(d) If a board of elections or the office of the secretary of state receives a registration form under division (B)(2)(b) or (c) of this section before the thirtieth day before an election, the board or the office of the secretary of state, as applicable, shall forward the registration to the board of elections of the county in which the applicant is seeking to register to vote within ten days after receiving the
application. If a board of elections or the office of the secretary of state receives a registration form under division (B)(2)(b) or (c) of this section on or after the thirtieth day before an election, the board or the office of the secretary of state, as applicable, shall forward the registration to the board of elections of the county in which the applicant is seeking to register to vote within thirty days after that election.

(C)(1) A board of elections that receives a voter registration application and is satisfied as to the truth of the statements made in the registration form shall register the applicant not later than twenty business days after receiving the application, unless that application is received during the thirty days immediately preceding the day of an election. The board shall promptly notify the applicant in writing of each of the following:

(a) The applicant's registration;

(b) The precinct in which the applicant is to vote;

(c) In bold type as follows:

"Voters must bring photo identification to the polls in order to verify identity. Identification may include a current and valid photo identification, a military identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than this notification, that shows the voter's name and current address. Voters who do not provide one of these documents photo identification will still be able to vote by casting a provisional ballot. Voters who do not have any of the above forms of identification, including a social security number,
will still be able to vote by signing an affirmation swearing to
the voter's identity under penalty of election falsification and
by casting a provisional ballot."

The notification shall be by nonforwardable mail. If the
mail is returned to the board, it shall investigate and cause
the notification to be delivered to the correct address.

(2) If, after investigating as required under division (C)
(1) of this section, the board is unable to verify the voter's
correct address, it shall cause the voter's name in the official
registration list and in the poll list or signature pollbook to
be marked to indicate that the voter's notification was returned
to the board.

At the first election at which a voter whose name has been
so marked appears to vote, the voter shall be required to
provide photo identification to the election officials and to
vote by provisional ballot under section 3505.181 of the Revised
Code. If the provisional ballot is counted pursuant to division
(B)(3) of section 3505.183 of the Revised Code, the board shall
correct that voter's registration, if needed, and shall remove
the indication that the voter's notification was returned from
that voter's name on the official registration list and on the
poll list or signature pollbook. If the provisional ballot is
not counted pursuant to division (B)(4)(a)(i), (v), or (vi) of
section 3505.183 of the Revised Code, the voter's registration
shall be canceled. The board shall notify the voter by United
States mail of the cancellation.

(3) If a notice of the disposition of an otherwise valid
registration application is sent by nonforwardable mail and is
returned undelivered, the person shall be registered as provided
in division (C)(2) of this section and sent a confirmation
notice by forwardable mail. If the person fails to respond to
the confirmation notice, update the person's registration, or
vote by provisional ballot as provided in division (C)(2) of
this section in any election during the period of two federal
elections subsequent to the mailing of the confirmation notice,
the person's registration shall be canceled.

Sec. 3503.28. (A) The secretary of state shall develop an
information brochure regarding voter registration. The brochure
shall include, but is not limited to, all of the following
information:

(1) The applicable deadlines for registering to vote or
for returning an applicant's completed registration form;

(2) The applicable deadline for returning an applicant's
completed registration form if the person returning the form is
being compensated for registering voters;

(3) The locations to which a person may return an
applicant's completed registration form;

(4) The location to which a person who is compensated for
registering voters may return an applicant's completed
registration form;

(5) The registration and affirmation requirements
applicable to persons who are compensated for registering voters
under section 3503.29 of the Revised Code;

(6) A notice, which shall be written in bold type, stating
as follows:

"Voters must bring photo identification to the polls in
order to verify identity. Identification may include a current
and valid photo identification, a military identification, or a--
copy of a current utility bill, bank statement, government
check, paycheck, or other government document, other than a
voter registration notification sent by a board of elections,
that shows the voter's name and current address. Voters who do
not provide one of these documents photo identification will
still be able to vote by casting a provisional ballot. Voters
who do not have any of the above forms of identification,
including a social security number, will still be able to vote
by signing an affirmation swearing to the voter's identity under
penalty of election falsification and by casting a provisional
ballot."

(B) Except as otherwise provided in division (D) of this
section, a board of elections, designated agency, public high
school, public vocational school, public library, office of a
county treasurer, or deputy registrar of motor vehicles shall
distribute a copy of the brochure developed under division (A)
of this section to any person who requests more than two voter
registration forms at one time.

(C)(1) The secretary of state shall provide the
information required to be included in the brochure developed
under division (A) of this section to any person who prints a
voter registration form that is made available on a web site of
the office of the secretary of state.

(2) If a board of elections operates and maintains a web
site, the board shall provide the information required to be
included in the brochure developed under division (A) of this
section to any person who prints a voter registration form that
is made available on that web site.

(D) A board of elections shall not be required to
distribute a copy of a brochure under division (B) of this
section to any of the following officials or employees who are requesting more than two voter registration forms at one time in the course of the official's or employee's normal duties:

(1) An election official;
(2) A county treasurer;
(3) A deputy registrar of motor vehicles;
(4) An employee of a designated agency;
(5) An employee of a public high school;
(6) An employee of a public vocational school;
(7) An employee of a public library;
(8) An employee of the office of a county treasurer;
(9) An employee of the bureau of motor vehicles;
(10) An employee of a deputy registrar of motor vehicles;
(11) An employee of an election official.

(E) As used in this section, "registering voters" includes any effort, for compensation, to provide voter registration forms or to assist persons in completing or returning those forms.

Sec. 3505.18. (A)(1) When an elector appears in a polling place to vote, the elector shall announce to the precinct election officials the elector's full name and current address and provide proof of the elector's identity in the form of a current and valid photo identification, a military identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a
board of elections under section 3503.19 of the Revised Code, that shows the name and current address of the elector.

(2) If an elector does not have or is unable to provide photo identification to the precinct election officials any of the forms of identification required under division (A)(1) of this section, the elector may cast a provisional ballot under section 3505.181 of the Revised Code and do either of the following:

(a) Write the elector's Ohio driver's license or state identification card number or the last four digits of the elector's social security number on the provisional ballot envelope; or

(b) Appear at the office of the board of elections not later than the seventh day after the day of the election and provide the photo identification required under division (A)(1) of this section, the elector's Ohio driver's license or state identification card number, or the last four digits of the elector's social security number.

(B) After the elector has announced the elector's full name and current address and provided any of the forms of photo identification required under division (A)(1) of this section, the elector shall write confirm the elector's name and address by signing the elector's name at the proper place in the poll list or signature pollbook provided for the purpose, except that if, for any reason, an elector is unable to write sign the elector's name and current address in the poll list or signature pollbook, the elector may make the elector's mark at the place intended for the elector's name, and a precinct election official shall write the name of the elector at the proper place on the poll list or signature pollbook following the elector's
The making of such a mark shall be attested by the precinct election official, who shall evidence the same by signing the precinct election official's name on the poll list or signature pollbook as a witness to the mark. Alternatively, if applicable, an attorney in fact acting pursuant to section 3501.382 of the Revised Code may sign the elector's signature in the poll list or signature pollbook in accordance with that section.

