*Be it enacted by the General Assembly of the State of Ohio:*

SECTION 1. That sections 718.01, 718.80, 718.81, 718.83, 718.85, 718.90, and 5703.77 be amended and section 718.841 of the Revised Code be enacted to read as follows:

Sec. 718.01. Any term used in this chapter that is not otherwise defined in this chapter has the same meaning as when used in a comparable context in laws of the United States relating to federal income taxation or in Title LVII of the Revised Code, unless a different meaning is clearly required. Except as provided in section 718.81 of the Revised Code, if a term used in this chapter that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII of the Revised Code.

Except as otherwise provided in section 718.81 of the Revised Code, as used in this chapter:

(A)(1) "Municipal taxable income" means the following:

(a) For a person other than an individual, income apportioned or situated to the municipal corporation under section 718.02 of the Revised Code, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.

(b)(i) For an individual who is a resident of a municipal corporation other than a qualified municipal corporation, income reduced by exempt income to the extent otherwise included in income, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(ii) For an individual who is a resident of a qualified municipal corporation, Ohio adjusted gross income reduced by income exempted, and increased by deductions excluded, by the qualified municipal corporation from the qualified municipal corporation's tax. If a qualified municipal corporation, on or before December 31, 2013, exempts income earned by individuals who are not residents of the qualified municipal corporation and net profit of persons that are not wholly located within the qualified municipal corporation, such individual or person shall have no municipal taxable income for the purposes of the tax levied by the qualified municipal corporation and may be exempted by the qualified municipal corporation from the requirements of section 718.03 of the Revised Code.

(c) For an individual who is a nonresident of a municipal corporation, income reduced by

exempt income to the extent otherwise included in income and then, as applicable, apportioned or situated to the municipal corporation under section 718.02 of the Revised Code, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(2) In computing the municipal taxable income of a taxpayer who is an individual, the taxpayer may subtract, as provided in division (A)(1)(b)(i) or (c) of this section, the amount of the individual's employee business expenses reported on the individual's form 2106 that the individual deducted for federal income tax purposes for the taxable year, subject to the limitation imposed by section 67 of the Internal Revenue Code. For the municipal corporation in which the taxpayer is a resident, the taxpayer may deduct all such expenses allowed for federal income tax purposes. For a municipal corporation in which the taxpayer is not a resident, the taxpayer may deduct such expenses only to the extent the expenses are related to the taxpayer's performance of personal services in that nonresident municipal corporation.

(B) "Income" means the following:

(1)(a) For residents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the resident, including the resident's distributive share of the net profit of pass-through entities owned directly or indirectly by the resident and any net profit of the resident, except as provided in division (D)(5) of this section.

(b) For the purposes of division (B)(1)(a) of this section:

(i) Any net operating loss of the resident incurred in the taxable year and the resident's distributive share of any net operating loss generated in the same taxable year and attributable to the resident's ownership interest in a pass-through entity shall be allowed as a deduction, for that taxable year and the following five taxable years, against any other net profit of the resident or the resident's distributive share of any net profit attributable to the resident's ownership interest in a pass-through entity until fully utilized, subject to division (B)(1)(d) of this section;

(ii) The resident's distributive share of the net profit of each pass-through entity owned directly or indirectly by the resident shall be calculated without regard to any net operating loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year.

(c) Division (B)(1)(b) of this section does not apply with respect to any net profit or net operating loss attributable to an ownership interest in an S corporation unless shareholders' distributive shares of net profits from S corporations are subject to tax in the municipal corporation as provided in division (C)(14)(b) or (c) of this section.

(d) Any amount of a net operating loss used to reduce a taxpayer's net profit for a taxable year shall reduce the amount of net operating loss that may be carried forward to any subsequent year for use by that taxpayer. In no event shall the cumulative deductions for all taxable years with respect to a taxpayer's net operating loss exceed the original amount of that net operating loss available to that taxpayer.

(2) In the case of nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss

of only pass-through entities owned directly or indirectly by the nonresident.

