A BILL

To amend sections 3314.03 and 3326.11 and to enact section 3313.6030 of the Revised Code with regard to academic intervention services at each public school and to amend the version of section 3314.03 of the Revised Code that is scheduled to take effect January 1, 2025, to continue the changes on and after that effective date.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 3314.03 and 3326.11 be amended and section 3313.6030 of the Revised Code be enacted to read as follows:

Sec. 3313.6030. (A) As used in this section:

(1) "Qualifying student" means a student who demonstrates a limited level of skill on a state assessment in mathematics or English language arts, or both.

(2) "State assessment" means an achievement assessment prescribed under section 3301.0710 of the Revised Code or an end-of-course examination prescribed under section 3301.0712 of the Revised Code.
(3) "Tutoring supports" means high-dosage tutoring opportunities aligned with the student's classroom instruction through a state-approved vendor on the list of high-quality tutoring vendors under section 3301.136 of the Revised Code or a locally approved opportunity that aligns with high-dosage tutoring best practices. High-dosage tutoring opportunities shall include additional instruction time of at least three days per week, or at least fifty hours over thirty-six weeks.

(B) Each school district, community school established pursuant to Chapter 3314., and STEM school established pursuant to Chapter 3326. of the Revised Code shall provide evidence-based academic intervention services, free of cost, to each qualifying student. The district or school shall provide those services directly, through a contracted vendor, or as a combination of both options. A district or school annually shall notify the department of education and workforce, in a manner established by the department, of all of the following:

(1) The number of qualifying students enrolled in the district or school;

(2) The number of qualifying students receiving academic intervention services in mathematics, English language arts, or both;

(3) The number of qualifying students receiving academic intervention services from the district or school directly, through a vendor, or a combination of both options.

(C) Academic intervention services provided to a student under this section may encompass a wide and open-ended variety of supports, including tutoring supports, additional instruction time, an extended school calendar, participation in a learning
support program, or any other academically centered support service that the district or school determines will improve the student's academic performance.

All academic intervention services provided to a qualifying student under this section shall align with the academic instruction the student receives. All academic intervention services in English language arts shall align with the science of reading as defined in section 3313.6028 of the Revised Code.

(D) A district or school shall ensure that academic intervention services provided to a qualifying student under division (C) of this section do not supplant the student's core academic instructional time.

(E)(1) A district or school shall notify the parent or guardian of a qualifying student that the student will receive academic intervention services prior to providing services to the student. Notification shall include a description of which intervention or interventions the qualifying student will receive and who will provide services to the student.

(2) The district or school periodically shall update the parent or guardian on the academic intervention services provided to the qualifying student and shall provide resources and recommendations for ways the parent or guardian may assist the qualifying student.

(F)(1) Beginning with the 2024-2025 school year, and each school year thereafter, the department randomly shall select five per cent of school districts, community schools, and STEM schools for a review of their academic intervention services for qualifying students under this section. The review shall
include, at a minimum, a document review, interviews with applicable district and school staff, and observations of interventions.

The review shall assess all of the following:

(a) Whether qualifying students receive academic intervention services in accordance with division (B) of this section;

(b) The types and methods of academic intervention services that qualifying students receive;

(c) The quality of the academic intervention services provided by the district or school or the contracted vendor. To determine quality, the department may consider the length and duration of the intervention, specific programs and curriculum being used, the credentials and training of intervention providers, and data regarding qualifying student progress.

(2) The department shall provide a report to the district or school containing its review of the district's or school's academic intervention services not later than six weeks after the department completes the review. Each report shall include an assessment of the efficacy of the academic intervention services provided to qualifying students, along with any recommendations the department considers necessary. The district or school shall post a copy of the report on its web site and shall make the report available upon request to any person.

(3) The department may contract with an organization that has documented expertise in supporting school improvement and academic intervention services to help with conducting its review under division (F) of this section.

(G)(1) A student is no longer a qualifying student under
this section when the student achieves a level of skill higher than limited on a statewide achievement or diagnostic assessment prescribed under any of sections 3301.079, 3301.0710, 3301.0712, or 3301.0715 of the Revised Code, in mathematics or English language arts, taken for the grade level in which the student is enrolled.

(2) If a qualifying student receiving academic intervention services in both mathematics and English language arts demonstrates a skill greater than limited under this section in one, but not both, subject areas, the student shall continue to receive academic intervention services for the subject area in which the student continues to demonstrate a limited level of skill.

(H) Nothing in this section prohibits a district or school from providing academic intervention services to a student who does not meet the definition of a qualifying student under this section.

