It shall not be necessary for such electors ~~desiring to vote only on the question or issue~~ to declare their political affiliation.

Sec. 3513.25. (A) Nominations of candidates for chief justice or justice of the supreme court and for judge of a court of appeals shall be made only by nonpartisan primary election as provided in this section, and their election shall occur only in nonpartisan elections.

(B) Candidates for nomination to the office of chief justice or justice of the supreme court and for judge of a court of appeals shall appear on a nonpartisan ballot at the primary election. No name or designation of any political party nor any words, designations, or emblems descriptive of a candidate or the candidate's political affiliation shall be printed on the ballot in association with the candidate's name. The candidates for an office who receive the highest and second highest number of votes shall appear on the nonpartisan ballot at the general election for that office.

(C)(1) Each person desiring to become a candidate for nomination to the office of chief justice or justice of the supreme court or judge of a court of appeals shall, not later than four p.m. of the ninetieth day before the day of the primary election, file a nonpartisan declaration of candidacy and petition, on forms prescribed by the secretary of state, and pay the applicable fees required under section 3513.10 of the Revised Code. The declaration of candidacy shall designate the term of the office the person seeks in accordance with section 3513.08 of the Revised Code. The declaration of candidacy also shall designate a committee of five electors to represent the candidate.

(2)(a) If the candidacy is for the office of chief justice or justice of the supreme court, the petition shall be filed with the secretary of state and shall be signed by at least one thousand qualified electors, provided that the secretary of state shall not accept for filing any such petition appearing on its face to contain signatures of more than two thousand electors. (b) If the candidacy is for the office of judge of a court of appeals of a district that has territory in only one county, the petition shall be filed with the board of elections. If the candidacy is for the office of judge of a court of appeals of a district that has territory in more than one county, the petition shall be filed with the board of elections of the most populous county in the district, as determined by the most recent federal decennial census. The petition shall be signed by at least fifty qualified electors of the district, provided that the board shall not accept for filing any such petition appearing on its face to contain signatures of more than one hundred fifty electors. (c) The declaration of candidacy need be signed by the candidate, or an attorney in fact acting pursuant to section 3501.382 of the Revised Code, on only one of the separate petition papers, but the signed declaration of candidacy shall be copied on each other separate petition paper before the signatures of electors are placed on it.

(D)(1) The declaration of candidacy and all separate petition papers shall be filed at the same time as one instrument. The election officials shall not accept for filing a declaration of candidacy and petition of a person seeking to become a candidate if that person, for the same election, has already filed a declaration of candidacy or a declaration of intent to be a write-in candidate, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code, for any federal, state, or county office.

(2) The petition shall consist of separate petition papers, each of which shall contain signatures of electors of only one county. Petitions or separate petition papers containing signatures of electors of more than one county shall not thereby be declared invalid. If petitions or separate petition papers containing signatures of electors of more than one county are filed, the election officials with whom the petitions are filed shall determine the county from which the majority of the signatures came, and only signatures from that county shall be counted. Signatures from any other county shall be invalid.

(3) Each separate petition paper shall be circulated by one person only, and each separate petition paper shall be governed by section 3501.38 of the Revised Code.

(E)(1) The secretary of state promptly shall transmit the separate petition papers to the appropriate boards of elections. A board of elections that receives separate petition papers that purport to contain signatures of electors of another county promptly shall transmit the petition papers to the board of elections of that county.

(2) All petition papers filed with or transmitted to a board shall, under proper regulations, be open to public inspection until four p.m. of the eightieth day before the day of the primary election. Each board shall, not later than the seventy-eighth day before the day of the primary election, examine and determine the validity or invalidity of the signatures on the petition papers and, if applicable, shall return them to the election officials from whom they were received, together with its certification of its determination as to the validity or invalidity of the signatures. All other matters affecting the validity or invalidity of the petition papers shall be determined by the election officials with whom the petition papers are filed.

(F) Protests against the candidacy of any person filing a declaration of candidacy and petition under this section may be filed by any qualified

elector who is eligible to vote for the candidate to whose declaration of candidacy the elector objects. The protest shall be in writing and shall be filed not later than four p.m. of the seventy-fourth day before the day of the primary election in the office in which the declaration of candidacy and petition are filed. Upon the filing of the protest, the election officials with whom the protest is filed shall promptly fix the time for hearing it, and shall forthwith mail notice of the filing of the protest and the time fixed for hearing to the person whose candidacy is so protested. The election officials shall also forthwith mail notice of the time fixed for such hearing to the person who filed the protest. At the time fixed, the election officials shall hear the protest and determine the validity or invalidity of the declaration of candidacy and petition. If the election officials find that the candidate is not an elector of the state or of the district in which the candidate seeks nomination, as applicable, or has not fully complied with this chapter, the candidate's declaration of candidacy and petition shall be determined to be invalid and shall be rejected; otherwise, it shall be determined to be valid. That determination shall be final."

WATER AND SEWER QUALITY PROGRAM

The foregoing appropriation item 1956A1, Water and Sewer Quality Program, shall be used by the Department of Development to make grants under the Water and Sewer Quality Program created in Section 259.30 of this act. Of the foregoing appropriation item 1956A1, Water and Sewer Quality Program, an amount not to exceed one per cent may be used to pay administrative costs of the program. An amount equal to the unexpended, unencumbered balance remaining in the foregoing appropriation item 1956A1, Water and Sewer Quality Program, at the end of fiscal year 2022 is hereby reappropriated for the same purpose in fiscal year 2023.

Section 259.20. Within the limits set forth in this act, the Director of Budget and Management shall establish accounts indicating the source and amount of funds for each appropriation made in this act, and shall determine the form and manner in which appropriation accounts shall be maintained. Expenditures from appropriations contained in this act shall be accounted for as though made in H.B. 110 of the 134th General Assembly. The appropriations made in this act are subject to all provisions of H.B. 110 of the 134th General Assembly that are generally applicable to such appropriations.

Section 259.30. As used in this section, "political subdivision" means a county, township, municipal corporation, or other body corporate and politic responsible for governmental activities in a geographic area smaller than that of the state.

The Department of Development shall utilize the funds appropriated under Section 259.10 of this act to establish and administer the Water and Sewer Quality Program to provide grants to political subdivisions related to water and sewer quality projects.

The Department shall determine project eligibility and establish a means of applying for grants under the program. The Department shall require a political subdivision that receives funds under the program to provide a local match or local contribution. In extraordinary circumstances as determined by the Department, the Department may waive the local match or local contribution requirement.

Not later than sixty days after this section takes effect, the county engineer of each county in the state shall submit to the Department a list of projects within the county that are eligible to receive funding under the program. The list shall indicate the priority level of each project, in comparison to the other projects on the list.

The Department may provide grants under the program for projects on the list each county engineer is required to submit, or for projects otherwise submitted by a political subdivision, so long as a project satisfies the eligibility criteria established by the Department."
