BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3901.21, 3901.32, 3901.33, 10
3901.34, 3901.341, 3901.36, 3905.051, 3905.06, 3905.064, 11
3915.073, 3953.01, 3953.331, and 3953.36 be amended and sections 12
3901.046, 3901.212, 3901.213, 3901.214, 3901.215, 3905.065, 13
3905.066, 3905.067, 3905.068, 3905.069, 3905.0610, and 3905.0611 14
of the Revised Code be enacted to read as follows: 15

Sec. 3901.046. (A) As used in this section: 16

(1) "Electronic signature" has the same meaning as in 17
section 1306.01 of the Revised Code. 18

(2) "Insurer" has the same meaning as in section 3901.32 19
of the Revised Code. 20

(B) An insurer may use an electronic signature to comply 21
with any signature requirement placed upon insurers by this 22
title, including any requirement that a document submitted by an 23
insurer to the department of insurance be signed. 24

Sec. 3901.21. The following are hereby defined as unfair 25
and deceptive acts or practices in the business of insurance: 26

(A) Making, issuing, circulating, or causing or permitting 27
to be made, issued, or circulated, or preparing with intent to 28
so use, any estimate, illustration, circular, or statement 29
misrepresenting the terms of any policy issued or to be issued 30
or the benefits or advantages promised thereby or the dividends 31
or share of the surplus to be received thereon, or making any 32
false or misleading statements as to the dividends or share of 33
surplus previously paid on similar policies, or making any 34
misleading representation or any misrepresentation as to the 35
financial condition of any insurer as shown by the last 36
preceding verified statement made by it to the insurance 37
department of this state, or as to the legal reserve system upon 38
which any life insurer operates, or using any name or title of 39
any policy or class of policies misrepresenting the true nature 40
thereof, or making any misrepresentation or incomplete 41
comparison to any person for the purpose of inducing or tending 42
to induce such person to purchase, amend, lapse, forfeit, 43
change, or surrender insurance. 44

Any written statement concerning the premiums for a policy 45

which refers to the net cost after credit for an assumed 46
dividend, without an accurate written statement of the gross 47
premiums, cash values, and dividends based on the insurer's 48
current dividend scale, which are used to compute the net cost 49
for such policy, and a prominent warning that the rate of 50
dividend is not guaranteed, is a misrepresentation for the 51
purposes of this division. 52

(B) Making, publishing, disseminating, circulating, or 53
placing before the public or causing, directly or indirectly, to 54
be made, published, disseminated, circulated, or placed before 55
the public, in a newspaper, magazine, or other publication, or 56
in the form of a notice, circular, pamphlet, letter, or poster, 57
or over any radio station, or in any other way, or preparing 58
with intent to so use, an advertisement, announcement, or 59
statement containing any assertion, representation, or 60
statement, with respect to the business of insurance or with 61
respect to any person in the conduct of the person's insurance 62
business, which is untrue, deceptive, or misleading. 63

(C) Making, publishing, disseminating, or circulating, 64
directly or indirectly, or aiding, abetting, or encouraging the 65
making, publishing, disseminating, or circulating, or preparing 66
with intent to so use, any statement, pamphlet, circular, 67
article, or literature, which is false as to the financial 68
condition of an insurer and which is calculated to injure any 69
person engaged in the business of insurance. 70

(D) Filing with any supervisory or other public official, 71
or making, publishing, disseminating, circulating, or delivering 72
to any person, or placing before the public, or causing directly 73
or indirectly to be made, published, disseminated, circulated, 74
delivered to any person, or placed before the public, any false 75

statement of financial condition of an insurer. 76

Making any false entry in any book, report, or statement 77
of any insurer with intent to deceive any agent or examiner 78
lawfully appointed to examine into its condition or into any of 79
its affairs, or any public official to whom such insurer is 80
required by law to report, or who has authority by law to 81
examine into its condition or into any of its affairs, or, with 82
like intent, willfully omitting to make a true entry of any 83
material fact pertaining to the business of such insurer in any 84
book, report, or statement of such insurer, or mutilating, 85
destroying, suppressing, withholding, or concealing any of its 86
records. 87

(E) Issuing or delivering or permitting agents, officers, 88
or employees to issue or deliver agency company stock or other 89
capital stock or benefit certificates or shares in any common- 90
law corporation or securities or any special or advisory board 91
contracts or other contracts of any kind promising returns and 92
profits as an inducement to insurance. 93

(F) ~~Making~~ Except as provided in section 3901.213 of the 94
Revised Code, making or permitting any unfair discrimination 95
among individuals of the same class and equal expectation of 96
life in the rates charged for any contract of life insurance or 97
of life annuity or in the dividends or other benefits payable 98
thereon, or in any other of the terms and conditions of such 99
contract. 100

(G) (1) Except as otherwise expressly provided by law, 101
including as provided in section 3901.213 of the Revised Code, 102
knowingly permitting or offering to make or making any contract 103
of life insurance, life annuity or accident and health 104
insurance, or agreement as to such contract other than as 105

plainly expressed in the contract issued thereon, or paying or 106
allowing, or giving or offering to pay, allow, or give, directly 107
or indirectly, as inducement to such insurance, or annuity, any 108
rebate of premiums payable on the contract, or any special favor 109
or advantage in the dividends or other benefits thereon, or any 110
valuable consideration or inducement whatever not specified in 111
the contract; or giving, or selling, or purchasing, or offering 112
to give, sell, or purchase, as inducement to such insurance or 113
annuity or in connection therewith, any stocks, bonds, or other 114
securities, or other obligations of any insurance company or 115
other corporation, association, or partnership, or any dividends 116
or profits accrued thereon, or anything of value whatsoever not 117
specified in the contract. 118

