adopted by the registrar, and with a stamp on the inspection certificate for the motor vehicle, if any.

(6) The official also shall indicate, by a stamp or by other means the registrar prescribes, on
the registration certificate issued upon the first registration of a motor vehicle by or on behalf of the
owner the odometer reading of the motor vehicle as shown in the odometer statement included in or
attached to the certificate of title. Upon each subsequent registration of the motor vehicle by or on
behalf of the same owner, the official also shall so indicate the odometer reading of the motor vehicle
as shown on the immediately preceding certificate of registration.

(7) The registrar shall include in the permanent registration record of any vehicle required to
be inspected under section 3704.14 of the Revised Code the inspection certificate number from the
inspection certificate that is presented at the time of registration of the vehicle as required under this
division.

administration and enforcement of the motor vehicle and traffic laws of Ohio. Each deputy registrar
shall transmit the fees collected under divisions (C)(1), (3), and (4) of this section in the time and
manner provided in this section. The registrar shall deposit all moneys received under division (C)(1)
of this section into the public safety - highway purposes fund established in section 4501.06 of the
Revised Code.

(2) In addition, a charge of twenty-five cents shall be made for each reflectorized safety
license plate issued, and a single charge of twenty-five cents shall be made for each county
identification sticker or each set of county identification stickers issued, as the case may be, to cover
the cost of producing the license plates and stickers, including material, manufacturing, and
administrative costs. Those fees shall be in addition to the license tax. If the total cost of producing
the plates is less than twenty-five cents per plate, or if the total cost of producing the stickers is less
than twenty-five cents per sticker or per set issued, any excess moneys accruing from the fees shall be distributed in the same manner as provided by section 4501.04 of the Revised Code for the distribution of license tax moneys. If the total cost of producing the plates exceeds twenty-five cents per plate, or if the total cost of producing the stickers exceeds twenty-five cents per sticker or per set issued, the difference shall be paid from the license tax moneys collected pursuant to section 4503.02 of the Revised Code.

(D) Each deputy registrar shall be allowed a fee equal to the amount established under section 4503.038 of the Revised Code for each application for registration and registration renewal notice the deputy registrar receives, which shall be for the purpose of compensating the deputy registrar for the deputy registrar's services, and such office and rental expenses, as may be necessary for the proper discharge of the deputy registrar's duties in the receiving of applications and renewal notices and the issuing of registrations.

(E) Upon the certification of the registrar, the county sheriff or local police officials shall recover license plates erroneously or fraudulently issued.

The registrar, subject to the approval of the director of public safety, may deposit the funds collected by those deputies in a local bank or depository to the credit of the "state of Ohio, bureau of motor vehicles." Where a local bank or depository has been designated by the registrar, each deputy registrar shall deposit all moneys collected by the deputy registrar into that bank or depository not more than one business day after their collection and shall make reports to the registrar of the amounts so deposited, together with any other information, some of which may be prescribed by the treasurer of state, as the registrar may require and as prescribed by the registrar by rule. The registrar, within three days after receipt of notification of the deposit of funds by a deputy registrar in a local bank or depository, shall draw on that account in favor of the treasurer of state. taxes. The registrar may pay service charges usually collected by banks and depositories for such
service. If deputy registrars are located in communities where banking facilities are not available,
they shall transmit the fees forthwith, by money order or otherwise, as the registrar, by rule approved
by the director and the treasurer of state, may prescribe. The registrar may pay the usual and
customary fees for such service.

(G) This section does not prevent any person from making an application for a motor vehicle
license directly to the registrar by mail, by electronic means, or in person at any of the registrar's
offices, upon payment of a service fee equal to the amount established under section 4503.038 of the
Revised Code for each application.

county where a motor vehicle inspection and maintenance program is in effect under section 3704.14
of the Revised Code and rules adopted under it receives information about the requirements
established in that section and those rules and about the need in those counties to present an
inspection certificate with an application for registration or preregistration.

(b) Upon request, the registrar shall provide the director of environmental protection, or any
person that has been awarded a contract under section 3704.14 of the Revised Code, an on-line
computer data link to registration information for all passenger cars, noncommercial motor vehicles,
and commercial cars that are subject to that section. The registrar also shall provide to the director of

registration plan, as set forth in sections 4503.60 to 4503.66 of the Revised Code, shall be made to

guidelines and pursuant to rules adopted by the registrar, the forms shall include the following:

(1) A uniform mileage schedule;
(2) The gross vehicle weight of the vehicle or combined gross vehicle weight of the combination vehicle as declared by the registrant;

(3) Any other information the registrar requires by rule.

(K) The registrar shall determine the feasibility of implementing an electronic commercial fleet licensing and management program that will enable the owners of commercial tractors, commercial trailers, and commercial semitrailers to conduct electronic transactions by July 1, 2010, or sooner. If the registrar determines that implementing such a program is feasible, the registrar shall adopt new rules under this division or amend existing rules adopted under this division as necessary in order to respond to advances in technology.

If international registration plan guidelines and provisions allow member jurisdictions to permit applications for registrations under the international registration plan to be made via the internet, the rules the registrar adopts under this division shall permit such action.

Sec. 4503.721. (A) The owner or lessee of any passenger car, noncommercial motor vehicle, recreational vehicle, or other vehicle of a class approved by the registrar of motor vehicles may apply to the registrar for the registration of the vehicle and issuance of "donate life" license plates. The registrar shall transmit this contribution to the treasurer of state for deposit into the state treasury to the credit of the second chance trust fund created in section 2108.34 of the Revised Code.
