1521.16 of the Revised Code. 1730

(5) For a public water system well that has new or 1731
increased capacities for withdrawal or consumptive use that 1732
require a permit issued under either section 1521.29 or 1522.12 1733
of the Revised Code, a permit approved by the chief of the 1734
division of water resources in the department of natural 1735
resources pursuant to section 1521.29 or 1522.12 of the Revised 1736
Code. 1737

(C) Divisions (B) (2) and (3) of this section do not apply 1738
to a transient noncommunity water system. 1739

(D) If the director approves a well siting application for 1740
an applicant that meets the requirements of division (B) (5) of 1741
this section, the applicant then shall submit to the director a 1742
copy of any certification, continuing monitoring, or other data 1743
or reports required by the chief of the division of water 1744
resources pursuant to a permit issued under either section 1745
1521.29 or 1522.12 of the Revised Code and any revised ground 1746

water model required by the chief. 1747

~~(D)~~ (E) The director may require the well site applicant 1748
to include, in the application, additional information, 1749
including but not limited to hydrologic information, in a form 1750
prescribed by the director for any public water system that is 1751
not required to obtain a permit under either section 1521.23 or 1752
1522.12 of the Revised Code. 1753

~~(E)~~ (F) The director may adopt rules in accordance with 1754
Chapter 119. of the Revised Code as is necessary for the 1755
implementation of this section. 1756

Sec. 6109.24. (A) The director of environmental protection 1757
shall adopt, and may amend and rescind, rules pursuant to 1758
section 6109.04 of the Revised Code establishing requirements 1759
governing the demonstration of technical, managerial, and 1760
financial capability for the purposes of this section. 1761

(B) (1) A public water system shall demonstrate the 1762
technical, managerial, and financial capability of the system to 1763
comply with this chapter and rules adopted under it by 1764
implementing an asset management program not later than October 1765
1, 2018. 1766

(2) Notwithstanding division (B) (1) of this section, the 1767
director may require a public water system to complete an asset 1768
management program prior to October 1, 2018. 1769

(3) A public water system shall include in the asset 1770
management program all of the following: 1771

(a) An inventory and evaluation of all public water system 1772
assets; 1773

(b) Public water system operation and maintenance 1774

programs;	1775

(d) Criteria and timelines for public water system infrastructure rehabilitation and replacement;	1778 1779
(e) Approved public water system capacity projections and public water system capital improvement planning;	1780 1781
(f) A long-term funding strategy to support the public water system's asset management program implementation.	1782 1783
(C) If requested by the director, a public water system shall submit a written description of the system's asset management program to the director. The system shall submit the written description not later than thirty days after the date of the request. A small public water system may meet the written description requirement by doing both of the following:	1784 1785 1786 1787 1788 1789
(1) Submitting the template made available by the director under division (F) (1) of this section;	1790 1791
(2) Including with the completed template a statement that the activities described in the template are being implemented.	1792 1793
(D) If a public water system fails to submit an acceptable written description of the system's asset management program or otherwise fails to demonstrate technical, managerial, and financial capability in accordance with this section and rules adopted under it, the director may request the owner or operator of the system to revise and resubmit the written description. Environmental protection agency staff may provide technical guidance to a public water system in preparing the asset management program or while addressing deficiencies noted in the	1794 1795 1796 1797 1798 1799 1800 1801 1802

asset management program. 1803

(E) If a public water system fails to demonstrate 1804
technical, managerial, and financial capability in accordance 1805
with this section and rules adopted under it, the director may 1806
take any action authorized by this chapter or rules adopted 1807
under it to improve and ensure the capability of the public 1808
water system, including denying a plan submitted under section 1809
6109.07 of the Revised Code. 1810

(F) The director shall make available both of the 1811
following either on the environmental protection agency's web 1812
site or via another public forum: 1813

(1) A template for small public water systems to prepare 1814
an asset management program; 1815

(2) Information about sources of funding available to 1816
assist public water systems with preparing and completing an 1817
asset management program. 1818

(G) (1) The director shall not adopt or enforce rules that 1819
require a transient noncommunity water system to prepare, 1820
implement, or complete an asset management program, including a 1821
demonstration of technical, managerial, and financial 1822
capability. 1823

(2) Divisions (B) to (E) of this section do not apply to a 1824
transient noncommunity water system. 1825

Section 2. That existing sections 3717.33, 3717.52, 1826
4301.62, 4501.21, 6109.01, 6109.072, and 6109.24 of the Revised 1827
Code are hereby repealed. 1828

Section 3. (A) The Director of Agriculture shall complete 1829
the initial development and implementation of the assessment 1830

described in division (H) (1) of section 3717.33 of the Revised Code within one hundred eighty days after the effective date of this section.

(B) The Director of Health shall complete the initial development and implementation of the assessment described in division (B) (1) of section 3717.52 of the Revised Code within one hundred eighty days after the effective date of this section.