~~(2) Nothing in division (F) or division (G)(1) of this 119
section shall be construed as prohibiting any of the following 120
practices: (a) in the case of any contract of life insurance or 121
life annuity, paying bonuses to policyholders or otherwise 122
abatting their premiums in whole or in part out of surplus 123
accumulated from nonparticipating insurance, provided that any 124
such bonuses or abatement of premiums shall be fair and 125
equitable to policyholders and for the best interests of the 126
company and its policyholders; (b) in the case of life insurance 127
policies issued on the industrial debit plan, making allowance 128
to policyholders who have continuously for a specified period 129
made premium payments directly to an office of the insurer in an 130
amount which fairly represents the saving in collection 131
expenses; (c) readjustment of the rate of premium for a group 132
insurance policy based on the loss or expense experience 133
thereunder, at the end of the first or any subsequent policy 134
year of insurance thereunder, which may be made retroactive only 135
for such policy year. An insurer, producer, or representative of 136~~

either shall not offer or provide insurance as an inducement to 137
the purchase of another policy of insurance and shall not use 138
the words "free" or "no cost," or words of similar import, to 139
such effect in an advertisement. 140

(H) Making, issuing, circulating, or causing or permitting 141
to be made, issued, or circulated, or preparing with intent to 142
so use, any statement to the effect that a policy of life 143
insurance is, is the equivalent of, or represents shares of 144
capital stock or any rights or options to subscribe for or 145
otherwise acquire any such shares in the life insurance company 146
issuing that policy or any other company. 147

(I) Making, issuing, circulating, or causing or permitting 148
to be made, issued or circulated, or preparing with intent to so 149
issue, any statement to the effect that payments to a 150
policyholder of the principal amounts of a pure endowment are 151
other than payments of a specific benefit for which specific 152
premiums have been paid. 153

(J) Making, issuing, circulating, or causing or permitting 154
to be made, issued, or circulated, or preparing with intent to 155
so use, any statement to the effect that any insurance company 156
was required to change a policy form or related material to 157
comply with Title XXXIX of the Revised Code or any regulation of 158
the superintendent of insurance, for the purpose of inducing or 159
intending to induce any policyholder or prospective policyholder 160
to purchase, amend, lapse, forfeit, change, or surrender 161
insurance. 162

(K) Aiding or abetting another to violate this section. 163

(L) Refusing to issue any policy of insurance, or 164
canceling or declining to renew such policy because of the sex 165

or marital status of the applicant, prospective insured, 166
insured, or policyholder. 167

(M) Making or permitting any unfair discrimination between 168
individuals of the same class and of essentially the same hazard 169
in the amount of premium, policy fees, or rates charged for any 170
policy or contract of insurance, other than life insurance, or 171
in the benefits payable thereunder, or in underwriting standards 172
and practices or eligibility requirements, or in any of the 173
terms or conditions of such contract, or in any other manner 174
whatever. 175

(N) Refusing to make available disability income insurance 176
solely because the applicant's principal occupation is that of 177
managing a household. 178

(O) Refusing, when offering maternity benefits under any 179
individual or group sickness and accident insurance policy, to 180
make maternity benefits available to the policyholder for the 181
individual or individuals to be covered under any comparable 182
policy to be issued for delivery in this state, including family 183
members if the policy otherwise provides coverage for family 184
members. Nothing in this division shall be construed to prohibit 185
an insurer from imposing a reasonable waiting period for such 186
benefits under an individual sickness and accident insurance 187
policy issued to an individual who is not a federally eligible 188
individual or a nonemployer-related group sickness and accident 189
insurance policy, but in no event shall such waiting period 190
exceed two hundred seventy days. 191

For purposes of division (O) of this section, "federally 192
eligible individual" means an eligible individual as defined in 193
45 C.F.R. 148.103. 194

(P) Using, or permitting to be used, a pattern settlement 195
as the basis of any offer of settlement. As used in this 196
division, "pattern settlement" means a method by which liability 197
is routinely imputed to a claimant without an investigation of 198
the particular occurrence upon which the claim is based and by 199
using a predetermined formula for the assignment of liability 200
arising out of occurrences of a similar nature. Nothing in this 201
division shall be construed to prohibit an insurer from 202
determining a claimant's liability by applying formulas or 203
guidelines to the facts and circumstances disclosed by the 204
insurer's investigation of the particular occurrence upon which 205
a claim is based. 206

(Q) Refusing to insure, or refusing to continue to insure, 207
or limiting the amount, extent, or kind of life or sickness and 208
accident insurance or annuity coverage available to an 209
individual, or charging an individual a different rate for the 210
same coverage solely because of blindness or partial blindness. 211
With respect to all other conditions, including the underlying 212
cause of blindness or partial blindness, persons who are blind 213
or partially blind shall be subject to the same standards of 214
sound actuarial principles or actual or reasonably anticipated 215
actuarial experience as are sighted persons. Refusal to insure 216
includes, but is not limited to, denial by an insurer of 217
disability insurance coverage on the grounds that the policy 218
defines "disability" as being presumed in the event that the 219
eyesight of the insured is lost. However, an insurer may exclude 220
from coverage disabilities consisting solely of blindness or 221
partial blindness when such conditions existed at the time the 222
policy was issued. To the extent that the provisions of this 223
division may appear to conflict with any provision of section 224
3999.16 of the Revised Code, this division applies. 225

