rate, based on modified Ohio taxable income, multiplied by the resident trust's modified nonbusiness income other than the portion of the resident trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) Any credit authorized against the tax imposed by this section applies to a trust subject to division (C) of this section only if the trust otherwise qualifies for the credit. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(D) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts and preneed funeral contract trusts established pursuant to sections 4717.31 to 4717.38 of the Revised Code that are not qualified funeral trusts, endowment and perpetual care trusts, qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

(E) Nothing in division (A)(3) of this section shall prohibit an individual with an Ohio adjusted gross income, less taxable business income and exemptions, of twenty-one thousand twenty-two thousand
seven four hundred fifty dollars or less from filing a return under this chapter to receive a refund of taxes withheld or to claim any refundable credit allowed under this chapter.

Sec. 5747.05. As used in this section, "income tax" includes both a tax on net income and a tax measured by net income.

The following credits shall be allowed against the aggregate income tax liability imposed by section 5747.02 of the Revised Code on individuals and estates:

(A)(1) The amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of any nonresident taxpayer that is not allocable or apportionable to this state pursuant to sections 5747.20 to 5747.23 of the Revised Code. The credit provided under this division shall not exceed the total tax due under section 5747.02 of the Revised Code.

(2) The tax commissioner may enter into an agreement with the taxing authorities of any state or of the District of Columbia that imposes an income tax to provide that compensation paid in this state to a nonresident taxpayer shall not be subject to the tax levied in section 5747.02 of the Revised Code so long as compensation paid in such other state or in the District of Columbia to a resident taxpayer shall likewise not be subject to the income tax of such other state or of the District of Columbia.

(B) The lesser of division (B)(1) or (2) of this section:

(1) The aggregate amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of a resident taxpayer that in another state or in the District of Columbia is subjected to an income tax. The credit provided under division (B)(1) of this section shall not exceed the total tax due under section
5747.02 of the Revised Code.

(2) The amount of income tax liability to another state or the District of Columbia on the portion of the combined adjusted gross income and business income of a resident taxpayer that in another state or in the District of Columbia is subjected to an income tax. The credit provided under division (B)(2) of this section shall not exceed the total amount of tax otherwise due under section 5747.02 of the Revised Code.

(3) If the credit provided under division (B) of this section is affected by a change in either the portion of the combined adjusted gross income and business income of a resident taxpayer subjected to an income tax in another state or the District of Columbia or the amount of income tax liability that has been paid to another state or the District of Columbia, the taxpayer shall report the change to the tax commissioner within sixty ninety days of the change in such form as the commissioner requires.

(a) In the case of an underpayment, the report shall be accompanied by payment of any additional tax due as a result of the reduction in credit together with interest on the additional tax and is a return subject to assessment under section 5747.13 of the Revised Code solely for the purpose of assessing any additional tax due under this division, together with any applicable penalty and interest. It shall not reopen the computation of the taxpayer's tax liability under this chapter from a previously filed return no longer subject to assessment except to the extent that such liability is affected by an adjustment to the credit allowed by division (B) of this section.

(b) In the case of an overpayment, an application for refund may be filed under this division within the sixty-day ninety-day period prescribed for filing the report even if it is beyond the period prescribed in section 5747.11 of the Revised Code if it otherwise conforms to the requirements of such section. An
application filed under this division shall only claim refund of overpayments resulting from an adjustment to the credit allowed by division (B) of this section unless it is also filed within the time prescribed in section 5747.11 of the Revised Code. It shall not reopen the computation of the taxpayer's tax liability except to the extent that such liability is affected by an adjustment to the credit allowed by division (B) of this section.

(4) No credit shall be allowed under division (B) of this section:

(a) For income tax paid or accrued to another state or to the District of Columbia if the taxpayer, when computing federal adjusted gross income, has directly or indirectly deducted, or was required to directly or indirectly deduct, the amount of that income tax;

(b) For compensation that is not subject to the income tax of another state or the District of Columbia as the result of an agreement entered into by the tax commissioner under division (A)(3) of this section; or

(c) For income tax paid or accrued to another state or the District of Columbia if the taxpayer fails to furnish such proof as the tax commissioner shall require that such income tax liability has been paid.

(C) An individual who is a resident for part of a taxable year and a nonresident for the remainder of the taxable year is allowed the credits under divisions (A) and (B) of this section in accordance with rules prescribed by the tax commissioner. In no event shall the same income be subject to both credits.

(D) The credit allowed under division (A) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required.
under section 5747.98 of the Revised Code. The credit allowed under division (B) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

(E)(1) On a joint return filed by a husband and wife, each of whom had adjusted gross income of at least five hundred dollars, exclusive of interest, dividends and distributions, royalties, rent, and capital gains, a credit equal to the lesser of six hundred fifty dollars or the percentage shown in column B that corresponds with the taxpayer's modified adjusted gross income, less exemptions for the taxable year, of the total amount of tax due after allowing for any other credit that precedes this credit as required under section 5747.98 of the Revised Code:

(2) The credit shall be claimed in the order required under section 5747.98 of the Revised Code.

(F) No claim for credit under this section shall be allowed unless the claimant furnishes such supporting information as the tax commissioner prescribes by rules.

Sec. 5747.08. An annual return with respect to the tax
imposed by section 5747.02 of the Revised Code and each tax
imposed under Chapter 5748. of the Revised Code shall be made by
every taxpayer for any taxable year for which the taxpayer is
liable for the tax imposed by that section or under that chapter,
unless the total credits allowed under division (E) of section
5747.05 and divisions (F) and (G) of section 5747.055 of the
Revised Code for the year are equal to or exceed the tax imposed
by section 5747.02 of the Revised Code, in which case no return
shall be required unless the taxpayer is liable for a tax imposed
pursuant to Chapter 5748. of the Revised Code.

(A) If an individual is deceased, any return or notice
required of that individual under this chapter shall be made and
filed by that decedent's executor, administrator, or other person
charged with the property of that decedent.

(B) If an individual is unable to make a return or notice
required by this chapter, the return or notice required of that
individual shall be made and filed by the individual's duly
authorized agent, guardian, conservator, fiduciary, or other
person charged with the care of the person or property of that
individual.

(C) Returns or notices required of an estate or a trust shall
be made and filed by the fiduciary of the estate or trust.

(D)(1)(a) Except as otherwise provided in division (D)(1)(b)
of this section, any pass-through entity may file a single return
on behalf of one or more of the entity's investors other than an
investor that is a person subject to the tax imposed under section
5733.06 of the Revised Code. The single return shall set forth the
name, address, and social security number or other identifying
number of each of those pass-through entity investors and shall
indicate the distributive share of each of those pass-through
entity investor's income taxable in this state in accordance with
sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D)(2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code.

(b)(i) A pass-through entity shall not include in such a single return any investor that is a trust to the extent that any direct or indirect current, future, or contingent beneficiary of the trust is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(ii) A pass-through entity shall not include in such a single return any investor that is itself a pass-through entity to the extent that any direct or indirect investor in the second pass-through entity is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(c) Nothing in division (D) of this section precludes the tax commissioner from requiring such investors to file the return and make the payment of taxes and related interest, penalty, and interest penalty required by this section or section 5747.02, 5747.09, or 5747.15 of the Revised Code. Nothing in division (D) of this section precludes such an investor from filing the annual return under this section, utilizing the refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor under division (I)
of this section, and making the payment of taxes imposed under section 5747.02 of the Revised Code. Nothing in division (D) of this section shall be construed to provide to such an investor or pass-through entity any additional deduction or credit, other than the credit provided by division (I) of this section, solely on account of the entity's filing a return in accordance with this section. Such a pass-through entity also shall make the filing and payment of estimated taxes on behalf of the pass-through entity investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(2) For the purposes of this section, "business credits" means the credits listed in section 5747.98 of the Revised Code excluding the following credits:

(a) The retirement income credit under division (B) of section 5747.055 of the Revised Code;

(b) The senior citizen credit under division (F) of section 5747.055 of the Revised Code;

(c) The lump sum distribution credit under division (G) of section 5747.055 of the Revised Code;

(d) The dependent care credit under section 5747.054 of the Revised Code;

(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;

(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;

(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;

(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;

(i) The twenty-dollar personal exemption credit under section
5747.022 of the Revised Code;

(j) The joint filing credit under division (E) of section 5747.05 of the Revised Code;

(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;

(l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;

(m) The earned income tax credit under section 5747.71 of the Revised Code;

(n) The lead abatement credit under section 5747.26 of the Revised Code.

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that
would have been paid by the pass-through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return.

(E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each
year, on forms that the tax commissioner shall prescribe, together
with remittance made payable to the treasurer of state in the
combined amount of the state and all school district income taxes
shown to be due on the form.

Upon good cause shown, the commissioner may extend the period
for filing any notice or return required to be filed under this
section and may adopt rules relating to extensions. If the
extension results in an extension of time for the payment of any
state or school district income tax liability with respect to
which the return is filed, the taxpayer shall pay at the time the
tax liability is paid an amount of interest computed at the rate
per annum prescribed by section 5703.47 of the Revised Code on
that liability from the time that payment is due without extension
to the time of actual payment. Except as provided in section
5747.132 of the Revised Code, in addition to all other interest
charges and penalties, all taxes imposed under this chapter or
Chapter 5748. of the Revised Code and remaining unpaid after they
become due, except combined amounts due of one dollar or less,
bear interest at the rate per annum prescribed by section 5703.47
of the Revised Code until paid or until the day an assessment is
issued under section 5747.13 of the Revised Code, whichever occurs
first.

If the commissioner considers it necessary in order to ensure
the payment of the tax imposed by section 5747.02 of the Revised
Code or any tax imposed under Chapter 5748. of the Revised Code,
the commissioner may require returns and payments to be made
otherwise than as provided in this section.

To the extent that any provision in this division conflicts
with any provision in section 5747.026 of the Revised Code, the
provision in that section prevails.

(H) The amounts withheld by an employer pursuant to section
5747.06 of the Revised Code, a casino operator pursuant to
section, 5747.062, 5747.063 of the Revised Code, or a lottery sales agent pursuant to section, 5747.064, or 5747.071 of the Revised Code shall be allowed to the ultimate recipient of the compensation casino winnings, or lottery prize award income as credits against payment of the appropriate taxes imposed on the ultimate recipient by section 5747.02 and under Chapter 5748. of the Revised Code. As used in this division, "ultimate recipient" means the person who is required to report income from which amounts are withheld pursuant to section 5747.06, 5747.062, 5747.063, 5747.064, or 5747.071 of the Revised Code on the annual return required to be filed under this section.

(I) If a pass-through entity elects to file a single return under division (D) of this section and if any investor is required to file the annual return and make the payment of taxes required by this chapter on account of the investor's other income that is not included in a single return filed by a pass-through entity or any other investor elects to file the annual return, the investor is entitled to a refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor. The investor shall claim the credit for the investor's taxable year in which or with which ends the taxable year of the pass-through entity. Nothing in this chapter shall be construed to allow any credit provided in this chapter to be claimed more than once. For the purpose of computing any interest, penalty, or interest penalty, the investor shall be deemed to have paid the refundable credit provided by this division on the day that the pass-through entity paid the estimated tax or the tax giving rise to the credit.

(J) The tax commissioner shall ensure that each return required to be filed under this section includes a box that the taxpayer may check to authorize a paid tax preparer who prepared the return to communicate with the department of taxation about
matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the department of taxation to contact the preparer concerning questions that arise during the processing of the return and authorizes the preparer only to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the department and has shown to the preparer.

(K) The tax commissioner shall permit individual taxpayers to instruct the department of taxation to cause any refund of overpaid taxes to be deposited directly into a checking account, savings account, or an individual retirement account or individual retirement annuity, or preexisting college savings plan or program account offered by the Ohio tuition trust authority under Chapter 3334. of the Revised Code, as designated by the taxpayer, when the taxpayer files the annual return required by this section electronically.