(3) For taxpayers that are not individuals, net profit of the taxpayer;

(4) Lottery, sweepstakes, gambling and sports winnings, winnings from games of chance, and prizes and awards. If the taxpayer is a professional gambler for federal income tax purposes, the taxpayer may deduct related wagering losses and expenses to the extent authorized under the Internal Revenue Code and claimed against such winnings.

(3) Social security benefits, railroad retirement benefits, unemployment compensation, pensions, retirement benefit payments, payments from annuities, and similar payments made to an employee or to the beneficiary of an employee under a retirement program or plan, disability payments received from private industry or local, state, or federal governments or from charitable, religious or educational organizations, and the proceeds of sickness, accident, or liability insurance policies. Such compensation in excess of one thousand dollars for the taxable year may be subject to taxation by a municipal corporation. A municipal corporation shall not require the payer of such compensation to withhold any tax from that compensation.

(6) Dues, contributions, and similar payments received by charitable, religious, educational, or literary organizations or labor unions, lodges, and similar organizations;

(7) Alimony and child support received;

(10) Gains from involuntary conversions, interest on federal obligations, items of income subject to a tax levied by the state and that a municipal corporation is specifically prohibited by law

(b) If, pursuant to division (H) of former section 718.01 of the Revised Code as it existed before March 11, 2004, a majority of the electors of a municipal corporation voted in favor of the question at an election held on November 4, 2003, the municipal corporation may continue after 2002 to tax an S corporation shareholder's distributive share of net profits of an S corporation.

(c) If, on December 6, 2002, a municipal corporation was imposing, assessing, and collecting a tax on an S corporation shareholder's distributive share of net profits of the S corporation to the extent the distributive share would be allocated or apportioned to this state under divisions (B)(1) and (2) of section 5733.05 of the Revised Code if the S corporation were a corporation subject to taxes imposed under Chapter 5733. of the Revised Code, the municipal corporation may continue to impose the tax on such distributive shares to the extent such shares would be so allocated or apportioned to this state only until December 31, 2004, unless a majority of the electors of the municipal corporation voting on the question of continuing to tax such shares after that date voted in favor of that question at an election held November 2, 2004. If a majority of those electors voted in favor of the question, the municipal corporation may continue after December 31, 2004, to impose the tax on such distributive shares only to the extent such shares would be so allocated or apportioned to this state.

(d) A municipal corporation shall be deemed to have elected to tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders if a majority of the electors of a municipal corporation voted in favor of a question at an election held under division (C)(14)(b) or (c) of this section. The municipal corporation shall specify by resolution or ordinance that the tax applies to the distributive share of a shareholder of an S corporation in the hands of the shareholder of the S corporation.

(10) Add any loss incurred by a pass-through entity owned directly or indirectly by the taxpayer and included in the taxpayer's federal taxable income unless an affiliated group of corporations includes that loss in the group's federal taxable income in accordance with division (E)(3)(b) of section 718.86 of the Revised Code.

If the taxpayer is not a C corporation, is not a disregarded entity that has made the election described in division (L)(2) of section 718.01 of the Revised Code, and is not a publicly traded partnership that has made the election described in division (D)(5) of section 718.01 of the Revised Code, the taxpayer shall compute adjusted federal taxable income under this section as if the taxpayer were a C corporation, except guaranteed payments and other similar amounts paid or accrued to a partner, former partner, shareholder, former shareholder, member, or former member shall not be allowed as a deductible expense unless such payments are a pension or retirement benefit payment paid to a retired partner, retired shareholder, or retired member or are in consideration for the use of capital and treated as payment of interest under section 469 of the Internal Revenue Code or United States treasury regulations. Amounts paid or accrued to a qualified self-employed retirement plan with respect to a partner, former partner, shareholder, former shareholder, member, or former member of the taxpayer, amounts paid or accrued to or for health insurance for a partner, former partner, shareholder, former shareholder, member, or former member, and amounts paid or accrued to or for life insurance for a partner, former partner, shareholder, former shareholder, member, or former member shall not be allowed as a deduction.

