(2) Prior to receiving any fine moneys under division (F) 2050  
(1) of this section or division (B) of section 2925.42 of the 2051  
Revised Code, a law enforcement agency shall adopt a written 2052  
internal control policy that addresses the agency's use and 2053  
disposition of all fine moneys so received and that provides for 2054  
the keeping of detailed financial records of the receipts of 2055  
those fine moneys, the general types of expenditures made out of 2056  
those fine moneys, and the specific amount of each general type 2057  
of expenditure. The policy shall not provide for or permit the 2058

court shall suspend the license, by order, for not more than 2077

If an offender's driver's or commercial driver's license or permit is suspended pursuant to this division, the offender, at any time after the expiration of two years from the day on which the offender's sentence was imposed or from the day on which the offender finally was released from a prison term under the sentence, whichever is later, may file a motion with the sentencing court requesting termination of the suspension; upon the filing of such a motion and the court's finding of good cause for the termination, the court may terminate the suspension.

(2) Any offender who received a mandatory suspension of the offender's driver's or commercial driver's license or permit under this section prior to September 13, 2016, may file a motion with the sentencing court requesting the termination of the suspension. However, an offender who pleaded guilty to or was convicted of a violation of section 4511.19 of the Revised Code or a substantially similar municipal ordinance or law of another state or the United States that arose out of the same set of circumstances as the violation for which the offender's license or permit was suspended under this section shall not file such a motion.

fine imposed under division (H) (1) of this section is not 2113  
subject to division (F) of this section and shall be used solely 2114

services provider is located in any of those counties, the 2133  
judgment may specify an eligible community addiction services 2134  
provider that is located anywhere within this state. 2135

any fine imposed under division (H) (1) of this section to the 2138

eligible community addiction services provider specified 2139  
pursuant to division (H) (2) of this section in the judgment. The 2140  
eligible community addiction services provider that receives the 2141  
fine moneys shall use the moneys only for the alcohol and drug 2142  
addiction services identified in the application for 2143  
certification of services under section 5119.36 of the Revised 2144

board of county commissioners of each county from which the 2155  
services provider received the moneys if that county is 2156  
different from the county in which the services provider is 2157  
located, and with the attorney general. The community addiction 2158  
services provider shall file the report no later than the first 2159  
day of March in the calendar year following the calendar year in 2160  
which the services provider received the fine moneys. The report 2161  
shall include statistics on the number of persons served by the 2162  
community addiction services provider, identify the types of 2163  
alcohol and drug addiction services provided to those persons, 2164  
and include a specific accounting of the purposes for which the 2165  
fine moneys received were used. No information contained in the 2166  
report shall identify, or enable a person to determine the 2167  
identity of, any person served by the community addiction 2168  
services provider. Each report received by a court of common 2169

review committee, or hybrid drug overdose fatality and suicide 4969

fatality review committee; does not include providing any 4970  
information, documents, or reports under sections 307.651 to 4971  
307.659 of the Revised Code to a domestic violence fatality 4972  
review board; does not include providing any information, 4973  
documents, or reports to the director of health pursuant to 4974  
guidelines established under section 3701.70 of the Revised 4975  
Code; does not include written notice to a mental health 4976  
professional under section 4731.62 of the Revised Code; and does 4977  
not include the making of a report of an employee's use of a 4978  
drug of abuse, or a report of a condition of an employee other 4979  
than one involving the use of a drug of abuse, to the employer 4980  
of the employee as described in division (B) of section 2305.33 4981  
of the Revised Code. Nothing in this division affects the 4982  
immunity from civil liability conferred by section 2305.33 or 4983  
4731.62 of the Revised Code upon a physician who makes a report 4984  
in accordance with section 2305.33 or notifies a mental health 4985  
professional in accordance with section 4731.62 of the Revised 4986  
Code. As used in this division, "employee," "employer," and 4987  
"physician" have the same meanings as in section 2305.33 of the 4988  
Revised Code. 4989

(5) Making a false, fraudulent, deceptive, or misleading 4990  
statement in the solicitation of or advertising for patients; in 4991  
relation to the practice of medicine and surgery, osteopathic 4992  
medicine and surgery, podiatric medicine and surgery, or a 4993  
limited branch of medicine; or in securing or attempting to 4994  
secure any license or certificate to practice issued by the 4995  
board. 4996

As used in this division, "false, fraudulent, deceptive, 4997  
or misleading statement" means a statement that includes a 4998  
misrepresentation of fact, is likely to mislead or deceive 4999  
because of a failure to disclose material facts, is intended or 5000

is likely to create false or unjustified expectations of 5001  
favorable results, or includes representations or implications 5002  
that in reasonable probability will cause an ordinarily prudent 5003  
person to misunderstand or be deceived. 5004

(6) A departure from, or the failure to conform to, 5005  
minimal standards of care of similar practitioners under the 5006  
same or similar circumstances, whether or not actual injury to a 5007  
patient is established; 5008

(7) Representing, with the purpose of obtaining 5009  
compensation or other advantage as personal gain or for any 5010  
other person, that an incurable disease or injury, or other 5011  
incurable condition, can be permanently cured; 5012

(8) The obtaining of, or attempting to obtain, money or 5013  
anything of value by fraudulent misrepresentations in the course 5014  
of practice; 5015

(9) A plea of guilty to, a judicial finding of guilt of, 5016  
or a judicial finding of eligibility for intervention in lieu of 5017  
conviction for, a felony; 5018

(10) Commission of an act that constitutes a felony in 5019  
this state, regardless of the jurisdiction in which the act was 5020  
committed; 5021

(11) A plea of guilty to, a judicial finding of guilt of, 5022  
or a judicial finding of eligibility for intervention in lieu of 5023  
conviction for, a misdemeanor committed in the course of 5024  
practice; 5025

(12) Commission of an act in the course of practice that 5026  
constitutes a misdemeanor in this state, regardless of the 5027  
jurisdiction in which the act was committed; 5028

(13) A plea of guilty to, a judicial finding of guilt of, 5029  
or a judicial finding of eligibility for intervention in lieu of 5030  
conviction for, a misdemeanor involving moral turpitude; 5031

(14) Commission of an act involving moral turpitude that 5032  
constitutes a misdemeanor in this state, regardless of the 5033  
jurisdiction in which the act was committed; 5034

(15) Violation of the conditions of limitation placed by 5035  
the board upon a license or certificate to practice; 5036

(16) Failure to pay license renewal fees specified in this 5037  
chapter; 5038

(17) Except as authorized in section 4731.31 of the 5039  
Revised Code, engaging in the division of fees for referral of 5040  
patients, or the receiving of a thing of value in return for a 5041  
specific referral of a patient to utilize a particular service 5042  
or business; 5043

(18) Subject to section 4731.226 of the Revised Code, 5044  
violation of any provision of a code of ethics of the American 5045  
medical association, the American osteopathic association, the 5046  
American podiatric medical association, or any other national 5047  
professional organizations that the board specifies by rule. The 5048  
state medical board shall obtain and keep on file current copies 5049  
of the codes of ethics of the various national professional 5050  
organizations. The individual whose license or certificate is 5051  
being suspended or revoked shall not be found to have violated 5052  
any provision of a code of ethics of an organization not 5053  
appropriate to the individual's profession. 5054

For purposes of this division, a "provision of a code of 5055  
ethics of a national professional organization" does not include 5056  
any provision that would preclude the making of a report by a 5057

physician of an employee's use of a drug of abuse, or of a 5058  
condition of an employee other than one involving the use of a 5059  
drug of abuse, to the employer of the employee as described in 5060  
division (B) of section 2305.33 of the Revised Code. Nothing in 5061  
this division affects the immunity from civil liability 5062  
conferred by that section upon a physician who makes either type 5063  
of report in accordance with division (B) of that section. As 5064  
used in this division, "employee," "employer," and "physician" 5065  
have the same meanings as in section 2305.33 of the Revised 5066  
Code. 5067

(19) Inability to practice according to acceptable and 5068  
prevailing standards of care by reason of mental illness or 5069  
physical illness, including, but not limited to, physical 5070  
deterioration that adversely affects cognitive, motor, or 5071  
perceptive skills. 5072

