(F) Every public body, by rule, shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings. A public body shall not hold a special meeting unless it gives at least twenty-four hours' advance notice to the news media that have requested notification, except in the event of an emergency requiring immediate official action. In the event of an emergency, the member or

members calling the meeting shall notify the news media that have requested notification immediately of the time, place, and purpose of the meeting.

The rule shall provide that any person, upon request and payment of a reasonable fee, may obtain reasonable advance notification of all meetings at which any specific type of public business is to be discussed. Provisions for advance notification may include, but are not limited to, mailing the agenda of meetings to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(G) Except as provided in divisions (G)(8) and (J) of this section, the members of a public body may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a regular or special meeting for the sole purpose of the consideration of any of the following matters:

(1) To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee, or regulated individual requests a public hearing. Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official's official duties or for the elected official's removal from office. If a public body holds an executive session pursuant to division (G)(1) of this section, the motion and vote to hold that executive session shall state which one or more of the approved purposes listed in division (G)(1) of this section are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting.

(2) To consider the purchase of property for public purposes, the sale of property at competitive bidding, or the sale or other disposition of unneeded, obsolete, or unfit-for-use property in accordance with section 505.10 of the Revised Code, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers.

If the minutes of the public body show that all meetings and deliberations of the public body have been conducted in compliance with this section, any instrument executed by the public body purporting to convey, lease, or otherwise dispose of any right, title, or interest in any public property shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona fide purchasers, lessees, or transferees of the property is concerned.

(3) Conferences with an attorney for the public body concerning disputes involving the public body that are the subject of pending or imminent court action;

jeopardize the security of the public body or public office;

(7) In the case of a county hospital operated pursuant to Chapter 339. of the Revised Code, a joint township hospital operated pursuant to Chapter 513. of the Revised Code, or a municipal hospital operated pursuant to Chapter 749. of the Revised Code, to consider trade secrets, as defined in section 1333.61 of the Revised Code;

(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:

(a) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of Chapter 715., 725., 1724., or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the Revised Code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

If a public body holds an executive session to consider any of the matters listed in divisions (G)(2) to (8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

A public body specified in division (B)(1)(c) of this section shall not hold an executive session when meeting for the purposes specified in that division.

(H) A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in division (G) or (J) of this section and conducted at an executive session held in compliance with this section. A resolution, rule, or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule, or formal action violated division (F) of this section.

(I)(1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2)(a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the

time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

(J)(1) Pursuant to division (C) of section 5901.09 of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

(a) Interviewing an applicant for financial assistance under sections 5901.01 to 5901.15 of the Revised Code;

(b) Discussing applications, statements, and other documents described in division (B) of section 5901.09 of the Revised Code;

(c) Reviewing matters relating to an applicant's request for financial assistance under sections 5901.01 to 5901.15 of the Revised Code.

(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections 5901.01 to 5901.15 of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.

(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.

Subject to division (B)(8) of this section, upon request by any person, a public office or person responsible for public records shall make copies of the requested public record available to the requester at cost and within a reasonable period of time. If a public record contains information that is exempt from the duty to permit public inspection or to copy the public record, the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any redaction or make the redaction plainly visible. A redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction.

(2) To facilitate broader access to public records, a public office or the person responsible for public records shall organize and maintain public records in a manner that they can be made available for inspection or copying in accordance with division (B) of this section. A public office also shall have available a copy of its current records retention schedule at a location readily available to the public. If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records under this section such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the person responsible for the requested public record may deny the request but shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office's or person's duties.

(3) If a request is ultimately denied, in part or in whole, the public office or the person responsible for the requested public record shall provide the requester with an explanation, including legal authority, setting forth why the request was denied. If the initial request was provided in writing, the explanation also shall be provided to the requester in writing. The explanation shall not preclude the public office or the person responsible for the requested public record from relying upon additional reasons or legal authority in defending an action commenced under division (C) of this section.

(4) Unless specifically required or authorized by state or federal law or in accordance with division (B) of this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the requested public record. Any requirement that the requester disclose the requester's identity or the intended use of the requested public record constitutes a denial of the request.

(5) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester's identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is

not mandatory, that the requester may decline to reveal the requester's identity or the intended use, and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.

