4723.113, 4723.114, and 4723.115 of the Revised 2
Code to enter into the Nurse Licensure Compact. 3

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 4723.11, 4723.111, 4723.112, 4
4723.113, 4723.114, and 4723.115 of the Revised Code be enacted 5
to read as follows: 6

Sec. 4723.11. The "Nurse Licensure Compact" is hereby 7
ratified, enacted into law, and entered into by the state of 8
Ohio as a party to the compact with any other state that has 9
legally joined in the compact as follows: 10

Nurse Licensure Compact 11

Approved by the May 4, 2015 Special Delegate Assembly 12

ARTICLE I 13

Findings and Declaration of Purpose 14

a. The party states find that: 15

1. The health and safety of the public are affected by the 16
degree of compliance with and the effectiveness of enforcement 17

<u>activities related to state nurse licensure laws;</u>	18
<u>2. Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;</u>	19 20 21
<u>3. The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;</u>	22 23 24 25
<u>4. New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex;</u>	26 27 28
<u>5. The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant for both nurses and states; and</u>	29 30 31
<u>6. Uniformity of nurse licensure requirements throughout the states promotes public safety and public health benefits.</u>	32 33
<u>b. The general purposes of this Compact are to:</u>	34
<u>1. Facilitate the states' responsibility to protect the public's health and safety;</u>	35 36
<u>2. Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;</u>	37 38
<u>3. Facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions;</u>	39 40 41
<u>4. Promote compliance with the laws governing the practice of nursing in each jurisdiction;</u>	42 43
<u>5. Invest all party states with the authority to hold a</u>	44

nurse accountable for meeting all state practice laws in the 45
state in which the patient is located at the time care is 46
rendered through the mutual recognition of party state licenses; 47

6. Decrease redundancies in the consideration and issuance 48
of nurse licenses; and 49

7. Provide opportunities for interstate practice by nurses 50
who meet uniform licensure requirements. 51

ARTICLE II 52

Definitions 53

As used in this Compact: 54

a. "Adverse action" means any administrative, civil, 55
equitable or criminal action permitted by a state's laws which 56
is imposed by a licensing board or other authority against a 57
nurse, including actions against an individual's license or 58
multistate licensure privilege such as revocation, suspension, 59
probation, monitoring of the licensee, limitation on the 60
licensee's practice, or any other encumbrance on licensure 61
affecting a nurse's authorization to practice, including 62
issuance of a cease and desist action. 63

b. "Alternative program" means a non-disciplinary 64
monitoring program approved by a licensing board. 65

c. "Coordinated licensure information system" means an 66
integrated process for collecting, storing and sharing 67
information on nurse licensure and enforcement activities 68
related to nurse licensure laws that is administered by a 69
nonprofit organization composed of and controlled by licensing 70
boards. 71

d. "Current significant investigative information" means: 72

1. Investigative information that a licensing board, after 73
a preliminary inquiry that includes notification and an 74
opportunity for the nurse to respond, if required by state law, 75
has reason to believe is not groundless and, if proved true, 76
would indicate more than a minor infraction; or 77

2. Investigative information that indicates that the nurse 78
represents an immediate threat to public health and safety 79
regardless of whether the nurse has been notified and had an 80
opportunity to respond. 81

e. "Encumbrance" means a revocation or suspension of, or 82
any limitation on, the full and unrestricted practice of nursing 83
imposed by a licensing board. 84

f. "Home state" means the party state which is the nurse's 85
primary state of residence. 86

g. "Licensing board" means a party state's regulatory body 87
responsible for issuing nurse licenses. 88

h. "Multistate license" means a license to practice as a 89
registered or a licensed practical/vocational nurse (LPN/VN) 90
issued by a home state licensing board that authorizes the 91
licensed nurse to practice in all party states under a 92
multistate licensure privilege. 93

