(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1) and a violation of division (B)(1), (2), (3), or (4) of this section, but the person shall not be convicted of more than one violation of those divisions.

(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the result of any test of any blood, oral fluid, or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the court may admit evidence on the presence and concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, oral fluid, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within three hours of the

time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (C) of section 1547.111 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the presence and concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, oral fluid, or other bodily substance test at the request of a law enforcement officer under section 1547.111 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath, oral fluid, or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person's opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

The whole blood, blood serum or plasma, urine, oral fluid, or breath withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is watercraft-related, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

If the chemical test was administered pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them, or of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, oral fluid, or urine, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is substantially equivalent to either of those divisions, the court shall admit as prima-facie evidence a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled

substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 1547.111 of the Revised Code, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 1547.111 of the Revised Code, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or an emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a

licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(I) As used in this section and section 1547.111 of the Revised Code:

(1) "Equivalent offense" has the same meaning as in section 4511.181 of the Revised Code.

(2) "National highway traffic safety administration" has the same meaning as in section 4511.19 of the Revised Code.

(3) "Operate" means that a vessel is being used on the waters in this state when the vessel is not securely affixed to a dock or to shore or to any permanent structure to which the vessel has the right to affix or that a vessel is not anchored in a designated anchorage area or boat camping area that is established by the United States coast guard, this state, or a political subdivision and in which the vessel has the right to anchor.

(4) "Controlled substance" and "marihuana" have the same meanings as in section 3719.01 of the Revised Code.

(5) "Cocaine" and "L.S.D." have the same meanings as in section 2925.01 of the Revised Code.

(6) "Equivalent offense that is watercraft-related" means an equivalent offense that is one of the following:

(a) A violation of division (A) of this section;

(b) A violation of a municipal ordinance prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them or prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine;

(c) A violation of an existing or former municipal ordinance, law of another state, or law of the United States that is substantially equivalent to division (A) of this section;

(d) A violation of a former law of this state that was substantially equivalent to division (A) of this section.

(7) "Emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

Sec. 1547.111. (A)(1)(a) Any person who operates or is in physical control of a vessel or manipulates any water skis, aquaplane, or similar device upon any waters in this state shall be deemed to have given consent to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, oral fluid, or urine if arrested for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation

of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance.

(b) The test or tests under division (A)(1) of this section shall be administered at the request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance. The law enforcement agency by which the officer is employed shall designate which test or tests shall be administered.

(2) Any person who is dead or unconscious or who otherwise is in a condition rendering the person incapable of refusal shall be deemed to have consented as provided in division (A)(1) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

(B)(1) If a law enforcement officer arrests a person for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and if the person previously has been convicted of or pleaded guilty to two or more violations of division (A) of section 1547.11 of the Revised Code or other equivalent offenses, the law enforcement officer shall request the person to submit, and the person shall submit, to a chemical test or tests of the person's whole blood, blood serum or plasma, breath, oral fluid, or urine for the purpose of determining the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, oral fluid, or urine. A law enforcement officer who makes a request pursuant to this division that a person submit to a chemical test or tests is not required to advise the person of the consequences of refusing to submit to the test or tests and is not required to give the person the form described in division (C) of this section, but the officer shall advise the person at the time of the arrest that if the person refuses to take a chemical test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. The advice shall be in written form prescribed by the chief of the division of parks and watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. Divisions (A)(1)(b) and (A)(2) of this section apply to the administration of a chemical test or tests pursuant to this division.

(2) If a person refuses to submit to a chemical test upon a request made pursuant to division (B)(1) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or

plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(C) Except as provided in division (B) of this section, any person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance shall be advised of the consequences of refusing to submit to a chemical test or tests designated as provided in division (A) of this section. The advice shall be in a written form prescribed by the chief of the division of parks and watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation, and if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(D) Except as provided in division (B) of this section, if a law enforcement officer asks a person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance to submit to a chemical test or tests as provided in division (A) of this section, if the arresting officer advises the person of the consequences of the person's refusal as provided in division (C) of this section, and if the person refuses to submit, no chemical test shall be given. Upon receipt of a sworn statement of the officer that the arresting law enforcement officer had reasonable grounds to believe the arrested person violated section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and that the person refused to submit to the chemical test upon the request of the officer, and upon receipt of the form as provided in division (C) of this section certifying that the arrested person was advised of the consequences of the refusal, the chief of the division of parks and watercraft shall inform the person by written notice that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering any watercraft in accordance with section 1547.54 of the Revised Code, for one year following the date of the alleged violation. The suspension of these operation, physical control, manipulation, and registration privileges shall continue for the entire one-year period, subject to review as provided in this section.

If the person under arrest is the owner of the vessel involved in the alleged violation, the law enforcement officer who arrested the person shall seize the watercraft registration certificate and tags from the vessel involved in the violation and forward them to the chief. The chief shall retain the impounded registration certificate and tags and shall impound all other registration certificates and tags issued to the person in accordance with sections 1547.54 and 1547.57 of the Revised Code, for a period of one year following the date of the alleged violation, subject to review as provided in this section.

If the arrested person fails to surrender the registration certificate because it is not on the

person of the arrested person or in the watercraft, the law enforcement officer who made the arrest shall order the person to surrender it within twenty-four hours to the law enforcement officer or the law enforcement agency that employs the law enforcement officer. If the person fails to do so, the law enforcement officer shall notify the chief of that fact in the statement the officer submits to the chief under this division.

(E) Upon suspending a person's operation, physical control, manipulation, and registration privileges in accordance with division (D) of this section, the chief shall notify the person in writing, at the person's last known address, and inform the person that the person may petition for a hearing in accordance with division (F) of this section. If a person whose operation, physical control, manipulation, and registration privileges have been suspended petitions for a hearing or appeals any adverse decision, the suspension shall begin at the termination of any hearing or appeal unless the hearing or appeal results in a decision favorable to the person.

(F) Any person who has been notified by the chief that the person is prohibited from operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device and from registering any watercraft in accordance with section 1547.54 of the Revised Code, or who has had the registration certificate and tags of the person's watercraft impounded pursuant to division (D) of this section, within twenty days of the notification or impoundment, may file a petition in the municipal court or the county court, or if the person is a minor in juvenile court, with jurisdiction over the place at which the arrest occurred, agreeing to pay the cost of the proceedings and alleging error in the action taken by the chief under division (D) of this section or alleging one or more of the matters within the scope of the hearing as provided in this section, or both. The petitioner shall notify the chief of the filing of the petition and send the chief a copy of the petition.

The scope of the hearing is limited to the issues of whether the law enforcement officer had reasonable grounds to believe the petitioner was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance, whether the petitioner was placed under arrest, whether the petitioner refused to submit to the chemical test upon request of the officer, and whether the petitioner was advised of the consequences of the petitioner's refusal.

(G)(1) The chief shall furnish the court a copy of the affidavit as provided in division (C) of this section and any other relevant information requested by the court.

(2) In hearing the matter and in determining whether the person has shown error in the decision taken by the chief as provided in division (D) of this section, the court shall decide the issue upon the relevant, competent, and material evidence submitted by the chief or the person whose operation, physical control, manipulation, and registration privileges have been suspended.

In the proceedings, the chief shall be represented by the prosecuting attorney of the county in which the petition is filed if the petition is filed in a county court or juvenile court, except that if the arrest occurred within a city or village within the jurisdiction of the county court in which the

petition is filed, the city director of law or village solicitor of that city or village shall represent the chief. If the petition is filed in the municipal court, the chief shall be represented as provided in section 1901.34 of the Revised Code.

(3) If the court finds from the evidence submitted that the person has failed to show error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the court shall assess the cost of the proceeding against the person and shall uphold the suspension of the operation, physical control, use, and registration privileges provided in division (D) of this section. If the court finds that the person has shown error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the cost of the proceedings shall be paid out of the county treasury of the county in which the proceedings were held, the chief shall reinstate the operation, physical control, manipulation, and registration privileges of the person without charge, and the chief shall return the registration certificate and tags, if impounded, without charge.

(4) The court shall give information in writing of any action taken under this section to the chief.

(H) At the end of any period of suspension or impoundment imposed under this section, and upon request of the person whose operation, physical control, use, and registration privileges were suspended or whose registration certificate and tags were impounded, the chief shall reinstate the person's operation, physical control, manipulation, and registration privileges by written notice and return the certificate and tags.

