certificate is not on file with the director of commerce as 23
required by section 3331.01 of the Revised Code, to furnish the 24
enforcement official satisfactory evidence that the employee is 25
in fact eighteen years of age or older. The enforcement official 26
shall require from the employer the same evidence of age of the 27

2152. of the Revised Code. 41

Sec. 4111.09. (A) Every employer subject to sections 47

4111.01 to 4111.17 of the Revised Code, or to any rules issued 48

employer's employees. 56

(B) The director of commerce shall make the summary 57
described in this section available on the web site of the 58
department of commerce. The director shall update this summary 59
as necessary, but not less than annually, in order to reflect 60

premises, or on the internet in a manner that is accessible to 68
the public, a notice to be prepared or approved by the 69
commission that shall set forth excerpts of this chapter and 70
other relevant information that the commission deems necessary 71
to explain this chapter. 72

Sec. 4115.07. All contractors and subcontractors required 73
by sections 4115.03 to 4115.16 of the Revised Code, and the 74
action of any public authority to pay not less than the 75
prevailing rate of wages shall make full payment of such wages 76

in legal tender, without any deduction for food, sleeping 77
accommodations, transportation, use of small tools, or any other 78
thing of any kind or description. This section does not apply 79
where the employer and employee enter into an agreement in 80
writing at the beginning of any term of employment covering 81
deductions for food, sleeping accommodations, or other similar 82
item, provided such agreement is submitted by the employer to 83
the public authority fixing the rate of wages and is approved by 84
such public authority as fair and reasonable. 85

All contractors or subcontractors falling within or 86
affected by sections 4115.03 to 4115.16 of the Revised Code, 87
shall keep full and accurate payroll records with respect to 88
wages paid each employee and the number of hours worked by each 89
employee, covering all disbursements of wages to their employees 90
to whom they are required to pay not less than the prevailing 91
rate of wages. Such payroll records shall be open to inspection 92
by any authorized representative of the contracting public 93
authority, including the prevailing wage coordinator or the 94
director of commerce at any reasonable time and as often as may 95
be necessary, and such records shall not be destroyed or removed 96
from the state for the period of one year following the 97
completion of the public improvement in connection with which 98
the records are made. There shall be posted in a prominent and 99
accessible place on the site of the work, or on the internet in 100
a manner that is accessible to the contractor's or 101
subcontractor's employees, a legible statement of the schedule 102
of wage rates specified in the contract to the various 103
classifications of laborers, workers, and mechanics employed, 104
said statement to remain posted during the life of each 105
contract. 106

Each contractor or subcontractor shall file with the 107

contracting public authority upon completion of the public 108
improvement and prior to final payment therefor an affidavit 109
stating that the contractor or subcontractor has fully complied 110
with sections 4115.03 to 4115.16 of the Revised Code. 111

Sec. 4123.54. (A) Except as otherwise provided in this 112
division or divisions (I) and (K) of this section, every 113
employee, who is injured or who contracts an occupational 114
disease, and the dependents of each employee who is killed, or 115
dies as the result of an occupational disease contracted in the 116
course of employment, wherever the injury has occurred or 117
occupational disease has been contracted, is entitled to receive 118
the compensation for loss sustained on account of the injury, 119
occupational disease, or death, and the medical, nurse, and 120
hospital services and medicines, and the amount of funeral 121
expenses in case of death, as are provided by this chapter. The 122
compensation and benefits shall be provided, as applicable, 123
directly from the employee's self-insuring employer as provided 124
in section 4123.35 of the Revised Code or from the state 125
insurance fund. An employee or dependent is not entitled to 126
receive compensation or benefits under this division if the 127
employee's injury or occupational disease is either of the 128
following: 129

(1) Purposely self-inflicted; 130

(2) Caused by the employee being intoxicated, under the 131
influence of a controlled substance not prescribed by a 132
physician, or under the influence of marihuana if being 133
intoxicated, under the influence of a controlled substance not 134
prescribed by a physician, or under the influence of marihuana 135
was the proximate cause of the injury. 136

