The contract between the school's governing authority and the school's sponsor may be renewed, but no additional start-up community school may be established in that district unless the district is a challenged school district.  

(3) Any educational service center that, on June 30, 2007, sponsors a community school that is not located in a county within the territory of the service center or in a county contiguous to such county may continue to sponsor that community school on and after June 30, 2007, and may renew its contract with the school.
However, the educational service center shall not enter into a contract with any additional community school, unless the governing board of the service center has entered into an agreement with the department authorizing the service center to sponsor a community school in any challenged school district in the state.

Sec. 3314.05. (A) The contract between the community school and the sponsor shall specify the facilities to be used for the community school and the method of acquisition. Except as provided in divisions (B)(3) and (4) of this section, no community school shall be established in more than one school district under the same contract.

(B) Division (B) of this section shall not apply to internet- or computer-based community schools.

(1) A community school may be located in multiple facilities under the same contract only if the limitations on availability of space prohibit serving all the grade levels specified in the contract in a single facility or division (B)(2), (3), or (4) of this section applies to the school. The school shall not offer the same grade level classrooms in more than one facility.

(2) A community school may be located in multiple facilities under the same contract and, notwithstanding division (B)(1) of this section, may assign students in the same grade level to
multiple facilities, as long as all of the following apply:

(a) The governing authority has entered into and maintains a contract with an operator of the type described in division (A)(8)(b) of section 3314.02 of the Revised Code.

(b) The contract with that operator qualified the school to be established pursuant to division (A) of former section 3314.016 of the Revised Code.

(c) The school's rating under section 3302.03 of the Revised Code does not fall below a combination of any of the following for two or more consecutive years:

(3) A new start-up community school may be established in two school districts under the same contract regardless of the proposed location of either district if all both of the following apply:
(a) At least one of the school districts in which the school is established is a challenged school district;

(b) The school operates not more than one facility in each school district and, in accordance with division (B)(1) of this section, the school does not offer the same grade level classrooms in both facilities; and

(c) (b) Transportation between the two facilities does not require more than thirty minutes of direct travel time as measured by school bus.

In the case of a community school to which division (B)(3) of this section applies, if only one of the school districts in which the school is established is a challenged school district, that district shall be considered the school's primary location and the district in which the school is located for the purposes of division (A)(19) of section 3314.03 and divisions (C) and (H) of section 3314.06 of the Revised Code and for all other purposes of this chapter. If both of the school districts in which the school is established are challenged school districts, the school's governing authority shall designate one of those districts to be considered the school's primary location and the district in which the school is located for the purposes of those divisions and all other purposes of this chapter and shall notify the department of education of that designation.

(4) A community school may be located in multiple facilities under the same contract and, notwithstanding division (B)(1) of this section, may assign students in the same grade level to multiple facilities, as long as both of the following apply:

(a) The facilities are all located in the same county.

(b) Either of the following conditions are satisfied:

(i) The community school is sponsored by a board of education of a city, local, or exempted village school district having
territory in the same county where the facilities of the community school are located;

(ii) The community school is managed by an operator.

In the case of a community school to which division (B)(4) of this section applies and that maintains facilities in more than one school district, the school's governing authority shall designate one of those districts to be considered the school's primary location and the district in which the school is located for the purposes of division (A)(19) of section 3314.03 and divisions (C) and (H) of section 3314.06 of the Revised Code and for all other purposes of this chapter and shall notify the department of that designation.

(C) In the case where a community school is proposed to be located in a facility owned by a school district or educational service center, the facility may not be used for such community school unless the district or service center board owning the facility enters into an agreement for the community school to utilize the facility. Use of the facility may be under any terms and conditions agreed to by the district or service center board and the school.

(D) Two or more separate community schools may be located in the same facility.

(E) In the case of a community school that is located in multiple facilities, beginning July 1, 2012, the department shall assign a unique identification number to the school and to each facility maintained by the school. Each number shall be used for identification purposes only. Nothing in this division shall be construed to require the department to calculate the amount of
funds paid under this chapter, or to compute any data required for
the report cards issued under section 3314.012 of the Revised
Code, for each facility separately. The department shall make all
such calculations or computations for the school as a whole.

(F)(1) In the case of a community school that exists prior to
the effective date of this amendment to which division (B)(3) of
this section applies, if only one of the school districts in which
the school is established was located in a challenged school
district prior to the effective date of this amendment, that
district continues to be considered the school's primary location
and the district in which the school is located for the purposes
of division (A)(19) of section 3314.03 and divisions (C) and (H)
of section 3314.06 of the Revised Code and for all other purposes
of this chapter unless and until the school's governing authority
designates a different school district as the school's primary
location in accordance with division (F)(2) of this section. If
both of the school districts in which the school is established
were challenged school districts on that date, and the primary
location was already designated by the school's governing
authority pursuant to the requirements of this section as it
existed prior to the effective date of this amendment, that
designation remains unless and until the school's governing
authority designates a different primary location.

(2)(a) On and after the effective date of this amendment,
when a new start-up community school is established in two school
districts under the same contract, the school's governing
authority shall designate one of those districts to be considered
the school's primary location and the district in which the school
is located for the purposes of division (A)(19) of section 3314.03
and divisions (C) and (H) of section 3314.06 of the Revised Code
and for all other purposes of this chapter and shall notify the
department of education of that designation.

(H) That, except as otherwise provided under division (B) of this section or section 3314.061 of the Revised Code, if the number of applicants exceeds the capacity restrictions of division (F) of this section, students shall be admitted by lot from all those submitting applications, except preference shall be given to students attending the school the previous year and to students who reside in the district in which the school is located. Preference may be given to siblings of students attending the school the previous year. Preference also may be given to students who are the children of full-time staff members employed by the school, provided the total number of students receiving this preference is less than five per cent of the school's total enrollment.

(b) The community school shall report under division (C)(3)(a) (C)(1)(a) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

(4) (2) In any fiscal year, a community school receiving funds under division (C)(1)(g) divisions (A)(8) and (11) of this section 3317.022 of the Revised Code shall spend those funds only for the purposes that the department designates as approved for career-technical education expenses. Career-technical education expenses approved by the department shall include only expenses connected to the delivery of career-technical programming to career-technical students. The department shall require the school
to report data annually so that the department may monitor the school's compliance with the requirements regarding the manner in which funding received under division (C)(1)(g) divisions (A)(8) and (11) of this section 3317.022 of the Revised Code may be spent.

(5)(3) Notwithstanding anything to the contrary in section 3313.90 of the Revised Code, except as provided in division (C)(9) (C)(5) of this section, all funds received under division (C)(1)(g) divisions (A)(8) and (11) of this section 3317.022 of the Revised Code shall be spent in the following manner:

(a) At least seventy-five per cent of the funds shall be spent on curriculum development, purchase, and implementation; instructional resources and supplies; industry-based program certification; student assessment, credentialing, and placement; curriculum specific equipment purchases and leases; career-technical student organization fees and expenses; home and agency linkages; work-based learning experiences; professional development; and other costs directly associated with career-technical education programs including development of new programs.

(b) Not more than twenty-five per cent of the funds shall be used for personnel expenditures.

(6)(4) A community school shall spend the funds it receives under division (C)(1)(e) (A)(5) of this section 3317.022 of the Revised Code in accordance with section 3317.25 of the Revised Code.

(7) If the sum of the payments computed under divisions (C)(1) and (8)(a) of this section for the students entitled to attend school in a particular school district under sections 3313.64 and 3313.65 of the Revised Code exceeds the sum of that district's state education aid and its payment under sections
321.24 and 323.156 of the Revised Code, the department shall calculate and apply a proration factor to the payments to all community schools under that division for the students entitled to attend school in that district.

(8)(a) Subject to division (C)(7) of this section, the department annually shall pay to each community school, including each internet- or computer-based community school, an amount equal to the following:

(The number of students reported by the community school under division (B)(2)(e) of this section X the formula amount X .20).

(b) For each payment made to a community school under division (C)(8)(a) of this section, the department shall deduct from the state education aid of each city, local, and exempted village school district and, if necessary, from the payment made to the district under sections 321.24 and 323.156 of the Revised Code an amount equal to the following:

(The number of the district's students reported by the community school under division (B)(2)(e) of this section X the formula amount X .20).

(9)(5) The department may waive the requirement in division (C)(5) of this section for any community school that exclusively provides one or more career-technical workforce development programs in arts and communications that are not equipment-intensive, as determined by the department.

(D) A board of education sponsoring a community school may utilize local funds to make enhancement grants to the school or may agree, either as part of the contract or separately, to provide any specific services to the community school at no cost to the school.

(E) A community school may not levy taxes or issue bonds
secured by tax revenues.

(F) No community school shall charge tuition for the enrollment of any student who is a resident of this state. A community school may charge tuition for the enrollment of any student who is not a resident of this state.

(G)(1)(a) A community school may borrow money to pay any necessary and actual expenses of the school in anticipation of the receipt of any portion of the payments to be received by the school pursuant to division (C) of this section 3317.022 of the Revised Code. The school may issue notes to evidence such borrowing. The proceeds of the notes shall be used only for the purposes for which the anticipated receipts may be lawfully expended by the school.

(b) A school may also borrow money for a term not to exceed fifteen years for the purpose of acquiring facilities.

(2) Except for any amount guaranteed under section 3318.50 of the Revised Code, the state is not liable for debt incurred by the governing authority of a community school.

(H) The department of education shall adjust the amounts subtracted and paid under division (C) of this section 3317.022 of the Revised Code to reflect any enrollment of students in community schools for less than the equivalent of a full school year. The state board of education within ninety days after April 8, 2003, shall adopt in accordance with Chapter 119. of the Revised Code rules governing the payments to community schools under this section 3317.022 of the Revised Code including initial payments in a school year and adjustments and reductions made in subsequent periodic payments to community schools and corresponding deductions from school district accounts as provided under division (C) of this section 3317.022 of the Revised Code. For purposes of this section division:
(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has commenced participation in learning opportunities as defined in the contract with the sponsor, or thirty days prior to the date on which the student is entered into the education management information system established under section 3301.0714 of the Revised Code. For purposes of applying this division and divisions (H)(3) and (4) of this section to a community school student, "learning opportunities" shall be defined in the contract, which shall describe both classroom-based and non-classroom-based learning opportunities and shall be in compliance with criteria and documentation requirements for student participation which shall be established by the department. Any student's instruction time in non-classroom-based learning opportunities shall be certified by an employee of the community school. A student's enrollment shall be considered to cease on the date on which any of the following occur:

(a) The community school receives documentation from a parent terminating enrollment of the student.

(b) The community school is provided documentation of a student's enrollment in another public or private school.

(c) The community school ceases to offer learning opportunities to the student pursuant to the terms of the contract with the sponsor or the operation of any provision of this chapter.
Except as otherwise specified in this paragraph, beginning in the 2011-2012 school year, any student who completed the prior school year in an internet- or computer-based community school shall be considered to be enrolled in the same school in the subsequent school year until the student's enrollment has ceased as specified in division (H)(2) of this section. The department shall continue subtracting and paying amounts for the student under division (C) of this section 3317.022 of the Revised Code without interruption at the start of the subsequent school year. However, if the student without a legitimate excuse fails to participate in the first seventy-two consecutive hours of learning opportunities offered to the student in that subsequent school year, the student shall be considered not to have re-enrolled in the school for that school year and the department shall recalculate the payments to the school for that school year to account for the fact that the student is not enrolled.

(3) The department shall determine each community school student's percentage of full-time equivalency based on the percentage of learning opportunities offered by the community school to that student, reported either as number of hours or number of days, is of the total learning opportunities offered by the community school to a student who attends for the school's entire school year. However, no internet- or computer-based community school shall be credited for any time a student spends participating in learning opportunities beyond ten hours within any period of twenty-four consecutive hours. Whether it reports hours or days of learning opportunities, each community school shall offer not less than nine hundred twenty hours of learning opportunities during the school year.

(4) With respect to the calculation of full-time equivalency under division (H)(3) of this section, the department shall waive the number of hours or days of learning opportunities not offered
to a student because the community school was closed during the school year due to disease epidemic, hazardous weather conditions, law enforcement emergencies, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, so long as the school was actually open for instruction with students in attendance during that school year for not less than the minimum number of hours required by this chapter. The department shall treat the school as if it were open for instruction with students in attendance during the hours or days waived under this division.

(I) The department of education shall reduce the amounts paid under this section \(3317.022\) of the Revised Code to reflect payments made to colleges under section \(3365.07\) of the Revised Code.

(J)(1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section \(3314.22\) of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section \(3314.03\) of the Revised Code;

(b) The school is in compliance with division (A) of section \(3314.22\) of the Revised Code, relative to such student.

(2) In accordance with policies adopted by the superintendent
of public instruction, in consultation with the auditor of state, the department shall reduce the amounts otherwise payable under division (C) of this section 3317.022 of the Revised Code to any community school that includes in its program the provision of computer hardware and software materials to any student, if such hardware and software materials have not been delivered, installed, and activated for each such student in a timely manner or other educational materials or services have not been provided according to the contract between the individual community school and its sponsor.

The superintendent of public instruction and the auditor of state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The superintendent, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and academic accountability for such schools.

(K)(1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within
thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section 3317.022 of the Revised Code any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one
or more of the assessments required by that section and was not
excused pursuant to division (C)(1) or (3) of that section, unless
the superintendent of public instruction grants the student a
waiver from the requirement to take the assessment and a parent is
not paying tuition for the student pursuant to section 3314.26 of
the Revised Code. The superintendent may grant a waiver only for
good cause in accordance with rules adopted by the state board of
education.

(4) Any student who has attained the age of twenty-two years,
except for veterans of the armed services whose attendance was
interrupted before completing the recognized twelve-year course of
the public schools by reason of induction or enlistment in the
armed forces and who apply for enrollment in a community school
not later than four years after termination of war or their
honorable discharge. If, however, any such veteran elects to
enroll in special courses organized for veterans for whom tuition
is paid under federal law, or otherwise, the department shall not
subtract from a school district's state aid account and shall not
pay to a community school under division (C) of this section
3317.022 of the Revised Code any amount for that veteran.

Sec. 3314.083. If the department of education pays a joint
vocational school district under division (C)(3) of section
3317.16 of the Revised Code for excess costs of providing special
education and related services to a student with a disability who
is enrolled in a community school, as calculated under division
(C)(1) of that section, the department shall deduct the amount of
that payment from the amount calculated for payment to the
community school under section 3314.08 3317.022 of the Revised
Code.

Sec. 3314.084. (A) As used in this section:
(1) "Formula ADM" has the same meaning as in section 3317.03 of the Revised Code.

(2) "Home" has the same meaning as in section 3313.64 of the Revised Code.

(3) "School district of residence" has the same meaning as in section 3323.01 of the Revised Code; however, a community school established under this chapter is not a "school district of residence" for purposes of this section.

(B) Notwithstanding anything to the contrary in section 3314.08 or 3317.03 of the Revised Code, all of the following apply in the case of a child who is enrolled in a community school and is also living in a home:

(1) For purposes of the report required under division (B)(1) of section 3314.08 of the Revised Code, the child's school district of residence, and not the school district in which the home that the child is living in is located, shall be considered to be the school district in which the child is entitled to attend school. That school district of residence, therefore, shall make the report required under division (B)(1) of section 3314.08 of the Revised Code with respect to the child.

(2) For purposes of the report required under division (B)(2) of section 3314.08 of the Revised Code, the community school shall report the name of the child's school district of residence.

(3) The child's school district of residence shall count the child in that district's formula ADM.

(4) The school district in which the home that the child is living in is located shall not count the child in that district's formula ADM.

(5) The department of education shall deduct the applicable amounts prescribed under division (C) of section 3314.08 of the Revised Code.
Revised Code from the child's school district of residence and shall not deduct those amounts from the school district in which the home that the child is living in is located.

(6)(4) The department shall make the payments prescribed in division (C) of section 3314.08 3317.022 of the Revised Code, as applicable, to the community school.

Sec. 3314.086. A community school established under this chapter, including an internet- or computer-based community school, may provide career-technical education in the manner prescribed by section 3313.90 of the Revised Code. The community school may contract with any public agency, board, or bureau or with any private individual or firm for the purchase of any career-technical education or vocational rehabilitation service for any student enrolled in the community school and may pay for such services with funds received under section 3314.08 3317.022 of the Revised Code.

Sec. 3314.087. (A) As used in this section:

(1) "Career-technical program" means career-technical programs or classes described in division (A), (B), (C), (D), or (E) of section 3317.014 of the Revised Code in which a student is enrolled.

(2) "Formula ADM," "category "Category one through five career-technical education ADM," and "FTE basis" have the same meanings as in section 3317.02 of the Revised Code.

(3) "Resident school district" means the city, exempted village, or local school district in which a student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(B) Notwithstanding anything to the contrary in this chapter or Chapter 3317. of the Revised Code, a student enrolled in a
community school may simultaneously enroll in the career-technical program operated by the career-technical planning district to which the student's resident district belongs. On an FTE basis, the student's resident school district shall count the student in the category one through five career-technical education ADM for the proportion of the time the student is enrolled in a career-technical program of the career-technical planning district to which the student's resident district belongs and, accordingly, the department of education shall calculate funds under Chapter 3317. for the resident district attributable to the student for the proportion of time the student attends the career-technical program. The community school shall count the student in its enrollment report under section 3314.08 of the Revised Code and shall report to the department the proportion of time that the student attends classes at the community school. The department shall pay the community school and deduct from the student's resident school district the amount computed for the student under section 3314.08 3317.022 of the Revised Code in proportion to the fraction of the time on an FTE basis that the student attends classes at the community school. "Full-time equivalency" for a community school student, as defined in division (H) of section 3314.08 of the Revised Code, does not apply to the student.

**Sec. 3314.091.** (A) A school district is not required to provide transportation for any native student enrolled in a community school if the district board of education has entered into an agreement with the community school's governing authority that designates the community school as responsible for providing or arranging for the transportation of the district's native students to and from the community school. For any such agreement to be effective, it must be certified by the superintendent of public instruction as having met all of the following requirements:
(1) It is submitted to the department of education by a
deadline which shall be established by the department.

(2) In accordance with divisions (C)(1) and (2) of this
section, it specifies qualifications, such as residing a minimum
distance from the school, for students to have their
transportation provided or arranged.

(3) The transportation provided by the community school is
subject to all provisions of the Revised Code and all rules
adopted under the Revised Code pertaining to pupil transportation.

(4) The sponsor of the community school also has signed the
agreement.

(B)(1) For the school year that begins on July 1, 2007, a
school district is not required to provide transportation for any
native student enrolled in a community school, if the community
school during the previous school year transported the students
enrolled in the school or arranged for the students'
transportation, even if that arrangement consisted of having
parents transport their children to and from the school, but did
not enter into an agreement to transport or arrange for
transportation for those students under division (A) of this
section, and if the governing authority of the community school by
July 15, 2007, submits written notification to the district board
of education stating that the governing authority is accepting
responsibility for providing or arranging for the transportation
of the district's native students to and from the community
school.

(2) Except as provided in division (B)(4) of this section,
for any school year subsequent to the school year that begins on
July 1, 2007, a school district is not required to provide
transportation for any native student enrolled in a community
school if the governing authority of the community school, by the
thirty-first day of January of the previous school year August, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the transportation of the district's native students to and from the community school. If the governing authority of the community school has previously accepted responsibility for providing or arranging for the transportation of a district's native students to and from the community school, under division (B)(1) or (2) of this section, and has since relinquished that responsibility under division (B)(3) of this section, the governing authority shall not accept that responsibility again unless the district board consents to the governing authority's acceptance of that responsibility.

(3) A governing authority's acceptance of responsibility under division (B)(1) or (2) of this section shall cover an entire school year, and shall remain in effect for subsequent school years unless the governing authority submits written notification to the district board that the governing authority is relinquishing the responsibility. However, a governing authority shall not relinquish responsibility for transportation before the end of a school year, and shall submit the notice relinquishing responsibility by the thirty-first day of January, in order to allow the school district reasonable time to prepare transportation for its native students enrolled in the school.

(4)(a) For any school year that begins on or after July 1, 2014, a school district is not required to provide transportation for any native student enrolled in a community school scheduled to open for operation in the current school year, if the governing authority of the community school, by the fifteenth day of April of the previous school year, submits written notification to the district board of education stating that the governing authority is accepting responsibility for providing or arranging for the
transportation of the district’s native students to and from the community school.

(b) The governing authority of a community school that accepts responsibility for transporting its students under division (B)(4)(a) of this section shall comply with divisions (B)(2) and (3) of this section to renew or relinquish that authority for subsequent school years.

(C)(1) A community school governing authority that enters into an agreement under division (A) of this section, or that accepts responsibility under division (B) of this section, shall provide or arrange transportation free of any charge for each of its enrolled students who is required to be transported under section 3327.01 of the Revised Code. The governing authority shall report to the department of education the number of students transported or for whom transportation is arranged under this section in accordance with rules adopted by the state board of education.

(2) The governing authority may provide or arrange transportation for any other enrolled student who is not eligible for transportation in accordance with division (C)(1) of this section and may charge a fee for such service up to the actual cost of the service.

(3) Notwithstanding anything to the contrary in division (C)(1) or (2) of this section, a community school governing authority shall provide or arrange transportation free of any charge for any disabled student enrolled in the school for whom the student’s individualized education program developed under Chapter 3323. of the Revised Code specifies transportation.

(D)(1) If a school district board and a community school governing authority elect to enter into an agreement under division (A) of this section, the department of education shall
make payments to the community school according to the terms of
the agreement for each student actually transported under division
(C)(1) of this section.

If a community school governing authority accepts
transportation responsibility under division (B) of this section,
the department shall make payments to the community school for
each student actually transported or for whom transportation is
arranged by the community school under division (C)(1) of this
section, calculated as follows:

(a) For any fiscal year which the general assembly has
specified that transportation payments to school districts be
based on an across-the-board percentage of the district's payment
for the previous school year, the per pupil payment to the
community school shall be the following quotient:

(i) The total amount calculated for the school district in
which the child is entitled to attend school for student
transportation other than transportation of children with
disabilities, divided by

(ii) The number of students included in the district's
transportation ADM for the current fiscal year, as calculated
under section 3317.03 of the Revised Code, plus the number of
students enrolled in the community school not counted in the
district’s transportation ADM who are transported under division
(B)(1) or (2) of this section.

(b) For any fiscal year which the general assembly has
specified that the transportation payments to school districts be
calculated in accordance with section 3317.0212 of the Revised
Code and any rules of the state board of education implementing
that section, the payment to the community school shall be the
amount so calculated on a per-rider basis that otherwise would be
paid to the school district in which the student is entitled to
attend school by the method of transportation the district would have used. The community school, however, is not required to use the same method to transport that student.

(c) Divisions (D)(1)(a) and (b) of this section do not apply to fiscal years 2012 and 2013. Rather, for each of those fiscal years, the per pupil payment to a community school for transporting a student shall be the total amount paid under former section 3306.12 of the Revised Code for fiscal year 2011 to the school district in which the child is entitled to attend school divided by that district's "qualifying ridership," as defined in that section for fiscal year 2011.

As used in this division "entitled to attend school" means entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(2) The department shall deduct the payment under division (D)(1) of this section from the state education aid, as defined in section 3314.08 of the Revised Code, and, if necessary, the payment under sections 321.14 and 323.156 of the Revised Code, that is otherwise paid to the school district in which the student enrolled in the community school is entitled to attend school. The department shall include the number of the district's native students for whom payment is made to a community school under division (D)(1) of this section in the calculation of the district's transportation payment under section 3317.0212 of the Revised Code and the operating appropriations act.

(3) A community school shall be paid under division (D)(1) of this section only for students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, and whose transportation to and from school is actually provided, who actually utilized transportation arranged, or for whom a payment in lieu of transportation is made by the community school's governing authority. To qualify for the payments, the
A community school shall report to the department, in the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of miles traveled, cost to transport, and any other information requested by the department.

(4) A community school shall use payments received under this division (H) of section 3317.0212 of the Revised Code solely to pay the costs of providing or arranging for the transportation of students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, which may include payments to a parent, guardian, or other person in charge of a child in lieu of transportation.

(E) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) of section 3327.16 of the Revised Code and, subject to division (C)(1) of this section, sections 3327.01 and 3327.02 of the Revised Code, as if it were a school district.

Sec. 3314.11. (A) The governing authority of each community school established under this chapter monthly shall review the residency records of students enrolled in that community school. Upon the enrollment of each student and on an annual basis, the
governing authority shall verify to the department of education the school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

The school district may review the determination made by the community school under division (A) of this section.

(B)(1) For purposes of its initial reporting of the school districts in which its students are entitled to attend school, the governing authority of a community school shall adopt a policy that prescribes the number of documents listed in division (E) of this section required to verify a student's residency. This policy shall supersede any policy concerning the number of documents for initial residency verification adopted by the district the student is entitled to attend.

(2) For purposes of the annual reporting of the school districts in which its students are entitled to attend school, the governing authority of a community school shall adopt a policy that prescribes the information required to verify a student's residency. This information may be obtained through any type of document, including any of the documents listed in division (E) of this section, or any type of communication with a government official authorized to provide such information.

(C) For purposes of making the determinations required under this section, the school district in which a parent or child resides is the location the parent or student has established as the primary residence and where substantial family activity takes place.

(D) If a community school's determination under division (A) of this section of the school district a student is entitled to attend under section 3313.64 or 3313.65 of the Revised Code differs from a district's determination, the community school that made the determination under division (A) of this section shall
provide the school district with documentation of the student's residency and shall make a good faith effort to accurately identify the correct residence of the student.

(E) For purposes of this section, the following documents may serve as evidence of primary residence:

(1) A deed, mortgage, lease, current home owner's or renter's insurance declaration page, or current real property tax bill;

(2) A utility bill or receipt of utility installation issued within ninety days of enrollment;

(3) A paycheck or paystub issued to the parent or student within ninety days of the date of enrollment that includes the address of the parent's or student's primary residence;

(4) The most current available bank statement issued to the parent or student that includes the address of the parent's or student's primary residence;

(5) Any other official document issued to the parent or student that includes the address of the parent's or student's primary residence. The superintendent of public instruction shall develop guidelines for determining what qualifies as an "official document" under this division.

(F) When a student loses permanent housing and becomes a homeless child or youth, as defined in 42 U.S.C. 11434a, or when a child who is such a homeless child or youth changes temporary living arrangements, the district in which the student is entitled to attend school shall be determined in accordance with division (F)(13) of section 3313.64 of the Revised Code and the "McKinney-Vento Homeless Assistance Act," 42 U.S.C. 11431 et seq.

(G) In the event of a disagreement as to which school district a student is entitled to attend, the community school, after complying with division (D) of this section, but not more
than sixty days after the monthly deadline established by the department of education for reporting of community school enrollment, may present the matter to the superintendent of public instruction. Not later than thirty days after the community school presents the matter, the state superintendent, or the state superintendent's designee, shall determine which district the student is entitled to attend and shall direct any necessary adjustments to payments and deductions under section 3314.08 3317.022 of the Revised Code based on that determination.

**Sec. 3314.191.** Notwithstanding any provision to the contrary in the Revised Code, the department of education shall make no payment under section 3314.08 3317.022 of the Revised Code to a community school opening for its first year of operation until the sponsor of that school confirms all of the following:

(A) The school is in compliance with the provisions described in divisions (A), (H), (I), and (J)(3) of section 3314.19 of the Revised Code.

(B) The sponsor has approved the financial controls required by the comprehensive plan for the school under division (B)(5) of section 3314.03 of the Revised Code.

(D) The chief administrator of the community school actively is managing daily operations at the school.

(E) The projected enrollment reported to the department is accurate.

**Sec. 3314.20.** (A) As used in this section:
(1) "Base enrollment" for an internet- or computer-based community school means either of the following:

(a) If the school was open for instruction on the effective date of this section, the number of students enrolled in the school at the end of the 2012-2013 school year;

(b) If the school opens for instruction after the effective date of this section, one thousand students.

(2) "Enrollment limit" for an internet- or computer-based community school means the following:

(a) For the 2014-2015 school year, the base enrollment increased by the prescribed annual rate of growth, as calculated by the department of education.

(b) For the 2015-2016 school year and each school year thereafter, the previous school year's enrollment limit increased by the prescribed annual rate of growth, as calculated by the department.

(3) "Prescribed annual rate of growth" for an internet- or computer-based community school means either of the following:

(a) For a school with an enrollment limit equal to or greater than three thousand students, fifteen per cent.

(b) For a school with an enrollment limit of less than three thousand students, twenty-five per cent.

(B) Beginning in the 2014-2015 school year, no internet- or computer-based community school shall enroll more students than the number permitted by its enrollment limit.

(C) If, in any school year, an internet- or computer-based community school enrolls more students than permitted under the enrollment limit, the department shall deduct from the community school the amount of state funds credited to the community school attributable to each student enrolled in excess of the enrollment limit.
limit, as determined by the department. The department shall distribute the deducted amounts to the school districts to which the students enrolled in the community school are entitled to attend school under section 3313.64 or 3313.65 of the Revised Code. Such amounts shall be distributed on a pro rata basis according to each district's share of the total enrollment in the community school.

Sec. 3314.24. (A) On or after July 1, 2004, no internet- or computer-based community school shall enter into a contract with a nonpublic school to use or rent any facility space at the nonpublic school for the provision of instructional services to students enrolled in the internet- or computer-based community school.

(B) If, on or after July 1, 2004, an internet- or computer-based community school has a contract with a nonpublic school as described in division (A) of this section, the department of education shall not make any payments under section 3314.08 3317.022 of the Revised Code to the internet- or computer-based community school for any student who is enrolled in the internet- or computer-based community school and receives any instructional services from the internet- or computer-based community school at the nonpublic school.

Sec. 3314.261. This section shall not apply to an internet- or computer-based community school in which a majority of the students are enrolled in a dropout prevention and recovery program.

(A) For purposes of this section, "instructional activities" means the following classroom-based or nonclassroom-based activities that a student is expected to complete, participate in, or attend during any given school day:
(1) Online logins to curriculum or programs; 36639  
(2) Offline activities; 36640  
(3) Completed assignments within a particular program, curriculum, or class; 36641  
(4) Testing; 36642  
(5) Face-to-face communications or meetings with school staff or service providers; 36643  
(6) Telephone or video conferences with school staff or service providers; 36644  
(7) Other documented communication with school staff or service providers related to school curriculum or programs. 36645  

(B)(1) Each internet- or computer-based community school's attendance policy adopted in accordance with division (A)(6)(b) of section 3314.03 of the Revised Code shall specify that a student is considered in attendance at the school when the student satisfies either of the following conditions: 36646  

(a) The student participates in at least ninety per cent of the hours of instructional activities offered by the school in that school year; 36647  

(b) The student is on pace for on-time completion of any course in which the student is enrolled. The school's attendance policy shall define "on pace for on-time completion" for purposes of division (B)(1)(b) of this section. 36648  

(2) If a student is not considered in attendance under division (B)(1) of this section, the student shall be considered absent for those hours of instructional activities offered by the school in that school year in which the student does not participate. 36649  

(3) In the event that a student has thirty or more hours of unexcused absences in any semester, the internet- or 36650
computer-based community school in which the student is enrolled shall submit a written report to the student's parent, guardian, or custodian.

(C) Notwithstanding section 3321.191 of the Revised Code, each internet- or computer-based community school shall develop and adopt a policy regarding failure to participate in instructional activities. The policy shall state that a student shall become subject to certain consequences, including disenrollment from the school, if both of the following conditions are satisfied:

(1) After the student's parent, guardian, or custodian receives a written report under division (B)(2) of this section, the student fails to comply with the policy adopted under division (C) of this section within a reasonable period of time specified by the school;

(2) Other intervention strategies contained in the policy adopted under division (C) of this section fail to cause a student's attendance to comply with the policy.

(D) If an internet- or computer-based community school disenrolled a student pursuant to a policy adopted under division (C) of this section, the student shall not be eligible to enroll or re-enroll in that school or another internet- or computer-based community school for the remainder of the school year from the date of the student's disenrollment. This division does not prohibit a disenrolled student from enrolling in another internet- or computer-based community school if a majority of the students of that school are enrolled in a dropout prevention and recovery program.

(E) If an internet- or computer-based community school disenrolls a student pursuant to a policy adopted under division (C) of this section, the school shall do both of the following:
(1) Provide the student's parent, guardian, or custodian with

a list of alternative educational options available to the

student;

(2) Within forty-eight hours of the student's disenrollment,

notify the student's resident school district in writing.

(F) Nothing in this section shall be construed to affect the

procedure for automatically withdrawing a student from school that

must be adopted as part of a school's attendance policy in

accordance with division (A)(6)(b) of section 3314.03 of the

Revised Code.

Sec. 3314.262. Notwithstanding anything to the contrary in

section 3314.26 of the Revised Code, no student enrolled in an

internet- or computer-based community school shall be subject to

automatic withdrawal who, in any school year prior to the

2020-2021 school year, failed to participate in the spring

administration of any assessment prescribed under section

3301.0710 or 3301.0712 of the Revised Code for the student's grade

level and was not excused from the assessment pursuant to division

(C)(1) or (3) of section 3301.0711 of the Revised Code, regardless

of whether a waiver was granted for the student under division (E)

of section 3317.03 of the Revised Code. Accordingly, the 2020-2021

school year shall begin a new starting point for automatic

withdrawal of students enrolled in internet- or computer-based

schools under section 3314.26 of the Revised Code.

Sec. 3314.271. (A) Each internet- or computer-based community

school shall offer a student orientation course and shall notify

each student who enrolls in that school of that student's

opportunity to participate in the student orientation course.

(B) The department of education shall provide guidance to
internet- or computer-based community schools for developing and delivering the orientation course.

(C) Each internet- or computer-based community school may, at the time of a particular student's enrollment in that school, ask the student's parent or guardian to estimate the length of time the student will attend the school. Any information collected pursuant to this division shall be included in an aggregated format in the school's annual report required by division (A)(11)(g) (A)(11)(f) of section 3314.03 of the Revised Code.

(D) Each internet- or computer-based community school, on a periodic basis throughout each school year, shall communicate with each student's parent, guardian, or custodian regarding the performance and progress of that student. Each internet- or computer-based community school also shall provide opportunities for parent-teacher conferences, shall document the school's requests for such conferences, and may permit students to participate in the conferences. Parent-teacher conferences may be conducted through electronic means.

Sec. 3314.353. Each year, the department of education shall publish separate lists of the following:

(A) Community schools that have become subject to permanent closure under section 3314.35 or 3314.351 of the Revised Code;

(B) Community schools that are at risk of becoming subject to permanent closure under section 3314.35 or 3314.351 of the Revised Code if their academic performance, as prescribed in those sections, does not improve on the next state report cards issued under section 3302.03 or 3314.017 of the Revised Code; and

(C) All "challenged school districts" in which new start-up community schools may be located, as prescribed in section 3314.02 of the Revised Code.
On and after the effective date of this amendment, the department of education shall not adopt any rules, enforce any procedures or policies, or otherwise restrict the establishment or sponsorship of a new start-up community school based upon whether the school's proposed location is in a challenged school district.

Sec. 3314.355. No community school shall be subject to closure under section 3314.35 or 3314.351 of the Revised Code based on any report card issued for that school for the 2019-2020, 2020-2021, or 2021-2022 school years. Furthermore, the report card ratings of any previous years shall not be considered in determining whether a community school is subject to automatic closure under section 3314.35 or 3314.351 of the Revised Code. Accordingly, the 2022-2023 school year shall begin a new starting point for automatic closure of community schools under either of those sections.

Sec. 3314.38. (A) An individual who is at least twenty-two years of age and who is an eligible individual as defined in section 3317.23 of the Revised Code may enroll for up to two consecutive school years in a dropout prevention and recovery program operated by a community school that is designed to allow enrollees to earn a high school diploma. An individual enrolled under this division may elect to satisfy the requirements to earn a high school diploma by successfully completing a competency-based educational program, as defined in section 3317.23 of the Revised Code, that complies with the standards adopted by the department of education under section 3317.231 of the Revised Code. The community school shall report that individual's enrollment on a full-time equivalency basis to the department. This report shall be in addition to the report required under division (B) of section 3314.08 of the Revised Code. An individual enrolled under this division shall not be
assigned to classes or settings with students who are younger than eighteen years of age.

(B)(1) For each community school that enrolls individuals under division (A) of this section, the department annually shall certify the enrollment and attendance, on a full-time equivalency basis, of each individual reported by the school under that division.

(2) For each individual enrolled in a community school under division (A) of this section, the department annually shall pay the community school up to $5,000, as determined by the department based on the extent of the individual's successful completion of the graduation requirements prescribed under division (A)(11)(f) (A)(11)(e) of section 3314.03 of the Revised Code.

(C) A community school that enrolls individuals under division (A) of this section shall be subject to the program administration standards adopted by the department under section 3317.231 of the Revised Code, as applicable.

(B)(1) Division (C) of this section describes the model for the calculation of the base cost per pupil for fiscal year 2022 and each fiscal year thereafter that has been established as the result of deliberations by the general assembly. To guide its deliberations on the base cost per pupil, the general assembly adopted the following principles, which have been incorporated into the model as part of the calculation of the "state share multiplier" under division (C)(2)(b) of this section:

(a) The average classroom teacher salary used in the model is required to include the portion that is funded by state and local shares of foundation funding.

(b) The average classroom teacher salary used in the model may include the portion of the average classroom teacher salary that is funded by local property tax revenue and school district income tax revenue in excess of the local share required for foundation funding, if the general assembly chooses to include it, in order to enhance the model's funding for teacher salaries.

(2) It is the intent of the general assembly that, following the initial calculation of the base cost per pupil for fiscal years 2022 and 2023 as described in division (D) of this section, each of the following variables in the base cost per pupil calculation shall be reexamined by the general assembly as part of the deliberations for each biennial budget act and that the base cost per pupil may be recalculated in each of those biennial budget acts using different numbers for these variables based on the general assembly's reexamination of them:

(a) The percentages determined by the general assembly for purposes of calculating the "supplemental state share multiplier" under division (C)(2)(b)(ii) of this section that is used in the
calculation of the "state share multiplier" under division (C)(2)(b) of this section; (b) The teacher-to-student ratio that is used in the calculation of the per-pupil classroom teacher compensation component under division (C)(2)(a) of this section; (c) The number of funded professional development days for a school year that is used in the calculation of the teacher professional development component under division (C)(6) of this section; (d) The number of teacher contract days for a school year that is used in the calculation of the teacher professional development component under division (C)(6) of this section. (3) It is the intent of the general assembly that, following the initial calculation of the base cost per pupil for fiscal years 2022 and 2023 as described in division (D) of this section, the base cost per pupil shall be updated as part of the biennial budget act enacted for fiscal years 2024 and 2025 and as part of every third biennial budget enacted by the general assembly thereafter by recalculating the base cost per pupil under division (C) of this section using both of the following: (a) Any different number for the variables specified in divisions (B)(2)(a) to (d) of this section that are determined in accordance with division (B)(2) of this section; (b) Data based on analyses conducted by the legislative service commission and presented to the general assembly in accordance with division (E) of this section. (C)(1) In accordance with division (B) of this section, the base cost per pupil shall equal the sum of the following components: (a) An amount for per-pupil classroom teacher compensation,
determined in accordance with division (C)(2) of this section.