(I) No person who has received written notice from the chief that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering a watercraft, or who has had the registration certificate and tags of the person's watercraft impounded, in accordance with division (D) of this section, shall operate or be in physical control of a vessel or manipulate any water skis, aquaplane, or similar device for a period of one year following the date of the person's alleged violation of section 1547.11 of the Revised Code or the substantially equivalent municipal ordinance.

Sec. 2317.02. The following persons shall not testify in certain respects:

(A)(1) An attorney, concerning a communication made to the attorney by a client in that relation or concerning the attorney's advice to a client, except that the attorney may testify by express consent of the client or, if the client is deceased, by the express consent of the surviving spouse or the executor or administrator of the estate of the deceased client. A court shall not impose more than one prison term on an offender under division (B)(1)(d) of this section for felonies committed as part of the same act or transaction. If a court imposes an additional prison term under division (B)(1)(a) or (c) of this section, the court is not precluded from imposing an additional prison term under division (B)(1)(d) of this section.

(e) The court shall not impose any of the prison terms described in division (B)(1)(a) of this section or any of the additional prison terms described in division (B)(1)(c) of this section upon an offender for a violation of section 2923.12 or 2923.123 of the Revised Code. The court shall not impose any of the prison terms described in division (B)(1)(a) or (b) of this section upon an offender for a violation of section 2923.122 that involves a deadly weapon that is a firearm other than a dangerous ordnance, section 2923.16, or section 2923.121 of the Revised Code. The court shall not impose any of the prison terms described in division (B)(1)(a) of this section or any of the additional prison terms described in division (B)(1)(c) of this section upon an offender for a violation of section

2923.13 of the Revised Code unless all of the following apply:

(i) The offender previously has been convicted of aggravated murder, murder, or any felony of the first or second degree.

(ii) Less than five years have passed since the offender was released from prison or post-release control, whichever is later, for the prior offense.

(f)(i) If an offender is convicted of or pleads guilty to a felony that includes, as an essential element, causing or attempting to cause the death of or physical harm to another and also is convicted of or pleads guilty to a specification of the type described in division (A) of section 2941.1412 of the Revised Code that charges the offender with committing the offense by discharging a firearm at a peace officer as defined in section 2935.01 of the Revised Code or a corrections officer, as defined in section 2941.1412 of the Revised Code, the court, after imposing a prison term on the offender for the felony offense under division (A), (B)(2), or (B)(3) of this section, shall impose an additional prison term of seven years upon the offender that shall not be reduced pursuant to section 2929.20, division (A)(2) or (3) of section 2967.193 or 2967.194, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code.

(ii) If an offender is convicted of or pleads guilty to a felony that includes, as an essential element, causing or attempting to cause the death of or physical harm to another and also is convicted of or pleads guilty to a specification of the type described in division (B) of section 2941.1412 of the Revised Code that charges the offender with committing the offense by discharging a firearm at a peace officer, as defined in section 2935.01 of the Revised Code, or a corrections officer, as defined in section 2941.1412 of the Revised Code, and that the offender previously has been convicted of or pleaded guilty to a specification of the type described in section 2941.141, 2941.144, 2941.145, 2941.146, or 2941.1412 of the Revised Code, the court, after imposing a prison term on the offender for the felony offense under division (A), (B)(2), or (3) of this section, shall impose an additional prison term of one hundred twenty-six months upon the offender that shall not be reduced pursuant to section 2929.20, division (A)(2) or (3) of section 2967.193 or 2967.194, or any other provision of Chapter 2967. or 5120. of the Revised Code.

(iii) If an offender is convicted of or pleads guilty to two or more felonies that include, as an essential element, causing or attempting to cause the death or physical harm to another and also is convicted of or pleads guilty to a specification of the type described under division (B)(1)(f) of this section in connection with two or more of the felonies of which the offender is convicted or to which the offender pleads guilty, the sentencing court shall impose on the offender the prison term specified under division (B)(1)(f) of this section for each of two of the specifications of which the offender is convicted or to which the offender pleads guilty and, in its discretion, also may impose on the offender the prison term specified under that division for any or all of the remaining specifications. If a court imposes an additional prison term on an offender under division (B)(1)(f) of this section relative to an offense, the court shall not impose a prison term under division (B)(1)(a) or (c) of this section relative to the same offense.

(g) If an offender is convicted of or pleads guilty to two or more felonies, if one or more of those felonies are aggravated murder, murder, attempted aggravated murder, attempted murder, aggravated robbery, felonious assault, or rape, and if the offender is convicted of or pleads guilty to a specification of the type described under division (B)(1)(a) of this section in connection with two or more of the felonies, the sentencing court shall impose on the offender the prison term specified under division (B)(1)(a) of this section for each of the two most serious specifications of which the offender is convicted or to which the offender pleads guilty and, in its discretion, also may impose on the offender the prison term specified under that division for any or all of the remaining specifications.

(2)(a) If division (B)(2)(b) of this section does not apply, the court may impose on an offender, in addition to the longest prison term authorized or required for the offense or, for offenses for which division (A)(1)(a) or (2)(a) of this section applies, in addition to the longest minimum prison term authorized or required for the offense, an additional definite prison term of one, two, three, four, five, six, seven, eight, nine, or ten years if all of the following criteria are met:

(i) The offender is convicted of or pleads guilty to a specification of the type described in section 2941.149 of the Revised Code that the offender is a repeat violent offender.

(ii) The offense of which the offender currently is convicted or to which the offender currently pleads guilty is aggravated murder and the court does not impose a sentence of death or life imprisonment without parole, murder, terrorism and the court does not impose a sentence of life imprisonment without parole, any felony of the first degree that is an offense of violence and the court does not impose a sentence of life imprisonment without parole, or any felony of the second degree that is an offense of violence and the trier of fact finds that the offense involved an attempt to cause or a threat to cause serious physical harm to a person or resulted in serious physical harm to a person.

(iii) The court imposes the longest prison term for the offense or the longest minimum prison term for the offense, whichever is applicable, that is not life imprisonment without parole.

(iv) The court finds that the prison terms imposed pursuant to division (B)(2)(a)(iii) of this section and, if applicable, division (B)(1) or (3) of this section are inadequate to punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a greater likelihood of recidivism outweigh the applicable factors under that section indicating a lesser likelihood of recidivism.

(v) The court finds that the prison terms imposed pursuant to division (B)(2)(a)(iii) of this section and, if applicable, division (B)(1) or (3) of this section are demeaning to the seriousness of the offense, because one or more of the factors under section 2929.12 of the Revised Code indicating that the offender's conduct is more serious than conduct normally constituting the offense are present, and they outweigh the applicable factors under that section indicating that the offender's conduct is less serious than conduct normally constituting the offense.

(b) The court shall impose on an offender the longest prison term authorized or required for

the offense or, for offenses for which division (A)(1)(a) or (2)(a) of this section applies, the longest minimum prison term authorized or required for the offense, and shall impose on the offender an additional definite prison term of one, two, three, four, five, six, seven, eight, nine, or ten years if all of the following criteria are met:

(i) The offender is convicted of or pleads guilty to a specification of the type described in section 2941.149 of the Revised Code that the offender is a repeat violent offender.

(ii) The offender within the preceding twenty years has been convicted of or pleaded guilty to three or more offenses described in division (CC)(1) of section 2929.01 of the Revised Code, including all offenses described in that division of which the offender is convicted or to which the offender pleads guilty in the current prosecution and all offenses described in that division of which the offender previously has been convicted or to which the offender previously pleaded guilty, whether prosecuted together or separately.

(iii) The offense or offenses of which the offender currently is convicted or to which the offender currently pleads guilty is aggravated murder and the court does not impose a sentence of death or life imprisonment without parole, murder, terrorism and the court does not impose a sentence of life imprisonment without parole, any felony of the first degree that is an offense of violence and the court does not impose a sentence of life imprisonment without parole, or any felony of the second degree that is an offense of violence and the trier of fact finds that the offense involved an attempt to cause or a threat to cause serious physical harm to a person or resulted in serious physical harm to a person.

(c) For purposes of division (B)(2)(b) of this section, two or more offenses committed at the same time or as part of the same act or event shall be considered one offense, and that one offense shall be the offense with the greatest penalty.

(d) A sentence imposed under division (B)(2)(a) or (b) of this section shall not be reduced pursuant to section 2929.20, division (A)(2) or (3) of section 2967.193 or 2967.194, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code. The offender shall serve an additional prison term imposed under division (B)(2)(a) or (b) of this section consecutively to and prior to the prison term imposed for the underlying offense.

