Upon the request of the board, funds not needed to pay for current expenses may be appropriated to the capital improvements account, in amounts such that the account does not exceed twenty-five per cent of the replacement value of all capital facilities and equipment currently used by the board for programs and services. Other funds which are available for current capital expenses from federal, state, or local sources may also be appropriated to this account.

The reserve balance account shall contain those funds that are not needed to pay for current operating expenses and not deposited in the capital improvements account but that will be needed to pay for operating expenses in the future. Upon the request of a board, such funds shall be appropriated to the reserve balance account. Payments from the capital improvements account and the reserve balance account shall be made by the county treasurer who is the custodian of funds for the district upon warrants issued by the county auditor who is the fiscal officer of the district pursuant to orders of the board.

(D) If a board of county commissioners levies a tax under this section for the county's contribution to a joint-county district of which the county is a part, revenue from the tax shall only be expended for the benefit of the residents of the county.

(E) If a board of county commissioners levies a tax under this section for the county's

contribution to a joint-county district of which the county is a part and that district expands or contracts due to the addition or withdrawal of another county, the board, provided that county remains a part of the newly expanded or contracted joint-county district, shall continue to levy and collect that tax, pursuant to the terms originally approved by electors, for the county's contribution to the newly expanded or contracted joint-county district of which the county is a part. Notwithstanding sections 5705.192 and 5705.25 of the Revised Code, the election notice and ballot language of a renewal or replacement of such a levy shall identify the name of the newly expanded or contracted joint-county district.

(F) If a board of county commissioners levies a tax under this section for the county's contribution to a joint-county district of which the county is a part and the county withdraws from the district, the board shall continue to levy and collect that tax, pursuant to the terms originally approved by electors, for one of the following purposes, if either situation applies:

(1) For the county's contribution to a newly joined joint-county district, if the county joins such a joint-county district in the tax year after the year in which the county withdraws from the other joint-county district;

(2) To provide the necessary requirements of the county's alcohol, drug addiction, and mental health service district, if the county establishes such a district under Chapter 340. of the Revised Code in the tax year after the year in which the county withdraws from the joint-county district.

Notwithstanding sections 5705.192 and 5705.25 of the Revised Code, the election notice and ballot language of a renewal or replacement of such a levy shall identify the name of the newly established district or newly joined joint-county district.

(G) Division (G) of this section applies only if all of the following apply:

(1) The county withdraws from a joint-county district.

(2) The board of alcohol, drug addiction, and mental health services of that joint-county district levies a tax under section 5705.19 of the Revised Code in the tax year for which the county withdraws from the joint-county district.

(3) The board of county commissioners of the withdrawing county adopts a resolution under division (A) of this section proposing a tax under this section that specifies that the first tax year the tax is to be levied by the board is the tax year after the year the tax described in division (G)(2) of this section expires or is renewed or replaced, as authorized under division (B) of section 340.01 of the Revised Code.

The proposed tax described in division (G)(3) of this section may be a renewal, renewal and decrease, or renewal and increase of the tax described in division (G)(2) of this section, except that, notwithstanding section 5705.25 of the Revised Code, the election notice and ballot language of a renewal of such a levy shall identify the county as the subdivision within which the tax will be levied and not the joint-county district from which the county withdrew.

Alternatively, the tax described in division (G)(3) of this section may be a replacement, replacement and decrease, or replacement and increase of the tax described in division (G)(2) of this section, as authorized under section 5705.192 of the Revised Code, except that, notwithstanding that section, the election notice and ballot language of a replacement of such a levy shall identify the county as the subdivision within which the tax will be levied and not the joint-county district from which the county withdrew.

Sec. 5713.08. (A) The county auditor shall make a list of all real and personal property in the auditor's county that is exempted from taxation. Such list shall show the name of the owner, the value of the property exempted, and a statement in brief form of the ground on which such exemption has been granted. It shall be corrected annually by adding thereto the items of property which have been exempted during the year, and by striking therefrom the items which in the opinion of the auditor have lost their right of exemption and which have been reentered on the taxable list, but no property shall be struck from the exempt property list solely because the property has been conveyed to a single member limited liability company with a nonprofit purpose from its nonprofit member or because the property has been conveyed by a single member limited liability company with a nonprofit purpose to its nonprofit member. No additions shall be made to such exempt lists and no additional items of property shall be exempted from taxation without the consent of the tax commissioner as is provided for in section 5715.27 of the Revised Code or without the consent of the housing officer under section 3735.67 of the Revised Code, except for property exempted by the auditor under that section, ~~property owned by a community school and subject to the exemption authorized under division (A)(1) of section 5709.07 of the Revised Code for tax years after the tax year for which the commissioner grants an application under section 5715.27 of the Revised Code, as described in division (I) of that section~~, or qualifying agricultural real property, as defined in section 5709.28 of the Revised Code, that is enrolled in an agriculture security area that is exempt under that section.

The commissioner may revise at any time the list in every county so that no property is improperly or illegally exempted from taxation. The auditor shall follow the orders of the commissioner given under this section. An abstract of such list shall be filed annually with the commissioner, on a form approved by the commissioner, and a copy thereof shall be kept on file in

the office of each auditor for public inspection.

An application for exemption of property shall include a certificate executed by the county treasurer certifying one of the following:

(1) That all taxes, interest, and penalties levied and assessed against the property sought to be exempted have been paid in full for all of the tax years preceding the tax year for which the application for exemption is filed, except for such taxes, interest, and penalties that may be remitted under division (C) of this section;

(2) That the applicant has entered into a valid delinquent tax contract with the county treasurer pursuant to division (A) of section 323.31 of the Revised Code to pay all of the delinquent taxes, interest, and penalties charged against the property, except for such taxes, interest, and penalties that may be remitted under division (C) of this section. If the auditor receives notice under section 323.31 of the Revised Code that such a written delinquent tax contract has become void, the auditor shall strike such property from the list of exempted property and reenter such property on the taxable list. If property is removed from the exempt list because a written delinquent tax contract has become void, current taxes shall first be extended against that property on the general tax list and duplicate of real and public utility property for the tax year in which the auditor receives the notice required by division (A) of section 323.31 of the Revised Code that the delinquent tax contract has become void or, if that notice is not timely made, for the tax year in which falls the latest date by which the treasurer is required by such section to give such notice. A county auditor shall not remove from any tax list and duplicate the amount of any unpaid delinquent taxes, assessments, interest, or penalties owed on property that is placed on the exempt list pursuant to this division.