(b) An amount for per-pupil building administration and operations costs, determined in accordance with division (C)(3) of this section;

(c) An amount for per-pupil district administration salaries and benefits, determined in accordance with division (C)(4) of this section;

(d) An amount for per-pupil district student support, determined in accordance with division (C)(5) of this section;

(e) An amount for teacher professional development, determined in accordance with division (C)(6) of this section.

(2)(a) The amount for the per-pupil classroom teacher compensation component of the base cost per pupil shall equal the following sum:

(The state share multiplier determined in accordance with division (C)(2)(b) of this section X the average classroom teacher salary X the teacher-to-student ratio determined by the general assembly) + (the state share multiplier determined in accordance with division (C)(2)(b) of this section X the average classroom teacher salary X the teacher-to-student ratio determined by the general assembly X the average benefits percentage)

(b) For purposes of division (C)(2)(a) of this section, the "state share multiplier" equals the sum of the required state share multiplier and, if the general assembly decides to include it, the supplemental state share multiplier.

Where:

(i) The "required state share multiplier" is calculated by determining the amount of school district operating funding that is attributable to the state and local share of foundation funding and then dividing that amount by the amount of school district
operating funding.

(ii) The "supplemental state share multiplier" is calculated as the following product:
A percentage determined by the general assembly X (the amount of school district operating funding that is attributable to local property tax revenue and school district income tax revenue in excess of the local share required for foundation funding / the amount of school district operating funding)

(3) For each fiscal year, the amount for the per-pupil building administration and operations costs component of the base cost per pupil equals the following product:
(The building administration and operations cost / the classroom teacher salaries and benefits) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section

(4) For each fiscal year, the amount for the per-pupil district administration salaries and benefits component of the base cost per pupil equals the following product:
(The district administration salaries and benefits / the classroom teacher salaries and benefits) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section

(The student support cost / the classroom teacher salaries and benefits) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section

(6) For each fiscal year, the amount for the teacher professional development component of the base cost per pupil equals the following product:
(The number of funded professional development days for a school year as determined by the general assembly / the number of teacher contract days for a school year as determined by the general assembly) X the amount for per-pupil classroom teacher compensation determined under division (C)(2) of this section

(D)(1) For the initial implementation of this model for fiscal years 2022 and 2023, the base cost per pupil was calculated in accordance with division (C) of this section using the following variables:

(a) Fiscal year 2019 data, for the "average benefits percentage," "average classroom teacher compensation," "average classroom teacher salary," "building administration and operations cost," "classroom teacher salaries and benefits," "district administration salaries and benefits," "school district operating funding," and "student support cost";

(b) Ten per cent, for the percentage determined by the general assembly for purposes of calculating the "supplemental state share multiplier" under division (C)(2)(b)(ii) of this section that is used in the calculation of the "state share multiplier" under division (C)(2)(b) of this section;

(c) A ratio of one teacher to twenty students, for the teacher-to-student ratio that is used in the calculation of the per-pupil classroom teacher compensation component under division (C)(2) of this section;

(d) Eight professional development days, for the number of funded professional development days for a school year that is used in the calculation of the teacher professional development component under division (C)(6) of this section;

(e) One hundred eighty teacher contract days, for the number of teacher contract days for a school year that is used in the calculation of the teacher professional development component.
(2) For the initial implementation of this model for fiscal years 2022 and 2023, the "state share multiplier" was calculated in accordance with division (C)(2)(b) of this section as follows:

(a) Using school district operating funding for fiscal year 2019 that equaled $17.5 billion, the following information was determined:

(i) The portion of the statewide regular teacher salary that was funded by the state and local share of foundation funding equaled approximately $13.8 billion, or 78.82 per cent.

(ii) The portion of the statewide regular teacher salary that was funded by additional local property tax revenue and school district income tax revenue in excess of the required local contribution for foundation funding equaled approximately $3.7 billion, or 21.18 per cent.

(b) Using the information specified in division (D)(2)(a) of this section, both of the following were determined:

(i) The "required state share multiplier" calculated under division (C)(2)(b)(i) of this section equaled 78.82 per cent.

(ii) The "supplemental state share multiplier" calculated under division (C)(2)(b)(ii) of this section equaled 2.12 per cent, which is ten per cent of the percentage determined under division (D)(2)(a)(ii) of this section.

(c) The "state share multiplier" equaled 80.94 per cent, which is the sum of the percentages determined under divisions (D)(2)(b)(i) and (ii) of this section.

(3) For the initial implementation of this model for fiscal years 2022 and 2023, the base cost per pupil equals $6,110, which is the sum of the following components:

(a) An amount for per-pupil classroom teacher compensation of

under division (C)(6) of this section.
$3,622 calculated in accordance with division (C)(2) of this section as follows:

(1) The state share multiplier of 80.94 per cent calculated under division (D)(2) of this section $X$ the average classroom teacher salary for fiscal year 2019 of $64,905 determined in accordance with division (D)(1)(a) of this section $X$ the teacher-to-student ratio of 1/20 determined by the general assembly under division (D)(1)(c) of this section $X$ the average benefits percentage for fiscal year 2019 of 37.89 per cent determined in accordance with division (D)(1)(a) of this section.

(b) An amount for per-pupil building administration and operations costs of $1,357 calculated in accordance with division (C)(3) of this section as the product of the following:

(i) 37.47 per cent, which is the quotient of the building administration and operations cost for fiscal year 2019 and the classroom teacher salaries and benefits for fiscal year 2019, both of which were determined in accordance with division (D)(1)(a) of this section;

(ii) The amount for per-pupil classroom teacher compensation determined under division (D)(3)(a) of this section.

(c) An amount for per-pupil district administration salaries and benefits of $344 calculated in accordance with division (C)(4) of this section as the product of the following:

(i) 9.49 per cent, which is the quotient of the district administration and salaries for fiscal year 2019 and the classroom
teacher salaries and benefits for fiscal year 2019, both of which were determined in accordance with division (D)(1)(a) of this section:

(ii) The amount for per-pupil classroom teacher compensation determined under division (D)(3)(a) of this section.

(d) An amount for per-pupil district student support of $625 calculated in accordance with division (C)(5) of this section as the product of the following:

(i) 17.26 per cent, which is the quotient of the student support cost for fiscal year 2019 and the classroom teacher salaries and benefits for fiscal year 2019, both of which were determined in accordance with division (D)(1)(a) of this section;

(E)(1) To assist the general assembly in updating the base cost per pupil as part of the biennial budget enacted by the general assembly for fiscal years 2024 and 2025 and as part of every third biennial budget enacted by the general assembly thereafter, the legislative service commission shall conduct analyses of the data required for the model of the calculation of the base cost per pupil under division (C) of this section using the information obtained under division (E)(2) of this section and
the variables specified in division (E)(3) of this section. Not later than the thirtieth day of November prior to a calendar year in which the general assembly intends for an update of the base cost per pupil to occur in accordance with division (B)(3) of this section, the commission shall present the analyses to the general assembly.

(2) Not later than the first day of October of any calendar year in which the legislative service commission conducts analyses under division (E)(1) of this section, the commission shall submit to the department of education a written request itemizing all the information that is needed for purposes of conducting its analyses in accordance with division (E)(1) of this section. The department shall provide the requested information not later than the thirty-first day of October of the year in which the request is made.

(3) When conducting its analyses under division (E)(1) of this section, the legislative service commission may use the following variables:

(a) For the update as part of the biennial budget enacted by the general assembly for fiscal years 2024 and 2025, the variables specified under divisions (D)(1)(b) to (e) of this section;

(b) For the update as part of every third biennial budget enacted by the general assembly thereafter, the following variables as specified by the general assembly in its most recent update to the base cost per pupil:

(iv) The number of teacher contract days for a school year that is used in the calculation of the teacher professional development component under division (C)(6) of this section. 37130

(F) It is the intent of the general assembly that, for those fiscal years for which the general assembly does not intend for an update of the base cost per pupil to occur in accordance with division (B)(3) of this section, the general assembly may adjust the average classroom teacher salary. In doing so, the general assembly may consider the annual changes to the average classroom teacher salary, the consumer price index (all items), or any other factors the general assembly considers to be appropriate. 37131

Sec. 3317.017. The department of education shall compute a school district's state share index as follows: 37132

(A) Calculate the district's valuation index, which equals the following quotient: 37133

(The district's three-year average valuation / the district's total ADM) / (the statewide three-year average valuation for school districts with a total ADM greater than zero / the statewide total ADM) 37134

(B)(1) Calculate the district's median income index, which equals the following quotient: 37135

(The district's median Ohio adjusted gross income / the median of the median Ohio adjusted gross income of all districts statewide with a total ADM greater than zero) 37136

(2) Calculate the district's income index, which equals the
following sum:

\[(\text{The district's median income index } \times 0.5) + \{[\text{(the three-year average federal adjusted gross income of the school district's residents / the district's formula enrolled ADM for fiscal year 2017)} / \text{(the three-year average federal adjusted gross income of all districts statewide with a formula enrolled ADM for fiscal year 2017 greater than zero / the statewide formula enrolled ADM for fiscal year 2017)}] \times 0.5}\]\n
(C) Determine the district's wealth index as follows:

(1) If the district's income index is less than the district's valuation index and the district's median income index is less than or equal to 1.5, then the district's wealth index shall be equal to \([(0.4 \times \text{the district's income index}) + (0.6 \times \text{the district's valuation index})]\).

(3) If the district is required by a shared education contract, compact, or cooperative education agreement to make
payments to an educational service center, deduct the amounts from payments to the district and add them to the amounts paid to the service center.

(I)(1) If a district, including a joint vocational school district, is a lead district of a CTPD, credit to that district the amount calculated for each school district within that CTPD under division (A)(9) and (10) of section 3317.022 of the Revised Code or division (A)(6) and (7) of section 3317.16 of the Revised Code, as applicable, and for each community school and STEM school within the CTPD under divisions (G)(1)(h) and (i) of section 3317.022 of the Revised Code.

(2) Deduct from each appropriate district that is not a lead district, or from the appropriate community school or STEM school, the amount attributable to that district or school that is credited to a lead district under division (I)(1) of this section.

(J) If the department pays a joint vocational school district under division (C)(3) of section 3317.16 of the Revised Code for excess costs of providing special education and related services to a student with a disability, as calculated under division (C)(1) of that section, the department shall deduct the amount of that payment from the city, local, or exempted village school district that is responsible as specified in that section for the excess costs.

(K)(1) If the district reports an amount of excess cost for special education services for a child under division (C) of section 3323.14 of the Revised Code, the department shall pay that amount to the district.

(2) If the district reports an amount of excess cost for special education services for a child under division (C) of section 3323.14 of the Revised Code, the department shall deduct that amount from the district of residence of that child.
Sec. 3317.024. The following shall be distributed monthly, quarterly, or annually as may be determined by the state board of education:

(A) An amount for each island school district and each joint state school district for the operation of each high school and each elementary school maintained within such district and for capital improvements for such schools. Such amounts shall be determined on the basis of standards adopted by the state board of education. However, for fiscal years 2012 and 2013, an island district shall receive the lesser of its actual cost of operation, as certified to the department of education, or ninety-three percent of the amount the district received in state operating funding for fiscal year 2011. If an island district received no funding for fiscal year 2011, it shall receive no funding for either of fiscal year 2012 or 2013.

(B) An amount for each school district required to pay tuition for a child in an institution maintained by the department of youth services pursuant to section 3317.082 of the Revised Code, provided the child was not included in the calculation of the district's formula ADM, as that term is defined in section 3317.02 of the Revised Code, for the preceding school year.

(C) An amount for the approved cost of transporting eligible pupils with disabilities attending a special education program approved by the department of education whom it is impossible or impractical to transport by regular school bus in the course of regular route transportation provided by the school district or educational service center. No district or service center is eligible to receive a payment under this division for the cost of transporting any pupil whom it transports by regular school bus and who is included in the district's transportation ADM. The state board of education shall establish standards and guidelines...
for use by the department of education in determining the approved

cost of such transportation for each district or service center.

(D) An amount to each school district, including each

cooperative education school district, pursuant to section 3313.81

of the Revised Code to assist in providing free lunches to needy

children. The amounts shall be determined on the basis of rules

adopted by the state board of education.

(E)(1) An amount for auxiliary services to each school
district, for each pupil attending a chartered nonpublic

elementary or high school within the district that is either of

the following:

(a) A school affiliated with a religious order, sect, church,
or denomination or has a curriculum or mission that contains
religious content, religious courses, devotional exercises,
religious training, or any other religious activity;

(b) A school not described in division (E)(1)(a) of this

section that has not elected to receive funds under division

(E)(2) of this section.

(2) (a) An amount for auxiliary services paid directly to each

chartered nonpublic school that has elected to receive funds under

division (E)(2) of this section for each pupil attending the

school. To elect to receive funds under division (E)(2) of this

section, a school, by the first day of April of each odd-numbered

year, shall notify the department and the school district in which

the school is located of the election and shall submit to the

department an affidavit certifying that the school is not

affiliated with a religious order, sect, church, or denomination

and does not have a curriculum or mission that contains religious

content, religious courses, devotional exercises, religious

training, or any other religious activity shall expend the funds

in the manner outlined in section 3317.062 of the Revised Code.
The election shall take effect the following first day of July unless the department determines that the school meets the criteria in division (E)(1)(a) of this section. The school subsequently may rescind its election, but it may do so only in an odd-numbered year by notifying the department and the school district in which the school is located of the rescission not later than the first day of April of that year. Beginning the following first day of July after the rescission, the school shall receive funds under division (E)(1) of this section.

(b) A chartered nonpublic school that elects to receive auxiliary services funds under division (E)(2) of this section may designate an organization that oversees one or more nonpublic schools to receive those funds on its behalf.

(i) Each chartered nonpublic school that designates an organization to receive auxiliary services funds on its behalf shall notify the department of education of the organization's name not later than the first day of April of each odd-numbered year.

(ii) A school may rescind its decision, but may do so only in each odd-numbered year by notifying the department of that rescission not later than the first day of April of that year. A rescission submitted in compliance with this division takes effect on the following first day of July, and the school district may elect to then begin receiving auxiliary services funds directly or as specified under division (E)(1) of this section.

(iii) An organization shall disburse the auxiliary services funds of all chartered nonpublic schools that have designated the organization to receive funds on their behalf in accordance with division (E)(2)(b) of this section. If multiple chartered nonpublic schools designate the same organization to receive auxiliary services funds on their behalf, that organization may use one or more accounts for the purposes of managing the funds.
The organization shall maintain appropriate accounting and reporting standards and ensure that each chartered nonpublic school receives the auxiliary services funds to which the school is entitled.

(iv) Each chartered nonpublic school that elects to receive funds directly in accordance with division (E)(2) of this section or the organization designated to receive and disburse auxiliary services funds on behalf of a chartered nonpublic school shall maintain records of receipt and expenditures of the funds in a manner that conforms with generally accepted accounting principles.

(v) The department of education shall create and disseminate a standardized reporting form that chartered nonpublic schools and organizations designated to receive funds in accordance with division (E)(2)(b) of this section may use to comply with division (E)(2)(b)(iv) of this section. However, the department shall not require schools to use that form.

(vi) An organization that manages a school's auxiliary services funds pursuant to a designation made in accordance with division (E)(2)(b) of this section may require the school's governing authority to pay a fee for that service that does not exceed four per cent of the total amount of payments for auxiliary services that the school receives from the state. A school may pay any fee assessed pursuant to division (E)(2)(b)(vi) of this section using auxiliary services funds.

(c) The amount paid under divisions (E)(1) and (2) of this section shall equal the total amount appropriated for the implementation of sections 3317.06 and 3317.062 of the Revised Code divided by the average daily membership in grades kindergarten through twelve in chartered nonpublic elementary and high schools within the state as determined as of the last day of October of each school year.
(F) An amount for each county board of developmental disabilities, distributed on the basis of standards adopted by the state board of education, for the approved cost of transportation required for children attending special education programs operated by the county board under section 3323.09 of the Revised Code;

(G) An amount to each institution defined under section 3317.082 of the Revised Code providing elementary or secondary education to children other than children receiving special education under section 3323.091 of the Revised Code. This amount for any institution in any fiscal year shall equal the total of all tuition amounts required to be paid to the institution under division (A)(1) of section 3317.082 of the Revised Code.

The state board of education or any other board of education or governing board may provide for any resident of a district or educational service center territory any educational service for which funds are made available to the board by the United States under the authority of public law, whether such funds come directly or indirectly from the United States or any agency or department thereof or through the state or any agency, department, or political subdivision thereof.

Sec. 3317.0212. (A) As used in this section:

(1) "Qualifying riders" means resident students enrolled in regular education in grades kindergarten to twelve who are provided school bus service by a school district and who live more than one mile from the school they attend, including students with dual enrollment in a joint vocational school district or a cooperative education school district, and students enrolled in a community school, STEM school, or nonpublic school.

(2) "Qualifying ridership" means the greater of the average number of qualifying riders counted in the morning or counted in
the afternoon who are provided school bus service by a school district during the first full week of October that the district is in session with students in attendance.

(3) "Rider density" means the total rider density ADM per square mile of a school district.

(4) "Rider density ADM" means, for a city, local, or exempted village school district, the enrollment reported under division (A) of section 3317.03 of the Revised Code, as verified by the superintendent of public instruction and adjusted if so ordered under division (K) of that section.

(5) "School bus service" means a school district's transportation of qualifying riders in any of the following types of vehicles:

(a) School buses owned or leased by the district;

(b) School buses operated by a private contractor hired by the district;

(c) School buses operated by another school district or entity with which the district has contracted, either as part of a consortium for the provision of transportation or otherwise.

(B) Not later than the fifteenth day of October each year, each city, local, and exempted village school district shall report to the department of education its qualifying ridership and any other information requested by the department. Subsequent adjustments to the reported numbers shall be made only in accordance with rules adopted by the department.

(C) The department shall calculate the statewide transportation cost per student as follows:

(1) Determine each city, local, and exempted village school district's transportation cost per student by dividing the district's total costs for school bus service in the previous
fiscal year by its qualifying ridership in the previous fiscal year.

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per student and the ten districts with the lowest transportation costs per student, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate qualifying ridership of those districts in the previous fiscal year.

(D) The department shall calculate the statewide transportation cost per mile as follows:

(1) Determine each city, local, and exempted village school district's transportation cost per mile by dividing the district's total costs for school bus service in the previous fiscal year by its total number of miles driven for school bus service in the previous fiscal year.

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per mile and the ten districts with the lowest transportation costs per mile, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate miles driven for school bus service in those districts in the previous fiscal year.

(E) The department shall calculate each city, local, and exempted village school district's transportation payment as follows:

(1) Multiply the statewide transportation cost per student by the district's qualifying ridership for the current fiscal year.

(2) Multiply the statewide transportation cost per mile by the district's total number of miles driven for school bus service in the current fiscal year.
(3) Multiply the greater of the amounts calculated under divisions (E)(1) and (2) of this section by the following:

(a) For fiscal year 2018, the greater of thirty-seven and one-half per cent or the district's state share index, as defined in section 3317.02 of the Revised Code;

(b) For fiscal year 2019, the greater of twenty-five per cent or the district's state share index.

(F) In addition to funds paid under division (E) of this section, each city, local, and exempted village district shall receive in accordance with rules adopted by the state board of education a payment for students transported by means other than school bus service and whose transportation is not funded under division (C) of section 3317.024 of the Revised Code. The rules shall include provisions for school district reporting of such students.

(G)(1) For purposes of division (G) of this section, a school district's "transportation supplement percentage" means the following quotient:

\[
\frac{50 - \text{the district's rider density}}{100}
\]

If the result of the calculation for a district under division (G)(1) of this section is less than zero, the district's transportation supplement percentage shall be zero.

(2) The department shall pay each district a transportation supplement calculated according to the following formula:

\[
\text{The district's transportation supplement percentage} \times \text{the amount calculated for the district under division (E)(2) of this section} \times 0.55
\]

(H)(1) If a school district board and a community school governing authority elect to enter into an agreement under division (A) of section 3314.091 of the Revised Code, the department shall make payments to the community school according
to the terms of the agreement for each student actually transported under division (C)(1) of that section. If a community school governing authority accepts transportation responsibility under division (B) of that section, the department shall make payments to the community school for each student actually transported or for whom transportation is arranged by the community school under division (C)(1) of that section, calculated as follows:

(a) For any fiscal year which the general assembly has specified that transportation payments to school districts be based on an across-the-board percentage of the district's payment for the previous school year, the per pupil payment to the community school shall be the following quotient:

(i) The total amount calculated for the school district in which the child is entitled to attend school for student transportation other than transportation of children with disabilities; divided by

(ii) The number of students included in the district's transportation ADM for the current fiscal year, as calculated under section 3317.03 of the Revised Code, plus the number of students enrolled in the community school not counted in the district's transportation ADM who are transported under division (B)(1) or (2) of section 3314.091 of the Revised Code.

(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with this section and any rules of the state board of education implementing this section, the payment to the community school shall be the amount so calculated on a per rider basis that otherwise would be computed for and paid to the school district in which the student is entitled to attend school by the method of transportation the district would have used. The community school, however, is not required to use the same method.
to transport that student.

As used in this division "entitled to attend school" means entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(2) A community school shall be paid under division (H)(1) of this section only for students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of section 3314.091 of the Revised Code, and whose transportation to and from school is actually provided, who actually utilized transportation arranged, or for whom a payment in lieu of transportation is made by the community school's governing authority. To qualify for the payments, the community school shall report to the department, in the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of miles traveled, cost to transport, and any other information requested by the department.

Sec. 3317.0214. (A) The department shall compute and pay in accordance with this section additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:

(1) One-half of the district's costs for the student in excess of the threshold catastrophic cost;

(2) The product of one-half of the district's costs for the
student in excess of the threshold catastrophic cost multiplied by the district's state share index.

(B) For purposes of division (A) of this section, the threshold catastrophic cost for serving a student equals:

(1) For a student in the school district's category two, three, four, or five special education ADM, twenty-seven thousand three hundred seventy-five dollars;

(2) For a student in the district's category six special education ADM, thirty-two thousand eight hundred fifty dollars.

(C) The district shall report under division (A) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

Sec. 3317.0215. (A) For purposes of this section, "four-year adjusted cohort graduation rate" has the same meaning as in section 3302.01 of the Revised Code.

(B) The department of education shall annually calculate a graduation bonus for each city, local, and exempted village school district according to the following formula:

The district's four-year adjusted cohort graduation rate on its most recent report card issued by the department under section 3302.03 of the Revised Code X 0.075 X the formula amount X the number of the district's graduates reported to the department, in accordance with the guidelines adopted under section 3301.0714 of the Revised Code, for the same school year for which the most recent report card was issued X the district's state share index.

Sec. 3317.0216. (A) For purposes of this section, a city,
local, or exempted village school district's "third-grade reading
proficiency percentage" means the percentage of the district's
students scoring at a proficient level of skill or higher on the
third-grade English language arts assessment prescribed under
division (A)(1)(a) of section 3301.0710 of the Revised Code for
the immediately preceding school year, as reported on the
district's report card under section 3302.03 of the Revised Code.

(B) The department of education shall annually calculate a
third-grade reading bonus for each city, local, and exempted
village school district according to the following formula:
The district's third-grade reading proficiency percentage X 0.075
X the formula amount X the number of the district's students
scoring at a proficient level of skill or higher on the
third-grade English language arts assessment prescribed under
division (A)(1)(a) of section 3301.0710 of the Revised Code for
the immediately preceding school year X the district's state share
index

Sec. 3317.0217. Payment of the amount calculated for a school
district under this section shall be made under division (A) of
section 3317.022 of the Revised Code.

(A) The department of education shall annually compute
targeted assistance funds to school districts, as follows:

(1) Calculate the local wealth per pupil of each school
district, which equals the following sum:

(a) One-half times the quotient of (i) the district's
three-year average valuation divided by (ii) its formula enrolled
ADM plus the enrollment reported for the district under divisions
(A)(2)(a) and (i) of section 3317.03 of the Revised Code; plus

(b) One-half times the quotient of (i) the average of the
total federal adjusted gross income of the school district's
residents for the three years most recently reported under section 3317.021 of the Revised Code divided by (ii) its enrolled ADM plus the enrollment reported for the district under divisions (A)(2)(a) and (i) of section 3317.03 of the Revised Code.

2. Rank all school districts in order of local wealth per pupil, from the district with the lowest local wealth per pupil to the district with the highest local wealth per pupil.

3. Compute the statewide wealth per pupil, which equals the following sum:

   (a) One-half times the quotient of (i) the sum of the three-year average valuations for all school districts divided by (ii) the sum of ADM counts for all school districts plus the sum of the enrollment reported for all school districts under divisions (A)(2)(a) and (i) of section 3317.03 of the Revised Code; plus

   (b) One-half times the quotient of (i) the sum of the three-year average total federal adjusted gross incomes for all school districts divided by (ii) the sum of ADM counts for all school districts plus the sum of the enrollment reported for all school districts under divisions (A)(2)(a) and (i) of section 3317.03 of the Revised Code.

4. Compute each district's wealth index by dividing the statewide wealth per pupil by the district's local wealth per pupil.

5. Compute the per pupil targeted assistance for each eligible school district in accordance with the following formula:

   \[(\text{Threshold local wealth per pupil} - \text{the district's local wealth per pupil}) \times \text{target millage} \times \text{the district's wealth index}\]

Where:
(a) An "eligible school district" means a school district with a local wealth per pupil less than that of the school district with the 490th lowest local wealth per pupil.

(b) "Threshold local wealth per pupil" means the local wealth per pupil of the school district with the 490th lowest local wealth per pupil.

(c) "Target millage" means 0.006.

If the result of the calculation for a school district under division (A)(5) of this section is less than zero, the district's targeted assistance shall be zero.

(6) Calculate the aggregate amount to be paid as targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code by multiplying the per pupil targeted assistance computed under division (A)(5) of this section by the district's net formula enrolled ADM.

As used in this division, a district's "net formula ADM" means its formula ADM minus the number of community school students certified under division (B)(3)(d) of section 3317.03 of the Revised Code X 0.75, the number of internet- and computer-based community school students certified under division (B)(3)(e) of that section, the number of science, technology, engineering, and mathematics school students certified under division (B)(3)(j) of that section X 0.75, and the number of scholarship students certified under divisions (B)(3)(f), (g), and (l) of that section.

(B) The department shall annually compute supplemental targeted assistance funds to school districts, as follows:

(1) Compute each district's agricultural percentage as the quotient of (a) the three-year average valuation of real property in the district that is classified as agricultural property divided by (b) the three-year average valuation of all of the real
property in the district.

(2) Calculate the aggregate amount to be paid as supplemental targeted assistance funds to each school district under division (A) of section 3317.022 of the Revised Code, as follows:

\[(\text{The district's agricultural percentage} - 0.1) \times (0.4 \times \text{the formula amount}) \times \text{the district's net formula enrolled ADM}, \text{as that term is defined in division (A) of this section}\]

If the result of the calculation for a school district under division (B)(2) of this section is less than zero, the district's supplemental targeted assistance shall be zero.

**Sec. 3317.0218.** The department of education shall annually compute capacity aid funds to school districts, as follows:

(A) For each school district, multiply the district's three-year average valuation by 0.001;

(B) Determine the median amount of all of the amounts calculated under division (A) of this section;

(C) Calculate each school district's capacity ratio, which equals the greater of zero or the amount calculated as follows:

\[(\text{The amount determined under division (B) of this section} / \text{the amount calculated for the district under division (A) of this section}) - 1\]

If the result of a calculation for a school district under division (C) of this section is greater than 2.5, the district's capacity ratio shall be 2.5.

(D) Calculate the capacity aid per pupil amount, which equals the following quotient:

\[(\text{The amount determined under division (B) of this section}) / (\text{the average of the formula enrolled ADMs of all of the districts for which the amount calculated under division (A) of this section is less than the amount determined under division (B) of this sec...\]
section)  

(E) Calculate each school district's capacity aid, which equals the following product:

The capacity aid per pupil amount calculated under division (D) of this section X the district's formula enrolled ADM X 4.0 X the district's capacity ratio calculated under division (C) of this section

Sec. 3317.0219. (A) As used in this section:  

(1) A district's "base per pupil amount" means the following:

(a) For a district in the highest quintile determined under division (B)(2) of this section, $250, for fiscal year 20202022, and $304, for fiscal year 20212023.

(b) For a district in the second highest quintile determined under division (B)(2) of this section, $200, for fiscal year 20202022, and $245, for fiscal year 20212023.

(c) For a district in the third highest quintile determined under division (B)(2) of this section, $110, for fiscal year 20202022, and $131, for fiscal year 20212023.

(e) For a district in the fifth highest quintile determined under division (B)(2) of this section, $20, for fiscal year 20202022, and $25, for fiscal year 20212023.

(2) "Base poverty percentage" for a quintile determined under division (B)(2) of this section means the poverty percentage of the district ranked lowest in that quintile.

(3) "Enrolled Student wellness and success enrolled ADM" means, for a city, local, or exempted village school district, the enrollment reported under division (A) of section 3317.03 of the
Revised Code, as verified by the superintendent of public instruction and adjusted if so ordered under division (K) of that section, and as further adjusted by the department of education, as follows:

(a) Add the students counted under division (A)(1)(b) of section 3317.03 of the Revised Code.

(b) Subtract the students counted under divisions (A)(2)(a), (b), (d), (g), (h), (i), and (j) of section 3317.03 of the Revised Code.

(c) Subtract the students counted under division (A)(3) of section 3317.03 of the Revised Code.

(B) Subject to division (D) of this section, for fiscal years 2020, 2022 and 2023, the department of education shall calculate and pay student wellness and success funds to city, local, and exempted village school districts as follows:

(1) Using the most recent five-year estimates published by the United States census bureau in the 2015-2019 American community survey or its successor report, compute the poverty percentage for each district, which equals the following quotient:

\[
\text{The number of children younger than eighteen years old residing in the district who live in a household with a family income below one hundred eighty-five per cent of the federal poverty guidelines, as defined in section 5101.46 of the Revised Code} / \text{the total number of children younger than eighteen years old residing in the district}
\]

(2) Rank all city, local, and exempted village school districts in order of poverty percentage calculated under division (B)(1) of this section, from the district with the highest percentage to the district with the lowest percentage, and group the districts into quintiles.
(3) Determine each district's student wellness and success enrolled ADM for the immediately preceding fiscal year. If a district's student wellness and success enrolled ADM for the immediately preceding fiscal year is determined to be less than five, the district's student wellness and success enrolled ADM, for purposes of computations under this section, shall be zero.

(4) For each district that is not in the highest quintile determined under division (B)(2) of this section, compute the district's scaled amount, which is equal to the following quotient:

\[
\frac{\text{(The district's poverty percentage computed under division (B)(1) of this section - the base poverty percentage of the district's quintile)}}{\text{(the base poverty percentage of the quintile that is the next highest quintile compared to the district's quintile - the base poverty percentage of the district's quintile)}} \times \text{ (the base per pupil amount for a district in the quintile that is the next highest quintile compared to the district's quintile - the district's base per pupil amount)}
\]

(5) Compute a district's payment as follows:

(a) Subject to division (B)(5)(c) of this section, if a district is in the highest quintile determined under division (B)(2) of this section, the district's payment shall be equal to the following amount:

\[
\text{The district's base per pupil amount for that fiscal year} \times \text{the district's student wellness and success enrolled ADM determined under division (B)(3) of this section}
\]

(b) Subject to division (B)(5)(c) of this section, if a district is not in the highest quintile determined under division (B)(2) of this section, the district's payment shall be equal to the following amount:

\[
\text{(The district's base per pupil amount for that fiscal year} + \text{ }
\]

the district's scaled amount computed under division (B)(4) of this section for that fiscal year) X the district's student wellness and success enrolled ADM determined under division (B)(3) of this section

(c) If the computation of a district's payment under division (B)(5)(a) or (b) of this section is greater than zero but less than $25,000, for fiscal year 2020, $36,000, for fiscal year 2021, $24,149, for fiscal year 2022, or $36,000, for fiscal year 2023, the district's payment shall be equal to $25,000, for fiscal year 2020, $36,000, for fiscal year 2021, $24,149, for fiscal year 2022, or $36,000, for fiscal year 2023.

If the computation of a district's payment under division (B)(5)(a) or (b) of this section is equal to zero, the district's payment shall be equal to zero.

(C)(1) As used in division (C) of this section:

However, the commission shall conduct a study regarding the feasibility of establishing and operating the program in

than July 1, 2022, the commission, in accordance with section
101.68 of the Revised Code, shall submit to general assembly,
including the president of the senate, the minority leader of the
senate, the speaker of the house of representatives, and the
minority leader of the house of representatives, a report
regarding the findings and recommendations of the commission's
study. The report shall include a recommendation regarding the

under the program.

As used in this section, "classroom facilities" means
buildings, land, grounds, equipment, and furnishings used by a
community school in furtherance of its mission and contract
entered into by the school's governing authority under Chapter
3314. of the Revised Code.

(B) Subject to division (A) of this section, the commission
shall establish the community school credit enhancement program to
assist community schools established under Chapter 3314. of the
Revised Code in obtaining more favorable financing by guaranteeing
the payment of principal and interest on loans, bonds, or other
financing issued by or on behalf of community schools. Under the
program, the commission may guarantee one hundred per cent of the
sum of the principal and interest on the financing made to the
governing authority of a community school for the sole purpose of
assisting the governing authority in acquiring, improving, or

(C) To be considered for guaranteed financing under this
section, a community school shall submit an application to the
commission, in a form and manner prescribed by the commission,
that contains at least all of the following:

(3) Evidence that the classroom facilities that have been acquired, improved, or replaced under the financing meet applicable health and safety standards established by law for school buildings or those facilities that will be acquired, improved, or replaced under the financing will meet such standards.

(D) The commission shall meet regularly to evaluate applications under this section and shall either approve or disapprove each application submitted. The commission shall not approve an application if doing so would cause the total financing approved under this section to exceed two hundred million dollars, except that, if the total financing approved under this section exceeds ninety per cent of that amount in a school year, in the following school year, and for subsequent school years, the commission shall not approve an application if it would cause total financing approved under this section to exceed three hundred million dollars.

(E) The commission shall report to each community school that submits an application under this section whether the application was approved or disapproved not later than ten business days after the commission approves or disapproves the application.

(F) Each community school approved to participate in the program established under this section shall pay an annual program
participation fee equal to up to one-quarter of one per cent of the amount of outstanding principal of the community school's guaranteed financing under this section in any year, as determined by the commission, for as long as that financing is outstanding. Program participation fees shall be paid to the treasurer of state on behalf of the program and deposited in the fund established under division (J) of this section.

(G) The commission may prescribe the terms and conditions in approving guaranteed financing under this section in a written agreement entered into by the commission and the community school.

(b) Amounts appropriated by the general assembly for the purposes of this section.

(2) One or more debt service reserve funds shall be established for a community school with respect to bonds issued pursuant to the program established under this section.

(3)(a) Except as provided for in division (H)(3)(b) of this section, money in a debt service reserve fund may not be withdrawn from that fund if the amount withdrawn would reduce the level of money in the fund to less than a debt service reserve fund requirement.

(b) As long as the applicable bonds guaranteed under the program established under this section remain outstanding, money in a debt service reserve fund may be withdrawn in an amount that would reduce the level of money in the fund to less than the debt service reserve fund requirement if the money is withdrawn for
either of the following purposes:

(i) Paying the principal of, redemption price of, or interest on a bond when due and if no other money of the community school is available to make the payment, as determined by the commission;

(ii) Paying any redemption premium required to be paid when the bonds are redeemed prior to maturity if no bonds will remain outstanding upon payment from the money in the community school's debt service reserve fund.

(4) Money in a community school's debt service reserve fund that exceeds the debt service reserve fund requirement may be withdrawn by the community school.

(5)(a) The commission shall annually, on or before the first day of December, certify to the governor the amount, if any, required to restore amounts on deposit in the debt service reserve funds of community schools to their respective debt service reserve fund requirements.

(b) The governor shall request from the general assembly an appropriation of the certified amount to restore amounts on deposit in the debt service reserve funds of community schools to their respective service reserve fund requirements.

(c) The general assembly may appropriate money to the commission to restore amounts on deposit in the debt service reserve funds of community schools to their respective debt service reserve fund requirements.

(d) A community school that receives money from an appropriation to restore amounts on deposit in a debt service reserve fund to the debt service reserve fund requirement shall repay the state in a time and manner determined by the commission.

(6)(a) The state may not alter, impair, or limit the rights of bondholders or persons contracting with a community school
until the bonds, including interest and other contractual obligations, are fully met and discharged.

(b) Nothing in this section precludes an alteration, impairment, or limitation if provision is made by law for the protection of bondholders or persons entering into contracts with a community school.

(7) The commission may require a community school to vest in the commission the right to enforce any covenant made to secure bond issued under the program established under this section by making appropriate provisions in the indenture related to the community school's bonds.

(8) The commission may require a community school to make covenants and agreements in indentures or in a reimbursement agreement to protect the interests of the state and to secure repayments to the state of any moneys received by the community school from an appropriation to restore amounts deposited in the community school's debt service reserve fund to the debt service reserve fund requirement.

(I) The commission shall adopt rules that prescribe financing standards and procedures consistent with this section that are designed to protect the state's interest in any financing guaranteed by this section and to ensure that the state has a reasonable chance of recovering any payments made by the state in the event of a default on any such financing.

(J) There is hereby established the community school classroom facility guaranteed financing fund. The fund shall consist of moneys deposited by community schools under this section, or any other funds appropriated by the general assembly, federal grants, and private donations. Investment earnings on moneys in the fund shall be credited to the fund.