The elector's signature in the poll list or signature pollbook then shall be compared with the elector's signature on the elector's registration form or a digitized signature list as provided for in section 3503.13 of the Revised Code, and if, in the opinion of a majority of the precinct election officials, the signatures are the signatures of the same person, the election officials shall enter the date of the election on the registration form or shall record the date by other means prescribed by the secretary of state. The validity of an attorney in fact's signature on behalf of an elector shall be determined in accordance with section 3501.382 of the Revised Code.

If the right of the elector to vote is not then challenged, or, if being challenged, the elector establishes the elector's right to vote, the elector shall be allowed to proceed to use the voting machine. If voting machines are not being used in that precinct, the precinct election official in charge of ballots shall then detach the next ballots to be issued to the elector from Stub B attached to each ballot, leaving Stub A attached to each ballot, hand the ballots to the elector, and call the elector's name and the stub number on each of the ballots. The precinct election official shall enter the stub numbers opposite the signature of the elector in the pollbook.
The elector shall then retire to one of the voting compartments to mark the elector's ballots. No mark shall be made on any ballot which would in any way enable any person to identify the person who voted the ballot.

Sec. 3505.181. (A) All of the following individuals shall be permitted to cast a provisional ballot at an election:

(1) An individual who declares that the individual is a registered voter in the precinct in which the individual desires to vote and that the individual is eligible to vote in an election, but the name of the individual does not appear on the official list of eligible voters for the precinct or an election official asserts that the individual is not eligible to vote;

(2) An individual who does not have or is unable to provide photo identification to the election officials any of the forms of identification required under division (A)(1) of section 3505.18 of the Revised Code;

(3) An individual whose name in the poll list or signature pollbook has been marked under section 3509.09 or 3511.13 of the Revised Code as having requested an absent voter's ballot or a uniformed services or overseas absent voter's ballot for that election and who appears to vote at the polling place;

(4) An individual whose notification of registration has been returned undelivered to the board of elections and whose name in the official registration list and in the poll list or signature pollbook has been marked under division (C)(2) of section 3503.19 of the Revised Code;

(5) An individual who has been successfully challenged under section 3505.20 or 3513.20 of the Revised Code;

(6) An individual who changes the individual's name and
remains within the precinct without providing proof of that name change under division (B)(1)(b) of section 3503.16 of the Revised Code, moves from one precinct to another within a county, moves from one precinct to another and changes the individual's name, or moves from one county to another within the state, and completes and signs the required forms and statements under division (B) or (C) of section 3503.16 of the Revised Code;

(7) An individual whose signature, in the opinion of the precinct officers under section 3505.22 of the Revised Code, is not that of the person who signed that name in the registration forms.

(B) An individual who is eligible to cast a provisional ballot under division (A) of this section shall be permitted to cast a provisional ballot as follows:

(1) An election official at the polling place shall notify the individual that the individual may cast a provisional ballot in that election.

(2) Except as otherwise provided in division (F) of this section, the individual shall complete and execute a written affirmation before an election official at the polling place stating that the individual is both of the following:

(a) A registered voter in the precinct in which the individual desires to vote;

(b) Eligible to vote in that election.

(3) An election official at the polling place shall transmit the ballot cast by the individual and the voter information contained in the written affirmation executed by the individual under division (B)(2) of this section to an
appropriate local election official for verification under division (B)(4) of this section.

(4) If the appropriate local election official to whom the ballot or voter or address information is transmitted under division (B)(3) of this section determines that the individual is eligible to vote, the individual's provisional ballot shall be counted as a vote in that election.

(5)(a) At the time that an individual casts a provisional ballot, the appropriate local election official shall give the individual written information that states that any individual who casts a provisional ballot will be able to ascertain under the system established under division (B)(5)(b) of this section whether the vote was counted, and, if the vote was not counted, the reason that the vote was not counted.

(b) The appropriate state or local election official shall establish a free access system, in the form of a toll-free telephone number, that any individual who casts a provisional ballot may access to discover whether the vote of that individual was counted, and, if the vote was not counted, the reason that the vote was not counted. The free access system established under this division also shall provide to an individual whose provisional ballot was not counted information explaining how that individual may contact the board of elections to register to vote or to resolve problems with the individual's voter registration.

The appropriate state or local election official shall establish and maintain reasonable procedures necessary to protect the security, confidentiality, and integrity of personal information collected, stored, or otherwise used by the free access system established under this division. The system shall
permit an individual only to gain access to information about the individual's own provisional ballot.

(6) If, at the time that an individual casts a provisional ballot, the individual provides photo identification in the form of a current and valid photo identification, a military identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections under section 3503.19 of the Revised Code, that shows the individual's name and current address, or provides the individual's Ohio driver's license or state identification card number, or the last four digits of the individual's social security number, the individual shall record the type of identification provided or the driver's license, state identification card, or social security number information and include that information on the provisional ballot affirmation under division (B)(3) of this section.

(7) During the seven days after the day of an election, an individual who casts a provisional ballot because the individual does not have or is unable to provide photo identification to the election officials any of the required forms of identification or because the individual has been successfully challenged under section 3505.20 of the Revised Code shall appear at the office of the board of elections and provide to the board any additional information necessary to determine the eligibility of the individual who cast the provisional ballot.

(a) For a provisional ballot cast by an individual who does not have or is unable to provide photo identification to the election officials any of the required forms of identification to be eligible to be counted, the individual who
cast that ballot, within seven days after the day of the election, shall do either of the following:

(i) Provide **photo identification** to the board of elections proof of the individual's identity in the form of a current and valid photo identification, a military identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections under section 3503.19 of the Revised Code, that shows the individual's name and current address; or

(ii) Provide to the board of elections the individual's Ohio driver's license or state identification card number or the last four digits of the individual's social security number.

(b) For a provisional ballot cast by an individual who has been successfully challenged under section 3505.20 of the Revised Code to be eligible to be counted, the individual who cast that ballot, within seven days after the day of that election, shall provide to the board of elections any identification or other documentation required to be provided by the applicable challenge questions asked of that individual under section 3505.20 of the Revised Code.

(C)(1) If an individual declares that the individual is eligible to vote in a precinct other than the precinct in which the individual desires to vote, or if, upon review of the precinct voting location guide using the residential street address provided by the individual, an election official at the precinct at which the individual desires to vote determines that the individual is not eligible to vote in that precinct, the election official shall direct the individual to the precinct and polling place in which the individual appears to be eligible.
to vote, explain that the individual may cast a provisional ballot at the current location but the ballot or a portion of the ballot will not be counted if it is cast in the wrong precinct, and provide the telephone number of the board of elections in case the individual has additional questions.

(2) If the individual refuses to travel to the correct precinct or to the office of the board of elections to cast a ballot, the individual shall be permitted to vote a provisional ballot at that precinct in accordance with division (B) of this section. If the individual is in the correct polling location for the precinct in which the individual is registered and eligible to vote, the election official shall complete and sign, under penalty of election falsification, a form that includes all of the following, and attach the form to the individual's provisional ballot affirmation:

(a) The name or number of the individual's correct precinct;

(b) A statement that the election official instructed the individual to travel to the correct precinct to vote;

(c) A statement that the election official informed the individual that casting a provisional ballot in the wrong precinct would result in all or a portion of the votes on the ballot being rejected;

(d) The name or number of the precinct in which the individual is casting a provisional ballot; and

(e) The name of the polling location in which the individual is casting a provisional ballot.

(D) The appropriate local election official shall cause voting information to be publicly posted at each polling place...

to have been violated;

(f) General information on federal and state laws
regarding prohibitions against acts of fraud and
misrepresentation.