(R) (1) Directly or indirectly offering to sell, selling, 226
or delivering, issuing for delivery, renewing, or using or 227
otherwise marketing any policy of insurance or insurance product 228
in connection with or in any way related to the grant of a 229
student loan guaranteed in whole or in part by an agency or 230
commission of this state or the United States, except insurance 231
that is required under federal or state law as a condition for 232
obtaining such a loan and the premium for which is included in 233
the fees and charges applicable to the loan; or, in the case of 234
an insurer or insurance agent, knowingly permitting any lender 235
making such loans to engage in such acts or practices in 236
connection with the insurer's or agent's insurance business. 237

(2) Except in the case of a violation of division (G) of 238
this section, division (R) (1) of this section does not apply to 239
either of the following: 240

(a) Acts or practices of an insurer, its agents, 241
representatives, or employees in connection with the grant of a 242
guaranteed student loan to its insured or the insured's spouse 243
or dependent children where such acts or practices take place 244
more than ninety days after the effective date of the insurance; 245

(b) Acts or practices of an insurer, its agents, 246
representatives, or employees in connection with the 247
solicitation, processing, or issuance of an insurance policy or 248
product covering the student loan borrower or the borrower's 249
spouse or dependent children, where such acts or practices take 250
place more than one hundred eighty days after the date on which 251
the borrower is notified that the student loan was approved. 252

(S) Denying coverage, under any health insurance or health 253
care policy, contract, or plan providing family coverage, to any 254
natural or adopted child of the named insured or subscriber 255

solely on the basis that the child does not reside in the	256
household of the named insured or subscriber.	257
(T) (1) Using any underwriting standard or engaging in any	258
other act or practice that, directly or indirectly, due solely	259
to any health status-related factor in relation to one or more	260
individuals, does either of the following:	261
(a) Terminates or fails to renew an existing individual	262
policy, contract, or plan of health benefits, or a health	263
benefit plan issued to an employer, for which an individual	264
would otherwise be eligible;	265
(b) With respect to a health benefit plan issued to an	266
employer, excludes or causes the exclusion of an individual from	267
coverage under an existing employer-provided policy, contract,	268
or plan of health benefits.	269
(2) The superintendent of insurance may adopt rules in	270
accordance with Chapter 119. of the Revised Code for purposes of	271
implementing division (T) (1) of this section.	272
(3) For purposes of division (T) (1) of this section,	273
"health status-related factor" means any of the following:	274
(a) Health status;	275
(b) Medical condition, including both physical and mental	276
illnesses;	277
(c) Claims experience;	278
(d) Receipt of health care;	279
(e) Medical history;	280
(f) Genetic information;	281
(g) Evidence of insurability, including conditions arising	282

out of acts of domestic violence;	283
(h) Disability.	284
(U) With respect to a health benefit plan issued to a small employer, as those terms are defined in section 3924.01 of the Revised Code, negligently or willfully placing coverage for adverse risks with a certain carrier, as defined in section 3924.01 of the Revised Code.	285 286 287 288 289
(V) Using any program, scheme, device, or other unfair act or practice that, directly or indirectly, causes or results in the placing of coverage for adverse risks with another carrier, as defined in section 3924.01 of the Revised Code.	290 291 292 293
(W) Failing to comply with section 3923.23, 3923.231, 3923.232, 3923.233, or 3923.234 of the Revised Code by engaging in any unfair, discriminatory reimbursement practice.	294 295 296
(X) Intentionally establishing an unfair premium for, or misrepresenting the cost of, any insurance policy financed under a premium finance agreement of an insurance premium finance company.	297 298 299 300
(Y) (1) (a) Limiting coverage under, refusing to issue, canceling, or refusing to renew, any individual policy or contract of life insurance, or limiting coverage under or refusing to issue any individual policy or contract of health insurance, for the reason that the insured or applicant for insurance is or has been a victim of domestic violence;	301 302 303 304 305 306
(b) Adding a surcharge or rating factor to a premium of any individual policy or contract of life or health insurance for the reason that the insured or applicant for insurance is or has been a victim of domestic violence;	307 308 309 310

(c) Denying coverage under, or limiting coverage under, 311
any policy or contract of life or health insurance, for the 312
reason that a claim under the policy or contract arises from an 313
incident of domestic violence; 314

(d) Inquiring, directly or indirectly, of an insured 315
under, or of an applicant for, a policy or contract of life or 316
health insurance, as to whether the insured or applicant is or 317
has been a victim of domestic violence, or inquiring as to 318
whether the insured or applicant has sought shelter or 319
protection from domestic violence or has sought medical or 320
psychological treatment as a victim of domestic violence. 321

(2) Nothing in division (Y) (1) of this section shall be 322
construed to prohibit an insurer from inquiring as to, or from 323
underwriting or rating a risk on the basis of, a person's 324
physical or mental condition, even if the condition has been 325
caused by domestic violence, provided that all of the following 326
apply: 327

(a) The insurer routinely considers the condition in 328
underwriting or in rating risks, and does so in the same manner 329
for a victim of domestic violence as for an insured or applicant 330
who is not a victim of domestic violence; 331

(b) The insurer does not refuse to issue any policy or 332
contract of life or health insurance or cancel or refuse to 333
renew any policy or contract of life insurance, solely on the 334
basis of the condition, except where such refusal to issue, 335
cancellation, or refusal to renew is based on sound actuarial 336
principles or is related to actual or reasonably anticipated 337
experience; 338

(c) The insurer does not consider a person's status as 339

being or as having been a victim of domestic violence, in 340
itself, to be a physical or mental condition; 341

(d) The underwriting or rating of a risk on the basis of 342
the condition is not used to evade the intent of division (Y) (1) 343
of this section, or of any other provision of the Revised Code. 344