The state board shall give the teacher employee notice of the allegation and upon commencing an investigation and shall give the employee an opportunity to respond and present a defense prior to taking any disciplinary action.

(D) (1) Violation of division (A) (B) of this section is grounds for termination of employment of a nonteaching employee under division (C) of section 3319.081 or section 124.34 of the Revised Code.

(2) Violation of division (A) (B) of this section is grounds
for termination of a teacher contract under section 3311.82 or 3319.16 of the Revised Code.

Sec. 3319.227. (A) Notwithstanding any other provision of the Revised Code or any rule adopted by the state board of education to the contrary, the state board shall issue a resident educator license under section 3319.22 of the Revised Code to each person who is assigned to teach in this state as a participant in the teach for America program and who satisfies the following conditions for the duration of the program:

The inactivation of a license under this division does not constitute a suspension or revocation of the license by the state board under section 3319.31 of the Revised Code and the state board and the state superintendent need not provide the person with an opportunity for a hearing with respect to the inactivation.

At the end of that five-year period, the district, provider, or service center shall reapply to the STEM committee in order to maintain that distinction. The committee shall authorize the continuation of the district's, provider's, or service center's distinction as a STEM program of excellence if the committee finds that the district, provider, or service center is in compliance with this chapter and the provisions of its proposal and any subsequent amendments to that proposal.

If a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center chooses not to reapply for a distinction for a STEM program of excellence under
division (C)(1) of this section, the committee shall revoke the district's, provider's, or service center's distinction at the end of its five-year period of distinction.

(2) If a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center reapplies for distinction as a STEM program of excellence under division (C)(1) of this section and the committee has reason to believe that it is not in compliance with this chapter or the provisions of its proposal and any subsequent amendments to that proposal, the committee shall require the district, provider, or service center, in collaboration with the department of education and the Ohio STEM learning network or its successor, to develop a corrective action plan. The district, provider, or service center shall implement the corrective action plan and demonstrate exemplary STEM pedagogy and practices within one year of the plan's development. (3) The department shall maintain records of the application status and designation renewal deadlines for each joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center that has received a distinction as a STEM program of excellence under this section.

(D) If the STEM committee has reason to believe that a joint vocational school district, comprehensive career-technical education provider, compact career-technical education provider, or educational service center that has received a distinction as a STEM program of excellence under this section is not in compliance with this chapter or the provisions of its proposal and any
subsequent amendments to that proposal, it may review the
district's, provider's, or service center's distinction prior to
the end of the five-year period during which that distinction is
effective. If the committee reviews a district's, provider's, or
service center's distinction under this division, it must require
the district, provider, or service center to develop a corrective
action plan in the same manner as specified in division (C)(2) of
this section and implement that plan and demonstrate exemplary
STEM pedagogy and practices within one year of the plan's
development. If the district, provider, or service center fails to
implement the corrective action plan to the satisfaction of the
committee at the end of that year, the committee shall revoke the
district's, provider's, or service center's distinction.

(E) If a joint vocational school district, comprehensive
career-technical education provider, compact career-technical
education provider, or educational service center that has
received distinction for a STEM program of excellence instead

(C)(5) (B)(7) of this section and submit the revised proposal to
the STEM committee for approval.

In all city, local, and exempted village school districts
where resident school pupils in grades kindergarten through eight live more than two miles from the school for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code and to which they are assigned by the board of education of the district of residence or to and from the nonpublic or community school which they attend, the board of education shall provide transportation for such pupils to and from that school except as provided in section 3327.02 of the Revised Code.

In all city, local, and exempted village school districts where pupil transportation is required under a career-technical plan approved by the state board of education under section 3313.90 of the Revised Code, for any student attending a career-technical program operated by another school district, including a joint vocational school district, as prescribed under that section, the board of education of the student's district of residence shall provide transportation from the public high school operated by that district to which the student is assigned to the career-technical program.

In all city, local, and exempted village school districts, the board may provide transportation for resident school pupils in grades nine through twelve to and from the high school to which they are assigned by the board of education of the district of residence or to and from the nonpublic or community high school which they attend for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code.

A board of education shall not be required to transport elementary or high school pupils to and from a nonpublic or community school where such transportation would require more than thirty minutes of direct travel time as measured by school bus from the public school building to which the pupils would be
assigned if attending the public school designated by the district of residence.

Where it is impractical to transport a pupil by school conveyance, a board of education may offer payment, in lieu of providing such transportation in accordance with section 3327.02 of the Revised Code.

A board of education shall provide transportation to students enrolled in a community school or nonpublic school in accordance with this section on each day in which that school is open for operation with students in attendance, regardless of whether the district's own schools are open for operation with students in attendance on that day. However, a board of education shall not be required to transport elementary or high school pupils to and from a nonpublic or community school on Saturday or Sunday, unless a board of education and a nonpublic or community school have an agreement in place to do so before the first day of July of the school year in which the agreement takes effect.

The governing authority of a nonpublic or community school may request, from a school district, a list of names and addresses of pupils enrolled in the school for whom the district provides transportation under this section. If so requested, a school district shall provide a list that includes only the names and addresses of the pupils enrolled in the school making the request.

In all city, local, and exempted village school districts, the board shall provide transportation for all children who are so disabled that they are unable to walk to and from the school for which the state board of education prescribes minimum standards pursuant to division (D) of section 3301.07 of the Revised Code and which they attend. In case of dispute whether the child is able to walk to and from the school, the health commissioner shall be the judge of such ability. In all city, exempted village, and local school districts, the board shall provide transportation to
and from school or special education classes for mentally disabled children in accordance with standards adopted by the state board of education.

When transportation of pupils is provided the conveyance shall be run on a time schedule that shall be adopted and put in force by the board not later than ten days after the beginning of the school term. The operator of every school bus or motor van owned and operated by any school district or educational service center or privately owned and operated under contract with any school district or service center in this state shall deliver students enrolled in preschool through twelfth grades to their respective public and nonpublic schools not sooner than thirty minutes prior to the beginning of school and to be available to pick them up not later than thirty minutes after the close of their respective schools each day.

The cost of any transportation service authorized by this section shall be paid first out of federal funds, if any, available for the purpose of pupil transportation, and secondly out of state appropriations, in accordance with regulations adopted by the state board of education.

No transportation of any pupils shall be provided by any board of education to or from any school which in the selection of pupils, faculty members, or employees, practices discrimination against any person on the grounds of race, color, religion, or national origin.

Sec. 3327.016. (A) As used in this section, "eligible student" means a student entitled to transportation services from the city, local, or exempted village school district pursuant to section 3327.01 of the Revised Code.

(B) Each community school established under Chapter 3314. of the Revised Code or chartered nonpublic school shall establish the
school's start and end times for a particular school year not later than the first day of April prior to that school year. Each community or chartered nonpublic school shall provide such start and end times to each city, local, or exempted village school district that the school expects will be responsible for providing transportation services to eligible students enrolled in the school for that school year.

(C) Each city, local, or exempted village school district that receives start and end times as prescribed under division (B) of this section shall use those start and end times to develop a transportation plan, including transportation routes and schedules, for eligible students who enrolled in a community or chartered nonpublic school shall provide such transportation plan to the community or chartered nonpublic school within sixty days after receiving the information described in that division. If a school provides the start and end times to the school district after the first day of April but before the first day of July, the district shall attempt to provide a transportation plan to the school by the first day of August of that school year. For any eligible student who enrolls in a community or chartered nonpublic school after the first day of July prior to that school year, a district shall develop a transportation plan, including transportation routes and schedules, for that student within fourteen business days of receiving a request for transportation services from the student's parent or guardian.

Sec. 3327.017. (A) As used in this section:

(1) "Eligible student" has the same meaning as in section 3327.016 of the Revised Code.

(2) "Mass transit system" has the same meaning as in section 4511.78 of the Revised Code.

(B) No city, local, or exempted village school district shall
provide or arrange for transportation for any eligible student enrolled in any of grades kindergarten through eight in a community school established under Chapter 3314. of the Revised Code or chartered nonpublic school to and from school using vehicles operated by a mass transit system, unless the district enters into an agreement with that school authorizing such transportation. An agreement under division (B) of this section shall not be effective unless both the school district and community or chartered nonpublic school approve it.

(C) A city, local, or exempted village school district that elects to provide or arrange for transportation for any eligible student enrolled in any of grades nine through twelve in a community or chartered nonpublic school to and from school using vehicles operated by a mass transit system shall ensure that the student is assigned to a route that does not require the student to make more than one transfer.

Sec. 3327.018. The board of education of each city, local, or exempted village school district that owns and operates buses for transporting students may contract, in writing, with a public or private not-for-profit agency, group, or organization, with a municipal corporation or other political subdivision or agency of the state, or with an agency of the federal government to operate its buses to assist the agency, group, organization, or political subdivision in the fulfillment of its legitimate activities and in times of emergency. These contracts shall be entered into under the authority of the school district as a political subdivision and shall not be considered commerce. When buses are made available to other agencies, groups, organizations, or political subdivisions under this section, the buses must be operated by individuals holding certificates issued by either the educational service center governing board that has entered into an agreement with the school district under section 3313.843 or 3313.845 of the Revised Code.
Revised Code or the superintendent of the school district certifying that the individuals satisfy the requirements of section 3327.10 of the Revised Code. All state board of education regulations governing the operation of school buses when transporting students shall apply when buses are used in accordance with this section.

Any board of education of a city, local, or exempted village school district that makes one or more of its vehicles available under this section shall procure liability and property damage insurance, as provided in section 3327.09 of the Revised Code, covering all vehicles used and passengers transported under this section. The board of education may recover expenses from contracting entities, not to exceed the costs of operation and insurance coverage.

Sec. 3327.02. (A) After considering each of the following factors, the board of education of a city, exempted village, or local school district, or a community school governing authority providing transportation pursuant to section 3314.091 of the Revised Code, may determine that it is impractical to transport a pupil who is eligible for transportation to and from a school under section 3327.01 of the Revised Code:

(1) The time and distance required to provide the transportation;

(2) The number of pupils to be transported;

(3) The cost of providing transportation in terms of equipment, maintenance, personnel, and administration;

(4) Whether similar or equivalent service is provided to other pupils eligible for transportation;

(5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules;
(6) Whether other reimbursable types of transportation are available.

(B) Based on its consideration of the factors established in division (A) of this section, the board or governing authority may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality. Such determination shall be made not later than thirty calendar days prior to the district's or school's first day of instruction, or in the case of a student who enrolls within thirty calendar days prior to the first day of instruction or on or after the first day of instruction, not later than fourteen calendar days after the student's enrollment. The determination may be made by the superintendent and formalized at the next following meeting of the board or governing authority.

The board or governing authority shall report its determination to the state board of education in a manner determined by the state board.

In addition, the board or governing authority shall issue a letter to the pupil's parent, guardian, or other person in charge of the pupil, the nonpublic or community school in which the pupil is enrolled, and to the state board with a detailed description of the reasons for which such determination was made.

(C) After passing the resolution declaring the impracticality of transportation, the district board or governing authority shall offer to provide payment in lieu of transportation by doing the following:

(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:

(a) The resolution;

(b) The right of the pupil's parent, guardian, or other
person in charge of the pupil to accept the offer of payment in lieu of transportation or to reject the offer and instead request the department to initiate mediation procedures.

(2) Issuing the pupil's parent, guardian, or other person in charge of the pupil a contract or other form on which the parent, guardian, or other person in charge of the pupil is given the option to accept or reject the board's offer of payment in lieu of transportation.

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than the amount determined by the general assembly as the minimum for payment in lieu of fifty per cent transportation, and not more than the amount determined by the department of education as the average cost of pupil transportation for the previous school year. Payment may be prorated if the time period involved is only a part of the school year.

(E)(1)(a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures.

A parent, guardian, or other person in charge of the pupil may authorize the nonpublic or community school in which the pupil is enrolled to act on the parent's, guardian's, or other person's behalf during the mediation proceedings.

(b) If the mediation does not resolve the dispute, the state board of education shall conduct a hearing in accordance with Chapter 119. of the Revised Code. The state board may approve the payment in lieu of transportation or may order the district board of education or governing authority to provide transportation. The decision of the state board is binding in subsequent years and on
future parties in interest provided the facts of the determination remain comparable.

(2) The school district or governing authority shall provide transportation for the pupil from the time the parent, guardian, or other person in charge of the pupil requests mediation until the matter is resolved under division (E)(1)(a) or (b) of this section.

(F)(1) If the department determines that a school district board or governing authority has failed or is failing to provide transportation as required by division (E)(2) of this section or as ordered by the state board under division (E)(1)(b) of this section, the department shall order the school district board or governing authority to pay to the pupil's parent, guardian, or other person in charge of the pupil, an amount equal to the state average daily cost of transportation as determined by the state board of education for the previous year fifty per cent of the cost of providing transportation as determined by the board or governing authority under division (A)(3) of this section, and not more than two thousand five hundred dollars. The school district board or governing authority shall make payments on a schedule ordered by the department.

(2) If the department subsequently finds that a school district board is not in compliance with an order issued under division (F)(1) of this section and the affected pupils are enrolled in a nonpublic or community school, the department shall deduct the amount that the board is required to pay under that order from any pupil transportation payments the department makes to the school district board under section 3317.0212 of the Revised Code or other provisions of law. The department shall use the moneys so deducted to make payments to the nonpublic or community school attended by the pupil. The department shall continue to make the deductions and payments required under this section.
division until the school district board either complies with the department's order issued under division (F)(1) of this section or begins providing transportation.

(G) A nonpublic or community school that receives payments from the department under division (F)(2) of this section shall do either of the following:

(1) Disburse the entire amount of the payments to the parent, guardian, or other person in charge of the pupil affected by the failure of the school district of residence to provide transportation;

(2) Use the entire amount of the payments to provide acceptable transportation for the affected pupil.

(H) At any time after a parent, guardian, or other person in charge of a pupil requests transportation for a pupil, that parent, guardian, or other person may authorize the nonpublic or community school in which the pupil is enrolled to act on the parent's, guardian's, or other person's behalf for purposes of this section.

**Sec. 3327.021.** The department of education shall monitor each city, local, or exempted village school district's compliance with sections 3327.01 and 3327.016 and division (B) of section 3327.017 of the Revised Code. If the department determines a consistent or prolonged period of noncompliance on the part of the school district to provide transportation as required under those sections, the department shall deduct from the district's payment for student transportation under Chapter 3317. of the Revised Code the total daily amount of that payment, as computed by the department, for each day that the district is not in compliance.

This section does not affect the authority of a school district to provide payment in lieu of transportation in
accordance with section 3327.02 of the Revised Code.

**Sec. 3327.101.** Notwithstanding anything to the contrary in this chapter or Chapter 3301-83 of the Administrative Code, the department of education shall develop an online bus driver training program to satisfy the classroom portion of pre-service and annual in-service training for school bus driver certification. On-the-bus training for drivers shall continue to be completed in person.

**Sec. 3328.24.** A college-preparatory boarding school established under this chapter and its board of trustees shall comply with sections 102.02, 3301.0710, 3301.0711, 3301.0712, 3301.0714, 3301.0729, 3301.948, 3313.6013, 3313.6021, 3313.6024, 3313.6025, 3313.6026, 3313.617, 3313.618, 3313.619, 3313.619, 3313.619, 3313.619, 3313.668, 3313.669, 3313.6610, 3313.7112, 3313.721, 3313.89, 3319.073, 3319.077, 3319.078, 3319.318, 3319.39, 3319.391, 3319.393, 3319.46, 3320.01, 3320.02, 3320.03, 3323.251, and 5502.262, and Chapter 3365. of the Revised Code as if the school were a school district and the school's board of trustees were a district board of education.

**Sec. 3333.049.** (A) Not later than July 1, 2016, the chancellor of higher education shall revise the requirements for reading endorsement programs offered by institutions of higher education to align those requirements with the reading competencies adopted by the state board of education under section 3301.077 of the Revised Code.

(B) Each educator preparation program approved under section 3333.048 of the Revised Code shall require each candidate for an educator license who enters the program in the 2022-2023 academic year, or any academic year thereafter, to receive instruction in computer science and computational thinking, as applied to student...
learning and classroom instruction, as appropriate for the grade level and subject area of the candidate's prospective educator license.

Sec. 3333.0417. (A) The chancellor of higher education may adopt rules regarding when a state institution of higher education, as defined in section 3345.011 of the Revised Code, may withhold official transcripts from a student, including when a student owes money to the institution.

(B) In adopting rules under division (A) of this section, the chancellor shall consider all of the following:

(1) Promoting the state's postsecondary education attainment goals;

(2) Workforce goals;

(3) Helping adult students complete their education, whether at the same institution or another state institution of higher education.

Sec. 3333.051. (A) The chancellor of higher education shall establish a program under which a community college established under Chapter 3354., technical college established under Chapter 3357., or state community college established under Chapter 3358. of the Revised Code may apply to the chancellor for authorization to offer applied bachelor's and nursing bachelor's degree programs.

The chancellor may approve programs under this section that demonstrate all of the following:

(1) Evidence of an agreement between the college and a regional business or industry to train students in an in-demand field and to employ students upon their successful completion of the program;
(2) That the workforce need of the regional business or industry is in an in-demand field with long-term sustainability based upon data provided by the governor's office of workforce transformation;

(3) Supporting data that identifies the specific workforce need the program will address;

(4) The absence of a bachelor's degree program that meets the workforce need addressed by the proposed program that is offered by a state university or private college or university;

(5) Willingness of an industry partner to offer workplace-based learning and employment opportunities to students enrolled in the proposed program.

(B) Before approving a program under this section, the chancellor shall consult with the governor's office of workforce transformation, the inter-university council of Ohio, the Ohio association of community colleges, and the association of independent colleges and universities of Ohio, or any successor to these organizations. The chancellor shall approve the creation of any nursing bachelor's degree program proposed by a community, state community, or technical college that meet the requirements prescribed in divisions (A)(1) to (5) of this section and the standards and procedures for academic program approval pursuant to section 3333.04 of the Revised Code. Upon the approval of the chancellor the institution shall establish an accredited nursing bachelor's degree program.

(C) As used in this section:

(1) "Applied bachelor's degree" means a bachelor's degree that is both of the following:

(a) Specifically designed for an individual who holds an associate of applied science degree, or its equivalent, in order to maximize application of the individual's technical course
credits toward the bachelor's degree;

   (b) Based on curriculum that incorporates both theoretical and applied knowledge and skills in a specific technical field.

   (2) "Private college or university" means a nonprofit institution that holds a certificate of authorization pursuant to Chapter 1713. of the Revised Code.

   (3) "State university" has the same meaning as in section 3345.011 of the Revised Code.

Sec. 3333.301. (A) The chancellor of higher education, in collaboration with the management council of the Ohio education computer network established under section 3301.0715 of the Revised Code, shall establish a data system to track the free application for federal student aid form completion rate of public and chartered nonpublic school students in the state.

   (B) The chancellor and the management council shall develop guidelines and procedures for the operation of the system.

   (C) The chancellor may publish and share aggregate data regarding the free application for federal student aid, including completion counts and rates for the state and each school district, chartered nonpublic school, community school established under Chapter 3314., STEM school established under Chapter 3326., and college-preparatory boarding school established under Chapter 3328. of the Revised Code. Such data may be used for the benefit of public and chartered nonpublic schools, to increase public understanding regarding the free application for federal student aid, and to assist in encouraging student completion of the free application for federal student aid form.

Sec. 3333.31. (A) For state subsidy and tuition surcharge purposes, status as a resident of Ohio shall be defined by the chancellor of higher education by rule promulgated pursuant to...
Chapter 119. of the Revised Code. No adjudication as to the status of any person under such rule, however, shall be required to be made pursuant to Chapter 119. of the Revised Code. The term "resident" for these purposes shall not be equated with the definition of that term as it is employed elsewhere under the laws of this state and other states, and shall not carry with it any of the legal connotations appurtenant thereto. Rather, except as provided in divisions (B), (C), (D), and (F), and (G) of this section, for such purposes, the rule promulgated under this section shall have the objective of excluding from treatment as residents those who are present in the state primarily for the purpose of attending a state-supported or state-assisted institution of higher education, and may prescribe presumptive rules, rebuttable or conclusive, as to such purpose based upon the source or sources of support of the student, residence prior to first enrollment, evidence of intention to remain in the state after completion of studies, or such other factors as the chancellor deems relevant.

(B) The rules of the chancellor for determining student residency shall grant residency status to a veteran and to the veteran's spouse and any dependent of the veteran, if both of the following conditions are met:

(1) The veteran either:

(a) Served one or more years on active military duty and was honorably discharged or received a medical discharge that was related to the military service;

(b) Was killed while serving on active military duty or has been declared to be missing in action or a prisoner of war.

(2) If the veteran seeks residency status for tuition surcharge purposes, the veteran has established domicile in this state as of the first day of a term of enrollment in an...
institution of higher education. If the spouse or a dependent of the veteran seeks residency status for tuition surcharge purposes, the veteran and the spouse or dependent seeking residency status have established domicile in this state as of the first day of a term of enrollment in an institution of higher education, except that if the veteran was killed while serving on active military duty, has been declared to be missing in action or a prisoner of war, or is deceased after discharge, only the spouse or dependent seeking residency status shall be required to have established domicile in accordance with this division.

(C) The rules of the chancellor for determining student residency shall grant residency status to both of the following:

(1) A veteran who is the recipient of federal veterans' benefits under the "All-Volunteer Force Educational Assistance Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans Educational Assistance Program," 38 U.S.C. 3301 et seq., or any successor program, if the veteran meets all of the following criteria:

(a) The veteran served at least ninety days on active duty.

(b) The veteran enrolls in a state institution of higher education, as defined in section 3345.011 of the Revised Code.

(c) The veteran lives in the state as of the first day of a term of enrollment in the state institution of higher education.

(2) A person who is the recipient of the federal Marine Gunnery Sergeant John David Fry scholarship or transferred federal veterans' benefits under any of the programs described in division (C)(1) of this section, if the person meets both of the following criteria:

(a) The person enrolls in a state institution of higher education.
(b) The person lives in the state as of the first day of a term of enrollment in the state institution of higher education.

In order for a person using transferred federal veterans' benefits to qualify under division (C)(2) of this section, the veteran who transferred the benefits must have served at least ninety days on active duty or the service member who transferred the benefits must be on active duty.

(D) The rules of the chancellor for determining student residency shall grant residency status to a service member who is on active duty and to the service member's spouse and any dependent of the service member while the service member is on active duty. In order to qualify under division (D) of this section, the rules shall require the student seeking in-state tuition rates to live in the state as of the first day of a term of enrollment in the state institution of higher education, but shall not require the service member or the service member's spouse or dependent to establish domicile in this state as of the first day of a term of enrollment in an institution of higher education.

(E) The rules of the chancellor for determining student residency shall not deny residency status to a student who is either a dependent child of a parent, or the spouse of a person who, as of the first day of a term of enrollment in an institution of higher education, has accepted full-time employment and established domicile in this state for reasons other than gaining the benefit of favorable tuition rates.

Documentation of full-time employment and domicile shall include both of the following documents:

(1) A sworn statement from the employer or the employer's representative on the letterhead of the employer or the employer's representative certifying that the parent or spouse of the student...
is employed full-time in Ohio;

(2) A copy of the lease under which the parent or spouse is
the lessee and occupant of rented residential property in the
state, a copy of the closing statement on residential real
property of which the parent or spouse is the owner and occupant
in this state or, if the parent or spouse is not the lessee or
owner of the residence in which the parent or spouse has
established domicile, a letter from the owner of the residence
certifying that the parent or spouse resides at that residence.

Residency officers may also evaluate, in accordance with the
chancellor's rule, requests for immediate residency status from
dependent students whose parents are not living and whose domicile
follows that of a legal guardian who has accepted full-time
employment and established domicile in the state for reasons other
than gaining the benefit of favorable tuition rates.

(F)(1) The rules of the chancellor for determining student
residency shall grant residency status to a person who enrolls in
an institution of higher education and establishes domicile in
this state, regardless of the student's residence prior to that
enrollment and satisfies either of the following conditions:

(a) The person, while a resident of this state for state
subsidy and tuition surcharge purposes, graduated from a high
school in this state or completed the final year of instruction at
home as authorized under section 3321.04 of the Revised Code.

(b) The person meets all of the following criteria:

(i) The person officially withdrew from a school in this
state while the person was a resident of this state for state
subsidy and tuition surcharge purposes.

(ii) The person has not received a high school diploma or
honors diploma awarded under section 3313.61, 3313.611, 3313.612,
or 3325.08 of the Revised Code or a high school diploma awarded by
a school located in another state or country.

(iii) The person, while a resident of this state for state subsidy and tuition surcharge purposes, both took a high school equivalency test and was awarded a certificate of high school equivalence.

(2) The rules of the chancellor for determining student residency shall not grant residency status to an alien if the alien is not also an immigrant or a nonimmigrant.

(G) The rules of the chancellor for determining student residency status shall grant residency status to a person to whom all of the following apply:

(1) The person, while not a resident of this state for state subsidy and tuition surcharge purposes, lives in this state and completes a bachelor's degree program at an institution of higher education in this state.

(2) The person, upon completing that bachelor's degree program, immediately enrolls in a graduate degree program, as determined appropriate by the chancellor, offered at any state institution of higher education.

(3) The person, while enrolled in the graduate degree program, resides in this state.

The chancellor's rules adopted under this section shall define "immediately" for the purposes of division (G) of this section.

(H) As used in this section:

(1) "Dependent," "domicile," "institution of higher education," and "residency officer" have the meanings ascribed in the chancellor's rules adopted under this section.

(2) "Alien" means a person who is not a United States citizen or a United States national.
(3) "Immigrant" means an alien who has been granted the right by the United States bureau of citizenship and immigration services to reside permanently in the United States and to work without restrictions in the United States.

(4) "Nonimmigrant" means an alien who has been granted the right by the United States bureau of citizenship and immigration services to reside temporarily in the United States.

(5) "Veteran" means any person who has completed service in the uniformed services, as defined in section 3511.01 of the Revised Code.

(6) "Service member" has the same meaning as in section 5903.01 of the Revised Code.

(7) "Certificate of high school equivalence" means either of the following:

(a) A certificate of high school equivalence awarded by the department of education under division (A) of section 3301.80 of the Revised Code;

(b) The equivalent of a certificate of high school equivalence awarded by the state board of education under former law, as defined in division (C)(1) of section 3301.80 of the Revised Code.

Sec. 3333.61. The chancellor of higher education shall establish and administer the Ohio innovation partnership, which shall consist of the choose Ohio first scholarship program and the Ohio research scholars program. Under the programs program, the chancellor, subject to approval by the controlling board, shall make awards to state universities or colleges for programs and initiatives that recruit students and scientists provide work-based learning opportunities in the fields of science, including health professions, technology, engineering, and
mathematics, medicine, and dentistry to state universities or colleges, in order to enhance regional educational and economic strengths and meet the needs of the state's regional economies. Awards may be granted for programs and initiatives to be implemented by a state university or college alone or in collaboration with other state institutions of higher education, nonpublic Ohio universities and colleges, or other public or private Ohio entities. If the chancellor makes an award to a program or initiative that is intended to be implemented by a state university or college in collaboration with other state institutions of higher education or nonpublic Ohio universities or colleges, the chancellor may provide that some portion of the award be received directly by the collaborating universities or colleges consistent with all terms of the choose Ohio innovation partnership first scholarship program.

The choose Ohio first scholarship program shall assign a number of scholarships to state universities and colleges to recruit Ohio residents as undergraduate, or as provided in section 3333.66 of the Revised Code, graduate students in the fields of science, technology, engineering, and mathematics, medicine, and dentistry, or in science, technology, engineering, or mathematics, medical, or dental education. The chancellor also may assign a number of choose Ohio first scholarships to state universities and colleges to recruit Ohio residents to enroll in certificate programs in the fields of science, technology, engineering, and mathematics, medicine, and dentistry. Choose Ohio first scholarships shall be awarded to each participating eligible student as a grant to the state university or college the student is attending and shall be reflected on the student's tuition bill. Choose Ohio first scholarships are student-centered grants from the state to students to use to attend a university or college and are not grants from the state to universities or colleges.
Notwithstanding any other provision of this section or sections 3333.62 to 3333.69 of the Revised Code, a nonpublic four-year Ohio institution of higher education may submit a proposal for choose Ohio first scholarships or Ohio research scholars grants. Sec. 3333.63. The chancellor of higher education shall conduct at least one public meeting annually, prior to deciding awards under the choose Ohio innovation partnership first scholarship program. At the meeting, an employee of the chancellor shall summarize the proposals submitted for consideration, and each state university or college that has a proposal pending shall have the opportunity to review the summary of their proposal prepared by the chancellor's staff and answer questions or respond to concerns about the proposal raised by the chancellor's staff.

The chancellor may require a state university or college or a nonpublic Ohio university or college that violates the terms of the agreement to repay the award plus interest at the rate required by section 5703.47 of the Revised Code to the chancellor, except that the chancellor shall not hold a state or nonpublic university or college responsible for a repayment due to a student obligation under section 3333.611 of the Revised Code, until the state or nonpublic university or college is able to obtain repayment from the student or if the state or nonpublic university or college has certified collection of the repayment to the attorney general and has sent a copy of the certification to the chancellor.

If the chancellor makes an award to a program or initiative that is intended to be implemented by a state university or college in collaboration with other state institutions of higher education or nonpublic Ohio universities or colleges, the chancellor may enter into an agreement with the collaborating universities or colleges that permits awards to be received directly by the collaborating universities or colleges consistent with the terms of the program or initiative. Each person desiring to become an independent candidate for an office for which candidates may be nominated at a primary election, except persons desiring to become independent joint candidates for the offices of governor and lieutenant governor and for the offices of president and vice-president of the United States, shall file no later than four p.m. of the day before the day of the primary election immediately preceding the general election at which such candidacy is to be voted for by the voters, a statement of candidacy and nominating petition as provided in section 3513.261 of the Revised Code. Persons desiring to become independent joint candidates for the offices of governor and lieutenant governor shall file, not later than four p.m. of the day before the day of the primary election, one statement of candidacy and one nominating petition for the two of them. Persons desiring to become independent joint candidates for the offices of president and vice-president of the United States shall file, not later than four p.m. of the ninetieth day before the day of the general election at which the president and vice-president are to be elected, one statement of candidacy and one nominating petition for the two of them. The prospective independent joint candidates' statement of candidacy shall be filed with the nominating petition as one instrument.

The statement of candidacy and separate petition papers of each candidate or pair of joint candidates shall be filed at the same time as one instrument.

The nominating petition shall contain signatures of qualified electors of the district, political subdivision, or portion of a
political subdivision in which the candidacy is to be voted on in an amount to be determined as follows:

(A) If the candidacy is to be voted on by electors throughout the entire state, the nominating petition, including the nominating petition of independent joint candidates for the offices of governor and lieutenant governor, shall be signed by no less than five thousand qualified electors, provided that no petition shall be accepted for filing if it purports to contain more than fifteen thousand signatures.

(B) If the candidacy is to be voted on by electors in any district, political subdivision, or part thereof in which less than five thousand electors voted for the office of governor at the most recent election for that office, the nominating petition shall contain signatures of not less than twenty-five qualified electors of the district, political subdivision, or part thereof, or a number of qualified signatures equal to at least five percent of that vote, if this number is less than twenty-five.

(C) If the candidacy is to be voted on by electors in any district, political subdivision, or part thereof in which five thousand or more electors voted for the office of governor at the most recent election for that office, the nominating petition shall contain a number of signatures equal to at least one percent of those electors.

All nominating petitions of candidates for offices to be voted on by electors throughout the entire state shall be filed in the office of the secretary of state. No nominating petition for the offices of president and vice-president of the United States shall be accepted for filing unless there is submitted to the secretary of state, at the time of filing the petition, a slate of presidential electors sufficient in number to satisfy the requirement of the United States Constitution. The secretary of state shall not accept for filing the statement of candidacy of a
person who desires to be an independent candidate for the office of governor unless it also shows the joint candidacy of a person who desires to be an independent candidate for the office of lieutenant governor, shall not accept for filing the statement of candidacy of a person who desires to be an independent candidate for the office of lieutenant governor unless it also shows the joint candidacy of a person who desires to be an independent candidate for the office of governor, and shall not accept for filing the statement of candidacy of a person who desires to be an independent candidate to the office of governor or lieutenant governor who, for the same election, has already filed a declaration of candidacy, a declaration of intent to be a write-in candidate, or a statement of candidacy, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code for any other state office or any federal or county office.

Nominating petitions of candidates for offices to be voted on by electors within a district or political subdivision comprised of more than one county but less than all counties of the state shall be filed with the boards of elections of that county or part of a county within the district or political subdivision which had a population greater than that of any other county or part of a county within the district or political subdivision according to the last federal decennial census.

Nominating petitions for offices to be voted on by electors within a county or district smaller than a county shall be filed with the board of elections for such county.

No petition other than the petition of a candidate whose candidacy is to be considered by electors throughout the entire state shall be accepted for filing if it appears on its face to contain more than three times the minimum required number of signatures. A board of elections shall not accept for filing a nominating petition of a person seeking to become a candidate if
that person, for the same election, has already filed a declaration of candidacy, a declaration of intent to be a write-in candidate, or a nominating petition, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code for any federal, state, or county office, if the nominating petition is for a state or county office, or for any municipal or township office, for member of a city, local, or exempted village board of education, or for member of a governing board of an educational service center, if the nominating petition is for a municipal or township office, or for member of a city, local, or exempted village board of education, or for member of a governing board of an educational service center. When a petition of a candidate has been accepted for filing by a board of elections, the petition shall not be deemed invalid if, upon verification of signatures contained in the petition, the board of elections finds the number of signatures accepted exceeds three times the minimum number of signatures required. A board of elections may discontinue verifying signatures when the number of verified signatures on a petition equals the minimum required number of qualified signatures.

Any nonjudicial candidate, other than a candidate for judge of a municipal court, county court, or court of common pleas, who files a nominating petition may request, at the time of filing, that the candidate be designated on the ballot as a nonparty candidate or as an other-party candidate, or may request that the candidate's name be placed on the ballot without any designation. Any such candidate who fails to request a designation either as a nonparty candidate or as an other-party candidate shall have the candidate's name placed on the ballot without any designation.

The purpose of establishing a filing deadline for independent candidates prior to the primary election immediately preceding the general election at which the candidacy is to be voted on by the
voters is to recognize that the state has a substantial and compelling interest in protecting its electoral process by encouraging political stability, ensuring that the winner of the election will represent a majority of the community, providing the electorate with an understandable ballot, and enhancing voter education, thus fostering informed and educated expressions of the popular will in a general election. The filing deadline for independent candidates required in this section prevents splintered parties and unrestrained factionalism, avoids political fragmentation, and maintains the integrity of the ballot. The deadline, one day prior to the primary election, is the least drastic or restrictive means of protecting these state interests. The general assembly finds that the filing deadline for independent candidates in primary elections required in this section is reasonably related to the state's purpose of ensuring fair and honest elections while leaving unimpaired the political, voting, and associational rights secured by the first and fourteenth amendments to the United States Constitution.

Such contract shall state the proportion of expenses of the board of health or health department of the combined district to be paid by each city. Unless the proposal establishing the district as contained in the petition and submitted to the electors provides for the board of health of the new district, the contract may provide that the administration of the combined district be taken over by either the board of health or the health department of one of the cities or by a combined board of health. If the contract provides for a combined board of health, the number of members of the board, their terms of office, and the method of appointment, shall be set forth in the contract. The legislative authority of each city constituting a city health district shall likewise vote on the question. A majority voting affirmatively shall be required for approval. Such contract shall state the proportion of the expenses of the board of health or health department of the combined district to be paid by the city or cities and by the original general health district. One of the members of such combined board of health shall be a physician, and one member shall be an individual appointed by the health district licensing council, if such council is established under section 3709.41 of the Revised Code. The contract may also provide for the representation of areas by one or more members and shall, in such event, specify the territory to be included in each such area.

The appointment of any member of the combined board who is designated by the provisions of the contract to represent a city

If a member is designated by the contract to represent more than one city, the member shall be appointed by majority vote of the chief executives of all cities included in any such area. (H) The rules adopted pursuant to divisions (E)(1) and (G) of this section shall be no less stringent than the requirements, guidelines, and procedures established by the United States secretary of health and human services under sections 1819 and 1919 of the "Social Security Act."

Sec. 3721.31. (2) Except as otherwise provided in division (A)(3) of this section, the director may approve and reapprove programs conducted by or in long-term care facilities, or by any government agency or
person, including an employee organization.

(3) The director shall not approve or reapprove a competency evaluation program or training and competency evaluation program conducted by or in a long-term care facility that was determined by the director or the United States secretary of health and human services to have been out of compliance with the requirements of subsection (b), (c), or (d) of section 1819 or 1919 of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, within a two-year period prior to making application for approval or reapproval and shall revoke the approval or reapproval of a program conducted by or in a facility for which such a determination is made.

(4) A long-term care facility, employee organization, person, or government entity seeking approval or reapproval of a competency evaluation program or training and competency evaluation program shall make an application to the director for approval or reapproval of the program and shall provide any documentation requested by the director.

(5) The director may conduct inspections and examinations of approved competency evaluation programs and training and competency evaluation programs, competency evaluation programs and training and competency evaluation programs for which an application for approval has been submitted under division (A)(4) of this section, and the sites at which they are or will be conducted. The director may conduct inspections of long-term care facilities in which individuals who have participated in approved competency evaluation programs and training and competency evaluation programs are being used as nurse aides.

(B) In accordance with Chapter 119. of the Revised Code, the director may do the following:

(1) Deny, suspend, or revoke approval or reapproval of any of

(a) That a program completed prior to the dates specified in division (B)(3) of section 3721.28 of the Revised Code included a competency evaluation component no less stringent than the competency evaluation programs approved or conducted by the director under this section, and was otherwise comparable to the training and competency evaluation programs being approved under this section;

(b) That an individual satisfies division (B)(5) of section 3721.28 of the Revised Code;

(c) That an individual meets the conditions specified in division (F)(1) or (2) of section 3721.28 of the Revised Code.

(C) The director may develop and conduct a competency evaluation program for individuals used by long-term care facilities as nurse aides at any time during the period commencing July 1, 1989, and ending January 1, 1990, and individuals who participate in training and competency evaluation programs conducted in or by long-term care facilities. The director also may conduct other competency evaluation programs and training and competency evaluation programs. When conducting competency
evaluation programs and training and competency evaluation

prepared by a testing service, and may contract with the service
to administer the evaluation pursuant to section 3701.044 of the
Revised Code.

