- (B) The secretary of state shall not accept original articles for filing unless there is filed with the articles a written appointment of an agent that is signed by the incorporators of the corporation or a majority of them and a written acceptance of the appointment that is signed by the agent. In all other cases, the corporation shall appoint the agent and shall file in the office of the secretary of state a written appointment of the agent that is signed by any authorized officer of the corporation and a written acceptance of the appointment that is either the original acceptance signed by the agent or a photocopy, facsimile, or similar reproduction of the original acceptance signed by the agent.

The secretary of state shall forthwith give notice of the delivery to the corporation at its principal office as shown upon the record in the secretary of state's office and at any different address shown on its last franchise tax report filed in this state, or to the corporation at any different address set forth in the above mentioned affidavit, and shall forward to the corporation at said addresses, by certified mail, with request for return receipt, a copy of the process, notice, or demand; and thereupon service upon the corporation shall be deemed to have been made.

"Usual place of business" does not include a post office box, regardless of whether that post office box has an associated street address.
- (D) If any agent dies, removes from the state, or resigns, the corporation shall forthwith appoint another agent and file with the secretary of state, on a form prescribed by the secretary of state, a written appointment of that agent.

The notice shall set forth the name of the corporation, the name and current address of the agent, the current or last known address, including the street and number or other particular description, of the corporation's principal office, the resignation of the agent, and a statement that a copy of the notice has been sent to the corporation within the time and in the manner prescribed by this division. Upon the expiration of sixty days after such filing, the authority of the agent shall terminate.
- (G) A corporation may revoke the appointment of an agent by filing with the secretary of state, on a form prescribed by the secretary of state, a written appointment of another agent and a statement that the appointment of the former agent is revoked.
- (H) Any process, notice, or demand required or permitted by statute to be served upon a corporation may be served upon the corporation by delivering a copy of it to its agent, if a natural

person, or by delivering a copy of it at the address of its agent in this state, as such address appears upon the record in the office of the secretary of state. If (1) the agent cannot be found, or (2) the agent no longer has that address, or (3) the corporation has failed to maintain an agent as required by this section, and if in any such case the party desiring that such process, notice, or demand be served, or the agent or representative of the party, shall have filed with the secretary of state an affidavit stating that one of the foregoing conditions exists and stating the most recent address of the corporation that the party after diligent search has been able to ascertain, then service of process, notice, or demand upon the secretary of state, as the agent of the corporation, may be initiated by delivering to the secretary of state or at the secretary of state's office triplicate copies of such process, notice, or demand and by paying to the secretary of state a fee of five dollars. The secretary of state shall forthwith give notice of such delivery to the corporation at its principal office as shown upon the record in the secretary of state's office and also to the corporation at any different address set forth in the above mentioned affidavit, and shall forward to the corporation at each of those addresses, by certified mail, with request for return receipt, a copy of such process, notice, or demand; and thereupon service upon the corporation shall be deemed to have been made.

- (I) The secretary of state shall keep a record of each process, notice, and demand delivered to the secretary of state or at the secretary of state's office under this section or any other law of this state that authorizes service upon the secretary of state, and shall record the time of such delivery and the secretary of state's action thereafter with respect thereto.
- (J) This section does not limit or affect the right to serve any process, notice, or demand upon a corporation in any other manner permitted by law.
- (K) Except when an original appointment of an agent is filed with the original articles, a written appointment of an agent or a written statement filed by a corporation with the secretary of state shall be signed by any authorized officer of the corporation or by the incorporators of the corporation or a majority of them if no directors have been elected.
- (L) For filing a written appointment of an agent other than one filed with original articles, and for filing a statement of change of address of an agent, the secretary of state shall charge and collect the fee specified in division (R) of section 111.16 of the Revised Code.
- (M) Upon the failure of any corporation to appoint another agent or to file a statement of change of address of an agent, the secretary of state shall give notice thereof by certified mail to the corporation at the address set forth in the notice of resignation or on the most recent statement of continued existence filed in this state by the corporation. Unless the failure is cured within thirty days after the mailing by the secretary of state of the notice or within any further period the secretary of state grants, upon the expiration of that period, the articles of the corporation shall be canceled without further notice or action by the secretary of state. The secretary of state shall make a notation of the cancellation on the secretary of state's records. A corporation whose articles have been canceled may be reinstated by filing, within two years of the cancellation, on a form prescribed by the secretary of state, an application for reinstatement and the required appointment of agent or