(3) That a tax certificate has been issued under section 5721.32 or 5721.33 of the Revised Code with respect to the property that is the subject of the application, and the tax certificate is outstanding.

(B) If the treasurer's certificate is not included with the application or the certificate reflects unpaid taxes, penalties, and interest that may not be remitted, the tax commissioner or county auditor with whom the application was filed shall notify the property owner of that fact, and the applicant shall be given sixty days from the date that notification was mailed in which to provide the tax commissioner or county auditor with a corrected treasurer's certificate. If a corrected treasurer's certificate is not received within the time permitted, the tax commissioner or county auditor does not have authority to consider the tax exemption application.

(C) Any taxes, interest, and penalties which have become a lien after the property was first used for the exempt purpose, but in no case prior to the date of acquisition of the title to the property by the applicant, may be remitted by the commissioner or county auditor, except as is provided in division (A) of section 5713.081 of the Revised Code.

(D) Real property acquired by the state in fee simple is exempt from taxation from the date of acquisition of title or date of possession, whichever is the earlier date, provided that all taxes, interest, and penalties as provided in the apportionment provisions of section 319.20 of the Revised Code have been paid to the date of acquisition of title or date of possession by the state, whichever is earlier. The proportionate amount of taxes that are a lien but not yet determined, assessed, and levied for the year in which the property is acquired, shall be remitted by the county auditor for the balance of the year from date of acquisition of title or date of possession, whichever is earlier. This section

shall not be construed to authorize the exemption of such property from taxation or the remission of taxes, interest, and penalties thereon until all private use has terminated.

Sec. 5715.27. (A)(1) Except as provided in division (A)(2) of this section and in section 3735.67 of the Revised Code, the owner, a vendee in possession under a purchase agreement or a land contract, the beneficiary of a trust, or a lessee for an initial term of not less than thirty years of any property may file an application with the tax commissioner, on forms prescribed by the commissioner, requesting that such property be exempted from taxation and that taxes, interest, and penalties be remitted as provided in division (C) of section 5713.08 of the Revised Code.

(2) If the property that is the subject of the application for exemption is any of the following, the application shall be filed with the county auditor of the county in which the property is listed for taxation:

- (a) A public road or highway;
- (b) Property belonging to the federal government of the United States;
- (c) Additions or other improvements to an existing building or structure that belongs to the state or a political subdivision, as defined in section 5713.081 of the Revised Code, and that is exempted from taxation as property used exclusively for a public purpose.

(B) The board of education of any school district may request the tax commissioner or county auditor to provide it with notification of applications for exemption from taxation for property located within that district. If so requested, the commissioner or auditor shall send to the board on a monthly basis reports that contain sufficient information to enable the board to identify each property that is the subject of an exemption application, including, but not limited to, the name of the property owner or applicant, the address of the property, and the auditor's parcel number. The commissioner or auditor shall mail the reports by the fifteenth day of the month following the end of the month in which the commissioner or auditor receives the applications for exemption.

(C) A board of education that has requested notification under division (B) of this section may, with respect to any application for exemption of property located in the district and included in the commissioner's or auditor's most recent report provided under that division, file a statement with the commissioner or auditor and with the applicant indicating its intent to submit evidence and participate in any hearing on the application. The statements shall be filed prior to the first day of the third month following the end of the month in which that application was docketed by the commissioner or auditor. A statement filed in compliance with this division entitles the district to submit evidence and to participate in any hearing on the property and makes the district a party for purposes of sections 5717.02 to 5717.04 of the Revised Code in any appeal of the commissioner's or auditor's decision to the board of tax appeals.

(D) The commissioner or auditor shall not hold a hearing on or grant or deny an application for exemption of property in a school district whose board of education has requested notification under division (B) of this section until the end of the period within which the board may submit a statement with respect to that application under division (C) of this section. The commissioner or auditor may act upon an application at any time prior to that date upon receipt of a written waiver from each such board of education, or, in the case of exemptions authorized by section 725.02, 1728.10, 5709.40, 5709.41, 5709.411, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 of the Revised Code, upon the request of the property owner. Failure of a board

of education to receive the report required in division (B) of this section shall not void an action of the commissioner or auditor with respect to any application. The commissioner or auditor may extend the time for filing a statement under division (C) of this section.

(E) A complaint may also be filed with the commissioner or auditor by any person, board, or officer authorized by section 5715.19 of the Revised Code to file complaints with the county board of revision against the continued exemption of any property granted exemption by the commissioner or auditor under this section.

(F) An application for exemption and a complaint against exemption shall be filed prior to the thirty-first day of December of the tax year for which exemption is requested or for which the liability of the property to taxation in that year is requested. The commissioner or auditor shall consider such application or complaint in accordance with procedures established by the commissioner, determine whether the property is subject to taxation or exempt therefrom, and, if the commissioner makes the determination, certify the determination to the auditor. Upon making the determination or receiving the commissioner's determination, the auditor shall correct the tax list and duplicate accordingly. If a tax certificate has been sold under section 5721.32 or 5721.33 of the Revised Code with respect to property for which an exemption has been requested, the tax commissioner or auditor shall also certify the findings to the county treasurer of the county in which the property is located.

(G) Applications and complaints, and documents of any kind related to applications and complaints, filed with the tax commissioner or county auditor under this section are public records within the meaning of section 149.43 of the Revised Code.

(H) If the commissioner or auditor determines that the use of property or other facts relevant to the taxability of property that is the subject of an application for exemption or a complaint under this section has changed while the application or complaint was pending, the commissioner or auditor may make the determination under division (F) of this section separately for each tax year beginning with the year in which the application or complaint was filed or the year for which remission of taxes under division (C) of section 5713.08 of the Revised Code was requested, and including each subsequent tax year during which the application or complaint is pending before the commissioner or auditor.

~~(I) If the tax commissioner grants an application filed by a community school under this section for the exemption authorized under division (A)(1) of section 5709.07 of the Revised Code, any property that is the subject of that application shall be exempt from property tax for each succeeding tax year regardless of whether the community school files an application under this section with respect to such property. The community school, on or before the thirty-first day of December of each such succeeding tax year, shall submit a statement to the commissioner attesting that the property that is the subject of that initial application qualifies for the exemption authorized under division (A)(1) of section 5709.07 of the Revised Code for that succeeding tax year. If the community school fails to file such a statement for a tax year or if the commissioner otherwise discovers that the property no longer qualifies for that exemption, the commissioner shall order the county auditor to return the property to the tax list.~~

No assessment shall be made against a domestic insurance company more than three years after the later of the final date the report, tax return, or tax payment subject to the assessment was required to be filed or paid, or the date the report or tax return was filed, provided that there shall be no bar if the domestic insurance company failed to file the required report or tax return or if the deficiency results from fraud or any felonious act. The time limit may be extended if both the domestic insurance company and the superintendent agree in writing to the extension. For the purposes of this division, an assessment is made on the date the notification of the assessment is sent by the department of insurance or the date of an invoice for the assessment from the treasurer of state, whichever is earlier.

