

As Reported by the House Transportation and Public Safety Committee

134th General Assembly

Regular Session

2021-2022

H. B. No. 138

Representative Baldrige

Cosponsors: Representatives Seitz, Lepore-Hagan

A BILL

To amend sections 4765.01, 4765.11, 4765.30, 1
4765.35, 4765.37, 4765.38, 4765.39, 4765.41, and 2
4766.01 of the Revised Code and to amend the 3
version of section 4765.11 of the Revised Code 4
that is scheduled to take effect October 9, 5
2021, regarding the scope of emergency medical 6
services provided by emergency medical service 7
personnel. 8

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 4765.01, 4765.11, 4765.30, 9
4765.35, 4765.37, 4765.38, 4765.39, 4765.41, and 4766.01 of the 10
Revised Code be amended to read as follows: 11

Sec. 4765.01. As used in this chapter: 12

(A) "First responder" means an individual who holds a 13
current, valid certificate issued under section 4765.30 of the 14
Revised Code to practice as a first responder. 15

(B) "Emergency medical technician-basic" or "EMT-basic" 16
means an individual who holds a current, valid certificate 17
issued under section 4765.30 of the Revised Code to practice as 18

an emergency medical technician-basic. 19

(C) "Emergency medical technician-intermediate" or "EMT-I" 20
means an individual who holds a current, valid certificate 21
issued under section 4765.30 of the Revised Code to practice as 22
an emergency medical technician-intermediate. 23

(D) "Emergency medical technician-paramedic" or 24
"paramedic" means an individual who holds a current, valid 25
certificate issued under section 4765.30 of the Revised Code to 26
practice as an emergency medical technician-paramedic. 27

(E) "Ambulance" means any motor vehicle that is used, or 28
is intended to be used, for the purpose of responding to 29
emergency medical situations, transporting emergency patients, 30
and administering emergency medical service to patients before, 31
during, or after transportation. 32

(F) "Cardiac monitoring" means a procedure used for the 33
purpose of observing and documenting the rate and rhythm of a 34
patient's heart by attaching electrical leads from an 35
electrocardiograph monitor to certain points on the patient's 36
body surface. 37

(G) "Emergency medical service" means any of the services 38
~~described in sections 4765.35, 4765.37, 4765.38, and 4765.39 of~~ 39
~~the Revised Code that are performed by first responders,~~ 40
emergency medical technicians-basic, emergency medical 41
technicians-intermediate, and paramedics are authorized to 42
perform pursuant to rules adopted by the state board of 43
emergency medical, fire, and transportation services under 44
section 4765.11 of the Revised Code. "Emergency medical service" 45
includes such services performed before or during any transport 46
of a patient, including transports between hospitals and 47

transports to and from helicopters. 48

(H) "Emergency medical service organization" means a 49
public or private organization using first responders, EMTs- 50
basic, EMTs-I, or paramedics, or a combination of first 51
responders, EMTs-basic, EMTs-I, and paramedics, to provide 52
emergency medical services. 53

(I) "Physician" means an individual who holds a current, 54
valid license issued under Chapter 4731. of the Revised Code 55
authorizing the practice of medicine and surgery or osteopathic 56
medicine and surgery. 57

(J) "Registered nurse" means an individual who holds a 58
current, valid license issued under Chapter 4723. of the Revised 59
Code authorizing the practice of nursing as a registered nurse. 60

(K) "Volunteer" means a person who provides services 61
either for no compensation or for compensation that does not 62
exceed the actual expenses incurred in providing the services or 63
in training to provide the services. 64

(L) "Emergency medical service personnel" means first 65
responders, emergency medical technicians-basic, emergency 66
medical technicians-intermediate, emergency medical technicians- 67
paramedic, and persons who provide medical direction to such 68
persons. 69

(M) "Hospital" has the same meaning as in section 3727.01 70
of the Revised Code. 71

(N) "Trauma" or "traumatic injury" means severe damage to 72
or destruction of tissue that satisfies both of the following 73
conditions: 74

(1) It creates a significant risk of any of the following: 75

(a) Loss of life;	76
(b) Loss of a limb;	77
(c) Significant, permanent disfigurement;	78
(d) Significant, permanent disability.	79
(2) It is caused by any of the following:	80
(a) Blunt or penetrating injury;	81
(b) Exposure to electromagnetic, chemical, or radioactive energy;	82 83
(c) Drowning, suffocation, or strangulation;	84
(d) A deficit or excess of heat.	85
(O) "Trauma victim" or "trauma patient" means a person who has sustained a traumatic injury.	86 87
(P) "Trauma care" means the assessment, diagnosis, transportation, treatment, or rehabilitation of a trauma victim by emergency medical service personnel or by a physician, nurse, physician assistant, respiratory therapist, physical therapist, chiropractor, occupational therapist, speech-language pathologist, audiologist, or psychologist licensed to practice as such in this state or another jurisdiction.	88 89 90 91 92 93 94
(Q) "Trauma center" means all of the following:	95
(1) Any hospital that is verified by the American college of surgeons as an adult or pediatric trauma center;	96 97
(2) Any hospital that is operating as an adult or pediatric trauma center under provisional status pursuant to section 3727.101 of the Revised Code;	98 99 100
(3) Until December 31, 2004, any hospital in this state	101

that is designated by the director of health as a level II 102
pediatric trauma center under section 3727.081 of the Revised 103
Code; 104

