However, the responsible party or designee is not required to request the criminal records check of the applicant or employee if the responsible party is prohibited by division (B)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing ombudsman services to residents and recipients. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal bureau of investigation in a criminal records check, the responsible party or designee shall request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the responsible party shall terminate the applicant's employment unless the applicant meets standards specified in rules adopted under this section that permit the responsible party to employ the applicant and the responsible party chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the responsible party or designee about the applicant's criminal record.

(G) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) If the responsible party employed the applicant or employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the responsible party shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the responsible party employed the applicant in good faith on a conditional basis pursuant to division (F) of this section, the responsible party shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal records check requested under this section.

(3) If the responsible party in good faith employed the applicant or employee because the applicant or employee meets standards specified in rules adopted under this section, the responsible party shall not be found negligent solely because the applicant or employee has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the responsible party about the applicant's criminal record.

(1) If the responsible party employed the applicant or employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the responsible party shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the responsible party employed the applicant in good faith on a conditional basis pursuant to division (H) of this section, the responsible party shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal records check requested under this section.

(3) If the responsible party in good faith employed the applicant or employee because the applicant or employee meets standards specified in rules adopted under this section, the responsible party shall not be found negligent solely because the applicant or employee has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(K) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;

(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The meaning of the term "subcontractor";

(b) The procedures for conducting database reviews under this section;

(c) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(d) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which a responsible party is prohibited from employing an applicant or continuing to employ an employee who is found by a database review to be included in one or more of those databases;

(e) Standards that an applicant or employee must meet for a responsible party to be permitted

to employ the applicant or continue to employ the employee in a direct-care position if the applicant or employee is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

Sec. 173.381. (A) As used in this section:

(2) "Community-based long-term care services certificate" means a certificate issued under section 173.391 of the Revised Code.

(3) "Community-based long-term care services contract or grant" means a contract or grant awarded under section 173.392 of the Revised Code.

(4) "Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

(5) "Disqualifying offense" means any of the offenses listed or described in divisions (A)(3)(a) to (e) of section 109.572 of the Revised Code.

(6) "Provider" has the same meaning as in section 173.39 of the Revised Code.

(7) "Self-employed provider" means a provider who works for the provider's self and has no employees.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 of the Revised Code.

(C)(1) The department of aging or its designee shall take the following actions when the circumstances specified in division (C)(2) of this section apply:

(a) Refuse to issue a community-based long-term care services certificate to a self-employed provider;

(b) Revoke a self-employed provider's community-based long-term care services certificate;

(c) Refuse to award a community-based long-term care services contract or grant to a self-employed provider;

(d) Terminate a self-employed provider's community-based long-term care services contract or grant awarded on or after September 15, 2014.

(2) The following are the circumstances that require the department of aging or its designee to take action under division (C)(1) of this section:

(a) A review of the databases listed in division (E) of this section reveals any of the following:

(i) That the self-employed provider is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(ii) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the self-employed provider abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(iii) That the self-employed provider is included in one or more of the databases, if any, specified in rules adopted under this section and the rules require the department or its designee to

take action under division (C)(1) of this section if a self-employed provider is included in such a database.

(b) After the self-employed provider is provided, pursuant to division (F)(2)(a) of this section, a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section, the self-employed provider fails to complete the form or provide the self-employed provider's fingerprint impressions on the standard impression sheet.

(c) Unless the self-employed provider meets standards specified in rules adopted under this section, the self-employed provider is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(D) The department of aging or its designee shall inform each self-employed provider of both of the following at the time of the self-employed provider's initial application for a community-based long-term care services certificate or initial bid for a community-based long-term care services contract or grant:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the department or its designee is required by division (C) of this section to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider;

(2) That, unless the database review reveals that the department or its designee is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider, a criminal records check of the self-employed provider will be conducted and the self-employed provider is required to provide a set of the self-employed provider's fingerprint impressions as part of the criminal records check.

(E) As a condition of issuing or awarding a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider, the department of aging or its designee shall conduct a database review of the self-employed provider in accordance with rules adopted under this section. If rules adopted under this section so require, the department or its designee shall conduct a database review of a self-employed provider in accordance with the rules as a condition of not revoking or terminating the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant. A database review shall determine whether the self-employed provider is included in any of the following:

(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of developmental disabilities employees established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender database established under

division (A)(11) of section 2950.13 of the Revised Code;

(5) The internet-based database of inmates established under section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section 3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules adopted under this section.