(6) If any person requests a copy of a public record in accordance with division (B) of this section, the public office or person responsible for the public record may require the requester to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made by the requester under this division. The public office or the person responsible for the public record shall permit the requester to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the requester makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by the requester. Nothing in this section requires a public office or person responsible for the public record to allow the requester of a copy of the public record to make the copies of the public record.

(7)(a) Upon a request made in accordance with division (B) of this section and subject to division (B)(6) of this section, a public office or person responsible for public records shall transmit a copy of a public record to any person by United States mail or by any other means of delivery or transmission within a reasonable period of time after receiving the request for the copy. The public office or person responsible for the public record may require the person making the request to pay in advance the cost of postage if the copy is transmitted by United States mail or the cost of delivery if the copy is transmitted other than by United States mail, and to pay in advance the costs incurred for other supplies used in the mailing, delivery, or transmission.

(b) Any public office may adopt a policy and procedures that it will follow in transmitting, within a reasonable period of time after receiving a request, copies of public records by United States mail or by any other means of delivery or transmission pursuant to division (B)(7) of this section. A public office that adopts a policy and procedures under division (B)(7) of this section shall comply with them in performing its duties under that division.

(c) In any policy and procedures adopted under division (B)(7) of this section:

(i) A public office may limit the number of records requested by a person that the office will physically deliver by United States mail or by another delivery service to ten per month, unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes;

(ii) A public office that chooses to provide some or all of its public records on a web site that is fully accessible to and searchable by members of the public at all times, other than during acts of God outside the public office's control or maintenance, and that charges no fee to search, access, download, or otherwise receive records provided on the web site, may limit to ten per month the number of records requested by a person that the office will deliver in a digital format, unless the requested records are not provided on the web site and unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information

contained in them, for commercial purposes.

(iii) For purposes of division (B)(7) of this section, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(9)(a) Upon written request made and signed by a journalist, a public office, or person responsible for public records, having custody of the records of the agency employing a specified designated public service worker shall disclose to the journalist the address of the actual personal residence of the designated public service worker and, if the designated public service worker's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the designated public service worker's spouse, former spouse, or child. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

(b) Division (B)(9)(a) of this section also applies to journalist requests for:

(i) Customer information maintained by a municipally owned or operated public utility, other than social security numbers and any private financial information such as credit reports, payment methods, credit card numbers, and bank account information;

(ii) Information about minors involved in a school vehicle accident as provided in division (A)(1)(gg) of this section, other than personal information as defined in section 149.45 of the Revised Code.

(c) As used in division (B)(9) of this section, "journalist" means a person engaged in, connected with, or employed by any news medium, including a newspaper, magazine, press association, news agency, or wire service, a radio or television station, or a similar medium, for the purpose of gathering, processing, transmitting, compiling, editing, or disseminating information for the general public.

(10) Upon a request made by a victim, victim's attorney, or victim's representative, as that term is used in section 2930.02 of the Revised Code, a public office or person responsible for public records shall transmit a copy of a depiction of the victim as described in division (A)(1)(ii) of this section to the victim, victim's attorney, or victim's representative.

(C)(1) If a person allegedly is aggrieved by the failure of a public office or the person responsible for public records to promptly prepare a public record and to make it available to the person for inspection in accordance with division (B) of this section or by any other failure of a public office or the person responsible for public records to comply with an obligation in accordance

with division (B) of this section, the person allegedly aggrieved may do only one of the following, and not both:

(a) File a complaint with the clerk of the court of claims or the clerk of the court of common pleas under section 2743.75 of the Revised Code;

(b) Commence a mandamus action to obtain a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section, that awards court costs and reasonable attorney's fees to the person that instituted the mandamus action, and, if applicable, that includes an order fixing statutory damages under division (C)(2) of this section. The mandamus action may be commenced in the court of common pleas of the county in which division (B) of this section allegedly was not complied with, in the supreme court pursuant to its original jurisdiction under Section 2 of Article IV, Ohio Constitution, or in the court of appeals for the appellate district in which division (B) of this section allegedly was not complied with pursuant to its original jurisdiction under Section 3 of Article IV, Ohio Constitution.

