S. B. No. 95

Senator Reynolds

A BILL

To amend section 4729.285 and to enact section 1
4729.554 of the Revised Code to authorize the 2
operation of remote dispensing pharmacies. 3

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 4729.285 be amended and section 4
4729.554 of the Revised Code be enacted to read as follows: 5

Sec. 4729.285. A pharmacist may provide telehealth 6
services in accordance with section 4743.09 of the Revised Code, 7
except that in the case of dispensing a dangerous drug, a 8
pharmacist shall not use telehealth mechanisms or other virtual 9
means to perform any of the actions involved in dispensing the 10
dangerous drug unless the action is authorized by section 11
4729.554 of the Revised Code or by the state board of pharmacy 12
through rules it adopts under ~~this chapter or~~ section 4743.09 of 13
the Revised Code. 14

Sec. 4729.554. (A) As used in this section: 15

(1) "Remote dispensing pharmacy" means a pharmacy where 16
the dispensing of drugs, patient counseling, and other 17
pharmacist care is provided through a telepharmacy system. The 18
dispensing of drugs at a remote dispensing pharmacy may include 19

the dispensing of drug therapy related devices. 20

(2) "Telepharmacy system" means a system that monitors the 21
dispensing of drugs and provides for related drug utilization 22
review and patient counseling services by an electronic method. 23

(B) The state board of pharmacy shall regulate remote 24
dispensing pharmacies in accordance with this section. A remote 25
dispensing pharmacy may operate only by using a telepharmacy 26
system that meets standards established in rules adopted under 27
this section and by complying with all other requirements of 28
this section and the rules adopted under it for operating a 29
remote dispensing pharmacy. 30

(C) (1) To be eligible to operate as a remote dispensing 31
pharmacy, a pharmacy shall meet all of the following conditions: 32

(a) Be licensed under this chapter as a terminal 33
distributor of dangerous drugs; 34

(b) Be physically located in this state, in a building 35
that is zoned for commercial use, and in an area that meets the 36
conditions of division (C) (2) of this section; 37

(c) Have a supervising pharmacy that meets the 38
requirements of division (D) of this section and a supervising 39
pharmacist that meets the requirements of division (E) of this 40
section; 41

(d) Be staffed by two or more pharmacy interns or 42
certified pharmacy technicians who meet qualifications and 43
training requirements established in rules adopted under this 44
section. 45

(2) (a) Except as provided in division (C) (2) (b) of this 46
section, a remote dispensing pharmacy shall not be located 47

within ten miles of a pharmacy that serves the public as an 48
outpatient pharmacy. 49

(b) A remote dispensing pharmacy may be located within the 50
ten-mile limitation described in division (C)(2)(a) of this 51
section if either of the following is the case: 52

(i) The remote dispensing pharmacy is part of a federally 53
qualified health center or federally qualified health center 54
look-alike, as defined in section 3701.047 of the Revised Code. 55

(ii) The board, based on a demonstration of need that 56
meets the standards established in rules adopted under this 57
section, approves the remote dispensing pharmacy's physical 58
location. 59

(D)(1) To be eligible to serve as the supervising pharmacy 60
of a remote dispensing pharmacy, a pharmacy shall meet all of 61
the following conditions: 62

(a) Be licensed under this chapter as a terminal 63
distributor of dangerous drugs; 64

(b) Be physically located in this state; 65

(c) Be under common ownership and control with the remote 66
dispensing pharmacy or, pursuant to a contract that meets 67
requirements specified in rules adopted under this section, 68
operate under contract with the remote dispensing pharmacy. 69

(2) In serving as a supervising pharmacy, the supervising 70
pharmacy shall control the telepharmacy system used by the 71
remote dispensing pharmacy and shall employ or contract with the 72
supervising pharmacist of the remote dispensing pharmacy. 73

(E)(1) To be eligible to serve as the supervising 74
pharmacist of a remote dispensing pharmacy, a pharmacist shall 75