(3) (a) Nothing in division (Y) (1) of this section shall be 345
construed to prohibit an insurer from refusing to issue a policy 346
or contract of life insurance insuring the life of a person who 347
is or has been a victim of domestic violence if the person who 348
committed the act of domestic violence is the applicant for the 349
insurance or would be the owner of the insurance policy or 350
contract. 351

(b) Nothing in division (Y) (2) of this section shall be 352
construed to permit an insurer to cancel or refuse to renew any 353
policy or contract of health insurance in violation of the 354
"Health Insurance Portability and Accountability Act of 1996," 355
110 Stat. 1955, 42 U.S.C.A. 300gg-41(b), as amended, or in a 356
manner that violates or is inconsistent with any provision of 357
the Revised Code that implements the "Health Insurance 358
Portability and Accountability Act of 1996." 359

(4) An insurer is immune from any civil or criminal 360
liability that otherwise might be incurred or imposed as a 361
result of any action taken by the insurer to comply with 362
division (Y) of this section. 363

(5) As used in division (Y) of this section, "domestic 364
violence" means any of the following acts: 365

(a) Knowingly causing or attempting to cause physical harm 366
to a family or household member; 367

(b) Recklessly causing serious physical harm to a family 368

or household member; 369

(c) Knowingly causing, by threat of force, a family or 370
household member to believe that the person will cause imminent 371
physical harm to the family or household member. 372

For the purpose of division (Y) (5) of this section, 373
"family or household member" has the same meaning as in section 374
2919.25 of the Revised Code. 375

Nothing in division (Y) (5) of this section shall be 376
construed to require, as a condition to the application of 377
division (Y) of this section, that the act described in division 378
(Y) (5) of this section be the basis of a criminal prosecution. 379

(Z) Disclosing a coroner's records by an insurer in 380
violation of section 313.10 of the Revised Code. 381

(AA) Making, issuing, circulating, or causing or 382
permitting to be made, issued, or circulated any statement or 383
representation that a life insurance policy or annuity is a 384
contract for the purchase of funeral goods or services. 385

(BB) With respect to a health care contract as defined in 386
section 3963.01 of the Revised Code that covers vision services, 387
as defined in that section, including any of the contract terms 388
prohibited under or failing to make the disclosures required 389
under division (E) of section 3963.02 of the Revised Code. 390

(CC) With respect to private passenger automobile 391
insurance, charging premium rates that are excessive, 392
inadequate, or unfairly discriminatory, pursuant to division (D) 393
of section 3937.02 of the Revised Code, based solely on the 394
location of the residence of the insured. 395

The enumeration in sections 3901.19 to 3901.26 of the 396

Revised Code of specific unfair or deceptive acts or practices 397
in the business of insurance is not exclusive or restrictive or 398
intended to limit the powers of the superintendent of insurance 399
to adopt rules to implement this section, or to take action 400
under other sections of the Revised Code. 401

This section does not prohibit the sale of shares of any 402
investment company registered under the "Investment Company Act 403
of 1940," 54 Stat. 789, 15 U.S.C.A. 80a-1, as amended, or any 404
policies, annuities, or other contracts described in section 405
3907.15 of the Revised Code. 406

As used in this section, "estimate," "statement," 407
"representation," "misrepresentation," "advertisement," or 408
"announcement" includes oral or written occurrences. 409

Sec. 3901.212. (A) As used in sections 3901.212 to 410
3901.213 of the Revised Code, "consumer" means a policyholder, 411
potential policyholder, certificate holder, potential 412
certificate holder, insured, potential insured, or applicant. 413

(B) The superintendent may adopt rules pursuant to Chapter 414
119. of the Revised Code to implement the practices set forth in 415
section 3901.213 of the Revised Code to ensure consumer 416
protection. Such regulations, consistent with applicable law, 417
may address all of the following: 418

(1) Consumer data protections and privacy; 419

(2) Consumer disclosure; 420

(3) Unfair discrimination; 421

(4) Any other matter the superintendent considers 422
pertinent. 423

Sec. 3901.213. Nothing in division (F) or (G) of section 424

3901.21 or in section 3933.01 of the Revised Code shall be 425
construed as prohibiting any of the following practices: 426

(A) In the case of any contract of life insurance or life 427
annuity, paying bonuses to policyholders or otherwise abating 428
their premiums in whole or in part out of surplus accumulated 429
from nonparticipating insurance, provided that any such bonuses 430
or abatement of premiums shall be fair and equitable to 431
policyholders and in the best interests of the company and its 432
policyholders; 433

(B) In the case of life insurance policies issued on the 434
industrial debit plan, making allowance to policyholders who 435
have continuously for a specified period made premium payments 436
directly to an office of the insurer in an amount which fairly 437
represents the saving in collection expenses; 438

(C) Readjustment of the rate of premium for a group 439
insurance policy based on the loss or expense experience 440
thereunder, at the end of the first or any subsequent policy 441
year of insurance thereunder, which may be made retroactive only 442
for such policy year; 443

(D) (1) Subject to divisions (D) (2) and (3) of this 444
section, the offer or provision by insurers or producers, by or 445

disclaiming the affiliation. After a disclaimer has been filed, 762
the insurer shall be relieved of any duty to register or report 763
under this section which may arise out of the insurer's 764
relationship with the person unless and until the superintendent 765
disallows the disclaimer. The superintendent shall disallow such 766
a disclaimer only in the manner provided in Chapter 119. of the 767
Revised Code. 768

(2) The report shall be completed in accordance with the 792
national association of insurance commissioners group capital 793
calculation instructions, which may permit the lead state 794
commissioner to allow a controlling person that is not the 795
ultimate controlling person to file the group capital 796
calculation. 797