required statement, and by paying the filing fee specified in division (Q) of section 111.16 of the Revised Code. The rights, privileges, and franchises of a corporation whose articles have been reinstated are subject to section 1702.60 of the Revised Code. The secretary of state shall furnish the tax commissioner a monthly list of all corporations canceled and reinstated under this division.

(N) This section does not apply to banks, trust companies, insurance companies, or any corporation defined under the laws of this state as a public utility for taxation purposes.

Sec. 1702.59. (A) Every nonprofit corporation, incorporated under the general corporation laws of this state, or previous laws, or under special provisions of the Revised Code, or created before September 1, 1851, which corporation has expressedly or impliedly elected to be governed by the laws passed since that date, and whose articles or other documents are filed with the secretary of state, shall file with the secretary of state a verified statement of continued existence, signed by a director, officer, or three members in good standing, setting forth the corporate name, the place where the principal office of the corporation is located, the date of incorporation, the fact that the corporation is still actively engaged in exercising its corporate privileges, and the name and address of its agent appointed pursuant to section 1702.06 of the Revised Code.

- (B) Each corporation required to file a statement of continued existence shall file it with the secretary of state within each five years after the date of incorporation or of the last corporate filing.
- (C) Corporations specifically exempted by division (N) of section 1702.06 of the Revised Code, or whose activities are regulated or supervised by another state official, agency, bureau, department, or commission are exempted from this section.
- (D) The secretary of state shall give notice by ordinary or electronic mail and provide a form for compliance with this section to each corporation required by this section to file the statement of continued existence, such notice and form to be mailed to the last known physical or electronic mail address of the corporation as it appears on the records of the secretary of state or which the secretary of state may ascertain upon a reasonable search.
- (E) If any nonprofit corporation required by this section to file a statement of continued existence fails to file the statement required every fifth year, then the secretary of state shall cancel the articles of such corporation, make a notation of the cancellation on the records, and mail to the corporation a certificate of the action so taken.
- (F) A corporation whose articles have been canceled may be reinstated by filing, within two years of the cancellation, an application for reinstatement and paying to the secretary of state the fee specified in division (Q) of section 111.16 of the Revised Code. The name of a corporation whose articles have been canceled shall be reserved for a period of one year after the date of cancellation. If the reinstatement is not made within one year from the date of the cancellation of its articles of incorporation and it appears that a corporate name, limited liability company name, limited liability partnership name, limited partnership name, or trade name has been filed, the name of which is not distinguishable upon the record as provided in section 1702.06 of the Revised Code, the applicant for reinstatement shall be required by the secretary of state, as a condition prerequisite to such

reinstatement, to amend its articles by changing its name. A certificate of reinstatement may be filed in the recorder's office of any county in the state, for which the recorder shall charge and collect a base fee of one dollar for services and a housing trust fund fee of one dollar pursuant to section 317.36 of the Revised Code. The rights, privileges, and franchises of a corporation whose articles have been reinstated are subject to section 1702.60 of the Revised Code.

(G) The secretary of state shall furnish the tax commissioner a list of all corporations failing to file the required statement of continued existence.

