matched to personally identifiable student data. 343

(ii) For the purpose of making per-pupil payments to 344
community schools under section 3317.022 of the Revised Code, 345

records reported to any subsequent school district, community 351

(a) Notify the district in writing that the department has 452
determined that data has not been reported as required under 453
this section and require the district to review its data 454
submission and submit corrected data by a deadline established 455
by the department. The department also may require the district 456
to develop a corrective action plan, which shall include 457
provisions for the district to provide mandatory staff training 458
on data reporting procedures. 459

(b) Withhold up to ten per cent of the total amount of state funds due to the district for the current fiscal year and, if not previously required under division (L) (2) (a) of this section, require the district to develop a corrective action plan in accordance with that division;

(c) Withhold an additional amount of up to twenty per cent of the total amount of state funds due to the district for the current fiscal year;

(d) Direct department staff or an outside entity to investigate the district's data reporting practices and make recommendations for subsequent actions. The recommendations may include one or more of the following actions:

(i) Arrange for an audit of the district's data reporting practices by department staff or an outside entity;

(ii) Conduct a site visit and evaluation of the district;

(iii) Withhold an additional amount of up to thirty per cent of the total amount of state funds due to the district for the current fiscal year;

(iv) Continue monitoring the district's data reporting;

(v) Assign department staff to supervise the district's data management system;

(vi) Conduct an investigation to determine whether to suspend or revoke the license of any district employee in accordance with division (N) of this section;

(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;

(viii) If the district is issued a report card under 488
section 3302.03 of the Revised Code and incomplete or inaccurate 489
data submitted by the district likely caused the district to 490
receive a higher performance rating than it deserved under that 491
section, issue a revised report card for the district; 492

(ix) Any other action designed to correct the district's 493
data reporting problems. 494

(3) Any time the department takes an action against a 495
school district under division (L)(2) of this section, the 496
department shall make a report of the circumstances that 497
prompted the action. The department shall send a copy of the 498
report to the district superintendent or chief administrator and 499
maintain a copy of the report in its files. 500

(4) If any action taken under division (L)(2) of this 501
section resolves a school district's data reporting problems to 502
the department's satisfaction, the department shall not take any 503
further actions described by that division. If the department 504
withheld funds from the district under that division, the 505
department may release those funds to the district, except that 506
if the department withheld funding under division (L)(2)(c) of 507
this section, the department shall not release the funds 508
withheld under division (L)(2)(b) of this section and, if the 509
department withheld funding under division (L)(2)(d) of this 510
section, the department shall not release the funds withheld 511
under division (L)(2)(b) or (c) of this section. 512

(5) Notwithstanding anything in this section to the 513
contrary, the department may use its own staff or an outside 514
entity to conduct an audit of a school district's data reporting 515
practices any time the department has reason to believe the 516
district has not made a good faith effort to report data as 517

required by this section. If any audit conducted by an outside 518
entity under division (L) (2) (d) (i) or (5) of this section 519
confirms that a district has not made a good faith effort to 520
report data as required by this section, the district shall 521
reimburse the department for the full cost of the audit. The 522
department may withhold state funds due to the district for this 523
purpose. 524

(6) Prior to issuing a revised report card for a school 525
district under division (L) (2) (d) (viii) of this section, the 526
department may hold a hearing to provide the district with an 527
opportunity to demonstrate that it made a good faith effort to 528
report data as required by this section. The hearing shall be 529
conducted by a referee appointed by the department. Based on the 530
information provided in the hearing, the referee shall recommend 531
whether the department should issue a revised report card for 532
the district. If the referee affirms the department's contention 533
that the district did not make a good faith effort to report 534
data as required by this section, the district shall bear the 535
full cost of conducting the hearing and of issuing any revised 536
report card. 537

(7) If the department determines that any inaccurate data 538
reported under this section caused a school district to receive 539
excess state funds in any fiscal year, the district shall 540
reimburse the department an amount equal to the excess funds, in 541
accordance with a payment schedule determined by the department. 542
The department may withhold state funds due to the district for 543
this purpose. 544

(8) Any school district that has funds withheld under 545
division (L) (2) of this section may appeal the withholding in 546
accordance with Chapter 119. of the Revised Code. 547