(3) The report shall be filed with the lead state 798

(b) (i) An insurance holding company system that is 809
required to perform a group capital calculation specified by the 810

determined such information is satisfactory to allow the lead 831
state to comply with the national association of insurance 832
commissioners group supervision approach, as detailed in the 833
national association of insurance commissioners financial 834
analysis handbook. 835

(ii) The insurance holding company has a non-United States 836
group-wide supervisor that is not in a reciprocal jurisdiction 837
that recognizes and accepts, as specified by the superintendent 838
in rule, the group capital calculation as the world-wide group 839
capital assessment for United States insurance groups who 840
operate in that jurisdiction. 841

(5) Notwithstanding the provisions of divisions (L) (4) (c) 842
and (d) of this section, a lead state commissioner shall require 843
the group capital calculation for United States operations of 844
any non-United States based insurance holding company system 845
where, after any necessary consultation with other supervisors 846
or officials, it is deemed appropriate by the lead state 847
commissioner for prudential oversight and solvency monitoring 848
purposes or for ensuring the competitiveness of the insurance 849
marketplace. 850

(6) Notwithstanding the exemptions from filing the group 851
capital calculation stated in divisions (L) (4) (a) to (d) of this 852
section, the lead state commissioner has the discretion to 853
exempt the ultimate controlling person from filing the annual 854
group capital calculation or to accept a limited group capital 855
filing or report in accordance with criteria as specified by the 856

superintendent in rule. 857

(7) If the lead state commissioner determines that an insurance holding company system no longer meets one or more of the requirements for an exemption from filing the group capital calculation under this section, the insurance holding company system shall file the group capital calculation at the next annual filing date unless given an extension by the lead state commissioner based on reasonable grounds shown. 858

(b) Any change to the national association of insurance commissioners liquidity stress test framework or to the data year for which the scope criteria are to be measured shall be 883
884
885

effective on January 1 of the year following the calendar year 886
when such changes are adopted. 887

(c) Insurers meeting at least one threshold of the scope 888

insurance commissioners liquidity stress test framework for the 890
specified data year unless the lead state insurance 891
commissioner, in consultation with the national association of 892
insurance commissioners financial stability task force or its 893
successor, determines the insurer should not be scoped into the 894
framework for that data year. 895

(d) Insurers that do not trigger at least one threshold of 896
the scope criteria are considered scoped out of the national 897
association of insurance commissioners liquidity stress test 898
framework for the specified data year, unless the lead state 899
insurance commissioner, in consultation with the national 900
association of insurance commissioners financial stability task 901
force or its successor, determines the insurer should be scoped 902
into the framework for that data year. 903

(e) Regulators wish to avoid having insurers scoped in and 904

state insurance commissioner, in consultation with the financial 907
stability task force or its successor, will assess this concern 908

services shall include such provisions as required by the 940
superintendent of insurance in rule or regulation; 941

(7) If an insurer subject to sections 3901.32 to 3901.37 942
of the Revised Code is deemed by the superintendent to be in a 943

hazardous financial condition or a condition that would be 944
grounds for supervision, conservation, or a delinquency 945
proceeding, then the superintendent may require the insurer to 946
secure and maintain either a deposit, held by the 947
superintendent, or a bond, as determined by the insurer at the 948
insurer's discretion, for the protection of the insurer for the 949
duration of the contract or agreement, or the existence of the 950
condition for which the superintendent required the deposit or 951
the bond. 952

(8) In determining whether a deposit or a bond is 953
required, the superintendent may consider whether concerns exist 954
with respect to the affiliated person's ability to fulfill the 955
contract or agreement if the insurer were to be put into 956
liquidation. Once the insurer is deemed to be in a hazardous 957
financial condition or a condition that would be grounds for 958
supervision, conservation or a delinquency proceeding, and a 959
deposit or bond is necessary, the superintendent has discretion 960
to determine the amount of the deposit or bond, not to exceed 961
the value of the contract or agreement in any one year, and 962
whether such deposit or bond shall be required for a single 963
contract, multiple contracts, or a contract only with a specific 964
person or persons; 965

(9) (a) All records and data of the insurer held by an 966
affiliate are and remain the property of the insurer, are 967
subject to control of the insurer, are identifiable, and are 968
segregated or readily capable of segregation, at no additional 969
cost to the insurer, from all other persons' records and data. 970
This includes all records and data that are otherwise the 971
property of the insurer, in whatever form maintained, including: 972

(i) Claims and claim files; 973

<u>(ii) Policyholder lists;</u>	974
<u>(iii) Application files;</u>	975
<u>(iv) Litigation files;</u>	976
<u>(v) Premium records;</u>	977
<u>(vi) Rate books;</u>	978
<u>(vii) Underwriting manuals;</u>	979
<u>(viii) Personnel records;</u>	980
<u>(ix) Financial records or similar records within the possession, custody, or control of the affiliate.</u>	981 982
<u>(b) At the request of the insurer, the affiliate shall provide that the receiver can:</u>	983 984
<u>(i) Obtain a complete set of all records of any type that pertain to the insurer's business;</u>	985 986
<u>(ii) Obtain access to the operating systems on which the data is maintained;</u>	987 988
<u>(iii) Obtain the software that runs those systems either through assumption of licensing agreements or otherwise;</u>	989 990
<u>(iv) Restrict the use of the data by the affiliate if it is not operating the insurer's business.</u>	991 992
<u>(c) The affiliate shall provide a waiver of any landlord lien or other encumbrance to give the insurer access to all records and data in the event of the affiliate's default under a lease or other agreement.</u>	993 994 995 996
<u>(10) Premiums or other funds belonging to the insurer that are collected by or held by an affiliate are the exclusive property of the insurer and are subject to the control of the</u>	997 998 999

insurer. Any right of offset in the event an insurer is placed 1000
into receivership is subject to Chapter 3903. of the Revised 1001
Code. 1002

