A BILL

To amend sections 3301.079, 3314.03, and 3326.11 and to enact sections 3313.6027, 3313.6028, and 3313.6029 of the Revised Code regarding the teaching of certain current events and certain concepts regarding race and sex in public schools.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3301.079, 3314.03, and 3326.11 be amended and sections 3313.6027, 3313.6028, and 3313.6029 of the Revised Code be enacted to read as follows:

Sec. 3301.079. (A)(1) The state board of education periodically shall adopt statewide academic standards with emphasis on coherence, focus, and essential knowledge and that are more challenging and demanding when compared to international standards for each of grades kindergarten through twelve in English language arts, mathematics, science, and social studies.
(a) The state board shall ensure that the standards do all of the following:

(i) Include the essential academic content and skills that students are expected to know and be able to do at each grade level that will allow each student to be prepared for postsecondary instruction and the workplace for success in the twenty-first century;

(ii) Include the development of skill sets that promote information, media, and technological literacy;

(iii) Include interdisciplinary, project-based, real-world learning opportunities;

(iv) Instill life-long learning by providing essential knowledge and skills based in the liberal arts tradition, as well as science, technology, engineering, mathematics, and career-technical education;

(v) Be clearly written, transparent, and understandable by parents, educators, and the general public.

(b) Not later than July 1, 2012, the state board shall incorporate into the social studies standards for grades four to twelve academic content regarding the original texts of the Declaration of Independence, the Northwest Ordinance, the Constitution of the United States and its amendments, with emphasis on the Bill of Rights, and the Ohio Constitution, and their original context. The state board shall revise the model curricula and achievement assessments adopted under divisions (B) and (C) of this section as necessary to reflect the additional American history and American government content. The state board shall make available a list of suggested grade-appropriate supplemental readings that place the documents
prescribed by this division in their historical context, which teachers may use as a resource to assist students in reading the documents within that context.

(c) When the state board adopts or revises academic content standards in social studies, American history, American government, or science under division (A)(1) of this section, the state board shall develop such standards independently and not as part of a multistate consortium.

(2) After completing the standards required by division (A)(1) of this section, the state board shall adopt standards and model curricula for instruction in technology, financial literacy and entrepreneurship, fine arts, and foreign language for grades kindergarten through twelve. The standards shall meet the same requirements prescribed in division (A)(1)(a) of this section.

(3) The state board shall adopt the most recent standards developed by the national association for sport and physical education for physical education in grades kindergarten through twelve or shall adopt its own standards for physical education in those grades and revise and update them periodically.

The department of education shall employ a full-time physical education coordinator to provide guidance and technical assistance to districts, community schools, and STEM schools in implementing the physical education standards adopted under this division. The superintendent of public instruction shall determine that the person employed as coordinator is qualified for the position, as demonstrated by possessing an adequate combination of education, license, and experience.

(4) Not later than December 31, 2018, the state board
shall adopt standards and a model curriculum for instruction in computer science in grades kindergarten through twelve, which shall include standards for introductory and advanced computer science courses in grades nine through twelve. When developing the standards and curriculum, the state board shall consider recommendations from computer science education stakeholder groups, including teachers and representatives from higher education, industry, computer science organizations in Ohio, and national computer science organizations.

Any district or school may utilize the computer science standards or model curriculum or any part thereof adopted pursuant to division (A)(4) of this section. However, no district or school shall be required to utilize all or any part of the standards or curriculum.

(5) When academic standards have been completed for any subject area required by this section, the state board shall inform all school districts, all community schools established under Chapter 3314. of the Revised Code, all STEM schools established under Chapter 3326. of the Revised Code, and all nonpublic schools required to administer the assessments prescribed by sections 3301.0710 and 3301.0712 of the Revised Code of the content of those standards. Additionally, upon completion of any academic standards under this section, the department shall post those standards on the department's website.

(B)(1) The state board shall adopt a model curriculum for instruction in each subject area for which updated academic standards are required by division (A)(1) of this section and for each of grades kindergarten through twelve that is sufficient to meet the needs of students in every community. The
model curriculum shall be aligned with the standards, to ensure that the academic content and skills specified for each grade level are taught to students, and shall demonstrate vertical articulation and emphasize coherence, focus, and rigor. When any model curriculum has been completed, the state board shall inform all school districts, community schools, and STEM schools of the content of that model curriculum.