Sec. 5726.30. (A) The tax commissioner shall refund ~~the amount of taxes~~ amounts imposed under this chapter that a person overpaid, paid illegally or erroneously, or paid on an illegal or erroneous assessment. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and treasurer of state for payment from the tax refund fund created under section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(2) No interest shall be allowed under this section on an amount refunded to a person to the extent that the refund results from the allowance of a refundable credit against the tax imposed by section 5726.02 of the Revised Code.

Sec. 5727.28. (A) The tax commissioner shall refund to a natural gas company or combined company subject to the tax imposed by section 5727.24 of the Revised Code, ~~the amount of tax amounts~~ paid illegally or erroneously, or paid on an illegal or erroneous assessment. If the amount refundable is less than the amount of the debt, it may be applied in partial satisfaction of the debt. If the amount refundable is greater than the amount of the debt, the amount remaining after satisfaction of the debt shall be refunded.

(C) In lieu of granting a refund under division (A) or (B) of this section, the tax commissioner may allow a natural gas company or combined company to claim a credit of the amount of the tax refund on the return for the period during which the tax became refundable. If the natural gas distribution company or electric distribution company has more than one such debt, any debt subject to section 5739.33 or division (G) of section 5747.07 of the Revised Code shall be satisfied first. This section applies only to debts that have become final.

(A) Except as provided in section 5739.05 or section 5739.051 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale shall be reported on and the amount of the tax applicable thereto shall be remitted with the return for the period in which the sale is made, and the amount of the tax shall become a legal charge in favor of the vendor and against the consumer.

(B)(1)(a) If any sale is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11), (28), (48), ~~or (55)~~, or (59) of section 5739.02 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 5741. of the Revised Code. Relief under this division from liability does not apply to any of the following:

- (i) A vendor that fraudulently fails to collect tax;
- (ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;
- (iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.

(6) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact,

real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741. of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment contesting the assessment of tax on sales for which the vendor obtained no valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination on the assessment and petition for reassessment.

(F) Whenever a vendor refunds the price, minus any separately stated delivery charge, of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the amount of tax paid, minus the amount of tax attributable to the delivery charge.

Sec. 5739.07. (A) When, pursuant to this chapter, a vendor has paid taxes to the treasurer of state or the treasurer of state's agent, or to the tax commissioner or the commissioner's agent, the commissioner shall refund to the vendor the amount of taxes paid, and any penalties assessed with respect to such taxes, if the vendor has refunded to the consumer the full amount of taxes the consumer paid illegally or erroneously or if the vendor has illegally or erroneously billed the consumer but has not collected the taxes from the consumer.

(B) When, pursuant to this chapter, a consumer has paid taxes directly to the treasurer of state or the treasurer of state's agent, or to the tax commissioner or the commissioner's agent, and the payment or assessment was illegal or erroneous, the commissioner shall refund to the consumer the full amount of illegal or erroneous taxes paid and any penalties assessed with respect to such taxes.

(C) The commissioner shall refund to the consumer ~~taxes—amounts~~ paid illegally or

erroneously to a vendor only if:

(1) The commissioner has not refunded the tax to the vendor and the vendor has not refunded the tax to the consumer; or

(2) The consumer has received a refund from a manufacturer or other person, other than the vendor, of the full purchase price, but not the tax, paid to the vendor in settlement of a complaint by the consumer about the property or service purchased.

The commissioner may require the consumer to obtain or the vendor to provide a written statement confirming that the vendor has not refunded the tax to the consumer and has not filed an application for refund of the tax with the commissioner.

(D) Subject to division (E) of this section, an application for refund shall be filed with the tax commissioner on the form prescribed by the commissioner within four years from the date of the illegal or erroneous payment ~~of the tax~~, unless the vendor or consumer waives the time limitation under division (A)(3) of section 5739.16 of the Revised Code. If the time limitation is waived, the refund application period shall be extended for the same period as the waiver.

(E) An application for refund shall be filed in accordance with division (D) of this section unless a person is subject to an assessment that is subject to the time limit of division (B) of section 5703.58 of the Revised Code for ~~a tax~~ amounts not reported and paid between the four-year time limit described in division (D) of this section and the seven-year limit described in division (B) of section 5703.58 of the Revised Code, in which case the person may file an application within six months after the date the assessment is issued. Any refund allowed under this division shall not exceed the amount of the assessment due for the same period.

(F) On the filing of an application for a refund, the commissioner shall determine the amount of refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(G) When a refund is granted under this section, it shall include interest thereon as provided by section 5739.132 of the Revised Code.

Sec. 5739.104. The tax commissioner shall refund to a person subject to a tax under section 5739.101 of the Revised Code ~~the amount of taxes~~ amounts paid illegally or erroneously or paid on an illegal or erroneous assessment. Applications for a refund shall be filed with the commissioner, on a form prescribed by the commissioner, within four years from the date of the illegal or erroneous payment ~~of the tax~~, except where the person subject to the tax waives the time limitation under division (C) of section 5739.16 of the Revised Code, in which case the four-year refund limitation shall be extended for the same period of time as the waiver.

On the filing of an application for a refund, the commissioner shall determine the amount of refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the treasurer of state for payment from the current resort area excise tax receipts of the municipal corporation or township from which the refund is due. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If a refund is granted for payment of an illegal or erroneous assessment issued by the commissioner, the refund shall include interest computed at the rate per annum prescribed under section 5703.47 of the Revised Code.

Sec. 5741.02. (A)(1) For the use of the general revenue fund of the state, an excise tax is hereby levied on the storage, use, or other consumption in this state of tangible personal property or the benefit realized in this state of any service provided. The tax shall be collected as provided in section 5739.025 of the Revised Code. The rate of the tax shall be five and three-fourths per cent.