Sec. 3314.03. A copy of every contract entered into under this section shall be filed with the director of education and workforce. The department of education and workforce shall make available on its web site a copy of every approved, executed contract filed with the director under this section.

(A) Each contract entered into between a sponsor and the governing authority of a community school shall specify the following:

(1) That the school shall be established as either of the following:

(a) A nonprofit corporation established under Chapter 1702. of the Revised Code, if established prior to April 8,
(b) A public benefit corporation established under Chapter 1702. of the Revised Code, if established after April 8, 2003.

(2) The education program of the school, including the school's mission, the characteristics of the students the school is expected to attract, the ages and grades of students, and the focus of the curriculum;

(3) The academic goals to be achieved and the method of measurement that will be used to determine progress toward those goals, which shall include the statewide achievement assessments;

(4) Performance standards, including but not limited to all applicable report card measures set forth in section 3302.03 or 3314.017 of the Revised Code, by which the success of the school will be evaluated by the sponsor;

(5) The admission standards of section 3314.06 of the Revised Code and, if applicable, section 3314.061 of the Revised Code;

(6)(a) Dismissal procedures;

(b) A requirement that the governing authority adopt an attendance policy that includes a procedure for automatically withdrawing a student from the school if the student without a legitimate excuse fails to participate in seventy-two consecutive hours of the learning opportunities offered to the student.

(7) The ways by which the school will achieve racial and ethnic balance reflective of the community it serves;

(8) Requirements for financial audits by the auditor of
state. The contract shall require financial records of the school to be maintained in the same manner as are financial records of school districts, pursuant to rules of the auditor of state. Audits shall be conducted in accordance with section 117.10 of the Revised Code.

(9) An addendum to the contract outlining the facilities to be used that contains at least the following information:

(a) A detailed description of each facility used for instructional purposes;

(b) The annual costs associated with leasing each facility that are paid by or on behalf of the school;

(c) The annual mortgage principal and interest payments that are paid by the school;

(d) The name of the lender or landlord, identified as such, and the lender's or landlord's relationship to the operator, if any.

(10) Qualifications of employees, including both of the following:

(a) A requirement that the school's classroom teachers be licensed in accordance with sections 3319.22 to 3319.31 of the Revised Code, except that a community school may engage noncertificated persons to teach up to twelve hours or forty hours per week pursuant to section 3319.301 of the Revised Code;

(b) A prohibition against the school employing an individual described in section 3314.104 of the Revised Code in any position.

(11) That the school will comply with the following requirements:
(a) The school will provide learning opportunities to a minimum of twenty-five students for a minimum of nine hundred twenty hours per school year.

(b) The governing authority will purchase liability insurance, or otherwise provide for the potential liability of the school.

(c) The school will be nonsectarian in its programs, admission policies, employment practices, and all other operations, and will not be operated by a sectarian school or religious institution.

the manner specified in section 3314.17 of the Revised Code.

(e) The school shall comply with Chapter 102. and section 2921.42 of the Revised Code.

(f) The school will comply with sections 3313.61, 3313.611, 3313.614, 3313.617, 3313.618, and 3313.6114 of the Revised Code, except that for students who enter ninth grade for the first time before July 1, 2010, the requirement in sections 3313.61 and 3313.611 of the Revised Code that a person must successfully complete the curriculum in any high school prior to receiving a high school diploma may be met by completing the curriculum adopted by the governing authority of the community school rather than the curriculum specified in Title XXXIII of the Revised Code or any rules of the department. Beginning with students who enter ninth grade for the first time on or after July 1, 2010, the requirement in sections 3313.61 and 3313.611 of the Revised Code that a person must successfully complete the curriculum of a high school prior to receiving a high school diploma shall be met by completing the requirements prescribed in section 3313.6027 and division (C) of section 3313.603 of the Revised Code, unless the person qualifies under division (D) or (F) of that section. Each school shall comply with the plan for awarding high school credit based on demonstration of subject area competency, and beginning with the 2017-2018 school year, with the updated plan that permits students enrolled in seventh and eighth grade to meet curriculum requirements based on subject area competency adopted by the department under divisions (J)(1) and (2) of section 3313.603 of the Revised Code. Beginning with the 2018-2019 school year, the school shall comply with the framework for granting units of high school credit to students who demonstrate subject area competency through work-based learning experiences, internships, or
cooperative education developed by the department under division 
(J)(3) of section 3313.603 of the Revised Code.