(B) For the purposes of this section, in determining 1003
whether an insurer's surplus as regards policyholders is 1004
reasonable in relation to the insurer's outstanding liabilities 1005
and adequate to its financial needs, the following factors, 1006
among others, may be considered: 1007

(1) The size of the insurer as measured by its assets, 1008
capital, surplus, reserves, premium writings, insurance in 1009
force, and other appropriate criteria; 1010

(2) The extent to which the insurer's business is 1011
diversified among the several lines of insurance; 1012

(3) The number and size of risks insured in each line of 1013
business; 1014

(4) The extent of the geographical dispersion of the 1015
insurer's insured risks; 1016

(5) The nature and extent of the insurer's reinsurance 1017
program; 1018

(6) The quality, diversification, and liquidity of the 1019
insurer's investment portfolio; 1020

(7) The recent past and projected future trend in the size 1021
of the insurer's surplus as regards policyholders; 1022

(8) The adequacy of the insurer's reserves; 1023

(9) The quality and liquidity of investments in 1024
subsidiaries. The superintendent may discount any such 1025
investment or treat any investment as a nonadmitted asset for 1026

purposes of determining the adequacy of surplus as regards 1027
policyholders whenever the investment so warrants. 1028

(10) The quality of the insurer's earnings and the extent 1029
to which the reported earnings include extraordinary items; 1030

(11) The surplus as regards policyholders maintained by 1031
other comparable insurers in respect of the factors enumerated 1032
in this division. 1033

(C) No insurer subject to registration under section 1034
3901.33 of the Revised Code shall pay any extraordinary dividend 1035
or make any other extraordinary distribution to its shareholders 1036
and the declaration of any such dividend or distribution shall 1037
be conditional and shall confer no rights upon shareholders 1038
until thirty days after the superintendent has received notice 1039
of the declaration thereof and has not within the thirty-day 1040
period disapproved the dividend or distribution, or the 1041
superintendent has approved the dividend or distribution within 1042
the thirty-day period. 1043

Prior to paying any dividend or distribution, the insurer 1044
shall notify the superintendent on a form provided by the 1045
superintendent for informational purposes within five business 1046
days following its declaration of any dividend or distribution 1047
and at least ten calendar days prior to payment of such dividend 1048
or distribution, such ten-calendar-day period to be measured 1049
from the date of the superintendent's receipt of the notice. 1050

For the purposes of this section, an extraordinary 1051
dividend or distribution includes any dividend or distribution 1052
of cash or other property, whose fair market value, together 1053
with that of other dividends or distributions made within the 1054
preceding twelve months, exceeds the greater of ten per cent of 1055

the insurer's surplus as regards policyholders as of the thirty- 1056
first day of December next preceding, or the net income of the 1057
insurer for the twelve-month period ending the thirty-first day 1058
of December next preceding, but shall not include pro rata 1059
distributions of any class of the insurer's own securities. 1060

Any dividend or distribution paid from other than earned 1061
surplus shall be considered an extraordinary dividend or 1062
extraordinary distribution. For the purposes of this section, 1063
"earned surplus" means an amount equal to an insurer's 1064
unassigned funds as set forth in its most recent statutory 1065
financial statement submitted to the superintendent, including 1066
net unrealized capital gains and losses or revaluation of 1067
assets. 1068

Sec. 3901.341. (A) No insurer subject to registration 1069
under section 3901.33 of the Revised Code shall enter into any 1070
of the following transactions with any person in its insurance 1071
holding company system, including amendments or modifications of 1072
affiliate agreements previously filed under this section that 1073
are subject to the materiality standards contained in divisions 1074
(A) (1) to (5) of this section, until thirty days after the 1075
superintendent of insurance has received, for the 1076
superintendent's review, written notice of the insurer's 1077
intention to enter into the transaction and if, during that 1078
period, the superintendent has not disapproved the proposed 1079
transaction. The notice for amendments or modifications shall 1080
include the reasons for the change and the financial impact on 1081
the domestic insurer. Informal notice shall be reported to the 1082
superintendent within thirty days after termination of a 1083
previously filed agreement. These requirements shall apply to 1084
all of the following transactions: 1085

(1) Any sale, purchase, exchange of assets, loan, 1086
extension of credit, guarantee, or investment, if the 1087
transaction equals or exceeds, with respect to insurers other 1088
than life insurers, the lesser of three per cent of the 1089
insurer's admitted assets as of the thirty-first day of December 1090
next preceding or twenty-five per cent of the insurer's surplus 1091
as regards policyholders as of the thirty-first day of December 1092
next preceding or, with respect to life insurers, three per cent 1093
of the insurer's admitted assets as of the thirty-first day of 1094
December next preceding; 1095

(2) Any loan or extension of credit to any person that is 1096
not an affiliate of the insurer, if both of the following apply: 1097

(a) The loan or extension of credit equals or exceeds, 1098
with respect to insurers other than life insurers, the lesser of 1099
three per cent of the insurer's admitted assets as of the 1100
thirty-first day of December next preceding or twenty-five per 1101
cent of the insurer's surplus as regards policyholders as of the 1102
thirty-first day of December next preceding or, with respect to 1103
life insurers, three per cent of the insurer's admitted assets 1104
as of the thirty-first day of December next preceding. 1105

(b) The insurer makes the loan or extends the credit with 1106
an agreement or understanding that the proceeds of the 1107
transaction, in whole or in substantial part, are to be used to 1108
make loans or extend credit to, to purchase assets of, or to 1109
make investments in, any affiliate of the insurer. 1110

(3) Reinsurance agreements or modifications including all 1111
of the following: 1112