(2) In the case of the lease or rental, with a fixed term of more than thirty days or an indefinite term with a minimum period of more than thirty days, of any motor vehicles designed by the manufacturer to carry a load of not more than one ton, watercraft, outboard motor, or aircraft, or of any tangible personal property, other than motor vehicles designed by the manufacturer to carry a load of more than one ton, to be used by the lessee or renter primarily for business purposes, the tax shall be collected by the seller at the time the lease or rental is consummated and shall be calculated by the seller on the basis of the total amount to be paid by the lessee or renter under the lease or rental agreement. If the total amount of the consideration for the lease or rental includes amounts that are not calculated at the time the lease or rental is executed, the tax shall be calculated and collected by the seller at the time such amounts are billed to the lessee or renter. In the case of an open-end lease or rental, the tax shall be calculated by the seller on the basis of the total amount to be paid during the initial fixed term of the lease or rental, and for each subsequent renewal period as it comes due. As used in this division, "motor vehicle" has the same meaning as in section 4501.01 of the Revised Code, and "watercraft" includes an outdrive unit attached to the watercraft.

(3) Except as provided in division (A)(2) of this section, in the case of a transaction, the price of which consists in whole or part of the lease or rental of tangible personal property, the tax shall be measured by the installments of those leases or rentals.

(B) Each consumer, storing, using, or otherwise consuming in this state tangible personal property or realizing in this state the benefit of any service provided, shall be liable for the tax, and such liability shall not be extinguished until the tax has been paid to this state; provided, that the consumer shall be relieved from further liability for the tax if the tax has been paid to a seller in accordance with section 5741.04 of the Revised Code or prepaid by the seller in accordance with section 5741.06 of the Revised Code.

(C) The tax does not apply to the storage, use, or consumption in this state of the following described tangible personal property or services, nor to the storage, use, or consumption or benefit in this state of tangible personal property or services purchased under the following described circumstances:

(1) When the sale of property or service in this state is subject to the excise tax imposed by sections 5739.01 to 5739.31 of the Revised Code, provided said tax has been paid;

(2) Except as provided in division (D) of this section, tangible personal property or services, the acquisition of which, if made in Ohio, would be a sale not subject to the tax imposed by sections 5739.01 to 5739.31 of the Revised Code;

(3) Property or services, the storage, use, or other consumption of or benefit from which this state is prohibited from taxing by the Constitution of the United States, laws of the United States, or the Constitution of this state. This exemption shall not exempt from the application of the tax

imposed by this section the storage, use, or consumption of tangible personal property that was purchased in interstate commerce, but that has come to rest in this state, provided that fuel to be used or transported in carrying on interstate commerce that is stopped within this state pending transfer from one conveyance to another is exempt from the excise tax imposed by this section and section 5739.02 of the Revised Code;

(4) Transient use of tangible personal property in this state by a nonresident tourist or vacationer, or a nonbusiness use within this state by a nonresident of this state, if the property so used was purchased outside this state for use outside this state and is not required to be registered or licensed under the laws of this state;

(5) Tangible personal property or services rendered, upon which taxes have been paid to another jurisdiction to the extent of the amount of the tax paid to such other jurisdiction. Where the amount of the tax imposed by this section and imposed pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code exceeds the amount paid to another jurisdiction, the difference shall be allocated between the tax imposed by this section and any tax imposed by a county or a transit authority pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code, in proportion to the respective rates of such taxes.

As used in this subdivision, "taxes paid to another jurisdiction" means the total amount of retail sales or use tax or similar tax based upon the sale, purchase, or use of tangible personal property or services rendered legally, levied by and paid to another state or political subdivision thereof, or to the District of Columbia, where the payment of such tax does not entitle the taxpayer to any refund or credit for such payment.

(6) The transfer of a used manufactured home or used mobile home, as defined by section 5739.0210 of the Revised Code, made on or after January 1, 2000;

(7) Drugs that are or are intended to be distributed free of charge to a practitioner licensed to prescribe, dispense, and administer drugs to a human being in the course of a professional practice and that by law may be dispensed only by or upon the order of such a practitioner;

(8) Computer equipment and related software leased from a lessor located outside this state and initially received in this state on behalf of the consumer by a third party that will retain possession of such property for not more than ninety days and that will, within that ninety-day period, deliver such property to the consumer at a location outside this state. Division (C)(8) of this section does not provide exemption from taxation for any otherwise taxable charges associated with such property while it is in this state or for any subsequent storage, use, or consumption of such property in this state by or on behalf of the consumer.

(9) Tangible personal property held for sale by a person but not for that person's own use and donated by that person, without charge or other compensation, to either of the following:

(a) A nonprofit organization operated exclusively for charitable purposes in this state, no part of the net income of which inures to the benefit of any private shareholder or individual and no substantial part of the activities of which consists of carrying on propaganda or otherwise attempting to influence legislation; or

(b) This state or any political subdivision of this state, but only if donated for exclusively public purposes.

For the purposes of division (C)(9) of this section, "charitable purposes" has the same

meaning as in division (B)(12) of section 5739.02 of the Revised Code.

(10) Equipment stored, used, or otherwise consumed in this state by an out-of-state disaster business during a disaster response period during which the business conducts disaster work pursuant to a qualifying solicitation received by the business, provided the equipment is removed from the state before the last day of that period. All terms used in division (C)(10) of this section have the same meanings as in section 5703.94 of the Revised Code.

(11)(a) Watercraft, if all of the following apply:

(i) The watercraft is in this state only for storage and maintenance purposes.

(ii) The watercraft is not used or stored in this state between the first day of May and the last day of September of any year.

(iii) The watercraft is not required to be registered in this state under section 1547.54 of the Revised Code.

(iv) The owner paid taxes to another jurisdiction on the sale, use, or consumption of the watercraft or paid sales tax on the watercraft under section 5739.027 of the Revised Code, unless the watercraft is used and titled or registered in a jurisdiction that does not impose a sales or use tax or similar excise tax on the ownership or use of the watercraft.

(b) As used in division (C)(11) of this section:

(i) "Taxes paid to another jurisdiction" has the same meaning as in division (C)(5) of this section.

(ii) "Maintenance" means any act to preserve or improve the condition or efficiency of a watercraft including cleaning and repairing the watercraft and installing equipment, fixtures, or technology in or on the watercraft.

(c) Nothing in division (C)(11) of this section exempts sales of storage of watercraft taxable under division (B)(9) of section 5739.01 of the Revised Code or sales of repair or installation of tangible personal property in or on the watercraft taxable under division (B)(3)(a) or (b) of that section.

(D) The tax applies to the storage, use, or other consumption in this state of tangible personal property or services, the acquisition of which at the time of sale was excepted under division (E) of section 5739.01 of the Revised Code from the tax imposed by section 5739.02 of the Revised Code, but which has subsequently been temporarily or permanently stored, used, or otherwise consumed in a taxable manner.

