

**As Introduced**

**134th General Assembly  
Regular Session  
2021-2022**

**S. R. No. 190**

**Senator Antani**

---

**A RESOLUTION**

Honoring 2021 National Hydrogen and Fuel Cell Day.

WHEREAS, The members of the Senate of the 134th General Assembly of Ohio are pleased to recognize October 8, 2021, as National Hydrogen and Fuel Cell Day; and

WHEREAS, Hydrogen, the most abundant substance in the universe, and the fuel cells that can be created from it represent an exciting and cutting-edge vision of the future, one that stands to address the pressing energy, environmental, and economic issues facing our state and country. Private and public institutions have dedicated themselves to continuing to improve these technologies, and National Hydrogen and Fuel Cell Day represents an excellent time to celebrate their efforts; and

WHEREAS, Through the work of impactful organizations, partnerships, universities, and laboratories, Ohio has proven itself to be a leader in scientific industries and fields, and our state is poised to continue to do so regarding the advancement of hydrogen fuel cells. It is in the best interest of Ohio and the well-being of its people to invest, encourage, and promote these technologies; and

WHEREAS, Our history as a country has always been marked by innovation and by breaking barriers that create a new dawn out of what previously seemed impossible. Hydrogen fuel cells have already helped take us to the moon, and we are certain that they will help us push even further into what our future holds; therefore be it

RESOLVED, That we, the members of the Senate of the 134th General Assembly of Ohio, in adopting this Resolution, recognize October 8, 2021, as National Hydrogen and Fuel Cell Day; and be it further

RESOLVED, That the Clerk of the Senate transmit a duly

authenticated copy of this Resolution to the news media of Ohio.