(e) When imposing a sentence pursuant to division (B)(2)(a) or (b) of this section, the court shall state its findings explaining the imposed sentence.

(3) Except when an offender commits a violation of section 2903.01 or 2907.02 of the Revised Code and the penalty imposed for the violation is life imprisonment or commits a violation of section 2903.02 of the Revised Code, if the offender commits a violation of section 2925.03 or 2925.11 of the Revised Code and that section classifies the offender as a major drug offender, if the offender commits a violation of section 2925.05 of the Revised Code and division (E)(1) of that section classifies the offender as a major drug offender, if the offender commits a felony violation of section 2925.02, 2925.04, 2925.05, 2925.36, 3719.07, 3719.08, 3719.16, 3719.161, 4729.37, or 4729.61, division (C) or (D) of section 3719.172, division (E) of section 4729.51, or division (J) of

section 4729.54 of the Revised Code that includes the sale, offer to sell, or possession of a schedule I or II controlled substance, with the exception of marihuana, and the court imposing sentence upon the offender finds that the offender is guilty of a specification of the type described in division (A) of section 2941.1410 of the Revised Code charging that the offender is a major drug offender, if the court imposing sentence upon an offender for a felony finds that the offender is guilty of corrupt activity with the most serious offense in the pattern of corrupt activity being a felony of the first degree, or if the offender is guilty of an attempted violation of section 2907.02 of the Revised Code and, had the offender completed the violation of section 2907.02 of the Revised Code that was attempted, the offender would have been subject to a sentence of life imprisonment or life imprisonment without parole for the violation of section 2907.02 of the Revised Code, the court shall impose upon the offender for the felony violation a mandatory prison term determined as described in this division that cannot be reduced pursuant to section 2929.20, division (A)(2) or (3) of section 2967.193 or 2967.194, or any other provision of Chapter 2967. or 5120. of the Revised Code. The mandatory prison term shall be the maximum definite prison term prescribed in division (A)(1)(b) of this section for a felony of the first degree, except that for offenses for which division (A)(1)(a) of this section applies, the mandatory prison term shall be the longest minimum prison term prescribed in that division for the offense.

(4) If the offender is being sentenced for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, the sentencing court shall impose upon the offender a mandatory prison term in accordance with that division. In addition to the mandatory prison term, if the offender is being sentenced for a fourth degree felony OVI offense, the court, notwithstanding division (A)(4) of this section, may sentence the offender to a definite prison term of not less than six months and not more than thirty months, and if the offender is being sentenced for a third degree felony OVI offense, the sentencing court may sentence the offender to an additional prison term of any duration specified in division (A)(3) of this section. In either case, the additional prison term imposed shall be reduced by the sixty or one hundred twenty days imposed upon the offender as the mandatory prison term. The total of the additional prison term imposed under division (B)(4) of this section plus the sixty or one hundred twenty days imposed as the mandatory prison term shall equal a definite term in the range of six months to thirty months for a fourth degree felony OVI offense and shall equal one of the authorized prison terms specified in division (A)(3) of this section for a third degree felony OVI offense. If the court imposes an additional prison term under division (B)(4) of this section, the offender shall serve the additional prison term after the offender has served the mandatory prison term required for the offense. In addition to the mandatory prison term or mandatory and additional prison term imposed as described in division (B)(4) of this section, the court also may sentence the offender to a community control sanction under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

If the offender is being sentenced for a fourth degree felony OVI offense under division (G)

(1) of section 2929.13 of the Revised Code and the court imposes a mandatory term of local incarceration, the court may impose a prison term as described in division (A)(1) of that section.

(5) If an offender is convicted of or pleads guilty to a violation of division (A)(1) or (2) of section 2903.06 of the Revised Code and also is convicted of or pleads guilty to a specification of the type described in section 2941.1414 of the Revised Code that charges that the victim of the offense is a peace officer, as defined in section 2935.01 of the Revised Code, an investigator of the bureau of criminal identification and investigation, as defined in section 2903.11 of the Revised Code, or a firefighter or emergency medical worker, both as defined in section 2941.1414 of the Revised Code, the court shall impose on the offender a prison term of five years. (4) If multiple prison terms are imposed on an offender for convictions of multiple offenses, the court may require the offender to serve the prison terms consecutively if the court finds that the consecutive service is necessary to protect the public from future crime or to punish the offender and that consecutive sentences are not disproportionate to the seriousness of the offender's conduct and to the danger the offender poses to the public, and if the court also finds any of the following:

(a) The offender committed one or more of the multiple offenses while the offender was awaiting trial or sentencing, was under a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, or was under post-release control for a prior offense.

(b) At least two of the multiple offenses were committed as part of one or more courses of conduct, and the harm caused by two or more of the multiple offenses so committed was so great or unusual that no single prison term for any of the offenses committed as part of any of the courses of conduct adequately reflects the seriousness of the offender's conduct.

(5) If a mandatory prison term is imposed upon an offender pursuant to division (B)(5) or (6) of this section, the offender shall serve the mandatory prison term consecutively to and prior to any prison term imposed for the underlying violation of division (A)(1) or (2) of section 2903.06 of the Revised Code pursuant to division (A) of this section or section 2929.142 of the Revised Code. (7) If a mandatory prison term is imposed on an offender pursuant to division (B)(10) of this section, the offender shall serve that mandatory prison term consecutively to and prior to any prison term imposed for the underlying felonious assault. Except as otherwise provided in division (C) of this section, any other prison term or mandatory prison term previously or subsequently imposed upon the offender may be served concurrently with, or consecutively to, the prison term imposed pursuant to division (B)(10) of this section.

(8) Any prison term imposed for a violation of section 2903.04 of the Revised Code that is based on a violation of section 2925.03 or 2925.11 of the Revised Code or on a violation of section 2925.05 of the Revised Code that is not funding of marihuana trafficking shall run consecutively to any prison term imposed for the violation of section 2925.03 or 2925.11 of the Revised Code or for the violation of section 2925.05 of the Revised Code that is not funding of marihuana trafficking.

(9) When consecutive prison terms are imposed pursuant to division (C)(1), (2), (3), (4), (5), (6), (7), or (8) or division (H)(1) or (2) of this section, subject to division (C)(10) of this section, the term to be served is the aggregate of all of the terms so imposed.

(10) When a court sentences an offender to a non-life felony indefinite prison term, any definite prison term or mandatory definite prison term previously or subsequently imposed on the offender in addition to that indefinite sentence that is required to be served consecutively to that indefinite sentence shall be served prior to the indefinite sentence.

(11) If a court is sentencing an offender for a felony of the first or second degree, if division (A)(1)(a) or (2)(a) of this section applies with respect to the sentencing for the offense, and if the court is required under the Revised Code section that sets forth the offense or any other Revised Code provision to impose a mandatory prison term for the offense, the court shall impose the required mandatory prison term as the minimum term imposed under division (A)(1)(a) or (2)(a) of this section, whichever is applicable.

If a court imposes a sentence including a prison term of a type described in this division on or after July 11, 2006, the failure of a court to include a post-release control requirement in the sentence pursuant to this division does not negate, limit, or otherwise affect the mandatory period of post-release control that is required for the offender under division (B) of section 2967.28 of the Revised Code. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to include in the sentence pursuant to this division a statement regarding post-release control.

(2) If a court imposes a prison term for a felony of the third, fourth, or fifth degree that is not subject to division (D)(1) of this section, it shall include in the sentence a requirement that the offender be subject to a period of post-release control after the offender's release from imprisonment, in accordance with that division, if the parole board determines that a period of post-release control is necessary. Section 2929.191 of the Revised Code applies if, prior to July 11, 2006, a court imposed a sentence including a prison term of a type described in this division and failed to include in the sentence pursuant to this division a statement regarding post-release control.

(3) A person is convicted of or pleads guilty to attempted rape committed on or after January 2, 2007, and a specification of the type described in section 2941.1418, 2941.1419, or 2941.1420 of the Revised Code.

(4) A person is convicted of or pleads guilty to a violation of section 2905.01 of the Revised Code committed on or after January 1, 2008, and that section requires the court to sentence the offender pursuant to section 2971.03 of the Revised Code.

(6) A person is convicted of or pleads guilty to murder committed on or after January 1, 2008, and division (B)(2) of section 2929.02 of the Revised Code requires the court to sentence the offender pursuant to section 2971.03 of the Revised Code.

(F) If a person who has been convicted of or pleaded guilty to a felony is sentenced to a prison term or term of imprisonment under this section, sections 2929.02 to 2929.06 of the Revised Code, section 2929.142 of the Revised Code, section 2971.03 of the Revised Code, or any other provision of law, section 5120.163 of the Revised Code applies regarding the person while the person is confined in a state correctional institution.