(F) Nothing in this section or section 3505.183 of the
Revised Code is in derogation of section 3505.24 of the Revised
Code, which permits a blind, disabled, or illiterate elector to
receive assistance in the marking of the elector's ballot by two
precinct election officials of different political parties. A
blind, disabled, or illiterate elector may receive assistance in
marking that elector's provisional ballot and in completing the
required affirmation in the same manner as an elector may
receive assistance on the day of an election under that section.

Sec. 3505.182. Each individual who casts a provisional
ballot under section 3505.181 of the Revised Code shall execute
a written affirmation. The form of the written affirmation shall

In addition to any information required to be included on the written affirmation, an individual casting a provisional ballot may provide additional information to the election official to assist the board of elections in determining the individual's eligibility to vote in that election, including the date and location at which the individual registered to vote, if known.

If the individual provided all of the information required under section 3503.14 of the Revised Code to register to vote or to update the individual's registration on the provisional ballot affirmation, the board of elections shall consider the individual's provisional ballot affirmation to also serve as a notice of change of name, change of residence, or both, or as a
voter registration form, as applicable, for that individual only for the purposes of future elections.

Sec. 3505.183. (A) When the ballot boxes are delivered to the board of elections from the precincts, the board shall separate the provisional ballot envelopes from the rest of the ballots. Teams of employees of the board consisting of one member of each major political party shall place the sealed provisional ballot envelopes in a secure location within the office of the board. The sealed provisional ballot envelopes shall remain in that secure location until the validity of those ballots is determined under division (B) of this section. While the provisional ballot is stored in that secure location, and prior to the counting of the provisional ballots, if the board receives information regarding the validity of a specific provisional ballot under division (B) of this section, the board may note, on the sealed provisional ballot envelope for that ballot, whether the ballot is valid and entitled to be counted.

(B)(1) To determine whether a provisional ballot is valid and entitled to be counted, the board shall examine its records and determine whether the individual who cast the provisional ballot is registered and eligible to vote in the applicable election. The board shall examine the information contained in the written affirmation executed by the individual who cast the provisional ballot under division (B)(2) of section 3505.181 of the Revised Code. The following information shall be included in the written affirmation in order for the provisional ballot to be eligible to be counted:

(a) The individual's printed name, signature, date of birth, and current address;

(b) A statement that the individual is a registered voter
in the precinct in which the provisional ballot is being voted;

(c) A statement that the individual is eligible to vote in the election in which the provisional ballot is being voted.

(2) In addition to the information required to be included in an affirmation under division (B)(1) of this section, in determining whether a provisional ballot is valid and entitled to be counted, the board also shall examine any additional information for determining ballot validity provided by the provisional voter on the affirmation, provided by the provisional voter to an election official under section 3505.182 of the Revised Code, or provided to the board of elections during the seven days after the day of the election under division (B)(7) of section 3505.181 of the Revised Code, to assist the board in determining the individual's eligibility to vote.

(3) If, in examining a provisional ballot affirmation and additional information under divisions (B)(1) and (2) of this section and comparing the information required under division (B)(1) of this section with the elector's information in the statewide voter registration database, the board determines that all of the following apply, the provisional ballot envelope shall be opened, and the ballot shall be placed in a ballot box to be counted:

(a) The individual named on the affirmation is properly registered to vote.

(b) The individual named on the affirmation is eligible to cast a ballot in the precinct and for the election in which the individual cast the provisional ballot.

(c) The individual provided all of the information
required under division (B)(1) of this section in the
affirmation that the individual executed at the time the
individual cast the provisional ballot.

(d) The last four digits of the elector's social security
number or the elector's Ohio driver's license number or state
identification card number are not different from the last four
digits of the elector's social security number or the elector's
Ohio driver's license number or state identification card number
contained in the statewide voter registration database.

(e) Except as otherwise provided in this division, the
month and day of the elector's date of birth are not different
from the day and month of the elector's date of birth contained
in the statewide voter registration database.

This division does not apply to an elector's provisional
ballot if either of the following is true:

(i) The elector's date of birth contained in the statewide
voter registration database is January 1, 1800.

(ii) The board of elections has found, by a vote of at
least three of its members, that the elector has met all other
requirements of division (B)(3) of this section.

(f) The elector's current address is not different from
the elector's address contained in the statewide voter
registration database, unless the elector indicated that the
elector is casting a provisional ballot because the elector has
moved and has not submitted a notice of change of address, as
described in division (A)(6) of section 3505.181 of the Revised
Code.

(g) If applicable, the individual provided any additional
information required under division (B)(7) of section 3505.181
of the Revised Code within seven days after the day of the election.

(4)(a) Except as otherwise provided in division (D) of this section, if, in examining a provisional ballot affirmation and additional information under divisions (B)(1) and (2) of this section and comparing the information required under division (B)(1) of this section with the elector's information in the statewide voter registration database, the board determines that any of the following applies, the provisional ballot envelope shall not be opened, and the ballot shall not be counted:

(i) The individual named on the affirmation is not qualified or is not properly registered to vote.

(ii) The individual named on the affirmation is not eligible to cast a ballot in the precinct or for the election in which the individual cast the provisional ballot.

(iii) The individual did not provide all of the information required under division (B)(1) of this section in the affirmation that the individual executed at the time the individual cast the provisional ballot.

(iv) The individual has already cast a ballot for the election in which the individual cast the provisional ballot.

(v) If applicable, the individual did not provide any additional information required under division (B)(7) of section 3505.181 of the Revised Code within seven days after the day of the election.

(vi) The individual failed to provide a current and valid photo identification, a military identification, a copy of a current utility bill, bank statement, government check,
paycheck, or other government document, other than a notice of voter registration mailed by a board of elections under section 3503.19 of the Revised Code, with the voter's name and current address, the individual's Ohio driver's license or state identification card number, or the last four digits of the individual's social security number or the individual failed to execute an affirmation under division (B) of section 3505.181 of the Revised Code.

(vii) The last four digits of the elector's social security number or the elector's Ohio driver's license number or state identification card number are different from the last four digits of the elector's social security number or the elector's driver's license number or state identification card number contained in the statewide voter registration database.

(viii) Except as otherwise provided in this division, the month and day of the elector's date of birth are different from the day and month of the elector's date of birth contained in the statewide voter registration database.

This division does not apply to an elector's provisional ballot if either of the following is true:

(I) The elector's date of birth contained in the statewide voter registration database is January 1, 1800.

(II) The board of elections has found, by a vote of at least three of its members, that the elector has met all of the requirements of division (B)(3) of this section, other than the requirements of division (B)(3)(e) of this section.

(ix) The elector's current address is different from the elector's address contained in the statewide voter registration database, unless the elector indicated that the elector is
casting a provisional ballot because the elector has moved and has not submitted a notice of change of address, as described in division (A)(6) of section 3505.181 of the Revised Code.

(b) If, in examining a provisional ballot affirmation and additional information under divisions (B)(1) and (2) of this section and comparing the information required under division (B)(1) of this section with the elector's information in the statewide voter registration database, the board is unable to determine either of the following, the provisional ballot envelope shall not be opened, and the ballot shall not be counted:

(i) Whether the individual named on the affirmation is qualified or properly registered to vote;

(ii) Whether the individual named on the affirmation is eligible to cast a ballot in the precinct or for the election in which the individual cast the provisional ballot.

