A RESOLUTION

Recognizing National Work Zone Safety Awareness Week in Ohio,
April 15-19, 2024.

WHEREAS, The members of the House of Representatives of the 135th
General Assembly of Ohio are pleased to recognize April 15-19, 2024,
as National Work Zone Safety Awareness Week in Ohio; and

WHEREAS, National Work Zone Safety Awareness Week in Ohio is an
important occasion, for this event provides a unique opportunity to
highlight an issue of great importance to our state. Each year,
employees of the Ohio Department of Transportation, national road
safety organizations, government agencies, and private companies place
themselves at risk by engaging in vital construction projects on busy
city streets and highways, and it is critical that every effort be
made to reduce the dangers they face; and

WHEREAS, National Work Zone Safety Awareness Week in Ohio aims to
decrease the incidence of work zone crashes and injuries through a
variety of educational initiatives, and among its goals, it seeks to
raise awareness among drivers, encourage a uniform set of safety tips,
emphasize the values of training and the importance of best practices
in regard to work zone safety, encourage communication between workers
and motorists, and engage with local partners. Similar events have
achieved great success in other states, and we are confident that this
year's campaign will help improve the quality of life in Ohio; and

WHEREAS, It is through the work of innovative individuals such as
all those associated with organizing National Work Zone Safety
Awareness Week in Ohio that our state has gained a reputation as a
friendly, productive, and pleasant place in which to live. Indeed, we
applaud the many people that have played a role in bringing attention
to this important observance; therefore be it

RESOLVED, That we, the members of the House of Representatives of 27
the 135th General Assembly of Ohio, in adopting this Resolution, 28
recognize April 15-19, 2024, as National Work Zone Safety Awareness 29