(H)(1) If an offender who is convicted of or pleads guilty to aggravated murder, murder, or a felony of the first, second, or third degree that is an offense of violence also is convicted of or pleads guilty to a specification of the type described in section 2941.143 of the Revised Code that charges

the offender with having committed the offense in a school safety zone or towards a person in a school safety zone, the court shall impose upon the offender an additional prison term of two years. The offender shall serve the additional two years consecutively to and prior to the prison term imposed for the underlying offense.

(2)(a) If an offender is convicted of or pleads guilty to a felony violation of section 2907.22, 2907.24, 2907.241, or 2907.25 of the Revised Code and to a specification of the type described in section 2941.1421 of the Revised Code and if the court imposes a prison term on the offender for the felony violation, the court may impose upon the offender an additional prison term as follows:

(i) Subject to division (H)(2)(a)(ii) of this section, an additional prison term of one, two, three, four, five, or six months;

(ii) If the offender previously has been convicted of or pleaded guilty to one or more felony or misdemeanor violations of section 2907.22, 2907.23, 2907.24, 2907.241, or 2907.25 of the Revised Code and also was convicted of or pleaded guilty to a specification of the type described in section 2941.1421 of the Revised Code regarding one or more of those violations, an additional prison term of one, two, three, four, five, six, seven, eight, nine, ten, eleven, or twelve months.

(b) In lieu of imposing an additional prison term under division (H)(2)(a) of this section, the court may directly impose on the offender a sanction that requires the offender to wear a real-time processing, continual tracking electronic monitoring device during the period of time specified by the court. The period of time specified by the court shall equal the duration of an additional prison term that the court could have imposed upon the offender under division (H)(2)(a) of this section. A sanction imposed under this division shall commence on the date specified by the court, provided that the sanction shall not commence until after the offender has served the prison term imposed for the felony violation of section 2907.22, 2907.24, 2907.241, or 2907.25 of the Revised Code and any residential sanction imposed for the violation under section 2929.16 of the Revised Code. The offender shall pay all costs associated with a sanction imposed under this division, including the cost of the use of the monitoring device.

(I) At the time of sentencing, the court may recommend the offender for placement in a program of shock incarceration under section 5120.031 of the Revised Code or for placement in an intensive program prison under section 5120.032 of the Revised Code, disapprove placement of the offender in a program of shock incarceration or an intensive program prison of that nature, or make no recommendation on placement of the offender. In no case shall the department of rehabilitation and correction place the offender in a program or prison of that nature unless the department determines as specified in section 5120.031 or 5120.032 of the Revised Code, whichever is applicable, that the offender is eligible for the placement.

If the court disapproves placement of the offender in a program or prison of that nature, the department of rehabilitation and correction shall not place the offender in any program of shock incarceration or intensive program prison.

If the court recommends placement of the offender in a program of shock incarceration or in an intensive program prison, and if the offender is subsequently placed in the recommended program or prison, the department shall notify the court of the placement and shall include with the notice a brief description of the placement.

If the court recommends placement of the offender in a program of shock incarceration or in an intensive program prison and the department does not subsequently place the offender in the recommended program or prison, the department shall send a notice to the court indicating why the offender was not placed in the recommended program or prison.

If the court does not make a recommendation under this division with respect to an offender and if the department determines as specified in section 5120.031 or 5120.032 of the Revised Code, whichever is applicable, that the offender is eligible for placement in a program or prison of that nature, the department shall screen the offender and determine if there is an available program of shock incarceration or an intensive program prison for which the offender is suited. (A) If a court orders the criminal forfeiture of a vehicle pursuant to section 4503.233, 4503.236, 4510.11, 4510.14, 4510.161, 4510.41, 4511.19, 4511.193, or 4511.203 of the Revised Code, the order shall be issued and enforced in accordance with this division, subject to division (B) of this section. An order of criminal forfeiture issued under this division shall authorize an appropriate law enforcement agency to seize the vehicle ordered criminally forfeited upon the terms and conditions that the court determines proper. No vehicle ordered criminally forfeited pursuant to this division shall be considered contraband for purposes of Chapter 2981. of the Revised Code, but the law enforcement agency that employs the officer who seized it shall hold the vehicle for disposal in accordance with this section. A forfeiture order may be issued only after the offender has been provided with an opportunity to be heard. The prosecuting attorney shall give the offender written notice of the possibility of forfeiture by sending a copy of the relevant uniform traffic ticket or other written notice to the offender not less than seven days prior to the date of issuance of the forfeiture order. A vehicle is subject to an order of criminal forfeiture pursuant to this division upon the conviction of the offender of or plea of guilty by the offender to a violation of division (A) of section 4503.236, section 4510.11, 4510.14, or 4511.203, or division (A) of section 4511.19 of the Revised Code, or a municipal ordinance that is substantially equivalent to any of those sections or divisions.

(B)(1) Prior to the issuance of an order of criminal forfeiture pursuant to this section, the law enforcement agency that employs the law enforcement officer who seized the vehicle shall conduct or cause to be conducted a search of the appropriate public records that relate to the vehicle and shall make or cause to be made reasonably diligent inquiries to identify any lienholder or any person or entity with an ownership interest in the vehicle. The court that is to issue the forfeiture order also shall cause a notice of the potential order relative to the vehicle and of the expected manner of disposition of the vehicle after its forfeiture to be sent to any lienholder or person who is known to the court to have any right, title, or interest in the vehicle. The court shall give the notice by certified mail, return receipt requested, or by personal service.

(2) No order of criminal forfeiture shall be issued pursuant to this section if a lienholder or other person with an ownership interest in the vehicle establishes to the court, by a preponderance of the evidence after filing a motion with the court, that the lienholder or other person neither knew nor should have known after a reasonable inquiry that the vehicle would be used or involved, or likely would be used or involved, in the violation resulting in the issuance of the order of criminal forfeiture or the violation of the order of immobilization issued under section 4503.233 of the Revised Code, that the lienholder or other person did not expressly or impliedly consent to the use or involvement of the vehicle in that violation, and that the lien or ownership interest was perfected pursuant to law prior to the seizure of the vehicle under section 4503.236, 4510.41, 4511.195, or 4511.203 of the Revised Code. If the court is satisfied that the interest holder has met these

criteria, the court shall preserve the interest holder's interest, and the court either shall return the vehicle to the interest holder or order that the proceeds of any sale held pursuant to division (C) of this section be paid to the holder of the interest less the costs of seizure, storage, and maintenance of the vehicle. The court shall not return a vehicle to an interest holder unless the holder submits an affidavit to the court stating that the holder will not return the vehicle to the person from whom the holder acquired the holder's interest, nor to any member of that person's family, and the holder will not otherwise knowingly permit that person or any member of that person's family to obtain possession of the vehicle.

The court shall cause notice of the sale of the vehicle to be published in a newspaper of general circulation in the county in which the court is located at least seven days prior to the date of the sale. The proceeds of a sale under this division or division (F) of this section shall be applied in the following order:

(a) First, they shall be applied to the payment of the costs incurred in connection with the seizure, storage, and maintenance of, and provision of security for, the vehicle, any proceeding arising out of the forfeiture, and if any, the sale.

(b) Second, the remaining proceeds after compliance with division (C)(2)(a) of this section, shall be applied to the payment of the value of any lien or ownership interest in the vehicle preserved under division (B) of this section.

(c) Third, the remaining proceeds, after compliance with divisions (C)(2)(a) and (b) of this section, shall be applied to the appropriate funds in accordance with divisions (B) and (C) of section 2981.13 of the Revised Code, provided that the total of the amount so deposited under this division shall not exceed one thousand dollars. The remaining proceeds deposited under this division shall be used only for the purposes authorized by those divisions and division (D) of that section.

(D) Except as provided in division (E) of section 4511.203 of the Revised Code and notwithstanding any other provision of law, neither the registrar of motor vehicles nor any deputy registrar shall accept an application for the registration of any motor vehicle in the name of any person, or register any motor vehicle in the name of any person, if both of the following apply:

(1) Any vehicle registered in the person's name was criminally forfeited under this section and section 4503.233, 4503.236, 4510.10, 4510.11, 4510.14, 4510.41, 4511.19, 4511.193, or 4511.203 of the Revised Code;

(2) Less than five years have expired since the issuance of the most recent order of criminal forfeiture issued in relation to a vehicle registered in the person's name.