(F)(1) As a condition of issuing or awarding a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider, the department of aging or its designee shall request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the self-employed provider. If rules adopted under this section so require, the department or its designee shall request that the superintendent conduct a criminal records check of a self-employed provider at times specified in the rules as a condition of not revoking or terminating the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant. However, the department or its designee is not required to request the criminal records check of the self-employed provider if the department or its designee, because of circumstances specified in division (C)(2)(a) of this section, is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or to revoke or terminate the self-employed provider's certificate or contract or grant.

If a self-employed provider for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the self-employed provider from the federal bureau of investigation in a criminal records check, the department or its designee shall request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if a self-employed provider for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the department or its designee may request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The department or its designee shall do all of the following:

(a) Provide to each self-employed provider for whom a criminal records check request is required by this section a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and a standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Obtain the completed form and standard impression sheet from the self-employed provider;

(c) Forward the completed form and standard impression sheet to the superintendent.

(3) The department or its designee shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for each criminal records check of a self-employed provider the department or its designee requests under this section. The department or its designee may charge the self-employed provider a fee that does not exceed the amount the department or its designee pays to the bureau.

(G) The report of any criminal records check of a self-employed provider conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The self-employed provider or the self-employed provider's representative;

(2) The department of aging, the department's designee, or a representative of the department or its designee;

(3) The medicaid director and the staff of the department of medicaid who are involved in the administration of the medicaid program if the self-employed provider is to provide, or provides, community-based long-term care services under a component of the medicaid program that the department of aging administers;

(4) A court, or hearing officer, or other necessary individual involved in a case dealing with any of the following:

(a) A refusal to issue or award a community-based long-term services certificate or community-based long-term care services contract or grant to the self-employed provider;

(b) A revocation or termination of the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant;

(c) A civil or criminal action regarding a program the department of aging administers.

(5) Pursuant to a lawful subpoena or valid court order, any necessary individual not identified in division (G)(4) of this section who is involved in a case dealing with any issue, matter, or action described in division (G)(4)(a), (b), or (c) of this section.

(H) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by a self-employed provider, both of the following shall apply:

(1) If the department of aging or its designee, in good faith and reasonable reliance on the report of a criminal records check requested under this section, issued or awarded a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or did not revoke or terminate the self-employed provider's certificate or contract or grant, the department and its designee shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the department or its designee in good faith issued or awarded a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or did not revoke or terminate the self-employed provider's certificate or contract or grant because the self-employed provider meets standards specified in rules adopted under this section, the department and its designee shall not be found negligent solely because the self-employed provider has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(I) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section;

(b) If the rules require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section, exempt one or more classes of such self-employed providers from the requirements;

(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting database reviews under this section;

(b) If the rules require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which the department of aging or its designee is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider or to revoke or terminate a self-employed provider's certificate or contract or grant when the self-employed provider is found by a database review to be included in one or more of those databases;

(d) Standards that a self-employed provider must meet for the department or its designee to be permitted to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or not to revoke or terminate the self-employed provider's certificate or contract or grant if the self-employed provider is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

Sec. 718.01. Any term used in this chapter that is not otherwise defined in this chapter has the same meaning as when used in a comparable context in laws of the United States relating to federal income taxation or in Title LVII of the Revised Code, unless a different meaning is clearly required. Except as provided in section 718.81 of the Revised Code, if a term used in this chapter that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII of the Revised Code.

Except as otherwise provided in section 718.81 of the Revised Code, as used in this chapter:

(A)(1) "Municipal taxable income" means the following:

(a) For a person other than an individual, income apportioned or sitused to the municipal corporation under section 718.02 of the Revised Code, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.

(b)(i) For an individual who is a resident of a municipal corporation other than a qualified municipal corporation, income reduced by exempt income to the extent otherwise included in income, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(ii) For an individual who is a resident of a qualified municipal corporation, Ohio adjusted

gross income reduced by income exempted, and increased by deductions excluded, by the qualified municipal corporation from the qualified municipal corporation's tax. If a qualified municipal corporation, on or before December 31, 2013, exempts income earned by individuals who are not residents of the qualified municipal corporation and net profit of persons that are not wholly located within the qualified municipal corporation, such individual or person shall have no municipal taxable income for the purposes of the tax levied by the qualified municipal corporation and may be exempted by the qualified municipal corporation from the requirements of section 718.03 of the Revised Code.

