То	amend section 3727.18; to amend, for the purpose	1
	of adopting a new section number as indicated in	2
	parentheses, section 3727.18 (3727.182); and to	3
	enact new section 3727.18 and sections 109.7411	4
	and 3727.181 of the Revised Code regarding	5
	hospital violence prevention and related	6
	training, security plans, and incident	7
	reporting.	8

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 3727.18 be amended; section	9
3727.18 (3727.182) be amended for the purpose of adopting a new	10
section number as indicated in parentheses; and new section	11
3727.18 and sections 109.7411 and 3727.181 of the Revised Code	12
be enacted to read as follows:	13
Sec. 109.7411. Not later than six months after the	14
effective date of this section, the attorney general shall	15
adopt, in accordance with Chapter 119. or pursuant to section	16

109.74 of the Revised Code, rules permitting security personnel	17
employed directly by a hospital system, or a hospital that is	18
not part of a hospital system, access to any online training	19
that meets the requirements of division (B)(4) of section	20
3727.18 of the Revised Code and is available under sections	21
109.741 to 109.7410 of the Revised Code, or otherwise provided	22
by the Ohio peace officer training academy or at approved peace	23
officer training schools other than the Ohio peace officer	24
training academy.	25
Sec. 3727.18. (A) Each hospital system, and each hospital_	26
that is not part of a hospital system, shall establish a	27
security plan for preventing workplace violence and managing	28
aggressive behaviors. In developing the plan, the hospital	29
system or hospital shall involve a team consisting of members	30
selected by the hospital system or hospital, subject to both of	31
the following:	32
(1) At least one member of the team shall be a current or	33
former patient of the hospital system or hospital or a family	34
member of such a patient.	35
(2) At least fifty per cent of the team's total membership	36
shall be comprised of health care employees who provide direct	37
patient care for the hospital system or hospital.	38
(B) All of the following apply to a security plan	39
<pre>established under this section:</pre>	40
(1) The plan shall be based on the results of a security	41
risk assessment, which, in the case of a hospital system, shall	42
be conducted for each hospital in the system. The assessment	43
shall address all high-risk areas of the hospital, including its	44
emergency department and psychiatric department, if the hospital	45

has such departments. The assessment shall be conducted in	46
consultation with the medical and nursing directors of each	47
department or other high-risk area that is assessed. The	48
assessment shall consider any trauma level designation held by	49
the hospital, overall patient volume, psychiatric and forensic	50
patient volume, past incidents of violence against staff and	51
levels of injury resulting from those incidents, rates of crime	52
in the community, and any other data points specified by the	53
team selected under division (A) of this section.	54
(2) The plan shall include an option for health care	55
employees who provide direct patient care to request a first	56
name only or first name and last initial only identification	57
badge.	58
(3) The plan shall require at least one hospital employee	59
trained in de-escalation practices to be present at all times in	60
the hospital's emergency department and psychiatric department,	61
if the hospital has such departments. The plan may require at	62
least one such trained employee to be present in other high-risk	63
areas that were identified during the hospital's risk	64
assessment. Additionally, based on the risk assessment, the plan	65
shall address whether hospital police officers, trained security	66
personnel, or off-duty law enforcement officers are required to	67
be present in the hospital's emergency department and	68
psychiatric department, if any, and in other high-risk areas	69
that were identified during the hospital's risk assessment.	70
(4) The plan shall outline training requirements for	71
security personnel regarding all of the following:	72
(a) The potential use of and response to weapons;	73
(b) Defensive tactics;	74

(c) De-escalation techniques;	75
(d) Appropriate physical restraint and seclusion	76
techniques;	77
(e) Crisis intervention;	78
(f) Trauma-informed approaches;	79
(g) Safely addressing situations involving patients,	80
family members, or other individuals who pose a risk of self-	81
<pre>harm or harm to others.</pre>	82
(5) The plan shall include guidelines outlining when law	83
enforcement officers, including hospital police officers, remain	84
with a patient who has demonstrated violence or poses a risk of	85
self-harm or harm to others. The guidelines shall be developed	86
jointly with law enforcement authorities, including hospital	87
police departments, that agree to participate after being	88
invited to participate by the hospital system or hospital.	89
(C) Each hospital system and hospital that establishes a	90
security plan pursuant to this section shall review and evaluate	91
the plan on an annual basis. In conducting the review and	92
evaluation, the hospital system or hospital shall involve the	93
team selected under division (A) of this section or a successor	94
team that meets the membership requirements described in that	95
division. If it is determined from the review and evaluation	96
that revisions to the plan are required, the hospital system or	97
hospital shall revise the plan accordingly.	98
(D) All hospital systems and hospitals shall submit to the	99
department of health, in a manner designated by the department,	100
verification of compliance with sections 3727.18 to 3727.182 of	101
the Revised Code.	102

