one campaign committee for purposes of receiving contributions 12
and making expenditures. No campaign committee shall receive any 13
contribution or make any expenditure other than through the 14

statements required of a candidate or campaign committee under 16
section 3517.10 of the Revised Code. 17

The candidate shall designate the candidate or a member of the candidate's campaign committee as the candidate's campaign treasurer as required by division (D) of section 3517.10 of the Revised Code. The campaign treasurer may appoint deputy campaign treasurers as required. Deputy campaign treasurers may exercise any of the powers and duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer or the candidate.

Each candidate shall file a written statement, as required by division (D) of section 3517.10 of the Revised Code, setting forth the full name and address of the campaign treasurer and also of each deputy treasurer. Each candidate shall file supplemental statements giving the full name and address of each deputy treasurer at the time of appointment.

A candidate may remove the campaign treasurer or any deputy campaign treasurer at any time. In the case of death, resignation, or removal of the treasurer or deputy treasurer before compliance with all obligations of a campaign treasurer, the candidate shall fill the vacancy thus created in the same manner as provided in the case of an original appointment.

multi-beneficiary campaign committee. If the Ohio elections 61
commission or the appropriate prosecutor is able to determine 62
that a specific beneficiary of a multi-beneficiary campaign 63
committee violated this chapter, the applicable penalty under 64
section 3517.992 of the Revised Code shall be imposed only on 65
that candidate and not on the other beneficiaries of that multi- 66
beneficiary campaign committee. 67

beneficiary campaign committee is established, that campaign 69
committee shall be terminated: 70

under penalty of election falsification, setting forth in detail 119
the contributions and expenditures, not later than four p.m. of 120
the following dates: 121

(1) The twelfth day before the election to reflect 122
contributions received and expenditures made from the close of 123

day before the filing of the statement; 131

(3) The last business day of January of every year to 132

the last day of December of the previous year; 136

(4) The last business day of July of every year to reflect 137
the contributions received and expenditures made from the close 138
of business on the last day reflected in the last previously 139

A campaign committee shall only be required to file the 142
statements prescribed under divisions (A)(1) and (2) of this 143
section in connection with the nomination or election of the 144
committee's candidate. 145

The statement required under division (A)(1) of this 146
section shall not be required of any campaign committee, 147
political action committee, legislative campaign fund, political 148
party, or political contributing entity that has received 149
contributions of less than one thousand dollars and has made 150
expenditures of less than one thousand dollars at the close of 151
business on the twentieth day before the election. Those 152
contributions and expenditures shall be reported in the 153
statement required under division (A)(2) of this section. 154

If an election to select candidates to appear on the 155
general election ballot is held within sixty days before a 156
general election, the campaign committee of a successful 157
candidate in the earlier election may file the statement 158
required by division (A)(1) of this section for the general 159
election instead of the statement required by division (A)(2) of 160
this section for the earlier election if the pregeneral election 161
statement reflects the status of contributions and expenditures 162
for the period twenty days before the earlier election to twenty 163
days before the general election. 164

If a person becomes a candidate less than twenty days before an election, the candidate's campaign committee is not required to file the statement required by division (A) (1) of this section.

No statement under division (A) (3) of this section shall be required for any year in which a campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postgeneral election statement under division (A) (2) of this section. However, a statement under division (A) (3) of this section may be filed, at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No campaign committee of a candidate for the office of chief justice or justice of the supreme court, and no campaign committee of a candidate for the office of judge of any court in this state, shall be required to file a statement under division (A) (4) of this section.

Except as otherwise provided in this paragraph and in the next paragraph of this section, the only campaign committees required to file a statement under division (A) (4) of this section are the campaign committee of a statewide candidate and the campaign committee of a candidate for county office. The campaign committee of a candidate for any other nonjudicial office is required to file a statement under division (A) (4) of this section if that campaign committee receives, during that period, contributions exceeding ten thousand dollars.

No statement under division (A) (4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a

political contributing entity for any year in which the campaign 195
committee, political action committee, legislative campaign 196
fund, political party, or political contributing entity is 197
required to file a postprimary election statement under division 198
(A) (2) of this section. However, a statement under division (A) 199
(4) of this section may be filed at the option of the campaign 200
committee, political action committee, legislative campaign 201
fund, political party, or political contributing entity. 202

No statement under division (A) (3) or (4) of this section 203
shall be required if the campaign committee, political action 204
committee, legislative campaign fund, political party, or 205
political contributing entity has no contributions that it has 206
received and no expenditures that it has made since the last 207
date reflected in its last previously filed statement. However, 208
the campaign committee, political action committee, legislative 209
campaign fund, political party, or political contributing entity 210
shall file a statement to that effect, on a form prescribed 211
under this section and made under penalty of election 212
falsification, on the date required in division (A) (3) or (4) of 213
this section, as applicable. 214