(B) For the purpose of this section, provided that an 137

employer has posted written notice to employees that the results 138
of, or the employee's refusal to submit to, any chemical test 139
described under this division may affect the employee's 140
eligibility for compensation and benefits pursuant to this 141
chapter and Chapter 4121. of the Revised Code, there is a 142
rebuttable presumption that an employee is intoxicated, under 143
the influence of a controlled substance not prescribed by the 144
employee's physician, or under the influence of marihuana and 145
that being intoxicated, under the influence of a controlled 146
substance not prescribed by the employee's physician, or under 147
the influence of marihuana is the proximate cause of an injury 148
under either of the following conditions: 149

(1) When any one or more of the following is true: 150

(a) The employee, through a qualifying chemical test 151
administered within eight hours of an injury, is determined to 152
have an alcohol concentration level equal to or in excess of the 153
levels established in divisions (A) (1) (b) to (i) of section 154
4511.19 of the Revised Code. 155

(b) The employee, through a qualifying chemical test 156
administered within thirty-two hours of an injury, is determined 157
to have a controlled substance not prescribed by the employee's 158
physician or marihuana in the employee's system at a level equal 159
to or in excess of the cutoff concentration level for the 160
particular substance as provided in section 40.87 of Title 49 of 161
the Code of Federal Regulations, 49 C.F.R. 40.87, as amended. 162

(c) The employee, through a qualifying chemical test 163
administered within thirty-two hours of an injury, is determined 164
to have barbiturates, benzodiazepines, or methadone in the 165
employee's system that tests above levels established by 166
laboratories certified by the United States department of health 167

and human services.	168
(2) When the employee refuses to submit to a requested chemical test, on the condition that that employee is or was given notice that the refusal to submit to any chemical test described in division (B) (1) of this section may affect the employee's eligibility for compensation and benefits under this chapter and Chapter 4121. of the Revised Code.	169 170 171 172 173 174
(C) (1) For purposes of division (B) of this section, a chemical test is a qualifying chemical test if it is administered to an employee after an injury under at least one of the following conditions:	175 176 177 178
(a) When the employee's employer had reasonable cause to suspect that the employee may be intoxicated, under the influence of a controlled substance not prescribed by the employee's physician, or under the influence of marihuana;	179 180 181 182
(b) At the request of a police officer pursuant to section 4511.191 of the Revised Code, and not at the request of the employee's employer;	183 184 185
(c) At the request of a licensed physician who is not employed by the employee's employer, and not at the request of the employee's employer.	186 187 188
(2) As used in division (C) (1) (a) of this section, "reasonable cause" means, but is not limited to, evidence that an employee is or was using alcohol, a controlled substance, or marihuana drawn from specific, objective facts and reasonable inferences drawn from these facts in light of experience and training. These facts and inferences may be based on, but are not limited to, any of the following:	189 190 191 192 193 194 195
(a) Observable phenomena, such as direct observation of	196

use, possession, or distribution of alcohol, a controlled 197
substance, or marihuana, or of the physical symptoms of being 198
under the influence of alcohol, a controlled substance, or 199
marihuana, such as but not limited to slurred speech; dilated 200
pupils; odor of alcohol, a controlled substance, or marihuana; 201
changes in affect; or dynamic mood swings; 202

(b) A pattern of abnormal conduct, erratic or aberrant 203
behavior, or deteriorating work performance such as frequent 204
absenteeism, excessive tardiness, or recurrent accidents, that 205
appears to be related to the use of alcohol, a controlled 206
substance, or marihuana, and does not appear to be attributable 207
to other factors; 208

(c) The identification of an employee as the focus of a 209
criminal investigation into unauthorized possession, use, or 210
trafficking of a controlled substance or marihuana; 211

(d) A report of use of alcohol, a controlled substance, or 212
marihuana provided by a reliable and credible source; 213

(e) Repeated or flagrant violations of the safety or work 214
rules of the employee's employer, that are determined by the 215
employee's supervisor to pose a substantial risk of physical 216
injury or property damage and that appear to be related to the 217
use of alcohol, a controlled substance, or marihuana and that do 218
not appear attributable to other factors. 219