(9) In all cases of a disagreement between the department 548
and a school district regarding the appropriateness of an action 549
taken under division (L) (2) of this section, the burden of proof 550
shall be on the district to demonstrate that it made a good 551
faith effort to report data as required by this section. 552

(10) The state board of education shall adopt rules under 553
Chapter 119. of the Revised Code to implement division (L) of 554
this section. 555

(M) No information technology center or school district 556
shall acquire, change, or update its student administration 557
software package to manage and report data required to be 558
reported to the department unless it converts to a student 559
software package that is certified by the department. 560

(N) The state board of education, in accordance with 561
sections 3319.31 and 3319.311 of the Revised Code, may suspend 562
or revoke a license as defined under division (A) of section 563
3319.31 of the Revised Code that has been issued to any school 564
district employee found to have willfully reported erroneous, 565
inaccurate, or incomplete data to the education management 566
information system. 567

(O) No person shall release or maintain any information 568
about any student in violation of this section. Whoever violates 569
this division is guilty of a misdemeanor of the fourth degree. 570

(P) The department shall disaggregate the data collected 571
under division (B) (1) (n) of this section according to the race 572
and socioeconomic status of the students assessed. 573

(Q) If the department cannot compile any of the 574
information required by division (I) of section 3302.03 of the 575
Revised Code based upon the data collected under this section, 576

the department shall develop a plan and a reasonable timeline 577
for the collection of any data necessary to comply with that 578
division. 579

Sec. 3301.136. The department of education shall compile a 580
list of tutoring programs that it considers to be of high 581
quality and have the potential to accelerate learning for 582
students in the areas of English language arts, mathematics, 583
science, and social studies. For this purpose, the department 584
shall request the qualifications of public and private entities 585
that provide tutoring programs for students. The department 586
shall establish a rubric to evaluate the programs and determine 587
a minimum score for a tutoring program to be included on the 588
department's list. 589

In compiling the list, the department may designate 590
individual tutoring programs as more appropriate for certain 591
grade levels, populations of students, or subject areas. 592

The department may establish multiple application periods 593
in any school year for entities to submit their qualifications 594
for consideration to be included on the list. However, the 595
department shall post the initial list of tutoring programs on 596
the department's web site not later than October 1, 2022. No 597
school district or school shall be required to use a tutoring 598
program on the list. 599

(B) The superintendent of public instruction shall 607
establish a program to provide tutoring and remedial education 608
services in reading and English language arts, mathematics, 609

nonpublic schools that elect to participate in the program. 611
Tutors shall not be considered employees of the public or 612
chartered nonpublic school in which they provide tutoring 613
services. Rather, the tutors shall be either employed or engaged 614
as a volunteer by the coordinating service center. The 615
coordinating service center shall be responsible for 616
compensating each individual it employs as a tutor using funds 617
transferred from the school at which the individual works as a 618
tutor. The coordinating service center may coordinate placement 619
of tutors with the sixteen regional educational service centers, 620

license, certificate, or permit denied, suspended, or revoked by 636
the state board of education under section 3319.31 of the 637
Revised Code or entered into a consent agreement pursuant to 638

for tutors described in division (B) of this section who do not 655
hold valid educator licenses, certificates, or permits issued 656

coordinating service center and state superintendent may 658
establish additional training requirements for tutors who 659
provide tutoring services to students with special needs or 660
students with an individualized education program, as that term 661
is defined in section 3323.01 of the Revised Code. In addition, 662
the coordinating service center and state superintendent may 663
continue to provide training to tutors after their placement in 664
schools. 665

(3) The department of education shall serve as the fiscal agent for the program. The department shall provide for administrative and implementation costs, costs of developing the training course described in division (C) (2) of this section, and provide technical assistance at the request of the coordinating service center. 666
667

691
692
693
694

submit the criminal records check to the department of education 695
in a manner determined by the department. The department shall 696
use the information submitted to enroll the individual in the 697
retained applicant fingerprint database, established under 698
section 109.5721 of the Revised Code, in the same manner as any 699
teacher licensed under sections 3319.22 to 3319.31 of the 700
Revised Code. 701