(C) For each provisional ballot rejected under division (B)(4) of this section, the board shall record the name of the provisional voter who cast the ballot, the identification number of the provisional ballot envelope, the names of the election officials who determined the validity of that ballot, the date and time that the determination was made, and the reason that the ballot was not counted, unless the board has already recorded that information in another database.

(D)(1) If an individual cast a provisional ballot in a precinct in which the individual is not registered and eligible to vote, but in the correct polling location for the precinct in which the individual is registered and eligible to vote, and the election official failed to direct the individual to the correct
precinct, the individual's ballot shall be remade under division (D)(2) of this section. The election official shall be deemed to have directed the individual to the correct precinct if the election official correctly completed the form described in division (C)(2) of section 3505.181 of the Revised Code.

(2) A board of elections that remakes a provisional ballot under division (D)(1) of this section shall remake the provisional ballot on a ballot for the appropriate precinct to reflect the offices, questions, and issues for which the individual was eligible to cast a ballot and for which the individual attempted to cast a provisional ballot. The remade ballot shall be counted for each office, question, and issue for which the individual was eligible to vote.

(3) If an individual cast a provisional ballot in a precinct in which the individual is not registered and eligible to vote and in the incorrect polling location for the precinct in which the individual is registered and eligible to vote, the provisional ballot envelope shall not be opened, and the ballot shall not be counted.

(E) Provisional ballots that are rejected under division (B)(4) of this section shall not be counted but shall be preserved in their provisional ballot envelopes unopened until the time provided by section 3505.31 of the Revised Code for the destruction of all other ballots used at the election for which ballots were provided, at which time they shall be destroyed.

(F) Provisional ballots that the board determines are eligible to be counted under division (B)(3) or (D) of this section shall be counted in the same manner as provided for other ballots under section 3505.27 of the Revised Code. No provisional ballots shall be counted in a particular county...
until the board determines the eligibility to be counted of all provisional ballots cast in that county under division (B) of this section for that election. Observers, as provided in section 3505.21 of the Revised Code, may be present at all times that the board is determining the eligibility of provisional ballots to be counted and counting those provisional ballots determined to be eligible. No person shall recklessly disclose the count or any portion of the count of provisional ballots in such a manner as to jeopardize the secrecy of any individual ballot.

(G)(1) Except as otherwise provided in division (G)(2) of this section, nothing in this section shall prevent a board of elections from examining provisional ballot affirmations and additional information under divisions (B)(1) and (2) of this section to determine the eligibility of provisional ballots to be counted during the ten days after the day of an election.

(2) A board of elections shall not examine the provisional ballot affirmation and additional information under divisions (B)(1) and (2) of this section of any provisional ballot cast by an individual who must provide additional information to the board of elections under division (B)(7) of section 3505.181 of the Revised Code for the board to determine the individual's eligibility until the individual provides that information or until the eleventh day after the day of the election, whichever is earlier.

Sec. 3509.03. (A) Except as provided in division (B) of section 3509.08 of the Revised Code, any qualified elector desiring to vote absent voter's ballots at an election shall make written application for those ballots to the director of elections of the county in which the elector's voting
residence is located.

(B) Except as otherwise provided in division (C) of this section, the application need not be in any particular form but shall contain all of the following:

(1) The elector's name;

(2) The elector's signature;

(3) The address at which the elector is registered to vote;

(4) The elector's date of birth;

(5) One of the following:

(a) The elector's Ohio driver's license or state identification card number or a copy of the front and back of the elector's photo identification;

(b) The last four digits of the elector's social security number;

(c) A copy of the elector's current and valid photo identification, a copy of a military identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections under section 3503.19 of the Revised Code, that shows the name and address of the elector.

(6) A statement identifying the election for which absent voter's ballots are requested;

(7) A statement that the person requesting the ballots is a qualified elector;

(8) If the request is for primary election ballots, the
elector's party affiliation;

(9) If the elector desires ballots to be mailed to the elector, the address to which those ballots shall be mailed.

(C) If the elector has a confidential voter registration record, as described in section 111.44 of the Revised Code, the elector may provide the elector's program participant identification number instead of the address at which the elector is registered to vote.

(D) Each application for absent voter's ballots shall be delivered to the director of the board not earlier than the first day of January of the year of the elections for which the absent voter's ballots are requested or not earlier than ninety days before the day of the election at which the ballots are to be voted, whichever is earlier, and not later than twelve noon of the third day before the day of the election at which the ballots are to be voted, or not later than six p.m. on the last Friday before the day of the election at which the ballots are to be voted if the application is delivered in person to the office of the board.

(E) A board of elections that mails an absent voter's ballot application to an elector under this section shall not prepay the return postage for that application.

(F) Except as otherwise provided in this section and in sections 3505.24 and 3509.08 of the Revised Code, an election official shall not fill out any portion of an application for absent voter's ballots on behalf of an applicant. The secretary of state or a board of elections may preprint only an applicant's name and address on an application for absent voter's ballots before mailing that application to the...
applicant, except that if the applicant has a confidential voter registration record, the secretary of state or a board of elections shall not preprint the applicant's address on the application.

Sec. 3509.04. (A) If a director of a board of elections receives an application for absent voter's ballots that does not contain all of the required information, the director board promptly shall notify the applicant of the additional information required to be provided by the applicant to complete that application.

(B) Upon receipt by the director board of elections of an application for absent voter's ballots that contains all of the required information, as provided by section 3509.03 and division (G) of section 3503.16 of the Revised Code, the director board, if the director board finds that the applicant is a qualified elector, shall deliver to the applicant in person or mail directly to the applicant by special delivery mail, air mail, or regular mail, postage prepaid, proper absent voter's ballots. The director board shall deliver or mail with the ballots an unsealed identification envelope upon the face of which shall be printed a form substantially as follows:

"Identification Envelope Statement of Voter

If I have a confidential voter registration record, I am providing my program participant identification number instead of my residence address: ________________________

Ballots contained within this envelope are to be voted at the __________ (general, special, or primary) election to be held on the __________________________ day of ________________, ________.

My date of birth is _______________ (Month and Day), ___________ (Year).

(Voter must provide one both of the following:)

The last four digits of my Social Security Number are _______________ (Last four digits of Social Security Number).

In lieu of providing a driver's license number or the last four digits of my Social Security Number, I am enclosing a copy of one of the following in the return envelope in which this identification envelope will be mailed: a current and valid photo identification, a military identification, or a
current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections, that shows my name and address.

I hereby declare, under penalty of election falsification, that the statements above are true, as I verily believe.

(Signature of Voter)

WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY OF THE FIFTH DEGREE."

The director board shall mail with the ballots and the unsealed identification envelope an unsealed return envelope upon the face of which shall be printed the official title and post-office address of the director board. In the upper left corner on the face of the return envelope, several blank lines shall be printed upon which the voter may write the voter's name and return address. The return envelope shall be of such size that the identification envelope can be conveniently placed within it for returning the identification envelope to the director board.

A board of elections that mails or otherwise delivers absent voter's ballots to an elector under this section shall not prepay the return postage for those ballots.

Except as otherwise provided in this section and in sections 3505.24 and 3509.08 of the Revised Code, an election official shall not fill out any portion of an identification envelope statement of voter or an absent voter's ballot on behalf of an elector. A board of elections may preprint only an elector’s name and address on an identification envelope.
As Introduced

statement of voter before mailing absent voter's ballots to the elector, except that if the elector has a confidential voter registration record, as described in section 111.44 of the Revised Code, the board of elections shall not preprint the elector's address on the identification envelope statement of voter.

