(12) Reserves to this state the right to take prompt and appropriate remedial action against the other party and its skills test examiners if the other party or its skills test examiners fail to comply with standards of this state or federal standards for the testing program or with any other terms of the contract.

(C) The director shall enter into an agreement with the department of education authorizing the skills test specified in this section to be administered by the department at any location operated by the department for purposes of training and testing school bus drivers, provided that the agreement between the director and the department complies with the requirements of division (B) of this section. Skills tests administered by the department shall be limited to persons applying for a commercial driver's license with a school bus endorsement.

(D)(1) The director shall adopt rules, in accordance with Chapter 119. of the Revised Code, authorizing waiver of the skills test specified in this section for any applicant for a commercial driver's license who meets all of the following requirements:

If the applicant schedules an appointment to take all portions of the skills test and appears at the time and location specified for the appointment, but declines or is unable to take all portions of the skills test, the director shall not refund any portion of the appointment fee. If the applicant cancels a scheduled appointment forty-eight hours or more prior to the time of the appointment time, the applicant shall not forfeit the appointment fee.

An applicant for a commercial driver's license who schedules an appointment to take one or more, but not all, portions of the skills test is required to pay an appointment fee equal to the costs of each test scheduled, as prescribed in division (E)(1) of this section, when scheduling such an appointment. If the applicant appears at the time and location specified for the appointment and takes all the portions of the skills test during that appointment that the applicant was scheduled to take, the appointment fee serves as the skills test fee. If the applicant schedules an appointment to take one or more, but not all, portions of the skills test and fails to appear at the time and location specified for the appointment, the director shall not refund any portion of the appointment fee. If the applicant schedules an appointment to take one or more, but not all, portions of the skills test and appears at the time and location specified for the appointment, but declines or is unable to take all portions of the skills test that the applicant was scheduled to take, the director shall not refund any portion of the appointment fee. If the applicant cancels a scheduled appointment forty-eight hours or more prior to the time of the appointment time, the applicant shall not forfeit the appointment fee.

(3) The department of public safety shall deposit all fees it collects under division (E) of this section in the public safety - highway purposes fund established in section 4501.06 of the Revised Code.