(g) The school governing authority will submit within four 
months after the end of each school year a report of its 
activities and progress in meeting the goals and standards of 
divisions (A)(3) and (4) of this section and its financial 
status to the sponsor and the parents of all students enrolled 
in the school.

(h) The school, unless it is an internet- or computer-
based community school, will comply with section 3313.801 of the 
Revised Code as if it were a school district.

(i) If the school is the recipient of moneys from a grant 
awarded under the federal race to the top program, Division (A), 
Title XIV, Sections 14005 and 14006 of the "American Recovery 
the school will pay teachers based upon performance in 
accordance with section 3317.141 and will comply with section 
3319.111 of the Revised Code as if it were a school district.

(j) If the school operates a preschool program that is 
licensed by the department under sections 3301.52 to 3301.59 of 
the Revised Code, the school shall comply with sections 3301.50 
to 3301.59 of the Revised Code and the minimum standards for 
preschool programs prescribed in rules adopted by the department 
under section 3301.53 of the Revised Code.

(k) The school will comply with sections 3313.6021 and 
3313.6023 of the Revised Code as if it were a school district 
unless it is either of the following:

(i) An internet- or computer-based community school;

(ii) A community school in which a majority of the
enrolled students are children with disabilities as described in division (A)(4)(b) of section 3314.35 of the Revised Code.

(1) The school will comply with section 3321.191 of the Revised Code, unless it is an internet- or computer-based community school that is subject to section 3314.261 of the Revised Code.

(12) Arrangements for providing health and other benefits to employees;

(13) The length of the contract, which shall begin at the beginning of an academic year. No contract shall exceed five years unless such contract has been renewed pursuant to division (E) of this section.

(14) The governing authority of the school, which shall be responsible for carrying out the provisions of the contract;

(15) A financial plan detailing an estimated school budget for each year of the period of the contract and specifying the total estimated per pupil expenditure amount for each such year.

(16) Requirements and procedures regarding the disposition of employees of the school in the event the contract is terminated or not renewed pursuant to section 3314.07 of the Revised Code;

(17) Whether the school is to be created by converting all or part of an existing public school or educational service center building or is to be a new start-up school, and if it is a converted public school or service center building, specification of any duties or responsibilities of an employer that the board of education or service center governing board that operated the school or building before conversion is delegating to the governing authority of the community school.
with respect to all or any specified group of employees provided
the delegation is not prohibited by a collective bargaining
agreement applicable to such employees;

(18) Provisions establishing procedures for resolving
disputes or differences of opinion between the sponsor and the
governing authority of the community school;

(19) A provision requiring the governing authority to
adopt a policy regarding the admission of students who reside
outside the district in which the school is located. That policy
shall comply with the admissions procedures specified in
sections 3314.06 and 3314.061 of the Revised Code and, at the
sole discretion of the authority, shall do one of the following:

(a) Prohibit the enrollment of students who reside outside
the district in which the school is located;

(b) Permit the enrollment of students who reside in
districts adjacent to the district in which the school is
located;

(c) Permit the enrollment of students who reside in any
other district in the state.

(20) A provision recognizing the authority of the
department to take over the sponsorship of the school in
accordance with the provisions of division (C) of section
3314.015 of the Revised Code;

(21) A provision recognizing the sponsor's authority to
assume the operation of a school under the conditions specified
in division (B) of section 3314.073 of the Revised Code;

(22) A provision recognizing both of the following:

(a) The authority of public health and safety officials to
inspect the facilities of the school and to order the facilities closed if those officials find that the facilities are not in compliance with health and safety laws and regulations;

(b) The authority of the department as the community school oversight body to suspend the operation of the school under section 3314.072 of the Revised Code if the department has evidence of conditions or violations of law at the school that pose an imminent danger to the health and safety of the school's students and employees and the sponsor refuses to take such action.

(23) A description of the learning opportunities that will be offered to students including both classroom-based and non-classroom-based learning opportunities that is in compliance with criteria for student participation established by the department under division (H)(2) of section 3314.08 of the Revised Code;

(24) The school will comply with sections 3302.04 and 3302.041 of the Revised Code, except that any action required to be taken by a school district pursuant to those sections shall be taken by the sponsor of the school.