(D) Nothing in this section shall be construed to affect 220
the rights of an employer to test employees for alcohol or 221
controlled substance abuse. 222

(E) For the purpose of this section, laboratories 223
certified by the United States department of health and human 224
services or laboratories that meet or exceed the standards of 225

that department for laboratory certification shall be used for 226
processing the test results of a qualifying chemical test. 227

(F) The written notice required by division (B) of this 228
section shall be the same size or larger than the proof of 229
workers' compensation coverage furnished by the bureau of 230
workers' compensation and shall be posted by the employer in the 231
same location as the proof of workers' compensation coverage or 232
the certificate of self-insurance. An employer may post the 233
written notice required by division (B) of this section on the 234
internet in a manner that is accessible to the employer's 235
employees. 236

(G) If a condition that pre-existed an injury is 237
substantially aggravated by the injury, and that substantial 238
aggravation is documented by objective diagnostic findings, 239
objective clinical findings, or objective test results, no 240
compensation or benefits are payable because of the pre-existing 241
condition once that condition has returned to a level that would 242
have existed without the injury. 243

(H) (1) Whenever, with respect to an employee of an 244
employer who is subject to and has complied with this chapter, 245
there is possibility of conflict with respect to the application 246
of workers' compensation laws because the contract of employment 247
is entered into and all or some portion of the work is or is to 248
be performed in a state or states other than Ohio, the employer 249
and the employee may agree to be bound by the laws of this state 250
or by the laws of some other state in which all or some portion 251
of the work of the employee is to be performed. The agreement 252
shall be in writing and shall be filed with the bureau of 253
workers' compensation within ten days after it is executed and 254
shall remain in force until terminated or modified by agreement 255

of the parties similarly filed. If the agreement is to be bound 256
by the laws of this state and the employer has complied with 257
this chapter, then the employee is entitled to compensation and 258
benefits regardless of where the injury occurs or the disease is 259
contracted and the rights of the employee and the employee's 260
dependents under the laws of this state are the exclusive remedy 261
against the employer on account of injury, disease, or death in 262
the course of and arising out of the employee's employment. If 263
the agreement is to be bound by the laws of another state and 264
the employer has complied with the laws of that state, the 265
rights of the employee and the employee's dependents under the 266
laws of that state are the exclusive remedy against the employer 267
on account of injury, disease, or death in the course of and 268
arising out of the employee's employment without regard to the 269
place where the injury was sustained or the disease contracted. 270
If an employer and an employee enter into an agreement under 271
this division, the fact that the employer and the employee 272
entered into that agreement shall not be construed to change the 273
status of an employee whose continued employment is subject to 274
the will of the employer or the employee, unless the agreement 275
contains a provision that expressly changes that status. 276

(2) If an employee or the employee's dependents receive an 277
award of compensation or benefits under this chapter or Chapter 278
4121., 4127., or 4131. of the Revised Code for the same injury, 279
occupational disease, or death for which the employee or the 280
employee's dependents previously pursued or otherwise elected to 281
accept workers' compensation benefits and received a decision on 282
the merits as defined in section 4123.542 of the Revised Code 283
under the laws of another state or recovered damages under the 284
laws of another state, the claim shall be disallowed and the 285
administrator or any self-insuring employer, by any lawful 286