The campaign committee of a statewide candidate shall file 215
a monthly statement of contributions received during each of the 216
months of July, August, and September in the year of the general 217
election in which the candidate seeks office. The campaign 218
committee of a statewide candidate shall file the monthly 219
statement not later than three business days after the last day 220
of the month covered by the statement. During the period 221
beginning on the nineteenth day before the general election in 222
which a statewide candidate seeks election to office and 223
extending through the day of that general election, each time 224
the campaign committee of the joint candidates for the offices 225

of governor and lieutenant governor or of a candidate for the 226
office of secretary of state, auditor of state, treasurer of 227
state, or attorney general receives a contribution from a 228
contributor that causes the aggregate amount of contributions 229
received from that contributor during that period to equal or 230
exceed ten thousand dollars and each time the campaign committee 231
of a candidate for the office of chief justice or justice of the 232
supreme court receives a contribution from a contributor that 233
causes the aggregate amount of contributions received from that 234
contributor during that period to exceed ten thousand dollars, 235
the campaign committee shall file a two-business-day statement 236
reflecting that contribution. Contributions reported on a two- 237
business-day statement required to be filed by a campaign 238
committee of a statewide candidate in a primary election shall 239
also be included in the postprimary election statement required 240
to be filed by that campaign committee under division (A) (2) of 241
this section. A two-business-day statement required by this 242
paragraph shall be filed not later than two business days after 243
receipt of the contribution. The statements required by this 244
paragraph shall be filed in addition to any other statements 245
required by this section. 246

Subject to the secretary of state having implemented, 247
tested, and verified the successful operation of any system the 248
secretary of state prescribes pursuant to divisions (C) (6) (b) 249
and (D) (6) of this section and division (F) (1) of section 250
3517.106 of the Revised Code for the filing of campaign finance 251
statements by electronic means of transmission, a campaign 252
committee of a statewide candidate shall file a two-business-day 253
statement under the preceding paragraph by electronic means of 254
transmission if the campaign committee is required to file a 255
pre-election, postelection, or monthly statement of 256

contributions and expenditures by electronic means of 257
transmission under this section or section 3517.106 of the 258
Revised Code. 259

If a campaign committee or political action committee has 260
no balance on hand and no outstanding obligations and desires to 261
terminate itself, it shall file a statement to that effect, on a 262
form prescribed under this section and made under penalty of 263
election falsification, with the official with whom it files a 264
statement under division (A) of this section after filing a 265
final statement of contributions and a final statement of 266
expenditures, if contributions have been received or 267
expenditures made since the period reflected in its last 268
previously filed statement. If a campaign committee or political 269
action committee desires to terminate itself but has a balance 270
on hand, it may proceed under division (A) of section 3517.158 271
of the Revised Code. 272

(B) Except as otherwise provided in division (C) (7) of 273
this section, each statement required by division (A) of this 274
section shall contain the following information: 275

section. The requirement of filing the full address does not	296
apply to any statement filed by a state or local committee of a	297
political party, to a finance committee of such committee, or to	298
a committee recognized by a state or local committee as its	299
fund-raising auxiliary. Notwithstanding division (F) of this	300
section, the requirement of filing the full address shall be	301
considered as being met if the address filed is the same address	302

contribution transmitted pursuant to section 3599.031 of the 330
Revised Code from amounts deducted from the wages and salaries 331

under penalty of election falsification, on the date required in 416
division (A) (2) of this section. 417

(5) The campaign committee of any person who attempts to 418

Revised Code. If, in the opinion of the secretary of state, 474
training in these areas is necessary, the secretary of state 475
shall arrange for the provision of voluntary training programs 476
for candidates, campaign committees, political action 477
committees, legislative campaign funds, political parties, or 478

elections commission. The commission may only declare the 2044
committee terminated if the person responsible for the operation 2045
of the campaign committee or political action committee attests, 2046
by an affidavit under penalty of election falsification, that 2047
the person has used the person's best efforts to correct or 2048
identify the errors preventing the person from disposing of any 2049
excess funds or aggregate contributions, or otherwise winding up 2050
the committee's affairs and reducing the balance on hand to 2051
zero. If the balance is greater than two thousand dollars, the 2052

accountant verifies that, after reasonable efforts, 2054
reconciliation is not possible. 2055

(B) The commission may, of its own accord, declare a 2056
committee terminated if, after a reasonable effort at searching, 2057
the commission determines that the only person responsible for 2058
the operation of the campaign committee or political action 2059
committee has died or is unavailable for another reason. 2060

(C) If a campaign committee or political action committee 2061
desires to be declared in compliance with the applicable 2062

that it may continue in operation, it shall file a statement to 2064
that effect, on a form prescribed under this section and made 2065
under penalty of election falsification, with the Ohio elections 2066
commission. If the committee is in compliance, and the exact 2067
balance on hand can be ascertained, the commission shall declare 2068
the committee in compliance, and shall declare a new balance on 2069
hand for the committee. If the exact balance on hand cannot be 2070
ascertained, the person responsible for the operation of the 2071
committee shall submit an affidavit, under penalty of election 2072
falsification, attesting that the person has used the person's 2073
best efforts to correct or identify the errors preventing a 2074

balance on hand from being ascertained, and the campaign 2075
committee or political action committee shall be declared in 2076
compliance and permitted to continue in existence as long as one 2077
of the following conditions is met: 2078

(1) If the balance is or appears to be two thousand 2079
dollars or less, a reasonably approximate balance can be 2080
determined; 2081

(2) If the balance is more than or appears to be more than 2082
two thousand dollars, a certified public accountant verifies 2083
that the exact balance cannot be determined, but a reasonably 2084
approximate balance can be determined. 2085
