

As Introduced

**134th General Assembly
Regular Session
2021-2022**

H. R. No. 106

Representatives Fraizer, Lightbody

A RESOLUTION

To designate September 30, 2021, Ohio's Technology 1
and Innovation Day. 2

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF OHIO:

WHEREAS, Ohio has historically been a state to foster 3
innovation and technology to improve the lives of its citizens; 4
and 5

WHEREAS, Ohio has recently seen significant investment by 6
public and private sector entities to encourage technology, 7
innovation, and collaboration with stakeholders; and 8

WHEREAS, Ohio has remained an attractive state for business 9
creation and investment with a talented workforce, key 10
geographic location, and strong communities; and 11

WHEREAS, Ohio has historically encouraged and continues to 12
encourage young Ohioans to learn about science, technology, 13
engineering, and mathematics (STEM) and to enter the workforce 14
with in-demand skills; and 15

WHEREAS, Ohio will continue to be an innovative state and 16
embrace technology to work towards solving the challenges in our 17
state with creativity while creating greater future 18
opportunities for all Ohioans; now therefore be it 19

RESOLVED, That the last day of September, 2021, shall be 20
designated as Ohio's Technology and Innovation Day. 21
