

As Introduced

134th General Assembly

Regular Session

2021-2022

H. B. No. 715

Representatives Lipps, Young, T.

A BILL

To enact section 4729.71 of the Revised Code to 1
establish the Canadian Prescription Drug 2
Importation Program and to make an 3
appropriation. 4

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 4729.71 of the Revised Code be 5
enacted to read as follows: 6

Sec. 4729.71. (A) (1) In an effort to generate substantial 7
cost savings for consumers of prescription drugs in this state, 8
the state board of pharmacy shall develop a program for the 9
importation of safe and effective prescription drugs from 10
Canada, which shall be known as the Canadian prescription drug 11
importation program. 12

(2) The board shall contract with a third-party entity to 13
perform on behalf of the board the duties described in divisions 14
(B) to (D) of this section. To be qualified to contract with the 15
board, a third-party entity must have assisted one or more other 16
states in developing, establishing, or administering, in 17
accordance with section 804 of the "Federal Food, Drug, and 18
Cosmetic Act," 21 U.S.C. 384, a prescription drug importation 19

<u>program.</u>	20
<u>(B) In developing the program, the third-party entity shall do all of the following:</u>	21 22
<u>(1) Identify wholesalers for the importation of prescription drugs from Canada;</u>	23 24
<u>(2) Identify prescription drug suppliers regulated under the laws of Canada or of one or more Canadian provinces or both;</u>	25 26
<u>(3) Identify the drugs expected to generate substantial cost savings for consumers in this state;</u>	27 28
<u>(4) Establish measures for importing only the following prescription drugs:</u>	29 30
<u>(a) Drugs that satisfy federal food and drug administration safety and effectiveness standards;</u>	31 32
<u>(b) Drugs that are expected to generate substantial cost savings for consumers in this state.</u>	33 34
<u>(5) Ensure that the program has the ability to comply with the transaction and tracing requirements of sections 581 and 582 of the "Federal Food, Drug, and Cosmetic Act," 21 U.S.C. 360eee and 360eee-1;</u>	35 36 37 38
<u>(6) Recommend a charge per prescription or another method of financing to ensure that the program is adequately funded in a manner that does not jeopardize significant cost savings to consumers, including adequate funding for the initial start-up costs of the program.</u>	39 40 41 42 43
<u>(C) Not later than four months after the effective date of this section, the third-party entity shall submit to the United States department of health and human services, in accordance</u>	44 45 46

with section 804 of the "Federal Food, Drug, and Cosmetic Act," 47
21 U.S.C. 384, a request for approval and certification of the 48
program developed under division (B) of this section. 49

If the United States department of health and human 50
services approves and certifies the program, not later than six 51
months after receipt of the approval and certification, the 52
third-party entity shall establish and administer the program. 53

(D) (1) In establishing and administering the program, both 54
of the following apply: 55

(a) The third-party entity shall do all of the following: 56

(i) Comply with the requirements of 21 U.S.C. 384 as well 57
as any conditions specified by the United States department of 58
health and human services in its approval and certification of 59
the program; 60

(ii) Enter into a contract with a wholesaler identified 61
under division (B) (1) of this section; 62

(iii) Enter into contracts with one or more of the drug 63
suppliers identified under division (B) (2) of this section; 64

(iv) Enter into contracts with one or more entities 65
located in this state for distribution of the imported 66
prescription drugs; 67

(v) Consult with health plan issuers, employers, 68
pharmacies, pharmacists, health care providers, and consumers; 69

(vi) Develop a process by which health plan issuers, 70
pharmacies, and health care providers may register to 71
participate in the program; 72

(vii) Establish and periodically update the list of 73

prescription drugs to be imported under the program and make the 74
list available to the board; 75

(viii) Ensure that prescription drugs imported under the 76
program are dispensed, sold, or distributed only in this state; 77

(ix) Periodically provide to the board information 78
identifying the prices of prescription drugs imported under the 79
program and the locations where the prescription drugs are 80
dispensed, distributed, or sold; 81

(x) Establish a toll-free telephone line to answer 82
questions and address the needs of consumers, employers, health 83
plan issuers, pharmacies, health care providers, and others 84
impacted by the program; 85

(xi) Conduct on an annual basis an audit of the program 86
and share audit findings with the board; 87

