A BILL

To amend sections 3313.66 and 3313.661 of the Revised Code with respect to the expulsion of a student from a public school for actions that endanger the health and safety of other students or school employees.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3313.66 and 3313.661 of the Revised Code be amended to read as follows:

Sec. 3313.66. (A)(1) Except as provided under division (B)(2) of this section, and subject to section 3313.668 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district, or the principal of a public school may suspend a pupil from school for not more than ten school days. The board of education of a city, exempted village, or local school district may adopt a policy granting assistant principals and other administrators the authority to suspend a pupil from school for a period of time as specified in the policy of the board of education, not to exceed ten school days. If at the time an out-of-school suspension is imposed there are
fewer than ten school days remaining in the school year in which
the incident that gives rise to the suspension takes place, the
superintendent shall not apply any remaining part of the period
of the suspension to the following school year. The
superintendent may instead require the pupil to participate in a
community service program or another alternative consequence for
a number of hours equal to the remaining part of the period of
the suspension. The pupil shall be required to begin the pupil's
community service or alternative consequence during the first
full week day of summer break. Each school district, in its
discretion, may develop an appropriate list of alternative
consequences. In the event that a pupil fails to complete
community service or the assigned alternative consequence, the
school district may determine the next course of action, which
shall not include requiring the pupil to serve the remaining
time of the out-of-school suspension at the beginning of the
following school year.

No pupil shall be issued an out-of-school suspension
unless prior to the suspension the superintendent or principal
does both of the following:

(a) Gives the pupil written notice of the intention to
suspend the pupil and the reasons for the intended suspension
and, if the proposed suspension is based on a violation listed
in division (A) of section 3313.662 of the Revised Code and if
the pupil is sixteen years of age or older, includes in the
notice a statement that the superintendent may seek to
permanently exclude the pupil if the pupil is convicted of or
adjudicated a delinquent child for that violation;

(b) Provides the pupil an opportunity to appear at an
informal hearing before the principal, assistant principal,
superintendent, or superintendent's designee and challenge the
reason for the intended suspension or otherwise to explain the
pupil's actions.

(2) If a pupil is issued an in-school suspension, the
superintendent or principal shall ensure the pupil is serving
the suspension in a supervised learning environment.

(3) Each school district board shall adopt a policy
establishing parameters for completing and grading assignments
missed because of a pupil's suspension.

(a) The policy shall provide the pupil an opportunity to
do both of the following:

(i) Complete any classroom assignments missed because of
the suspension;

(ii) Receive at least partial credit for a completed
assignment.

(b) The policy may permit grade reductions on account of
the pupil's suspension.

(c) The policy shall prohibit the receipt of a failing
grade on a completed assignment solely on account of the pupil's
suspension.

(B)(1) Except as provided under division (B)(2), (3), (4),
(5), or (6) of this section, and subject to section
3313.668 of the Revised Code, the superintendent of schools of a
city, exempted village, or local school district may expel a
pupil from school for a period not to exceed the greater of
eighty school days or the number of school days remaining in the
semester or term in which the incident that gives rise to the
expulsion takes place, unless the expulsion is extended pursuant
to division (F) of this section. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

(2)(a) Unless a pupil is permanently excluded pursuant to section 3313.662 of the Revised Code, the superintendent of schools of a city, exempted village, or local school district shall expel a pupil from school for a period of one year for bringing a firearm to a school operated by the board of education of the district or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(b) The superintendent of schools of a city, exempted village, or local school district may expel a pupil from school for a period of one year for bringing a firearm to an interscholastic competition, an extracurricular event, or any other school program or activity that is not located in a school or on property that is owned or controlled by the district. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the Revised Code.