(4) Any hospital in another state that is licensed or 105
designated under the laws of that state as capable of providing 106
specialized trauma care appropriate to the medical needs of the 107
trauma patient. 108

(R) "Pediatric" means involving a patient who is less than 109
sixteen years of age. 110

(S) "Adult" means involving a patient who is not a 111
pediatric patient. 112

(T) "Geriatric" means involving a patient who is at least 113
seventy years old or exhibits significant anatomical or 114
physiological characteristics associated with advanced aging. 115

(U) "Air medical organization" means an organization that 116
provides emergency medical services, or transports emergency 117
victims, by means of fixed or rotary wing aircraft. 118

(V) "Emergency care" and "emergency facility" have the 119
same meanings as in section 3727.01 of the Revised Code. 120

(W) "Stabilize," ~~except as it is used in division (B) of~~ 121
~~section 4765.35 of the Revised Code with respect to the manual~~ 122
~~stabilization of fractures,~~ has the same meaning as in section 123
1753.28 of the Revised Code. 124

(X) "Transfer" has the same meaning as in section 1753.28 125
of the Revised Code. 126

(Y) "Firefighter" means any member of a fire department as 127
defined in section 742.01 of the Revised Code. 128

(Z) "Volunteer firefighter" has the same meaning as in section 146.01 of the Revised Code.	129 130
(AA) "Part-time paid firefighter" means a person who provides firefighting services on less than a full-time basis, is routinely scheduled to be present on site at a fire station or other designated location for purposes of responding to a fire or other emergency, and receives more than nominal compensation for the provision of firefighting services.	131 132 133 134 135 136
(BB) "Physician assistant" means an individual who holds a valid license to practice as a physician assistant issued under Chapter 4730. of the Revised Code.	137 138 139
<u>(CC) "Advanced practice registered nurse" has the same meaning as in section 4723.01 of the Revised Code.</u>	140 141
Sec. 4765.11. (A) The state board of emergency medical, fire, and transportation services shall adopt, and may amend and rescind, rules in accordance with Chapter 119. of the Revised Code and division <u>divisions</u> (C) <u>and (D)</u> of this section that establish all of the following:	142 143 144 145 146
(1) Procedures for its governance and the control of its actions and business affairs;	147 148
(2) Standards for the performance of emergency medical services by first responders, emergency medical technicians-basic, emergency medical technicians-intermediate, and emergency medical technicians-paramedic;	149 150 151 152
(3) Application fees for certificates of accreditation, certificates of approval, certificates to teach, and certificates to practice, which shall be deposited into the trauma and emergency medical services fund created in section 4513.263 of the Revised Code;	153 154 155 156 157

(4) Criteria for determining when the application or renewal fee for a certificate to practice may be waived because an applicant cannot afford to pay the fee;	158 159 160
(5) Procedures for issuance and renewal of certificates of accreditation, certificates of approval, certificates to teach, and certificates to practice, including any procedures necessary to ensure that adequate notice of renewal is provided in accordance with division (D) of section 4765.30 of the Revised Code;	161 162 163 164 165 166
(6) Procedures for suspending or revoking certificates of accreditation, certificates of approval, certificates to teach, and certificates to practice;	167 168 169
(7) Grounds for suspension or revocation of a certificate to practice issued under section 4765.30 of the Revised Code and for taking any other disciplinary action against a first responder, EMT-basic, EMT-I, or paramedic;	170 171 172 173
(8) Procedures for taking disciplinary action against a first responder, EMT-basic, EMT-I, or paramedic;	174 175
(9) Standards for certificates of accreditation and certificates of approval;	176 177
(10) Qualifications for certificates to teach;	178
(11) Requirements for a certificate to practice;	179
(12) The curricula, number of hours of instruction and training, and instructional materials to be used in adult and pediatric emergency medical services training programs and adult and pediatric emergency medical services continuing education programs;	180 181 182 183 184
(13) Procedures for conducting courses in recognizing	185

symptoms of life-threatening allergic reactions and in	186
calculating proper dosage levels and administering injections of	187
epinephrine to adult and pediatric patients who suffer life-	188
threatening allergic reactions;	189
(14) Examinations for certificates to practice;	190
(15) Procedures for administering examinations for	191
certificates to practice;	192
(16) Procedures for approving examinations that	193
demonstrate competence to have a certificate to practice renewed	194
without completing an emergency medical services continuing	195
education program;	196
(17) Procedures for granting extensions and exemptions of	197
emergency medical services continuing education requirements;	198
(18) Procedures for approving Specifications of the	199
additional emergency medical services <u>that</u> first responders are	200
authorized by division (C) of to perform under section 4765.35	201
of the Revised Code to perform, that EMTs-basic are authorized	202
by division (C) of to perform under section 4765.37 of the	203
Revised Code to perform, that EMTs-I are authorized by division	204
(B) (5) of to perform under section 4765.38 of the Revised Code	205
to perform, and that paramedics are authorized by division (B)	206
(6) of to perform under section 4765.39 of the Revised Code to	207
perform;	208
(19) Standards and procedures for implementing the	209
requirements of section 4765.06 of the Revised Code, including	210
designations of the persons who are required to report	211
information to the board and the types of information to be	212
reported;	213
(20) Procedures for administering the emergency medical	214