In enforcing this division, the board, upon a showing of a 5073  
possible violation, may compel any individual authorized to 5074  
practice by this chapter or who has submitted an application 5075  
pursuant to this chapter to submit to a mental examination, 5076  
physical examination, including an HIV test, or both a mental 5077  
and a physical examination. The expense of the examination is 5078  
the responsibility of the individual compelled to be examined. 5079  
Failure to submit to a mental or physical examination or consent 5080  
to an HIV test ordered by the board constitutes an admission of 5081  
the allegations against the individual unless the failure is due 5082  
to circumstances beyond the individual's control, and a default 5083  
and final order may be entered without the taking of testimony 5084  
or presentation of evidence. If the board finds an individual 5085  
unable to practice because of the reasons set forth in this 5086  
division, the board shall require the individual to submit to 5087  
care, counseling, or treatment by physicians approved or 5088

designated by the board, as a condition for initial, continued, 5089  
reinstated, or renewed authority to practice. An individual 5090  
affected under this division shall be afforded an opportunity to 5091  
demonstrate to the board the ability to resume practice in 5092  
compliance with acceptable and prevailing standards under the 5093  
provisions of the individual's license or certificate. For the 5094  
purpose of this division, any individual who applies for or 5095  
receives a license or certificate to practice under this chapter 5096  
accepts the privilege of practicing in this state and, by so 5097  
doing, shall be deemed to have given consent to submit to a 5098  
mental or physical examination when directed to do so in writing 5099  
by the board, and to have waived all objections to the 5100  
admissibility of testimony or examination reports that 5101  
constitute a privileged communication. 5102

(20) Except as provided in division (F)(1)(b) of section 5103  
4731.282 of the Revised Code or when civil penalties are imposed 5104  
under section 4731.225 of the Revised Code, and subject to 5105  
section 4731.226 of the Revised Code, violating or attempting to 5106  
violate, directly or indirectly, or assisting in or abetting the 5107  
violation of, or conspiring to violate, any provisions of this 5108  
chapter or any rule promulgated by the board. 5109

This division does not apply to a violation or attempted 5110  
violation of, assisting in or abetting the violation of, or a 5111  
conspiracy to violate, any provision of this chapter or any rule 5112  
adopted by the board that would preclude the making of a report 5113  
by a physician of an employee's use of a drug of abuse, or of a 5114  
condition of an employee other than one involving the use of a 5115  
drug of abuse, to the employer of the employee as described in 5116  
division (B) of section 2305.33 of the Revised Code. Nothing in 5117  
this division affects the immunity from civil liability 5118  
conferred by that section upon a physician who makes either type 5119

of report in accordance with division (B) of that section. As 5120  
used in this division, "employee," "employer," and "physician" 5121  
have the same meanings as in section 2305.33 of the Revised 5122  
Code. 5123

(21) The violation of section 3701.79 of the Revised Code 5124  
or of any abortion rule adopted by the director of health 5125  
pursuant to section 3701.341 of the Revised Code; 5126

(22) Any of the following actions taken by an agency 5127  
responsible for authorizing, certifying, or regulating an 5128  
individual to practice a health care occupation or provide 5129  
health care services in this state or another jurisdiction, for 5130  
any reason other than the nonpayment of fees: the limitation, 5131  
revocation, or suspension of an individual's license to 5132  
practice; acceptance of an individual's license surrender; 5133  
denial of a license; refusal to renew or reinstate a license; 5134  
imposition of probation; or issuance of an order of censure or 5135  
other reprimand; 5136

(23) The violation of section 2919.12 of the Revised Code 5137  
or the performance or inducement of an abortion upon a pregnant 5138  
woman with actual knowledge that the conditions specified in 5139  
division (B) of section 2317.56 of the Revised Code have not 5140  
been satisfied or with a heedless indifference as to whether 5141  
those conditions have been satisfied, unless an affirmative 5142  
defense as specified in division (H)(2) of that section would 5143  
apply in a civil action authorized by division (H)(1) of that 5144  
section; 5145

(24) The revocation, suspension, restriction, reduction, 5146  
or termination of clinical privileges by the United States 5147  
department of defense or department of veterans affairs or the 5148  
termination or suspension of a certificate of registration to 5149

prescribe drugs by the drug enforcement administration of the 5150  
United States department of justice; 5151

(25) Termination or suspension from participation in the 5152  
medicare or medicaid programs by the department of health and 5153  
human services or other responsible agency; 5154

(26) Impairment of ability to practice according to 5155  
acceptable and prevailing standards of care because of habitual 5156  
or excessive use or abuse of drugs, alcohol, or other substances 5157  
that impair ability to practice. 5158

For the purposes of this division, any individual 5159  
authorized to practice by this chapter accepts the privilege of 5160  
practicing in this state subject to supervision by the board. By 5161  
filing an application for or holding a license or certificate to 5162  
practice under this chapter, an individual shall be deemed to 5163  
have given consent to submit to a mental or physical examination 5164  
when ordered to do so by the board in writing, and to have 5165  
waived all objections to the admissibility of testimony or 5166  
examination reports that constitute privileged communications. 5167

If it has reason to believe that any individual authorized 5168  
to practice by this chapter or any applicant for licensure or 5169  
certification to practice suffers such impairment, the board may 5170  
compel the individual to submit to a mental or physical 5171  
examination, or both. The expense of the examination is the 5172  
responsibility of the individual compelled to be examined. Any 5173  
mental or physical examination required under this division 5174  
shall be undertaken by a treatment provider or physician who is 5175  
qualified to conduct the examination and who is chosen by the 5176  
board. 5177

Failure to submit to a mental or physical examination 5178

ordered by the board constitutes an admission of the allegations 5179  
against the individual unless the failure is due to 5180  
circumstances beyond the individual's control, and a default and 5181  
final order may be entered without the taking of testimony or 5182  
presentation of evidence. If the board determines that the 5183  
individual's ability to practice is impaired, the board shall 5184  
suspend the individual's license or certificate or deny the 5185  
individual's application and shall require the individual, as a 5186  
condition for initial, continued, reinstated, or renewed 5187  
licensure or certification to practice, to submit to treatment. 5188

Before being eligible to apply for reinstatement of a 5189  
license or certificate suspended under this division, the 5190  
impaired practitioner shall demonstrate to the board the ability 5191  
to resume practice in compliance with acceptable and prevailing 5192  
standards of care under the provisions of the practitioner's 5193  
license or certificate. The demonstration shall include, but 5194  
shall not be limited to, the following: 5195

(a) Certification from a treatment provider approved under 5196  
section 4731.25 of the Revised Code that the individual has 5197  
successfully completed any required inpatient treatment; 5198

(b) Evidence of continuing full compliance with an 5199  
aftercare contract or consent agreement; 5200

(c) Two written reports indicating that the individual's 5201  
ability to practice has been assessed and that the individual 5202  
has been found capable of practicing according to acceptable and 5203  
prevailing standards of care. The reports shall be made by 5204  
individuals or providers approved by the board for making the 5205  
assessments and shall describe the basis for their 5206  
determination. 5207

The board may reinstate a license or certificate suspended 5208  
under this division after that demonstration and after the 5209  
individual has entered into a written consent agreement. 5210

When the impaired practitioner resumes practice, the board 5211  
shall require continued monitoring of the individual. The 5212  
monitoring shall include, but not be limited to, compliance with 5213  
the written consent agreement entered into before reinstatement 5214  
or with conditions imposed by board order after a hearing, and, 5215  
upon termination of the consent agreement, submission to the 5216  
board for at least two years of annual written progress reports 5217  
made under penalty of perjury stating whether the individual has 5218  
maintained sobriety. 5219

(27) A second or subsequent violation of section 4731.66 5220  
or 4731.69 of the Revised Code; 5221

(28) Except as provided in division (N) of this section: 5222

(a) Waiving the payment of all or any part of a deductible 5223  
or copayment that a patient, pursuant to a health insurance or 5224  
health care policy, contract, or plan that covers the 5225  
individual's services, otherwise would be required to pay if the 5226  
waiver is used as an enticement to a patient or group of 5227  
patients to receive health care services from that individual; 5228

(b) Advertising that the individual will waive the payment 5229  
of all or any part of a deductible or copayment that a patient, 5230  
pursuant to a health insurance or health care policy, contract, 5231  
or plan that covers the individual's services, otherwise would 5232  
be required to pay. 5233