(c) Any expulsion pursuant to division (B)(2) of this section shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. As used in this division, "firearm" has the same meaning as provided pursuant to the "Gun-
(3) The board of education of a city, exempted village, or local school district may adopt a resolution authorizing the superintendent of schools to expel a pupil from school for a period not to exceed one year for bringing a knife capable of causing serious bodily injury to a school operated by the board, onto any other property owned or controlled by the board, or to an interscholastic competition, an extracurricular event, or any other program or activity sponsored by the school district or in which the district is a participant, or for possessing a firearm or knife capable of serious bodily injury, at a school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity, which firearm or knife was initially brought onto school board property by another person. The resolution may authorize the superintendent to extend such an expulsion, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(4) The board of education of a city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A)(5) of section 2901.01 of the Revised Code or serious physical harm to property as defined in division (A)(6) of section 2901.01 of the Revised Code while the pupil is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event,
or any other school program or activity. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(5) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this division shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

(6) The board of education of any city, exempted village, or local school district may adopt a resolution establishing a policy under section 3313.661 of the Revised Code that authorizes the superintendent of schools to expel a pupil from school for a period not to exceed one hundred eighty school days for actions that the superintendent determines pose imminent and severe endangerment to the health and safety of other pupils or school employees, even though the pupil's actions may not qualify for permanent exclusion under section 3313.662 of the Revised Code. Upon the expulsion of a pupil pursuant to this division, the superintendent shall develop conditions for that pupil to satisfy prior to the pupil's reinstatement. The superintendent shall provide a copy of these conditions in writing to the district board, the pupil, and the pupil's parent, guardian, or custodian at the beginning of the expulsion period.
One of the conditions developed by the superintendent shall be an assessment to determine whether the pupil poses a danger to the pupil's self or to other pupils or school employees. The assessment shall be completed by a psychiatrist, psychologist, or school psychologist employed or contracted by the district. The psychiatrist, psychologist, or school psychologist shall be agreed upon by both the district board and the pupil's parent, guardian, or custodian. If the psychiatrist, psychologist, or school psychologist is not employed or contracted by the district, the cost of the assessment shall be referred for payment to the pupil's health insurance. Any costs not covered by the pupil's health insurance shall be split equally between the district and the pupil's parent, guardian, or custodian. The district shall pay in full for an assessment completed by a psychiatrist, psychologist, or school psychologist that is employed or contracted by the district.

(a) At the end of the expulsion period, the superintendent shall assess the pupil and determine whether the pupil has shown sufficient rehabilitation to be reinstated. The superintendent shall take into consideration both the assessment by the psychiatrist, psychologist, or school psychologist and whether or not the pupil has met the conditions developed by the superintendent at the beginning of the expulsion period.

In making any determination under division (B)(6) of this section, the superintendent shall comply with the procedures prescribed by divisions (B)(7) and (D) of this section.

(i) Upon the assessment of a pupil as required by division (B)(6)(a) of this section, if the superintendent determines that the pupil has shown sufficient rehabilitation, the superintendent may reinstate that pupil.
(ii) Upon the assessment of a pupil as required by division (B)(6)(a) of this section, if the superintendent determines that the pupil has not shown sufficient rehabilitation, the superintendent may extend the expulsion for an additional period not to exceed ninety school days.

(b) If the superintendent extends the expulsion period under division (B)(6)(a)(ii) of this section, the superintendent shall develop conditions for that pupil to satisfy prior to that pupil's reinstatement, which may be the same as those developed for the original expulsion period. The superintendent shall provide a copy of these conditions in writing to the district board, the pupil, and the pupil's parent, guardian, or custodian at the beginning of the extended expulsion period. At the end of the extended expulsion period, the superintendent shall reassess the pupil in the manner prescribed by division (B)(6)(a) of this section and may reinstate the pupil or may extend the expulsion for another term, not to exceed ninety school days, in the same manner as provided in divisions (B)(6)(a)(i) and (ii) of this section. There is no limit on the number of times the superintendent may extend an expulsion under division (B)(6)(a)(ii) of this section.