services grant program established under section 4765.07 of the Revised Code;	215 216
(21) Procedures consistent with Chapter 119. of the Revised Code for appealing decisions of the board;	217 218
(22) Minimum qualifications and peer review and quality improvement requirements for persons who provide medical direction to emergency medical service personnel;	219 220 221
(23) The manner in which a patient, or a patient's parent, guardian, or custodian, may consent to the board releasing identifying information about the patient under division (D) of section 4765.102 of the Revised Code;	222 223 224 225
(24) Circumstances under which a training program or continuing education program, or portion of either type of program, may be taught by a person who does not hold a certificate to teach issued under section 4765.23 of the Revised Code;	226 227 228 229 230
(25) Certification cycles for certificates issued under sections 4765.23 and 4765.30 of the Revised Code and certificates issued by the executive director of the state board of emergency medical, fire, and transportation services under section 4765.55 of the Revised Code that establish a common expiration date for all certificates.	231 232 233 234 235 236
(B) The board may adopt, and may amend and rescind, rules in accordance with Chapter 119. of the Revised Code and division <u>divisions</u> (C) <u>and (D)</u> of this section that establish <u>any of the</u> following:	237 238 239 240
(1) Specifications of information that may be collected under the trauma system registry and incidence reporting system created under section 4765.06 of the Revised Code;	241 242 243

(2) Standards and procedures for implementing any of the 244
recommendations made by any committees of the board or under 245
section 4765.04 of the Revised Code; 246

~~(3) Requirements that a person must meet to receive a 247
certificate to practice as a first responder pursuant to 248
division (A) (2) of section 4765.30 of the Revised Code; 249~~

~~(4) Any other rules necessary to implement this chapter. 250~~

(C) In developing and administering rules adopted under 251
this chapter, the state board of emergency medical, fire, and 252
transportation services shall consult with regional directors 253
and regional ~~physician~~ advisory boards ~~created by appointed~~ 254
under section 4765.05 of the Revised Code and emphasize the 255
special needs of pediatric and geriatric patients. 256

(D) Except as otherwise provided in this division, before 257
adopting, amending, or rescinding any rule under this chapter, 258
the board shall submit the proposed rule to the director of 259
public safety for review. The director may review the proposed 260
rule for not more than sixty days after the date it is 261
submitted. If, within this sixty-day period, the director 262
approves the proposed rule or does not notify the board that the 263
rule is disapproved, the board may adopt, amend, or rescind the 264
rule as proposed. If, within this sixty-day period, the director 265
notifies the board that the proposed rule is disapproved, the 266
board shall not adopt, amend, or rescind the rule as proposed 267
unless at least twelve members of the board vote to adopt, 268
amend, or rescind it. 269

This division does not apply to an emergency rule adopted 270
in accordance with section 119.03 of the Revised Code. 271

Sec. 4765.30. ~~(A) (1) The~~ All of the following apply to the 272

state board of emergency medical, fire, and transportation 273
services ~~shall issue with respect to issuing and renewing~~ 274
certificates to practice: 275

(A) The board shall issue a certificate to practice as a 276
first responder to an applicant who meets all of the following 277
conditions: 278

~~(a) Except as provided in division (A) (2) of this section,~~ 279
~~is a volunteer for a nonprofit emergency medical service~~ 280
~~organization or a nonprofit fire department;~~ 281

~~(b) (1)~~ Holds the appropriate certificate of completion 282
issued in accordance with section 4765.24 of the Revised Code; 283

~~(c) (2)~~ Passes the appropriate examination conducted under 284
section 4765.29 of the Revised Code; 285

~~(d) (3)~~ Is not in violation of any provision of this 286
chapter or the rules adopted under it; 287

~~(e) (4)~~ Meets any other certification requirements 288
established in rules adopted under section 4765.11 of the 289
Revised Code. 290

~~(2) The board may waive the requirement to be a volunteer~~ 291
~~for a nonprofit entity if the applicant meets other requirements~~ 292
~~established in rules adopted under division (B) (3) of section~~ 293
~~4765.11 of the Revised Code relative to a person's eligibility~~ 294
~~to practice as a first responder.~~ 295

(B) ~~The state board of emergency medical, fire, and~~ 296
~~transportation services~~ shall issue a certificate to practice as 297
an emergency medical technician-basic to an applicant who meets 298
all of the following conditions: 299

(1) Holds a ~~the appropriate~~ certificate of completion ~~in~~ 300

emergency medical services training basic issued in accordance	301
with section 4765.24 of the Revised Code;	302
(2) Passes the <u>appropriate</u> examination for emergency	303
medical technicians basic conducted under section 4765.29 of the	304
Revised Code;	305
(3) Is not in violation of any provision of this chapter	306
or the rules adopted under it;	307
(4) Meets any other certification requirements established	308
in rules adopted under section 4765.11 of the Revised Code.	309
(C) The state board of emergency medical, fire, and	310
transportation services shall issue a certificate to practice as	311
an emergency medical technician-intermediate or emergency	312
medical technician-paramedic to an applicant who meets all of	313
the following conditions:	314
(1) Holds a certificate to practice as an emergency	315
medical technician-basic;	316
(2) Holds the appropriate certificate of completion issued	317
in accordance with section 4765.24 of the Revised Code;	318
(3) Passes the appropriate examination conducted under	319
section 4765.29 of the Revised Code;	320
(4) Is not in violation of any provision of this chapter	321
or the rules adopted under it;	322
(5) Meets any other certification requirements established	323
in rules adopted under section 4765.11 of the Revised Code.	324
(D) A certificate to practice shall have a certification	325
cycle established by the board and may be renewed by the board	326
pursuant to rules adopted under section 4765.11 of the Revised	327

