A BILL

To amend sections 3314.03 and 3326.11 and to enact
section 3313.473 of the Revised Code to enact
the "Parents' Bill of Rights" to require public
schools to adopt a policy on parental
notification on student health and well-being
and instructional materials with sexuality
content.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3314.03 and 3326.11 be amended
and section 3313.473 of the Revised Code be enacted to read as
follows:

Sec. 3313.473. (A) The general assembly maintains that a
parent has a fundamental right to make decisions concerning the
upbringing, education, and care of the parent's child.

(B) The board of education of each city, local, exempted
village, and joint vocational school district shall develop and
adopt a policy to promote parental involvement in the public
school system. The policy shall require a school district to do all of the following:

(1)(a) Ensure that any sexuality content is age-appropriate and developmentally appropriate.

(b) Prior to providing instruction that includes sexuality content, disclose to parents any instructional material that includes sexuality content. Upon request of the student's parent, a student shall be excused from instruction that includes sexuality content and be permitted to take an alternative class.

(2) Notify a student's parent of any change in the student's services, including counseling services, or monitoring related to the student's mental, emotional, or physical health or well-being or the school's ability to provide a safe and supportive learning environment for the student.

The policy shall specify that notice to parents shall reinforce the fundamental right of parents to make decisions regarding the upbringing and control of their children, and that the school district shall not inhibit parental access to the student's education and health records maintained by the school.

(3) Prohibit school district personnel from directly or indirectly encouraging a student to withhold from a parent information concerning the student's mental, emotional, or physical health or well-being, or a change in related services or monitoring.

The policy shall prohibit school district personnel from discouraging or prohibiting parental notification of and involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being.
Nothing in this section shall be construed to prohibit teachers from reporting unlawful abuse or neglect.

(4) At the beginning of the school year, notify parents of each health care service offered at their student's school and their option to withhold consent or decline any specified service. Parental consent to health care services does not waive the parent's right to access the parent's student's educational or health records or to be notified about a change in the student's services or monitoring as provided in this section.

(5) Permit a parent to file with the school district a written concern regarding a topic addressed in this section. The policy shall establish a process to resolve such concerns within thirty days after their receipt. Under the policy, school districts shall notify parents of their right to file a written concern. A parent may appeal a district's decision to the board of education of that district.

If a school district does not resolve a parent's written concern within thirty days, the parent may request a hearing before the board of education of the school district. The board shall hold a hearing for any request received from a parent under this section and shall make a determination regarding the parent's concern.

(C) This section does not prescribe all rights of parents or preempt or foreclose claims or remedies in support of parental rights that are available under the constitution, statutes, or common law of this state.

(D) As used in this section:

(1) "Biological sex" means the biological indication of male and female, including sex chromosomes, naturally occurring
sex hormones, gonads, and unambiguous internal and external genitalia present at birth, without regard to an individual's psychological, chosen, or subjective experience of gender.

(2) "Parent" has the same meaning as in section 3313.98 of the Revised Code.

(3) "Sexuality content" means any oral or written instruction, presentation, image, or description of sexual concepts or gender ideology.

"Sexuality content" does not mean instruction or presentations in venereal disease education, child sexual abuse prevention, and sexual violence prevention education provided under division (A)(5) of section 3313.60 of the Revised Code or instruction or presentations in venereal disease education emphasizing abstinence provided under section 3313.6011 of the Revised Code.

(4) "Student's mental, emotional, or physical health or well-being" includes any of the following:

(a) A student's academic performance;
(b) Any sickness, physical injury, or psychological trauma suffered by a student;
(c) Any pattern of bullying or harassment by or against a student in violation of school district policy;
(d) Any request by a student to identify as a gender that does not align with the student's biological sex;
(e) Exhibition of suicidal ideation or persistent symptoms of depression, severe anxiety, or other mental health issues.