(E) If a court orders the criminal forfeiture to the state of a vehicle pursuant to section 4503.233, 4503.236, 4510.10, 4510.11, 4510.14, 4510.161, 4510.41, 4511.19, 4511.193, or 4511.203 of the Revised Code, the title to the motor vehicle is assigned or transferred, and division (B)(2) or (3) of this section applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealer's association. The proceeds from any fine imposed under this division shall be distributed in accordance with division (C)(2) of this section.

(G) If the vehicle to be forfeited has an average retail value of less than two thousand dollars as determined by publications of the national auto dealer's association, no public auction is required to be held. In such a case, the court may direct that the vehicle be disposed of in any manner that it considers appropriate, including assignment of the certificate of title to the motor vehicle to a salvage dealer or a scrap metal processing facility. The court shall not transfer the vehicle to the person who is the vehicle's immediate previous owner.

If the court assigns the motor vehicle to a salvage dealer or scrap metal processing facility and the court is in possession of the certificate of title to the motor vehicle, it shall send the assigned certificate of title to the motor vehicle to the clerk of the court of common pleas of the county in which the salvage dealer or scrap metal processing facility is located. The court shall mark the face of the certificate of title with the words "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(1) Prior to the issuance of the order of immobilization, a family or household member of the offender files a motion with the court identifying the vehicle and requesting that the immobilization order not be issued on the ground that the family or household member is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(2) The court determines that the family or household member who files the motion is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(B) If a court pursuant to division (A) of this section determines not to order the immobilization of a vehicle that otherwise would be required pursuant to division (G) of section 4511.19 or division (C) of section 4511.193 of the Revised Code, the court shall issue an order that waives the immobilization that otherwise would be required pursuant to either of those divisions. The registrar may designate hearing examiners who, after affording all parties reasonable notice, shall conduct a hearing to determine whether the disqualification order is supported by reliable evidence. The registrar shall adopt rules to implement this division.

(M) Any person who is disqualified from operating a commercial motor vehicle under this section may apply to the registrar for a driver's license to operate a motor vehicle other than a commercial motor vehicle, provided the person's commercial driver's license or permit is not otherwise suspended. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the person wishes to appeal the suspension or denial, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding persons who plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(B) The registrar shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the person wishes to appeal the suspension, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

(C) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.141, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child

actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding children who are residents of this state and plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(D) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date

of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

(2) Any person whose license or permit is suspended under division (A)(1)(a), (b), or (c) of this section shall mail or deliver the person's probationary driver's license, restricted license, or temporary instruction permit to the registrar within fourteen days of notification of the suspension. The registrar shall retain the license or permit during the period of the suspension. A suspension pursuant to division (A)(1)(a) of this section shall be a class C suspension, a suspension pursuant to division (A)(1)(b) of this section shall be a class D suspension, and a suspension pursuant to division (A)(1)(c) of this section shall be a class E suspension, all for the periods of time specified in division (B) of section 4510.02 of the Revised Code. Any person whose temporary instruction permit or probationary driver's license is suspended under this division shall mail or deliver the person's permit or license to the registrar within fourteen days of notification of the suspension. In granting the limited driving privileges, the court shall specify the purposes, times, and places of the privileges and may impose any other conditions upon the person's driving a motor vehicle that the court considers reasonable and necessary.

A court that grants limited driving privileges to a person under this division shall retain the person's probationary driver's license, restricted license, or temporary instruction permit during the period the license or permit is suspended and also during the period for which limited driving privileges are granted, and shall deliver to the person a permit card, in a form to be prescribed by the court, setting forth the date on which the limited driving privileges will become effective, the purposes for which the person may drive, the times and places at which the person may drive, and any other conditions imposed upon the person's use of a motor vehicle.

The court immediately shall notify the registrar, in writing, of a grant of limited driving

privileges under this division. The notification shall specify the date on which the limited driving privileges will become effective, the purposes for which the person may drive, the times and places at which the person may drive, and any other conditions imposed upon the person's use of a motor vehicle. The registrar shall not suspend the probationary driver's license, restricted license, or temporary instruction permit of any person pursuant to division (A) of this section during any period for which the person has been granted limited driving privileges as provided in this division, if the registrar has received the notification described in this division from the court.

(b) Except as provided in division (C)(1)(c) of this section, in any case in which the temporary instruction permit or probationary driver's license of a person under eighteen years of age has been suspended under division (A) or (B) of this section or any other provision of law, the court may grant the person limited driving privileges for the purpose of the person's practicing of driving with the person's parent, guardian, or other custodian during the period of the suspension. Any grant of limited driving privileges under this division shall comply with division (D) of section 4510.021 of the Revised Code.

(c) A court shall not grant limited driving privileges to a person identified in division (C)(1)(a) or (b) of this section if the person, ~~within the preceding six years prior to the person's eighteenth birthday,~~ has been convicted of, pleaded guilty to, or adjudicated in juvenile court of having committed three or more violations of ~~one or more of the divisions or sections set forth in divisions (G)(2)(b) to (g) of an equivalent offense, as defined in section 2919.22-4511.181~~ of the Revised Code.

(2)(a) In a case in which a person is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed, prior to the person's eighteenth birthday, a second or third violation of section 4511.12, 4511.13, 4511.20 to 4511.23, 4511.25, 4511.26 to 4511.48, 4511.57 to 4511.65, or 4511.75 of the Revised Code or any similar municipal ordinances and division (A)(1)(a) or (c) of this section requires the registrar of motor vehicles to suspend the person's license or permit, the court in which the person is convicted of, pleads guilty to, or is adjudicated of having committed the second or third violation may elect to order the registrar of motor vehicles to waive the suspension if all of the following apply:

(i) Prior to the date on which the court imposes sentence upon, or makes an order of disposition for, the person for the second or third violation, the person submits to the court a petition requesting the court to order the registrar to waive the prescribed suspension and describing the reasons why the person believes the suspension, if imposed, would seriously affect the person's ability to continue in employment, educational training, vocational training, or treatment.

(ii) Prior to the date specified in division (C)(2)(a)(i) of this section, the person submits to the court satisfactory proof showing that the person successfully completed an advanced juvenile driver improvement program approved by the director of public safety under division (B) of section 4510.311 of the Revised Code after the date the person committed that second or third violation.

(iii) Prior to imposing sentence upon, or making an order of disposition for, the person for

the second or third violation, the court finds reasonable cause to believe that the suspension, if imposed, would seriously affect the person's ability to continue in employment, educational training, vocational training, or treatment.

(iv) If the court is imposing sentence upon, or making an order of disposition for, the person for a third violation, the person did not submit to the court that imposed sentence upon, or made an order of disposition for, the person for the second violation a petition of the type described in division (C)(2)(a)(i) of this section, and the court that imposed sentence upon, or made an order of disposition for, the person for that second violation did not order the registrar of motor vehicles to waive the suspension of the person's license or permit required under division (A)(1)(c) of this section for the conviction of, plea of guilty to, or adjudication in juvenile court of having committed that second violation.

(b) If a court elects pursuant to division (C)(2)(a) of this section to order the registrar of motor vehicles to waive a suspension that otherwise is required under division (A)(1)(a) or (c) of this section, the court immediately shall send a written copy of the order to the registrar. Upon receipt of the written copy of the order, the registrar shall not suspend pursuant to division (A)(1)(a) or (c) of this section the probationary driver's license, restricted license, or temporary instruction permit of the person who is the subject of the order for the second or third violation for which the suspension otherwise would be imposed under that division.

(D) If a person who has been granted limited driving privileges under division (C)(1) of this section is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed, a violation of Chapter 4510. of the Revised Code, or a subsequent violation of any of the sections of the Revised Code listed in division (A)(1)(a) of this section or any similar municipal ordinance during the period for which the person was granted limited driving privileges, the court that granted the limited driving privileges shall suspend the person's permit card. The court or the clerk of the court immediately shall forward the person's probationary driver's license, restricted license, or temporary instruction permit together with written notification of the court's action to the registrar. Upon receipt of the license or permit and notification, the registrar shall impose a class C suspension of the person's probationary driver's license, restricted license, or temporary instruction permit for the period of time specified in division (B)(3) of section 4510.02 of the Revised Code. The registrar shall retain the license or permit during the period of suspension, and no further limited driving privileges shall be granted during that period.