Code. Not later than sixty days prior to the expiration date of 328
an individual's certificate to practice, the board shall notify 329
the individual of the scheduled expiration. 330

An application for renewal shall be accompanied by the 331
appropriate renewal fee established in rules adopted under 332
section 4765.11 of the Revised Code, unless the board waives the 333
fee on determining pursuant to those rules that the applicant 334
cannot afford to pay the fee. Except as provided in division (B) 335
of section 4765.31 of the Revised Code, the application shall 336
include evidence of either of the following: 337

(1) That the applicant received a certificate of 338
completion from the appropriate emergency medical services 339
continuing education program pursuant to section 4765.24 of the 340
Revised Code; 341

(2) That the applicant has successfully passed an 342
examination that demonstrates the competence to have a 343
certificate renewed without completing an emergency medical 344
services continuing education program. The board shall approve 345
such examinations in accordance with rules adopted under section 346
4765.11 of the Revised Code. 347

(E) The board shall not require an applicant for renewal 348
of a certificate to practice to take an examination as a 349
condition of renewing the certificate. This division does not 350
preclude the use of examinations by operators of approved 351
emergency medical services continuing education programs as a 352
condition for issuance of a certificate of completion in 353
emergency medical services continuing education. 354

Sec. 4765.35. (A) A first responder may perform any of the 355
emergency medical services specified for first responders in 356

rules adopted under section 4765.11 of the Revised Code by the 357
state board of emergency medical, fire, and transportation 358
services. A first responder shall perform the emergency medical 359
services ~~described in this section~~ in accordance with this 360
chapter and any rules adopted under it by the board. 361

~~(B) A first responder may provide limited emergency~~ 362
~~medical services to patients until the arrival of an emergency~~ 363
~~medical technician basic, emergency medical technician~~ 364
~~intermediate, or emergency medical technician paramedic. In an~~ 365
~~emergency, a first responder may render emergency medical~~ 366
~~services such as opening and maintaining an airway, giving mouth-~~ 367
~~to barrier ventilation, chest compressions, electrical~~ 368
~~interventions with automated defibrillators to support or~~ 369
~~correct the cardiac function and other methods determined by the~~ 370
~~board, controlling of hemorrhage, manual stabilization of~~ 371
~~fractures, bandaging, assisting in childbirth, and determining~~ 372
~~triage of trauma victims.~~ 373

~~(C) A first responder may perform any other emergency~~ 374
~~medical services approved pursuant to rules adopted under~~ 375
~~section 4765.11 of the Revised Code. The board shall determine~~ 376
~~whether the nature of any such service requires that a first~~ 377
~~responder receive authorization prior to performing the service.~~ 378

~~(D)(1) (B)(1) Except as provided in division (D)(2) (B)(2)~~ 379
~~of this section, if the board determines under division (C) of~~ 380
~~this section that a service requires prior authorization, the~~ 381
~~service~~ the emergency medical services provided by a first 382
responder shall be performed only pursuant to one of the 383
following: 384

(a) The written or verbal authorization of a physician or 385
of the cooperating physician advisory board, ~~or pursuant to an~~ 386

(b) An authorization transmitted through a direct 387
communication device by a physician, physician assistant 388
designated by a physician, or registered nurse designated by a 389
physician. 390

~~(2) If communications fail during an emergency situation 391
or the required response time prohibits communication, a first- 392
responder may perform services subject to this division, if, in 393
the judgment of the first responder, the life of the patient is 394
in immediate danger. Services performed under these 395
circumstances shall be performed in accordance with the written 396
protocols for triage of adult and pediatric trauma victims 397
established in rules adopted under sections 4765.11 and 4765.40 398
of the Revised Code and any;~~ 399

(c) Any applicable protocols adopted by the emergency 400
medical service organization with which the first responder is 401
affiliated. 402

(2) Division (B)(1) of this section does not prohibit a 403
first responder from complying with a do-not-resuscitate order 404
issued by a physician assistant or advanced practice registered 405
nurse pursuant to section 2133.211 of the Revised Code. 406

Sec. 4765.37. (A) An emergency medical technician-basic 407
may perform any of the emergency medical services specified for 408
EMTs-basic in rules adopted under section 4765.11 of the Revised 409
Code by the state board of emergency medical, fire, and 410
transportation services. An EMT-basic shall perform the 411
emergency medical services described in this section in 412
accordance with this chapter and any rules adopted under it by 413
the state board of emergency medical, fire, and transportation 414
services. 415

