and their applications, are severable. If any provision of law 128
contained in this act, or if any application of any provision of 129

Section 5. Sections 1 to 5 of this act are exempt from the 134

Section 6. That sections 4121.43, 4123.57, 4123.58, and 138
4123.85 of the Revised Code be amended to read as follows: 139

Sec. 4121.43. The administrator of workers' compensation 140
shall: 141

(A) Adopt rules to ensure that all compensation payments 142
are accompanied by information which clearly indicates the 143
source of payment, type of payment, method of computation, 144
inclusive days of payment, reason for changes in payment, and 145
telephone number or address for inquiries; 146

(B) Adopt rules to govern the method of issuing and	147
delivering checks, including time limits for issuance of checks;	148
(C) Set standards and inform claimant of procedure for	149
attorney or other representative pick-up of compensation payment	150
check, and ensure that claimant has recently executed a proper	151
authorization to pick up the check;	152
(D) <u>Prohibit any power of attorney allowing an attorney to</u>	153
<u>cash or endorse a check on behalf of a claimant, unless the</u>	154
<u>power of attorney is narrowly tailored to apply to a specific</u>	155
<u>check;</u>	156
<u>(E)</u> Prohibit any power of attorney allowing an attorney or	157
employee to cash or endorse a check on behalf of <u>a</u> claimant;	158
(E) <u>(F)</u> Implement a written procedure for effectively	159
obtaining notices of death of claimant and terminating	160
compensation payments;	161
(F) <u>(G)</u> Adopt rules to require that a claimant of whom	162
medical examinations have been requested by his <u>the claimant's</u>	163
employer shall submit to such examinations and shall be	164
reimbursed by his <u>the</u> employer for reasonable expenses incurred	165
in submitting to the examination and provide that the claimant	166
shall be reimbursed by his <u>the</u> employer in an amount equal to	167
the wages lost during the time required to attend any such	168
examination, in the event said claimant sustains lost wages as a	169
result of any such examination.	170
Sec. 4123.57. Partial disability compensation shall be	171
paid as follows.	172
Except as provided in this section, not earlier than	173
twenty-six weeks after the date of termination of the latest	174
period of payments under section 4123.56 of the Revised Code <u>or</u>	175

twenty-six weeks after the termination of wages in lieu of those 176
payments, or not earlier than twenty-six weeks after the date of 177
the injury or contraction of an occupational disease in the 178
absence of payments under section 4123.56 of the Revised Code or 179
wages in lieu of those payments, the employee may file an 180
application with the bureau of workers' compensation for the 181
determination of the percentage of the employee's permanent 182
partial disability resulting from an injury or occupational 183
disease. 184

Whenever the application is filed, the bureau shall send a 185
copy of the application to the employee's employer or the 186
employer's representative and shall schedule the employee for a 187
medical examination by the bureau medical section. The bureau 188
shall send a copy of the report of the medical examination to 189
the employee, the employer, and their representatives. 190
Thereafter, the administrator of workers' compensation shall 191
review the employee's claim file and make a tentative order as 192
the evidence before the administrator at the time of the making 193
of the order warrants. If the administrator determines that 194
there is a conflict of evidence, the administrator shall send 195
the application, along with the claimant's file, to the district 196
hearing officer who shall set the application for a hearing. 197

If an employee fails to respond to an attempt to schedule 198
a medical examination by the bureau medical section, or fails to 199
attend a medical examination scheduled under this section 200
without notice or explanation, the employee's application for a 201
finding shall be dismissed without prejudice. The employee may 202
refile the application. A dismissed application does not toll 203
the continuing jurisdiction of the industrial commission under 204
section 4123.52 of the Revised Code. The administrator shall 205
adopt rules addressing the manner in which an employee will be 206

notified of a possible dismissal and how an employee may refile 207
an application for a determination. 208

The administrator shall notify the employee, the employer, 209
and their representatives, in writing, of the tentative order 210
and of the parties' right to request a hearing. Unless the 211
employee, the employer, or their representative notifies the 212
administrator, in writing, of an objection to the tentative 213
order within twenty days after receipt of the notice thereof, 214
the tentative order shall go into effect and the employee shall 215
receive the compensation provided in the order. In no event 216
shall there be a reconsideration of a tentative order issued 217
under this division. 218

If the employee, the employer, or their representatives 219
timely notify the administrator of an objection to the tentative 220
order, the matter shall be referred to a district hearing 221
officer who shall set the application for hearing with written 222
notices to all interested persons. Upon referral to a district 223
hearing officer, the employer may obtain a medical examination 224
of the employee, pursuant to rules of the industrial commission. 225