(E) No application for a driver's or commercial driver's license shall be received from any person whose probationary driver's license, restricted license, or temporary instruction permit has been suspended under this section until each of the following has occurred:

- (1) The suspension period has expired;
- (2) A temporary instruction permit or commercial driver's license temporary instruction permit has been issued;
- (3) The person successfully completes a juvenile driver improvement program approved by

the director of public safety under division (A) of section 4510.311 of the Revised Code;

(4) The applicant has submitted to the examination for a driver's license as provided for in section 4507.11 or a commercial driver's license as provided in Chapter 4506. of the Revised Code.

Sec. 4510.54. (A) Except as provided in division (F) of this section, a person whose driver's or commercial driver's license has been suspended for life under a class one suspension or as otherwise provided by law or has been suspended for a period in excess of fifteen years under a class two suspension may file a motion with the sentencing court for modification or termination of the suspension. The person filing the motion shall demonstrate all of the following:

(1)(a) If the person's license was suspended as a result of the person pleading guilty to or being convicted of a felony, at least fifteen years have elapsed since the suspension began or, if the person's license was suspended under division ~~(B)(2)(d)~~ ~~(B)(2)(e)~~ of section 2903.06 of the Revised Code, at least fifteen years have elapsed since the person was released from prison, and, for the past fifteen years, the person has not been found guilty of any of the following:

(i) A felony;

(ii) An offense involving a moving violation under federal law, the law of this state, or the law of any of its political subdivisions;

(iii) A violation of a suspension under this chapter or a substantially equivalent municipal ordinance.

(b) If the person's license was suspended as a result of the person pleading guilty to or being convicted of a misdemeanor, at least five years have elapsed since the suspension began, and, for the past five years, the person has not been found guilty of any of the following:

(i) An offense involving a moving violation under the law of this state, the law of any of its political subdivisions, or federal law;

(ii) A violation of section 2903.06 or 2903.08 of the Revised Code;

(iii) A violation of a suspension under this chapter or a substantially equivalent municipal ordinance.

(2) The person has proof of financial responsibility, a policy of liability insurance in effect that meets the minimum standard set forth in section 4509.51 of the Revised Code, or proof, to the satisfaction of the registrar of motor vehicles, that the person is able to respond in damages in an amount at least equal to the minimum amounts specified in that section.

(3) If the suspension was imposed because the person was under the influence of alcohol, a drug of abuse, or combination of them at the time of the offense or because at the time of the offense the person's whole blood, blood serum or plasma, breath, or urine contained at least the concentration of alcohol specified in division (A)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code or at least the concentration of a listed controlled substance or a listed metabolite of a controlled substance specified in division (A)(1)(j) of section 4511.19 of the Revised Code, all of the following apply to the person:

(a) The person successfully completed an alcohol, drug, or alcohol and drug treatment

program.

(b) The person has not abused alcohol or other drugs for a period satisfactory to the court.

(c) For the past fifteen years, the person has not been found guilty of any alcohol-related or drug-related offense.

(B) Upon receipt of a motion for modification or termination of the suspension under this section, the court may schedule a hearing on the motion. The court may deny the motion without a hearing but shall not grant the motion without a hearing. If the court denies a motion without a hearing, the court may consider a subsequent motion filed under this section by that person. If a court denies the motion after a hearing, the court shall not consider a subsequent motion for that person. The court shall hear only one motion filed by a person under this section. If scheduled, the hearing shall be conducted in open court within ninety days after the date on which the motion is filed.

(C) The court shall notify the person whose license was suspended and the prosecuting attorney of the date, time, and location of the hearing. Upon receipt of the notice from the court, the prosecuting attorney shall notify the victim or the victim's representative of the date, time, and location of the hearing.

(D) At any hearing under this section, the person who seeks modification or termination of the suspension has the burden to demonstrate, under oath, that the person meets the requirements of division (A) of this section. At the hearing, the court shall afford the offender or the offender's counsel an opportunity to present oral or written information relevant to the motion. The court shall afford a similar opportunity to provide relevant information to the prosecuting attorney and the victim or victim's representative.

Before ruling on the motion, the court shall take into account the person's driving record, the nature of the offense that led to the suspension, and the impact of the offense on any victim. In addition, if the offender is eligible for modification or termination of the suspension under division (A)(1)(a) of this section, the court shall consider whether the person committed any other offense while under suspension and determine whether the offense is relevant to a determination under this section. The court may modify or terminate the suspension subject to any considerations it considers proper if it finds that allowing the person to drive is not likely to present a danger to the public. After the court makes a ruling on a motion filed under this section, the prosecuting attorney shall notify the victim or the victim's representative of the court's ruling.

(E) If a court modifies a person's license suspension under this section and the person subsequently is found guilty of any moving violation or of any substantially equivalent municipal ordinance that carries as a possible penalty the suspension of a person's driver's or commercial driver's license, the court may reimpose the class one or other lifetime suspension, or the class two suspension, whichever is applicable.

(F) This section does not apply to any person whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended for life under a class one suspension

imposed under division (B)(3) of section 2903.06 or section 2903.08 of the Revised Code or a class two suspension imposed under division (C) of section 2903.06 or section 2903.11, 2923.02, or 2929.02 of the Revised Code.

(G) As used in this section, "released from prison" means a person's physical release from a jail or prison as defined in section 2929.01 of the Revised Code.

(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(a) of this section or for an equivalent offense that is vehicle-related, the result of any test of any blood, oral fluid, or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is vehicle-related, the court may admit evidence on the presence and concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, oral fluid, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (A) of section 4511.192 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the presence and concentration of alcohol, drugs of abuse, or a combination of them as described in this division when a person submits to a blood, breath, urine, oral fluid, or other bodily substance test at the request of a law enforcement officer under section 4511.191 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant. Only a physician, a registered nurse, an emergency medical technician-intermediate, an emergency medical technician-paramedic, or a qualified technician, chemist, or phlebotomist shall withdraw a blood sample for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath, oral fluid, or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(c) As used in division (D)(1)(b) of this section, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense that is vehicle-related, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and (e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other

competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

If the chemical test was obtained pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. If the person was under arrest as described in division (A)(5) of section 4511.191 of the Revised Code, the arresting officer shall advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. If the person was under arrest other than described in division (A)(5) of section 4511.191 of the Revised Code, the form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, oral fluid, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court

shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 4511.191 or 4511.192 of the Revised Code, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

As used in this division, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory jail term of three consecutive days. As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 5119.38 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the

program. (c) Upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device, a county, juvenile, or municipal court judge may use moneys in the county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund in either of the following manners:

(i) If the source of the moneys was an appropriation of the general assembly, a portion of a fee that was paid under division (F) of this section, a portion of a fine that was specified for deposit into the fund by section 4511.193 of the Revised Code, or a portion of a fine that was paid for a violation of section 4511.19 of the Revised Code or of a provision contained in Chapter 4510. of the Revised Code that was required to be deposited into the fund, to pay for the continued use of an alcohol monitoring device by an offender or juvenile traffic offender, in conjunction with a

treatment program approved by the department of mental health and addiction services, when such use is determined clinically necessary by the treatment program and when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring or cost of the device;

(ii) If the source of the moneys was a portion of an additional court cost imposed under section 2949.094 of the Revised Code, to pay for the continued use of an alcohol monitoring device by an offender or juvenile traffic offender when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring or cost of the device. The moneys may be used for a device as described in this division if the use of the device is in conjunction with a treatment program approved by the department of mental health and addiction services, when the use of the device is determined clinically necessary by the treatment program, but the use of a device is not required to be in conjunction with a treatment program approved by the department in order for the moneys to be used for the device as described in this division.

(4) If a county, juvenile, or municipal court determines, in consultation with the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health district in which the court is located, that the funds in the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of the court are more than sufficient to satisfy the purpose for which the fund was established, as specified in divisions (H)(1) to (3) of this section, the court may declare a surplus in the fund. If the court declares a surplus in the fund, the court may take one or more of the following actions with regard to the amount of the surplus in the fund:

(a) Expend any of the surplus amount for alcohol and drug abuse assessment and treatment, and for the cost of transportation related to assessment and treatment, of persons who are charged in the court with committing a criminal offense or with being a delinquent child or juvenile traffic offender and in relation to whom both of the following apply:

(i) The court determines that substance abuse was a contributing factor leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) Expend any of the surplus amount to pay all or part of the cost of purchasing alcohol monitoring devices to be used in conjunction with division (H)(3)(c) of this section, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device.

(c) Transfer to another court in the same county any of the surplus amount to be utilized in a manner consistent with division (H)(3) of this section. If surplus funds are transferred to another court, the court that transfers the funds shall notify the alcohol and drug addiction services board or

the board of alcohol, drug addiction, and mental health services that serves the alcohol, drug addiction, and mental health service district in which that court is located.