(D) The director may approve or conduct programs to train
instructors and coordinators for training and competency
evaluation programs and evaluators for competency evaluation
projects. The director may conduct inspections and examinations of
those programs that have been approved by the director or for
which an application for approval has been submitted, and the
sites at which the programs are or will be conducted.

(E) Notwithstanding division (A) of this section and division
(C) of section 3721.30 of the Revised Code, the director, in the
director's discretion, may decline to approve any competency

approved by the director under division (A) of this section or who
have met the conditions specified in division (F)(1) or (2) of
section 3721.28 of the Revised Code to complete a competency

this section. The director also may require all individuals used
as nurse aides by long-term care facilities after June 1, 1990,
who were used by a facility at any time during the period
commencing July 1, 1989, and ending January 1, 1990, to complete a
competency evaluation program conducted by the director under
division (C) of this section rather than a competency evaluation
program approved by the director under division (A) of this
section.

(F) The test materials, examinations, or evaluation tools
used in any competency evaluation program or training and
competency evaluation program that the director conducts or approves under this section are subject to the confidentiality provisions of section 3701.044 of the Revised Code.

(G) The director shall impose fees prescribed by rules adopted under section 3721.30 of the Revised Code for both of the following:

(1) Making application for approval or reapproval of either of the following:

(5) Are listed in a nurse aide registry maintained by another state that certifies that its program for training and evaluation of competency of nurse aides complies with Titles XVIII and XIX of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, or regulations adopted thereunder;

(7) Are enrolled in a prelicensure program of nursing education approved by the board of nursing or by an agency of another state that regulates nursing education, have provided the
long-term care facility with a certificate from the program indicating that the individual has successfully completed the courses that teach basic nursing skills including infection control, safety and emergency procedures, and personal care, and have successfully completed a competency evaluation program conducted by the director under division (A) of section 3721.31 of the Revised Code;

(8) Have the equivalent of twelve months or more of full-time employment in the five years preceding listing in the registry as a hospital aide or orderly and have successfully completed a competency evaluation program conducted by the director under division (C) of section 3721.31 of the Revised Code.

(B) In addition to the list of individuals required by division (A) of this section, the registry shall include both of the following:

(1) The statement required by section 3721.23 of the Revised Code detailing findings by the director under that section regarding alleged abuse, neglect, or exploitation of a resident or misappropriation of resident property;

(2) Any statement provided by an individual under section 3721.23 of the Revised Code disputing the director's findings.

Whenever an inquiry is received as to the information contained in the registry concerning an individual about whom a statement required by section 3721.23 of the Revised Code is included in the registry, the director shall disclose the statement or a summary of the statement together with any statement provided by the individual under section 3721.23 or a clear and accurate summary of that statement.

(C) The director may by rule specify additional information that must be provided to the registry by long-term care facilities and persons or government agencies conducting approved competency
evaluation programs and training and competency evaluation programs.

(D) Information contained in the registry is a public record for the purposes of section 149.43 of the Revised Code, and is subject to inspection and copying under section 1347.08 of the Revised Code.

Sec. 3727.80. (A) As used in this section, "health benefit plan," "health plan issuer," and "health care services" have the same meanings as in section 3922.01 of the Revised Code.

(B) If a patient is admitted to a hospital for inpatient health care services and the hospital is informed at the time of admission that the person is covered by a health benefit plan, the hospital shall notify the health plan issuer of the admission within twenty-four hours of the patient being admitted.

(C) If a patient is admitted to a hospital for inpatient health care services prior to the hospital being informed that the patient is covered by a health benefit plan, the hospital shall notify the health plan issuer within twenty-four hours of being informed the patient is covered by the health plan issuer.

(D) A hospital shall be considered to have been informed that a patient is covered by a health benefit plan upon being provided with an identification card that provides the health plan issuer's contact information or other information sufficient for the hospital to contact the health plan issuer and confirm coverage.

(E) The notice required under divisions (B) and (C) of this section shall be made in writing and may be provided through a secure electronic transmission by the hospital to the health plan issuer or, if written notice is not possible, then the notice shall be made by telephonic communication.

Sec. 3734.57. (A) The following fees are hereby levied on the
transfer or disposal of solid wastes in this state:

(1) Ninety cents per ton through June 30, 2022, twenty cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste facility management fund created in section 3734.18 of the Revised Code and seventy cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste clean-up fund created in section 3734.28 of the Revised Code;

(2) An additional seventy-five cents per ton through June 30, 2022, the proceeds of which shall be deposited in the state treasury to the credit of the waste management fund created in section 3734.061 of the Revised Code.

(3) An additional two dollars and eighty-five cents per ton through June 30, 2022, the proceeds of which shall be deposited in the state treasury to the credit of the environmental protection fund created in section 3745.015 of the Revised Code;

(4) An additional twenty-five cents per ton through June 30, 2022, the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a transfer facility shall equal the total tonnage of solid wastes received at the facility multiplied by the fees levied under this division. In the case of solid wastes that are not taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a transfer facility shall equal the total tonnage of solid wastes received at the facility multiplied by the fees levied under this division.
to a solid waste disposal facility, the fees shall be collected by
the owner or operator of the solid waste disposal facility as a
trustee for the state. The amount of fees required to be collected
under this division at such a disposal facility shall equal the
total tonnage of solid wastes received at the facility that was
not previously taken to a solid waste transfer facility located in
this state multiplied by the fees levied under this division. Fees
levied under this division do not apply to materials separated
from a mixed waste stream for recycling by a generator or
materials removed from the solid waste stream through recycling,
as "recycling" is defined in rules adopted under section 3734.02
of the Revised Code.

The owner or operator of a solid waste transfer facility or
disposal facility, as applicable, shall prepare and file with the
director of environmental protection each month a return
indicating the total tonnage of solid wastes received at the
facility during that month and the total amount of the fees
required to be collected under this division during that month. In
addition, the owner or operator of a solid waste disposal facility
shall indicate on the return the total tonnage of solid wastes
received from transfer facilities located in this state during
that month for which the fees were required to be collected by the
transfer facilities. The monthly returns shall be filed on a form
prescribed by the director. Not later than thirty days after the
last day of the month to which a return applies, the owner or
operator shall mail to the director the return for that month
together with the fees required to be collected under this
division during that month as indicated on the return or may
submit the return and fees electronically in a manner approved by
the director. If the return is filed and the amount of the fees
due is paid in a timely manner as required in this division, the
owner or operator may retain a discount of three-fourths of one
per cent of the total amount of the fees that are required to be
paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.
A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility.
The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after October 16, 2009. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

1. The disposal at a solid waste disposal facility located in the district of solid wastes generated within the district;

2. The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

3. The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A)
of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the time and location where a public hearing on the fees will be held. Upon adopting the resolution, the committee shall deliver written notice of the adoption of the resolution; of the amount of the proposed fees; and of the date, time, and location of the public hearing to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the largest quantities of solid wastes, as determined by the committee, and to their local trade associations. The committee shall make good faith efforts to identify those generators within the district and their local trade associations, but the nonprovision of notice under this division to a particular generator or local trade association does not invalidate the proceedings under this division. The publication shall occur at least thirty days before the hearing. After the hearing, the
committee may make such revisions to the proposed fees as it considers appropriate and thereafter, by resolution, shall adopt the revised fee schedule. Upon adopting the revised fee schedule, the committee shall deliver a copy of the resolution doing so to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district. Within sixty days after the delivery of a copy of the resolution adopting the proposed revised fees by the policy committee, each such board and legislative authority, by ordinance or resolution, shall approve or disapprove the revised fees and deliver a copy of the ordinance or resolution to the committee. If any such board or legislative authority fails to adopt and deliver to the policy committee an ordinance or resolution approving or disapproving the revised fees within sixty days after the policy committee delivered its resolution adopting the proposed revised fees, it shall be conclusively presumed that the board or legislative authority has approved the proposed revised fees. The committee shall determine if the resolution has been ratified in the same manner in which it determines if a draft solid waste management plan has been ratified under division (B) of section 3734.55 of the Revised Code.

The committee may amend the schedule of fees levied pursuant to a resolution adopted and ratified under this division by adopting a resolution establishing the proposed amount of the amended fees. The committee may repeal the fees levied pursuant to such a resolution by adopting a resolution proposing to repeal them. Upon adopting such a resolution, the committee shall proceed to obtain ratification of the resolution in accordance with this division.

Not later than fourteen days after declaring the new fees to be ratified or the fees to be repealed under this division, the
committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the ratification and the amount of the fees or of the repeal of the fees. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Fees levied under this division also may be established, amended, or repealed by a solid waste management policy committee through the adoption of a new district solid waste management plan, the adoption of an amended plan, or the amendment of the plan or amended plan in accordance with sections 3734.55 and 3734.56 of the Revised Code or the adoption or amendment of a district plan in connection with a change in district composition under section 3734.521 of the Revised Code.

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection
of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall...
notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to...
fees levied under divisions (B)(1) to (3) of this section, those 47274
levied under section 3734.573 or 3734.574 of the Revised Code. 47275

(C) For the purposes of defraying the added costs to a 47276
municipal corporation or township of maintaining roads and other 47277
public facilities and of providing emergency and other public 47278
services, and compensating a municipal corporation or township for 47279
reductions in real property tax revenues due to reductions in real 47280
property valuations resulting from the location and operation of a 47281
solid waste disposal facility within the municipal corporation or 47282
township, a municipal corporation or township in which such a 47283
solid waste disposal facility is located may levy a fee of not 47284
more than twenty-five cents per ton on the disposal of solid 47285
wastes at a solid waste disposal facility located within the 47286
boundaries of the municipal corporation or township regardless of 47287
where the wastes were generated.

The legislative authority of a municipal corporation or 47288
township may levy fees under this division by enacting an 47289
ordinance or adopting a resolution establishing the amount of the 47290
fees. Upon so doing the legislative authority shall mail a 47291
certified copy of the ordinance or resolution to the board of 47292
county commissioners or directors of the county or joint solid 47293
waste management district in which the municipal corporation or 47294
township is located or, if a regional solid waste management 47295
authority has been formed under section 343.011 of the Revised 47296
Code, to the board of trustees of that regional authority, the 47297
owner or operator of each solid waste disposal facility in the 47298
municipal corporation or township that is required to collect the 47299
fee by the ordinance or resolution, and the director of 47300
environmental protection. Although the fees levied under this 47301
division are levied on the basis of tons as the unit of 47302
measurement, the legislative authority, in its ordinance or 47303
resolution levying the fees under this division, may direct that 47304
the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the combustion of primarily coal, regardless of whether the disposal facility is located on the premises where the wastes are generated;

(c) Are asbestos or asbestos-containing materials or products disposed of at a construction and demolition debris facility that is licensed under Chapter 3714. of the Revised Code or at a solid waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised Code, any fees levied under division (B)(1) of this section apply to solid wastes originating outside the boundaries of a county or joint district that are covered by an agreement for the joint use of solid waste facilities entered into under section 343.02 of the Revised Code by the board of county commissioners or board of
directors of the county or joint district where the wastes are generated and disposed of.

(3) When solid wastes, other than solid wastes that consist of scrap tires, are burned in a disposal facility that is an incinerator or energy recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash remaining after burning of the solid wastes and shall be collected by the owner or operator of the sanitary landfill where the ash is disposed of.

(4) When solid wastes are delivered to a solid waste transfer facility, the fees levied under divisions (B) and (C) of this section shall be levied upon the disposal of solid wastes transported off the premises of the transfer facility for disposal and shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of.

(5) The fees levied under divisions (A), (B), and (C) of this section do not apply to sewage sludge that is generated by a waste water treatment facility holding a national pollutant discharge elimination system permit and that is disposed of through incineration, land application, or composting or at another resource recovery or disposal facility that is not a landfill.

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under
divisions (A), (B), and (C) of this section shall be levied upon
the disposal of the fly ash and bottom ash or other solid wastes
remaining after the processing of the scrap tires and shall be
collected by the owner or operator of the solid waste disposal
facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an
order exempting from the fees levied under this section solid
wastes, including, but not limited to, scrap tires, that are
generated, transferred, or disposed of as a result of a contract
providing for the expenditure of public funds entered into by the
administrator or regional administrator of the United States
environmental protection agency, the director of environmental
protection, or the director of administrative services on behalf
of the director of environmental protection for the purpose of
remediating conditions at a hazardous waste facility, solid waste
facility, or other location at which the administrator or regional
administrator or the director of environmental protection has
reason to believe that there is a substantial threat to public
health or safety or the environment or that the conditions are
causing or contributing to air or water pollution or soil
contamination. An order issued by the director of environmental
protection under division (D)(8) of this section shall include a
determination that the amount of the fees not received by a solid
waste management district as a result of the order will not
adversely impact the implementation and financing of the
district's approved solid waste management plan and any approved
amendments to the plan. Such an order is a final action of the
director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this
section shall be collected by the owner or operator of the solid
waste disposal facility where the wastes are disposed of as a
trustee for the county or joint district and municipal corporation.
or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in a similar capacity under a county charter, in a county district or to the county treasurer or other official designated by the board of directors in a joint district and kept in a separate and distinct fund to the credit of the district. If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of that regional authority under division (E) of this section shall be kept by the board in a separate and distinct fund to the credit of the district. Moneys in the special fund of the county or joint district arising from the fees levied under division (B) of this
section and the fee levied under division (A) of section 3734.573 of the Revised Code shall be expended by the board of county commissioners or directors of the district in accordance with the district's solid waste management plan or amended plan approved under section 3734.521, 3734.55, or 3734.56 of the Revised Code exclusively for the following purposes:

(1) Preparation of the solid waste management plan of the district under section 3734.54 of the Revised Code, monitoring implementation of the plan, and conducting the periodic review and amendment of the plan required by section 3734.56 of the Revised Code by the solid waste management policy committee;

(2) Implementation of the approved solid waste management plan or amended plan of the district, including, without limitation, the development and implementation of solid waste recycling or reduction programs;

(3) Providing financial assistance to boards of health within the district, if solid waste facilities are located within the district, for enforcement of this chapter and rules, orders, and terms and conditions of permits, licenses, and variances adopted or issued under it, other than the hazardous waste provisions of this chapter and rules adopted and orders and terms and conditions of permits issued under those provisions;

(4) Providing financial assistance to each county within the district to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan or amended plan;

(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the
district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;

(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan;

(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district;
(10) Payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section. In the case of a joint solid waste management district, if the board of county commissioners of one of the counties in the district is negotiating on behalf of affected communities, as defined in that section, in that county, the board shall obtain the approval of the board of directors of the district in order to expend moneys for administrative costs incurred.

Prior to the approval of the district's solid waste management plan under section 3734.55 of the Revised Code, moneys in the special fund of the district arising from the fees shall be expended for those purposes in the manner prescribed by the solid waste management policy committee by resolution.

Notwithstanding division (G)(6) of this section as it existed prior to October 29, 1993, or any provision in a district's solid waste management plan prepared in accordance with division (B)(2)(e) of section 3734.53 of the Revised Code as it existed prior to that date, any moneys arising from the fees levied under division (B)(3) of this section prior to January 1, 1994, may be expended for any of the purposes authorized in divisions (G)(1) to (10) of this section.

(H) The director shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing procedures for collecting and forwarding the fees levied under divisions (B) and (C) of this section to the boards of county commissioners or directors of county or joint solid waste management districts and to the treasurers or other officers of municipal corporations and the fiscal officers of townships. The rules also shall prescribe the dates for forwarding the fees to the boards and officials and may prescribe any other requirements the director considers necessary or appropriate to implement and administer divisions (A), (B), and
Sec. 3734.85. (A) On and after the effective date of the rules adopted under sections 3734.70, 3734.71, 3734.72, and 3734.73 of the Revised Code, the director of environmental protection may take action under this section to abate accumulations of scrap tires. If the director determines that an accumulation of scrap tires constitutes a danger to the public health or safety or to the environment, the director shall issue an order under section 3734.13 of the Revised Code to the person responsible for the accumulation of scrap tires directing that person, within one hundred twenty days after the issuance of the order, to remove the accumulation of scrap tires from the premises on which it is located and transport the tires to a scrap tire storage, monocell, monofill, or recovery facility licensed under section 3734.81 of the Revised Code, to such a facility in another state operating in compliance with the laws of the state in which it is located, or to any other solid waste disposal facility in another state that is operating in compliance with the laws of that state. If the person responsible for causing the accumulation of scrap tires is a person different from the owner of the land on which the accumulation is located, the director may issue such an order to the landowner.

If the director is unable to ascertain immediately the identity of the person responsible for causing the accumulation of scrap tires, the director shall examine the records of the applicable board of health and law enforcement agencies to ascertain that person's identity. Before initiating any enforcement or removal actions under this division against the owner of the land on which the accumulation is located, the director shall initiate any such actions against the person that the director has identified as responsible for causing the accumulation of scrap tires. Failure of the director to make
diligent efforts to ascertain the identity of the person
responsible for causing the accumulation of scrap tires or to
initiate an action against the person responsible for causing the
accumulation shall not constitute an affirmative defense by a
landowner to an enforcement action initiated by the director under
this division requiring immediate removal of any accumulation of
scrap tires.

Upon the written request of the recipient of an order issued
under this division, the director may extend the time for
compliance with the order if the request demonstrates that the
recipient has acted in good faith to comply with the order. If the
recipient of an order issued under this division fails to comply
with the order within one hundred twenty days after the issuance
of the order or, if the time for compliance with the order was so
extended, within that time, the director shall take such actions
as the director considers reasonable and necessary to remove and
properly manage the scrap tires located on the land named in the
order. The director, through employees of the environmental
protection agency or a contractor, may enter upon the land on
which the accumulation of scrap tires is located and remove and
transport them to a scrap tire recovery facility for processing,
to a scrap tire storage facility for storage, or to a scrap tire
monocell or monofill facility for storage or disposal.

The director shall enter into contracts for the storage,
disposal, or processing of scrap tires removed through removal
operations conducted under this section.

If a person to whom a removal order is issued under this
division fails to comply with the order and if the director
performs a removal action under this section, the person to whom
the removal order is issued is liable to the director for the
costs incurred by the director for conducting the removal
operation, storage at a scrap tire storage facility, storage or
disposal at a scrap tire monocell or monofill facility, or processing of the scrap tires so removed, the transportation of the scrap tires from the site of the accumulation to the scrap tire storage, monocell, monofill, or recovery facility where the scrap tires were stored, disposed of, or processed, and the administrative and legal expenses incurred by the director in connection with the removal operation. The director shall keep an itemized record of those costs. Upon completion of the actions for which the costs were incurred, the director shall record the costs at the office of the county recorder of the county in which the accumulation of scrap tires was located. The costs so recorded constitute a lien on the property on which the accumulation of scrap tires was located until discharged. Upon the written request of the director, the attorney general shall bring a civil action against the person responsible for the accumulation of the scrap tires that were the subject of the removal operation to recover the costs for which the person is liable under this division. Any money so received or recovered shall be credited to the scrap tire management fund created in section 3734.82 of the Revised Code.

If, in a civil action brought under this division, an owner of real property is ordered to pay to the director the costs of a removal action that removed an accumulation of scrap tires from the person's land or if a lien is placed on the person's land for the costs of such a removal action, and, in either case, if the landowner was not the person responsible for causing the accumulation of scrap tires so removed, the landowner may bring a civil action against the person who was responsible for causing the accumulation to recover the amount of the removal costs that the court ordered the landowner to pay to the director or the amount of the removal costs certified to the county recorder as a lien on the landowner's property, whichever is applicable. If the landowner prevails in the civil action against the person who was responsible for causing the accumulation of scrap tires, the...
court, as it considers appropriate, may award to the landowner the reasonable attorney's fees incurred by the landowner for bringing the action, court costs, and other reasonable expenses incurred by the landowner in connection with the civil action. A landowner shall bring such a civil action within two years after making the final payment of the removal costs to the director pursuant to the judgment rendered against the landowner in the civil action brought under this division upon the director's request or within two years after the director certified the costs of the removal action to the county recorder, as appropriate. A person who, at the time that a removal action was conducted under this division, owned the land on which the removal action was performed may bring an action under this division to recover the costs of the removal action from the person responsible for causing the accumulation of scrap tires so removed regardless of whether the person owns the land at the time of bringing the action.

Subject to the limitations set forth in division (G) of section 3734.82 of the Revised Code, the director may use moneys in the scrap tire management fund for conducting removal actions under this division. Any moneys recovered under this division shall be credited to the scrap tire management fund.

(B) The director shall initiate enforcement and removal actions under division (A) of this section in accordance with the following descending listing of priorities:

1. Accumulations of scrap tires that the director finds constitute a fire hazard or threat to public health;
2. Accumulations of scrap tires determined by the director to contain more than one million scrap tires;
3. Accumulations of scrap tires in densely populated areas;
4. Other accumulations of scrap tires that the director or board of health of the health district in which the accumulation...
is located determines constitute a public nuisance;

(5) Any other accumulations of scrap tires present on premises operating without a valid license issued under section 3734.05 or 3734.81 of the Revised Code.

(C) The director shall not take enforcement and removal actions under division (A) of this section against the owner or operator of, or the owner of the land on which is located, any of the following:

(1) A premises where not more than one hundred scrap tires are present at any time;

(2) The premises of a business engaging in the sale of tires at retail that meets either of the following criteria:

(a) Not more than one thousand scrap tires are present on the premises at any time in an unsecured, uncovered outdoor location.

(b) Any number of scrap tires are secured in a building or a covered, enclosed container, trailer, or installation.

(3) The premises of a tire retreading business, a tire manufacturing finishing center, or a tire adjustment center on which is located a single, covered scrap tire storage area where not more than four thousand scrap tires are stored;

(4) The premises of a business that removes tires from motor vehicles in the ordinary course of business and on which is located a single scrap tire storage area that occupies not more than twenty-five hundred square feet;

(5) A solid waste facility licensed under section 3734.05 of the Revised Code that stores scrap tires on the surface of the ground if the total land area on which scrap tires are actually stored does not exceed ten thousand square feet;

(6) A premises where not more than two hundred fifty scrap tires are stored or kept for agricultural use;
(7) A construction site where scrap tires are stored for use or used in road resurfacing or the construction of embankments;

(8) A scrap tire collection, storage, monocell, monofill, or recovery facility licensed under section 3734.81 of the Revised Code;

(9) A solid waste incineration or energy recovery facility that is subject to regulation under this chapter and that burns scrap tires;

(10) A premises where scrap tires are beneficially used and for which the notice required by rules adopted under section 3734.84 of the Revised Code has been given;

(11) A transporter registered under section 3734.83 of the Revised Code that collects and holds scrap tires in a covered trailer or vehicle for not longer than thirty days prior to transporting them to their final destination.

(D) Nothing in this section restricts any right any person may have under statute or common law to enforce or seek enforcement of any law applicable to the management of scrap tires, abate a nuisance, or seek any other appropriate relief.

(E) An owner of real property upon which there is located an accumulation of not more than five thousand scrap tires is not liable under division (A) of this section for the cost of the removal of the up to ten thousand scrap tires on the owner's property, or more at the director's discretion, and no lien shall attach to the property under this section, if all of the following conditions are met:

(1) The tires were placed on the property after the owner acquired title to the property, or the tires were placed on the property before the owner acquired title to the property and the owner acquired title to the property by bequest or devise.
(2) The owner of the property did not have knowledge that the tires were being placed on the property, or the owner posted on the property signs prohibiting dumping or took other action to prevent the placing of tires on the property.

(3) The owner of the property did not participate in or consent to the placing of the tires on the property.

(4) The owner of the property received no financial benefit from the placing of the tires on the property or otherwise having the tires on the property.

(5) Title to the property was not transferred to the owner for the purpose of evading liability under division (A) of this section.

(6) The person responsible for placing the tires on the property, in doing so, was not acting as an agent for the owner of the property.

Sec. 3734.901. (A)(1) For the purpose of providing revenue to defray the cost of administering and enforcing the scrap tire provisions of this chapter, rules adopted under those provisions, and terms and conditions of orders, variances, and licenses issued under those provisions; to abate accumulations of scrap tires; to make grants supporting market development activities for scrap tires and synthetic rubber from tire manufacturing processes and tire recycling processes and to support scrap tire amnesty and cleanup events; to make loans to promote the recycling or recovery of energy from scrap tires; and to defray the costs of administering and enforcing sections 3734.90 to 3734.9014 of the Revised Code, a fee of fifty cents per tire is hereby levied on the sale of tires. The proceeds of the fee shall be deposited in the state treasury to the credit of the scrap tire management fund created in section 3734.82 of the Revised Code. The fee is levied from the first day of the calendar month that begins next after
thirty days from October 29, 1993, through June 30, 2022.

(2) Beginning on July 1, 2011, and ending on June 30, 2024, there is hereby levied an additional fee of fifty cents per tire on the sale of tires the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

(B) Only one sale of the same article shall be used in computing the amount of the fee due.

(F) Divisions (C) to (E) of this section do not apply with regard to an applicant or employee if the applicant or employee is referred to a home health agency by an employment service that supplies full-time, part-time, or temporary staff for positions that involve providing direct care to an individual and both of the following apply:

1. The chief administrator of the home health agency receives from the employment service confirmation that a review of the databases listed in division (D) of this section was conducted with regard to the applicant or employee.

2. The chief administrator of the home health agency receives from the employment service, applicant, or employee a report of the results of a criminal records check of the applicant or employee that has been conducted by the superintendent within the one-year period immediately preceding the following:

   a. In the case of an applicant, the date of the applicant's referral by the employment service to the home health agency;

   b. In the case of an employee, the date by which the home health agency would otherwise have to request a criminal records check of the employee under division (E) of this section.

(G)(1) A home health agency may employ conditionally an applicant for whom a criminal records check request is required by this section before obtaining the results of the criminal records check if the agency is not prohibited by division (B) of this section from employing the applicant in a position that involves
providing direct care to an individual and either of the following applies:

(a) The chief administrator of the home health agency requests the criminal records check in accordance with division (E) of this section not later than five business days after the applicant begins conditional employment.

(b) The applicant is referred to the home health agency by an employment service, the employment service or the applicant provides the chief administrator of the agency a letter that is on the letterhead of the employment service, the letter is dated and signed by a supervisor or another designated official of the employment service, and the letter states all of the following:

(i) That the employment service has requested the superintendent to conduct a criminal records check regarding the applicant;

(ii) That the requested criminal records check is to include a determination of whether the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense;

(iii) That the employment service has not received the results of the criminal records check as of the date set forth on the letter;

(iv) That the employment service promptly will send a copy of the results of the criminal records check to the chief administrator of the home health agency when the employment service receives the results.

(2) If a home health agency employs an applicant conditionally pursuant to division (G)(1)(b) of this section, the employment service, on its receipt of the results of the criminal records check, promptly shall send a copy of the results to the chief administrator of the agency.
(3) A home health agency that employs an applicant conditionally pursuant to division (G)(1)(a) or (b) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the home health agency shall terminate the applicant's employment unless circumstances specified in rules adopted under this section that permit the agency to employ the applicant exist and the agency chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the home health agency about the applicant's criminal record.

(H) The report of any criminal records check conducted by the bureau of criminal identification and investigation in accordance with section 109.572 of the Revised Code and pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The applicant or employee who is the subject of the criminal records check or the applicant's or employee's representative;

(2) The home health agency requesting the criminal records check or its representative;

(3) The administrator of any other facility, agency, or program that provides direct care to individuals that is owned or
operated by the same entity that owns or operates the home health agency that requested the criminal records check;

(4) The employment service that requested the criminal records check;

(5) The director of health and the staff of the department of health who monitor a home health agency's compliance with this section;

(6) The director of aging or the director's designee if either of the following apply:

(a) In the case of a criminal records check requested by a home health agency, the home health agency also is a community-based long-term care provider or community-based long-term care subcontractor;

(b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a home health agency that also is a community-based long-term care provider or community-based long-term care subcontractor.

(7) The medicaid director and the staff of the department of medicaid who are involved in the administration of the medicaid program if either of the following apply:

(a) In the case of a criminal records check requested by a home health agency, the home health agency also is a waiver agency;

(b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a home health agency that also is a waiver agency.

(8) Any court, hearing officer, or other necessary individual involved in a case dealing with any of the following:
(a) A denial of employment of the applicant or employee;

(b) Employment or unemployment benefits of the applicant or employee;

(c) A civil or criminal action regarding the medicaid program.

(I) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by an applicant or employee who a home health agency employs in a position that involves providing direct care to an individual, all of the following shall apply:

(1) If the home health agency employed the applicant or employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the agency shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the home health agency employed the applicant in good faith on a conditional basis pursuant to division (G) of this section, the agency shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal records check requested under this section.

(3) If the home health agency in good faith employed the applicant or employee according to the personal character standards established in rules adopted under this section, the agency shall not be found negligent solely because the applicant or employee had been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(J) The director of health shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.
(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;

(c) For the purpose of division (D)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting database reviews under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(d) Circumstances under which a home health agency may employ an applicant or employee who is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense but meets personal character standards.

Sec. 3740.99. Whoever violates section 3740.02 of the Revised Code is guilty of a misdemeanor of the second degree on a first offense; for each subsequent offense, the person is guilty of a
misdemeanor of the first degree.

Sec. 3741.14. (A) Each filling station offering self-service shall be operated in accordance with the most recent version of the national fire protection association standard number 30A-1990, as that standard is incorporated into the fire code adopted by the state fire marshal in accordance with section 3737.82 of the Revised Code, and the provisions of the "Occupational Safety and Health Act of 1970," 84 Stat. 1590, 5 U.S.C.A. 5108, and any amendments thereto and standards adopted thereunder.

(B) The fire marshal shall adopt, as part of the state fire code, rules governing the equipment, operation, and maintenance of filling stations. The rules shall be such as are necessary for the protection of the persons and property of the public, but shall require as a minimum that:

(2) A sign, in block letters at least four inches in height, be conspicuously displayed on each gasoline pump island where self-service is offered stating that it is a self-service island;

(3) Signs giving instructions for the operation of gasoline dispensing equipment, in block letters, be conspicuously posted at each filling station offering self-service;

(4) A sign bearing the following words in block letters be conspicuously posted on each gasoline pump island where self-service is offered:

(5) All signs required by this section be constructed of rigid, weather-resistant material;

(6) Gasoline dispensing nozzles used by any person other than a supervisor, employee, or attendant be of an approved automatic closing type. Any person other than a supervisor, employee, or attendant using a dispenser with a hold-open latch shall remain at the refueling point during refueling.

(C) The fire marshal shall not prohibit the operation of a filling station offering self-service solely because it is an unattended filling station that utilizes key- or card-operated self-service flammable or combustible liquid dispensing equipment.

(D) Nothing in this section shall be interpreted to prohibit the fire marshal from adopting reasonable rules governing the safety of self-service flammable or combustible liquid dispensing equipment.

**Sec. 3745.014.** There is hereby created in the state treasury the central support indirect fund, which shall be administered by the director of environmental protection. Money credited to the fund shall be used for administrative costs of the environmental protection agency. The director may assess any operating funds from which the agency receives appropriations, except the central support indirect fund, for a share of the administrative costs of the agency. The amounts assessed shall be transferred to the central support indirect fund by means of intrastate transfer vouchers. The director, with the approval of the director of budget and management, shall determine the rate of assessments.

**Sec. 3745.11.** (A) Applicants for and holders of permits, licenses, variances, plan approvals, and certifications issued by the director of environmental protection pursuant to Chapters 3704., 3734., 6109., and 6111. of the Revised Code shall pay a fee
to the environmental protection agency for each such issuance and each application for an issuance as provided by this section. No fee shall be charged for any issuance for which no application has been submitted to the director.

(B) Except as otherwise provided in division (C)(2) of this section, beginning July 1, 1994, each person who owns or operates an air contaminant source and who is required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay the fees set forth in this division. For the purposes of this division, total emissions of air contaminants may be calculated using engineering calculations, emissions factors, material balance calculations, or performance testing procedures, as authorized by the director.

The following fees shall be assessed on the total actual emissions from a source in tons per year of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead:

(1) Fifteen dollars per ton on the total actual emissions of each such regulated pollutant during the period July through December 1993, to be collected no sooner than July 1, 1994;

(2) Twenty dollars per ton on the total actual emissions of each such regulated pollutant during calendar year 1994, to be collected no sooner than April 15, 1995;

(3) Twenty-five dollars per ton on the total actual emissions of each such regulated pollutant in calendar year 1995, and each subsequent calendar year, to be collected no sooner than the fifteenth day of April of the year next succeeding the calendar year in which the emissions occurred.

The fees levied under this division do not apply to that portion of the emissions of a regulated pollutant at a facility that exceed four thousand tons during a calendar year.
(C)(1) The fees assessed under division (B) of this section are for the purpose of providing funding for the Title V permit program.

(2) The fees assessed under division (B) of this section do not apply to emissions from any electric generating unit designated as a Phase I unit under Title IV of the federal Clean Air Act prior to calendar year 2000. Those fees shall be assessed on the emissions from such a generating unit commencing in calendar year 2001 based upon the total actual emissions from the generating unit during calendar year 2000 and shall continue to be assessed each subsequent calendar year based on the total actual emissions from the generating unit during the preceding calendar year.

(3) The director shall issue invoices to owners or operators of air contaminant sources who are required to pay a fee assessed under division (B) or (D) of this section. Any such invoice shall be issued no sooner than the applicable date when the fee first may be collected in a year under the applicable division, shall identify the nature and amount of the fee assessed, and shall indicate that the fee is required to be paid within thirty days after the issuance of the invoice.

(D)(1) Except as provided in division (D)(3) of this section, from January 1, 1994, through December 31, 2003, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (C), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.036 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:
Total tons per year of regulated pollutants emitted Annual fee per facility

More than 0, but less than 50 $ 75
50 or more, but less than 100 200
100 or more 700

(2) Except as provided in division (D)(3)(D)(2) of this section, beginning January 1, 2004, each person who owns or operates an air contaminant source; who is required to apply for a permit to operate pursuant to rules adopted under division (G), or a variance pursuant to division (H), of section 3704.03 of the Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

Total tons per year of regulated pollutants emitted Annual fee per facility

More than 0, but less than 10 $ 100
10 or more, but less than 50 200
50 or more, but less than 100 300
100 or more 700

(3)(a)(2)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, 2024.
each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director,
by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

(F) Each person who is issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code on or after July 1, 2003, shall pay the fees specified in the following schedules:

(J) Notwithstanding division (F) of this section, a person who applies for or obtains a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code after the date actual construction of the source began shall pay a fee for the permit to install that is equal to twice the fee that otherwise would be assessed under the applicable division unless

Sub. H. B. No. 110 Page 1585
As Reported by the Senate Finance Committee
the applicant received authorization to begin construction under division (W) of section 3704.03 of the Revised Code. This division only applies to sources for which actual construction of the source begins on or after July 1, 1993. The imposition or payment of the fee established in this division does not preclude the director from taking any administrative or judicial enforcement action under this chapter, Chapter 3704., 3714., 3734., or 6111. of the Revised Code, or a rule adopted under any of them, in connection with a violation of rules adopted under division (F) of section 3704.03 of the Revised Code.

As used in this division, "actual construction of the source" means the initiation of physical on-site construction activities in connection with improvements to the source that are permanent in nature, including, without limitation, the installation of building supports and foundations and the laying of underground pipework.

(K)(1) Money received under division (B) of this section shall be deposited in the state treasury to the credit of the Title V clean air fund created in section 3704.035 of the Revised Code. Annually, not more than fifty cents per ton of each fee assessed under division (B) of this section on actual emissions from a source and received by the environmental protection agency pursuant to that division may be transferred by the director using an interstate transfer voucher to the state treasury to the credit of the small business assistance fund created in section 3706.19 of the Revised Code. In addition, annually, the amount of money necessary for the operation of the office of ombudsperson as determined under division (B) of that section shall be transferred to the state treasury to the credit of the small business ombudsperson fund created by that section.

(2) Money received by the agency pursuant to divisions (D), (F), (G), (H), (I), and (J) of this section shall be deposited in
the state treasury to the credit of the non-Title V clean air fund created in section 3704.035 of the Revised Code.

(L)(1) A person applying for a plan approval for a wastewater treatment works pursuant to section 6111.44, 6111.45, or 6111.46 of the Revised Code shall pay a nonrefundable fee of one hundred dollars plus sixty-five one-hundredths of one per cent of the estimated project cost through June 30, 2022, and a nonrefundable application fee of one hundred dollars plus two-tenths of one per cent of the estimated project cost on and after July 1, 2022, except that the total fee shall not exceed fifteen thousand dollars through June 30, 2022, and five thousand dollars on and after July 1, 2022. The fee shall be paid at the time the application is submitted.

(2) A person who has entered into an agreement with the director under section 6111.14 of the Revised Code shall pay an administrative service fee for each plan submitted under that section for approval that shall not exceed the minimum amount necessary to pay administrative costs directly attributable to processing plan approvals. The director annually shall calculate the fee and shall notify all persons who have entered into agreements under that section, or who have applied for agreements, of the amount of the fee.

(3)(a)(i) Not later than January 30, 2022, and January 30, 2023, a person holding an NPDES discharge permit issued pursuant to Chapter 6111. of the Revised Code with an average daily discharge flow of five thousand gallons or more shall pay a nonrefundable annual discharge fee. Any person who fails to pay the fee at that time shall pay an additional amount that equals ten per cent of the required annual discharge fee.

(ii) The billing year for the annual discharge fee established in division (L)(3)(a)(i) of this section shall consist of a twelve-month period beginning on the first day of January of

(T) The director may adopt, amend, and rescind rules in accordance with Chapter 119. of the Revised Code that do all of the following:

(1) Prescribe fees to be paid by applicants for and holders of any license, permit, variance, plan approval, or certification required or authorized by Chapter 3704., 3734., 6109., or 6111. of the Revised Code that are not specifically established in this section. The fees shall be designed to defray the cost of processing, issuing, revoking, modifying, denying, and enforcing the licenses, permits, variances, plan approvals, and certifications.

The director shall transmit all moneys collected under rules adopted under division (T)(1) of this section pursuant to Chapter 6109. of the Revised Code to the treasurer of state for deposit into the drinking water protection fund created in section 6109.30 of the Revised Code.