i. "Multistate licensure privilege" means a legal 94
authorization associated with a multistate license permitting 95
the practice of nursing as either a registered nurse (RN) or 96
LPN/VN in a remote state. 97

j. "Nurse" means RN or LPN/VN, as those terms are defined 98
by each party state's practice laws. 99

k. "Party state" means any state that has adopted this 100

<u>Compact.</u>	101
<u>l. "Remote state" means a party state, other than the home state.</u>	102 103
<u>m. "Single-state license" means a nurse license issued by a party state that authorizes practice only within the issuing state and does not include a multistate licensure privilege to practice in any other party state.</u>	104 105 106 107
<u>n. "State" means a state, territory or possession of the United States and the District of Columbia.</u>	108 109
<u>o. "State practice laws" means a party state's laws, rules and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. "State practice laws" do not include requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.</u>	110 111 112 113 114 115
<u>ARTICLE III</u>	116
<u>General Provisions and Jurisdiction</u>	117
<u>a. A multistate license to practice registered or licensed practical/vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a nurse to practice as a registered nurse (RN) or as a licensed practical/vocational nurse (LPN/VN), under a multistate licensure privilege, in each party state.</u>	118 119 120 121 122 123
<u>b. A state must implement procedures for considering the criminal history records of applicants for initial multistate license or licensure by endorsement. Such procedures shall include the submission of fingerprints or other biometric-based information by applicants for the purpose of obtaining an</u>	124 125 126 127 128

<u>applicant's criminal history record information from the Federal</u>	129
<u>Bureau of Investigation and the agency responsible for retaining</u>	130

<u>c. Each party state shall require the following for an</u>	132
<u>applicant to obtain or retain a multistate license in the home</u>	133
<u>state:</u>	134

<u>laws;</u>	137

<u>ii. Has graduated from a foreign RN or LPN/VN prelicensure</u>	141
<u>education program that (a) has been approved by the authorized</u>	142
<u>accrediting body in the applicable country and (b) has been</u>	143
<u>verified by an independent credentials review agency to be</u>	144
<u>comparable to a licensing board-approved prelicensure education</u>	145
<u>program;</u>	146
<u>3. Has, if a graduate of a foreign prelicensure education</u>	147

Investigation and the agency responsible for retaining that 160
state's criminal records; 161

7. Has not been convicted or found guilty, or has entered 162
into an agreed disposition, of a felony offense under applicable 163
state or federal criminal law; 164

10. Is subject to self-disclosure requirements regarding 169
current participation in an alternative program; and 170

11. Has a valid United States Social Security number. 171

d. All party states shall be authorized, in accordance 172
with existing state due process law, to take adverse action 173
against a nurse's multistate licensure privilege such as 174
revocation, suspension, probation or any other action that 175
affects a nurse's authorization to practice under a multistate 176
licensure privilege, including cease and desist actions. If a 177
party state takes such action, it shall promptly notify the 178
administrator of the coordinated licensure information system. 179
The administrator of the coordinated licensure information 180
system shall promptly notify the home state of any such actions 181
by remote states. 182

e. A nurse practicing in a party state must comply with 183
the state practice laws of the state in which the client is 184
located at the time service is provided. The practice of nursing 185

is not limited to patient care, but shall include all nursing 186
practice as defined by the state practice laws of the party 187
state in which the client is located. The practice of nursing in 188
a party state under a multistate licensure privilege will 189
subject a nurse to the jurisdiction of the licensing board, the 190
courts and the laws of the party state in which the client is 191
located at the time service is provided. 192

f. Individuals not residing in a party state shall 193
continue to be able to apply for a party state's single-state 194
license as provided under the laws of each party state. However, 195
the single-state license granted to these individuals will not 196
be recognized as granting the privilege to practice nursing in 197
any other party state. Nothing in this Compact shall affect the 198
requirements established by a party state for the issuance of a 199
single-state license. 200

g. Any nurse holding a home state multistate license, on 201
the effective date of this Compact, may retain and renew the 202
multistate license issued by the nurse's then-current home 203
state, provided that: 204