~~(B) An emergency medical technician basic may operate, or
be responsible for operation of, an ambulance and may provide
emergency medical services to patients. In an emergency, an EMT-
basic may determine the nature and extent of illness or injury
and establish priority for required emergency medical services.
An EMT basic may render emergency medical services such as
opening and maintaining an airway, giving positive pressure
ventilation, cardiac resuscitation, electrical interventions
with automated defibrillators to support or correct the cardiac
function and other methods determined by the board, controlling
of hemorrhage, treatment of shock, immobilization of fractures,
bandaging, assisting in childbirth, management of mentally
disturbed patients, initial care of poison and burn patients,
and determining triage of adult and pediatric trauma victims.
Where patients must in an emergency be extricated from
entrapment, an EMT basic may assess the extent of injury and
render all possible emergency medical services and protection to
the entrapped patient; provide light rescue services if an
ambulance has not been accompanied by a specialized unit; and
after extrication, provide additional care in sorting of the
injured in accordance with standard emergency procedures.~~

~~(C) An EMT basic may perform any other emergency medical
services approved pursuant to rules adopted under section
4765.11 of the Revised Code. The board shall determine whether
the nature of any such service requires that an EMT basic
receive authorization prior to performing the service.~~

~~(D) (1) (B) (1) Except as provided in division (D) (2) (B) (2)
of this section, if the board determines under division (C) of
this section that a service requires prior authorization, the
service the emergency medical services provided by an EMT-basic
shall be performed only pursuant to one of the following:~~

(a) The written or verbal authorization of a physician or 447
of the cooperating physician advisory board, ~~or pursuant to an;~~ 448

(b) An authorization transmitted through a direct 449
communication device by a physician, physician assistant 450
designated by a physician, or registered nurse designated by a 451
physician~~;~~ 452

~~(2) If communications fail during an emergency situation~~ 453
~~or the required response time prohibits communication, an EMT-~~ 454
~~basic may perform services subject to this division, if, in the~~ 455
~~judgment of the EMT-basic, the life of the patient is in~~ 456
~~immediate danger. Services performed under these circumstances~~ 457
~~shall be performed in accordance with the protocols for triage~~ 458
~~of adult and pediatric trauma victims established in rules~~ 459
~~adopted under sections 4765.11 and 4765.40 of the Revised Code~~ 460
~~and any;~~ 461

(c) Any applicable protocols adopted by the emergency 462
medical service organization with which the EMT-basic is 463
affiliated. 464

(2) Division (B) (1) of this section does not prohibit an 465
EMT-basic from complying with a do-not-resuscitate order issued 466
by a physician assistant or advanced practice registered nurse 467
pursuant to section 2133.211 of the Revised Code. 468

Sec. 4765.38. (A) An emergency medical technician- 469
intermediate may perform any of the emergency medical services 470
specified for EMTs-I in rules adopted under section 4765.11 of 471
the Revised Code by the state board of emergency medical, fire, 472
and transportation services. An EMT-I shall perform the 473
emergency medical services described in this section in 474
accordance with this chapter and any rules adopted under it by 475

the board. 476

~~(B) An EMT-I may do any of the following:~~ 477

~~(1) Establish and maintain an intravenous lifeline that~~ 478
~~has been approved by a cooperating physician or physician-~~ 479
~~advisory board;~~ 480

~~(2) Perform cardiac monitoring;~~ 481

~~(3) Perform electrical interventions to support or correct-~~ 482
~~the cardiac function;~~ 483

~~(4) Administer epinephrine;~~ 484

~~(5) Determine triage of adult and pediatric trauma-~~ 485
~~victims;~~ 486

~~(6) Perform any other emergency medical services approved-~~ 487
~~pursuant to rules adopted under section 4765.11 of the Revised-~~ 488
~~Code.~~ 489

~~(C) (1) (B) (1) Except as provided in division (C) (2) (B) (2)~~ 490
~~of this section, the emergency medical services described in-~~ 491
~~division (B) of this section provided by an EMT-I shall be~~ 492
~~performed by an EMT-I only pursuant to one of the following:~~ 493

(a) The written or verbal authorization of a physician or 494
of the cooperating physician advisory board, ~~or pursuant to an;~~ 495

(b) An authorization transmitted through a direct 496
communication device by a physician, physician assistant 497
designated by a physician, or registered nurse designated by a 498
physician. 499

~~(2) If communications fail during an emergency situation-~~ 500
~~or the required response time prohibits communication, an EMT-I-~~ 501
~~may perform any of the services described in division (B) of-~~ 502

~~this section, if, in the judgment of the EMT-I, the life of the patient is in immediate danger. Services performed under these circumstances shall be performed in accordance with the protocols for triage of adult and pediatric trauma victims established in rules adopted under sections 4765.11 and 4765.40 of the Revised Code and any;~~ 503
504
505
506
507
508

(c) Any applicable protocols adopted by the emergency medical service organization with which the EMT-I is affiliated. 509
510

~~(D) (2) Division (B) (1) of this section does not prohibit an EMT-I from complying with a do-not-resuscitate order issued by a physician assistant or advanced practice registered nurse pursuant to section 2133.211 of the Revised Code.~~ 511
512
513
514

(C) In addition to, and in the course of, providing emergency medical treatment, an emergency medical technician-intermediate EMT-I may withdraw blood as provided under sections 1547.11, 4506.17, and 4511.19 of the Revised Code. An emergency medical technician-intermediate EMT-I shall withdraw blood in accordance with this chapter and any rules adopted under it by the state board of emergency medical, fire, and transportation services. 515