At no time shall the state board adopt any model curriculum under this section regarding the concepts described in divisions (A)(1) to (11) of section 3313.6028 of the Revised Code.

(2) Not later than June 30, 2013, the state board, in consultation with any office housed in the governor's office that deals with workforce development, shall adopt model curricula for grades kindergarten through twelve that embed career connection learning strategies into regular classroom instruction.

(3) All school districts, community schools, and STEM schools may utilize the state standards and the model curriculum established by the state board, together with other relevant resources, examples, or models to ensure that students have the opportunity to attain the academic standards. Upon request, the department shall provide technical assistance to any district, community school, or STEM school in implementing the model curriculum.

Nothing in this section requires any school district to utilize all or any part of a model curriculum developed under this section.

(C) The state board shall develop achievement assessments...
aligned with the academic standards and model curriculum for each of the subject areas and grade levels required by divisions (A)(1) and (B)(1) of section 3301.0710 of the Revised Code.

When any achievement assessment has been completed, the state board shall inform all school districts, community schools, STEM schools, and nonpublic schools required to administer the assessment of its completion, and the department shall make the achievement assessment available to the districts and schools.

(D)(1) The state board shall adopt a diagnostic assessment aligned with the academic standards and model curriculum for each of grades kindergarten through two in reading, writing, and mathematics and for grade three in reading and writing. The diagnostic assessment shall be designed to measure student comprehension of academic content and mastery of related skills for the relevant subject area and grade level. Any diagnostic assessment shall not include components to identify gifted students. Blank copies of diagnostic assessments shall be public records.

(2) When each diagnostic assessment has been completed, the state board shall inform all school districts of its completion and the department shall make the diagnostic assessment available to the districts at no cost to the district.

(3) School districts shall administer the diagnostic assessment pursuant to section 3301.0715 of the Revised Code beginning the first school year following the development of the assessment.

However, beginning with the 2017-2018 school year, both of
the following shall apply:

(a) In the case of the diagnostic assessments for grades one or two in writing or mathematics or for grade three in writing, a school district shall not be required to administer any such assessment, but may do so at the discretion of the district board;

(b) In the case of any diagnostic assessment that is not for the grade levels and subject areas specified in division (D) (3)(a) of this section, each school district shall administer the assessment in the manner prescribed by section 3301.0715 of the Revised Code.

(E) The state board shall not adopt a diagnostic or achievement assessment for any grade level or subject area other than those specified in this section.

(F) Whenever the state board or the department consults with persons for the purpose of drafting or reviewing any standards, diagnostic assessments, achievement assessments, or model curriculum required under this section, the state board or the department shall first consult with parents of students in kindergarten through twelfth grade and with active Ohio classroom teachers, other school personnel, and administrators with expertise in the appropriate subject area. Whenever practicable, the state board and department shall consult with teachers recognized as outstanding in their fields.

If the department contracts with more than one outside entity for the development of the achievement assessments required by this section, the department shall ensure the interchangeability of those assessments.

(G) Whenever the state board adopts standards or model
curricula under this section, the department also shall provide information on the use of blended or digital learning in the delivery of the standards or curricula to students in accordance with division (A)(5) of this section.

(H) The fairness sensitivity review committee, established by rule of the state board of education, shall not allow any question on any achievement or diagnostic assessment developed under this section or any proficiency test prescribed by former section 3301.0710 of the Revised Code, as it existed prior to September 11, 2001, to include, be written to promote, or inquire as to individual moral or social values or beliefs. The decision of the committee shall be final. This section does not create a private cause of action.

(I) Not later than sixty days prior to the adoption by the state board of updated academic standards under division (A)(1) of this section or updated model curricula under division (B)(1) of this section, the superintendent of public instruction shall present the academic standards or model curricula, as applicable, in person at a public hearing of the respective committees of the house of representatives and senate that consider education legislation.

(J) As used in this section:

(1) "Blended learning" means the delivery of instruction in a combination of time in a supervised physical location away from home and online delivery whereby the student has some element of control over time, place, path, or pace of learning.

(2) "Coherence" means a reflection of the structure of the discipline being taught.

(3) "Digital learning" means learning facilitated by
technology that gives students some element of control over
time, place, path, or pace of learning.

