(b) If the complaint is filed by a legislative authority or mayor, the legislative authority or, in the case of a mayor, the legislative authority of the municipal corporation, first adopts a resolution authorizing the filing of the original complaint at a public meeting of the legislative authority.

(7) A resolution adopted under division (A)(6)(b) of this section shall include all of the following information:

(a) Identification of the parcel or parcels that are the subject of the original complaint by street address, if available from online records of the county auditor, and by permanent parcel number;

(b) The name of at least one of the record owners of the parcel or parcels;

(c) The basis for the complaint under divisions (A)(1)(a) to (f) of this section relative to each parcel identified in the resolution;

(d) The tax year for which the complaint will be filed, which shall be a year for which a complaint may be timely filed under this section at the time of the resolution's adoption.

A legislative authority shall not adopt a resolution required under division (A)(6)(b) of this section that identifies more than one parcel under division (A)(7)(a) of this section, except that a single resolution may identify more than one parcel under that division if each parcel has the same record

owner or the same record owners, as applicable. A legislative authority may adopt multiple resolutions required under division (A)(6)(b) of this section by a single vote, provided that the vote is separate from the question of whether to adopt any resolution that is not adopted under division (A)(6)(b) of this section.

Before adopting a resolution required by division (A)(6)(b) of this section, the legislative authority shall mail a written notice to at least one of the record owners of the parcel or parcels identified in the resolution stating the intent of the legislative authority in adopting the resolution, the proposed date of adoption, and the basis for the complaint under divisions (A)(1)(a) to (f) of this section relative to each parcel identified in the resolution. The notice shall be sent by certified mail to the last known tax-mailing address of at least one of the record owners and, if different from that tax-mailing address, to the street address of the parcel or parcels identified in the resolution. The notice shall be postmarked or, if sent by internet identifier of record, sent at least seven calendar days before the legislative authority adopts the resolution.

A board of revision has jurisdiction to consider a complaint filed pursuant to a resolution adopted under division (A)(6)(b) of this section only if the legislative authority notifies the board of revision of the resolution in the manner prescribed in division (A)(8) of this section. The failure to accurately identify the street address or the name of the record owners of the parcel in the resolution does not invalidate the resolution nor is it a cause for dismissal of the complaint.

(8) A complaint form prescribed by a board of revision or the tax commissioner for the purpose of this section shall include a box that must be checked, when a legislative authority files an original complaint, to indicate that a resolution authorizing the complaint was adopted in accordance with divisions (A)(6)(b) and (7) of this section and that notice was mailed or sent in accordance with division (A)(7) of this section before adoption of the resolution to at least one of the record owners of the property that is the subject of the complaint."