(2) If a requester transmits a written request by hand delivery, electronic submission, or certified mail to inspect or receive copies of any public record in a manner that fairly describes the public record or class of public records to the public office or person responsible for the requested public records, except as otherwise provided in this section, the requester shall be entitled to recover the amount of statutory damages set forth in this division if a court determines that the public office or the person responsible for public records failed to comply with an obligation in accordance with division (B) of this section.

The amount of statutory damages shall be fixed at one hundred dollars for each business day during which the public office or person responsible for the requested public records failed to comply with an obligation in accordance with division (B) of this section, beginning with the day on which the requester files a mandamus action to recover statutory damages, up to a maximum of one thousand dollars. The award of statutory damages shall not be construed as a penalty, but as compensation for injury arising from lost use of the requested information. The existence of this injury shall be conclusively presumed. The award of statutory damages shall be in addition to all other remedies authorized by this section.

The court may reduce an award of statutory damages or not award statutory damages if the court determines both of the following:

(a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(3) In a mandamus action filed under division (C)(1) of this section, the following apply:

(a)(i) If the court orders the public office or the person responsible for the public record to comply with division (B) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(ii) If the court makes a determination described in division (C)(3)(b)(iii) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section or if the court determines any of the following, the court may award reasonable attorney's fees to the relator, subject to division (C)(4) of this section:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(iii) The public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order concluding whether or not the public office or person was required to comply with division (B) of this section. No discovery may be conducted on the issue of the alleged bad faith of the public office or person responsible for the public records. This division shall not be construed as creating a presumption that the public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order described in this division.

(c) The court shall not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(4) All of the following apply to any award of reasonable attorney's fees awarded under division (C)(3)(b) of this section:

(a) The fees shall be construed as remedial and not punitive.

(b) The fees awarded shall not exceed the total of the reasonable attorney's fees incurred before the public record was made available to the relator and the fees described in division (C)(4)(c) of this section.

(c) Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount of the fees and to otherwise litigate entitlement to the fees.

(d) The court may reduce the amount of fees awarded if the court determines that, given the factual circumstances involved with the specific public records request, an alternative means should have been pursued to more effectively and efficiently resolve the dispute that was subject to the mandamus action filed under division (C)(1) of this section.

(5) If the court does not issue a writ of mandamus under division (C) of this section and the court determines at that time that the bringing of the mandamus action was frivolous conduct as defined in division (A) of section 2323.51 of the Revised Code, the court may award to the public office all court costs, expenses, and reasonable attorney's fees, as determined by the court.

(D) Chapter 1347. of the Revised Code does not limit the provisions of this section.

(E)(1) To ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in section 109.43 of the Revised Code. A future official may satisfy the requirements of this division by attending the training before taking office, provided that the future official may not send a designee in the future official's place.

(2) All public offices shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. Except as otherwise provided in this section, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours.

The public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices. The public office may post its public records policy on the internet web site of the public office if the public office maintains an internet web site. A public office that has established a manual or handbook of its general policies and procedures for all employees of the public office shall include the public records policy of the public office in the manual or handbook.

(F)(1) The bureau of motor vehicles may adopt rules pursuant to Chapter 119. of the Revised Code to reasonably limit the number of bulk commercial special extraction requests made by a

The rules may include provisions for charges to be made for bulk commercial special extraction requests for the actual cost of the bureau, plus special extraction costs, plus ten per cent. "Bulk commercial special extraction request" does not include a request by a person who gives assurance to the bureau that the person making the request does not intend to use or forward the requested copies for surveys, marketing, solicitation, or resale for commercial purposes.

(c) "Commercial" means profit-seeking production, buying, or selling of any good, service, or other product.

(d) "Special extraction costs" means the cost of the time spent by the lowest paid employee competent to perform the task, the actual amount paid to outside private contractors employed by the bureau, or the actual cost incurred to create computer programs to make the special extraction. "Special extraction costs" include any charges paid to a public agency for computer or records services.

(3) For purposes of divisions (F)(1) and (2) of this section, "surveys, marketing, solicitation, or resale for commercial purposes" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

The defendant, counsel of the defendant, or agent of the defendant making a request under this division shall serve a copy of the request on the prosecuting attorney, director of law, or other chief legal officer responsible for prosecuting the action.