Sec. 3509.05. (A) When an elector receives an absent voter's ballot pursuant to the elector's application or request, the elector shall, before placing any marks on the ballot, note whether there are any voting marks on it. If there are any voting marks, the ballot shall be returned immediately to the board of elections; otherwise, the elector shall cause the ballot to be marked, folded in a manner that the stub on it and the indorsements and facsimile signatures of the members of the board of elections on the back of it are visible, and placed and sealed within the identification envelope received from the director of elections for that purpose. Then, the elector shall cause the statement of voter on the outside of the identification envelope to be completed and signed, under penalty of election falsification.

If the elector does not provide the elector's Ohio driver's license or state identification card number on the statement of voter on the identification envelope or a copy of the front and back of the elector's photo identification enclosed in the return envelope, and also shall provide the last four digits of the elector's social security number on the statement of voter on the identification envelope, the elector also shall include in the return envelope with the identification envelope a copy of the elector's current valid photo identification, a copy of a military identification, or a copy of a current utility bill, bank statement, government
check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections under section 3503.19 of the Revised Code, that shows the name and address of the elector.

The elector shall mail the identification envelope to the director from whom it was received in the return envelope, postage prepaid, or the elector may personally deliver it to the director, or the spouse of the elector, the father, mother, father-in-law, mother-in-law, grandfather, grandmother, brother, or sister of the whole or half blood, or the son, daughter, adopting parent, adopted child, stepparent, stepchild, uncle, aunt, nephew, or niece of the elector may deliver it to the director. The return envelope shall be transmitted to the director in no other manner, except as provided in section 3509.08 of the Revised Code.

When absent voter's ballots are delivered to an elector at the office of the board, the elector may retire to a voting compartment provided by the board and there mark the ballots. Thereupon, the elector shall fold them, place them in the identification envelope provided, seal the envelope, fill in and sign the statement on the envelope under penalty of election falsification, and deliver the envelope to the director of the board.

Except as otherwise provided in division (B) of this section, all other envelopes containing marked absent voter's ballots shall be delivered to the director not later than the close of the polls on the day of an election. Absent voter's ballots delivered to the director later than the times specified shall not be counted, but shall be kept by the board in the sealed identification envelopes in which they are delivered to
the director, until the time provided by section 3505.31 of the Revised Code for the destruction of all other ballots used at the election for which ballots were provided, at which time they shall be destroyed.

(B)(1) Except as otherwise provided in division (B)(2) of this section, any return envelope that is postmarked prior to the day of the election shall be delivered to the director prior to the eleventh day after the election. Ballots delivered in envelopes postmarked prior to the day of the election that are received after the close of the polls on election day through the tenth day thereafter shall be counted on the eleventh day at the board of elections in the manner provided in divisions (C) and (D) of section 3509.06 of the Revised Code or in the manner provided in division (E) of that section, as applicable. Any such ballots that are received by the director later than the tenth day following the election shall not be counted, but shall be kept by the board in the sealed identification envelopes as provided in division (A) of this section.

(2) Division (B)(1) of this section shall not apply to any mail that is postmarked using a postage evidencing system, including a postage meter, as defined in 39 C.F.R. 501.1.

Sec. 3509.051. Notwithstanding section 3509.05 or any other provision of the Revised Code to the contrary, all of the following shall apply to the casting of absent voter's ballots in person at the office of the board of elections in accordance with this section.

(A) The absent voter shall provide photo identification to the election officials, sign a poll list or signature pollbook, and cast a ballot in the same manner as one of the following:
(1) As a voter who casts a ballot in person on the day of
an election is required to provide identification under section
3505.18 of the Revised Code, or
(2) As a voter who casts an absent voter's ballot is
required to submit a completed written application for an absent
voter's ballot under section 3509.03 of the Revised Code.

(B) The absent voter shall not be required to complete a
written application for absent voter's ballots or a statement of
voter on an absent voter's ballot identification envelope.

(C) The board of elections shall provide a signature book
to be signed by absent voters who are casting their ballots in
person.

(D) No person other than an election official shall be
permitted to challenge the right to vote of an absent voter who
is casting a ballot in person. An election official may
challenge the right to vote of an absent voter who is casting a
ballot in person in the same manner as a precinct election
official may challenge the right to vote of an elector on the
day of an election under section 3505.20 or 3513.19 of the
Revised Code.

(E) (D) An individual who appears to cast absent voter's
ballots in person and is eligible to cast a provisional ballot
under section 3505.181 of the Revised Code shall be permitted to
do so as though the individual had appeared at a polling place
on the day of the election.

(E) No absent voter may receive a replacement ballot after
the voter's absent voter's ballot has been scanned or entered
into automatic tabulating equipment.

(F) Ballots cast under this section, other than
provisional ballots, may be recorded by a voting machine or
scanned by automatic tabulating equipment before the close of
the polls on the day of the election, but the board of elections
shall not tabulate or count the votes on those ballots before
that time.

Sec. 3509.06. (A) The board of elections shall determine
whether absent voter's ballots cast under section 3503.16,
3509.05, 3509.08, or 3511.09 of the Revised Code shall be
processed and counted in each precinct, at the office of the
board, or at some other location designated by the board, and
shall proceed accordingly under division (B), (C), or (E) of
this section, as applicable.

(B)(1) Except as otherwise provided in division (B)(2) of
this section, when the board of elections determines that those
absent voter's ballots shall be processed and counted in each
precinct, the director board shall deliver to the voting
location manager of each precinct on election day identification
envelopes purporting to contain absent voter's ballots of
electors whose voting residence appears from the statement of
voter on the outside of each of those envelopes, to be located
in that manager's precinct, and which were received by the
director board not later than the close of the polls on election
day. The director board shall deliver to the voting location
manager a list containing the name and voting residence of each
person whose voting residence is in such precinct to whom absent
voter's ballots were mailed.

(2) The director board shall not deliver to the voting
location manager identification envelopes cast by electors who
provided a program participant identification number instead of
a residence address on the identification envelope and shall not
inform the voting location manager of the names and voting residences of persons who have confidential voter registration records. Those identification envelopes shall be examined and processed as described in division (E) of this section.

(C) When the board of elections determines that those absent voter's ballots shall be processed and counted at the office of the board of elections or at another location designated by the board, special election officials shall be appointed by the board for that purpose having the same authority as is exercised by precinct election officials. The votes so cast shall be added to the vote totals by the board, and the absent voter's ballots shall be preserved separately by the board, in the same manner and for the same length of time as provided by section 3505.31 of the Revised Code.

(D) Each of the identification envelopes purporting to contain absent voter's ballots delivered to the voting location manager of the precinct or the special election official appointed by the board of elections shall be handled as follows:

(1) The election officials shall compare the signature of the elector on the outside of the identification envelope with the signature of that elector on the elector's registration form and verify that the absent voter's ballot is eligible to be counted under section 3509.07 of the Revised Code.

(2)(a) Any of the precinct officials may challenge the right of the elector named on the identification envelope to vote the absent voter's ballots upon the ground that the signature on the envelope is not the same as the signature on the registration form, that the identification envelope statement of voter is incomplete, or upon any other of the grounds upon which the right of persons to vote may be lawfully
challenged.