If a taxpayer's taxable year is changed for federal income tax purposes, the taxable year for purposes of sections 718.80 to 718.95 of the Revised Code is changed accordingly but may consist of an aggregation of more than one taxable year for federal income tax purposes. The tax commissioner may prescribe by rule an appropriate period as the taxable year for a taxpayer that has had a change of its taxable year for federal income tax purposes, for a taxpayer that has two or more short taxable years for federal income tax purposes as the result of a change of ownership, or for a new taxpayer that would otherwise have no taxable year.~~

Not later than the fifth day of each month, the director shall provide for

payment of the amount certified to each municipal corporation from the municipal net profit tax fund, plus a pro rata share of any investment earnings accruing to the fund since the previous payment under this section, and minus any reduction required by the commissioner under division (D) of this section. Each municipal corporation's share of such earnings shall equal the proportion that the municipal corporation's certified tax payment is of the total taxes certified to all municipal corporations in that quarter. All investment earnings on money in the municipal net profit tax fund shall be credited to that fund.

(B) If the tax commissioner determines that the amount of tax paid by a taxpayer and distributed to a municipal corporation under this section for a taxable year exceeds the amount payable to that municipal corporation under sections 718.80 to 718.95 of the Revised Code after accounting for amounts remitted with the annual return and as estimated taxes, the commissioner shall proceed according to ~~divisions (A) and (B)~~ of section 5703.77 of the Revised Code.

(C) If the amount of a municipal corporation's net distribution computed by the commissioner under division (A) of this section is less than zero, the commissioner may notify the municipal corporation of the deficiency. Within thirty days after receiving such a notice, the municipal corporation shall pay an amount equal to the deficiency to the treasurer of state. The treasurer of state shall credit any payment received under this division to the municipal net profit tax fund.

(D) If a municipal corporation fails to make a timely payment required under division (C) of this section, the commissioner may recover the deficiency using any or all of the following options:

(1) Deduct the amount of the deficiency from the next distribution to that municipal corporation under division (A) of this section or, if the amount of the deficiency exceeds the amount of such distribution, withhold such distributions entirely until the withheld amount equals the amount of the municipal corporation's deficiency;

(2) Deduct the amount of the deficiency from the next payment to that municipal corporation under division (A) of section 5745.05 of the Revised Code or, if the amount of the deficiency exceeds the amount of such distribution, withhold such distributions entirely until the withheld amount equals the amount of the municipal corporation's deficiency;

(3) Deduct the amount of the deficiency from the municipal corporation's share of the next payment made by the commissioner under division (F) of section 321.24 of the Revised Code or, if the amount of the deficiency exceeds the amount of the municipal corporation's share of such payment, withhold the municipal corporation's share of the payments entirely until the withheld amount equals the amount of the municipal corporation's deficiency.

(E) The total amount of payments and distributions withheld from a municipal corporation under division (D) of this section shall not exceed the unpaid portion of the municipal corporation's net distribution deficiency. All amounts withheld under division (D) of this section shall be credited to the municipal net profit tax fund.

(F) The commissioner may adopt rules necessary to administer this section.

Sec. 718.841. (A) The department of taxation shall create and maintain a world wide web portal capable of securely exchanging information between the department and municipal corporations.

(B) The web portal created pursuant to division (A) of this section shall be used by both the department and municipal corporations to securely exchange information as required under sections

718.80 to 718.95 of the Revised Code. The tax commissioner shall establish the procedures by which municipal corporations may access the web portal and the format in which information must be submitted.

(C) If the web portal is unavailable for any reason, the tax commissioner and municipal corporations shall provide the information as required under sections 718.80 to 718.95 of the Revised Code through another secure format. If the commissioner determines it reasonably necessary, the commissioner may extend the time within which information must be provided by not more than forty-five days. If the commissioner extends the time within which information must be provided, any event attaching a penalty for failure to provide such information shall be extended accordingly.