(H)(1) Any portion of a body-worn camera or dashboard camera recording described in divisions (A)(17)(b) to (h) of this section may be released by consent of the subject of the recording or a representative of that person, as specified in those divisions, only if either of the following applies:

(a) The recording will not be used in connection with any probable or pending criminal proceedings;

(b) The recording has been used in connection with a criminal proceeding that was dismissed or for which a judgment has been entered pursuant to Rule 32 of the Rules of Criminal Procedure, and will not be used again in connection with any probable or pending criminal proceedings.

(2) If a public office denies a request to release a restricted portion of a body-worn camera or dashboard camera recording, as defined in division (A)(17) of this section, any person may file a mandamus action pursuant to this section or a complaint with the clerk of the court of claims pursuant to section 2743.75 of the Revised Code, requesting the court to order the release of all or portions of the recording. If the court considering the request determines that the filing articulates by clear and convincing evidence that the public interest in the recording substantially outweighs privacy interests and other interests asserted to deny release, the court shall order the public office to release the recording.

Sec. 307.629. (A) Except as provided in ~~division~~divisions (B) and (C) of this section and sections 5153.171 to 5153.173 of the Revised Code, any information, document, or report presented to a child fatality review board, all statements made by review board members during meetings of the review board, all work products of the review board, and child fatality review data submitted by the child fatality review board to the department of health or a national child death review database, other than the report prepared pursuant to division (A) of section 307.626 of the Revised Code, are confidential and shall be used by the review board, its members, and the department of health only in the exercise of the proper functions of the review board and the department.

(B) The boards of county commissioners of two or more counties may, by adopting a joint resolution passed by a majority of the members of each participating board of county commissioners, create a regional domestic violence fatality review board to review the deaths of individuals over eighteen years of age by domestic violence that occurred in the participating counties. The joint resolution shall appoint, for each county participating as part of the regional review board, one health commissioner from a board of health of a city or general health district located at least in part in that county. The health commissioners appointed shall select one of their number as the health commissioner to establish the regional review board.

(E) A domestic violence fatality review board member shall not receive any compensation for, and shall not be paid for any expenses incurred pursuant to, fulfilling the member's duties on the board unless compensation for, or payment for expenses incurred pursuant to, those duties is received pursuant to a member's regular employment.

Sec. 307.654. The purpose of a domestic violence fatality review board established under section 307.651 of the Revised Code is to decrease the incidence of deaths occurring as a result of domestic violence by doing all of the following:

(A) Promoting cooperation, collaboration, and communication between all groups, professions, agencies, or entities engaged in the prevention of, and education about, domestic violence;

(B) Maintaining a comprehensive database of all deaths by domestic violence that occur in the county or region served by the review board in order to develop an understanding of the causes and incidence of those deaths;

(D) Providing the department of health with aggregate data, trends, and patterns concerning

deaths by domestic violence.

Sec. 307.655. A domestic violence fatality review board may not conduct a review of a death while an investigation of the death or prosecution of a person for causing the death is pending unless the prosecuting attorney agrees to allow the review. The law enforcement agency conducting the criminal investigation, on the conclusion of the investigation, and the prosecuting attorney prosecuting the case, on the conclusion of the prosecution, shall notify the chairperson of the review board of the conclusion.

Sec. 307.656. (A) A domestic violence fatality review board shall establish a system for collecting and maintaining information necessary for the review of deaths by domestic violence in the county or region. In an effort to ensure confidentiality, each board shall do all of the following:

(2) The total number of deaths by domestic violence reviewed by the board;

(3) A summary of demographic information for the deaths reviewed, including age, sex, race, and ethnicity of both deceased and perpetrators;

(4) A summary of any trends or patterns identified by the board.

The report shall specify the number of deaths by domestic violence that were not reviewed during the previous calendar year.

The report shall include recommendations for actions that might prevent other deaths, as well as any other information the review board determines should be included.

(D) Reports prepared under division (C) of this section shall be considered public records under section 149.43 of the Revised Code.

Sec. 307.657. (A)(1) Notwithstanding section 3701.17 and any other section of the Revised Code pertaining to confidentiality, on the request of the domestic violence fatality review board, any individual, law enforcement agency, or other public or private entity that provided services to any of the following shall submit to the review board a summary sheet of information:

(a) A person whose death is being reviewed by a domestic violence fatality review board;

(b) A person who caused the death of a person whose death is being reviewed by a domestic violence fatality review board;

(c) A child of a person whose death is being reviewed by a domestic violence fatality review board.