The director shall transmit all moneys collected under rules adopted under division (T)(1) of this section pursuant to Chapter 6111. of the Revised Code to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code.

determines that the imposition of the fee would constitute an
unreasonable cost of doing business for any applicant, class of
applicants, or other person subject to the fee;

(4) Prescribe measures that the director considers necessary
to carry out this section.

(U) When the director reasonably demonstrates that the direct
cost to the state associated with the issuance of a permit,
license, variance, plan approval, or certification exceeds the fee
for the issuance or review specified by this section, the director
may condition the issuance or review on the payment by the person
receiving the issuance or review of, in addition to the fee
specified by this section, the amount, or any portion thereof, in
excess of the fee specified under this section. The director shall
not so condition issuances for which a fee is prescribed in
division (S)(1)(c)(iii), (S)(1)(b)(iii) of this section.

(V) Except as provided in divisions (L), (M), (P), and (S) of
this section or unless otherwise prescribed by a rule of the
director adopted pursuant to Chapter 119. of the Revised Code, all
fees required by this section are payable within thirty days after
the issuance of an invoice for the fee by the director or the
effective date of the issuance of the license, permit, variance,
plan approval, or certification. If payment is late, the person
responsible for payment of the fee shall pay an additional ten per
cent of the amount due for each month that it is late.

"incinerator input capacity," "process," "process weight rate,"
"storage tank," "gasoline dispensing facility," "dry cleaning
facility," "design flow discharge," and "new source treatment
works" have the meanings ascribed to those terms by applicable
rules or standards adopted by the director under Chapter 3704. or
(X) As used in divisions (B), (D), (E), (F), (H), (I), and (J) of this section, and in any other provision of this section pertaining to fees paid pursuant to Chapter 3704. of the Revised Code:

(a) Preparing and adopting, if applicable, generally applicable rules or guidance regarding the permit program or its implementation or enforcement;

(b) Reviewing and acting on any application for a Title V permit, permit revision, or permit renewal, including the development of an applicable requirement as part of the processing of a permit, permit revision, or permit renewal;

(c) Administering the permit program, including the supporting and tracking of permit applications, compliance certification, and related data entry;

(3) "Organic compound" means any chemical compound of carbon, excluding carbon monoxide, carbon dioxide, carbonic acid, metallic carbides or carbonates, and ammonium carbonate.

(Y)(1) Except as provided in divisions (Y)(2), (3), and (4) of this section, each sewage sludge facility shall pay a nonrefundable annual sludge fee equal to three dollars and fifty cents per dry ton of sewage sludge, including the dry tons of sewage sludge in materials derived from sewage sludge, that the sewage sludge facility treats or disposes of in this state. The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following exceptions:

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of
exceptional quality sludge shall not be required to pay the annual 49622
sludge fee for treatment or disposal in this state of exceptional 49623
quality sludge generated outside of this state and contained in 49624
bags or other containers not greater than one hundred pounds in 49625
capacity.

A thirty-five per cent reduction for exceptional quality 49626
sludge applies to the maximum annual fees established under 49627
division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to 49628
another sewage sludge facility in this state for further treatment 49629
prior to disposal in this state shall not be required to pay the 49630
annual sludge fee for the tons of sewage sludge that have been 49631
transferred. In such a case, the sewage sludge facility that 49632
disposes of the sewage sludge shall pay the annual sludge fee. 49633
However, the facility transferring the sewage sludge shall pay the 49634
one-hundred-dollar minimum fee required under division (Y)(2)(a) 49635
of this section.

In the case of a sewage sludge facility that treats sewage 49636
sludge in this state and transfers it out of this state to another 49637
entity for disposal, the sewage sludge facility in this state 49638
shall be required to pay the annual sludge fee for the tons of 49639
sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge 49640
resulting from an average daily discharge flow of less than five 49641
thousand gallons per day is not subject to the fees assessed under 49642
division (Y) of this section.

(3) No sewage sludge facility required to pay the annual 49643
sludge fee shall be required to pay more than the maximum annual 49644
fee for each disposal method that the sewage sludge facility uses. 49645
The maximum annual fee does not include the additional amount that 49646
may be charged under division (Y)(5) of this section for late 49647
payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or (b) of this section: twenty thousand dollars.

(4)(a) In the case of an entity that generates sewage sludge or a sewage sludge facility that treats sewage sludge and transfers the sewage sludge to an incineration facility for disposal, the incineration facility, and not the entity generating the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of sewage sludge that are transferred. However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of
July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

(6) The director shall transmit all moneys collected under division (Y) of this section to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code. The moneys shall be used to defray the costs...
of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. The issuance of an order under this division is not an act or action for purposes of section 3745.04 of the Revised Code.

Sec. 3746.04. Within one year after September 28, 1994, the director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt, and subsequently may amend, suspend, or rescind, rules that do both of the following:

(A) Revise the rules adopted under Chapters 3704., 3714., 3734., 6109., and 6111. of the Revised Code to incorporate the provisions necessary to conform those rules to the requirements of this chapter. The amended rules adopted under this division also shall establish response times for all submittals to the environmental protection agency required under this chapter or rules adopted under it.

(B) Establish requirements and procedures that are reasonably necessary for the implementation and administration of this chapter, including, without limitation, all of the following:

(1) Appropriate generic numerical clean-up standards for the treatment or removal of soils, sediments, and water media for hazardous substances and petroleum. The rules shall establish separate generic numerical clean-up standards based upon the
intended use of properties after the completion of voluntary 49992
actions, including industrial, commercial, and residential uses 49993
and such other categories of land use as the director considers to 49994
be appropriate. The generic numerical clean-up standards 49995
established for each category of land use shall be the 49996
concentration of each contaminant that may be present on a 49997
property that shall ensure protection of public health and safety 49998
and the environment for the reasonable exposure for that category 49999
of land use. When developing the standards, the director shall 50000
consider such factors as all of the following: 50001

(a) Scientific information, including, without limitation, 50002
toxicological information and realistic assumptions regarding 50003
human and environmental exposure to hazardous substances or 50004
petroleum; 50005

(b) Climatic factors; 50006

(c) Human activity patterns; 50007

(d) Current statistical techniques; 50008

(e) For petroleum at industrial property, alternatives to the 50009
use of total petroleum hydrocarbons. 50010

The generic numerical clean-up standards established in the 50011
rules adopted under division (B)(1) of this section shall be 50012
consistent with and equivalent in scope, content, and coverage to 50013
any applicable standard established by federal environmental laws 50014
and regulations adopted under them, including, without limitation, 50015
the "Federal Water Pollution Control Act Amendments of 1972," 86 50016
Stat. 886, 33 U.S.C.A. 1251, as amended; the "Resource 50017
6921, as amended; the "Toxic Substances Control Act," 90 Stat. 50019
94 Stat. 2779, 42 U.S.C.A. 9601, as amended; and the "Safe 50022

In order for the rules adopted under division (B)(1) of this section to require that any such federal environmental standard apply to a property, the property shall meet the requirements of the particular federal statute or regulation involved in the manner specified by the statute or regulation.

The generic numerical clean-up standards for petroleum at commercial or residential property shall be the standards established in rules adopted under division (B) of section 3737.882 of the Revised Code.

(2)(a) Procedures for performing property-specific risk assessments that would be performed at a property to demonstrate that the remedy evaluated in a risk assessment results in protection of public health and safety and the environment instead of complying with the generic numerical clean-up standards established in the rules adopted under division (B)(1) of this section. The risk assessment procedures shall describe a methodology to establish, on a property-specific basis, allowable levels of contamination to remain at a property to ensure protection of public health and safety and the environment on the property and off the property when the contamination is emanating off the property, taking into account all of the following:

(i) The implementation of treatment, storage, or disposal, or a combination thereof, of hazardous substances or petroleum;

(ii) The existence of institutional controls or activity and use limitations that eliminate or mitigate exposure to hazardous substances or petroleum through the restriction of access to hazardous substances or petroleum;

(iii) The existence of engineering controls that eliminate or mitigate exposure to hazardous substances or petroleum through...
containment of, control of, or restrictions of access to hazardous substances or petroleum, including, without limitation, fences, cap systems, cover systems, and landscaping.

(b) The risk assessment procedures and levels of acceptable risk set forth in the rules adopted under division (B)(2) of this section shall be based upon all of the following:

(i) Scientific information, including, without limitation, toxicological information and actual or proposed human and environmental exposure;

(ii) Locational and climatic factors;

(iii) Surrounding land use and human activities;

(iv) Differing levels of remediation that may be required when an existing land use is continued compared to when a different land use follows the remediation.

(c) Any standards established pursuant to rules adopted under division (B)(2) of this section shall be no more stringent than standards established under the environmental statutes of this state and rules adopted under them for the same contaminant in the same environmental medium that are in effect at the time the risk assessment is conducted.

(3) Minimum standards for phase I property assessments. The standards shall specify the information needed to demonstrate that there is no reason to believe that contamination exists on a property. The rules adopted under division (B)(3) of this section, at a minimum, shall require that a phase I property assessment include all of the following:

(a) A review and analysis of deeds, mortgages, easements of record, and similar documents relating to the chain of title to the property that are publicly available or that are known to and reasonably available to the owner or operator;
(b) A review and analysis of any previous environmental assessments, property assessments, environmental studies, or geologic studies of the property and any land within two thousand feet of the boundaries of the property that are publicly available or that are known to and reasonably available to the owner or operator;

(c) A review of current and past environmental compliance histories of persons who owned or operated the property;

(d) A review of aerial photographs of the property that indicate prior uses of the property;

(e) Interviews with managers of activities conducted at the property who have knowledge of environmental conditions at the property;

(f) Conducting an inspection of the property consisting of a walkover;

(g) Identifying the current and past uses of the property, adjoining tracts of land, and the area surrounding the property, including, without limitation, interviews with persons who reside or have resided, or who are or were employed, within the area surrounding the property regarding the current and past uses of the property and adjacent tracts of land.

The rules adopted under division (B)(3) of this section shall establish criteria to determine when a phase II property assessment shall be conducted when a phase I property assessment reveals facts that establish a reason to believe that hazardous substances or petroleum have been treated, stored, managed, or disposed of on the property if the person undertaking the phase I property assessment wishes to obtain a covenant not to sue under section 3746.12 of the Revised Code.

(4) Minimum standards for phase II property assessments. The standards shall specify the information needed to demonstrate that
any contamination present at the property does not exceed applicable standards or that the remedial activities conducted at the property have achieved compliance with applicable standards.

The rules adopted under division (B)(4) of this section, at a minimum, shall require that a phase II property assessment include all of the following:

(a) A review and analysis of all documentation prepared in connection with a phase I property assessment conducted within the one hundred eighty days before the phase II property assessment begins. The rules adopted under division (B)(4)(a) of this section shall require that if a period of more than one hundred eighty days has passed between the time that the phase I assessment of the property was completed and the phase II assessment begins, the phase II assessment shall include a reasonable inquiry into the change in the environmental condition of the property during the intervening period.

The voluntary action may include any one or more of the following elements:

1. A phase I property assessment conducted in accordance with rules adopted under division (B)(3) of section 3746.04 of the Revised Code or division (B) of section 3746.07 of the Revised Code, as appropriate;

6. Such other activities as the person undertaking the voluntary action considers to be necessary or appropriate to address the contamination.

When the person undertaking a voluntary action determines that the property meets applicable standards, the person may seek a no further action letter from a certified professional. A no further action letter may be issued for the property at any stage of the identification of potential hazardous substance or petroleum contamination or remedial activities after a phase I or II property assessment has demonstrated that there is no reason to believe that there has been a release of hazardous substances or petroleum at or upon the property, that information indicates that there has been a release of hazardous substances or petroleum at or upon the property, but that the release is not in excess of applicable standards, or that if there has been such a release in
excess of applicable standards, those standards have been achieved through remedial activities or will be achieved in accordance with the timeframes established in an operation and maintenance agreement entered into under division (A)(3) of section 3746.12 of the Revised Code or in such an agreement and a consolidated standards permit issued under section 3746.15 of the Revised Code.

(B)(1) A person who is participating in the voluntary action program under this chapter and rules adopted under it shall do both of the following:

(b) Utilize the services of a certified professional to verify that the property and any remedial activities undertaken at the property in connection with a voluntary action comply with applicable standards and, if those standards are met, to issue to the person a no further action letter for the property. For the purposes of such a verification, the certified professional shall perform and review all work that was conducted to support the request for the no further action letter or shall ensure that the work has been performed and reviewed by other persons with expertise and competence in areas other than those of the certified professional's expertise and competence as necessary for the issuance of the no further action letter.

(a) If the person also is a certified professional, prepare a no further action letter in connection with a voluntary action conducted at a property that the certified professional owns or operates;

(b) Utilize the services of a certified professional who is employed by, affiliated with, or related to the participant or who was employed by or affiliated with the participant during the year preceding the date that the participant entered into the contract to utilize the services of the certified professional in connection with the voluntary action;

(c) Utilize the services of an accredited laboratory that is owned by or affiliated with the participant, that is owned by a person related to the participant, or that was owned by or affiliated with the participant during the year preceding the date that the participant entered into the contract to utilize the services of the accredited laboratory in connection with the voluntary action, to perform any analyses that form the basis for the issuance of a no further action letter in connection with a voluntary action.

A covenant not to sue issued under section 3746.12 of the Revised Code to a person who violated division (B)(2)(a), (b), or (c) of this section with respect to the no further action letter upon which issuance of the covenant was based is void.

Except as otherwise provided in division (B)(2) of this section, a person who is participating in the voluntary action program may utilize an independent contractor to serve as a certified professional or accredited laboratory.

(C) In order to obtain a no further action letter, a person undertaking a voluntary action shall submit to a certified professional all of the following, as applicable:

by hazardous substances or petroleum of soil, sediments, surface water, or ground water on or underlying the property in concentrations exceeding applicable standards. The demonstrations shall be based upon the findings of a phase I or phase II property assessment.

(2) If remedial activities were conducted in connection with the voluntary action, data demonstrating that the remedy meets applicable standards or will achieve applicable standards in accordance with the timeframes established in an operation and maintenance agreement entered into under division (A)(3) of section 3746.12 of the Revised Code or in such an agreement and a consolidated standards permit issued under section 3746.15 of the Revised Code;

(3)(a) If the remedy relies on institutional controls or restrictions on the use of the property to achieve applicable standards, a demonstration that the institutional controls or the use restrictions have been recorded in the office of the county recorder of the county in which the property is located, or have been entered in the appropriate register for registered land as defined in section 5309.01 of the Revised Code, in compliance with section 3746.14 of the Revised Code;

(b) If the person undertaking a voluntary action seeks to obtain a covenant not to sue and if the remedy relies on activity and use limitations to achieve applicable standards, a demonstration that the activity and use limitations have been developed in accordance with this chapter and rules adopted under it and are contained in a proposed environmental covenant that meets the requirements established in section 5301.82 of the Revised Code.

(4) If the remedy relies on engineering controls that contain or control the release of hazardous substances or petroleum at or from the property, a plan for the proper operation and maintenance

(D) Except as otherwise specifically provided in this chapter and rules adopted under it, voluntary actions under this chapter and rules adopted under it shall be undertaken in compliance with all applicable laws of this state and rules adopted under them and with applicable ordinances, resolutions, and rules of political subdivisions of this state.

Sec. 3746.11. (A) After receiving the demonstrations and operation and maintenance plan, if any, required to be submitted to a certified professional under division (C) of section 3746.10 of the Revised Code, the certified professional shall review them to verify whether the property where the voluntary action was undertaken complies with applicable standards or shall ensure that they have been reviewed by another person or persons who performed work to support the request for the no further action letter as provided in division (B)(2) of section 3746.10 of the Revised Code. If, on the basis of the best knowledge, information, and belief of the certified professional, the certified professional concludes that the property meets applicable standards, the certified professional shall prepare a no further action letter for the property. The no further action letter shall contain all the information specified in rules adopted under division (B)(7) of section 3746.04 of the Revised Code or in division (E) of section 3746.07 of the Revised Code, as applicable.

Upon completion of a no further action letter, the certified professional shall send a copy of the letter to the person who undertook the voluntary action. The letter shall be accompanied by a written request that the person notify the certified professional as to whether the person wishes to submit the no further action letter to the director of environmental protection and by a written notice informing the person that the original
letter may be submitted to the director only by a certified
professional and that the person may receive a covenant not to sue
from the director in connection with the voluntary action only if
the no further action letter for the voluntary action is submitted
to the director on the person's behalf by the certified
professional.

Promptly after receipt of the letter and request, the person
who undertook the voluntary action shall send written notice to
the certified professional informing the certified professional as
to whether the person wishes to submit the letter to the director
and shall send a copy of the notice to the director. If the
person's notice indicates that the person wishes to have the no
further action letter submitted to the director, promptly after
receipt of the notice, the certified professional shall submit the
original no further action letter, together with a proposed
environmental convenant, if applicable, and a proposed operation
and maintenance agreement, if applicable, to the director by
certified mail on behalf of the person who undertook the voluntary

(E) Unless a covenant not to sue issued under this section is revoked through the operation of a provision of the covenant described in division (A)(2)(c) of this section, or under division (B) of this section, division (B)(2) of section 3746.18 of the Revised Code, or division (B) of section 3746.19 of the Revised Code, the covenant shall remain effective as long as the property complies with the applicable standards that were in effect when the person who undertook the voluntary action submitted the information and demonstrations required under division (C) of section 3746.10 of the Revised Code to the certified professional who prepared the no further action letter regardless of whether amendments to the rules adopted under division (B)(1) or (2) of section 3746.04 of the Revised Code that became effective after that time altered the generic numerical clean-up standards for a
contaminant addressed by the voluntary action or the procedures or levels of acceptable risk that govern the property-specific risk assessments conducted in lieu of compliance with generic numerical standards.

which the individual performs no services and with respect to such  
week no remuneration is payable to the individual.

(N) An individual is "partially unemployed" in any week if,

the individual for such week is less than the individual's weekly  
benefit amount.

Saturday unless an equivalent week of seven consecutive calendar  
days is prescribed by the director.

(1) "Qualifying week" means any calendar week in an  
individual's base period with respect to which the individual  
earns or is paid remuneration in employment subject to this  
chapter. A calendar week with respect to which an individual earns  
remuneration but for which payment was not made within the base  
period, when necessary to qualify for benefit rights, may be  
considered to be a qualifying week. The number of qualifying weeks  
which may be established in a calendar quarter shall not exceed
the number of calendar weeks in the quarter.

(2) "Average weekly wage" means the amount obtained by dividing an individual's total remuneration for all qualifying weeks during the base period by the number of such qualifying weeks, provided that if the computation results in an amount that is not a multiple of one dollar, such amount shall be rounded to the next lower multiple of one dollar.

Such base period shall be known as the "alternate base period." If information as to weeks and wages for the most recent quarter of the alternate base period is not available to the director from the regular quarterly reports of wage information, which are systematically accessible, the director may, consistent with the provisions of section 4141.28 of the Revised Code, base the determination of eligibility for benefits on the affidavit of the claimant with respect to weeks and wages for that calendar quarter. The claimant shall furnish payroll documentation, where available, in support of the affidavit. The determination based upon the alternate base period as it relates to the claimant's benefit rights, shall be amended when the quarterly report of wage information from the employer is timely received and that information causes a change in the
determination. As provided in division (B) of section 4141.28 of the Revised Code, any benefits paid and charged to an employer's account, based upon a claimant's affidavit, shall be adjusted effective as of the beginning of the claimant's benefit year. No calendar quarter in a base period or alternate base period shall be used to establish a subsequent benefit year.

(3) The "base period" of a combined wage claim, as described in division (H) of section 4141.43 of the Revised Code, shall be the base period prescribed by the law of the state in which the claim is allowed.

(4) For purposes of determining the weeks that comprise a completed calendar quarter under this division, only those weeks ending at midnight Saturday within the calendar quarter shall be utilized.

(R)(1) "Benefit year" with respect to an individual means the fifty-two week period beginning with the first day of that week with respect to which the individual first files a valid application for determination of benefit rights, and thereafter the fifty-two week period beginning with the first day of that week with respect to which the individual next files a valid application for determination of benefit rights after the termination of the individual's last preceding benefit year, except that the application shall not be considered valid unless the individual has had employment in six weeks that is subject to this chapter or the unemployment compensation act of another state, or the United States, and has, since the beginning of the individual's previous benefit year, in the employment earned three times the average weekly wage determined for the previous benefit year. The "benefit year" of a combined wage claim, as described in division (H) of section 4141.43 of the Revised Code, shall be the benefit year prescribed by the law of the state in which the claim is allowed. Any application for determination of benefit rights
made in accordance with section 4141.28 of the Revised Code is valid if the individual filing such application is unemployed, has been employed by an employer or employers subject to this chapter in at least twenty qualifying weeks within the individual's base period, and has earned or been paid remuneration at an average weekly wage of not less than twenty-seven and one-half per cent of the statewide average weekly wage for such weeks. For purposes of determining whether an individual has had sufficient employment since the beginning of the individual's previous benefit year to file a valid application, "employment" means the performance of services for which remuneration is payable.

(2) Effective for benefit years beginning on and after December 26, 2004, but before July 1, 2022, any application for determination of benefit rights made in accordance with section 4141.28 of the Revised Code is valid if the individual satisfies the criteria described in division (R)(1) of this section, and if the reason for the individual's separation from employment is not disqualifying pursuant to division (D)(2) of section 4141.29 or section 4141.291 of the Revised Code. A disqualification imposed pursuant to division (D)(2) of section 4141.29 or section 4141.291 of the Revised Code must be removed as provided in those sections as a requirement of establishing a valid application for benefit years beginning on and after December 26, 2004, but before July 1, 2022. Effective for benefit years beginning on and after July 1, 2022, any application for determination of benefit rights made in accordance with section 4141.28 of the Revised Code is valid if the individual satisfies the criteria described in division (R)(1) of this section. A disqualification imposed pursuant to division (D)(2) of section 4141.29 or section 4141.291 of the Revised Code does not affect the validity of an application.

(3) The statewide average weekly wage shall be calculated by the director once a year based on the twelve-month period ending
the thirtieth day of June, as set forth in division (B)(3) of section 4141.30 of the Revised Code, rounded down to the nearest dollar. Increases or decreases in the amount of remuneration required to have been earned or paid in order for individuals to have filed valid applications shall become effective on Sunday of the calendar week in which the first day of January occurs that follows the twelve-month period ending the thirtieth day of June upon which the calculation of the statewide average weekly wage was based.

(4) As used in this division, an individual is "unemployed" if, with respect to the calendar week in which such application is filed, the individual is "partially unemployed" or "totally unemployed" as defined in this section or if, prior to filing the application, the individual was separated from the individual's most recent work for any reason which terminated the individual's employee-employer relationship, or was laid off indefinitely or for a definite period of seven or more days.

(2) The individual is available for work and is actively seeking work by being available for the individual's normal weekly hours of work.

(3) The individual's normal weekly hours of work with the participating employer have been reduced by at least ten per cent but not more than fifty-six per cent.

(4) The individual has been employed by an employer or employers subject to this chapter in at least twenty qualifying weeks within the individual's base period and has earned or been paid remuneration at an average weekly wage of not less than twenty-seven and one-half per cent of the statewide average weekly wage for those weeks.

(5) The individual has been subject to a shared work plan for at least one week prior to the week for which the compensation is to be paid, or otherwise satisfies the waiting period requirement of division (B) of section 4141.29 of the Revised Code for the individual's benefit year.

(6) The individual otherwise satisfies the requirements of this chapter and is not otherwise disqualified from receiving unemployment compensation benefits.

(B) For purposes of division (A)(2) of this section, an individual is available for the individual's normal weekly hours of work with the participating employer if the individual does any
of the following:

(1) Works the number of weekly hours assigned to the individual under an approved shared work plan;

(2) Works fewer hours than the number of weekly hours assigned to the individual under an approved shared work plan and either of the following apply:

(a) The individual takes approved time off during the week with pay, and the combined work hours and paid leave hours equal the number of hours the employee would have worked under the plan;

(b) The individual does not take approved time off with pay during that week and the reduction in hours was not the fault of the individual and was not more than fifty sixty per cent of the individual's normal weekly hours of work.

(C)(1) Except as provided in division (C)(2) or (D) of this section, the director of job and family services shall pay a participating employee who is eligible for weekly shared work compensation in an amount equal to the participating employee's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the reduction percentage specified in the approved shared work plan applicable to the participating employee.

(2) The director shall pay a participating employee who is eligible for weekly shared work compensation in an amount equal to the participating employee's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the percentage by which the participating employee's normal weekly hours of work were actually reduced during the workweek, if all of the following apply:

(a) The participating employee did not take approved paid leave during the week.
(b) The participating employee's normal weekly hours of work were actually reduced by not less than ten per cent and not greater than fifty sixty per cent.

(c) The increase or decrease in the participating employee's hours above or below the number of hours assigned to the employee in the approved shared work plan was not the fault of the employee.

(3) The director shall determine fault for purposes of divisions (B)(2)(b) and (C)(2)(c) of this section in the same manner that the director makes determinations for benefit rights and determines claims for unemployment compensation benefits under sections 4141.28 and 4141.281 of the Revised Code.

(4) The director shall round the amount of a shared work compensation payment that is not a multiple of one dollar to the next lower multiple of one dollar.

(5) No shared work compensation shall be payable during the one-week period described in division (A)(5) of this section.

(D) If an individual works for a participating employer and another employer during the weeks the individual is covered by an approved shared work plan, eligibility for shared work compensation is determined as follows:

(1) If the combined number of hours the individual works for both the participating employer and the other employer in a week exceeds the amount of the individual's normal weekly hours of work reduced by ten per cent, the individual is not eligible for shared work compensation.

(2) If the combined number of hours the individual works in a week for both employers equals the amount of the individual's normal weekly hours of work reduced between ten and fifty sixty per cent, the director shall pay the individual, if the individual is otherwise eligible, shared work compensation in an amount equal
to the individual's weekly benefit amount as described in division (B) of section 4141.30 of the Revised Code for a period of total unemployment, multiplied by the percentage by which the individual's normal weekly hours of work were reduced during the week when factoring in both the amount of hours worked for the other employer and the amount of hours worked for the participating employer.

(E) A participating employee is not entitled to receive shared work compensation and unemployment compensation benefits that, when combined, exceed the maximum total benefits payable to the participating employee in a benefit year under section 4141.30 of the Revised Code. No participating employee shall be paid shared work compensation during the employee's benefit year in an amount that exceeds twenty-six times the amount of the employee's weekly benefit amount for a period of total unemployment under section 4141.30 of the Revised Code.

(F) An individual who has received all of the shared work compensation and unemployment compensation benefits available in a benefit year is an individual who has exhausted regular benefits under section 4141.30 of the Revised Code and is entitled to receive extended benefits under section 4141.301 of the Revised Code if the individual is otherwise eligible to receive benefits under that section.

(G) Except as provided in division (C)(2) of this section, the director shall not pay shared work compensation to an individual for a week during which the individual performs paid work for the individual's participating employer that exceeds or falls below the reduced hours established under an approved shared work plan that covers the individual.

(H)(1) Except as provided in divisions (H)(2) and (3) of this section, a participating employee is not eligible to receive benefits for being partially unemployed for any week during which
the individual works as a participating employee.

(2) A participating employee who performs no services during a week for the participating employer and who is otherwise eligible may be paid benefits for being totally or partially unemployed for that week.

(3) A participating employee whose normal weekly hours of work are reduced by more than sixty per cent and who is otherwise eligible may be paid benefits for partial unemployment for that week.

(I) Any payment of total or partial unemployment compensation benefits under this section is not a payment of shared work compensation under an approved plan but shall be calculated against the maximum total benefits payable to the participating employee in a benefit year under section 4141.30 of the Revised Code.

(J) For purposes of this section and unless another benefit year applies to the individual, notwithstanding division (R)(1) of section 4141.01 of the Revised Code, a participating employee's "benefit year" is the fifty-two week period beginning with the first day of that week with respect to which the employee's participating employer first files a claim on behalf of the participating employee pursuant to division (B) of section 4141.54 of the Revised Code.

Sec. 4141.55. (A) If the state is eligible for and receives reimbursement for shared work compensation paid under the SharedWork Ohio program from the federal government pursuant to the federal "Layoff Prevention Act of 2012," Pub. L. No. 112-96, 126 Stat. 156, or any other federal law, notwithstanding section 4141.24 of the Revised Code and if permitted under that act or other federal law, during the time period in which the state is fully or partially reimbursed the account of an employer shall not
be charged for the portion of any shared work compensation paid to a participating employer's participating employees for which the state receives reimbursement. If the federal government does not provide full reimbursement for shared work compensation paid to an individual under section 4141.53 of the Revised Code, the portion of shared work compensation paid to that individual that is not reimbursed shall be charged in accordance with division (C) of this section.

(B) Beginning with the week for which the federal government no longer provides reimbursement, or if the state does not receive reimbursement or the federal government requires an employer's account to be charged, any shared work compensation paid to an individual shall be charged in accordance with division (C) of this section.

(C) Except as provided in divisions (A) and (B) of this section, any shared work compensation paid to an individual under section 4141.53 of the Revised Code shall be charged in accordance with division (D) of section 4141.24 of the Revised Code.

Sec. 4301.03. The liquor control commission may adopt and promulgate, repeal, rescind, and amend, in the manner required by this section, rules, standards, requirements, and orders necessary to carry out this chapter and Chapter 4303. of the Revised Code, but all rules of the board of liquor control that were in effect immediately prior to April 17, 1963, shall remain in full force and effect as rules of the liquor control commission until and unless amended or repealed by the liquor control commission. The rules of the commission may include the following:

(A) Rules with reference to applications for and the issuance of permits for the manufacture, distribution, transportation, and sale of beer and intoxicating liquor, and the sale of alcohol; and
rules governing the procedure of the division of liquor control in
the suspension, revocation, and cancellation of those permits;

(B) Rules and orders providing in detail for the conduct of
any retail business authorized under permits issued pursuant to
this chapter and Chapter 4303. of the Revised Code, with a view to
ensuring compliance with those chapters and laws relative to them,
and the maintenance of public decency, sobriety, and good order in
any place licensed under the permits. No rule or order shall
prohibit the operation of video lottery terminal games at a
commercial race track where live horse racing and simulcasting are
conducted in accordance with Chapter 3769. of the Revised Code or
the sale of lottery tickets issued pursuant to Chapter 3770. of
the Revised Code by any retail business authorized under permits
issued pursuant to that chapter.

No rule or order shall prohibit pari-mutuel wagering on
simulcast horse races at a satellite facility that has been issued
a D liquor permit under Chapter 4303. of the Revised Code. No rule
or order shall prohibit a charitable organization that holds a D-4
permit from selling or serving beer or intoxicating liquor under
its permit in a portion of its premises merely because that
portion of its premises is used at other times for the conduct of
a bingo game, as described in division (O) of section 2915.01 of
the Revised Code. However, such an organization shall not sell or
serve beer or intoxicating liquor or permit beer or intoxicating
liquor to be consumed or seen in the same location in its premises
where a bingo game, as described in division (O)(1) of section
2915.01 of the Revised Code, is being conducted while the game is
being conducted. As used in this division, "charitable
organization" has the same meaning as in division (H) of section
2915.01 of the Revised Code. No rule or order pertaining to
visibility into the premises of a permit holder after the legal
hours of sale shall be adopted or maintained by the commission.
(C) Standards, not in conflict with those prescribed by any law of this state or the United States, to secure the use of proper ingredients and methods in the manufacture of beer, mixed beverages, and wine to be sold within this state;

(D) Rules determining the nature, form, and capacity of all packages and bottles to be used for containing beer or intoxicating liquor, except for spirituous liquor to be kept or sold, governing the form of all seals and labels to be used on those packages and bottles;

(E) Rules requiring the label on every package, bottle, and container to state all of the following, as applicable:

1. The ingredients in the contents;

2. Except for beer, the terms of weight, volume, or proof spirits;

3. Except for spirituous liquor, whether the product is beer, wine, alcohol, or any intoxicating liquor;

4. Regarding beer that contains more than twelve per cent of alcohol by volume, the percentage of alcohol by volume and that the beer is a "high alcohol beer."

(F) Uniform rules governing all advertising with reference to the sale of beer and intoxicating liquor throughout the state and advertising upon and in the premises licensed for the sale of beer or intoxicating liquor;

(G) Rules restricting and placing conditions upon the transfer of permits;

(H) Rules and orders limiting the number of permits of any class within the state or within any political subdivision of the state; and, for that purpose, adopting reasonable classifications of persons or establishments to which any authorized class of permits may be issued within any political subdivision;
(I) Rules and orders with reference to sales of beer and
intoxicating liquor on Sundays and holidays and with reference to
the hours of the day during which and the persons to whom
intoxicating liquor of any class may be sold, and rules with
reference to the manner of sale;

(J) Rules requiring permit holders buying beer to pay and
permit holders selling beer to collect minimum cash deposits for
kegs, cases, bottles, or other returnable containers of the beer;
requiring the repayment, or credit, of the minimum cash deposit
charges upon the return of the empty containers; and requiring the
posting of such form of indemnity or such other conditions with
respect to the charging, collection, and repayment of minimum cash
deposit charges for returnable containers of beer as are necessary
to ensure the return of the empty containers or the repayment upon
that return of the minimum cash deposits paid;

(K) Rules establishing the method by which alcohol products
may be imported for sale by wholesale distributors and the method
by which manufacturers and suppliers may sell alcohol products to
wholesale distributors.

Every rule, standard, requirement, or order of the commission
and every repeal, amendment, or rescission of them shall be posted
for public inspection in the principal office of the commission
and the principal office of the division of liquor control, and a
certified copy of them shall be filed in the office of the
secretary of state. An order applying only to persons named in it
shall be served on the persons affected by personal delivery of a
certified copy, or by mailing a certified copy to each person
affected by it or, in the case of a corporation, to any officer or
agent of the corporation upon whom a service of summons may be
served in a civil action. The posting and filing required by this
section constitutes sufficient notice to all persons affected by
such rule or order which is not required to be served. General
rules of the commission promulgated pursuant to this section shall be published in the manner the commission determines.

Sec. 4301.10. (A) The division of liquor control shall do all of the following:

(1) Control the traffic in beer and intoxicating liquor in this state, including the manufacture, importation, and sale of beer and intoxicating liquor;

(2) Grant or refuse permits for the manufacture, distribution, transportation, and sale of beer and intoxicating liquor and the sale of alcohol, as authorized or required by this chapter and Chapter 4303. of the Revised Code. A certificate, signed by the superintendent of liquor control and to which is affixed the official seal of the division, stating that it appears from the records of the division that no permit has been issued to the person specified in the certificate, or that a permit, if issued, has been revoked, canceled, or suspended, shall be received as prima-facie evidence of the facts recited in the certificate in any court or before any officer of this state.

(3) Put into operation, manage, and control a system of state liquor stores for the sale of spirituous liquor at retail and to holders of permits authorizing the sale of spirituous liquor; however, the division shall not establish any drive-in state liquor stores; and by means of those types of stores, and any manufacturing plants, distributing and bottling plants, warehouses, and other facilities that it considers expedient, establish and maintain a state monopoly of the distribution of spirituous liquor and its sale in packages or containers; and for that purpose, manufacture, buy, import, possess, and sell spirituous liquors as provided in this chapter and Chapter 4303. of the Revised Code, and in the rules promulgated by the superintendent of liquor control pursuant to those chapters; lease
or in any manner acquire the use of any land or building required 53696
for any of those purposes; purchase any equipment that is 53697
required; and borrow money to carry on its business, and issue, 53698
sign, endorse, and accept notes, checks, and bills of exchange; 53699
but all obligations of the division created under authority of 53700
this division shall be a charge only upon the moneys received by 53701
the division from the sale of spirituous liquor and its other 53702
business transactions in connection with the sale of spirituous 53703
liquor, and shall not be general obligations of the state; 53704

(4) Enforce the administrative provisions of this chapter and 53705
Chapter 4303. of the Revised Code, and the rules and orders of the 53706
liquor control commission and the superintendent relating to the 53707
manufacture, importation, transportation, distribution, and sale 53708
of beer or intoxicating liquor. The attorney general, any 53709
prosecuting attorney, and any prosecuting officer of a municipal 53710
corporation or a municipal court shall, at the request of the 53711
division of liquor control or the department of public safety, 53712
prosecute any person charged with the violation of any provision 53713
in those chapters or of any section of the Revised Code relating 53714
to the manufacture, importation, transportation, distribution, and 53715
sale of beer or intoxicating liquor.

(5) Determine the locations of all state liquor stores and 53716
manufacturing, distributing, and bottling plants required in 53717
connection with those stores, subject to this chapter and Chapter 53718
4303. of the Revised Code;

(6) Conduct inspections of liquor permit premises to 53719
determine compliance with the administrative provisions of this 53720
chapter and Chapter 4303. of the Revised Code and the rules 53721
adopted under those provisions by the liquor control commission. 53722

Except as otherwise provided in division (A)(6) of this 53723
section, those inspections may be conducted only during those 53724
hours in which the permit holder is open for business and only by 53725

authorized agents or employees of the division or by any peace officer, as defined in section 2935.01 of the Revised Code.
Inspections may be conducted at other hours only to determine compliance with laws or commission rules that regulate the hours of sale of beer or intoxicating liquor and only if the investigator has reasonable cause to believe that those laws or rules are being violated. Any inspection conducted pursuant to division (A)(6) of this section is subject to all of the following requirements:

(a) The only property that may be confiscated is contraband, as defined in section 2901.01 of the Revised Code, or property that is otherwise necessary for evidentiary purposes.

(b) A complete inventory of all property confiscated from the premises shall be given to the permit holder or the permit holder's agent or employee by the confiscating agent or officer at the conclusion of the inspection. At that time, the inventory shall be signed by the confiscating agent or officer, and the agent or officer shall give the permit holder or the permit holder's agent or employee the opportunity to sign the inventory.

(c) Inspections conducted pursuant to division (A)(6) of this section shall be conducted in a reasonable manner. A finding by any court of competent jurisdiction that an inspection was not conducted in a reasonable manner in accordance with this section or any rules adopted by the commission may be considered grounds for suppression of evidence. A finding by the commission that an inspection was not conducted in a reasonable manner in accordance with this section or any rules adopted by it may be considered grounds for dismissal of the commission case.

If any court of competent jurisdiction finds that property confiscated as the result of an administrative inspection is not necessary for evidentiary purposes and is not contraband, as defined in section 2901.01 of the Revised Code, the court shall
order the immediate return of the confiscated property, provided
that property is not otherwise subject to forfeiture, to the
permit holder. However, the return of this property is not grounds
for dismissal of the case. The commission likewise may order the
return of confiscated property if no criminal prosecution is
pending or anticipated.