Sec. 1703.041. (A) Every foreign corporation for profit that is licensed to transact business in this state, and every foreign nonprofit corporation that is licensed to exercise its privileges in this state, shall have and maintain an agent, sometimes referred to as the "designated agent," upon whom process against the corporation may be served within this state. The agent shall be one of the following:

- (1) A natural person who is a resident of this state;
- (2) A domestic or foreign corporation, nonprofit corporation, limited liability company, partnership, limited partnership, limited partnership association, professional association, business trust, or unincorporated nonprofit association that has a business address in this state. If the agent is an entity other than a domestic corporation, the agent shall meet the requirements of Title XVII of the Revised Code for an entity of the agent's type to transact business or exercise privileges in this state.
- (B)(B)(1) The written appointment of a designated agent shall set forth the name and address of the agent, including the street and number or other particular description of the agent's primary residence in this state or, if the agent is not a natural person, the agent's usual place of business in this state, and shall otherwise be in such form as the secretary of state prescribes. The secretary of state shall keep a record of the names of such foreign corporations and the names and addresses of their respective agents.
- (2) As used in division (B)(1) of this section, "usual place of business" means a place in this state that is customarily open during normal business hours and where an individual is generally present who is authorized to perform the services of a registered agent, including accepting service of process and other notifications for the person serving as a statutory agent. "Usual place of business" does not include a post office box, regardless of whether that post office box has an associated street address.
- (C) If the designated agent dies, removes from the state, or resigns, the foreign corporation shall forthwith appoint another agent and file in the office of the secretary of state, on a form prescribed by the secretary of state, a written appointment of the new agent.
- (D) If the designated agent changes the agent's address from that appearing upon the record in the office of the secretary of state, the foreign corporation or the designated agent in its behalf shall forthwith file with the secretary of state, on a form prescribed by the secretary of state, a written statement setting forth the agent's new address.

- (E) A designated agent may resign by filing with the secretary of state, on a form prescribed by the secretary of state, a signed statement to that effect. The secretary of state shall forthwith mail a copy of the statement to the foreign corporation at its principal office as shown by the record in the secretary of state's office. Upon the expiration of sixty days after the filing, the authority of the agent shall terminate.
- (F) A foreign corporation may revoke the appointment of a designated agent by filing with the secretary of state, on a form prescribed by the secretary of state, a written appointment of another agent and a statement that the appointment of the former agent is revoked.
- (G) Process may be served upon a foreign corporation by delivering a copy of it to its designated agent, if a natural person, or by delivering a copy of it at the address of its agent in this state, as the address appears upon the record in the office of the secretary of state.
- (H) This section does not limit or affect the right to serve process upon a foreign corporation in any other manner permitted by law.
- (I) Every foreign corporation for profit shall state in each annual report filed by it with the department of taxation the name and address of its designated agent in this state.

Sec. 1703.15. No foreign corporation shall transact in this state any business that could not be lawfully transacted by a domestic corporation. Whenever the secretary of state finds that a foreign corporation licensed to transact business in this state is transacting in this state a business that a domestic corporation could not lawfully transact, is transacting business in this state in a corporate name that is not readily distinguishable from the name of every other corporation, limited liability company, limited liability partnership, or limited partnership, domestic or foreign, or every trade name, registered in the office of the secretary of state, theretofore authorized to transact business in this state, without the consent of the other corporation, limited liability company, limited liability partnership, limited partnership, or trade name registrant, evidenced in writing filed with the secretary of state pursuant to section 1703.04 of the Revised Code, or has failed, after the death or resignation of its designated agent or the designated agent's removal from this state, to designate another agent as required by section 1703.041 of the Revised Code, the secretary of state shall give notice thereof by certified mail to the corporation. Unless that failure is cured within thirty days after the mailing by the secretary of state of the notice or within such further period as the secretary of state grants, the secretary of state, upon the expiration of such period, shall cancel the license of the foreign corporation to transact business in this state, give notice of the cancellation to the corporation by mail, and make a notation of the cancellation on the secretary of state's records.