1. A nurse, who changes primary state of residence after 205
this Compact's effective date, must meet all applicable Article 206
III.c. requirements to obtain a multistate license from a new 207
home state. 208

2. A nurse who fails to satisfy the multistate licensure 209
requirements in Article III.c. due to a disqualifying event 210
occurring after this Compact's effective date shall be 211
ineligible to retain or renew a multistate license, and the 212
nurse's multistate license shall be revoked or deactivated in 213
accordance with applicable rules adopted by the Interstate 214
Commission of Nurse Licensure Compact Administrators 215

("Commission"). 216

ARTICLE IV 217

Applications for Licensure in a Party State 218

a. Upon application for a multistate license, the 219
licensing board in the issuing party state shall ascertain, 220
through the coordinated licensure information system, whether 221
the applicant has ever held, or is the holder of, a license 222
issued by any other state, whether there are any encumbrances on 223
any license or multistate licensure privilege held by the 224
applicant, whether any adverse action has been taken against any 225
license or multistate licensure privilege held by the applicant 226
and whether the applicant is currently participating in an 227
alternative program. 228

b. A nurse may hold a multistate license, issued by the 229
home state, in only one party state at a time. 230

c. If a nurse changes primary state of residence by moving 231
between two party states, the nurse must apply for licensure in 232
the new home state, and the multistate license issued by the 233
prior home state will be deactivated in accordance with 234
applicable rules adopted by the Commission. 235

1. The nurse may apply for licensure in advance of a 236
change in primary state of residence. 237

2. A multistate license shall not be issued by the new 238
home state until the nurse provides satisfactory evidence of a 239
change in primary state of residence to the new home state and 240
satisfies all applicable requirements to obtain a multistate 241
license from the new home state. 242

d. If a nurse changes primary state of residence by moving 243

from a party state to a non-party state, the multistate license 244
issued by the prior home state will convert to a single-state 245
license, valid only in the former home state. 246

ARTICLE V 247

Additional Authorities Invested in Party State Licensing Boards 248

a. In addition to the other powers conferred by state law, 249
a licensing board shall have the authority to: 250

1. Take adverse action against a nurse's multistate 251
licensure privilege to practice within that party state. 252

i. Only the home state shall have the power to take 253
adverse action against a nurse's license issued by the home 254
state. 255

ii. For purposes of taking adverse action, the home state 256
licensing board shall give the same priority and effect to 257
reported conduct received from a remote state as it would if 258
such conduct had occurred within the home state. In so doing, 259
the home state shall apply its own state laws to determine 260
appropriate action. 261

2. Issue cease and desist orders or impose an encumbrance 262
on a nurse's authority to practice within that party state. 263

3. Complete any pending investigations of a nurse who 264
changes primary state of residence during the course of such 265
investigations. The licensing board shall also have the 266
authority to take appropriate action(s) and shall promptly 267
report the conclusions of such investigations to the 268
administrator of the coordinated licensure information system. 269
The administrator of the coordinated licensure information 270
system shall promptly notify the new home state of any such 271