(c) For an individual who is a nonresident of a municipal corporation, income reduced by exempt income to the extent otherwise included in income and then, as applicable, apportioned or situated to the municipal corporation under section 718.02 of the Revised Code, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(2) In computing the municipal taxable income of a taxpayer who is an individual, the taxpayer may subtract, as provided in division (A)(1)(b)(i) or (c) of this section, the amount of the individual's employee business expenses reported on the individual's form 2106 that the individual deducted for federal income tax purposes for the taxable year, subject to the limitation imposed by section 67 of the Internal Revenue Code. For the municipal corporation in which the taxpayer is a resident, the taxpayer may deduct all such expenses allowed for federal income tax purposes. For a municipal corporation in which the taxpayer is not a resident, the taxpayer may deduct such expenses only to the extent the expenses are related to the taxpayer's performance of personal services in that nonresident municipal corporation.

(B) "Income" means the following:

(1)(a) For residents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the resident, including the resident's distributive share of the net profit of pass-through entities owned directly or indirectly by the resident and any net profit of the resident, except as provided in division (D)(5) of this section.

(b) For the purposes of division (B)(1)(a) of this section:

(i) Any net operating loss of the resident incurred in the taxable year and the resident's distributive share of any net operating loss generated in the same taxable year and attributable to the resident's ownership interest in a pass-through entity shall be allowed as a deduction, for that taxable year and the following five taxable years, against any other net profit of the resident or the resident's distributive share of any net profit attributable to the resident's ownership interest in a pass-through entity until fully utilized, subject to division (B)(1)(d) of this section;

(ii) The resident's distributive share of the net profit of each pass-through entity owned directly or indirectly by the resident shall be calculated without regard to any net operating loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year.

(c) Division (B)(1)(b) of this section does not apply with respect to any net profit or net operating loss attributable to an ownership interest in an S corporation unless shareholders' distributive shares of net profits from S corporations are subject to tax in the municipal corporation as provided in division (C)(14)(b) or (c) of this section.

(d) Any amount of a net operating loss used to reduce a taxpayer's net profit for a taxable year shall reduce the amount of net operating loss that may be carried forward to any subsequent year for use by that taxpayer. In no event shall the cumulative deductions for all taxable years with respect to a taxpayer's net operating loss exceed the original amount of that net operating loss available to that taxpayer.

(2) In the case of nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss of only pass-through entities owned directly or indirectly by the nonresident.

(3) For taxpayers that are not individuals, net profit of the taxpayer;

(4) Lottery, sweepstakes, gambling and sports winnings, winnings from games of chance, and prizes and awards. If the taxpayer is a professional gambler for federal income tax purposes, the taxpayer may deduct related wagering losses and expenses to the extent authorized under the Internal Revenue Code and claimed against such winnings.

(C) "Exempt income" means all of the following:

(1) The military pay or allowances of members of the armed forces of the United States or members of their reserve components, including the national guard of any state;

(2)(a) Except as provided in division (C)(2)(b) of this section, intangible income;

(b) A municipal corporation that taxed any type of intangible income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 116th general assembly, may continue to tax that type of income if a majority of the electors of the municipal corporation voting on the question of whether to permit the taxation of that type of intangible income after 1988 voted in favor thereof at an election held on November 8, 1988.

(3) Social security benefits, railroad retirement benefits, unemployment compensation, pensions, retirement benefit payments, payments from annuities, and similar payments made to an employee or to the beneficiary of an employee under a retirement program or plan, disability payments received from private industry or local, state, or federal governments or from charitable, religious or educational organizations, and the proceeds of sickness, accident, or liability insurance policies. As used in division (C)(3) of this section, "unemployment compensation" does not include supplemental unemployment compensation described in section 3402(o)(2) of the Internal Revenue Code.

(4) The income of religious, fraternal, charitable, scientific, literary, or educational institutions to the extent such income is derived from tax-exempt real estate, tax-exempt tangible or intangible property, or tax-exempt activities.