(29) Failure to use universal blood and body fluid 5234  
precautions established by rules adopted under section 4731.051 5235  
of the Revised Code; 5236

(30) Failure to provide notice to, and receive 5237  
acknowledgment of the notice from, a patient when required by 5238  
section 4731.143 of the Revised Code prior to providing 5239  
nonemergency professional services, or failure to maintain that 5240  
notice in the patient's medical record; 5241

(31) Failure of a physician supervising a physician 5242  
assistant to maintain supervision in accordance with the 5243  
requirements of Chapter 4730. of the Revised Code and the rules 5244  
adopted under that chapter; 5245

(32) Failure of a physician or podiatrist to enter into a 5246  
standard care arrangement with a clinical nurse specialist, 5247  
certified nurse-midwife, or certified nurse practitioner with 5248  
whom the physician or podiatrist is in collaboration pursuant to 5249  
section 4731.27 of the Revised Code or failure to fulfill the 5250  
responsibilities of collaboration after entering into a standard 5251  
care arrangement; 5252

(33) Failure to comply with the terms of a consult 5253  
agreement entered into with a pharmacist pursuant to section 5254  
4729.39 of the Revised Code; 5255

(34) Failure to cooperate in an investigation conducted by 5256  
the board under division (F) of this section, including failure 5257  
to comply with a subpoena or order issued by the board or 5258  
failure to answer truthfully a question presented by the board 5259  
in an investigative interview, an investigative office 5260  
conference, at a deposition, or in written interrogatories, 5261  
except that failure to cooperate with an investigation shall not 5262  
constitute grounds for discipline under this section if a court 5263  
of competent jurisdiction has issued an order that either 5264  
quashes a subpoena or permits the individual to withhold the 5265  
testimony or evidence in issue; 5266

(35) Failure to supervise an acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for providing that supervision;	5267 5268 5269
(36) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;	5270 5271 5272

(38) Failure to comply with the requirements of section 2317.561 of the Revised Code;	5275 5276
(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants;	5277 5278 5279

(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;	5284 5285 5286 5287
(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;	5288 5289 5290 5291
(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to	5292 5293 5294

section 4729.75 of the Revised Code;	5295
(44) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 or 2919.202 of the Revised Code;	5296 5297 5298 5299 5300
(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;	5301 5302 5303 5304 5305

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not

fewer than six members of the board, shall constitute the 5353  
findings and order of the board with respect to the matter 5354  
addressed in the agreement. If the board refuses to ratify a 5355  
consent agreement, the admissions and findings contained in the 5356  
consent agreement shall be of no force or effect. 5357

A telephone conference call may be utilized for 5358  
ratification of a consent agreement that revokes or suspends an 5359  
individual's license or certificate to practice or certificate 5360  
to recommend. The telephone conference call shall be considered 5361  
a special meeting under division (F) of section 121.22 of the 5362  
Revised Code. 5363

If the board takes disciplinary action against an 5364  
individual under division (B) of this section for a second or 5365  
subsequent plea of guilty to, or judicial finding of guilt of, a 5366  
violation of section 2919.123 or 2919.124 of the Revised Code, 5367  
the disciplinary action shall consist of a suspension of the 5368  
individual's license or certificate to practice for a period of 5369  
at least one year or, if determined appropriate by the board, a 5370  
more serious sanction involving the individual's license or 5371  
certificate to practice. Any consent agreement entered into 5372  
under this division with an individual that pertains to a second 5373  
or subsequent plea of guilty to, or judicial finding of guilt 5374  
of, a violation of that section shall provide for a suspension 5375  
of the individual's license or certificate to practice for a 5376  
period of at least one year or, if determined appropriate by the 5377  
board, a more serious sanction involving the individual's 5378  
license or certificate to practice. 5379

(D) For purposes of divisions (B) (10), (12), and (14) of 5380  
this section, the commission of the act may be established by a 5381  
finding by the board, pursuant to an adjudication under Chapter 5382

119. of the Revised Code, that the individual committed the act. 5383  
The board does not have jurisdiction under those divisions if 5384  
the trial court renders a final judgment in the individual's 5385  
favor and that judgment is based upon an adjudication on the 5386  
merits. The board has jurisdiction under those divisions if the 5387  
trial court issues an order of dismissal upon technical or 5388  
procedural grounds. 5389

(E) The sealing or expungement of conviction records by 5390  
any court shall have no effect upon a prior board order entered 5391  
under this section or upon the board's jurisdiction to take 5392  
action under this section if, based upon a plea of guilty, a 5393  
judicial finding of guilt, or a judicial finding of eligibility 5394  
for intervention in lieu of conviction, the board issued a 5395  
notice of opportunity for a hearing prior to the court's order 5396  
to seal or expunge the records. The board shall not be required 5397  
to seal, expunge, destroy, redact, or otherwise modify its 5398  
records to reflect the court's sealing of conviction records. 5399

(F) (1) The board shall investigate evidence that appears 5400  
to show that a person has violated any provision of this chapter 5401  
or any rule adopted under it. Any person may report to the board 5402  
in a signed writing any information that the person may have 5403  
that appears to show a violation of any provision of this 5404  
chapter or any rule adopted under it. In the absence of bad 5405  
faith, any person who reports information of that nature or who 5406  
testifies before the board in any adjudication conducted under 5407  
Chapter 119. of the Revised Code shall not be liable in damages 5408  
in a civil action as a result of the report or testimony. Each 5409  
complaint or allegation of a violation received by the board 5410  
shall be assigned a case number and shall be recorded by the 5411  
board. 5412

(2) Investigations of alleged violations of this chapter 5413  
or any rule adopted under it shall be supervised by the 5414  
supervising member elected by the board in accordance with 5415  
section 4731.02 of the Revised Code and by the secretary as 5416  
provided in section 4731.39 of the Revised Code. The president 5417  
may designate another member of the board to supervise the 5418  
investigation in place of the supervising member. No member of 5419  
the board who supervises the investigation of a case shall 5420  
participate in further adjudication of the case. 5421

(3) In investigating a possible violation of this chapter 5422  
or any rule adopted under this chapter, or in conducting an 5423  
inspection under division (E) of section 4731.054 of the Revised 5424  
Code, the board may question witnesses, conduct interviews, 5425  
administer oaths, order the taking of depositions, inspect and 5426  
copy any books, accounts, papers, records, or documents, issue 5427  
subpoenas, and compel the attendance of witnesses and production 5428  
of books, accounts, papers, records, documents, and testimony, 5429  
except that a subpoena for patient record information shall not 5430  
be issued without consultation with the attorney general's 5431  
office and approval of the secretary and supervising member of 5432  
the board. 5433

(a) Before issuance of a subpoena for patient record 5434  
information, the secretary and supervising member shall 5435  
determine whether there is probable cause to believe that the 5436  
complaint filed alleges a violation of this chapter or any rule 5437  
adopted under it and that the records sought are relevant to the 5438  
alleged violation and material to the investigation. The 5439  
subpoena may apply only to records that cover a reasonable 5440  
period of time surrounding the alleged violation. 5441

(b) On failure to comply with any subpoena issued by the 5442

board and after reasonable notice to the person being 5443  
subpoenaed, the board may move for an order compelling the 5444  
production of persons or records pursuant to the Rules of Civil 5445  
Procedure. 5446

(c) A subpoena issued by the board may be served by a 5447  
sheriff, the sheriff's deputy, or a board employee or agent 5448  
designated by the board. Service of a subpoena issued by the 5449  
board may be made by delivering a copy of the subpoena to the 5450  
person named therein, reading it to the person, or leaving it at 5451  
the person's usual place of residence, usual place of business, 5452  
or address on file with the board. When serving a subpoena to an 5453  
applicant for or the holder of a license or certificate issued 5454  
under this chapter, service of the subpoena may be made by 5455  
certified mail, return receipt requested, and the subpoena shall 5456  
be deemed served on the date delivery is made or the date the 5457  
person refuses to accept delivery. If the person being served 5458  
refuses to accept the subpoena or is not located, service may be 5459  
made to an attorney who notifies the board that the attorney is 5460  
representing the person. 5461

(d) A sheriff's deputy who serves a subpoena shall receive 5462  
the same fees as a sheriff. Each witness who appears before the 5463  
board in obedience to a subpoena shall receive the fees and 5464  
mileage provided for under section 119.094 of the Revised Code. 5465