(d) Transfer to the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services that serves the alcohol, drug addiction, and mental health service district in which the court is located any of the surplus amount to be utilized in a manner consistent with division (H)(3) of this section or for board contracted recovery support services.

(e) Expend any of the surplus amount for the cost of staffing, equipment, training, drug testing, supplies, and other expenses of any specialized docket program established within the court and certified by the supreme court.

(5) In order to determine if an offender does not have the means to pay for the offender's attendance at an alcohol and drug addiction treatment program for purposes of division (H)(3) of this section or if an alleged offender or delinquent child is unable to pay the costs specified in division (H)(4) of this section, the court shall use the indigent client eligibility guidelines and the standards of indigency established by the state public defender to make the determination.

(6) The court shall identify and refer any community addiction services provider that intends to provide alcohol and drug addiction services and has not had its alcohol and drug addiction services certified under section 5119.36 of the Revised Code and that is interested in receiving amounts from the surplus in the fund declared under division (H)(4) of this section to the department of mental health and addiction services in order for the community addiction services provider to have its alcohol and drug addiction services certified by the department. The department shall keep a record of applicant referrals received pursuant to this division and shall submit a report on the referrals each year to the general assembly. If a community addiction services provider interested in having its alcohol and drug addiction services certified makes an application pursuant to section 5119.36 of the Revised Code, the community addiction services provider is eligible to receive surplus funds as long as the application is pending with the department. The department of mental health and addiction services must offer technical assistance to the applicant. If the interested community addiction services provider withdraws the certification application, the department must notify the court, and the court shall not provide the interested community addiction services provider with any further surplus funds.

(7)(a) Each alcohol and drug addiction services board and board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code shall submit to the department of mental health and addiction services an annual report for each indigent drivers alcohol treatment fund in that board's area.

(b) The report, which shall be submitted not later than sixty days after the end of the state fiscal year, shall provide the total payment that was made from the fund, including the number of indigent consumers that received treatment services and the number of indigent consumers that received an alcohol monitoring device. The report shall identify the treatment program and expenditure for an alcohol monitoring device for which that payment was made. The report shall

include the fiscal year balance of each indigent drivers alcohol treatment fund located in that board's area. In the event that a surplus is declared in the fund pursuant to division (H)(4) of this section, the report also shall provide the total payment that was made from the surplus moneys and identify the authorized purpose for which that payment was made.

(c) If a board is unable to obtain adequate information to develop the report to submit to the department for a particular indigent drivers alcohol treatment fund, the board shall submit a report detailing the effort made in obtaining the information.

(I)(1) The indigent drivers interlock and alcohol monitoring fund is established in the state treasury. Money in the fund shall be distributed by the department of public safety to the county indigent drivers interlock and alcohol monitoring funds, the county juvenile indigent drivers interlock and alcohol monitoring funds, and the municipal indigent drivers interlock and alcohol monitoring funds that are required to be established by counties and municipal corporations pursuant to this section, and shall be used only to pay the cost of an immobilizing or disabling device, including a certified ignition interlock device, or an alcohol monitoring device used by an offender or juvenile offender who is ordered to use the device by a county, juvenile, or municipal court judge and who is determined by the county, juvenile, or municipal court judge not to have the means to pay for the person's use of the device.

(2) Each county shall establish an indigent drivers interlock and alcohol monitoring fund and a juvenile indigent drivers interlock and alcohol treatment fund. Each municipal corporation in which there is a municipal court shall establish an indigent drivers interlock and alcohol monitoring fund. All revenue that the general assembly appropriates to the indigent drivers interlock and alcohol monitoring fund for transfer to a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund, ~~all portions of license reinstatement fees that are paid under division (F)(2) of this section and that are credited under that division to the indigent drivers interlock and alcohol monitoring fund in the state treasury,~~ and all portions of fines that are paid under division (G) of section 4511.19 of the Revised Code and that are credited by division (G)(5) (e) of that section to the indigent drivers interlock and alcohol monitoring fund in the state treasury shall be deposited in the appropriate fund in accordance with ~~division (F)(2)~~(I)(3) of this section.

~~(2)(3) That portion of the license reinstatement fee that is paid under division (F) of this section and that portion of the fine paid under division (G) of section 4511.19 of the Revised Code and that is credited under either division to the indigent drivers interlock and alcohol monitoring fund shall be deposited into a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund as follows:~~

(a) If the ~~fee or fine~~ is paid by a person who was charged in a county court with the violation that resulted in the ~~suspension or fine~~, the portion shall be deposited into the county indigent drivers interlock and alcohol monitoring fund under the control of that court.

(b) If the ~~fee or fine~~ is paid by a person who was charged in a juvenile court with the violation that resulted in the ~~suspension or fine~~, the portion shall be deposited into the county juvenile indigent drivers interlock and alcohol monitoring fund established in the county served by the court.

(c) If the ~~fee or fine~~ is paid by a person who was charged in a municipal court with the violation that resulted in the ~~suspension~~fine, the portion shall be deposited into the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court.

~~(3)~~(4) If a county, juvenile, or municipal court determines that the funds in the county indigent drivers interlock and alcohol monitoring fund, the county juvenile indigent drivers interlock and alcohol monitoring fund, or the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court are more than sufficient to satisfy the purpose for which the fund was established as specified in division ~~(F)(2)(h)-(I)~~ of this section, the court may declare a surplus in the fund. The court then may order the transfer of a specified amount into the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of that court to be utilized in accordance with division (H) of this section.

Sec. 4511.192. (A) Except as provided in division (A)(5) of section 4511.191 of the Revised Code, the arresting law enforcement officer shall give advice in accordance with this section to any person under arrest for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance. The officer shall give that advice in a written form that contains the information described in division (B) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer's reading of the form, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation and, if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(B) Except as provided in division (A)(5) of section 4511.191 of the Revised Code, if a person is under arrest as described in division (A) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, oral fluid, or urine, the arresting officer shall read the following form to the person:

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested - operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a vehicle

after underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior conviction of OVI or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test taken at your own expense."

(C) If the arresting law enforcement officer does not ask a person under arrest as described in division (A) of this section or division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under section 4511.191 of the Revised Code, the arresting officer shall seize the Ohio or out-of-state driver's or commercial driver's license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the arrest, and, upon the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person's initial appearance and any action taken under section 4511.196 of the Revised Code.

(D)(1) If a law enforcement officer asks a person under arrest as described in division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under that section and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, or if a law enforcement officer asks a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, the officer advises the person in accordance with this section of the consequences of the person's refusal or submission, and either the person refuses to submit to the test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance

in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the registrar of motor vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person's Ohio driver's or commercial driver's license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person's initial appearance on the charge, which will be held within five days after the date of the person's arrest or the issuance of a citation to the person, and that the person may appeal the suspension at the initial appearance or during the period of time ending thirty days after that initial appearance;

(b) Seize the driver's or commercial driver's license or permit of the person and immediately forward it to the registrar. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the person is given notice of the suspension, and, upon the surrender, the officer's employing agency immediately shall forward the license or permit to the registrar.

(c) Verify the person's current residence and, if it differs from that on the person's driver's or commercial driver's license or permit, notify the registrar of the change;

(d) Send to the registrar, within forty-eight hours after the arrest of the person, a sworn report that includes all of the following statements:

(i) That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a stationary vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance;

(ii) That the person was arrested and charged with a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

(iii) Unless division (D)(1)(d)(v) of this section applies, that the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (B) of this section;

(iv) Unless division (D)(1)(d)(v) of this section applies, that either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense;

(v) If the person was under arrest as described in division (A)(5) of section 4511.191 of the

Revised Code and the chemical test or tests were performed in accordance with that division, that the person was under arrest as described in that division, that the chemical test or tests were performed in accordance with that division, and that test results indicated a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

(2) Division (D)(1) of this section does not apply to a person who is arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and who submits to the test or tests, regardless of the amount of alcohol, a controlled substance, or a metabolite of a controlled substance that the test results indicate is present in the person's whole blood, blood serum or plasma, breath, oral fluid, or urine.

(E) The arresting officer shall give the officer's sworn report that is completed under this section to the arrested person at the time of the arrest, or the registrar of motor vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than fourteen days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than forty-eight hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(F) The sworn report of an arresting officer completed under this section is prima-facie proof of the information and statements that it contains. It shall be admitted and considered as prima-facie proof of the information and statements that it contains in any appeal under section 4511.197 of the Revised Code relative to any suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege that results from the arrest covered by the report.