(E)(1)(a) If any transaction is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B) (1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer shall provide to the seller, and the seller shall obtain from the consumer, a certificate specifying the reason that the transaction is not subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A seller that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under this chapter. Relief under this division from liability does not apply to any of the following:

(i) A seller that fraudulently fails to collect tax;

(ii) A seller that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A seller that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the seller in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A seller that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The seller shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) If no certificate is provided or obtained within ninety days after the date on which the transaction is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a seller, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the transaction is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(4) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the seller. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(F) A seller who files a petition for reassessment contesting the assessment of tax on transactions for which the seller obtained no valid exemption certificates, and for which the seller failed to establish that the transactions were not subject to the tax during the one-hundred-twenty-day period allowed under division (E) of this section, may present to the tax commissioner additional evidence to prove that the transactions were exempt. The seller shall file such evidence within ninety days of the receipt by the seller of the notice of assessment, except that, upon application and for reasonable cause, the tax commissioner may extend the period for submitting such evidence thirty days.

(G) For the purpose of the proper administration of sections 5741.01 to 5741.22 of the Revised Code, and to prevent the evasion of the tax hereby levied, it shall be presumed that any use, storage, or other consumption of tangible personal property in this state is subject to the tax until the contrary is established.

(H) The tax collected by the seller from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state, and of counties levying an additional use tax pursuant to section 5741.021 or 5741.023 of the Revised Code and of transit authorities levying an additional use tax pursuant to section 5741.022 of the Revised Code. Except for the discount authorized under section 5741.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county or transit

authority shall derive any benefit from the collection of such tax.

Sec. 5741.10. Refunds of ~~taxes~~ amounts paid pursuant to this chapter by a seller or consumer illegally or erroneously shall be made in the same manner as refunds are made to a vendor or consumer under section 5739.07 of the Revised Code.

Sec. 5743.53. (A) The treasurer of state shall refund to a taxpayer any of the following:

(1) ~~Any tobacco products or vapor products tax~~ Amounts imposed under this chapter that were paid illegally or erroneously;

(2) ~~Any tobacco products or vapor products tax~~ or paid on an illegal or erroneous assessment;

(3) ~~(2)~~ Any tax paid on tobacco products or vapor products that have been sold or shipped to retail dealers, wholesale dealers, or vapor distributors outside this state, returned to the manufacturer, or destroyed by the taxpayer with the prior approval of the tax commissioner.

Any application for refund shall be filed with the commissioner on a form prescribed by the commissioner for that purpose. The commissioner may not pay any refund on an application for refund filed with the commissioner more than three years from the date of ~~the payment of the tax~~.

(B) On the filing of the application for refund, the commissioner shall determine the amount of the refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and to the treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If a refund is granted for payment of an illegal or erroneous assessment issued by the department of taxation, the refund shall include interest on the amount of the refund from the date of the overpayment. The interest shall be computed at the rate per annum in the manner prescribed by section 5703.47 of the Revised Code.

(C) If any person entitled to a refund ~~of tax~~ under this section or section 5703.70 of the Revised Code is indebted to the state for any tax administered by the tax commissioner, or any charge, penalties, or interest arising from such tax, the amount allowable on the application for refund first shall be applied in satisfaction of the debt.

(D) In lieu of granting a refund payable under division ~~(A)(3)~~ ~~(A)(2)~~ of this section, the tax commissioner may allow a taxpayer to claim a credit of the amount of refundable tax on the return for the period during which the tax became refundable. The commissioner may require taxpayers to submit any information necessary to support a claim for a credit under this section, and the commissioner shall allow no credit if that information is not provided.

Sec. 5745.11. An application to refund to a taxpayer ~~the amount of taxes paid on any illegal, erroneous, or excessive payment of tax under this chapter, including assessments, amounts paid under this chapter that are overpaid, paid illegally or erroneously, or paid on any illegal or erroneous assessment~~ shall be filed with the tax commissioner within three years after the date of the illegal, erroneous, or excessive payment ~~of the tax~~, or within any additional period allowed by division (A) of section 5745.12 of the Revised Code. The application shall be filed in the form prescribed by the tax commissioner.

On the filing of a refund application, the commissioner shall determine the amount of refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall

certify the amount of the refund to each municipal corporation to which the overpayment was made. If the amount is less than that claimed, the commissioner shall proceed in accordance with divisions (A) to (C) of section 5703.70 of the Revised Code and shall certify to each municipal corporation to which the overpayment was made the amount to be refunded under division (B) or (C) of that section.

On receipt of a certification of a refund, the municipal corporation shall issue a refund to the taxpayer, or, upon the taxpayer's written request, shall credit the amount of the refund against the taxpayer's estimated tax payments to the municipal corporation for an ensuing taxable year.

Any portion of the refund not issued within ninety days after the tax commissioner's notice is received by the municipal corporation shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the ninetieth day after such notice is received by the municipal corporation until the day the refund is paid or credited. On an illegal or erroneous assessment, interest shall be paid at that rate from the date of payment on the illegal or erroneous assessment until the day the refund is paid or credited.

Sec. 5747.11. (A) The tax commissioner shall refund to employers, qualifying entities, electing pass-through entities, or taxpayers subject to a tax imposed under section 5733.41, 5747.02, 5747.38, or 5747.41, or Chapter 5748. of the Revised Code ~~the amount of any overpayment of such tax amounts that were overpaid, paid illegally or erroneously, or paid on an illegal or erroneous assessment.~~

(B)(1) Except as otherwise provided under divisions (D) and (E) of this section, applications for refund shall be filed with the tax commissioner, on the form prescribed by the commissioner, within four years from the date of the illegal, erroneous, or excessive payment ~~of the tax~~, or within any additional period allowed by division (B)(3)(b) of section 5747.05, division (E) of section 5747.10, division (A) of section 5747.13, or division (C) of section 5747.45 of the Revised Code.

On filing of the refund application, the commissioner shall determine the amount of refund due and, if that amount exceeds one dollar, certify such amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. Payment shall be made as provided in division (C) of section 126.35 of the Revised Code.

(2) If an individual taxpayer is deceased, a refund may be issued in the name of the decedent and of the executor, administrator, or other person charged with the decedent's property, upon the request of that person. Such a request shall include any documentation, including a copy of the taxpayer's death certificate and any fiduciary or court documents, that the tax commissioner considers necessary to prove that the person making the request is qualified to receive the refund. If the request is for a refund that was previously issued in only the decedent's name, the person making the request must also provide the previously issued payment to the commissioner.