(25) Beginning in the 2006-2007 school year, the school will open for operation not later than the thirtieth day of September each school year, unless the mission of the school as specified under division (A)(2) of this section is solely to serve dropouts. In its initial year of operation, if the school fails to open by the thirtieth day of September, or within one year after the adoption of the contract pursuant to division (D) of section 3314.02 of the Revised Code if the mission of the school is solely to serve dropouts, the contract shall be void.
(26) Whether the school's governing authority is planning to seek designation for the school as a STEM school equivalent under section 3326.032 of the Revised Code;

(27) That the school's attendance and participation policies will be available for public inspection;

(28) That the school's attendance and participation records shall be made available to the department, auditor of state, and school's sponsor to the extent permitted under and in accordance with the "Family Educational Rights and Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended, and any regulations promulgated under that act, and section 3319.321 of the Revised Code;

(29) If a school operates using the blended learning model, as defined in section 3301.079 of the Revised Code, all of the following information:

(a) An indication of what blended learning model or models will be used;

(b) A description of how student instructional needs will be determined and documented;

(c) The method to be used for determining competency, granting credit, and promoting students to a higher grade level;

(d) The school's attendance requirements, including how the school will document participation in learning opportunities;

(e) A statement describing how student progress will be monitored;

(f) A statement describing how private student data will be protected;
(g) A description of the professional development activities that will be offered to teachers.

(30) A provision requiring that all moneys the school's operator loans to the school, including facilities loans or cash flow assistance, must be accounted for, documented, and bear interest at a fair market rate;

(31) A provision requiring that, if the governing authority contracts with an attorney, accountant, or entity specializing in audits, the attorney, accountant, or entity shall be independent from the operator with which the school has contracted.

(32) A provision requiring the governing authority to adopt an enrollment and attendance policy that requires a student's parent to notify the community school in which the student is enrolled when there is a change in the location of the parent's or student's primary residence.

(33) A provision requiring the governing authority to adopt a student residence and address verification policy for students enrolling in or attending the school.

(B) The community school shall also submit to the sponsor a comprehensive plan for the school. The plan shall specify the following:

(1) The process by which the governing authority of the school will be selected in the future;

(2) The management and administration of the school;

(3) If the community school is a currently existing public school or educational service center building, alternative arrangements for current public school students who choose not
to attend the converted school and for teachers who choose not

to teach in the school or building after conversion;

(4) The instructional program and educational philosophy

of the school;

(5) Internal financial controls.

When submitting the plan under this division, the school
shall also submit copies of all policies and procedures
regarding internal financial controls adopted by the governing
authority of the school.

(C) A contract entered into under section 3314.02 of the
Revised Code between a sponsor and the governing authority of a
community school may provide for the community school governing
authority to make payments to the sponsor, which is hereby
authorized to receive such payments as set forth in the contract
between the governing authority and the sponsor. The total
amount of such payments for monitoring, oversight, and technical
assistance of the school shall not exceed three per cent of the
total amount of payments for operating expenses that the school
receives from the state.

(D) The contract shall specify the duties of the sponsor
which shall be in accordance with the written agreement entered
into with the department under division (B) of section 3314.015
of the Revised Code and shall include the following:

(1) Monitor the community school's compliance with all
laws applicable to the school and with the terms of the
contract;

(2) Monitor and evaluate the academic and fiscal
performance and the organization and operation of the community
school on at least an annual basis;
(3) Report on an annual basis the results of the evaluation conducted under division (D)(2) of this section to the department and to the parents of students enrolled in the community school;

(4) Provide technical assistance to the community school in complying with laws applicable to the school and terms of the contract;

(5) Take steps to intervene in the school's operation to correct problems in the school's overall performance, declare the school to be on probationary status pursuant to section 3314.073 of the Revised Code, suspend the operation of the school pursuant to section 3314.072 of the Revised Code, or terminate the contract of the school pursuant to section 3314.07 of the Revised Code as determined necessary by the sponsor;

(6) Have in place a plan of action to be undertaken in the event the community school experiences financial difficulties or closes prior to the end of a school year.

(E) Upon the expiration of a contract entered into under this section, the sponsor of a community school may, with the approval of the governing authority of the school, renew that contract for a period of time determined by the sponsor, but not ending earlier than the end of any school year, if the sponsor finds that the school's compliance with applicable laws and terms of the contract and the school's progress in meeting the academic goals prescribed in the contract have been satisfactory. Any contract that is renewed under this division remains subject to the provisions of sections 3314.07, 3314.072, and 3314.073 of the Revised Code.

(F) If a community school fails to open for operation
within one year after the contract entered into under this section is adopted pursuant to division (D) of section 3314.02 of the Revised Code or permanently closes prior to the expiration of the contract, the contract shall be void and the school shall not enter into a contract with any other sponsor. A school shall not be considered permanently closed because the operations of the school have been suspended pursuant to section 3314.072 of the Revised Code.