(a) All new reinsurance pooling agreements; 1113

(b) All reinsurance pooling agreements in which a domestic 1114

company is newly added; 1115

(c) Agreements in which the reinsurance premium or the 1116
change in the insurer's liabilities, or the projected 1117
reinsurance premium or a change in the insurer's liabilities in 1118
any of the next three years, equals or exceeds five per cent of 1119
the insurer's surplus as regards policyholders as of the thirty- 1120
first day of December next preceding. 1121

Division (A) (3) of this section also applies to 1122
reinsurance agreements that may require as consideration the 1123
transfer of assets from an insurer to a nonaffiliate, if the 1124
insurer and nonaffiliate have an agreement or understanding that 1125
any portion of the assets will be transferred to one or more 1126
affiliates of the insurer. 1127

(4) All management agreements, service contracts, tax 1128
allocations agreements, and cost-sharing arrangements; 1129

(5) Any other material transaction that the 1130
superintendent, pursuant to rules adopted in accordance with 1131
Chapter 119. of the Revised Code, determines may render the 1132
insurer's surplus as regards policyholders unreasonable in 1133
relation to the insurer's outstanding liabilities and inadequate 1134
to its financial needs. 1135

(B) In reviewing transactions under division (A) of this 1136
section, the superintendent shall consider whether the terms of 1137
the transaction are fair and reasonable and whether the 1138
transaction may adversely affect the interests of policyholders. 1139

(C) Any transaction or agreement described in division (A) 1140
of this section that is not disapproved by the superintendent in 1141
accordance with that division is effective as of the effective 1142
date set forth in the notice required under this section. 1143

(D) The superintendent, pursuant to rules adopted in 1144
accordance with Chapter 119. of the Revised Code, may designate 1145
certain types of transactions that need not be submitted for 1146
review under division (A) of this section, if those transactions 1147
would not have a significant impact on the financial condition 1148
of an insurer. 1149

(E) A domestic insurer shall not enter into any 1150
transaction described in division (A) of this section with 1151
members of its insurance holding company system if the 1152
transaction is part of a plan or series of similar transactions 1153
and if the purpose of entering into the separate transactions is 1154
to avoid the review required under division (A) of this section 1155
that would otherwise occur. If the superintendent determines 1156
that the insurer, within a twelve-month period, entered into 1157
those separate transactions for that purpose, the superintendent 1158
may take any action authorized by section 3901.37 of the Revised 1159
Code. 1160

(F) A domestic insurer shall give written notice to the 1161
superintendent, within thirty days after making an investment, 1162
if the investment is made in a corporation and the total 1163
investment in the corporation by the insurance holding company 1164
system exceeds ten per cent of the voting securities of the 1165
corporation. 1166

(G) Any affiliate that is party to an agreement or 1167
contract with a domestic insurer that is subject to division (A) 1168
(4) of this section shall be subject to the jurisdiction of any 1169
supervision, seizure, conservatorship, or receivership 1170
proceedings against the insurer and to the authority of any 1171
supervisor, conservator, rehabilitator, or liquidator for the 1172
insurer appointed pursuant to Chapter 3903. of the Revised Code 1173

for the purpose of interpreting, enforcing, and overseeing the 1174
affiliate's obligations under the agreement or contract to 1175

following: 1177

(2) Essential to the insurer's ability to fulfill its 1182
obligations under insurance policies. 1183

(H) Nothing in division (A) of this section shall be 1184
construed to authorize or permit any transaction that would 1185
otherwise be contrary to law. 1186

Sec. 3901.36. (A) (1) Documents, materials, or other 1187
information in the possession or control of the department of 1188
insurance that are obtained by or disclosed to the 1189
superintendent of insurance or any other person in the course of 1190
an examination or investigation made pursuant to section 3901.35 1191
of the Revised Code and all information reported pursuant to 1192
section 3901.33 of the Revised Code are recognized by this state 1193
as being proprietary and to contain trade secrets and shall be 1194
given confidential and privileged treatment and shall not be 1195
subject to section 149.43 of the Revised Code, subpoena, or 1196

action brought as a part of the superintendent's official 1203
duties. 1204

consent of the insurer pertaining to the disclosure of the 1206
documents, materials, or other information of the insurer. 1207

~~(3)~~ (c) The superintendent, after giving the insurer and 1208
those affiliates that are the subject of the documents, 1209

accordance with division (D) (2) of this section; 2348

(iv) The amount of any indebtedness to the company on the 2349
contract, including interest due and accrued. 2350

(b) The net considerations for a given contract year used 2351
to define the minimum nonforfeiture amount shall be an amount 2352

equal to eighty-seven and one-half per cent of the gross 2353
considerations credited to the contract during that contract 2354
year. 2355

(2) (a) The interest rate used in determining minimum 2356
nonforfeiture amounts under divisions (D) (1) to (4) of this 2357
section shall be an annual rate of interest determined as the 2358
lesser of three per cent per annum or the following, which shall 2359
be specified in the contract if the interest rate will be reset: 2360

(i) The five-year constant maturity treasury rate reported 2361
by the federal reserve as of a date or an average over a period, 2362
rounded to the nearest one-twentieth of one per cent, specified 2363
in the contract, no longer than fifteen months prior to the 2364
contract issue date or the redetermination date specified in 2365
division (D) (2) (b) of this section; 2366

(ii) Reduced by one hundred twenty-five basis points; 2367

(iii) Where the resulting interest rate shall not be less 2368
than fifteen hundredths of one per cent. 2369