(4) All hearings, investigations, and inspections of the 5466  
board shall be considered civil actions for the purposes of 5467  
section 2305.252 of the Revised Code. 5468

(5) A report required to be submitted to the board under 5469  
this chapter, a complaint, or information received by the board 5470  
pursuant to an investigation or pursuant to an inspection under 5471  
division (E) of section 4731.054 of the Revised Code is 5472

confidential and not subject to discovery in any civil action. 5473

The board shall conduct all investigations or inspections 5474  
and proceedings in a manner that protects the confidentiality of 5475  
patients and persons who file complaints with the board. The 5476  
board shall not make public the names or any other identifying 5477  
information about patients or complainants unless proper consent 5478  
is given or, in the case of a patient, a waiver of the patient 5479  
privilege exists under division (B) of section 2317.02 of the 5480  
Revised Code, except that consent or a waiver of that nature is 5481  
not required if the board possesses reliable and substantial 5482  
evidence that no bona fide physician-patient relationship 5483  
exists. 5484

The board may share any information it receives pursuant 5485  
to an investigation or inspection, including patient records and 5486  
patient record information, with law enforcement agencies, other 5487  
licensing boards, and other governmental agencies that are 5488  
prosecuting, adjudicating, or investigating alleged violations 5489  
of statutes or administrative rules. An agency or board that 5490  
receives the information shall comply with the same requirements 5491  
regarding confidentiality as those with which the state medical 5492  
board must comply, notwithstanding any conflicting provision of 5493  
the Revised Code or procedure of the agency or board that 5494  
applies when it is dealing with other information in its 5495  
possession. In a judicial proceeding, the information may be 5496  
admitted into evidence only in accordance with the Rules of 5497  
Evidence, but the court shall require that appropriate measures 5498  
are taken to ensure that confidentiality is maintained with 5499  
respect to any part of the information that contains names or 5500  
other identifying information about patients or complainants 5501  
whose confidentiality was protected by the state medical board 5502  
when the information was in the board's possession. Measures to 5503

ensure confidentiality that may be taken by the court include 5504  
sealing its records or deleting specific information from its 5505  
records. 5506

(6) On a quarterly basis, the board shall prepare a report 5507  
that documents the disposition of all cases during the preceding 5508  
three months. The report shall contain the following information 5509  
for each case with which the board has completed its activities: 5510

(a) The case number assigned to the complaint or alleged 5511  
violation; 5512

(b) The type of license or certificate to practice, if 5513  
any, held by the individual against whom the complaint is 5514  
directed; 5515

(c) A description of the allegations contained in the 5516  
complaint; 5517

(d) The disposition of the case. 5518

The report shall state how many cases are still pending 5519  
and shall be prepared in a manner that protects the identity of 5520  
each person involved in each case. The report shall be a public 5521  
record under section 149.43 of the Revised Code. 5522

(G) If the secretary and supervising member determine both 5523  
of the following, they may recommend that the board suspend an 5524  
individual's license or certificate to practice or certificate 5525  
to recommend without a prior hearing: 5526

(1) That there is clear and convincing evidence that an 5527  
individual has violated division (B) of this section; 5528

(2) That the individual's continued practice presents a 5529  
danger of immediate and serious harm to the public. 5530

Written allegations shall be prepared for consideration by 5531  
the board. The board, upon review of those allegations and by an 5532  
affirmative vote of not fewer than six of its members, excluding 5533  
the secretary and supervising member, may suspend a license or 5534  
certificate without a prior hearing. A telephone conference call 5535  
may be utilized for reviewing the allegations and taking the 5536  
vote on the summary suspension. 5537

The board shall issue a written order of suspension by 5538  
certified mail or in person in accordance with section 119.07 of 5539  
the Revised Code. The order shall not be subject to suspension 5540  
by the court during pendency of any appeal filed under section 5541  
119.12 of the Revised Code. If the individual subject to the 5542  
summary suspension requests an adjudicatory hearing by the 5543  
board, the date set for the hearing shall be within fifteen 5544  
days, but not earlier than seven days, after the individual 5545  
requests the hearing, unless otherwise agreed to by both the 5546  
board and the individual. 5547

Any summary suspension imposed under this division shall 5548  
remain in effect, unless reversed on appeal, until a final 5549  
adjudicative order issued by the board pursuant to this section 5550  
and Chapter 119. of the Revised Code becomes effective. The 5551  
board shall issue its final adjudicative order within seventy- 5552  
five days after completion of its hearing. A failure to issue 5553  
the order within seventy-five days shall result in dissolution 5554  
of the summary suspension order but shall not invalidate any 5555  
subsequent, final adjudicative order. 5556

(H) If the board takes action under division (B) (9), (11), 5557  
or (13) of this section and the judicial finding of guilt, 5558  
guilty plea, or judicial finding of eligibility for intervention 5559  
in lieu of conviction is overturned on appeal, upon exhaustion 5560

of the criminal appeal, a petition for reconsideration of the 5561  
order may be filed with the board along with appropriate court 5562  
documents. Upon receipt of a petition of that nature and 5563  
supporting court documents, the board shall reinstate the 5564  
individual's license or certificate to practice. The board may 5565  
then hold an adjudication under Chapter 119. of the Revised Code 5566  
to determine whether the individual committed the act in 5567  
question. Notice of an opportunity for a hearing shall be given 5568  
in accordance with Chapter 119. of the Revised Code. If the 5569  
board finds, pursuant to an adjudication held under this 5570  
division, that the individual committed the act or if no hearing 5571  
is requested, the board may order any of the sanctions 5572  
identified under division (B) of this section. 5573

(I) The license or certificate to practice issued to an 5574  
individual under this chapter and the individual's practice in 5575  
this state are automatically suspended as of the date of the 5576  
individual's second or subsequent plea of guilty to, or judicial 5577  
finding of guilt of, a violation of section 2919.123 or 2919.124 5578  
of the Revised Code. In addition, the license or certificate to 5579  
practice or certificate to recommend issued to an individual 5580  
under this chapter and the individual's practice in this state 5581  
are automatically suspended as of the date the individual pleads 5582  
guilty to, is found by a judge or jury to be guilty of, or is 5583  
subject to a judicial finding of eligibility for intervention in 5584  
lieu of conviction in this state or treatment or intervention in 5585  
lieu of conviction in another jurisdiction for any of the 5586  
following criminal offenses in this state or a substantially 5587  
equivalent criminal offense in another jurisdiction: aggravated 5588  
murder, murder, voluntary manslaughter, felonious assault, 5589  
kidnapping, rape, sexual battery, gross sexual imposition, 5590  
aggravated arson, aggravated robbery, or aggravated burglary. 5591

Continued practice after suspension shall be considered 5592  
practicing without a license or certificate. 5593

The board shall notify the individual subject to the 5594  
suspension by certified mail or in person in accordance with 5595  
section 119.07 of the Revised Code. If an individual whose 5596  
license or certificate is automatically suspended under this 5597  
division fails to make a timely request for an adjudication 5598  
under Chapter 119. of the Revised Code, the board shall do 5599  
whichever of the following is applicable: 5600

(1) If the automatic suspension under this division is for 5601  
a second or subsequent plea of guilty to, or judicial finding of 5602  
guilt of, a violation of section 2919.123 or 2919.124 of the 5603  
Revised Code, the board shall enter an order suspending the 5604  
individual's license or certificate to practice for a period of 5605  
at least one year or, if determined appropriate by the board, 5606  
imposing a more serious sanction involving the individual's 5607  
license or certificate to practice. 5608

(2) In all circumstances in which division (I)(1) of this 5609  
section does not apply, enter a final order permanently revoking 5610  
the individual's license or certificate to practice. 5611

(J) If the board is required by Chapter 119. of the 5612  
Revised Code to give notice of an opportunity for a hearing and 5613  
if the individual subject to the notice does not timely request 5614  
a hearing in accordance with section 119.07 of the Revised Code, 5615  
the board is not required to hold a hearing, but may adopt, by 5616  
an affirmative vote of not fewer than six of its members, a 5617  
final order that contains the board's findings. In that final 5618  
order, the board may order any of the sanctions identified under 5619  
division (A) or (B) of this section. 5620