(L) A taxpayer claiming the deduction under division (A)(28) of section 5747.01 of the Revised Code for a taxable year shall indicate on the taxpayer's return the north American industry classification system code of each business or professional activity from which the taxpayer's business income was derived. The tax commissioner shall provide space on the return for this purpose and shall prescribe, by rule adopted in accordance with Chapter 119. of the Revised Code, the manner by which such a taxpayer shall determine the taxpayer's proper classification codes and business or professional activities from which the taxpayer derives business income.

(M) The tax commissioner may adopt rules to administer this
Sec. 5747.10. (A) As used in this section:

(1) "Audited partnership" means a partnership subject to an examination by the internal revenue service pursuant to subchapter C, chapter 63, subtitle F of the Internal Revenue Code resulting in a federal adjustment.

(2)(a) "Direct investor" means a partner or other investor that holds a direct interest in a pass-through entity.

(b) "Indirect investor" means a partner or other investor that holds an interest in a pass-through entity that itself holds an interest, directly or through another indirect partner or other investor, in a pass-through entity.

(3) "Exempt partner" means a partner that is neither a pass-through entity nor a person subject to the tax imposed by section 5747.02 of the Revised Code.

(4) "Federal adjustment" means a change to an item or amount required to be determined under the Internal Revenue Code that directly or indirectly affects a taxpayer's aggregate tax liability under section 5747.02 or Chapter 5748. of the Revised Code and that results from an action or examination by the internal revenue service, or from the filing of an amended federal tax return, a claim for a federal tax refund, or an administrative adjustment request filed by a partnership under section 6227 of the Internal Revenue Code.

(5) "Federal adjustments return" means the form or other document prescribed by the tax commissioner for use by a taxpayer in reporting final federal adjustments.

(6) "State partnership representative" means either of the following:

(a) The person who served as the partnership's representative
for federal income tax purposes, pursuant to section 6223(a) of the Internal Revenue Code, during the corresponding federal partnership audit;

(b) The person designated, on a form prescribed by the tax commissioner, to serve as the partnership's representative during the state partnership audit. The commissioner may establish reasonable qualifications and procedures for a person to be designated as a state partnership representative under this division.

(7) A federal adjustment is "final" or "agreed to or finally determined for federal income tax purposes" on any of the following:

(a) The day after which the period for appeal of a federal assessment has expired;

(b) The date on a refund check issued by the internal revenue service; or

(c) For agreements required to be signed by the internal revenue service and the taxpayer or audited partnership, the date on which the last party signed the agreement.

(B)(1) If any of the facts, figures, computations, or attachments required in a taxpayer's annual return to determine the tax charged by this chapter or Chapter 5748. of the Revised Code must be altered as the result of a final federal adjustment, and the federal adjustment is not required to be reported under division (C) of this section, the taxpayer shall file an amended return with the tax commissioner in such form as the commissioner requires. The amended return shall be filed not later than ninety days after the federal adjustment has been agreed to or finally determined for federal income tax purposes.

(2) "One hundred eighty" shall be substituted for "ninety" in divisions (B)(1) and (E)(1) of this section if, for any taxable
year, the final federal adjustment results from taxes paid by the taxpayer on an amount described in division (A)(34)-(A)(32) of section 5747.01 of the Revised Code.

(C) Except for adjustments required to be reported for federal purposes pursuant to section 6225(a)(2) of the Internal Revenue Code and adjustments that are taken into account on a federal amended return or similar report filed pursuant to section 6225(c)(2) of the Internal Revenue Code, partnerships and partners shall report final federal adjustments and make payments as required under division (C) of this section.

(1) With respect to an action required or permitted to be taken by a partnership under this section, and any petition for reassessment or appeal to the board of tax appeals or any court with respect to such an action, the state partnership representative shall have the sole authority to act on behalf of the audited partnership, and the partnership's direct and indirect investors shall be bound by those actions.

(2) Unless an audited partnership makes the election under division (C)(3) of this section:

(a) The audited partnership, through its state partnership representative, shall do all of the following within ninety days after the federal adjustment is final:

(i) File a federal adjustments return with the tax commissioner, including a copy of the notifications provided under division (C)(2)(a)(ii) of this section;

(ii) Notify each of its direct investors, on a form prescribed by the commissioner, of the investor's distributive share of the final federal adjustments;

(iii) File an amended tax return on behalf of its nonresident direct investors and pay any additional tax that would have been due under sections 5733.41 and 5747.41, or division (D) of section
5747.08, of the Revised Code with respect to those direct
investors had the final federal adjustments been reported properly
on the original filing.

(b) Each direct investor that is subject to the tax imposed
by section 5747.02 of the Revised Code shall file an original or
amended tax return to include the investor's distributive share of
the adjustments reported to the direct investor under division
(C)(2)(a) of this section, and pay any additional tax due, within
ninety days after the audited partnership files its federal
adjustments return with the commissioner.

(c)(i) Each direct and indirect investor of an audited
partnership that is a pass-through entity and all investors in
such a pass-through entity that are subject to the filing and
payment requirements of Chapters 5733. and 5747. of the Revised
Code are subject to the reporting and payment requirements of
division (C)(2) or, upon a timely election, division (C)(3) of
this section.

(ii) Such direct and indirect investors shall make the
required returns and payments within ninety days after the
deadline for filing and furnishing statements under section
6226(b)(4) of the Internal Revenue Code and applicable treasury
regulations.

(3) If an audited partnership makes the election under this
division, the audited partnership, through its state partnership
representative, shall do all of the following within ninety days
after all federal adjustments are final:

(a) File a federal adjustments return with the tax
commissioner indicating the partnership has made the election
under division (C)(3) of this section;

(b) Pay the amount of combined additional tax due under
division (D)(2) of this section, calculated by multiplying the
highest rate of tax set forth in section 5747.02 of the Revised Code by the sum of the following:

(i) The distributive shares of the final federal adjustments that are allocable or apportionable to this state of each investor who is a nonresident taxpayer or pass-through entity;

(ii) The distributive share of the final federal adjustments for each investor who is a resident taxpayer.

(c) Notify each of its direct investors, on a form prescribed by the commissioner, of the investor's distributive share of the final federal adjustments and the amount paid on their behalf pursuant to division (C)(3)(b) of this section.

(4)(a) A direct investor of an audited partnership is not required to file an amended return or pay tax otherwise due under section 5747.02 of the Revised Code if the audited partnership properly reports and pays the tax under division (C)(3) of this section.

(b)(i) Nothing in division (C) of this section precludes a direct or indirect investor in the audited partnership from filing a return to report the investor's share of the final federal adjustments. Such an investor who files a return and reports the income related to the final federal adjustments is entitled to a refundable credit for taxes paid by the audited partnership under division (C)(3)(b) of this section. The credit shall be computed and claimed in the same manner as the credit allowed under division (I) of section 5747.08 of the Revised Code.

(ii) Notwithstanding division (C)(4)(b)(i) of this section, an exempt partner, whether a direct or indirect investor, may file an application for refund of its proportionate share of the amounts erroneously paid by the audited partnership pursuant to division (C)(3)(b) of this section on the exempt partner's behalf.

(5) Upon request by an audited partnership, the tax
commissioner may agree, in writing, to allow an alternative method of reporting and payment than required by divisions division (C)(2) or (3) of this section. The request must be submitted to the commissioner in writing before the applicable deadline for filing a return under division (C)(2)(a) or (3) of this section. The commissioner's decision on whether to enter into an agreement under this division is not subject to further administrative review or appeal.

(6) Nothing in division (C) of this section precludes either of the following:

(a) A resident taxpayer from filing a return to claim the credit under division (B) of section 5747.05 or division (D)(2) of section 5747.02 of the Revised Code based upon any amounts paid by the audited partnership on such investor's behalf to another state.

(b) The tax commissioner from issuing an assessment under this chapter against any direct or indirect investor for taxes due from the investor if an audited partnership, or direct and indirect investor of an audited partnership that is a pass-through entity, fails to timely file any return or remit any payment required by this section or underreports income or underpays tax on behalf of an indirect investor who is a resident taxpayer.

(D) In the case of an underpayment, and unless otherwise agreed to in writing by the tax commissioner:

(1) The taxpayer's amended return shall be accompanied by payment of any combined additional tax due together with interest thereon. An amended return required by this section is a return subject to assessment under section 5747.13 of the Revised Code for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. It shall not reopen those facts, figures, computations, or
attachments from a previously filed return no longer subject to
assessment that are not affected, either directly or indirectly,
by the final federal adjustment to the taxpayer's federal income
tax return.

(2) The audited partnership's federal adjustments return
shall be accompanied by payment of any combined additional tax due
together with interest thereon. The federal adjustments return
required by this section is a return subject to assessment under
section 5747.13 of the Revised Code for the purpose of assessing
any additional tax due under this section, together with any
applicable penalty and interest. It shall not reopen those facts,
figures, computations, or attachments from a previously filed
return no longer subject to assessment that are not affected,
either directly or indirectly, by the final federal adjustment.

(3) The tax commissioner may accept estimated payments of the
tax arising from pending federal adjustments before the date for
filing a federal adjustments return. The commissioner may adopt
rules for the payment of such estimated taxes.

(E) In the case of an overpayment, and unless otherwise
agreed to in writing by the tax commissioner:

(1) A taxpayer may file an application for refund under this
division within the ninety-day period prescribed for filing the
amended return even if it is filed beyond the period prescribed in
section 5747.11 of the Revised Code if it otherwise conforms to
the requirements of such section. An application filed under this
division shall claim refund of overpayments resulting from
alterations to only those facts, figures, computations, or
attachments required in the taxpayer's annual return that are
affected, either directly or indirectly, by the final federal
adjustment to the taxpayer's federal income tax return unless it
is also filed within the time prescribed in section 5747.11 of the
Revised Code. It shall not reopen those facts, figures,
computations, or attachments that are not affected, either
directly or indirectly, by the adjustment to the taxpayer's
federal income tax return.

(2)(a) Except as otherwise provided in division (E)(2)(b) of
this section, an audited partnership may file an application for a
refund under this division within the ninety-day period prescribed
for filing the federal adjustments return, even if it is filed
beyond the period prescribed by section 5747.11 of the Revised
Code, if it otherwise conforms to the requirements of that
section. An application filed under this division may claim a
refund of overpayments resulting only from final federal
adjustments unless it is also filed within the time prescribed by
section 5747.11 of the Revised Code. It shall not reopen those
facts, figures, computations, or attachments that are not
affected, either directly or indirectly, by the federal
adjustment.

(b) An audited partnership may not file an application for
refund under division (E) of this section based on final federal
adjustments described in section 6225(a)(2) of the Internal
Revenue Code.

(3) Any refund granted to a pass-through entity filing an
application for refund under division (E) of this section shall be
reduced by amounts previously claimed as a credit under section
5747.059 or division (I) of section 5747.08 of the Revised Code by
the pass-through entity's direct or indirect investors.

(F) Excluding the deadline in division (C)(2)(c)(ii) of this
section, an audited partnership, or a direct or indirect investor
of an audited partnership that is a pass-through entity, may
automatically extend the deadline for reporting, payments, and
refunds under this section by sixty days if the entity has ten
thousand or more direct investors and notifies the commissioner of
such extension, in writing, before the unextended deadline.
Sec. 5751.015. For the purposes of determining the persons included in consolidated elected taxpayer and combined taxpayer groups under sections 5751.011 and 5751.012 of the Revised Code, and the person that is the common owner that owns or controls, directly or constructively through related interests, the percentage of the value of the ownership interest of one or more other persons required by those sections, the following apply:

(A) Except as provided in division (B) of this section, the value of the ownership interest of a person shall be determined as follows:

(1) In the case of a corporation, the value is calculated with respect to only those classes of stock having voting rights. Interests held in a corporation are attributable to a shareholder in the corporation based on the percentage of total value of the voting equity interests in the corporation owned and controlled by that shareholder.

(2) In the case of a partnership, limited liability company, business trust, unincorporated business interest, or other entity with membership interests or beneficial interests, the value is calculated with respect to the fair market value of the voting interest in the entity.

(3) In the case of a limited partnership, the value is calculated with respect to only the general partnership interests in the entity.