(4) "Focus" means limiting the number of items included in
a curriculum to allow for deeper exploration of the subject
matter.

(5) "Vertical articulation" means key academic concepts
and skills associated with mastery in particular content areas
should be articulated and reinforced in a developmentally
appropriate manner at each grade level so that over time
students acquire a depth of knowledge and understanding in the
core academic disciplines.

Sec. 3313.6027. (A) No state agency, school district, or
school administration shall require a teacher of history,
civics, United States government and politics, social studies,
or similar subject areas who is employed by the board of
education of a school district to discuss current events or
widely debated and currently controversial issues of public
policy or social affairs.

It is the policy of this state that teachers who choose to
discuss current events or widely debated and currently
controversial issues of public policy or social affairs, to the
best of their abilities, shall strive to explore such issues
from diverse and contending perspectives.

(B) In any course on history, civics, United States
government and politics, social studies, or a similar subject
area, no school district shall require, make part of such a
course, or award course grading or credit for any of the
following:

(1) Student work for, affiliation with, or service
learning in association with any organization engaged in lobbying for legislation at the local, state, or federal level or in social or public policy advocacy;

(2) Lobbying for legislation at the local, state, or federal level;

(3) Any practicum, action project, or similar activity that involves social or public policy advocacy.

(C) No state agency or school district shall accept private funding for curriculum development, purchase or selection of curricular materials, teacher training, professional development, or continuing teacher education pertaining to courses on history, civics, United States government and politics, social studies, or similar subject areas.

Sec. 3313.6028. (A) No state agency, school district, or school shall teach, instruct, or train any administrator, teacher, staff, member, or employee to adopt or believe any of the following concepts:

(1) One race or sex is inherently superior to another race or sex;

(2) An individual, by virtue of the individual's race or sex, is inherently racist, sexist, or oppressive, whether consciously or unconsciously;

(3) An individual should be discriminated against or receive adverse treatment solely or partly because of the individual's race;

(4) Members of one race cannot or should not attempt to treat others without respect to race;
As Introduced

(5) An individual's moral standing or worth is necessarily determined by the individual's race or sex;

(6) An individual, by virtue of the individual's race or sex, bears responsibility for actions committed in the past by other members of the same race or sex;

(7) An individual should feel discomfort, guilt, anguish, or any other form of psychological distress on account of the individual's race or sex;

(8) Meritocracy or traits such as a hard work ethic are racist or sexist or were created by members of a particular race or sex to oppress members of another race or sex;

(9) Fault, blame, or bias should be assigned to a race or sex or to members of that race or sex because of their race or sex;

(10) The advent of slavery in the territory that is now the United States constituted the true founding of the United States;

(11) With respect to their relationship to American values, slavery and racism are anything other than deviations from, betrayals of, or failures to live up to the authentic founding principles of the United States, which include liberty and equality.

(B) No teacher or school administrator employed by a school district or employee of a state agency shall approve for use, make use of, or carry out standards, curricula, lesson plans, textbooks, instructional materials, or instructional practices that serve to inculcate the concepts described in divisions (A)(1) to (11) of this section.
(C) If a student completes a course that includes any of the concepts described in divisions (A)(1) to (11) of this section, that course shall not count towards the requirements for high school graduation specified in section 3313.603 of the Revised Code.

Sec. 3313.6029. No teacher shall be required by a policy of any state agency, school district, or school administration to affirm a belief in the systemic nature of racism, or like ideas, or in the multiplicity or fluidity of gender identities, or like ideas, against the teacher's sincerely held religious or philosophical convictions.

Sec. 3314.03. A copy of every contract entered into under this section shall be filed with the superintendent of public instruction. The department of education shall make available on its web site a copy of every approved, executed contract filed with the superintendent under this section.

(A) Each contract entered into between a sponsor and the governing authority of a community school shall specify the following:

(1) That the school shall be established as either of the following:

(a) A nonprofit corporation established under Chapter 1702. of the Revised Code, if established prior to April 8, 2003;

(b) A public benefit corporation established under Chapter 1702. of the Revised Code, if established after April 8, 2003.