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative

vote of not fewer than six members of the board. 5651

(2) An application for a license or certificate made under 5652  
the provisions of this chapter may not be withdrawn without 5653  
approval of the board. 5654

(3) Failure by an individual to renew a license or 5655  
certificate to practice in accordance with this chapter or a 5656  
certificate to recommend in accordance with rules adopted under 5657  
section 4731.301 of the Revised Code shall not remove or limit 5658  
the board's jurisdiction to take any disciplinary action under 5659  
this section against the individual. 5660

(4) At the request of the board, a license or certificate 5661  
holder shall immediately surrender to the board a license or 5662  
certificate that the board has suspended, revoked, or 5663  
permanently revoked. 5664

(N) Sanctions shall not be imposed under division (B) (28) 5665  
of this section against any person who waives deductibles and 5666  
copayments as follows: 5667

(1) In compliance with the health benefit plan that 5668  
expressly allows such a practice. Waiver of the deductibles or 5669  
copayments shall be made only with the full knowledge and 5670  
consent of the plan purchaser, payer, and third-party 5671  
administrator. Documentation of the consent shall be made 5672  
available to the board upon request. 5673

(2) For professional services rendered to any other person 5674  
authorized to practice pursuant to this chapter, to the extent 5675  
allowed by this chapter and rules adopted by the board. 5676

(O) Under the board's investigative duties described in 5677  
this section and subject to division (F) of this section, the 5678  
board shall develop and implement a quality intervention program 5679

designed to improve through remedial education the clinical and 5680  
communication skills of individuals authorized under this 5681  
chapter to practice medicine and surgery, osteopathic medicine 5682  
and surgery, and podiatric medicine and surgery. In developing 5683  
and implementing the quality intervention program, the board may 5684  
do all of the following: 5685

(1) Offer in appropriate cases as determined by the board 5686  
an educational and assessment program pursuant to an 5687  
investigation the board conducts under this section; 5688

(2) Select providers of educational and assessment 5689  
services, including a quality intervention program panel of case 5690  
reviewers; 5691

(3) Make referrals to educational and assessment service 5692  
providers and approve individual educational programs 5693  
recommended by those providers. The board shall monitor the 5694  
progress of each individual undertaking a recommended individual 5695  
educational program. 5696

(4) Determine what constitutes successful completion of an 5697  
individual educational program and require further monitoring of 5698  
the individual who completed the program or other action that 5699  
the board determines to be appropriate; 5700

(5) Adopt rules in accordance with Chapter 119. of the 5701  
Revised Code to further implement the quality intervention 5702  
program. 5703

An individual who participates in an individual 5704  
educational program pursuant to this division shall pay the 5705  
financial obligations arising from that educational program. 5706

(P) The board shall not refuse to issue a license to an 5707  
applicant because of a conviction, plea of guilty, judicial 5708

finding of guilt, judicial finding of eligibility for 5709  
intervention in lieu of conviction, or the commission of an act 5710  
that constitutes a criminal offense, unless the refusal is in 5711  
accordance with section 9.79 of the Revised Code. 5712

**Sec. 4731.224.** (A) Within sixty days after the imposition 5713  
of any formal disciplinary action taken by any health care 5714  
facility, including a hospital, health care facility operated by 5715  
a health insuring corporation, ambulatory surgical center, or 5716  
similar facility, against any individual holding a valid license 5717  
or certificate to practice issued pursuant to this chapter, the 5718  
chief administrator or executive officer of the facility shall 5719  
report to the state medical board the name of the individual, 5720  
the action taken by the facility, and a summary of the 5721  
underlying facts leading to the action taken. Upon request, the 5722  
board shall be provided certified copies of the patient records 5723  
that were the basis for the facility's action. Prior to release 5724  
to the board, the summary shall be approved by the peer review 5725  
committee that reviewed the case or by the governing board of 5726  
the facility. As used in this division, "formal disciplinary 5727  
action" means any action resulting in the revocation, 5728  
restriction, reduction, or termination of clinical privileges 5729  
for violations of professional ethics, or for reasons of medical 5730  
incompetence or medical malpractice. "Formal disciplinary 5731  
action" includes a summary action, an action that takes effect 5732  
notwithstanding any appeal rights that may exist, and an action 5733  
that results in an individual surrendering clinical privileges 5734  
while under investigation and during proceedings regarding the 5735  
action being taken or in return for not being investigated or 5736  
having proceedings held. "Formal disciplinary action" does not 5737  
include any action taken for the sole reason of failure to 5738  
maintain records on a timely basis or failure to attend staff or 5739

section meetings. 5740

The filing or nonfiling of a report with the board, 5741  
investigation by the board, or any disciplinary action taken by 5742  
the board, shall not preclude any action by a health care 5743  
facility to suspend, restrict, or revoke the individual's 5744  
clinical privileges. 5745

In the absence of fraud or bad faith, no individual or 5746  
entity that provides patient records to the board shall be 5747  
liable in damages to any person as a result of providing the 5748  
records. 5749

(B) (1) Except as provided in division (B) (2) of this 5750  
section, if any individual authorized to practice under this 5751  
chapter or any professional association or society of such 5752  
individuals believes that a violation of any provision of this 5753  
chapter, Chapter 4730., 4759., 4760., 4761., 4762., 4772., 5754  
4774., or 4778. of the Revised Code, or any rule of the board 5755  
has occurred, the individual, association, or society shall 5756  
report to the board the information upon which the belief is 5757  
based. 5758

(2) If any individual authorized to practice under this 5759  
chapter or any professional association or society of such 5760  
individuals believes that a violation of division (B) (26) of 5761  
section 4731.22 of the Revised Code has occurred, the 5762  
individual, association, or society shall report the information 5763  
upon which the belief is based to the monitoring organization 5764  
conducting the program established by the board under section 5765  
4731.251 of the Revised Code. If any such report is made to the 5766  
board, it shall be referred to the monitoring organization 5767  
unless the board is aware that the individual who is the subject 5768  
of the report does not meet the program eligibility requirements 5769

of section 4731.252 of the Revised Code. 5770

(C) Any professional association or society composed 5771  
primarily of doctors of medicine and surgery, doctors of 5772  
osteopathic medicine and surgery, doctors of podiatric medicine 5773  
and surgery, or practitioners of limited branches of medicine 5774  
that suspends or revokes an individual's membership for 5775  
violations of professional ethics, or for reasons of 5776  
professional incompetence or professional malpractice, within 5777  
sixty days after a final decision shall report to the board, on 5778  
forms prescribed and provided by the board, the name of the 5779  
individual, the action taken by the professional organization, 5780  
and a summary of the underlying facts leading to the action 5781  
taken. 5782

The filing of a report with the board or decision not to 5783  
file a report, investigation by the board, or any disciplinary 5784  
action taken by the board, does not preclude a professional 5785  
organization from taking disciplinary action against an 5786  
individual. 5787

(D) Any insurer providing professional liability insurance 5788  
to an individual authorized to practice under this chapter, or 5789  
any other entity that seeks to indemnify the professional 5790  
liability of such an individual, shall notify the board within 5791  
thirty days after the final disposition of any written claim for 5792  
damages where such disposition results in a payment exceeding 5793  
twenty-five thousand dollars. The notice shall contain the 5794  
following information: 5795

(1) The name and address of the person submitting the 5796  
notification; 5797

(2) The name and address of the insured who is the subject 5798

of the claim;	5799
(3) The name of the person filing the written claim;	5800
(4) The date of final disposition;	5801
(5) If applicable, the identity of the court in which the final disposition of the claim took place.	5802 5803
(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for medical malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty- five thousand dollars in favor of the claimant, and each involving negligent conduct by the practicing individual.	5804 5805 5806 5807 5808 5809 5810 5811 5812 5813
(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving a health care professional or facility arising out of matters that are the subject of the reporting required by this section. 6701

6702

Renewal applications shall be submitted to the board in a

6703

manner prescribed by the board. Each application shall be 6704  
accompanied by a biennial renewal fee specified by the board in 6705  
rules adopted under section 4772.19 of the Revised Code. 6706

The applicant shall report any criminal offense that 6707  
constitutes grounds for refusing to issue a license under 6708  
section 4772.20 of the Revised Code to which the applicant has 6709  
pleaded guilty, of which the applicant has been found guilty, or 6710  
for which the applicant has been found eligible for intervention 6711  
in lieu of conviction, since last signing an application for a 6712  
license to practice as a certified mental health assistant. 6713