(b) The interest rate determined under division (D) (2) (a) 2370
of this section shall apply for an initial period and may be 2371
redetermined for additional periods. The redetermination date, 2372
basis and period, if any, shall be stated in the contract. The 2373
basis is the date or average over a specified period that 2374
produces the value of the five-year constant maturity treasury 2375
rate to be used at each redetermination date. 2376

(3) During the period or term that a contract provides 2377
substantive participation in an equity-indexed benefit, the 2378
contract may provide for an increase in the reduction described 2379
in division (D) (2) (a) (ii) of this section by a maximum of one 2380
hundred basis points to reflect the value of the equity-indexed 2381

benefit. The present value at the contract issue date, and at 2382
each redetermination date thereafter, of the additional 2383
reduction shall not exceed the market value of the benefit. The 2384
superintendent may require a demonstration that the present 2385
value of the additional reduction does not exceed the market 2386
value of the benefit. If the demonstration is not acceptable to 2387
the superintendent, the superintendent may disallow or limit the 2388
additional reduction. 2389

(4) The superintendent may adopt rules to implement 2390
division (D) (3) of this section and to provide for further 2391
adjustments to the calculation of minimum nonforfeiture amounts 2392
for contracts that provide substantive participation in an 2393
equity-indexed benefit and for other contracts for which the 2394
superintendent determines adjustments are justified. 2395

(E) Any paid-up annuity benefit available under a contract 2396
shall be such that its present value on the date annuity 2397
payments are to commence is at least equal to the minimum 2398
nonforfeiture amount on that date. Such present value shall be 2399
computed using the mortality table, if any, and the interest 2400
rate specified in the contract for determining the minimum paid- 2401
up annuity benefits guaranteed in the contract. 2402

(F) For contracts which provide cash surrender benefits, 2403
such cash surrender benefits available prior to maturity shall 2404
not be less than the present value as of the date of surrender 2405
of that portion of the maturity value of the paid-up annuity 2406
benefit that would be provided under the contract at maturity 2407
arising from considerations paid prior to the time of cash 2408
surrender reduced by the amount appropriate to reflect any prior 2409
withdrawals from or partial surrenders of the contract, such 2410
present value being calculated on the basis of an interest rate 2411

not more than one per cent higher than the interest rate 2412
specified in the contract for accumulating the net 2413
considerations to determine such maturity value, decreased by 2414
the amount of any indebtedness to the company on the contract, 2415
including interest due and accrued, and increased by any 2416
existing additional amounts credited by the company to the 2417
contract. In no event shall any cash surrender benefit be less 2418
than the minimum nonforfeiture amount at that time. The death 2419
benefit under such contracts shall be at least equal to the cash 2420
surrender benefit. 2421

(G) For contracts that do not provide cash surrender 2422
benefits, the present value of any paid-up annuity benefit 2423
available as a nonforfeiture option at any time prior to 2424
maturity shall not be less than the present value of that 2425
portion of the maturity value of the paid-up annuity benefit 2426
provided under the contract arising from considerations paid 2427
prior to the time the contract is surrendered in exchange for, 2428
or changed to, a deferred paid-up annuity, such present value 2429
being calculated for the period prior to the maturity date on 2430
the basis of the interest rate specified in the contract for 2431
accumulating the net considerations to determine such maturity 2432
value, and increased by any existing additional amounts credited 2433
by the company to the contract. For contracts that do not 2434
provide any death benefits prior to the commencement of any 2435
annuity payments, such present values shall be calculated on the 2436
basis of such interest rate and the mortality table specified in 2437
the contract for determining the maturity value of the paid-up 2438
annuity benefit. However, in no event shall the present value of 2439
a paid-up annuity benefit be less than the minimum nonforfeiture 2440
amount at that time. 2441

(H) For the purpose of determining the benefits calculated 2442

under divisions (F) and (G) of this section, in the case of 2443
annuity contracts under which an election may be made to have 2444
annuity payments commence at optional maturity dates, the 2445
maturity date shall be deemed to be the latest date for which 2446
election shall be permitted by the contract, but shall not be 2447
deemed to be later than the anniversary of the contract next 2448
following the annuitant's seventieth birthday or the tenth 2449
anniversary of the contract, whichever is later. 2450

(I) Any contract that does not provide cash surrender 2451
benefits or does not provide death benefits at least equal to 2452
the minimum nonforfeiture amount prior to the commencement of 2453
any annuity payments shall include a statement in a prominent 2454
place in the contract that such benefits are not provided. 2455

(J) Any paid-up annuity, cash surrender, or death benefits 2456
available at any time, other than on the contract anniversary 2457
under any contract with fixed scheduled considerations, shall be 2458
calculated with allowance for the lapse of time and the payment 2459
of any scheduled considerations beyond the beginning of the 2460
contract year in which cessation of payment of considerations 2461
under the contract occurs. 2462

(K) For any contract that provides, within the same 2463
contract by rider or supplemental contract provision, both 2464
annuity benefits and life insurance benefits that are in excess 2465
of the greater of cash surrender benefits or a return of the 2466
gross considerations with interest, the minimum nonforfeiture 2467
benefit shall be equal to the sum of the minimum nonforfeiture 2468
benefits for the annuity portion and the minimum nonforfeiture 2469
benefits, if any, for the life insurance portion computed as if 2470
each portion were a separate contract. Notwithstanding the 2471
provisions of divisions (E), (F), (G), (H), and (J) of this 2472

section, additional benefits payable:	2473
(1) In the event of total and permanent disability;	2474
(2) As reversionary annuity or deferred reversionary annuity benefits; or	2475 2476
(3) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender, and death benefits that may be required by this section.	2477 2478 2479 2480 2481
The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender, and death benefits.	2482 2483 2484 2485
(L) The superintendent may adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.	2486 2487