(b) If the elector's name does not appear in the pollbook or poll list or signature pollbook, the precinct officials shall deliver the absent voter's ballots to the director of the board of elections to be examined and processed in the manner described in division (E) of this section.

(3)(a) An identification envelope statement of voter shall be considered incomplete if it does not include all of the following:

(i) The voter's name;

(ii) The voter's residence address or, if the voter has a confidential voter registration record, as described in section 111.44 of the Revised Code, the voter's program participant identification number;

(iii) The voter's date of birth. The requirements of this division are satisfied if the voter provided a date of birth and any of the following is true:

(I) The month and day of the voter's date of birth on the identification envelope statement of voter are not different from the month and day of the voter's date of birth contained in the statewide voter registration database.

(II) The voter's date of birth contained in the statewide voter registration database is January 1, 1800.

(III) The board of elections has found, by a vote of at least three of its members, that the voter has met the requirements of divisions (D)(3)(a)(i), (ii), (iv), and (v) of this section.

(iv) The voter's signature; and
(v) One of the following forms of identification:

(I) The voter's driver's license or state identification card number or a copy of the front and back of the voter's photo identification;

(II) The last four digits of the voter's social security number;

(III) A copy of a current and valid photo identification, a military identification, or a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections, that shows the voter's name and address.

(b) If the election officials find that the identification envelope statement of voter is incomplete or that the information contained in that statement does not conform to the information contained in the statewide voter registration database concerning the voter, the election officials shall mail a written notice to the voter, informing the voter of the nature of the defect. The notice shall inform the voter that in order for the voter's ballot to be counted, the voter must provide the necessary information to the board of elections in writing and on a form prescribed by the secretary of state not later than the seventh day after the day of the election. The voter may deliver the form to the office of the board in person or by mail. If the voter provides the necessary information to the board of elections not later than the seventh day after the day of the election and the ballot is not successfully challenged on another basis, the voter's ballot shall be processed and counted in accordance with this section.

(4) If no such challenge is made, or if such a challenge
is made and not sustained, the voting location manager shall open the envelope without defacing the statement of voter and without mutilating the ballots in it, and shall remove the ballots contained in it and proceed to count them.

(5)(a) Except as otherwise provided in division (D)(5)(b) of this section, the name of each person voting who is entitled to vote only an absent voter's presidential ballot shall be entered in a pollbook or poll list or signature pollbook followed by the words "Absentee Presidential Ballot." The name of each person voting an absent voter's ballot, other than such persons entitled to vote only a presidential ballot, shall be entered in the pollbook or poll list or signature pollbook and the person's registration card marked to indicate that the person has voted.

(b) If the person voting has a confidential voter registration record, the person's registration card shall be marked to indicate that the person has voted, but the person's name shall not be entered in the pollbook or poll list or signature pollbook.

(6) The date of such election shall also be entered on the elector's registration form. If any such challenge is made and sustained, the identification envelope of such elector shall not be opened, shall be endorsed "Not Counted" with the reasons the ballots were not counted, and shall be delivered to the board.

(E)(1) When the board of elections receives absent voter's ballots from an elector who has provided a program participant identification number instead of a residence address on the identification envelope statement of voter, the director and the deputy director personally shall examine and process the identification envelope statement of voter in the manner
prescribed in division (D) of this section.

(2) If the director and the deputy director find that the identification envelope statement of voter is incomplete or that the information contained in that statement does not conform to the information contained in the statewide voter registration database concerning the voter or to the information contained in the voter's confidential voter registration record, the director and the deputy director shall mail a written notice to the voter informing the voter of the nature of the defect. The notice shall inform the voter that in order for the voter's ballot to be counted the voter must provide the necessary information to the board of elections in writing and on a form prescribed by the secretary of state not later than the seventh day after the day of the election. The voter may deliver the form to the office of the board in person or by mail. If the voter provides the necessary information to the board of elections not later than the seventh day after the day of the election and the ballot is not successfully challenged on another basis, the voter's ballot shall be counted in accordance with this section.

(3) The director or the deputy director may challenge the ballot on the ground that the signature on the envelope is not the same as the signature on the registration form, that the identification envelope statement of voter is incomplete, or upon any other of the grounds upon which the right of persons to vote may be lawfully challenged. If such a challenge is made, the board of elections shall decide whether to sustain the challenge.

(4) If neither the director nor the deputy director challenges the ballot, or if such a challenge is made and not sustained, the director and the deputy director shall open the
envelope without defacing the statement of voter and without
mutilating the ballots in it, shall remove the ballots contained
in it, and shall transmit the ballots to the election officials
to be counted with other absent voter's ballots from that
precinct.

(F) The board of elections may process absent voter's
ballots before the time for counting those ballots, but the
board shall not tabulate or count the votes on those ballots
before that time. As used in this section and section 3511.11 of
the Revised Code, processing an absent voter's ballot means any
of the following:

(1) Examining the identification envelope statement of
voter in order to verify that the absent voter's ballot is
eligible to be counted under section 3509.07 of the Revised
Code;

(2) Opening the identification envelope, if the absent
voter's ballot is eligible to be counted;

(3) Determining the validity of the absent voter's ballot
under section 3509.07 of the Revised Code;

(4) Preparing and sorting the absent voter's ballot for
scanning by automatic tabulating equipment;

(5) Scanning the absent voter's ballot by automatic
tabulating equipment, if the equipment used by the board of
elections permits an absent voter's ballot to be scanned without
tabulating or counting the votes on the ballots scanned.

(G) Special election officials, employees or members of
the board of elections, or observers shall not disclose the
count or any portion of the count of absent voter's ballots
prior to the time of the closing of the polling places. No
person shall recklessly disclose the count or any portion of the count of absent voter's ballots in such a manner as to jeopardize the secrecy of any individual ballot.

(H)(1) Except as otherwise provided in division (H)(2) of this section, observers may be appointed under section 3505.21 of the Revised Code to witness the examination and opening of identification envelopes and the processing and counting of absent voters' ballots under this section.

(2) Observers shall not be permitted to witness the examination and opening of identification envelopes returned by, and the processing and counting of absent voter's ballots cast by, electors who have confidential voter registration records in a manner that would permit the observers to learn the identities or residence addresses of those electors.

Sec. 3509.07. If election officials find that any of the following are true concerning an absent voter's ballot or absent voter's presidential ballot cast under section 3503.16, 3509.05, 3509.08, or 3511.09 of the Revised Code and, if applicable, the person did not provide any required additional information to the board of elections not later than the seventh day after the day of the election, as permitted under division (D)(3)(b) or (E)(2) of section 3509.06 of the Revised Code, the ballot shall not be accepted or counted:

(A) The statement accompanying the ballot is incomplete as described in division (D)(3)(a) of section 3509.06 of the Revised Code or is insufficient;

(B) The signatures do not correspond with the person's registration signature;

(C) The applicant is not a qualified elector in the
precinct;

(D) The ballot envelope contains more than one ballot of any one kind, or any voted ballot that the elector is not entitled to vote;

(E) Stub A is detached from the absent voter's ballot or absent voter's presidential ballot; or

(F) The elector has not included with the elector's ballot any identification required under section 3509.05 or 3511.09 of the Revised Code.

The vote of any absent voter may be challenged for cause in the same manner as other votes are challenged, and the election officials shall determine the legality of that ballot. Every ballot not counted shall be endorsed on its back "Not Counted" with the reasons the ballot was not counted, and shall be enclosed and returned to or retained by the board of elections along with the contested ballots.