A foreign corporation whose license has been canceled may be reinstated upon its filing with the secretary of state, within two years of the cancellation, on a form prescribed by the secretary of state, an application for reinstatement accompanied by the fee specified in division (Q) of section 111.16 of the Revised Code. If the application for reinstatement is submitted in a tax year or calendar year other than that in which the cancellation occurred, the application also shall be accompanied by a certificate of reinstatement issued by the department of taxation. The name of a

corporation whose license has been canceled pursuant to this section shall be reserved for a period of one year after the date of cancellation. If the reinstatement is not made within one year after the date of cancellation of the foreign license and it appears that a corporate name, limited liability company name, limited liability partnership name, limited partnership name, or trade name has been filed, the name of which is not distinguishable upon the record as provided in division (D) of section 1703.04 of the Revised Code, the secretary of state shall require the applicant for the reinstatement, as a condition prerequisite to such reinstatement, to apply for authorization to transact business in this state under an assumed name.

Sec. 1703.29. (A) The failure of any corporation to obtain a license under sections 1703.01 to 1703.31 of the Revised Code, does not affect the validity of any contract with such corporation, but no foreign corporation that should have obtained such license shall maintain any action in any court until it has obtained such license. Before any such corporation shall maintain such action on any cause of action arising at the time when it was not licensed to transact business in this state, it shall pay to the secretary of state a forfeiture of two hundred fifty dollars and file in the secretary of state's office the papers required by divisions (B) or (C) of this section, whichever is applicable.

- (B) If such corporation has not been previously licensed to do business in this state or if its license has been surrendered it shall file as required by division (A) of this section:
- (1) Its application for a license certificate, together with the filing fee, with such information as the secretary of state requires as to the time it began to transact business in this state and as to the number of its issued shares represented in this state, and with the license fees on its shares represented in this state plus a forfeiture of fifteen per cent thereon.
- (2) A certificate from the tax commissioner that the corporation has paid all taxes that it should have paid had it qualified to do business in this state at the time it began to do so, plus any penalties assessable on said taxes on account of failure to pay them within the time prescribed by law, or a certificate of the commissioner that the corporation has furnished security satisfactory to the commissioner for the payment of all such taxes and penalties.
- (C) If such corporation has been previously licensed to transact business in this state and its license has expired or has been canceled by the secretary of state upon order of the commissioner, or for failure to designate an agent for service of process, it shall file, within two years of the cancellation or expiration, with the secretary of state its application for reinstatement, as provided by law, together with the proper reinstatement fee plus a forfeiture of fifteen per cent thereon.

Upon the filing of such application and payment of such fees and penalties or forfeitures, the secretary of state shall issue to such corporation a license certificate.

Sec. 1706.09. (A) Each limited liability company and foreign limited liability company that has an effective registration as a foreign limited liability company under section 1706.511 of the Revised Code shall maintain continuously in this state an agent for service of process on the company. The agent shall be one of the following:

(1) A natural person who is a resident of this state;

- (2) A domestic or foreign corporation, nonprofit corporation, limited liability company, partnership, limited partnership, limited partnership association, professional association, business trust, or unincorporated nonprofit association that has a business address in this state. If the agent is an entity other than a domestic corporation, the agent shall meet the requirements of Title XVII of the Revised Code for an entity of the agent's type to transact business or exercise privileges in this state.
- (B)(1) The secretary of state shall not accept original articles of organization of a limited liability company or an original registration of a foreign limited liability company for filing unless both of the following accompany the articles or registration:

- (b) A written acceptance of the appointment that is signed by the designated agent on a form prescribed by the secretary of state.
- (2) In cases not covered by division (B)(1) of this section, the company shall appoint the agent described in division (A) of this section and shall file with the secretary of state, on a form prescribed by the secretary of state, a written appointment of that agent that is signed by an authorized representative of the company and a written acceptance of the appointment that is signed by the designated agent.
- (C)(C)(1) The written appointment of an agent shall set forth the name and address in this state of the agent, including the street and number or other particular description of the agent's primary residence in this state or, if the agent is not a natural person, the agent's usual place of business in this state, and shall otherwise be in such form as the secretary of state prescribes. The secretary of state shall keep a record of the names of limited liability companies and foreign limited liability companies, and the names and addresses of their respective agents.
- (2) As used in division (C)(1) of this section, "usual place of business" means a place in this state that is customarily open during normal business hours and where an individual is generally present who is authorized to perform the services of a registered agent, including accepting service of process and other notifications for the person serving as a statutory agent. "Usual place of business" does not include a post office box, regardless of whether that post office box has an associated street address.
- (D) If any agent described in division (A) of this section dies, resigns, or moves outside of this state, the limited liability company or foreign limited liability company shall appoint forthwith another agent and file with the secretary of state, on a form prescribed by the secretary of state, a written appointment of the agent and acceptance of appointment as described in division (B)(2) of this section.
- (E) If the agent described in division (A) of this section changes the agent's address from the address stated in the records of the secretary of state, the agent or the limited liability company or

foreign limited liability company shall file forthwith with the secretary of state, on a form prescribed by the secretary of state, a written statement setting forth the new address.

- (F) An agent described in division (A) of this section may resign by filing with the secretary of state, on a form prescribed by the secretary of state, a written notice of resignation that is signed by the agent and by mailing a copy of that notice to the limited liability company or foreign limited liability company at the current or last known address of its principal office. The notice shall be mailed to the company on or prior to the date that the notice is filed with the secretary of state and shall set forth the name of the company, the name and current address of the agent, the current or last known address, including the street and number or other particular description, of the company's principal office, a statement of the resignation of the agent, and a statement that a copy of the notice has been sent to the company within the time and in the manner specified in this division. The authority of the resigning agent terminates thirty days after the filing of the notice with the secretary of state.
- (G) A limited liability company or foreign limited liability company may revoke the appointment of its agent described in division (A) of this section by filing with the secretary of state, on a form prescribed by the secretary of state, a written appointment of another agent and an acceptance of appointment in the manner described in division (B)(2) of this section and a statement indicating that the appointment of the former agent is revoked.

- (b) If the agent described in division (A) of this section is a natural person, by delivering a copy of the process, notice, or demand to the agent.
- (2) If the agent described in division (A) of this section cannot be found or no longer has the address that is stated in the records of the secretary of state or the limited liability company or foreign limited liability company has failed to maintain an agent as required by this section and if the party or the agent or representative of the party that desires service of the process, notice, or demand files with the secretary of state an affidavit that states that one of those circumstances exists and states the most recent address of the company that the party who desires service has been able to ascertain after a diligent search, then the service of the process, notice, or demand upon the secretary of state as the agent of the company may be initiated by delivering to the secretary of state four copies of the process, notice, or demand accompanied by a fee of five dollars. The secretary of state shall give forthwith notice of that delivery to the company at either its principal office as shown upon the secretary of state's records or at any different address specified in the affidavit of the party desiring service and shall forward to the company at either address by certified mail, return receipt requested, a copy of the process, notice, or demand. - (I) The secretary of state shall keep a record of each process, notice, and demand that pertains to a limited liability company or foreign limited liability company and that is delivered to the secretary of state's office under this section or another law of this state that authorizes service upon the secretary of state in connection with a limited liability company or foreign limited liability company. In that record, the secretary of state shall record the time of each delivery of that type and the secretary of state's subsequent action with respect to the process, notice, or demand.
- (J) This section does not limit or affect the right to serve any process, notice, or demand upon a limited liability company or foreign limited liability company in any other manner permitted by law.
- (K) A written appointment of an agent or a written statement filed by a limited liability company or foreign limited liability company with the secretary of state shall be signed by an authorized representative of the company.
- (L) Upon the failure of a limited liability company or foreign limited liability company to continuously maintain a statutory agent or file a change of name or address of a statutory agent, the secretary of state shall give notice thereof by ordinary or electronic mail to the company at the electronic mail address provided to the secretary of state, or at the address set forth in the notice of resignation.