(xii) Make available to the board any information 88
necessary for the board to prepare the report required by 89
division (E) (2) of this section; 90

(xiii) Conduct any other activity required by the board in 91
rules adopted under this section. 92

(b) The third-party entity shall negotiate with the board 93
the fee to be paid to the entity for administering the program. 94
The amount of the fee shall be either a markup of the drugs 95
purchased or a percentage of the savings achieved under the 96
program, as calculated by the board in consultation with the 97
department of administrative services. 98

(2) On the request of the board, acting in consultation 99
with the department of administrative services, the third-party 100
entity may, on behalf of state agencies, negotiate prices for 101

and directly purchase any prescription drugs, including drugs 102
such as insulin, epinephrine, and, as defined in section 3715.01 103
of the Revised Code, biological products and interchangeable 104
biological products, from manufacturers whose drugs have been 105
approved for use in the United States by the federal food and 106
drug administration. Such negotiations and purchases shall be 107
conducted according to the same terms and conditions as 108
negotiations and purchases are conducted under the Canadian 109
prescription drug importation program and the third-party entity 110
shall be compensated for such negotiations and purchases in the 111
same amount as described in division (D) (1) (b) of this section. 112

(E) (1) With respect to the information described in 113
divisions (D) (1) (a) (vii) and (ix) of this section, the board 114
shall make the information available to the public on the 115
internet web site maintained by the board. The board shall 116
periodically update the web site to reflect any changes in the 117
information. 118

The board also shall engage in activities to generate 119
public awareness of the program. 120

(2) Not later than eighteen months after the effective 121
date of this section and every year thereafter, the board shall 122
submit to the president of the senate, the speaker of the house 123
of representatives, and the chairpersons of the standing 124
committees of the house of representatives and senate that are 125
primarily responsible for considering health issues a report 126
regarding the administration of the program during the previous 127
year. Each submitted report shall include all of the following: 128

(a) The prescription drugs included under the program; 129

(b) The number of pharmacies, health care providers, and 130

<u>health plan issuers participating in the program;</u>	131
<u>(c) The number of prescriptions for which drugs were</u>	132
<u>dispensed through the program;</u>	133
<u>(d) The estimated cost savings to consumers, health plan</u>	134
<u>issuers, employers, and this state over the previous year;</u>	135
<u>(e) The findings of audits conducted over the previous</u>	136
<u>year;</u>	137
<u>(f) Any other information required by the board in rules</u>	138
<u>adopted under this section.</u>	139
<u>(F) The board shall adopt rules as necessary to implement</u>	140
<u>this section. The rules shall be adopted in accordance with</u>	141
<u>Chapter 119. of the Revised Code.</u>	142
Section 2. All items in this act are hereby appropriated	143
as designated out of any moneys in the state treasury to the	144
credit of the designated fund. For all operating appropriations	145
made in this act, those in the first column are for fiscal year	146
2022 and those in the second column are for fiscal year 2023.	147
The operating appropriations made in this act are in addition to	148
any other operating appropriations made for the FY 2022-FY 2023	149
biennium.	150

A PRX STATE BOARD OF PHARMACY

B General Revenue Fund

C	GRF	887403	Prescription Drug Importation Program	\$0	\$2,000,000
D	TOTAL GRF General Revenue Fund			\$0	\$2,000,000
E	TOTAL ALL BUDGET FUND GROUPS			\$0	\$2,000,000

PRESCRIPTION DRUG IMPORTATION PROGRAM 153

The foregoing appropriation item 887403, Prescription Drug 154
Importation Program, shall be used for the Canadian Prescription 155
Drug Importation Program, in accordance with section 4729.71 of 156
the Revised Code. 157

Section 4. Within the limits set forth in this act, the 158
Director of Budget and Management shall establish accounts 159
indicating the source and amount of funds for each appropriation 160
made in this act, and shall determine the form and manner in 161
which appropriation accounts shall be maintained. Expenditures 162
from operating appropriations contained in this act shall be 163
accounted for as though made in H.B. 110 of the 134th General 164
Assembly. The operating appropriations made in this act are 165
subject to all provisions of H.B. 110 of the 134th General 166
Assembly that are generally applicable to such appropriations. 167