(B) To be eligible for renewal, a certified mental health 6714  
assistant shall certify to the board that the assistant has 6715  
complied with the renewal eligibility requirements established 6716  
under section 4772.081 of the Revised Code that pertain to the 6717  
applicant. 6718

(C) If an applicant submits a renewal application that the 6719  
board considers to be complete and qualifies for renewal 6720  
pursuant to division (B) of this section, the board shall issue 6721  
to the applicant a renewed license to practice as a certified 6722  
mental health assistant. 6723

(D) The board may require a random sample of license 6724  
holders to submit materials documenting that the continuing 6725  
education requirements of section 4772.081 of the Revised Code, 6726  
and any other continuing education required by the board's 6727  
rules, have been satisfied. 6728

Division (D) of this section does not limit the board's 6729  
authority to conduct investigations pursuant to section 4772.20 6730  
of the Revised Code. 6731

(E) A license that is not renewed on or before its 6732

expiration date is automatically suspended on its expiration 6733  
date, subject to the provisions of section 119.06 of the Revised 6734  
Code specifying that an applicant who appropriately files a 6735

biennial renewal fee, the applicable monetary penalty, and 6747  
compliance with sections 4776.01 to 4776.04 of the Revised Code. 6748  
The board shall not restore a license unless the board, in its 6749  
discretion, decides that the results of the criminal records 6750  
check do not make the applicant ineligible for a certificate 6751  
issued pursuant to section 4772.06 of the Revised Code. The 6752  
penalty for restoration is fifty dollars. 6753

(F)(1) If, through a random sample conducted under 6754  
division (D) of this section or any other means, the board finds 6755  
that an individual who certified completion of the continuing 6756  
education required to renew, reinstate, or restore a license to 6757  
practice did not complete the requisite continuing medical 6758  
education, the board may do either of the following: 6759

section 4772.20 of the Revised Code, impose a civil penalty, or 6761

in section 5903.12 of the Revised Code, the continuing education 6784

whether the applicant has been granted access to the drug 6791

from the drug database. 6798

(ii) The state board of pharmacy no longer maintains the 6799  
drug database. 6800

(iii) The applicant does not practice as a certified 6801  
mental health assistant in this state. 6802

(c) If an applicant certifies to the state medical board 6803  
that the applicant has been granted access to the drug database 6804  
and the board finds through an audit or other means that the 6805  
applicant has not been granted access, the board may take action 6806  
under section 4772.20 of the Revised Code. 6807

(B) The state medical board shall provide for pro rata 6808  
reductions by month of the number of hours of continuing 6809  
education in pharmacology that is required to be completed for 6810  
certified mental health assistants who have been disabled due to 6811  
illness or accident or have been absent from the country. The 6812  
board shall adopt rules, in accordance with Chapter 119. of the 6813  
Revised Code, as necessary to implement this division. 6814

(C) The continuing education required by this section is 6815  
in addition to any other continuing education required by the 6816  
board's rules. 6817

(D) If the board chooses to authorize persons to approve 6818  
continuing pharmacology education programs and courses, it shall 6819

establish standards for granting that authority and grant the 6820  
authority in accordance with the standards. 6821

if, based upon a plea of guilty, a judicial finding of guilt, or 7515  
a judicial finding of eligibility for intervention in lieu of 7516  
conviction, the board issued a notice of opportunity for a 7517  
hearing prior to the court's order to seal or expunge the 7518  
records. The board shall not be required to seal, destroy, 7519  
redact, or otherwise modify its records to reflect the court's 7520  
sealing or expungement of conviction records. 7521

(G) For purposes of this division, any individual who 7522  
holds a license to practice as a certified mental health 7523  
assistant issued under this chapter, or applies for a license, 7524  
shall be deemed to have given consent to submit to a mental or 7525  
physical examination when directed to do so in writing by the 7526  
board and to have waived all objections to the admissibility of 7527  
testimony or examination reports that constitute a privileged 7528  
communication. 7529

(1) In enforcing division (B) (5) of this section, the 7530  
board, on a showing of a possible violation, may compel any 7531  
individual who holds a license to practice as a certified mental 7532  
health assistant issued under this chapter or who has applied 7533  
for a license to submit to a mental or physical examination, or 7534

both. A physical examination may include an HIV test. The 7535  
expense of the examination is the responsibility of the 7536  
individual compelled to be examined. Failure to submit to a 7537  
mental or physical examination or consent to an HIV test ordered 7538  
by the board constitutes an admission of the allegations against 7539  
the individual unless the failure is due to circumstances beyond 7540  
the individual's control, and a default and final order may be 7541  
entered without the taking of testimony or presentation of 7542  
evidence. If the board finds a certified mental health assistant 7543  
unable to practice because of the reasons set forth in division 7544  
(B) (5) of this section, the board shall require the certified 7545  
mental health assistant to submit to care, counseling, or 7546  
treatment by physicians approved or designated by the board, as 7547  
a condition for an initial, continued, reinstated, or renewed 7548  
license. An individual affected by this division shall be 7549  
afforded an opportunity to demonstrate to the board the ability 7550  
to resume practicing in compliance with acceptable and 7551  
prevailing standards of care. 7552

(2) For purposes of division (B) (6) of this section, if 7553  
the board has reason to believe that any individual who holds a 7554  
license to practice as a certified mental health assistant 7555  
issued under this chapter or any applicant for a license suffers 7556  
such impairment, the board may compel the individual to submit 7557  
to a mental or physical examination, or both. The expense of the 7558  
examination is the responsibility of the individual compelled to 7559  
be examined. Any mental or physical examination required under 7560  
this division shall be undertaken by a treatment provider or 7561  
physician qualified to conduct such examination and chosen by 7562  
the board. 7563

Failure to submit to a mental or physical examination 7564  
ordered by the board constitutes an admission of the allegations 7565

against the individual unless the failure is due to 7566  
circumstances beyond the individual's control, and a default and 7567  
final order may be entered without the taking of testimony or 7568  
presentation of evidence. If the board determines that the 7569  
individual's ability to practice is impaired, the board shall 7570  
suspend the individual's license or deny the individual's 7571  
application and shall require the individual, as a condition for 7572  
an initial, continued, reinstated, or renewed license to 7573  
practice, to submit to treatment. 7574

Before being eligible to apply for reinstatement of a 7575  
license suspended under this division, the certified mental 7576  
health assistant shall demonstrate to the board the ability to 7577  
resume practice in compliance with acceptable and prevailing 7578  
standards of care. The demonstration shall include the 7579  
following: 7580

(a) Certification from a treatment provider approved under 7581  
section 4731.25 of the Revised Code that the individual has 7582  
successfully completed any required inpatient treatment; 7583

(b) Evidence of continuing full compliance with an 7584  
aftercare contract or consent agreement; 7585

(c) Two written reports indicating that the individual's 7586  
ability to practice has been assessed and that the individual 7587  
has been found capable of practicing according to acceptable and 7588  
prevailing standards of care. The reports shall be made by 7589  
individuals or providers approved by the board for making such 7590  
assessments and shall describe the basis for their 7591  
determination. 7592

The board may reinstate a license suspended under this 7593  
division after such demonstration and after the individual has 7594

entered into a written consent agreement. 7595

When the impaired certified mental health assistant 7596  
resumes practice, the board shall require continued monitoring 7597  
of the certified mental health assistant. The monitoring shall 7598  
include monitoring of compliance with the written consent 7599  
agreement entered into before reinstatement or with conditions 7600  
imposed by board order after a hearing, and, on termination of 7601  
the consent agreement, submission to the board for at least two 7602  
years of annual written progress reports made under penalty of 7603  
falsification stating whether the certified mental health 7604  
assistant has maintained sobriety. 7605

(H) If the secretary and supervising member determine that 7606  
there is clear and convincing evidence that a certified mental 7607  
health assistant has violated division (B) of this section and 7608  
that the individual's continued practice presents a danger of 7609  
immediate and serious harm to the public, they may recommend 7610  
that the board suspend the individual's license to practice 7611  
without a prior hearing. Written allegations shall be prepared 7612  
for consideration by the board. 7613