3307., 3309., 3365., 3742., 4112., 4123., 4141., and 4167. of the Revised Code as if it were a school district.

Section 2. That existing sections 3314.03 and 3326.11 of the Revised Code are hereby repealed.

Section 3. That the version of section 3314.03 of the Revised Code that is scheduled to take effect January 1, 2025, be amended to read as follows:

Sec. 3314.03. A copy of every contract entered into under this section shall be filed with the director of education and workforce. The department of education and workforce shall make available on its web site a copy of every approved, executed contract filed with the director under this section.

(A) Each contract entered into between a sponsor and the governing authority of a community school shall specify the following:

(1) That the school shall be established as either of the following:

(a) A nonprofit corporation established under Chapter 1702. of the Revised Code, if established prior to April 8, 2003;

(b) A public benefit corporation established under Chapter 1702. of the Revised Code, if established after April 8, 2003.

(2) The education program of the school, including the school's mission, the characteristics of the students the school is expected to attract, the ages and grades of students, and the focus of the curriculum;

(3) The academic goals to be achieved and the method of measurement that will be used to determine progress toward those
goals, which shall include the statewide achievement assessments;

(4) Performance standards, including but not limited to all applicable report card measures set forth in section 3302.03 or 3314.017 of the Revised Code, by which the success of the school will be evaluated by the sponsor;

(5) The admission standards of section 3314.06 of the Revised Code and, if applicable, section 3314.061 of the Revised Code;

(6)(a) Dismissal procedures;

(b) A requirement that the governing authority adopt an attendance policy that includes a procedure for automatically withdrawing a student from the school if the student without a legitimate excuse fails to participate in seventy-two consecutive hours of the learning opportunities offered to the student.

(7) The ways by which the school will achieve racial and ethnic balance reflective of the community it serves;

(8) Requirements for financial audits by the auditor of state. The contract shall require financial records of the school to be maintained in the same manner as are financial records of school districts, pursuant to rules of the auditor of state. Audits shall be conducted in accordance with section 117.10 of the Revised Code.

(9) An addendum to the contract outlining the facilities to be used that contains at least the following information:

(a) A detailed description of each facility used for instructional purposes;
(b) The annual costs associated with leasing each facility that are paid by or on behalf of the school;

(c) The annual mortgage principal and interest payments that are paid by the school;

(d) The name of the lender or landlord, identified as such, and the lender's or landlord's relationship to the operator, if any.

(10) Qualifications of employees, including both of the following:

(a) A requirement that the school's classroom teachers be licensed in accordance with sections 3319.22 to 3319.31 of the Revised Code, except that a community school may engage noncertificated persons to teach up to twelve hours or forty hours per week pursuant to section 3319.301 of the Revised Code;

(b) A prohibition against the school employing an individual described in section 3314.104 of the Revised Code in any position.

(11) That the school will comply with the following requirements:

(a) The school will provide learning opportunities to a minimum of twenty-five students for a minimum of nine hundred twenty hours per school year.

(b) The governing authority will purchase liability insurance, or otherwise provide for the potential liability of the school.

(c) The school will be nonsectarian in its programs, admission policies, employment practices, and all other operations, and will not be operated by a sectarian school or
religious institution.

(e) The school shall comply with Chapter 102. and section 2921.42 of the Revised Code.

(f) The school will comply with sections 3313.61, 3313.611, 3313.614, 3313.617, 3313.618, and 3313.6114 of the Revised Code, except that for students who enter ninth grade for the first time before July 1, 2010, the requirement in sections 3313.61 and 3313.611 of the Revised Code that a person must successfully complete the curriculum in any high school prior to
receiving a high school diploma may be met by completing the curriculum adopted by the governing authority of the community school rather than the curriculum specified in Title XXXIII of the Revised Code or any rules of the department. Beginning with students who enter ninth grade for the first time on or after July 1, 2010, the requirement in sections 3313.61 and 3313.611 of the Revised Code that a person must successfully complete the curriculum of a high school prior to receiving a high school diploma shall be met by completing the requirements prescribed in section 3313.6027 and division (C) of section 3313.603 of the Revised Code, unless the person qualifies under division (D) or (F) of that section. Each school shall comply with the plan for awarding high school credit based on demonstration of subject area competency, and beginning with the 2017-2018 school year, with the updated plan that permits students enrolled in seventh and eighth grade to meet curriculum requirements based on subject area competency adopted by the department under divisions (J)(1) and (2) of section 3313.603 of the Revised Code. Beginning with the 2018-2019 school year, the school shall comply with the framework for granting units of high school credit to students who demonstrate subject area competency through work-based learning experiences, internships, or cooperative education developed by the department under division (J)(3) of section 3313.603 of the Revised Code.