(4) In the case of two or more persons having an interest in an unincorporated business, including but not limited to rental property, where there is no formal partnership agreement between the persons, an implied partnership is deemed to exist. One implied partnership exists for all such commonly owned and controlled interests of the unincorporated business. The implied partnership is a separate entity for purposes of the tax imposed
by this chapter and the ownership interests are determined as follows:

(a) If the owners file an internal revenue service form 1065, the ownership interests are based on the capital account contributions reported in tax filings as of the end of the previous calendar year.

(b) If the owners are not required to file an internal revenue service form 1065, and the business has an interest in rental property, the common ownership is based on the deed to the rental property. If two persons are listed on the deed, each of those persons are considered to own and control fifty per cent of the property. The burden is on those persons to prove an alternate ownership structure.

(c) If divisions (A)(4)(a) and (b) of this section do not apply, the common ownership of the implied partnership is based on the number of persons in the group. The burden is on those persons to prove an alternate ownership structure.

(B) With respect to trusts, a common owner shall be determined as follows:

(1) In the case of a trust to which section 677 of the Internal Revenue Code applies, the grantor is the common owner of the trust.

(2) In the case of a trust to which section 678 of the Internal Revenue Code applies, the person, other than the trust, described in section 678 of the Internal Revenue Code is the common owner of the trust.

(3) In the case of a trust treated as a corporation for federal income tax purposes, including but not limited to real estate investment trusts and business trusts, the beneficiaries of the trust shall be treated as shareholders of a corporation and division (A)(1) of this section applies.
(4) In the case of any other trust, there is no common owner.

Sec. 5751.02. (A) For the purpose of funding the needs of this state and its local governments, there is hereby levied a commercial activity tax on each person with taxable gross receipts for the privilege of doing business in this state. For the purposes of this chapter, "doing business" means engaging in any activity, whether legal or illegal, that is conducted for, or results in, gain, profit, or income, at any time during a calendar year. Persons on which the commercial activity tax is levied include, but are not limited to, persons with substantial nexus with this state. The tax imposed under this section is not a transactional tax and is not subject to Public Law No. 86-272, 73 Stat. 555. The tax imposed under this section is in addition to any other taxes or fees imposed under the Revised Code. The tax levied under this section is imposed on the person receiving the gross receipts and is not a tax imposed directly on a purchaser. The tax imposed by this section is an annual privilege tax for the calendar year that, in the case of calendar year taxpayers, is the annual tax period and, in the case of calendar quarter taxpayers, contains all quarterly tax periods in the calendar year. A taxpayer is subject to the annual privilege tax for doing business during any portion of such calendar year.

(B) The tax imposed by this section is a tax on the taxpayer and shall not be billed or invoiced to another person. Even if the tax or any portion thereof is billed or invoiced and separately stated, such amounts remain part of the price for purposes of the sales and use taxes levied under Chapters 5739. and 5741. of the Revised Code. Nothing in division (B) of this section prohibits:

1. A person from including in the price charged for a good or service an amount sufficient to recover the tax imposed by this section; or
(2) A lessor from including an amount sufficient to recover the tax imposed by this section in a lease payment charged, or from including such an amount on a billing or invoice pursuant to the terms of a written lease agreement providing for the recovery of the lessor's tax costs. The recovery of such costs shall be based on an estimate of the total tax cost of the lessor during the tax period, as the tax liability of the lessor cannot be calculated until the end of that period.

(C)(1) The commercial activities tax receipts fund is hereby created in the state treasury and shall consist of money arising from the tax imposed under this chapter. Sixty-five one-hundredths One-half of one per cent of the money credited to that fund shall be credited to the revenue enhancement fund and shall be used to defray the costs incurred by the department of taxation in administering the tax imposed by this chapter and in implementing tax reform measures. The remainder of the money in the commercial activities tax receipts fund shall first be credited to the commercial activity tax motor fuel receipts fund, pursuant to division (C)(2) of this section, and the remainder shall be credited in the following percentages each fiscal year to the general revenue fund, to the school district tangible property tax replacement fund, which is hereby created in the state treasury for the purpose of making the payments described in section 5709.92 of the Revised Code, and to the local government tangible property tax replacement fund, which is hereby created in the state treasury for the purpose of making the payments described in section 5709.93 of the Revised Code, in the following percentages:

(2) Not later than the twentieth day of February, May, August, and November of each year, the commissioner shall provide for payment from the commercial activities tax receipts fund to the commercial activity tax motor fuel receipts fund an amount that bears the same ratio to the balance in the commercial activities tax receipts fund that (a) the taxable gross receipts attributed to motor fuel used for propelling vehicles on public highways as indicated by returns filed by the tenth day of that month for a liability that is due and payable on or after July 1, 2013, for a tax period ending before July 1, 2014, bears to (b) all taxable gross receipts as indicated by those returns for such liabilities.

(D)(1) If the total amount in the school district tangible property tax replacement fund is insufficient to make all payments under section 5709.92 of the Revised Code at the times the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the school district tangible property tax replacement fund the difference between the total amount to be paid and the amount in the school district tangible property tax replacement fund.

(2) If the total amount in the local government tangible property tax replacement fund is insufficient to make all payments under section 5709.93 of the Revised Code at the times the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the local government tangible property tax replacement fund the difference between the total amount to be paid and the amount in the local government tangible property tax replacement fund.

(E)(1) On or after the first day of June of each year, the
director of budget and management may transfer any balance in the school district tangible property tax replacement fund to the general revenue fund.

(2) On or after the first day of June of each year, the director of budget and management may transfer any balance in the local government tangible property tax replacement fund to the general revenue fund.

(F)(1) There is hereby created in the state treasury the commercial activity tax motor fuel receipts fund.

(2) On or before the fifteenth day of June of each fiscal year beginning with fiscal year 2015, the director of the Ohio public works commission shall certify to the director of budget and management the amount of debt service paid from the general revenue fund in the current fiscal year on bonds issued to finance or assist in the financing of the cost of local subdivision public infrastructure capital improvement projects, as provided for in Sections 2k, 2m, 2p, and 2s of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in the current fiscal year according to the applicable section of the Ohio Constitution under which the bonds were originally issued.

(3) On or before the thirtieth day of June of each fiscal year beginning with fiscal year 2015, the director of budget and management shall determine an amount up to but not exceeding the amount certified under division (F)(2) of this section and shall reserve that amount from the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund for transfer to the general revenue fund at times and in amounts to be determined by the director.
Sec. 5751.03. (A) Except as provided in division (B) of this section, the tax levied under this section for each tax period shall be the product of two and six-tenths mills per dollar times the remainder of the taxpayer's taxable gross receipts for the tax period after subtracting the exclusion amount provided for in division (C) of this section.

(B) Notwithstanding division (C) of this section, the tax on the first one million dollars in taxable gross receipts each calendar year shall be calculated as follows:

(1) For taxpayers with annual taxable gross receipts of one million dollars or less for the immediately preceding calendar year, one hundred fifty dollars;

(2) For taxpayers with annual taxable gross receipts greater than one million dollars, but less than or equal to two million dollars for the immediately preceding calendar year, eight hundred dollars;

(3) For taxpayers with annual taxable gross receipts greater than two million dollars, but less than or equal to four million dollars for the immediately preceding calendar year, two thousand one hundred dollars;

(4) For taxpayers with annual taxable gross receipts greater than four million dollars for the immediately preceding calendar year, two thousand six hundred dollars.

The tax imposed under division (B)(1) of this section shall be paid not later than the tenth day of May of each year along
with the annual tax return. The tax imposed under divisions (B)(2), (3), and (4) of this section shall be paid not later than the tenth day of May of each year along with the first quarter tax return.

(C)(1) Each taxpayer may exclude the first one million dollars of taxable gross receipts for a calendar year. Calendar quarter taxpayers shall apply the full exclusion amount to the first calendar quarter return the taxpayer files that calendar year and may carry forward and apply any unused exclusion amount to subsequent calendar quarters within that same calendar year.

(2) A taxpayer switching from a calendar year tax period to a calendar quarter tax period may, for the first quarter of the change, apply the full one-million-dollar exclusion amount to the first calendar quarter return the taxpayer files that calendar year. Such taxpayers may carry forward and apply any unused exclusion amount to subsequent calendar quarters within that same calendar year. The tax rate shall be based on the rate imposed that calendar quarter when the taxpayer switches from a calendar year to a calendar quarter tax period.

(3) A taxpayer shall not exclude more than one million dollars pursuant to division (C) of this section in a calendar year.

Sec. 5751.40. (A) As used in this section and division (F)(2)(z) of section 5751.01 of the Revised Code:

(1) "Qualifying distribution center receipts" means receipts of a supplier from qualified property that is delivered to a qualified distribution center, multiplied by a quantity that equals one minus the Ohio delivery percentage. If the qualified distribution center is a refining facility, "supplier" includes all dealers, brokers, processors, sellers, vendors, cosigners, and distributors of qualified property.
(2) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere or, in the case of gold, silver, platinum, or palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some other process at a refining facility.

(3) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(4) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(5) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(6) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner under division...
(7) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(8) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities exchange.

(9) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, inc. or commodity exchange, inc., designated as a contract market by the commodity futures trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 et seq., as amended.

(10) "Ineligible operator's supplier tax liability" means an amount equal to the tax liability of all suppliers of a distribution center had the distribution center not been issued a qualifying certificate for the qualifying year. Ineligible operator's supplier tax liability shall not include interest or penalties.

(B) For purposes of division (B) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.

(1) An application for a qualifying certificate to be a qualified distribution center shall be filed, and an annual fee paid, for each qualified distribution center on or before the first day of September before the qualifying year or within
forty-five days after the distribution center opens, whichever is later. The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be sitused outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period.

The commissioner may require an applicant to have an independent certified public accountant certify that the calculation of the minimum thresholds required for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate effective for the remainder of the qualifying year or until the appeal is finalized, whichever is earlier. If the operator does not prevail in the appeal, the operator shall pay the ineligible operator's supplier tax liability.

(2) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be sitused outside of this state under the provisions of division
(E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall pay the ineligible operator's supplier tax liability.

(3) The commissioner may grant a qualifying certificate to a distribution center that does not qualify as a qualified distribution center for an entire qualifying period if the operator of the distribution center demonstrates that the business operations of the distribution center have changed or will change such that the distribution center will qualify as a qualified distribution center within thirty-six months after the date the operator first applies for a certificate. If, at the end of that thirty-six-month period, the business operations of the distribution center have not changed such that the distribution center qualifies as a qualified distribution center, the operator of the distribution center shall pay the ineligible operator's supplier tax liability for each year that the distribution center received a certificate but did not qualify as a qualified distribution center. For each year the distribution center receives a certificate under division (B)(3) of this section, the distribution center shall pay all applicable fees required under this section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.

(4) An operator may appeal a determination under division (B)(1), (B)(2), or (2)(3) of this section that the ineligible operator is liable for the operator's supplier tax liability as a result of not qualifying as a qualified distribution center, as provided in section 5717.02 of the Revised Code.

(C)(1) When filing an application for a qualifying...
certificate under division (B)(1) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (B)(1) of this section.

(2) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (C)(1) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(3) The operator of a distribution center that receives a qualifying certificate under division (B)(3) of this section shall make a good faith estimate of the Ohio delivery percentage that
the operator estimates will apply to the distribution center at the end of the thirty-six-month period after the operator first applied for a qualifying certificate under that division. The result of the estimate shall be multiplied by a factor of one and seventy-five one-hundredths. The product of that calculation shall be the Ohio delivery percentage used by suppliers in their reports of taxable gross receipts for each qualifying year that the distribution center receives a qualifying certificate under division (B)(3) of this section, except that, if the product is less than five per cent, the Ohio delivery percentage used shall be five per cent and that, if the product exceeds forty-nine per cent, the Ohio delivery percentage used shall be forty-nine per cent.

(D) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this section shall not be subject to tax on the qualifying distribution center receipts under this section and division (F)(2)(z) of section 5751.01 of the Revised Code. An operator receiving a qualifying certificate is liable for the ineligible operator's supplier tax liability for each year the operator received a certificate but did not qualify as a qualified distribution center.

(E) The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(F) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center.