(2) With respect to a request made to a health care entity, the summary sheet shall contain only information available and reasonably drawn from the person's or child's medical record created by the health care entity.

(3) With respect to a request made to any other individual or entity, the summary sheet shall contain only information available and reasonably drawn from any record involving the person or child to which the individual or entity has access.

(4) On the request of the review board, an individual or entity may, at the individual or entity's discretion, make any additional information, documents, or reports available to the review board.

(B) Notwithstanding division (A) of this section, no person, entity, law enforcement agency, or prosecuting attorney shall provide any information to a domestic violence fatality review board while an investigation of the death or prosecution of a person for causing the death is pending unless the prosecuting attorney has agreed pursuant to section 307.655 of the Revised Code to allow review of the death.

Sec. 307.658. (A) Except as provided in division (B) of this section, members of a domestic violence fatality review board and their agents or employees, if any, are immune from claims and are not subject to any suits, liability, damages, or any other recourse, civil or criminal, arising from any act, proceeding, decision, or determination undertaken or performed or recommendation made by the review board.

No organization, institution, or person furnishing information, data, testimony, reports, or records to the domestic violence fatality review board is civilly or criminally liable or subject to any other recourse for providing the information.

(B) The immunity from criminal liability granted by this section does not extend to violations of division (F) of section 307.652 of the Revised Code or division (B) of section 307.659 of the Revised Code.

Sec. 307.659. (A) Any information, document, or report presented to a domestic violence fatality review board, all statements made by review board members during meetings of the review board, all work products of the review board, and data submitted by the review board to the department of health, other than the report prepared pursuant to section 307.656 of the Revised Code, are confidential, are not public records open to public inspection and copying under section 149.43 of the Revised Code, and shall be used by the review board, its members, and the department of health only in the exercise of the proper functions of the review board and the department.

(B) No member of a domestic violence fatality review board shall disclose any of the following, except in the exercise of the proper functions of the review board:

(1) Information, documents, or reports presented to the board;

(2) Work products of the review board or data submitted to the department of health other than reports prepared pursuant to division (C) of section 307.656 of the Revised Code.

(C) A review board may disclose the confidential information described in division (A) of this section to a child fatality review board established under section 307.621 of the Revised Code in the same county or region, and otherwise collaborate with a child fatality review board, if the person whose death is being reviewed as a domestic violence fatality was a child.

Sec. 307.99. (A) Whoever violates section 307.42 of the Revised Code shall be fined not less than twenty-five nor more than one hundred dollars for each offense.

(B) Whoever violates section 307.43 of the Revised Code shall be fined not less than twenty-five nor more than two hundred dollars, and imprisoned not less than ten nor more than sixty days.

(C) Whoever violates section 307.37 of the Revised Code, shall be fined not more than three hundred dollars.

(D) Whoever violates division (C)(5) of section 307.97 of the Revised Code shall be fined not less than one hundred nor more than five hundred dollars.

(E) Whoever violates any other subdivision of division (C) of section 307.97 of the Revised Code shall be imprisoned not more than six months or fined not more than one thousand dollars, or both.

(F) Whoever violates division (F) of section 307.652 of the Revised Code or division (B) of section 307.659 of the Revised Code is guilty of a misdemeanor of the first degree.

Sec. 3701.0412. (A) The department of health shall adopt rules in accordance with Chapter 119. of the Revised Code establishing a procedure for county or regional domestic violence fatality review boards to follow in conducting a review of a death by domestic violence. The rules shall do all of the following:

(1) Establish the format for the annual reports required by section 307.656 of the Revised Code;

(2) Establish guidelines for a county or regional review board to follow in compiling statistics for annual reports so that the reports do not contain any information that would permit any person's identity to be ascertained from a report;

(3) Establish guidelines for a county or regional review board to follow in creating and maintaining the comprehensive database of deaths by domestic violence that is required by section 307.654 of the Revised Code, including provisions establishing uniform record-keeping procedures;

(4) Establish guidelines for reporting domestic violence fatality review data to the department of health, which must maintain the confidentiality of information that would permit a person's identity to be ascertained;

(5) Establish guidelines, materials, and training to help educate members of county or regional review boards about the purpose of the review process and the confidentiality of the information described in section 307.659 of the Revised Code.