(D) The tax commissioner may modify the web portal created pursuant to division (A) of this section to enable the exchange of information between the commissioner and municipal corporations under Chapter 5745. and division (D) of section 5747.50 of the Revised Code and as otherwise required or permitted by law.

(E) The tax commissioner may adopt rules governing the use of the web portal created pursuant to division (A) of this section.

Sec. 718.85. (A)(1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 718.88 of the Revised Code, shall be submitted to the tax commissioner, on a form and in the manner prescribed by the commissioner, on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year.

~~(2) If a taxpayer has multiple taxable years beginning within one calendar year, the taxpayer shall aggregate the facts and figures necessary to compute the tax due under this chapter, in accordance with sections 718.81, 718.82, and, if applicable, 718.86 of the Revised Code onto its annual return.~~

~~(3) The remittance shall be made payable to the treasurer of state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no remittance is required.~~

~~(B) The tax commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives pursuant to sections 718.80 to 718.95 of the Revised Code. The treasurer shall credit ninety-nine and one-half per cent of such amounts to the municipal net profit tax fund which is hereby created in the state treasury, and the remainder to the municipal income tax administrative fund established under section 5745.03 of the Revised Code.~~

(C)(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.

(2)(a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 718.80 to 718.95 of the Revised Code, copies of any relevant documents or other information.

(b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required under this division electronically as prescribed at the time of filing or, if

electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner may request, and the taxpayer shall provide, any information, statements, or documents required to determine and verify the taxpayer's municipal income tax.

(D)(1)(a) Any taxpayer that has duly requested an automatic extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a tax return with the commissioner under this section. The extended due date of the return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the commissioner grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the commissioner receives the request on or before the date the municipal income tax return is due, the commissioner shall grant the taxpayer's extension request.

(c) An extension of time to file under division (D)(1) of this section is not an extension of the time to pay any tax due unless the tax commissioner grants an extension of that date.

(2) If the commissioner considers it necessary in order to ensure payment of a tax imposed in accordance with section 718.04 of the Revised Code, the commissioner may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(E) Each return required to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the tax commissioner about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the commissioner to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the commissioner with information that is missing from the return, to contact the commissioner for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the commissioner and has shown to the preparer or other person.

(F) When income tax returns or other documents require the signature of a tax return preparer, the tax commissioner shall accept a facsimile or electronic version of such a signature in lieu of a manual signature.

Sec. 718.90. (A) If any taxpayer required to file a return under section 718.80 to 718.95 of the Revised Code fails to file the return within the time prescribed, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the taxpayer for any deficiency for the period for which the return or tax is due, based upon any information in the commissioner's possession.

The tax commissioner shall not make or issue an assessment against a taxpayer more than three years after the later of the date the return subject to assessment was required to be filed or the

date the return was filed. Such time limit may be extended if both the taxpayer and the commissioner consent in writing to the extension. Any such extension shall extend the three-year time limit in section 718.91 of the Revised Code for the same period of time. There shall be no bar or limit to an assessment against a taxpayer that fails to file a return subject to assessment as required by sections 718.80 to 718.95 of the Revised Code, or that files a fraudulent return. The commissioner shall give the taxpayer assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the taxpayer assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the authorized agent of the taxpayer assessed having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the taxpayer to the treasurer of state. The petition shall indicate the taxpayer's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

~~(D) All (D)(1) Except as provided in division (D)(2) of this section, all money collected under this section shall be credited to the municipal net profit tax fund and distributed to the municipal corporation to which the money is owed based on the assessment issued under this section.~~

~~(2) The attorney general may assess collection costs as authorized under section 109.08, 109.081, or 131.02 of the Revised Code on amounts collected under this section, which shall be credited to the attorney general claims fund created under section 109.081 of the Revised Code.~~

(E) If the tax commissioner believes that collection of the tax will be jeopardized unless

proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the taxpayer liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the taxpayer assessed or the taxpayer's legal representative in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the taxpayer assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(F) Notwithstanding the fact that a petition for reassessment is pending, the taxpayer may pay all or a portion of the assessment that is the subject of the petition. The acceptance of a payment by the treasurer of state does not prejudice any claim for refund upon final determination of the petition.

