"(6) The legislative authority of a subdivision, the mayor of a municipal corporation, or a third party complainant shall not file an original complaint with respect to property the subdivision or complainant does not own or lease unless both of the following conditions are met:

(a) If the complaint is based on a determination described in division (A)(1)(d) or (e) of this section, the property was (i) sold in an arm's length transaction, as described in section 5713.03 of the Revised Code, before, but not after, the tax lien date for the tax year for which the complaint is to be filed, and (ii) the sale price exceeds the true value of the property appearing on the tax list for that tax year by both ten per cent and the amount of the filing threshold determined under division (J) of this section;

(b) If the complaint is filed by a legislative authority or mayor, the legislative authority or, in the case of a mayor, the legislative authority of the municipal corporation, first adopts a resolution authorizing the filing of the original complaint at a public meeting of the legislative authority.

(7) A resolution adopted under division (A)(6)(b) of this section shall include all of the following information:

(a) Identification of the parcel or parcels that are the subject of the original complaint by street address, if available from online records of the county auditor, and by permanent parcel number;

(b) The name of at least one of the record owners of the parcel or parcels;

(c) The basis for the complaint under divisions (A)(1)(a) to (f) of this section relative to each parcel identified in the resolution;

(d) The tax year for which the complaint will be filed, which shall be a year for which a complaint may be timely filed under this section at the time of the resolution's adoption.

A legislative authority shall not adopt a resolution required under division (A)(6)(b) of this section that identifies more than one parcel under division (A)(7)(a) of this section, except that a single resolution may identify

more than one parcel under that division if each parcel has the same record owner or the same record owners, as applicable. A legislative authority may adopt multiple resolutions required under division (A)(6)(b) of this section by a single vote, provided that the vote is separate from the question of whether to adopt any resolution that is not adopted under division (A)(6)(b) of this section.

Before adopting a resolution required by division (A)(6)(b) of this section, the legislative authority shall mail a written notice to at least one of the record owners of the parcel or parcels identified in the resolution stating the intent of the legislative authority in adopting the resolution, the proposed date of adoption, and the basis for the complaint under divisions (A)(1)(a) to (f) of this section relative to each parcel identified in the resolution. The notice shall be sent by certified mail to the last known tax-mailing address of at least one of the record owners and, if different from that tax-mailing address, to the street address of the parcel or parcels identified in the resolution. Alternatively, if the legislative authority has record of an internet identifier of record associated with at least one of the record owners, the legislative authority may send the notice by ordinary mail and by that internet identifier of record. The notice shall be postmarked or, if sent by internet identifier of record, sent at least seven calendar days before the legislative authority adopts the resolution.

A board of revision has jurisdiction to consider a complaint filed pursuant to a resolution adopted under division (A)(6)(b) of this section only if the legislative authority notifies the board of revision of the resolution in the manner prescribed in division (A)(8) of this section. The failure to accurately identify the street address or the name of the record owners of the parcel in the resolution does not invalidate the resolution nor is it a cause for dismissal of the complaint.

(8) A complaint form prescribed by a board of revision or the tax commissioner for the purpose of this section shall include a box that must be checked, when a legislative authority files an original complaint, to indicate that a resolution authorizing the complaint was adopted in accordance with divisions (A)(6)(b) and (7) of this section and that notice was mailed or sent in accordance with division (A)(7) of this section before adoption of the resolution to at least one of the record owners of the property that is the subject of the complaint."

For tax year 2023 and each tax year thereafter, the tax commissioner shall adjust the filing threshold used in that division by completing the following calculations in September of each year:

(a) Determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding year to the last day of December of the preceding year;

(b) Multiply that percentage increase by the filing threshold for the current year;

(c) Add the resulting product to the filing threshold for the current year;

(d) Round the resulting sum to the nearest multiple of one thousand dollars.

The commissioner shall certify the amount resulting from the adjustment to each county auditor not later than the first day of October each year. The certified amount applies to complaints filed for the tax year in which the amount is certified. The commissioner shall not make the adjustment for any tax year in which the amount resulting from the adjustment would be less than the filing threshold for the current tax year."