(2) The education program of the school, including the school's mission, the characteristics of the students the school is expected to attract, the ages and grades of students, and the
focus of the curriculum;

(3) The academic goals to be achieved and the method of measurement that will be used to determine progress toward those goals, which shall include the statewide achievement assessments;

(4) Performance standards, including but not limited to all applicable report card measures set forth in section 3302.03 or 3314.017 of the Revised Code, by which the success of the school will be evaluated by the sponsor;

(5) The admission standards of section 3314.06 of the Revised Code and, if applicable, section 3314.061 of the Revised Code;

(6)(a) Dismissal procedures;

(b) A requirement that the governing authority adopt an attendance policy that includes a procedure for automatically withdrawing a student from the school if the student without a legitimate excuse fails to participate in seventy-two consecutive hours of the learning opportunities offered to the student.

(7) The ways by which the school will achieve racial and ethnic balance reflective of the community it serves;

(8) Requirements for financial audits by the auditor of state. The contract shall require financial records of the school to be maintained in the same manner as are financial records of school districts, pursuant to rules of the auditor of state. Audits shall be conducted in accordance with section 117.10 of the Revised Code.

(9) An addendum to the contract outlining the facilities
to be used that contains at least the following information:

(a) A detailed description of each facility used for instructional purposes;

(b) The annual costs associated with leasing each facility that are paid by or on behalf of the school;

(c) The annual mortgage principal and interest payments that are paid by the school;

(d) The name of the lender or landlord, identified as such, and the lender's or landlord's relationship to the operator, if any.

(10) Qualifications of teachers, including a requirement that the school's classroom teachers be licensed in accordance with sections 3319.22 to 3319.31 of the Revised Code, except that a community school may engage noncertificated persons to teach up to twelve hours or forty hours per week pursuant to section 3319.301 of the Revised Code.

(11) That the school will comply with the following requirements:

(a) The school will provide learning opportunities to a minimum of twenty-five students for a minimum of nine hundred twenty hours per school year.

(b) The governing authority will purchase liability insurance, or otherwise provide for the potential liability of the school.

(c) The school will be nonsectarian in its programs, admission policies, employment practices, and all other operations, and will not be operated by a sectarian school or religious institution.

(e) The school shall comply with Chapter 102. and section 2921.42 of the Revised Code.

(f) The school will comply with sections 3313.61, 3313.611, 3313.614, 3313.617, 3313.618, and 3313.6114 of the Revised Code, except that for students who enter ninth grade for the first time before July 1, 2010, the requirement in sections 3313.61 and 3313.611 of the Revised Code that a person must successfully complete the curriculum in any high school prior to receiving a high school diploma may be met by completing the curriculum adopted by the governing authority of the community school rather than the curriculum specified in Title XXXIII of the Revised Code or any rules of the state board of education.
Beginning with students who enter ninth grade for the first time on or after July 1, 2010, the requirement in sections 3313.61 and 3313.611 of the Revised Code that a person must successfully complete the curriculum of a high school prior to receiving a high school diploma shall be met by completing the requirements prescribed in division (C) of section 3313.603 of the Revised Code, unless the person qualifies under division (D) or (F) of that section. Each school shall comply with the plan for awarding high school credit based on demonstration of subject area competency, and beginning with the 2017-2018 school year, with the updated plan that permits students enrolled in seventh and eighth grade to meet curriculum requirements based on subject area competency adopted by the state board of education under divisions (J)(1) and (2) of section 3313.603 of the Revised Code. Beginning with the 2018-2019 school year, the school shall comply with the framework for granting units of high school credit to students who demonstrate subject area competency through work-based learning experiences, internships, or cooperative education developed by the department under division (J)(3) of section 3313.603 of the Revised Code.

(g) The school governing authority will submit within four months after the end of each school year a report of its activities and progress in meeting the goals and standards of divisions (A)(3) and (4) of this section and its financial status to the sponsor and the parents of all students enrolled in the school.

(h) The school, unless it is an internet- or computer-based community school, will comply with section 3313.801 of the Revised Code as if it were a school district.

(i) If the school is the recipient of moneys from a grant
awarded under the federal race to the top program, Division (A), Title XIV, Sections 14005 and 14006 of the "American Recovery and Reinvestment Act of 2009," Pub. L. No. 111-5, 123 Stat. 115, the school will pay teachers based upon performance in accordance with section 3317.141 and will comply with section 3319.111 of the Revised Code as if it were a school district.