(c) Prior to the end of the original expulsion period or of an extended expulsion period, if the pupil has met all of the conditions developed by the superintendent at the beginning of the expulsion period, the superintendent may reduce the expulsion on a case-by-case basis. In making the determination, the superintendent shall comply with the district's policy regarding the reduction of an expulsion period, adopted pursuant to section 3313.661 of the Revised Code.

(d) Prior to the end of the original expulsion period or
of an extended expulsion period, the pupil or the pupil's parent, guardian, or custodian may request the superintendent to complete an early assessment of the pupil. If requested, the superintendent shall assess the pupil and make a determination in the manner prescribed by division (B)(6)(a) of this section. In making the determination, the superintendent shall comply with the district's policy regarding the reduction of an expulsion period, adopted pursuant to section 3313.661 of the Revised Code. A pupil or pupil's parent, guardian, or custodian may request one early assessment for the original expulsion period and for each extended expulsion period under this division.

(e) Not later than five days after the beginning of the original expulsion period or of any extended expulsion period under division (B)(6) of this section, the superintendent, in consultation with the pupil, and the pupil's parent, guardian, or custodian, shall develop a plan for the continued education of the pupil, which may include education by the district in an alternative setting under division (I) of this section, including instruction at home, enrollment in another district or other type of public or nonpublic school, or any other form of instruction that complies with Chapter 3321. of the Revised Code.

(f) The pupil or the pupil's parent, guardian, or custodian may appeal any determination made by the superintendent pursuant to division (B)(6) of this section in the manner prescribed by division (E) of this section.

(7) No pupil shall be expelled under division (B)(1), (2), (3), (4), or (5) of this section unless, prior to the pupil's expulsion, the superintendent does both of the
following:

(a) Gives the pupil and the pupil's parent, guardian, or custodian written notice of the intention to expel the pupil;

(b) Provides the pupil and the pupil's parent, guardian, custodian, or representative an opportunity to appear in person before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's actions.

The notice required in this division shall include the reasons for the intended expulsion, notification of the opportunity of the pupil and the pupil's parent, guardian, custodian, or representative to appear before the superintendent or the superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the pupil's action, and notification of the time and place to appear. The time to appear shall not be earlier than three nor later than five school days after the notice is given, unless the superintendent grants an extension of time at the request of the pupil or the pupil's parent, guardian, custodian, or representative. If an extension is granted after giving the original notice, the superintendent shall notify the pupil and the pupil's parent, guardian, custodian, or representative of the new time and place to appear. If the proposed expulsion is based on a violation listed in division (A) of section 3313.662 of the Revised Code and if the pupil is sixteen years of age or older, the notice shall include a statement that the superintendent may seek to permanently exclude the pupil if the pupil is convicted of or adjudicated a delinquent child for that violation.

A superintendent of schools of a city, exempted
village, or local school district shall initiate expulsion proceedings pursuant to this section with respect to any pupil who has committed an act warranting expulsion under the district's policy regarding expulsion even if the pupil has withdrawn from school for any reason after the incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion. If, following the hearing, the pupil would have been expelled for a period of time had the pupil still been enrolled in the school, the expulsion shall be imposed for the same length of time as on a pupil who has not withdrawn from the school.

(C)(1) Subject to division (C)(2) of this section, if a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or a principal or assistant principal may remove a pupil from curricular activities or from the school premises, and a teacher may remove a pupil from curricular activities under the teacher's supervision, without the notice and hearing requirements of division (A) or (B) of this section. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

(2) A pupil in any of grades pre-kindergarten through three may be removed pursuant to division (C)(1) of this section only for the remainder of the school day and shall be permitted to return to curricular and extracurricular activities on the school day following the day in which the student was removed.

(a) A school district or school that returns a student in any of grades pre-kindergarten through three to curricular and
extracurricular activities on the next school day shall not be required to follow division (C)(3) of this section with regard to that student.