Sec. 4513.263. (A) As used in this section and in section 4513.99 of the Revised Code:

(1) "Automobile" means any commercial tractor, passenger car, commercial car, or truck that is required to be factory-equipped with an occupant restraining device for the operator or any passenger by regulations adopted by the United States secretary of transportation pursuant to the "National Traffic and Motor Vehicle Safety Act of 1966," 80 Stat. 719, 15 U.S.C.A. 1392.

(2) "Occupant restraining device" means a seat safety belt, shoulder belt, harness, or other safety device for restraining a person who is an operator of or passenger in an automobile and that satisfies the minimum federal vehicle safety standards established by the United States department of transportation.

(3) "Passenger" means any person in an automobile, other than its operator, who is occupying a seating position for which an occupant restraining device is provided.

(4) "Commercial tractor," "passenger car," and "commercial car" have the same meanings as in section 4501.01 of the Revised Code.

(5) "Vehicle" and "motor vehicle," as used in the definitions of the terms set forth in division (A)(4) of this section, have the same meanings as in section 4511.01 of the Revised Code.

(6) "Tort action" means a civil action for damages for injury, death, or loss to person or property. "Tort action" includes a product liability claim, as defined in section 2307.71 of the Revised Code, and an asbestos claim, as defined in section 2307.91 of the Revised Code, but does not include a civil action for damages for breach of contract or another agreement between persons.

(B) No person shall do any of the following:

(1) Operate an automobile on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device, or operate a school bus that has an occupant restraining device installed for use in its operator's seat unless that person is wearing all of the available elements of the device, as properly adjusted;

(2) Operate an automobile on any street or highway unless each passenger in the automobile who is subject to the requirement set forth in division (B)(3) of this section is wearing all of the available elements of a properly adjusted occupant restraining device;

(3) Occupy, as a passenger, a seating position on the front seat of an automobile being operated on any street or highway unless that person is wearing all of the available elements of a properly adjusted occupant restraining device;

(4) Operate a taxicab on any street or highway unless all factory-equipped occupant restraining devices in the taxicab are maintained in usable form.

(C)(1) Division (B)(3) of this section does not apply to a person who is required by section 4511.81 of the Revised Code to be secured in a child restraint device or booster seat.

(2) Division (B)(1) of this section does not apply to a person who is an employee of the United States postal service or of a newspaper home delivery service, during any period in which the person is engaged in the operation of an automobile to deliver mail or newspapers to addressees.

(3) Divisions (B)(1) and (3) of this section do not apply to a person who has an affidavit signed by a physician licensed to practice in this state under Chapter 4731. of the Revised Code or a chiropractor licensed to practice in this state under Chapter 4734. of the Revised Code that states the following:

(a) That the person has a physical impairment that makes use of an occupant restraining device impossible or impractical;

(b) Whether the physical impairment is temporary, permanent, or reasonably expected to be permanent;

(c) If the physical impairment is temporary, how long the physical impairment is expected to make the use of an occupant restraining device impossible or impractical.

(4) Divisions (B)(1) and (3) of this section do not apply to a person who has registered with the registrar of motor vehicles in accordance with division (C)(5) of this section.

(5) A person who has received an affidavit under division (C)(3) of this section stating that the person has a permanent or reasonably expected to be permanent physical impairment that makes

use of an occupant restraining device impossible or impracticable may register with the registrar attesting to that fact. Upon such registration, the registrar shall make that information available in the law enforcement automated data system. A person included in the database under division (C)(5) of this section is not required to have the affidavit obtained in accordance with division (C)(3) of this section in their possession while operating or occupying an automobile.

(6) A physician or chiropractor who issues an affidavit for the purposes of division (C)(3) or (4) of this section is immune from civil liability arising from any injury or death sustained by the person who was issued the affidavit due to the failure of the person to wear an occupant restraining device unless the physician or chiropractor, in issuing the affidavit, acted in a manner that constituted willful, wanton, or reckless misconduct.

(7) The registrar shall adopt rules in accordance with Chapter 119. of the Revised Code establishing a process for a person to be included in the database under division (C)(5) of this section. The information provided and included in the database under division (C)(5) of this section is not a public record subject to inspection or copying under section 149.43 of the Revised Code.

(D) Notwithstanding any provision of law to the contrary, no law enforcement officer shall cause an operator of an automobile being operated on any street or highway to stop the automobile for the sole purpose of determining whether a violation of division (B) of this section has been or is being committed or for the sole purpose of issuing a ticket, citation, or summons for a violation of that nature or causing the arrest of or commencing a prosecution of a person for a violation of that nature, and no law enforcement officer shall view the interior or visually inspect any automobile being operated on any street or highway for the sole purpose of determining whether a violation of that nature has been or is being committed.

(E) All fines collected for violations of division (B) of this section, or for violations of any ordinance or resolution of a political subdivision that is substantively comparable to that division, shall be forwarded to the treasurer of state for deposit into the state treasury to the credit of the trauma and emergency medical services fund, which is hereby created. In addition, the portion of the driver's license reinstatement fee described in division ~~(F)(2)(g)~~ ~~(F)(2)(f)~~ of section 4511.191 of the Revised Code, plus all fees collected under section 4765.11 of the Revised Code, plus all fines imposed under section 4765.55 of the Revised Code, plus the fees and other moneys specified in section 4766.05 of the Revised Code, and plus five per cent of fines and moneys arising from bail forfeitures as directed by section 5503.04 of the Revised Code, also shall be deposited into the trauma and emergency medical services fund. All money deposited into the trauma and emergency medical services fund shall be used by the department of public safety for the administration and operation of the division of emergency medical services and the state board of emergency medical, fire, and transportation services, and by the state board of emergency medical, fire, and transportation services to make grants, in accordance with section 4765.07 of the Revised Code and rules the board adopts under section 4765.11 of the Revised Code. The director of budget and management may transfer excess money from the trauma and emergency medical services fund to

the public safety - highway purposes fund established in section 4501.06 of the Revised Code if the director of public safety determines that the amount of money in the trauma and emergency medical services fund exceeds the amount required to cover such costs incurred by the emergency medical services agency and the grants made by the state board of emergency medical, fire, and transportation services and requests the director of budget and management to make the transfer.

(F)(1) Subject to division (F)(2) of this section, the failure of a person to wear all of the available elements of a properly adjusted occupant restraining device in violation of division (B)(1) or (3) of this section or the failure of a person to ensure that each minor who is a passenger of an automobile being operated by that person is wearing all of the available elements of a properly adjusted occupant restraining device in violation of division (B)(2) of this section shall not be considered or used by the trier of fact in a tort action as evidence of negligence or contributory negligence. But, the trier of fact may determine based on evidence admitted consistent with the Ohio Rules of Evidence that the failure contributed to the harm alleged in the tort action and may diminish a recovery of compensatory damages that represents noneconomic loss, as defined in section 2307.011 of the Revised Code, in a tort action that could have been recovered but for the plaintiff's failure to wear all of the available elements of a properly adjusted occupant restraining device. Evidence of that failure shall not be used as a basis for a criminal prosecution of the person other than a prosecution for a violation of this section; and shall not be admissible as evidence in a criminal action involving the person other than a prosecution for a violation of this section.

(2) If, at the time of an accident involving a passenger car equipped with occupant restraining devices, any occupant of the passenger car who sustained injury or death was not wearing an available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted, then, consistent with the Rules of Evidence, the fact that the occupant was not wearing the available occupant restraining device, was not wearing all of the available elements of such a device, or was not wearing such a device as properly adjusted is admissible in evidence in relation to any claim for relief in a tort action to the extent that the claim for relief satisfies all of the following:

(a) It seeks to recover damages for injury or death to the occupant.

(b) The defendant in question is the manufacturer, designer, distributor, or seller of the passenger car.

(c) The claim for relief against the defendant in question is that the injury or death sustained by the occupant was enhanced or aggravated by some design defect in the passenger car or that the passenger car was not crashworthy.

(G)(1) Whoever violates division (B)(1) of this section shall be fined thirty dollars.

(2) Whoever violates division (B)(3) of this section shall be fined twenty dollars.

(3) Except as otherwise provided in this division, whoever violates division (B)(4) of this section is guilty of a minor misdemeanor. If the offender previously has been convicted of or pleaded guilty to a violation of division (B)(4) of this section, whoever violates division (B)(4) of

this section is guilty of a misdemeanor of the third degree.