(7) Delegate to any of its agents or employees any power of
investigation that the division possesses with respect to the
enforcement of any of the administrative laws relating to beer or
intoxicating liquor, provided that this division does not
authorize the division to designate any agent or employee to serve
as an enforcement agent. The employment and designation of
enforcement agents shall be within the exclusive authority of the
director of public safety pursuant to sections 5502.13 to 5502.19
of the Revised Code.

(8) Collect the following fees:

(a) A biennial fifty-dollar registration fee for each agent,
solicitor, trade marketing professional, or salesperson,
registered pursuant to section 4303.25 of the Revised Code, of a
beer or intoxicating liquor manufacturer, supplier, broker, trade
marketing company, or wholesale distributor doing business in this
state;

(b) A fifty-dollar product registration fee for each new beer
or intoxicating liquor product sold in this state. The product
registration fee also applies to products sold in this state by
B-2a, S-1, and S-2 permit holders. The product registration fee
shall be accompanied by a copy of the federal label and product
approval for the new product.

(c) An annual three-hundred-dollar supplier registration fee
from each manufacturer or supplier that produces and ships into
this state, or ships into this state, intoxicating liquor or beer,
in addition to an initial application fee of one hundred dollars. A manufacturer that produces and ships beer or wine into this state and that holds only an S-1 or S-2 permit, as applicable, is exempt from the supplier registration fee. A manufacturer that produces and ships beer or wine into this state and that holds a B-2a permit shall pay an annual seventy-six-dollar supplier registration fee. A manufacturer that produces and ships wine into this state and that does not hold either an S-1 or a B-2a permit, but that produces less than two hundred fifty thousand gallons of wine per year and that is entitled to a tax credit under 27 C.F.R. 24.278 shall pay an annual seventy-six-dollar supplier registration fee. A B-2a, S-1, or S-2 permit holder that does not sell its wine to wholesale distributors of wine in this state and an S-1 permit holder that does not sell its beer to wholesale distributors of beer in this state shall not be required to submit to the division territory designation forms.

Each supplier, agent, solicitor, trade marketing professional, or salesperson registration issued under this division shall authorize the person named to carry on the activity specified in the registration. Each agent, solicitor, trade marketing professional, or salesperson registration is valid for two years or for the unexpired portion of a two-year registration period. Each supplier registration is valid for one year or for the unexpired portion of a one-year registration period. Registrations shall end on their respective uniform expiration date, which shall be designated by the division, and are subject to suspension, revocation, cancellation, or fine as authorized by this chapter and Chapter 4303. of the Revised Code.

As used in this division, "trade marketing company" and "trade marketing professional" have the same meanings as in section 4301.171 of the Revised Code.

(9) Establish a system of electronic data interchange within
the division and regulate the electronic transfer of information and funds among persons and governmental entities engaged in the manufacture, distribution, and retail sale of alcoholic beverages;

(10) Notify all holders of retail permits of the forms of permissible identification for purposes of division (A) of section 4301.639 of the Revised Code;

(11) Exercise all other powers expressly or by necessary implication conferred upon the division by this chapter and Chapter 4303. of the Revised Code, and all powers necessary for the exercise or discharge of any power, duty, or function expressly conferred or imposed upon the division by those chapters.

(B) The division may do all of the following:

(1) Sue, but may be sued only in connection with the execution of leases of real estate and the purchases and contracts necessary for the operation of the state liquor stores that are made under this chapter and Chapter 4303. of the Revised Code;

(2) Enter into leases and contracts of all descriptions and acquire and transfer title to personal property with regard to the sale, distribution, and storage of spirituous liquor within the state;

(3) Terminate at will any lease entered into pursuant to division (B)(2) of this section upon first giving ninety days' notice in writing to the lessor of its intention to do so;

(4) Fix the wholesale and retail prices at which the various classes, varieties, and brands of spirituous liquor shall be sold by the division. Those retail prices shall be the same at all state liquor stores, except to the extent that a price differential is required to collect a county sales tax levied pursuant to section 5739.021 of the Revised Code and for which tax the tax commissioner has authorized prepayment pursuant to section
5739.05 of the Revised Code. In fixing selling prices, the division shall compute an anticipated gross profit at least sufficient to provide in each calendar year all costs and expenses of the division and also an adequate working capital reserve for the division. The gross profit shall not exceed forty per cent of the retail selling price based on costs of the division, and in addition the sum required by section 4301.12 of the Revised Code to be paid into the state treasury. An amount equal to one and one-half per cent of that gross profit shall be paid into the statewide treatment and prevention fund created by section 4301.30 of the Revised Code and be appropriated by the general assembly from the fund to the department of mental health and addiction services as provided in section 4301.30 of the Revised Code.

On spirituous liquor manufactured in this state from the juice of grapes or fruits grown in this state, the division shall compute an anticipated gross profit of not to exceed ten per cent.

The wholesale prices fixed under this division shall be at a discount of not less than six per cent of the retail selling prices as determined by the division in accordance with this section.

(C) The division may approve the expansion or diminution of a premises to which a liquor permit has been issued and may adopt standards governing such an expansion or diminution.

Sec. 4301.12. The division of liquor control shall provide for the custody, safekeeping, and deposit of all moneys, checks, and drafts received by it or any of its employees or agents prior to paying them to the treasurer of state as provided by section 113.08 of the Revised Code.

A sum equal to three dollars and thirty-eight cents for each gallon of spirituous liquor sold by the division, JobsOhio, or a designee of JobsOhio during the period covered by the payment.
shall be paid into the state treasury to the credit of the general revenue fund. All moneys received from permit fees, except B-2a, S-1, and S-2 permit holders who do not also hold A-2 or A-2f permits, shall be paid to the credit of the undivided liquor permit fund established by section 4301.30 of the Revised Code.

Except as otherwise provided by law, the division shall deposit all moneys collected under Chapters 4301. and 4303. of the Revised Code into the state treasury to the credit of the state liquor regulatory fund created in section 4301.30 of the Revised Code. In addition, revenue resulting from any contracts with the department of commerce pertaining to the responsibilities and operations described in this chapter may be credited to the fund.

Whenever, in the judgment of the director of budget and management, the amount in the liquor control fund is in excess of that needed to meet the maturing obligations of the division, as working capital for its further operations, to pay the operating expenses of the commission, and for the alcohol testing program under section 3701.143 of the Revised Code, the director shall transfer the excess to the credit of the general revenue fund. If the director determines that the amount in the liquor control fund is insufficient, the director may transfer money from the general revenue fund to the liquor control fund.

Sec. 4301.30. (A) All fees collected by the division of liquor control shall be deposited in the state treasury to the credit of the undivided liquor permit fund, which is hereby created, at the time prescribed under section 4301.12 of the Revised Code. Each payment shall be accompanied by a statement showing separately the amount collected for each class of permits in each municipal corporation and in each township outside the limits of any municipal corporation in such township.
(B)(1) An amount equal to forty-five per cent of the fund shall be paid from the fund into the state liquor regulatory fund, which is hereby created in the state treasury. The state liquor regulatory fund shall be used to pay the operating expenses of the division of liquor control in administering and enforcing Title XLIII of the Revised Code and the operating expenses of the liquor control commission. Investment earnings of the fund shall be credited to the fund.

(2) Whenever, in the judgment of the director of budget and management, the amount of money that is in the state liquor regulatory fund is in excess of the amount that is needed to pay the operating expenses of the division in administering and enforcing Title XLIII of the Revised Code and the operating expenses of the commission, the director shall credit the excess amount to the general revenue fund.

(C) Twenty per cent of the undivided liquor permit fund shall be paid into the statewide treatment and prevention fund, which is hereby created in the state treasury. This amount shall be appropriated by the general assembly, together with an amount equal to one and one-half per cent of the gross profit of the division of liquor control derived under division (B)(4) of section 4301.10 of the Revised Code, to the department of mental health and addiction services. In planning for the allocation of and in allocating these amounts for the purposes of Chapter 5119. of the Revised Code, the department shall comply with the nondiscrimination provisions of Title VI of the Civil Rights Act of 1964, and any rules adopted under that act.

(D) Thirty-five per cent of the undivided liquor permit fund shall be distributed by the superintendent of liquor control at quarterly calendar periods as follows:

(1) To each municipal corporation, the aggregate amount shown by the statements to have been collected from permits in the
municipal corporation, for the use of the general fund of the municipal corporation;

(2) To each township, the aggregate amount shown by the statements to have been collected from permits in its territory, outside the limits of any municipal corporation located in the township, for the use of the general fund of the township, or for fire protection purposes, including buildings and equipment in the township or in an established fire district within the township, to the extent that the funds are derived from liquor permits within the territory comprising such fire district.

(E) For the purpose of the distribution required by this section, E, H, and D permits covering boats or vessels are deemed to have been issued in the municipal corporation or township wherein the owner or operator of the vehicle, boat, vessel, or dining car equipment to which the permit relates has the owner's or operator's principal office or place of business within the state.

(F) If the liquor control commission determines that the police or other officers of any municipal corporation or township entitled to share in distributions under this section are refusing or culpably neglecting to enforce this chapter and Chapter 4303. of the Revised Code, or the penal laws of this state relating to the manufacture, importation, transportation, distribution, and sale of beer and intoxicating liquors, or if the prosecuting officer of a municipal corporation or a municipal court fails to comply with the request of the commission authorized by division (A)(4) of section 4301.10 of the Revised Code, the commission, by certified mail, may notify the chief executive officer of the municipal corporation or the board of township trustees of the township of the failure and require the immediate cooperation of the responsible officers of the municipal corporation or township with the division of liquor control in the enforcement of those
chapters and penal laws. Within thirty days after the notice is served, the commission shall determine whether the requirement has been complied with. If the commission determines that the requirement has not been complied with, it may issue an order to the superintendent to withhold the distributive share of the municipal corporation or township until further order of the commission. This action of the commission is reviewable within thirty days thereafter in the court of common pleas of Franklin county.

(G) All fees collected by the division of liquor control from the issuance or renewal of B-2a, S-1, and S-2 permits, and paid by B-2a, S-1, and S-2 permit holders who do not also hold A-1 or A-1c permits or A-2 or A-2f permits, shall be deposited in the state treasury to the credit of the state liquor regulatory fund. Once during each fiscal year, an amount equal to fifty per cent of the fees collected shall be paid from the state liquor regulatory fund into the general revenue fund.

Sec. 4301.42. For the purpose of providing revenue for the support of the state, a tax is hereby levied on the sale of beer in sealed bottles and cans having twelve ounces or less of liquid content, at the rate of fourteen one-hundredths of one cent on each ounce of liquid content or fractional part of each ounce of liquid content, and on such containers in excess of twelve ounces, at the rate of eighty-four one-hundredths of one cent on each six ounces of liquid content or fractional part of each six ounces of liquid content. Sections 4307.01 to 4307.12 of the Revised Code apply in the administration of that tax. Manufacturers, bottlers, and canners of beer, wholesale dealers in beer, and S-1 permit holders have the duty to pay the tax imposed by this section and are entitled to the privileges in the manner provided in section 4303.33 of the Revised Code.
Sec. 4301.43. (A) As used in sections 4301.43 to 4301.50 of the Revised Code:

(1) "Gallon" or "wine gallon" means one hundred twenty-eight fluid ounces.

(2) "Sale" or "sell" includes exchange, barter, gift, distribution, and, except with respect to A-4 permit holders, offer for sale.

An application by a disabled veteran for the reduction under
division (B) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from the United States department of veterans affairs, or its predecessor or successor agency, showing that the veteran qualifies as a disabled veteran.

An application by the surviving spouse of a public service officer killed in the line of duty for the reduction under division (C) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from an officer or employee of the board of trustees of a retirement or pension fund in this state or another state or from the chief or other chief executive of the department, agency, or other employer for which the public service officer served when killed in the line of duty affirming that the public service officer was killed in the line of duty.

(2) Each application shall constitute a continuing application for a reduction in taxes for each year in which the manufactured or mobile home is occupied by the applicant. Failure to receive a new application or notification under division (B) of this section after an application for reduction has been approved is prima-facie evidence that the original applicant is entitled to the reduction calculated on the basis of the information contained in the original application. The original application and any subsequent application shall be in the form of a signed statement and shall be filed on or before the thirty-first day of December of the year preceding the year for which the reduction is sought. The statement shall be on a form, devised and supplied by the tax commissioner, that shall require no more information than is necessary to establish the applicant's eligibility for the reduction in taxes and the amount of the reduction to which the applicant is entitled. The form shall contain a statement that signing such application constitutes a delegation of authority by
the applicant to the tax commissioner or the county auditor, individually or in consultation with each other, to examine any tax or financial records that relate to the income of the applicant as stated on the application for the purpose of determining eligibility under, or possible violation of, division (C) or (D) of this section. The form also shall contain a statement that conviction of willfully falsifying information to obtain a reduction in taxes or failing to comply with division (B) of this section shall result in the revocation of the right to the reduction for a period of three years.

(3) A late application for a reduction in taxes for the year preceding the year for which an original application is filed may be filed with an original application. If the auditor determines that the information contained in the late application is correct, the auditor shall determine both the amount of the reduction in taxes to which the applicant would have been entitled for the current tax year had the application been timely filed and approved in the preceding year, and the amount the taxes levied under section 4503.06 of the Revised Code for the current year would have been reduced as a result of the reduction. When an applicant is permanently and totally disabled on the first day of January of the year in which the applicant files a late application, the auditor, in making the determination of the amounts of the reduction in taxes under division (A)(3) of this section, is not required to determine that the applicant was permanently and totally disabled on the first day of January of the preceding year.

The amount of the reduction in taxes pursuant to a late application shall be treated as an overpayment of taxes by the applicant. The auditor shall credit the amount of the overpayment against the amount of the taxes or penalties then due from the applicant, and, at the next succeeding settlement, the amount of
the credit shall be deducted from the amount of any taxes or penalties distributable to the county or any taxing unit in the county that has received the benefit of the taxes or penalties previously overpaid, in proportion to the benefits previously received. If, after the credit has been made, there remains a balance of the overpayment, or if there are no taxes or penalties due from the applicant, the auditor shall refund that balance to the applicant by a warrant drawn on the county treasurer in favor of the applicant. The treasurer shall pay the warrant from the general fund of the county. If there is insufficient money in the general fund to make the payment, the treasurer shall pay the warrant out of any undivided manufactured or mobile home taxes subsequently received by the treasurer for distribution to the county or taxing district in the county that received the benefit of the overpaid taxes, in proportion to the benefits previously received, and the amount paid from the undivided funds shall be deducted from the money otherwise distributable to the county or taxing district in the county at the next or any succeeding distribution. At the next or any succeeding distribution after making the refund, the treasurer shall reimburse the general fund for any payment made from that fund by deducting the amount of that payment from the money distributable to the county or other taxing unit in the county that has received the benefit of the taxes, in proportion to the benefits previously received. On the second Monday in September of each year, the county auditor shall certify the total amount of the reductions in taxes made in the current year under division (A)(3) of this section to the tax commissioner who shall treat that amount as a reduction in taxes for the current tax year and shall make reimbursement to the county of that amount in the manner prescribed in section 4503.068 of the Revised Code, from moneys appropriated for that purpose.

(B)(1) If in any year for which an application for reduction in taxes has been approved the owner no longer qualifies...
for the reduction, the owner shall notify the county auditor that
the owner is not qualified for a reduction in taxes.

(2) If the county auditor or county treasurer discovers that
an owner not entitled to the reduction in manufactured home taxes
under section 4503.065 of the Revised Code failed to notify the
county auditor as required by division (B)(1) of this section, a
charge shall be imposed against the manufactured or mobile home in
the amount by which taxes were reduced under that section for each
tax year the county auditor ascertains that the manufactured or
mobile home was not entitled to the reduction and was owned by the
current owner. Interest shall accrue in the manner prescribed by
division (G)(2) of section 4503.06 of the Revised Code on the
amount by which taxes were reduced for each such tax year as if
the reduction became delinquent taxes at the close of the last day
the second installment of taxes for that tax year could be paid
without penalty. The county auditor shall notify the owner, by
ordinary mail, of the charge, of the owner's right to appeal the
charge, and of the manner in which the owner may appeal. The owner
may appeal the imposition of the charge and interest by filing an
appeal with the county board of revision not later than the last
day prescribed for payment of manufactured home taxes under
section 4503.06 of the Revised Code following receipt of the
notice and occurring at least ninety days after receipt of the
notice. The appeal shall be treated in the same manner as a
complaint relating to the valuation or assessment of manufactured
or mobile homes under section 5715.19 of the Revised Code. The
charge and any interest shall be collected as other delinquent
taxes.

(3) During January of each year, the county auditor shall
furnish each person whose application for reduction has been
approved, by ordinary mail, a form on which to report any changes
in total income, ownership, occupancy, disability, and other
information earlier furnished the auditor relative to the application. The form shall be completed and returned to the auditor not later than the thirty-first day of December if the changes would affect the person's eligibility for the reduction.

(C) No person shall knowingly make a false statement for the purpose of obtaining a reduction in taxes under section 4503.065 of the Revised Code.

(D) No person shall knowingly fail to notify the county auditor of any change required by division (B) of this section that has the effect of maintaining or securing a reduction in taxes under section 4503.065 of the Revised Code.

(E) No person shall knowingly make a false statement or certification attesting to any person's physical or mental condition for purposes of qualifying such person for tax relief pursuant to sections 4503.064 to 4503.069 of the Revised Code.

(F) Whoever violates division (C), (D), or (E) of this section is guilty of a misdemeanor of the fourth degree.

Sec. 4505.09. (A)(1) The clerk of a court of common pleas shall charge and retain fees as follows:

(a) Five dollars for each certificate of title that is not applied for within thirty days after the later of the assignment or delivery of the motor vehicle described in it. The entire fee shall be retained by the clerk.

(b) Fifteen dollars for each certificate of title or duplicate certificate of title including the issuance of a memorandum certificate of title, or authorization to print a non-negotiable evidence of ownership described in division (G) of section 4505.08 of the Revised Code, non-negotiable evidence of ownership printed by the clerk under division (H) of that section, and notation of any lien on a certificate of title that is applied
for at the same time as the certificate of title. The clerk shall retain eleven dollars and fifty cents of that fee for each certificate of title when there is a notation of a lien or security interest on the certificate of title, twelve dollars and twenty-five cents when there is no lien or security interest noted on the certificate of title, and eleven dollars and fifty cents for each duplicate certificate of title.

(c) Four dollars and fifty cents for each certificate of title with no security interest noted that is issued to a licensed motor vehicle dealer for resale purposes and, in addition, a separate fee of fifty cents. The clerk shall retain two dollars and twenty-five cents of that fee.

(d) Five dollars for each memorandum certificate of title or non-negotiable evidence of ownership that is applied for separately. The clerk shall retain that entire fee.

(2) The fees that are not retained by the clerk shall be paid to the registrar of motor vehicles by monthly returns, which shall be forwarded to the registrar not later than the fifth day of the month next succeeding that in which the certificate is issued or that in which the registrar is notified of a lien or cancellation of a lien.

(B)(1) The registrar shall pay twenty-five cents of the amount received for each certificate of title issued to a motor vehicle dealer for resale, one dollar for certificates of title issued with a lien or security interest noted on the certificate of title, and twenty-five cents for each certificate of title with no lien or security interest noted on the certificate of title into the public safety - highway purposes fund established in section 4501.06 of the Revised Code.

(2) Fifty cents of the amount received for each certificate of title shall be paid by the registrar as follows:
(a) Four cents shall be paid into the state treasury to the credit of the motor vehicle dealers board fund, which is hereby created. All investment earnings of the fund shall be credited to the fund. The moneys in the motor vehicle dealers board fund shall be used by the motor vehicle dealers board created under section 4517.30 of the Revised Code, together with other moneys appropriated to it, in the exercise of its powers and the performance of its duties under Chapter 4517. of the Revised Code, except that the director of budget and management may transfer excess money from the motor vehicle dealers board fund to the public safety - highway purposes fund if the registrar determines that the amount of money in the motor vehicle dealers board fund, together with other moneys appropriated to the board, exceeds the amount required for the exercise of its powers and the performance of its duties under Chapter 4517. of the Revised Code and requests the director to make the transfer.

(b) Twenty-one Thirty-one cents shall be paid into the highway operating fund created by section 5735.051 of the Revised Code.

(c) Twenty-five Fifteen cents shall be paid into the state treasury to the credit of the motor vehicle sales audit fund, which is hereby created. The moneys in the fund shall be used by the tax commissioner together with other funds available to the commissioner to conduct a continuing investigation of sales and use tax returns filed for motor vehicles in order to determine if sales and use tax liability has been satisfied. The commissioner shall refer cases of apparent violations of section 2921.13 of the Revised Code made in connection with the titling or sale of a motor vehicle and cases of any other apparent violations of the sales or use tax law to the appropriate county prosecutor whenever the commissioner considers it advisable.

(3) Two dollars of the amount received by the registrar under

A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(B)(1) Upon receipt of the sworn report of a law enforcement officer who arrested a person for a violation of division (A) or
(B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance that was completed and sent to the registrar of motor vehicles and a court pursuant to section 4511.192 of the Revised Code in regard to a person who refused to take the designated chemical test, the registrar shall enter into the registrar's records the fact that the person's driver's or commercial driver's license or permit or nonresident operating privilege was suspended by the arresting officer under this division and that section and the period of the suspension, as determined under this section. Any subsequent finding that the person is not guilty of the charge that resulted in the person being requested to take the chemical test or tests under division (A) of this section does not affect the suspension.

(2) If a person is arrested for operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance, or for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, regardless of whether the person's driver's or commercial driver's license or permit or nonresident operating privilege is or is not suspended under division (B) or (C) of this section or Chapter 4510. of the Revised Code, the person's initial appearance on the charge resulting from the arrest shall be held within five days of the person's arrest or the issuance of the citation to the person, subject to any continuance granted by the court pursuant to section 4511.197 of the Revised Code regarding the issues specified in that division.

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to issue a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate for one or more of the following reasons:

As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results,
or includes representations or implications that in reasonable
probability will cause an ordinarily prudent person to
misunderstand or be deceived.

standards of care of similar practitioners under the same or
similar circumstances, whether or not actual injury to a patient
is established;

(7) Representing, with the purpose of obtaining compensation
or other advantage as personal gain or for any other person, that
an incurable disease or injury, or other incurable condition, can
be permanently cured;

(8) The obtaining of, or attempting to obtain, money or

of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this
division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent
to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation,
revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;

(24) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency;

(26) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or certificate to practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered.
to do so by the board in writing, and to have waived all
objections to the admissibility of testimony or examination
reports that constitute privileged communications.

If it has reason to believe that any individual authorized to
practice by this chapter or any applicant for licensure or
certification to practice suffers such impairment, the board may
compel the individual to submit to a mental or physical
examination, or both. The expense of the examination is the
responsibility of the individual compelled to be examined. Any
mental or physical examination required under this division shall
be undertaken by a treatment provider or physician who is
qualified to conduct the examination and who is chosen by the
board.

Failure to submit to a mental or physical examination ordered
by the board constitutes an admission of the allegations against
the individual unless the failure is due to circumstances beyond
the individual's control, and a default and final order may be
entered without the taking of testimony or presentation of
evidence. If the board determines that the individual's ability to
practice is impaired, the board shall suspend the individual's
license or certificate or deny the individual's application and
shall require the individual, as a condition for initial,
continued, reinstated, or renewed licensure or certification to
practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license
or certificate suspended under this division, the impaired
practitioner shall demonstrate to the board the ability to resume
practice in compliance with acceptable and prevailing standards of

The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;
(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

investigative interview, an investigative office conference, at a deposition, or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(35) Failure to supervise an acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for providing that supervision;

(36) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;

(44) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 or 2919.202 of the Revised Code;

(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;

(52) A pattern of continuous or repeated violations of division (E)(2) or (3) of section 3963.02 of the Revised Code.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or certificate to practice or certificate to recommend. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea
of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code, the disciplinary action shall consist of a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of that section shall provide for a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to
show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record
information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of
section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or
complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged violation;

(b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;

(c) A description of the allegations contained in the complaint;

(d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an
affirmative vote of not fewer than six of its members, excluding
the secretary and supervising member, may suspend a license or
certificate without a prior hearing. A telephone conference call
may be utilized for reviewing the allegations and taking the vote
on the summary suspension.

The board shall issue a written order of suspension by
certified mail or in person in accordance with section 119.07 of
the Revised Code. The order shall not be subject to suspension by
the court during pendency of any appeal filed under section 119.12
of the Revised Code. If the individual subject to the summary
suspension requests an adjudicatory hearing by the board, the date
set for the hearing shall be within fifteen days, but not earlier
than seven days, after the individual requests the hearing, unless
otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall
remain in effect, unless reversed on appeal, until a final
adjudicative order issued by the board pursuant to this section
and Chapter 119. of the Revised Code becomes effective. The board
shall issue its final adjudicative order within seventy-five days
after completion of its hearing. A failure to issue the order
within seventy-five days shall result in dissolution of the
summary suspension order but shall not invalidate any subsequent,
final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or
(13) of this section and the judicial finding of guilt, guilty
plea, or judicial finding of eligibility for intervention in lieu
of conviction is overturned on appeal, upon exhaustion of the
criminal appeal, a petition for reconsideration of the order may
be filed with the board along with appropriate court documents.
Upon receipt of a petition of that nature and supporting court
documents, the board shall reinstate the individual's license or
certificate to practice. The board may then hold an adjudication
under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The license or certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code. In addition, the license or certificate to practice or certificate to recommend issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter
119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.
(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.
(4) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

(1) Offer in appropriate cases as determined by the board an educational and assessment program pursuant to an investigation the board conducts under this section;

(2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended
by those providers. The board shall monitor the progress of each
individual undertaking a recommended individual educational
program.

(4) Determine what constitutes successful completion of an
individual educational program and require further monitoring of
the individual who completed the program or other action that the
board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the
Revised Code to further implement the quality intervention
program.

An individual who participates in an individual educational
program pursuant to this division shall pay the financial
obligations arising from that educational program.

(P) The board shall not refuse to issue a license to an
applicant because of a conviction, plea of guilty, judicial
finding of guilt, judicial finding of eligibility for intervention
in lieu of conviction, or the commission of an act that
constitutes a criminal offense, unless the refusal is in
accordance with section 9.79 of the Revised Code.

**Sec. 4731.254.** (A) Subject to division (B) of this section, the state medical board shall not limit, revoke, or suspend a license or certificate, refuse to issue a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation a practitioner or applicant solely on the grounds of impairment occurring prior to the practitioner or applicant seeking authority to practice in this state.

(B)(1) A practitioner or applicant who was authorized to practice in another jurisdiction before seeking authority to
practice in this state is not subject to disciplinary action, as provided by division (A) of this section, only if all of the following are the case:

(4) The fee to be paid when applying for a new residential facility license or renewing the license;

(5) Procedures for the operator of a residential facility to follow when notifying the ADAMHS board serving the county in which the facility is located when the facility is serving residents with mental illness or severe mental disability, including the circumstances under which the operator is required to make such a notification;

(6) Procedures for the issuance and termination of orders of suspension of admission of residents to a residential facility;

(7) Measures to be taken by residential facilities relative to residents' medication;

(8) Requirements relating to preparation of special diets;

(9) The maximum number of residents who may be served in a residential facility;

(10) The rights of residents of residential facilities and procedures to protect such rights;

(11) Standards and procedures under which the director may waive the requirements of any of the rules adopted.

(M)(1)(O)(1) The department may withhold the source of any complaint reported as a violation of this section when the department determines that disclosure could be detrimental to the department's purposes or could jeopardize the investigation. The department may disclose the source of any complaint if the complainant agrees in writing to such disclosure and shall
disclose the source upon order by a court of competent
jurisdiction.

(2) Any person who makes a complaint under division (M)(1) of this section, or any person who participates in an administrative or judicial proceeding resulting from such a complaint, is immune from civil liability and is not subject to criminal prosecution, other than for perjury, unless the person has acted in bad faith or with malicious purpose.

(N)(1) The director of mental health and addiction services may petition the court of common pleas of the county in which a residential facility is located for an order enjoining any person from operating a residential facility without a license or from operating a licensed facility when, in the director's judgment, there is a present danger to the health or safety of any of the occupants of the facility. The court shall have jurisdiction to grant such injunctive relief upon a showing that the respondent named in the petition is operating a facility without a license or there is a present danger to the health or safety of any residents of the facility.

(2) When the court grants injunctive relief in the case of a facility operating without a license, the court shall issue, at a minimum, an order enjoining the facility from admitting new residents to the facility and an order requiring the facility to assist with the safe and orderly relocation of the facility's residents.

(3) If injunctive relief is granted against a facility for operating without a license and the facility continues to operate without a license, the director shall refer the case to the attorney general for further action.

(O) The director may fine a person for violating division (I) of this section. The fine shall be five hundred dollars for
a first offense; for each subsequent offense, the fine shall be one thousand dollars. The director's actions in imposing a fine shall be taken in accordance with Chapter 119. of the Revised Code.

Sec. 5119.36. (A) A community mental health services provider applicant or community addiction services provider applicant that seeks certification of its certifiable services and supports shall submit an application to the director of mental health and addiction services. On receipt of the application, the director may conduct an on-site review and shall evaluate the applicant to determine whether its certifiable services and supports satisfy the standards established by rules adopted under this section. The director shall make the evaluation, and, if the director conducts an on-site review of the applicant, may make the review, in cooperation with a board of alcohol, drug addiction, and mental health services that seeks to contract with the applicant under section 340.036 of the Revised Code.

(B) Subject to section 5119.361 of the Revised Code, the director shall determine whether the certifiable services and supports of a community mental health services provider applicant or community addiction services provider applicant satisfy the standards for certification. If the director determines that an applicant's certifiable services and supports satisfy the standards for certification and the applicant has paid the fee required by this section, the director shall certify the certifiable services and supports.

No community mental health services provider shall be eligible to receive for its certifiable services and supports any state funds, federal funds, or funds administered by a board of alcohol, drug addiction, and mental health services, unless those certifiable services and supports have been certified by the
director.

No person or government entity subject to section 5119.35 of the Revised Code or any other community addiction services provider shall be eligible to receive for its services described in that section or its other certifiable services and supports any state funds, federal funds, or funds administered by a board of alcohol, drug addiction, and mental health services, unless those services or other certifiable services and supports have been certified by the director.

(C) The director may refuse to certify certifiable services and supports, refuse to renew certification, or revoke certification if any of the following apply to an applicant for certification or the holder of the certification:

(1) The applicant or holder is not in compliance with rules adopted under this section.

(2) The applicant or holder has been cited for a pattern of serious noncompliance or repeated violations of statutes or rules during the current certification period or any previous certification period.

(3) The applicant or holder submits false or misleading information as part of a certification application, renewal, or investigation.

(D) Proceedings initiated to deny applications to certify certifiable services and supports, to refuse to renew certification, or to revoke certification are governed by Chapter 119. of the Revised Code. If an order has been issued suspending admissions to a community addiction services provider that provides overnight accommodations, as provided in division (H) of this section, the order remains in effect during the pendency of those proceedings.

(E) If the director determines that a community mental health
services provider applicant's or a community addiction services provider applicant's certifiable services and supports do not satisfy the standards for certification, the director shall identify the areas of noncompliance, specify what action is necessary to satisfy the standards, and may offer technical assistance to the applicant and to a board of alcohol, drug addiction, and mental health services so that the board may assist the applicant in satisfying the standards. The director shall give the applicant a reasonable time within which to demonstrate that its certifiable services and supports satisfy the standards or to bring them into compliance with the standards. If the director concludes that the certifiable services and supports continue to fail to satisfy the standards, the director may request that the appropriate board of alcohol, drug addiction, and mental health services reallocate any funds for the certifiable services and supports the applicant was to provide to another community mental health services provider or community addiction services provider whose certifiable services and supports satisfy the standards. If the board does not reallocate such funds in a reasonable period of time, the director may withhold state and federal funds for the certifiable services and supports and allocate those funds directly to a community mental health services provider or community addiction services provider whose certifiable services and supports satisfy the standards.

(D)(F) Each community mental health services provider applicant or community addiction services provider applicant seeking certification of its certifiable services and supports under this section shall pay a fee for the certification required by this section, unless the applicant is exempt under rules adopted under this section. Fees shall be paid into the state treasury to the credit of the sale of goods and services fund created pursuant to section 5119.45 of the Revised Code.
(E) (G) The director shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section. The rules shall do all of the following:

1. Subject to section 340.034 of the Revised Code, specify the types of recovery supports that are required to be certified under this section;

2. Establish certification standards for certifiable services and supports that are consistent with nationally recognized applicable standards and facilitate participation in federal assistance programs. The rules shall include as certification standards only requirements that improve the quality of certifiable services and supports or the health and safety of persons receiving certifiable services and supports. The standards shall address at a minimum all of the following:
   
   a. Reporting major unusual incidents to the director;
   
   b. Procedures for applicants for and persons receiving certifiable services and supports to file grievances and complaints;
   
   c. Seclusion;
   
   d. Restraint;
   
   e. Requirements regarding the physical facilities in which certifiable services and supports are provided;
   
   f. Requirements with regard to health, safety, adequacy, and cultural specificity and sensitivity;
   
   g. Standards for evaluating certifiable services and supports;
   
   h. Standards and procedures for granting full, probationary, and interim certification of the certifiable services and supports of a community mental health services provider applicant or community addiction services provider applicant;
(i) Standards and procedures for revoking the certification of a community mental health services provider's or community addiction services provider's certifiable services and supports that do not continue to meet the minimum standards established pursuant to this section;

(j) The limitations to be placed on a provider whose certifiable services and supports are granted probationary or interim certification;

(k) Development of written policies addressing the rights of persons receiving certifiable services and supports, including all of the following:

(i) The right to a copy of the written policies addressing the rights of persons receiving certifiable services and supports;

(ii) The right at all times to be treated with consideration and respect for the person's privacy and dignity;

(iii) The right to have access to the person's own psychiatric, medical, or other treatment records unless access is specifically restricted in the person's treatment plan for clear treatment reasons;

(iv) The right to have a client rights officer provided by the provider or board of alcohol, drug addiction, and mental health services advise the person of the person's rights, including the person's rights under Chapter 5122. of the Revised Code if the person is committed to the provider or board.

(3) Establish the process for certification of certifiable services and supports;

(4) Set the amount of certification review fees;

(5) Specify the type of notice and hearing to be provided prior to a decision on whether to reallocate funds.

(H)(1) The director may issue an order suspending
admissions to a community addiction services provider that provides overnight accommodations if the director finds either of the following:

(a) The provider's certifiable services and supports are not in compliance with rules adopted under this section;

(b) The provider has been cited for more than one violation of statutes or rules during any previous certification period of the provider.

(2)(a) Except as provided in division (H)(2)(b) of this section, proceedings initiated to suspend admissions to a community addiction services provider that provides overnight accommodations are governed by Chapter 119. of the Revised Code.

(b) If a suspension of admissions is proposed because the director has determined that the provider has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of patients, the director may issue an order suspending admissions before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected.

(3) Appeals from proceedings initiated to order the suspension of admissions shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The provider may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the provider's current address is made, the hearing shall commence not
later than thirty days after the department receives the request.

   (c) After commencing, the hearing shall continue
   uninterrupted, except for Saturdays, Sundays, and legal holidays,
   unless other interruptions are agreed to by the provider and the
director.

   (d) If the hearing is conducted by a hearing examiner, the
hearing examiner shall file a report and recommendations with the
department not later than ten days after the last of the
following:

   (i) The close of the hearing;

   (ii) If a transcript of the proceedings is ordered, the
hearing examiner receives the transcript;

   (iii) If post-hearing briefs are timely filed, the hearing
examiner receives the briefs.

   (e) The hearing examiner shall send a written copy of the
report and recommendations, by certified mail, to the provider, or
the provider's attorney, if applicable, not later than five days
after the report is filed with the department.

   (f) Not later than five days after receiving the report and
recommendations, the provider may file objections with the
department.

   (g) Not later than fifteen days after the hearing examiner
files the report and recommendations, the department shall issue
an order approving, modifying, or disapproving the report and
recommendations.

   (h) Notwithstanding the pendency of the hearing, the
department shall lift the order for the suspension of admissions
if the department determines the violation that formed the basis
for the order has been corrected.

   (G)(I)(1) In a proceeding initiated to suspend admissions to
a community addiction services provider that provides overnight accommodations, to deny an application for certification of certifiable services and supports, to refuse to renew certification, or to revoke certification, the department may order the suspension, denial, refusal, or revocation regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(2) When the department issues an order suspending admissions to a community addiction services provider that provides overnight accommodations, denies an application for certification of certifiable services and supports, refuses to renew certification, or revokes a certification, the department shall not grant an opportunity for submitting a plan of correction.

(J) The department of mental health and addiction services shall maintain a current list of community addiction services providers and shall provide a copy of the list to a judge of a court of common pleas who requests a copy for the use of the judge under division (H) of section 2925.03 of the Revised Code. The list shall identify each provider by its name, its address, and the county in which it is located.

(K) No person shall represent in any manner that a community mental health services provider's or community addiction services provider's certifiable services and supports are certified by the director if the certifiable services and supports are not so certified at the time the representation is made.

Sec. 5119.37. (A)(1)(a) Except as provided in division (A)(1)(b) of this section, no person or government entity shall operate an opioid treatment program requiring certification, as certification is defined in 42 C.F.R. 8.2, unless the person or government entity is a community addiction services provider and the program is licensed under this section.
(b) Division (A)(1)(a) of this section does not apply to a program operated by the United States department of veterans affairs.

(2) No community addiction services provider licensed under this section shall operate an opioid treatment program in a manner inconsistent with this section and the rules adopted under it.

(B) A community addiction services provider seeking a license to operate an opioid treatment program shall apply to the department of mental health and addiction services. The department shall review all applications received.

(C) The department may issue a license to operate an opioid treatment program to a community addiction services provider only if all of the following apply:

(1) During the three-year period immediately preceding the date of application, the provider or any owner, sponsor, medical director, administrator, or principal of the provider has been in good standing to operate an opioid treatment program in all other locations where the provider or such other person has been operating a similar program, as evidenced by both of the following:

(a) Not having been denied a license, certificate, or similar approval to operate an opioid treatment program by this state or another jurisdiction;

(b) Not having been the subject of any of the following in this state or another jurisdiction:

(i) An action that resulted in the suspension or revocation of the license, certificate, or similar approval of the provider or other person;

(ii) A voluntary relinquishment, withdrawal, or other action taken by the provider or other person to avoid suspension or
revocation of the license, certificate, or similar approval;

(iii) A disciplinary action that was based, in whole or in part, on the provider or other person engaging in the inappropriate prescribing, dispensing, administering, personally furnishing, diverting, storing, supplying, compounding, or selling of a controlled substance or other dangerous drug.