(B) Notwithstanding any other provisions of this chapter to the contrary, and until the director has adopted rules specifying a different basis for determining compliance consistent with and no more stringent than an appropriate national consensus standard or other generally accepted standard, if a discharge limit is set below the practical quantification level for a particular parameter, any value reported at or below the practical quantification level shall be considered to be in compliance with that limit.

(C) Whenever a discharge limit for a pollutant is less than the practical quantification level, the director may require the permit holder to identify the possible sources of that pollutant. The director, by rule, may specify additional actions that the permit holder may be required to take when the director finds the actions to be necessary to prevent or mitigate significant adverse effects on public health or environmental quality. Failure of a permit holder to comply with additional actions required by the director under this division constitutes a violation of the permit holder's discharge permit.

Sec. 111.15. (A) As used in this section:

(1) "Rule" includes any rule, regulation, bylaw, or standard having a general and uniform operation adopted by an agency under the authority of the laws governing the agency; any appendix to a rule; and any internal management rule. "Rule" does not include any guideline adopted pursuant to section 3301.0714 of the Revised Code, any order respecting the duties of employees, any finding, any determination of a question of law or fact in a matter presented to an agency, or any rule promulgated pursuant to Chapter 119. or division (C)(1) or (2) of section 5117.02 of the Revised Code. "Rule" includes any amendment or rescission of a rule.

(2) "Agency" means any governmental entity of the state and includes, but is not limited to, any board, department, division, commission, bureau, society, council, institution, state college or university, community college district, technical college district, or state community college. "Agency" does not include the general assembly, the controlling board, the adjutant general's department, or any court.

(3) "Internal management rule" means any rule, regulation, bylaw, or standard governing the day-to-day staff procedures and
operations within an agency.

(B)(1) Any rule, other than a rule of an emergency nature, adopted by any agency pursuant to this section shall be effective on the tenth day after the day on which the rule in final form and in compliance with division (B)(3) of this section is filed as follows:

(a) The rule shall be filed in electronic form with both the secretary of state and the director of the legislative service commission;

(b) The rule shall be filed in electronic form with the joint committee on agency rule review. Division (B)(1)(b) of this section does not apply to any rule to which division (D) of this section does not apply.

An agency that adopts or amends a rule that is subject to division (D) of this section shall assign a review date to the rule that is not later than five years after its effective date. If a review date assigned to a rule exceeds the five-year maximum, the review date for the rule is five years after its effective date. A rule with a review date is subject to review under section 106.03 of the Revised Code. This paragraph does not apply to a rule of a state college or university, community college district, technical college district, or state community college.

If an agency in adopting a rule designates an effective date that is later than the effective date provided for by division (B)(1) of this section, the rule if filed as required by such division shall become effective on the later date designated by the agency.

Any rule that is required to be filed under division (B)(1) of this section is also subject to division (D) of this section if not exempted by that division.

If a rule incorporates a text or other material by reference,
the agency shall comply with sections 121.71 to 121.75 of the Revised Code.

(2) A rule of an emergency nature necessary for the immediate preservation of the public peace, health, or safety shall state the reasons for the necessity. The emergency rule, in final form and in compliance with division (B)(3) of this section, shall be filed in electronic form with the secretary of state, the director of the legislative service commission, and the joint committee on agency rule review. The emergency rule is effective immediately upon completion of the latest filing, except that if the agency in adopting the emergency rule designates an effective date, or date and time of day, that is later than the effective date and time provided for by division (B)(2) of this section, the emergency rule if filed as required by such division shall become effective at the later date, or later date and time of day, designated by the agency.

An emergency rule becomes invalid at the end of the one hundred twentieth day it is in effect. Prior to that date, the agency may file the emergency rule as a nonemergency rule in compliance with division (B)(1) of this section. The agency may not refile the emergency rule in compliance with division (B)(2) of this section so that, upon the emergency rule becoming invalid under such division, the emergency rule will continue in effect without interruption for another one hundred twenty-day period.

(3) An agency shall file a rule under division (B)(1) or (2) of this section in compliance with the following standards and procedures:

(a) The rule shall be numbered in accordance with the numbering system devised by the director for the Ohio administrative code.

(b) The rule shall be prepared and submitted in compliance with division (B)(3) of this section.
with the rules of the legislative service commission.

If the director of the legislative service commission or the director's designee gives an agency notice pursuant to section 103.05 of the Revised Code that a rule filed by the agency is not in compliance with the rules of the legislative service commission, the agency shall within thirty days after receipt of the notice conform the rule to the rules of the commission as directed in the notice.

(C) All rules filed pursuant to divisions (B)(1)(a) and (2) of this section shall be recorded by the secretary of state and the director under the title of the agency adopting the rule and shall be numbered according to the numbering system devised by the director. The secretary of state and the director shall preserve the rules in an accessible manner. Each such rule shall be a public record open to public inspection and may be transmitted to any law publishing company that wishes to reproduce it.

(D) At least sixty-five days before a board, commission, department, division, or bureau of the government of the state files a rule under division (B)(1) of this section, it shall file the full text of the proposed rule in electronic form with the joint committee on agency rule review, and the proposed rule is subject to legislative review and invalidation under section 106.021 of the Revised Code. If a state board, commission, department, division, or bureau makes a revision in a proposed rule after it is filed with the joint committee, the state board, commission, department, division, or bureau shall promptly file
the full text of the proposed rule in its revised form in electronic form with the joint committee. A state board, commission, department, division, or bureau shall also file the rule summary and fiscal analysis prepared under section 106.024 of the Revised Code in electronic form along with a proposed rule, and along with a proposed rule in revised form, that is filed under this division. A proposed rule that is subject to legislative review under this division may not be adopted and filed in final form under division (B)(1) of this section unless the proposed rule has been filed with the joint committee on agency rule review under this division and the time for the joint committee to review the proposed rule has expired without recommendation of a concurrent resolution to invalidate the proposed rule.

As used in this division, "commission" includes the public utilities commission when adopting rules under a federal or state statute.

(3) A rule proposed by an agency other than a board, commission, department, division, or bureau of the government of the state;
(4) A proposed internal management rule of a board, commission, department, division, or bureau of the government of the state;

(5) Any proposed rule that must be adopted verbatim by an agency pursuant to federal law or rule, to become effective within sixty days of adoption, in order to continue the operation of a federally reimbursed program in this state, so long as the proposed rule contains both of the following:

(a) A statement that it is proposed for the purpose of complying with a federal law or rule;

(b) A citation to the federal law or rule that requires verbatim compliance.

(7) A rule of the state lottery commission pertaining to instant game rules.

If a rule is exempt from legislative review under division (D)(5) of this section, and if the federal law or rule pursuant to which the rule was adopted expires, is repealed or rescinded, or otherwise terminates, the rule is thereafter subject to legislative review under division (D) of this section.

Whenever a state board, commission, department, division, or bureau files a proposed rule or a proposed rule in revised form under division (D) of this section, it shall also file the full text of the same proposed rule or proposed rule in revised form in electronic form with the secretary of state and the director of
the legislative service commission. A state board, commission, department, division, or bureau shall file the rule summary and fiscal analysis prepared under section 106.024 of the Revised Code in electronic form along with a proposed rule or proposed rule in revised form that is filed with the secretary of state or the director of the legislative service commission.

(5) Except as provided in division (C)(6) of this section, the director or the applicant may extend the deadline prescribed in division (C)(4) of this section once, for no longer than thirty days, by written notice before the end of the deadline prescribed by division (C)(4) of this section. An extension by the director under division (C)(5) of this section shall apply to all applications that are in comparative review.

(6) No applicant in a comparative review may extend the deadline specified in division (C)(4) of this section.

(7) If the director does not grant or deny the certificate by the applicable deadline specified in division (C)(4) of this section or any extension of it under division (C)(5) of this section, the certificate shall be considered to have been granted.

(8) In granting a certificate of need, the director shall
specify as the maximum capital expenditure the certificate holder may obligate under the certificate a figure equal to one hundred ten per cent of the approved project cost.

(9) In granting a certificate of need, the director may grant the certificate with conditions that must be met by the holder of the certificate.

(D) When a certificate of need is granted for a project under which beds are to be relocated, upon completion of the project for which the certificate of need was granted a number of beds equal to the number of beds relocated shall cease to be operated in the long-term care facility from which they are relocated, except that the beds may continue to be operated for not more than fifteen days to allow relocation of residents to the facility to which the beds have been relocated. Notwithstanding section 3721.03 of the Revised Code, if the relocated beds are in a home licensed under Chapter 3721. of the Revised Code, the facility's license is automatically reduced by the number of beds relocated effective fifteen days after the beds are relocated. If the beds are in a facility that is certified as a skilled nursing facility or nursing facility under Title XVIII or XIX of the "Social Security Act," the certification for the beds shall be surrendered. If the beds are registered under section 3701.07 reported in an application submitted under section 3722.03 of the Revised Code as skilled nursing beds or long-term care beds, the director shall remove the beds from registration not later than fifteen days after the beds are relocated.

(E) During the period beginning with the granting of a certificate of need and ending five years after implementation of the reviewable activity for which the certificate was granted, the director shall monitor the activities of the person granted the certificate to determine whether the reviewable activity is conducted in substantial accordance with the certificate.

(2) A change in the owner or operator of the facility unless any of the circumstances specified in division (B) of section 3702.59 of the Revised Code apply to the new owner or operator.

(F) When reviewing applications for certificates of need, considering appeals under section 3702.60 of the Revised Code, or monitoring activities of persons granted certificates of need, the director may issue and enforce, in the manner provided in section 119.09 of the Revised Code, subpoenas and subpoenas duces tecum to compel a person to testify and produce documents relevant to review of the application, consideration of the appeal, or monitoring of the activities. In addition, the director or the director's designee may visit the sites where the activities are or will be conducted.

(G) The director may withdraw certificates of need.

(H) All long-term care facilities shall submit to the director, upon request, any information prescribed by rules adopted under division (H) of section 3702.57 of the Revised Code that is necessary to conduct reviews of certificate of need applications and to develop criteria for reviews.

(I) Any decision to grant or deny a certificate of need shall consider the special needs and circumstances resulting from moral and ethical values and the free exercise of religious rights of long-term care facilities administered by religious organizations, and the special needs and circumstances of inner city and rural communities.

Sec. 3702.521. (A) Reviews of applications for certificates
of need to recategorize hospital beds to skilled nursing beds shall be conducted in accordance with this division and rules adopted by the director of health.

(1) No hospital recategorizing beds shall apply for a certificate of need for more than twenty skilled nursing beds.

(2) No beds for which a certificate of need is requested under this division shall be reviewed under or counted in any formula developed under rules adopted by the director for the purpose of determining the number of long-term care beds that may be needed within the state.

(3) No beds shall be approved under this division unless the hospital certifies and demonstrates in the application that the beds will be dedicated to patients with a length of stay of no more than thirty days.

(4) No beds shall be approved under this division unless the hospital can satisfactorily demonstrate in the application that it is routinely unable to place the patients planned for the beds in accessible skilled nursing facilities.

(5) In developing rules to implement this division, the director shall give special attention to the required documentation of the need for such beds, including the efforts made by the hospital to place patients in suitable skilled nursing facilities, and special attention to the appropriate size of units with such beds given the historical pattern of the applicant hospital's documented difficulty in placing skilled nursing patients.

(B) For assistance in monitoring the use of hospital beds recategorized as skilled nursing beds after August 5, 1989, the director shall adopt rules specifying appropriate quarterly procedures for reporting to the department of health.

(C) A patient may stay in a hospital bed that, after August
5, 1989, has been recategorized as a skilled nursing bed for more than thirty days if the hospital is able to demonstrate that it made a good faith effort to place the patient in an accessible skilled nursing facility acceptable to the patient within the thirty-day period, but was unable to do so.

(D) No hospital bed recategorized after August 5, 1989, as a skilled nursing bed shall be covered by a provider agreement under the medicaid program.

