and local taxes once the building is used. 308

(7) Any other rules necessary to implement and administer 309

(C) The director shall review the applications with the 311

rehabilitation. 326

An applicant shall demonstrate to the satisfaction of the 327

(D) (1) If the director determines that an application 332

meets the criteria in divisions (C) (1), (2), and (3) of this 333
section, the director shall conduct a cost-benefit analysis for 334
the historic building that is the subject of the application to 335
determine whether rehabilitation of the historic building will 336
result in a net revenue gain in state and local taxes once the 337
building is used. The director shall consider the results of the 338
cost-benefit analysis in determining whether to approve the 339
application. The director shall also consider the potential 340
economic impact and the regional distributive balance of the 341
credits throughout the state. The director may approve an 342
application only after completion of the cost-benefit analysis. 343

(2) A rehabilitation tax credit certificate shall not be 344

(4) For rehabilitations with a rehabilitation period not 360
exceeding sixty months as provided in division (A) (8) (b) of this 361
section, a rehabilitation tax credit certificate shall not be 362

issued before a stage of rehabilitation is completed. After all 363
stages of rehabilitation are completed, if the director cannot 364
determine that the criteria in division (C) of this section are 365
satisfied for all stages of rehabilitations, the director shall 366

rehabilitation tax credits received by the applicant shall be 368
repaid by the applicant and may be collected by assessment as 369
unpaid tax by the commissioner. 370

(5) The director shall require the applicant to provide a 371
third-party cost certification by a certified public accountant 372
of the actual costs attributed to the rehabilitation of the 373
historic building when qualified rehabilitation expenditures 374
exceed two hundred thousand dollars. 375

If an applicant whose application is approved for receipt 376
of a rehabilitation tax credit certificate fails to provide to 377
the director sufficient evidence of reviewable progress, 378
including a viable financial plan, copies of final construction 379
drawings, and evidence that the applicant has obtained all 380
historic approvals within twelve months after the date the 381
applicant received notification of approval, and if the 382
applicant fails to provide evidence to the director that the 383
applicant has secured and closed on financing for the 384
rehabilitation within eighteen months after receiving 385
notification of approval, the director may rescind the approval 386
of the application. The director shall notify the applicant if 387
the approval has been rescinded. Credits that would have been 388
available to an applicant whose approval was rescinded shall be 389
available for other qualified applicants. Nothing in this 390
division prohibits an applicant whose approval has been 391
rescinded from submitting a new application for a rehabilitation 392
tax credit certificate. 393

(6) The director may approve the application of, and issue a rehabilitation tax credit certificate to, the owner of a catalytic project, provided the application otherwise meets the criteria described in divisions (C) and (D) of this section. The director may not approve more than one application for a rehabilitation tax credit certificate under division (D) (6) of this section during each state fiscal biennium. The director shall not approve an application for a rehabilitation tax credit certificate under division (D) (6) of this section during the state fiscal biennium beginning July 1, 2017, or during any state fiscal biennium thereafter. The director shall consider the following criteria in determining whether to approve an application for a certificate under division (D) (6) of this section:

(a) Whether the historic building is a catalytic project;

(b) The effect issuance of the certificate would have on the availability of credits for other applicants that qualify for a credit certificate within the credit dollar limit described in division (D) (2) of this section;

(c) The number of jobs, if any, the catalytic project will create.

(7) (a) The owner or qualified lessee of a historic building may apply for a rehabilitation tax credit certificate under both divisions (B) and (D) (6) of this section. In such a case, the director shall consider each application at the time the application is submitted.

(b) The director shall not issue more than one certificate under this section with respect to the same qualified rehabilitation expenditures.