If upon final determination of the petition an error in the assessment is corrected by the tax commissioner, upon petition so filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the taxpayer under the corrected assessment is less than the portion paid, there shall be issued to the taxpayer, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 718.91 of the Revised Code, with interest on that amount as provided by that section.

Sec. 5703.77. (A) As used in this section:

(1) "Taxpayer" means a person subject to or previously subject to a tax or fee, a person that remits a tax or fee, or a person required to or previously required to withhold or collect and remit a tax or fee on behalf of another person.

(2) "Tax or fee" means a tax or fee administered by the tax commissioner.

(3) "Credit account balance" means the amount of a tax or fee that a taxpayer remits to the state in excess of the amount required to be remitted, after accounting for factors applicable to the taxpayer such as accelerated payments, estimated payments, tax credits, and tax credit balances that may be carried forward.

(4) "Tax debt" means an unpaid tax or fee or any unpaid penalty, interest, or additional charge on such a tax or fee due the state.

(B) As soon as practicable, but not later than sixty days before the expiration of the period of time during which a taxpayer may file a refund application for a tax or fee, the tax commissioner shall review the taxpayer's accounts for the tax or fee and notify the taxpayer of any credit account balance for which the commissioner is required to issue a refund if the taxpayer were to file a refund application for that balance, regardless of whether the taxpayer files a refund application or amended return with respect to that tax or fee. The notice shall be made using contact information for the taxpayer on file with the commissioner.

(C) Notwithstanding sections 128.47, ~~718.91~~, 3734.905, 4307.05, 5726.30, 5727.28, 5727.42, 5727.91, 5728.061, 5735.122, 5736.08, 5739.07, 5739.104, 5741.10, 5743.05, 5743.53, 5747.11, 5749.08, 5751.08, 5753.06, and any other section of the Revised Code governing refunds of taxes or fees, the commissioner may apply the amount of any credit account balance for which the

commissioner is required to issue a refund if the taxpayer were to file a refund application for that balance as a credit against the taxpayer's liability for the tax or fee in the taxpayer's next reporting period for that tax or fee or issue a refund of that credit account balance to the taxpayer, subject to division (D) of this section.

(D) Before issuing a refund to a taxpayer under division (C) of this section, the tax commissioner shall withhold from that refund the amount of any of the taxpayer's tax debt certified to the attorney general under section 131.02 of the Revised Code and the amount of the taxpayer's liability, if any, for a tax or fee. The commissioner shall apply any amount withheld first in satisfaction of the amount of the taxpayer's certified tax debt and then in satisfaction of the taxpayer's liability. If the credit account balance originates from the tax administered under sections 718.80 to 718.95 of the Revised Code, it may be applied only against the taxpayer's certified tax debt or tax liability due under those sections.

(E) The tax commissioner may adopt rules to administer this section.

SECTION 2. That existing sections 718.01, 718.80, 718.81, 718.83, 718.85, 718.90, and 5703.77 of the Revised Code are hereby repealed.

SECTION 3. (A) The amendment by this act of section 718.01 and division (B) of section 718.81 of the Revised Code applies to municipal taxable years beginning on and after January 1, 2020.

(B) Except as provided in division (A) of this section, the amendment by this act of sections 718.80, 718.81, and 718.85 of the Revised Code applies to municipal taxable years beginning on or after January 1, 2022.

With respect to the world wide web portal required to be established under section 718.841 of the Revised Code, the Department of Taxation shall make the portal available to municipal corporations for the exchange of information required by division (C)(1) of section 718.80 of the Revised Code and divisions (B), (C), and (D) of section 718.84 of the Revised Code upon the effective date of the enactment by this act of section 718.841 of the Revised Code, and shall continue to add functionality to the portal until such time that the portal is capable of handling the exchange of all information necessary to be exchanged for the purposes of administering sections 718.80 to 718.95 of the Revised Code.