(E) Nothing in this section requires a hospital to place a patient in any nursing home if the patient does not wish to be placed in the nursing home. If the beds are registered pursuant to section 3701.07 of the Revised Code reported in an application submitted under section 3722.03 of the Revised Code as long-term care beds, the beds are subject to sections 5168.40 to 5168.56 of the Revised Code.
Sec. 3702.55. A person that the director of health determines has violated section 3702.53 of the Revised Code shall cease conducting the activity that constitutes the violation or utilizing the facility resulting from the violation not later than thirty days after the person receives the notice mailed under section 3702.532 of the Revised Code or, if the person appeals the director's determination under section 3702.60 of the Revised Code, thirty days after the person receives an order upholding the director's determination that is not subject to further appeal.

If any person determined to have violated section 3702.53 of the Revised Code fails to cease conducting an activity or using a facility as required by this section or if the person continues to seek payment or reimbursement for services rendered or costs incurred in conducting the activity as prohibited by section 3702.56 of the Revised Code, in addition to the penalties imposed under section 3702.54 or 3702.541 of the Revised Code:

(C) A political subdivision certified under section 3721.09 of the Revised Code may refuse to license, or may revoke a license or reduce bed capacity previously granted to, a nursing home, residential care facility, or home for the aging, or any
beds within any of those facilities that are involved in the activity;

(D) The director of mental health and addiction services may refuse to license under section 5119.33 of the Revised Code, or may revoke a license or reduce bed capacity previously granted to, a hospital receiving mentally ill persons or beds within such a hospital that are involved in the activity;

(E) The department of medicaid may refuse to enter into a provider agreement that includes a facility, beds, or services that result from the activity.

Sec. 3702.592. (A) The director of health shall accept, for review under section 3702.52 of the Revised Code, certificate of need applications for any of the following purposes if the proposed increase in beds is attributable to a replacement or relocation of existing beds from an existing long-term care facility within the same county:

(1) Approval of beds in a new long-term care facility or an increase of beds in an existing long-term care facility if the beds are proposed to be licensed as nursing home beds under Chapter 3721. of the Revised Code;

(A) At the times specified in this section, the director of health shall accept, for review under section 3702.52 of the Revised Code, certificate of need applications for any of the following purposes if the proposed increase in beds is attributable solely to relocation of existing beds from an existing long-term care facility in a county with excess beds to a long-term care facility in a county in which there are fewer long-term care beds than the county's bed need:

(1) Approval of beds in a new long-term care facility or an increase of beds in an existing long-term care facility if the beds are proposed to be licensed as nursing home beds under Chapter 3721. of the Revised Code;

(2) Approval of beds in a new county home or new county nursing home, or an increase of beds in an existing county home or existing county nursing home if the beds are proposed to be certified as skilled nursing facility beds under the medicare program, Title XVIII of the "Social Security Act," 49 Stat. 286 (1965), 42 U.S.C. 1395, as amended, or nursing facility beds under the medicaid program, Title XIX of the "Social Security Act," 49 Stat. 286 (1965), 42 U.S.C. 1396, as amended;

(2) Determine the long-term care bed occupancy rate for the state at the time the determination is made;

(3) For each county, determine the county's bed need by identifying the number of long-term care beds that would be needed in the county in order for the statewide occupancy rate for a projected population aged sixty-five and older to be ninety per
In determining each county's bed need, the director shall use the formula developed in rules adopted under section 3702.57 of the Revised Code. A determination shall be made not later than October 1, 2023, and every four years thereafter. After each determination is made, the director shall publish the county's bed need on the web site maintained by the department of health.

(C) The director's consideration of an application for a certificate of need that would increase the number of beds in a county shall be consistent with the county's bed need determined under division (B) of this section except as follows:

(1) If a county's occupancy rate is less than eighty-five per cent, the county shall be considered to have no need for additional beds.

(2) Even if a county is determined not to need any additional long-term care beds, the director may approve an increase in beds equal to up to ten per cent of the county's bed supply if the county's occupancy rate is greater than ninety per cent.

(D)(1) For the review process used in considering certificate of need applications, the director shall establish a review period that begins January 1, 2020, and ends December 31, 2023. Thereafter, the review period for each review process shall begin on the first day of January following the end of the previous review period and shall be four years.

(2) Certificate of need applications shall be accepted during the first month of the review period and reviewed through the thirtieth day of September of the year in which the review period begins.

(E) The director shall consider certificate of need applications in accordance with all of the following:
(1) The number of beds approved for a county shall include only beds available for relocation from another county and shall not exceed the bed need of the receiving county;

(2) The director shall consider the existence of community resources serving persons who are age sixty-five or older or disabled that are demonstrably effective in providing alternatives to long-term care facility placement.

(3) The director shall approve relocation of beds from a county only if, after the relocation, the number of beds remaining in the county will exceed the county's bed need by at least one hundred beds;

(4) The director shall approve relocation of beds from a long-term care facility only if, after the relocation, the number of beds in the facility's service area is at least equal to the state bed need rate. For purposes of this division, a facility's service area shall be either of the following:

(2) The applications propose to relocate beds to the same county and the number of beds for which certificates of need are being requested totals more than the number of beds needed in the county to which the beds are to be relocated.

(3) The applications propose to relocate beds from the same service area and the number of beds left in the service area from which the beds are being relocated would be less than the state bed need rate determined by the director.

(G) In determining which applicants should receive preference in the comparative review process, the director shall consider all of the following as weighted priorities:

(1) Whether the beds will be part of a continuing care retirement community;

(2) Whether the beds will serve an underserved population, such as low-income individuals, individuals with disabilities, or individuals who are members of racial or ethnic minority groups;

(3) Whether the project in which the beds will be included will provide alternatives to institutional care, such as adult day-care, home health care, respite or hospice care, mobile meals, residential care, independent living, or congregate living services;

(4) Whether the long-term care facility's owner or operator will participate in medicaid waiver programs for alternatives to institutional care;

(5) Whether the project in which the beds will be included will reduce alternatives to institutional care by converting residential care beds or other alternative care beds to long-term care beds;

(6) Whether the facility in which the beds will be placed has positive resident and family satisfaction surveys;
(7) Whether the facility in which the beds will be placed has fewer than fifty long-term care beds;

(8) Whether the long-term care facility in which the beds will be placed is located within the service area of a hospital and is designed to accept patients for rehabilitation after an in-patient hospital stay;

(9) Whether the long-term care facility in which the beds will be placed is or proposes to become a nurse aide training and testing site;

(10) The rating, under the centers for medicare and medicaid services' five star nursing home quality rating system, of the long-term care facility in which the beds will be placed.

(H) A person who has submitted an application under this section that is not subject to comparative review may revise the site of the proposed project pursuant to section 3702.522 of the Revised Code.

(I) When a certificate of need application is approved, in addition to the actions required by division (D) of section 3702.52 of the Revised Code, the long-term care facility from which the beds were relocated shall reduce the number of beds operated in the facility by a number of beds equal to at least ten per cent of the number of beds relocated. If these beds are in a home licensed under Chapter 3721. of the Revised Code, the long-term care facility shall have the beds removed from the license. If the beds are in a facility that is certified as a skilled nursing facility or nursing facility under Title XVIII or XIX of the "Social Security Act," the facility shall surrender the certification of these beds. If the beds are registered under section 3722.03 of the Revised Code as skilled nursing beds or long-term care beds under section 3701.07 of the Revised Code, the long-term care facility shall

FIRE DEPARTMENT GRANTS

(A) The foregoing appropriation item 800639, Fire Department
Grants, shall be used to make annual grants to the following
eligible recipients: volunteer fire departments, fire departments
that serve one or more small municipalities or small townships,
joint fire districts comprised of fire departments that primarily
serve small municipalities or small townships, local units of
government responsible for such fire departments, and local units
of government responsible for the provision of fire protection
services for small municipalities or small townships. For the
purposes of these grants, a private fire company, as that phrase
is defined in section 9.60 of the Revised Code, that is providing
fire protection services under a contract to a political
subdivision of the state, is an additional eligible recipient for
a training grant.

Eligible recipients that consist of small municipalities or
small townships that all intend to contract with the same fire
department or private fire company for fire protection services
may jointly apply and be considered for a grant. If a joint
applicant is awarded a grant, the State Fire Marshal shall, if
feasible, proportionately award the grant and any equipment
purchased with grant funds to each of the joint applicants based
upon each applicant's contribution to and demonstrated need for
fire protection services. For the purpose of this grant program,
an eligible recipient or any firefighting entity that is
contracted to serve an eligible recipient may only file, be listed
as joint applicant, or be designated as a service provider on one
grant application per fiscal year.

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, stored, disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire
Department Grants, up to $1,000,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the State Fire Marshal at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the qualifications and selection processes for students to attend such classes by written policy, and such students shall be considered eligible recipients of fire department grants for the purposes of this portion of the grant program.

(2) Of the foregoing appropriation item 800639, Fire Department Grants, up to $3,500,000 in each fiscal year may be used for MARCS Grants. MARCS Grants may be used for the payment of user access fees by the eligible recipient to cover costs for accessing MARCS.

For purposes of this section, a MARCS Grant is a grant for systems, equipment, or services that are a part of, integrated into, or otherwise interoperable with the Multi-Agency Radio Communication System (MARCS) operated by the state. MARCS Grant awards may be up to $50,000 in each fiscal year per eligible recipient. Each eligible recipient may apply, as a separate entity or as a part of a joint application, for only one MARCS Grant per fiscal year. The State Fire Marshal may give a preference to MARCS Grants that will enhance the overall interoperability and effectiveness of emergency communication networks in the geographic region that includes and that is adjacent to the applicant.

Eligible recipients that are or were awarded fire department grants that are not MARCS Grants may also apply for and receive MARCS Grants in accordance with criteria for the awarding of grant funds established by the State Fire Marshal.
(3) Grant awards for firefighting or rescue equipment or gear or for fire department costs of providing fire protection services shall be up to $15,000 per fiscal year, or up to $25,000 per fiscal year if an eligible entity serves a jurisdiction in which the Governor declared a natural disaster during the preceding or current fiscal year in which the grant was awarded. In addition to any grant funds awarded for rescue equipment or gear, or for fire department costs associated with the provision of fire protection services, an eligible entity may receive a grant for up to $15,000 per fiscal year for full or partial reimbursement of the documented costs of firefighter training. For each fiscal year, the State Fire Marshal shall determine the total amounts to be allocated for each eligible purpose.

(C) The grants shall be administered by the State Fire Marshal in accordance with rules the State Fire Marshal adopts as part of the state fire code adopted pursuant to section 3737.82 of the Revised Code that are necessary for the administration and operation of the grant program. The rules may further define the entities eligible to receive grants and establish criteria for the awarding and expenditure of grant funds, including methods the State Fire Marshal may use to verify the proper use of grant funds or to obtain reimbursement for or the return of equipment for improperly used grant funds. To the extent consistent with this section and until the rules are updated, the existing rules in the state fire code adopted pursuant to section 3737.82 of the Revised Code for fire department grants under this section apply to MARCS Grants. Any amounts in appropriation item 800639, Fire Department Grants, in excess of the amount allocated for these grants may be used for the administration of the grant program.

(D) Of the foregoing appropriation 800639, Fire Department Grants, $200,000 in each fiscal year shall be allocated to fire departments located in Trumbull County for equipment and training.

Section 265.20. OPERATING EXPENSES

A portion of the foregoing appropriation item 200321, Operating Expenses, shall be used by the Department of Education to provide matching funds related to career-technical education under 20 U.S.C. 2321.

EARLY CHILDHOOD EDUCATION

The Department of Education shall distribute the foregoing appropriation item 200408, Early Childhood Education, to pay the costs of early childhood education programs. The Department shall distribute such funds directly to qualifying providers.

(A) As used in this section:

(1) "Provider" means a city, local, exempted village, or joint vocational school district; an educational service center; a community school established under Chapter 3314. of the Revised Code that is sponsored by an exemplary sponsor; notwithstanding anything to the contrary in Chapter 3326. of the Revised Code, a STEM school that is established under that chapter; a chartered nonpublic school; an early childhood education child care provider licensed under Chapter 5104. of the Revised Code that participates in and meets at least the third highest tier of the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code; or a combination of entities described in this paragraph.

