(4) Requiring a written report for each disability 79
application that includes a summary of findings, medical 80

vocational evaluation shall be conducted by a physician, 99

under division (C) (3) of this section. If a medical examination 102
is conducted by an advanced practice registered nurse or 103

physician assistant, the board shall only accept an examination 104
report if a physician reviews, approves, and signs the report 105
before the report is submitted to the board. 106

As used in this division: 107

"Totally disabled" means a member of the fund is unable to 108
perform the duties of any gainful occupation for which the 109
member is reasonably fitted by training, experience, and 110
accomplishments. Absolute helplessness is not a prerequisite of 111
being totally disabled. 112

"Permanently disabled" means a condition of disability 113
that is expected to last for a continuous period of not less 114
than twelve months after an application for disability benefits 115
is filed and from which there is no present indication of 116
recovery. 117

"Hazardous duty" has the same meaning as in 5 C.F.R. 118
550.902, as amended. 119

(1) A member of the fund who is permanently and totally 120
disabled as the result of the performance of the member's 121
official duties as a member of a police or fire department shall 122
be paid annual disability benefits in accordance with division 123
(A) of section 742.39 of the Revised Code. In determining 124
whether a member of the fund is permanently and totally 125
disabled, the board shall consider standards adopted under 126
division (C) of this section applicable to the determination. 127

(2) A member of the fund who is permanently and partially 128
disabled as the result of the performance of the member's 129
official duties as a member of a police or fire department 130
shall, if the disability prevents the member from performing 131
those duties and impairs the member's earning capacity, receive 132

annual disability benefits in accordance with division (B) of 133
section 742.39 of the Revised Code. In determining whether a 134
member of the fund is permanently and partially disabled, the 135
board shall consider standards adopted under division (C) of 136
this section applicable to the determination. 137

(3) (a) A member of the fund who is permanently disabled as 138
a result of heart disease or any cardiovascular or respiratory 139
disease of a chronic nature, which disease or any evidence of 140
which disease was not revealed by the physical examination 141
passed by the member on entry into the department or another 142
examination specified in rules the board adopts under section 143
742.10 of the Revised Code, is presumed to have incurred the 144
disease while performing the member's official duties, unless 145
the contrary is shown by competent evidence. The board may waive 146
the requirement that the absence of disease be evidenced by a 147
physical examination if competent medical evidence of a type 148
specified in rules adopted under section 742.10 of the Revised 149
Code is submitted documenting that the disease was not evident 150
prior to or at the time of entry into the department. 151

(b) A member of the fund who is a member of a fire 152
department, has been assigned to at least six years of hazardous 153
duty as a member of a fire department, and is disabled as a 154
result of cancer, is presumed to have incurred the cancer while 155
performing the member's official duties if the member was 156
exposed to an agent classified by the international agency for 157
research on cancer or its successor agency as a group 1 or 2A 158
carcinogen. 159

(c) The presumption described in division (D) (3) (b) of 160
this section is rebuttable in any of the following situations: 161

(i) There is evidence that the member incurred the type of 162

cancer being alleged before becoming a member of the department.	163
(ii) There is evidence that the member's exposure, outside the scope of the member's official duties, to cigarettes, tobacco products, or other conditions presenting an extremely high risk for the development of the cancer alleged, was probably a significant factor in the cause or progression of the cancer.	164 165 166 167 168 169
(iii) There is evidence that shows, by a preponderance of competent scientific evidence, that exposure to the type of carcinogen alleged did not or could not have caused the cancer being alleged.	170 171 172 173
(iv) There is evidence that the member was not exposed to an agent classified by the international agency for research on cancer or its successor agency as a group 1 or 2A carcinogen.	174 175 176
(v) The member is seventy years of age or older.	177
(d) The presumption described in division (D) (3) (b) of this section does not apply if it has been more than fifteen years since the member was last assigned to hazardous duty as a member of a fire department.	178 179 180 181
(4) A member of the fund who has five or more years of service credit and has incurred a permanent disability not caused or induced by the actual performance of the member's official duties as a member of the department, or by the member's own negligence, shall if the disability prevents the member from performing those duties and impairs the member's earning capacity, receive annual disability benefits in accordance with division (C) of section 742.39 of the Revised Code. In determining whether a member of the fund is permanently disabled, the board shall consider standards adopted under	182 183 184 185 186 187 188 189 190 191

division (C) of this section applicable to the determination. 192

(5) The board shall notify a member of its final action 193
awarding a disability benefit to the member within thirty days 194
of the final action. The notice shall be sent by certified mail, 195
return receipt requested. Not later than ninety days after 196
receipt of notice from the board, the member shall elect, on a 197
form provided by the board, either to accept or waive the 198
disability benefit award. If the member elects to waive the 199
disability benefit award or fails to make an election within the 200
time period, the award is rescinded. A member who later seeks a 201
disability benefit award shall be required to make a new 202
application, which shall be dealt with in accordance with the 203
procedures used for original disability benefit applications. 204

A person is not eligible to apply for or receive 205
disability benefits under this division, section 742.39 of the 206
Revised Code, or division (C) (2), (3), (4), or (5) of former 207
section 742.37 of the Revised Code unless the person is a member 208
of the fund on the date on which the application for disability 209
benefits is submitted to the fund. 210

With the exception of persons who may make application for 211
increased benefits as provided in division (D) (2) or (4) of this 212
section or division (C) (3) or (5) of former section 742.37 of 213
the Revised Code on or after July 24, 1986, or persons who may 214
make application for benefits as provided in section 742.26 of 215
the Revised Code, no person receiving a pension or benefit under 216
this section or division (C) of former section 742.37 of the 217
Revised Code may apply for any new, changed, or different 218
benefit. 219

(E) An advanced practice registered nurse or physician 220
assistant assigned in accordance with rules adopted under 221

division (C) (3) of this section to conduct a medical examination 222
of a member who has applied for disability benefits shall only 223
conduct an examination that is within the scope and practice 224
that is permitted under Chapter 4723. or 4730. of the Revised 225
Code, respectively, and does not exceed the advanced practice 226
registered nurse's or physician assistant's training. 227

(F) Notwithstanding the requirement of section 742.41 of 228
the Revised Code that all medical reports and recommendations 229
required are privileged, the board shall submit to the 230
administrator of workers' compensation any data necessary for 231
the report required under section 4123.86 of the Revised Code. 232

Section 2. That existing section 742.38 of the Revised 233
Code is hereby repealed. 234