(A) The district hearing officer, upon the application, 226
shall determine the percentage of the employee's permanent 227
disability, except as is subject to division (B) of this 228
section, based upon that condition of the employee resulting 229
from the injury or occupational disease and causing permanent 230
impairment evidenced by medical or clinical findings reasonably 231
demonstrable. The employee shall receive sixty-six and two- 232
thirds per cent of the employee's average weekly wage, but not 233
more than a maximum of thirty-three and one-third per cent of 234
the statewide average weekly wage as defined in division (C) of 235
section 4123.62 of the Revised Code, per week regardless of the 236

average weekly wage, for the number of weeks which equals the 237
percentage of two hundred weeks. Except on application for 238
reconsideration, review, or modification, which is filed within 239
ten days after the date of receipt of the decision of the 240
district hearing officer, in no instance shall the former award 241
be modified unless it is found from medical or clinical findings 242
that the condition of the claimant resulting from the injury has 243
so progressed as to have increased the percentage of permanent 244
partial disability. A staff hearing officer shall hear an 245
application for reconsideration filed and the staff hearing 246
officer's decision is final. An employee may file an application 247
for a subsequent determination of the percentage of the 248
employee's permanent disability. If such an application is 249
filed, the bureau shall send a copy of the application to the 250
employer or the employer's representative. No sooner than sixty 251
days from the date of the mailing of the application to the 252
employer or the employer's representative, the administrator 253
shall review the application. The administrator may require a 254
medical examination or medical review of the employee. The 255
administrator shall issue a tentative order based upon the 256
evidence before the administrator, provided that if the 257
administrator requires a medical examination or medical review, 258
the administrator shall not issue the tentative order until the 259
completion of the examination or review. 260

The employer may obtain a medical examination of the 261
employee and may submit medical evidence at any stage of the 262
process up to a hearing before the district hearing officer, 263
pursuant to rules of the commission. The administrator shall 264
notify the employee, the employer, and their representatives, in 265
writing, of the nature and amount of any tentative order issued 266
on an application requesting a subsequent determination of the 267

percentage of an employee's permanent disability. An employee, 268
employer, or their representatives may object to the tentative 269
order within twenty days after the receipt of the notice 270
thereof. If no timely objection is made, the tentative order 271
shall go into effect. In no event shall there be a 272
reconsideration of a tentative order issued under this division. 273
If an objection is timely made, the application for a subsequent 274
determination shall be referred to a district hearing officer 275
who shall set the application for a hearing with written notice 276
to all interested persons. No application for subsequent 277
percentage determinations on the same claim for injury or 278
occupational disease shall be accepted for review by the 279
district hearing officer unless supported by substantial 280
evidence of new and changed circumstances developing since the 281
time of the hearing on the original or last determination. 282

No award shall be made under this division based upon a 283
percentage of disability which, when taken with all other 284
percentages of permanent disability, exceeds one hundred per 285
cent. If the percentage of the permanent disability of the 286
employee equals or exceeds ninety per cent, compensation for 287
permanent partial disability shall be paid for two hundred 288
weeks. 289

Compensation payable under this division accrues and is 290
payable to the employee from the date of last payment of 291
compensation, or, in cases where no previous compensation has 292
been paid, from the date of the injury or the date of the 293
diagnosis of the occupational disease. 294

When an award under this division has been made prior to 295
the death of an employee, all unpaid installments accrued or to 296
accrue under the provisions of the award are payable to the 297

surviving spouse, or if there is no surviving spouse, to the 298
dependent children of the employee, and if there are no children 299
surviving, then to other dependents as the administrator 300
determines. 301

(B) For purposes of this division, "payable per week" 302
means the seven-consecutive-day period in which compensation is 303
paid in installments according to the schedule associated with 304
the applicable injury as set forth in this division. 305

Compensation paid in weekly installments according to the 306
schedule described in this division may only be commuted to one 307
or more lump sum payments pursuant to the procedure set forth in 308
section 4123.64 of the Revised Code. 309

In cases included in the following schedule the 310
compensation payable per week to the employee is the statewide 311
average weekly wage as defined in division (C) of section 312
4123.62 of the Revised Code per week and shall be paid in 313
installments according to the following schedule: 314

For the loss of a first finger, commonly known as a thumb, 315
sixty weeks. 316

For the loss of a second finger, commonly called index 317
finger, thirty-five weeks. 318

For the loss of a third finger, thirty weeks. 319

For the loss of a fourth finger, twenty weeks. 320

For the loss of a fifth finger, commonly known as the 321
little finger, fifteen weeks. 322