If the department receives notification of the arrest or 702
conviction of an individual registered under division (C) (6) of 703
this section, the department shall promptly notify the 704
coordinating service center and may take any action authorized 705
under sections 3319.31 and 3319.311 of the Revised Code that the 706
department considers appropriate. The department shall not 707
accept the application of any individual under this section if 708
the department learns that the individual has pleaded guilty to, 709
has been found guilty by a jury or court of, or has been 710
convicted of any of the offenses listed in division (C) of 711
section 3319.31 of the Revised Code. 712

The department shall reimburse the coordinating service 713
center for both of the following: 714

program shall notify the coordinating service center of their 723

intention to do so. 724

Each participating school shall have the ultimate 725
authority over how best to incorporate tutors into the school 726
setting, but such determinations shall be made in cooperation 727
with the educational service center. Program activities may take 728
place before, during, or after school as well as during breaks 729
from school such as weekends, holidays, or summer vacation. 730
Program activities may take place on an online platform or in 731
person, including on school premises, at community-based youth 732
development organizations, or in another public location the 733
school's governing body and educational service center determine 734
to be appropriate. 735

A participating school shall provide necessary materials, 736
space, and equipment for tutors placed in the school. A 737
participating school shall transfer funds to the coordinating 738
service center to assist the service center in making payments 739
to tutors placed in the school and paying the cost of other 740
benefits for the tutors. The state superintendent, in 741
consultation with the chancellor of higher education, shall 742
create a list of benefits which a participant may receive. 743

Participating schools shall use their own funds to pay 744
costs incurred from participating in the program. 745

(D) Upon the completion of each of the 2022-2023, 2023- 746
2024, and 2024-2025 school years, the department shall conduct a 747

remedial education to students. Based on each of those reviews, 749
the department shall issue a report of its findings. The report 750

Sec. 3314.016. This section applies to any entity that	1584

sponsors a community school, regardless of whether section 1585
3314.021 or 3314.027 of the Revised Code exempts the entity from 1586
the requirement to be approved for sponsorship under divisions 1587
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 1588
office of Ohio school sponsorship established under section 1589
3314.029 of the Revised Code shall be rated under division (B) 1590
of this section, but divisions (A) and (C) of this section do 1591
not apply to the office. 1592

(A) An entity that sponsors a community school shall be 1593
permitted to enter into contracts under section 3314.03 of the 1594
Revised Code to sponsor additional community schools only if the 1595
entity meets all of the following criteria: 1596

(1) The entity is in compliance with all provisions of 1597
this chapter requiring sponsors of community schools to report 1598
data or information to the department of education. 1599

(2) The entity is not rated as "ineffective" under 1600
division (B) (6) of this section. 1601

(3) Except as set forth in sections 3314.021 and 3314.027 1602
of the Revised Code, the entity has received approval from and 1603
entered into an agreement with the department of education 1604
pursuant to section 3314.015 of the Revised Code. 1605

(B) (1) The department shall develop and implement an 1606
evaluation system that annually rates and assigns an overall 1607
rating to each entity that sponsors a community school. The 1608
department, not later than the first day of February of each 1609
year, shall post on the department's web site the framework for 1610
the evaluation system, including technical documentation that 1611
the department intends to use to rate sponsors for the next 1612
school year. The department shall solicit public comment on the 1613

evaluation system for thirty consecutive days. Not later than 1614
the first day of April of each year, the department shall 1615
compile and post on the department's web site all public 1616
comments that were received during the public comment period. 1617
The evaluation system shall be posted on the department's web 1618
site by the fifteenth day of July of each school year. Any 1619
changes to the evaluation system after that date shall take 1620
effect the following year. The evaluation system shall be based 1621
on the following components: 1622

(a) Academic performance of students enrolled in community 1623
schools sponsored by the same entity. The academic performance 1624
component shall be derived from the performance measures 1625
prescribed for the state report cards under section 3302.03 or 1626
3314.017 of the Revised Code, and shall be based on the 1627
performance of the schools for the school year for which the 1628
evaluation is conducted. In addition to the academic performance 1629
for a specific school year, the academic performance component 1630
shall also include year-to-year changes in the overall sponsor 1631
portfolio. For a community school for which no graded 1632
performance measures are applicable or available, the department 1633
shall use nonreport card performance measures specified in the 1634
contract between the community school and the sponsor under 1635
division (A) (4) of section 3314.03 of the Revised Code. 1636