<u>actions.</u>	272
<u>4. Issue subpoenas for both hearings and investigations</u>	273
<u>that require the attendance and testimony of witnesses, as well</u>	274
<u>as, the production of evidence. Subpoenas issued by a licensing</u>	275
<u>board in a party state for the attendance and testimony of</u>	276
<u>witnesses or the production of evidence from another party state</u>	277
<u>shall be enforced in the latter state by any court of competent</u>	278
<u>jurisdiction, according to the practice and procedure of that</u>	279
<u>court applicable to subpoenas issued in proceedings pending</u>	280
<u>before it. The issuing authority shall pay any witness fees,</u>	281
<u>travel expenses, mileage and other fees required by the service</u>	282
<u>statutes of the state in which the witnesses or evidence are</u>	283
<u>located.</u>	284
<u>5. Obtain and submit, for each nurse licensure applicant,</u>	285
<u>fingerprint or other biometric-based information to the Federal</u>	286
<u>Bureau of Investigation for criminal background checks, receive</u>	287
<u>the results of the Federal Bureau of Investigation record search</u>	288
<u>on criminal background checks and use the results in making</u>	289
<u>licensure decisions.</u>	290
<u>6. If otherwise permitted by state law, recover from the</u>	291
<u>affected nurse the costs of investigations and disposition of</u>	292
<u>cases resulting from any adverse action taken against that</u>	293
<u>nurse.</u>	294
<u>7. Take adverse action based on the factual findings of</u>	295
<u>the remote state, provided that the licensing board follows its</u>	296
<u>own procedures for taking such adverse action.</u>	297
<u>b. If adverse action is taken by the home state against a</u>	298
<u>nurse's multistate license, the nurse's multistate licensure</u>	299
<u>privilege to practice in all other party states shall be</u>	300

deactivated until all encumbrances have been removed from the 301
multistate license. All home state disciplinary orders that 302
impose adverse action against a nurse's multistate license shall 303
include a statement that the nurse's multistate licensure 304
privilege is deactivated in all party states during the pendency 305
of the order. 306

c. Nothing in this Compact shall override a party state's 307
decision that participation in an alternative program may be 308
used in lieu of adverse action. The home state licensing board 309
shall deactivate the multistate licensure privilege under the 310
multistate license of any nurse for the duration of the nurse's 311
participation in an alternative program. 312

ARTICLE VI 313

Coordinated Licensure Information System and Exchange of 314
Information 315

a. All party states shall participate in a coordinated 316
licensure information system of all licensed registered nurses 317
(RNs) and licensed practical/vocational nurses (LPNs/VNs). This 318
system will include information on the licensure and 319
disciplinary history of each nurse, as submitted by party 320
states, to assist in the coordination of nurse licensure and 321
enforcement efforts. 322

b. The Commission, in consultation with the administrator 323
of the coordinated licensure information system, shall formulate 324
necessary and proper procedures for the identification, 325
collection and exchange of information under this Compact. 326

c. All licensing boards shall promptly report to the 327
coordinated licensure information system any adverse action, any 328
current significant investigative information, denials of 329

applications (with the reasons for such denials) and nurse 330
participation in alternative programs known to the licensing 331
board regardless of whether such participation is deemed 332
nonpublic or confidential under state law. 333

d. Current significant investigative information and 334
participation in nonpublic or confidential alternative programs 335
shall be transmitted through the coordinated licensure 336
information system only to party state licensing boards. 337

e. Notwithstanding any other provision of law, all party 338
state licensing boards contributing information to the 339
coordinated licensure information system may designate 340
information that may not be shared with non-party states or 341
disclosed to other entities or individuals without the express 342
permission of the contributing state. 343

f. Any personally identifiable information obtained from 344
the coordinated licensure information system by a party state 345
licensing board shall not be shared with non-party states or 346
disclosed to other entities or individuals except to the extent 347
permitted by the laws of the party state contributing the 348
information. 349

g. Any information contributed to the coordinated 350
licensure information system that is subsequently required to be 351
expunged by the laws of the party state contributing that 352
information shall also be expunged from the coordinated 353
licensure information system. 354

h. The Compact administrator of each party state shall 355
furnish a uniform data set to the Compact administrator of each 356
other party state, which shall include, at a minimum: 357