The board, on review of the allegations and by an 7614  
affirmative vote of not fewer than six of its members, excluding 7615  
the secretary and supervising member, may suspend a license 7616  
without a prior hearing. A telephone conference call may be 7617  
utilized for reviewing the allegations and taking the vote on 7618  
the summary suspension. 7619

The board shall issue a written order of suspension by 7620  
certified mail or in person in accordance with section 119.07 of 7621  
the Revised Code. The order shall not be subject to suspension 7622  
by the court during pendency of any appeal filed under section 7623  
119.12 of the Revised Code. If the certified mental health 7624

assistant requests an adjudicatory hearing by the board, the 7625  
date set for the hearing shall be within fifteen days, but not 7626  
earlier than seven days, after the certified mental health 7627  
assistant requests the hearing, unless otherwise agreed to by 7628  
both the board and the license holder. 7629

A summary suspension imposed under this division shall 7630  
remain in effect, unless reversed on appeal, until a final 7631  
adjudicative order issued by the board pursuant to this section 7632  
and Chapter 119. of the Revised Code becomes effective. The 7633  
board shall issue its final adjudicative order within sixty days 7634  
after completion of its hearing. Failure to issue the order 7635  
within sixty days shall result in dissolution of the summary 7636  
suspension order, but shall not invalidate any subsequent, final 7637  
adjudicative order. 7638

(I) If the board takes action under division (B) (10), 7639  
(12), or (13) of this section, and the judicial finding of 7640  
guilt, guilty plea, or judicial finding of eligibility for 7641  
intervention in lieu of conviction is overturned on appeal, on 7642  
exhaustion of the criminal appeal, a petition for 7643  
reconsideration of the order may be filed with the board along 7644  
with appropriate court documents. On receipt of a petition and 7645  
supporting court documents, the board shall reinstate the 7646  
license to practice as a certified mental health assistant. The 7647  
board may then hold an adjudication under Chapter 119. of the 7648  
Revised Code to determine whether the individual committed the 7649  
act in question. Notice of opportunity for hearing shall be 7650  
given in accordance with Chapter 119. of the Revised Code. If 7651  
the board finds, pursuant to an adjudication held under this 7652  
division, that the individual committed the act, or if no 7653  
hearing is requested, it may order any of the sanctions 7654  
specified in division (B) of this section. 7655

(J) The license to practice of a certified mental health assistant and the assistant's practice in this state are automatically suspended as of the date the certified mental health assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of 7686  
this section resulting in a suspension shall be accompanied by a 7687  
written statement of the conditions under which the certified 7688  
mental health assistant's license may be reinstated. The board 7689  
shall adopt rules in accordance with Chapter 119. of the Revised 7690  
Code governing conditions to be imposed for reinstatement. 7691  
Reinstatement of a license suspended pursuant to division (B) of 7692  
this section requires an affirmative vote of not fewer than six 7693  
members of the board. 7694

(M) When the board refuses to grant or issue a license to 7695  
practice as a certified mental health assistant to an applicant, 7696  
revokes an individual's license, refuses to renew an 7697  
individual's license, or refuses to reinstate an individual's 7698  
license, the board may specify that its action is permanent. An 7699  
individual subject to a permanent action taken by the board is 7700  
forever thereafter ineligible to hold a license to practice as a 7701  
certified mental health assistant and the board shall not accept 7702  
an application for reinstatement of the license or for issuance 7703  
of a new license. 7704

(N) Notwithstanding any other provision of the Revised 7705  
Code, all of the following apply: 7706

(1) The surrender of a license to practice as a certified 7707  
mental health assistant issued under this chapter is not 7708  
effective unless or until accepted by the board. Reinstatement 7709  
of a license surrendered to the board requires an affirmative 7710  
vote of not fewer than six members of the board. 7711

(2) An application made under this chapter for a license 7712  
to practice may not be withdrawn without approval of the board. 7713

(3) Failure by an individual to renew a license to 7714

practice in accordance with section 4772.08 of the Revised Code 7715  
shall not remove or limit the board's jurisdiction to take 7716  
disciplinary action under this section against the individual. 7717

**Sec. 4772.201.** On receipt of a notice pursuant to section 7718  
3123.43 of the Revised Code, the state medical board shall 7719  
comply with sections 3123.41 to 3123.50 of the Revised Code and 7720  
any applicable rules adopted under section 3123.63 of the 7721  
Revised Code with respect to a license to practice as a 7722  
certified mental health assistant issued under this chapter. 7723

**Sec. 4772.202.** If the state medical board has reason to 7724  
believe that any person who has been granted a license to 7725  
practice as a certified mental health assistant under this 7726  
chapter is mentally ill or mentally incompetent, it may file in 7727  
the probate court of the county in which the person has a legal 7728  
residence an affidavit in the form prescribed in section 5122.11 7729  
of the Revised Code and signed by the board secretary or a 7730  
member of the board secretary's staff, whereupon the same 7731  
proceedings shall be had as provided in Chapter 5122. of the 7732  
Revised Code. The attorney general may represent the board in 7733  
any proceeding commenced under this section. 7734

If any person who has been granted a license is adjudged 7735  
by a probate court to be mentally ill or mentally incompetent, 7736  
the person's license shall be automatically suspended until the 7737  
person has filed with the state medical board a certified copy 7738  
of an adjudication by a probate court of the person's subsequent 7739  
restoration to competency or has submitted to the board proof, 7740  
satisfactory to the board, that the person has been discharged 7741  
as having a restoration to competency in the manner and form 7742  
provided in section 5122.38 of the Revised Code. The judge of 7743  
the probate court shall forthwith notify the state medical board 7744

of an adjudication of mental illness or mental incompetence, and 7745  
shall note any suspension of a license in the margin of the 7746  
court's record of such license. 7747

**Sec. 4772.203.** (A) (1) If a certified mental health 7748  
assistant violates any section of this chapter or any rule 7749  
adopted under this chapter, the state medical board may, 7750  
pursuant to an adjudication under Chapter 119. of the Revised 7751  
Code and an affirmative vote of not fewer than six of its 7752  
members, impose a civil penalty. The amount of the civil penalty 7753  
shall be determined by the board in accordance with the 7754  
guidelines adopted under division (A) (2) of this section. The 7755  
civil penalty may be in addition to any other action the board 7756  
may take under section 4772.20 of the Revised Code. 7757

(2) The board shall adopt and may amend guidelines 7758  
regarding the amounts of civil penalties to be imposed under 7759  
this section. Adoption or amendment of the guidelines requires 7760  
the approval of not fewer than six board members. 7761

Under the guidelines, no civil penalty amount shall exceed 7762  
twenty thousand dollars. 7763

(B) Amounts received from payment of civil penalties 7764  
imposed under this section shall be deposited by the board in 7765  
accordance with section 4731.24 of the Revised Code. Amounts 7766  
received from payment of civil penalties imposed for violations 7767  
of division (B) (6) of section 4772.20 of the Revised Code shall 7768  
be used by the board solely for investigations, enforcement, and 7769  
compliance monitoring. 7770

**Sec. 4772.21.** (A) The state medical board shall 7771  
investigate evidence that appears to show that any person has 7772  
violated this chapter or the rules adopted under it. Any person 7773

may report to the board in a signed writing any information the 7774  
person has that appears to show a violation of any provision of 7775  
this chapter or the rules adopted under it. In the absence of 7776  
bad faith, a person who reports such information or testifies 7777  
before the board in an adjudication conducted under Chapter 119. 7778  
of the Revised Code shall not be liable for civil damages as a 7779  
result of reporting the information or providing testimony. Each 7780  
complaint or allegation of a violation received by the board 7781  
shall be assigned a case number and be recorded by the board. 7782

(B) Investigations of alleged violations of this chapter 7783  
or rules adopted under it shall be supervised by the supervising 7784  
member elected by the board in accordance with section 4731.02 7785  
of the Revised Code and by the secretary as provided in section 7786  
4772.24 of the Revised Code. The board's president may designate 7787  
another member of the board to supervise the investigation in 7788  
place of the supervising member. A member of the board who 7789  
supervises the investigation of a case shall not participate in 7790  
further adjudication of the case. 7791