(C)(1) Interest shall be allowed and paid at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts refunded with respect to the tax imposed under section 5747.02 or Chapter 5748. of the Revised Code from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the return is filed, whichever is later, no interest shall be allowed on such overpayment. If the overpayment results from the carryback of a net operating loss

or net capital loss to a previous taxable year, the overpayment is deemed not to have been made prior to the filing date, including any extension thereof, for the taxable year in which the net operating loss or net capital loss arises. For purposes of the payment of interest on overpayments, no amount of tax, for any taxable year, shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing such return.

(2) Interest shall be allowed at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts refunded with respect to the taxes imposed under sections 5733.41 and 5747.41 or under section 5747.38 of the Revised Code. The interest shall run from whichever of the following days is the latest until the day the refund is paid: the day the illegal, erroneous, or excessive payment was made; the ninetieth day after the final day the annual report was required to be filed under section 5747.42 of the Revised Code; or the ninetieth day after the day that report was filed.

(D) "Ninety days" shall be substituted for "four years" in division (B) of this section if the taxpayer satisfies both of the following conditions:

(1) The taxpayer has applied for a refund based in whole or in part upon section 5747.059 of the Revised Code;

(2) The taxpayer asserts that either the imposition or collection of the tax imposed or charged by this chapter or any portion of such tax violates the Constitution of the United States or the Constitution of Ohio.

(E)(1) Division (E)(2) of this section applies only if all of the following conditions are satisfied:

(a) A qualifying entity pays an amount of the tax imposed by section 5733.41 or 5747.41 of the Revised Code;

(b) The taxpayer is a qualifying investor as to that qualifying entity;

(c) The taxpayer did not claim the credit provided for in section 5747.059 of the Revised Code as to the tax described in division (E)(1)(a) of this section;

(d) The four-year period described in division (B) of this section has ended as to the taxable year for which the taxpayer otherwise would have claimed that credit.

(2) A taxpayer shall file an application for refund pursuant to division (E) of this section within one year after the date the payment described in division (E)(1)(a) of this section is made. An application filed under division (E)(2) of this section shall claim refund only of overpayments resulting from the taxpayer's failure to claim the credit described in division (E)(1)(c) of this section. Nothing in division (E) of this section shall be construed to relieve a taxpayer from complying with division (A)(15) of section 5747.01 of the Revised Code.

Sec. 5747.73. (A) As used in this section, "scholarship granting organization" means an entity that is certified as such by the attorney general under division (C) of this section.

(B) There is hereby allowed a nonrefundable credit against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for a taxpayer that donates cash to scholarship granting organizations during the taxable year. The credit shall equal the amount of cash donations made by the taxpayer and, if filing a joint return, the taxpayer's spouse, except that the credit shall not exceed, for any taxable year, one thousand five hundred dollars for spouses filing a joint return or seven hundred fifty dollars for all other taxpayers. If a taxpayer files a joint return, the credit amount

attributable to donations made by each spouse shall not exceed seven hundred fifty dollars. The credit shall be claimed in the order required under section 5747.98 of the Revised Code.

If the taxpayer is a direct or indirect investor in a pass-through entity that donates cash to scholarship granting organizations during the taxable year, the taxpayer may claim its proportionate or distributive share of the credit allowed under this section, except that the share that may be claimed by all such investors may not exceed seven hundred fifty dollars for any taxable year.

The credit authorized by this section is not allowed unless the taxpayer claiming the credit provides to the tax commissioner, in the form and manner required by the commissioner, a copy of a receipt or other document issued by the scholarship granting organization acknowledging the taxpayer's contribution to the organization and the amount of the contribution. The commissioner may require a taxpayer to furnish any other information necessary to support a claim for the credit. No credit shall be allowed unless a copy of such document or other required information is provided.

(C) An entity may apply to the attorney general, on forms and in the manner prescribed by the attorney general, to be certified so that contributions to the entity qualify for the tax credit authorized under this section. The attorney general shall certify an entity as a scholarship granting organization if the entity submits information and documentation, to the attorney general's satisfaction, establishing that the entity satisfies the following:

(1) It is a religious or nonreligious nonprofit organization exempt from federal taxation under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) of the Internal Revenue Code.

(2) It primarily awards academic scholarships for primary and secondary school students.

(3) It prioritizes awarding its scholarships to low-income primary and secondary school students.

The attorney general shall notify the applicant of the attorney general's determination within thirty days after the attorney general receives the application. The attorney general shall maintain a list of all scholarship granting organizations. As soon as is practicable after compiling or updating this list, the attorney general shall furnish the list to the tax commissioner, who shall post the list or updated list to the department of taxation's web site.

The attorney general shall adopt rules necessary to determine eligibility for and administer the credit authorized under this section.

Sec. 5747.82. There is allowed a nonrefundable credit against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for a taxpayer that has been issued a tax credit certificate under section 122.91 of the Revised Code. The amount of the credit shall equal the credit amount stated on the certificate. The credit shall be claimed for the taxpayer's most recently concluded taxable year that ended before the issuance date stated on the certificate.

The credit shall be claimed in the order required under section 5747.98 of the Revised Code. Any credit amount in excess of the aggregate amount of tax due under section 5747.02 of the Revised Code, after allowing for any other credits preceding the credit in that order, may be carried forward for five taxable years, but the amount of the excess credit allowed in any such year shall be deducted from the balance carried forward to the next year.

Nothing in this section limits or disallows pass-through treatment of the credit if the credit certificate has been issued to a pass-through entity.

Sec. 5748.09. (A) The board of education of a city, local, or exempted village school district, at any time by a vote of two-thirds of all its members, may declare by resolution that it may be necessary for the school district to do all of the following:

(1) Raise a specified amount of money for school district purposes by levying an annual tax on school district income;

The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section.

On adoption of the resolution, the board shall certify a copy of it to the tax commissioner and the county auditor not later than one hundred days prior to the date of the special election at which the board intends to propose the income tax and property tax. Not later than ten days after receipt of the resolution, the tax commissioner, in the same manner as required by division (A) of section 5748.02 of the Revised Code, shall estimate the rates designated in divisions (A)(1) and (2) of that section and certify them to the board. Not later than ten days after receipt of the resolution, the county auditor, in the same manner as required by section 5705.195 of the Revised Code, shall make the calculation specified in that section and certify it to the board.