(2) It affirmatively appears to the department that the provider is adequately staffed and equipped to operate an opioid treatment program.

(3) It affirmatively appears to the department that the provider will operate an opioid treatment program in strict compliance with all laws relating to drug abuse and the rules adopted by the department.

(4) Except as provided in division (D) of this section and section 5119.371 of the Revised Code, if the provider is seeking an initial license for a particular location, the proposed opioid treatment program is not located on a parcel of real estate that is within a radius of five hundred linear feet of the boundaries of a parcel of real estate having situated on it a public or private school, child day-care center licensed under Chapter 5104. of the Revised Code, or child-serving agency regulated by the department under this chapter.

(5) The provider meets any additional requirements established by the department in rules adopted under division (F) of this section.

(D) The department may waive the requirement of division (C)(4) of this section if it receives, from each public or private school, child day-care center, or child-serving agency that is within the five hundred linear feet radius described in that division, a letter of support for the location. The department shall determine whether a letter of support is satisfactory for
purposes of waiving the requirement.

(E) A license to operate an opioid treatment program shall expire one year two years from the date of issuance. Licenses may be renewed.

(2) In circumstances in which the director of mental health and addiction services has concerns regarding compliance of a community addiction services provider licensed as an opioid treatment program, the department shall notify the provider of those concerns and stipulate that the provider's license expires annually on a date determined by the department.

(F) The department shall establish procedures and adopt rules for licensing, inspection, and supervision of community addiction services providers that operate an opioid treatment program. The rules shall establish standards for the control, storage, furnishing, use, dispensing, and administering of medications used in medication-assisted treatment; prescribe minimum standards for the operation of the opioid treatment program component of the provider's operations; and comply with federal laws and regulations.

All rules adopted under this division shall be adopted in accordance with Chapter 119. of the Revised Code. All actions taken by the department regarding the licensing of providers to operate opioid treatment programs shall be conducted in accordance with Chapter 119. of the Revised Code, except as provided in division (L) of this section.

(G)(1) The department shall inspect all community addiction services providers licensed to operate an opioid treatment program. Inspections shall be conducted at least annually biennially and may be conducted more frequently.

In addition, the department may inspect any provider or other
person that it reasonably believes to be operating an opioid treatment program without a license issued under this section.

(2) When conducting an inspection, the department may do both of the following:

(a) Examine and copy all records, accounts, and other documents relating to the provider's or other person's operations, including records pertaining to patients or clients;

(b) Conduct interviews with any individual employed by or contracted or otherwise associated with the provider or person, including an administrator, staff person, patient, or client.

(3) No person or government entity shall interfere with a state or local government official acting on behalf of the department while conducting an inspection.

(H) A community addiction services provider shall not administer or dispense methadone in a tablet, powder, or intravenous form. Methadone shall be administered or dispensed only in a liquid form intended for ingestion.

A community addiction services provider shall not administer or dispense a medication used in medication-assisted treatment for pain or other medical reasons.

(I) As used in this division, "program sponsor" means a person who assumes responsibility for the operation and employees of the opioid treatment program component of a community addiction services provider's operations.

A community addiction services provider shall not employ an individual who receives a medication used in medication-assisted treatment from that provider. A provider shall not permit an individual to act as a program sponsor, medical director, or director of the provider if the individual is receiving that medication used in medication-assisted treatment from any
community addiction services provider.

(J) The department may issue orders to ensure compliance with all laws relating to drug abuse and the rules adopted under this section. Subject to section 5119.27 of the Revised Code, the department may hold hearings, require the production of relevant matter, compel testimony, issue subpoenas, and make adjudications. Upon failure of a person without lawful excuse to obey a subpoena or to produce relevant matter, the department may apply to a court of common pleas for an order compelling compliance.

(K) The department may refuse to issue, or may withdraw or revoke, a license to operate an opioid treatment program. A license may be refused if a community addiction services provider does not meet the requirements of division (C) of this section. A license may be withdrawn at any time the department determines that the provider no longer meets the requirements for receiving the license. A license may be revoked in accordance with division (L) of this section.

Once a license is issued under this section, the department shall not consider the requirement of division (C)(4) of this section in determining whether to renew, withdraw, or revoke the license or whether to reissue the license as a result of a change in ownership.

(L) If the department finds reasonable cause to believe that a community addiction services provider licensed under this section is in violation of any state or federal law or rule relating to drug abuse, the department may issue an order immediately revoking the license, subject to division (M) of this section. The department shall set a date not more than fifteen days later than the date of the order of revocation for a hearing on the continuation or cancellation of the revocation. For good cause, the department may continue the hearing on application of any interested party. In conducting hearings, the department has...
all the authority and power set forth in division (J) of this section. Following the hearing, the department shall either confirm or cancel the revocation. The hearing shall be conducted in accordance with Chapter 119. of the Revised Code, except that the provider shall not be permitted to operate an opioid treatment program pending the hearing or pending any appeal from an adjudication made as a result of the hearing. Notwithstanding any provision of Chapter 119. of the Revised Code to the contrary, a court shall not stay or suspend any order of revocation issued by the department under this division pending judicial appeal.

(M) The department shall not revoke a license to operate an opioid treatment program unless all clients receiving medication used in medication-assisted treatment from the community addiction services provider are provided adequate substitute medication or treatment. For purposes of this division, the department may transfer the clients to other providers licensed to operate opioid treatment programs or replace any or all of the administrators and staff of the provider with representatives of the department who shall continue on a provisional basis the opioid treatment component of the provider's operations.

(N) Each time the department receives an application from a community addiction services provider for a license to operate an opioid treatment program, issues or refuses to issue a license, or withdraws or revokes a license, the department shall notify the board of alcohol, drug addiction, and mental health services of each alcohol, drug addiction, and mental health service district in which the provider operates.

(O) Whenever it appears to the department from files, upon complaint, or otherwise, that a community addiction services provider has engaged in any practice declared to be illegal or prohibited by section 3719.61 of the Revised Code, or any other state or federal laws or regulations relating to drug abuse, or

Sub. H. B. No. 110  Page 2099
As Reported by the Senate Finance Committee
when the department believes it to be in the best interest of the public and necessary for the protection of the citizens of the state, the department may request criminal proceedings by laying before the prosecuting attorney of the proper county any evidence of criminality which may come to its knowledge.

(P) The department shall maintain a current list of community addiction services providers licensed by the department under this section and shall provide a copy of the current list to a judge of a court of common pleas who requests a copy for the use of the judge under division (H) of section 2925.03 of the Revised Code. The list of licensed community addiction services providers shall identify each licensed provider by its name, its address, and the county in which it is located.

**Sec. 5119.43.** (A) The director of mental health and addiction services may enter into agreements with any person, political subdivision, or state agency for the sale or lease of land or facilities under the jurisdiction of the director of mental health and addiction services in the following manner:

(1) The director shall designate lands and facilities that are not needed by the department of mental health and addiction services and are under the jurisdiction of the department.

(2) The director shall have a preliminary appraisal made of any lands or facilities designated under division (A)(1) of this section by a disinterested professional appraiser from the department of administrative services. The appraiser shall deliver to the director a signed certificate of the probable market value of the lands and facilities as determined from the preliminary appraisal.

(3) The director shall designate lands and facilities that are not needed by the department of mental health and addiction services and are under the jurisdiction of the department.
shall certify to the clerk of the house of representatives and to the clerk of the senate a list of all lands and facilities which may be sold or leased, and shall include with the list the results of the preliminary appraisals of the lands and facilities, a general description of the land and facilities, and a description of the current use of the land and facilities.

(4) Every list of lands and facilities certified by the director of mental health and addiction services to the clerk of the house of representatives and to the clerk of the senate under division (A)(3) of this section, shall immediately be transmitted by the respective clerks to the committees in the house and the senate to which land conveyance bills are usually referred. If either committee files in its clerk's office, within sixty calendar days of the original certification of the lands and facilities by the director of mental health and addiction services, a report disapproving the sale or lease of any lands or facilities, the sale or lease of the lands or facilities disapproved in the report shall not be made under this section. With respect to a sale or lease of lands and facilities that has not been disapproved under this division, the director of mental health and addiction services shall certify those lands and facilities to the auditor of state director of administrative services.

(5) After certification to the auditor of state director of administrative services under division (A)(4) of this section, the director of mental health and addiction services shall have a formal appraisal made of the lands and facilities by a disinterested professional appraiser from the department of administrative services. The director of mental health and addiction services may accept the formal appraisal or may reject it and order a new formal appraisal by a disinterested professional appraiser who shall not be from the department of
administrative services. The director of mental health and addiction services may then sell or lease the lands or facilities in accordance with this division and department of administrative services procedures as set forth in Chapter 123. of the Revised Code. Any such deed or lease shall be prepared and recorded pursuant to section 5301.13 of the Revised Code. The department of administrative services shall be the sole agent for the state and shall complete the sale or lease of the lands or facilities, up to and including the closing thereof, after the director of mental health and addiction services approves the sale price. The director of mental health and addiction services and the director of administrative services may, if it is determined to be in the best interests of the state, agree to sell surplus land for an amount less than the formal appraised value but shall not sell any land for less than two-thirds of the formal appraised value.

(B) Coincident with the certification made under division (A)(3) of this section concerning lands which may be sold, the director of mental health and addiction services shall give written notice of the director’s intention to sell the lands by certified mail to the executive officer of each county, township, municipal corporation, and school district within which the lands are situated. In each notice, the director of mental health and addiction services shall specify the conditions under which the lands shall be sold, including whether the lands will be sold as a single unit or sold in specific parcels that the director designates, and shall solicit from the subdivision offers to purchase the lands in accordance with the conditions the director of mental health and addiction services has specified and at a price equal to the preliminary appraised value determined pursuant to division (A)(2) of this section. If, within thirty days of having certified the lands to the auditor of state director of administrative services under division (A)(4) of this section, the director of mental health and addiction services receives from the
executive officer of a subdivision a written offer to purchase the lands at or above the price specified in the director's original notice from the director of mental health and addiction services to the officer, provided such offer otherwise complies with the conditions of purchase specified in the director's original notice from the director of mental health and addiction services, the director of mental health and addiction services shall forthwith enter into an agreement to sell the lands to the subdivision. The agreement shall incorporate any and all terms that are acceptable to both parties and that are consistent with the terms specified in the director's original notice from the director of mental health and addiction services. If no offer to purchase is received by the director of mental health and addiction services within the thirty-day period provided in this division, the director's original notice from the director of mental health and addiction services shall be considered withdrawn and the director of mental health and addiction services shall be under no obligation to sell any of the lands specified in the notice to the subdivision. If two or more offers to purchase the same parcels of land are received by the director of mental health and addiction services within the required time period from the executive officers of two or more subdivisions, the director of mental health and addiction services shall accept the offer or offers to purchase that the director considers to be in the best interests of the state and of the department of mental health and addiction services and shall proceed to enter into agreements of sale pursuant to this division. If all of the director's original notices from the director of mental health and addiction services relating to a given parcel of land become withdrawn, the director of mental health and addiction services may thereupon proceed to sell the parcel as otherwise provided in this section. No subdivision may commence an action to enforce the provisions of this division, or to seek any other legal or equitable remedy relative to this.
division, with respect to any lands certified to the auditor of state director of administrative services under division (A)(4) of this section, except within sixty days of the date on which the lands were so certified.

(C) Any agreement under this section shall be at such terms as will be in the best interests of the state and the department of mental health and addiction services. However, the terms of any agreement for sale shall include a provision that the purchaser will abide by any comprehensive plan for the area that has been adopted by the local government in which the property is located before the parties enter into the agreement. No lease shall be of a duration greater than fifteen years. No agreement, except an agreement entered into under division (B) of this section, shall be entered into before the proposal to sell or lease the land or facilities has been advertised once each week for four weeks in a newspaper of general circulation in every county in which the lands or facilities are located and if the preliminary appraised value of the land to be sold or leased is more than one hundred thousand dollars, advertisement shall be made once each week for four weeks in at least two newspapers in the state having a daily circulation of one hundred thousand or more. If a city in this state is served by more than one newspaper having a circulation of one hundred thousand or more, advertisement may be made in only one of the newspapers serving the city.

(D) Each deed or lease prepared and recorded pursuant to this section shall contain a recital stating that all provisions of this section have been complied with. The recital shall be considered binding and conclusive against all subdivisions of the state provided no action has been commenced pursuant to division (B) of this section. Any deed or lease containing such a recital shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona
fide purchasers, lessees, or transferees of the property is concerned.

(E) Nothing in this section shall be construed as establishing a precedent for the disposal of state lands and facilities by other departments of the state.

**Sec. 5119.99.** (A) Whoever violates section 5119.333 of the Revised Code is guilty of a misdemeanor of the first degree.

(B) Whoever violates division (B) of section 5119.61 of the Revised Code is guilty of a misdemeanor of the fourth degree.

(C) Whoever violates section 5119.27 or 5119.28, division (A) of section 5119.35, division (H)(K) of section 5119.36, or division (A)(1) or (2) of section 5119.37 of the Revised Code is guilty of a felony of the fifth degree.

(f) The person is eighteen years of age or older.

(g) The person does not show signs of drug or alcohol withdrawal and does not require medical detoxification.

(h) As determined by the department of rehabilitation and correction, the person is physically and mentally capable of uninterrupted participation in the substance use disorder treatment program established under division (B) of this section.

(B) The department of rehabilitation and correction shall establish and operate a program for community-based substance use disorder treatment for qualified prisoners. The purpose of the program shall be to provide substance use disorder assessment and
treatment through community treatment providers to help reduce
substance use relapses and recidivism for qualified prisoners
while preparing them for reentry into the community and improving
public safety.

(C)(1) The department shall determine which qualified
prisoners in its custody should be placed in the substance use
disorder treatment program established under division (B) of this
section. The department has full discretion in making that
determination. If the department determines that a qualified
prisoner should be placed in the program, the department may refer
the prisoner to a community treatment provider the department has
approved under division (E) of this section for participation in the
program and transfer the prisoner from the state correctional
institution to the provider's approved and licensed facility.
Except as otherwise provided in division (C)(3) of this section,
no prisoner shall be placed under the program in any facility
other than a facility of a community treatment provider that has
been so approved. If the department places a prisoner in the
program, the prisoner shall receive credit against the prisoner's
prison term for all time served in the provider's approved and
licensed facility and may earn days of credit under section
2967.193 of the Revised Code, but otherwise neither the placement
nor the prisoner's participation in or completion of the program
shall result in any reduction of the prisoner's prison term.

(2) If the department places a prisoner in the substance use
disorder treatment program, the prisoner does not satisfactorily
participate in the program, and the prisoner has not served the
prisoner's entire prison term, the department may remove the
prisoner from the program and return the prisoner to a state
correctional institution.

(3) If the department places a prisoner in the substance use
disorder treatment program and the prisoner is satisfactorily
participating in the program, the department may permit the
prisoner to reside at a residence approved by the department if
the department determines, with input from the community treatment
provider, that residing at the approved residence will help the
prisoner prepare for reentry into the community and will help
reduce substance use relapses and recidivism for the prisoner. If
a prisoner is permitted under this division to reside at a
residence approved by the department, the prisoner shall be
monitored during the period of that residence by an electronic
monitoring device.

(D)(1) When a prisoner has been placed in the substance use
disorder treatment program established under division (B) of this
section, before the prisoner is released from custody of the
department upon completion of the prisoner's prison term, the
department shall conduct and prepare an evaluation of the
prisoner, the prisoner's participation in the program, and the
prisoner's needs regarding substance use disorder treatment upon
release. Before the prisoner is released from custody of the
department upon completion of the prisoner's prison term, the
parole board or the court acting pursuant to an agreement under
section 2967.29 of the Revised Code shall consider the evaluation,
in addition to all other information and materials considered, as
follows:

(a) If the prisoner is a prisoner for whom post-release
control is mandatory under section 2967.28 of the Revised Code, the
board or court shall consider it in determining which
post-release control sanction or sanctions to impose upon the
prisoner under that section.

(b) If the prisoner is a prisoner for whom post-release
control is not mandatory under section 2967.28 of the Revised
Code, the board or court shall consider it in determining whether
a post-release control sanction is necessary and, if so, which
post-release control sanction or sanctions to impose upon the prisoner under that section.

(2) If the department determines that a prisoner it placed in the substance use disorder treatment program successfully completed the program and successfully completed a term of post-release control, if applicable, and if the prisoner submits an application under section 2953.32 of the Revised Code for sealing the record of the conviction, the director may issue a letter to the court in support of the application.

(E)(1) The department shall accept applications from community treatment providers that satisfy the requirement specified in division (E)(2) of this section and that wish to participate in the substance use disorder treatment program established under division (B) of this section, and shall approve for participation in the program at least four and not more than eight of the providers that apply. To the extent feasible, the department shall approve one or more providers from each geographical quadrant of the state.

(2) Each community treatment provider that applies under division (E)(1) of this section to participate in the program shall have the provider's alcohol and drug addiction services that provide substance use disorder treatment certified by the department of mental health and addiction services under section 5119.36 of the Revised Code. A community treatment provider is not required to have the provider's halfway house or residential treatment certified by the department of mental health and addiction services.

(F) The department of rehabilitation and correction shall adopt rules for the operation of the substance use disorder treatment program it establishes under division (B) of this section and shall operate the program in accordance with this section and those rules. The rules shall establish, at a minimum,
all of the following:

(1) Criteria that establish which qualified prisoners are eligible for the program;

(2) Criteria that must be satisfied to transfer a qualified prisoner to a residence pursuant to division (C)(3) of this section;

(3) Criteria for the removal of a prisoner from the program pursuant to division (C)(2) of this section;

(4) Criteria for determining when an offender has successfully completed the program for purposes of division (D)(2) of this section;

(5) Criteria for community treatment providers to provide assessment and treatment, including minimum standards for treatment.

**Sec. 5120.212.** Notwithstanding division (A) of section 5120.21 of the Revised Code, the department of rehabilitation and correction shall share the records described in that division with the director of job and family services to the extent necessary to effectuate the data matching agreement required under section 5101.041 of the Revised Code.

**Sec. 5120.62.** The director of rehabilitation and correction shall adopt rules under Chapter 119. of the Revised Code that govern the establishment and operation of a system that provides limited and monitored access to the internet for prisoners who are participating in an approved educational program with direct supervision that requires the use of the internet for training or research purposes solely for a use or purpose approved by the managing officer of that prisoner's institution or by the managing officer's designee. The rules shall include all of the following:
(A) Criteria by which inmates may be screened and approved for access or training involving the internet;

(B) Designation of the authority to approve internet sites for authorized use;

(C) A requirement that only pre-approved sites will be accessible on the computers used by prisoners in the educational program;

(D) A process for the periodic review of the operation of the system, including users of the system and the sites accessed by the system;

(E) Sanctions that must be imposed against prisoners and staff members who violate department rules governing prisoner access to the internet.

Sec. 5123.025. It is hereby declared to be the policy of this state that individuals with developmental disabilities shall have access to innovative technology solutions. Technology can ensure that people with developmental disabilities have increased opportunities to live, work, and thrive in their homes, communities, and places of employment through state of the art planning, innovative technology, and supports that focus on their talents, interests, and skills.

The departments of developmental disabilities, education, medicaid, aging, job and family services, mental health and addiction services, and transportation; the opportunities for Ohioans with disabilities agency; and each other state agency that provides technology services to individuals with developmental disabilities shall implement the policy of this state and ensure that it is followed whenever technology services are provided to individuals with developmental disabilities.

The department of developmental disabilities, in partnership
with the office of innovateohio, shall coordinate the actions taken by state agencies to comply with the state's policy. Agencies shall collaborate within their divisions and with each other to ensure that state programs, policies, procedures, and funding support the development of access to technology for individuals with developmental disabilities. State agencies shall share information with the department, and the department shall track progress toward full implementation of the policy. The department, in coordination with the technology first task force established under section 5123.026 of Revised Code, shall compile data and annually submit to the governor and lieutenant governor a report on implementation of the policy.

The department and state agencies may adopt rules to implement the state's policy.

Sec. 5123.026. (A) The director of developmental disabilities shall establish a technology first task force consisting of representatives from the office of innovateohio; the departments of developmental disabilities, education, medicaid, aging, job and family services, mental health and addiction services, and transportation; and the opportunities for Ohioans with disabilities agency.

(B) The task force shall do all of the following:

(1) Expand innovative technology solutions within the operation and delivery of services to individuals with developmental disabilities;

(2) Use technology to reduce the barriers individuals with developmental disabilities experience;

(3) Align policies for all state agencies on the task force.

(C) The department of developmental disabilities may enter into interagency agreements with any of the government entities on
the task force. The interagency agreements may specify either or both of the following:

(1) The roles and responsibilities of the government entities that are members of the task force, including any money to be contributed by those entities;

(2) The projects and activities of the task force.

(D) The department and state agencies may adopt rules to implement the task force.

Sec. 5123.034. (A) As used in this section, "developmental center" has the same meaning as in section 5123.032 of the Revised Code.

(B) A developmental center of the department of developmental disabilities may provide services to both of the following:

(1) Individuals with developmental disabilities who reside in the community in which the developmental center is located;

(2) Providers who provide services to individuals with developmental disabilities who reside in the community in which the developmental center is located.

(C) The department may develop a method for recovering the costs associated with providing these services.

Sec. 5123.19. (A) As used in sections 5123.19 to 5123.20 of the Revised Code:

(1) "Independent living arrangement" means an arrangement in which an individual with a developmental disability resides in an individualized setting chosen by the individual or the individual's guardian, which is not dedicated principally to the provision of residential services for individuals with developmental disabilities, and for which no financial support is received for rendering such service from any governmental agency.
by a provider of residential services.

(2) "Licensee" means the person or government agency that has applied for a license to operate a residential facility and to which the license was issued under this section.

(3) "Political subdivision" means a municipal corporation, county, or township.

(4) "Related party" has the same meaning as in section 5123.16 of the Revised Code except that "provider" as used in the definition of "related party" means a person or government entity that held or applied for a license to operate a residential facility, rather than a person or government entity certified to provide supported living.

(5)(a) Except as provided in division (A)(5)(b) of this section, "residential facility" means a home or facility, including an ICF/IID, in which an individual with a developmental disability resides.

(b) "Residential facility" does not mean any of the following:

(ii) A respite care home certified under section 5126.05 of the Revised Code;

(iii) A county home or district home operated pursuant to Chapter 5155. of the Revised Code;

(iv) A dwelling in which the only residents with developmental disabilities are in independent living arrangements or are being provided supported living.

(B) Every person or government agency desiring to operate a residential facility shall apply for licensure of the facility to the director of developmental disabilities unless the residential...
facility is subject to section 3721.02, 5103.03, 5119.33, or (B)(1)(b) of section 5119.34 of the Revised Code.

(C)(1) Subject to section 5123.196 of the Revised Code, the director of developmental disabilities shall license the operation of residential facilities. An initial license shall be issued for a period that does not exceed one year, unless the director denies the license under division (D) of this section. A license shall be renewed for a period that does not exceed three years, unless the director refuses to renew the license under division (D) of this section. The director, when issuing or renewing a license, shall specify the period for which the license is being issued or renewed. A license remains valid for the length of the licensing period specified by the director, unless the license is terminated, revoked, or voluntarily surrendered.

(2) Notwithstanding sections 5123.043, 5123.196, and 5123.197 of the Revised Code and rules adopted under section 5123.04 of the Revised Code, the director shall issue a new license for a residential facility if the facility meets the following conditions:

(a) The residential facility will be certified as an ICF/IID;
(b) The building in which the residential facility will be operated was operated as a residential facility under a lease for not fewer than twenty years before the date of application for a new license;
(c) The former operator of the residential facility relocated the beds previously in the facility to another site that will be licensed as a residential facility;
(d) The residential facility will be located in Preble, Clermont, or Warren county;
(e) The residential facility will contain eight beds;
(f) The licensee will make a good faith effort to serve multi-system youth or adults with severe behavioral challenges at the residential facility or at one or more other residential facilities for which licenses are issued under division (C) of this section.

(3) The director shall issue not more than five licenses under division (C)(2) of this section.

(D) If it is determined that an applicant or licensee is not in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, the director may deny issuance of a license, refuse to renew a license, terminate a license, revoke a license, issue an order for the suspension of admissions to a facility, issue an order for the placement of a monitor at a facility, issue an order for the immediate removal of residents, or take any other action the director considers necessary consistent with the director's authority under this chapter regarding residential facilities. In the director's selection and administration of the sanction to be imposed, all of the following apply:

(1) The director may deny, refuse to renew, or revoke a license, if the director determines that the applicant or licensee has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of residents of a residential facility.

(2) The director may terminate a license if more than twelve consecutive months have elapsed since the residential facility was last occupied by a resident or a notice required by division (J) of this section is not given.

(3) The director may issue an order for the suspension of admissions to a facility for any violation that may result in sanctions under division (D)(1) of this section and for any other
violation specified in rules adopted under division (G)(2) of this section. If the suspension of admissions is imposed for a violation that may result in sanctions under division (D)(1) of this section, the director may impose the suspension before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift an order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(4) The director may order the placement of a monitor at a residential facility for any violation specified in rules adopted under division (G)(2) of this section. The director shall lift the order when the director determines that the violation that formed the basis for the order has been corrected.

(5) When the director initiates license revocation proceedings, no opportunity for submitting a plan of correction shall be given. The director shall notify the licensee by letter of the initiation of the proceedings. The letter shall list the deficiencies of the residential facility and inform the licensee that no plan of correction will be accepted. The director shall also send a copy of the letter to the county board of developmental disabilities. Except in the case of a licensee that is an ICF/IID, the county board shall send a copy of the letter to each of the following:

(a) Each resident who receives services from the licensee;

(b) The guardian of each resident who receives services from the licensee if the resident has a guardian;

(c) The parent or guardian of each resident who receives services from the licensee if the resident is a minor.

(6) Pursuant to rules which shall be adopted in accordance with Chapter 119. of the Revised Code, the director may order the immediate removal of residents from a residential facility.
whenever conditions at the facility present an immediate danger of physical or psychological harm to the residents.

(7) In determining whether a residential facility is being operated in compliance with a provision of this chapter that applies to residential facilities or the rules adopted under such a provision, or whether conditions at a residential facility present an immediate danger of physical or psychological harm to the residents, the director may rely on information obtained by a county board of developmental disabilities or other governmental agencies.

(8) In proceedings initiated to deny, refuse to renew, or revoke licenses, the director may deny, refuse to renew, or revoke a license regardless of whether some or all of the deficiencies that prompted the proceedings have been corrected at the time of the hearing.

(E)(1) Except as provided in division (E)(2) of this section, appeals from proceedings initiated to impose a sanction under division (D) of this section shall be conducted in accordance with Chapter 119. of the Revised Code.

(2) Appeals from proceedings initiated to order the suspension of admissions to a facility shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply:

(a) The licensee may request a hearing not later than ten days after receiving the notice specified in section 119.07 of the Revised Code.

(b) If a timely request for a hearing that includes the licensee's current address is made, the hearing shall commence not later than thirty days after the department receives the request.

(c) After commencing, the hearing shall continue
uninterrupted, except for Saturdays, Sundays, and legal holidays, unless other interruptions are agreed to by the licensee and the director.

(d) If the hearing is conducted by a hearing examiner, the hearing examiner shall file a report and recommendations not later than ten days after the last of the following:

(i) The close of the hearing;

(ii) If a transcript of the proceedings is ordered, the hearing examiner receives the transcript;

(iii) If post-hearing briefs are timely filed, the hearing examiner receives the briefs.

(e) A copy of the written report and recommendation of the hearing examiner shall be sent, by certified mail, to the licensee and the licensee's attorney, if applicable, not later than five days after the report is filed.

(f) Not later than five days after the hearing examiner files the report and recommendations, the licensee may file objections to the report and recommendations.

(g) Not later than fifteen days after the hearing examiner files the report and recommendations, the director shall issue an order approving, modifying, or disapproving the report and recommendations.

(h) Notwithstanding the pendency of the hearing, the director shall lift the order for the suspension of admissions when the director determines that the violation that formed the basis for the order has been corrected.

(F) Neither a person or government agency whose application for a license to operate a residential facility is denied nor a related party of the person or government agency may apply for a license to operate a residential facility before the date that is

five years after the date of the denial. Neither a licensee whose residential facility license is revoked nor a related party of the licensee may apply for a residential facility license before the date that is five years after the date of the revocation.

(G) In accordance with Chapter 119. of the Revised Code, the director shall adopt and may amend and rescind rules for licensing and regulating the operation of residential facilities. The rules for residential facilities that are ICFs/IID may differ from those for other residential facilities. The rules shall establish and specify the following:

(1) Procedures and criteria for issuing and renewing licenses, including procedures and criteria for determining the length of the licensing period that the director must specify for each license when it is issued or renewed;

(2) Procedures and criteria for denying, refusing to renew, terminating, and revoking licenses and for ordering the suspension of admissions to a facility, placement of a monitor at a facility, and the immediate removal of residents from a facility;

(3) Fees for issuing and renewing licenses, which shall be deposited into the program fee fund created under section 5123.033 of the Revised Code;

(4) Procedures for surveying residential facilities;

(5) Classifications for the various types of residential facilities;

(6) The maximum number of individuals who may be served in a particular type of residential facility;

(7) Uniform procedures for admission of individuals to and transfers and discharges of individuals from residential facilities;

(8) Other standards for the operation of residential
facilities and the services provided at residential facilities;

(9) Procedures for waiving any provision of any rule adopted under this section.

(H)(1) Before issuing a license, the director shall conduct a survey of the residential facility for which application is made. The director shall conduct a survey of each licensed residential facility at least once during the period the license is valid and may conduct additional inspections as needed. A survey includes but is not limited to an on-site examination and evaluation of the residential facility, its personnel, and the services provided there. The director may assign to a county board of developmental disabilities or the department of health the responsibility to conduct any survey or inspection under this section.

(2) In conducting surveys, the director shall be given access to the residential facility; all records, accounts, and any other documents related to the operation of the facility; the licensee; the residents of the facility; and all persons acting on behalf of, under the control of, or in connection with the licensee. The licensee and all persons on behalf of, under the control of, or in connection with the licensee shall cooperate with the director in conducting the survey.

(3) Following each survey, the director shall provide the licensee with a report listing the date of the survey, any citations issued as a result of the survey, and the statutes or rules that purportedly have been violated and are the bases of the citations. The director shall also do both of the following:

(a) Specify a date by which the licensee may appeal any of the citations;

(b) When appropriate, specify a timetable within which the licensee must submit a plan of correction describing how the problems specified in the citations will be corrected and, the
date by which the licensee anticipates the problems will be corrected.

(4) If the director initiates a proceeding to revoke a license, the director shall include the report required by division (H)(3) of this section with the notice of the proposed revocation the director sends to the licensee. In this circumstance, the licensee may not submit a plan of correction.

(5) After a plan of correction is submitted, the director shall approve or disapprove the plan. If the plan of correction is approved, a copy of the approved plan shall be provided, not later than five business days after it is approved, to any person or government entity who requests it and made available on the internet web site maintained by the department of developmental disabilities. If the plan of correction is not approved and the director initiates a proceeding to revoke the license, a copy of the survey report shall be provided to any person or government entity that requests it and shall be made available on the internet web site maintained by the department.

(6) The director shall initiate disciplinary action against any department employee who notifies or causes the notification to any unauthorized person of an unannounced survey of a residential facility by an authorized representative of the department.

(I) In addition to any other information which may be required of applicants for a license pursuant to this section, the director shall require each applicant to provide a copy of an approved plan for a proposed residential facility pursuant to section 5123.042 of the Revised Code. This division does not apply to renewal of a license or to an applicant for an initial or modified license who meets the requirements of section 5123.197 of the Revised Code.

(J)(1) A licensee shall notify the owner of the building in
which the licensee's residential facility is located of any
significant change in the identity of the licensee or management
contractor before the effective date of the change if the licensee
is not the owner of the building.

(2) Pursuant to rules, which shall be adopted in accordance
with Chapter 119. of the Revised Code, the director may require
notification to the department of any significant change in the
ownership of a residential facility or in the identity of the
licensee or management contractor. If the director determines that
a significant change of ownership is proposed, the director shall
consider the proposed change to be an application for development
by a new operator pursuant to section 5123.042 of the Revised Code
and shall advise the applicant within sixty days of the
notification that the current license shall continue in effect or
a new license will be required pursuant to this section. If the
director requires a new license, the director shall permit the
facility to continue to operate under the current license until
the new license is issued, unless the current license is revoked,
refused to be renewed, or terminated in accordance with Chapter
119. of the Revised Code.

(3) A licensee shall transfer to the new licensee or
management contractor all records related to the residents of the
facility following any significant change in the identity of the
licensee or management contractor.

(K) A county board of developmental disabilities and any
interested person may file complaints alleging violations of
statute or department rule relating to residential facilities with
the department. All complaints shall state the facts constituting
the basis of the allegation. The department shall not reveal the
source of any complaint unless the complainant agrees in writing
to waive the right to confidentiality or until so ordered by a
court of competent jurisdiction.
The department shall adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures for the receipt, referral, investigation, and disposition of complaints filed with the department under this division.

(L) Before issuing a license under this section to a residential facility that will accommodate at any time more than one individual with a developmental disability, the director shall, by first class mail, notify the following:

(1) If the facility will be located in a municipal corporation, the clerk of the legislative authority of the municipal corporation;

(2) If the facility will be located in unincorporated territory, the clerk of the appropriate board of county commissioners and the fiscal officer of the appropriate board of township trustees.

The director shall not issue the license for ten days after mailing the notice, excluding Saturdays, Sundays, and legal holidays, in order to give the notified local officials time in which to comment on the proposed issuance.

Any legislative authority of a municipal corporation, board of county commissioners, or board of township trustees that receives notice under this division of the proposed issuance of a license for a residential facility may comment on it in writing to the director within ten days after the director mailed the notice, excluding Saturdays, Sundays, and legal holidays. If the director receives written comments from any notified officials within the specified time, the director shall make written findings concerning the comments and the director's decision on the issuance of the license. If the director does not receive written comments from any notified local officials within the specified time, the director shall continue the process for issuance of the
license.

(M) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least six but not more than eight individuals with developmental disabilities as a permitted use in any residential district or zone, including any single-family residential district or zone, of any political subdivision. These residential facilities may be required to comply with area, height, yard, and architectural compatibility requirements that are uniformly imposed upon all single-family residences within the district or zone.

(N) Any person may operate a licensed residential facility that provides room and board, personal care, habilitation services, and supervision in a family setting for at least nine but not more than sixteen individuals with developmental disabilities as a permitted use in any multiple-family residential district or zone of any political subdivision, except that a political subdivision that has enacted a zoning ordinance or resolution establishing planned unit development districts may exclude these residential facilities from those districts, and a political subdivision that has enacted a zoning ordinance or resolution may regulate these residential facilities in multiple-family residential districts or zones as a conditionally permitted use or special exception, in either case, under reasonable and specific standards and conditions set out in the zoning ordinance or resolution to:

(1) Require the architectural design and site layout of the residential facility and the location, nature, and height of any walls, screens, and fences to be compatible with adjoining land uses and the residential character of the neighborhood;

(2) Require compliance with yard, parking, and sign regulation;
(3) Limit excessive concentration of these residential facilities.

(O) This section does not prohibit a political subdivision from applying to residential facilities nondiscriminatory regulations requiring compliance with health, fire, and safety regulations and building standards and regulations.

(P) Divisions (M) and (N) of this section are not applicable to municipal corporations that had in effect on June 15, 1977, an ordinance specifically permitting in residential zones licensed residential facilities by means of permitted uses, conditional uses, or special exception, so long as such ordinance remains in effect without any substantive modification.

(Q)(1) The director may issue an interim license to operate a residential facility to an applicant for a license under this section if either of the following is the case:

(a) The director determines that an emergency exists requiring immediate placement of individuals in a residential facility, that insufficient licensed beds are available, and that the residential facility is likely to receive a permanent license under this section within thirty days after issuance of the interim license.

(b) The director determines that the issuance of an interim license is necessary to meet a temporary need for a residential facility.

(2) To be eligible to receive an interim license, an applicant must meet the same criteria that must be met to receive a permanent license under this section, except for any differing procedures and time frames that may apply to issuance of a permanent license.

(3) An interim license shall be valid for thirty days and may be renewed by the director for a period not to exceed one hundred days.
eighty days.

(4) The director shall adopt rules in accordance with Chapter 119. of the Revised Code as the director considers necessary to administer the issuance of interim licenses.

(R) Notwithstanding rules adopted pursuant to this section establishing the maximum number of individuals who may be served in a particular type of residential facility, a residential facility shall be permitted to serve the same number of individuals being served by the facility on the effective date of the rules or the number of individuals for which the facility is authorized pursuant to a current application for a certificate of need with a letter of support from the department of developmental disabilities and which is in the review process prior to April 4, 1986.

This division does not preclude the department from suspending new admissions to a residential facility pursuant to a written order issued under section 5124.70 of the Revised Code.

(S) The director may enter at any time, for purposes of investigation, any home, facility, or other structure that has been reported to the director or that the director has reasonable cause to believe is being operated as a residential facility without a license issued under this section.

The director may petition the court of common pleas of the county in which an unlicensed residential facility is located for an order enjoining the person or governmental agency operating the facility from continuing to operate without a license. The court may grant the injunction on a showing that the person or governmental agency named in the petition is operating a residential facility without a license. The court may grant the injunction, regardless of whether the residential facility meets the requirements for receiving a license under this section.
Sec. 5123.35. (A) There is hereby created the Ohio developmental disabilities council, which shall serve as an advocate for all persons with developmental disabilities. The council shall act in accordance with the "Developmental Disabilities Assistance and Bill of Rights Act of 2000," 98 Stat. 2662 (1984), 42 U.S.C. 6001, as amended. The governor shall appoint the members of the council in accordance with 42 U.S.C. 6024.