1. Identifying information; 358

<u>2. Licensure data;</u>	359
<u>3. Information related to alternative program participation; and</u>	360 361
<u>4. Other information that may facilitate the administration of this Compact, as determined by Commission rules.</u>	362 363 364
<u>i. The Compact administrator of a party state shall provide all investigative documents and information requested by another party state.</u>	365 366 367
<u>ARTICLE VII</u>	368
<u>Establishment of the Interstate Commission of Nurse Licensure Compact Administrators</u>	369 370
<u>a. The party states hereby create and establish a joint public entity known as the Interstate Commission of Nurse Licensure Compact Administrators.</u>	371 372 373
<u>1. The Commission is an instrumentality of the party states.</u>	374 375
<u>2. Venue is proper, and judicial proceedings by or against the Commission shall be brought solely and exclusively, in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.</u>	376 377 378 379 380 381
<u>3. Nothing in this Compact shall be construed to be a waiver of sovereign immunity.</u>	382 383
<u>b. Membership, Voting and Meetings</u>	384
<u>1. Each party state shall have and be limited to one</u>	385

administrator. The head of the state licensing board or designee 386
shall be the administrator of this Compact for each party state. 387
Any administrator may be removed or suspended from office as 388
provided by the law of the state from which the Administrator is 389
appointed. Any vacancy occurring in the Commission shall be 390
filled in accordance with the laws of the party state in which 391
the vacancy exists. 392

2. Each administrator shall be entitled to one (1) vote 393
with regard to the promulgation of rules and creation of bylaws 394
and shall otherwise have an opportunity to participate in the 395
business and affairs of the Commission. An administrator shall 396
vote in person or by such other means as provided in the bylaws. 397
The bylaws may provide for an administrator's participation in 398
meetings by telephone or other means of communication. 399

3. The Commission shall meet at least once during each 400
calendar year. Additional meetings shall be held as set forth in 401
the bylaws or rules of the commission. 402

4. All meetings shall be open to the public, and public 403
notice of meetings shall be given in the same manner as required 404
under the rulemaking provisions in Article VIII. 405

5. The Commission may convene in a closed, nonpublic 406
meeting if the Commission must discuss: 407

i. Noncompliance of a party state with its obligations 408
under this Compact; 409

ii. The employment, compensation, discipline or other 410

<u>litigation;</u>	415
<u>iv. Negotiation of contracts for the purchase or sale of</u>	416
<u>goods, services or real estate;</u>	417
<u>v. Accusing any person of a crime or formally censuring</u>	418
<u>any person;</u>	419
<u>vi. Disclosure of trade secrets or commercial or financial</u>	420

<u>personal privacy;</u>	424
<u>viii. Disclosure of investigatory records compiled for law</u>	425
<u>enforcement purposes;</u>	426
<u>ix. Disclosure of information related to any reports</u>	427
<u>prepared by or on behalf of the Commission for the purpose of</u>	428
<u>investigation of compliance with this Compact; or</u>	429
<u>x. Matters specifically exempted from disclosure by</u>	430
<u>federal or state statute.</u>	431
<u>6. If a meeting, or portion of a meeting, is closed</u>	432
<u>pursuant to this provision, the Commission's legal counsel or</u>	433
<u>designee shall certify that the meeting may be closed and shall</u>	434
<u>reference each relevant exempting provision. The Commission</u>	435
<u>shall keep minutes that fully and clearly describe all matters</u>	436
<u>discussed in a meeting and shall provide a full and accurate</u>	437
<u>summary of actions taken, and the reasons therefor, including a</u>	438
<u>description of the views expressed. All documents considered in</u>	439
<u>connection with an action shall be identified in such minutes.</u>	440
<u>All minutes and documents of a closed meeting shall remain under</u>	441
<u>seal, subject to release by a majority vote of the Commission or</u>	442

<u>order of a court of competent jurisdiction.</u>	443
<u>c. The Commission shall, by a majority vote of the</u>	444
<u>administrators, prescribe bylaws or rules to govern its conduct</u>	445
<u>as may be necessary or appropriate to carry out the purposes and</u>	446

<u>to:</u>	448
<u>1. Establishing the fiscal year of the Commission;</u>	449
<u>2. Providing reasonable standards and procedures:</u>	450
<u>i. For the establishment and meetings of other committees;</u>	451
<u>and</u>	452
<u>ii. Governing any general or specific delegation of any</u>	453