(8) The director shall give consideration for tax credits 423
awarded under this section to rehabilitations of historic 424
buildings used as a theater before, and intended to be used as a 425
theater after, the rehabilitation. In determining whether to 426
approve an application for such a rehabilitation, the director 427
shall consider the extent to which the rehabilitation will 428
increase attendance at the theater and increase the theater's 429
gross revenue. 430

(E) Issuance of a certificate represents a finding by the 431
director of the matters described in divisions (C) (1), (2), and 432
(3) of this section only; issuance of a certificate does not 433
represent a verification or certification by the director of the 434
amount of qualified rehabilitation expenditures for which a tax 435
credit may be claimed under section 5725.151, 5725.34, 5726.52, 436
5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of 437
qualified rehabilitation expenditures for which a tax credit may 438
be claimed is subject to inspection and examination by the tax 439
commissioner or employees of the commissioner under section 440
5703.19 of the Revised Code and any other applicable law. Upon 441
the issuance of a certificate, the director shall certify to the 442
tax commissioner, in the form and manner requested by the tax 443
commissioner, the name of the applicant, the amount of qualified 444
rehabilitation expenditures shown on the certificate, and any 445
other information required by the rules adopted under this 446
section. 447

(F) (1) On or before the first day of August each year, the 448
director and tax commissioner jointly shall submit to the 449
president of the senate and the speaker of the house of 450
representatives a report on the tax credit program established 451

5729.17, 5733.47, and 5747.76 of the Revised Code. The report 453

shall present an overview of the program and shall include 454
information on the number of rehabilitation tax credit 455
certificates issued under this section during the preceding 456
fiscal year, an update on the status of each historic building 457
for which an application was approved under this section, the 458
dollar amount of the tax credits granted under sections 459
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, and 5747.76 of the 460
Revised Code, and any other information the director and 461
commissioner consider relevant to the topics addressed in the 462
report. 463

(2) On or before December 1, 2015, the director and tax 464
commissioner jointly shall submit to the president of the senate 465
and the speaker of the house of representatives a comprehensive 466
report that includes the information required by division (F) (1) 467
of this section and a detailed analysis of the effectiveness of 468
issuing tax credits for rehabilitating historic buildings. The 469
report shall be prepared with the assistance of an economic 470
research organization jointly chosen by the director and 471
commissioner. 472

(G) There is hereby created in the state treasury the 473
historic rehabilitation tax credit operating fund. The director 474
is authorized to charge reasonable application and other fees in 475
connection with the administration of tax credits authorized by 476
this section and sections 5725.151, 5725.34, 5726.52, 5729.17, 477
5733.47, and 5747.76 of the Revised Code. Any such fees 478
collected shall be credited to the fund and used to pay 479
reasonable costs incurred by the department of development in 480
administering this section and sections 5725.151, 5725.34, 481
5726.52, 5729.17, 5733.47, and 5747.76 of the Revised Code. 482

The Ohio historic preservation office is authorized to 483

charge reasonable fees in connection with its review and 484
approval of applications under this section. Any such fees 485
collected shall be credited to the fund and used to pay 486
administrative costs incurred by the Ohio historic preservation 487
office pursuant to this section. 488

(H) Notwithstanding sections 5725.151, 5725.34, 5726.52, 489
5729.17, 5733.47, and 5747.76 of the Revised Code, the 490
certificate owner of a tax credit certificate issued under 491
division (D)(6) of this section may claim a tax credit equal to 492
twenty-five per cent of the dollar amount indicated on the 493
certificate for a total credit of not more than twenty-five 494
million dollars. The credit claimed by such a certificate owner 495
for any calendar year, tax year, or taxable year under section 496
5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 497
Revised Code shall not exceed five million dollars. If the 498
certificate owner is eligible for more than five million dollars 499
in total credits, the certificate owner may carry forward the 500
balance of the credit in excess of the amount claimed for that 501
year for not more than five ensuing calendar years, tax years, 502
or taxable years. If the credit claimed in any calendar year, 503
tax year, or taxable year exceeds the tax otherwise due, the 504
excess shall be refunded to the taxpayer. 505