(B) The council shall develop the state plan required by federal law as a condition of receiving federal assistance under 42 U.S.C. 6021 to 6030. The department of developmental disabilities, as the state agency selected by the governor for purposes of receiving the federal assistance, shall receive, account for, and disburse funds based on the state plan and shall provide assurances and other administrative support services required as a condition of receiving the federal assistance.

(C) The federal funds may be disbursed through grants to or contracts with persons and government agencies for the provision of necessary or useful goods and services for persons with developmental disabilities. The council may award the grants or enter into the contracts.

(D) The council may award grants to or enter into contracts with a member of the council or an entity that the member represents if all of the following apply:

(1) The member serves on the council as a representative of one of the principal state agencies concerned with services for persons with developmental disabilities as specified in 42 U.S.C. 6024(b)(3) 6025(b)(4), a representative of a university affiliated program as defined in 42 U.S.C. 6001(18) 6002(5), or a representative of the Ohio protection and advocacy system, as
defined in section 5123.60 of the Revised Code.

(2) The council determines that the member or the entity the member represents is capable of providing the goods or services specified under the terms of the grant or contract.

(3) The member has not taken part in any discussion or vote of the council related to awarding the grant or entering into the contract, including service as a member of a review panel established by the council to award grants or enter into contracts or to make recommendations with regard to awarding grants or entering into contracts.

(2) The cost report is incomplete or inadequate.

(E) If the department accepts a cost report filed under division (A) or (C)(1)(b) of this section, the department shall use that cost report, rather than the cost report that otherwise would be used pursuant to section 5124.17, 5124.171, 5124.19, 5124.195, 5124.21, 5124.211, or 5124.23, or 5124.231 of the Revised Code, to determine the ICF/IID's medicaid payment rate in accordance with this chapter for ICF/IID services the ICF/IID provides during the period that begins and ends as follows:

(1) For a cost report filed under division (A) of this section, the period begins on the following:

(a) In the case of an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID:

(a) In the case of an ICF/IID that becomes a downsized ICF/IID or partially converted ICF/IID:

(i) The last day of the fiscal year that immediately precedes the fiscal year for which the ICF/IID is paid a rate determined using a cost report filed under division (C)(1)(b) of this section if the ICF/IID became a downsized ICF/IID or partially converted ICF/IID on or before the first day of October of a calendar year;

(ii) The last day of the fiscal year that immediately precedes the fiscal year for which the ICF/IID begins to be paid a rate determined using a cost report that division (C)(2) of this section requires be filed in accordance with division (A) of section 5124.10 of the Revised Code if the ICF/IID became a downsized ICF/IID or partially converted ICF/IID after the first day of October of a calendar year.

(b) In the case of a new ICF/IID, the last day of the fiscal year that immediately precedes the fiscal year for which the ICF/IID begins to be paid a rate determined using a cost report that division (C)(3) or (4) of this section requires be filed in accordance with division (A) of section 5124.10 of the Revised Code.

(F) If the department accepts a cost report filed under division (A) or (C)(1)(b) of this section by the provider of a downsized ICF/IID or partially converted ICF/IID, the following modifications shall be made for the purpose of determining the medicaid payment rate for ICF/IID services the ICF/IID provides during the period specified in division (E) of this section:

(1) In place of the quarterly case-mix score otherwise used in determining the ICF/IID's per medicaid day direct care costs component rate under division (A) of section 5124.19 of the Revised Code, the ICF/IID's case-mix score in effect on the last day of the calendar quarter that ends during the period the cost report covers (or, if more than one calendar quarter ends during that period, the last of those calendar quarters) shall be used to determine the ICF/IID's per medicaid day direct care costs component rate if the department accepts a cost report filed under division (A) or (C)(1)(b) of this section by the provider of a downsized ICF/IID or partially converted ICF/IID.

(2) In place of the annual average casemix score otherwise used in determining the ICF/IID's per medicaid day payment rate for direct care costs under division (A) of section 5124.195 of the Revised Code, the ICF/IID's casemix score in effect on the last day of the calendar quarter that ends during the period the cost report covers (or, if more than one calendar quarter ends during that period, the last of those calendar quarters) shall be
used to determine the ICF/IID's per medicaid day payment rate for direct care costs.

(3) The ICF/IID shall not be subject to the limit on the costs of ownership per diem payment rate specified in divisions (B) and (C) of section 5124.171 of the Revised Code.

(5) The ICF/IID shall be subject to the limit on the total payment rate for costs of ownership, capitalized costs of nonextensive renovations, and the efficiency incentive specified in division (H) of section 5124.171 of the Revised Code regardless of whether the ICF/IID is in peer group 1-B or peer group 2-B.

Sec. 5124.15. (A) Except as otherwise provided by section 5124.101 of the Revised Code, sections 5124.151 to 5124.154 of the Revised Code, and divisions (B)-(C) of this section, the total per medicaid day payment rate that the department of developmental disabilities shall pay to an ICF/IID provider for ICF/IID services the provider's ICF/IID provides during a fiscal year shall equal the sum of all of the following:

(1) Until July 1, 2021, the greater of the total per medicaid day payment rates determined under divisions (B) and (C) of this section;

(2) Beginning July 1, 2021, the total per medicaid day payment rate determined under division (B) of this section.

(B) The total per medicaid day payment rate determined under this division is the sum of all of the following:

(1) The per medicaid day capital component rate determined for the ICF/IID under section 5124.17 of the Revised Code;
(2) The per medicaid day direct care costs component rate determined for the ICF/IID under section 5124.19 of the Revised Code;

(2) An ICF/IID that is in peer group 3 B for the purpose of the total per medicaid day payment rate determined under division (C) of this section.

(C) The department shall adjust the total per medicaid day payment rate otherwise determined for an ICF/IID under divisions (B) and (C) of this section as directed by the general assembly through the enactment of law governing medicaid payments to ICF/IID providers.

(D) In addition to paying an ICF/IID provider the total per medicaid day payment rate determined for the provider's ICF/IID under divisions (A), (B), and (C), (D), and (E) of this section for a fiscal year, the department may do either or both of the following:

(a) In accordance with section 5124.25 of the Revised Code, pay the provider a rate add-on for ventilator-dependent outlier
ICF/IID services if the rate add-on is to be paid under that section and the department approves the provider's application for the rate add-on;

(b) In accordance with section 5124.26 of the Revised Code, pay the provider for outlier ICF/IID services the ICF/IID provides to residents identified as needing intensive behavioral health support services if the rate add-on is to be paid under that section and the department approves the provider's application for the rate add-on.

Sec. 5124.151. (A) The total per medicaid day payment rate determined under section 5124.15 of the Revised Code shall not be the initial rate for ICF/IID services provided by a new ICF/IID. Instead, the initial total per medicaid day payment rate for ICF/IID services provided by a new ICF/IID shall be determined in accordance with this section.

(B) The initial total per medicaid day payment rate for ICF/IID services provided by a new ICF/IID, other than an ICF/IID in peer group 5-A, shall be determined in the following manner:

(1) The initial per medicaid day capital component rate shall be the median per medicaid day capital component rate for the ICF/IID's peer group for the fiscal year.

(2) The initial per medicaid day direct care costs component rate shall be determined as follows:

(a) If there are no cost or resident assessment data for the new ICF/IID as necessary to determine a rate under section 5124.19 of the Revised Code, the rate shall be determined as follows:

(i) Determine the median cost per case-mix unit under division (B) of section 5124.19 of the Revised Code for the new ICF/IID.
ICF/IID's peer group for the applicable cost report year;

(ii) Multiply the amount determined under division (B)(2)(a)(i) of this section by the median annual average case-mix score for the new ICF/IID's peer group for that period;

(iii) Adjust the product determined under division (B)(2)(a)(ii) of this section by the rate of inflation estimated under division (D) of section 5124.19 of the Revised Code.

(b) If the new ICF/IID is a replacement ICF/IID and the ICF/IID or ICFs/IID that are being replaced are in operation immediately before the new ICF/IID opens, the rate shall be the same as the rate for the replaced ICF/IID or ICFs/IID, proportionate to the number of ICF/IID beds in each replaced ICF/IID.

(c) If the new ICF/IID is a replacement ICF/IID and the ICF/IID or ICFs/IID that are being replaced are not in operation immediately before the new ICF/IID opens, the rate shall be determined under division (B)(2)(a) of this section.

(3) The initial per medicaid day indirect care costs component rate shall be the maximum rate for the new ICF/IID's peer group as determined for the fiscal year in accordance with division (C) of section 5124.21 of the Revised Code.

(4) The initial per medicaid day other protected costs component rate shall be one hundred fifteen per cent of the median rate for ICFs/IID determined for the fiscal year under section 5124.23 of the Revised Code.

(C) The initial total medicaid day payment rate for ICF/IID services provided by a new ICF/IID in peer group 5 shall be determined in the following manner:

(1) The initial per medicaid day capital component rate shall be $29.61.
(2) The initial per medicaid day direct care costs component rate shall be $264.89.

(3) The initial per medicaid day indirect care costs component rate shall be $59.85.

(4) The initial per medicaid day other protected costs component rate shall be $25.99.

(D)(1) Except as provided in division (D)(2) of this section, the department of developmental disabilities shall adjust a new ICF/IID's initial total per medicaid day payment rate determined under this section effective the first day of July, to reflect new rate determinations for all ICFs/IID under this chapter.

(2) If the department accepts, under division (A) of section 5124.101 of the Revised Code, a cost report filed by the provider of a new ICF/IID, the department shall adjust the ICF/IID's initial total per medicaid day payment rate in accordance with divisions (E) and (F) of that section rather than division (D)(1) of this section.

Sec. 5124.152. (A) The total per medicaid day payment rate determined under section 5124.15 of the Revised Code shall not be paid for ICF/IID services provided by an ICF/IID, or discrete unit of an ICF/IID, designated by the department of developmental disabilities as an outlier ICF/IID or unit. Instead, the provider of a designated outlier ICF/IID or unit shall be paid each fiscal year a total per medicaid day payment rate that the department shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The department may designate an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit if the ICF/IID or unit serves residents who have either of the following:

(1) Diagnoses or special care needs that require direct care
resources that are not measured adequately by the resident assessment instrument specified in rules authorized by sections 5124.191 and 5124.196 of the Revised Code;

(2) Diagnoses or special care needs that are specified in rules authorized by this section as otherwise qualifying for consideration under this section.

(C) Notwithstanding any other provision of this chapter, the costs incurred by a designated outlier ICF/IID or unit shall not be considered in establishing medicaid payment rates for other ICFs/IID or units.

(D) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

(1)(a) The rules shall do both of the following:

(i) Specify the criteria and procedures the department will apply when designating an ICF/IID, or discrete unit of an ICF/IID, as an outlier ICF/IID or unit;

(ii) Establish a methodology for prospectively determining the total per medicaid day payment rate that will be paid each fiscal year for ICF/IID services provided by a designated outlier ICF/IID or unit.

(b) The rules adopted under division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall do both of the following:

(i) Provide for consideration of whether all of the allowable costs of an ICF/IID, or discrete unit of an ICF/IID, would be paid by the rate determined under section 5124.15 of the Revised Code;

(ii) Specify the minimum number of ICF/IID beds that an ICF/IID, or discrete unit of an ICF/IID, must have to be designated an outlier ICF/IID or unit.
(c) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier ICFs/IID and units shall not limit the designation to ICFs/IID, or discrete units of ICFs/IID, located in large cities.

(d) The rules authorized by division (D)(1)(a)(ii) of this section regarding the methodology for prospectively determining the rates of designated outlier ICFs/IID and units shall provide for the methodology to consider the historical costs of providing ICF/IID services to the residents of designated outlier ICFs/IID and units.

(2)(a) The rules may do both of the following:

(i) Include for designation as an outlier ICF/IID or unit, an ICF/IID, or discrete unit of an ICF/IID, that serves residents who have complex medical conditions or severe behavioral problems;

(ii) Require that a designated outlier ICF/IID or unit receive authorization from the department before admitting or retaining a resident.

(b) If the director adopts rules authorized by division (D)(2)(a)(ii) of this section regarding the authorization of a designated outlier ICF/IID or unit to admit or retain a resident, the rules shall specify the criteria and procedures the department will apply when granting the authorization.

Sec. 5124.17. (A) For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day capital component rate. An ICF/IID's rate for a fiscal year shall equal the sum of the following:

(2) The maximum cost per case-mix unit for peer group 5-A for a fiscal year is the ninety-fifth percentile of all ICFs/IID in peer group 5-A for the applicable cost report year. 67206

(3) In determining the maximum cost per case-mix unit for a peer group under division (C)(1) of this section, the department shall exclude from its determination the cost per case-mix unit of any ICF/IID in the peer group that participated in the medicaid program under the same provider for less than twelve months during the applicable cost report year. 67209

(4) In determining the maximum cost per case-mix unit for a peer group under division (C)(1) or (2) of this section, the department shall exclude from its determination the cost per case-mix unit of any ICF/IID in the peer group that has a case-mix score that was assigned by the department to the ICF/IID under division (B) of section 5124.193 of the Revised Code. 67215

(5) The department shall not reset a peer group's maximum cost per case-mix unit for a fiscal year under division (C)(1) or (2) of this section based on additional information that the department receives after it sets the maximum for that fiscal year. The department shall reset a peer group's maximum cost per case-mix unit for a fiscal year only if it made an error in setting the maximum for that fiscal year based on information available to the department at the time it originally sets the maximum for that fiscal year. 67223

(D) The department shall estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable cost report year and ending on the last day of December of the fiscal year for which the rate is determined, 67231
using the following:

Sec. 5124.191. (A) As used in sections 5124.191 to 5124.193 of the Revised Code, "ICF/IID resident" includes an individual who is on hospital or therapeutic leave from an ICF/IID.

(B) In accordance with rules adopted under section 5124.03 of the Revised Code, the department of developmental disabilities shall assess each ICF/IID resident regardless of payment source and compile complete assessment data on the residents. The department shall perform the initial assessment of an ICF/IID resident. The department may perform a subsequent assessment of an ICF/IID resident under any of the following circumstances:

(1) The provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave has submitted to the department under division (D) of this section revised assessment data for the resident or an attestation of no changes in the resident's assessment data and the department has reason to believe that the revised assessment data or attestation is inaccurate;

(2) The department has reason to believe that the resident's most recent assessment no longer accurately reflects the resident's condition;

(3) The department determines that the resident's most recent
assessment should be updated because of the passage of time since that assessment was performed.

(C) If an ICF/IID provider disagrees with the results of an assessment performed by the department under this section, the provider may request that the department reconsider the results in accordance with rules adopted under section 5124.03 of the Revised Code.

(D) After the department assesses an ICF/IID resident under this section, the provider of the ICF/IID in which the resident resides or from which the resident is on hospital or therapeutic leave shall submit to the department, not later than fifteen days after the end of each subsequent calendar quarter and through the medium or media specified in rules adopted under section 5124.03 of the Revised Code, either of the following:

(1) Revised assessment data for the resident if there are changes in the resident's assessment data;

(2) An attestation that there are no changes in the resident's assessment data.

(E) A resident assessment instrument specified in rules adopted under section 5124.03 of the Revised Code shall be used to compile or revise assessment data of ICF/IID residents under this section. The resident assessment instrument used for the purpose of this section may be different from the resident assessment instrument used for the purpose of section 5124.196 of the Revised Code.

Sec. 5124.21. (A) For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day indirect care costs component rate. An ICF/IID's rate shall be the lesser of the individual rate determined under division (B) of this section and the maximum rate determined for...
the ICF/IID's peer group under division (C) of this section.

(B) An ICF/IID's individual rate is the sum of the following:

(1) The ICF/IID's desk-reviewed, actual, allowable, per diem indirect care costs for the applicable cost report year, adjusted for the inflation rate estimated under division (E) of this section;

(2) Subject to division (D) of this section, an efficiency incentive equal to the difference between the amount of the per diem indirect care costs for the applicable cost report year determined for the ICF/IID under division (B)(1) of this section and the maximum rate established for the ICF/IID's peer group under division (C) of this section for that year.

(C)(1) The maximum rate for an ICF/IID's peer group shall be the following percentage above the peer group's median per diem indirect care costs for the applicable cost report year:

(a) For ICFs/IID in peer group 1-A, eight per cent;

(b) For ICFs/IID in peer group 2-A or peer group 3-A, ten per cent;

(c) For ICFs/IID in peer group 4-A or peer group 5-A, twelve per cent.

(2) The department shall not redetermine a peer group's maximum rate under division (C)(1) of this section based on additional information that it receives after the maximum rate is set. The department shall redetermine a peer group's maximum rate only if the department made an error in computing the maximum rate based on the information available to the department at the time of the original calculation.

(D) The efficiency incentive for an ICF/IID shall not exceed the following:
(1) If the ICF/IID is in peer group 1-A, five per cent of the peer group's maximum rate established under division (C)(1)(a) of this section;

(2) If the ICF/IID is in peer group 2-A, peer group 3-A, peer group 4-A, or peer group 5-A, six per cent of the peer group's maximum rate established under division (C)(1)(b) or (c) of this section.

(E) When adjusting rates for inflation under division (B)(1) of this section, the department shall estimate the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable cost report year and ending on the thirty-first day of December of the fiscal year for which the rate is determined. To estimate the rate of inflation, the department shall use the following:

(1) Subject to division (E)(2) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics;

(2) If the United States bureau of labor statistics ceases to publish the index specified in division (E)(1) of this section, a comparable index that the bureau publishes and the department determines is appropriate.

Sec. 5124.23. For each fiscal year, the department of developmental disabilities shall determine each ICF/IID's per medicaid day other protected costs component rate. An ICF/IID's rate shall be the ICF/IID's desk-reviewed, actual, allowable, per diem other protected costs from the applicable cost report year, adjusted for inflation using the following:

(A) Subject to division (B) of this section, the consumer price index for all urban consumers for nonprescription drugs and medical supplies, as published by the United States bureau of
labor statistics;

(B) If the United States bureau of labor statistics ceases to publish the index specified in division (B)(1)(A) of this section, the index that is subsequently published by the bureau and covers nonprescription drugs and medical supplies.

Sec. 5124.29. Except as otherwise provided in section 5124.30 of the Revised Code, the department of developmental disabilities, in determining whether an ICF/IID's direct care costs and indirect care costs are allowable, shall place no limit on specific categories of reasonable costs other than compensation of owners, compensation of relatives of owners, and compensation of administrators.

Compensation cost limits for owners and relatives of owners shall be based on compensation costs for individuals who hold comparable positions but who are not owners or relatives of owners, as reported on ICFs/IID's cost reports. As used in this section, "comparable position" means the position that is held by the owner or the owner's relative, if that position is listed separately on the cost report form, or if the position is not listed separately, the group of positions that is listed on the cost report form and that includes the position held by the owner or the owner's relative. In the case of an owner or owner's relative who serves the ICFs/IID in a capacity such as corporate officer, proprietor, or partner for which no comparable position or group of positions is listed on the cost report form, the compensation cost limit shall be based on civil service equivalents and shall be specified in rules adopted under section 5124.03 of the Revised Code.

Compensation cost limits for administrators shall be based on compensation costs for administrators who are not owners or relatives of owners, as reported on ICFs/IID's cost reports.
the purpose of determining an ICF/IID's total per Medicaid day
payment rate under division (C) of section 5124.15 of the Revised
Code, compensation cost limits for administrators of four or more
ICFs/IID shall be the same as the limits for administrators of
ICFs/IID with one hundred fifty or more beds.

Sec. 5124.30. Except as provided in sections section 5124.17
and 5124.171 of the Revised Code, the costs of goods, services,
and facilities, furnished to an ICF/IID provider by a related
party are includable in the allowable costs of the provider at the
reasonable cost to the related party.

Sec. 5124.38. (A) The director of developmental disabilities
shall establish a process under which an ICF/IID provider, or a
group or association of ICF/IID providers, may seek
reconsideration of Medicaid payment rates established under this
chapter, including a rate for direct care costs redetermined
before the effective date of the rate as a result of an exception
review conducted under section 5124.198 of the Revised Code.

Except as provided in divisions (B) to (E) of this section, the
only issue that a provider, group, or association may raise in the
rate reconsideration is whether the rate was calculated in
accordance with this chapter and the rules adopted under section
5124.03 of the Revised Code. The provider, group, or association
may submit written arguments or other materials that support its
position. The provider, group, or association and department shall
take actions regarding the rate reconsideration within time frames
specified in rules authorized by this section.

If the department determines, as a result of the rate
reconsideration, that the rate established for one or more
ICFs/IID is less than the rate to which the ICF/IID is entitled,
the department shall increase the rate. If the department has paid
the incorrect rate for a period of time, the department shall pay
the provider of the ICF/IID the difference between the amount the
provider was paid for that period for the ICF/IID and the amount
the provider should have been paid for the ICF/IID.

(B)(1) The department, through the rate reconsideration
process, may increase during a fiscal year the medicaid payment
rate determined for an ICF/IID under this chapter if the provider
demonstrates that the ICF/IID's actual, allowable costs have
increased because of any of the following extreme circumstances:

(a) A natural disaster;

(b) A nonextensive renovation approved under division (E) of
section 5124.171 of the Revised Code;

(c) If the ICF/IID has an appropriate claims management
program, an increase in the ICF/IID's workers' compensation
experience rating of greater than five per cent;

(d) If the ICF/IID is an inner-city ICF/IID, increased
security costs;

(e) A change of ownership that results from bankruptcy,
foreclosure, or findings by the department of health of violations
of medicaid certification requirements;

(f) Other extreme circumstances specified in rules
authorized by this section.

(2) An ICF/IID may qualify for a rate increase under this
division only if its per diem, actual, allowable costs have
increased to a level that exceeds its total rate. An increase
under this division is subject to any rate limitations or maximum
rates established by this chapter for specific cost centers. Any
rate increase granted under this division shall take effect on the
first day of the first month after the department receives the
request.

(C) The department, through the rate reconsideration process,
may increase an ICF/IID's rate as determined under this chapter if the department, in the department's sole discretion, determines that the rate as determined under those sections works an extreme hardship on the ICF/IID.

(D)(1) When Subject to any applicable limitation under section 5124.17 of the Revised Code, when beds certified for the medicaid program are added to an existing ICF/IID or replaced at the same site, the department, through the rate reconsideration process, may do either of the following to account for the costs of the beds that are added or replaced:

(a) Subject to any applicable limitation under section 5124.17 of the Revised Code, proportionately increase the ICF/IID's per medicaid day capital component rate determined under that section;

(b) Subject to any applicable limitation under section 5124.171 of the Revised Code, proportionately increase the ICF/IID's per medicaid day payment rate for reasonable capital costs determined under that section to account for the costs of the beds that are added or replaced.

(2) If the department grants an increase under division (D)(1)(a) or (b) of this section, the increase shall go into effect one month after the first day of the month after the department receives sufficient documentation needed to determine the amount of the increase.

(3) Any rate increase of an ICF/IID's per medicaid day payment rate for reasonable capital costs determined under section 5124.171 of the Revised Code that is granted under division (D)(1)(b) of this section after June 30, 1993, shall remain in effect until the earlier of the following:

(a) The effective date of a per medicaid day payment rate for reasonable capital costs determined under section 5124.171 of the Revised Code;
Revised Code that includes costs incurred for a full calendar year for the bed addition or bed replacement;

(b) The date the provider of the ICF/IID begins to be paid a rate determined under division (B) of section 5124.15 of the Revised Code.

(4) The provider of an ICF/IID that has its per medicaid day payment rate for reasonable capital costs increased under division (D)(1)(b) of this section shall report double accumulated depreciation in an amount equal to the depreciation included in the rate adjustment on its cost report for the first year of operation. During the term of any loan used to finance a project for which the rate increase is granted, the provider, if the ICF/IID is operated by the same provider, shall subtract from the interest costs it reports on the ICF/IID's cost report an amount equal to the difference between the following:

(a) The actual, allowable interest costs for the loan during the calendar year for which the costs are being reported;

(b) The actual, allowable interest costs attributable to the loan that were used to calculate the rates paid to the provider for the ICF/IID during the same calendar year.

(E) If the provider of an ICF/IID submits to the department revised assessment data for a resident of the ICF/IID under division (D) of section 5124.191 of the Revised Code and the revised assessment data results in at least a fifteen per cent increase in the ICF/IID's case-mix score determined under section 5124.193 of the Revised Code, the provider may request that the department, through the rate reconsideration process, increase the ICF/IID's per medicaid day direct care costs component rate determined under section 5124.19 of the Revised Code to account for the increase in the ICF/IID's case-mix score. If the department determines that the revised assessment data so
increases the ICF/IID's case-mix score, the department shall grant the rate increase. The increase shall go into effect one month after the first day of the month after the department receives sufficient documentation needed to determine the amount of the increase.

(F) The department's decision at the conclusion of a rate reconsideration process is not subject to any administrative proceedings under Chapter 119. or any other provision of the Revised Code.

(G) The director of developmental disabilities shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section.

Sec. 5124.39. (A) Except as provided in divisions (B) and (C) of this section, if the provider of an ICF/IID in former peer group 1-B, as that group existed on the date immediately preceding the effective date of this amendment, obtained approval from the department of developmental disabilities to become a downsized ICF/IID not later than July 1, 2018, and the ICF/IID does not become a downsized ICF/IID by that date, the department shall recoup from the provider an amount equal to the sum of the following:

(1) The difference between the amount of the efficiency incentive payments the ICF/IID earned under former sections 5124.171 and 5124.211 of the Revised Code, as those sections existed on the date immediately preceding the effective date of this amendment, because the provider obtained such approval and the amount of the efficiency incentive payments the ICF/IID would have earned under those sections had the provider not obtained such approval;

(2) An amount of interest on the difference determined under division (A)(1) of this section.
(B) The department shall exempt an ICF/IID provider from a recoupment otherwise required by this section if the provider voluntarily repays the department the difference determined under division (A)(1) of this section. No interest shall be charged on the amount voluntarily repaid.

(C) The department may exempt an ICF/IID provider from a recoupment otherwise required by this section if both of the following apply:

(1) The provider, on or before July 1, 2018, demonstrates to the department's satisfaction that the provider made a good faith effort to complete the downsizing by July 1, 2018, but the ICF/IID did not become a downsized ICF/IID by that date for reasons beyond the provider's control;

(2) The ICF/IID becomes a downsized ICF/IID within a period of time after July 1, 2018, that the department determines is reasonable.

(D) An ICF/IID provider subject to a recoupment under division (A) of this section or voluntarily making a repayment under division (B) of this section shall choose one of the following methods by which the recoupment or voluntary repayment shall be made:

(1) In a lump sum payment;

(2) Subject to the department's approval, in installment payments;

(3) In a single deduction from the next available medicaid payment made to the provider if that payment at least equals the total amount of the recoupment or voluntary repayment;

(4) Subject to the department's approval, in installment deductions from medicaid payments made to the provider.

(E) An ICF/IID provider may request that the director of...
developmental disabilities reconsider either or both of the following:

(1) A decision that the provider is subject to a recoupment under this section;

(2) A determination under this section of the amount to be recouped from the provider.

(F) The director shall adopt rules under section 5124.03 of the Revised Code as necessary to implement this section, including rules specifying how the amount of interest charged under division (A)(2) of this section is to be determined.

Sec. 5124.40. If an ICF/IID provider properly amends a cost report for an ICF/IID under section 5124.107 of the Revised Code and the amended report shows that the provider received a lower medicaid payment rate under the original cost report than the provider was entitled to receive, the department of developmental disabilities shall adjust the provider's rate for the ICF/IID prospectively to reflect the corrected information. The department shall pay the adjusted rate beginning two months after the first day of the month after the provider files the amended cost report.

If the department finds, from an exception review of resident assessment data conducted pursuant to section 5124.198 of the Revised Code after the effective date of an ICF/IID's rate for direct care costs that is based on the resident assessment data, that inaccurate resident assessment data resulted in the provider receiving a lower rate for the ICF/IID than the provider was entitled to receive, the department prospectively shall adjust the provider's rate for the ICF/IID accordingly. The department shall make payments to the provider using the adjusted rate for the remainder of the calendar quarter for which the resident assessment data is used to determine the rate, beginning one month after the first day of the month after the exception review is
Sec. 5124.41. (1) The provider properly amends a cost report for the ICF/IID under section 5124.107 of the Revised Code;

(2) The department makes a finding based on an audit under section 5124.109 of the Revised Code;

(3) The department makes a finding based on an exception review of resident assessment data conducted under section 5124.198 of the Revised Code after the effective date of the ICF/IID's rate for direct care costs that is based on the resident assessment data.

(B) The department shall apply the redetermined rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment. The department may charge the provider the following amount of interest from the time the overpayment was made:

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be not greater than one and one-half times the current average bank prime rate.

(2) If the overpayment resulted from costs reported for a subsequent calendar year:

(a) The interest shall be not greater than two times the current average bank prime rate if the overpayment was not more than one per cent of the total medicaid payments to the provider.
for the fiscal year for which the incorrect information was used to determine a rate.

(b) The interest shall be not greater than two and one-half times the current average bank prime rate if the overpayment was more than one per cent of the total Medicaid payments to the provider for the fiscal year for which the incorrect information was used to determine a rate.

Sec. 5124.46. All of the following are subject to an adjudication conducted in accordance with Chapter 119. of the Revised Code:

(A) Any audit disallowance that the department of developmental disabilities makes as the result of an audit under section 5124.109 of the Revised Code;

After receiving the notice, the county board, in conjunction with the department of developmental disabilities, shall cooperate fully with the department of medicaid and timely prepare and send to the department a written plan of correction or response to the adverse findings. The county board is liable for any adverse findings that result from an action it takes or fails to take in its implementation of medicaid local administrative authority.

Sec. 5126.056. (A) The department of developmental disabilities shall take action under division (B) of this section against a county board of developmental disabilities if any either of the following are the case:

(3) The county board fails to implement its annual plan approved by the department.

(4) The county board fails to correct a deficiency within the time required by division (F) of section 5126.055 of the Revised Code to the satisfaction of the department.

(5) The county board fails to submit an acceptable plan of correction to the department within the time required by division (F)(2) of section 5126.055 of the Revised Code.

(B) If required by division (A) of this section to take action against a county board, the department shall issue an order terminating the county board's medicaid local administrative authority over all or part of home and community-based services, medicaid case management services, or all or part of both of those services. The department shall provide a copy of the order to the board of county commissioners, senior probate judge, county
auditor, and president and superintendent of the county board. The

department shall specify in the order the medicaid local

administrative authority that the department is terminating, the

reason for the termination, and the county board's option and

responsibilities under this division.

A county board whose medicaid local administrative authority

is terminated may, not later than thirty days after the department

issues the termination order, recommend to the department that

another county board that has not had any of its medicaid local

administrative authority terminated or another entity the

department approves administer the services for which the county

board's medicaid local administrative authority is terminated. The

department may contract with the other county board or entity to

administer the services. If the department enters into such a

contract, the county board shall adopt a resolution giving the

other county board or entity full medicaid local administrative

authority over the services that the other county board or entity

is to administer. The other county board or entity shall be known

as the contracting authority.

If the department rejects the county board's recommendation

regarding a contracting authority, the county board may appeal the

rejection under section 5123.043 of the Revised Code.

If the county board does not submit a recommendation to the

department regarding a contracting authority within the required

time or the department rejects the county board's recommendation

and the rejection is upheld pursuant to an appeal, if any, under

section 5123.043 of the Revised Code, the department shall appoint

an administrative receiver to administer the services for which

the county board's medicaid local administrative authority is

terminated. To the extent necessary for the department to appoint

an administrative receiver, the department may utilize employees

of the department, management personnel from another county board,
or other individuals who are not employed by or affiliated with in any manner a person that provides home and community-based services or medicaid case management services pursuant to a contract with any county board. The administrative receiver shall assume full administrative responsibility for the county board's services for which the county board's medicaid local administrative authority is terminated.

The contracting authority or administrative receiver shall develop and submit to the department a plan of correction to remediate the problems that caused the department to issue the termination order. If, after reviewing the plan, the department approves it, the contracting authority or administrative receiver shall implement the plan.

The county board shall transfer control of state and federal funds it is otherwise eligible to receive for the services for which the county board's medicaid local administrative authority is terminated and funds the county board may use under division (A) of section 5126.0511 of the Revised Code to pay the nonfederal share of the services that the county board is required by sections 5126.059 and 5126.0510 of the Revised Code to pay. The county board shall transfer control of the funds to the contracting authority or administrative receiver administering the services. The amount the county board shall transfer shall be the amount necessary for the contracting authority or administrative receiver to fulfill its duties in administering the services, including its duties to pay its personnel for time worked, travel, and related matters. If the county board fails to make the transfer, the department may withhold the state and federal funds from the county board and bring a mandamus action against the county board in the court of common pleas of the county served by the county board or in the Franklin county court of common pleas. The mandamus action may not require that the county board transfer
any funds other than the funds the county board is required by
division (B) of this section to transfer.

The contracting authority or administrative receiver has the
right to authorize the payment of bills in the same manner that
the county board may authorize payment of bills under this chapter
and section 319.16 of the Revised Code.

Sec. 5126.071. (A) As used in this section, "minority
business enterprise" has the meaning given in division (E)(1) of
section 122.71 of the Revised Code.

(B) Any minority business enterprise that desires to bid on a
contract under division (C) or (D) of this section shall first
apply to the equal employment opportunity coordinator in the
department of administrative services development for certification
as a minority business enterprise. The coordinator director of
development shall approve the application of any minority business
enterprise that complies with the rules adopted under section
122.71 of the Revised Code. The coordinator director shall prepare
and maintain a list of minority business enterprises certified
under this section.

(C) From the contracts to be awarded for the purchases of
equipment, materials, supplies, insurance, and nonprogram
services, other than contracts entered into and exempt under
sections 307.86 and 5126.05 of the Revised Code, each county board
of developmental disabilities shall select a number of contracts
with an aggregate value of approximately fifteen per cent of the
total estimated value of such contracts to be awarded in the
current calendar year. The board shall set aside the contracts so
selected for bidding by minority business enterprises only. The
bidding procedures for such contracts shall be the same as for all
other contracts awarded under section 307.86 of the Revised Code,
except that only minority business enterprises certified and
listed under division (B) of this section shall be qualified to submit bids. Contracts set aside and awarded under this section shall not include contracts for the purchase of services such as direct and ancillary services, service and support administration, residential services, and family support services.

(D) To the extent that a board is authorized to enter into contracts for construction which are not exempt from the competitive bidding requirements of section 307.86 of the Revised Code, the board shall set aside a number of contracts the aggregate value of which equals approximately five per cent of the aggregate value of construction contracts for the current calendar year for bidding by minority business enterprises only. The bidding procedures for the contracts set aside for minority business enterprises shall be the same as for all other contracts awarded by the board, except that only minority business enterprises certified and listed under division (B) of this section shall be qualified to submit bids.

Any contractor awarded a construction contract pursuant to this section shall make every effort to ensure that certified minority business subcontractors and materials suppliers participate in the contract. Sec. 5164.342. (A) As used in this section:

"Applicant" means a person who is under final consideration for employment with a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Community-based long-term care provider" means a provider as defined in section 173.39 of the Revised Code.

"Community-based long-term care subcontractor" means a
subcontractor as defined in section 173.38 of the Revised Code.

"Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

"Disqualifying offense" means any of the offenses listed or described in divisions (A)(3)(a) to (e) of section 109.572 of the Revised Code.

"Employee" means a person employed by a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Waiver agency" means a person or government entity that provides home and community-based services under a home and community-based services medicaid waiver component administered by the department of medicaid, other than such a person or government entity that is certified under the medicare program. "Waiver agency" does not mean an independent provider as defined in section 5164.341 of the Revised Code.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 3740.11 of the Revised Code. If a waiver agency also is a community-based long-term care provider or community-based long-term care subcontractor, the waiver agency may provide for any of its applicants and employees who are not subject to database reviews and criminal records checks under section 173.38 of the Revised Code to undergo database reviews and criminal records checks in accordance with that section rather than this section.

(C) No waiver agency shall employ an applicant or continue to employ an employee in a position that involves providing home and community-based services if any of the following apply:

1) A review of the databases listed in division (E) of this section reveals any of the following:
(a) That the applicant or employee is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(b) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the applicant or employee abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules authorized by this section and the rules prohibit the waiver agency from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing home and community-based services.

(2) After the applicant or employee is given the information and notification required by divisions (F)(2)(a) and (b) of this section, the applicant or employee fails to do either of the following:

(a) Access, complete, or forward to the superintendent of the bureau of criminal identification and investigation the form prescribed to division (C)(1) of section 109.572 of the Revised Code or the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Instruct the superintendent to submit the completed report of the criminal records check required by this section directly to the chief administrator of the waiver agency.

(3) Except as provided in rules authorized by this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense, regardless of the date of the
conviction or date of entry of the guilty plea.

(D) At the time of each applicant's initial application for employment in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall inform the applicant of both of the following:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the waiver agency is prohibited by division (C)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall conduct a database review of the applicant in accordance with rules authorized by this section. If rules authorized by this section so require, the chief administrator of a waiver agency shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. A database review shall determine whether the applicant or employee is included in any of the following:

(F)(1) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall require the applicant to request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the applicant. If rules authorized by this section so require, the chief administrator of a waiver agency shall require an employee to request that the superintendent conduct a criminal records check of the employee at times specified in the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. However, a criminal records check is not required for an applicant or employee if the waiver agency is prohibited by division (C)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing home and community-based services. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a
resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal bureau of investigation in a criminal records check, the chief administrator shall require the applicant or employee to request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the chief administrator may require the applicant or employee to request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The chief administrator shall provide the following to each applicant and employee for whom a criminal records check is required by this section:

However, a waiver agency may require an applicant to pay to the bureau the fee for a criminal records check of the applicant. If the waiver agency pays the fee for an applicant, it may charge the applicant a fee not
exceeding the amount the waiver agency pays to the bureau under this section if the waiver agency notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.

(G)(1) A waiver agency may employ conditionally an applicant for whom a criminal records check is required by this section prior to obtaining the results of the criminal records check if both of the following apply:

(a) The waiver agency is not prohibited by division (C)(1) of this section from employing the applicant in a position that involves providing home and community-based services.

(b) The chief administrator of the waiver agency requires the applicant to request a criminal records check regarding the applicant in accordance with division (F)(1) of this section not later than five business days after the applicant begins conditional employment.

Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of or has pleaded guilty to a disqualifying offense, the waiver agency shall terminate the applicant's employment unless circumstances specified in rules authorized by this section exist that permit the waiver agency to employ the applicant and the waiver agency chooses to employ the applicant.