(2) In the case of a city, local, or exempted village school district or early childhood education child care provider licensed...
under Chapter 5104. of the Revised Code, "new eligible provider" means a provider that did not receive state funding for Early Childhood Education in the previous fiscal year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(3) In the case of a community school, "new eligible provider" means either of the following:

(a) A community school established under Chapter 3314. of the Revised Code that is sponsored by a sponsor rated "exemplary" in accordance with section 3314.016 of the Revised Code that offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code that did not receive state funding for Early Childhood Education in the previous fiscal year;

(b) A community school established under Chapter 3314. of the Revised Code that satisfies all of the following criteria:

   (i) It has received, on its most recent report card, either of the following:

      (I) If the school offers any of grade levels four through twelve, a grade of "C" or better for the overall value-added progress dimension under division (C)(1)(e) of section 3302.03 of the Revised Code and for the performance index score under division (C)(1)(b) of section 3302.03 of the Revised Code;

      (II) If the school does not offer a grade level higher than three, a grade of "C" or better for making progress in improving literacy in grades kindergarten through three under division (C)(1)(g) of section 3302.03 of the Revised Code.

   (ii) It offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code.

   (iii) It did not receive state funding for Early Childhood Education in the previous fiscal year.
(4)(a) "Eligible child" means a child who is at least four years of age, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their fourth birthday.

(b) If, on the first day of October of each fiscal year, a provider has remaining award funds after enrolling eligible children under division (A)(4)(a) of this section, the provider may seek approval from the Department to consider a child who is at least three years of age, is not of age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as an eligible child. Upon approval from the Department, the provider may use the remaining award funds to serve such three-year-old children as eligible children.

(5) "Early learning program standards" means early learning program standards for school readiness developed by the Department to assess the operation of early learning and development programs.

(6) "Early learning and development programs" has the same meaning as in section 5104.29 of the Revised Code.

(B) In each fiscal year, up to two per cent of the total appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the
President of the Senate and post the report to the Department's
web site, regarding early childhood education programs operated
under this section and the early learning program standards.

(D) After setting aside the amounts to make payments due from
the previous fiscal year, in fiscal year 2022, the Department
shall distribute funds first to recipients of funds for early
childhood education programs under Section 265.20 of H.B. 166 of
the 133rd General Assembly in the previous fiscal year and the
balance to new eligible providers of early childhood education
programs or to existing providers to serve more eligible children
pursuant to division (E) of this section or for purposes of
program expansion, improvement, or special projects to promote
quality and innovation.

After setting aside the amounts to make payments due from the
previous fiscal year, in fiscal year 2023, the Department shall
distribute funds first to providers of early childhood education
programs under this section in the previous fiscal year and the
balance to new eligible providers of early childhood education
programs or to existing providers to serve more eligible children as outlined under division (E) of
this section or for purposes of program expansion, improvement, or
special projects to promote quality and innovation.

(E)(1) The Department shall distribute any new or remaining
funding to existing providers of early childhood education
programs or any new eligible providers in an effort to invest in
high quality early childhood programs where there is a need as
determined by the Department. The Department shall distribute the
new or remaining funds to existing providers of early childhood
education programs or any new eligible providers to serve
additional eligible children based on community economic
disadvantage, limited access to high quality preschool or
childcare services, and demonstration of high quality preschool
services as determined by the Department using new metrics.
developed pursuant to Ohio's Race to the Top—Early Learning Challenge Grant, awarded to the Department in December 2011.

(2) Awards under divisions (D) and (E) of this section shall be distributed on a per-pupil basis, and in accordance with division (I) of this section. The Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(F) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (K) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program standards. The approved provider shall administer and use such property and funds for the purposes specified.

(G) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (F) of this section, or if the program fails to substantially meet the early learning program standards, meet a quality rating level in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the standards, the early
childhood education program shall propose and implement a corrective action plan that has been approved by the Department.

The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program.

The Department may withhold funding pending corrective action. If an early childhood education program fails to satisfactorily complete a corrective action plan, the Department may deny expansion funding to the program or withdraw all or part of the funding to the program and establish a new eligible provider through a selection process established by the Department.

(H)(1) If the early childhood education program is licensed by the Department of Education and is not highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall do all of the following:

(a) Meet teacher qualification requirements prescribed by section 3301.311 of the Revised Code;

(b) Align curriculum to the early learning content standards developed by the Department;

(c) Meet any child or program assessment requirements prescribed by the Department;

(d) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department;

(e) Document and report child progress as prescribed by the Department.
(f) Meet and report compliance with the early learning program standards as prescribed by the Department;

(g) Participate in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code.

(2) If the program is highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall comply with the requirements of that program.

(I) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special education program, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department may reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule.
(J) Each provider shall develop a sliding fee scale based on family incomes and shall charge families who earn more than two hundred per cent of the federal poverty guidelines, as defined in division (A)(3) of section 5101.46 of the Revised Code, for the early childhood education program.

The Department shall conduct an annual survey of each provider to determine whether the provider charges families tuition or fees, the amount families are charged relative to family income levels, and the number of families and students charged tuition and fees for the early childhood program.

(K) If an early childhood education program voluntarily waives its right for funding, or has its funding eliminated for not meeting financial standards or the early learning program standards, the provider shall transfer control of title to property, equipment, and remaining supplies obtained through the program to providers designated by the Department and return any unexpended funds to the Department along with any reports prescribed by the Department. The funding made available from a program that waives its right for funding or has its funding eliminated or reduced may be used by the Department for new grant awards or expansion grants. The Department may award new grants or expansion grants to eligible providers who apply. The eligible providers who apply must do so in accordance with the selection process established by the Department.

(L) Eligible expenditures for the Early Childhood Education Program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Superintendent of Public Instruction and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

(M)(1) The Department of Education and the Department of Job
and Family Services shall continue to work toward establishing the following in common between early childhood education programs and publicly funded child care:

(a) An application;
(b) Program eligibility;
(c) Funding;
(d) An attendance policy;
(e) An attendance tracking system.

(2) In accordance with section 5104.34 of the Revised Code, eligible families may receive publicly funded child care beyond the standard early childhood schedule defined in division (I) of this section.

(3) All providers, agencies, and school districts participating in the early childhood education program or providing care to eligible families beyond the standard early childhood schedule shall follow the common policies established under this division.

Section 265.30. INFORMATION TECHNOLOGY DEVELOPMENT AND SUPPORT

The foregoing appropriation item 200420, Information Technology Development and Support, shall be used to support the development and implementation of information technology solutions designed to improve the performance and services of the Department of Education. Funds may be used for personnel, maintenance, and equipment costs related to the development and implementation of these technical system projects. Implementation of these systems shall allow the Department to provide greater levels of assistance to school districts and to provide more timely information to the public, including school districts, administrators, and legislators. Funds may also be used to support data-driven
decision-making and differentiated instruction, as well as to communicate academic content standards and curriculum models to schools through web-based applications.

Section 265.50. SCHOOL MANAGEMENT ASSISTANCE

The foregoing appropriation item 200422, School Management Assistance, shall be used by the Department of Education to provide fiscal technical assistance and inservice education for school district management personnel and to administer, monitor, and implement the fiscal caution, fiscal watch, and fiscal emergency provisions under Chapter 3316. of the Revised Code.

Section 265.60. POLICY ANALYSIS

The foregoing appropriation item 200424, Policy Analysis, shall be used by the Department of Education to support a system of administrative and statistical education information to be used for policy analysis. Staff supported by this appropriation shall administer the development of reports, analyses, and briefings regarding current trends in education practice, efficient and effective use of resources, and evaluation of programs to improve education results. A portion of these funds shall be used to maintain a longitudinal database to support the assessment of the impact of policies and programs on Ohio's education and workforce development systems. The research efforts supported by this appropriation item shall be used to supply information and analysis of data to and in consultation with the General Assembly and other state policymakers, including the Office of Budget and Management and the Legislative Service Commission.

A portion of the foregoing appropriation item, 200424, Policy Analysis, may be used by the Department to support the development and implementation of an evidence-based clearinghouse to support school improvement strategies as part of the Every Student
Succeeds Act.

The Department may use funding from this appropriation item to purchase or contract for the development of software systems or contract for policy studies that will assist in the provision and analysis of policy-related information. Funding from this appropriation item also may be used to monitor and enhance quality assurance for research-based policy analysis and program evaluation to enhance the effective use of education information to inform education policymakers.

Section 265.70. OHIO EDUCATIONAL COMPUTER NETWORK

The foregoing appropriation item 200426, Ohio Educational Computer Network, shall be used by the Department of Education to maintain a system of information technology throughout Ohio and to provide technical assistance for such a system.

Of the foregoing appropriation item 200426, Ohio Educational Computer Network, up to $9,686,658 in each fiscal year shall be used by the Department to support connection of all public school buildings and participating chartered nonpublic schools to the state's education network, to each other, and to the Internet. In each fiscal year, the Department shall use these funds to assist information technology centers or school districts with the operational costs associated with this connectivity. The Department shall develop a formula and guidelines for the distribution of these funds to information technology centers or individual school districts. As used in this section, "public school building" means a school building of any city, local, exempted village, or joint vocational school district, any community school established under Chapter 3314. of the Revised Code, any college preparatory boarding school established under Chapter 3328. of the Revised Code, any STEM school established under Chapter 3326. of the Revised Code, any educational service
center building used for instructional purposes, the Ohio School for the Deaf and the Ohio School for the Blind, high schools chartered by the Ohio Department of Youth Services, or high schools operated by Ohio Department of Rehabilitation and Corrections' Ohio Central School System.

Of the foregoing appropriation item 200426, Ohio Educational Computer Network, up to $4,843,329 in each fiscal year shall be used, through a formula and guidelines devised by the Department, to support the activities of designated information technology centers, as defined by State Board of Education rules, to provide school districts and chartered nonpublic schools with computer-based student and teacher instructional and administrative information services, including approved computerized financial accounting, to ensure the effective operation of local automated administrative and instructional systems, and to monitor and support the quality of data submitted to the Department.

The remainder of appropriation item 200426, Ohio Educational Computer Network, shall be used to support the work of the development, maintenance, and operation of a network of uniform and compatible computer-based information systems as well as the teacher student linkage/roster verification process and systems to support electronic sharing of student records and transcripts between entities. This technical assistance shall include, but not be restricted to, development and maintenance of adequate computer software systems to support network activities. In order to improve the efficiency of network activities, the Department and information technology centers may jointly purchase equipment, materials, and services from funds provided under this appropriation for use by the network and, when considered practical by the Department, may utilize the services of appropriate state purchasing agencies.
Section 265.80. ACADEMIC STANDARDS

The foregoing appropriation item 200427, Academic Standards, shall be used by the Department of Education to develop and communicate to school districts academic content standards and curriculum models and to develop professional development programs and other tools on the new content standards and model curriculum. The Department shall use a portion of these funds in partnership with educational service centers, consistent with requirements of section 3312.01 of the Revised Code, in the development and delivery of professional development programs supported under this section.

Section 265.90. STUDENT ASSESSMENT

Of the foregoing appropriation item 200437, Student Assessment, up to $2,760,000 in each fiscal year may be used to support the state's early learning assessment work and the assessments required under section 3301.0715 of the Revised Code.

Of the foregoing appropriation item 200437, Student Assessment, up to $543,168 in each fiscal year shall be used to reimburse a portion of the costs associated with Advanced Placement tests for low-income students.

The remainder of appropriation item 200437, Student Assessment, shall be used to develop, field test, print, distribute, score, report results, and support other associated costs for the tests required under sections 3301.0710, 3301.0711, and 3301.0712 of the Revised Code and for similar purposes as required by section 3301.27 of the Revised Code. The funds may also be used to update and develop diagnostic assessments administered under sections 3301.079, 3301.0715, and 3313.608 of the Revised Code.
In fiscal year 2022 and fiscal year 2023, if the Superintendent of Public Instruction determines that additional funds are needed to fully fund the requirements of sections 3301.0710, 3301.0711, 3301.0712, and 3301.27 of the Revised Code and this act for assessments of student performance, the Superintendent may recommend to the Director of Budget and Management the reallocation of unexpended and unencumbered General Revenue Fund appropriations within the Department of Education to appropriation item 200437, Student Assessment. If the Director determines that such a reallocation is required, the Director may transfer unexpended and unencumbered appropriations within the Department of Education as necessary to appropriation item 200437, Student Assessment.

