MESSAGE FROM THE SPEAKER

November 18, 2022

Dear Speaker Cupp,

I recently accepted the position of the Inter-University Council President and CEO and therefore am informing you that I will be resigning from the office of State Representative effective 11:59 pm EST on Sunday, November 27, 2022.

I want to personally thank you for giving me the opportunity to serve as Chair of the Higher Education and Career Readiness committee as it has been a high point of my legislative career. More notably, it has been the honor of a lifetime to serve in the role of State Representative for the 23rd House District. I have always endeavored to represent my constituents to the best of my abilities and am appreciative of their confidence in returning me to the legislature for three terms. Being able to help them navigate the state bureaucracy, to work on legislation important to them, and to be their voice at the Statehouse has been especially rewarding.

However, I know it is time to leave although it is difficult to do so. And, I will leave with a heavy heart as I have developed many friendships, learned lifelong lessons, and worked on important causes during my tenure here. I have always marveled that I have had the opportunity to serve in a place where President Lincoln once graced the hallways, so I feel compelled to close with one of his quotes: "I have simply tried to do what seemed best each day, as each day came."

With much appreciation,

/s/ LAURA LANESE