(E) Notwithstanding any provision of the Revised Code to	103
the contrary, both of the following are confidential and not	104
public records under section 149.43 of the Revised Code:	105
(1) Security plans developed under this section and their	106
annual revisions;	107
(2) Information submitted to the department under division	108
(D) of this section.	109
(F) The director of health may adopt rules as necessary to	110
implement this section and section 3727.181 of the Revised Code.	111
Any rules shall be adopted under Chapter 119. of the Revised	112
Code.	113
Notwithstanding any provision of section 121.95 of the	114
Revised Code to the contrary, a regulatory restriction contained	115
in a rule adopted under this section is not subject to sections	116
121.95 to 121.953 of the Revised Code.	117
Sec. 3727.181. Each hospital system, and each hospital	118
that is not part of a hospital system, shall establish a	119
workplace violence incident reporting system, which shall be	120
documented, tracked, and analyzed. The results of the analysis	121
shall be used to make improvements in preventing workplace	122
violence and managing aggressive behaviors, including	123
improvements achieved through continuing education in targeted	124
areas such as de-escalation training, risk identification, and	125
prevention planning.	126
The reporting system shall be clearly communicated to	127
employees, including to all new employees during orientation,	128
and shall include guidelines for when and how to report	129
incidents to the employer, security agencies, law enforcement	130
authorities including hospital police departments local	1 2 1

emergency service organizations, or government agencies.	132
Each hospital system, and each hospital that is not part	133
of a hospital system, shall adopt a policy that prohibits any	134
person from discriminating or retaliating against any health	135
care employee for reporting to, or seeking assistance or	136
intervention from, the employer, security agencies, law	137
enforcement authorities, including hospital police departments,	138
local emergency service organizations, or government agencies,	139
or for participating in an incident investigation.	140
All hospital systems and hospitals shall use their	141
reporting systems to track the following: the number of	142
incidents reported through their respective reporting systems;	143
the number of incidents reported to law enforcement authorities,	144
including those reported to a hospital police department; and	145
the number of individuals involved in the incidents who are	146
criminally charged as a result. The data shall be shared with	147
the team involved in developing the security plan under section	148
3727.18 of the Revised Code or in conducting the annual review	149
and evaluation of the plan under that section.	150
Sec. 3727.18 3727.182. (A) Any hospital may All hospitals	151

areas of the emergency department, the labor and delivery	158
department, the surgical department or unit, and the intensive	159
care unit:	160

(2) The main entrance to the hospital;	161
(3) Any other area that the hospital determines to be	162
appropriate.	163
(B) A notice posted pursuant to division (A) of this	164
section shall include, at a minimum, all of the following	165
statements and information, either as stated in this division or	166
by using similar wording:	167
"WE WILL NOT TOLERATE	168
any form of threatening or	169
aggressive behavior	170
toward our staff.	171
Assaults against our staff mightare serious violations	172
and could result in consequences, including a felony conviction.	173
All staff have the right to carry out	174
their work without fearing for their safety."	175
Section 2. That existing section 3727.18 of the Revised	176
Code is hereby repealed.	177
Section 3. In the case of a hospital system, or a hospital	178
that is not part of a hospital system, that exists on the	179
effective date of this section, the hospital system or hospital	180
shall do all of the following not later than three months after	181
that date:	182
(A) Comply with section 3727.18 of the Revised Code by	183
establishing a security plan for preventing workplace violence	184
and managing aggressive behaviors and by submitting a copy of	185
the plan to the Department of Health;	186

Section 4. Not later than six months after the effective	191
date of this section, the Department of Higher Education,	192
jointly with the Department of Health, shall survey colleges and	193
universities that provide education and training to students	194
seeking to become health care providers, including medical	195
students, nursing students, and allied health students, to	196
determine the extent to which the education and training	197
provided to those students address the prevention of workplace	198
violence and management of aggressive behaviors. The survey	199
shall include a determination of whether de-escalation, conflict	200
management, and risk identification and assessment are part of	201
the education and training. Based on the survey, the Chancellor	202
of Higher Education, in consultation with the Ohio Council of	203
Medical School Deans and the Ohio Council of Deans and Directors	204
of Baccalaureate and Higher Degree Nursing Programs, shall make	205

recommendations and prepare a report for the General Assembly.

completion of the survey. The report shall be provided in

accordance with section 101.68 of the Revised Code.

The report shall be completed not later than three months after