(b) Adherence by a sponsor to the quality practices 1637
prescribed by the department under division (B) (3) of this 1638
section. For a sponsor that was rated "effective" or "exemplary" 1639
on its most recent rating, the department may evaluate that 1640
sponsor's adherence to quality practices once over a period of 1641
three years. If the department elects to evaluate a sponsor once 1642
over a period of three years, the most recent rating for a 1643
sponsor's adherence to quality practices shall be used when 1644

determining an annual overall rating conducted under this 1645
section. 1646

(c) Compliance with all applicable laws and administrative 1647
rules by an entity that sponsors a community school. 1648

Under the evaluation system prescribed under division (B) 1649
(1) of this section, the department shall not assign an overall 1650
rating of "ineffective" or lower to an entity that sponsors a 1651
community school solely because that entity received no points 1652
on one of the components prescribed under that division. 1653

(2) In calculating an academic performance component, the 1654
department shall exclude all community schools that have been in 1655
operation for not more than two full school years and all 1656
community schools described in division (A) (4) (b) of section 1657
3314.35 of the Revised Code. However, the academic performance 1658
of the community schools described in division (A) (4) (b) of 1659
section 3314.35 of the Revised Code shall be reported, but shall 1660
not be used as a factor when determining a sponsoring entity's 1661
rating under this section. 1662

(3) The department, in consultation with entities that 1663
sponsor community schools, shall prescribe quality practices for 1664
community school sponsors and develop an instrument to measure 1665
adherence to those quality practices. The quality practices 1666
shall be based on standards developed by the national 1667
association of charter school authorizers or any other 1668
nationally organized community school organization. 1669

(4) (a) The department may permit peer review of a 1670
sponsor's adherence to the quality practices prescribed under 1671
division (B) (3) of this section. Peer reviewers shall be limited 1672
to individuals employed by sponsors rated "effective" or 1673

"exemplary" on the most recent ratings conducted under this section. 1674
1675

(b) The department shall require individuals participating in peer review under division (B) (4) (a) of this section to complete training approved or established by the department. 1676
1677
1678

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training program. 1679
1680
1681
1682
1683

(5) ~~Not later than July 1, 2013, the~~ The state board of education shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B) (1) (c) of this section. 1684
1685
1686
1687
1688

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system. 1689
1690
1691
1692
1693
1694

The department shall publish the ratings between the first day of October and the fifteenth day of November. 1695
1696

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by division (B) (1) of this section. If the sponsor believes there is an error in the 1697
1698
1699
1700
1701
1702

department's evaluation, the sponsor may request adjustments to 1703
the rating of any of those components based on documentation 1704
previously submitted as part of an evaluation. The sponsor shall 1705
provide to the department any necessary evidence or information 1706
to support the requested adjustments. The department shall 1707
review the evidence and information, determine whether an 1708
adjustment is valid, and promptly notify the sponsor of its 1709
determination and reasons. If any adjustments to the data could 1710
result in a change to the rating on the applicable component or 1711
to the overall rating, the department shall recalculate the 1712
ratings prior to publication. 1713

The department shall provide training on an annual basis 1714
regarding the evaluation system prescribed under this section. 1715
The training shall, at a minimum, describe methodology, 1716
timelines, and data required for the evaluation system. The 1717
first training session shall occur not later than March 2, 2016. 1718
Beginning in 2018, the training shall be made available to each 1719
entity that sponsors a community school by the fifteenth day of 1720
July of each year and shall include guidance on any changes made 1721
to the evaluation system. 1722

(7) (a) Entities with an overall rating of "exemplary" for 1723
the two most recent years in which the entity was evaluated may 1724
take advantage of the following incentives: 1725

(i) Renewal of the written agreement with the department, 1726
not to exceed ten years, provided that the entity consents to 1727
continued evaluation of adherence to quality practices as 1728
described in division (B) (1) (b) of this section; 1729

(ii) The ability to extend the term of the contract 1730
between the sponsoring entity and the community school beyond 1731
the term described in the written agreement with the department; 1732

(iii) An exemption from the preliminary agreement and 1733
contract adoption and execution deadline requirements prescribed 1734
in division (D) of section 3314.02 of the Revised Code; 1735

(iv) An exemption from the automatic contract expiration 1736
requirement, should a new community school fail to open by the 1737
thirtieth day of September of the calendar year in which the 1738
community school contract is executed; 1739