(B) On receipt of the tax commissioner's and county auditor's certifications prepared under

division (A) of this section, the board of education of the city, local, or exempted village school district, by a vote of two-thirds of all its members, may adopt a resolution declaring that the amount of taxes that can be raised by all tax levies the district is authorized to impose, when combined with state and federal revenues, will be insufficient to provide an adequate amount for the present and future requirements of the school district, and that it is therefore necessary to levy, for a specified number of years or for a continuing period of time, an annual tax for school district purposes on school district income, and to levy, for a specified number of years not exceeding ten or for a continuing period of time, an additional property tax in excess of the ten-mill limitation for the purpose of providing for the necessary requirements of the district, and declaring that the question of the school district income tax and property tax shall be submitted to the electors of the school district at a special election, which shall not be earlier than ninety days after certification of the resolution to the board of elections, and the date of which shall be consistent with section 3501.01 of the Revised Code. The resolution shall specify all of the following:

The specification shall be the same as the specification in the resolution adopted and certified under division (A) of this section.

(C) A resolution adopted under division (B) of this section shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. Immediately after its adoption and at least ninety days prior to the election at which the question will appear on the ballot, the board of education shall certify a copy of the resolution, along with copies of the county auditor's certification and the resolution under division (A) of this section, to the board of elections of the proper county. The board of education shall make the arrangements for the submission of the question to the electors of the school district, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the district for the election of county officers.

The resolution shall be put before the electors as one ballot question, with a majority vote indicating approval of the school district income tax and the property tax. The board of elections shall publish the notice of the election in a newspaper of general circulation in the school district once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election. - (7) The time and place of the special election.
- (D) The form of the ballot on a question submitted to the electors under this section shall be as follows:

FOR THE INCOME TAX AND PROPERTY TAX

AGAINST THE INCOME TAX AND PROPERTY TAX

If the question submitted to electors proposes a school district income tax only on the taxable income of individuals as defined in division (E)(1)(b) of section 5748.01 of the Revised Code, the form of the ballot shall be modified by stating that the tax is to be levied on the "earned income of individuals residing in the school district" in lieu of the "school district income of individuals and of estates."

(E) The board of elections promptly shall certify the results of the election to the tax commissioner and the county auditor of the county in which the school district is located. If a majority of the electors voting on the question vote in favor of it:

(1) The income tax and the applicable provisions of Chapter 5747. of the Revised Code shall take effect on the date specified in the resolution.

(2) The board of education of the school district may make the additional property tax levy necessary to raise the amount specified on the ballot for the purpose of providing for the necessary requirements of the district. The property tax levy shall be included in the next tax budget that is certified to the county budget commission.

(F)(1) After approval of a question under this section, the board of education may anticipate a fraction of the proceeds of the school district income tax in accordance with section 5748.05 of the Revised Code. Any anticipation notes under this division shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(2) After the approval of a question under this section and prior to the time when the first tax collection from the property tax levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in an amount not exceeding the total estimated proceeds of the levy to be collected during the first year of the levy. Any anticipation notes under this division shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(G)(1) The question of repeal of a school district income tax levied for more than five years may be initiated and submitted in accordance with section 5748.04 of the Revised Code.

(2) A property tax levy for a continuing period of time may be reduced in the manner provided under section 5705.261 of the Revised Code.

(H) No board of education shall submit a question under this section to the electors of the school district more than twice in any calendar year. If a board submits the question twice in any calendar year, one of the elections on the question shall be held on the date of the general election.

(I) If the electors of the school district approve a question under this section, and if the last calendar year the school district income tax is in effect and the last calendar year of collection of the property tax are the same, the board of education of the school district may propose to submit under this section the combined question of a school district income tax to take effect upon the expiration of the existing income tax and a property tax to be first collected in the calendar year after the calendar year of last collection of the existing property tax, and specify in the resolutions adopted under this section that the proposed taxes would renew the existing taxes. The form of the ballot on a question submitted to the electors under division (I) of this section shall be as follows:

"Shall the _____ school district be authorized to do both of the following:

(1) Impose an annual income tax of _____ (state the proposed rate of tax) on the school district income of individuals and of estates to renew an income tax expiring at the end of _____ (state the last year the existing income tax may be levied) for _____ (state the number of years the tax would be levied, or that it would be levied for a continuing period of time), beginning _____ (state the date the tax would first take effect), for the purpose of _____ (state the purpose of the tax)?

FOR THE INCOME TAX AND PROPERTY TAX

AGAINST THE INCOME TAX AND PROPERTY TAX

If the question submitted to electors proposes a school district income tax only on the taxable income of individuals as defined in division (E)(1)(b) of section 5748.01 of the Revised Code, the form of the ballot shall be modified by stating that the tax is to be levied on the "earned income of individuals residing in the school district" in lieu of the "school district income of individuals and of estates."

~~The question of a renewal levy under this division shall not be placed on the ballot unless the question is submitted on a date on which a special election may be held under section 3501.01 of the Revised Code, except for the first Tuesday after the first Monday in August, during the last year the property tax levy to be renewed may be extended on the real and public utility property tax list and duplicate, or at any election held in the ensuing year.~~

(J)-(J)(1) If the electors of the school district approve a question under this section, and if the last calendar year the school district income tax is in effect and the last calendar year in which the property tax is collected are the same, the board of education of the school district may propose to submit under this section the combined question of all of the following:

(a) The renewal of the school district income tax levied under this section, to take effect upon the expiration of the existing income tax;

(b) The renewal of the property tax levied under this section, to be levied beginning in the tax year after the tax year in which the existing property tax expires;

(c) The renewal of a property tax levied under section 5705.194 of the Revised Code, regardless of the year it expires, to be levied beginning in the same tax year that the tax described in

division (J)(1)(b) of this section is first levied.

If the combined question is approved, the existing tax levied under section 5705.194 of the Revised Code may not be levied for the first tax year the renewal tax is levied or any following tax year.

(2) In its resolution to be submitted to the tax commissioner and county auditor, the board of education shall include, in addition to the applicable requirements of division (A) of this section, a declaration of the necessity for the renewal of the property tax levied under section 5705.194 of the Revised Code, the purpose of the tax as specified under that section, and the necessity of the submission of the question of the renewal of the school district income tax and both property taxes to the electors of the district at a special election. Not later than ten days after receipt of the resolution, the county auditor shall make a separate calculation and certification with respect to the renewal tax described in division (J)(1)(c) of this section in the same manner as required by section 5705.195 of the Revised Code.