(j) If the school operates a preschool program that is licensed by the department of education under sections 3301.52 to 3301.59 of the Revised Code, the school shall comply with sections 3301.50 to 3301.59 of the Revised Code and the minimum standards for preschool programs prescribed in rules adopted by the state board under section 3301.53 of the Revised Code.

(k) The school will comply with sections 3313.6021 and 3313.6023 of the Revised Code as if it were a school district unless it is either of the following:

(i) An internet- or computer-based community school;

(ii) A community school in which a majority of the enrolled students are children with disabilities as described in division (A)(4)(b) of section 3314.35 of the Revised Code.

(l) The school will comply with section 3321.191 of the Revised Code, unless it is an internet- or computer-based community school that is subject to section 3314.261 of the Revised Code.

(12) Arrangements for providing health and other benefits to employees;

(13) The length of the contract, which shall begin at the beginning of an academic year. No contract shall exceed five years unless such contract has been renewed pursuant to division (E) of this section.
(14) The governing authority of the school, which shall be responsible for carrying out the provisions of the contract;

(15) A financial plan detailing an estimated school budget for each year of the period of the contract and specifying the total estimated per pupil expenditure amount for each such year.

(16) Requirements and procedures regarding the disposition of employees of the school in the event the contract is terminated or not renewed pursuant to section 3314.07 of the Revised Code;

(17) Whether the school is to be created by converting all or part of an existing public school or educational service center building or is to be a new start-up school, and if it is a converted public school or service center building, specification of any duties or responsibilities of an employer that the board of education or service center governing board that operated the school or building before conversion is delegating to the governing authority of the community school with respect to all or any specified group of employees provided the delegation is not prohibited by a collective bargaining agreement applicable to such employees;

(18) Provisions establishing procedures for resolving disputes or differences of opinion between the sponsor and the governing authority of the community school;

(19) A provision requiring the governing authority to adopt a policy regarding the admission of students who reside outside the district in which the school is located. That policy shall comply with the admissions procedures specified in sections 3314.06 and 3314.061 of the Revised Code and, at the sole discretion of the authority, shall do one of the following:
(a) Prohibit the enrollment of students who reside outside the district in which the school is located;

(b) Permit the enrollment of students who reside in districts adjacent to the district in which the school is located;

(c) Permit the enrollment of students who reside in any other district in the state.

(20) A provision recognizing the authority of the department of education to take over the sponsorship of the school in accordance with the provisions of division (C) of section 3314.015 of the Revised Code;

(21) A provision recognizing the sponsor's authority to assume the operation of a school under the conditions specified in division (B) of section 3314.073 of the Revised Code;

(22) A provision recognizing both of the following:

(a) The authority of public health and safety officials to inspect the facilities of the school and to order the facilities closed if those officials find that the facilities are not in compliance with health and safety laws and regulations;

(b) The authority of the department of education as the community school oversight body to suspend the operation of the school under section 3314.072 of the Revised Code if the department has evidence of conditions or violations of law at the school that pose an imminent danger to the health and safety of the school's students and employees and the sponsor refuses to take such action.

(23) A description of the learning opportunities that will be offered to students including both classroom-based and non-
classroom-based learning opportunities that is in compliance with criteria for student participation established by the department under division (H)(2) of section 3314.08 of the Revised Code;

(24) The school will comply with sections 3302.04 and 3302.041 of the Revised Code, except that any action required to be taken by a school district pursuant to those sections shall be taken by the sponsor of the school. However, the sponsor shall not be required to take any action described in division (F) of section 3302.04 of the Revised Code.

(25) Beginning in the 2006-2007 school year, the school will open for operation not later than the thirtieth day of September each school year, unless the mission of the school as specified under division (A)(2) of this section is solely to serve dropouts. In its initial year of operation, if the school fails to open by the thirtieth day of September, or within one year after the adoption of the contract pursuant to division (D) of section 3314.02 of the Revised Code if the mission of the school is solely to serve dropouts, the contract shall be void.

