BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 4503.10, 4503.103, 4503.11, and 5

snowmobile, off-highway motorcycle, or all-purpose vehicle, that 13
is not designed and constructed by the manufacturer for 14
operation on a street or highway may not register it under this 15
chapter except upon certification of inspection pursuant to 16
section 4513.02 of the Revised Code by the sheriff, or the chief 17

jurisdiction over the political subdivision in which the owner 19
of the motor vehicle resides. Except as provided in ~~section~~ 20
sections 4503.103 and 4503.107 of the Revised Code, every owner 21
of every other motor vehicle not previously described in this 22
section and every person mentioned as owner in the last 23
certificate of title of a motor vehicle that is operated or 24
driven upon the public roads or highways shall cause to be filed 25
each year, by mail or otherwise, in the office of the registrar 26

shall be prescribed by the registrar, for registration for the 30
following registration year, which shall begin on the first day 31
of January of every calendar year and end on the thirty-first 32
day of December in the same year. Applications for registration 33
and registration renewal notices shall be filed at the times 34
established by the registrar pursuant to section 4503.101 of the 35

and rules adopted under it, each application for registration 102
for a vehicle required to be inspected under that section and 103
those rules shall be accompanied by an inspection certificate 104

is applicable.	122
(4) This section does not require the payment of license	123
or registration taxes on a motor vehicle for any preceding year,	124
or for any preceding period of a year, if the motor vehicle was	125
not taxable for that preceding year or period under sections	126
4503.02, 4503.04, 4503.11, 4503.12, and 4503.16 or Chapter 4504.	127
of the Revised Code.	128
(5) When a certificate of registration is issued upon the	129
first registration of a motor vehicle by or on behalf of the	130
owner, the official issuing the certificate shall indicate the	131
issuance with a stamp on the certificate of title or memorandum	132
certificate or, in the case of an electronic certificate of	133

under this division. 153

(C) (1) Except as otherwise provided in division (C) (1) of 154
this section, the registrar and each deputy registrar shall 155
collect an additional fee of eleven dollars for each application 156
for registration and registration renewal received. For vehicles 157
specified in divisions (A) (1) to (21) of section 4503.042 of the 158
Revised Code, the registrar and deputy registrar shall collect 159
an additional fee of thirty dollars for each application for 160
registration and registration renewal received. No additional 161
fee shall be charged for vehicles registered under section 162

purpose of defraying the department of public safety's costs 164
associated with the administration and enforcement of the motor 165

(2) In addition, a charge of twenty-five cents shall be 172
made for each reflectorized safety license plate issued, and a 173
single charge of twenty-five cents shall be made for each county 174
identification sticker or each set of county identification 175
stickers issued, as the case may be, to cover the cost of 176
producing the license plates and stickers, including material, 177
manufacturing, and administrative costs. Those fees shall be in 178
addition to the license tax. If the total cost of producing the 179
plates is less than twenty-five cents per plate, or if the total 180
cost of producing the stickers is less than twenty-five cents 181
per sticker or per set issued, any excess moneys accruing from 182
the fees shall be distributed in the same manner as provided by 183
section 4501.04 of the Revised Code for the distribution of 184
license tax moneys. If the total cost of producing the plates 185
exceeds twenty-five cents per plate, or if the total cost of 186
producing the stickers exceeds twenty-five cents per sticker or 187
per set issued, the difference shall be paid from the license 188
tax moneys collected pursuant to section 4503.02 of the Revised 189
Code. 190

(3) The registrar and each deputy registrar shall collect 191
an additional fee of two hundred dollars for each application 192
for registration or registration renewal received for any plug- 193
in hybrid electric motor vehicle or battery electric motor 194
vehicle. The fee shall be prorated based on the number of months 195
for which the plug-in hybrid electric motor vehicle or battery 196
electric motor vehicle is registered. The registrar shall 197

transmit all money arising from the fee imposed by division (C) 198
(3) of this section to the treasurer of state for distribution 199
in accordance with division (E) of section 5735.051 of the 200
Revised Code, subject to division (D) of section 5735.05 of the 201
Revised Code. 202