(b) A school district shall not initiate a suspension or expulsion proceeding against a student in any of grades pre-kindergarten through three who was removed from a curricular or extracurricular activity under division (C) of this section unless the student has committed an act described in division (B)(1)(a) or (b) of section 3313.668 of the Revised Code.

(3) If a pupil is removed under division (C)(1) or (2) of this section from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held on the next school day after the initial removal is ordered. The hearing shall be held in accordance with division (A) of this section unless it is probable that the pupil may be subject to expulsion, in which case a hearing in accordance with division (B) of this section shall be held, except that the hearing shall be held on the next school day after the date of the initial removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

(4) If the superintendent or the principal reinstates a pupil in a curricular activity under the teacher's supervision prior to the hearing following a removal under this division, the teacher, upon request, shall be given in writing the reasons for such reinstatement.

(D) The superintendent or principal, within one school day after the time of a pupil's expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the
pupil of the expulsion or suspension. In the case of an
expulsion, the superintendent or principal, within one school
day after the time of a pupil's expulsion, also shall notify in
writing the treasurer of the board of education. Each notice
shall include the reasons for the expulsion or suspension,
notification of the right of the pupil or the pupil's parent,
guardian, or custodian to appeal the expulsion or suspension to
the board of education or to its designee, to be represented in
all appeal proceedings, to be granted a hearing before the board
or its designee in order to be heard against the suspension or
expulsion, and to request that the hearing be held in executive
session, notification that the expulsion may be subject to
extension pursuant to division (F) of this section if the pupil
is sixteen years of age or older, and notification that the
superintendent may seek the pupil's permanent exclusion if the
expulsion was based on a violation listed in
division (A) of section 3313.662 of the Revised Code that was
committed when the child was sixteen years of age or older and
if the pupil is convicted of or adjudicated a delinquent child
for that violation.

In accordance with the policy adopted by the board of
education under section 3313.661 of the Revised Code, the notice
provided under this division shall specify the manner and date
by which the pupil or the pupil's parent, guardian, or custodian
shall notify the board of the pupil's, parent's, guardian's, or
custodian's intent to appeal the expulsion or suspension to the
board or its designee.

Any superintendent expelling a pupil under this section
for more than twenty school days or for any period of time if
the expulsion will extend into the following semester or school
year shall, in the notice required under this division, provide
the pupil and the pupil's parent, guardian, or custodian with information about services or programs offered by public and private agencies that work toward improving those aspects of the pupil's attitudes and behavior that contributed to the incident that gave rise to the pupil's expulsion. The information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

(E) A pupil or the pupil's parent, guardian, or custodian may appeal the pupil's expulsion by a superintendent or suspension by a superintendent, principal, assistant principal, or other administrator to the board of education or to its designee. If the pupil or the pupil's parent, guardian, or custodian intends to appeal the expulsion or suspension to the board or its designee, the pupil or the pupil's parent, guardian, or custodian shall notify the board in the manner and by the date specified in the notice provided under division (D) of this section. The pupil or the pupil's parent, guardian, or custodian may be represented in all appeal proceedings and shall be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion. At the request of the pupil or of the pupil's parent, guardian, custodian, or attorney, the board or its designee may hold the hearing in executive session but shall act upon the suspension or expulsion only at a public meeting. The board, by a majority vote of its full membership or by the action of its designee, may affirm the order of suspension or expulsion, reinstate the pupil, or otherwise reverse, vacate, or modify the order of suspension or expulsion.