(v) No limit on the number of community schools the entity 1740
may sponsor; 1741

(vi) No territorial restrictions on sponsorship. 1742

An entity may continue to sponsor any community schools 1743
with which it entered into agreements under division (B) (7) (a) 1744
(v) or (vi) of this section while rated "exemplary," 1745
notwithstanding the fact that the entity later receives a lower 1746
overall rating. 1747

(b) Entities with an overall rating of "exemplary" or 1748
"effective" for the three most recent years in which the entity 1749
was evaluated shall be evaluated by the department once every 1750
three years. 1751

(c) (i) Entities that receive an overall rating of 1752
"ineffective" shall be prohibited from sponsoring any new or 1753
additional community schools during the time in which the 1754
sponsor is rated as "ineffective" and shall be subject to a 1755
quality improvement plan based on correcting the deficiencies 1756
that led to the "ineffective" rating, with timelines and 1757
benchmarks that have been established by the department. 1758

(ii) Entities that receive an overall rating of 1759
"ineffective" on their three most recent ratings shall have all 1760
sponsorship authority revoked. Within thirty days after 1761

receiving its third rating of "ineffective," the entity may 1762
appeal the revocation of its sponsorship authority to the 1763
superintendent of public instruction, who shall appoint an 1764
independent hearing officer to conduct a hearing in accordance 1765
with Chapter 119. of the Revised Code. The hearing shall be 1766
conducted within thirty days after receipt of the notice of 1767
appeal. Within forty-five days after the hearing is completed, 1768
the state board of education shall determine whether the 1769
revocation is appropriate based on the hearing conducted by the 1770
independent hearing officer, and if determined appropriate, the 1771
revocation shall be confirmed. 1772

(d) Entities that receive an overall rating of "poor" 1773
shall have all sponsorship authority revoked. Within thirty days 1774
after receiving a rating of "poor," the entity may appeal the 1775
revocation of its sponsorship authority to the superintendent of 1776
public instruction, who shall appoint an independent hearing 1777
officer to conduct a hearing in accordance with Chapter 119. of 1778
the Revised Code. The hearing shall be conducted within thirty 1779
days after receipt of the notice of appeal. Within forty-five 1780
days after the hearing is completed, the state board of 1781
education shall determine whether the revocation is appropriate 1782
based on the hearing conducted by the independent hearing 1783
officer, and if determined appropriate, the revocation shall be 1784
confirmed. 1785

(8) For the 2014-2015 school year and each school year 1786
thereafter, student academic performance prescribed under 1787
division (B) (1) (a) of this section shall include student 1788
academic performance data from community schools that primarily 1789
serve students enrolled in a dropout prevention and recovery 1790
program. 1791

(C) If the governing authority of a community school 1792
enters into a contract with a sponsor prior to the date on which 1793
the sponsor is prohibited from sponsoring additional schools 1794
under division (A) of this section and the school has not opened 1795
for operation as of that date, that contract shall be void and 1796
the school shall not open until the governing authority secures 1797
a new sponsor by entering into a contract with the new sponsor 1798
under section 3314.03 of the Revised Code. However, the 1799
department's office of Ohio school sponsorship, established 1800
under section 3314.029 of the Revised Code, may assume the 1801
sponsorship of the school until the earlier of the expiration of 1802
two school years or until a new sponsor is secured by the 1803
school's governing authority. A community school sponsored by 1804
the department under this division shall not be included when 1805
calculating the maximum number of directly authorized community 1806
schools permitted under division (A) (3) of section 3314.029 of 1807
the Revised Code. 1808

(D) When an entity's authority to sponsor schools is 1809
revoked pursuant to division (B) (7) (c) or (d) of this section, 1810
the office of Ohio school sponsorship shall assume sponsorship 1811
of any schools with which the original sponsor has contracted 1812
for the remainder of that school year. The office may continue 1813
sponsoring those schools until the earlier of: 1814

(1) The expiration of two school years from the time that 1815
sponsorship is revoked; 1816

(2) When a new sponsor is secured by the governing 1817
authority pursuant to division (C) (1) of section 3314.02 of the 1818

1823

(E) The department shall recalculate the rating for the 2017-2018 school year for each sponsor of a community school that receives recalculated ratings pursuant to division (I) of section 3314.017 of the Revised Code. 1824