means, may collect from the employee or the employee's	287
dependents any of the following:	288
(a) The amount of compensation or benefits paid to or on	289
behalf of the employee or the employee's dependents by the	290
administrator or a self-insuring employer pursuant to this	291
chapter or Chapter 4121., 4127., or 4131. of the Revised Code	292
for that award;	293
(b) Any interest, attorney's fees, and costs the	294
administrator or the self-insuring employer incurs in collecting	295
that payment.	296
(3) If an employee or the employee's dependents receive an	297
award of compensation or benefits under this chapter or Chapter	298
4121., 4127., or 4131. of the Revised Code and subsequently	299
pursue or otherwise elect to accept workers' compensation	300
benefits or damages under the laws of another state for the same	301
injury, occupational disease, or death the claim under this	302
chapter or Chapter 4121., 4127., or 4131. of the Revised Code	303
shall be disallowed. The administrator or a self-insuring	304
employer, by any lawful means, may collect from the employee or	305
the employee's dependents or other-states' insurer any of the	306
following:	307
(a) The amount of compensation or benefits paid to or on	308
behalf of the employee or the employee's dependents by the	309
administrator or the self-insuring employer pursuant to this	310
chapter or Chapter 4121., 4127., or 4131. of the Revised Code	311
for that award;	312
(b) Any interest, costs, and attorney's fees the	313
administrator or the self-insuring employer incurs in collecting	314
that payment;	315

(c) Any costs incurred by an employer in contesting or 316
responding to any claim filed by the employee or the employee's 317
dependents for the same injury, occupational disease, or death 318
that was filed after the original claim for which the employee 319
or the employee's dependents received a decision on the merits 320
as described in section 4123.542 of the Revised Code. 321

(4) If the employee's employer pays premiums into the 322
state insurance fund, the administrator shall not charge the 323
amount of compensation or benefits the administrator collects 324
pursuant to division (H) (2) or (3) of this section to the 325
employer's experience. If the administrator collects any costs 326
incurred by an employer in contesting or responding to any claim 327
pursuant to division (H) (2) or (3) of this section, the 328
administrator shall forward the amount collected to that 329
employer. If the employee's employer is a self-insuring 330
employer, the self-insuring employer shall deduct the amount of 331
compensation or benefits the self-insuring employer collects 332
pursuant to this division from the paid compensation the self- 333
insuring employer reports to the administrator under division 334
(L) of section 4123.35 of the Revised Code. 335

(5) If an employee is a resident of a state other than 336
this state and is insured under the workers' compensation law or 337
similar laws of a state other than this state, the employee and 338
the employee's dependents are not entitled to receive 339
compensation or benefits under this chapter, on account of 340
injury, disease, or death arising out of or in the course of 341
employment while temporarily within this state, and the rights 342
of the employee and the employee's dependents under the laws of 343
the other state are the exclusive remedy against the employer on 344
account of the injury, disease, or death. 345

(6) An employee, or the dependent of an employee, who 346
elects to receive compensation and benefits under this chapter 347
or Chapter 4121., 4127., or 4131. of the Revised Code for a 348
claim may not receive compensation and benefits under the 349
workers' compensation laws of any state other than this state 350
for that same claim. For each claim submitted by or on behalf of 351
an employee, the administrator or, if the employee is employed 352
by a self-insuring employer, the self-insuring employer, shall 353
request the employee or the employee's dependent to sign an 354
election that affirms the employee's or employee's dependent's 355
acceptance of electing to receive compensation and benefits 356
under this chapter or Chapter 4121., 4127., or 4131. of the 357
Revised Code for that claim that also affirmatively waives and 358
releases the employee's or the employee's dependent's right to 359
file for and receive compensation and benefits under the laws of 360
any state other than this state for that claim. The employee or 361
employee's dependent shall sign the election form within twenty- 362
eight days after the administrator or self-insuring employer 363
submits the request or the administrator or self-insuring 364
employer shall dismiss that claim. 365

In the event a workers' compensation claim has been filed 366
in another jurisdiction on behalf of an employee or the 367
dependents of an employee, and the employee or dependents 368
subsequently elect to receive compensation, benefits, or both 369
under this chapter or Chapter 4121., 4127., or 4131. of the 370
Revised Code, the employee or dependent shall withdraw or refuse 371
acceptance of the workers' compensation claim filed in the other 372
jurisdiction in order to pursue compensation or benefits under 373
the laws of this state. If the employee or dependents were 374
awarded workers' compensation benefits or had recovered damages 375
under the laws of the other state, any compensation and benefits 376

awarded under this chapter or Chapter 4121., 4127., or 4131. of 377
the Revised Code shall be paid only to the extent to which those 378
payments exceed the amounts paid under the laws of the other 379
state. If the employee or dependent fails to withdraw or to 380
refuse acceptance of the workers' compensation claim in the 381
other jurisdiction within twenty-eight days after a request made 382
by the administrator or a self-insuring employer, the 383
administrator or self-insuring employer shall dismiss the 384
employee's or employee's dependents' claim made in this state. 385