Section 265.100. ACCOUNTABILITY/REPORT CARDS

Of the foregoing appropriation item 200439, Accountability/Report Cards, a portion in each fiscal year shall be used to train district and regional specialists and district educators in the use of the value-added progress dimension and in the use of data as it relates to improving student achievement. The educational program shall be provided by a school district or educational service center, or by the residential facility itself. Maximum flexibility shall be given to the residential treatment facility to determine the provider. In the event that a voluntary

(D) In each of fiscal years 2022 and 2023, the Department of Education shall reimburse, from appropriations made for the purpose, a school district, educational service center, or residential treatment facility, whichever is providing the service, that has demonstrated that it is in compliance with the funding criteria for each served child for whom a school district must pay tuition under division (C) of this section. (D) Calculation of State Share of Instruction Formula Entitlements and Adjustments for Universities

(1) Of the foregoing appropriation item 235501, State Share of Instruction – Universities and Regional Campuses, 50 per cent in each fiscal year shall be reserved for support of associate,
baccalaureate, master's, and professional level degree attainment. The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs. The degree cost calculations shall include the model cost weights for the science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

For degrees including credits earned at multiple institutions, degree attainment funding shall be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree. Each institution shall receive its prorated share of degree funding for credits earned at that institution. Cost of credits not earned at a university main or regional campus shall be credited to the degree-granting institution for the first degree earned by a student at each degree level. The cost credited to the degree-granting institution shall not be eligible for at-risk weights and shall be limited to 12.5 per cent of the student-specific degree costs. However, the 12.5 per cent limitation shall not apply if the student transferred 12 or fewer credits into the degree granting institution.

In calculating the subsidy entitlements for degree attainment for universities, the Chancellor shall use the following count of degrees and degree costs:

(a) The subsidy eligible undergraduate degrees shall be defined as follows:

(i) The subsidy eligible degrees conferred to students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, shall be weighted by a
factor of 1.

(ii) The subsidy eligible degrees conferred to students identified as out-of-state residents during all terms of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, who remain in the state of Ohio at least one year after graduation, as calculated based on the three-year average in-state residency rate using the Unemployment Wage data for out-of-state graduates at each institution, shall be weighted by a factor of 50 per cent.

(iii) Subsidy eligible associate degrees are defined as those earned by students attending any state-supported university main or regional campus.

(b) In calculating each campus's count of degrees, the Chancellor shall use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor.

(i) If a student is awarded an associate degree and, subsequently, is awarded a baccalaureate degree, the amount funded for the baccalaureate degree shall be limited to either the difference in cost between the cost of the baccalaureate degree and the cost of the associate degree paid previously, or if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded.

(ii) If a student earns an associate degree then, subsequently, earns a baccalaureate degree, the associate degree granting institution shall only receive the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded.

(iii) If a student earns more than one degree at the same
institutions at the same degree level in the same fiscal year, the funding for the highest cost degree shall be prorated among institutions based on where the credits were earned and additional degrees shall be funded at 25 per cent of the cost of the degrees.

(c) Associate degrees and baccalaureate degrees earned by a student defined as at-risk based on academic underpreparation, age, minority status, financial status, or first generation post-secondary status based on neither parent completing any education beyond high school, shall be defined as degrees earned by an at-risk student and shall be weighted by the following:

A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction - Universities and Regional Campuses, up to 11.78 per cent in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In each fiscal year, the doctoral set-aside funding allocation shall be allocated to universities as follows:

(a) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of the statewide total earnings of each state institution's three-year average course completions. The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file. Course completion earnings shall be determined by multiplying the amounts listed
above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor for all doctoral enrollments in graduate-level models.

(b) 50 per cent of the doctoral set-aside shall be allocated to universities in proportion to each campus's share of the total statewide doctoral degrees, weighted by the cost of the doctoral discipline. In calculating each campus's doctoral degrees the Chancellor shall use the three-year average doctoral degrees awarded for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor.

(c) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of research grant activity. Funding for this component shall be allocated to eligible universities in proportion to their share of research grant activity published by the National Science Foundation. Grant awards from the Department of Health and Human Services shall be weighted at 50 per cent.

(3) Of the foregoing appropriation item 235501, State Share of Instruction - Universities and Regional Campuses, 6.41 per cent in each fiscal year shall be reserved for support of Medical II FTEs. The amount so reserved shall be referred to as the medical II set-aside.

The medical II set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical II FTEs as calculated in division (A) of this section.

In calculating the core subsidy entitlements for Medical II models only, students repeating terms may be no more than five per
cent of current year enrollment.

(4) Of the foregoing appropriation item 235501, State Share of Instruction - Universities and Regional Campuses, 1.48 per cent in each fiscal year shall be reserved for support of Medical I FTEs. The amount so reserved shall be referred to as the medical I set-aside.

The medical I set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical I FTEs as calculated in division (A) of this section.

(5) In calculating the course completion funding for universities, the Chancellor shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) Those undergraduate FTE students with successful course completions, identified in division (D)(5)(a) of this section, that are defined as at-risk based on academic under-preparation or financial status shall have their eligible completions weighted by the following:

(i) Institution-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2018-2020 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.
(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the most recent completed three-year period that is practicable as agreed to by the Inter-University Council and the Chancellor for all models except Medical I and Medical II.

(d) For universities, the Chancellor shall compute the course completion earnings by dividing the appropriation for universities from the foregoing appropriation item 235501, State Share of Instruction – Universities and Regional Campuses, less the degree attainment funding as calculated in division (D)(1) of this section, less the doctoral set-aside, less the medical I set-aside, and less the medical II set-aside, by the sum of all campuses' instructional costs as calculated in division (D)(5) of this section.

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235586, State Share of Instruction - Community and Technical Colleges, 50 per cent in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy models.

To calculate the subsidy entitlements for course completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of FTE course completions, the Chancellor shall use a three-year average for
course completions for the three year period ending in the prior year for students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file.

(c) Those students with successful course completions, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible course completions weighted by a statewide access weight. The weight given to any student that meets any access factor shall be 15 per cent for all course completions.

(d) The model costs as used in the calculation shall be augmented by the model weights for science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

(2) Of the foregoing appropriation item 235586, State Share of Instruction - Community and Technical Colleges, 25 per cent in each fiscal year shall be reserved for colleges in proportion to their share of college student success factors.

Student success factors shall be awarded at the institutional level for each subsidy-eligible student that successfully:

(a) Completes a college-level math course within the first 30 hours of completed coursework.

(b) Completes a college-level English course within the first 30 hours of completed coursework.

(c) Completes 12 semester credit hours of college-level coursework.
(d) Completes 24 semester credit hours of college-level coursework.

(e) Completes 36 semester credit hours of college-level coursework.

(3) Of the foregoing appropriation item 235586, State Share of Instruction - Community and Technical Colleges, 25 per cent in each fiscal year shall be reserved for completion milestones.

Completion milestones shall include associate degrees, technical certificates over 30 credit hours as designated by the Department of Higher Education, and students transferring to any four-year institution with at least 12 credit hours of college-level coursework earned at that community college, state community college, or technical college.

The completion milestone funding shall be allocated to colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for technical certificates over 30 hours shall be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college-level coursework shall be weighted at one-fourth of the average cost for all associate degree model costs.

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of completions, the Chancellor shall use a three-year average for completion milestones awarded to students identified as subsidy eligible in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible completion milestones by model shall
equal only those students who successfully complete an associate degree or technical certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework as defined and reported in the Higher Education Information (HEI) system. Student completions reported in HEI shall have an accompanying course enrollment record in order to be subsidy eligible.

(c) Those students with successful completions for associate degrees, technical certificates over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework, identified in division (E)(3) of this section, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible completions weighted by a statewide access weight. The weight shall be 25 per cent for students with one access factor, 66 per cent for students with two access factors, 150 per cent for students with three access factors, and 200 per cent for students with four access factors.

(d) For those students who complete more than one completion milestone, funding for each additional associate degree or technical certificate over 30 credit hours designated as such by the Department of Higher Education shall be funded at 50 per cent of the model costs as defined in division (E)(3) of this section.

(5) For purposes of the calculations made in division (E) of this section, the Chancellor shall only include subsidy-eligible students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file. The Chancellor shall be prohibited from including nonresident students as subsidy-eligible except for those students otherwise identified as subsidy-eligible in division (A)(2) of this section.

(F) CAPITAL COMPONENT DEDUCTION
After all other adjustments have been made, state share of instruction earnings shall be reduced for each campus by the amount, if any, by which debt service charged in H.B. 16 of the 126th General Assembly, H.B. 699 of the 126th General Assembly, H.B. 496 of the 127th General Assembly, and H.B. 562 of the 127th General Assembly for that campus exceeds that campus's capital component earnings. The sum of the amounts deducted shall be transferred to appropriation item 235552, Capital Component, in each fiscal year.

(G) EXCEPTIONAL CIRCUMSTANCES

Adjustments may be made to the state share of instruction payments and other subsidies distributed by the Chancellor of Higher Education to state colleges and universities for exceptional circumstances. No adjustments for exceptional circumstances may be made without the recommendation of the Chancellor and the approval of the Controlling Board.

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF INSTRUCTION

The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation items 235501, State Share of Instruction - Universities and Regional Campuses, and 235586, State Share of Instruction - Community and Technical Colleges, before the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year.

Any reductions made to appropriation items 235501, State Share of Instruction - Universities and Regional Campuses, and 235586, State Share of Instruction - Community and Technical Colleges, after the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year.
year, shall be uniformly applied to each campus in proportion to its share of the final allocation.

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year may be based upon the state share of instruction appropriation estimates made for the various institutions of higher education and payments during the last six months of the fiscal year may be based on the final data from the Chancellor. If agreed to by the Chancellor and the Inter-University Council, payments to universities in each month of a fiscal year shall be based on final data in the higher education information system for the selected three-year period that is acceptable to both parties.

(J) USE OF STATE SHARE OF INSTRUCTION ALLOCATION INCREASES

Any increases in the amount distributed to an institution from appropriation items 235501, State Share of Instruction - Universities and Regional Campuses, and 235586, State Share of Instruction - Community and Technical Colleges, above the prior year may be used by the institution to provide need-based aid and to provide counseling, support services, and workforce preparation services to students.

(K) STUDY ON THE USE OF AT-RISK WEIGHTS IN THE STATE SHARE OF INSTRUCTION FORMULAS

The Chancellor of Higher Education, with the assistance of the Inter-University Council and the Ohio Association of Community Colleges, shall study the most appropriate definitions of at-risk students and formula weights for at-risk students that may be used in the distribution to universities and community colleges from
the foregoing appropriation items 235501, State Share of Instruction – Universities and Regional Campuses, and 235586, State Share of Instruction – Community and Technical Colleges, beginning in fiscal year 2024. The study shall do all of the following:

(1) Examine and evaluate the impact on formula distributions of the at-risk weights that have been used in the state share of instruction formulas since the inception of a performance-based funding model in Ohio, including the overall level of at-risk funding, the distribution of such funding among the state institutions of higher education, and the impact of such funding on institutional outcomes such as course completion and degree or certificate completion;

(2) Research the use of at-risk weights in the funding formulas of other states;

(3) Survey the academic research on at-risk weights in higher education allocation formulas, particularly in the context of performance-based funding;

(4) Make recommendations on the definitions of at-risk students, the funding formula weights for such identified students, and the level of funding for at-risk students. The recommendations should have as their objectives fairness, simplicity, transparency, and the provision of sufficient incentives to increase the course completion and degree completion of at-risk students in state institutions of higher education. Separate definitions and weighting schemes may be considered within each of the foregoing appropriation items 235501, State Share of Instruction – Universities and Regional Campuses, and 235586, State Share of Instruction – Community and Technical Colleges.

The study shall be completed by June 30, 2022.
Section 381.160. RESTRICTION ON FEE INCREASES

(A) In fiscal years 2022 and 2023, the boards of trustees of state institutions of higher education shall restrain increases in in-state undergraduate instructional and general fees.