In its resolution adopted upon receipt of the commissioner's and county auditor's certifications, the board of education shall include, in addition to the applicable requirements of division (B) of this section, a declaration that the amount of taxes that can be raised by all tax levies the district is authorized to impose, when combined with state and federal revenues, will be insufficient to provide an adequate amount for the present and future requirements of the school district, and that it is therefore necessary to renew the existing property tax being levied in excess of the ten-mill limitation under section 5705.194 of the Revised Code for the purpose as specified in that section, for a specified number of years not exceeding ten or for a continuing period of time, and that the question of the renewal of the school district income tax and of both property taxes shall be submitted to the electors of the school district at a special election as described in division (B) of this section. With respect to the renewal tax described in division (J)(1)(c) of this section, the resolution shall specify the amount of money it is necessary to raise for the specified purpose for each calendar year the millage is to be imposed, the tax year that tax is to be first levied, and the estimated rate of that tax, expressed in dollars for each one hundred thousand dollars of the county auditor's appraised value as well as in mills for each one dollar of taxable value, as certified by the county auditor.

(3) In addition to the requirements of division (C) of this section, the notice of election shall separately state, with respect to the renewal tax described in division (J)(1)(c) of this section, the annual proceeds of the proposed levy for the specified purpose; the number of years the proposed tax will be levied, or that it shall be levied for a continuing period of time; and the estimated rate of the proposed levy, expressed in dollars for each one hundred thousand dollars of the county auditor's appraised value as well as in mills for each one dollar of taxable value, as certified by the county auditor.

(4) The form of the ballot on a question submitted to the electors under division (J) of this section shall be identical to the form of the ballot prescribed in division (I) of this section, except that the following shall be added after the third paragraph and in place of the voting box: "(3) Impose a property tax levy renewing an existing levy outside of the ten-mill limitation for the purpose of _____ (here insert purpose of levy as specified in section 5705.194 of the Revised Code and determined by the board of education) in the sum of \$ _____ (here insert annual amount the levy is to produce), estimated by the county auditor to average _____ mills for each \$1 of

taxable value, which amounts to \$_____ for each \$100,000 of the county auditor's appraised value, for _____ (state the number of years the tax is to be imposed or that it will be imposed for a continuing period of time), commencing in _____ (first year the tax is to be levied), first due in calendar year _____ (first calendar year in which the tax shall be due)?

FOR THE INCOME TAX AND PROPERTY TAXES

AGAINST THE INCOME TAX AND PROPERTY TAXES

If the existing property tax being levied under section 5705.194 of the Revised Code is scheduled to expire in a tax year different from that of the existing property tax being levied under this section, the form of the ballot shall be modified by adding the following statement at the end of the paragraph prescribed in this division: "If approved, any remaining tax years on the existing levy will not be levied after tax year _____ (last tax year the tax will be levied), last due in _____ (last calendar year in which the tax shall be due)."

(5) If a majority of the electors voting on the question submitted under division (J) of this section vote in favor of it, the board of education of the school district may, in addition to any other authorization in the Revised Code and prior to the time when the first tax collection from the renewal tax levy can be made, anticipate a fraction of the proceeds of the renewal levy described in division (J)(1)(c) of this section and issue anticipation notes in an amount not exceeding the total estimated proceeds of the levy to be collected during the first year of the levy. Any such anticipation notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(K) The question of a renewal levy under division (I) or (J) of this section shall not be placed on the ballot unless the question is submitted on a date on which a special election may be held under section 3501.01 of the Revised Code, except for the first Tuesday after the first Monday in August, during the last year the existing property tax levy described in division (J)(1)(b) of this section may be extended on the real and public utility property tax list and duplicate, or at any election held in the ensuing year.

The failure by the electors to approve the question of a renewal levy under division (I) or (J) of this section does not terminate the authority previously granted by the electors to levy the taxes proposed to be renewed for their previously approved duration.

(L) If the electors of the school district approve a question under this section, the board of education of the school district may propose to renew ~~either or both~~ any of the existing taxes as individual ballot questions in accordance with section 5748.02 of the Revised Code, for the school district income tax, or section 5705.194 of the Revised Code, for the property tax or taxes.

Sec. 5749.08. The tax commissioner shall refund to taxpayers ~~the amount of taxes levied by section 5749.02 of the Revised Code and amounts due~~ amounts paid under this chapter or section 1509.50 of the Revised Code that were paid illegally or erroneously or paid on an illegal or erroneous

assessment. Applications for refund shall be filed with the commissioner, on the form prescribed by the commissioner, within four years from the date of the illegal or erroneous payment. On the filing of the application, the commissioner shall determine the amount of refund to which the applicant is entitled, plus interest computed in accordance with section 5703.47 of the Revised Code from the date of the payment of an erroneous or illegal assessment until the date the refund is paid. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

Sec. 5751.08. (A) An application for refund to the taxpayer of ~~the amount of taxes~~ amounts imposed under this chapter that are overpaid, paid illegally or erroneously, or paid on any illegal or erroneous assessment shall be filed by the reporting person with the tax commissioner, on the form prescribed by the commissioner, within four years after the date of the illegal or erroneous payment ~~of the tax~~, or within any additional period allowed under division (F) of section 5751.09 of the Revised Code. The applicant shall provide the amount of the requested refund along with the claimed reasons for, and documentation to support, the issuance of a refund.

(B) On the filing of the refund application, the tax commissioner shall determine the amount of refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and treasurer of state for payment from the tax refund fund created under section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

SECTION 25. Pursuant to division (G) of section 5703.95 of the Revised Code, which states that any bill introduced in the House of Representatives or the Senate that proposes to enact or modify one or more tax expenditures should include a statement explaining the objectives of the tax expenditure or its modification and the sponsor's intent in proposing the tax expenditure or its modification:

The objective of this act is to increase business to Ohio's marine industry by removing a disincentive for out-of-state boat owners from coming into Ohio with their business.

Currently, subjecting boats to use taxes on the value of the boat has resulted in out-of-state boats going elsewhere for winter storage, repair, and refitting work. The charge for winter storage notwithstanding, most winter work orders from customers are estimated to range from fifteen thousand dollars to one hundred thousand dollars. The loss of even one major job, never mind several, could mean the success or failure of a marine business.

The state of Ohio also suffers significant losses. Virtually everything related to winter storage and work is subject to sales tax, including parts, materials, labor, and storage. When a boat is not winter-stored in Ohio, there are not only no related sales taxes collected, but also no commercial activity taxes and no income taxes.

SECTION 26. Section 5747.11 of the Revised Code is presented in this act as a composite of the section as amended by both S.B. 231 and S.B. 246 of the 134th General Assembly.