<u>attendance of such meetings by interested parties, with</u>	458
<u>enumerated exceptions designed to protect the public's interest,</u>	459
<u>the privacy of individuals, and proprietary information,</u>	460
<u>including trade secrets. The Commission may meet in closed</u>	461
<u>session only after a majority of the administrators vote to</u>	462
<u>close a meeting in whole or in part. As soon as practicable, the</u>	463
<u>Commission must make public a copy of the vote to close the</u>	464
<u>meeting revealing the vote of each administrator, with no proxy</u>	465
<u>votes allowed;</u>	466
<u>4. Establishing the titles, duties and authority and</u>	467
<u>reasonable procedures for the election of the officers of the</u>	468
<u>Commission;</u>	469
<u>5. Providing reasonable standards and procedures for the</u>	470

establishment of the personnel policies and programs of the 471
Commission. Notwithstanding any civil service or other similar 472
laws of any party state, the bylaws shall exclusively govern the 473
personnel policies and programs of the Commission; and 474

6. Providing a mechanism for winding up the operations of 475
the Commission and the equitable disposition of any surplus 476
funds that may exist after the termination of this Compact after 477
the payment or reserving of all of its debts and obligations; 478

d. The Commission shall publish its bylaws and rules, and 479
any amendments thereto, in a convenient form on the website of 480
the Commission. 481

e. The Commission shall maintain its financial records in 482
accordance with the bylaws. 483

f. The Commission shall meet and take such actions as are 484
consistent with the provisions of this Compact and the bylaws. 485

g. The Commission shall have the following powers: 486

1. To promulgate uniform rules to facilitate and 487
coordinate implementation and administration of this Compact. 488
The rules shall have the force and effect of law and shall be 489
binding in all party states; 490

2. To bring and prosecute legal proceedings or actions in 491
the name of the Commission, provided that the standing of any 492
licensing board to sue or be sued under applicable law shall not 493
be affected; 494

3. To purchase and maintain insurance and bonds; 495

ARTICLE VIII 594

Rulemaking 595

a. The Commission shall exercise its rulemaking powers 596
pursuant to the criteria set forth in this Article and the rules 597
adopted thereunder. Rules and amendments shall become binding as 598
of the date specified in each rule or amendment and shall have 599
the same force and effect as provisions of this Compact. 600

b. Rules or amendments to the rules shall be adopted at a 601
regular or special meeting of the Commission. 602

c. Prior to promulgation and adoption of a final rule or 603
rules by the Commission, and at least sixty (60) days in advance 604
of the meeting at which the rule will be considered and voted 605
upon, the Commission shall file a notice of proposed rulemaking: 606

1. On the website of the Commission; and 607

2. On the website of each licensing board or the 608
publication in which each state would otherwise publish proposed 609
rules. 610

d. The notice of proposed rulemaking shall include: 611

1. The proposed time, date and location of the meeting in 612
which the rule will be considered and voted upon; 613

2. The text of the proposed rule or amendment, and the 614
reason for the proposed rule; 615

3. A request for comments on the proposed rule from any 616
interested person; and 617

4. The manner in which interested persons may submit 618
notice to the Commission of their intention to attend the public 619
hearing and any written comments. 620

e. Prior to adoption of a proposed rule, the Commission 621
shall allow persons to submit written data, facts, opinions and 622
arguments, which shall be made available to the public. 623

f. The Commission shall grant an opportunity for a public 624
hearing before it adopts a rule or amendment. 625

g. The Commission shall publish the place, time and date 626
of the scheduled public hearing. 627

1. Hearings shall be conducted in a manner providing each 628
person who wishes to comment a fair and reasonable opportunity 629
to comment orally or in writing. All hearings will be recorded, 630
and a copy will be made available upon request. 631