(5) Compensation paid under section 3501.28 or 3501.36 of the Revised Code to a person serving as a precinct election official to the extent that such compensation does not exceed one thousand dollars for the taxable year. Such compensation in excess of one thousand dollars for the taxable year may be subject to taxation by a municipal corporation. A municipal corporation shall not require the payer of such compensation to withhold any tax from that compensation.

(6) Dues, contributions, and similar payments received by charitable, religious, educational, or literary organizations or labor unions, lodges, and similar organizations;

- (7) Alimony and child support received;
- (8) Compensation for personal injuries or for damages to property from insurance proceeds or otherwise, excluding compensation paid for lost salaries or wages or compensation from punitive damages;
- (9) Income of a public utility when that public utility is subject to the tax levied under section 5727.24 or 5727.30 of the Revised Code. Division (C)(9) of this section does not apply for purposes of Chapter 5745. of the Revised Code.
- (10) Gains from involuntary conversions, interest on federal obligations, items of income subject to a tax levied by the state and that a municipal corporation is specifically prohibited by law from taxing, and income of a decedent's estate during the period of administration except such income from the operation of a trade or business;
- (11) Compensation or allowances excluded from federal gross income under section 107 of the Internal Revenue Code;
- (12) Employee compensation that is not qualifying wages as defined in division (R) of this section;
- (13) Compensation paid to a person employed within the boundaries of a United States air force base under the jurisdiction of the United States air force that is used for the housing of members of the United States air force and is a center for air force operations, unless the person is subject to taxation because of residence or domicile. If the compensation is subject to taxation because of residence or domicile, tax on such income shall be payable only to the municipal corporation of residence or domicile.
- (14)(a) Except as provided in division (C)(14)(b) or (c) of this section, an S corporation shareholder's distributive share of net profits of the S corporation, other than any part of the distributive share of net profits that represents wages as defined in section 3121(a) of the Internal Revenue Code or net earnings from self-employment as defined in section 1402(a) of the Internal Revenue Code.
- (b) If, pursuant to division (H) of former section 718.01 of the Revised Code as it existed before March 11, 2004, a majority of the electors of a municipal corporation voted in favor of the question at an election held on November 4, 2003, the municipal corporation may continue after 2002 to tax an S corporation shareholder's distributive share of net profits of an S corporation.
- (c) If, on December 6, 2002, a municipal corporation was imposing, assessing, and collecting a tax on an S corporation shareholder's distributive share of net profits of the S corporation to the extent the distributive share would be allocated or apportioned to this state under divisions (B)(1) and (2) of section 5733.05 of the Revised Code if the S corporation were a corporation subject to taxes imposed under Chapter 5733. of the Revised Code, the municipal corporation may continue to impose the tax on such distributive shares to the extent such shares would be so allocated or apportioned to this state only until December 31, 2004, unless a majority of the electors of the municipal corporation voting on the question of continuing to tax such shares after that date voted in favor of that question at an election held November 2, 2004. If a majority of those electors voted in favor of the question, the municipal corporation may continue after December 31, 2004, to impose the tax on such distributive shares only to the extent such shares would be so allocated or apportioned to this state.

(d) A municipal corporation shall be deemed to have elected to tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders if a majority of the electors of a municipal corporation voted in favor of a question at an election held under division (C)(14)(b) or (c) of this section. The municipal corporation shall specify by resolution or ordinance that the tax applies to the distributive share of a shareholder of an S corporation in the hands of the shareholder of the S corporation.

(b) The exemption provided in division (C)(16)(a) of this section does not apply with respect to the municipal corporation in which the employee resided at the time the employee earned the qualifying wages.

(c) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages that an employer elects to withhold under division (D)(2) of section 718.011 of the Revised Code.

(d) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages if both of the following conditions apply:

(i) For qualifying wages described in division (B)(1) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employee's principal place of work is situated, or, for qualifying wages described in division (E) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employer's fixed location is located;

If the compensation is subject to taxation because of residence, municipal income tax shall be payable only to the municipal corporation of residence.

(19) In the case of a tax administered, collected, and enforced by a municipal corporation pursuant to an agreement with the board of directors of a joint economic development district under section 715.72 of the Revised Code, the net profits of a business, and the income of the employees of that business, exempted from the tax under division (Q) of that section.