525
526
527
528
529
530
531

(B) A paramedic may do any of the following:	532
(1) Perform cardiac monitoring;	533
(2) Perform electrical interventions to support or correct the cardiac function;	534
(3) Perform airway procedures;	535
(4) Perform relief of pneumothorax;	536
(5) Administer appropriate drugs and intravenous fluids;	537
(6) Determine triage of adult and pediatric trauma victims;	538
(7) Perform any other emergency medical services, including life support or intensive care techniques, approved pursuant to rules adopted under section 4765.11 of the Revised Code.	539
(C) (1) (B) (1) Except as provided in division (C) (2) (B) (2) of this section, the <u>emergency medical services described in division (B) of this section provided by a paramedic shall be performed by a paramedic only pursuant to one of the following:</u>	540
(a) <u>The</u> written or verbal authorization of a physician or of the cooperating physician advisory board, <u>or pursuant to an;</u>	541
(b) <u>An</u> authorization transmitted through a direct communication device by a physician, physician assistant designated by a physician, or registered nurse designated by a physician.	542
(2) If communications fail during an emergency situation or the required response time prohibits communication, a paramedic may perform any of the services described in division (B) of this section, if, in the paramedic's judgment, the life	543
	544
	545
	546
	547
	548
	549
	550
	551
	552
	553
	554
	555
	556
	557
	558

~~of the patient is in immediate danger. Services performed under 559
these circumstances shall be performed in accordance with the 560
protocols for triage of adult and pediatric trauma victims 561
established in rules adopted under sections 4765.11 and 4765.40 562
of the Revised Code and any; 563~~

(c) Any applicable protocols adopted by the emergency 564
medical service organization with which the paramedic is 565
affiliated. 566

~~(D) (2) Division (B) (1) of this section does not prohibit 567
a paramedic from complying with a do-not-resuscitate order 568
issued by a physician assistant or advanced practice registered 569
nurse pursuant to section 2133.211 of the Revised Code. 570~~

(C) In addition to, and in the course of, providing 571
emergency medical treatment, ~~an emergency medical technician- 572
paramedic~~ a paramedic may withdraw blood as provided under 573
sections 1547.11, 4506.17, and 4511.19 of the Revised Code. ~~An 574
emergency medical technician-paramedic~~ A paramedic shall 575
withdraw blood in accordance with this chapter and any rules 576
adopted under it by the ~~state board of emergency medical, fire, 577
and transportation services. 578~~

Sec. 4765.41. The medical director or cooperating 579
physician advisory board of each emergency medical service 580
organization shall establish written protocols to be followed by 581
first responders, emergency medical technicians-basic, emergency 582
medical technicians-intermediate, and emergency medical 583
technicians-paramedic in performing emergency medical services 584
~~when communications have failed or the required response 585
prevents communication and the life of the patient is in 586
immediate danger. Those protocols shall be consistent with 587
applicable trauma triage protocols adopted under division (A) or 588~~

approved under division (B) (2) of section 4765.40 of the Revised Code, but may direct to an adult or pediatric trauma center emergency victims that the applicable trauma triage protocols do not require to be transported to an adult or pediatric trauma center.

Sec. 4766.01. As used in this chapter:

(A) "Advanced life support" means treatment ~~described in section 4765.39 of the Revised Code that a paramedic an emergency medical technician-paramedic is certified authorized to perform under section 4765.39 of the Revised Code.~~

(B) "Air medical service organization" means an organization that furnishes, conducts, maintains, advertises, promotes, or otherwise engages in providing medical services with a rotorcraft air ambulance or fixed wing air ambulance.

(C) "Air medical transportation" means the transporting of a patient by rotorcraft air ambulance or fixed wing air ambulance with appropriately licensed and certified medical personnel.

(D) "Ambulance" means any motor vehicle that is specifically designed, constructed, or modified and equipped and is intended to be used to provide basic life support, intermediate life support, advanced life support, or mobile intensive care unit services and transportation upon the streets or highways of this state of persons who are seriously ill, injured, wounded, or otherwise incapacitated or helpless. "Ambulance" does not include air medical transportation or a vehicle designed and used solely for the transportation of nonstretcher-bound persons, whether hospitalized or handicapped or whether ambulatory or confined to a wheelchair.

(E) "Ambulette" means a motor vehicle that is specifically designed, constructed, or modified and equipped and is intended to be used for transportation upon the streets or highways of this state of persons who require use of a wheelchair or other mobility aid.

(F) "Basic life support" means treatment ~~described in section 4765.37 of the Revised Code~~ that an EMT-emergency medical technician-basic is ~~certified-authorized~~ to perform under section 4765.37 of the Revised Code.

(G) "Disaster situation" means any condition or situation described by rule of the state board of emergency medical, fire, and transportation services as a mass casualty, major emergency, natural disaster, or national emergency.

(H) "Emergency medical service organization" means an organization that uses ~~EMTs~~ emergency medical technicians-basic, AEMTs emergency medical technicians-intermediate, or paramedics-emergency medical technicians-paramedic, or a combination of ~~EMTs~~ EMTs-basic, AEMTs EMTs-I, and paramedics, to provide medical care to victims of illness or injury. An emergency medical service organization includes, but is not limited to, a commercial ambulance service organization, a hospital, and a funeral home.