Sec. 3509.08. (A) Any qualified elector, who, on account of the elector's own personal illness, physical disability, or infirmity, or on account of the elector's confinement in a jail or workhouse under sentence for a misdemeanor or awaiting trial on a felony or misdemeanor, will be unable to travel from the elector's home or place of confinement to the voting booth in the elector's precinct on the day of any general, special, or primary election may make application in writing for an absent voter's ballot to the director of the board of elections of the elector's county. The application shall include all of the information required under section 3509.03 of the Revised Code and shall state the nature of the elector's illness, physical disability, or infirmity, or the fact that the elector is
confined in a jail or workhouse and the elector's resultant inability to travel to the election booth in the elector's precinct on election day. The exception as otherwise provided in division (B) of this section, the application shall not be valid if it is delivered to the director of the board before the ninetieth day or after twelve noon of the third day before the day of the election at which the ballot is to be voted.

The absent voter's ballot may be mailed directly to the applicant at the applicant's voting residence or place of confinement as stated in the applicant's application, or the board may designate two board employees belonging to the two major political parties for the purpose of delivering the ballot to the disabled or confined elector and returning it to the board, unless the applicant is confined to a public or private institution within the county, in which case the board shall designate two board employees belonging to the two major political parties for the purpose of delivering the ballot to the disabled or confined elector and returning it to the board. In all other instances, the ballot shall be returned to the office of the board in the manner prescribed in section 3509.05 of the Revised Code.

Any disabled or confined elector who declares to the two board employees belonging to the two major political parties that the elector is unable to mark the elector's ballot by reason of physical infirmity that is apparent to the employees to be sufficient to incapacitate the voter from marking the elector's ballot properly, may receive, upon request, the assistance of the employees in marking the elector's ballot, and they shall thereafter give no information in regard to this matter. Such assistance shall not be rendered for any other cause.
When two board employees belonging to the two major political parties deliver a ballot to a disabled or confined elector, each of the employees shall be present when the ballot is delivered, when assistance is given, and when the ballot is returned to the office of the board, and shall subscribe to the declaration on the identification envelope.

The secretary of state shall prescribe the form of application for absent voter's ballots under this division.

This chapter applies to disabled and confined absent voter's ballots except as otherwise provided in this section.

(B)(1) Any qualified elector who is unable to travel to the voting booth in the elector's precinct on the day of any general, special, or primary election may apply to the director of the board of elections of the county where the elector is a qualified elector to vote in the election by absent voter's ballot if either of the following apply:

(a) The elector is confined in a hospital as a result of an accident or unforeseeable medical emergency occurring before the election;

(b) The elector's minor child is confined in a hospital as a result of an accident or unforeseeable medical emergency occurring before the election.

(2) The application authorized under division (B)(1) of this section shall be made in writing, shall include all of the information required under section 3509.03 of the Revised Code, and shall be delivered to the director of the board not later than three p.m. on the day of the election. The application shall indicate the hospital where the applicant or the applicant's child is confined, the date of the applicant's

elector and no request is made for a member of the family to
deliver the ballot, the director board shall arrange for the
delivery of an absent voter's ballot to the applicant, and for
its return to the office of the board, by two board employees
belonging to the two major political parties according to the
procedures prescribed in division (A) of this section. When the
applicant or the applicant's child is in a hospital outside the
county where the applicant is a qualified elector and no request
is made for a member of the family to deliver the ballot, the
director board shall arrange for the delivery of an absent
voter's ballot to the applicant by mail, and the ballot shall be
returned to the office of the board in the manner prescribed in
section 3509.05 of the Revised Code.

(3) Any qualified elector who is eligible to vote under
division (B) or (C) of section 3503.16 of the Revised Code but
is unable to do so because of the circumstances described in
division (B)(2) of this section may vote in accordance with
division (B)(1) of this section if that qualified elector states
in the application for absent voter's ballots that that
qualified elector moved or had a change of name under the
circumstances described in division (B) or (C) of section
3503.16 of the Revised Code and if that qualified elector complies with divisions (G)(1) to (4) of section 3503.16 of the Revised Code.

(C) Any qualified elector described in division (A) or (B)(1) of this section who needs no assistance to vote or to return absent voter's ballots to the board of elections may apply for absent voter's ballots under section 3509.03 of the Revised Code instead of applying for them under this section or may cast absent voter's ballots in person under section 3509.051 of the Revised Code.

(D) Any qualified elector described in division (A) or (B)(1) of this section to whom ballots are delivered by two employees of the board of elections or who votes with the assistance of two employees of the board of elections shall be considered to have cast absent voter's ballots by mail, rather than in person, for the purpose of the laws governing voter identification.

Sec. 3509.09. (A) The poll list or signature pollbook for each precinct shall identify each registered elector in that precinct who has requested an absent voter's ballot for that election or cast an absent voter's ballots in person under section 3509.051 of the Revised Code, other than an elector who has a confidential voter registration record, as described in section 111.44 of the Revised Code.

(B)(1) If a registered elector appears to vote in that precinct and that elector has requested an absent voter's ballot for that election, but the director has not received a sealed identification envelope purporting to contain that elector's voted absent voter's ballots for that election, the elector shall be permitted to cast a provisional ballot.
under section 3505.181 of the Revised Code in that precinct on
the day of that election.

(2) If a registered elector appears to vote in that
precinct and that elector has requested an absent voter's ballot
for that election and the director has received a sealed
identification envelope purporting to contain that elector's
voted absent voter's ballots for that election, the elector
shall be permitted to cast a provisional ballot under section
3505.181 of the Revised Code in that precinct on the day of that
election.

(C)(1) In counting absent voter's ballots under section
3509.06 of the Revised Code, the board of elections shall
compare the signature of each elector from whom the director
board has received a sealed identification envelope purporting
to contain that elector's voted absent voter's ballots for that
election to the signature on that elector's registration form.
Except as otherwise provided in division (C)(3) of this section,
if the board of elections determines that the absent voter's
ballot in the sealed identification envelope is valid, it shall
be counted. If the board of elections determines that the
signature on the sealed identification envelope purporting to
contain the elector's voted absent voter's ballot does not match
the signature on the elector's registration form, the ballot
shall be set aside and the board shall examine, during the time
prior to the beginning of the official canvass, the poll list or
signature pollbook from the precinct in which the elector is
registered to vote to determine if the elector also cast a
provisional ballot under section 3505.181 of the Revised Code in
that precinct on the day of the election.

(2) The board of elections shall count the provisional
ballot, instead of the absent voter's ballot, if both of the following apply:

(a) The board of elections determines that the signature of the elector on the outside of the identification envelope in which the absent voter's ballots are enclosed does not match the signature of the elector on the elector's registration form;

(b) The elector cast a provisional ballot in the precinct on the day of the election.

(3) If the board of elections does not receive the sealed identification envelope purporting to contain the elector's voted absent voter's ballot by the applicable deadline established under section 3509.05 of the Revised Code, the provisional ballot cast under section 3505.181 of the Revised Code in that precinct on the day of the election shall be counted as valid, if that provisional ballot is otherwise determined to be valid pursuant to section 3505.183 of the Revised Code.