(I) Notwithstanding sections 5725.151, 5725.34, 5726.52, 506
5729.17, 5733.47, and 5747.76 of the Revised Code, the following 507
apply to a tax credit approved under this section after the 508
effective date of this amendment and before July 1, 2024: 509

(1) The certificate holder may claim a tax credit equal to 510
thirty-five per cent of the dollar amount indicated on the tax 511
credit certificate if any county, township, or municipal 512
corporation within which the project is located has a population 513

of less than three hundred thousand according to the 2020 514
decennial census. The tax credit equals twenty-five per cent of 515
the dollar amount indicated on the certificate if the project is 516
not located within such a county, township, or municipal 517
corporation. 518

(2) The total tax credit claimed under section 5725.151, 519
5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised 520
Code for any one project shall not exceed ten million dollars 521
for any calendar year, tax year, or taxable year. 522

(3) If the credit claimed in any calendar year, tax year, 523
or taxable year exceeds the tax otherwise due, the excess shall 524
be refunded to the taxpayer, subject to division (I)(2) of this 525
section. 526

(J) The director of development, in consultation with the 527
director of budget and management, shall develop and adopt a 528
system of tracking any information necessary to anticipate the 529
impact of credits issued under this section on tax revenues for 530
current and future fiscal years. Such information may include 531
the number of applications approved, the estimated 532
rehabilitation expenditures and rehabilitation period associated 533
with such applications, the number and amount of tax credit 534
certificates issued, and any other information the director of 535
budget and management requires for the purposes of this 536
division. 537

(K) For purposes of this section and Chapter 122:19-1 of 538
the Ohio Administrative Code, a tax credit certificate issued 539
under this section is effective on the date that all historic 540
buildings rehabilitated by the project are "placed in service," 541
as that term is used in section 47 of the Internal Revenue Code. 542

Sec. 5701.11. The effective date to which this section 543
refers is the effective date of this section as amended by S.B. 544
18 of the 134th general assembly, March 31, 2021. 545

(A) (1) Except as provided under division (A) (2) or (B) of 546
this section, any reference in Title LVII or section 149.311, 547
3123.90, 3770.073, or 3772.37 of the Revised Code to the 548
Internal Revenue Code, to the Internal Revenue Code "as 549
amended," to other laws of the United States, or to other laws 550
of the United States, "as amended," means the Internal Revenue 551
Code or other laws of the United States as they exist on ~~the~~ 552
~~effective date~~ March 31, 2021. 553

(2) This section does not apply to any reference in Title 554
LVII of the Revised Code to the Internal Revenue Code as of a 555
date certain specifying the day, month, and year, or to other 556
laws of the United States as of a date certain specifying the 557
day, month, and year. 558

(B) (1) For purposes of applying section 5733.04, 5745.01, 559
or 5747.01 of the Revised Code to a taxpayer's taxable year 560
ending after March 27, 2020, and before ~~the effective date~~ March 561
31, 2021, a taxpayer may irrevocably elect to incorporate the 562
provisions of the Internal Revenue Code or other laws of the 563
United States that are in effect for federal income tax purposes 564
for that taxable year if those provisions differ from the 565
provisions that, under division (A) of this section, would 566
otherwise apply. The filing by the taxpayer for that taxable 567
year of a report or return that incorporates the provisions of 568
the Internal Revenue Code or other laws of the United States 569
applicable for federal income tax purposes for that taxable 570
year, and that does not include any adjustments to reverse the 571
effects of any differences between those provisions and the 572

provisions that would otherwise apply, constitutes the making of 573
an irrevocable election under this division for that taxable 574
year. 575

(2) Elections under prior versions of division (B) (1) of 576
this section remain in effect for the taxable years to which 577
they apply. 578

Section 2. That existing sections 122.84, 149.311, and 579
5701.11 of the Revised Code are hereby repealed. 580

Section 3. As used in this section, "historic building," 581
"owner," "rehabilitation," and "qualified lessee" have the same 582
meanings as in section 149.311 of the Revised Code, as amended 583
by this act. 584