(1) For the 2021-2022 and 2022-2023 academic years, all of the following shall apply:

(a) Each state university or college, as defined in section 3345.12 of the Revised Code and university branch established under Chapter 3355. of the Revised Code shall not increase its in-state undergraduate instructional and general fees by more than two per cent over what the institution charged for the previous academic year.

(b) Each community college established under Chapter 3354., state community college established under Chapter 3358., or technical college established under Chapter 3357. of the Revised Code may increase its in-state undergraduate instructional and general fees by not more than five dollars per credit hour over what the institution charged for the previous academic year.

(c) For state institutions of higher education, as defined in section 3345.011 of the Revised Code, increases for all other special fees, including the creation of new special fees, shall be subject to the approval of the Chancellor of Higher Education.

(2) The limitations under division (A)(1) of this section do not apply to room and board, student health insurance, fees for auxiliary goods or services provided to students at the cost incurred to the institution, fees assessed to students as a pass-through for licensure and certification examinations, fees in elective courses associated with travel experiences, elective service charges, fines, voluntary sales transactions, and fees, which may appear directly on a student's tuition bill as assessed
by the institution's bursar, to offset the cost of providing
textbooks to students.

(B) The limitations under this section shall not apply to
increases required to comply with institutional covenants related
to their obligations or to meet unfunded legal mandates or legally
binding obligations incurred or commitments made prior to the
effective date of this section with respect to which the
institution had identified such fee increases as the source of
funds. Any increase required by such covenants and any such
mandates, obligations, or commitments shall be reported by the
Chancellor of Higher Education to the Controlling Board. These
limitations may also be modified by the Chancellor, with the
approval of the Controlling Board, to respond to exceptional
circumstances as identified by the Chancellor.

(C) Institutions offering an undergraduate tuition guarantee
pursuant to section 3345.48 of the Revised Code may increase
instructional and general fees pursuant to that section.

Section 381.170. HIGHER EDUCATION - BOARD OF TRUSTEES

(A) Funds appropriated for instructional subsidies at
colleges and universities may be used to provide such branch or
other off-campus undergraduate courses of study and such master's
degree courses of study as may be approved by the Chancellor of
Higher Education.

(B) In providing instructional and other services to
students, boards of trustees of state institutions of higher
education shall supplement state subsidies with income from
charges to students. Except as otherwise provided in this act,
each board shall establish the fees to be charged to all students,
including an instructional fee for educational and associated
operational support of the institution and a general fee for
noninstructional services, including locally financed student
services facilities used for the benefit of enrolled students. The instructional fee and the general fee shall encompass all charges for services assessed uniformly to all enrolled students. Each board may also establish special purpose fees, service charges, and fines as required; such special purpose fees and service charges shall be for services or benefits furnished individual students or specific categories of students and shall not be applied uniformly to all enrolled students. A tuition surcharge shall be paid by all students who are not residents of Ohio.

The board of trustees of a state institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Chancellor. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution, nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

Each state institution of higher education in its statement of charges to students shall separately identify the instructional fee, the general fee, the tuition charge, and the tuition surcharge. Fee charges to students for instruction shall not be considered to be a price of service but shall be considered to be an integral part of the state government financing program in support of higher educational opportunity for students.

(C) The boards of trustees of state institutions of higher education shall ensure that faculty members devote a proper and judicious part of their work week to the actual instruction of students. Total class credit hours of production per academic term per full-time faculty member is expected to meet the standards set forth in the budget data submitted by the Chancellor of Higher
Education.

(D) The authority of government vested by law in the boards of trustees of state institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the exclusive prerogative of boards of trustees. Any delegation of authority by a board of trustees in other areas of responsibility shall be accompanied by appropriate standards of guidance concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

The foregoing appropriation item 110908, Property Tax Reimbursement - Local Government, is hereby appropriated to pay for the state's costs incurred due to the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback. The Tax Commissioner shall distribute these funds directly to the appropriate local taxing districts, except for school districts, notwithstanding the provisions in sections 321.24 and 323.156 of the Revised Code, which provide for payment of the Homestead Exemption, the Manufactured Home Property Tax Rollback, and Property Tax Rollback by the Tax Commissioner to the appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.

Upon receipt of these amounts, each local taxing district shall distribute the amount among the proper funds as if it had been paid as real property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

Any sums, in addition to the amounts specifically appropriated in appropriation item 110908, Property Tax Allocation - Local Government, for the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback payments, which are determined to be necessary for these purposes, are hereby appropriated.

During fiscal year 2022 and fiscal year 2023, if the Tax Commissioner determines that there is insufficient cash in the Municipal Net Profit Tax Fund (Fund 5VR0) to meet monthly distribution obligations under section 718.83 of the Revised Code, the Tax Commissioner shall certify to the Director of Budget and Management the amount of additional cash necessary to satisfy those obligations. In addition, the Commissioner shall submit a plan to the Director requesting the necessary cash be transferred from one or a combination of the following funds: the Municipal Income Tax Administrative Fund, the Local Sales Tax Administrative Fund, the General School District Income Tax Administrative Fund, the Motor Fuel Tax Administrative Fund, the Property Tax Administrative Fund, or the General Revenue Fund. This plan shall
include a proposed repayment schedule to reimburse those funds for any cash transferred in accordance with this section. After receiving the certification and funding plan from the Tax Commissioner and if the Director determines that sufficient cash is available, the Director may transfer the cash to the Municipal Net Profit Tax Fund in accordance with the plan submitted by the Tax Commissioner or as otherwise determined by the Director of Budget and Management. Section 503.10. PERSONAL SERVICE EXPENSES

Unless otherwise prohibited by law, any appropriation from which personal service expenses are paid shall bear the employer's share of public employees' retirement, workers' compensation, disabled workers' relief, and insurance programs; the costs of centralized financial services, centralized payroll processing, and related reports and services; centralized human resources services, including affirmative action and equal employment opportunity programs; the Office of Collective Bargaining; centralized information technology management services; administering the enterprise resource planning system; and administering the state employee merit system as required by section 124.07 of the Revised Code. These costs shall be determined in conformity with the appropriate sections of law and paid in accordance with procedures specified by the Office of Budget and Management. Expenditures from appropriation item
070601, Public Audit Expense - Intra-State, may be exempted from
the requirements of this section.

Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS AGAINST THE STATE

Except as otherwise provided in this section, an
appropriation in this act or any other act may be used for the
purpose of satisfying judgments, settlements, or administrative
awards ordered or approved by the Court of Claims or by any other
court of competent jurisdiction in connection with civil actions
against the state. This authorization does not apply to
appropriations to be applied to or used for payment of guarantees
by or on behalf of the state, or for payments under lease
agreements relating to, or debt service on, bonds, notes, or other
obligations of the state. Notwithstanding any other statute to the
contrary, this authorization includes appropriations from funds
into which proceeds of direct obligations of the state are
deposited only to the extent that the judgment, settlement, or
administrative award is for, or represents, capital costs for
which the appropriation may otherwise be used and is consistent
with the purpose for which any related obligations were issued or
entered into. Nothing contained in this section is intended to
subject the state to suit in any forum in which it is not
otherwise subject to suit, and is not intended to waive or
compromise any defense or right available to the state in any suit
against it.

Section 503.30. CAPITAL PROJECT SETTLEMENTS

This section specifies an additional and supplemental
procedure to provide for payments of judgments and settlements if
the Director of Budget and Management determines, pursuant to

sufficient unencumbered moneys do not exist in the fund to support
a particular appropriation to pay the amount of a final judgment
rendered against the state or a state agency, including the
settlement of a claim approved by a court, in an action upon and
arising out of a contractual obligation for the construction or
improvement of a capital facility if the costs under the contract
were payable in whole or in part from a state capital projects
appropriation. In such a case, the Director may either proceed
pursuant to division (C)(4) of section 2743.19 of the Revised Code
or apply to the Controlling Board to increase an appropriation or
create an appropriation out of any unencumbered moneys in the
state treasury to the credit of the capital projects fund from
which the initial state appropriation was made. The amount of an
increase in appropriation or new appropriation approved by the
Controlling Board is hereby appropriated from the applicable
capital projects fund and made available for the payment of the
judgment or settlement.

If the Director does not make the application authorized by
this section or the Controlling Board disapproves the application,
and the Director does not make application under division (C)(4)
of section 2743.19 of the Revised Code, the Director shall for the
purpose of making that payment make a request to the General
Assembly as provided for in division (C)(5) of that section.

(B) Any operating appropriations for which unexpended
balances are reappropriated in fiscal year 2022 or fiscal year 2023 pursuant to division (A)(2) of this section shall be reported to the Controlling Board by the Director of Budget and Management by the thirty-first day of December of each year. The report shall include the item, the cost of the item, and the name of the vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the reappropriation period.

(D) If the Controlling Board approved a purchase, that approval remains in effect so long as the appropriation used to make that purchase remains encumbered.

Section 503.60. CORRECTION OF ACCOUNTING ERRORS

(A) The Director of Budget and Management may correct accounting errors committed by the staff of the Office of Budget and Management, such as reestablishing encumbrances or appropriations canceled in error, during the cancellation of operating encumbrances in November and of non-operating encumbrances in December.

(B) The Director of Budget and Management may at any time correct accounting errors committed by staff or a state agency or state institution of higher education, as defined in section 3345.011 of the Revised Code, such as reestablishing prior year non-operating encumbrances canceled or modified in error. The reestablished encumbrance amounts are hereby appropriated.

Section 503.70. TEMPORARY REVENUE HOLDING
The Director of Budget and Management may create funds in the state treasury solely for the purpose of temporarily holding revenue required to be credited to a fund in the state treasury, whose disposition is not immediately known at the time of receipt. Once identified, the Director shall credit the revenue to the appropriate fund in the state treasury.

Upon certification by a director or head of a state agency, the Director of Budget and Management may create funds in the state treasury on behalf of an agency when the agency is required by law to detain funds in escrow. No validation, cure, right, privilege, remedy, obligation, or liability is lost or impaired by reason of the transfer required by this section but shall be administered by the Director of Development or the Department of Development, as appropriate.

(D) The rules, orders, and determinations of the Department of Administrative Services pertaining to the business certification programs continue in effect as rules, orders, and determinations of the Department of Development until modified or rescinded by that agency.

(E) No judicial or administrative action or proceeding pending on July 1, 2021, is affected by the transfer of functions...
related to the business certification programs from the Director of Administrative Services or the Department of Administrative Services to the Director of Development or the Department of Development, and those actions related to the administration of these programs shall be prosecuted or defended in the name of the Director of Development or the Department of Development, as appropriate. On application to the court or other tribunal, the Director of Development or the Department of Development, whichever is appropriate, shall be substituted as a party in such actions and proceedings.

(F) When the Equal Employment Coordinator, the Director of Administrative Services, or the Department of Administrative Services is referred to in any rule, contract, grant, or other document related to the administration of the business certification programs, the reference is deemed to refer to the Director or Department of Development, as appropriate.

(G) The Director of Development, not later than September 1, 2023, and with the cooperation of the Director of Administrative Services, shall submit a report to the General Assembly and to the Governor regarding the effects of transferring the business certification programs from the Department of Administrative Services to the Department of Development. The report shall include all of the following:

(1) Data regarding the number of businesses certified as participants in each business certification program from the period beginning July 1, 2021, and ending on July 1, 2023, compared to the number certified in the two years before July 1, 2021, by the Department of Administrative Services, if that data is available.

(2) Data regarding the number of days required to complete the certification process for each applicant to each business certification program during the period beginning July 1, 2021,

Section 757.10. The State of Ohio does not intend to collect tax on unemployment compensation reported to unsuspecting victims of fraud on an Internal Revenue Service form 1099-G from the Ohio Department of Job and Family Services consistent with Internal Revenue Service Information Release 2021-24. This information shall include a description of the penalties for such misrepresentations prescribed in section 4141.35 of the Revised Code, any recommended preventive measures to assist a resident in avoiding unemployment compensation fraud, and any actions recommended when a resident suspects or detects such fraud. The information shall be published as soon as practicable after the effective date of this section and remain on the applicable web site until June 30, 2023.