The loss of a second, or distal, phalange of the thumb is 323
considered equal to the loss of one half of such thumb; the loss 324
of more than one half of such thumb is considered equal to the 325

loss of the whole thumb.	326
The loss of the third, or distal, phalange of any finger	327
is considered equal to the loss of one-third of the finger.	328
The loss of the middle, or second, phalange of any finger	329
is considered equal to the loss of two-thirds of the finger.	330
The loss of more than the middle and distal phalanges of	331
any finger is considered equal to the loss of the whole finger.	332
In no case shall the amount received for more than one finger	333
exceed the amount provided in this schedule for the loss of a	334
hand.	335
For the loss of the metacarpal bone (bones of the palm)	336
for the corresponding thumb, or fingers, add ten weeks to the	337
number of weeks under this division.	338
For ankylosis (total stiffness of) or contractures (due to	339
scars or injuries) which makes any of the fingers, thumbs, or	340
parts of either useless, the same number of weeks apply to the	341
members or parts thereof as given for the loss thereof.	342
If the claimant has suffered the loss of two or more	343
fingers by amputation or ankylosis and the nature of the	344
claimant's employment in the course of which the claimant was	345
working at the time of the injury or occupational disease is	346
such that the handicap or disability resulting from the loss of	347
fingers, or loss of use of fingers, exceeds the normal handicap	348
or disability resulting from the loss of fingers, or loss of use	349
of fingers, the administrator may take that fact into	350
consideration and increase the award of compensation	351
accordingly, but the award made shall not exceed the amount of	352
compensation for loss of a hand.	353
For the loss of a hand, one hundred seventy-five weeks.	354

For the loss of an arm, two hundred twenty-five weeks.	355
For the loss of a great toe, thirty weeks.	356
For the loss of one of the toes other than the great toe, ten weeks.	357 358
The loss of more than two-thirds of any toe is considered equal to the loss of the whole toe.	359 360
The loss of less than two-thirds of any toe is considered no loss, except as to the great toe; the loss of the great toe up to the interphalangeal joint is co-equal to the loss of one- half of the great toe; the loss of the great toe beyond the interphalangeal joint is considered equal to the loss of the whole great toe.	361 362 363 364 365 366
For the loss of a foot, one hundred fifty weeks.	367
For the loss of a leg, two hundred weeks.	368
For the loss of the sight of an eye, one hundred twenty- five weeks.	369 370
For the permanent partial loss of sight of an eye, the portion of one hundred twenty-five weeks as the administrator in each case determines, based upon the percentage of vision actually lost as a result of the injury or occupational disease, but, in no case shall an award of compensation be made for less than twenty-five per cent loss of uncorrected vision. "Loss of uncorrected vision" means the percentage of vision actually lost as the result of the injury or occupational disease.	371 372 373 374 375 376 377 378
For the permanent and total loss of hearing of one ear, twenty-five weeks; but in no case shall an award of compensation be made for less than permanent and total loss of hearing of one ear.	379 380 381 382

For the permanent and total loss of hearing, one hundred 383
twenty-five weeks; but, except pursuant to the next preceding 384
paragraph, in no case shall an award of compensation be made for 385
less than permanent and total loss of hearing. 386

In case an injury or occupational disease results in 387
serious facial or head disfigurement which either impairs or may 388
in the future impair the opportunities to secure or retain 389
employment, the administrator shall make an award of 390
compensation as it deems proper and equitable, in view of the 391
nature of the disfigurement, and not to exceed the sum of ten 392
thousand dollars. For the purpose of making the award, it is not 393
material whether the employee is gainfully employed in any 394
occupation or trade at the time of the administrator's 395
determination. 396

When an award under this division has been made prior to 397
the death of an employee all unpaid installments accrued or to 398
accrue under the provisions of the award shall be payable to the 399
surviving spouse, or if there is no surviving spouse, to the 400
dependent children of the employee and if there are no such 401
children, then to such dependents as the administrator 402
determines. 403

When an employee has sustained the loss of a member by 404
severance, but no award has been made on account thereof prior 405
to the employee's death, the administrator shall make an award 406
in accordance with this division for the loss which shall be 407
payable to the surviving spouse, or if there is no surviving 408
spouse, to the dependent children of the employee and if there 409
are no such children, then to such dependents as the 410
administrator determines. 411

(C) Compensation for partial impairment under divisions 412

(A) and (B) of this section is in addition to the compensation 413
paid the employee pursuant to section 4123.56 of the Revised 414
Code. A claimant may receive compensation under divisions (A) 415
and (B) of this section. 416

In all cases arising under division (B) of this section, 417
if it is determined by any one of the following: (1) the amputee 418
clinic at University hospital, Ohio state university; (2) the 419
opportunities for Ohioans with disabilities agency; (3) an 420
amputee clinic or prescribing physician approved by the 421
administrator or the administrator's designee, that an injured 422
or disabled employee is in need of an artificial appliance, or 423
in need of a repair thereof, regardless of whether the appliance 424
or its repair will be serviceable in the vocational 425
rehabilitation of the injured employee, and regardless of 426
whether the employee has returned to or can ever again return to 427