The owner or qualified lessee of a historic building that 585
was approved for a tax credit under section 149.311 of the 586
Revised Code after June 30, 2020, and before the effective date 587
of the amendment of that section by this act, may reapply for a 588
tax credit under that section, as amended by this act. The form 589
of the new application, the manner in which it is submitted to 590
the Director of Development, and the criteria and procedures 591
used by the Director in reviewing, evaluating, and, if 592
applicable, approving it shall be the same that apply to any 593
other tax credit application submitted under section 149.311 of 594
the Revised Code, as amended by this act. If the application is 595
approved in fiscal year 2023 or 2024, and construction of the 596
project has not yet commenced at the time of approval, the 597
credit amount shall be computed as described in division (I) of 598
section 149.311 of the Revised Code, as amended by this act. 599

The enhanced credit authorized by this section and by 600
division (I) of section 149.311 of the Revised Code, as amended 601

by this act, replaces the standard credit computed under section 602
5725,151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the 603
Revised Code. No person may claim both the enhanced credit and 604
the standard credit for the same rehabilitation project or, if 605
the project is planned to be completed in stages, the same phase 606
of a rehabilitation project. 607

For the purpose of this section, construction of a 608
rehabilitation project commences when physical work on the 609
project begins, including actual construction or deconstruction 610
in preparation for construction. Construction of a project does 611
not commence merely because preliminary activities such as 612
planning, designing, securing financing, exploring, researching, 613
or developing plans and specifications have begun. Stabilizing a 614
building to prevent deterioration, environmental abatement, and 615
work necessary to qualify a building for the National Register 616
of Historic Places do not constitute commencement of 617
construction. 618

Section 4. Notwithstanding any provision of S.B. 51 of the 619
63rd General Assembly and any amendments thereto to the 620
contrary, the City of Canton, Ohio, shall not be required to 621
appoint a board of trustees to take charge of property 622
bequeathed to the city under that law. The City of Canton may 623
distribute all moneys, and all proceeds from such moneys, 624
bequeathed to the city under that law and all amendments thereto 625
to the Canton Ex-Newsboys Association or any other charitable 626
organization. 627

Section 5. That Section 803.210 of H.B. 110 of the 134th 628
General Assembly be amended to read as follows: 629

Sec. 803.210. The amendment by ~~this act~~ H.B. 110 of the 630
134th General Assembly of sections ~~section~~ 5709.40 and 5709.41 631

of the Revised Code applies to any ~~proceedings~~ projects 632
commenced or completed, or ordinances adopted, on, before, or 633
~~after the amendment's effective date September 30, 2021, and, so~~ 634
~~far as the amendment supports the actions taken, also applies to~~ 635
~~proceedings that, on that effective date, are pending or in~~ 636
~~process, notwithstanding the applicable law previously in~~ 637
~~effect. Any proceedings pending or in progress on that effective~~ 638
~~date shall be deemed to have been taken in conformity with that~~ 639
~~amendment~~ provided that, with respect to projects commenced or 640
completed, or ordinances adopted, before September 30, 2021, the 641
legislative authority of the municipal corporation adopts an 642
ordinance after September 30, 2021, to confirm the applicability 643
of the amendment to the project or ordinance. The amendment by 644
that act of section 5709.41 of the Revised Code applies to 645
ordinances adopted after September 30, 2021, and also to 646
ordinances adopted on or before that date if, and to the extent 647
that, the ordinance either specifies the tax year in which the 648
exemption commences, provides that the exemption commences in 649
the tax year in which the value of an improvement exceeds a 650
specified amount or in which the construction of one or more 651
improvements is completed, or allows for the exemption to 652
commence in different tax years on a parcel-by-parcel basis. 653

Section 6. That existing Section 803.210 of H.B. 110 of 654
the 134th General Assembly is hereby repealed. 655