(I) If an employee who is covered under the federal 386
"Longshore and Harbor Workers' Compensation Act," 98 Stat. 1639, 387
33 U.S.C. 901 et seq., is injured or contracts an occupational 388
disease or dies as a result of an injury or occupational 389
disease, and if that employee's or that employee's dependents' 390
claim for compensation or benefits for that injury, occupational 391
disease, or death is subject to the jurisdiction of that act, 392
the employee or the employee's dependents are not entitled to 393
apply for and shall not receive compensation or benefits under 394
this chapter and Chapter 4121. of the Revised Code. The rights 395
of such an employee and the employee's dependents under the 396
federal "Longshore and Harbor Workers' Compensation Act," 98 397
Stat. 1639, 33 U.S.C. 901 et seq., are the exclusive remedy 398
against the employer for that injury, occupational disease, or 399
death. 400

(J) Compensation or benefits are not payable to a claimant 401
or a dependent during the period of confinement of the claimant 402
or dependent in any state or federal correctional institution, 403
or in any county jail in lieu of incarceration in a state or 404
federal correctional institution, whether in this or any other 405
state for conviction of violation of any state or federal 406
criminal law. 407

(K) An employer, upon the approval of the administrator, 408
may provide for workers' compensation coverage for the 409
employer's employees who are professional athletes and coaches 410
by submitting to the administrator proof of coverage under a 411
league policy issued under the laws of another state under 412
either of the following circumstances: 413

(1) The employer administers the payroll and workers' 414
compensation insurance for a professional sports team subject to 415
a collective bargaining agreement, and the collective bargaining 416
agreement provides for the uniform administration of workers' 417
compensation benefits and compensation for professional 418
athletes. 419

(2) The employer is a professional sports league, or is a 420
member team of a professional sports league, and all of the 421
following apply: 422

(a) The professional sports league operates as a single 423
entity, whereby all of the players and coaches of the sports 424
league are employees of the sports league and not of the 425
individual member teams. 426

(b) The professional sports league at all times maintains 427
workers' compensation insurance that provides coverage for the 428
players and coaches of the sports league. 429

(c) Each individual member team of the professional sports 430
league, pursuant to the organizational or operating documents of 431
the sports league, is obligated to the sports league to pay to 432
the sports league any workers' compensation claims that are not 433
covered by the workers' compensation insurance maintained by the 434
sports league. 435

If the administrator approves the employer's proof of 436

coverage submitted under division (K) of this section, a 437
professional athlete or coach who is an employee of the employer 438
and the dependents of the professional athlete or coach are not 439
entitled to apply for and shall not receive compensation or 440
benefits under this chapter and Chapter 4121. of the Revised 441
Code. The rights of such an athlete or coach and the dependents 442
of such an athlete or coach under the laws of the state where 443
the policy was issued are the exclusive remedy against the 444
employer for the athlete or coach if the athlete or coach 445
suffers an injury or contracts an occupational disease in the 446
course of employment, or for the dependents of the athlete or 447
the coach if the athlete or coach is killed as a result of an 448
injury or dies as a result of an occupational disease, 449
regardless of the location where the injury was suffered or the 450
occupational disease was contracted. 451

Sec. 4123.83. Each employer paying premiums into the state 452
insurance fund or electing directly to pay compensation to the 453
employer's injured employees or the dependents of the employer's 454
killed employees as provided in section 4123.35 of the Revised 455
Code, shall post ~~conspicuously in the employer's place or places~~ 456
~~of employment~~ notices, which shall be furnished at least 457
annually by the bureau of workers' compensation. The employer 458
shall post the notice conspicuously in the employer's place or 459
places of employment or on the internet in a manner that is 460
accessible to the employer's employees. The notice shall state 461