The board or its designee shall make a verbatim record of hearings held under this division. The decisions of the board or its designee may be appealed under Chapter 2506. of the Revised
This section shall not be construed to require notice and hearing in accordance with division (A), (B), or (C) of this section in the case of normal disciplinary procedures in which a pupil is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

(F)(1) If a pupil is expelled pursuant to division (B) of this section for committing any violation listed in division (A) of section 3313.662 of the Revised Code and the pupil was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the pupil is a delinquent child based upon the commission of the violation or the pupil is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the pupil may file a motion with the court in which the proceeding is pending requesting an order extending the expulsion for the lesser of an additional eighty days or the number of school days remaining in the school year. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent and to the pupil and the pupil's parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe that the pupil committed the alleged violation that is the basis of the expulsion and, upon determining that reasonable cause to believe the pupil committed the violation does exist, shall grant the requested extension.
(2) If a pupil has been convicted of or adjudicated a
delinquent child for a violation listed in division (A) of
section 3313.662 of the Revised Code for an act that was
committed when the child was sixteen years of age or older, if
the pupil has been expelled pursuant to division (B) of this
section for that violation, and if the board of education of the
school district of the school from which the pupil was expelled
has adopted a resolution seeking the pupil's permanent
exclusion, the superintendent may file a motion with the court
that convicted the pupil or adjudicated the pupil a delinquent
child requesting an order to extend the expulsion until an
adjudication order or other determination regarding permanent
exclusion is issued by the superintendent of public instruction
pursuant to section 3301.121 and division (D) of section
3313.662 of the Revised Code. Upon the filing of the motion, the
court immediately shall schedule a hearing and give written
notice of the time, date, and location of the hearing to the
superintendent of the school district, the pupil, and the
pupil's parent, guardian, or custodian. At the hearing, the
court shall determine whether there is reasonable cause to
believe the pupil's continued attendance in the public school
system may endanger the health and safety of other pupils or
school employees and, upon making that determination, shall
grant the requested extension.

(G) The failure of the superintendent or the board of
education to provide the information regarding the possibility
of permanent exclusion in the notice required by divisions (A),
(B), and (D) of this section is not jurisdictional, and the
failure shall not affect the validity of any suspension or
expulsion procedure that is conducted in accordance with this
section or the validity of a permanent exclusion procedure that
is conducted in accordance with sections 3301.121 and 3313.662 of the Revised Code.

(H) With regard to suspensions and expulsions pursuant to divisions (A) and (B) of this section by the board of education of any city, exempted village, or local school district, this section shall apply to any student, whether or not the student is enrolled in the district, attending or otherwise participating in any curricular program provided in a school operated by the board or provided on any other property owned or controlled by the board.

(I) Whenever a student is expelled under this section, the expulsion shall result in removal of the student from the student's regular school setting. However, during the period of the expulsion, the board of education of the school district that expelled the student or any board of education admitting the student during that expulsion period may provide educational services to the student in an alternative setting.

(J)(1) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if one of the following applies:

(a) The pupil has been suspended from the schools of another district under division (A) of this section and the period of suspension, as established under that division, has not expired;

(b) The pupil has been expelled from the schools of another district under division (B) of this section and the period of the expulsion, as established under that division or as extended under division (F) of this section, has not expired.
If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than upon expiration of the suspension or expulsion period, as applicable.

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the Revised Code, any school district, after offering an opportunity for a hearing, may temporarily deny admittance to any pupil if the pupil has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired. If a pupil is temporarily denied admission under this division, the pupil shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the Revised Code no later than the earlier of the following:

(a) Upon expiration of the expulsion or removal period imposed by the out-of-state school;

(b) Upon expiration of a period established by the district, beginning with the date of expulsion or removal from the out-of-state school, that is no greater than the period of expulsion that the pupil would have received under the policy adopted by the district under section 3313.661 of the Revised Code had the offense that gave rise to the expulsion or removal by the out-of-state school been committed while the pupil was enrolled in the district.

(K) As used in this section:

(1) "Permanently exclude" and "permanent exclusion" have the same meanings as in section 3313.662 of the Revised Code.

(2) "In-school suspension" means the pupil will serve all
of the suspension in a supervised learning environment within a school setting.

(3) "School day" has the same meaning as in section 3313.481 of the Revised Code.