(4) The registrar and each deputy registrar shall collect 203
an additional fee of one hundred dollars for each application 204
for registration or registration renewal received for any hybrid 205
motor vehicle. The fee shall be prorated based on the number of 206
months for which the hybrid motor vehicle is registered. The 207
registrar shall transmit all money arising from the fee imposed 208
by division (C) (4) of this section to the treasurer of state for 209
distribution in accordance with division (E) of section 5735.051 210
of the Revised Code, subject to division (D) of section 5735.05 211
of the Revised Code. 212

(D) Each deputy registrar shall be allowed a fee equal to 213
the amount established under section 4503.038 of the Revised 214
Code for each application for registration and registration 215
renewal notice the deputy registrar receives, which shall be for 216
the purpose of compensating the deputy registrar for the deputy 217
registrar's services, and such office and rental expenses, as 218
may be necessary for the proper discharge of the deputy 219
registrar's duties in the receiving of applications and renewal 220
notices and the issuing of registrations. 221

(E) Upon the certification of the registrar, the county 222
sheriff or local police officials shall recover license plates 223
erroneously or fraudulently issued. 224

(F) Each deputy registrar, upon receipt of any application 225
for registration or registration renewal notice, together with 226
the license fee and any local motor vehicle license tax levied 227

pursuant to Chapter 4504. of the Revised Code, shall transmit 228
that fee and tax, if any, in the manner provided in this 229
section, together with the original and duplicate copy of the 230
application, to the registrar. The registrar, subject to the 231
approval of the director of public safety, may deposit the funds 232
collected by those deputies in a local bank or depository to the 233
credit of the "state of Ohio, bureau of motor vehicles." Where a 234
local bank or depository has been designated by the registrar, 235
each deputy registrar shall deposit all moneys collected by the 236
deputy registrar into that bank or depository not more than one 237
business day after their collection and shall make reports to 238
the registrar of the amounts so deposited, together with any 239
other information, some of which may be prescribed by the 240
treasurer of state, as the registrar may require and as 241
prescribed by the registrar by rule. The registrar, within three 242
days after receipt of notification of the deposit of funds by a 243
deputy registrar in a local bank or depository, shall draw on 244
that account in favor of the treasurer of state. The registrar, 245
subject to the approval of the director and the treasurer of 246
state, may make reasonable rules necessary for the prompt 247
transmittal of fees and for safeguarding the interests of the 248
state and of counties, townships, municipal corporations, and 249
transportation improvement districts levying local motor vehicle 250
license taxes. The registrar may pay service charges usually 251
collected by banks and depositories for such service. If deputy 252
registrars are located in communities where banking facilities 253
are not available, they shall transmit the fees forthwith, by 254
money order or otherwise, as the registrar, by rule approved by 255
the director and the treasurer of state, may prescribe. The 256
registrar may pay the usual and customary fees for such service. 257

(G) This section does not prevent any person from making 258

an application for a motor vehicle license directly to the 259
registrar by mail, by electronic means, or in person at any of 260
the registrar's offices, upon payment of a service fee equal to 261
the amount established under section 4503.038 of the Revised 262
Code for each application. 263

(H) No person shall make a false statement as to the 264
district of registration in an application required by division 265
(A) of this section. Violation of this division is falsification 266
under section 2921.13 of the Revised Code and punishable as 267
specified in that section. 268

(I) (1) Where applicable, the requirements of division (B) 269
of this section relating to the presentation of an inspection 270
certificate issued under section 3704.14 of the Revised Code and 271
rules adopted under it for a motor vehicle, the refusal of a 272
license for failure to present an inspection certificate, and 273
the stamping of the inspection certificate by the official 274
issuing the certificate of registration apply to the 275
registration of and issuance of license plates for a motor 276
vehicle under sections 4503.102, 4503.12, 4503.14, 4503.15, 277
4503.16, 4503.171, 4503.172, 4503.19, 4503.40, 4503.41, 4503.42, 278
4503.43, 4503.44, 4503.46, 4503.47, and 4503.51 of the Revised 279
Code. 280

(2) (a) The registrar shall adopt rules ensuring that each 281
owner registering a motor vehicle in a county where a motor 282
vehicle inspection and maintenance program is in effect under 283
section 3704.14 of the Revised Code and rules adopted under it 284
receives information about the requirements established in that 285
section and those rules and about the need in those counties to 286
present an inspection certificate with an application for 287
registration or preregistration. 288

(b) Upon request, the registrar shall provide the director of environmental protection, or any person that has been awarded a contract under section 3704.14 of the Revised Code, an on-line computer data link to registration information for all passenger cars, noncommercial motor vehicles, and commercial cars that are subject to that section. The registrar also shall provide to the director of environmental protection a magnetic data tape containing registration information regarding passenger cars, noncommercial motor vehicles, and commercial cars for which a multi-year registration is in effect under section 4503.103 of the Revised Code or rules adopted under it, including, without limitation, the date of issuance of the multi-year registration, the registration deadline established under rules adopted under section 4503.101 of the Revised Code that was applicable in the year in which the multi-year registration was issued, and the registration deadline for renewal of the multi-year registration.

(J) Subject to division (K) of this section, application for registration under the international registration plan, as set forth in sections 4503.60 to 4503.66 of the Revised Code, shall be made to the registrar on forms furnished by the registrar. In accordance with international registration plan guidelines and pursuant to rules adopted by the registrar, the forms shall include the following:

(1) A uniform mileage schedule;

(2) The gross vehicle weight of the vehicle or combined gross vehicle weight of the combination vehicle as declared by the registrant;

(3) Any other information the registrar requires by rule.

(K) The registrar shall determine the feasibility of 318
implementing an electronic commercial fleet licensing and 319
management program that will enable the owners of commercial 320
tractors, commercial trailers, and commercial semitrailers to 321
conduct electronic transactions by July 1, 2010, or sooner. If 322
the registrar determines that implementing such a program is 323
feasible, the registrar shall adopt new rules under this 324
division or amend existing rules adopted under this division as 325
necessary in order to respond to advances in technology. 326

If international registration plan guidelines and 327
provisions allow member jurisdictions to permit applications for 328
registrations under the international registration plan to be 329
made via the internet, the rules the registrar adopts under this 330
division shall permit such action. 331

Sec. 4503.103. (A) (1) The registrar of motor vehicles may 332
adopt rules to permit any person or lessee, other than a person 333
receiving an apportioned license plate under the international 334
registration plan, who owns or leases one or more motor vehicles 335
to file a written application for registration for no more than 336
five succeeding registration years. The rules adopted by the 337
registrar may designate the classes of motor vehicles that are 338
eligible for such registration. At the time of application, all 339

that is subject to the tax rate prescribed in either division 344
(C) (1) or, beginning January 1, 2022, (C) (2) of section 4503.042 345
of the Revised Code to file a written application for 346
registration for any number of succeeding registration years, 347

including a permanent registration, for such trailers or 348
semitrailers. 349

At the time of application, the applicant shall pay all of 350
the following: 351

(i) As applicable, either the annual tax prescribed in 352
division (C) (1) of section 4503.042 of the Revised Code for each 353
year for which the applicant is registering or the annual tax 354
prescribed in division (C) (2) of section 4503.042 of the Revised 355
Code, unless the applicant previously paid the tax specified in 356
division (C) (2) of that section for the trailer or semitrailer 357
being registered. However, an applicant paying the annual tax 358
under division (C) (1) of section 4503.042 of the Revised Code 359
shall not pay more than eight times the annual taxes due, 360
regardless of the number of years for which the applicant is 361
registering. 362

(ii) The additional fee established under division (C) (1) 363
of section 4503.10 of the Revised Code for each year of 364
registration, provided that not more than eight times the 365
additional fee due shall be paid, regardless of the number of 366
years for which the applicant is registering. 367

(iii) One single deputy registrar service fee in the 368

in the amount specified in division (G) of that section, as 371
applicable, regardless of the number of years for which the 372
applicant is registering. 373

(b) In addition, each applicant registering a trailer or 374
semitrailer under division (A) (2) (a) of this section shall pay 375
any applicable local motor vehicle license tax levied under 376

Chapter 4504. of the Revised Code for each year for which the 377
applicant is registering, provided that not more than eight 378
times any such annual local taxes shall be due upon 379
registration. 380

(c) The period of registration for a trailer or 381
semitrailer registered under division (A) (2) (a) of this section 382
is exclusive to the trailer or semitrailer for which that 383
certificate of registration is issued and is not transferable to 384
any other trailer or semitrailer if the registration is a 385
permanent registration. 386

(3) Except as provided in division (A) (4) of this section, 387
the registrar shall adopt rules to permit any person who owns a 388
motor vehicle to file an application for registration for not 389
more than five succeeding registration years. At the time of 390
application, the person shall pay the annual taxes and fees for 391
each registration year, calculated in accordance with division 392
(C) of section 4503.11 of the Revised Code. A person who is 393
registering a vehicle under division (A) (3) of this section 394
shall pay for each year of registration the additional fee 395
established under division (C) (1), (3), or (4) of section 396
4503.10 of the Revised Code, as applicable. The person shall 397
also pay the deputy registrar service fee or the bureau of motor 398
vehicles service fee equal to the amount established under 399
section 4503.038 of the Revised Code. 400

(4) Division (A) (3) of this section does not apply to a 401
person receiving an apportioned license plate under the 402
international registration plan, or the owner of a commercial 403
car used solely in intrastate commerce, or the owner of a bus as 404
defined in section 4513.50 of the Revised Code. 405

(5) A person registering a noncommercial trailer 406

permanently shall register the trailer under section 4503.107 of 407
the Revised Code. 408

(B) No person applying for a multi-year registration under 409
division (A) of this section is entitled to a refund of any 410
taxes or fees paid. 411

(C) The registrar shall not issue to any applicant who has 412
been issued a final, nonappealable order under division (D) of 413
this section a multi-year registration or renewal thereof under 414
this division or rules adopted under it for any motor vehicle 415
that is required to be inspected under section 3704.14 of the 416
Revised Code the district of registration of which, as 417
determined under section 4503.10 of the Revised Code, is or is 418
located in the county named in the order. 419

(D) Upon receipt from the director of environmental 420
protection of a notice issued under rules adopted under section 421
3704.14 of the Revised Code indicating that an owner of a motor 422
vehicle that is required to be inspected under that section who 423
obtained a multi-year registration for the vehicle under 424
division (A) of this section or rules adopted under that 425
division has not obtained a required inspection certificate for 426
the vehicle, the registrar in accordance with Chapter 119. of 427
the Revised Code shall issue an order to the owner impounding 428
the certificate of registration and identification license 429
plates for the vehicle. The order also shall prohibit the owner 430
from obtaining or renewing a multi-year registration for any 431
vehicle that is required to be inspected under that section, the 432
district of registration of which is or is located in the same 433
county as the county named in the order during the number of 434
years after expiration of the current multi-year registration 435
that equals the number of years for which the current multi-year 436

registration was issued. 437

An order issued under this division shall require the 438
owner to surrender to the registrar the certificate of 439
registration and license plates for the vehicle named in the 440
order within five days after its issuance. If the owner fails to 441
do so within that time, the registrar shall certify that fact to 442
the county sheriff or local police officials who shall recover 443
the certificate of registration and license plates for the 444
vehicle. 445

(E) Upon the occurrence of either of the following 446
circumstances, the registrar in accordance with Chapter 119. of 447
the Revised Code shall issue to the owner a modified order 448
rescinding the provisions of the order issued under division (D) 449
of this section impounding the certificate of registration and 450
license plates for the vehicle named in that original order: 451

(1) Receipt from the director of environmental protection 452
of a subsequent notice under rules adopted under section 3704.14 453
of the Revised Code that the owner has obtained the inspection 454
