adopt, and may amend or rescind, rules in accordance with 303
section 111.15 of the Revised Code, with the approval of the 304
governor, defining various foreseen types and levels of energy 305
emergency conditions for critical shortages or interruptions in 306
the supply of electric power, natural gas, coal, or individual 307
petroleum fuels and specifying appropriate measures to be taken 308
at each level or for each type of energy emergency as necessary 309

to protect the public health or safety or prevent unnecessary or avoidable damage to property. The rules may prescribe different measures for each different type or level of declared energy emergency, and for any type or level shall empower the governor to:

chairperson of the commission, declare an energy emergency by 342
filing with the secretary of state a written declaration of an 343
energy emergency at any time the governor finds that the health, 344
safety, or welfare of the residents of this state or of one or 345

threatened by an energy shortage that immediate action of state 347
government is necessary to prevent loss of life, protect the 348
public health or safety, and prevent unnecessary or avoidable 349
damage to property. The declaration shall state the counties, 350
utility service areas, or fuel market areas affected, or its 351
statewide effect, and what fuels or forms of energy are in 352
critically short supply. An energy emergency declaration goes 353
into immediate effect upon filing ~~and continues in effect for~~ 354
~~the period prescribed in the declaration, but not more than~~ 355

~~the emergency. The general assembly may by concurrent resolution~~ 358
~~terminate any declaration of an energy emergency. The emergency~~ 359
~~is terminated at the time of filing of the concurrent resolution~~ 360

determines are appropriate for the type and level of emergency 363
in effect. 364

(C) Energy emergency orders issued by the governor 365
pursuant to this section shall take effect immediately upon 366

order. During an energy emergency the attorney general or the 369

prosecuting attorney of the county where violation of a rule 370
adopted or order issued under this section occurs may bring an 371
action for immediate injunction or other appropriate relief to 372
secure prompt compliance. The court may issue an ex parte 373
temporary order without notice which shall enforce the 374
prohibitions, restrictions, or actions that are necessary to 375
secure compliance with the rule or order. Compliance with rules 376
or orders issued under this section is a matter of statewide 377
concern. 378

(D) During a declared energy emergency the governor may 379
use the services, equipment, supplies, and facilities of 380
existing departments, offices, and agencies of the state and of 381
the political subdivisions thereof to the maximum extent 382
practicable and necessary to meet the energy emergency, and the 383
officers and personnel of all such departments, offices, and 384
agencies shall cooperate with and extend such services and 385
facilities to the governor upon request. 386

(E) During an energy emergency declared under this 387
section, no person shall violate any rule adopted or order 388
issued under this section. Whoever violates this division is 389
guilty of a minor misdemeanor on a first offense, and a 390
misdemeanor of the first degree upon subsequent offenses or if 391
the violation was purposely committed. 392

Section 2. That existing sections 3701.13, 3715.74, and 393
