(2) The director shall approve the application of any minority business enterprise that complies with the rules adopted under this division. Any person adversely affected by an order of the director denying certification as a minority business enterprise may appeal as provided in Chapter 119. of the Revised Code. The director shall prepare and maintain a list of certified minority business enterprises.

(C) Every state agency authorized to enter into contracts for construction or contracts for purchases of equipment, materials, supplies, insurance, or services, and every port authority shall file a report every ninety days with the department of development. A copy of this certification shall be submitted to the state agency. Thereafter, no funds of the state agency shall be expended during the fiscal year for construction or purchases of equipment,
materials, supplies, contracts of insurance, or services until the director of development certifies to
the director of budget and management that the state agency has complied with the reporting
requirements of this division for the prior fiscal year.

If any port authority has not complied with the reporting requirement after the expiration of
the thirty-day period, the director of development shall certify to the speaker of the house of
representatives and the president of the senate that the port authority has not complied with the
reporting requirements of this division. A copy of this certification shall be submitted to the port
authority. Upon receipt of the certification, the speaker of the house of representatives and the