(26) Whether the school's governing authority is planning to seek designation for the school as a STEM school equivalent under section 3326.032 of the Revised Code;

(27) That the school's attendance and participation policies will be available for public inspection;

(28) That the school's attendance and participation records shall be made available to the department of education, auditor of state, and school's sponsor to the extent permitted under and in accordance with the "Family Educational Rights and Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended,
and any regulations promulgated under that act, and section 3319.321 of the Revised Code;

(29) If a school operates using the blended learning model, as defined in section 3301.079 of the Revised Code, all of the following information:

(a) An indication of what blended learning model or models will be used;

(b) A description of how student instructional needs will be determined and documented;

(c) The method to be used for determining competency, granting credit, and promoting students to a higher grade level;

(d) The school's attendance requirements, including how the school will document participation in learning opportunities;

(e) A statement describing how student progress will be monitored;

(f) A statement describing how private student data will be protected;

(g) A description of the professional development activities that will be offered to teachers.

(30) A provision requiring that all moneys the school's operator loans to the school, including facilities loans or cash flow assistance, must be accounted for, documented, and bear interest at a fair market rate;

(31) A provision requiring that, if the governing authority contracts with an attorney, accountant, or entity specializing in audits, the attorney, accountant, or entity
shall be independent from the operator with which the school has contracted.

(32) A provision requiring the governing authority to adopt an enrollment and attendance policy that requires a student's parent to notify the community school in which the student is enrolled when there is a change in the location of the parent's or student's primary residence.

(33) A provision requiring the governing authority to adopt a student residence and address verification policy for students enrolling in or attending the school.

(B) The community school shall also submit to the sponsor a comprehensive plan for the school. The plan shall specify the following:

(1) The process by which the governing authority of the school will be selected in the future;

(2) The management and administration of the school;

(3) If the community school is a currently existing public school or educational service center building, alternative arrangements for current public school students who choose not to attend the converted school and for teachers who choose not to teach in the school or building after conversion;

(4) The instructional program and educational philosophy of the school;

(5) Internal financial controls.

When submitting the plan under this division, the school shall also submit copies of all policies and procedures regarding internal financial controls adopted by the governing authority of the school.
(C) A contract entered into under section 3314.02 of the Revised Code between a sponsor and the governing authority of a community school may provide for the community school governing authority to make payments to the sponsor, which is hereby authorized to receive such payments as set forth in the contract between the governing authority and the sponsor. The total amount of such payments for monitoring, oversight, and technical assistance of the school shall not exceed three per cent of the total amount of payments for operating expenses that the school receives from the state.

(D) The contract shall specify the duties of the sponsor which shall be in accordance with the written agreement entered into with the department of education under division (B) of section 3314.015 of the Revised Code and shall include the following:

(1) Monitor the community school's compliance with all laws applicable to the school and with the terms of the contract;

(2) Monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis;

(3) Report on an annual basis the results of the evaluation conducted under division (D)(2) of this section to the department of education and to the parents of students enrolled in the community school;

(4) Provide technical assistance to the community school in complying with laws applicable to the school and terms of the contract;

(5) Take steps to intervene in the school's operation to
correct problems in the school's overall performance, declare
the school to be on probationary status pursuant to section
3314.073 of the Revised Code, suspend the operation of the
school pursuant to section 3314.072 of the Revised Code, or
terminate the contract of the school pursuant to section 3314.07
of the Revised Code as determined necessary by the sponsor;

(6) Have in place a plan of action to be undertaken in the
event the community school experiences financial difficulties or
closes prior to the end of a school year.

(E) Upon the expiration of a contract entered into under
this section, the sponsor of a community school may, with the
approval of the governing authority of the school, renew that
contract for a period of time determined by the sponsor, but not
ending earlier than the end of any school year, if the sponsor
finds that the school's compliance with applicable laws and
terms of the contract and the school's progress in meeting the
academic goals prescribed in the contract have been
satisfactory. Any contract that is renewed under this division
remains subject to the provisions of sections 3314.07, 3314.072,
and 3314.073 of the Revised Code.

(F) If a community school fails to open for operation
within one year after the contract entered into under this
section is adopted pursuant to division (D) of section 3314.02
of the Revised Code or permanently closes prior to the
expiration of the contract, the contract shall be void and the
school shall not enter into a contract with any other sponsor. A
school shall not be considered permanently closed because the
operations of the school have been suspended pursuant to section
3314.072 of the Revised Code.

Sec. 3326.11. Each science, technology, engineering, and

Section 2. That existing sections 3301.079, 3314.03, and 3326.11 of the Revised Code are hereby repealed.

Section 3. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the following sections, presented in this act as composites of the sections as amended by the acts indicated, are the resulting versions of the sections in effect prior to the effective date of the sections.
as presented in this act:
