Any reference in this chapter to tickets shall not be construed to in any way limit the authority of the commission to operate video lottery terminal games or lottery sports gaming. Nothing in this chapter shall restrict the authority of the commission to promulgate rules related to the operation of games utilizing video lottery terminals as described in section 3770.21 of the Revised Code. The rules shall be promulgated pursuant to Chapter 119. of the Revised Code, except that instant game rules shall be promulgated pursuant to section 111.15 of the Revised Code but are not subject to division (D) of that section. Subjects covered in these rules shall include, but need not be limited to, the following:

(1) The type of lottery to be conducted;
(2) The prices of tickets in the lottery;
(3) The number, nature, and value of prize awards, the manner and frequency of prize drawings, and the manner in which prizes shall be awarded to holders of winning tickets.

(B) The commission shall promulgate rules, in addition to those described in division (A) of this section, pursuant to Chapter 119. of the Revised Code under which a statewide lottery and statewide joint lottery games may be conducted. Subjects covered in these rules shall include, but not be limited to, the following:

(1) The locations at which lottery tickets may be sold and the manner in which they are to be sold. These rules may authorize the sale of lottery tickets by commission personnel or other licensed individuals from traveling show wagons at the state fair, and at any other expositions the director of the commission considers acceptable. These rules shall prohibit commission personnel or other licensed individuals from soliciting from an exposition the right to sell lottery tickets at that exposition, but shall allow commission personnel or other licensed individuals to sell lottery tickets at an exposition if the exposition requests commission personnel or licensed individuals to do so. These rules may also address the accessibility of sales agent locations to commission products in accordance with the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101 et seq.
(2) The manner in which lottery sales revenues are to be collected, including authorization for the director to impose penalties for failure by lottery sales agents to transfer revenues to the commission in a timely manner;

(4) The substantive criteria for the licensing of lottery sales agents consistent with section 3770.05 of the Revised Code, and procedures for revoking or suspending their licenses consistent with Chapter 119. of the Revised Code. If circumstances, such as the nonpayment of funds owed by a lottery sales agent, or other circumstances related to the public safety, convenience, or trust, require immediate action, the director may suspend a license without affording an opportunity for a prior hearing under section 119.07 of the Revised Code.

(5) Special game rules to implement any agreements signed by the governor that the director enters into with other lottery jurisdictions under division (J) of section 3770.02 of the Revised Code to conduct statewide joint lottery games. The rules shall require that the entire net proceeds of those games that remain, after associated operating expenses, prize disbursements, lottery sales agent bonuses, commissions, and reimbursements, and any other expenses necessary to comply with the agreements or the rules are deducted from the gross proceeds of those games, be transferred to the lottery profits education fund under division (B) of section 3770.06 of the Revised Code.

(6) Any other subjects the commission determines are necessary for the operation of video lottery terminal games, including the establishment of any fees, fines, payment schedules, or the establishment of a voluntary exclusion program.

(C) Chapter 2915. of the Revised Code does not apply to, affect, or prohibit lotteries conducted pursuant to this chapter.

(D) The commission may promulgate rules, in addition to those described in divisions (A) and (B) of this section, that establish standards governing the display of advertising and celebrity images on lottery tickets and on other items that are used in the conduct of, or to promote, the statewide lottery and statewide joint lottery games. Any revenue derived from the sale of advertising displayed on lottery tickets and on those other items shall be considered, for purposes of section 3770.06 of the Revised Code, to be related proceeds in connection with the statewide lottery or gross proceeds from statewide joint lottery games, as applicable.

(E)(1) The commission shall meet with the director at least once each month and shall convene other meetings at the request of the chairperson or any five of the members. No action taken by the commission shall be binding
unless at least five of the members present vote in favor of the action. A written record shall be made of the proceedings of each meeting and shall be transmitted forthwith to the governor, the president of the senate, the senate minority leader, the speaker of the house of representatives, and the house minority leader.

(2) The director shall present to the commission a report each month, showing the total revenues, prize disbursements, and operating expenses of the state lottery for the preceding month. As soon as practicable after the end of each fiscal year, the commission shall prepare and transmit to the governor and the general assembly a report of lottery revenues, prize disbursements, and operating expenses for the preceding fiscal year and any recommendations for legislation considered necessary by the commission.

Sec. 3770.06. (A) There is hereby created the state lottery gross revenue fund, which shall be in the custody of the treasurer of state but shall not be part of the state treasury. All gross revenues received from sales of lottery tickets, fines, fees, and related proceeds in connection with the statewide lottery, all gross proceeds of lottery sports gaming described in sections 3770.23 to 3770.25 of the Revised Code, and all gross proceeds from statewide joint lottery games shall be deposited into the fund. The treasurer of state shall invest any portion of the fund not needed for immediate use in the same manner as, and subject to all provisions of law with respect to the investment of, state funds. The treasurer of state shall disburse money from the fund on order of the director of the state lottery commission or the director's designee.

Except for gross proceeds from statewide joint lottery games, all revenues of the state lottery gross revenue fund that are not paid to holders of winning lottery tickets, that are not required to meet short-term prize liabilities, that are not credited to lottery sales agents in the form of bonuses, commissions, or reimbursements, that are not paid to financial institutions to reimburse those institutions for sales agent nonsufficient funds, and that are collected from sales agents for remittance to insurers under contract to provide sales agent bonding services shall be transferred to the state lottery fund, which is hereby created in the state treasury. In addition, all revenues of the state lottery gross revenue fund that represent the gross proceeds from the statewide joint lottery games and that are not paid to holders of winning lottery tickets, that are not required to meet short-term prize liabilities, that are not credited to lottery sales agents in the form of bonuses, commissions, or reimbursements, and that are not necessary to cover operating expenses associated with those games or to otherwise comply with the agreements signed by the governor that the director enters into under division (J) of section 3770.02 of the Revised Code or the rules the commission adopts under division (B)(5) of section 3770.03 of the Revised Code shall be transferred to the state lottery fund. All investment earnings of the fund shall
be credited to the fund. Moneys shall be disbursed from the fund pursuant to vouchers approved by the director. Total disbursements for monetary prize awards to holders of winning lottery tickets in connection with the statewide lottery, other than lottery sports gaming, and purchases of goods and services awarded as prizes to holders of winning lottery tickets shall be of an amount equal to at least fifty per cent of the total revenue accruing from the sale of lottery tickets.

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, there is hereby established in the state treasury the lottery profits education fund. Whenever, in the judgment of the director of the state lottery commission, the amount to the credit of the state lottery fund that does not represent proceeds from statewide joint lottery games is in excess of that needed to meet the maturing obligations of the commission and as working capital for its further operations, the director of the state lottery commission shall recommend the amount of the excess to be transferred to the lottery profits education fund, and the director of budget and management may transfer the excess to the lottery profits education fund in connection with the statewide lottery. In addition, whenever, in the judgment of the director of the state lottery commission, the amount to the credit of the state lottery fund that represents proceeds from statewide joint lottery games equals the entire net proceeds of those games as described in division (B)(5) of section 3770.03 of the Revised Code and the rules adopted under that division, the director of the state lottery commission shall recommend the amount of the proceeds to be transferred to the lottery profits education fund, and the director of budget and management may transfer those proceeds to the lottery profits education fund. Investment earnings of the lottery profits education fund shall be credited to the fund.

The lottery profits education fund shall be used solely for the support of elementary, secondary, vocational, and special education programs as determined in appropriations made by the general assembly, or as provided in applicable bond proceedings for the payment of debt service on obligations issued to pay costs of capital facilities, including those for a system of common schools throughout the state pursuant to section 2n of Article VIII, Ohio Constitution. When determining the availability of money in the lottery profits education fund, the director of budget and management may consider all balances and estimated revenues of the fund.

(C) There is hereby established in the state treasury the deferred prizes trust fund. With the approval of the director of budget and management, an amount sufficient to fund annuity prizes shall be transferred from the state lottery fund and credited to the trust fund. The treasurer of state shall credit all earnings arising from investments purchased under this division to the trust fund. Within sixty days after the end of each fiscal year, the treasurer of state shall certify to the director of budget and management
whether the actuarial amount of the trust fund is sufficient over the fund's life for continued funding of all remaining deferred prize liabilities as of the last day of the fiscal year just ended. Also, within that sixty days, the director of budget and management shall certify the amount of investment earnings necessary to have been credited to the trust fund during the fiscal year just ending to provide for such continued funding of deferred prizes. Any earnings credited in excess of the latter certified amount shall be transferred to the lottery profits education fund.

To provide all or a part of the amounts necessary to fund deferred prizes awarded by the commission in connection with the statewide lottery, the treasurer of state, in consultation with the commission, may invest moneys contained in the deferred prizes trust fund which represents proceeds from the statewide lottery in obligations of the type permitted for the investment of state funds but whose maturities are thirty years or less. Notwithstanding the requirements of any other section of the Revised Code, to provide all or part of the amounts necessary to fund deferred prizes awarded by the commission in connection with statewide joint lottery games, the treasurer of state, in consultation with the commission, may invest moneys in the trust fund which represent proceeds derived from the statewide joint lottery games in accordance with the rules the commission adopts under division (B)(5) of section 3770.03 of the Revised Code. Investments of the trust fund are not subject to the provisions of division (A)(11) of section 135.143 of the Revised Code limiting to twenty-five per cent the amount of the state's total average portfolio that may be invested in debt interests other than commercial paper and limiting to five per cent the amount that may be invested in debt interests, including commercial paper, of a single issuer.

All purchases made under this division shall be effected on a delivery versus payment method and shall be in the custody of the treasurer of state.

The treasurer of state may retain an investment advisor, if necessary. The commission shall pay any costs incurred by the treasurer of state in retaining an investment advisor.

(D) The auditor of state shall conduct annual audits of all funds and any other audits as the auditor of state or the general assembly considers necessary. The auditor of state may examine all records, files, and other documents of the commission, and records of lottery sales agents that pertain to their activities as agents, for purposes of conducting authorized audits.

(E) The state lottery commission shall establish an internal audit plan before the beginning of each fiscal year, subject to the approval of the office of internal audit in the office of budget and management. At the end of each fiscal year, the commission shall prepare and submit an annual report to the office of internal audit for the office's review and approval, specifying the internal audit work completed by the end of that fiscal year and reporting on
compliance with the annual internal audit plan.

(F) Whenever, in the judgment of the director of budget and management, an amount of net state lottery proceeds is necessary to be applied to the payment of debt service on obligations, all as defined in sections 151.01 and 151.03 of the Revised Code, the director shall transfer that amount directly from the state lottery fund or from the lottery profits education fund to the bond service fund defined in those sections. "Sec. 5747.064. The requirements imposed under this section are in addition to the municipal income tax withholding requirements under section 718.031 of the Revised Code.
(A) As used in this section, "video:"
(1) "Video lottery terminal" has the same meaning as in section 3770.21 of the Revised Code.
(2) "Lottery sports gaming" has the same meaning as in section 3770.23 of the Revised Code.
(B) If a person's prize award from a video lottery terminal or from lottery sports gaming offered in a video lottery terminal facility is an amount for which reporting to the internal revenue service of the amount is required by section 6041 of the Internal Revenue Code, as amended, the lottery sales agent shall deduct and withhold Ohio income tax from the person's prize award at a rate of four per cent of the amount won. The lottery sales agent shall issue, to a person from whose prize award an amount has been deducted or withheld, a receipt for the amount deducted and withheld, and also shall obtain from the person additional information that will be necessary for the
lottery sales agent to prepare the returns required by this section.

(C) Amounts deducted and withheld by a lottery sales agent are held in trust for the benefit of the state.

(1) On or before the tenth day of each month, the lottery sales agent shall file a return electronically with the tax commissioner identifying the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding month, the amount of the prize award from which each such amount was withheld, and any other information required by the commissioner. With the return, the lottery sales agent shall remit electronically to the commissioner all the amounts deducted and withheld during the preceding month.

(2) A lottery sales agent shall maintain a record of all receipts issued under division (B) of this section and shall make those records available to the commissioner upon request. Such records shall be maintained in accordance with section 5747.17 of the Revised Code and any rules adopted pursuant thereto.

(3) Annually, on or before the thirty-first day of January, a lottery sales agent shall file an annual return electronically with the tax commissioner indicating the total amount deducted and withheld during the preceding calendar year. The lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the identity of a person and the amount deducted and withheld with respect to that person were omitted on a monthly return, that information shall be indicated on the annual return.

(4)(a) A lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. The commissioner may impose a penalty of up to one thousand dollars if a return is filed late, if amounts deducted and withheld are remitted late, if a return is not filed, or if amounts deducted and withheld are not remitted. Interest accrues on past due amounts deducted and withheld at the rate prescribed in section 5703.47 of the Revised Code. The commissioner may collect past due amounts deducted and withheld and penalties and interest thereon by assessment under section 5747.13 of the Revised Code as if they were income taxes collected by an employer.

(b) If a lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld and any penalties and interest thereon are immediately due and payable. A successor of the lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount of the purchase money that is sufficient to cover the amounts deducted and withheld and penalties and interest thereon until the predecessor lottery sales agent produces either a receipt from the tax commissioner showing that the amounts deducted and withheld and penalties
and interest thereon have been paid or a certificate from the commissioner indicating that no amounts deducted and withheld or penalties and interest thereon are due. If the successor fails to withhold purchase money, the successor is personally liable for payment of the amounts deducted and withheld and penalties and interest thereon, up to the amount of the purchase money.

(D)(1) Annually, on or before the thirty-first day of January, a lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount deducted from the person's prize award by the lottery sales agent during the preceding year.

(2) Annually, on or before the thirty-first day of January, a lottery sales agent shall provide to the tax commissioner a copy of each information return issued under division (D)(1) of this section for the preceding calendar year. The commissioner may require that such copies be transmitted electronically.

(E) Amounts deducted and withheld shall be allowed as a credit against payment of the tax imposed by section 5747.02 of the Revised Code and shall be treated as taxes paid for purposes of section 5747.09 of the Revised Code. This division applies only to the person for whom the amount is deducted and withheld.

(F) The failure of a lottery sales agent to deduct and withhold the required amount from a person's prize award does not relieve the person from liability for the tax imposed by section 5747.02 of the Revised Code with respect to that income. Compliance with this section does not relieve a lottery sales agent or a person who has a prize award from compliance with relevant provisions of federal tax laws.

(G) The commissioner shall prescribe the form of the receipt and returns required by this section and may promulgate any rules necessary to administer the section.

Revised Code, and a state agency organized under an administrative
department or administrative department head. "State agency" also includes

"Sec. 3772.031. (A) The general assembly finds that the exclusion or
ejection of certain persons from casino facilities is necessary to effectuate the
intents and purposes of this chapter and to maintain strict and effective
regulation of casino gaming. The commission, by rule, shall provide for a list
of persons who are to be excluded or ejected from a casino facility. Persons
included on the exclusion list shall be identified by name and physical
description. The commission shall publish the exclusion list on its web site,
and shall transmit a copy of the exclusion list periodically to casino
operators, as it is initially issued and thereafter as it is revised from time to
time. A casino operator shall take steps necessary to ensure that all its key
employees and casino gaming employees are aware of and understand the
exclusion list and its function, and that all its key employees and casino
gaming employees are kept aware of the content of the exclusion list as it is
issued and thereafter revised from time to time.

(B) The exclusion list may include any person whose presence in a
casino facility is determined by the commission to pose a threat to the
interests of the state, to achieving the intents and purposes of this chapter, or
to the strict and effective regulation of casino gaming. In determining
whether to include a person on the exclusion list, the commission may
consider:

(1) Any prior conviction of a crime that is a felony under the laws of
this state, another state, or the United States, a crime involving moral
turpitude, or a violation of the gaming laws of this state, another state, or the
United States; and

(2) A violation, or a conspiracy to violate, any provision of this
chapter that consists of:

   (a) A failure to disclose an interest in a gaming facility for which the
       person must obtain a license;
   (b) Purposeful evasion of taxes or fees;
   (c) A notorious or unsavory reputation that would adversely affect
       public confidence and trust that casino gaming is free from criminal or
       corruptive elements; or
   (d) A violation of an order of the commission or of any other
governmental agency that warrants exclusion or ejection of the person from a
casino facility.

(3) If the person has pending charges or indictments for a gaming or
    gambling crime or a crime related to the integrity of gaming operations in
    any state;

(4) If the person's conduct or reputation is such that the person's
    presence within a casino facility may call into question the honesty and
    integrity of the casino gaming operations or interfere with the orderly
    conduct of the casino gaming operations;

(5) If the person is a career or professional offender whose presence
    in a casino facility would be adverse to the interest of licensed gaming in this
    state;

(6) If the person has a known relationship or connection with a career
    or professional offender whose presence in a casino facility would be adverse
    to the interest of licensed gaming in this state;

(7) If the commission has suspended the person's gaming privileges;

(8) If the commission has revoked the person's licenses related to this
    chapter;

(9) If the commission determines that the person poses a threat to the
    safety of patrons or employees of a casino facility;

(10) If the person has a history of conduct involving the disruption of
gaming operations within a casino facility.
Race, color, creed, national origin or ancestry, or sex are not grounds for placing a person on the exclusion list.

(C) The commission shall notify a person of the commission's intent to include such person on the exclusion list. The notice shall be provided by personal service, by certified mail to the person's last known address, or, if service cannot be accomplished by personal service or certified mail, by publication daily for two weeks in a newspaper of general circulation within the county in which the person resides and in a newspaper of general circulation within each county in which a casino facility is located.

(D) Except as otherwise provided in this section, a person who receives notice of intent to include the person on the exclusion list is entitled, upon the person's request, to an adjudication hearing under Chapter 119. of the Revised Code, except as provided in this section, in which the person may demonstrate why the person should not be included on the exclusion list. The person shall request such an adjudication hearing not later than thirty days after the person receives the notice by personal service or certified mail, or not later than thirty days after the last newspaper publication of the notice. If

(2) If the person does not request a hearing in accordance with division (D)(1) of this section, the commission may, but is not required to, conduct an adjudication hearing under Chapter 119. of the Revised Code. The commission may reopen an adjudication under this section at any time.

(3) If the adjudication hearing, order, or any appeal thereof under Chapter 119. of the Revised Code results in an order that the person should not be included on the exclusion list, the commission shall publish a revised exclusion list that does not include the person. The commission also shall notify casino operators that the person has been removed from the exclusion list. A casino operator shall take all steps necessary to ensure its key employees and casino gaming employees are made aware that the person has been removed from the exclusion list.

(E) This section does not apply to the voluntary exclusion list created as part of the voluntary exclusion program.

Sec. 3772.04. (A)(1) If the commission concludes that an applicant, licensee, or other person subject to the commission's jurisdiction under this chapter should be fined or penalized, or that a license required by this chapter should be limited, conditioned, restricted, suspended, revoked, denied, or not renewed, the commission may, and if so requested by the licensee or applicant, or other person, shall, conduct a hearing in an adjudication under Chapter 119. of the Revised Code. After notice and opportunity for a hearing, the commission may fine or penalize the applicant, licensee, or other person or limit, condition, restrict, suspend, revoke, deny, or not renew a license under rules adopted by the commission. The commission may reopen a-
licensing an adjudication under this section at any time.

(2) The commission shall appoint a hearing examiner to conduct the hearing in the adjudication. A party to the adjudication may file written objections to the hearing examiner's report and recommendations not later than the thirtieth day after they are served upon the party or the party's attorney or other representative of record. The commission shall not take up the hearing examiner's report and recommendations earlier than the thirtieth day after the hearing examiner's report and recommendations were submitted to the commission.

(3) If the commission finds that a person fails or has failed to meet any requirement under this chapter or a rule adopted thereunder, or violates or has violated this chapter or a rule adopted thereunder, the commission may issue an order:

(a) Limiting, conditioning, restricting, suspending, revoking, denying, or not renewing, a license issued under this chapter;

(b) Requiring a casino facility to exclude a licensee from the casino facility or requiring a casino facility not to pay to the licensee any remuneration for services or any share of profits, income, or accruals on the licensee's investment in the casino facility; or

(c) Fining a licensee or other person according to the penalties adopted by the commission.

(4) An order may be judicially reviewed under section 119.12 of the Revised Code.

(B) Without in any manner limiting the authority of the commission to impose the level and type of discipline the commission considers appropriate, the commission may take into consideration the following:

(1) If the licensee knew or reasonably should have known that the action complained of was a violation of any law, rule, or condition on the licensee's license;

(2) If the licensee has previously been disciplined by the commission;

(3) If the licensee has previously been subject to discipline by the commission concerning the violation of any law, rule, or condition of the licensee's license;

(4) If the licensee reasonably relied upon professional advice from a lawyer, doctor, accountant, or other recognized professional that was relevant to the action resulting in the violation;

(5) If the licensee or the licensee's employer had a reasonably constituted and functioning compliance program;

(6) If the imposition of a condition requiring the licensee to establish and implement a written self-enforcement and compliance program would
assist in ensuring the licensee's future compliance with all statutes, rules, and conditions of the license;

(7) If the licensee realized a pecuniary gain from the violation;

(8) If the amount of any fine or other penalty imposed would result in disgorgement of any gains unlawfully realized by the licensee;

(9) If the violation was caused by an officer or employee of the licensee, the level of authority of the individual who caused the violation;

(10) If the individual who caused the violation acted within the scope of the individual's authority as granted by the licensee;

(11) The adequacy of any training programs offered by the licensee or the licensee's employer that were relevant to the activity that resulted in the violation;

(12) If the licensee's action substantially deviated from industry standards and customs;

(13) The extent to which the licensee cooperated with the commission during the investigation of the violation;

(14) If the licensee has initiated remedial measures to prevent similar violations;

(15) The magnitude of penalties imposed on other licensees for similar violations;

(16) The proportionality of the penalty in relation to the misconduct;

(17) The extent to which the amount of any fine imposed would punish the licensee for the conduct and deter future violations;

(18) Any mitigating factors offered by the licensee; and

(19) Any other factors the commission considers relevant.

(C) For the purpose of conducting any study or investigation, the commission may direct that public hearings be held at a time and place, prescribed by the commission, in accordance with section 121.22 of the Revised Code. The commission shall give notice of all public hearings in such manner as will give actual notice to all interested parties.

(D)(1) For the purpose of conducting the hearing in an adjudication under division (A) of this section, or in the discharge of any duties imposed by this chapter, the commission may require that testimony be given under oath and administer such oath, issue subpoenas compelling the attendance of witnesses and the production of any papers, books, and accounts, directed to the sheriffs of the counties where such witnesses or papers, books, and accounts are found and cause the deposition of any witness. The subpoenas shall be served and returned in the same manner as subpoenas in criminal cases are served and returned. The fees of sheriffs shall be the same as those
allowed by the court of common pleas in criminal cases.

(2) In the event of the refusal of any person without good cause to comply with the terms of a subpoena issued by the commission or refusal to testify on matters about which the person may lawfully be questioned, the prosecuting attorney of the county in which such person resides, upon the petition of the commission, may bring a proceeding for contempt against such person in the court of common pleas of that county.

(3) Witnesses shall be paid the fees and mileage provided for in section 119.094 of the Revised Code.

(4) All fees and mileage expenses incurred at the request of a party shall be paid in advance by the party.

(E) When conducting a public hearing, the commission shall not limit the number of speakers who may testify. However, the commission may set reasonable time limits on the length of an individual's testimony or the total amount of time allotted to proponents and opponents of an issue before the commission.

(F) The commission may rely, in whole or in part, upon investigations, conclusions, or findings of other casino gaming commissions or other government regulatory bodies in connection with licensing, investigations, or other matters relating to an applicant or licensee under this chapter.

(G) Notwithstanding anything to the contrary in this chapter, and except with respect to a casino operator, management company, or holding company, the executive director may issue an emergency order for the suspension, limitation, or conditioning of any license, registration, approval, or certificate issued, approved, granted, or otherwise authorized by the commission under Chapter 3772. of the Revised Code or the rules adopted thereunder, requiring the inclusion of persons on the commission's exclusion list provided for under section 3772.031 of the Revised Code and the rules adopted thereunder, and requiring a casino facility not to pay a licensee, registrant, or approved or certified person any remuneration for services or any share of profits, income, or accruals on that person's investment in the casino facility.

(1) An emergency order may be issued when the executive director finds either of the following:

(a) A licensee, registrant, or approved or certified person has been charged with a violation of any of the criminal laws of this state, another state, or the federal government;

(b) Such an action is necessary to prevent a violation of this chapter or a rule adopted thereunder.

(2) An emergency order issued under division (G) of this section shall
state the reasons for the commission's action, cite the law or rule directly involved, and state that the party will be afforded a hearing if the party requests it within thirty days after the time of mailing or personal delivery of the order.

(3)(a) Not later than the next business day after the issuance of the emergency order, the order shall be sent by registered or certified mail, return receipt requested, to the party at the party's last known mailing address appearing in the commission's records or personally delivered at any time to the party by an employee or agent of the commission.

(b) A copy of the order shall be mailed to the attorney or other representative of record representing the party.

(c) If the order sent by registered or certified mail is returned because the party fails to claim the order, the commission shall send the order by ordinary mail to the party at the party's last known address and shall obtain a certificate of mailing. Service by ordinary mail is complete when the certificate of mailing is obtained unless the order is returned showing failure of delivery.

(d) If the order sent by registered, certified, or ordinary mail is returned for failure of delivery, the commission shall either make personal delivery of the order by an employee or agent of the commission or cause a summary of the substantive provisions of the order to be published once a week for three consecutive weeks in a newspaper of general circulation in the county where the last known address of the party is located.

(i) Failure of delivery occurs only when a mailed order is returned by the postal authorities marked undeliverable, address or addressee unknown, or forwarding address unknown or expired.

(ii) When service is completed by publication, a proof of publication affidavit, with the first publication of the summary set forth in the affidavit, shall be mailed by ordinary mail to the party at the party's last known address and the order shall be deemed received as of the date of the last publication.

(e) Refusal of delivery of the order sent by mail or personally delivered to the party is not failure of delivery and service is deemed to be complete.

(4) The emergency order shall be effective immediately upon service of the order on the party. The emergency order shall remain effective until further order of the executive director or the commission.

(5) The commission may, and if so requested by the person affected by the emergency order shall, promptly conduct a hearing in an adjudication under Chapter 119. of the Revised Code."

(C) For the purpose of conducting any study or investigation, the commission may direct that public hearings be held at a time and place, prescribed by the commission, in accordance with section 121.22 of the Revised Code. The commission shall give notice of all public hearings in such manner as will give actual notice to all interested parties.

(D)(1) For the purpose of conducting the hearing in an adjudication under division (A) of this section, or in the discharge of any duties imposed by this chapter, the commission may require that testimony be given under oath and administer such oath, issue subpoenas compelling the attendance of witnesses and the production of any papers, books, and accounts, directed to the sheriffs of the counties where such witnesses or papers, books, and accounts are found and cause the deposition of any witness. The subpoenas shall be served and returned in the same manner as subpoenas in criminal cases are served and returned. The fees of sheriffs shall be the same as those allowed by the court of common pleas in criminal cases.

(2) In the event of the refusal of any person without good cause to comply with the terms of a subpoena issued by the commission or refusal to testify on matters about which the person may lawfully be questioned, the prosecuting attorney of the county in which such person resides, upon the petition of the commission, may bring a proceeding for contempt against such person in the court of common pleas of that county.

(3) Witnesses shall be paid the fees and mileage provided for in
section 119.094 of the Revised Code.

(4) All fees and mileage expenses incurred at the request of a party shall be paid in advance by the party.

(E) When conducting a public hearing, the commission shall not limit the number of speakers who may testify. However, the commission may set reasonable time limits on the length of an individual's testimony or the total amount of time allotted to proponents and opponents of an issue before the commission.

(F) The commission may rely, in whole or in part, upon investigations, conclusions, or findings of other casino gaming commissions or other government regulatory bodies in connection with licensing, investigations, or other matters relating to an applicant or licensee under this chapter.

(G) Notwithstanding anything to the contrary in this chapter, and except with respect to a casino operator, management company, or holding company, the executive director may issue an emergency order for the suspension, limitation, or conditioning of any license, registration, approval, or certificate issued, approved, granted, or otherwise authorized by the commission under Chapter 3772 of the Revised Code or the rules adopted thereunder, requiring the inclusion of persons on the commission's casino exclusion list or sports gaming exclusion list provided for under section 3772.031 of the Revised Code and the rules adopted thereunder, and requiring a casino facility not to pay a licensee, registrant, or approved or certified person any remuneration for services or any share of profits, income, or accruals on that person's investment in the casino facility.

(1) An emergency order may be issued when the executive director finds either of the following:

(b) Such an action is necessary to prevent a violation of this chapter or Chapter 3775 of the Revised Code or a rule adopted thereunder.

(2) An emergency order issued under division (G) of this section shall state the reasons for the commission's action, cite the law or rule directly involved, and state that the party will be afforded a hearing if the party requests it within thirty days after the time of mailing or personal delivery of the order.

(3)(a) Not later than the next business day after the issuance of the emergency order, the order shall be sent by registered or certified mail, return receipt requested, to the party at the party's last known mailing address appearing in the commission's records or personally delivered at any time to
the party by an employee or agent of the commission.

(b) A copy of the order shall be mailed to the attorney or other representative of record representing the party.

(c) If the order sent by registered or certified mail is returned because the party fails to claim the order, the commission shall send the order by ordinary mail to the party at the party's last known address and shall obtain a certificate of mailing. Service by ordinary mail is complete when the certificate of mailing is obtained unless the order is returned showing failure of delivery.

(d) If the order sent by registered, certified, or ordinary mail is returned for failure of delivery, the commission shall either make personal delivery of the order by an employee or agent of the commission or cause a summary of the substantive provisions of the order to be published once a week for three consecutive weeks in a newspaper of general circulation in the county where the last known address of the party is located.

(i) Failure of delivery occurs only when a mailed order is returned by the postal authorities marked undeliverable, address or addressee unknown, or forwarding address unknown or expired.

(ii) When service is completed by publication, a proof of publication affidavit, with the first publication of the summary set forth in the affidavit, shall be mailed by ordinary mail to the party at the party's last known address and the order shall be deemed received as of the date of the last publication.

(e) Refusal of delivery of the order sent by mail or personally delivered to the party is not failure of delivery and service is deemed to be complete.

(4) The emergency order shall be effective immediately upon service of the order on the party. The emergency order shall remain effective until further order of the executive director or the commission.

(5) The commission may, and if so requested by the person affected by the emergency order shall, promptly conduct a hearing in an adjudication under Chapter 119. of the Revised Code.

(2) In the case of estates, the tax imposed by this section shall be measured by Ohio taxable income. (5) Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The credit applies before any other applicable credits.

(3) Any credit authorized against the tax imposed by this section applies to a trust subject to division (C) of this section only if the trust otherwise qualifies for the credit. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.