(I) ~~"EMT," "AEMT,"~~ "Emergency medical technician-basic," "EMT-basic," "emergency medical technician-intermediate," "EMT-I," "emergency medical technician-paramedic," and "paramedic" have the same meanings as in ~~sections~~ section 4765.01 and of the Revised Code. Pursuant to section 4765.011 of the Revised Code, an emergency medical technician-basic or EMT-basic is also known as an emergency medical technician or EMT, respectively, and an emergency medical technician-intermediate or EMT-I is also known

as an advanced emergency medical technician or AEMT, 648
respectively. 649

(J) "Fixed wing air ambulance" means a fixed wing aircraft 650
that is specifically designed, constructed, or modified and 651
equipped and is intended to be used as a means of air medical 652
transportation. 653

(K) "Health care practitioner" has the same meaning as in 654
section 3701.74 of the Revised Code. 655

(L) "Health care services" has the same meaning as in 656
section 3922.01 of the Revised Code. 657

(M) "Intermediate life support" means treatment ~~described~~ 658
~~in section 4765.38 of the Revised Code that an AEMT~~ emergency 659
medical technician-intermediate is certified authorized to 660
perform under section 4765.38 of the Revised Code. 661

(N) "Major emergency" means any emergency event that 662
cannot be resolved through the use of locally available 663
emergency resources. 664

(O) "Mass casualty" means an emergency event that results 665
in ten or more persons being injured, incapacitated, made ill, 666
or killed. 667

(P) "Medical emergency" means an unforeseen event 668
affecting an individual in such a manner that a need for 669
immediate care is created. 670

(Q) "Mobile intensive care unit" means an ambulance used 671
only for maintaining specialized or intensive care treatment and 672
used primarily for interhospital transports of patients whose 673
conditions require care beyond the ~~scope of services~~ a paramedic 674
~~as provided in~~ is authorized to perform under section 4765.39 of 675

the Revised Code. 676

(R) (1) "Nonemergency medical service organization" means a 677
person that does both of the following: 678

(a) Provides services to the public on a regular basis for 679
the purpose of transporting individuals who require the use of a 680
wheelchair or other mobility aid to receive health care services 681
in nonemergency circumstances; 682

(b) Provides the services for a fee, regardless of whether 683
the fee is paid by the person being transported, a third party 684
payer, as defined in section 3702.51 of the Revised Code, or any 685
other person or government entity. 686

(2) "Nonemergency medical service organization" does not 687
include a health care facility, as defined in section 1751.01 of 688
the Revised Code, that provides ambulette services only to 689
patients of that facility. 690

(S) "Nontransport vehicle" means a motor vehicle operated 691
by a licensed emergency medical service organization not as an 692
ambulance, but as a vehicle for providing services in 693
conjunction with the ambulances operated by the organization or 694
other emergency medical service organizations. 695

(T) "Patient" means any individual who as a result of 696
illness or injury needs medical attention, whose physical or 697
mental condition is such that there is imminent danger of loss 698
of life or significant health impairment, or who may be 699
otherwise incapacitated or helpless as a result of a physical or 700
mental condition, or any individual whose physical condition 701
requires the use of a wheelchair or other mobility aid. 702

(U) "Rotorcraft air ambulance" means a helicopter or other 703
aircraft capable of vertical takeoffs, vertical landings, and 704

hovering that is specifically designed, constructed, or modified 705
and equipped and is intended to be used as a means of air 706
medical transportation. 707

(V) "Taxicab" means a taxicab vehicle operated by a 708
taxicab service company, provided the company is not a 709
nonemergency medical service organization. 710

(W) "Transportation network company driver" has the same 711
meaning as in section 3942.01 of the Revised Code. 712

(X) "Transportation network company services" has the same 713
meaning as in section 3942.01 of the Revised Code. 714

Section 2. That existing sections 4765.01, 4765.11, 715
4765.30, 4765.35, 4765.37, 4765.38, 4765.39, 4765.41, and 716
4766.01 of the Revised Code are hereby repealed. 717

Section 3. That the version of section 4765.11 of the 718
Revised Code that is scheduled to take effect October 9, 2021, 719
be amended to read as follows: 720

Sec. 4765.11. (A) The state board of emergency medical, 721
fire, and transportation services shall adopt, and may amend and 722
rescind, rules in accordance with Chapter 119. of the Revised 723
Code and ~~division~~divisions (C) and (D) of this section that 724
establish all of the following: 725

(1) Procedures for its governance and the control of its 726
actions and business affairs; 727

(2) Standards for the performance of emergency medical 728
services by first responders, emergency medical technicians- 729
basic, emergency medical technicians-intermediate, and emergency 730
medical technicians-paramedic; 731