Sec. 3313.661. (A) Subject to the limitations set forth in section 3313.668 of the Revised Code, the board of education of each city, exempted village, and local school district shall adopt a policy regarding suspension, expulsion, removal, and permanent exclusion that specifies the types of misconduct for which a pupil may be suspended, expelled, or removed. The types of misconduct may include misconduct by a pupil that occurs off of property owned or controlled by the district but that is connected to activities or incidents that have occurred on property owned or controlled by that district and misconduct by a pupil that, regardless of where it occurs, is directed at a district official or employee, or the property of such official or employee. The policy shall specify the reasons for which the superintendent of the district may reduce the expulsion requirement in division (B)(2) of section 3313.66 of the Revised Code. If a board of education adopts a resolution pursuant to division (B)(3) of section 3313.66 of the Revised Code, the policy shall define the term "knife capable of causing serious bodily injury" or "firearm," as applicable, for purposes of expulsion under that resolution and shall specify any reasons for which the superintendent of the district may reduce any required expulsion period on a case-by-case basis. If a board of education adopts a resolution pursuant to division (B)(4) or (5) or (6) of section 3313.66 of the Revised Code, the policy shall specify any reasons for which the superintendent of the district may reduce any required expulsion period on a case-by-case basis. The policy also shall set forth the acts listed in...
section 3313.662 of the Revised Code for which a pupil may be
permanently excluded.

The policy adopted under this division shall specify the
date and manner by which a pupil or a pupil's parent, guardian,
or custodian may notify the board of the pupil's, parent's,
guardian's, or custodian's intent to appeal an expulsion or
suspension to the board or its designee pursuant to division (E)
of section 3313.66 of the Revised Code. In the case of any
expulsion, the policy shall not specify a date that is less than
fourteen days after the date of the notice provided to the pupil
or the pupil's parent, guardian, or custodian under division (D)
of that section.

A copy of the policy shall be posted in a central location
in the school and made available to pupils upon request. No
pupil shall be suspended, expelled, or removed except in
accordance with the policy adopted by the board of education of
the school district in which the pupil attends school, and no
pupil shall be permanently excluded except in accordance with
sections 3301.121 and 3313.662 of the Revised Code.

(B) A board of education may establish a program and adopt
guidelines under which a superintendent may require a pupil to
perform community service in conjunction with a suspension or
expulsion imposed under section 3313.66 of the Revised Code or
in place of a suspension or expulsion imposed under section
3313.66 of the Revised Code except for an expulsion imposed
pursuant to division (B)(2) of that section. If a board adopts
guidelines under this division, they shall permit, except with
regard to an expulsion pursuant to division (B)(2) of section
3313.66 of the Revised Code, a superintendent to impose a
community service requirement beyond the end of the school year.
in lieu of applying an expulsion into the following school year. Any guidelines adopted shall be included in the policy adopted under this section.

(C) The written policy of each board of education that is adopted pursuant to section 3313.20 of the Revised Code shall be posted in a central location in each school that is subject to the policy and shall be made available to pupils upon request.

(D) Except as described in division (B) of section 3313.668 of the Revised Code, any policy, program, or guideline adopted by a board of education under this section with regard to suspensions or expulsions pursuant to division (A) or (B) of section 3313.66 of the Revised Code shall apply to any student, whether or not the student is enrolled in the district, attending or otherwise participating in any curricular program provided in a school operated by the board or provided on any other property owned or controlled by the board.

(E) If a board of education adopts a resolution pursuant to division (B)(6) of section 3313.66 of the Revised Code, the board shall do both of the following:

(1) Establish guidelines for appropriate conditions that the superintendent may develop pursuant to division (B)(6) of section 3313.66 of the Revised Code;

(2) Develop a list of alternative educational options for pupils who are expelled under division (B)(6) of section 3313.66 of the Revised Code.

(F) As used in this section, "permanently exclude" and "permanent exclusion" have the same meanings as in section 3313.662 of the Revised Code.

Section 2. That existing sections 3313.66 and 3313.661 of
the Revised Code are hereby repealed.