(g) The school governing authority will submit within four months after the end of each school year a report of its activities and progress in meeting the goals and standards of divisions (A)(3) and (4) of this section and its financial status to the sponsor and the parents of all students enrolled in the school.

(h) The school, unless it is an internet- or computer-
based community school, will comply with section 3313.801 of the Revised Code as if it were a school district.

(i) If the school is the recipient of moneys from a grant awarded under the federal race to the top program, Division (A), Title XIV, Sections 14005 and 14006 of the "American Recovery and Reinvestment Act of 2009," Pub. L. No. 111-5, 123 Stat. 115, the school will pay teachers based upon performance in accordance with section 3317.141 and will comply with section 3319.111 of the Revised Code as if it were a school district.

(j) If the school operates a preschool program that is licensed by the department under sections 3301.52 to 3301.59 of the Revised Code, the school shall comply with sections 3301.50 to 3301.59 of the Revised Code and the minimum standards for preschool programs prescribed in rules adopted by the department of children and youth under section 3301.53 of the Revised Code.

(k) The school will comply with sections 3313.6021 and 3313.6023 of the Revised Code as if it were a school district unless it is either of the following:

(i) An internet- or computer-based community school;

(ii) A community school in which a majority of the enrolled students are children with disabilities as described in division (A)(4)(b) of section 3314.35 of the Revised Code.

(l) The school will comply with section 3321.191 of the Revised Code, unless it is an internet- or computer-based community school that is subject to section 3314.261 of the Revised Code.

(12) Arrangements for providing health and other benefits to employees;
(13) The length of the contract, which shall begin at the beginning of an academic year. No contract shall exceed five years unless such contract has been renewed pursuant to division (E) of this section.

(14) The governing authority of the school, which shall be responsible for carrying out the provisions of the contract;

(15) A financial plan detailing an estimated school budget for each year of the period of the contract and specifying the total estimated per pupil expenditure amount for each such year.

(16) Requirements and procedures regarding the disposition of employees of the school in the event the contract is terminated or not renewed pursuant to section 3314.07 of the Revised Code;

(17) Whether the school is to be created by converting all or part of an existing public school or educational service center building or is to be a new start-up school, and if it is a converted public school or service center building, specification of any duties or responsibilities of an employer that the board of education or service center governing board that operated the school or building before conversion is delegating to the governing authority of the community school with respect to all or any specified group of employees provided the delegation is not prohibited by a collective bargaining agreement applicable to such employees;

(18) Provisions establishing procedures for resolving disputes or differences of opinion between the sponsor and the governing authority of the community school;

(19) A provision requiring the governing authority to adopt a policy regarding the admission of students who reside

(33) A provision requiring the governing authority to adopt a student residence and address verification policy for students enrolling in or attending the school.

(B) The community school shall also submit to the sponsor a comprehensive plan for the school. The plan shall specify the following:

(1) The process by which the governing authority of the school will be selected in the future;

(2) The management and administration of the school;

(3) If the community school is a currently existing public school or educational service center building, alternative arrangements for current public school students who choose not to attend the converted school and for teachers who choose not to teach in the school or building after conversion;

(4) The instructional program and educational philosophy of the school;

(5) Internal financial controls.

When submitting the plan under this division, the school shall also submit copies of all policies and procedures.
regarding internal financial controls adopted by the governing authority of the school.

(C) A contract entered into under section 3314.02 of the Revised Code between a sponsor and the governing authority of a community school may provide for the community school governing authority to make payments to the sponsor, which is hereby authorized to receive such payments as set forth in the contract between the governing authority and the sponsor. The total amount of such payments for monitoring, oversight, and technical assistance of the school shall not exceed three per cent of the total amount of payments for operating expenses that the school receives from the state.

(D) The contract shall specify the duties of the sponsor which shall be in accordance with the written agreement entered into with the department under division (B) of section 3314.015 of the Revised Code and shall include the following:

(1) Monitor the community school's compliance with all laws applicable to the school and with the terms of the contract;

(2) Monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis;

(3) Report on an annual basis the results of the evaluation conducted under division (D)(2) of this section to the department and to the parents of students enrolled in the community school;

(4) Provide technical assistance to the community school in complying with laws applicable to the school and terms of the contract;