(B) Notwithstanding any provision of section 121.95 of the Revised Code to the contrary, a regulatory restriction contained in a rule adopted under this section is not subject to sections 121.95 to 121.953 of the Revised Code.

Sec. 4731.22. (A) The state medical board, by an affirmative vote of not fewer than six of its members, may limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to grant a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or

certificate if the individual applying for or holding the license or certificate is found by the board to have committed fraud during the administration of the examination for a license or certificate to practice or to have committed fraud, misrepresentation, or deception in applying for, renewing, or securing any license or certificate to practice or certificate to recommend issued by the board.

(B) Except as provided in division (P) of this section, the board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to issue a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate for one or more of the following reasons:

(1) Permitting one's name or one's license or certificate to practice to be used by a person, group, or corporation when the individual concerned is not actually directing the treatment given;

(2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease;

(3) Except as provided in section 4731.97 of the Revised Code, selling, giving away, personally furnishing, prescribing, or administering drugs for other than legal and legitimate therapeutic purposes or a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug;

(4) Willfully betraying a professional confidence.

For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports under sections 307.621 to 307.629 of the Revised Code to a child fatality review board; does not include providing any information, documents, or reports under sections 307.631 to 307.6410 of the Revised Code to a drug overdose fatality review committee, a suicide fatality review committee, or hybrid drug overdose fatality and suicide fatality review committee; does not include providing any information, documents, or reports under sections 307.651 to 307.659 of the Revised Code to a domestic violence fatality review board; does not include providing any information, documents, or reports to the director of health pursuant to guidelines established under section 3701.70 of the Revised Code; does not include written notice to a mental health professional under section 4731.62 of the Revised Code; and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by section 2305.33 or 4731.62 of the Revised Code upon a physician who makes a report in accordance with section 2305.33 or notifies a mental health professional in accordance with section 4731.62 of the Revised Code. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any license or certificate to practice issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a

statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a license or certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil

liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying,

or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;

(24) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency;

(26) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or certificate to practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for licensure or certification to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or certificate or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure or certification to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license or certificate suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care under the provisions of the practitioner's

license or certificate. The demonstration shall include, but shall not be limited to, the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;

(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's medical record;

(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the responsibilities of collaboration after entering into a standard care arrangement;

(33) Failure to comply with the terms of a consult agreement entered into with a pharmacist pursuant to section 4729.39 of the Revised Code;

(34) Failure to cooperate in an investigation conducted by the board under division (F) of this section, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board in an investigative interview, an investigative office

conference, at a deposition, or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(35) Failure to supervise an acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for providing that supervision;

(36) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;

(37) Assisting suicide, as defined in section 3795.01 of the Revised Code;

(38) Failure to comply with the requirements of section 2317.561 of the Revised Code;

(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants;

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or certificate to practice or certificate to recommend. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code, the disciplinary action shall consist of a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of that section shall provide for a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if,

based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be

made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

- (a) The case number assigned to the complaint or alleged violation;
- (b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;
- (c) A description of the allegations contained in the complaint;
- (d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or (13) of this section and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition of that nature and supporting court documents, the board shall reinstate the individual's license or certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The license or certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code. In addition, the license or certificate to practice or certificate to recommend issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in

this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 or 2919.124 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not

fewer than six members of the board.

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

(1) Offer in appropriate cases as determined by the board an educational and assessment program pursuant to an investigation the board conducts under this section;

(2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended by those providers. The board shall monitor the progress of each individual undertaking a recommended individual educational program.

(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program.

An individual who participates in an individual educational program pursuant to this division shall pay the financial obligations arising from that educational program.

(P) The board shall not refuse to issue a license to an applicant because of a conviction, plea of guilty, judicial finding of guilt, judicial finding of eligibility for intervention in lieu of conviction, or the commission of an act that constitutes a criminal offense, unless the refusal is in accordance with section 9.79 of the Revised Code.

SECTION 2. That existing sections 121.22, 149.43, 307.629, 307.99, and 4731.22 of the Revised Code are hereby repealed.