(C) In investigating a possible violation of this chapter 7792  
or the rules adopted under it, the board may administer oaths, 7793  
order the taking of depositions, issue subpoenas, and compel the 7794  
attendance of witnesses and production of books, accounts, 7795  
papers, records, documents, and testimony, except that a 7796  
subpoena for patient record information shall not be issued 7797  
without consultation with the attorney general's office and 7798  
approval of the secretary and supervising member of the board. 7799  
Before issuance of a subpoena for patient record information, 7800  
the secretary and supervising member shall determine whether 7801  
there is probable cause to believe that the complaint filed 7802  
alleges a violation of this chapter or the rules adopted under 7803  
it and that the records sought are relevant to the alleged 7804

violation and material to the investigation. The subpoena may 7805  
apply only to records that cover a reasonable period of time 7806  
surrounding the alleged violation. 7807

On failure to comply with any subpoena issued by the board 7808  
and after reasonable notice to the person being subpoenaed, the 7809  
board may move for an order compelling the production of persons 7810  
or records pursuant to the Rules of Civil Procedure. 7811

A subpoena issued by the board may be served by a sheriff, 7812  
the sheriff's deputy, or a board employee designated by the 7813  
board. Service of a subpoena issued by the board may be made by 7814  
delivering a copy of the subpoena to the person named therein, 7815  
reading it to the person, or leaving it at the person's usual 7816  
place of residence. When the person being served is a certified 7817  
mental health assistant, service of the subpoena may be made by 7818  
certified mail, restricted delivery, return receipt requested, 7819  
and the subpoena shall be deemed served on the date delivery is 7820  
made or the date the person refuses to accept delivery. 7821

A sheriff's deputy who serves a subpoena shall receive the 7822  
same fees as a sheriff. Each witness who appears before the 7823  
board in obedience to a subpoena shall receive the fees and 7824  
mileage provided for witnesses in civil cases in the courts of 7825  
common pleas. 7826

(D) All hearings and investigations of the board shall be 7827  
considered civil actions for the purposes of section 2305.252 of 7828  
the Revised Code. 7829

(E) Information received by the board pursuant to an 7830  
investigation is confidential and not subject to discovery in 7831  
any civil action. 7832

The board shall conduct all investigations and proceedings 7833

in a manner that protects the confidentiality of patients and 7834  
persons who file complaints with the board. The board shall not 7835  
make public the names or any other identifying information about 7836  
patients or complainants unless proper consent is given. 7837

The board may share any information it receives pursuant 7838  
to an investigation, including patient records and patient 7839  
record information, with law enforcement agencies, other 7840  
licensing boards, and other governmental agencies that are 7841  
prosecuting, adjudicating, or investigating alleged violations 7842  
of statutes or administrative rules. An agency or board that 7843  
receives the information shall comply with the same requirements 7844  
regarding confidentiality as those with which the state medical 7845  
board must comply, notwithstanding any conflicting provision of 7846  
the Revised Code or procedure of the agency or board that 7847  
applies when it is dealing with other information in its 7848  
possession. In a judicial proceeding, the information may be 7849  
admitted into evidence only in accordance with the Rules of 7850  
Evidence, but the court shall require that appropriate measures 7851  
are taken to ensure that confidentiality is maintained with 7852  
respect to any part of the information that contains names or 7853  
other identifying information about patients or complainants 7854  
whose confidentiality was protected by the state medical board 7855  
when the information was in the board's possession. Measures to 7856  
ensure confidentiality that may be taken by the court include 7857  
sealing its records or deleting specific information from its 7858  
records. 7859

(F) On a quarterly basis, the board shall prepare a report 7860  
that documents the disposition of all cases during the preceding 7861  
three months. The report shall contain the following information 7862  
for each case with which the board has completed its activities: 7863

<u>(1) The case number assigned to the complaint or alleged violation;</u>	7864
	7865
<u>(2) The type of license, if any, held by the individual against whom the complaint is directed;</u>	7866
	7867
<u>(3) A description of the allegations contained in the complaint;</u>	7868
	7869
<u>(4) The disposition of the case.</u>	7870
<u>The report shall state how many cases are still pending, and shall be prepared in a manner that protects the identity of each person involved in each case. The report is a public record for purposes of section 149.43 of the Revised Code.</u>	7871
	7872
	7873
	7874
<b><u>Sec. 4772.22.</u></b> (A) <u>As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.</u>	7875
	7876
(B) <u>Whenever any person holding a valid license to practice as a certified mental health assistant issued under this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the license under section 4772.20 of the Revised Code.</u>	7877

	7889
	7890
(C) <u>The prosecutor in any case against any person holding a valid license issued under this chapter, on forms prescribed</u>	7891
	7892

and provided by the state medical board, shall notify the board 7893  
of any of the following: 7894

(1) A plea of guilty to, a finding of guilt by a jury or 7895  
court of, or judicial finding of eligibility for intervention in 7896  
lieu of conviction for a felony, or a case in which the trial 7897  
court issues an order of dismissal upon technical or procedural 7898  
grounds of a felony charge; 7899

(2) A plea of guilty to, a finding of guilt by a jury or 7900  
court of, or judicial finding of eligibility for intervention in 7901  
lieu of conviction for a misdemeanor committed in the course of 7902  
practice, or a case in which the trial court issues an order of 7903  
dismissal upon technical or procedural grounds of a charge of a 7904  
misdemeanor, if the alleged act was committed in the course of 7905  
practice; 7906

(3) A plea of guilty to, a finding of guilt by a jury or 7907  
court of, or judicial finding of eligibility for intervention in 7908  
lieu of conviction for a misdemeanor involving moral turpitude, 7909  
or a case in which the trial court issues an order of dismissal 7910  
upon technical or procedural grounds of a charge of a 7911  
misdemeanor involving moral turpitude. 7912

The report shall include the name and address of the 7913  
license holder, the nature of the offense for which the action 7914  
was taken, and the certified court documents recording the 7915  
action. 7916

Sec. 4772.23. (A) Within sixty days after the imposition 7917  
of any formal disciplinary action taken by any health care 7918  
facility, including a hospital, health care facility operated by 7919  
a health insuring corporation, ambulatory surgical facility, or 7920  
similar facility, against any individual holding a valid license 7921

to practice as a certified mental health assistant, the chief 7922  
administrator or executive officer of the facility shall report 7923  
to the state medical board the name of the individual, the 7924  
action taken by the facility, and a summary of the underlying 7925  
facts leading to the action taken. On request, the board shall 7926  
be provided certified copies of the patient records that were 7927  
the basis for the facility's action. Prior to release to the 7928  
board, the summary shall be approved by the peer review 7929  
committee that reviewed the case or by the governing board of 7930  
the facility. 7931

The filing of a report with the board or decision not to 7932  
file a report, investigation by the board, or any disciplinary 7933  
action taken by the board, does not preclude a health care 7934  
facility from taking disciplinary action against a certified 7935  
mental health assistant. 7936

In the absence of fraud or bad faith, no individual or 7937  
entity that provides patient records to the board shall be 7938  
liable in damages to any person as a result of providing the 7939  
records. 7940

organization described in section 4731.251 of the Revised Code, 8044

lieu of, all penalties and other remedies provided in this 8091  
chapter. 8092

approval of the controlling board, may establish fees in excess 8094  
of the amounts specified in this chapter, except that the fees 8095  
may not exceed the specified amounts by more than fifty per 8096  
cent. 8097

All fees, penalties, and other funds received by the board 8098  
under this chapter shall be deposited in accordance with section 8099  
4731.24 of the Revised Code. 8100

expertise. 8263

(6) The outcome of the health care task is reasonably 8264  
predictable. 8265

(7) Performance of the health care task requires no 8266

(D) A family member who authorizes an unlicensed in-home 8284

of a complaint. If the board determines that a family member has 8306  
acted in a manner that is inappropriate for the health and 8307  
safety of the individual receiving the care, the authorization 8308  
granted by the family member to an unlicensed in-home care 8309  
worker is void, and the family member may not authorize other 8310  
unlicensed in-home care workers to provide the care. In making 8311  
such a determination, the board shall use appropriately licensed 8312  
health care professionals and shall provide the family member an 8313

for medicaid payments for health care services the department 8322  
determines are appropriate to be covered by the medicaid program 8323  
when provided as telehealth services. The standards shall be 8324  
established in rules adopted under section 5164.02 of the 8325  
Revised Code. 8326

by the medicaid director or the directors of other state 8332  
agencies are not subject to the requirements of division (F) of 8333