2. Nothing in this section shall be construed as requiring 632
a separate hearing on each rule. Rules may be grouped for the 633
convenience of the Commission at hearings required by this 634
section. 635

h. If no one appears at the public hearing, the Commission 636
may proceed with promulgation of the proposed rule. 637

i. Following the scheduled hearing date, or by the close 638
of business on the scheduled hearing date if the hearing was not 639
held, the Commission shall consider all written and oral 640
comments received. 641

j. The Commission shall, by majority vote of all administrators, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule. 642
643
644
645

k. Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment or hearing, provided that the usual rulemaking procedures provided in this Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to: 646
647
648
649
650
651
652
653
654

1. Meet an imminent threat to public health, safety or welfare; 655
656

2. Prevent a loss of Commission or party state funds; or 657

3. Meet a deadline for the promulgation of an administrative rule that is required by federal law or rule. 658
659

1. The Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the Commission, prior to the end of the notice period. If no challenge is made, the revision will take effect without further 660

action. If the revision is challenged, the revision may not take 671
effect without the approval of the Commission. 672

ARTICLE IX 673

Oversight, Dispute Resolution and Enforcement 674

a. Oversight 675

1. Each party state shall enforce this Compact and take 676
all actions necessary and appropriate to effectuate this 677
Compact's purposes and intent. 678

2. The Commission shall be entitled to receive service of 679
process in any proceeding that may affect the powers, 680
responsibilities or actions of the Commission, and shall have 681
standing to intervene in such a proceeding for all purposes. 682
Failure to provide service of process in such proceeding to the 683
Commission shall render a judgment or order void as to the 684
Commission, this Compact or promulgated rules. 685

b. Default, Technical Assistance and Termination 686

1. If the Commission determines that a party state has 687
defaulted in the performance of its obligations or 688
responsibilities under this Compact or the promulgated rules, 689
the Commission shall: 690

i. Provide written notice to the defaulting state and 691
other party states of the nature of the default, the proposed 692
means of curing the default or any other action to be taken by 693
the Commission; and 694

ii. Provide remedial training and specific technical 695
assistance regarding the default. 696

2. If a state in default fails to cure the default, the 697

defaulting state's membership in this Compact may be terminated 698
upon an affirmative vote of a majority of the administrators, 699
and all rights, privileges and benefits conferred by this 700
Compact may be terminated on the effective date of termination. 701
A cure of the default does not relieve the offending state of 702
obligations or liabilities incurred during the period of 703
default. 704

3. Termination of membership in this Compact shall be 705
imposed only after all other means of securing compliance have 706
been exhausted. Notice of intent to suspend or terminate shall 707
be given by the Commission to the governor of the defaulting 708
state and to the executive officer of the defaulting state's 709
licensing board and each of the party states. 710

4. A state whose membership in this Compact has been 711
terminated is responsible for all assessments, obligations and 712
liabilities incurred through the effective date of termination, 713
including obligations that extend beyond the effective date of 714
termination. 715

5. The Commission shall not bear any costs related to a 716
state that is found to be in default or whose membership in this 717
Compact has been terminated unless agreed upon in writing 718
between the Commission and the defaulting state. 719

6. The defaulting state may appeal the action of the 720
Commission by petitioning the U.S. District Court for the 721
District of Columbia or the federal district in which the 722
Commission has its principal offices. The prevailing party shall 723
be awarded all costs of such litigation, including reasonable 724
attorneys' fees. 725

c. Dispute Resolution 726

1. Upon request by a party state, the Commission shall attempt to resolve disputes related to the Compact that arise among party states and between party and non-party states. 727
728
729

2. The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes, as appropriate. 730
731
732

3. In the event the Commission cannot resolve disputes among party states arising under this Compact: 733
734

i. The party states may submit the issues in dispute to an arbitration panel, which will be comprised of individuals appointed by the Compact administrator in each of the affected party states and an individual mutually agreed upon by the Compact administrators of all the party states involved in the dispute. 735
736
737
738
739
740

ii. The decision of a majority of the arbitrators shall be final and binding. 741
742

d. Enforcement 743

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact. 744
745
746

2. By majority vote, the Commission may initiate legal action in the U.S. District Court for the District of Columbia or the federal district in which the Commission has its principal offices against a party state that is in default to enforce compliance with the provisions of this Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees. 747
748
749
750
751
752
753
754
755

