WHEREAS, This is an important milestone, and it provides an ideal 5

while also protecting and restoring the natural environment in 10  
Northwest Ohio. Indeed, its impressive contributions to the field 11  
readily explain why it is so widely held in high esteem; and 12

WHEREAS, Those affiliated with the American Society of Civil 13  
Engineers Toledo Section are to be acknowledged for their foresight, 14  
dedication, and selfless donations of time, energy, and ability far 15  
beyond what was required or expected. Without question, the people who 16  
comprise this fine organization have worked to advance civil 17  
engineering and protect the public health, safety, and welfare in 18  
order to make a bigger difference in shaping a sustainable world, and 19  
their dedicated and generous efforts have gained them the appreciation 20  
and admiration of many; and 21

WHEREAS, We are certain that as the American Society of Civil 22  
Engineers Toledo Section maintains its commitment to service, it will 23  
carry on the tradition of excellence that it has become known for. We 24

are proud to note that it is through the unceasing efforts of groups 25  
such as Toledo ASCE that the State of Ohio continues to prosper and 26  
remains a pleasant place in which to live and work; therefore be it 27

RESOLVED, That we, the members of the House of Representatives of 28  
the 134th General Assembly of Ohio, in adopting this Resolution, 29