(D) If the board of elections counts a provisional ballot under division (C)(2) or (3) of this section, the returned identification envelope of that elector shall not be opened, and the ballot within that envelope shall not be counted. The identification envelope shall be endorsed "Not Counted" with the reason the ballot was not counted.

Sec. 3509.10. If a board of elections receives an application for absent voter's ballots under this chapter section 3509.03 of the Revised Code and it is apparent to the board that the absent voter is a uniformed services voter or overseas voter, as defined in section 3511.01 of the Revised Code, the board shall consider that applicant to have applied

(D) Division (C) of this section does not apply when
absent voter's ballots are sent electronically, including by
facsimile machine.

(E) Except as otherwise provided in this division and in
sections 3505.24 and 3509.08 of the Revised Code, an election
official shall not fill out any portion of an identification
envelope statement of voter or an absent voter's ballot on
behalf of an elector. A board of elections may preprint only an

statement of voter before mailing or electronically transmitting
absent voter's ballots to the elector, except that if the elector has a confidential voter registration record, as described in section 111.44 of the Revised Code, the board of elections shall not preprint the elector's address on the identification envelope statement of voter.

**Sec. 3511.06.** The return envelope provided for in section 3511.05 of the Revised Code shall be of such size that the identification envelope can be conveniently placed within it for returning the identification envelope to the director of the board of elections. The envelope in which the two envelopes and the uniformed services or overseas absent voter's ballots are mailed to the elector shall have two parallel lines, each one quarter of an inch in width, printed across its face, paralleling the top, with an intervening space of one-quarter of an inch between such lines. election and that the uniformed services or overseas absent
voter's ballots so requested had not been received by such
person prior to the fifteenth day before the election, and
provided that the director board has not received an
identification envelope purporting to contain marked uniformed
services or overseas absent voter's ballots from such person.

Sec. 3511.09. Upon receiving uniformed services or
overseas absent voter's ballots, the elector shall cause the
questions on the face of the identification envelope to be
answered, and, by writing the elector's usual signature in the
proper place on the identification envelope, the elector shall
declare under penalty of election falsification that the answers
to those questions are true and correct to the best of the
elector's knowledge and belief. Then, the elector shall note
whether there are any voting marks on the ballot. If there are
any voting marks, the ballot shall be returned immediately to
the board of elections; otherwise, the elector shall cause the
ballot to be marked, folded separately so as to conceal the
markings on it, deposited in the identification envelope, and

shall cause the identification envelope to be placed within the
return envelope, sealed in the return envelope, and mailed to
the director of the board of elections to whom it is addressed.

If, upon so opening the return envelope, the director board finds that ballots are enclosed in the identification
envelope but that it is not properly sealed, the director board shall not look at the markings upon the ballots and shall promptly seal the identification envelope.

(B) Uniformed services or overseas absent voter's ballots delivered to the director not later than the close of the polls on election day shall be processed and counted in the manner provided in section 3509.06 of the Revised Code.

(C) A return envelope is not required to be postmarked in order for a uniformed services or overseas absent voter's ballot contained in it to be valid. Except as otherwise provided in this division, whether or not the return envelope containing the ballot is postmarked, contains a late postmark, or contains an illegible postmark, a uniformed services or overseas absent voter's ballot that is received after the close of the polls on election day through the tenth day after the election day shall be processed and counted on the eleventh day after the election day at the office of the board of elections in the manner provided in section 3509.06 of the Revised Code if the voter signed the identification envelope by the time specified in section 3511.09 of the Revised Code. However, if a return envelope containing a uniformed services or overseas absent voter's ballot is so received and so indicates, but the identification envelope in it is signed after the close of the polls on election day, the uniformed services or overseas absent voter's ballot shall not be counted.

(D) The following types of uniformed services or overseas absent voter's ballots shall not be counted:

(1) Uniformed services or overseas absent voter's ballots contained in return envelopes that bear the designation "Official Election Uniformed Services or Overseas Absent Voter's
Ballots," that are received by the director board of elections after the close of the polls on the day of the election, and that contain an identification envelope that is signed after the time specified in section 3511.09 of the Revised Code;

(2) Uniformed services or overseas absent voter's ballots contained in return envelopes that bear that designation and that are received after the tenth day following the election.

The uncounted ballots shall be preserved in their identification envelopes unopened until the time provided by section 3505.31 of the Revised Code for the destruction of all other ballots used at the election for which ballots were provided, at which time they shall be destroyed.

Sec. 3511.13. (A) The poll list or signature pollbook for each precinct shall identify each registered elector in that precinct who has requested a uniformed services or overseas absent voter's ballot for that election or cast absent voter's ballots in person under section 3509.051 of the Revised Code, other than an elector who has a confidential voter registration record, as described in section 111.44 of the Revised Code.

(B)(1) If a registered elector appears to vote in that precinct and that elector has requested or cast a uniformed services or overseas absent voter's ballot for that election but the director has not received a sealed identification envelope purporting to contain that elector's voted uniformed services or overseas absent voter's ballots for that election, the elector shall be permitted to cast a provisional ballot under section 3505.181 of the Revised Code in that precinct on the day of that election.

(2) If a registered elector appears to vote in that
precinct and that elector has requested a uniformed services or overseas absent voter's ballot for that election and the director has received a sealed identification envelope purporting to contain that elector's voted uniformed services or overseas absent voter's ballots for that election, the elector shall be permitted to cast a provisional ballot under section 3505.181 of the Revised Code in that precinct on the day of that election.

(C)(1) In counting uniformed services or overseas absent voter's ballots under section 3511.11 of the Revised Code, the board of elections shall compare the signature of each elector from whom the director has received a sealed identification envelope purporting to contain that elector's voted uniformed services or overseas absent voter's ballots for that election to the signature on the elector's registration form. Except as otherwise provided in division (C)(3) of this section, if the board of elections determines that the uniformed services or overseas absent voter's ballot in the sealed identification envelope is valid, it shall be counted. If the board of elections determines that the signature on the sealed identification envelope purporting to contain the elector's voted uniformed services or overseas absent voter's ballot does not match the signature on the elector's registration form, the ballot shall be set aside and the board shall examine, during the time prior to the beginning of the official canvass, the poll list or signature pollbook from the precinct in which the elector is registered to vote to determine if the elector also cast a provisional ballot under section 3505.181 of the Revised Code in that precinct on the day of the election.

(2) The board of elections shall count the provisional ballot, instead of the uniformed services or overseas absent
voter's ballot, of an elector from whom the director board has received an identification envelope purporting to contain that elector's voted uniformed services or overseas absent voter's ballots, if both of the following apply:

(a) The board of elections determines that the signature of the elector on the outside of the identification envelope in which the uniformed services or overseas absent voter's ballots are enclosed does not match the signature of the elector on the elector's registration form;

(b) The elector cast a provisional ballot in the precinct on the day of the election.

(3) If the board of elections does not receive the sealed identification envelope purporting to contain the elector's voted uniformed services or overseas absent voter's ballot by the applicable deadline established under section 3511.11 of the Revised Code, the provisional ballot cast under section 3505.181 of the Revised Code in that precinct on the day of the election shall be counted as valid, if that provisional ballot is otherwise determined to be valid pursuant to section 3505.183 of the Revised Code.

(D) If the board of elections counts a provisional ballot under division (C)(2) or (3) of this section, the returned identification envelope of that elector shall not be opened, and the ballot within that envelope shall not be counted. The identification envelope shall be endorsed "Not Counted" with the reason the ballot was not counted.