3. The remedies herein shall not be the exclusive remedies 756
of the Commission. The Commission may pursue any other remedies 757
available under federal or state law. 758

ARTICLE X 759

Effective Date, Withdrawal and Amendment 760

a. This Compact shall become effective and binding on the 761
earlier of the date of legislative enactment of this Compact 762
into law by no less than twenty-six (26) states or December 31, 763
2018. All party states to this Compact, that also were parties 764
to the prior Nurse Licensure Compact, superseded by this 765
Compact, ("Prior Compact"), shall be deemed to have withdrawn 766
from said Prior Compact within six (6) months after the 767
effective date of this Compact. 768

b. Each party state to this Compact shall continue to 769
recognize a nurse's multistate licensure privilege to practice 770
in that party state issued under the Prior Compact until such 771
party state has withdrawn from the Prior Compact. 772

c. Any party state may withdraw from this Compact by 773
enacting a statute repealing the same. A party state's 774
withdrawal shall not take effect until six (6) months after 775
enactment of the repealing statute. 776

d. A party state's withdrawal or termination shall not 777
affect the continuing requirement of the withdrawing or 778
terminated state's licensing board to report adverse actions and 779
significant investigations occurring prior to the effective date 780
of such withdrawal or termination. 781

e. Nothing contained in this Compact shall be construed to 782
invalidate or prevent any nurse licensure agreement or other 783
cooperative arrangement between a party state and a non-party 784

state that is made in accordance with the other provisions of 785
this Compact. 786

f. This Compact may be amended by the party states. No 787
amendment to this Compact shall become effective and binding 788
upon the party states unless and until it is enacted into the 789
laws of all party states. 790

g. Representatives of non-party states to this Compact 791
shall be invited to participate in the activities of the 792
Commission, on a nonvoting basis, prior to the adoption of this 793
Compact by all states. 794

ARTICLE XI 795

Construction and Severability 796

This Compact shall be liberally construed so as to 797
effectuate the purposes thereof. The provisions of this Compact 798
shall be severable, and if any phrase, clause, sentence or 799
provision of this Compact is declared to be contrary to the 800
constitution of any party state or of the United States, or if 801
the applicability thereof to any government, agency, person or 802
circumstance is held invalid, the validity of the remainder of 803
this Compact and the applicability thereof to any government, 804
agency, person or circumstance shall not be affected thereby. If 805
this Compact shall be held to be contrary to the constitution of 806
any party state, this Compact shall remain in full force and 807
effect as to the remaining party states and in full force and 808
effect as to the party state affected as to all severable 809
matters. 810

traditional license to practice as a registered nurse or as a 822
licensed practical nurse issued pursuant to section 4723.09 of 823
the Revised Code. The board of nursing may charge a fee in 824
excess of the traditional license fee for issuance of a 825
multistate license. 826

Sec. 4723.113. The Interstate Commission of Nurse 827
Licensure Compact Administrators, in providing an opportunity to 828

Revised Code shall do both of the following if the nurse's home 838
state, as defined in that section, is not Ohio: 839

holding a multistate license, as well as any other information 841
pertaining to the nurse as required by rules of the board; 842

that information available on its internet web site. 848

(C) The board may adopt rules in accordance with Chapter 849
119. of the Revised Code to implement this section. 850

Sec. 4723.115. Nothing in sections 4723.11 to 4723.114 of 851
the Revised Code shall be construed to limit, alter, or modify 852
any of the terms, conditions, or provisions of a collective 853
bargaining agreement entered into by a hospital. 854

Section 2. Section 1 of this act takes effect one year 855
after the effective date of this section. 856