(3) Application fees for certificates of accreditation, 732

certificates of approval, certificates to teach, and	733
certificates to practice, which shall be deposited into the	734
trauma and emergency medical services fund created in section	735
4513.263 of the Revised Code;	736
(4) Criteria for determining when the application or	737
renewal fee for a certificate to practice may be waived because	738
an applicant cannot afford to pay the fee;	739
(5) Procedures for issuance and renewal of certificates of	740
accreditation, certificates of approval, certificates to teach,	741
and certificates to practice, including any measures necessary	742
to implement section 9.79 of the Revised Code and any procedures	743
necessary to ensure that adequate notice of renewal is provided	744
in accordance with division (D) of section 4765.30 of the	745
Revised Code;	746
(6) Procedures for suspending or revoking certificates of	747
accreditation, certificates of approval, certificates to teach,	748
and certificates to practice;	749
(7) Grounds for suspension or revocation of a certificate	750
to practice issued under section 4765.30 of the Revised Code and	751
for taking any other disciplinary action against a first	752
responder, EMT-basic, EMT-I, or paramedic;	753
(8) Procedures for taking disciplinary action against a	754
first responder, EMT-basic, EMT-I, or paramedic;	755
(9) Standards for certificates of accreditation and	756
certificates of approval;	757
(10) Qualifications for certificates to teach;	758
(11) Requirements for a certificate to practice;	759
(12) The curricula, number of hours of instruction and	760

training, and instructional materials to be used in adult and 761
pediatric emergency medical services training programs and adult 762
and pediatric emergency medical services continuing education 763
programs; 764

(13) Procedures for conducting courses in recognizing 765
symptoms of life-threatening allergic reactions and in 766
calculating proper dosage levels and administering injections of 767
epinephrine to adult and pediatric patients who suffer life- 768
threatening allergic reactions; 769

(14) Examinations for certificates to practice; 770

(15) Procedures for administering examinations for 771
certificates to practice; 772

(16) Procedures for approving examinations that 773
demonstrate competence to have a certificate to practice renewed 774
without completing an emergency medical services continuing 775
education program; 776

(17) Procedures for granting extensions and exemptions of 777
emergency medical services continuing education requirements; 778

(18) ~~Procedures for approving Specifications of the 779
additional emergency medical services that first responders are 780
authorized by division (C) of to perform under section 4765.35 781
of the Revised Code ~~to perform, that~~ EMTs-basic are authorized 782
by division (C) of to perform under section 4765.37 of the 783
Revised Code ~~to perform, that~~ EMTs-I are authorized by division- 784
(B) (5) of to perform under section 4765.38 of the Revised Code 785
to perform, and that paramedics are authorized by division (B)- 786
(6) of to perform under section 4765.39 of the Revised Code ~~to-~~ 787
perform; 788~~

(19) Standards and procedures for implementing the 789

requirements of section 4765.06 of the Revised Code, including 790
designations of the persons who are required to report 791
information to the board and the types of information to be 792
reported; 793

(20) Procedures for administering the emergency medical 794
services grant program established under section 4765.07 of the 795
Revised Code; 796

(21) Procedures consistent with Chapter 119. of the 797
Revised Code for appealing decisions of the board; 798

(22) Minimum qualifications and peer review and quality 799
improvement requirements for persons who provide medical 800
direction to emergency medical service personnel; 801

(23) The manner in which a patient, or a patient's parent, 802
guardian, or custodian, may consent to the board releasing 803
identifying information about the patient under division (D) of 804
section 4765.102 of the Revised Code; 805

(24) Circumstances under which a training program or 806
continuing education program, or portion of either type of 807
program, may be taught by a person who does not hold a 808
certificate to teach issued under section 4765.23 of the Revised 809
Code; 810

(25) Certification cycles for certificates issued under 811
sections 4765.23 and 4765.30 of the Revised Code and 812
certificates issued by the executive director of the state board 813
of emergency medical, fire, and transportation services under 814
section 4765.55 of the Revised Code that establish a common 815
expiration date for all certificates. 816

(B) The board may adopt, and may amend and rescind, rules 817
in accordance with Chapter 119. of the Revised Code and ~~division~~ 818

divisions (C) and (D) of this section that establish any of the 819
following: 820

(1) Specifications of information that may be collected 821
under the trauma system registry and incidence reporting system 822
created under section 4765.06 of the Revised Code; 823

(2) Standards and procedures for implementing any of the 824
recommendations made by any committees of the board or under 825
section 4765.04 of the Revised Code; 826

~~(3) Requirements that a person must meet to receive a~~ 827
~~certificate to practice as a first responder pursuant to~~ 828
~~division (A) (2) of section 4765.30 of the Revised Code;~~ 829

~~(4) Any other rules necessary to implement this chapter.~~ 830

(C) In developing and administering rules adopted under 831
this chapter, the state board of emergency medical, fire, and 832
transportation services shall consult with regional directors 833
and regional ~~physician~~ advisory boards ~~created by appointed~~ 834
under section 4765.05 of the Revised Code and emphasize the 835
special needs of pediatric and geriatric patients. 836

(D) Except as otherwise provided in this division, before 837
adopting, amending, or rescinding any rule under this chapter, 838
the board shall submit the proposed rule to the director of 839
public safety for review. The director may review the proposed 840
rule for not more than sixty days after the date it is 841
submitted. If, within this sixty-day period, the director 842
approves the proposed rule or does not notify the board that the 843
rule is disapproved, the board may adopt, amend, or rescind the 844
rule as proposed. If, within this sixty-day period, the director 845
notifies the board that the proposed rule is disapproved, the 846
board shall not adopt, amend, or rescind the rule as proposed 847

unless at least twelve members of the board vote to adopt, 848
amend, or rescind it. 849

This division does not apply to an emergency rule adopted 850
in accordance with section 119.03 of the Revised Code. 851

Section 4. That the existing version of section 4765.11 of 852
the Revised Code that is scheduled to take effect October 9, 853
2021, is hereby repealed. 854
